GENESIS

God made the earth and the sky

1 Long, long ago God created the heavens and the earth. **2** When he began to create the earth, it was shapeless and completely desolate/chaotic. Darkness covered the deep water that surrounded the earth. And the Spirit of God was hovering over the water. **3** God said, "I want light to shine!" And light shone. **4** God was pleased with the light. Then he made the light to shine in some places, and in other places there was still darkness. **5** He gave to the light the name 'day', and he gave to the darkness the name 'night'. After that, there was an evening which was followed by a morning. He called that whole period of time 'the first day'. **6** Then God said, "I command that there be an empty space like a huge dome to separate the water that is above it from the water on the earth that is below it!" **7** And that is what happened. God gave to the space the name 'sky'. **8** Then there was another evening, which was followed by another morning. He called that period of time 'the second day'.

9 Then God said, "I want the water that is below the sky to come together, and dry ground to appear and rise above the water." And that is what happened. **10** God gave to the ground the name 'earth', and he gave to the water that came together the name 'oceans'. God was pleased with the earth and the oceans. **11** Then God said, "I want the earth to produce plants, including plants that will produce seeds and trees that will produce fruit. Each kind of tree will bear its own kind of fruit." **12** Then plants grew on the earth; each kind of plant began to produce its own kind of seed. **13** Then there was another evening which was followed by another morning. God called that period of time 'the third day'.

14 Then God said, "I want a sun, a moon, and many stars to shine in the sky. The sun will shine in the daytime and the moon and stars will shine during the nighttime. By the changes in their appearance they will indicate the various seasons (OR, the times for special celebrations), and will enable people to know when days and years begin. **15** I want them also to be like lights in the sky that will shine on the earth." And that is what happened. **16** God made two of them that were like big lights. The bigger one, the sun, shines during the day and the smaller one, the moon, shines during the night. He also made the stars. **17** God set all of them in the sky to shine on the earth, **18** to rule the

day and the night, and to separate the light of the daytime from the darkness of the nighttime. God was pleased with these things he had made. **19** Then there was another evening which was followed by another morning. He called that period of time 'the fourth day'. **20** Then God said, "I want many creatures to live in all the oceans, and I also want birds to fly in the sky above the earth." **21** So God created huge sea creatures and every other kind of creature that moves in the water, and caused them to live in all the oceans. He also created many kinds of birds. God was pleased with all those creatures. **22** God blessed them. He said, "Produce offspring and become very numerous. I want the creatures in the water to live in all the oceans, and birds also to become very numerous." And that is what happened. **23** Then there was another evening that was followed by another morning. He called that period of time 'the fifth day'. **24** Then God said, "I want various kinds of creatures to appear on the earth. There will be many kinds of ◊livestock/domestic animals◊, creatures that slither across the surface of the ground, and large wild animals." And that is what happened. **25** God made all kinds of wild animals and ◊livestock/domestic animals◊ and all kinds of creatures that slither across the surface of the ground. God was pleased with all these creatures.

26 Then God said, "Now we will make human beings that will be like us in many ways. I want them to rule over the fish in the sea, over the birds, over all the ◊livestock/domestic animals◊, and over all the other creatures that move across the surface of the ground." **27** So God created human beings that were like him in many ways. He made them to be like himself. He created some to be male and some to be female. **28** God blessed them, saying, "Produce many children, who will live all over the earth and rule over it. I want them to rule over the fish and the birds and over all creatures that move across the surface of the ground." **29** God said to the humans, "Listen! I have given you all the plants that produce seeds, all over the earth, and all the trees that have seeds in their fruit. All these things are for you to eat. **30** I have given all the green plants to all the wild animals and to the birds and to all the creatures that move across the surface of the ground, to everything that breathes, for them to eat." And that is what happened. **31** God was pleased with everything that he had made. Truly, it was all very good. Then there was another evening, that was fol-

lowed by another morning. He called that period of time 'the sixth day'.

2 That is the way God created the heavens and the earth. 2 By the time it was the seventh day, God had finished the work of creating everything, so he did not work anymore on that day. 3 God blessed each seventh day, and he set those days apart to be special days, because on the seventh day God did not work anymore, after finishing all his work of creating everything. 4 That is how God created the heavens and the earth.

God made the garden of Eden

God, whose name is Yahweh, made the heavens and the earth. 5 At first there were no plants growing, because Yahweh God had not yet caused rain to fall on the ground. Furthermore, there was no one to till the ground for planting crops. 6 Instead, mist rose up from the ground, so that it watered the surface of the ground. 7 Then Yahweh God took some soil and formed a man. He breathed into the man's nostrils his own breath that gives life, and as a result the man became a living person. 8 Yahweh God made a park/garden in a place named Eden, which was east of the land of Canaan, and he put there the man that he had created. 9 Yahweh God also put there every kind of tree that is beautiful to see and that produced fruit that was good to eat. He also placed in the middle of the park/garden a tree *whose fruit would enable those who ate it to live forever*. He also placed there another tree whose fruit would enable those who ate it to know what actions were good *to do* and what actions were evil *to do*.

10 A river flowed from Eden to provide water for the park/garden. Outside of Eden, the river divided into four rivers. 11 The name of the first river is Pishon. That river flows through all the land of Havilah, where there is gold. 12 That gold *is very pure/has no impurities in it*. There is *also a sweet-smelling gum called bdellium, and valuable stones called onyx*. 13 The name of the second river is Gihon. That river flows through all the land of Cain. 14 The name of the third river is Tigris. It flows east of *the city of Asshur*. The name of the fourth river is Euphrates.

15 Yahweh God took the man and put him in Eden park/garden to till/cultivate it and take care of it. 16-17 But Yahweh said to him, "You must not eat the fruit of the tree that will enable you to know what actions are good to do and what actions are evil to do. If you eat any fruit from that tree, on that day your relationship with me will end. But I will permit you to eat the fruit of any of the other trees in the park/garden."

18 Then Yahweh God said, "It is not good for this man to be alone. So I will make someone who will be a suitable partner for him." 19 Yahweh God had taken some soil and had formed from it all kinds of animals and birds, and he brought them to the man to hear what names he would give them. 20 Then the man

gave names to all the kinds of livestock and birds and wild animals, but none of these creatures was a partner that was suitable for the man. 21 So Yahweh God caused the man to fall into a deep sleep. While the man was sleeping, Yahweh took out one of the man's ribs. Then he immediately closed the opening in his body *and healed it*. 22 Yahweh then made a woman from the rib that he had taken from the man's body, and he brought her to the man. 23 The man exclaimed, "Wow! This is truly *someone like me/what I was looking for!*" She is truly from my bones and from my flesh. So I will call her woman, ¹ because she was taken from me, a man."

24 *The first woman was taken from the man's body*, so that is why when a man and a woman marry, they must leave their parents. The man will join very closely to his wife, so that the two of them will be as though they are one person.

25 Although the man and his wife were naked, they were not ashamed about that.

Those first people sinned by disobeying God

3 The snake was more cunning than all the other wild animals that Yahweh God had made. *One day Satan gave to the snake the ability to talk to the woman*. The snake said to her, "Did God really say to you, 'Do not eat the fruit from any of the trees in the park/garden?'" 2-3 The woman replied, "*What God said was, 'Do not eat the fruit from the tree that is in the middle of the park/garden or touch it. If you do that, you will die. But you can eat fruit from any of the other trees.'*" 4 The snake said to the woman, "No, you will certainly not die. God said that ⁵ *only because he knows that when you eat fruit from that tree, you will understand new things. It will be as though your eyes are opened [MET], and you will know what is good to do and what is evil to do, just as God does.*" 6 The woman saw that the fruit on that tree was good to eat, and it was very beautiful, and she desired it because *she thought it would make her wise*. So she picked some of the fruit and ate it. Then she gave some to her husband, and he ate it. 7 Immediately *it was as though their eyes were opened, and they realized that they were naked, so they were ashamed. So they picked some fig leaves and fastened them together to make clothes for themselves.*

8 *Late that afternoon, when a cool breeze was blowing, they heard the sound/footsteps of Yahweh as he was walking in the park/garden. So the man and his wife hid themselves among the bushes in the park/garden, so that Yahweh God would not see them.* 9 But Yahweh God called to the man, saying to him, "Why are you *trying to hide from me?*" 10 The man replied, "I heard the sound of your *footsteps/walking* in the garden, and I was naked, so I was afraid and I hid myself." 11 God said, "How did you find out you

¹ In Hebrew the word for 'man' is similar to the word for 'woman'.

were naked [RHQ]? It must be because you ate some of the fruit *from the tree* that I told you, 'Do not eat its fruit.'" [RHQ] ¹² The man said, "You gave me this woman to be with me. She is the one who gave me some of the fruit from that tree, and so I ate it."

¹³ Then Yahweh God said to the woman, "Why did you do such a thing?" The woman replied, "I ate some of the fruit because the snake deceived me." ¹⁴ Then Yahweh God said to the snake, "Because you did this, of all the livestock and the wild animals, I will curse/punish you alone. As a result, you *and all other snakes* will slither very close to the ground on your bellies, and so what you eat will have dirt *on it* as long as you live. ¹⁵ And I will cause you and the woman to act in a hostile way toward each other, and I will cause your brood and her descendants to act hostilely toward each other. You will strike at the heel of *one descendant* of hers, but he will strike your head." ¹⁶ Then Yahweh said to the woman, "You will have great pain when you give birth to children; you will suffer great pain as your children are being born [DOU]. You will greatly desire your husband *to show affection for you*, but he will rule over you." ¹⁷ Then Yahweh said to the man, "You heeded what your wife said, and you ate some of the fruit *of the tree* concerning which I commanded you saying, 'Do not eat it.' So I will make it difficult *to grow things* in the ground because of what you did. You will have to work hard as long as you live to produce things from the ground to eat. ¹⁸ Thorn-bushes and thistle plants and other weeds will grow *and prevent what you have planted from growing*. And for food, you will have to eat things that just grow in your fields. ¹⁹ *All your life* you will sweat as you work hard to produce food to eat. Then you will die [EUP], and your *body will be buried* in the ground. *I made you from soil, so when you die and are buried your body will decay* and become soil again."

²⁰ *The man, whose name was Adam*, named his wife Eve, *which means 'living'*, because she became the ancestor of all living people. ²¹ Then Yahweh God *killed some animals* and made clothes from their skins for Adam and his wife.

²² Then Yahweh said, "Look! Those two have become like us because they know what is good *to do* and what is evil *to do*. So now, it will not be good if they reach out and pick and eat *some of the fruit from the tree which enables people who eat it to live forever!*"

²³ So Yahweh God expelled the man and his wife from the garden of Eden. Yahweh God had created Adam from the ground, but now he forced him to till that ground *so that he could grow food to eat*. ²⁴ After Yahweh expelled them, on the east side of the garden he placed *cherubim/creatures with wings* and *an angel holding a flaming sword* which flashed back and forth. He did that in order to block the entrance to the garden, so that people could not go back to the tree that enables people *who eat its fruit* to live forever.

God punished Adam and Eve's oldest son Cain for killing his younger brother Abel

⁴ Adam *had sex/slept* with his wife Eve, and she became pregnant and gave birth to a son whom she named Cain, *which sounds like the word that means 'produce'*, because, she said, "By Yahweh's help I have produced a son." Some time later she gave birth to another son, and she named him Abel.

² *After those boys grew up*, Abel *tended/took care of* sheep and goats, and Cain became a farmer.

³ One day Cain harvested some of the crops he had grown and brought them to Yahweh as a gift for him, ⁴ and Abel took from his flock some of the first lambs that had been born *and killed them* and, as a gift, gave to Yahweh the fatty parts, *which were the best parts*. Yahweh was pleased with Abel and his offering, ⁵ but he was not pleased with Cain and his offering. So Cain became very angry, and his face looked dejected.

⁶ Yahweh said to Cain, "*You should not be angry!/Why are you angry?*" [RHQ] *You should not scowl like that!/Why do you scowl like that?*" [RHQ] ⁷ If you had done what was right (OR, if you do what is right) [RHQ], I would accept your offering. But if you do not do what is right, *your desire to sin is ready to attack you like a wild animal that* [PRS] *crouches outside the doorway, ready to spring on its victim* [MET]. *Your desire to sin* wants to control you, but you must *control/not obey* it."

⁸ But one day, Cain said to his younger brother Abel, "Let's go for a walk in the fields." *So they went together*. And when they were in the countryside, suddenly Cain attacked Abel and killed him. ⁹ *Later, even though Yahweh knew what Cain had done*, he said to Cain, "Do you know where Abel, your younger brother, is?"

Cain replied, "No, I do not know. *My job is not to guard my younger brother!/Am I supposed to take care of my younger brother?*" [RHQ] ¹⁰ Yahweh said, "You have done a terrible thing [RHQ]! So now *it is as though* your younger brother's voice is crying to me from the ground, demanding that his death must be avenged. ¹¹ You have killed your younger brother, and the ground has soaked up his blood. So now I will expel you from this land and curse your efforts to produce crops. ¹² You will till the ground to plant crops, but the ground will produce very few [HYP] crops. And you will continually wander around the earth, and not have any place to live permanently." ¹³ Cain replied, "You are punishing me more than I can endure. ¹⁴ You are about to expel me from the ground *that I have been cultivating*, and I will no longer be able to come *into your presence/and talk with you*. Furthermore, I will be continually wandering around the earth with no place to live permanently, and anyone who sees me will kill me." ¹⁵ But Yahweh said to him, "No, that will not happen. I will put a mark on you to warn anyone who sees you that *I will punish him severely if he kills you*. I will punish that person seven times as

severely as I am punishing you." Then Yahweh put a mark on Cain's forehead. ¹⁶ So Cain left Yahweh and went to live in the land called Nod, *which means 'wandering'*, which was east of Eden.

The descendants of Cain

¹⁷ Some time later, Cain \diamond had sex/slept \diamond with his wife, and she *became pregnant and gave birth to a son, whom she named Enoch*. Then Cain started to build a city, and he named the city 'Enoch', the same name that his son had. ¹⁸ Enoch *grew up and married and became the father of a son whom he named Irad*. When Irad *grew up he became the father of a son whom he named Mehujael*. Mehujael *grew up and became the father of a son whom he named Methuselah*. Methuselah *grew up and became the father of Lamech*. ¹⁹ When Lamech *grew up he married two women*. The name of one was Adah and the other was Zillah. ²⁰ Adah gave birth to *a son she named Jabal*. ²¹ Later, Jabal was the first person who lived in tents because he traveled from place to place to take care of livestock. His younger brother's name was Jubal. He was the first person who made/played a \diamond lyre/stringed instrument \diamond and a flute. ²² *Lamech's other wife Zillah gave birth to a son whom she named Tubal-Cain*. Later Tubal-Cain became a \diamond blacksmith/one who made tools from bronze and iron \diamond . Tubal-Cain had a younger sister whose name was Naamah.

²³ One day Lamech said to his two wives, "Adah and Zillah, listen carefully to what I am saying. A young man struck me and wounded me, so I killed him. ²⁴ Yahweh said long ago that he would avenge and punish anyone who killed Cain seven times as much as he punished Cain *for killing his younger brother*. So if anyone *tries to kill me, I will punish him 77 times as much as Yahweh punished Cain*."

Adam and Eve had another son, Seth

²⁵ Adam continued to \diamond have sex/sleep \diamond with [EUP] his wife, and she *became pregnant and gave birth to another son, whom she named Seth, which sounds like the Hebrew word that means 'given'*, because, she said, "God has given me another child to take the place of Abel, since Cain killed him." ²⁶ When Seth grew up, he became the father of a son whom he named Enosh. About that time people began to worship Yahweh *again*.

The descendants of Adam

⁵ Here is a list of the descendants of Adam. When God created humans, he caused them to be like him in many ways. ² He created one man and one woman. He blessed them, and on the day that he created them, he called them 'human beings'. ³ When Adam was 130 years old, he became the father of a son who *grew up to be just like him*. That was the son he named Seth. ⁴ After Seth was born, Adam lived 800

more years, and during those years he became the father of other sons and daughters. ⁵ Adam lived 930 years altogether, and then he died. ⁶ When Seth was 105 years old, he became the father of Enosh. ⁷ After Enosh was born, Seth lived 807 more years, and became the father of other sons and daughters. ⁸ Seth lived 912 years altogether, and then he died. ⁹ When Enosh was 90 years old, he became the father of Kenan. ¹⁰ After Kenan was born, Enosh lived 815 more years and became the father of other sons and daughters. ¹¹ Enosh lived 905 years altogether, and then he died. ¹² When Kenan was 70 years old, he became the father of Mahalalel. ¹³ After Mahalalel was born, Kenan lived 840 more years and became the father of other sons and daughters. ¹⁴ Kenan lived 910 years altogether, and then he died. ¹⁵ When Mahalalel was 65 years old, he became the father of Jared. ¹⁶ After Jared was born, Mahalalel lived 830 more years and became the father of other sons and daughters. ¹⁷ Mahalalel lived 895 years altogether, and then he died. ¹⁸ When Jared was 162 years old, he became the father of Enoch. ¹⁹ Jared lived 800 years after Enoch was born, and he became the father of other sons and daughters. ²⁰ Jared lived 962 years altogether, and then he died. ²¹ When Enoch was 65 years old, he became the father of Methuselah. ²² Enoch lived in close fellowship with God for 300 years after Methuselah was born, and he became the father of other sons and daughters. ²³ Enoch lived 365 years altogether in close fellowship with God. ²⁴ Then one day he disappeared, because God took him away *to be with him in heaven*. ²⁵ When Methuselah was 187 years old, he became the father of Lamech. ²⁶ Methuselah lived 782 years after Lamech was born, and became the father of other sons and daughters. ²⁷ Methuselah lived 969 years altogether, and then he died. ²⁸ When Lamech was 182 years old, he became the father of a son, ²⁹ whom he named Noah, *which sounds like the Hebrew word that means 'relief'*, because he said, "He will bring us relief from all the hard work we have been doing to produce food from the ground that Yahweh cursed." ³⁰ Lamech lived 595 years after Noah was born and became the father of other sons and daughters. ³¹ Lamech lived 777 years altogether, and then he died. ³² When Noah was 500 years old, he became the father of a son whom he named Shem. Later he became the father of another son whom he named Ham, and later he became the father of another son whom he named Japheth.

People became very evil and did many evil things

⁶ When people began to become very numerous all over the earth, and many daughters were born to them, ² some of the men who \diamond belonged to/believed in \diamond God saw that some of the women who did not \diamond belong to/believe in \diamond God were very beautiful. So they took whichever ones they chose to become their wives. ³ Then Yahweh said, "*I will not allow my*

Spirit to keep people alive forever (OR, the breath of life will not remain in people forever). They will die eventually. They will live not more than 120 years before they die (OR, there will be only 120 more years before they die)."

⁴ There were *giants called Nephils* who lived on the earth at that time and later. During that time *some of the Nephil* men who *belonged to/believed in* God had sex [EUP] with women who did not *belong to/believe in* God, and they gave birth to children. The Nephils were considered to be heroic fighters, and they became famous.

⁵ Yahweh saw that people on the earth had become very wicked, and that everything they thought about evil things continually. ⁶ Yahweh was sorry that he had made people. ⁷ So he said, "I will completely destroy the people I made. I will also destroy all the animals and the creatures that move close to the ground and the birds. None of them will remain on the earth, because I regret that I made them."

Noah pleased God, so God planned to spare him

⁸ But Yahweh was pleased with Noah. ⁹ This is why: Noah was a man who always acted in a righteous way. No one who lived at that time could criticize him about anything. Noah lived in close fellowship with God.

¹⁰ Noah became the father of three sons: Shem, Ham, and Japheth.

¹¹ At that time God considered that everyone else on earth was very wicked, and everywhere on the earth, people [MTY] were acting cruelly and violently toward each other. ¹² God was dismayed when he saw how evil people [MTY] were, because everyone (OR, all living creatures) had begun to behave in an evil way.

¹³ So God said to Noah, "I have decided to destroy everyone, because all over the earth people are acting violently toward each other. So I am about to get rid of them as well as everything else on the earth. ¹⁴ I want you to make for yourself a large boat from cypress wood. Make rooms inside it. Cover the outside and the inside with tar to make it *waterproof/so that water cannot get in and sink the boat*.

¹⁵ This is the size you must make it: It shall be *150 yards/135 meters* long, *25 yards/22.5 meters* wide, and *15 yards/13.5 meters* high. ¹⁶ Make a roof for the boat. Leave a space of about *18 in./.5 meter* between the sides and the roof to let air and light enter (OR, the middle of the roof should be 18 inches higher than the sides). Build the boat with three decks inside, and put a door in one side. ¹⁷ Listen carefully! I am about to cause a flood to occur that will destroy every creature that lives beneath the sky. Everything on the earth will die.

¹⁸ But I will make an agreement with you(sg): You and your wife, your sons and their wives will enter the boat. ¹⁹ And I want to save some of all kinds of creatures. So you must also bring two of all living creatures, a male and a female, into the boat with you, so that their species also may remain alive. ²⁰ Two of

every kind of creature will come to you *in order that by your putting them in the boat* you will keep them alive. They will include two of each kind of bird and each kind of animal and each kind of creature that moves close to the ground. ²¹ You must also take some of every kind of food that you and all these animals will need, and store it in the boat." ²² So Noah did everything that God told him to do.

God sent a flood to cover the earth

⁷ Then Yahweh said to Noah, "I have seen that out of everyone who is now living, you alone always act righteously. So you and all your family go into the boat. ² Take with you seven pairs of every kind of animal that I have said I will accept for sacrifices. Take seven males and seven females. Also take a male and a female from every kind of animal that I have said that I will not accept for sacrifices. ³ Also take seven pairs of every kind of bird from all over the earth to keep them alive. ⁴ Do this because seven days from now I will cause rain to fall on the earth. It will rain constantly for 40 days and nights. By doing that, I will destroy everything that I have made that is on the earth."

⁵ Noah did everything that Yahweh told him to do. ⁶ Noah was 600 years old when the flood covered the earth. ⁷ Before it started to rain, Noah and his wife and his sons went into the boat to escape from the flood water. ⁸ Pairs of animals, those that God said that he would accept for sacrifices and those that he would not accept for sacrifices, and pairs of birds and pairs of all the kinds of creatures that move close to the ground, ⁹ males and females, came to Noah and then went into the boat, just as God told Noah that they would do. ¹⁰ Seven days later, it started to rain and a flood began to cover the earth. ¹¹ When Noah was 600 years old, *on the 17th day of the second month of that year/late in October*, all the water that is under the surface of the earth burst forth, and it began to rain so hard that it was as though a dam [MET] in the sky burst open. ¹² Rain fell on the earth constantly for 40 days and nights. ¹³ On the day that it started to rain, Noah went into the boat with his wife, and his three sons, Shem, Ham, and Japheth and their wives. ¹⁴ They had already put in the boat some of every kind of wild animal and every kind of livestock and every kind of bird and every other creature that has wings. ¹⁵ Pairs of all animals came to Noah and entered the boat. ¹⁶ There was a male and a female of each animal that came to Noah, just as God had said they would do. After they were all in the boat, God shut the door.

¹⁷ It rained for 40 days and nights, and the flood increased. It flooded until the water lifted the boat above the ground. ¹⁸ As the water rose higher and higher, the boat floated on the surface of the water. ¹⁹ The water rose all over the earth until it covered all the mountains. ²⁰ Even the highest mountains were

covered by more than \diamond 20 feet/6 meters \diamond of water. ²¹ As a result, every living creature on the surface of the earth died. That included birds and livestock and wild animals and other creatures that scurry close to the ground, and all the people. ²² On the land, \diamond everything that breathed/every living thing \diamond died. ²³ God destroyed every living creature: People and animals and creatures that crawl and birds. Only Noah and those who were in the boat with him remained alive. ²⁴ The flood remained like that on the earth for 150 days.

God caused the water to recede and then told Noah to leave the boat

8 But God \diamond did not forget/thought \diamond about Noah and all the wild animals and all the kinds of livestock that were with him in the boat. So one day God sent a wind to blow across the earth, and the wind caused the water *to begin* to recede. ² God caused the water that was under the earth to stop bursting forth, and he caused the floodgates of water from the sky to close so that it stopped raining. ³ The water on the earth gradually receded. 150 days after the flood began, ⁴ \diamond on the 17th day of the seventh month *of that year/late in March* \diamond , the boat came to rest on one of the mountains in the Ararat region. ⁵ The water continued to recede until, on the first day of the tenth month *of that year*, the tops of other mountains became visible. ⁶ 40 days later, Noah opened the window that he had made in the side of the boat, and sent out a raven. ⁷ The raven flew back and forth *to and from the boat* until the water was completely gone. ⁸ Then Noah sent out a dove to find out if the water had all receded on the ground. ⁹ But the dove did not find any place to perch, so it flew back to Noah in the boat, because there was still water all over the surface of the earth. So Noah reached out his hand and took the dove back inside the boat. ¹⁰ Noah waited seven more days. Then he sent the dove out of the boat again. ¹¹ This time the dove returned to him in the evening and, *surprisingly*, in its beak there was a leaf from an olive tree that the dove had just plucked. Then Noah knew that the water had truly receded from the surface of the ground. ¹² Noah waited seven more days. Then he sent the dove out again, but this time it did not return to him.

¹³ Noah was now 601 years old. By the first day of the first month *of the Jewish year*, the water had completely drained away from the ground. Noah removed the covering on top of the ark, and he was surprised to see that the surface of the ground was drying. ¹⁴ By the 27th day of the next month, the ground was completely dry. ¹⁵ Then God said to Noah, ¹⁶ "Leave the boat, along with your wife and your sons and their wives. ¹⁷ Bring out with you all the birds, the animals, and all the creatures that scurry close to the ground, in order that they can spread all over the earth and become very numerous." ¹⁸ So Noah left the boat, along

with his wife and his sons and their wives. ¹⁹ And every kind of creature, including all those that scurry close to the ground, all the birds, every creature that moves on the earth, left the boat. They left the boat in groups of their own species.

God promised to never again destroy all the people with a flood

²⁰ Then Noah built a \diamond stone altar/place for offering sacrifices \diamond to Yahweh. Then he took some of the animals that Yahweh had said were acceptable as sacrifices and killed them. Then he burned them whole on the altar. ²¹ When Yahweh smelled the pleasant odor, he was pleased with the sacrifice. Then he said to himself, "I will never again devastate everything on the earth because of the sinful things people do. Even though everything that people think is evil from the time they are young, I will not destroy all the living creatures again, as I did this time. ²² As long as the earth exists, each year there will be seasons for planting seeds and seasons for harvesting crops. Each year there will be times when it is cold and times when it is hot, summer and winter (OR, rainy season and dry season). Each day there will be daytime and nighttime."

God made an agreement with Noah

9 Then God blessed Noah and his sons, saying to them, "I want you to have many children who will live all over the earth. ² All the wild animals on the earth and all the birds, all the creatures that scurry across the ground, and all the fish, will be very afraid [DOU] of you. I have put them under your control. ³ Just as I previously said you could eat green plants for food, now I am saying you can eat everything that lives and moves. ⁴ *It is blood that causes creatures to be alive*, therefore you must not eat meat that still has blood in it after the animal is killed. *After you have drained the blood out, you may cook it and eat it.* ⁵ I insist that murderers must be executed. Animals that kill people must also be executed. The reason that everyone who murders someone else must be executed is that ⁶ I made people to be like myself *in many ways*. So someone who murders another human being must be executed by others, *because he killed someone who is like me.*

⁷ As for you, I want you to produce many children, in order that they and their descendants may live all over the earth."

⁸ God also said to Noah and his sons, ⁹ "Listen carefully. I am now making a solemn promise to you and with your descendants, ¹⁰ and with all the living creatures that are with you—including the birds, the livestock, and the wild animals—every living creature on the earth that came out of the boat with you. ¹¹ This is the promise that I am making to you: I will never again destroy all living creatures by a flood, or destroy every-

thing else on the earth by a flood.”¹² Then God said to him, “This is the sign to guarantee that I will keep the promise that I am making to you and to all living creatures, a promise that I will keep forever: ¹³ *From time to time* I will put a rainbow in the sky. It will remind me of my promise that I have made to you and everything on the earth. ¹⁴ When I cause rain to fall from the clouds, and a rainbow appears in the sky, ¹⁵ it will remind me about the promise that I have made to you and all living creatures, my promise that there will never again be a flood that will destroy all living creatures. ¹⁶ Whenever there is a rainbow in the sky, I will see it, and I will think about the promise that I have made to every living creature that is upon the earth, a promise that I will keep forever.”

¹⁷ Then God said to Noah, “The rainbow will be the sign of the promise that I have made to all the creatures that live on the earth.”

¹⁸ The sons of Noah who came out of the boat were Shem, Ham, and Japheth. Ham later became the father of Canaan. ¹⁹ All the people on the earth are descended from those three sons of Noah.

What happened after Noah got drunk

²⁰ Noah was a farmer. He planted grapevines. ²¹ *When they later produced grapes, he made wine from the grapes.* One day, when he drank too much of the wine, he became drunk, and he lay naked in his tent. ²² Ham, the father of Canaan, saw his father lying naked in the tent. So he went outside and told his two older brothers what he had seen. ²³ Then Shem and Japheth took a large cloth and placed it across their backs, and walked backwards into the tent. They covered their father's naked body with the cloth. Their faces were turned away from their father, so they did not see him naked. ²⁴ When Noah woke up *and was sober again*, he found out how wrongfully Ham, his youngest son, had behaved toward him. ²⁵ He said, “I am cursing Ham's youngest son, Canaan, and his descendants. They will be like slaves to their uncles. ²⁶ I will ask God to enlarge the territory that belongs to Japheth, and allow his descendants to live peacefully among the descendants of Shem [MTY]. ²⁷ And I desire that Canaan's descendants will be like slaves of Japheth's descendants.”

²⁸ Noah lived 350 more years after the flood. ²⁹ He died when he was 950 years old.

The descendants of Noah's sons

10 ♦This is/I will now give♦ a list of the descendants of Noah's sons, Shem, Ham, and Japheth. They had many children after the flood. ² The sons of Japheth were Gomer, Magog, Madai, Javan, Tubal, Meshech, and Tiras. ³ The sons of Gomer were Askenaz, Riphath, and Togarmah. ⁴ The sons of Javan were Elishah, Tarshish, Kittim, and Dodanim. ⁵ Those sons and their families who were descended from Javan

lived on the islands and on the land close to the *Mediterranean* Sea. Their descendants became tribes, each with its own language and clans and territory.

⁶ The descendants of Ham were Cush, Egypt, Put, and Canaan. ⁷ The descendants of Cush were Seba, Havilah, Sabtah, Raamah, and Sabteca. The descendants of Raamah were Sheba and Dedan.

⁸ Another one of Cush's descendants was Nimrod. Nimrod was the first person on earth who became a mighty warrior. ⁹ Yahweh saw that he had become (OR, caused him to become) a great hunter. That is why people say to a great hunter, “Yahweh ♦sees that you are/has caused you to be♦ a great hunter like Nimrod.” ¹⁰ Nimrod became a king who ruled in Babylonia. The first cities over which he ruled were Babel, Erech, Accad, and Calneh. ¹¹ From there he went *with others* to Assyria and built the cities of Nineveh, Rehoboth-Ir, Calah, ¹² and Resen. Resen was a large city between Nineveh and Calah. ¹³ Ham's son, Egypt, became the ancestor of the Lud, Anam, Lehab and Naph-tuh, ¹⁴ Pathrus, Casluh and Caphtor people-groups. The Philistine people were descended from Casluh.

¹⁵ Ham's youngest son, Canaan, became the father of Sidon, who was his eldest son, and Heth, his younger son. ¹⁶ Canaan was also the ancestor of the Jebus, Amor, Girgash, ¹⁷ Hiv, Ark, Sin, ¹⁸ Arved, Zemar and Hamath people-groups. Later the descendants of Canaan dispersed over a large area. ¹⁹ Their land extended from Sidon *city* in the north as far south as Gaza *town*, and then to the east as far as Gerar *town*, and then farther east to Sodom, Gomorrah, Admah, and Zeboiim *towns*, and even as far as Lasha *town*.

²⁰ Those are the descendants of Ham. They became groups that had their own clans, their own languages, and their own land.

²¹ Shem, the older brother of Japheth, became the father of Eber, and the ancestor of all the descendants of Eber. ²² The sons of Shem were Elam, Asshur, Arphaxad, Lud, and Aram. ²³ The sons of Aram were Uz, Hul, Gether, and Mash. ²⁴ Arphaxad became the father of Shelah. Shelah became the father of Eber. ²⁵ Eber became the father of two sons. One of them was named Peleg, *which means 'division'*, because during the time he lived, people on [MTY] the earth became divided and scattered everywhere. Peleg's younger brother was Joktan. ²⁶ Joktan became the ancestor of Almodad, Sheleph, Hazarmaveth, Jerah, ²⁷ Hadoram, Uzal, Diklah, ²⁸ Obal, Abimael, Sheba, ²⁹ Ophir, Havilah, and Jobab. All those people were descended from Joktan. ³⁰ The areas in which they lived extended from Mesha westward to Sephar, which is in the ♦hill country/area that has a lot of hills♦. ³¹ They are descendants of Shem. They became groups that had their own clans, their own languages, and their own land.

³² All those groups descended from the sons of Noah. Each group had its own ♦genealogy/record of people's ancestors♦ and each became a separate eth-

nic group. Those ethnic groups formed after the flood and spread all around the earth.

Yahweh caused people to speak many different languages after they started to build a tower at Babel

11 At first, all the people in [MTY] the world spoke the same language [DOU]. ² As people moved further east, they arrived at a plain in Babylonia region and began to live there. ³ Then they said to each other, “Hey/Come on, let's form bricks and bake them to make them hard, for building!” So they used bricks instead of stones, and used tar instead of mortar/a mixture of cement, sand and lime to hold them together. ⁴ They said, “Hey, let's build a city for ourselves! We also ought to build a very high tower that reaches up to the sky! In that way we will become famous! If we do not do this, we will be scattered all over the earth!”

⁵ So they began to build the city and the tower. Then Yahweh looked down and saw the city and the tower that those *puny* men were building. ⁶ Yahweh said, “These people are one group that all speak the same language. If they have begun to do this now, then there is nothing that they will decide to do that will be impossible for them/they will be able to do whatever they decide to do [LIT]!” ⁷ So, okay/now, we will go down there and cause there to be many different languages, so that they will not be able to understand each other.”

⁸ So Yahweh did that. As a result, the people stopped building the city, and Yahweh caused them to disperse all over the earth. ⁹ The city was called Babel which means ‘confusion’, because there Yahweh caused the people to become confused because the people [MTY] spoke *different languages that the others could not understand*, not just one language. From there Yahweh caused them to disperse all over the earth.

Shem's descendants

¹⁰ This is a bigger list/I will now tell you more of the descendants of Shem: Two years after the flood, when Shem was 100 years old, he became the father of Arpachshad. ¹¹ After Arpachshad was born, Shem lived 500 more years and had more sons and daughters. ¹² When Arpachshad was 35 years old, he became the father of Shelah. ¹³ After Shelah was born, Arpachshad lived 403 more years and became the father of more sons and daughters. ¹⁴ When Shelah was 30 years old, he became the father of Eber. ¹⁵ After Eber was born, Shelah lived 403 more years and became the father of other sons and daughters. ¹⁶ When Eber was 34 years old, he became the father of Peleg. ¹⁷ After Peleg was born, Eber lived 430 more years and became the father of other sons and daughters. ¹⁸ When Peleg was 30 years old, he became the father of Reu. ¹⁹ After Reu was born, Peleg lived 209 more years and became the father of other sons and daughters.

ters. ²⁰ When Reu was 32 years old, he became the father of Serug. ²¹ After Serug was born, Reu lived 207 more years and became the father of other sons and daughters. ²² When Serug was 30 years old, he became the father of Nahor. ²³ After Nahor was born, Serug lived 200 more years and became the father of other sons and daughters. ²⁴ When Nahor was 29 years old, he became the father of Terah. ²⁵ After Terah was born, Nahor lived 119 more years and became the father of other sons and daughters. ²⁶ When Terah was 70 years old, his son Abram was born. Later, two other sons, Nahor and Haran were born.

Terah's descendants

²⁷ This is/I will now give a list of the descendants of Terah: Terah's sons were Abram, Nahor, and Haran. Haran's son was named Lot. ²⁸ Haran died before his father died. He died in Ur city in Chaldea land, where he was born. ²⁹ Abram and Nahor both married. Abram's wife was named Sarai, and Nahor's wife was named Milcah. Milcah and her younger sister Iscah were the daughters of Haran. ³⁰ Sarai was unable to bear any children. ³¹ Terah decided to leave Ur and go to live in Canaan land. So he took his son Abram and his grandson Lot, the son of Haran, and Abram's wife Sarai with him. But instead of going to Canaan, they stopped at Haran town and lived there. ³² When Terah was 205 years old, he died there in Haran.

Yahweh told Abram to go to Canaan and promised to bless him

12 Then Yahweh said to Abram, “Leave this country where you are now living. Leave your father's clan and his family. Go to a land that I will show you. ² I will cause your descendants to become a large nation. I will bless you and cause you to become famous/highly esteemed. What I do for you will be a blessing to others. ³ I will bless those who bless/ask God to do good things for you, and I will curse/ask God to punish those who do evil things to you. And because of what you do, groups of people all over the earth will receive blessings (OR, people will wish that God will bless others as much as he has blessed you).”

⁴ So Abram left Haran town, as Yahweh told him to do. Abram was 75 years old when he left there along with his wife, Sarai, and his nephew, Lot. ⁵ Abram also took along all the possessions and slaves that they had accumulated/acquired in Haran town, and they left there and went to Canaan land. ⁶ In Canaan they traveled as far as Shechem town and camped by a huge tree called the tree of Moreh. The Canaan people-group were still living in that land.

⁷ Then Yahweh appeared to Abram and said to him, “I will give this land to your descendants.” Then Abram built a stone altar to offer a sacrifice to Yahweh because Yahweh had appeared to him. ⁸ From Shechem, Abram and his family traveled to the hills that were

east of Bethel *town*. Bethel *town* was to the west of where they set up their tent, and Ai *town* was further to the east. There he built another stone altar and offered a sacrifice and worshiped Yahweh there. ⁹ Then they left there and started traveling south to the Negev *Desert*.

Abram and Sarai went to Egypt for a while

¹⁰ There was ◊a famine/very little food to eat◊ in Canaan, so they went south to live in Egypt for a while. ¹¹ Just as they were about to enter Egypt, Abram said to his wife Sarai, "Listen, I know that you are a very beautiful woman. ¹² When the people in Egypt see you, they will say, 'This woman is his wife!' and they will kill me in order to get you, but they will not kill you. ¹³ So I ask you to tell them that you are my sister, so that because of you telling them that, they will ◊spare my life/not kill me◊."

¹⁴ And as soon as they arrived in Egypt, the people in Egypt saw that his wife was indeed very beautiful. ¹⁵ When the king's officials saw her, they told the king how beautiful she was. And they took her to the king's palace. ¹⁶ The king treated Abram kindly because of Sarai, and he gave Abram many sheep and cattle and donkeys and male and female slaves and camels. ¹⁷ But because the king had taken Sarai, Abram's wife, Yahweh caused the king and the others in his household to be afflicted with terrible diseases. ¹⁸ When the king realized why that was happening, he summoned Abram and said to him, "Why did you do this to me? Why did you not tell me that she was your wife? ¹⁹ Why did you lie, saying she is your sister, with the result that I took her to be my wife? You should not have done that! So now take your wife, leave here and go!" ²⁰ Then the king told his officials/servants to take Abram and his wife and all his possessions out of Egypt.

Abram and Lot separated

13 So Abram and Sarai left Egypt, and they took along all his possessions, and Lot went with them to the Negev *Desert*. ² Abram was very rich. He owned a lot of livestock, silver and gold. ³ They continued traveling from place to place from the Negev *Desert* toward Bethel *town* to the place between Bethel and Ai where they had previously set up their tents, ⁴ and where Abram had made a stone altar and worshiped Yahweh. ⁵ Lot, who was traveling with Abram, also had flocks of sheep and goats and herds of cattle, and tents. ⁶ But they had so many animals that they could not all stay in the same area. There was not enough land to provide water and food for all their animals. ⁷ Furthermore, the descendants of Canaan and Perizzi were also living in that area, and the land really belonged to them. And the men who took care of Abram's animals started quarreling with the men who took care of Lot's animals. ⁸ So Abram

said to Lot, "Since we are close relatives, it is not good for us two to quarrel, or for the men who take care of your animals to quarrel with the men who take care of my animals. ⁹ There is plenty of land for both of us. So we should separate. You can choose whatever part you want [RHQ]. If you want the area over there, I will stay here. If you want the area here, I will go over there." ¹⁰ Lot looked around toward Zoar *town*, and saw that there was plenty of water all over the plain near the Jordan *River*. It was like the park/garden in Eden, and like the land in Egypt. [That was before Yahweh destroyed *the cities of Sodom and Gomorrah* which were on that plain.] ¹¹ So Lot chose the land in the plain of the Jordan *River*. He left his uncle, Abram, and moved east. ¹² Abram stayed in the Canaan area, and Lot started to live near the cities in the plain of the Jordan *River*, and he set up his tents near Sodom *city*. ¹³ You need to know that people who lived there were extremely wicked.

Abram moved to Hebron

¹⁴ After Abram and Lot separated, Yahweh said to Abram, "Look around at this whole area where you are. Look north and south, look east and west. ¹⁵ I will give to you and your descendants all the land that you see; I will give it to you forever. ¹⁶ I will cause your descendants to be as numerous as particles of dust! *It will be easier* to count the particles of dust than it will be to count your descendants [HYP]. ¹⁷ Walk through the land in every direction, because I am going to give it all to you." ¹⁸ So Abram *and his men* took down their tents and moved to Hebron and started to live by the huge trees *at the town* of Mamre. He placed a stone altar there to *make sacrifices to* Yahweh.

Abram rescued Lot

14 In a region to the east, there were four kings *who were friends/allies*. They were King Amraphel of Babylonia, King Arioch of Ellasar, King Chedorlaomer of Elam, and King Tidal of Goiim. ² In an area to the west, there were five other kings. They were King Bera of Sodom, King Birsha of Gomorrah, King Shinab of Admah, King Shemeber of Zeboiim, and the king of Bela, the city that is now called Zoar. ³ Those five kings and their armies gathered together in Siddim Valley, which is also called the Dead Sea *Valley*, to fight against the four kings and their armies. King Chedorlaomer and his army *conquered the armies of those five kings, and demanded that those kings pay him tribute money each year*. ⁴ For twelve years he ruled them. But during the thirteenth year they rebelled *and refused to keep giving him tribute money*. ⁵ The next year, King Chedorlaomer and the other kings that were his allies took their armies and defeated the Repha people-group in Asheroth-Karnaim and the Zuz people-group in Ham, and the Emi people-group in Shaveh-Kiriathaim. ⁶ They also defeat-

ed the Hor people-group in the hilly area of Seir as far as El-Paran near the desert. ⁷ Then they turned back and went to Mishpat *city*, which is now called Kadesh. They conquered all the land belonging to the Amalek people-group and the Amor people-group who were living in Hazazon-Tamar *town*. ⁸ Then the armies of the kings of Sodom, Gomorrah, Admah, Zeboiim and Bela marched out to fight the armies of the other four kings in Siddim Valley. That valley is close to the Salt/Dead Sea. ⁹ They fought against the armies of Chedorlaomer the king of Elam, Tidal the king of Goiim, Amraphel the king of Shinar, and Arioch the king of El-lasar. The armies of four kings were fighting against the armies of five kings. ¹⁰ The Siddim Valley was full of tar pits. So when the armies of the kings of Sodom and Gomorrah tried to run away, many of the men fell into the tar pits. The others escaped and ran away to the hills. ¹¹ *As the armies of the five kings fled, the armies of the four kings seized all of the valuable things in Sodom and Gomorrah, including all the food.* ¹² They also captured Abram's nephew Lot and his possessions, since he was living in Sodom at that time. ¹³ Abram was living near the big trees near Mamre, who belonged to the Amor people-group. Abram had made an agreement with Mamre and his two brothers, Eshcol and Aner, *that they would help each other if there was a war.* ¹⁴ One of the men who escaped from the battle told Abram what had happened and that his nephew Lot had been captured and taken away. So Abram summoned 318 men who were his servants, men who had been with Abram since they were born. They all went together and pursued their enemies as far north as Dan *city*. ¹⁵ During the night, Abram divided the men into several groups, and they attacked their enemies from various directions and defeated them. They pursued them as far as Hobah, which was north of Damascus *city*. ¹⁶ Abram's men recovered all of the goods that had been taken. They also rescued Lot and all his possessions and also the women and others who had been captured by their enemies.

Melchizedek blessed Abram

¹⁷ As Abram was returning home after he and his men had defeated the armies of King Chedorlaomer and the other kings who had fought alongside him, the king of Sodom went north to meet him in Shaveh Valley, which people call the King's Valley. ¹⁸ The king of Salem *city*, whose name was Melchizedek, was also a priest who offered sacrifices to the Supreme God. He brought some bread and wine to Abram. ¹⁹ Then he blessed Abram, saying "I ask the Supreme God, the one who created heaven and earth, to bless you. ²⁰ The Supreme God has enabled you to defeat [MTY] your enemies, so we should praise/thank him." Then Abram gave to Melchizedek a tenth part of all the things he had captured. ²¹ The king of Sodom said to Abram, "You can keep all the goods you recovered.

Just let me take back the people from my city whom you rescued." ²² But Abram said to the king of Sodom, "I have solemnly promised [MTY] to Yahweh, the Supreme God, the one who created heaven and earth, ²³ that I will not accept even one thread or a thong of a sandal from anything that belongs to you. As a result, you will never be able to say, 'I caused Abram to become rich.' ²⁴ The only thing I will accept is the food that my men have eaten. But Aner, Eshcol, and Mamre went with me and fought alongside me, so let them also have a share of the goods we brought back." *So the king of Sodom agreed to what he said.*

Yahweh made a solemn promise to Abram

15 Some time later, Abram had a vision in which Yahweh spoke to him and said, "Do not be afraid of \diamond anything/your enemies \diamond . I will protect you [MTY], and I will give a great reward." ² But Abram replied, "Yahweh God, how can you give me what I truly want, because I have no children, and the one who will be like a son and inherit all my possessions is my servant Eliezer from Damascus!" ³ Abram added, "You have not given me any children, so think about this: A servant in my household will inherit all I own!" ⁴ Yahweh replied, "No! He will not be the one who will inherit it. Instead, you yourself will be the father of the one who will inherit everything you own." ⁵ Then Yahweh took Abram outside *of his tent* and said, "Look up at the sky! Can you count the stars? No, you cannot count them because there are so many of them, and your descendants will be as numerous as the stars." ⁶ Abram believed that what Yahweh said would happen. And because of that, Yahweh considered that Abram was righteous. ⁷ Yahweh also said to him, "I am Yahweh. I am the one who brought you from Ur in Chaldea land. I brought you here to give you this land to possess." ⁸ But Abram replied, "Yahweh God, how can I know for sure that this land will belong to me?" ⁹ God said to him, "Bring a three-year-old heifer and a three-year-old goat to me, and a dove and a pigeon." ¹⁰ So Abram brought all of them and killed them and cut each of the animals in half. He arranged the halves of each one, side by side. But he did not cut the pigeon and dove in half. ¹¹ Birds that eat dead flesh came down to eat the carcasses, but Abram shooed them away. ¹² As the sun was going down, Abram fell sound asleep, and suddenly everything around him became dark and frightening. ¹³ Then God said to Abram, "I want you to know that your descendants will become foreigners living in a land that does not belong to them. They will become slaves of the owners of that land. The owners of the land will mistreat them for 400 years. ¹⁴ But then I will punish the people of that country that made them become slaves, and then your descendants will leave that country, taking many possessions with them. ¹⁵ But as for you, you will die [EUP] peacefully when you are very old. ¹⁶ After your descendants have been slaves for 400 years, they will

return here, and take control of this land and defeat the Amor people-group. Those people will, because those people have not yet sinned enough to deserve to be punished now." ¹⁷ When the sun had set and it had become dark, *unexpectedly* a blazing torch and a clay pot containing burning coals from which smoke was rising appeared and went between the halves of the animals. ¹⁸ And on that day Yahweh made an agreement with Abram. Yahweh told him, "I will give to your descendants all the land between the river that is on the eastern border of Egypt to the south, and north to the huge Euphrates River. ¹⁹ That is the land where the Ken, the Keniz, the Kidmon, ²⁰ the Heth, the Periz, the Repha, ²¹ the Amor, the Canaan, the Girgash, and the Tebus people-groups live."

Sarai gave Abram a slave woman to be another wife, and that woman gave birth to Ishmael

16 Up to that time, Abram's wife Sarai had not given birth to any children for Abram. But she had a female slave from Egypt, whose name was Hagar. ² So *one day* Sarai said to Abram, "Listen to me! Yahweh has not allowed me to become pregnant. So \diamond sleep with/have sex with \diamond [EUP] my slave Hagar. Perhaps she will bear children whom I can consider to be mine." Abram agreed to do what Sarai said. ³ So Abram \diamond slept with/had sex with \diamond Hagar, his wife Sarai's slave from Egypt. This happened ten years after they went to live in Canaan *land*. Sarai gave Hagar to her husband to be his secondary wife. ⁴ He \diamond slept with/had sex with \diamond [EUP] Hagar and she became pregnant. When she realized that she was pregnant, she began to despise her mistress Sarai. ⁵ Then Sarai said to Abram, "It is your fault! I put my servant into your arms, so that you could sleep with her [EUP]. Now she realizes that she is pregnant, and she despises me. I think Yahweh will punish you for doing this to me!" ⁶ So Abram said to Sarai, "*You listen to me!* She is your servant, so act towards her in the way you consider best." Then Sarai started to mistreat her, so she ran away from Sarai. ⁷ An angel of Yahweh found her as she was near a spring of water in the desert. It was the spring that was alongside the road to Shur. ⁸ He said to her, "Hagar, slave of Sarai, where have you come from, and where are you going?" She replied, "I have run away from Sarai, my mistress." ⁹ The angel said, "Go back to your mistress and be under her authority [MTY]". ¹⁰ The angel also said to her, "I will enable you to bear so many descendants that no one will be able to count them!" ¹¹ The angel also said to her, "*Listen to this!* You are pregnant. You will give birth to a son. You must name him Ishmael, *which means 'God hears'*, because Yahweh has heard you crying because you feel so miserable. ¹² But your son will be as uncontrollable as a wild donkey [MET]. He will oppose everyone, and everyone will oppose him [MTY]. He will live far away from his relatives [SYN]." ¹³ Then Hagar realized that the angel was really Yahweh, so she said

to herself, " \diamond It is difficult to believe that I have really seen the back of Yahweh, the one who sees me!/Have I really seen the back of Yahweh, the one who sees me? \diamond " [RHQ] So she called him 'Yahweh, the one who sees me'. ¹⁴ That is why people call the well there 'Beer-Lahai-Roi', *which means, 'The well of the living one who sees us!'* It is still there, between Kadesh and Bered.

¹⁵ So Hagar later gave birth to a son for Abram, and she gave to her son the name Ishmael. ¹⁶ Abram was eighty-six years old when Hagar gave birth to Abram's son Ishmael.

Yahweh changed Abram's name to Abraham and made an agreement with him

17 When Abram was 99 years old, Yahweh appeared to him again and said to him, "I am God Almighty. I want you to live in a way that I will regard you as someone that cannot be criticized. ² If you do that, I will make an agreement with you in which I will promise to enable you to have very many descendants." [MTY] ³ Abram prostrated himself with his face on the ground. Then God said to him, ⁴ "Listen to this agreement that I am making with you: People of many nations will be your descendants. ⁵ And no longer will your name be Abram. Instead, your name will be Abraham, *which means 'father of many nations,'* because the people of many nations will descend from you. ⁶ I will enable you to have very many descendants, and I will cause them to become great nations/people-groups, and some of your descendants will become kings. ⁷ I will make this agreement between me and you and your descendants. It will be an everlasting agreement to be in effect for many generations. This agreement is that I will be your God, and the God of your descendants. ⁸ I will give to you and to your descendants the land through which you are now traveling, all of the Canaan region. It will be an everlasting possession for your descendants, and I will be the God that they *will worship.*"

God told Abraham that all the males must be circumcised as part of that agreement

⁹ Then God said to Abraham, "Now you must obey *your part of* the agreement that I am making with you, and your descendants must also obey it, for all generations. ¹⁰ This is the agreement that I am making, between myself and you and all your descendants: Every male among you must be circumcised. ¹¹ \diamond Cutting the foreskins of/Circumcising \diamond them will be the sign *that you have accepted* the agreement I am making with you. ¹² Every male child among you must be circumcised when he is eight days old, in all future generations. That includes baby boys in your household or those born from slaves that have been bought, and baby boys of foreigners who live among you but do not belong to your household. ¹³ It does not matter

whether their parents are members of your household or slaves that have been bought; they must all be circumcised. Your bodies will have this mark to show *you have accepted* this everlasting agreement I am making. ¹⁴ You must expel from your community any male who has not been circumcised, because *by not being circumcised* that person has disobeyed my agreement."

God changed Sarai's name to Sarah

¹⁵ God also said to Abraham, "As for Sarai, your wife, you must not call her Sarai any longer. *Since I changed your name, I will change her name also.* Her name will now be Sarah. ¹⁶ I will bless her, and she will surely give birth to a son for you. And I will bless her so much that she will be the ancestor of people of many nations. Kings of some people-groups will be descended from her."

God promised Abraham and Sarah that they would have a son

¹⁷ Abraham prostrated himself with his face on the ground *to show respect to God.* But then he laughed as he said to himself, "Can a man who is a 100 years old become a father of a son? And since Sarah is 90 years old, how can she bear a child?" ¹⁸ Then Abraham said to God, "Perhaps you will let Ishmael receive your blessing *and inherit all I possess.*" ¹⁹ Then God replied, "No! Your wife Sarah will bear a son for you. You must name him Isaac. I will establish my agreement with him, one which will be an everlasting agreement for him and his descendants. ²⁰ As for Ishmael, I have heard what you asked me to do for him. I will bless him so that he also will have many descendants. Among his descendants will be rulers of twelve nations. And I will cause his *descendants* [MTY] to also become a great nation. ²¹ But Isaac, the son whom Sarah will give birth to at this time next year, is the one with whom I will establish my agreement." ²² When God finished talking to Abraham, God disappeared from his sight.

²³ On that same day, Abraham took his son Ishmael and all the males that were in his household, including the sons of all the slaves he had bought, and circumcised them. He cut off their foreskins, just as God told him to do. ²⁴ Abraham was 99 years old when *he was circumcised/someone circumcised him*, ²⁵ and Ishmael was thirteen years old when Abraham circumcised him. ²⁶ On that very day Abraham and his son, Ishmael were circumcised. ²⁷ And all the males in his household, the ones who had been born there and those who had been bought from foreigners, were also circumcised.

Yahweh appeared to them and promised again that they would have a son

18 One day during that year when it was hot, Yahweh appeared to Abraham again near the

big trees that belonged to Mamre, while Abraham was sitting in the entrance to his tent. ² Abraham looked up [MTY] and was surprised to see three men standing near him. *Actually, one was Yahweh, and the other two were angels.* When he saw them, he ran to meet them. He prostrated himself with his face on the ground to show respect, ³ and said *to one of them*, "Sir, if you are pleased with me, stay here for a little while [LIT]. ⁴ Allow my servants to bring a little water and wash your feet, and rest under this tree. ⁵ Since you have come here to me, allow me to bring you some food [SYN] so that you can feel refreshed before you leave." Yahweh replied, "All right, do as you have said." ⁶ So Abraham quickly went into the tent and said to Sarah, "Quick, get some of our best flour and make some loaves of bread!" ⁷ Then he ran to the herd of cattle and selected a calf whose meat would be tender and tasty. He gave it to one of his servants *and told him to quickly kill it and cook it.* ⁸ When the meat was cooked, Abraham brought some curds and milk and the meat that had been prepared, and set them in front of his visitors. Then he stood near them, under a tree, while they ate. ⁹ *One of them* asked him, "Where is Sarah, your wife?" He replied, "She is in the tent." ¹⁰ Then the leader of the group said, "I will return to you *about this time/in the springtime* next year, and to your amazement, your wife Sarah will have an infant son." It happened that Sarah was listening at the entrance of the tent, which was behind the one who was speaking. ¹¹ Abraham and Sarah were very old, and Sarah was far past the time of *when she could bear children.* ¹² So Sarah laughed to herself, thinking, "My body is worn out, and my husband is old. So how can I have the pleasure *of having a child?*" [RHQ] ¹³ Yahweh said to Abraham, "Why did Sarah laugh? Why was she thinking, 'I am too old, so how can I bear a child?' ¹⁴ I am Yahweh! *Is there anything too difficult for me?/There is nothing too difficult for me!* [RHQ] I will return about this time next year in the springtime, and Sarah will have an infant son." ¹⁵ Then Sarah was afraid, so she lied and said, "I did not laugh." But Yahweh said, "Don't deny it! You did laugh."

Abraham tried to intercede for the wicked people of Sodom

¹⁶ When the three men got up to leave, they looked down into the valley toward Sodom city. Abraham was walking with them to say "goodbye" to them. ¹⁷ Yahweh thought to himself, "It is not right for me to prevent Abraham from knowing what I plan to do [RHQ]. ¹⁸ Abraham's descendants [MTY] will become a great and powerful nation. And people of [MTY] all nations will be blessed because of what I do for him. ¹⁹ I have chosen him in order that he will teach his children and their families to obey me and do what is right and fair, and then I will do for Abraham what I promised." ²⁰ So Yahweh said to Abraham, "I have heard the terrible things that have been said about the people of [MTY]

Sodom and Gomorrah. Their sins are very great. ²¹ So I will go down now, and I will see if all the terrible things that I have heard are true or not true." ²² Then the two men turned and started walking toward Sodom. But Yahweh remained, standing in front of Abraham. ²³ Abraham came closer to him and said, "Will you really destroy righteous people along with wicked ones? ²⁴ What will you do if there are only 50 righteous people in the city? Will you really get rid of them all, and not spare the place/city for the sake of the 50 righteous people who are in the city? ²⁵ It would certainly not be right for you to do such a thing, to kill righteous people along with wicked ones, and treat righteous people and wicked people the same way. You could not do that, because you, who are the judge of everyone on the earth, will certainly do what is right *regarding the people of Sodom!*" [RHQ] ²⁶ Yahweh replied, "If I find 50 righteous people in Sodom, I will spare the whole place/city for their sake." ²⁷ Abraham replied, "I should not be bold like this and speak to you, God, because I am as worthless as dust and ashes [MET]. ²⁸ But what will you do if there are only 45 righteous people? Will you destroy everyone in the whole city because there are only 45 and not 50 righteous people?" Yahweh replied, "I will not destroy it if I find that there are 45 righteous people." ²⁹ Abraham continued to speak to him *like this*, saying, "What will you do if you find that there are only 40 righteous people there?" Yahweh replied, "I will not destroy them all, for the sake of the 40." ³⁰ Abraham said, "God, please don't be angry now. Let me speak again. What will you do if there are only 30 righteous people?" He replied, "I will not do it if I find that there are 30 there." ³¹ Abraham said, "I should not be bold and speak to you like this, God. But what will you do if you find that there are only 20 righteous people there?" He replied, "I will not destroy the whole city, for the sake of those 20." ³² Abraham said, "God, don't be angry now. Just let me speak one time more. What will you do if you find that there are only ten righteous people there?" Yahweh answered, "I will not destroy the city for the sake of those ten." ³³ Abraham said no more, and as soon as Yahweh finished speaking with Abraham, he left, and Abraham returned home.

Angels warned Lot that Sodom would be destroyed because of the people's wickedness

19 That evening, the two angels arrived in Sodom. Lot was sitting at the gateway of the city. When he saw them, he got up to greet them, and prostrated himself with his face on the ground. ² He said to them, "Gentlemen, please stay in my house tonight. You can wash your feet, and tomorrow you can continue your journey." But they said, "No, we will just sleep in the city square." ³ But Lot kept insisting strongly that they sleep in his house. So they entered his house with him, and he prepared a meal for them. He baked some bread without yeast, and they ate it.

⁴ After they finished eating, before they went to bed, the men of Sodom *city*, all of them, from the young ones to the old ones, surrounded the house. ⁵ They called out to Lot, saying, "Where are the men who came to your house this evening? Bring them out, so that we can have sex with them!" [EUP] ⁶ Lot went outside the house and shut the door behind him, so that they could not go inside. ⁷ He said to them, "My friends, don't do such an evil thing! ⁸ Listen to me. I have two daughters who have never had sex with any man. Let me bring them out to you now, and you can do with them whatever pleases you. But don't do anything to these men, because they are guests in my house, *so I must protect them!*" ⁹ But they replied, "Get out of our way! You are a foreigner; so you have no right to tell us what is right! *If you don't get out of our way*, we will do worse things to you than we will do to them!" Then they lunged towards Lot, and tried forcefully to break down the door. ¹⁰ But the two angels opened the door carefully, reached out their hands, and pulled Lot to them inside the house. Then they quickly shut the door. ¹¹ Then they caused all the men who were outside the door of the house, young and old, to become blind, so that they could not find the door. ¹² Then the two angels said to Lot, "Who else is with you here? If you have sons or sons-in-law or daughters or anyone else in the city who is related to you, take them out of the city, ¹³ because we are the ones who are going to destroy this place. Yahweh considers that these people are so evil that he sent us to destroy the city." ¹⁴ So Lot went and spoke to the men who had pledged to marry his daughters. He said to them, "Hurry! Get out of this city, because Yahweh is about to destroy it!" But his future sons-in-law thought he was joking. ¹⁵ As it was about to dawn the next morning, the two angels urged Lot, saying, "Get up quickly! Take your wife and your two daughters who are here with you and leave! If you don't, you will die when *we destroy/Yahweh destroys* the city!" ¹⁶ When Lot hesitated, the angels grasped his hand and his wife's hand and the hands of his two daughters. They led them outside the city safely. The angels did that because Yahweh was acting mercifully toward them. ¹⁷ When they were outside the city, one of the angels said, "*If you want to remain alive*, run away quickly! Don't look back! And don't stop anywhere in the valley! Flee to the hills! If you don't, you will die!" ¹⁸ But Lot said to one of the angels, "No, sir, don't make me do that! ¹⁹ Please, listen. You have been pleased with me and have been very kind to me and spared my life. But I cannot flee to the mountain. If I try to do that, I will die in this disaster [PRS]. ²⁰ But listen to me. There is a town nearby. Let me run to that small town. Let me go there now. It is a small town, but our lives will be saved if we go there." ²¹ One of the angels said to Lot, "I will allow you to do what you have requested [MTY]. I will not destroy the little town you are speaking about. ²² But hurry! Run there, because I cannot de-

stroy anything until you arrive there." People later called the name of the town Zoar *which means 'small'*, because Lot said it was small.

God destroyed Sodom and Gomorrah cities

²³ As the sun was rising, Lot and his family arrived in the town which is now called Zoar. ²⁴ Then Yahweh caused fire and *burning* sulfur to fall down on Sodom and Gomorrah like rain. ²⁵ In that way, he destroyed those cities and all the people who were living in those cities. He also destroyed everything in the valley, including all the plants/vegetation. ²⁶ But Lot's wife stopped and looked back *to see what was happening*, so she died, and her body *later* became a pillar of salt.

²⁷ That morning, Abraham got up and went to the place where he had stood in front of Yahweh. ²⁸ He looked down toward Sodom and Gomorrah, and he *was surprised* to see that all over the valley, smoke was rising, like the smoke of a huge furnace.

²⁹ So, when God destroyed those cities in the valley, he remembered what he had promised Abraham, and he rescued Lot from the disaster that occurred in the cities where Lot had lived.

Lot's daughters tricked him into making them pregnant

³⁰ Lot was afraid to stay in Zoar, so he left there and moved with his two daughters to the mountain, and they lived in a cave. ³¹ One day the older daughter said to *the younger daughter/her sister*, "Our father is old, and there is no man in this area who can have sex [EUP] with us, as people all over the earth do. ³² Let's make our father drink wine until he gets drunk. Then we can have sex with him [EUP] *without him knowing it*. In that way *he will cause us to become pregnant* and we can bear children." ³³ So that night they caused their father to become drunk. And the older daughter went in and lay in bed with her father, and he had sex with her, but he was so drunk that he did not know when she lay down with him or when she got up. ³⁴ The next day, his older daughter said to *his younger daughter/her sister*, "Listen to me. Last night I slept with our father. Let's cause him to become drunk again tonight! This time you can go and sleep with him. If he has sex with you, you can become pregnant, and that way you can have a child, too." ³⁵ So that night, they caused their father to become drunk with wine again, and then his younger daughter went and slept with him. But again, he was so drunk that he did not know when she lay down with him or when she got up. ³⁶ So Lot caused his two daughters to become pregnant. ³⁷ The older one later gave birth to a son, whom she named Moab. He became the ancestor of the Moab people-group. ³⁸ The younger one also gave birth to a son, whom she named Ben-Ammi. He became the ancestor of the Ammon people-group.

Abraham deceived King Abimelech about Sarah

20 Abraham left Mamre and moved southwest to the Negev desert and lived in a place named Gerar, between Kadesh and Shur. ² While he was there, he told people that Sarah was his sister, not his wife. Then King Abimelech of Gerar sent some of his men to Sarah, and they brought her to him to be his wife. ³ But God appeared to Abimelech in a dream during the night and said to him, "Listen to me! You are going to die because the woman you took is another man's wife." ⁴ But Abimelech had not had sex [EUP] with her, so he said, "God, since the people of my nation and I am innocent; will you kill me?" ⁵ He told me, 'She is my sister,' and she also said, 'He is my brother.' I did this with pure motives and I [SYN] have not done anything wrong yet." ⁶ God said to him in another dream, "Yes, I know that your motives were pure. That is why I truly prevented you from sinning against me. I did not allow you to have sex [EUP] with her. ⁷ Now, return this man's wife to her husband, because he is *◇* a prophet/a man who receives messages from me *◇*. He will pray for you, and you will *◇* remain alive/not die *◇*. But if you do not return her to him, you will certainly die, and all the members of your household will also certainly die." ⁸ Early the next morning, Abimelech summoned all his officials, and told them everything that had happened. When they heard that [MTY], his men were very afraid *that God would punish them*. ⁹ Abimelech then summoned Abraham, and said to him, "You should not have done that to us [RHQ]! Did I do something wrong to you, with the result that you are causing me and the people in [MTY] my kingdom to be guilty of committing a great sin [RHQ]? You have done things to me that *◇* should not be done/you should not have done *◇*!" ¹⁰ Abimelech asked Abraham, "What was your reason for doing this?" ¹¹ Abraham replied, "I said that because I thought, 'They certainly do not respect God in this place. If they don't respect God, they will not respect relationships with others. *If I say she is my sister, they will try to pay me a bride price* to get her. But if I say she is my wife, they will kill me to get her.' ¹² Besides, she really *can be considered* my sister, because she is the daughter of my father, although she is not the daughter of my mother. She is the daughter of another woman, and I married her. ¹³ Later, when God told me to move away from my father's household, I said to her, 'This is the way you can show that you love me: Everywhere we go, say about me, "This is my brother."'" ¹⁴ So Abimelech brought some sheep and cattle and male and female slaves and gave them to Abraham. And he returned his wife Sarah to him. ¹⁵ And Abimelech said to him, "Look! All my land is here in front of you. Live in whatever place you like!" ¹⁶ And he said to Sarah, "Look here, I am giving 1,000 pieces of silver to your brother. This is to insure that no one will *bring up this matter again* and say that I have

done something wrong. [EUP, IDM]" ¹⁷ Then Abraham prayed to God, and God healed Abimelech's wife and his slave girls so that they could become pregnant. ¹⁸ This was because Yahweh had caused it to be impossible for any of the women in Abimelech's household to bear children, because Abimelech had taken Abraham's wife Sarah.

Sarah gave birth to Isaac

21 Yahweh was very kind to Sarah, just as he said he would be. He did for Sarah exactly what he promised to do. ² She became pregnant and gave birth to a son for Abraham when he was very old, at the time God promised it would happen. ³ Abraham gave the name 'Isaac' (which means 'he laughs') to the son Sarah gave birth to. ⁴ Abraham circumcised his son Isaac when his son was eight days old, just as God commanded him to do. ⁵ Abraham was 100 years old when his son Isaac was born. ⁶ And Sarah said, "*Although I was sad before because I did not have any children, God has now enabled me to laugh, and everyone who hears about what God has done for me will laugh with me.*" ⁷ Then she also said, "No one would have said to Abraham that some day Sarah would nurse a child, but I have given birth to a son when Abraham is very old."

Abraham sent Hagar and her son Ishmael away

⁸ The baby grew and was weaned *when he was about three years old*. On that day, Abraham prepared a large feast to celebrate. ⁹ *One day/During the feast* Sarah noticed that Hagar's son Ishmael was *making fun of/playing with* Isaac. ¹⁰ So she said to Abraham, "Get rid of that slave woman from Egypt and her son! I do not want the son of that slave woman to be alone (OR, to be an heir along with) my son, Isaac!" ¹¹ Abraham was very distressed about the matter, because he was concerned about his son *Ishmael*. ¹² But God said to Abraham, "Do not be distressed about your son, Ishmael, and about your maidservant, Hagar. Do everything that Sarah tells you to do. Listen to her, because Isaac is the one who will be considered the ancestor of the descendants I promised to give you. ¹³ But I will also cause the son of your maidservant to be the ancestor of the people of a great nation [MTY], because he is also your son." ¹⁴ So Abraham got up early the next morning. He got some food ready, put water in a container, and gave them to Hagar. He put them *in a bag* on her shoulder and sent them away.

They wandered in the desert near Beersheba town. ¹⁵ After they had drunk all the water in the container, she put her son under one of the bushes there. ¹⁶ Then she went and sat nearby, about *as far as someone can shoot an arrow/100 meters away*, because she thought, "I cannot endure seeing my son die!" As she sat there, she began to cry *loudly* [MTY].

¹⁷ *The boy was crying too*. And God heard the boy crying. So he caused one of his angels to call out from heaven to Hagar, saying, "Hagar, are you worried about something? Do not be afraid, because God has heard the boy crying there. ¹⁸ Help your son up, and hold his hand as you leave, because I will cause his descendants to become a great nation." ¹⁹ Then God showed her a well of water. So she went to the well and filled the container with water, and gave the boy a drink.

²⁰ God helped the boy as he grew up. He lived in the desert and became a good *archer/man who hunts with bow and arrows*. ²¹ He lived in Paran Desert. While e was there, Hagar got a wife for him from Egypt.

²² At that time, *King* Abimelech and Phicol, the commander of his army, said to Abraham, "It is clear that God helps you with everything that you do. ²³ So now *solemnly promise/swear* to me here, as God is listening, that you will *not deceive/act fairly to* me and my children and my descendants, in return for my being kind to you. Be kind to me and to all the people here in the country where you are now living." ²⁴ So Abraham promised to do that.

²⁵ Then Abraham complained to Abimelech about one of Abraham's wells that Abimelech's servants had seized. ²⁶ But Abimelech said, "I do not know who has done that. You did not tell me previously, and I did not hear about it until today." ²⁷ So Abraham brought some sheep and gave them to Abimelech, and the two of them made a *treaty/peace agreement*. ²⁸ Abraham separated seven female lambs from his flock. ²⁹ Abimelech asked Abraham, "What are these seven female lambs that you have separated from the rest of your flock?" ³⁰ Abraham replied, "I want you truly to accept these female lambs from me [SYN], so that it may be a *public witness/proof* that this well belongs to me because I dug it." ³¹ So Abimelech accepted the animals, and as a result they called that place Beersheba, *which means 'Friendship Agreement Well'*, because there the two of them made that agreement. ³² After they made the agreement at Beersheba, Abimelech and his army commander, Phicol, left, and returned to the land of the Philistine people-group. ³³ Abraham planted a *tamarisk tree/kind of tree called esel* there, and he worshiped the eternal God there. ³⁴ Abraham lived in the land of the Philistine people-group for a long time.

Yahweh told Abraham to offer Isaac as a sacrifice

22 Several years later, God tested Abraham *to find out whether Abraham really trusted in him and would obey him*. He called out to Abraham, and Abraham replied, "I'm here." ² God said, "Your son, Isaac, whom you love very much, is the only son *who is still here with you*. But take him and go together to the Moriah region. Offer him as a sacrifice like a burnt offering, on a hill that I will show you." ³ So Abraham

got up early the next morning, put a saddle on his donkey, and took with him two of his servants along with his son, Isaac. He also chopped some wood to kindle a fire for a burnt offering. Then they started traveling to the place God told him about. ⁴ On the third day of their travels, Abraham looked up and saw in the distance the place where God wanted him to go. ⁵ Abraham said to his servants, "You two stay here with the donkey while the boy and I go over there. We will worship God there, and then we will come back to you." ⁶ Then Abraham took the wood to kindle a fire for the burnt offering and placed it on his son Isaac, for him to carry. Abraham carried in his hand a *pan containing burning coals to start a fire*, and a knife, and the two of them walked along together. ⁷ Then Isaac spoke to his father Abraham, saying, "My father!" Abraham replied, "Yes, my son, I'm here!" Isaac said, "Look, we have wood and *coals to light a fire*, but where is the lamb for the burnt offering?" ⁸ Abraham replied, "My son, God himself will provide the lamb for the burnt offering." So the two of them continued walking along together. ⁹ They arrived at the place God had told him about. There, Abraham built a stone altar and arranged the wood on top of it. Then he tied his son Isaac, and laid him on the altar on top of the wood. ¹⁰ Then Abraham took the knife and reached out to kill his son. ¹¹ But an angel *who was really Yahweh* called to him from heaven and said, "Abraham! Abraham!" Abraham replied, "I'm here!" ¹² The angel said, "Do not harm the boy or do anything to injure him, because now I know that you respect and obey God. I know that because you have not refused to sacrifice your son, the only son *who is still with you*."

¹³ Then Abraham looked up and saw that a ram was nearby, whose horns had been caught in a *thicket/clump of bushes*. So Abraham went over and grabbed the ram *and killed it*, and sacrificed it on the altar as a burnt offering, instead of his son. ¹⁴ Abraham named that place 'Yahweh will provide'. And to the present day, people say, "On Yahweh's mountain, he will provide."

¹⁵ The angel *who was really Yahweh* called out to Abraham from heaven a second time. ¹⁶ He said, "I, Yahweh your Lord, am telling you that you did what I told you, and you have not refused to sacrifice your only son *that is with you*. So I say, 'I solemnly swear, with myself as my witness, ¹⁷ that some day your descendants will be as numerous as the stars in the sky and the grains of sand on the seashore. And your descendants will defeat their enemies and capture their cities [SYN].'¹⁸ You obeyed me, so by means of your descendants the people of all the nations on the earth will be blessed." ¹⁹ Then Abraham and Isaac returned to where his servants were waiting, and they went back home together to Beersheba, and Abraham stayed there.

²⁰ After these things happened, someone told Abraham, "Your brother Nahor's wife, Milcah, has also giv-

en birth to children. She has eight sons." ²¹ The oldest son was Uz. The next was Buz. After him was Kemuel, the father of Aram. ²² After Kemuel was Kesad, then Hazo, then Pildash, then Jidlaph, then Bethuel, ²³ who was the father of Rebekah, *who later became Isaac's wife*. Those were the eight sons of Milcah, wife of Abraham's brother, Nahor. ²⁴ Nahor also had a *concubine/female slave whom he took as a wife*, whose name was Beumah. She gave birth to four sons: Tebah, Gaham, Tahash, and Maacah.

After Sarah died, Abraham bought a burial place for her

23 When Sarah was 127 years old, ² she died at Kiriath-Arba *town*, which is now called Hebron, in the Canaan region. After Abraham mourned for her, ³ he left the body of his wife and *went and* spoke to some of the descendants of Heth, saying, ⁴ "I am a foreigner [DOU] living among you, *so I do not own any land here*. Sell me some land here so that I can bury my wife's body." ⁵ They replied to him, ⁶ "Sir, you are a powerful prince among us. Choose one of our finest tombs and bury your wife's *body* in it. None of us will refuse to sell land to you for a tomb for your relatives' bodies." ⁷ Then Abraham stood up and bowed *in respect* in front of the people who owned the land, the descendants of Heth. ⁸ He said to them, "If you say that you are willing for me to bury my wife's body here, listen to me, and ask Ephron, the son of Zohar for me, ⁹ to sell to me the cave in the Machpelah area, which is at the end of his field. Ask him to sell it to me for the full price he wants, so that I can have a burial ground among you." ¹⁰ Ephron was sitting among the people near the city gate where many [HYP] descendants of Heth had gathered. He heard what Abraham said to them. ¹¹ *So, just to make the customary reply to start the real discussion about a price*, Ephron said, "No, sir, listen to me. I will give to you the field and the cave in it, without charge, with the people here as witnesses." ¹² Abraham again bowed before the people who lived in the area, ¹³ and said to Ephron, as all the others were listening, "No, listen to me. If you are willing, I will pay for the field. You tell me what the price is, and I will give it to you. If you accept it, the field will become mine, and I can bury my wife's body there." ¹⁴ Ephron answered Abraham, saying to him, ¹⁵ "Sir, listen to me. The land is worth 400 pieces of silver. But the price is not important to you and me. Give me the money and bury your wife's body there." ¹⁶ Abraham agreed with Ephron about the price, and weighed for Ephron the 400 pieces of silver he had suggested, as everyone was listening, using the standard weights for silver used *in that area* by people who sold things.

¹⁷ So Ephron's field in the Machpelah area, near Mamre, and the cave in the field, and all the trees that were in the field inside the boundaries of the land, became Abraham's possession. ¹⁸ It became Abraham's property as all the descendants of Heth were listening

there at the city gate. ¹⁹ After that, Abraham buried his wife Sarah's body in the cave in the field in the Machpelah area near Mamre, which is now called Hebron city, in the Canaan region. ²⁰ So the field and the cave in it were officially sold to Abraham by the descendants of Heth, to be used as a burial ground.

Abraham sent a servant to Mesopotamia to find a wife for Isaac

24 Abraham was now a very old man. Yahweh had blessed Abraham in many ways. ² One day Abraham said to the chief servant of his household, the man who was in charge of everything Abraham owned, "Put your hand between my thighs to solemnly promise you will do what I tell you. ³ Knowing that Yahweh God *who created* the heavens and the earth is listening, promise that you will not get a wife for my son, Isaac, from the women here in Canaan. ⁴ Instead, go back to my country and to my relatives and get a wife for my son Isaac from among them." ⁵ The servant asked him, "If I find a woman among your relatives, what if she is not willing to come back with me to this land? Shall I take your son back there to the country you came from, *so he can find a wife and live there?*" ⁶ Abraham replied to him, "No! Be certain that you don't take my son there! ⁷ Yahweh God, who created the heavens, brought me here. He brought me from my father's household, and from the land where my relatives lived. He spoke to me and made a solemn promise to me, saying, 'I will give this land *of Canaan* to your descendants.' He will send an angel who will go there ahead of you, and enable you to get a wife for my son *there and bring her to live here.*" ⁸ But if the woman you find will not come back with you, you are free to disregard the promise you are making. The only thing that you must not do is to take my son to live there!" ⁹ So the servant put his hand between Abraham's thighs and made a solemn promise about the matter.

Abraham's servant found a wife for Isaac

¹⁰ Then the servant took ten of his master's camels and loaded them with all kinds of goods that his master gave him to take along. Then he left to go to Aram-Naharaim, *which is in* \diamond *northern Mesopotamia/Syria* \diamond . He arrived in Nahor city. ¹¹ It was late in the afternoon, at the time when the women go to the well to get water, when he arrived there. He made the camels kneel down near the well, which was outside the city. ¹² The servant prayed, "Yahweh God whom my master Abraham worships, enable me to be successful today! Act kindly to my master, Abraham! ¹³ Listen to me. I am standing near a well of water, and the young women of the city are coming to get water. ¹⁴ I am asking you this: 'I will say to some girl, "Please lower your jar so that I may drink some water." If she says, "Drink some, and I will draw some water *from the well*

for your camels, too," I will know that she is the woman whom you chose to be a wife for your servant, Isaac, and I will know that you have been kind to my master.'" ¹⁵ Before he finished praying, *amazingly*, Rebekah arrived there, carrying a jar on her shoulder. She was the daughter of Bethuel, who was the son of Milcah, the wife of Abraham's younger brother Nahor. ¹⁶ She was very beautiful and still a virgin. She went down to the edge of the well, filled her jar with water, and then came back up. ¹⁷ Abraham's servant immediately ran to meet her, and said, "Please give me a little water from your jar." ¹⁸ She replied, "Drink some, sir!" She lowered her jar from her shoulder to her hands and gave him a drink. ¹⁹ After she had finished giving him a drink, she said, "I will also get some water for your camels, until they have had enough to drink." ²⁰ She quickly emptied the water in her jar into the trough *for giving water to animals*, and then ran back to the well, and kept getting water for all the camels. ²¹ The servant just watched her, without saying anything. He wanted to know if Yahweh had caused his trip to be successful or not. ²² Finally, after the camels finished drinking, the servant took out a gold nose ring that weighed \diamond two ounces/6 grams \diamond , and two large gold bracelets for her arms, and gave them to Rebekah *and told her to put them on.* ²³ Then he said, "Tell me whose daughter you are. Also, tell me, is there room in your father's house for me and my men to sleep there tonight?" ²⁴ She replied, "My father's name is Bethuel. He is the son of Nahor and his wife Milcah. ²⁵ Yes, we have room where you all can sleep tonight, and we also have plenty of straw and grain to feed the camels." ²⁶ The servant bowed and worshiped Yahweh. ²⁷ He said, "I thank you, Yahweh God, whom my master Abraham worships. You have continued to be kind and faithful to my master. You led me on this journey straight/directly to the house of my master's relatives!" ²⁸ The girl ran and told everyone in her mother's household about what had happened. ²⁹ Rebekah had a brother whose name was Laban. Laban went quickly to Abraham's servant, who was still by the well. ³⁰ He was surprised to have seen the bracelets on his sister's arms and the nose ring and to have heard Rebekah tell what the man had said to her. So he went out and saw the man standing near the camels, close to the well. ³¹ He said to the man, "You who have been blessed by Yahweh, come with me! \diamond Why are standing out here?/You should not keep standing out here! \diamond [RHQ] I have prepared a room for you in the house, and a place for the camels to stay." ³² So the servant went to the house, and Laban's servants unloaded the camels, and brought straw and grain for the camels, and water for him and the men with him to wash their feet. ³³ They set food in front of him for him to eat, but he said, "I will not eat until I tell you \diamond what I need to tell you/why I have come \diamond ." So Laban said, "Tell us!" ³⁴ So the servant said, "I am Abraham's servant. ³⁵ Yahweh has greatly blessed my mas-

ter so that he has become very rich. Yahweh has given him many sheep and cattle, a lot of gold and silver, male and female servants, camels and donkeys. ³⁶ My master's wife, Sarah, bore a son for him when she was very old, and my master has given to his son everything he owns. ³⁷ My master made me solemnly promise, saying, 'Do not get a wife for my son from the women here in Canaan. ³⁸ Instead, go back to my father's family, to my own clan, and get from them a wife for my son.' ³⁹ Then I asked my master, 'What shall I do if the woman you show me will not come back with me?' ⁴⁰ He replied, 'Yahweh, whom I have always obeyed [MTY], will send his angel with you, and he will cause your journey to be successful, with the result that you can get a wife for my son from my clan, from my father's family. ⁴¹ But if my clan refuses to allow her to return with you, you will be freed from being cursed because of not obeying me.'

⁴² "When I came today to the well, I prayed, 'Yahweh God whom my master, Abraham worships, if you are willing, please allow this journey of mine to be successful. ⁴³ Listen to me. I am standing beside a well. A young woman may come to draw water. I will say to her, "Please, give me a little water to drink from your jar." ⁴⁴ If she says to me, "Certainly, drink some! And I will also draw some water for your camels," that will be the woman whom you have chosen for my master's son!' ⁴⁵ Before I finished praying, *amazingly*, Rebekah approached with her water jar on her shoulder. She went down to the well and got some water. I said to her, 'Please give me a drink!' ⁴⁶ She quickly lowered her jar and said, 'Drink some! And I will draw water from the well for your camels, too.' So I drank some water, and she also got water for the camels. ⁴⁷ Then I asked her, 'Whose daughter are you?' She said, 'The daughter of Bethuel, the son of Nahor and his wife, Milcah.' I had a ring and bracelets with me, and I put the ring in her nose and put the bracelets on her arms. ⁴⁸ Then I bowed and worshiped Yahweh, and I thanked Yahweh God, the one my master Abraham worships, the one who led me on the right road to get the granddaughter of my master's brother to be a wife for my master's son. ⁴⁹ Now, if you are kind and faithful to my master, tell me that you will do what I am asking. If you will not do that, tell me that also, so I may know what to do [MTY]." ⁵⁰ Laban and Bethuel answered, "It is clear that Yahweh has caused this to happen. So we two cannot say anything more. ⁵¹ Rebekah is here in front of you. Take her and go, and let her be a wife for your master's son, just as Yahweh has indicated."

⁵² When Abraham's servant heard these words, he bowed down to the ground to thank Yahweh. ⁵³ Then the servant brought out silver and gold jewelry and clothes, and gave them to Rebekah. And he gave gifts to her brother Laban and to her mother. ⁵⁴ Then they ate a meal together. The men who were with Abraham's servant also slept there that night. The next

morning, the servant said, "Allow me now to return to my master." ⁵⁵ But her brother and her mother replied, "Let the girl remain with us for about ten days. After that, you may take her and go." ⁵⁶ But he replied to them, "Yahweh has made my journey successful, so do not detain me. Let me take her back to my master now!" ⁵⁷ They said, "Let's call Rebekah and ask her what she wants to do." [MTY] ⁵⁸ So they summoned Rebekah and asked her, "Will you go with this man now?" She replied, "Yes, I will go." ⁵⁹ So they allowed Rebekah, a woman who had taken care of her when she was very young, Abraham's servant, and the men who had come with him, to go. ⁶⁰ Before they all left, they asked God to bless Rebekah, and said to her, "Our sister, we ask that Yahweh will cause you to have millions of descendants, and allow them to completely defeat [MET] all those that hate them." ⁶¹ Then Rebekah and her maid servants got ready and got on their camels and went with Abraham's servant.

⁶² At that time, Isaac was living in the Negev desert. He had gone there from Beer-Lahai-Roi. ⁶³ One evening he went out into the field to meditate as he walked. He looked up and *was surprised* to see some camels coming. ⁶⁴ Rebekah also looked up and saw Isaac. She got off the camel, ⁶⁵ and asked the servant, "Who is that man who is approaching?" The servant replied, "That is Isaac, my master, *the man you will be marrying.*" So she took her veil and covered her face, which was the custom for a woman who was about to be married. ⁶⁶ The servant told Isaac everything that had happened. ⁶⁷ Then Isaac took Rebekah into the tent that belonged to his mother, Sarah, and she became his wife. And he loved her. So Isaac was comforted about his mother's death.

Abraham died and was buried near Sarah

25 *Some time after Sarah died, Abraham married another woman, whose name was Keturah.*

² She later gave birth to six sons: Zimran, Jokshan, Medan, Midian, Ishbak, and Shuah. ³ Jokshan became the father of two sons, Sheba and Dedan. The descendants of Dedan were the Asshur people-group, the Le-tush people-group, and the Leum people-group. ⁴ The sons of Midian were Ephah, Epher, Hanoch, Abida, and Eldaah. They were all descendants of Keturah.

⁵ Abraham declared that after he died, Isaac would inherit everything he owned. ⁶ But while Abraham was still living, he gave gifts to the sons of his concubines/slaves that he had taken to be his secondary wives, and then he sent them away to live in a land to the east, to keep them far from his son Isaac.

⁷ Abraham lived until he was 175 years old. ⁸ He died at a very old age, joining his ancestors who had died previously [DOU]. ⁹ His sons Isaac and Ishmael buried his body in the cave at Machpelah area, near Mamre, in the field that Abraham had previously bought from Ephron, one of the descendants of Heth. ¹⁰ Isaac and Ishmael buried his body there, where Abraham previ-

ously buried his wife Sarah. ¹¹ After Abraham died, God blessed his son Isaac. And Isaac moved to live near Beer-Lahai-Roi.

The descendants of Ishmael

¹² ♦These are/I will now give a list of♦ the descendants of Abraham's son, Ishmael, to whom Sarah's female slave, Hagar from Egypt, had given birth. ¹³ These are their names, in the order in which they were born: Ishmael's oldest son was named Nebaioth. After him were born Kedar, Adbeel, Mibsam, ¹⁴ Mishma, Dumah, Massa, ¹⁵ Hadar, Tema, Jetur, Naphish, and Kedemah. ¹⁶ The twelve sons of Ishmael became the leaders/chiefs of people-groups that had those names. They each had their own settlement and campsite. ¹⁷ Ishmael lived until he was 137 years old. Then he died, [EUP] joining his ancestors who had previously died. ¹⁸ His descendants ♦settled/went to live♦ in the area between Shur and Havilah, near the border of Egypt as a person travels toward Asshur. All of their camps were close to each other (OR, they all frequently attacked each other).

The birth of Esau and Jacob

¹⁹ ♦This is an account of/I will now tell you about♦ Abraham's son, Isaac. Abraham became the father of Isaac, ²⁰ and when Isaac was 40 years old, he married Rebekah, the daughter of Bethuel. Bethuel was one of the descendants of Aram from Paddan-Aram. Rebekah was the sister of Laban, who belonged to the Aram people-group. ²¹ Almost 20 years after they were married, Rebekah still had no children. So Isaac prayed to Yahweh concerning his wife, and Yahweh answered his prayer. His wife Rebekah became pregnant. ²² She was carrying twins in her womb, and they kept jostling each other. So she said, "Why is it *that this is happening to me?*" So she asked Yahweh about it. ²³ Yahweh said to her, "The older one of your twins will serve the younger one. The twins will be ancestors of two nations. And those two people-groups will separate from each other." [CHI]

²⁴ When Rebekah gave birth, it was true! Twin boys were born! ²⁵ The first one born was red, and his body had hair all over it, like a garment made of hair. So they named him Esau, *which sounds like the Hebrew word that means 'hairy'*. ²⁶ Then his brother was born, grasping Esau's heel. So they named him Jacob, *which sounds like the Hebrew word that means 'heel'*. Isaac was 60 years old when the twins were born.

Esau sold his rights as the oldest son

²⁷ When the boys grew up, Esau became a skilled hunter. He spent a lot of time out in the fields. Jacob was a quiet man who stayed close to the campsite. ²⁸ Isaac liked Esau more, because he enjoyed the taste of the meat of the animals that Esau killed. But Rebekah liked Jacob more.

²⁹ One day while Jacob was cooking some stew, Esau came home from the field, very hungry. ³⁰ He said to Jacob, "Give me some of that red stew to eat right now, because I am very hungry!" [That is why Esau's other name was Edom, *which sounds like the Hebrew word that means 'red'*.] ³¹ Jacob said, "I will give you some if you sell me ♦your birthright/the privileges you have because you are the firstborn son♦." ³² Esau replied, "Well, I am about to die *from being so hungry. If I die now*, ♦my birthright will not benefit me./What good will my birthright be to me?♦" [RHQ] ³³ Jacob said, "♦Swear to/Solemnly promise♦ me that you are giving me the privileges that you will have from being the firstborn son!" So that is what Esau did. He sold his birthright to Jacob. ³⁴ Then Jacob gave to Esau some bread and some stew made of lentils/beans. Esau ate and drank, and then he got up and left. By doing that, Esau showed that he ♦was not interested in/did not value♦ the privileges that would be his because of being the firstborn son.

Isaac deceived King Abimelech

26 Some time later there was a severe ♦famine/ scarcity of food♦ there. That was different from the famine that occurred when Abraham was alive. So Isaac went *southeast* to Gerar town, to talk to Abimelech, the king of the Philistine people-group. *What happened was this: Isaac considered going to Egypt,* ² but Yahweh appeared to him and said, "Do not go down to Egypt! Live in the land where I will tell you to go! ³ Stay in thTs land for a while, and I will help you and bless you, because it is to you and your descendants that I will give all these lands, and I will do what I solemnly promised to your father. ⁴ I will cause your descendants to be as numerous as the stars in the sky. I will give to your descendants all these lands, and I will cause your descendants to be a blessing to the people of [MTY] all nations on the earth. ⁵ I will do that because your father Abraham obeyed me. He obeyed everything that I told him to do, everything that I declared and all the laws that I gave him."

So Isaac went and asked King Abimelech if he would permit him to live in the Gerar area. The king said, "Okay,"⁶ so Isaac stayed there along with his wife and sons.

⁷ When the men in Gerar town asked who Rebekah was, Isaac said, "She is my sister." He said that because he was afraid to say, "She is my wife." He thought, "Rebekah is very beautiful, so they will want her. *If I say that she is my sister, they know they will have to negotiate about a bride price because I am her older brother; but if I say that she is my wife, no negotiation will be possible.* They will just kill me to get her." ⁸ When Isaac had been there a long time, one day Abimelech, the king of the Philistine people-group, looked down from a window *in his palace* and was surprised to see Isaac caressing his wife Rebekah. ⁹ So Abimelech summoned Isaac and said to him, "Now I realize that she is

really your wife! So why did you say, 'She is my sister?'" Isaac replied to him, "I said that because I thought that someone here might kill me to get her." ¹⁰ Abimelech said, "◊You should not have done this to us! Why did you do this?◊ [RHQ] One of our people might have ◊had sex with/slept with◊ [EUP] your wife, and you would have caused us to be guilty of a great sin!" ¹¹ Then Abimelech commanded all his people, saying, "Do not harm/molest this man or his wife! Anyone who does that will surely be executed!"

The Philistines argued with Isaac about wells

¹² Isaac planted grain in that land that year, and he harvested a very large crop, because Yahweh blessed him. ¹³ Isaac continued to acquire more and more possessions, until finally he became very wealthy. ¹⁴ He had large herds of sheep and goats and cattle, and many slaves. Because of that, the Philistine people envied him. ¹⁵ So all the wells that the servants of his father Abraham had dug during the time when he was alive, the people filled up with dirt. ¹⁶ Then Abimelech said to Isaac, "You people have become more numerous than we are, so I want you to get out of our area." ¹⁷ So Isaac and his family moved from there. They set up their tents in Gerar Valley and started to live there. ¹⁸ There were several wells in that area that had been dug when Isaac's father Abraham was living, but Philistine people had filled them up with dirt after Abraham died. Now Isaac and his servants removed the dirt, and Isaac gave the wells the same names that his father had given to them. ¹⁹ Isaac's servants dug in the valley and discovered a well of fresh water. ²⁰ But other men who lived in Gerar Valley who took care of their animals argued/quarreled with the men who took care of Isaac's animals, and said, "The water in this well is ours!" So Isaac named the well Esek, which means 'dispute', because they disputed about who owned it. ²¹ Then Isaac's servants dug another well, but they quarreled about who owned that one also. So Isaac named it Sitnah, which means 'opposition'. ²² They moved on from there and dug another well, but this time no one quarreled about who owned it. So Isaac named it Rehoboth, which means 'uninhabited place', saying, "Yahweh has given us an uninhabited place to live in, a place that is not wanted by other people, and we will become very prosperous here."

²³ From there Isaac went up to Beersheba. ²⁴ The first night that he was there, Yahweh appeared to him and said, "I am God, whom your father Abraham worshiped. Do not be afraid of anything. I will help you and bless you, and because of what I promised my servant Abraham, I will greatly increase the number of your descendants." ²⁵ So Isaac built a stone altar there and offered a sacrifice to worship Yahweh. He and his servants set up their tents there, and his servants started to dig a well.

Isaac made a peace treaty with King Abimelech

²⁶ While they were digging the well, King Abimelech came to Isaac from Gerar, along with Ahuzzath, his advisor, and Phicol, the commander of his army. ²⁷ Isaac asked them, "You ◊acted in a hostile way toward me/ treated me like an enemy◊ before, and sent me away. So why have you come to me now?" ²⁸ One of them answered, "We have seen that Yahweh helps you. So we said to each other, 'We should have an agreement between us and you. We should make a peace treaty with you, ²⁹ stating that you will not harm us, in the same way that we did not molest [EUP] you.' We always treated you well and sent you away peacefully. And now Yahweh is blessing you." ³⁰ So Isaac made a feast for them, and they all ate and drank. ³¹ Early the next morning they all ◊swore/solemnly promised◊ each other that they would do what they had promised. Then Isaac sent them home peacefully.

³² That day Isaac's servants came to him and told him about the well that they had finished digging. They said, "We found water in the well!" ³³ Isaac named the well Shibah, which sounds like the Hebrew word that means 'oath.' To the present time the town there has the name Beersheba which means 'Friendship Agreement Well.'

Esau married foreign women

³⁴ When Esau was 40 years old, he married Judith, the daughter of Beerli, and Basemath, the daughter of Elon. Both of those women were descendants of Heth, not from Isaac's clan. ³⁵ Esau's two wives made life miserable for Isaac and Rebekah.

Jacob received a blessing from Isaac by trickery

²⁷ When Isaac was old, he became almost blind. One day he summoned Esau, his firstborn/older son, ² and said to him, "My son?" Esau replied, "Here I am!" ³ Isaac said, "Listen to me. I am very old, and I do not know when I will die. So now take your bow and quiver full of arrows and go out into the countryside, and hunt for a wild animal for me. ⁴ Kill one and prepare the kind of tasty meat that I like. Then bring it to me so that after I eat it, I can give you a blessing before I die." ⁵ Rebekah was listening as Isaac said that to his son, Esau. So when Esau left the tent to go to the countryside to hunt for a wild animal in order to kill it and bring it back, ⁶ Rebekah said to her son, Jacob, "Listen to me. I heard your father talking to your brother, Esau, saying, ⁷ 'Go and kill some wild animal and bring it here, and prepare the meat in a tasty way, so that I may eat it, and then before I die I can give you my blessing while Yahweh is listening.' ⁸ So now, my son, do what I am telling you. ⁹ Go out to the flock and kill two nice young goats and bring the meat to me. Then I will prepare some tasty food for your father, the way he likes it. ¹⁰ Then you can take it

to your father, in order that he can eat it, and then, before he dies, he will give his blessing to you, *and not to your older brother.*"

¹¹ But Jacob said to his mother Rebekah, "But my brother Esau's skin has hair all over it, and my skin is not like that! My skin is smooth! ¹² What will happen if my father touches me? He will realize that I am tricking him, and as a result I will be cursed/he will say that God will do bad things to me, not a blessing!" ¹³ His mother replied, "If that happens, let the curse be on me. You do what I am telling you. Go and get the goats for me!" ¹⁴ So Jacob went and killed two goats and brought them to his mother. Then *with the meat* his mother prepared some tasty food, just the way his father liked. ¹⁵ Then Rebekah took her older son Esau's clothes that were with her in the tent, and she put them on her younger son Jacob. ¹⁶ She also put the skins of the young goats on his hands and the smooth part of his neck. ¹⁷ Then she handed him some bread and the tasty food that she had prepared.

¹⁸ Jacob took it to his father and said, "My father!" Isaac replied, "I'm here; which of my sons are you?" ¹⁹ Jacob said to his father, "I am Esau, your firstborn son. I did what you told me to do. Sit up and eat some of the meat so that you can then bless me." ²⁰ But Isaac asked his son, "My son, how is it that you were able to find and kill an animal so quickly?" Jacob replied, "Because Yahweh, whom you worship, enabled me to be successful." ²¹ Isaac said to Jacob, "Come near to me, my son, so that I can touch you and determine whether you are really my son Esau." ²² So Jacob went close to him. Isaac touched him and said, "Your voice sounds like Jacob, but your hands feel hairy, like the hands of your older brother, Esau." ²³ Isaac did not recognize Jacob, *because he was blind* and because Jacob's hands were now hairy, like those of his older brother, Esau. So Isaac prepared to bless Jacob. ²⁴ But first Isaac asked, "Are you really my son Esau?" Jacob replied, "Yes, I am." ²⁵ Isaac said, "My son, bring me some of the meat that you have cooked, so that I may eat it and then give you my blessing." So Jacob brought him some, and he ate it. Jacob also brought him some wine, and he drank it. ²⁶ Then Isaac said to him, "My son, come here and kiss me." ²⁷ So Jacob came close to him, and his father kissed him on the cheek. Isaac smelled the clothes Jacob was wearing. They smelled like Esau's clothes. So he said,

"Truly, the smell of my son is like the smell of a field that Yahweh has blessed.

²⁸ I ask that God will send down to you dew from heaven *to water your fields*,
and cause you to have abundant crops,
good harvests of grain, and grapes for wine.

²⁹ I ask that people of many nations will serve you and bow down to you.

I ask that you will rule over your brothers,

and that your mother's descendants will also bow down to you.

I ask that God will curse/punish those who I curse you/ask God to do bad things to you,
and bless those who bless you."

³⁰ After Isaac finished blessing Jacob, Jacob was just leaving the room where his father was, when his older brother, Esau, returned from hunting. ³¹ Esau cooked some tasty meat and brought it to his father. He said to his father, "My father, please sit up and eat some of the meat that I have cooked, so that you can then give me your blessing!" ³² His father, Isaac, said to him, "Who are you?" He answered, "I am Esau, your firstborn son!" ³³ Then Isaac, realizing that it was not Esau who had come earlier, trembled very violently. He said, "Then who is it that brought me some meat from an animal that he had hunted and killed, and I ate it all? He was here just before you came. I blessed him, and I cannot I take back that blessing/declare that those things will not happen to him." ³⁴ When Esau heard those words of his father, he cried loudly. He was very disappointed. He said to his father, "My father, bless me, too!" ³⁵ But his father said, "Your brother came deceitfully and took your blessing!" ³⁶ Esau said, "It is right [RHQ] that his name is Jacob, which means 'cheat,' because he deceived me two times. The first time he took my rights from being his firstborn son, and this time he took my blessing!" Then he asked, "Do you not have any blessing left for me?" ³⁷ Isaac answered and said to Esau, "I have declared that your younger brother will rule over you, and declared that all his relatives will serve him. And I have said that God will give him plenty of grain and grapes for wine. So, my son, I what can I do for you?/There is nothing more that I can do for you!" [RHQ] ³⁸ Esau said to his father, "My father, do you have only one blessing? My father, bless me, too!" Then Esau cried very loudly. ³⁹ His father Isaac answered and said to him, "The place where you will live will be far from the fertile soil and from the dew that God sends from heaven *to water the fields.*

⁴⁰ You will *rob and* kill people [MTY] in order to *get what you need to live*,
and you will be as though you are your brother's slave.

But when you decide to rebel against him, you will I free yourself from/no longer be under I his control."

Jacob fled from Esau

⁴¹ So, because his father had given a blessing to Jacob, and not to him, Esau hated his younger brother. Esau thought to himself, "After my father dies and we finish mourning for him, I will kill Jacob!" ⁴² But Rebekah found out what her older son, Esau, was thinking. So she summoned her younger son, Jacob, and said to him, "Listen to me. Your older brother, Esau, is *comforting himself* by planning to kill you, to get revenge because of your deceiving your father. ⁴³ So

now, my son, listen carefully to what I am telling you. Escape quickly and go and stay with my brother Laban, in Haran town. ⁴⁴ Stay with him a while, until your older brother is no longer angry. ⁴⁵ When he forgets what you did to him, I will send a message to you, to tell you to return from there. If Esau kills you, *others will kill him, and then both my sons would die at the same time!* [RHQ]

⁴⁶ Rebekah also said to Isaac, "These *foreign* women whom Esau has married, who are descendants of Heth, are making my life miserable. I would prefer to die than to see Jacob marry a woman from the descendants of Heth in this area!"

Isaac gave instructions to Jacob

28 Then Isaac summoned Jacob, and gave him a blessing. He told him, "Do not marry a woman of the Canaan people-group. ² Instead, go right away to Paddan-Aram in northwest Mesopotamia, to the house of your mother's father Bethuel. Ask one of the daughters of your mother's brother Laban to marry you. ³ I will pray that God Almighty will bless you, and enable you to *get married and* have many descendants, in order that they will become many people-groups. ⁴ I also will pray that he will bless you and your descendants by enabling you to possess/seize the land in which you are now living as a foreigner, the land that God promised to give to *my father* Abraham and his descendants." ⁵ So Isaac sent Jacob to Paddan-Aram, to live with Rebekah's brother Laban, the son of Bethuel, who belonged to the Aram people-group.

Esau married Ishmael's daughter

⁶ Esau found out that his father Isaac had blessed Jacob and then sent him to Paddan-Aram. He also found out that when he blessed Isaac, he told him, "Do not marry a woman of the Canaan people-group," ⁷ and that Jacob had obeyed his father and mother, and had gone to Paddan-Aram. ⁸ Esau also realized that his father Isaac did not approve of women from the Canaan people-group. ⁹ Because of that, Esau went to see his uncle Ishmael, and married Mahalath, the daughter of Ishmael. Mahalath was the sister of Nabaioth and the granddaughter of Abraham.

God made a promise to Jacob in a dream

¹⁰ Meanwhile, Jacob left Beersheba and started walking along the road to Haran. ¹¹ When he arrived at a certain place, he stopped there, because the sun had gone down. He took one of the stones there and put it under his head to use as a pillow. Then he lay down and slept there. ¹² While he was sleeping, he had a dream, in which he *was surprised to see* a stairway. The bottom of the stairway was on the earth and the top was in the sky. Jacob also saw that God's angels were going up and down the stairway. ¹³ And he *was surprised to see* Yahweh standing at the top of

the stairway, saying "I am Yahweh God, whom your grandfather Abraham worshiped, and whom Isaac worships. I will give to you and to your descendants the land on which you are lying. ¹⁴ Your descendants will be as numerous as the particles of dirt that are on the earth, and their territory will be very large. It will extend in all directions, to the east and to the west, to the north and to the south. And people of all people-groups on earth will receive blessings because of *what happens to you and to your descendants.* ¹⁵ I will help you and protect you wherever you go, and I will bring you back to this land. I will not leave you; I will continue to do for you all that I have promised to do."

¹⁶ *During the night*, when Jacob woke up from sleeping, he thought, "Surely Yahweh is in this place, and until now I was not aware of it!" ¹⁷ He was afraid, and he said, "This place is very awesome! This is surely the place where God lives, and this is the entrance to heaven!" ¹⁸ In the morning Jacob got up and took the stone that he had put under his head and set it up on its end to show that the place was a holy place. He poured some olive oil on top of the stone *to dedicate it to God.* ¹⁹ He named that place Bethel, *which means 'house of God'.* Previously its name was Luz.

²⁰ Jacob solemnly promised God, saying, "God, if you will help me and protect me while I am taking this journey, and if you give me enough food to eat and clothes to wear, ²¹ in order that I can later return safely to my father's house, then you, Yahweh, will be the God that I will worship. ²² This stone that I have set up will mark the place where people can worship you. And I will give back to you a tenth of everything that you give to me."

Jacob met Laban's daughter Rachel at Haran

29 Jacob continued on the road [MTY], and he arrived at the land that was east of Canaan.

² There he *was surprised to see* a well in a field, and three flocks of sheep were lying near the well. It was the well from which shepherds habitually got water for their sheep. There was a large stone covering the top of the well. ³ When all the flocks were gathered there, the shepherds would work together to roll the stone away from the top of the well and get water for the sheep. When they finished doing that, they would put the stone back in its place over the top of the well.

⁴ *On that day*, Jacob asked the shepherds who were sitting there, "Where are you from?" They replied, "We are from Haran." ⁵ He asked them, "Do you know Laban, the grandson of Nahor?" They replied, "Yes, we know him." ⁶ Jacob asked them, "Is Laban well?" They replied, "Yes, he is well. Look! Here comes his daughter Rachel with the sheep!" ⁷ Jacob said, "Hey! The sun is still high in the sky. It is not time for the flocks to be gathered for nighttime. Give the sheep some water and then take them back to *graze/eat grass* in the pastures!" ⁸ They replied, "No, we cannot do that until all the flocks are gathered here and the stone is re-

moved from the top of the well. After that, we will give water to the sheep."

⁹ While he was still talking with them, Rachel came with her father's sheep. She was the one who took care of her father's sheep. ¹⁰ When Jacob saw Rachel, the daughter of Laban, who was his mother's brother, *Jacob was so excited that he went over and by himself* rolled away the stone that covered the top of the well, and he got water for his uncle's sheep. ¹¹ Then Jacob kissed Rachel *on the cheek*, and he cried loudly *because he was so happy*. ¹² Jacob told Rachel that he was one of her father's relatives, the son of her aunt Rebekah. So she ran and told that to her father.

¹³ As soon as Laban heard that Jacob, his sister's son, was there, he ran to meet him. He embraced him and kissed him *on the cheek*. Then he brought him to his home, and Jacob told him all that had happened to him. ¹⁴ Then Laban said to him, "Truly, you are part of my family!"

Jacob married Leah and Rachel

After Jacob had stayed there and worked for Laban for a month, ¹⁵ Laban said to him "◊You should not work for me for nothing just because you are a relative of mine!/Why should you work for me for nothing just because you are a relative of mine?◊ [RHQ] Tell me how much you want me to pay you." ¹⁶ Well, Laban had two daughters. The older one was named Leah, and the younger one was named Rachel. ¹⁷ Leah had pretty eyes, but Rachel had a very attractive figure and was beautiful. ¹⁸ Jacob ◊was in love with/wanted very much to be married to◊ Rachel, and he said, "I will work for you for seven years. That will be my payment for your letting me marry your younger daughter, Rachel." ¹⁹ Laban replied, "It is better for me to let you marry her than for her to marry some other man!" ²⁰ So Jacob worked for Laban for seven years to get Rachel, but to him it seemed like it was only a few days, because he loved her so much.

²¹ After the seven years were ended, Jacob said to Laban, "Let me marry Rachel now, because the time we agreed upon for me to work for you is ended, and I want to marry her. [EUP]" ²² So Laban gathered together all the people who lived in that area and made a feast. ²³ But that evening, instead of taking Rachel to Jacob, Laban took his older daughter, Leah, to him. But because it was already dark, he could not see that it was Leah and not Rachel, and he had sex [EUP] with her. ²⁴ (Laban had already given his slave girl Zilpah to his daughter Leah to be her maid/servant.)

²⁵ The next morning, Jacob was shocked to see that it was Leah who was with him! So he went to Laban *and told him* very angrily, "◊What you have done to me is disgusting!/What is this that you have done to me?◊ [RHQ] I worked for you to get Rachel, did I not? So why did you deceive me?" ²⁶ Laban replied, "In this land, it is not our custom to give a younger daughter to be married before we let someone marry our first-

born daughter. ²⁷ After we finish this week of celebration, we will let you marry the younger one also. But in return, you must pay for Rachel by working for me for another seven years."

²⁸ So that is what Jacob did. After the week of celebration was ended, Laban gave him his daughter, Rachel, to be his wife. ²⁹ Laban gave his slave girl, Bilhah, to Rachel to be her maid/servant. ³⁰ Jacob had sex [EUP] with Rachel also, and he loved Rachel more than he loved Leah. And Jacob worked for Laban for another seven years.

Leah gave birth to four sons

³¹ When Yahweh saw that Jacob did not love Leah *very much*, he enabled her to become pregnant. But Rachel was not able to become pregnant. ³² Leah gave birth to a son, whom she named Reuben, *which sounds like the Hebrew words that mean 'Look, a son!'* She said, "Yahweh has seen that I was miserable, and because of that he has given me a son. Now, surely my husband will love me for giving birth to a son for him."

³³ Later she became pregnant again and gave birth to another son. She said, "Because Yahweh has heard that my husband doesn't love me, he has given me this son, too." So she named him Simeon, *which means 'someone who hears.'* ³⁴ Later she became pregnant again, and gave birth to another son. She said, "Now, finally, my husband will hold me close to him." So she named him Levi, *which means 'hold close.'* ³⁵ Later she became pregnant again and gave birth to another son. She said, "◊This time/Now◊ I will praise Yahweh." So she called his name Judah, *which sounds like the Hebrew word that means 'praise.'* After that, she did not give birth to any more children *for several years*.

Jacob had more sons and a daughter

30 Rachel realized that she was not becoming pregnant and giving birth to any children for Jacob. So she became jealous of her older sister, Leah, because Leah had given birth to four sons. She said to Jacob, "Enable me to become pregnant and give birth to children. If you do not do that, I *think I will die!*" ² Jacob became angry with Rachel and said, "◊I am not God!/Am I God?◊ [RHQ] He is the one who has prevented you from becoming pregnant!" ³ Then she said, "Look, here is my female slave, Bilhah. ◊Sleep with/Have sex with◊ [EUP] her, so that she may become pregnant and give birth to children for me. In that way it will be as though ◊I have children/her children are mine◊." ⁴ So she gave him her slave, Bilhah, to be another wife for him, and Jacob had sex [EUP] with her. ⁵ She became pregnant and bore Jacob a son. ⁶ Rachel said, "God has ◊vindicated me/judged my case and has decided that what I have done is right◊. He has also heard my requests and has given me a son." So she named him Dan, *which sounds like the Hebrew*

word that means 'he judged.' ⁷ Later, Rachel's slave Bilhah became pregnant again and gave birth to another son for Jacob. ⁸ Then Rachel said, "I have had a great struggle to have children like my older sister, but truly I have a son." So she named him Naphtali, *which sounds like the Hebrew word that means 'struggle.'*

⁹ When Leah realized that she was not becoming pregnant and giving birth to any more children, she took her female slave, Zilpah, and gave her to Jacob to be another wife for him. ¹⁰ Zilpah soon became pregnant and gave birth to a son for Jacob. ¹¹ Leah said, "I am truly fortunate!" So she named him Gad, *which means 'fortunate.'* ¹² Later Leah's slave, Zilpah, gave birth to another son for Jacob. ¹³ Leah said, "Now I am very happy, and people will call me happy." So she named him Asher, *which means 'happy.'*

¹⁴ When it was time to harvest wheat, Reuben went out into the fields and saw some \diamond mandrakes/plants that women eat to help them to become pregnant \diamond . He brought some of them to his mother Leah. But Rachel saw them and said to Leah, "Please give me some of those plants that your son brought to you!"

¹⁵ But Leah said to her, "No! \diamond It was bad that you stole my husband!/Is it not bad enough that you stole my husband? \diamond [RHQ] Now \diamond are you going to take my son's mandrake plants?/You want to take my son's mandrake plants also, *so that you can become pregnant!* \diamond " [RHQ] So Rachel said, "All right, Jacob can sleep with you tonight, if you give me some of your son's mandrake plants." So Leah \diamond agreed/gave her some \diamond .

¹⁶ When Jacob returned from the wheat fields that evening, Leah went out to meet him. She said, "You must sleep with me tonight, because I gave Rachel some of my son's mandrakes *that enable women to become pregnant*, to pay her for allowing us to do that." So Jacob slept with her that night. ¹⁷ God answered Leah's prayers, and she became pregnant and bore a fifth son to Jacob. ¹⁸ Leah said, "God has rewarded me for giving my slave to my husband to be another wife for him." So she named him Issachar, *which sounds like the Hebrew word that means 'reward.'*

¹⁹ Leah became pregnant again and bore a sixth son for Jacob. ²⁰ Leah said, "God has given me a precious gift. \diamond This time/Now \diamond my husband will honor/respect me, because I have given birth to six sons for him." So she named him Zebulon, *which sounds like the Hebrew word that means 'accepted gift.'*

²¹ Later she gave birth to a daughter, and named her Dinah.

²² Then God thought about what Rachel wanted. He heard her prayers and enabled her to become pregnant. ²³ She became pregnant and gave birth to a son. She said, "God has caused that no longer will I be ashamed *for not having children.*" ²⁴ She named him Joseph, *which sounds like the Hebrew words that*

mean 'may he give another' and she said, 'I want Yahweh to give me another son.'

Jacob tricked Laban and became very wealthy

²⁵ After Rachel had given birth to Joseph, Jacob said to Laban, "Now allow me to quit working for you and let me return to my own land. ²⁶ You know the work that I have done for you *for a long time to get my wives*. So let me take my wives and my children, and leave." ²⁷ But Laban said to him, "If you are pleased with me, stay here, because I have found out by performing a magic ritual that Yahweh has blessed me because of what you have done for me. ²⁸ Tell me what you want me to pay you for continuing to work for me, and that is what I will pay you." ²⁹ Jacob replied, "You know how I have worked for you, and you know that your livestock have increased greatly as I have taken care of them. ³⁰ You had only a few animals before I came here. But now you have very many, and Yahweh has caused them to increase greatly in number wherever I have taken them. But now I need to start taking care of the needs of my own family."

³¹ Laban replied, "What do you want me to give you?" Jacob replied, "I do not want you to pay me anything. But if you will do this one thing for me, I will continue to take care of your flocks and protect them. ³² Allow me to go and look at all of your flocks today and remove from them all the speckled sheep, all the spotted sheep, and every dark-colored lamb, all the goats that are speckled, and all the goats that are spotted, *and keep them for myself*. They will be my wages. ³³ In that way, in the future, you will be able to know whether I have been honest regarding what you have paid me. If any of my goats are neither speckled or spotted, or if any of my lambs are not dark-colored, you will know that I have stolen them from you."

³⁴ Laban agreed and said, "Okay, we will do as you have said." ³⁵ But that same day Laban removed all the male goats that had black and white stripes on them or were spotted, and all the female goats that were speckled or spotted, all the goats that were partly white, and all the dark-colored lambs. He separated them and told his sons to take care of them. ³⁶ Then he took these flocks and walked a distance of three days, in order that he could be that far from Jacob. Jacob continued to take care of the rest of Laban's flocks.

³⁷ Then Jacob cut some branches of \diamond poplar, almond, and plane trees/three kinds of trees that had white wood \diamond . He peeled strips of bark from the branches, so that where the bark had been peeled off, the branches were light in color. ³⁸ Then he placed the peeled branches in the troughs where they put the water for the animals to drink, so that the branches would be in front of the flocks when they came to drink. ³⁹ The animals also mated in front of the branches, and eventually they gave birth to animals that were speckled, or to animals that were spotted, or

to animals that had black and white stripes on them. ⁴⁰ Furthermore, Jacob separated the female sheep in his flock from the other sheep and goats in Laban's flock. And when his female sheep mated, he made them look toward the animals that belonged to Laban that had black and white stripes on them, and the dark-colored animals. He did that so that the female sheep would give birth to animals that were striped or dark-colored. By doing that, he made bigger flocks for himself, and he kept them separate from Laban's flocks. ⁴¹ In addition, whenever the stronger female sheep were ready to mate, Jacob put some of those peeled branches in the troughs in front of them, so that they would mate in front of the branches. ⁴² But when weak animals were ready to mate, he did not put the branches in their troughs. So the weak ones became part of Laban's flock, and the strong ones became part of Jacob's flock. ⁴³ As a result, Jacob became very rich. He owned many large flocks of sheep and goats, and many male and female slaves, and many camels and donkeys.

Jacob's family fled from Laban

31 Someone told Jacob that Laban's sons were complaining and saying, "Jacob has become very rich by taking everything [HYP] that belonged to our father." ² And Jacob noticed that Laban was not acting friendly toward him as he had done before. ³ Then Yahweh said to Jacob, "Go back to your country and your relatives, and I will help you there."

⁴ So Jacob sent a message to Rachel and Leah, telling them to come out to the pastures where his flocks of sheep and goats were. ⁵ When they arrived, he said to them, "I see that your father does not act friendly toward me as he did previously. But God, whom my father worshiped, has helped me. ⁶ You two know that I have worked very hard for your father, ⁷ but many times [HYP] he has cheated me by decreasing my wages. But God has not allowed him to harm me. ⁸ When Laban said, 'The speckled animals are the ones that I will give you to be your wages,' then all the animals gave birth to young ones that were speckled. When he changed and said, 'The ones that have black and white stripes on them will be your wages,' then all the animals gave birth to young ones that were striped. ⁹ In that way, God has taken away the livestock that belonged to your father and has given them to me.

¹⁰ "One time, when the animals were mating, I had a dream. In my dream I *looked up and was surprised* to see that some of the male goats that were mating with the female goats had black and white stripes on them, some were speckled, and some were spotted. ¹¹ An angel who was sent by God said to me in the dream, 'Jacob!' I replied, 'I am here!' ¹² He said to me, 'Look up and you will see that all the male goats that are mating have black and white stripes on them, or are speckled or spotted. This is happening because I

have seen all that Laban has done to you. ¹³ I am God who appeared to you at Bethel, where you set up a stone to show that the place was holy, and you poured *olive* oil on the stone and made a solemn promise to me. So now leave this land immediately, and return to the land where you were born."

¹⁴ Rachel and Leah replied, "Our father will not give us anything more when he dies [RHQ]. ¹⁵ He treats us as though we were foreigners [RHQ]! *Your working for him all these years was like a payment* that you gave him as a price for us, but we will not inherit any of that money that he got as a price for us. He has spent it all! ¹⁶ Surely all of the wealth that God took away from our father belongs to us and to our children. So do whatever God has told you to do!"

¹⁷ Then Jacob put his children and his wives on camels. ¹⁸ He made all his livestock go ahead of him. Besides the livestock, he took along all the other things that he had acquired while living in Paddan-Aram. And they prepared to return to his father Isaac, in the Canaan region.

¹⁹ Before they left, while Laban was shearing his sheep, Rachel stole the *small wooden idols that were in her father's tent*. ²⁰ Furthermore, Jacob deceived Laban, who belonged to the Aram people-group, by not telling him that they were planning to leave. ²¹ So Jacob and his family fled with all their possessions, and they crossed the Euphrates River, and then started traveling south toward the hilly Gilead region.

Jacob rebuked Laban after Laban caught up with him

²² On the third day after they left, someone told Laban that Jacob and his family had left. ²³ So he took some of his relatives with him and started to pursue Jacob. They continued walking for seven days. ²⁴ Then God appeared to Laban in a dream at night, and said to him, "When you catch up to Jacob, be sure that you do not say anything at all [HYP] to him in an angry manner!"

²⁵ The next day, by the time Laban caught up with Jacob, Jacob and his household had set up their tents in the hilly Gilead region. So Laban and his relatives set up their tents there, too. ²⁶ Then Laban went to Jacob and said to him, "Why have you done this? You have deceived me by carrying away my daughters as though you had captured them in a war [MTY]! ²⁷ Why did you run away and deceive me? Why did you not tell me that you were going to leave, so that we could have rejoiced and sung while people played music on tambourines and harps before I said 'goodbye' to you? ²⁸ ♦ You did not even let me kiss my grandchildren and my daughters goodbye before they left! Why did you not allow me to kiss my grandchildren and daughters goodbye before they left? ♦ [RHQ] What you have done was foolish! ²⁹ My relatives and I have the power to harm you, but last night the God whom your father worships said to me in a dream, 'Be sure that you do not say anything at all to Jacob in an angry way.'

³⁰ Now, I know you have left because you long to go back home. But why did you steal my *wooden* idols?"

³¹ Jacob replied to Laban, saying, "I did not tell you that we were planning to leave, because I was afraid. I thought that *if I told you*, you would forcefully take your daughters away from me. ³² But if you find anyone here who has your wooden idols, we will execute that person. While our relatives are watching, search for yourself to see if there is anything that belongs to you that is here with me. If you find anything, you can take it!" When Jacob said that, he did not know that Rachel had stolen the wooden idols.

³³ Laban went into Jacob's tent, and then into Leah's tent, and then into the tents of the two female slaves and searched for the idols, but he did not find them. After he left their tents, he entered Rachel's tent.

³⁴ But Rachel had previously taken the idols and put them in the saddle of a camel, and she was sitting on the saddle. So when Laban searched all over for them inside Rachel's tent, he did not find them. ³⁵ Rachel said to her father, "Do not be angry with me, sir, but I cannot get up in your presence *to show respect for you*, because I am having my monthly menstrual period. [EUP]" So when Laban searched some more, he did not find the *wooden* idols.

³⁶ Then Jacob became angry. He rebuked Laban, saying, "What crime did I commit? For what sin that I committed have you pursued me? ³⁷ Now you have searched through all my possessions, and what did you find from all these possessions that belongs to you? Put it here in front of my relatives and your relatives, so that they can decide who is right, you or me!"

³⁸ I was with you for 20 years. In all that time, your sheep and goats have *not miscarried/always given birth to animals safely*. I have not *killed and eaten* any rams from your flocks. ³⁹ When one of your animals was attacked and mauled/killed by a wild animal, I did not bring it to you. I replaced the dead animal with a living one of my own animals. Whenever one of your animals was stolen, during the day or during the night, you demanded that I replace it with one of my own animals. ⁴⁰ I suffered from the heat during the day and from the cold at night. I was often not even able to sleep [PRS]! ⁴¹ I lived in your household for 20 years. I worked for you for 14 years to buy your two daughters, and for six more years to buy some of your sheep and goats. During that time, you changed and reduced my wages many times [HYP]. ⁴² If God, the one whom my grandfather Abraham worshiped and before whom my father Isaac trembled in fear, had not been with me and helped me, you would have sent me away *with nothing in my hands/owning nothing*! But God saw how much I was suffering and how hard I was working, so last night he told you that what you have done to me was wrong."

Jacob and Laban made a solemn promise not to harm each other

⁴³ Laban replied, "These two women are my daughters, and their children are my grandchildren, and the animals are my animals. Everything you see here is mine [HYP]! But what can I do today to keep my daughters or the children they have given birth to [RHQ]? ⁴⁴ I cannot do anything in order to keep them, so hey, we should make a peace agreement, you and I, and do something that will remind us about our agreement."

⁴⁵ So Jacob took a *large* stone and set it on its end. ⁴⁶ Then Jacob said to his relatives, "You also gather some stones." So they gathered some rocks and put them in a heap, and they ate some food there near the heap. ⁴⁷ Laban gave the heap the Aramaic name *Jegar-Sahadutha*, *which means 'rock-pile to remind us'*, but Jacob gave the rock-pile the Hebrew name *Galeed*, *which has the same meaning*. ⁴⁸ Laban said to Jacob, "This pile of rocks we have put here today will help us to remember our agreement." That is why Jacob called it *Galeed*. ⁴⁹ They also named the place *Mizpah*, *which sounds like the Hebrew word that means 'watchtower'*, because Laban said, "We will ask Yahweh to watch you and me while we are separated from each other, *so that we do not try to harm each other*. ⁵⁰ If you mistreat my daughters, or if you take other women to be your wives, even if no one tells me about it, don't forget that God sees what you and I are doing!"

⁵¹ Laban also said to Jacob, "You see this large stone and this pile of rocks that we have set up to be between us. ⁵² Both this pile of rocks and this large stone will remind us, that I will not go past these rocks to harm you, and you will not go past these rocks to harm me. ⁵³ We will ask the God whom *your grandfather* Abraham and *his father* Nahor worshiped to punish [MTY] either one of us, *if we harm the other one*."

So Jacob solemnly promised to do what they said in their peace agreement. And he asked God, the one before whom his father Isaac trembled, to listen to what they promised. ⁵⁴ He offered a sacrifice to God there in the hilly area, and he invited his relatives to eat with him. After they had eaten, they slept there that night. ⁵⁵ The next morning Laban kissed his grandchildren and his daughters *goodbye* and asked God to bless them. Then he *and his men* left them and returned home.

Jacob sent gifts to Esau as he prepared to meet him

32 As Jacob and his family continued traveling, some angels, whom God sent, met him.

² When Jacob saw them, he said, "This is God's army camp!" So he named that place *Mahanaim*, *which means 'two camps.'*

³ Jacob told some of the men to go ahead of him to his older brother Esau, who was living in Seir, the land

where the descendants of Edom lived. ⁴ He told them, "This is what I want you to say to Esau: "I, Jacob, want to be your servant and I want you to be my master. I have been living with our uncle Laban, and I have stayed there until now. ⁵ I now own many cattle, donkeys, sheep, goats, and male and female slaves. Now I am sending this message to you, sir, hoping that you will \diamond be friendly toward me/treat me kindly \diamond when I arrive.""

⁶ The messengers went and gave that message to Esau. When they returned to Jacob, they said, "We went to your older brother Esau. Now he is coming to you, and 400 men are coming with him."

⁷ Jacob was very afraid and worried. So he divided the people who were with him into two groups. He also divided the sheep and goats, the cattle, and the camels, into two groups. ⁸ He was thinking, "If Esau and his men come and attack us, perhaps one of the groups will be left and will be able to escape." ⁹ Then Jacob prayed, "O Yahweh God, whom my grandfather Abraham worshiped and my father Isaac worships, you said to me, 'Go back to your own land and to your relatives, and I will \diamond cause good things happen to/do good things for \diamond you.' ¹⁰ I am not worthy for you to have been so kind and faithful to me in so many ways, your servant. I had only this walking stick with me when I crossed the Jordan River on my way to Haran, but now I am so wealthy that there are two large groups of my family and possessions. ¹¹ So now I pray that you will rescue me from [MTY] my older brother Esau, because I am afraid that he and his men will come and attack and kill me and the children and their mothers. ¹² But do not forget that you have said, 'I will certainly enable you to prosper, and I will cause your descendants to be as numerous as the grains of sand on the seashore, which are so many that no one can count them.'"

¹³ Jacob slept there that night. The next morning he selected some animals to give to his brother Esau.

¹⁴ He selected 200 female goats and 20 male goats, 200 female sheep and 20 male sheep, ¹⁵ 30 female camels and their offspring, 40 cows and ten bulls, 20 female donkeys and 10 male donkeys. ¹⁶ He divided them into small herds, and put each herd into the care of one of his servants. He said to his servants, "Go ahead of me, one group at a time, and keep some space between each herd." ¹⁷ He said to the servant who was going with the first group, "When my brother Esau meets you, and he asks you, 'To whom do you belong, and where are you going, and to whom do these animals in front of you belong?' ¹⁸ tell him, 'They belong to your servant Jacob. He has sent them to you as a gift, sir. And he is coming behind us.'"

¹⁹ He also said the same thing to the servants who were taking care of the second and third groups, and to the other herdsmen. He said to them, "When you meet Esau, I want you to say to him the same thing that I told the first servant. ²⁰ And be sure to say 'Ja-

cob, who wants to serve you, is coming behind us.'" Jacob told them to say that because he was thinking, "Perhaps these gifts that I am sending ahead of me will cause him to \diamond act peacefully toward/stop being angry with \diamond me. Then later, when I see him, perhaps he will be kind to me." ²¹ So the men taking the gifts [PRS] went ahead, but Jacob himself stayed in the camp that night.

Jacob wrestled with Yahweh

²² Some time during that night, Jacob got up and took his two wives, his two female slaves, and his eleven sons and his daughter, and he sent them across the ford at the Jabbok River. ²³ After he had done that, he sent other slaves, carrying all his possessions, across the river. ²⁴ So Jacob was left there alone. But a man came and wrestled with him until dawn. ²⁵ When the man realized that he was not winning against Jacob, he struck Jacob's hip and caused the thigh bone to pull away from the hip socket. ²⁶ Then the man said, "Let me go, because it will soon be daylight." *Then Jacob realized who he was really wrestling with.* So he replied, "No, if you will not bless me, I will not let you go!" ²⁷ The man said to him, "What is your name?" He replied, "Jacob." ²⁸ The man said, "Your name will no longer be Jacob. Your name will be Israel, *which means 'he struggles with God'*, because you have struggled with God and with people, and you have won." ²⁹ Jacob said, "Now, please tell me your name!" The man replied, " \diamond Why do you ask me what my name is?/You should not have to ask me what my name is! \diamond " [RHQ] But he blessed Jacob there. ³⁰ So Jacob named the place Peniel, *which means 'God's face'*, saying "I looked directly at God, but I did not die because of doing that."

³¹ The sun was rising as Jacob left Peniel, and he was limping because of what had happened to his hip. ³² The muscle on his hip joint had been injured. So to this present time, because of what happened to Jacob, the Israeli people do not eat the muscle/tendon that is attached to the socket of the hips of animals.

Jacob and Esau met peacefully

33 *Then Jacob joined the rest of his family. Later that day* Jacob looked up and saw Esau coming, and there were 400 men with him. *Jacob was worried because of that*, so he separated the children. He put Leah's children with Leah, Rachel's children with Rachel, and the two female slaves' children with their mothers. ² He put the two female slaves and their children in front. He put Leah and her children next. He put Rachel and Joseph at the rear. ³ He himself went ahead of them all, and as he continued to approach his older brother, he prostrated himself with his face on the ground seven times. ⁴ But Esau ran to Jacob. He hugged him, put his arms around his neck, and kissed him on the cheek. And they both cried. ⁵ Then Esau

looked up and saw the women and the children. He asked, "Who are these people who are with you?" Jacob replied, "These are the wives and children that God has graciously/kindly given to me." ⁶ Then the female slaves and their children came near and bowed in front of Esau. ⁷ Then Leah and her children came and bowed down. Finally Joseph and Rachel came near and bowed down.

⁸ Esau asked, "What is the meaning of all the animals that I saw?" Jacob replied, "I am giving them to you, sir, so that you will feel good toward me." ⁹ But Esau replied, "My *younger* brother, I have enough animals! Keep for yourself the animals that you have!" ¹⁰ But Jacob said, "No, please, if you feel good toward me, accept these gifts from me. You have greeted me very kindly. Seeing your smiling face assures me *that you have forgiven me*. It is like seeing the face of God!

¹¹ Please accept these gifts that I have brought to you, because God has acted kindly toward me, and I still have plenty of animals!" Jacob kept on urging him to accept the animals, and finally he accepted them.

¹² Then Esau said, "Let's continue traveling together, and I will show the road to you." ¹³ Jacob *had no intention to go with Esau*, but he said, "You know, sir, that the children are weak, and that I must take care of the female sheep and cows that are \diamond sucking their mother's milk/nursing their young \diamond . If I force them to walk fast for a long distance in just one day, the animals will all die. ¹⁴ You go ahead of me. I will lead the animals slowly, but I will walk as fast as the children and animals can walk. I will catch up with you in Seir, *in the land where the descendants of Edom live*." ¹⁵ Esau said, "Then allow me to leave with you some of the men who came with me, *to protect you*." But Jacob replied, " \diamond Why do that?/There is no need to do that! \diamond [RHQ] The only thing that I want is for you to act friendly toward me." ¹⁶ So on that day Esau left to return to Seir. ¹⁷ But *instead of going to Seir*, Jacob and his family went to *a place called Succoth*. There he built a house for himself and his family, and built shelters for his livestock. That is the reason they named the place Succoth, *which means 'shelters.'*

¹⁸ *Some time later*, Jacob and his family left Paddan-Aram in Mesopotamia, and they traveled safely to the Canaan region. There they set up their tents in a field near Shechem city. ¹⁹ One of the leaders of the people in that area was named Hamor. Hamor had several sons. Jacob paid the sons of Hamor 100 pieces of silver for the piece of ground on which they set up their tents. ²⁰ He built a stone altar there, and named it El-Elohe Israel, *which means 'God, the God of Israel.'*

Hamor's son Shechem raped Jacob's daughter Dinah

34 One day Dinah, the daughter of Jacob and Leah, went to visit some of the women in that area. ² Shechem, one of the sons of Hamor, the ruler of that area who was descended from the Hiv people-group, saw her. He wanted her. So he grabbed her and

forced her to have sex [EUP] with him. ³ He [SYN] was very much attracted to her, and fell in love with her, and he tried to get her to love him. ⁴ So Shechem said to his father Hamor, "Please get this girl for me. I want her to become my wife!"

⁵ Jacob very soon found out that his daughter Dinah had been disgraced/defiled. But his sons were in the fields with his livestock, so he did nothing about it until they returned home.

⁶ In the meantime, Shechem's father Hamor went to talk with Jacob. ⁷ While they were still talking, Jacob's sons came in from the field. When they found out what had happened, they were shocked and very angry. They said, "Shechem has done something that is very disgraceful among us Israeli people, something that never should be done!"

⁸ But Hamor said to them, "My son Shechem really likes this girl. Please allow him to marry her. ⁹ Let's make an agreement: You will give your daughters to our young men to be their wives, and we will give our daughters to your young men to be their wives. ¹⁰ You can live among us, and live anywhere in our land that you wish. You can buy and sell things (OR, travel around) and if you find land that you want, then you can buy it."

¹¹ Then Shechem said to Dinah's father and brothers, "If you feel good toward me and do what I am asking for, I will give you whatever you ask for. ¹² Tell me what gifts you want and what bride price you want, and I will give you what you ask for. I just want you to give the girl to me to be my wife."

Dinah's brothers got revenge

¹³ But because Shechem had done a shameful thing to their sister Dinah, the sons of Jacob deceived Shechem and his father Hamor ¹⁴ by saying to them, "No, we cannot do that. We cannot give our sister to be the wife of a man who is not circumcised, because that would be a shameful thing for us to do. ¹⁵ We will do that only if you do one thing: You must become like us by circumcising all the males that are among you.

¹⁶ Then we will give our daughters to your young men to be your wives, and we will take your daughters to be the wives of our young men. We will live among you, and we will become one people-group. ¹⁷ But if you will not agree to being circumcised, we will take our sister and go back to our land."

¹⁸ What they said pleased Hamor and his son Shechem. ¹⁹ Shechem was very much in love with Jacob's daughter, so he quickly agreed to do what they suggested. ²⁰ Shechem went with Hamor to the meeting place near the city gate, and they spoke to the city leaders, saying, ²¹ "These men are friendly toward us. We should let them live here and travel around (OR, buy and sell things) and if they find land that they want, they can buy it. There is plenty of land for them to live here. Our young men can marry their daughters, and their young men can marry our daughters.

²² But these men will agree to live among us and become one people-group with us only if all our males are circumcised, as they are. ²³ But if we do that, just think! Their livestock and their possessions and their other animals will become ours [RHQ]! So we should agree to do what they suggest, and then they will live among us!" ²⁴ Shechem was the most respected person in his father's household, so all the men who were there at the city gate agreed to what Hamor and Shechem suggested. So every male in the city was circumcised.

²⁵ On the third day after that, when the men of the city were still sore because of being circumcised, two of Jacob's sons, Simeon and Levi, who were Dinah's brothers, took their swords and entered the city without anyone opposing them, and killed all the men.

²⁶ They even killed Hamor and his son Shechem. Then they took Dinah out of Shechem's house and left the city. ²⁷ Then the other sons of Jacob went into the city where all those dead bodies were. They \diamond looted/took everything in \diamond the city to get revenge for the shameful thing that had been done to their sister. ²⁸ They took away the people's sheep and goats, their cattle, their donkeys, and everything else that they wanted from inside the city and from out in the countryside. ²⁹ They took away everything that was valuable, even the children and the women. They seized and took away everything that was in the houses.

³⁰ Then Jacob said to Simeon and Levi, "You have caused a lot of trouble for me! Now the Canaan people-group and the Perizzi people-group and everyone else who lives in this land will \diamond hate me/say my name stinks \diamond ! I do not have many men to fight for us, so if they all gather together and come to me and attack us, they will destroy us and all our household!" ³¹ But they replied, " \diamond Should we have allowed Shechem to treat our sister like a prostitute?/We could not just let Shechem treat our sister like a prostitute! \diamond " [RHQ]

Jacob and his family returned to Bethel

35 *Some time later* God said to Jacob, "Go up to Bethel, and live there. Build an altar to worship me, God, who appeared to you when you were fleeing from your older brother Esau." ² So Jacob said to his household and to all the others who were with him, "Get rid of the idols you brought from Mesopotamia. Also, bathe yourselves and put on clean clothes.

³ Then we will get ready and go up to Bethel. There I will make an altar to worship God. He is the one who helped me at the time when I was greatly distressed and afraid, and he has been with me wherever I have gone." ⁴ So they gave to Jacob all the idols that they had brought, and all their earrings. Jacob buried them in the ground under the big oak tree that was near Shechem town'.

⁵ As they prepared to leave there, God caused the people who lived in the cities around them to be extremely afraid of Jacob's family [PRS], so that they did

not pursue and attack them. ⁶ Jacob and all those who were with him came to Luz, which is now called Bethel, in the Canaan region. ⁷ There he built an altar. He named the place El-Bethel, *which means 'God of Bethel'*, because it was there that God revealed himself to Jacob when he was fleeing from his older brother Esau.

⁸ Deborah, who had taken care of Isaac's wife Rebekah when Rebekah was a small girl, was now very old. She died and was buried under an oak tree south of Bethel. So they named that place Allon-Bacuth, *which means 'oak of weeping.'*

⁹ After Jacob and his family returned from Paddan-Aram/Mesopotamia, while they were still at Bethel, God appeared to Jacob again and blessed him. ¹⁰ God said to him again, "Your name will no longer be Jacob. It will be Israel." So Jacob was then called 'Israel'.

¹¹ Then God said to him, "I am God Almighty. Produce many children. Your descendants will become many nations, and some of your descendants will be kings.

¹² The land that I promised to give to *your grandfather* Abraham and *your father* Isaac, I will give to you. I will also give it to your descendants."

¹³ When God finished talking there with Jacob, he left him. ¹⁴ Jacob set up a large stone at the place where God had talked with him. He poured some wine and some *olive* oil on it to dedicate it to God. ¹⁵ Jacob named that place Bethel, *which means 'house of God'*, because God had spoken to him there.

Rachel died as Benjamin was born

¹⁶ Jacob and his family left Bethel and traveled south toward Ephrath town. When they were still some distance from Ephrath, Rachel began to have severe childbirth pains. ¹⁷ When her pain was the most severe, the \diamond midwife/woman who helped her to give birth \diamond said to Rachel, "Do not be afraid, because now you have given birth to another son!" ¹⁸ But she was dying, and with her last breath she said, "Name him Benoni," *which means 'son of my sorrow'*, but his father named him Benjamin, *which means 'son of my right hand'*.

¹⁹ After Rachel died, she was buried alongside the road to Ephrath, which is *now called* Bethlehem. ²⁰ Jacob set up a large stone over her grave, and it is still there, showing where Rachel's grave is.

²¹ Jacob, whose new name was Israel, continued traveling with his family, and he set up his tents on the south side of the watchtower at Eder town. ²² While they were living in that area, Jacob's son Reuben had sex [EUP] with Bilhah, one of his father's \diamond concubines/female slaves whom he had taken as a secondary wife \diamond . Someone told Jacob about it, and it made him very angry.

\diamond I will now give you/Here is \diamond a list of Jacob's twelve sons. ²³ The sons of Leah were Reuben, who was Jacob's oldest son, then Simeon, Levi, Judah, Issachar and Zebulon. ²⁴ The sons of Rachel were Joseph and

Benjamin. ²⁵ The sons of Rachel's female slave Bilhah were Dan and Naphtali. ²⁶ The sons of Leah's female slave Zilpah were Gad and Asher. All those sons of Jacob, except Benjamin, were born while he was living in Paddan-Aram/Mesopotamia.

Isaac died

²⁷ Jacob had returned back home to see his father Isaac at Mamre, which is also named Kiriath-Arba, and which is now named Hebron. Isaac's father Abraham had also lived there. ²⁸ Isaac lived until he was 180 years old. ²⁹ He was very old when he died, joining his ancestors who had died previously. His sons Esau and Jacob buried his body.

The descendants of Esau

36 ♦Here is/I will now give you♦ a list of the descendants of Esau, whose other name was Edom. ² Esau married three women from the Canaan region: Adah, the daughter of Elon from the Heth people-group; Oholibamah, who was the daughter of Anah and granddaughter of Zibeon from the Hiv people-group; ³ and Basemath, who was the daughter of Ishmael and sister of Nebaioth. ⁴ Esau's wife Adah gave birth to Eliphaz. Basemath gave birth to Reuel. ⁵ Oholibamah gave birth to Jeush, Jalam, and Korah. All these sons of Esau were born while he was living in the Canaan region.

⁶⁻⁷ Jacob and Esau had very many possessions. The result was that they needed more land for their livestock. The land where they were living was not big enough for both of them. They had too much livestock. So Esau, whose other name was Edom, had taken his wives and sons and daughters and all the other members of his household, his sheep and goats and his other animals, and all the other things he had obtained in Canaan land, and they had moved to an area that was away from Jacob. ⁸ They went to live in the Seir hilly area.

⁹ ♦Here is/I will now give you♦ another list of the male descendants of Esau. He was the ancestor of the Edom people-group who live in the Seir area. ¹⁰ Esau's wife Adah gave birth to Eliphaz, and Esau's wife Basemath gave birth to Reuel. ¹¹ The sons of Eliphaz were Teman, Omar, Zepho, Gatam, and Kenaz. ¹² Esau's son Eliphaz also had a ♦concubine/female slave whom he took as a secondary wife♦. Her name was Timna. She gave birth to Amalek. Those six men were grandsons of Esau's wife Adah.

¹³ Reuel's sons were Nahath, Zerah, Shammah, and Mizzah. They were grandsons of Esau's wife Basemath.

¹⁴ Esau's wife Oholibamah, who was the daughter of Anah and granddaughter of Zibeon, gave birth to three sons: Jeush, Jalam, and Korah.

¹⁵ ♦Here is/I will now give you♦ a list of the people-groups who were descendants of Esau. His oldest son Eliphaz was the ancestor of the Teman people-group,

the Omar people-group, the Zepho people-group, the Kenaz people-group, ¹⁶ the Korah people-group, the Gatam people-group, and the Amalek people-group. They were descendants of Eliphaz and of Esau's wife Adah. They lived in the Edom region.

¹⁷ The sons of Esau's son Reuel were ancestors of the Nahath, Zerah, Shammah, and Mizzah people-groups. They were descended from Esau's wife Basemath. They also lived in Edom.

¹⁸ The sons of Esau's wife Oholibamah, whose mother was Anah, were ancestors of the Jeush, Jalam, and Korah people-groups.

¹⁹ That is the list of the sons of Esau, and the people-groups who were their descendants.

²⁰ ♦This is/I will now give you♦ a list of the descendants of Seir, who belonged to the Hor people-group, who were the first people-group who lived in the Edom region: Lotan, Shobal, Zibeon, Anah, ²¹ Dishon, Ezer, and Dishan. Those seven men became ancestors of people-groups. Each of the people-groups had the same name as the name of their ancestor.

²² The sons of Lotan were Hori and Heman and Lotan's sister was Timna.

²³ The sons of Shobal were Alvan, Manahath, Ebal, Shepho, and Onam.

²⁴ The sons of Zibeon were Aiah and Anah. This Anah was the one who discovered the hot springs in the desert while he was taking care of his father Zibeon's donkeys.

²⁵ Anah had two children—a son named Dishon and a daughter named Oholibamah.

²⁶ Dishon's sons were Hemdan, Eshban, Ithran, and Keran.

²⁷ Ezer's sons were Bilhan, Zaavan, and Akan.

²⁸ Dishan's sons were Uz and Aran.

²⁹⁻³⁰ The people-groups who were descendants of Hor lived in the Seir/Edom region. The names of the people-groups are Lotan, Shobal, Zibeon, Anah, Dishon, Ezer, and Dishan.

³¹ These are the names of the kings who ruled in Edom before any kings ruled over Israel. ³² Beor's son Bela became the first king in Edom. The city where he lived was named Dinhabah.

³³ When Bela died, Zerah's son Jobab/became the king. He was from Bozrah *city*.

³⁴ When Jobab died, Husham became the king. He was from the region where the Teman people-group lived.

³⁵ When Husham died, Bedad's son Hadan became the king. Husham's army fought the army of the Midian people-group in the Moab region and defeated them. The city where Husham lived was Avith.

³⁶ When Hadad died, Samlah became the king. He was from Masrekah *town*.

³⁷ When Samlah died, Shaul became the king. He was from Rehoboth *town* along the *Euphrates* river.

³⁸ When Shaul died, Achbor's son Baal-Hanan became king.

³⁹ When Achbor's son Baal-Hanan died, Hadad became king. The city where he lived was named Pau. His wife's name was Mehetabel. She was the daughter of Matred, who was the daughter of Me-Zahab.

⁴⁰⁻⁴³ ♦Here is/I will now give you♦ a list of all the people-groups that were descendants of Esau: Timna, Alvah, Jetheth, Oholibamah, Elah, Pinon, Kenaz, Teman, Mibzar, Magdiel, and Iram. They all lived in the Edom region. The land where each people-group lived got the same name as the name of the people-group.

Joseph had two dreams about himself and his brothers

37 Jacob continued to live in the Canaan region where his father had lived previously. ² ♦This is/I will now tell you♦ what happened to Jacob's family.

When his son Joseph was 17 years old, he was taking care of the flocks of sheep and goats with some of his older brothers. They were sons of his father's ♦concubines/female slaves that he had taken to be his secondary wives♦. Joseph sometimes told his father about bad things that his brothers were doing.

³ Jacob loved Joseph more than he loved any of his other children, because Joseph had been born when Jacob was an old man. Jacob made for Joseph a long pretty robe that had long sleeves. ⁴ When Joseph's older brothers realized that their father loved him more than he loved any of them, they hated him. They never spoke kindly to him.

⁵ One night Joseph had a dream. He told his brothers about the dream. ⁶ He said to them, "Listen to the dream I had! ⁷ In the dream, we were tying up bundles of wheat in the field. Suddenly my bundle stood up straight, and surprisingly, your bundles gathered around my bundle and bowed down to it!" ⁸ His brothers said to him, "Do you think that some day you will rule over us? Are you saying that some day you are going to be our king?" [RHQ] They hated him even more than before because of what he had told them about his dream.

⁹ Later he had another dream, and again he told his older brothers about it. He said, "Listen to this! I had another dream. In this dream, the sun and moon and eleven stars were bowing down to me!" ¹⁰ He also told his father about it. His father rebuked him, saying "What are you suggesting by that dream [RHQ]? Do you think it means that your mother and I and your older brothers will some day bow down to the ground in front of you?" [RHQ] ¹¹ Joseph's older brothers were furious/angry with him, but his father just kept thinking about what the dream meant.

¹² One day Joseph's older brothers went to take care of their father's sheep and goats that were eating grass near Shechem. ¹³ Some time later, Jacob said to Joseph, "Your brothers are taking care of the sheep and goats near Shechem [RHQ]. I am going to send you there to see them." Joseph replied, "Okay." ¹⁴ Ja-

cob said, "Go and see if they are doing okay, and if the flocks are doing okay. Then come back and give me a report." So Jacob sent Joseph from *the valley where they were living*, the valley where Hebron is located, *to go north* to find his brothers.

When Joseph arrived near Shechem city, ¹⁵ while he was wandering around in the fields looking/searching for his brothers, a man saw him and asked him, "Whom are you looking/searching for?" ¹⁶ Joseph replied, "I am looking for my older brothers. Can you tell me where they are taking care of their sheep and goats?" ¹⁷ The man replied, "They are not here anymore. I heard one of them saying, 'Let's take the sheep and goats and go to Dothan town.'"

Joseph was taken to Egypt after his brothers sold him.

So Joseph left there and went north, and found his older brothers near Dothan. ¹⁸ But they saw him when he was still far away, and they decided to kill him.

¹⁹ They said to each other *things like*, "Here comes that dreamer!" ²⁰ and "Hey, let's kill him, and then throw his body into one of the pits/cisterns. Then we will tell people that a ferocious/wild animal attacked and killed him and ate him. And then we will ♦find out whether his dreams come true/make sure that his dreams do not come true♦!"

²¹ Reuben heard what they were saying, so he tried to persuade them not to kill [MTY] Joseph. He said, "No, we should not kill him. ²² Do not even shed his blood! We can throw him into this pit/cistern in the desert, but we should not harm him [MTY]." He said that, and then left them, planning to rescue Joseph later and take him back to his father.

²³ So when Joseph arrived where his older brothers were, they seized him and ripped off his pretty robe with long sleeves. ²⁴ Then they took him and threw him into the pit/cistern. But the pit/cistern was dry; there was no water in it.

²⁵ After they sat down to eat some food, they looked up and saw a ♦caravan/group of traders♦, descendants of Ishmael, coming from the Gilead area. Their camels were loaded with bags of spices and nice-smelling resins. They were going down to Egypt to sell those things there. ²⁶ Judah said to his *older and younger* brothers, "If we kill our younger brother and hide his body, ♦what will we gain?/we will not gain anything!♦ [RHQ] ²⁷ So, instead of harming him, let's sell him to these men who are descendants of Ishmael. Don't forget, he is our own younger brother!" So they all agreed to do that.

²⁸ When those traders from the Midian area came near, Joseph's brothers pulled him up out of the pit/cistern. Then they sold him to the men from Midian for 20 pieces of silver. The traders then took Joseph to Egypt.

²⁹ When Reuben returned to the pit/cistern, he saw that his younger brother was not there. He was so grieved that he tore his clothes. ³⁰ He went back to his

younger brothers and said, "The boy is not in the pit/cistern! What can I do now?" [RHQ]

³¹ Joseph's brothers did not dare to tell their father what they had done. So, they decided to invent a story about what had happened. They got Joseph's robe. Then they killed a goat and dipped the robe in the goat's blood. ³² They took that pretty robe back to their father and said, "We found this robe! Look at it. Is it your son's robe?" ³³ He recognized it, and he said, "Yes, it is my son's robe! Some ferocious/wild animal must have attacked and killed him! I am sure that the animal has torn Joseph to pieces!"

³⁴ Jacob was so grieved that he tore his clothes. He put on ◊sackcloth/clothes that people wear when they are mourning for someone who has died◊. He mourned/cried for his son for many days. ³⁵ All of his children came to try to comfort him, but he did not pay attention to what they said. He said, "No, I will still be mourning/crying when I die and go to be with my son." So Joseph's father continued to cry because of what had happened to his son.

³⁶ In the meantime, the men/traders from Midian took Joseph to Egypt and sold him to Potiphar, who was one of the king's officials. He was the captain of the soldiers who protected the king.

Judah's daughter-in-law Tamar tricked Judah into making her pregnant

38 At that time, Judah left his older and younger brothers and went down from the hilly area and stayed with a man whose name was Hiram, who lived in Adullam town. ² There he ◊met/became acquainted with◊ a woman who was the daughter of a man from Canaan named Shua. He married her. He had sex [EUP] with her, ³ and she became pregnant and later gave birth to a son, whom he named Er. ⁴ Later she became pregnant again and gave birth to another son whom she named Onan. ⁵ Many years later, when Judah and his family went to live in Kezib town, Judah's wife gave birth to another son, whom she named Shelah.

⁶ When Judah's oldest son Er grew up, Judah got a wife for him, a woman named Tamar. ⁷ But Er did something that Yahweh considered to be very wicked, so Yahweh caused him to die. ⁸ Then Judah said to Onan, "Your older brother died without having any sons. So marry his widow and have sex [EUP] with her. That is what our customs require that you should do." ⁹ But Onan knew if he did that, any children who would be born would not be considered to be his. So every time he had sex [EUP] with his brother's widow, he spilled his semen on the ground, so that she would not get pregnant and produce children for his older brother. ¹⁰ Yahweh considered that what he did was wicked, so he caused him to die also.

¹¹ Then Judah said to his daughter-in-law Tamar, "Return to your father's house, but do not marry anyone else. When my youngest son Shelah grows up, he can

marry you." But Judah really did not want Shelah to marry her, because he was afraid that then Shelah would die too, just as his older brothers had died. So Tamar obeyed Judah and went back to live in her father's house again.

¹² Several years later, Judah's wife, who was the daughter of Shua, died. When the time of mourning for her was finished, Judah decided to go up to Timnah, to the place where his ◊men were shearing his sheep/sheep were being sheared◊ His friend Hiram, from Adullam, went with him. ¹³ Someone said to Tamar, "Your father-in-law is going to the fields near the city of Timnah to help the men who are shearing his sheep." ¹⁴ She realized that now Shelah was grown up, but Judah had not given her to him to be his wife. So she took off her widow's clothes, and covered her head with a veil, so that people would not ◊recognize her/know who she was◊. Then she sat down at the entrance to Enaim town, which is on the road to Timnah. ¹⁵ When Judah came along and saw her, he thought that she was a prostitute, because she had covered her head like prostitutes often did (OR, and sat where prostitutes often sat). ¹⁶ Judah did not realize that she was his daughter-in-law. So he said to her, "Hey, let me have sex [EUP] with you!" She replied, "What will you give me for allowing you to have sex [EUP] with me?" ¹⁷ He replied, "I will send you a young goat from my flock of goats." She asked, "Will you give me something now for me to keep until you send the goat?" ¹⁸ He replied, "What do you want me to give to you?" She replied, "Give me the ring that has your name on it that is tied by a cord around your neck, and give me the walking stick that you are holding in your hand." So he gave them to her. Then he had sex [EUP] with her, and she became pregnant. ¹⁹ After she left, she took off the veil and put her widow's clothes on again.

²⁰ Judah gave a young goat to his friend from Adullam, for him to take back to the woman, as he had promised. But his friend could not find the woman. ²¹ So he asked the men who lived there, "Where is the prostitute who was sitting by the road at Enaim?" They replied, "There has never been a prostitute here!" ²² So he went back to Judah and said, "I did not find her. Furthermore, the men who live in that town said, 'There has never been a prostitute here.'" ²³ Judah said, "She can keep the things that I gave to her. If we continued to search for her, people would ridicule us. I tried to send this young goat to her, but you could not find her to give it to her."

²⁴ About three months later, someone told Judah, "Your daughter-in-law Tamar has become a prostitute and now she is pregnant!" Judah said, "Drag her outside of the city and kill her by burning her!"

²⁵ But as they were taking her outside of the city, she gave the ring and walking stick to someone, and told him to take them to Judah, and say to him, "The man who owns these things is the one who caused me to

become pregnant." She also said to tell him, "Look at this ring, and the cord that is attached to it, and this walking stick. Whose are they?"²⁶ When the man did that, Judah recognized the ring and the stick. He said, "She is more righteous than I am. I did not tell my son Shelah to marry her, as I promised that I would." And Judah did not have sex [EUP] with her again.

²⁷ When it was time for her to give birth, *she was surprised that there were twin boys in her womb.*
²⁸ As she was giving birth, one of them put out his hand. So the midwife fastened a scarlet thread around his wrist, saying, "This one came out first."²⁹ But he pulled his hand back inside the womb, and his brother came out first. So she said, "So this is how you break your way out first!" So she named him Perez, *which sounds like the Hebrew word that means 'breaking out.'*³⁰ Then his younger brother, the one who had the scarlet thread around his wrist, came out. And he was named Zerah, *which sounds like the Hebrew word that means 'redness of dawn.'*

In Egypt, Joseph refused to have sex with Potiphar's wife

39 Meanwhile, the descendants of Ishmael took Joseph down to Egypt. There Potiphar bought Joseph from them. Potiphar was an Egyptian who was one of the king's officials and the captain of the king's ♦palace guards/guards who protected the king♦.
² Because Yahweh helped Joseph, he was able to do his work very well, and lived in the house of his Egyptian master.³ His master saw that Yahweh was helping Joseph and enabling him to be successful in everything that he did.⁴ Joseph's master was pleased with him, so he appointed him to be his personal servant. Then he appointed him to be the one who would take care of everything in his household and all of his possessions.⁵ From the time Potiphar appointed Joseph to take care of everything in his household and all that he owned, Yahweh blessed the people who lived in Potiphar's house because of Joseph. He also caused Potiphar's crops to grow well.⁶ Potiphar allowed Joseph to take care of everything that he owned. Potiphar needed to decide only about the food he ate. He was not concerned about anything else in his house.

Joseph was well-built/muscular and handsome.⁷ Because of that, after a while, his master's wife started to look fondly at Joseph. So one day she said to him, "Have sex [EUP] with me!"⁸ But he refused, saying to his master's wife, "Listen! My master is not concerned about anything in this house. He has appointed me to take care of everything that he owns.⁹ No one in this household has more authority than I do. The only thing that he has not allowed me to have is you, because you are his wife! So ♦how could I do this wicked thing *that you are asking me to do?* I certainly could not do this wicked thing!♦ [RHQ] I would be sinning against God if I did that!"¹⁰ She kept on asking Joseph

day after day to have sex [EUP] with her, but he refused. He would not even go near her.

To get revenge, Potiphar's wife lied, and Potiphar had Joseph thrown into prison

¹¹ One day Joseph went into the house to do his work, and none of the other household servants were in the house.¹² Potiphar's wife grabbed his cloak and said, "Have sex [EUP] with me!" Joseph ran out of the house, but his cloak was still in her hand!¹³ When she saw that he had run outside leaving his cloak in her hand,¹⁴ she called the household servants. She said to them, "Look! This Hebrew man that my husband brought to us is ♦insulting/trying to do something disgraceful to♦ us! He came into my room and tried to ♦rape me/make me have sex [EUP] with him♦, but I screamed loudly.¹⁵ As soon as he heard me scream loudly, he left his loincloth with me and ran outside!"¹⁶ She kept the loincloth beside her until her husband, Joseph's master, came home.¹⁷ Then she told him this story: "That Hebrew slave whom you brought here came into my room and tried to rape me!"¹⁸ As soon as I screamed loudly, he ran outside, leaving me holding his loincloth!"¹⁹ When Joseph's master heard this story that his wife told him, saying "This is how your slave treated me," he was very angry.²⁰ Joseph's master took Joseph and put him in prison, the place where all the king's prisoners were put, and Joseph stayed there.

²¹ But Yahweh was kind to Joseph and helped him, and caused the ♦prison warden/man who was in charge of the prison♦ to be pleased with him.²² So the prison warden put Joseph in charge of all those who were in the prison, and in charge of all the work that was done there.²³ The warden was not concerned with anything that Joseph was taking care of, because Yahweh helped Joseph to do well everything that he did.

Joseph told two other prisoners the meaning of their dreams

40 Some time later, two of the king of Egypt's officials did things that displeased him. One was his chief ♦drink-server/man who prepared the wine and served it to the king♦, and the other was his chief ♦baker/man who baked bread for the king♦.² The king became angry with both of them.³ So he had them put in prison, in the house of the captain of the palace guards. That was the place where Joseph was being kept.⁴ The two men were in prison for a long time. And during that time the captain of the palace guards appointed Joseph to be their servant, to take care of their needs.

⁵ One night while the king's drink-server and his baker were there in the prison, each of them had a dream. Each dream had a different meaning.

⁶ The next morning, when Joseph came to them, he saw that both of them were dejected/worried. ⁷ So he asked them, "Why do you look so sad today?" ⁸ One of them answered, "We both had dreams last night, but there is no one who can tell us the meaning of the dreams." Joseph said to them, "God is the only one who can [RHQ] tell the meaning of dreams. So tell me what you dreamed, and God will tell me the meaning." ⁹ So the king's chief drink-server told his dream to Joseph. He said, "In my dream I saw a grapevine in front of me. ¹⁰ On the vine there were three branches. After the branches budded, they blossomed, and then they produced clusters of grapes. ¹¹ I was holding the king's cup, so I took the grapes and squeezed the juice into the cup. Then I gave the cup to the king to drink the juice." ¹² *God immediately told Joseph what the dream meant.* So Joseph said to him, "This is the meaning of your dream: The three branches of the vine represent three days. ¹³ Within three days the king will release you from prison. He will let you do the work that you did before. You will take cups of wine to the king as you did before, when you were his drink-server. ¹⁴ But when you are out of prison and everything goes well for you, please do not forget me. ¹⁵ People took me away forcefully from the land where my fellow Hebrews live. *I did nothing wrong there, and also while I have been here in Egypt, I have done nothing for which I deserved to be put in prison. So be kind to me and tell the king about me, so that he will release me from this prison!*"

¹⁶ When the chief baker heard that the meaning of the dream of the king's drink-server was very favorable, he said to Joseph, "I also had a dream. In the dream I was surprised to see three baskets of bread stacked on my head. ¹⁷ In the top basket there were many kinds of baked goods for the king, but birds were eating them from the top basket that was on my head!" ¹⁸ God again told Joseph what the dream meant, so he said, "The three baskets also represent three days. ¹⁹ Within three days the king will command that your head be cut off. Then your body will be hung on a tree, and vultures will come and eat your flesh."

²⁰ The third day after that was the ♦king's birthday/day they celebrated when the king became one year older♦. On that day the king invited all his officials to celebrate his birthday. During the celebration, while they were all gathered there, the king summoned his chief drink-server and chief baker from the prison. ²¹ He said that his chief drink-server could have his previous job again, so that again he took cups of wine to the king. ²² But he commanded that the chief baker should be killed by being hanged, just as Joseph had said would happen when he told the two men the meaning of their dreams.

²³ But the chief drink-server did not think about Joseph. He forgot to do what Joseph asked him to do.

Joseph told the king that the meaning of his dreams was that there would be a big famine

41 Two complete years later, the king of Egypt had a dream. In the dream, he was standing alongside the Nile River. ² Suddenly seven healthy fat cows come up out of the river. They started eating the grass that was on the riverbank. ³ Soon seven other cows, unhealthy-looking and thin, came up behind them from the Nile River. They stood alongside the fat cows that were on the riverbank. ⁴ Then the unhealthy thin cows ate the seven healthy fat cows. And then the king woke up.

⁵ The king went to sleep again, and he had another dream. This time he saw seven heads of grain that were full of kernels of grain and ripe, and all growing on one stalk. ⁶ After that, the king saw that seven other heads of grain sprouted on that (OR, on another) stalk. They were thin and had been dried up by the hot east wind. ⁷ Then the thin heads of grain swallowed up the seven ripe full heads. Then the king woke up. He realized that he had been dreaming.

⁸ But the next morning he was worried about the meaning of the dream. So he summoned all the magicians and wise men who lived in Egypt. He told them what he had dreamed, but none of them could tell him the meaning of the two dreams.

⁹ Then the chief drink-server said to the king, "Now I remember something that I should have told you! I made a mistake by forgetting to tell it to you. ¹⁰ One time you were angry with two of us. So you put me and the chief baker in the prison in the house of the captain of the palace guards. ¹¹ While we were there, one night each of us had a dream, and the dreams had different meanings. ¹² There was a young Hebrew man there with us. He was a servant of the captain of the palace guards. We told him what we had dreamed, and he told us what our dreams meant. He told each of us the meaning of our dreams. ¹³ And what happened was exactly the same as the meanings that he told us: You said I could have my previous job again, but the other man was killed by being hanged. *The Hebrew man's name was Joseph.*"

¹⁴ When the king heard that, he told some servants to bring Joseph to him, and they quickly brought Joseph out of the prison. Joseph shaved and put on better clothes, and then he went and stood in front of the king. ¹⁵ The king said to Joseph, "I had two dreams, and no one can tell me what they mean. But someone told me that when you hear someone tell about a dream he has had, you can tell that person what the dream means." ¹⁶ But Joseph replied to the king, "No, I cannot do that. It is God who knows the meaning of dreams, but he will enable me to tell you their meaning, and they will mean something good."

¹⁷ The king said to Joseph, "In my first dream I was standing on the bank of the Nile River. ¹⁸ Suddenly seven healthy fat cows came up out of the river, and

they started eating the grass that was on the river-bank. ¹⁹ Soon seven other cows, ugly and thin ones, came up behind them from the river. I never saw such ugly cows in all the land of Egypt! ²⁰ The thin ugly cows ate the seven fat cows that came up first. ²¹ But afterwards, no one would have known that the thin cows ate them, because they were just as ugly as they were before. Then I woke up.

²² Then I had another dream. I saw seven heads of grain. They were full of kernels of grain and ripe, and they were all growing on one stalk. ²³ Then *to my surprise* I saw seven other heads of grain that sprouted. They were thin and had been dried up by the hot east wind. ²⁴ The thin heads of grain swallowed the seven good heads. I told these dreams to the magicians, but none of them could explain to me what they meant."

²⁵ Then Joseph said to the king, "Both your dreams have the same meaning. God is revealing to you in your dreams what he is about to do. ²⁶ The seven healthy cows represent seven years. The seven good heads of grain also represent seven years. The two dreams both have the same meaning. ²⁷ The seven thin ugly cows that came up behind them and the seven worthless heads of grain that were dried up by the hot east wind each represent seven years ♦of famine/when food will be very scarce♦. ²⁸ It will happen just as I have told you, because God has revealed to you what he is about to do. ²⁹ There will be seven years in which there will be plenty of food throughout the land of Egypt, ³⁰ but after that there will be seven years ♦of famine/when food will be very scarce♦. Then people will forget all the years when there was plenty of food, because the famine that will come afterward will ruin the country. ³¹ The people will forget how plentiful food was previously, because the famine will be very terrible. ³² The reason God gave to you two dreams is that he *wants you to know* that this will happen, and he will cause it to happen very soon.

³³ "Now I suggest that you should choose a man who is wise and can make good decisions. I suggest that you appoint him to direct the affairs of the whole country. ³⁴ You should also appoint supervisors over the country, in order that they can arrange to collect one-fifth of all the grain that is harvested during the seven years when food is plentiful. ³⁵ They should collect this amount of grain during those seven years that are coming, when there will be plenty of food. You should supervise them as they store it in the cities. ³⁶ This grain should be stored so that it can be eaten during the seven years when there will be a famine here in Egypt, so that the people in this country will not die from hunger."

The king made Joseph the governor of all of Egypt, to handle the problem of the famine

³⁷ The king and his officials thought that this would be a good plan. ³⁸ So the king said to them, "♦Can we find any other man like Joseph, a man to whom God

has given his Spirit?/It is not likely that we will find another man like this man, one to whom God has given his Spirit!♦" [RHQ]

³⁹ Then the king said to Joseph, "Because God has revealed all this to you, it seems to me that there is no one who is as wise as you and who can decide wisely about things. ⁴⁰ So I will put you in charge of everything in my palace. All the people here in Egypt must obey what you command. Only because I am king [MTY] will I have more authority than you."

⁴¹ Then the king said to Joseph, "I am now putting you in charge of the whole country of Egypt." ⁴² The king took from his finger the ring that had his seal on it, and he put it on Joseph's finger. He put robes made of fine linen on him, and he put a gold chain around his neck. ⁴³ Then he arranged for Joseph to ride around in the chariot *that showed that he was* the second-most important man in the country. When Joseph rode in the chariot, men shouted to the people who were on the road in front of him, "Get off the road!" So the king put Joseph in charge of everything in the country.

⁴⁴ The king said to Joseph, "I am the king, but no one in the whole land of Egypt will do anything [IDM] if you do not permit them to do it." ⁴⁵ The king gave Joseph a new name, Zaphenath-Paneah. He also gave him Asenath to be his wife. She was the daughter of Potiphera, who was a priest in a temple in On *city*. Then Joseph became known (OR, traveled) through all the land of Egypt.

⁴⁶ Joseph was 30 years old when he started to work for the king of Egypt. To do his work, he left the king's palace and traveled throughout Egypt. ⁴⁷ During the next seven years, the land produced abundant crops, so there was plenty of food. ⁴⁸ As Joseph supervised them, his helpers collected one-fifth of all the grain that was produced during those years, and stored it in the cities. In each city, he had his helpers store up the grain that was grown in the fields that surrounded that city. ⁴⁹ Joseph had them store up a huge amount of grain. It looked as plentiful as the sand on the seashore. There was so much grain that after a while they stopped keeping records of how much grain was stored, because there was more grain than they could measure.

⁵⁰ Before the seven years of famine started, Joseph's wife Asenath gave birth to two sons. ⁵¹ Joseph named the first one Manasseh, *which sounds like the Hebrew word that means 'forget'*, because, he said, "God has caused me to forget all my troubles and all my father's family." ⁵² He named his second son Ephraim, *which means 'to have children'*, because, he said, "God has given me children here in this land where I have suffered."

⁵³ Finally the seven years in which there was plenty of food ended. ⁵⁴ Then the seven years of famine started, just as Joseph had predicted. There was also a famine in all the other nearby lands, but although the

crops did not grow, there was food everywhere in Egypt, because of the grain they had stored up in the cities. ⁵⁵ When all the people of [MTY] Egypt had eaten all of their own food and were still hungry, they begged the king for food. So the king told all the people of Egypt, "Go to Joseph, and do what he tells you to do."

⁵⁶ When the famine was very bad throughout the whole country, Joseph ordered his helpers to open the storehouses. Then they sold the grain in the storehouses to the people of Egypt, because the famine was very severe all over Egypt. ⁵⁷ And people from many [HYP] nearby countries came to Egypt to buy grain from Joseph, because the famine was very severe everywhere [HYP].

Joseph's brothers went to Egypt to buy grain, but didn't realize they were buying it from their brother

42 When someone told Jacob that there was grain in Egypt that people could buy, he said to his sons, "◊Why do you just sit there looking at each other?/Do not just sit there looking at each other!◊ [RHQ] We need some grain!" ² He said to them, "Someone told me that there is grain for sale in Egypt. Go down there and buy some for us, in order that we will not die!"

³ So Joseph's ten *older* brothers went down to Egypt to buy some grain. ⁴ But Jacob did not send Benjamin, Joseph's *younger* brother, to go with the others, because he was afraid/worried that something terrible might happen to him like what happened to Joseph. ⁵ So Jacob's other sons went down from Canaan to Egypt to buy grain, and others from there went too, because there was a famine in Canaan also.

⁶ At that time Joseph was the governor of Egypt. He was the one who sold grain to people who came from all over Egypt and from many other countries [HYP] to buy grain. So when Joseph's brothers arrived, *they were told that it was necessary for them to talk with Joseph. So they went to him and prostrated themselves before him with their faces to the ground.* ⁷ As soon as Joseph saw his brothers, he recognized them. But he pretended that he did not know them. He spoke harshly to them, saying, "Where do you come from?" One of them replied, "We have come from Canaan, to buy some grain."

⁸ Although Joseph recognized his brothers, they did not recognize him. ⁹ And then Joseph remembered what he had dreamed about them many years previously. *But he decided not to tell them yet that he was their younger brother.* He said to them, "You are spies! You have come to find out whether we will be able to defend ourselves *if you attack us!*" ¹⁰ One of them replied, "No, sir! We have come to buy grain." ¹¹ We are all sons of one man. We are honest men, not spies." ¹² He said to them, "*I do not believe you.* You have come just to see whether we would be able to defend ourselves if we were attacked!" ¹³ But one of them

replied, "No, that is not true! Originally there were twelve of us who were brothers, the sons of one man. Our younger brother is with our father. One *younger* brother has died." [EUP]

¹⁴ Joseph replied, "*You are lying! I think it is just as I told you. You are spies!*" ¹⁵ But this is how I will determine whether what you are saying is true. I think that as surely as the king lives, you are spies. And you will not leave this place until your youngest brother comes here! ¹⁶ Send one of your group to go and get your younger brother and bring him here. I will put the rest of you in prison, in order that I may test what you have said to find out whether what you are telling me is true. If the one who goes does not bring your younger brother here, then, just as surely as the king lives, it will be clear that you are lying and that you are spies." ¹⁷ Then Joseph put them all in prison for three days.

¹⁸ On the third day, Joseph went to the prison and said to them, "I am a man who fears that God *will punish me if I do not do what I promise.* So do what I tell you, and I will spare your lives. ¹⁹ If you are honest men, let one of your brothers stay here in prison, and the rest of you can take some grain back to your families who are very hungry because of the famine. ²⁰ But if you come back here again, you must bring your youngest brother to me, so that you can prove that what you told me is true, and as a result I will not have you executed." So they agreed to do that.

²¹ They said to each other, "It is surely because of what we did to our *younger* brother that ◊we are being punished/God is punishing us◊! We saw that he [SYN] was very distressed when he pleaded with us not to harm him. But we did not pay any attention to him, and that is why we are having this trouble!"

²² Reuben said to them, "I told you not to harm the boy [RHQ], but you did not pay attention to what I said! Now we are being ◊paid back/punished◊ for killing him [MTY]!"

²³ While they were talking with Joseph, they were speaking through ◊an interpreter/someone who knew their language and the Egyptian language◊, but when they said these things among themselves, they were speaking in their own language, and they did not know that Joseph could understand their language, and that he could understand what they were saying.

²⁴ *Because of what they said, Joseph realized that they admitted that what they had done to him many years previously was wrong.* He could not keep from crying, and he did not want them to see him crying, so he left them and went outside the room and began to cry. But then he returned to them and talked to them again. Then he took Simeon, and while they were watching, he told his servants to tie him up. He left Simeon in the prison and told the others that they could go.

²⁵ Joseph told his servants to fill the men's sacks with grain, but he also told them to put the money that

each one had paid for the grain in the top of his sack. He also told them to give them food to eat along the way. After the servants did those things for Joseph's older brothers, ²⁶ his older brothers loaded the sacks of grain on their donkeys and left.

Joseph's brothers returned home, frightened because the money they paid was in their sacks

²⁷ At the place where they stopped to sleep that night, one of them opened his sack to get some grain for his donkey. He was amazed to see his money in the top of the sack. ²⁸ He exclaimed to his brothers, "Someone has returned my money! Here it is in my sack!" They started shaking with fear, and said to each other, "What is this that God has done to us?"

²⁹ When they returned to their father in Canaan land, they told him all that had happened to them. One of them said, ³⁰ "The man who governs the whole land of Egypt talked very harshly to us. He acted toward us as though we were spying on his country. ³¹ But we told him, 'We are honest men! We are not spies. ³² Originally there were twelve of us who were brothers, the sons of one father. One has died [EUP], and our youngest brother is with our father in Canaan.' ³³ The man who is the governor of the land *did not believe us*, so he said to us, 'This is how I will know if you are truly honest men: Leave one of your brothers here with me. Then the rest of you can take some grain for your families that are starving from hunger and go. ³⁴ But when you return, bring your youngest brother to me, in order that I will know that you are not spies, but instead, that you are honest men. Then I will release your brother for you. And then you can buy whatever you want in this country.'"

³⁵ As they were emptying their sacks, they were surprised that in each man's sack was his pouch of money! When they and their father saw all the pouches of money, they were frightened. ³⁶ Their father Jacob said to them, "You have caused two of my children to be taken from me! Joseph is dead, and Simeon is gone! And now you want to take Benjamin from me! It is I who am suffering because of all these things that are happening!"

³⁷ Reuben said to his father, "I will be responsible for Benjamin. *I will take him to Egypt and bring him back to you.* Let me take care of him. If I do not bring Benjamin back to you, you may kill both of my sons."

³⁸ But Jacob said, "No, I will not let my son go down there with you. His *older* brother is dead, and he is the only *one of my wife Rachel's* sons who is left! If something harms him while you are traveling, you would cause me, a gray-haired old man, to die because of sorrow."

Joseph's brothers returned to Egypt with Benjamin, to buy more grain

43 The famine in Canaan got worse. ² Finally, when Jacob and his family had eaten all the grain they had brought from Egypt, Jacob said to them, "Go back to Egypt and buy some more grain for us!" ³ But Judah said to him, "The man who sold us the grain warned us sternly, 'I will not let you see me [SYN] again if you come and your younger brother is not with you.' ⁴ So, if you will send our younger brother with us, we will go down to Egypt and buy some grain for you. ⁵ But if you will not send him, we will not go down there, because that man said to us, 'I will not let you see me again if your younger brother is not with you.'" ⁶ Jacob asked, "Why did you cause me to have this trouble by telling the man that you had a younger brother?" ⁷ One of them replied, "The man asked about us and about our family. He said, 'Is your father still living? Do you have another brother?' We had to answer his questions. \diamond We could not know that he would say, 'The next time that you come down here, bring your brother with you!'/How could we know that he would say, 'The next time that you come down here, bring your brother with you!'" \diamond " [RHQ]

⁸ Then Judah said to his father Jacob, "Send the boy with me, and we will go immediately, in order that we and you and our children may get grain and not die from hunger. ⁹ I myself will guarantee that he will return. You can require me to do what I am promising [IDM]. If I do not bring him back to you safely, you can say forever that \diamond I am to blame/it was my fault *that he did not return to you* \diamond . ¹⁰ If we had not \diamond wasted so much time/waited so long \diamond , by now we could have gone there and returned two times!"

¹¹ Then their father Jacob said to them, "If there is no other way, do this: Put in your sacks some of the best things that are grown in this land, and take them down to the man as a gift. Take some balm/perfume and honey and spices and myrrh/ointment, some pistachio nuts, and almonds. ¹² Take twice as much money as you took the previous time, because you must return the silver that someone put in the tops of your sacks. Perhaps it was a mistake that it was put in your sacks. ¹³ Take your younger brother and go back to that man. ¹⁴ I will pray that God Almighty will cause that man to act mercifully toward you, so that he will let your other brother, as well as Benjamin, come back here with you. But as for me, if my sons are taken from me, then I will not have my sons!"

¹⁵ So the men took the gifts that Jacob said that they should take, and twice the amount of money that the grain would cost, and they also took Benjamin. They went down quickly to Egypt, and they stood in front of Joseph. ¹⁶ When Joseph saw Benjamin with them, he said to the man who \diamond was in charge of/supervised \diamond things in his house, "Take these men to my house. Slaughter an animal and prepare a meal, because I

want them to eat with me at noon." *And he told him in what order they were to be seated.*

¹⁷ The man did as Joseph said. And he took them to Joseph's house. ¹⁸ But they were afraid because he was taking them to Joseph's house. They were thinking, "He is taking us here because of the silver that was put in our sacks the first time that we came here. While we are eating, he will have his servants attack us and seize us and cause us to become his slaves, and also take our donkeys."

Joseph made a feast for his brothers, but they still did not recognize him

¹⁹ They went with the man who was in charge of things in Joseph's house. When they arrived at the entrance of the house, ²⁰ one of them said to him, "Please, sir, listen to me. We came down here previously and bought some grain. ²¹ But at the place where we stopped for the night as we were returning home, we opened our sacks. We were astonished to see that in the top of each of our sacks was the exact amount of silver that we had paid for the grain! So we have brought it back with us. ²² We have also brought more silver with us to buy more grain. We do not know who put the silver in our sacks."

²³ The man replied, "*Relax!* Do not worry about it! I received the silver that you brought. Your God, the God your father worships, must have put it in your sacks." And then he brought Simeon to them from the prison.

²⁴ Then he took them into Joseph's house. He gave them water to wash their feet and gave them food for the donkeys. ²⁵ He told them that they were going to eat with Joseph at noon. So the men prepared their gifts to give to Joseph when he arrived.

²⁶ When Joseph came home, they presented to him the gifts that they had brought into the house. Then they bowed down to the ground in front of him. ²⁷ He asked them if they were *well/in good health*, and then he asked, "How is the health of your old father, the one that you told me about? Is he still living?"

²⁸ One of them replied, "Yes, our father, *who is willing to be your servant*, is still alive, and he is well." Then again they bowed down in front of him.

²⁹ Then he saw his *younger* brother Benjamin, his own mother's other son. He asked them, "Is this your youngest brother, the one whom you told me about?" After they said "Yes," he said to Benjamin, "Young man, I pray that God will act kindly toward you." ³⁰ Joseph quickly left the room. He realized that he was about to cry because he *was full of emotion about his younger brother/loved his younger brother so much*. He went into his private room and cried there. ³¹ Then, after he washed the tears from his face, he came out, and controlling his emotions, he said to the servants, "Serve the food!"

³² The people of Egypt considered that it was disgraceful for them to eat with Hebrews, so the servants

served food to Joseph by himself, and served the other people of Egypt who ate with him by themselves, and they served Joseph's older brothers and younger brother by themselves. ³³ His brothers were astonished to see that their seats were arranged according to their ages, from the oldest to the youngest! ³⁴ And when their portions of food were served to them from Joseph's table, Benjamin's portion was five times as much as anyone else's portion! So they ate food and drank wine with Joseph and became very cheerful.

Joseph tricked his brothers by having his cup put in Benjamin's sack

44 When his brothers were ready to return home, Joseph said to the man who was in charge of things in his house, "Fill the sacks of those men with as much grain as they can carry *on their donkeys*. And put in the top of each man's sack the silver that he paid for the grain. ² Then put my silver cup in the top of the youngest brother's sack, along with the silver that he paid for the grain." So the servant did what Joseph told him to do.

³ The next morning at dawn the men started on the way home with their donkeys. ⁴ When they had not gone far from the city, Joseph said to the servant in charge of things in his house, "Pursue those men immediately. When you catch up to them, say to them, 'We did good things for you! Why have you paid us back by doing something bad to us?' ⁵ *You have stolen the cup* that my master drinks from [RHQ]! It is the cup that he uses to find out things that nobody knows! What you did was very wicked!"

⁶ The servant *left immediately and* when he caught up with them, he told them what Joseph had told him to say. ⁷ But one of them replied to him, "Sir, why do you say such things? We are your servants, and we would never do anything like that! ⁸ We even brought back to you from Canaan land the silver that we found inside the tops of our sacks! So *we certainly would not steal silver or gold from your master's house!/Why would we steal silver or gold from your master's house?* [RHQ] ⁹ If you discover that any of us has that cup, you can execute him, and the rest of us will become your slaves."

¹⁰ The man replied, "Okay, I will do what you say. But the one who has the cup will not be executed. Instead, he will become my slave, and the rest of you may return home."

¹¹ Each of the men quickly lowered his sack down from the donkey to the ground and opened it. ¹² Then the servant started to search for the cup in each sack. He started with the oldest brother's sack and ended with the youngest one's sack. And he found the cup in Benjamin's sack and showed it to them. ¹³ The brothers tore their clothes *because they were so dismayed*. They loaded the sacks on the donkeys again and returned to the city.

Back in Egypt, Joseph said that only the one who stole his cup would be his slave

¹⁴ When Judah and his *older and younger* brothers entered Joseph's house, Joseph was still there. The servant told Joseph what had happened. Then the brothers threw themselves down on the ground in front of Joseph. ¹⁵ He said to them, "Why did you do this? Do you not know that a man like me can find out things that nobody knows?" [RHQ]

¹⁶ Judah replied, "Sir, what can we say? How can we prove that we \diamond are innocent/did not steal the cup \diamond ? God has \diamond paid us back/punished us \diamond for the sins we committed many years ago. So now we will become your slaves—both we and the one in whose sack the cup was found." ¹⁷ But Joseph replied, "No, I could never do anything like that. Only the man in whose sack the cup was found will become my slave. The rest of you can return to your father peacefully."

Judah pleaded that he be allowed to become Joseph's slave instead of Benjamin

¹⁸ Then Judah came near to Joseph and said, "Sir, please let me say something to you. You are equal to the king himself, so you could command that I be executed; but do not be angry with me for speaking to you. ¹⁹ You asked us, 'Is your father still living, and do you have another brother?' ²⁰ We answered, 'Our father is alive, but he is an old man. He has a young son who was born after our father became an old man. That son had an *older* brother, who is now dead. So the youngest son is the only one of his mother's sons who is still alive, and his father loves him very much.' ²¹ Then you said to us, 'The next time you come here, bring your younger brother down to me, so that I can see him.' ²² We said to you, 'No, we cannot do that, because the boy cannot leave his father. If he leaves his father, his father will die from sorrow.' ²³ But you told us, 'If your youngest brother does not come back with you, I will not let you see me again!' ²⁴ When we returned to our father, we told him what you said. ²⁵ *Months later* our father said, 'Go back to Egypt and buy some more grain!' ²⁶ But we said, 'We cannot go back by ourselves. We will go only if our youngest brother is with us. We will not be able to see the man who sells grain if our youngest brother is not with us.' ²⁷ Our father replied, 'You know that my wife *Rachel* gave birth to two sons for me. ²⁸ One of them disappeared, and I said, "A wild animal has surely torn him to pieces." And I have not seen him since then. ²⁹ I am an old gray-haired man. If you take this other one from me, too, and something harms him, you would cause me to die because of my sorrow.'

³⁰ "So please listen. My father will remain alive only if his youngest son remains alive. ³¹ If he sees that the boy is not with us when we return to him, he will die. We will cause our gray-haired father to die because of

his sorrow. ³² I guaranteed/promised to my father that the boy would return safely. I told him, 'You can require me to do what I am promising. If I do not bring him back to you, you can say forever that \diamond I am to blame/it is my fault \diamond for not bringing him back to you.'

³³ "So, please let me remain here as your slave instead of my youngest brother, and let the boy return home with his other older brothers. ³⁴ \diamond I cannot return to my father if the boy is not with me!/How can I return to my father if the boy is not with me? \diamond [RHQ] I do not want to see how miserable/sad my father would become!"

Joseph told his brothers who he was

45 Joseph was not able to control his feelings any longer. He did not want to cry in front of his servants, so he said to them loudly, "All of you go outside!" After they went outside, there was no one else there with Joseph when he told his brothers who he was. ² He cried so loudly that the people of Egypt who were outside heard it, and even the people in the king's palace heard it. ³ Joseph said to his brothers, "I am Joseph! Is our father still alive?" But his brothers were not able to reply, because they were frightened because of what he said. ⁴ Then Joseph said to his brothers, "Come close to me!" When they came closer, he said, "I am your brother Joseph! I am the one you sold to traders who brought me here to Egypt! ⁵ But now, do not be distressed, and do not be angry with yourselves for having sold me to people who brought me here, because it was to save you from dying *because of the famine* that God sent me here ahead of you. ⁶ There has been a famine in this country for two years, and it will continue for five more years, so that no one will plow ground, and there will be no crops to harvest. ⁷ But God sent me here ahead of you, to keep you from starving, and to make sure that your descendants will survive. ⁸ Therefore, it was not you who sent me here; it was God who sent me here! He has caused me to become like a father to the king. I am in charge of everything in his palace and the governor of everyone in Egypt! ⁹ Now return to my father quickly, and say to him, 'This is what your son Joseph says: "God has caused me to become the governor over the whole land of Egypt. Come down to me immediately! ¹⁰ You can live in the Goshen region. You and your children and your grandchildren, your sheep and goats and cattle, and everything that you own, will be near me. ¹¹ Since there will be five more years of famine, I will make sure that you have food. If you do not come here, you and your family and all of your servants will starve.'" [EUP]

¹² "Look closely, and all of you can see, including my brother Benjamin, that it is really I, Joseph, who am speaking to you. ¹³ Go and tell my father about how greatly I am honored here in Egypt. And tell him about

everything else that you have seen. And bring my father down here quickly!"

¹⁴ Then he threw his arms around his *younger* brother Benjamin's neck and cried. And Benjamin hugged him and cried. ¹⁵ And then as he kissed his older brothers *on their cheeks*, he cried. After that, his brothers started to talk with him.

The king invited Joseph's family to come and live in Egypt

¹⁶ Someone went to the palace and told the news that Joseph's brothers had come. The king and all his officials were pleased. ¹⁷ The king said to Joseph, "Tell your brothers this: 'Put loads of grain on your animals and return to the Canaan region. ¹⁸ Then bring your father and your families back here. I will give you the best land in Egypt, and you will have the best food in the land to eat.' ¹⁹ "Also tell this to your brothers: 'Take some carts from Egypt to carry your children and your wives, and get them and your father and come back here quickly. ²⁰ Do not worry about bringing your possessions, because the best things in Egypt will be yours. Because of that, you will not need to bring any of your things from Canaan.'"

²¹ Jacob's sons did what the king suggested. Joseph gave them carts and food to eat along the way, as the king had ordered. ²² To each of them he gave new clothes, but he gave 300 pieces of silver and five sets of new clothes to Benjamin! ²³ And this is what he sent to his father: Ten male donkeys, loaded with some of the best goods that come from Egypt, and ten female donkeys loaded with grain and bread and other food for his father's trip to Egypt. ²⁴ Then he sent his brothers on their way, saying to them "Do not quarrel along the way!"

²⁵ So they left Egypt and came to their father Jacob in Canaan. ²⁶ One of them told him, "Joseph is still alive! In fact, he is the governor over all of Egypt!" Jacob was extremely astonished; he could not believe that it was true. ²⁷ But they told him everything that Joseph had said to them, and Jacob saw the carts that Joseph had sent to carry him and his family and possessions to Egypt. Then their father Jacob's shock ended. ²⁸ He said, "What you have said is enough to convince me! My son Joseph is still alive, and I will go and see him before I die!"

Jacob and his family moved to Egypt

46 So Jacob left *Canaan*, taking with him all his family and possessions. When they arrived at Beersheba, he offered sacrifices to God, the one whom his father Isaac worshiped. ² That night, God called to Jacob in a vision, saying, "Jacob! Jacob!" He replied, "I am here!" ³ God said, "I am God, the one your father worshiped. Do not be afraid to go down to Egypt, because I will give you many descendants, and they will become a great nation there. ⁴ I will go down

to Egypt with you, and later I will bring *your descendants* back to Canaan again. And Joseph will be with you [MTY] when you die." [IDM]

⁵ Jacob left Beersheba, and his sons took their father, their wives, and their children, in the carts that the king had sent for them to travel in. ⁶ So Jacob and all his family went to Egypt. They took with them the livestock and all the other possessions that they had acquired in Canaan. ⁷ Jacob went to Egypt with all his sons and his daughters and grandsons and granddaughters—his whole family.

⁸⁻²⁵ ♦Here is/I will now give you♦ a list of the names of the members of Jacob's family who went with him to Egypt:

Reuben, Jacob's oldest son;

Reuben's sons Hanoch, Pallu, Hezron, and Carmi; Simeon and his sons Jemuel, Jamin, Ohad, Jakin, Zohar, and Shaul, who was the son of a Canaan people-group woman;

Levi and his sons Gershon, Kohath, and Merari;

Judah and his sons, Shelah, Perez, and Zerah (his other sons, Er, and Onan, had died in Canaan);

Perez and his two sons Hezron and Hamul;

Issachar and his sons Tola, Puah, Jashub, and Shimron;

Zebulun and his sons Sered, Elon, and Jahleel;

(Those were the sons of Jacob and Leah, and their daughter Dinah, who were born in Paddan-Aram/Mesopotamia: There were 33 of them, altogether.)

They had Gad and his sons Zephon, Haggi, Shuni, Ezbon, Eri, Arodi, and Areli;

Asher and his sons Imnah, Ishvah, Ishvi, and Beriah; and their sister Serah;

Beriah's sons Heber and Malkiel;

(Those were the children and grandchildren of Jacob and Zilpah, the slave girl whom Laban gave to his daughter Leah: There were 16 of them, altogether.)

Joseph and Benjamin, the sons of Jacob's wife Rachel;

(Ephraim and Manasseh were Joseph's two sons.

They did not go down to Egypt because they were already in Egypt. They were sons of Asenath, the daughter of On, who was the priest in the temple in On city.)

Benjamin and his sons Bela, Beker, Ashbel, Gera, Naaman, Ehi, Rosh, Muppim, Huppim, and Ard; (Those were the sons and grandsons of Rachel and Jacob: There were 14 people altogether.)

Dan and his son Hushim;

Naphtali and his sons Jahziel, Guni, Jezer, and Shillem.

(Those were the sons and grandsons of Jacob and Bilhah, the slave girl whom Laban gave to his daughter Rachel: There were seven people altogether.)

²⁶ Altogether there were 66 people who were Jacob's descendants who went to Egypt with him. That number does not include his sons' wives. ²⁷ Including Ja-

cob and Joseph and Joseph's two sons who were born in Egypt, there were 70 members of Jacob's family when they were all there in Egypt.

²⁸ Jacob sent Judah to go ahead of the rest of them to talk with Joseph and ask for directions on how to travel to Goshen. Then *Judah returned to the rest of his family* and they all traveled to the Goshen region. When they arrived there, ²⁹ Joseph got his chariot ready and went to Goshen to meet his father. When Joseph arrived, he threw his arms around his father's neck and cried a long time. ³⁰ Jacob said to Joseph, "I have seen you and I know that you are still alive! So now I am ready to die."

Joseph arranged for his family to settle in Goshen

³¹ Then Joseph said to his *older brothers and younger brother* and to the rest of his father's family, "I will go to the king and say to him, 'My *older brothers and younger brother* and my father and the rest of his family, who were living in Canaan land, have all come to me. ³² The men are all shepherds. They take care of their livestock, and they have brought with them their sheep and goats and cattle, and everything else that they own.' ³³ When the king summons you and asks, 'What work do you do?' ³⁴ answer by saying, 'From the time when we were young, we have taken care of livestock, just as our ancestors did.' If you tell him that, he will let you live in the Goshen region." Joseph told them to say that because the people of Egypt despised all shepherds.

Jacob blessed the king of Egypt

47 ¹⁻² Joseph chose five of his *older brothers* to go with him to talk to the king. He introduced his *older brothers* to the king, and then he said, "My father and my *older brothers and younger brother* have come from the Canaan region. They have brought all their sheep and goats and cattle and everything else that they own, and they are living now in Goshen region." ³ The king asked the brothers, "What work do you do?" They replied, "We are shepherds, just as our ancestors were." ⁴ They also said to him, "We have come here to live for a while in this land, because the famine is very severe in Canaan, and our animals have no \diamond pasture/grass to eat \diamond there. So now, please let us live in the Goshen region."

⁵ The king said to Joseph, "I am happy that your father and your *older brothers and younger brother* have come to you. ⁶ They can live wherever you want in the whole country of Egypt. Give your father and your brothers the best part of the land. They can live in Goshen. And if you know that any of them have any special ability to work with livestock, have them be in charge of my own livestock, too."

⁷ Then Joseph brought his father Jacob *into the palace* and introduced him to the king. Jacob asked God to bless the king. ⁸ Then the king asked Jacob,

"How old are you?" ⁹ Jacob replied, "I have been traveling around for 130 years. I have not lived as long as my ancestors, but my life has been full of troubles."

¹⁰ Then Jacob again *asked God to bless the king*, and left him.

¹¹ *That is how Joseph enabled his father and older brothers and younger brother to start living in Egypt.* As the king had commanded, he gave them property in the best part of the land, in *Goshen, which is now called Rameses*. ¹² Joseph also provided food for all his father's family. The amounts that he gave them were according to how many children each of them had.

Joseph arranged for people to buy grain from him during the famine

¹³ There were no crops growing in the whole region, because the famine was very severe. The people of Egypt and Canaan [MTY] became weak because they did not have enough food to eat. ¹⁴ Joseph collected all the money that the people in Egypt and Canaan paid for the grain they were buying from him, and he brought the money to the king's palace. ¹⁵ When the people of Egypt and Canaan had spent all their money for grain, they all kept coming to Joseph and saying, "Please give us some food! If you do not give us grain, we will die [RHQ]! We have used all our money to buy food, and we have no money left!" ¹⁶ Joseph replied, "Since your money is all gone, bring me your livestock. If you do that, I will give you food in exchange for your livestock." ¹⁷ So they brought their livestock to Joseph. He gave them food in exchange for their horses, their sheep and goats, their cattle, and their donkeys.

¹⁸ The next year they came to him again and said, "We cannot hide this from you: We have no more money, and now our livestock belongs to you. We have only our bodies and our land to give to you. We have nothing else left. ¹⁹ \diamond If you do not give us some food, we will die! Do you want to watch us die? \diamond [RHQ] If you do not give us seeds, our fields will become useless [IDM]. Buy us and our land in exchange for food. Then we will be the king's slaves, and he will own the land. Give us seeds that we can plant and grow food, in order that we will not die, and in order that our land will not become like a desert."

²⁰ So Joseph bought all the farms in Egypt for the king. The people of Egypt each sold their land to him because the famine was very severe, *and they had no other way to get money to buy food*. So all the farms became the king's farms. ²¹ As a result, Joseph caused all the people from one border of the country to the other to become the king's slaves. ²² But he did not buy the priests' land, because they received food from the king regularly, so the food that the king gave them was enough for them. That is the reason they did not sell their land to him. ²³ Joseph said to the people *who sold themselves and their land to him*, "Listen to me! Today I have bought you and your land for the king.

So here are seeds for you so that you can plant them in the ground. ²⁴ But when you harvest the crop, you must give one-fifth of the crop to the king. The rest of the crop you can keep, to be seed to plant in the fields, and to be food for you and your children and for everyone else in your household to eat." ²⁵ They replied, "You have saved our lives! We want you to be pleased with us. And we will be the king's slaves."

²⁶ So Joseph made a law about all the land in Egypt, stating that one-fifth of the crops that are harvested belongs to the king. That law still exists. Only the land that belonged to the priests did not become the king's land.

²⁷ Jacob and his family started to live in Egypt, in the Goshen region. They acquired property there. Many children were born to them there. As a result, their population increased greatly.

Jacob made Joseph promise to not bury him in Egypt after he died.

²⁸ Jacob lived in Egypt 17 years. Altogether he lived 147 years. ²⁹ When it was almost time for him to die, he summoned his son Joseph and said to him, "If I have pleased you, make a solemn promise that you will be kind to me and faithfully do what I am now asking you: When I die, do not bury me here in Egypt. ³⁰ Instead, take my body out of Egypt, and bury it in Canaan where my ancestors are buried." Joseph replied, "I will do that." ³¹ Jacob said, "◊Swear/Solemnly promise◊ to me that you will do it!" So Joseph swore to do it. Then Jacob turned over in bed, bowed his head, and worshiped God.

Jacob blessed Ephraim and Manasseh

48 Some time later, someone told Joseph, "Hey, your father is ill." When Joseph heard that, he took his two sons, Manasseh and Ephraim, to see his father. ² When someone told Jacob, "Look, your son Joseph has come to see you!" Jacob sat up on the bed, even though it was difficult for him to do that. ³ He said to Joseph, "When I was at Luz in Canaan, God Almighty appeared to me. He blessed me ⁴ and said to me, 'I am going to enable you to become the father of many children. You will have many descendants, and they will become *the ancestors of* many people-groups. And I will give this land to your descendants to possess forever.'

⁵ "And now I will consider that your two sons, who were born to you here in Egypt before I came here, will ◊belong to me/be as though they are my sons◊. Ephraim and Manasseh will be *as though they were* my sons, and they will inherit my possessions, just like my sons Reuben and Simeon *and the others* will. ⁶ If you later become the father of any more children, they will not be considered to be my children, but as my grandchildren, and *in Canaan* they will receive as part of what they inherit some of the same land that is in

the territory that their brothers *Ephraim and Manasseh* will inherit. ⁷ Many years ago, as I was returning from Paddan-Aram/Mesopotamia, your mother Rachel died in the Canaan region, while we were still traveling, not far from Ephrath town. So I buried her body there alongside the road to Ephrath [which is now called Bethlehem]."

⁸ When Jacob saw Joseph's sons, he asked, "Who are these boys?" ⁹ Joseph replied, "They are the sons that God has given to me here in Egypt." Jacob said, "Bring them close to me so that I can bless them." ¹⁰ Jacob was almost blind because he was very old. He could not recognize the boys. So Joseph brought his sons close to his father, and Jacob kissed them and hugged them. ¹¹ Jacob said to Joseph, "I did not expect to see you again, but look at this! God has allowed me to see not only you, but he has allowed me to see your children, too!"

Jacob blessed Joseph's two sons, Manasseh and Ephraim, in a way contrary to what Joseph expected

¹² Joseph took the boys from alongside Jacob's knees. Then he bowed down with his face to the ground. ¹³ Then Joseph took both of the boys, putting Ephraim on his right side toward Jacob's left hand, and putting Manasseh on his left side toward Jacob's right hand, and brought them close to Jacob. ¹⁴ But Jacob *did not do what Joseph wanted him to do. Instead*, he reached out his right hand and put it on Ephraim's head, even though he was the younger son. He crossed his arms and put his left hand on Manasseh's head, even though Manasseh was the older son. ¹⁵ Then he ◊blessed/asked God to bless◊ Joseph and his sons, saying,

"My grandfather Abraham and my father Isaac conducted their lives as God desired, and to this very day God has led me and taken care of me as a shepherd leads and cares for his sheep [MET].

¹⁶ The angel whom he sent has kept me from being harmed in any way.

I pray that God will bless these boys.

I pray that people will never forget about me and about Abraham and Isaac because of what God does for these boys.

I pray that they will have many descendants who will live all over the earth."

¹⁷ When Joseph saw that his father had placed his right hand on Ephraim's head and not on Manasseh's head, he was distressed/displeased. So he took his father's hand to move it from Ephraim's head to Manasseh's head. ¹⁸ Joseph said to him, "My father, that is not right! The one on whom you put your left hand is my older son. Put your right hand on his head." ¹⁹ But his father refused, saying, "I know that, my son, I know what I am doing. Manasseh's descendants will also become a people-group, and they will become important. But his younger brother's descendants will be-

come greater than his will. His descendants will become several nations." ²⁰ So he blessed them both on that day, saying, "The people in Israel will use your names when they bless people. They will say, 'We pray that God will help you as he helped Ephraim and Manasseh.'" In that way, Jacob said that Ephraim would become more important than Manasseh.

²¹ Then Jacob said to Joseph, "I am about to die. But I know that God will help/protect you. And some day he will take your descendants back to the land of their ancestors. ²² And it is to you, not to your brothers, that I will give the fertile hill in the Shechem area. I captured that land from the Amor people-group, fighting them with my sword and my bow and arrows."

Jacob prophesied what would happen to his sons and their descendants

49 Jacob summoned all his sons, and said to them,

² "Gather around me in order that I can tell you what will happen in the future.

My sons, come and listen to me.

I am your father, *Jacob*, whom God named Israel.

³ Reuben, you are my oldest son.

You were born when I was young and energetic/strong.

You are prouder and stronger than all the rest of my sons.

⁴ But you were as uncontrollable as a flood [SIM].

So now you will not be my most important son, because you climbed up onto my bed, and had sex with [MTY] my \diamond concubine/slave who had become one of my wives \diamond .

Your doing that caused me, your father, to have great shame.

⁵ Simeon and Levi, you have both acted like criminals.

You use your swords to act violently.

⁶ I do not want to be with you when you make evil plans [DOU].

I do not want to join you in your meetings, because you killed people when you became very angry,

and you \diamond hamstrung/cut the tendons in the legs of \diamond oxen just to \diamond have fun/see them suffer \diamond .

⁷ God says, 'I will \diamond curse/cause bad things to happen to \diamond them for being very angry,

for acting very cruelly when they were very furious.

I will scatter their descendants [MTY] throughout Israel land.'

⁸ Judah, your *older and younger* brothers will praise you.

They will bow down before you, because you will thoroughly defeat [MTY] your enemies.

⁹ Judah is like a young lion [SIM] that has returned to its den satisfied

after eating the animals that it has killed.

He is like a lion that lies down and stretches out after eating;

no one would dare to disturb it [RHQ].

¹⁰ There will always be a ruler [MTY] from the descendants of Judah [MTY].

Each one will hold a scepter/staff to show that he has authority as a king.

He will do that until the one to whom the scepter belongs comes,

the one to whom the nations will bring tribute and show that they will obey him.

¹¹ The grapevines of Judah's descendants will produce grapes very abundantly.

As a result, they will not object to tying their young donkeys to the grapevines

in order that the donkeys can eat the leaves of the grapevines.

Wine will be very plentiful, with the result that they could wash their cloaks in wine that is as red as blood [MET].

¹² Their eyes will be red because of *drinking too much wine,*

but their teeth will be very white because of drinking much milk *from the cows.*

¹³ Zebulun, your descendants will live by the seashore

where there will be a safe harbor for ships.

Their land will extend north as far as Sidon city.

¹⁴ Issachar, your descendants will be like strong donkeys

that are lying down on the ground between their loads,

so tired that they cannot get up!

¹⁵ They will see that their resting place is good, and that the land pleases them very much.

But they will bend their backs to carry heavy loads and be forced to work for others.

¹⁶ Dan, although your tribe will be small, their leaders will rule their people just like the leaders of other tribes of Israel will rule their people.

¹⁷ Your descendants will be like snakes at the side of a road,

like poisonous snakes lying beside a path.

They will strike the heels of horses that pass by, causing the riders to fall backwards *as the horses rear up on their hind legs."*

¹⁸ Then Jacob prayed, "Yahweh, I am waiting for you to rescue me *from my enemies."*

¹⁹ Then Jacob continued telling his sons what would happen in the future. He said,

"Gad, your tribe/descendants will be attacked by a group of bandits,

but your tribe/descendants will pursue and attack them [MTY].

²⁰ Asher, your descendants will eat good-tasting food;

they will produce food that is delicious enough for kings to eat.

²¹ Naphtali, your descendants will be like deer [MET] that are ◇free to/not tied down and can◇ run wherever they wish.

They will give birth to children who are good-looking like ◇fawns/baby deer◇ [MET].

²² Joseph, you will have many descendants [MET].

Their children will be as many as the fruit on a vine near a spring of water, whose branches extend over a wall.

²³ Their enemies will attack them fiercely, and shoot at them with bows and arrows and pursue them.

²⁴ But they will hold their bows steady and their arms will remain strong,

because of the power [MTY] of my mighty God, because of Yahweh who guides and provides for me [MET]

like a shepherd guides and provides for his sheep.

The people of Israel will *ask Yahweh to protect them, like people hide under a huge overhanging rock to be protected.*

²⁵ God, the one whom I worship, will help your descendants.

God Almighty will bless them by sending them rain from the sky and by giving them water from deep/far below the ground.

He will give them many cattle and children [MET] (OR, and their cattle will have many offspring).

²⁶ The blessings that I want God to give you are great ones.

They are greater than the blessings that come from the eternal mountains, greater than the ones that come from the everlasting hills.

Joseph, I pray that these blessings will ◇be given to you/come upon your head◇,

because you are the leader of your *older brothers and younger brother.*

²⁷ Benjamin, your descendants will be like [MET] vicious/fierce wolves:

In the morning they will kill their enemies like a wolf devours ◇its prey/the animals that it has killed◇,

and in the evening they will divide among their warriors the spoils that they seized from their enemies."

²⁸ Those twelve sons are the ancestors of the twelve tribes of Israel. That is what their father said to them as he blessed them, telling to each one words that were appropriate for him.

Jacob died

²⁹ Then Jacob said to his sons, "I will soon die. Bury my body where some of my ancestors are buried, in the cave that is in the field that was bought from Ephron, who belonged to the Heth people-group.

³⁰ That field is in the Machpelah area, east of Mamre town, in Canaan. My grandfather Abraham bought it

from Ephron to use as a burial place. ³¹ That is where they buried him and his wife Sarah. That is where they buried my father Isaac and his wife Rebekah. And that is where I buried my wife Leah. ³² That field and the cave in it were bought from the Heth people-group; so that is where I want you to bury me."

³³ When Jacob finished giving those instructions to his sons, he lay down on his bed again. Then he died [IDM].

Jacob's body was taken to Canaan and buried there

50 Joseph leaned close to his father's face and cried over him and kissed him. ² Joseph commanded his servants who were morticians to ◇embalm his father's body/put spices on his father's body◇ to ◇preserve it/keep it from decaying◇, and then wrap it with strips of cloth. ³ So the morticians did that. It took 40 days to embalm Jacob's body, because that is the amount of time that was always required for them to embalm a body. And the people of Egypt mourned for 70 days because of Jacob's death. ⁴ When the time of mourning was finished, Joseph said to the king's officials, "If you are pleased with me, please take this message to the king: ⁵ 'When my father was about to die, he told me to solemnly promise that I would bury his body in Canaan, in the tomb that he himself had prepared. So please let me go up to Canaan and bury my father's body. Then I will return.'"

⁶ After they gave the king the message, he replied, "Tell Joseph, 'Go up and bury your father's body, as you ◇swore/solemnly promised◇ that you would do.'"

⁷ So Joseph went *up to Canaan* to bury his father's body. All of the king's officials, all the king's advisors, and all the elders in Egypt went with him. ⁸ His own family's small children and their sheep and goats and their cattle stayed in the Goshen region. But all the rest of Joseph's family and his *older brothers and younger brother* and his father's family went with him. ⁹ Men riding in chariots [MTY] and on horses also went along. It was a huge group.

¹⁰ They went to the east side of the Jordan *River* and arrived at Atad. There was a place there where people ◇threshed/beat the grain to separate the wheat from the chaff.◇ There they mourned loudly for Jacob for a long time. Joseph performed mourning ceremonies for his father for seven days. ¹¹ When the Canaan people-group who lived there saw them mourning like that, they said, "This is a sad mourning place for the people of Egypt!" So they named the place Abel-Mizraim, *which sounds like the Hebrew words that mean 'mourning of the Egyptians.'*

¹² Then Jacob's sons did for him what their father had commanded. ¹³ They *crossed the Jordan River* and carried Jacob's body to Canaan. They buried it in the cave in the field at Machpelah, east of Mamre town. That was the field that Abraham had bought from Ephron, who was one of the Heth people-group, to use as a burial place.

¹⁴ After he had buried his father, Joseph and his *older* brothers and *younger brother* and all the others who had gone up to Canaan with him for the funeral returned to Egypt.

Joseph told his brothers that he would not get revenge for what they did to him

¹⁵ After Jacob died, Joseph's brothers became worried. They realized what might happen. They said, "Suppose Joseph hates us and tries to get revenge for all the evil things that we did to him many years ago?"

¹⁶ So they sent someone to tell this to Joseph for them: "Before our father died, he told us this: ¹⁷ 'Say to Joseph, "Please forgive your *older* brothers for the evil thing that they did to you, for their terrible sin against you, because what they did to you was very wrong.'" So now we, who are servants of your father's God, ask you, please forgive us for what we did to you." But Joseph just cried when he received their message. ¹⁸ Then his *older* brothers themselves came and threw themselves on the ground in front of Joseph, and one of them said, "Please listen. We will just be your servants." ¹⁹ But Joseph replied to them, "Do not be afraid! *God is the one who punishes people*; ♦am I God?/I am not God!♦ [RHQ] ²⁰ As for you, yes, you wanted to do something very evil to me. But

God caused something good to come from it! He wanted to save many people from dying of hunger, and that is what happened! Today they are alive! ²¹ So I say *again*, do not be afraid! I will make sure that you and your children have enough to eat." In that way he reassured them and made them feel much better.

Joseph died in Egypt

²² Joseph lived with his father's family in Egypt until he was 110 years old. ²³ He lived long enough to see Ephraim's children and grandchildren. The children of Joseph's grandson Machir, who was Manasseh's son, were born before Joseph died, and were adopted by Joseph to be his own children [IDM]. ²⁴ One day Joseph said to his *older* brothers, "I am about to die. But God will certainly ♦help/take care of♦ you. And *some day* he will lead your *descendants* up out of this land and take them to Canaan, the land that he solemnly promised to give to Abraham, Isaac, and Jacob." ²⁵ Then Joseph said, "When God enables you to do that, you must take my body back to Canaan." He made his older brothers solemnly promise to do that.

²⁶ So Joseph died in Egypt when he was 110 years old. His body was embalmed and put in a coffin there.

EXODUS

The Egyptians caused the Israeli people to suffer greatly

1 The sons of Jacob who went to Egypt with him along with their families were ² Reuben, Simeon, Levi, Judah, ³ Issachar, Zebulun, Benjamin, ⁴ Dan, Naphtali, Gad, and Asher. ⁵ Altogether there were 70 people *who went with Jacob*. That included his *sons, his grandsons, and two great-grandsons*. His son Joseph was already in Egypt.

⁶ *Eventually* Joseph and his *older and younger* brothers and everyone *else in their family who lived* \diamond in that generation/at that time \diamond died. ⁷ But Jacob's descendants kept giving birth to many children [IDM]. The number of *his descendants* kept becoming larger and larger. As a result, there were so many of them that they were everywhere in Egypt (OR, that they *became a threat* to the Egyptians). ⁸ Then *several hundred years later*, a new king began to rule [MTY] in Egypt. He did not know *what Joseph had done for the people of Egypt long ago*. ⁹ He said to his people, "Look at *what has happened!* The Israeli people have become so numerous and so powerful that they *now might conquer us!*" ¹⁰ We must find a way to control them! If we do not do that, their population will continue to grow. Then, if enemies [PRS] attack us, they will join with our enemies and fight against us, and they will escape from *our land*."

¹¹ So *the king and his officials* put supervisors over the Israeli people to cause them to suffer very much by *forcing them* to work very hard. They forced *the Israeli people* to build two cities, Pithom and Ramses, in which to store *supplies for the king/government*.

¹² But the more cruelly they treated the *Israeli people*, the bigger the Israeli *population* grew, and they became more numerous all over *the land*. So the Egyptian people began to be afraid of the Israeli people.

¹³ They forced the Israeli people to work very hard, ¹⁴ and by making them slaves, they made their lives miserable. They *forced them to build many buildings with mortar and bricks*. *They also forced them to do other work in the fields*. *In making them do all this work, the Egyptian officials treated them ruthlessly/cruelly*.

¹⁵ There were two Hebrew \diamond midwives/women who helped the women when they were giving birth \diamond . [Hebrew means the same as Israeli.] The names of the women were Shiphrah and Puah. The king of Egypt

said to *those two women*, ¹⁶ "When you help the Hebrew women when they are giving birth [MTY], if *the baby that is born* is a boy, you must kill it. If *the baby is a girl*, you \diamond may let it live/do not have to kill them \diamond ." ¹⁷ But the midwives feared/revered God. So they did not do what the king told them to do. They allowed the baby boys to live. ¹⁸ So the king summoned the two midwives and said to them, "Why are you doing this? Why are you letting the baby boys live?" ¹⁹ *One of the midwives* replied to the king, "*You need to realize that the Hebrew women are not like the Egyptian women. The Hebrew women are very strong/healthy. They give birth to their babies before we can get to them to help them.*"

²⁰ So God acted kindly toward the midwives, and the Hebrew people became even more numerous and strong. ²¹ Furthermore, because the midwives feared/revered God, he enabled them also to give birth to children.

²² Then the king commanded all \diamond the Egyptian people/his advisors \diamond : "You must throw into the Nile River every baby boy born that the Hebrew women give birth to! But you can allow the baby girls to live."

After Moses was born he was later adopted by the king's daughter

2 \diamond There was a man who/My father \diamond was descended from *Jacob's son Levi*. He married a woman who was *also* descended from Levi. ² She became pregnant and gave birth to \diamond a baby boy/me \diamond . When she saw that he/I was a good-looking baby, she hid him/me for three months, *because she was not willing to do what the king commanded*. ³ When she was unable to \diamond hide him/me/keep it a secret \diamond any longer, she got a basket made from tall reeds. She covered the basket with tar \diamond to make it waterproof/so water could not get in \diamond . Then she put him/me in the basket and put the basket in *the water* in the middle of the tall grass at the edge of the Nile River. ⁴ His/My older sister was standing not far away, *watching to see what would happen to him/me*.

⁵ *Soon* the king's daughter went down to the river to bathe. Her female servants were walking along the riverbank. She saw the basket amid the tall grass *in the river*. So she sent *one of her servants* to get it.

⁶ When *the servant brought the basket to her*, she opened it, and was surprised to see \diamond a baby that was/

me, crying. She felt sorry for him/me, and said, "This must be one of the Hebrews' babies."

⁷ Then the baby's/my older sister approached the king's daughter and said, "Do you want me to go and find someone from among the Hebrew women who will be able to nurse the baby for you?" ⁸ The king's daughter said to her, "Yes, go and find one." So the girl went and summoned the baby's/my mother. ⁹ The king's daughter said to her, "Please take this baby and nurse him for me. I will pay you for doing that." So the woman/my mother took him/me and nursed him/me. ¹⁰ A few years later/when the child/I grew older, she brought him/me to the king's daughter. She adopted him/me as though I was her own son. She named him/me Moses, which sounds like the Hebrew words 'pull out', because she said "I pulled him out of the water."

Moses, after murdering an Egyptian, escaped to Midian and later married Zipporah

¹¹ One day, after Moses/I had grown up, he/I went out of the palace area to see his/my people, the Hebrews. He/I saw how they were being forced to work very hard. He/I also saw an Egyptian man beating one of his/my Hebrew people. ¹² He/I looked around to see if anyone was watching. Seeing no one, he/I killed the Egyptian man and buried his body in the sand.

¹³ The next day he/I returned to the same place. He/I was surprised to see two Hebrew men who were fighting each other. He/I said to the man who started the fight, "Why are you you should not be striking your fellow Hebrew." ¹⁴ The man replied, "Who made you our ruler and judge?/No one made you our ruler and judge! [RHQ] You have no right to interfere with us Are you going to kill me just like you killed that Egyptian man yesterday?" Then Moses/I was afraid, because he/I thought, "Since that man knows what I did, surely other people know, too."

¹⁵ And that was correct. The king heard about what he/I had done to that Egyptian. So he ordered his soldiers to execute/kill Moses/me. But he/I fled from the king and left Egypt. He/I traveled east to the Midian region and started to live there. ¹⁶ The man who was the priest/one who offered the people's gifts to God for the Midian people, whose name was Jethro, had seven daughters. One day as Moses/I sat down beside a well, those girls came to the well and got water, and filled the troughs in order to give water to their father's flock of sheep. ¹⁷ Some shepherds/men who took care of other sheep came and started to chase away the girls. But Moses/I helped/rescued the girls, and got water for their sheep. ¹⁸ When the girls returned to their father Jethro, whose other name is Reuel, he asked them, "How is it that you were able to give water to the sheep and come home so quickly today?" ¹⁹ They replied, "A man from Egypt kept other shepherds from sending us away. He also got

water for us from the well and gave water to the flock of sheep."

²⁰ He said to his daughters, "Where is he? Why did you leave him out there?/You should not leave him out there! [RHQ] Invite him in, so he can have something to eat [MTY]!" ²¹ So they did, and Moses/I accepted and ate with them. And Moses/I decided to live there. Later Jethro gave him/me his daughter Zipporah to be his/my wife. ²² Later she gave birth to a son, and Moses/I named him Gershom, which sounds like the Hebrew words that mean 'foreigner', because he/I said, "I am living as a foreigner in this land."

²³ Many years later the king of Egypt died. The Israeli people in Egypt were still groaning because of the hard work they had to do as slaves. They called out for someone to help them, and God heard them call out [PRS]. ²⁴ He heard them groaning. And he thought about/did not forget that he had solemnly promised to Abraham, Isaac, and Jacob to bless their descendants. ²⁵ God saw how the Israeli people were being badly treated, and he was concerned about them.

God talked to Moses from inside a burning bush, and told him to lead his people out of Egypt

³ Moses/I was taking care of the sheep that belonged to his/my father-in-law Jethro, the priest of the Midian people. He/I led the flock across the desert and came to Horeb, the mountain that was later called Sinai, the mountain that had been dedicated to God/taboo mountain. ² One day Yahweh appeared/revealed himself to him/me, looking like an angel. The angel appeared in a flame of fire in the middle of a bush that was burning. Moses/I looked at it, and he/I was surprised that the bush was burning, but it was not burning up. ³ Moses/I thought, "I will go closer and try to see this strange sight! Why is the bush not burning up?"

⁴ When Yahweh saw that he/I had come closer, he called to Moses/me from the middle of the bush, saying, "Moses! Moses!" He/I replied, "Yes, here I am." ⁵ Yahweh said, "Do not come closer! Because I am God, the ground on which you are standing is holy/taboo. So take off your sandals to show respect to me." ⁶ Then he said, "I am God, whom your ancestors Abraham, Isaac, and Jacob worshiped." So Moses/I covered his/my face, because he/I was afraid that God would kill him/me if he/I looked at him.

⁷ Then Yahweh said, "I have seen how cruelly they are treating my people in Egypt. I have heard them wailing/crying out for help because of what the slave-drivers are forcing them to do. I know how my people are suffering. ⁸ So I have come down from heaven to rescue them from the Egyptians [SYN]. I have come to bring them up from that land to the highlands in Canaan. I will bring them to a land that is good/fertile and that has plenty of space. It will be very good for raising livestock and growing crops

[MTY]. It is the land where the descendants of Canaan, Heth, Amor, Periz, Hiv, and Jebus *live*.⁹ Truly I have now heard my Israeli people crying [PRS]. I have seen how the Egyptians oppress them.¹⁰ So you go *back* to Egypt. I am sending you to the king, in order that *he may permit* you to bring my people, the Israeli people, out of Egypt."

¹¹ But Moses/I replied, "I am not a well-known person [RHQ]! ◇I cannot go to the king and *ask him to permit me* to bring the Israeli people out of Egypt!/How can I go to the king and *ask him to allow me* to bring the Israeli people out of Egypt?◇" [RHQ]
¹² God replied, "I will be with you. And when you bring my people out of Egypt, all of you will worship me *right* here on this mountain. That will prove that I am the one who sent you *to them*."

¹³ Moses/I said to God, "If I go to the Israeli people and say to them, 'God, the one your ancestors *worshiped*, has sent me to you,' and they ask me, 'What is his name?', what shall I say to them?"¹⁴ God replied, "I AM who I AM." And he said, "Tell the Israeli people that the one who is *named* 'I AM' has sent me to you."

¹⁵ God also said to Moses/me, "Say this to the Israeli people: 'Yahweh God, the one your ancestors *worshiped*, the one that Abraham and Isaac and Jacob *worshiped*, has sent me to you.' This name, *Yahweh*, will be my name forever. That is the name that *people* in all future generations *must use* when they talk *about/to* me."¹⁶ Go to Egypt and gather together the elders/leaders of the Israeli people, and say to them, 'Yahweh God, the one your ancestors *worshiped*, the one Abraham, Isaac, and Jacob *worshiped*, appeared to me. He said to him/me, "I have been watching closely what the Egyptian people have done to you.

¹⁷ I promise that I will rescue you from being oppressed in Egypt, and *I will take you* to the land where the descendants of Canaan, Heth, Amor, Periz, Hiv, and Jebus *live*. It is a land good for raising livestock and growing crops [MTY]."¹⁸ My people will do what you say. Then you and their leaders must go to the king of Egypt, and you must say to him, 'Yahweh, who is God, the one we Hebrews *worship*, has revealed himself to us. So now we ask you to allow us to travel for three days to *a place* in the desert, in order that there we may offer sacrifices to Yahweh, our God.'

¹⁹ But I know that the king of Egypt will allow you to go only if he realizes I am *more powerful* [MTY] *than he is*.²⁰ So I will use my power [MTY] to strike/punish *the people of Egypt* [MTY] by performing many miracles there. Then he will allow you to leave.²¹ *When that happens*, I will cause the people of Egypt to respect you. *The result will be that* when you leave Egypt, ◇you will not go empty-handed/they will give you many *valuable* things to take with you◇.²² *At that time*, each *Israeli* woman will ask her *Egyptian* neighbors and each *Egyptian* woman who is living in her (OR, her neighbor's) house to *give her* some silver and gold jewelry and some *nice* clothes. *Each Egyptian*

woman will give them some, and you will put them on your sons and daughters *to take with you*. In that way you will ◇take away/confiscate◇ the wealth of the Egyptian people."

After Moses tried to resist Yahweh's appointment, Yahweh gave him power to perform miracles

4 Moses/I replied, "But what if *the Israeli people* ◇do not believe me/are not convinced◇ or not do what I tell them? What if they say, 'Yahweh did not appear to you!'"² Yahweh said to him/me, "*Look at that thing* you are holding in your hand. What is it?" He/I replied, "A ◇walking stick/shepherd's stick◇."³ He said, "Throw it down on the ground!" So, he/I threw it on the ground, and it became a snake! And he/I ran/jumped away from it.⁴ But Yahweh said to Moses/me, "Reach down and pick it up by its tail!" So he/I reached down and caught it, and *when he/I picked it up*, it became a stick in his/my hand *again*."

⁵ Yahweh said, "*Do the same thing* in front of the *Israeli people*, in order that they may believe that I, Yahweh God, the one Abraham and Isaac and Jacob *worshiped*, truly appeared to you."

⁶ Yahweh spoke to Moses/me again, saying "Put your hand inside your robe [MTY]!" He/I did that. And when he/I took it out again, *surprisingly*, his/my hand was white. It had a skin disease *that made it* as white as snow.⁷ Then God said, "Put your hand back inside your robe [MTY]!" So he/I did that, and when he/I took it out again, *surprisingly*, it was normal again, just like the rest of his/my body!⁸ God said, "*You can do that* in front of the *Israeli people*, *too*. If they do not pay attention to what you say because of *seeing* the first miracle, they will ◇believe you/be convinced◇ *when you perform* the second miracle.⁹ If they do not believe you or do what you say, even *after you perform* those two miracles, get some water from the Nile River and pour it on the ground. *When you do that*, the water from the river that you pour on the ground will become blood [MTY] (OR, *red like* blood)."

¹⁰ Moses/I replied, "O Yahweh! I am not an eloquent *speaker*! I was not an eloquent speaker before, and I have not become one since you started talking to me! I am not a good speaker [MTY], and I speak very slowly."¹¹ Then Yahweh said to him/me, "*You seem to forget* who it is that makes people able to speak [RHQ]! Who is it that enables people to be unable to speak or unable to hear, or able to see or not to see? It is I, Yahweh [RHQ]!"¹² So start going *to Egypt*, and I will help you to speak [MTY], and I will tell you what you should say."¹³ But he/I replied, "O, Yahweh, I ask you, please send someone else *instead*!"

¹⁴ Then Yahweh became very angry with Moses/me. He said, "*What about your older brother Aaron*, who is *also* a descendant of Levi? I know that he is a very good/eloquent speaker. He is actually on his way here *right now*, and he will be very happy to see you.¹⁵ You can talk to him and tell him what to say [MTY], and I

will help both of you [SYN] to know what to say [MTY]. And I will tell you both what you should do. ¹⁶ He will speak for you to the *Israeli* people. He will be \diamond your spokesman/as though he was your mouth \diamond [MET], and you will be to him as though you are *his* god. ¹⁷ *Be sure* to take with you the walking/shepherd's stick *that is in your hand*, because you will perform miracles with it."

God's instructions to Moses after Moses returned to Egypt

¹⁸ Moses/I returned to his/my father-in-law Jethro and said to him, "Please let me go back to Egypt, to see my fellow Israelis there. I want to know if they are still alive." Jethro said to Moses/me, "Go, and may *God give you inner peace*."

¹⁹ Yahweh said to Moses/me *before he/I left* Midian, "You can *safely* return to Egypt, because the men who were wanting to kill you [MTY] are *now* dead." ²⁰ So Moses/I took his/my wife and sons and put them on donkeys, and they/we returned to Egypt. And Moses/I took in his/my hand the stick that God *told him/me to take along*.

²¹ Yahweh said to Moses/me, "When you return to Egypt, be sure to perform all the miracles that I have given you power *to do*, while the king is watching. But I will make him stubborn [IDM], with the result that he will not let the Israeli people leave *Egypt*." ²² Then say to him, "This is what Yahweh says: "The Israeli *people* [MTY] are *as dear to me* as firstborn sons [MET]. ²³ I told you to let my people [MTY] leave *Egypt*, in order that they may worship me *in the desert*. If you refuse to let them go, I warn you, I will kill your firstborn son!"

Zipporah circumcised her son

²⁴ *One night*, as they were camping on the way to *Egypt*, Yahweh appeared to Moses/me. He wanted/threatened to kill Moses/me *for disobeying his command that boys/sons be circumcised*. ²⁵ Then his/my wife Zipporah took a flint knife and circumcised her son. Then she touched the boy's feet (OR, genitals) with the piece of skin *she had cut off*, and she said, "The blood *which flowed when I circumcised you* will protect you *from being harmed by Yahweh* [MET]." ²⁶ She said to him, "You are safe now [MET] because you have been circumcised." So Yahweh did not harm her son.

The Israeli people believed Moses when he and Aaron talked to them

²⁷ Yahweh said to Aaron, "Go into the desert to meet/see Moses!" So he went *there from Egypt* and met him/me at *Sinai*, the mountain dedicated to God, and *greeted him/me by kissing him/me on the cheek*. ²⁸ Moses/I told Aaron everything that Yahweh had said to him/me when he told him/me to return to

Egypt. He/I also told Aaron about all the miracles that Yahweh told him/me to perform.

²⁹ *So Aaron and Moses/I* returned to *Egypt*. There they/we gathered together all the Israeli elders/leaders. ³⁰ Aaron told them everything that Yahweh had told Moses/me, and Aaron performed *all* the miracles as the people watched. ³¹ They believed *that what they/we were saying was true*. When they heard that Yahweh had seen how the Israeli people were being cruelly oppressed and that he was going to help them, they bowed down and worshiped *Yahweh*.

The king refused to let the Israeli people go after Moses and Aaron talked to him

⁵ Then Aaron and Moses/I went to the king and *one of them/us* said, "Yahweh God, whom we Israeli people *worship*, says this *to you*: 'Let my people go to the desert, in order that they may have a feast to *honor me!*'" ² But the king said, "Who is Yahweh? Why should I pay attention to what he says and let the Israeli *people* [MTY] go? I do not know Yahweh! And furthermore, I will not let the Israeli *people* go!" ³ They/we replied, "Yahweh God, the one we Hebrews *worship*, has \diamond revealed himself/appeared \diamond to us *and told us what to tell you*. So we ask you to *please* let us go on a three day journey into the desert. We must offer sacrifices to Yahweh God *there*. *If we do not do that*, he will cause us to die [IDM] from diseases or from attacks *by our enemies* [MTY]." ⁴ But the king of Egypt said to them/us, "Moses and Aaron, \diamond stop trying to keep the Israeli people from working/why are you preventing the Israeli people from working? \diamond [RHQ] *Tell those slaves to return to work!*" ⁵ The king also said, "Listen *to me!* You people *who now live* in this land are now *more* numerous, and you want them *to stop working and rest!*"

The king increased the amount of work the Israelis were forced to do

⁶ That same day the king commanded the Egyptian slave bosses and the *Israeli* men supervising the slaves, ⁷ "Do not continue to give the *Israeli* people straw for making bricks, as you have done previously. Make them go *into the fields* and gather straw for themselves." ⁸ But require them to make the same number of bricks that they did before. Do not decrease the number at all. They \diamond are lazy/do not have enough work to do \diamond . That is the reason they are asking me to let them go *into the desert* to offer sacrifices to their god. ⁹ Force the men to work harder, so that they will not *have time* to listen to lies *from their leaders!*"

¹⁰ So the slave bosses and supervisors of the slaves went to where the *Israeli* people were and said to them, "The king has said that he will no longer give you any straw." ¹¹ *So you yourselves must go and get straw wherever you can find it. But you must still keep*

working to make the same number of bricks as before." [LIT] ¹² So the Israeli people went all over Egypt to find straw. ¹³ The slave bosses kept telling them insistently, "Finish the work you are required to do each day, *making the same amount of bricks as you did before, when we gave you straw!*" ¹⁴ *When they were not able to do that*, the slave bosses had the *Israeli supervisors beaten with sticks*, and they asked them, "Why have *all the men you are supervising* not been able to make *the same number of bricks today/now as they did before* [RHQ]?"

The king refused to pay attention to the complaints of the Israelis

¹⁵ Then the Israeli supervisors went to the king and complained, saying "Your Majesty, why are you treating us this way? ¹⁶ Now they are not giving us any straw *for making bricks*, but they keep commanding us to make bricks. And now sometimes they beat us. But it is the fault of your own slave bosses *that we cannot make as many bricks as before!*" ¹⁷ But the king said, "You are lazy and do not *want to work!* That is why you keep saying, 'Allow us to go *to the desert* and offer sacrifices to Yahweh.' ¹⁸ So go and get back to work! We are not going to give you any straw, but you must keep making the same number of bricks!"

¹⁹ The Israeli supervisors realized that they were in a difficult situation, because they had been told, "We are not going to decrease the number of bricks *you must make each day.*" ²⁰ As they left the king's *palace*, they met Aaron and Moses/me, who were waiting for them *there*. ²¹ They said to Aaron and Moses/me, "Yahweh has seen *what you two have done* He will punish you [MTY], because you have caused the king and his officials to despise us! You have given them an excuse [MTY] to kill us!"

²² Moses/I left them and prayed to Yahweh again, saying, "O Yahweh, why have you caused all these evil things to happen to your people [RHQ]? And why did you send me *here* [RHQ]? ²³ Ever since I went to the king and told him what you told me to say [MTY], he has treated your people very cruelly, and you have not done anything to help/rescue them!"

Yahweh promised to rescue them

6 Then Yahweh said to Moses/me, "Now you will see what I will do to the king *and his people*. I will powerfully [MTY] compel him to let my people go. In fact, by my power [MTY] *I will force* him to expel them from his land!"

² God also said to Moses/me, "I am Yahweh. ³ I am the one who appeared to Abraham, Isaac, and Jacob, and *told them that I was God Almighty*, but I did not *tell them that my name was Yahweh*. ⁴ I also made my solemn agreement with them, promising to give them the Canaan region. That was the area in which they were living as foreigners. ⁵ Furthermore, I have heard

the Israeli people as they were groaning *because of the hard work that the Egyptians forced them to do as their slaves*. I have thought about that solemn promise *that I made*. ⁶ So tell the Israeli people that *I said this*: 'I am Yahweh. I will free you from the burdens of heavy work that the Egyptians *have given you*. I will free you from being their slaves. With my great power [MTY] and by punishing them [MTY] very severely, I will save you. ⁷ I will cause you to be my own people, and I will be your God, *the one you worship*. You will truly know that I, Yahweh your God, am the one who has freed you from the burdens of work as slaves of the Egyptians. ⁸ And I will bring you to the land that I solemnly promised to give to Abraham, to Isaac, and to Jacob. You will possess it *forever*. I, Yahweh, am *promising this*.'"

⁹ Moses/I told that to the Israeli people, but they did not believe what he/I said. They were very discouraged [IDM] because of the hard work *that they had been forced to do as slaves*.

Aaron and Moses gave God's message to the king again

¹⁰ Yahweh said to Moses/me, ¹¹ "Go and tell the king of Egypt *again* that he must allow the Israeli people to leave his land!" ¹² But Moses/I said to Yahweh, "Listen *to what I am saying*. Even the Israeli people have not paid attention to what I *told them*. But I am a poor speaker. [MET, MTY] So *why* should the king pay attention to what I tell him?/the king will certainly not pay attention to what I *tell him!*" [RHQ] ¹³ But Yahweh spoke to Aaron and Moses/me and commanded them/us, "Tell the Israeli people and the king of Egypt that I have *commissioned you two* to lead the Israeli people out of Egypt."

The ancestors of Moses and Aaron

¹⁴ *Here is/I will now give you* a list of the ancestors of *Moses/me and Aaron*:

The sons of Reuben, who was Jacob's oldest son, were Hanoch, Pallu, Hezron, and Carmi. They were *ancestors of the clans that have those same names*.

¹⁵ The sons of Simeon were Jemuel, Jamin, Ohad, Jachin, Zohar, and Shaul. Shaul's mother was a woman from the Canaan people-group. Those men also were *ancestors of clans that have those same names*.

¹⁶ These are the names of the sons of Levi, in the order in which they were born: Gershon, Kohath, and Merari. Levi was 137 years old *when he died*.

¹⁷ The sons of Gershon were Libni and Shimei. They were ancestors of clans that have those names.

¹⁸ The sons of Kohath were Amram, Izhar, Hebron, and Uzziel. Kohath was 133 years old *when he died*.

¹⁹ The sons of Merari were Mahli and Mushi. All of those people whose names *I have listed* belonged to tribes/clans descended from Levi, in the order in which they were born.

²⁰ Amram married his father's sister, Jochebed. She was the mother of Aaron and Moses/me. Amram was 137 years old *when he died*.

²¹ The sons of Izhar were Korah, Nepheg, and Zichri.

²² The sons of Uzziel were Mishael, Elzaphan, and Sithri.

²³ Aaron married Elisheba. She was the daughter of Amminadab and sister of Nahshon. Elisheba gave birth to *four sons*: Nadab, Abihu, Eleazar, and Ithamar.

²⁴ The sons of Korah *were* Assir, Elkanah, and Abiasaph. They were the ancestors of the Korah people-group.

²⁵ Aaron's son Eleazar married one of the daughters of Putiel, and she gave birth to Phinehas. *That ends the list of the families and clans that were descended from Levi.* ²⁶ Aaron and Moses/I were the ones to whom Yahweh said, "Lead all the families and clans of the Israeli people out of Egypt." ²⁷ They/We were the ones who spoke to the king of Egypt about bringing the Israeli people out of Egypt. ²⁸ On the day that Yahweh spoke to Moses/me in Egypt, ²⁹ he said, "I am Yahweh. You must tell the king everything that I say to you." ³⁰ But Moses/I said to Yahweh, "Listen to me. I am not a good speaker. [MET, MTY] So \diamond /the king will certainly not pay attention to what I say/why should the king pay attention to what I tell him? \diamond !" [RHQ]

Yahweh instructed Moses and Aaron

⁷ Then Yahweh said to Moses/me, "Listen *carefully*. Just like I enabled prophet to speak my messages, I will cause the king to consider that you are like a god, and that Aaron is like a prophet. ² You must tell everything I command you to tell to your older brother Aaron, and he will tell that to the king. He must tell the king to let the Israeli people leave his land. ³ But I will make the king stubborn [IDM]. As a result, even though I perform many kinds of \diamond miracles/terrifying things \diamond [DOU] here in Egypt, ⁴ the king will not pay any attention to what you say. Then I will punish [MTY] the people of Egypt [MTY] very severely [MTY], and I will lead/bring the tribes of the Israeli people out of Egypt. ⁵ Then, when I show my great power [MTY] to the Egyptian people and bring the Israeli people out from among them, they will know that I, Yahweh, have the power to do what I say that I will do."

⁶ Aaron and Moses/I did what Yahweh told them/us to do. They/We went and spoke to the king. ⁷ At that time, Moses/I was 80 years old, and Aaron was 83 years old.

Aaron made his stick become a snake, but that did not influence the king

⁸ Yahweh said to Moses/me, ⁹ "If the king says to you, 'Prove that God sent you by performing a miracle,' then say to Aaron, 'Throw your stick down in front of the king, in order that it may become a snake.'"

¹⁰ So Aaron and Moses/I went to the king and did what Yahweh had commanded *them/us to do*. Aaron threw his stick down in front of the king and his officials, and it became a snake. ¹¹ Then the king summoned his sorcerers and men who performed magic. They did the same thing, using their magic. ¹² They all threw down their sticks, and they became snakes. But Aaron's stick, *which had become a snake*, swallowed up all their sticks! ¹³ But the king continued to be stubborn [IDM], just as Yahweh had predicted, and he would not pay attention to *what Aaron and Moses/I said*.

Moses and Aaron caused the Nile River to become red

¹⁴ Then Yahweh said to Moses/me, "The king is very stubborn [IDM]. He refuses to allow *my* people to go. ¹⁵ So tomorrow morning, go to him as he is going down to the Nile River to bathe. Wait for him at the riverbank. *When he comes out of the water, show him the stick, the one which became a snake.* ¹⁶ Say to him, 'Yahweh God, the one we Hebrews worship, sent me to you to tell you to let my people go, in order that they may worship him in the desert. *We told you that, but you have not paid any attention to it.* ¹⁷ So now Yahweh says this: "This is the way you will know that I, Yahweh, have the power to do what I say that I will do. Watch this: I am going to strike the water that is in the Nile River with the stick that is in my hand. *When I do that, the water will become blood (OR, red like blood [MTY]).* ¹⁸ Then the fish in the Nile River will die, and the water in the river will stink, and the Egyptians will not be able to drink water from the Nile River.'"

¹⁹ Yahweh said to Moses/me, "When you are talking to the king, say to Aaron, 'Hold your stick out as though you were holding it over the water in Egypt—over the rivers, the canals, the ponds, and over the pools of water, in order that *all of it* may become red like blood.' When Aaron does that, there will be blood throughout Egypt, even in wooden jars and in stone jars."

²⁰ So Aaron and Moses/I did what Yahweh commanded. As the king and his officials were watching, Aaron lifted up his stick and then struck the water in the Nile River with it. And all the water in the river turned red like blood. ²¹ Then all the fish died. And the water stank, with the result that the Egyptians could not drink water from the river. Everywhere in Egypt the water became red like blood. ²² But the men who performed magic did the same thing using their magic. So the king remained stubborn [IDM], and he would not pay attention to what Aaron and Moses/I said, just as Yahweh had predicted. ²³ The king turned and went back to his palace, and he did not think anymore about it [IDM]. ²⁴ The Egyptians [HYP] dug into the ground near the Nile River to get water to drink, because they could not drink the water from the river.

Moses and Aaron caused frogs to appear everywhere

²⁵ ♦ One week/Seven days ♦ passed after Yahweh caused the water in the Nile River to become red like blood.

⁸ Then Yahweh said to Moses/me, “Go back to the king and tell him, ‘Yahweh says that you must let my people go, in order that they can worship me *in the desert*.’² But if you refuse to let them go, I will punish you by sending frogs to cover your country.³ *Not only* will the Nile River be full of frogs, *but* the frogs will come up *out of the river* into your palace. They will come into your bedroom and onto your bed. They will be in the houses of your officials and all *the rest of* your people. They will even get into your ovens and your pans for mixing the materials for baking bread.⁴ The frogs will jump up on you and your officials and *all the rest of* your people.”

⁵ Yahweh *also* said to Moses/me, “Say this to Aaron: ‘Hold your stick in your hand and stretch it out *as though you were stretching it* over the river, the canals, and over the pools, and cause frogs to come up *from all this water and* cover the land of Egypt.”⁶ After Moses/I told that to Aaron, he stretched out his hand *as though he were stretching it* over all the water in Egypt. And the frogs came up *from the water and* covered Egypt.⁷ But the men who performed magic did the same thing, and they caused *more* frogs to come up *from the water onto the land*.⁸ Then the king summoned Moses/me and said, “Ask Yahweh to take away these frogs from me and my people. After that happens, I will allow your people to go, in order that they can offer sacrifices to Yahweh.”⁹ Moses/I said to the king, “I will be glad to pray for you and for your officials and for *the rest of* your people. *I will ask Yahweh* to get rid of the frogs from all your houses. The only frogs left will be *those* in the Nile River. Just tell me when I should pray.”¹⁰ He replied, “Tomorrow.” So Moses/I said, “*I will do* what you say, and then you will know that Yahweh God, the one we *worship, is the only true god*, and that there is no other god like him.¹¹ The frogs will leave you and your officials and all *the rest of* your people. The only ones left will be in the Nile River.”

¹² Aaron and Moses/I left the king. Then Moses/I prayed to Yahweh, *asking him to take away* all the frogs he had *brought to the king's land*.¹³ And Yahweh did just what Moses/I *asked him to do*. As a result, all the frogs in the houses, in their courtyards, and in the fields died.¹⁴ The people gathered together all the dead frogs into big piles, and the land stank *from the smell*.¹⁵ But when the king saw that *the problem was ended*, he became stubborn [IDM] *again*. And just as Yahweh had predicted, he would not pay attention to what Aaron and Moses/we told him.

Moses and Aaron caused the land to be full of gnats

¹⁶ Then Yahweh said to Moses/me, “Tell Aaron to strike the ground with his stick. *When he does that*, all the fine particles of ground/dust will become gnats, all over the land of Egypt.”¹⁷ So they/we did that. Aaron struck the ground with his stick, and all over Egypt, the fine particles of ground/dirt became gnats. The gnats covered the people and all *their* animals.¹⁸ The men who worked magic tried to cause gnats to appear, but they were unable to do it. So the gnats *stayed* on the Egyptian people and on their animals.¹⁹ The men who worked magic said to the king, “It is God who has done this with his power [MTY]!” But the king continued to be stubborn [IDM], and he would not pay attention to us, just as Yahweh had predicted.

Moses and Aaron caused the land to be filled with flies

²⁰ Then Yahweh said to Moses/me, “Get up early *tomorrow morning*. Go down to the river and wait for the king. *When he comes to bathe* [MTY], say to him, ‘This is what Yahweh says to you: “Let my people go, in order that they may worship me *in the desert*.”²¹ *I warn you that* if you do not let my people go, I will send swarms of flies to you. They will come down on you and on your officials and on *the rest of* your people. The houses of all you Egyptians will be full of flies. They will *even* cover the ground.²² But when that happens, I will treat the Goshen region, where my people live, differently. There will be no swarms of flies there. In that way, you will know that I, Yahweh, am doing these things *here* in this land.²³ I will distinguish clearly between *how I act toward* my people and *how I act toward* your people. And this plague is going to happen tomorrow!”

²⁴ Early the next morning, Moses/I told that to the king, *but the king would not pay any attention*. So Yahweh did what he said he would do. He sent great swarms of flies into the palace of the king and into the houses of his officials. The whole country of Egypt was ruined by the flies.²⁵ Then the king summoned Aaron and Moses/me and said, “You Israeli people can go and offer sacrifices to your god, *but you must do it here in this land*.”²⁶ But Moses/I replied, “It would not be right *for us* to do that, because we will be offering sacrifices that are very offensive to the Egyptian people. If we offer sacrifices that the Egyptian people think are disgusting, they will kill us by throwing stones at us [RHQ]!”²⁷ No, we need to travel for three days into the desert. There we will offer sacrifices to Yahweh, the God we worship, just as he commands (OR, has commanded) us.”²⁸ So the king said, “I will let your people go to offer sacrifices to Yahweh, your god, in the desert. But you must not go very far. *Now pray for me!*”²⁹ Moses/I said, “Listen to me! After I leave you, I will pray to Yahweh, *asking that tomorrow he will cause* the swarms of flies to leave you and your

officials and *the rest of* your people. But do not deceive us again by refusing to let our people go to offer sacrifices to Yahweh!"

³⁰ Then Moses/I left the king and prayed to Yahweh. ³¹ And Yahweh did what Moses/I asked, and he got rid of the swarms of flies from *around* the king and his officials and *the rest of* his people. No flies remained. ³² But the king was stubborn [IDM] this time also, and he did not allow the Israeli people to go.

Yahweh sent a terrible disease to afflict the Egyptians' livestock

⁹ Then Yahweh said to Moses/me, "Go to the king and say to him, 'This is what Yahweh, the God *we* Hebrews *worship*, says: "Allow my people to go, in order that they may worship me. ² If you still keep refusing to let them go [DOU], ³ I warn you that I will punish you with my power [MTY] by sending a terrible disease on all your animals—on your horses, donkeys, camels, on your cattle, and on your flocks of *sheep and goats*. ⁴ But I, Yahweh, will distinguish between *what I do to* the animals that belong to the Israeli people and *what I do to* your animals. The result will be that no animal that belongs to the Israeli people will die." ⁵ Tell him that I have determined/decided that tomorrow is the day that I will do this in this land."

⁶ The next day Yahweh did just what he said *that he would do*. A terrible disease afflicted all of the Egyptians' animals, and many of them [HYP] died. But none of the Israeli people's animals died. ⁷ The king sent *men to investigate*, and they were surprised *to see* that none of the Israeli people's animals had died. But *after they reported that to* the king, he continued to be stubborn [IDM], and he did not let the *Israeli* people go.

Yahweh caused the Egyptian people to be afflicted with boils

⁸ Then Yahweh said to Aaron and Moses/me, "Take a few handfuls of ashes/soot from \diamond a furnace/an oven where they burn lime \diamond , and let Moses throw them up into the air, in front of the king. ⁹ The *ashes/soot* will spread all over the country of Egypt like fine dust. And the ashes/soot will cause boils to afflict both the Egyptian people and their animals, all over the land." ¹⁰ So they/we both got some ashes/soot and *went and* stood in front of the king. Moses/I threw the ashes/soot up into the air. The ashes/soot spread all over, causing boils to afflict the *Egyptian* people and their animals. All the boils became open sores. ¹¹ Even the men who worked magic had boils. The result was that *they were suffering so much that* they were not able to come to Moses/me, because the men who worked magic had boils just like all *the rest of* the Egyptian people. ¹² But Yahweh caused the king to *continue to* be stubborn [IDM]. He did not pay any attention to

what they/we *said*, just as Yahweh had told Moses/me *would happen*.

Yahweh sent hail on all the Egyptian people and their animals

¹³ Then Yahweh said to Moses/me, "Get up early *tomorrow* morning. Go and stand in front of the king and tell him that Yahweh God, the one that the Hebrew people *worship*, says this: 'Let my people go, in order that they may worship me *in the desert*. ¹⁴ If you do not let them go, this time I will *punish* with plagues *not only* your officials and the rest of your people, but I will punish you yourself [SYN], in order that you will know there is no *god* like me anywhere in the world. ¹⁵ By this time I could have used my power [MTY] to strike you and your people with terrible diseases that would have wiped you all from the earth. ¹⁶ But I have let you live. The reason I have let you live is to show you my power, with the result that *people* all over the earth [HYP] will know how great I [MTY] am. ¹⁷ You are still acting proudly and refusing to let my people go. ¹⁸ So listen *to this*: About this time tomorrow I will cause very heavy hail to fall *in Egypt*. From the time Egypt first became *a country*, there has never been a hailstorm *as bad as this one will be*. ¹⁹ So you should send *a message to everyone* to put their cattle, and everything else that they own that is *out* in the fields, under shelters. The hail will fall on every person and every animal that is out in the fields and that is not put under a shelter, and they will all die." *So Moses/I did what Yahweh said*.

²⁰ Some of the king's officials who heard what Yahweh had said became very afraid. So they put all their animals and their slaves under shelters. ²¹ But those who did not pay any attention to what Yahweh had said left their slaves and their animals in the fields. ²² Then Yahweh said to Moses/me, "Raise your hand up toward the sky, in order that hail will fall all over the land of Egypt—on the people and on their animals and on all the plants in the fields." ²³ So Moses/I lifted his/my stick up toward the sky. And Yahweh sent down hail, all over the land of Egypt. There was also thunder and lightning. ²⁴ While very heavy hail was falling, there was thunder, and lightning struck the ground. There had never been a hailstorm like that since Egypt first became a country. ²⁵ The hail struck everything that was in the fields all over Egypt—every person and every animal. The hail destroyed the plants in the fields and stripped *the leaves off* the trees. ²⁶ Only in the Goshen region, where the Israeli people were *living*, was there no hail.

²⁷ Then the king sent *someone* to summon Aaron and Moses/me. *When they/we came to the king*, he said to them/us, "This time *I admit that* I have sinned. What Yahweh *has done* is right, and what I and my people *have done* is wrong. ²⁸ \diamond Pray to/Plead with \diamond Yahweh *to cause it to stop!* We cannot endure any

more of this thunder and hail! I will let your people go; they do not have to stay *here in Egypt* any longer."

²⁹ Moses/I replied, "As soon as I go out of this city, I will lift up my hands *and pray* to Yahweh. Then the thunder will cease, and no more hail *will fall*. *This will happen* in order that you will know that Yahweh, *not your gods*, controls everything *that happens* on the earth. ³⁰ But as for you and your officials, I know that you do not yet fear Yahweh God."

³¹ When the hail fell, the flax was ruined because the buds were forming, and the barley was ruined because its grain was ripe. ³² But none of the wheat crops was ruined, because their shoots were still very small.

³³ So Moses/I left the king and went outside the city. He/I lifted up his/my hands toward Yahweh *and prayed*. Then the thunder and the hail stopped, and the rain also stopped falling on the land *of Egypt*.

³⁴ But when the king saw that the rain and the hail and the thunder had stopped, he sinned again. He and his officials continued to be stubborn [IDM]. ³⁵ So, just as Yahweh had predicted by what he told Moses/me, the king did not allow the Israeli people to leave.

Yahweh sent locusts to destroy the rest of the Egyptians' crops

10 Then Yahweh said to Moses/me, "Go to the king *again*. I have made him and his officials stubborn [IDM]. I have done that in order that I would *have a good reason* to perform all these plagues among them, ² and also in order that you would *be able* to tell your children and your grandchildren how I caused the Egyptians to act very foolishly *when* I performed all these miracles. Then all of you will know that I, Yahweh, *have the power* to do what I say that I will do."

³ So Aaron and Moses/I went into the king's *palace* and said to him, "Yahweh God, whom we Hebrews *worship*, says this: 'How long will you stubbornly refuse to do what I tell you [MTY]? Let my people go, in order that they may worship me *in the desert*'⁴ If you *keep* refusing to let them go, I warn you that tomorrow I will bring *locusts/ large flying insects called locusts*⁵ into your country. ⁵ *They will completely cover the ground* so that you will not even be able to see the ground. They will eat everything that the hail did not *destroy*. They will eat *everything that is left* on the trees. ⁶ They will fill your houses, and the houses of all your officials, and the houses of all *the rest* of the Egyptians. *There will be more locusts* than you or your parents or your grandparents have ever seen, from the time your ancestors first came to *this* land until the present time!" Then he/I turned and Aaron and I left the king.

⁷ The king's officials said to him, "How long is this man going to continue to bring disasters on us?/We must not let this man continue to cause trouble for us!⁸ [RHQ] Let the *Israeli* men leave, in order that

they may worship Yahweh, their god. ⁹ Do you not yet understand that *this man* has ruined Egypt?/You ought to realize by now that *this man* has ruined Egypt!¹⁰" [RHQ] ⁸ So they brought Aaron and Moses/me back to the king. He said to them/us, "*All right*, you can go and worship Yahweh your god. But who are the ones who will go?" ⁹ Moses/I replied, "*We all* need to go, everyone, including those who are young and those who are old. We need to take our sons and our daughters and our flocks *of sheep and goats* and herds *of livestock*, because we must have a festival to *honor* Yahweh."

¹⁰ Moses/I really did not intend that the Israelis would ever return to Egypt, and the king knew that also. So the king replied *sarcastically*, "*If you all leave*, it will be clear that Yahweh has helped you, but I myself will never let you *take* your children *and your wives* when you go! It is clear that you are wickedly planning *not* to return. ¹¹ So no, *I will not* let you all go. The *Israeli* men may go *and worship* Yahweh, if that is what you want." Then the king expelled them/us from *his palace*.

¹² Then Yahweh said to Moses/me, "Reach out your hand *as though you were stretching* it over the land to welcome the locusts. They will come to the country of Egypt and eat every plant that is *left* in the land, every plant that the hail has not destroyed."

¹³ So Moses/I held out his/my stick *as though he/I was stretching* it over the whole land of Egypt. Then Yahweh caused a *strong* wind to blow from the east, and it blew over the land all that day and all that night. By the *next* morning, it had brought the locusts.

¹⁴ The locusts swarmed all over Egypt. It was larger than any swarm of locusts that had ever *been seen*, and there will never be *a swarm of locusts like that* again. ¹⁵ They covered the surface of the ground and made it *appear* black. They ate all the plants in the land and everything on the trees that had not been destroyed by the hail. Nothing that was green was left on any plant or on any tree, anywhere in Egypt.

¹⁶ The king quickly summoned Aaron and Moses/me and said, "I have sinned against Yahweh, your god, and against you *two*. ¹⁷ So now I ask you to forgive me this one time *for having* sinned, and pray to Yahweh your god to stop *these locusts* [MTY] *from causing everything* to die."

¹⁸ They/We left the king, and Moses/I prayed to Yahweh. ¹⁹ Then Yahweh changed the wind so that it blew *strongly* from the west, and it blew all the locusts into the Red Sea (OR, the Gulf of Suez). There was not one locust left anywhere in the country of Egypt.

²⁰ But Yahweh made the king stubborn [IDM] *again*, and he did not let the Israeli people go.

Yahweh caused a great darkness to cover Egypt

²¹ Yahweh said to Moses/me, "Reach your hand up toward the sky, in order that there will be darkness over all the land of Egypt, a darkness *so complete* that

people will have to grope around *to know where to walk.*" ²² So Moses/I reached his/my hand toward the sky, and it became totally dark all over Egypt for three days *and nights.* ²³ People could not see each other. No one left his house during that whole time. But there was light in the area where the Israeli people were living.

²⁴ The king summoned Moses/me and said, "All right, you may go and worship Yahweh. *Your wives and your children may go with you. But your flocks of sheep and goats and your herds of cattle must remain here.*" ²⁵ But Moses/I replied, "*No, you must let us take along the sheep and goats, in order that we may have some of them to sacrifice and give as burned offerings to Yahweh, our God.*" ²⁶ Our livestock must also go with us; we are not going to leave one of them [SYN] behind. We must take them to worship Yahweh. We will not know *which animals to sacrifice* until we get to where we are going."

²⁷ But Yahweh made the king *continue to be stubborn* [IDM], and he would not let *the Israeli* people go. ²⁸ The king said to me, "Get out of here! Make sure that you never come to see me [SYN] again! The day you see me again, *I will have you executed!*"

²⁹ Moses/I replied, "You are correct! You will never see me [SYN] again!"

Yahweh declared that all the oldest sons of the Egyptians would die, and then the king's officials would plead for the Israeli people to leave Egypt

11 Then Yahweh said to Moses/me, "I will cause one more disaster to strike the king of Egypt and all his people [MTY]. After that, he will let you leave. In fact, he will expel you all. ² So now speak to all the *Israeli* people. Tell them to ask all their *Egyptian* neighbors, both men and women, to give them some silver and gold jewelry." ³ Yahweh made the Egyptians highly respect the Israeli people. In particular, the Egyptian officials and all *the rest of* the people considered Moses/me to be a very great man.

⁴ Then Moses/I *went to the king and* said, "This is what Yahweh says: 'About midnight *tonight* I will go throughout Egypt, ⁵ and I will cause all the firstborn/oldest *sons* to die. That will include your oldest son, the oldest sons of the slave women who grind grain, *and the oldest sons of everyone else.* I will also kill the oldest males of the Egyptians' livestock. ⁶ When that happens, people all over Egypt will wail loudly. They have never wailed like that before, and they will never wail like that again. ⁷ But among the Israeli people *it will be so quiet that* not even a dog will bark! Then you will know for sure that I, Yahweh, distinguish *how I act toward* the Egyptians and *how I act toward* the Israeli people. ⁸ Then all these officials of yours will come and bow down before me and will say, "Please get out of Egypt, you and all the Israeli people!"' After that, I will leave Egypt!" *After Moses/I said that,* he/I very angrily left the king.

⁹ Then Yahweh said to Moses/me, "The king will not pay any attention to what you say. The result will be that I will perform more plagues in the land of Egypt."

¹⁰ Aaron and Moses/I performed all these miracles in front of the king, but Yahweh made the king stubborn, and he did not let the Israeli people leave his country.

Yahweh instructed Moses and Aaron about the Passover Festival

12 Yahweh said to Aaron and Moses/me there in Egypt, ² "*From now on,* this month *will be* the first month of the year for you. ³ Tell all the Israeli people that in each family, the man who heads the family must select a lamb or a young goat for his household. ⁴ If there are not enough people in his family to eat a whole *cooked* lamb, then his family and the family that lives next door may share one animal. Decide how many lambs you need according to the number of people in each family, and according to how much each person can eat. ⁵ The lambs or goats that you choose must be males, one-year-old, and they must not have any defects. ⁶ You must take *special* care of these animals until the 14th day of the month. On that day, all the Israeli people must slaughter the lambs *or goats* in the evening. ⁷ Then they must take some of the blood *from the lambs or goats,* and they must smear it on the doorposts and the \diamond lintels/horizontal beams above the doorways \diamond of the houses in which they will eat the meat. ⁸ They must roast the animals immediately and eat the meat that night. They must eat it with bread that is baked without yeast and with bitter herbs. ⁹ You must not eat any of the meat raw, and you must not boil the meat. You must roast it *whole,* without cutting off the head or the legs or removing the internal parts. ¹⁰ You must eat all the meat that evening; do not let any of the meat remain *to be eaten* the next morning. If any of the meat is left until the next morning, you must *completely* burn it.

¹¹ When you eat it, you must be dressed ready to travel, and you must eat it quickly. You must have your sandals on your feet and your walking stick in your hands. It will be a festival *called* Passover to *honor* me, Yahweh. ¹² On that night I will go through all the country of Egypt, and I will kill all the oldest males in Egypt, both humans and animals. *By doing this* I will show that all the gods in Egypt are worthless. *I can do this,* because I am Yahweh, *the all-powerful God.*

¹³ The blood *that you smear on the doorways will be a mark to indicate* the houses in which you *Israelis* live. When I see the blood, I will *ignore and pass by* those houses, and I will not harm you *Israelis who live there,* when I punish the Egyptians.

¹⁴ *Each year,* you must celebrate this festival on this day, to remember *what I, Yahweh, have done for you.* In all the generations to come, *each year* you must celebrate *this festival. It must continue* forever. ¹⁵ For seven days you must eat bread that has no yeast in it.

On the first day of that week you must get rid of all the yeast that is in your houses. During those seven days, if anyone eats bread that is baked with yeast in it, *you must consider* that person to be no longer an Israeli.

¹⁶ On the first day of that week, you must ◊have a holy meeting/gather together to worship me◊. You must do the same thing on the seventh day. People must not work on those two days. The only work they may do is to prepare food for you to eat.

¹⁷ Every year you must keep celebrating this festival of eating bread that has no yeast in it, because it will remind you that it was on this day that I brought all your tribal groups out of Egypt. So every year, in all the generations to come, you must celebrate this day as a festival. It must continue forever. ¹⁸⁻¹⁹ In the first month of the year, on the 14th day of that month, the only bread you may eat is bread that has no yeast in it. You must keep doing that each day until the 21st day of that month. For those seven days you must not have any yeast in your house. During that time, if anyone, either an Israeli or a foreigner, eats bread made with yeast, you must consider that person no longer to be an Israeli. ²⁰ In your houses, do not eat anything that has yeast in it during those seven days."

²¹ Then Moses/I summoned all the leaders of the Israeli people. He/I said to them, "Each family should select a lamb and kill it, in order that you may eat it to celebrate the festival that will be called 'Passover'.

²² Let the lamb's blood drain into a basin. Get a bunch/sprig of ◊hyssop/a very leafy plant◊ and dip it in the blood. Then smear some of the blood on the doorposts and the ◊lintels/beams above the doorways◊ of your houses. The people in each house must all stay inside the house until the next morning.

²³ When Yahweh goes throughout Egypt to kill the oldest male in each Egyptian family, he will see the blood on the ◊lintels/beams of your doorways◊, and he will ignore and pass by those houses. He will not allow the angel who causes people to die to enter your houses and kill any of your oldest sons. ²⁴ You and your descendants must celebrate this festival forever. ²⁵ And when you arrive in the land that Yahweh will be giving to you as he promised, you must keep celebrating this ritual every year. ²⁶ When your children ask you, 'What does this ritual mean?', ²⁷ you must tell them, 'This ritual is to remember how our ancestors sacrificed lambs on the night that Yahweh's angel passed by the houses of the Israeli people when they were in Egypt. He killed the oldest males/sons in all the Egyptian houses, but he spared the sons in [MTY] our houses.'" After Moses/I told them this, they all bowed their heads and worshiped Yahweh. ²⁸ Then the Israeli people did what Yahweh had told Aaron and Moses/me to tell them to do.

Yahweh killed all the oldest Egyptian males

²⁹ At midnight Yahweh killed all the oldest sons of the Egyptian people, all over Egypt. That included the

king's oldest son, the oldest sons of the prisoners in the dungeon/jail, and the oldest sons of everyone else. He also killed the oldest males of all the Egyptians' livestock. ³⁰ That night the king, all his officials, and all the rest of the Egyptian people awoke and discovered what had happened. They wailed loudly all over Egypt, because in every house, someone's son had died.

The Israeli people left Egypt

³¹ That night the king summoned Aaron and Moses/ me and said, "You and all the other Israeli people, must leave my country immediately! Go and worship Yahweh, as you requested! ³² Take your flocks of sheep and goats and herds of cattle, and leave! And ask Yahweh to bless me, also!"

³³ Then the Israeli people did as Moses/I had told them. They went to their Egyptian neighbors and asked them for silver and gold jewelry and clothing. ³⁴ Yahweh caused the Egyptian people to greatly respect the Israeli people, so they gave them what they asked for. In that way, they carried away the wealth of the Egyptian people. ³⁵ The Egyptians urged the Israeli people to leave their country quickly. They said, "If you do not do that, we will all die!" ³⁶ So the Israeli people prepared to leave at once. They took the bowls in which they mixed the dough to make bread, and the dough that was in the bowls without any yeast in it, and they wrapped the bowls in their cloaks. They put the bowls on their shoulders and left.

³⁷ The Israeli people traveled from Rameses city to Succoth town. There were about 600,000 men who went, in addition to the women and children. ³⁸ Many other people who were not Israelis went along with them. There were also livestock, the flocks of sheep and goats and herds of cattle. ³⁹ On their way, they baked bread with the dough that they carried with them when they had been expelled from Egypt. The dough did not have yeast in it, because they were told to leave Egypt so quickly that they did not have enough time to get food ready to take with them, or enough time to mix yeast in the dough.

⁴⁰ The Israeli people had lived in Egypt 430 years. ⁴¹ On the day that those 430 years ended, on that very day, all the tribes of Yahweh's people left Egypt. ⁴² It was a night when Yahweh ◊protected/guarded over◊ them as he brought them out of Egypt. So this same night every year is a night that is dedicated to Yahweh, a night when the Israeli people in every generation remember how Yahweh protected our ancestors.

Yahweh instructed Moses and Aaron about future Passover festivals

⁴³⁻⁴⁴ Then Yahweh said this to Aaron and Moses/me: "These are my instructions about the Passover ritual: Do not let foreigners eat the Passover meal. But any male slaves that you have bought may eat it after you have circumcised them. ⁴⁵ Do not let people who are

living among you temporarily, or servants whom you have hired, eat *the Passover meal*.⁴⁶ Each family must eat the Passover meal inside their own house. Do not take any of the food outside the house. And do not break any of the bones of the lamb that is sacrificed.

⁴⁷ All the Israeli people must celebrate this festival.

⁴⁸ When someone from another country comes to live with you and wants to celebrate the Passover Festival, circumcise all the males in his household. Then they may eat the Passover meal, and you should treat those people as though they were born as Israelis. But do not allow men who have not been circumcised to eat the Passover meal. ⁴⁹ These rules apply to people who were born as Israelis and to foreigners who come and live among you."

⁵⁰ All the Israeli people obeyed Aaron and Moses/me and did what Yahweh had commanded. ⁵¹ On that very day Yahweh brought all the tribes of the Israeli people out of Egypt.

Yahweh gave Moses instructions about dedicating the firstborn sons

13 Yahweh said to Moses/me,² "Set apart all the firstborn males in order that they may belong to me. The firstborn males of the Israeli people and of their animals will be mine."

Moses instructed them about future celebrations of the Festival of Unleavened Bread

³ Moses/I said to the people, "Do not forget this day! This is the day that you are leaving Egypt. This is the day you *are freed from* being their slaves. Yahweh has brought you out of Egypt by his great power [MTY]. Do not eat any bread that has yeast in it *whenever you celebrate* this day. ⁴ You are leaving Egypt on this day, which is the first day of the month that is *named* Abib.

⁵ Later, when Yahweh brings you into the land where the descendants of Canaan, Heth, Amor, Hiv, and Jebus *now live*, the land that he solemnly promised to give to you, a land that will be very good for raising livestock and growing crops [MTY], you must celebrate this festival during this month *every year*. ⁶ For seven days the bread that you eat must not have any yeast in it. On the seventh day there must be a festival to *honor* Yahweh. ⁷ For seven days do not eat bread that has yeast in it. You should not have any yeast or bread made with yeast anywhere in your land. ⁸ On the day *the festival starts*, you must tell your children, '*We are doing this to remember* what Yahweh did for our ancestors when they left Egypt. ⁹ This ritual will remind you how Yahweh brought your ancestors out of Egypt with his great power [MTY]. *The ritual will be like something* you tie on your forehead or on your wrist. It will remind you to recite to others what Yahweh has instructed you. ¹⁰ So you must celebrate this festival every year at the time *Yahweh* has appointed.'

¹¹ Yahweh will bring you into the land where the descendants of Canaan live, just as he promised you and your ancestors that he would do. When he gives that land to you, ¹² you must dedicate to Yahweh the firstborn males of all your animals. These all will belong to Yahweh. ¹³ You may keep the firstborn male donkeys, but you must buy them back by sacrificing a lamb as a substitute for the donkey. If you do not want to buy back the donkey, you must *kill it by* breaking its neck. You must also buy back every one of your own firstborn sons. ¹⁴ In the future, when one of your children asks, 'What does this mean?', you must say to him, 'Yahweh brought our ancestors out of Egypt with his great power [MTY], and freed us from being slaves there. ¹⁵ The king of Egypt stubbornly refused to let them leave his country, so Yahweh killed all the firstborn males in Egypt, both the boys and the firstborn of their livestock. That is why we now sacrifice to Yahweh all the firstborn of our livestock, but we buy back our own firstborn sons.' ¹⁶ I repeat that this ritual will remind you about how Yahweh brought our *ancestors* out of Egypt by his great power [MTY]; it will be like something you tie on your wrist or on your forehead *to remind you of that*."

God led them to detour through the desert

¹⁷ When the king *of Egypt* let the *Israeli* people go, God did not lead them to go through the land of the Philistines. That was a shorter way, but God said, "It would be bad if my people change their minds when they realize that they will have to fight *the Philistines to take their land*, and then *decide to* return to Egypt." ¹⁸ Instead, God led them to go around through the desert toward the Red Sea (OR, the Gulf of Suez). When the Israeli people left Egypt, they were carrying weapons to fight *their enemies*.

¹⁹ Moses/I *had them* take along the bones of Joseph with them/us, because Joseph long ago had made the Israeli people promise solemnly that they would do that. He had said to them, "God will enable your descendants to leave Egypt. When that happens, you must carry my bones with you."

²⁰ The Israeli people left Succoth and traveled to Etham, at the edge of the desert, and they set up their tents there. ²¹ *When they traveled* during the daytime, Yahweh went in front of them in a tall *white* cloud to show them the way. During the night, he went in front of them in a tall cloud that looked like a fire. By doing that, he enabled them to travel in the daytime and also at nighttime. ²² The tall cloud did not leave them. It was always in front of them, as a bright white cloud in the daytime and like a fire at night.

Yahweh told Moses what he planned to do

14 Then Yahweh said to Moses/me,² "Tell the Israeli people to turn around and go back and set up their tents in front of Pi-Hahiroth town. That

town is between Migdol and the sea, across from Baal-Zephon town. Set up your tents there, close to the sea.³ When the king *knows you have done that*, he will think, 'The Israeli people are confused. They are wandering around, and the desert blocks their path.'⁴ But I will make the king stubborn *again*, and he will *take his army and pursue you*. Then my people will praise/thank me for winning a victory over the king and his army. And the Egyptians will know that I, Yahweh, *have the power to do what I say that I will do.*" So Moses/I told my people that, and they did what he/I told them to do.

The Egyptian army started to pursue the Israelis

⁵ When someone told the king that the Israeli people had left *during the night*, he and his officials changed their minds and said, "◊What have we done?/What we have done was stupid!◊ [RHQ] The Israeli people will no longer be our slaves!"⁶ So the king got his chariot and his army ready.⁷ Then he selected 600 of the best chariots, and in each chariot he placed a driver, a soldier, and a commander, and they left. Other chariots, with a driver and a soldier in each of them, also went along.⁸ Because Yahweh made the king of Egypt so stubborn that he and his army went to pursue the Israelis, who were leaving triumphantly,⁹ the Egyptian army, with all the king's horses and chariots and horsemen, pursued the Israelis. They caught up with them as they were camped near the sea, close to Pi-Hahiroth, in front of Baal-Zephon town.

¹⁰ When the king's army got near, the Israeli people were surprised to see that the Egyptians were marching toward them. They were terrified; so they cried out to Yahweh *to help them*.¹¹ Then they said to Moses/me, "Is it because there were no places in Egypt *where we could* be buried that you have brought us here to die in this desert [RHQ]? Look what you have done to us by bringing us out of Egypt [RHQ]!"¹² That is what we told you when we were in Egypt! We said, 'Leave us alone, and let us work for the Egyptians [RHQ]!' It would have been better for us to be slaves for the Egyptians than to die here in the desert!"

¹³ Moses/I replied to the people, "Do not be afraid! Be brave, and see how Yahweh will rescue you! He will save you today, and the result will be that the Egyptians that you are looking at today—you will never see them again!¹⁴ Yahweh will fight for you! Just keep quiet. There is nothing else that you will have to do."

Yahweh caused the Egyptian army to drown in the sea

¹⁵⁻¹⁶ Yahweh said to Moses/me, "Tell the people to stop crying out for me *to help them*, and tell them to go forward. Lift up your stick and stretch it out toward the sea. The water will divide, so that all you Israeli people can go in the middle of the sea, walking on dry ground.¹⁷ I will make the Egyptians stubborn, so that they will try to follow you. And then as a result of *what*

*I will do to the king and his army and his chariots and his horsemen, my people will praise/thank me.*¹⁸ And when I have won a glorious *victory* over the king and his chariots and his horsemen, the *other* Egyptians will know that I, Yahweh, *have the power to do what I say that I will do.*"

¹⁹ Then the angel of God, who had been in front of the Israeli people, moved and went behind them. The tall bright cloud that had been in front of them also moved behind them,²⁰ until it was between the Egyptian army and the Israeli people. The cloud caused the Egyptian army to be in the dark but it gave light for the Israelis. As a result, neither group could come near the other group during the whole night.

²¹ *That evening*, Moses/I stretched out his/my hand toward the sea. Then Yahweh sent a strong wind from the east. It blew all night and pushed the water apart, and it caused the ground between the water to dry up.²² Then we Israeli people went on the dry land in the middle of the sea. The water was like a wall on each side of us, on the right side and on the left side.

²³ Then the Egyptian army pursued them, and went after them into the middle of the sea, with their horses and their chariots and the chariot-drivers.²⁴ Just before dawn, Yahweh looked down from the fiery cloud, and then he caused the Egyptian army to panic.

²⁵ He caused the wheels of the chariots to get stuck *in the mud*, so that they could hardly move. So the Egyptians said, "Yahweh is fighting for the Israelis and against us; let's get out of here!"

²⁶ Then Yahweh said to Moses/me, "Stretch out your arm toward the sea again. Then the water will come back on the Egyptians and on their chariots and their horsemen."²⁷ So Moses/I stretched out his/my arm, and as the sun was rising, the water returned to its normal level. The Egyptians tried to escape, but Yahweh hurled them back into the sea.²⁸ The water returned and covered the chariots and the horsemen and the whole Egyptian army that had tried to follow us Israelis into the sea. Every one of the Egyptians drowned.²⁹ But we Israeli people had already crossed through the sea by walking on dry ground, with the water being *like two walls*, one on the right side and one on the left side.

³⁰ That is the way Yahweh saved the Israeli people from the Egyptian army on that day. The Israeli people saw the Egyptians lying dead, *with their bodies washed up* on the shore.³¹ The Israelis saw what Yahweh did to the Egyptians by his great power [MTY], and they were in awe of Yahweh. They trusted in Yahweh and they also trusted Moses/me.

The Israelis celebrated being rescued

¹⁵ Then Moses/I sang this song, and the Israeli people sang with him:
"I will sing to Yahweh, because he has triumphed gloriously;

He has thrown the horses and their riders into the sea!

² Yahweh is the one who makes me strong, and he is the one I sing about.

He is the one who has saved me.

He is \diamond my God/God, the one I worship \diamond , and I will praise him.

He is the one my father worshiped, and I will tell *others* how great he is.

³ Yahweh is a warrior;

Yahweh is his name.

⁴ He has thrown the king's chariots and his army into the sea;

His best officers

all drowned in the Red Sea (OR, Gulf of Suez).

⁵ The *water covered them like* a flood;

they sank to the bottom like a stone.

⁶ O Yahweh, your right arm has awesome power; with that power [MTY], O Yahweh, you have crushed/smashed the enemy into pieces.

⁷ You have gloriously defeated your enemies.

Because you were angry with them, you have *destroyed them*

like a fire burns up straw [SIM].

⁸ You blew on the sea,

and the water piled up high;

the water stood up like two walls.

In the deepest part of the sea *the water became thick/solid,*

as though it was frozen.

⁹ Our enemies said, 'We will pursue them and catch up to them.

We will draw our swords

and strike them.

After we defeat them,

we will divide up the spoils.

We will take *from them* all we want.'

¹⁰ But you blew on them with your breath,

and then the sea covered them.

They sank like lead/rocks in the big waves.

¹¹ Yahweh, among their gods, there is no god like you [RHQ]!

You are glorious, completely different from all that you made.

\diamond There is no god like you!/What god is like you? \diamond [RHQ]

There is no one who can perform all kinds of miracles [DOU] like you do [RHQ]!

¹² When you stretched out your right hand, the earth swallowed up *our enemies*

¹³ You faithfully loved the people you rescued; with your power you are leading them to the land that you have set apart.

¹⁴ The people of *other* nations will hear *what you have done*;

and they will tremble.

The people in Philistia will be terrified.

¹⁵ The chiefs in Edom will be dismayed.

The leaders in Moab will be so afraid, they will shake. All those who live in Canaan will faint.

¹⁶ They will be terrified and fearful because of your great strength [MTY].

But they will be as silent as stones

until your people march past them,

the people you freed from being slaves in Egypt, ¹⁷ to go to *Canaan land*.

You will enable them to live [MET] on your hill,

at the place that you, O Yahweh, have chosen to be your home,

in the \diamond holy place/temple \diamond

that you yourself will build.

¹⁸ O Yahweh, you will rule forever!

¹⁹ The Israeli people walked through the middle of the sea on dry ground. But when the king's horses and chariots and horsemen tried to go through the sea, Yahweh caused the water to come back and cover them."

²⁰ Then Miriam, who was Aaron's older sister and a \diamond prophetess/woman who spoke messages that came directly from God \diamond , picked up her tambourine, ²¹ and she sang this song to Yahweh:

"Sing to Yahweh,

because he has triumphed gloriously *over his enemies*.

He has thrown the horses and their riders into the sea."

Yahweh made bitter water become good water to drink

²² Then Moses/I led the Israeli people away from the Red Sea (OR, Gulf of Suez). They/we went to the desert at Shur. They/We walked for three days, but they/we could not find any water. ²³ So they/we *went on and* came to a *place named* Marah. *There was water there, but they/we could not drink it, because it was bitter. That is why they named the place Marah, which is the Hebrew word that means 'bitter'.* ²⁴ The people complained to Moses/me, saying, "What are we going to drink?" ²⁵ So Moses/I prayed earnestly to Yahweh.

Then Yahweh showed him/me a tree. So he/I cut off *one of the branches* and threw it into the water, and the water became good to drink. There at Marah, Yahweh gave them various laws to direct their lives. He also tested them there, to determine if they would obey him, ²⁶ by saying, "I am Yahweh, your God. If you will carefully obey me when I speak *to you*, and do those things that I know are right, and pay close attention to all the things that I command you, I will keep you from being afflicted by all the diseases that I brought on the Egyptians. Do not forget that I am the one who heals you."

²⁷ *After they/we left Marah, they/we came to a place named* Elim. There were twelve springs of water and 70 palm trees there. So they/we camped there.

Yahweh gave them quail and manna to eat

16 They/We left Elim, and all the Israeli people came to the desert *named Sin*. That is between Elim and Sinai *Mountain*. That was on the fifteenth day of the second month after they/we left Egypt. ² There in the desert, the Israeli [HYP] people complained to Aaron and Moses/me. ³ They said to them/us, "We wish that Yahweh had killed us in Egypt! There we had meat to eat, and all the bread that we wanted. But you have brought us into this desert in order that we will all starve to death!"

⁴ Yahweh said to Moses/me, "Listen to what I am going to do. I am going to send something from the sky that will *take the place of bread* for all of you. When I do that, the people must go out of their tents every day and gather just enough to eat on that day. *When I do that*, I will find out whether they will obey my instructions or not. ⁵ On the sixth day *after I start doing that*, they will be able to gather twice as much as on the other days, *and not have to gather any on the seventh day*. Then they can prepare it *to eat it on the 6th and 7th days*."

⁶ So Aaron and Moses/I said to all the Israeli people, "This evening you will know that it was Yahweh, *not we*, who brought you out of Egypt. ⁷ And tomorrow morning you will see how great Yahweh is, because he has heard what you have complained about. He is the one whom you have really complained to, because we are just his servants." [RHQ] ⁸ Then Moses/I also said, "From now on, each evening Yahweh will give you meat to eat, and *each morning* he will give you *something that will take the place of bread*, because he has heard what you have complained about. Yahweh is the one to whom you have really complained, not us. We are just his servants." [RHQ]

⁹ Then Moses/I said to Aaron, "Tell all the Israeli people, 'Come and stand here in the presence of Yahweh, because he has heard what you have been complaining about.'"

¹⁰ So Aaron told them that. And as Aaron was talking to all the Israeli people, they looked toward the desert, and were surprised to see the *dazzling light/incredible brightness* of Yahweh in the cloud *that had been leading them*. ¹¹ Then Yahweh said to Moses/me, ¹² "I have heard what the Israeli people have been complaining about. So say to them, 'From now on, each evening, you will have meat to eat. And each morning you will have something that will take the place of bread. You will have all you want of it to eat.' Then you will know that I, Yahweh, *have the power to do what I say that I will do*."

¹³ That evening, *quails/small plump birds* appeared, and *there were so many that they covered the campsite*. The next morning there was *something like dew* all around the campsite. ¹⁴ When the dew evaporated, on the surface of the desert there was a thick layer of something that looked like white flakes. It

looked like frost. ¹⁵ When the Israeli people saw it, since they *had never seen it before and did not know what it was*, they said to each other, "What is it?" Moses/I replied to them, "It is something Yahweh has given you to eat, to take the place of bread. ¹⁶ This is what Yahweh has commanded: 'Each of you should gather as much as you need to eat. Gather two quarts/liters for each person who lives in your tents.'"

¹⁷ So that is what the Israeli people did. Some gathered more and some gathered less. ¹⁸ But when they measured *what they had gathered*, those that had gathered a lot did not have anything left over. And those that gathered less still had enough to eat. Each person gathered just what they needed.

¹⁹ Moses/I said to them, "Do not leave any of it to eat tomorrow morning!" ²⁰ But some of them did not pay any attention to what Moses/I said. They kept some of it until the next morning. But it was full of maggots and smelled rotten. And that made Moses/me angry.

²¹ Each morning they gathered as much as they needed. But *later*, when the sun got hot, *what was left on the ground melted*.

²² On the sixth day after they started gathering it, each person was able to gather four quarts/liters, which was *twice as much as they gathered on the other days*. When the leaders of the people came to Moses/me and told him/me *about that*, ²³ Moses/I said to them, "This is what Yahweh has commanded: 'Tomorrow will be a day for you to rest completely. It will be a day dedicated to Yahweh. So today, bake or boil what you will *need for today and for tomorrow*. Whatever is left *this evening*, you should put aside and keep it *to eat tomorrow*.'"

²⁴ So they did what Moses/I commanded. What was left over, they kept until the next day. It did not spoil and did not get maggots in it! ²⁵ *On that day*, Moses/I said, "Eat today *what you have saved from yesterday*, because today is a day dedicated to Yahweh. Today you will not find any of that food outside. ²⁶ *Every week*, you must gather it for six days; but on the seventh day, which will be a day of rest, you will not find any." ²⁷ On the seventh day, some of the people went outside their tents to gather some of that food, but there was none. ²⁸ Then Yahweh *told Moses/me to say this to the people*: "How long will you people refuse to do all the things that I tell you? ²⁹ Listen! Yahweh has given you a day of rest. So on the sixth day *of each week*, he will be giving you enough of this food for two days. Each of you should stay in his tent *and do no work on the seventh day!*" ³⁰ So the people rested on the seventh day.

³¹ The Israeli people called this food manna, *which sounds like the words in their language that mean 'what is it?'* It looked like small seeds *called coriander*, but it was white, and it tasted like thin wafers/biscuits made with honey. ³² Moses/I said, "This is what Yahweh has commanded: 'You must keep two quarts/

liters of it for all future generations, so that they can see the *food that took the place of bread* that I gave to your *ancestors* when I brought them out of Egypt.”³³ And he/I said to Aaron, “Take a jar, and put two quarts of manna in it. Then put it *in a place* where Yahweh can see it. It is to be kept like that for all future generations.”³⁴ *Many years later*, as Yahweh had commanded Moses/me, Aaron put the jar in front of the box *that contained the stone slabs on which the Ten Commandments were written*.³⁵ The Israeli people were able to eat manna *every day* for 40 years, until they came to the border of Canaan land.³⁶ (The standard measure *that they used at that time* held 20 quarts/liters.)

Yahweh provided water gushing from a rock

17 Obeying what Yahweh commanded, all the Israeli people moved from the Sin Desert. They/We traveled from one place to another. They/We camped at *a place named Rephidim*, but there was no water there for *the people/us* to drink.² So the people complained to Moses/me again, saying, “Give us water to drink!” Moses/I replied to them, “Why are you *criticizing/arguing with* me [RHQ]? And why are you trying to determine whether Yahweh *has the power to provide for you?*”³ But the people were very thirsty, and they continued to complain to Moses/me. They were saying things like “Why did you bring us out of Egypt?”, and “Did you bring us here to cause us and our children and livestock to die *from thirst/because we had no water to drink* [RHQ]?”

⁴ So Moses/I prayed earnestly to Yahweh. He/I said, “*How shall I deal with these people?/I do not know how to deal with these people!* [RHQ] They are almost ready to *kill me by throwing stones at me!*”⁵ Yahweh replied to Moses/me, “Take some of the elders/leaders of the Israeli people with you and *tell the rest of the people to follow you to Sinai Mountain*. Take along the stick with which you struck the Nile River.⁶ Listen carefully: I will stand in front of you on top of a *large rock* at the foot of the mountain. Strike the rock with your stick. *When you do that*, water for the people to drink will flow out of the rock.” *When they/we arrived at the mountain*, Moses/I did that while the Israeli elders were watching, *and water flowed from the rock*.⁷ Moses/I gave that place two names *in the Hebrew language*: Massah, *which means ‘testing’*; and Meribah, *which means ‘complaining’*. He/I gave it the name Massah because the Israeli people were testing Yahweh, saying “Is Yahweh really among us *and able to help us*, or not?”, and he/I gave it the name Meribah because they were *continually* complaining.

God enabled the Israeli men to defeat the Amalekites

⁸ Then the descendants of the Amalek people-group came and fought against the Israeli people at Rephidim.⁹ Moses/I said to Joshua, *who was one of*

our army/Israeli leaders, “Choose some men to go out and fight against the Amalek people-group tomorrow. I will stand on the top of the hill, holding the stick that God told me to carry.”¹⁰ So Joshua did what Moses/I told him to do. He took some men to fight against the Amalek people-group. *While they were fighting*, Aaron, Hur, and Moses/I went up to the top of the hill *so that they/we could see the whole battle area*.

¹¹ Whenever Moses/I lifted up his/my arms, the Israeli men started to win *the battle*. And whenever he/I lowered his/my arms, the Amalek people-group started to win.¹² But his/my arms became tired. So Aaron and Hur *rolled a large stone* for Moses/me to sit on. *While he/I was sitting on it*, those two held up his/my arms, *one on one side and the other on the other side*. In that way, they kept his/my arms lifted up, and his/my arms held steady until the sun went down.¹³ So Joshua and the men with him completely defeated the Amalek people-group, using their swords *to fight against them*.¹⁴ Then Yahweh said to Moses/me, “Write an account of this battle, and then read it to Joshua. *Also write that some day I will completely get rid of the Amalek people-group.*”¹⁵ Then Moses/I built a *stone altar* there and named it ‘Yahweh is *like my flag*’.¹⁶ He/I said, “Hold high Yahweh’s flag! Yahweh will continue to fight against the Amalek people-group *forever/in all future generations!*”

Moses’ father-in-law, Jethro, came to visit him

18 Jethro, who was the priest for the Midian people-group, and who was also Moses’/my father-in-law, heard about all that God had done for the Israeli people. He heard about how Yahweh had brought them out of Egypt.² Moses/I had *previously* sent his/my wife Zipporah *back home when he/I was returning to Egypt*. But now Jethro came to him/me,³ bringing Zipporah and their/our two sons. One son was named Gershom, *which sounds like the Hebrew word that means ‘foreigner’*, because he/I had said, “I have been a foreigner living in another land.”⁴ Her other son was named Eliezer, *which sounds like the Hebrew words that mean ‘God helps me’*, because he/I had said “God, whom my father *worshiped*, has helped me and saved *me* from being killed [MTY] by the king of Egypt.”

⁵ While Moses/I was camped *with the Israeli people* in the desert *near Sinai*, God’s sacred/holy mountain, Jethro came to him/me, bringing along Moses’/my wife and our *two sons*.⁶ Jethro had sent a message to Moses/me, “I, your father-in-law, Jethro, am coming to see you, bringing along your wife and your two sons!”⁷ So Moses/I went out of the campsite to meet his/my father-in-law. He/I bowed before him, and kissed him *on the cheek*. *They both/We* asked each other, “Have you been healthy?” Then they/we went into Moses’/my tent.⁸ Moses/I told Jethro everything that Yahweh had done to the king and all the *other people* in Egypt for the sake of the Israeli people. He/I also

told him about the troubles/problems they/we had experienced on the way, and how Yahweh had helped them/us. ⁹ Jethro rejoiced when he heard all that Yahweh had done for the Israeli people. ¹⁰ He said, "Praise Yahweh, who has rescued you from the powerful [MTY] Egyptian king and his army! ¹¹ Now I realize that Yahweh is greater than all other gods, because he rescued you all from the power [MTY] of the proud Egyptians when *they* were causing you *to suffer*." ¹² Then Jethro sacrificed an animal by burning it completely on the altar *as an offering*, and he also offered other sacrifices to God. Aaron and the Israeli elders/leaders went with them/us to eat a sacred meal with Jethro.

Jethro gave Moses some good advice about appointing judges

¹³ The next day, Moses/I sat down at the place where he/I settled disputes among the people. The people were continually bringing their disputes to Moses/me, from morning until evening. ¹⁴ When Jethro saw everything that Moses/I was doing for the people, he said, "◊Why are you doing all this for the people?/You should not be doing all this for the people!◊ [RHQ] Why are you doing this by yourself, and all the people are crowding around you, from morning until evening, *asking you to make decisions for them* [RHQ]?" ¹⁵ Moses/I replied, "*I am doing this* because the people keep coming to me to find out what God desires. ¹⁶ When they have a dispute about something, they come to me, and they ask me to decide which of them is right. I also tell them all of God's laws and instructions." ¹⁷ Jethro said to him/me, "What you are doing is not good *for you or for the people*. ¹⁸ You and these people will ◊wear yourselves out/become exhausted◊! This work is too much for one person. You are not able to do it by yourself. ¹⁹ Now listen to some good advice [MTY] I will give to you. *If you do what I suggest*, God will help you. You should continue to speak to God and tell him about the people's disputes. ²⁰ You should *also* teach the people what God has commanded and instructed you. You should also explain to them how they should conduct their lives, and the things that they should do. ²¹ But in addition, you should choose some *other men to help you*. Choose men who have reverence for God and who will not accept bribes. Appoint some of them to make decisions *for groups of ten people, some for groups of 50 people, some for groups of 100 people, and some for groups of 1,000 people*. ²² Allow them to serve permanently to settle disputes for the people. The difficult matters the people can bring to you; but the matters that are not difficult, they can decide themselves. That will make the work easier for you, as they help you do that work. ²³ If you do that, and *I think that* God is telling you to do it (OR, if God tells you to do it), you will not become exhausted, and all the people will

be able to go home feeling satisfied about the decisions, *with their disputes settled quickly*".

²⁴ Moses/I accepted what his/my father-in-law Jethro suggested. ²⁵ Moses/I chose capable men from among the Israeli people. ²⁶ They were appointed permanently to make decisions about the people's disputes. They brought the difficult cases to Moses/me, but they decided the matters that were not difficult by themselves. ²⁷ Then Moses/I said goodbye to his/my father-in-law, and Jethro returned home.

Yahweh gave instructions to Moses at Sinai Mountain.

19 ¹⁻² The Israeli people then left Rephidim, and exactly two months after leaving Egypt, they/we came to the desert near Sinai *Mountain*. They/We set up their/our tents at the base of the mountain. ³ Moses/I climbed up the mountain *to talk with* God. Yahweh called to *him/me* from *the top of* the mountain and said, "This is what I want you to say to the Israeli people, the descendants of Jacob: ⁴ 'You have seen what I did to the Egyptians. You have seen *what I did for all of you* and how I brought you here to me. It was as though I *lifted you up as an eagle carries its young eaglets* on its wings [MET]. ⁵ So now, if you will do what I tell you and obey all that I command you, you will be my own people. All the people-groups on the earth are mine, but you will be ◊dearer/more special◊ to me than all the other people-groups. ⁶ You will be people over whom I will rule, and you will all ◊be like priests/represent me to other nations as priests represent me to one nation◊ [MET], and you will be completely dedicated to me.' That is what you must tell the Israeli people."

⁷ So Moses/I went *down the mountain* and summoned the elders/leaders of the people. He/I told them everything that Yahweh had told him/me to tell them. ⁸ The people all said, "We will do everything that Yahweh has told us to do." Then Moses/I *climbed back up the mountain and* reported to Yahweh what the people had said.

⁹ Then Yahweh said to Moses/me, "*Listen carefully*. I am going to appear to you from inside a thick cloud. When I am speaking to you, the people will hear it, and they will always trust in you." Then Moses/I went *down the mountain and reported to the people what Yahweh said*. Then he/I went *back up the mountain and* told Yahweh what the people replied. ¹⁰ Then Yahweh said to Moses/me, "Go *back down* to the people *again*. Tell them to purify themselves today and tomorrow. Tell them to wash their clothes, too. ¹¹ They must do that to be ready on the day after tomorrow. On that day I will come down to Sinai Mountain to where all the people can see me. ¹² You must make a boundary around the base of the mountain, and tell them, 'Be sure that you do not climb the mountain or even go near it. Anyone who even touches the base of the mountain must be executed.' ¹³ Do not let anyone touch any person or any animal that touches the

mountain. You must *kill any person or animal that touches the mountain* by throwing stones at it or shooting it *with arrows*. But when you hear a long *loud* trumpet sound, the people can come close to the *base of the mountain*."

¹⁴ So Moses/I went down the mountain *again* and told the people to purify themselves. They did what Moses/I told them to do, and they also washed their clothes. ¹⁵ Then Moses/I said to the people, "Be ready on the day after tomorrow. And *you men* must not have sex with [EUP] *your wives* until after then."

¹⁶ Two days later, during the morning, there was thunder and lightning, and a very dark cloud on the mountain. A trumpet sounded very loudly, with the result that the people in the camp shook/trembled because they *were very afraid*. ¹⁷ Then Moses/I led the people outside the camp to meet with God. They stood at the base of the mountain. ¹⁸ All of Sinai Mountain was covered in smoke, because Yahweh had descended on it, surrounded by a fire. The smoke rose up like the smoke from *the chimney* of a furnace, and the whole mountain shook violently. ¹⁹ As the sound of the trumpet continued to become louder, Moses/I spoke *to Yahweh*, and Yahweh answered *him/me in a loud voice that sounded like thunder*. ²⁰ Then Yahweh came down *again* onto the top of Sinai Mountain, and he summoned Moses/me to come up to the top of the mountain. So Moses/I went up. ²¹ Yahweh said to Moses/me, "Go down again and warn the people not to cross the boundary in order to look *at me*. If they *do* that, many of them will die. ²² Also, the priests who habitually come near me must purify themselves. If they do not do that, I will punish them."

²³ Then Moses/I said to Yahweh, "The people will not climb the mountain, because you commanded them, saying, 'Set a boundary around the mountain, to make it *sacred/taboo*.'" ²⁴ Yahweh replied, "Go down the mountain, and bring Aaron back up with you. But do not allow the priests or other people to cross the boundary to come up to me. If they cross it, I will punish them." ²⁵ So Moses/I went down the mountain *again* and told the people *what Yahweh had said*.

God gave the people the Ten Commandments

20 Then God said this *to the Israeli people*:² "I am Yahweh God, the one you *worship*. I am the one who brought you out of Egypt. I am the one who freed you from being slaves *there*. ³ So you must worship *only* me; you must not worship any other god. ⁴ You must not carve/make for yourselves any idol that represents anything in the sky or that is on the ground or that is in the water under the ground/earth. ⁵ You must not bow down to any idol and worship it, because I am Yahweh God, and I *am* very jealous/want you to worship me *only*. I will punish those who sin and hate me. I will punish not only them, but I will punish *their descendants*, down to the third and fourth generation/their children and

grandchildren and great-grandchildren. ⁶ But I will steadfastly love thousands of generations of those who love me and obey my commandments (OR, I will love for thousands of generations.)

⁷ Do not use my name carelessly (OR, for wrong/evil purposes), because I am Yahweh God, the one whom you *should worship*, and I will certainly punish those who use my name for wrong/evil purposes [LIT].

⁸ Do not forget that the seventh day *of every week* is mine, so dedicate those days to me. ⁹ There are six days each week for you to do all your work, ¹⁰ but the seventh day is a day of rest, a day dedicated to me, Yahweh God, the one whom you *should worship*. On that day you must not do any work. You and your sons and daughters and your male and female slaves must not work. You must not even force your livestock to work, and you must not allow foreigners to work, those who are living in your country. ¹¹ I, Yahweh, created the sky, the earth, the ocean, and everything that is in them, in six days. Then I stopped my work of creating everything, and rested on the seventh day. That is the reason that I, Yahweh, have blessed the rest day and set it apart *to be a sacred/special day*.

¹² Honor/Respect your fathers and your mothers, in order that you may live a long time in the land that I, Yahweh God, will give you.

¹³ Do not murder anyone.

¹⁴ Do not *commit adultery*/have sex with anyone other than your spouse.

¹⁵ Do not steal anything.

¹⁶ Do not falsely accuse anyone *of committing a crime*.

¹⁷ Do not *covet/desire* to have *someone else's* house, someone else's wife, someone else's male or female slave, someone else's livestock, someone else's donkeys, or anything else that some other person owns."

¹⁸ When the people heard the thunder and saw the lightning, and when they heard the sound of the trumpet and saw the smoke on the mountain, they were afraid and trembled. They stood at a distance, ¹⁹ and said to Moses/me, "If you speak to us, we will listen. But do not let God speak anymore to us. *We are afraid that* if he speaks *anymore* to us, we will die."

²⁰ Moses/I replied, "Do not be afraid! God has come to determine/test *how you will behave*. He wants you to revere him, and to not sin."

²¹ Then, as the people *watched from* a distance, Moses/I went close to the black cloud where God was.

²²⁻²³ Yahweh said to Moses/me, "Say this to the Israeli people: 'You have heard how I, Yahweh, have spoken to you from heaven. I told you that you must not make any idols of silver or gold *that you will worship instead* of me. ²⁴ Make for me an altar from dirt. Sacrifice on it the animals that you will burn completely. Also sacrifice on it the animals that you will not burn completely, to maintain fellowship with me. Worship me [MTY] in any place that I choose for you to honor/

worship me; and if you do that, I will come to you and bless you. ²⁵ If you make for me an altar from stones, do not make it from stones that you have cut *to make them look nice*, because you will make the altar unsuitable for *worshipping* me if you use tools to cut the stones. ²⁶ Do not make an altar that has steps in front of it, because if you do that, *people* could see your naked *buttocks* as you go up the steps.”

Instructions for treating slaves

21 “Here are some *other* instructions to give to *the Israeli people*: ² When/If you buy a Hebrew slave, he is to serve you for *only* six years. In the seventh year you must free him *from being your slave*, and he is not required to pay you anything *for setting him free*. ³ If he was not married before he became your slave, and if he marries *someone while he is your slave*, his wife is not to be set free *with him*. But if he was married before he became your slave, you must free both him and his wife. ⁴ If a slave's master gives him a wife, and she gives birth to sons or daughters *while her husband is a slave*, only the man is to be freed. His wife and children will continue to be slaves of their master. ⁵ But when it is time for the slave to be set free, if the slave says, ‘I love my master and my wife and my children, and I do not want to be set free,’ ⁶ then his master must take him to *the place where they worship God* (OR, *to the owner's house*). There he must make the slave stand against the door or the doorpost. Then the master will use an *awl/pointed metal rod* to make a hole in the slave's ear. Then *he will fasten a tag to the slave's ear to indicate that* *he will own that slave for the rest of his life/he will own the slave as long as the slave lives*.

⁷ If a man sells his daughter to become a slave, she should not be set free *after six years*, as the male slaves are. ⁸ If the man who bought her wanted her to be his wife, but if *later* he is not pleased with her, he must sell her back to her father. He must not sell her to a foreigner, because that would be breaking the contract/agreement *he made with the girl's father*. ⁹ If the man who buys her wants her to be a wife for his son, he must then treat her as though she were his own daughter. ¹⁰ If the master takes another slave girl to be another wife for himself, he must continue to give the first slave wife the same amount of food and clothing that he gave to her before, and he must continue to have sex [EUP] with her as before. ¹¹ If he does not do all these three things for her, he must free her *from being a slave*, and she is not required to pay anything *for being set free*.

¹² You must execute anyone who strikes another person with the result that the person who is struck dies. ¹³ But if the one who struck the other did not intend to kill that person, the one who struck him can escape to a place that I will choose for you, *and he will be safe there*. ¹⁴ But if someone gets angry with another person and kills him, even if the murderer runs

to the altar, *a place that God designated as a place to be safe*, you must execute him.

¹⁵ Anyone who strikes his father or mother must surely be executed.

¹⁶ Anyone who kidnaps another person, either in order to sell that person or to keep him as a slave, must be executed.

¹⁷ Anyone who reviles/curses his father or his mother must be executed.

¹⁸ Suppose two people fight, and one strikes the other with a stone or with his fist. And suppose the person he strikes does not die but is injured and has to stay in bed *for a while*, ¹⁹ and later he is able to walk outside using a cane. Then the person who struck him does not have to be punished. However, he must pay the injured person the money he could not earn *while he was recovering*, and he must also pay the injured person's medical expenses until that person is well.

²⁰ If someone strikes his male or female slave with a stick, if the slave dies *immediately/as a result* [IDM], the one who struck him must be punished.

²¹ But if the slave lives for a day or two after he is struck *and then dies*, you must not punish the one who struck him. Not having that slave to be able to work for him any longer is enough punishment.

²² Suppose two people are fighting and they hurt a pregnant woman with the result that *she has a miscarriage/her baby is born prematurely and dies*. If the woman is not harmed in any other way, the one who injured her must pay a fine. He must pay whatever the woman's husband demands, after a judge approves of the fine. ²³ But if the woman is injured in some additional way, the one who injured her must be caused to suffer in exactly the same way *that he caused her to suffer*. If she dies, he must be executed. ²⁴⁻²⁵ If her eye is injured or destroyed, or if he knocks out one of her teeth, or her hand or foot is injured, or if she is burned or bruised, the one who injured her must be injured in the same way. ²⁶ If the owner of a slave strikes the eye of his male or female slave and ruins it, he must free that slave because of *what he did to the slave's eye*. ²⁷ If someone knocks out one of his slave's teeth, he must free the slave because of *what he did to the slave's tooth*.

²⁸ If a bull gores a man or woman with the result that the person dies, you *must kill the bull* by throwing stones at it, but you must not punish the owner of the bull. ²⁹ But suppose the bull had attacked people several times before, and its owner had been warned, but he did not keep the bull inside a fence. Then you *must kill the bull* by throwing stones at it, but you must also execute its owner. ³⁰ However, if the owner of the bull is allowed to pay a fine *to save his own life/in order not to be executed*, he must pay the full amount that the judges say that he must pay. ³¹ If someone's bull attacks and gores another person's son or daughter, you must treat the bull's owner according to that same

rule. ³² If a bull attacks and gores a male or female slave, its owner must pay to the slave's owner 30 pieces of silver. Then you must *kill the bull* by throwing stones at it.

³³ Suppose someone has a pit/cistern and does not keep it covered, and someone's bull or donkey falls into it *and dies*. ³⁴ Then the owner of the pit/cistern must pay for the animal that died. He must give the money to the animal's owner, but then he can take away the animal that died and *do whatever he wants to with it*. ³⁵ If someone's bull hurts another person's bull with the result that it dies, the owners of both bulls must sell the bull that is living, and they must divide *between them* the money *that they receive* for it. They must also divide *between them the meat* of the animal that died. ³⁶ However, if people know that the bull often attacked other animals previously, and its owner did not keep it inside a fence, then the owner of that bull must give the owner of the bull that died one of his own bulls, but he can take away the animal that died *and do with it whatever he wants to do.*"

Laws regarding possessions

22 Yahweh also said, "If someone steals a bull or a sheep, and then slaughters it *to sell it or to sacrifice it* or sells its *meat to someone else*, he must pay five bulls for the bull *that he stole*, and *he must pay* four sheep for the sheep *that he stole*.

² If a thief is caught while he is breaking into someone else's house *at night*, if *the one who catches him* kills the thief, he is not guilty of murdering him. ³ But if that happens during the daytime, *the one who killed the thief* is guilty of murdering him. The thief must pay for what he stole. If he has no *animals with which to pay for the one that he stole*, he must be sold to *become someone's else's slave and the money must be used* to pay for what he stole. ⁴ If the thief still has the animal when he is caught, whether it is a bull or a donkey or a sheep, and it is still alive, the thief must give back *the stolen animal as well as giving two additional animals* for each one that he stole.

⁵ If someone allows his animals to *graze/eat the grass* in his field or in his vineyard, and if they stray away and eat the crops in another person's field, the owner of the animals must pay *the owner of those crops* by giving him the best crops from his own field or vineyard.

⁶ Suppose someone starts a fire in his own field, and the fire spreads through the grass and starts burning in someone else's field, and the fire burns grain that is growing or grain that is already *cut and stacked*. Then the person who started the fire must pay completely for the damage.

⁷ Suppose someone gives to another person some money or other valuable goods and asks him to guard them *in his house for a while*. If those things are stolen from that person's house, if the thief is caught, he must pay back twice *as much as he stole*. ⁸ But if

the thief is not caught, the owner of the house *from which the things were stolen* must stand before the judges, so that the judges can determine whether *the owner of the house* was the one who took the other man's goods *and sold them to someone else*.

⁹ If two people argue about which one of them owns a bull or a donkey or a sheep or some clothing, or something else that has been lost, the two people who each claim/say that the item belongs to them must stand before the judges. The one whom the judges declare is lying must pay back *to the real owner* twice as many bulls or donkeys or sheep or pieces of clothing.

¹⁰ Suppose someone gives his donkey or bull or sheep or some other animal to someone else and asks him to take care of it *for a while*, and the animal dies or is injured or is stolen while no one is watching.

¹¹ Then the person *who was taking care of the animal* must *swear/solemnly declare*, knowing that God is listening, that he did not steal the animal. If he did not steal it the owner of the animal must accept/believe that the other person is telling the truth, and the other person will not have to pay anything back to the owner. ¹² But if the animal was stolen *while he was supposed to be taking care of it*, the man who promised to take care of it must pay back the owner for the animal. ¹³ If *he says that the animal was killed by wild animals*, he must bring back the remains of the animal that was killed and show it to the animal's owner. If he does that, he will not have to pay anything for the animal.

¹⁴ If someone borrows an animal, and if that animal is hurt or dies when its owner is not there, the one who borrowed it must pay the owner for the animal. ¹⁵ But if that happens when the owner of the animal is there, the one who borrowed it will not have to pay back anything. If the man who borrowed it only rented it, the money that he paid to rent it will be enough to pay for the animal *dying or being injured.*"

Laws concerning everyday life

¹⁶ "If a man persuades a girl/woman to have sex with him, a girl/woman who *is a virgin/has never had sex with any man* and who is not engaged to be married, he must pay the bride price for her and marry her. ¹⁷ But if her father refuses to allow her to marry him, he must pay to the woman's father the amount of money that is equal to the amount of bride price money that men pay for virgins.

¹⁸ You must execute any woman who *practices sorcery/is a shaman*.

¹⁹ You must execute any person who has sex with an animal.

²⁰ You *must offer sacrifices* only to Yahweh. You must execute anyone who offers a sacrifice to any *other god*.

²¹ You must not mistreat a foreigner *who comes to live among you*. Do not forget that you were previously foreigners in Egypt.

22 You must not mistreat any widow or any orphan.
 23 If you mistreat them and they cry out to me *for help*, I will hear them. 24 And I will be angry with you, and I will cause you to be killed in a war [MTY]. Your wives will become widows, and your children will no longer have fathers.

25 If you lend money to any of my people who are poor, do not act like a moneylender and require him to pay interest on the money. 26 If he gives you his cloak to guarantee *that he will pay the money back*, you must give the cloak back to him before the sun goes down, 27 because he needs it to keep him warm *during the night*. ♦That is the only covering that poor people have when they sleep at night./What else will he cover himself with during the night?♦ [RHQ] *If you do not act mercifully toward him by returning his cloak*, when he cries out to me asking for my help, I will help him, because I *always act mercifully*.

28 Do not ♦revile/speak evil about♦ me, and do not ♦curse/ask me to do harmful things to♦ any ruler of your people.

29 ♦Do not withhold from/Give♦ me the best parts of the grain that you harvest and of the olive oil and the wine that you produce.

30 You must dedicate your firstborn sons to me. Similarly, your firstborn *male* cattle and sheep belong to me. After those animals are born, allow them to stay with their mothers for seven days. On the eighth day, offer them to me *as a sacrifice*.

31 You are people who are ♦completely dedicated to/set apart for♦ me. *And I detest* the meat of any animal that has been killed by wild animals. Therefore you should not eat such meat. Instead, throw it where the dogs *can eat it*."

Treat people and animals fairly

23 "Do not tell to others ♦false rumors/untrue reports♦ about other people. Do not help someone who is guilty by ♦testifying falsely/lying♦ about what happened.

2 Do not join a group of people who are planning to do something evil. Do not testify the way the *crowd wants you to*, if that will prevent *the judge from deciding the case justly/fairly*. 3 When a poor person is on trial, do not *testify in his favor just* because he is poor and you feel sorry for him.

4 If you see someone's bull or donkey when it is wandering away *loose*, take it back to *its owner, even if the owner is your enemy*. 5 If you see someone's donkey that has fallen down *because of its heavy load*, help the owner to get the donkey up again, *even if he is someone who hates you*. Do not just walk away *without helping him*.

6 Decide the cases of poor people who are on trial as fairly as you *decide the cases of other people*.

7 Do not accuse people falsely. Do not decide that innocent and righteous [DOU] people should be execut-

ed, because I will ♦punish/not forgive♦ people who do such an evil thing.

8 Do not accept money that is a bribe, because officials who accept bribes are not able to [MTY] decide what is right to do, and they do not allow innocent people to be treated fairly.

9 Do not mistreat foreigners *who live among you*. You know *how people often treat* foreigners, because the Egyptians *did not treat you well when you were foreigners there*.

10 Plant seeds in your ground and gather the harvest for six years. 11 But during the seventh year you must not plant anything. *If things grow without your planting seeds*, allow poor people to *harvest and* eat the crops. If there are still crops ♦left over/that they do not harvest♦, allow wild animals to eat them. Do the same thing with your grapevines/vineyards and your olive trees.

12 *You may work for six days each week*, but on the seventh day you must rest *and not work*. And on the seventh day you must allow your work animals and your slaves and the foreigners *who live among you also to rest and* be refreshed.

13 Make certain that you obey everything that I have commanded *you to do*. Do not pray to [MTY] other gods. Do not even mention their names."

Rules about three annual festivals

14 "Every year you must celebrate three festivals to honor me. 15 *The first one* is the Festival of Bread That Has No Yeast. Celebrate it in the month *that is named* Abib. That is the month in which you left Egypt. Celebrate it in the way that I commanded you. And always bring [LIT] an offering when you come to worship me.

16 The second one is the Festival of Harvesting. During that festival you must offer to me the first parts/harvest of your crops that grow from the seeds that you planted. The third one is the Festival of Living in Temporary Shelters. That will be after you finish harvesting your grain and grapes and fruit. 17 Every year, at each of these times, all the men must gather together to worship me, Yahweh God.

18 When you sacrifice an animal *and offer it to me*, you must not offer bread that has been baked with yeast. *When you offer sacrifices, burn* the fat *from the animals on that same day*. Do not allow any fat to remain until the next morning.

19 Each year, when you harvest your crops, bring to the place where you worship me, Yahweh God, the first part of what you harvest. When you kill a ♦young animal/kid or lamb or calf♦, do not *prepare to eat it by boiling it in its mother's milk*."

Yahweh gave the Israeli people several promises

20-21 "Note this: I am going to send an angel ahead of you, to guard you as you travel and to bring you safely to the place that I have prepared *for you*. Pay at-

tention to what he says and obey him. Do not rebel against him, because he will have my authority [MTY] and he will \diamond punish/not forgive \diamond [LIT] you if you rebel against him. ²² But if you pay attention to what he says and if you do all that I tell you *to do*, I will fight strongly [DOU] against all of your enemies. ²³ My angel will go ahead of you, and will take you to where the Amor and Heth and Periz and Canaan and Hiv and Jebus people-groups live, and I will completely get rid of them. ²⁴ Do not bow down before their gods/idols or worship them. And do not do the things *that they think that their gods want* them to do. Completely destroy their gods/idols, and smash to pieces their sacred stones.

²⁵ You must worship me, Yahweh God. *If you do that*, I will bless your (OR, *bless you by giving you*) food and water, and I will protect you from becoming sick. ²⁶ No women in your land will have \diamond miscarriages/babies that will die after being born prematurely \diamond , and no women will be unable to become pregnant. And I will enable you to live a long time.

²⁷ I will cause the people who oppose you to become very afraid of me. I will cause the people whom you fight against to become very confused. And then I will cause them to turn around and run away from you. ²⁸ I will cause your enemies to become terrified. And I will expel the Hiv, Canaan, and Heth people-groups from your land. ²⁹ I will not expel *all* of them in less than one year. If I did that, your land would become deserted, and there would be very many wild animals \diamond that would attack you/you would not be able to control \diamond . ³⁰ I will expel those people-groups slowly, a few at a time, until the number of your people increases and you are able to live everywhere in the land. ³¹ I will cause the borders of your land to extend from the \diamond Red Sea/Gulf of Aqaba \diamond *in the south-east* to the Mediterranean Sea *in the northwest*, and from the *Sinai Desert in the southwest* to the *Euphrates River in the northeast of the country*. I will enable you [MTY] to expel the people who live there, so that you will expel them as you occupy more of the country. ³² You must not make any agreement/treaty with those people or with their gods. ³³ Do not allow *those people* to live in your land, in order that they do not cause you to sin against me. If you worship their gods, *you will not be able to escape from worshiping them and sinning against me, just like someone caught in a trap is unable to escape* [MET]."

Yahweh's agreement is confirmed

24 Then Yahweh said to Moses/me, "Come to me, *up on top of this mountain*, you and Aaron and his sons Nadab and Abihu. Also *take along* 70 of the Israeli elders/leaders. While you are still some distance *from the top of the mountain*, prostrate yourselves *on the ground* and worship me. ² Moses, *I will allow you alone to come near to me*. The others must not come

near, and the *rest of the people* must not come up the mountain."

³ Moses/I went and told the people everything that Yahweh had said and all that he had commanded. The people all replied together, saying, "We will do everything that Yahweh has told us *to do*." ⁴ Then Moses/I wrote down everything that Yahweh had commanded. Early the next morning Moses/I built a *stone* altar. He/I also set up twelve stones, one for each of the Israeli tribes. ⁵ He/I also selected some young men. They burned sacrifices to Yahweh and they also sacrificed some cattle *that they did not burn completely*, for the purpose of maintaining fellowship with Yahweh. ⁶ Moses/I took half of the blood of the animals that were slaughtered and put it in bowls. The other half of the blood *he/I* threw/splashed against the altar. ⁷ Then he/I took the scroll on which he/I had written *everything that Yahweh had commanded* in the agreement that he had made, and he/I read it *aloud*, while all the people were listening. Then all the people said, "We will do all that Yahweh has told us to do. We will obey *everything*."

⁸ Then Moses/I took the blood *that was in the bowls* and threw/splashed it on the people. He/I said, "This is the blood *that* \diamond confirms/puts into effect \diamond the agreement that Yahweh made with you when he gave you all these commands."

⁹ Then Moses/I, along with Aaron, Nadab, Abihu, and the 70 Israeli elders/leaders, went up *the mountain*, ¹⁰ and they/we saw God, the one whom the Israeli people worship. Under his feet was something like a pavement *made of expensive blue stones called sapphires*. They were as clear as the sky is *when there are no clouds*. ¹¹ God did not harm [MTY] those Israeli elders/leaders *because of their having seen him*. They saw God, and they ate and drank together! *Then we all went back down the mountain*.

¹² Then Yahweh said to Moses/me, "Come up to me *again on top of this mountain*. While you are here, I will give you *two* stone slabs on which I have written all the laws [DOU] that I have given to you to instruct/teach *the people*." ¹³⁻¹⁴ So Moses/I told the elders, "Stay here *with the other people* until we return! Do not forget that Aaron and Hur will be with you. So if anyone has a dispute *while I am gone*, he can go to those two men." Then Moses/I went with his/my servant Joshua *part of the way* up the mountain that was *dedicated to God*. ¹⁵ Then Moses/I went the *rest of the way* up the mountain. A cloud covered the mountain. ¹⁶ The \diamond glory/brilliant light \diamond of Yahweh came down on the mountain and covered it for six days. On the seventh day, Yahweh called to Moses/me from the middle of the cloud. ¹⁷ When the Israeli people *looked* at the top of the mountain, the glory of Yahweh was like a big fire that was burning *there*. ¹⁸ Moses/I went into the cloud on top of the mountain. He/I was there for 40 days and nights.

Yahweh gave Moses instructions about a big Sacred Tent for their worship

25 Yahweh said to Moses/me, "There are many things that I want you to tell to the Israeli people.

² Tell them that they must give offerings/gifts to me. Receive from the people every offering/gift that they want to give to me. ³ These are the things that they may offer/give: Gold, silver, bronze, ⁴ blue, purple, and scarlet yarn/wool, fine \diamond linen/white cloth \diamond , goats' hair for making cloth, ⁵ rams' skins that have been \diamond tanned/dyed red \diamond , goatskins, hard wood from acacia trees, ⁶ olive oil to burn in the lamps, spices to put in the olive oil for anointing the priests and in the sweet-smelling incense, ⁷ expensive quartz stones called onyx, and other expensive stones to be fastened to the priest's vest and put on the pouches that are to be fastened to the vest. ⁸ Tell the people to make a big Sacred Tent for me, so that I can live in it among them. ⁹ They must make the Sacred Tent and all the things that will be used inside it according to the plan/model that I will show you."

Instructions for making the sacred chest

¹⁰ "Tell the people to make a sacred chest from acacia wood. It is to be \diamond 45 in./110 cm. \diamond long, \diamond 27 in./66 cm. \diamond wide, and \diamond 27 in./66 cm. \diamond high. ¹¹ Cover it with pure gold inside and outside, and put a gold border around the top of it. ¹² They must make/cast four rings from gold and fasten them to the legs of the chest. Put two rings on each side of the chest. ¹³ They must make two poles from acacia wood, and they must cover them with gold. ¹⁴ They must put the poles into the rings on the sides of the chest, so that the chest can be carried by the poles. ¹⁵ The poles must always be left in the rings; they must not take the poles out of the rings. ¹⁶ Put inside the chest the two stone slabs that I will give you, on which I have written my commandments.

¹⁷ Tell them to make a lid for the chest from pure gold. It will be the place where I will forgive people's sins. They must make it so that it is *inside the altar*, halfway down. ⁶ For *carrying the altar*, they must make poles from acacia wood and cover them with bronze. ⁷ They must put the poles through the rings on each side of the altar. The poles are for carrying the altar. ⁸ The altar will be like a box, made from boards of *acacia wood*. They must make it according to these instructions that I am giving you here on *this mountain*."

Instructions for the courtyard

⁹ "Around the Sacred Tent there is to be a courtyard. To form the courtyard, *tell them* to make curtains of fine linen. On the south side, the curtain is to be \diamond 50 yards/44 meters \diamond long. ¹⁰ *To support/hang the curtain*, *tell them* to make twenty bronze posts, and one bronze base for each post. The clasps/fasteners must be made of silver, and the bases must be made of bronze. ¹⁸ The whole courtyard, *from the east entrance to the west end*, must be \diamond 50 yards/44 meters \diamond long, and the curtains that enclose it must be \diamond 7-1/2 feet/2.3 meters \diamond high. All the curtains must be made of fine linen, and all the bases *under the posts* must be made of bronze. ¹⁹ All the things *that are not made of gold* that are to be used inside the Sacred Tent and in the courtyard, and all the tent pegs to support the Sacred Tent and the curtains, must be made of bronze.

²⁰ "Command the Israeli people that they must bring to you the best kind of olive oil to *burn in* the lamps. They must bring this oil to you continually, in order

that the lamps can burn continually. ²¹ They must put the lampstand outside of the curtain which is in front of the *sacred chest which contains the stone slabs on which I have written* my commandments. Aaron must take care of the lamps. *After he dies*, his descendants must do this work. The lamps are to burn every night, from evening until morning. The Israeli people must obey this regulation throughout all future generations."

Instructions for the priests' clothing

28 "Summon your *older* brother Aaron and his sons—Nadab, Abihu, Eleazar, and Ithamar.

\diamond *Set them apart/They are the ones whom I have chosen* \diamond from the rest of the Israeli people, in order that they can serve me *by being* priests. ² *Tell the people* to make beautiful clothes for Aaron, clothes that are *suitable for one who* has this dignified and sacred work. ³ Talk to all the skilled workmen, those to whom I have given special ability. *Tell them* to make clothes for Aaron, for him to wear when he is \diamond set apart/dedicated \diamond to become a priest to serve me. ⁴ These are the clothes that they are to make: A sacred pouch for Aaron to wear over his chest, a sacred apron, a robe, an embroidered tunic/gown, a \diamond turban/cloth to wrap around his head \diamond , and a sash/waistband. These are the clothes that your *older* brother Aaron and his sons must wear as they serve me *by doing the work that* priests do. ⁵ The skilled workmen must use fine linen and blue, purple, and red yarn/thread to make these clothes."

Instructions for the sacred apron

⁶ "The skilled workmen must make the sacred apron from fine linen, and skillfully embroider it with blue, purple, and red yarn/thread. ⁷ It must have two shoulder straps, to join the front part to the back part. ⁸ A carefully-woven sash, which must be made from the same materials as the sacred apron, must be *sewn* on to the sacred apron. ⁹ *A skilled workman* must take two *expensive* onyx stones and engrave on them the names of the twelve sons of Jacob. ¹⁰ He must engrave the names in the order in which Jacob's sons were born. He must engrave six names on one stone, and the other six names on the other stone. ¹¹ A gem-cutter should engrave these names on the stones. Then he should enclose the stones in \diamond settings/tiny gold frames \diamond . ¹² Then he should fasten the stones onto the shoulder straps of the *sacred apron*, to represent the twelve Israeli tribes. In that way, Aaron will carry the names of the tribes on his shoulders in order that *I, Yahweh*, will never forget *my people* (OR, in order that *he will always* remember that *those tribes belong to Yahweh*). ¹³ The settings for the stones must be made from gold. ¹⁴ *Tell them* to make two tiny chains that are braided like cords, and fasten the chains to the settings."

Instructions for the sacred pouch

¹⁵ "Tell the skilled workman to make a sacred pouch for Aaron to wear over his chest. He will use the things he puts into the pouch to determine my answers to the questions he asks. It must be made of the same materials as the sacred apron, and embroidered in the same way. ¹⁶ It is to be square, and the material must be folded double, so that it is \diamond 9 in./22 cm. \diamond on each side. ¹⁷ The skilled workman must fasten four rows of valuable stones onto the pouch. In the first row he must put a red ruby, a yellow topaz, and a red garnet. ¹⁸ In the second row he must put a green emerald, a blue sapphire, and a clear/white diamond. ¹⁹ In the third row he must put a red jacinth, a white agate, and a purple amethyst. ²⁰ In the fourth row he must put a yellow beryl, a red carnelian, and a green jasper. ²¹ A gem-cutter should engrave on each of these twelve stones the name of one of the sons of Jacob. These names will represent the twelve Israeli tribes. ²² The two chains that are made from pure gold and braided like cords are for attaching the sacred pouch to the sacred apron. ²³ The workman must make two gold rings, and attach them to the upper corners of the sacred pouch. ²⁴ He must make two gold cords, and fasten one end of each cord to one of the rings. ²⁵ He must fasten the other end of each cord to the two settings that enclose the stones. In that way, the sacred pouch will be attached to the shoulder straps of the sacred apron. ²⁶ Then he must make two more gold rings, and attach them to the lower corners of the sacred pouch, on the inside edges, next to the sacred apron. ²⁷ He must make two more gold rings, and attach them to the lower part of the front of the shoulder straps, near to where the shoulder straps are joined to the sacred apron, just above the carefully-woven sash/waistband. ²⁸ The skilled workman must tie the rings on the sacred pouch to the rings on the sacred apron with a blue cord, so that the sacred pouch is above the sash/waistband and does not come loose from the sacred apron. ²⁹ In that way, Aaron will have the names of the twelve Israeli tribes in the sacred pouch close to his chest when he enters the Holy Place. This will remind him that I, Yahweh, will never forget my people (OR, that he represents my people when he talks to me, Yahweh). ³⁰ Put into the sacred pouch the two things that the priest will use to determine my answers to the questions he asks. In that way, they will be close to his chest when he enters the Holy Place to talk to me. He will use them to find out what is my will for the Israeli people."

Instructions for other clothes for the priests

³¹ "Tell the workmen to use only blue cloth to make the robe that is to be worn underneath the priest's sacred apron. ³² It is to have an opening through which the priest can put his head. They must sew a border

around this opening, to keep the material from tearing. ³³ At the lower edge on the robe, they must fasten decorations that look like pomegranate fruit. They must be woven from blue, purple, and red yarn/thread. ³⁴ Between each of these decorations, they must fasten a tiny gold bell. ³⁵ When Aaron enters the Holy Place in the Sacred Tent to do his work as a priest and when he leaves the Sacred Tent, the bells will ring as he walks. As a result, he will not die because of disobeying my instructions.

³⁶ "Tell them to make a tiny ornament of pure gold, and tell a skilled workman/gem-cutter \diamond to engrave on it the words, 'Dedicated to Yahweh.' ³⁷ They should fasten this ornament to the front of the turban by a blue cord. ³⁸ Aaron must always wear this on his forehead. In that way, Aaron himself will show that he accepts the guilt if the Israeli people offer their sacrifices to me in a way that is not correct, and I, Yahweh, will accept their sacrifices.

³⁹ "Tell them to weave the long-sleeved tunic/gown from fine linen. Also, they must make from fine linen a turban and a sash/waistband, and embroider designs on it.

⁴⁰ "Tell them to make beautiful long-sleeved tunics/gowns, sashes, and caps for Aaron's sons. Make ones that will be suitable for those who have this dignified work. ⁴¹ Put these clothes on your older brother Aaron and on his sons. Then \diamond set them apart/dedicate them \diamond for this work by anointing them with olive oil, in order that they may serve me by being priests.

⁴² Also tell them to make linen undershorts for them. The undershorts should extend from their waists to their thighs, in order that no one can see their private parts. ⁴³ Aaron and his sons must always wear those undershorts when they enter the Sacred Tent or when they come near to the altar to offer sacrifices in the Holy Place. If they do not obey this command, I will cause them to die. Aaron and all his male descendants must obey this rule forever."

Instructions for dedicating the priests

²⁹ "This is what you must do to dedicate Aaron and his sons to serve me by being priests: Select one young bull and two rams that do not have any defects. ² Bake three kinds of bread using finely-ground wheat flour, but without yeast: Bake some loaves that do not have any olive oil in them, bake some loaves that have olive oil in the dough, and bake some thin wafers that will be smeared with olive oil after they are baked. ³ Put them in a basket and offer them to me when you sacrifice the young bull and the two rams. ⁴ Take Aaron and his sons to the entrance of the Sacred Tent, and wash them ritually. ⁵ Then put the special clothes on Aaron—the long-sleeved tunic/gown, the robe that will be worn underneath the sacred apron, the sacred apron, the sacred pouch, and the sash/waistband. ⁶ Place the turban on his head, and fasten to the turban the ornament that has the

words 'Dedicated to Yahweh' engraved on it. ⁷ Then take the oil and pour some on his head to *dedicate him/set him apart*. ⁸ Then bring his sons and put the long-sleeved tunics/gowns on them. ⁹ Put the sashes/waistbands around their waists and the caps on their heads. That is the ritual by which you are to *dedicate them/set them apart* to be priests. Aaron and his male descendants must serve me *by being priests forever*.

¹⁰ "Then bring the young bull to the entrance of the Sacred Tent. Tell Aaron and his sons to put their hands on the head of the young bull. ¹¹ Then, while they do that, kill the young bull *by slitting its throat*, and catch/drain the blood in a bowl. ¹² Take some of that blood with your finger and smear it on the projections of the altar. Throw/Splash the rest of the blood against the base of the altar. ¹³ Take all the fat that covers the inner organs of the young bull, the best part of the liver, and the two kidneys with the fat on them, and burn all these on the altar *as an offering to me*. ¹⁴ But the meat of the young bull and its hide and intestines must be burned outside the camp. That will be an offering to forgive the guilt of your sins.

¹⁵ "Then select one of the rams, and tell Aaron and his sons to put their hands on the head of the ram. ¹⁶ Then kill the ram *by slitting its throat*. Catch/Drain some of the blood and splash it against all four sides of the altar. ¹⁷ Then cut the ram into pieces. Wash its inner organs and its rear legs and put those with the head ¹⁸ and burn those pieces *completely* on the altar with the rest of the ram. That will be an offering to me, Yahweh, and the smell will please me.

¹⁹ "Take the other ram *that was selected for these rituals*, and tell Aaron and his sons to put their hands on the ram's head. ²⁰ Then kill the ram by slitting its throat, and drain the blood *into a bowl*. Smear some of the blood on the lobe of the right ears of Aaron and his sons, and on the thumbs of their right hands, and on the big toes of their right feet. Throw/Splash the rest of the blood against the four sides of the altar. ²¹ Wipe up some of the blood that is on the altar, mix it with some of the oil for anointing, and sprinkle it on Aaron and his clothes, and on his sons and their clothes. By doing that, you will dedicate them and their clothes *to me*.

²² "Also, cut off the ram's fat and its fat tail and the fat that covers the inner organs, the best part of the liver, the two kidneys with the fat on them, and the right thigh. ²³ Take also one of each of the kinds of bread *that was baked* —one made with no oil, one with oil, and one thin wafer. ²⁴ Put all these things in the hands of Aaron and his sons. *Then tell them to lift them up high* to dedicate them to me. ²⁵ Then take them from their hands and burn them on the altar, on top of the other things *that were placed there*. That *also* will be an offering to me, and its smell will please me. ²⁶ Then take the meat of the ribs of the second ram that was killed, and lift it up *high* as an offering to

me. But then this part of the animal will be for you *to eat*. ²⁷ Then take the meat of the ribs, the other thigh of the first ram that was sacrificed to *dedicate/set apart* the priests, and the ram whose other parts were lifted high to show that they were an offering to me; and set the meat of the ribs and thigh apart for Aaron and his sons, for them to eat. ²⁸ In the future, whenever the Israeli people present to me, Yahweh, offerings to maintain fellowship with me, the ribs and the thigh *of animals that they sacrifice* will be for Aaron and his male descendants *to eat*.

²⁹ "After Aaron *dies*, the special clothes that he wore will belong to his sons. They are to wear those clothes when they are *set apart/dedicated to become priests*. ³⁰ Aaron's son who becomes The Supreme Priest and enters the Sacred Tent and performs rituals in the Holy Place must *stay in the Sacred Tent*, wearing these special clothes, for seven days.

³¹ "Take the meat of the other ram that was sacrificed to *set apart/dedicate* Aaron and his sons, and boil it in the courtyard. ³² After it is cooked, Aaron and his sons must eat it, along with the bread that is left in the basket, at the entrance of the Sacred Tent. ³³ They must eat the meat of the ram that was sacrificed to forgive them for *their sins* when they were dedicated to do this work. They are the only ones who are permitted to eat this meat. *Those who are not priests are not allowed to eat it*, because it is dedicated to me. ³⁴ If any of this meat or some of the bread is not eaten that night, no one is permitted to eat any of it the next day. It must be completely burned, because it is *sacred/dedicated to me*.

³⁵ "Those are the rituals that you(sg) must perform during those seven days when you dedicate Aaron and his sons for this work. You must do everything that I have commanded you. ³⁶ Each of those seven days you must also sacrifice a young bull as an offering to me, in order that I may forgive sins. Also, you must make another offering *to make the altar pure in my sight/in order that I will consider the altar to be pure*. You must also anoint the altar with olive oil, to *set it apart/dedicate it*. ³⁷ Perform these rituals every day for seven days, to *set apart/dedicate* the altar and make it pure. If you do not do that, anyone or anything that touches the altar will become taboo.

³⁸ "You must also sacrifice lambs and burn them on the altar. Each of those *seven* days you must sacrifice two lambs. ³⁹ One lamb must be sacrificed in the morning, and one must be sacrificed in the evening. ⁴⁰ With the first lamb, also offer *2 pounds/1 kilogram* of finely-ground wheat flour mixed with one quart/liter of the best kind of olive oil, and one quart/liter of wine as an offering. ⁴¹ In the evening, when you sacrifice the other lamb, offer the same amounts of flour, olive oil, and wine as you did in the morning. This will be an offering to me, Yahweh, that will be burned, and its smell will please me. ⁴² You *and your descendants* must continue making these offerings to

me, Yahweh, throughout all future generations. You must offer them at the entrance of the Sacred Tent. That is where I will meet with you and speak to you. ⁴³ That is where I will meet with the Israeli people, and the brilliant light of my presence will cause that place to be holy/sacred. ⁴⁴ I will dedicate the Sacred Tent and the altar. I will also dedicate Aaron and his sons to serve me *by being* priests. ⁴⁵ I will live among the Israeli people, and I will be their God. ⁴⁶ They will know that I, Yahweh their God, am the one who brought them out of Egypt in order that I might live among them."

Instructions for the incense altar

30 "Tell the skilled workers to make an altar from acacia wood, for burning incense. ² It is to be square, \diamond 18 in./45 cm. \diamond on each side. It is to be \diamond 3 feet/90 cm. \diamond high. Tell them to make a projection that looks like a horn on each of the top corners. The projections must be carved from the same block of wood that the altar is made from. ³ They must cover the top and the four sides, including the projections, with pure gold. Put a gold border around the altar, near the top. ⁴ They must make two gold rings for carrying the altar. They must attach them to the altar below the border, one on each side of the altar. These rings are for the poles for carrying the altar. ⁵ Tell them to make these two poles from acacia wood and cover them with gold. ⁶ They must put this altar outside the curtain that hangs in front of the sacred chest and its lid. That is the place where I will talk with you. ⁷ Aaron must burn sweet-smelling incense on this altar. He must burn some every morning when he takes care of the lamps, ⁸ and he must burn some in the evening when he lights the lamps. The incense must be burned continually, throughout all future generations. ⁹ The priests must not burn on the altar any incense that I have not told you to burn, or burn any animal on it, or any grain offering for me, or pour any wine on it as an offering. ¹⁰ One time every year Aaron must perform the ritual for making this altar pure. He must do it by putting on its four projections some of the blood from the animal that was sacrificed \diamond to remove the guilt of the people's sins/so that the people would no longer be guilty for sins \diamond . This ritual is to be done by Aaron and his descendants throughout all future generations. This altar must be completely dedicated to me, Yahweh."

Instructions for the money to take care of the Sacred Tent

¹¹ Yahweh also said to Moses/me, ¹² "When your leaders \diamond take a census of/count \diamond the Israeli people, each man *who is counted* must pay to me a price to save his life. They must do this in order that no disaster will happen to them while the people are being counted. ¹³ Every man who is counted must pay to me \diamond 0.2 ounces/5.7 grams \diamond of silver. They must use the

official standard when they weigh the silver. ¹⁴ All the men who are at least 20 years old must pay this amount to me when the people are counted. ¹⁵ Rich men must not pay more than this amount, and poor men must not pay less than this amount, when they pay this money to save their lives. ¹⁶ Your leaders must collect this money from the Israeli people and give it to *those who will* take care of the Sacred Tent. This money is the payment for the lives of those who take care of the Sacred Tent, \diamond to enable me not to forget them/and then I will remember to protect them \diamond ."

Instructions for the washbasin

¹⁷ Yahweh also said to Moses/me, ¹⁸ "Tell the skilled workers to make a bronze washbasin and a bronze base for it. They must put it between the Sacred Tent and the altar, and fill it with water. ¹⁹ Aaron and his sons must ritually wash their hands and their feet with this water ²⁰ before they enter the Sacred Tent and before they come to the altar to sacrifice offerings that will be burned on it. If they do that, they will not die because of disobeying my instructions. ²¹ They must wash their hands and their feet, in order that they will not die. They and the males descended from them must obey this ritual throughout all generations."

Instructions for the oil for anointing

²² Yahweh also said to Moses/me, ²³ "Tell the people to collect some of the finest spices— \diamond 12 pounds/6 kg. \diamond of \diamond liquid myrrh/sweet-smelling sap named myrrh \diamond , \diamond 6 pounds/3 kg. \diamond of sweet-smelling cinnamon, \diamond 6 pounds/3 kg. \diamond of a sweet-smelling cane/reed, ²⁴ and \diamond 12 pounds/6 kg. \diamond of \diamond cassia/a sweet-smelling bark named cassia \diamond . Be sure that they use the official standard when they weigh these things. Tell an expert perfumer to mix these with \diamond one gallon/four liters \diamond of olive oil ²⁵ to make sacred oil for anointing. ²⁶ Use this oil for anointing the Sacred Tent, the sacred chest, ²⁷ the table and all the things that are used with it, the lampstand and all the things that are used to take care of it, the altar for *burning* incense, ²⁸ and the altar for offering sacrifices that will be burned, along with its bases and the washbasin and all the things that are used with it. ²⁹ Dedicate them by anointing them, in order that they will be completely holy/sacred. Anyone or anything that touches the altar will become taboo. ³⁰ And anoint Aaron and his sons. *By doing that*, you will dedicate them to serve me *by being* priests. ³¹ And tell the Israeli people, 'This oil will be my sacred anointing oil that must be used throughout all future generations. ³² You must not pour it on the bodies of people who are not priests, and you must not make other oil to be like it by mixing the same amount of those things. This oil is sacred, and you must consider it to be sacred.' ³³ I will consider that anyone who makes ointment like this *for any other purpose*, and anyone who puts any

of this ointment on someone who is not a priest, no longer be allowed to associate with my people."

³⁴ Yahweh also said to Moses/me, "Tell the people to take equal parts of several sweet spices—stacte, onycha, galbanum, and pure frankincense—³⁵ and tell an expert perfumer to mix them together to make some perfume. Add some salt to keep it pure and make it holy. ³⁶ Beat some of it into a fine powder. Then take some of it into the Sacred Tent and sprinkle it in front of the sacred chest. You must all consider this incense to be very holy. ³⁷ The people must not mix the same spices to make incense for themselves. This incense must be completely dedicated to me, Yahweh. ³⁸ I will consider that anyone who makes incense like this to use it for perfume will no longer be allowed to associate with my people."

Instructions for the work to be done by Bezalel and Oholiab

31 ¹⁻² Yahweh also said to Moses/me, "Note that I have chosen Bezalel, the son of Uri and grandson of Hur, from the tribe of Judah, for special tasks. ³ I have caused him to be completely controlled/empowered by my Spirit, and I have given him special ability to make things and have enabled him to know how to do very skilled work. ⁴ He can engrave skillful designs in gold, silver, and bronze. ⁵ He can cut jewels/valuable stones and enclose them in tiny gold settings/frames. He can carve things from wood and do other skilled work. ⁶ Note that I have also appointed Oholiab, the son of Ahisamach, from the tribe of Dan, to work with him. I have also given special ability to other men, in order that they can make all the things that I have commanded you to be made. ⁷ That includes the Sacred Tent, the sacred chest and its lid, all the other things that will be inside the Sacred Tent, ⁸ the table and all the things that are used with it, the pure gold lampstand and all the things that are used to take care of it, the altar for burning incense, ⁹ the altar for offering sacrifices that will be burned and all the things that will be used with it, the washbasin and its base, ¹⁰ all the beautiful sacred clothes for Aaron and his sons to wear when they work as priests, ¹¹ the oil for anointing, and the sweet-smelling incense for the Holy Place. The skilled workers must make all these things exactly as I have told you to do."

Instructions for the day of rest

¹² Yahweh also said to Moses/me, ¹³ "Tell the Israeli people, 'Obey my instructions regarding the rest days/Sabbath days. Those days will remind you and your descendants, throughout all future generations, that I, Yahweh, have set you apart/chosen you to be my people. ¹⁴ You must obey my rules about the Sabbath days because they are holy/sacred. Those who treat those days in an irreverent way by working on those days must be executed to show that I no

longer consider them to belong to my people. ¹⁵ You may work for six days each week, but the seventh day of each week is a solemn day of rest, dedicated to me, Yahweh. Anyone who does any work on a day of rest is to be executed because I no longer want them to be able to associate with my people. ¹⁶ You Israeli people must respect the rest day, and you and your descendants must celebrate it/keep it holy throughout all future generations. It will remind you of the agreement that I have made with you that will last forever. ¹⁷ It will remind you Israeli people and remind me of that agreement because I, Yahweh, created the heavens and the earth in six days, and on the seventh day I stopped doing that work and relaxed."

¹⁸ When Yahweh finished talking with Moses/me on the top of Sinai Mountain, he gave him/me the two stone slabs on which he had engraved his commandments with his own fingers.

The Israelis made a golden calf to worship

32 Moses/I stayed on top of the mountain a long time. When the people realized that he/I was not returning quickly, they gathered near Aaron and said to him, "We do not know what has happened to that man Moses who brought us here out of Egypt. So quickly, make us an idol/a statue of a god who will lead us!" ² Aaron replied to them, "All right, I will do that, but tell your wives and your sons and your daughters to take off all their gold earrings and bring them to me." ³ So the people did that. They took off all their gold earrings and brought them to Aaron. ⁴ He took all those gold earrings and melted them in a fire. He poured the gold into a mold and made a statue that looked like a young bull. The people saw it and said, "This is the god of us Israeli people! This is the one who brought us up from the land of Egypt!"

⁵ When Aaron saw what was happening, he built an altar in front of the statue of the young bull. Then he announced, "Tomorrow we will have a festival to honor Yahweh!" ⁶ So the people got up early the next morning and brought animals to kill and burn as sacrifices on the altar. They also brought sacrifices to maintain fellowship with Yahweh. Then they sat down to eat and drink wine. Then they got up and started dancing in a very immoral way.

Yahweh threatened to destroy the Israeli people

⁷ Then Yahweh said to Moses/me, "Go back down from the mountain, because your people, the ones that you brought up here from Egypt, have already become very depraved/wicked! ⁸ They have already left the road that I showed them/stopped obeying me! They have made a statue of a young bull from melted gold. They have worshiped it and offered sacrifices to it. And they are saying, 'This is the god of us Israeli people! This is the one who brought us up from Egypt!'"

⁹ Then Yahweh said to Moses/me, "I have seen that these people are very stubborn. ¹⁰ I am very angry with them, and so I am going to get rid of them. Do not try to stop me! Then I will cause you and your descendants to become a great nation."

¹¹ But Moses/I pleaded with his/my God, Yahweh, and said, "Yahweh, \diamond you should not be very angry with your people!/why are you so angry with your people[RHQ]? \diamond These are the people whom you rescued from Egypt with very great power [MTY, DOU]! ¹² Do not *do anything that would* allow the people of Egypt to say, 'Their god led them out from our country, but *he did that only because he wanted* to kill them in the mountains and get rid of them completely[RHQ]!' Stop being so angry! \diamond Change your mind/Do not do what you have told me that you will do \diamond ! Do not do to your people this terrible thing *that you have just said that you will do*¹³ Think about your servants Abraham, Isaac, and Jacob. You solemnly promised them, 'I will enable you to have as many descendants as there are stars in the sky.' You said to them, 'I will give to your descendants all the land that I am promising to give them. It will be their land forever.'"

¹⁴ So Yahweh changed his mind. He did not do to his people the terrible thing that he said he would do.

¹⁵ Moses/I turned away from God and went down the mountain, carrying in his hands the two stone slabs on which Yahweh had engraved his commandments. He had written on both sides of the slabs.

¹⁶ God *himself* had made the slabs, and he was the one who had engraved the commandments on them.

¹⁷ Joshua heard the very loud noise of the people shouting. So when he and I got near the camp, Joshua said, "There is a noise in the camp that sounds like *the noise of a battle!*" ¹⁸ But Moses/I replied, "No, that is not the shouting that people do when they have won a victory or when they have been defeated *in a battle*! What I hear is the sound of *loud singing!*"

¹⁹ As soon as Moses/I came close to the camp and saw the statue of the young bull and saw the people dancing, he/I became extremely angry. He/I threw the stone tablets that he/I was carrying down onto the ground, there at the base of the mountain. ²⁰ Then he/I took the statue of the young bull that they had made and melted it in the fire. *When it cooled*, he/I ground it into *fine powder*. Then he/I mixed the powder with water and forced the Israeli people to drink it. ²¹ Then he/I said to Aaron, "What did these people do to you, with the result that you have made them commit such a terrible sin?" ²² Aaron replied, "Please do not be angry with me, sir. You know that these people are very determined to do evil things. ²³ They said to me, 'As for that man Moses, the one who brought us up here from the land of Egypt, we do not know what has happened to him. So make for us an idol that will lead us!' ²⁴ So I said to them, 'Everyone who is wearing *gold earrings* should take them off.' So they *took them*

off and gave them to me. I threw them into the fire, and out came this statue of a young bull!"

²⁵ Moses/I saw that Aaron had allowed the people to become completely out of control and to do things that would make their enemies think the Israeli people were foolish. ²⁶ So he/I stood at the entrance to the camp and shouted, "Everyone who is loyal to Yahweh should come *closer* to me!" So the descendants of Levi gathered around him/me. ²⁷ Then he/I said to them, "Yahweh, the God of us Israeli people, commands that every one of you should fasten your sword to your side, and then go through the camp from this entrance to the other one, and kill some of your relatives and your companions and your neighbors." ²⁸ The descendants of Levi did what Moses/I told them to do, and they killed 3,000 men on that day. ²⁹ Moses/I said to the descendants of Levi, "Today you have dedicated yourselves to serving Yahweh by \diamond killing/not sparing \diamond *even your own sons and brothers*, and as a result Yahweh will bless you."

³⁰ The next day, Moses/I said to the people, "You have committed a terrible sin. But I will now climb up the mountain again to talk with Yahweh. Perhaps I can *persuade him to forgive you for sinning like this.*"

³¹ So Moses/I went back up the mountain and said to Yahweh, "I am sorry to admit that these people have committed a terrible sin. They have made for themselves a gold idol and have worshiped it. ³² But now I ask you to please forgive them for having sinned. If you will not forgive them, then erase my name from the book in which you have written *the names of your people.*" ³³ But Yahweh said to Moses/me, "It is *only* those who have sinned against me whose names I will erase from that book. ³⁴ Now you go back down and lead the *Israeli* people to the place that I told you about. Keep in mind that my angel will go in front of you. But, at the time that I determine, I will punish them for their sin."

³⁵ *Later* Yahweh caused a plague to strike the people because they had told Aaron to make the gold *statue of a young bull.*

Yahweh further rebuked and warned the Israeli people

33 Yahweh said to Moses/me, "Leave this place and go with the people whom you led out of Egypt. Go to the land that I promised Abraham, Isaac, and Jacob that I would give to their descendants. ² I will send my angel ahead of you all, and I will expel *from that land* the Canaan, Amor, Heth, Periz, Hiv, and Jebus people-groups. ³ You will go to a land that will be very good for raising livestock and growing crops [IDM]. But I will not go with you myself, because *if I did that*, I might get rid of you while you are traveling, because you are very stubborn [IDM] people."

⁴⁻⁵ Yahweh said to Moses/me, "Tell the Israeli people, 'You are very stubborn [IDM]. If I would go with you for even a moment, I would completely \diamond get rid of you/wipe you out \diamond . Now take off your jewelry *to show*

that you are sorry for having sinned. Then I will decide how I will punish you (OR, if I should punish you).” So when Moses/I told to the people what God said, they started to mourn, and they all took off their jewelry. ⁶ After the Israeli people left Sinai Mountain, they did not wear jewelry anymore.

⁷ When the Israeli people traveled, whenever they stopped and set up their tents, Moses/I had them set up a tent outside the camp, far from the camp. I called it ‘the Sacred Tent where God and I talk together’. Everyone who wanted Yahweh to decide something for them would go out of the camp to the Sacred Tent. ⁸ Whenever Moses/I went out to the Sacred Tent, all the people would stand at the entrances of their tents and watch him/me until he/I had entered the Sacred Tent. ⁹ When Moses/I entered the Sacred Tent, the tall cloud that looked like a fire would come down and stay at the entrance of the Sacred Tent, and then Yahweh would talk with Moses/me. ¹⁰ When the people saw the tall cloud at the entrance of the Sacred Tent, they would all prostrate themselves on the ground and worship Yahweh. ¹¹ Yahweh would speak to Moses/me directly, like someone speaks to his friend. Then Moses/I would return to the camp. But his/my young helper, Joshua, the son of Nun, stayed in the Sacred Tent.

Yahweh promised to be with his people and to let Moses see his glory

¹² Moses/I said to Yahweh, “It is true that you have told me, ‘Lead the people to the land *that I will show you*,’ and you have said that you know me well and that you are pleased with me, but you have not told me whom you will send with me! ¹³ So now, if you are truly pleased with me, I ask you, tell me the things that you intend/plan to do, in order that I will know you *better* and continue to please you. Also, do not forget that the *Israeli* people are the people whom you chose to belong to you.” ¹⁴ Yahweh replied, “I will go with you, and I will give you inner peace.” ¹⁵ Moses/I replied, “If you do not go with me, do not force us to leave this place. ¹⁶ The only way that *other* people will know that you are pleased with me and with your people is if you go with us [RHQ]! ♦ If you go with us, *that will show that* we are different from all the other people on the earth./If you do not go with us, what will show that we are different from all the other people on the earth?♦” [RHQ] ¹⁷ Yahweh replied to Moses/me, “What you have asked is exactly what I will do, because I know you well and I am pleased with you.”

¹⁸ Then Moses/I said, “Please let me see your glorious presence!” ¹⁹ Yahweh replied, “I will let you see how great and glorious I am, and I will tell you clearly that my name is Yahweh. I will act very kindly and be merciful to all those whom I choose. ²⁰ But you are not allowed to see my face, because anyone who sees my face will ♦die/not continue to stay alive♦. ²¹ But

look! Here is a place close to me where you can stand on a *large* rock. ²² When my glorious presence comes past you, I will put you in a large crevice/opening in the rock, and I will cover your face with my hand until I have passed by. ²³ Then I will take my hand away, and you will see my back, but you will not see my face.”

Yahweh gave Moses another copy of his commandments

34 Yahweh said to Moses/me, “Cut two slabs of stone that will be like the first slabs, the ones that you broke. Then I will engrave on them the words that were on the first slabs. ² Get ready tomorrow morning, and come up to the top of Sinai Mountain again to talk with me there. ³ Do not allow anyone to come up with you. I do not want anyone *else* to be anywhere on the mountain. Do not allow any sheep or cattle to graze ♦at the base of/near♦ the mountain.” ⁴ So Moses/I cut two slabs of stone that were like the first ones. He/I arose early the next morning. He/I took the slabs and carried them in his/my hands up to the top of Sinai Mountain, as Yahweh had commanded. ⁵ Then Yahweh descended in the *tall* cloud and stood with Moses/me there. He proclaimed that it was he, Yahweh, *who was going to speak to Moses/me*. ⁶ Then Yahweh passed in front of him/me and proclaimed, “I am Yahweh God. I always act mercifully and kindly *toward people*. I do not get angry quickly. I *truly* love *people* and I do what I promise to do for them, without changing. ⁷ I love people for thousands of generations. I forgive people for all kinds of sins [TRI]. But I will certainly punish [LIT] those who are guilty. I will punish not only them, but I will punish ♦their descendants, down to the third and fourth generation/ their children and grandchildren and great-grandchildren♦.”

⁸ Moses/I quickly prostrated himself/myself on the ground and worshiped *Yahweh*. ⁹ He/I said, “Yahweh, if you are now pleased with me, I ask that you go with us. These people are very stubborn [IDM], but forgive us for all our sins [DOU], and accept us to be people who belong to you *forever*.”

¹⁰ Yahweh replied, “Note this: I am going to make a solemn agreement *with the Israeli people*. As they are watching, I will perform great miracles. They will be miracles that no one has ever done on the earth in any nation. All the people who are near you will see the great things that I, Yahweh, will do. I will do awesome things for you *all*. ¹¹⁻¹² *Each Israeli* person must obey what I am commanding you this day. Do not forget that *if you obey me*, I will expel the Amor, Canaan, Heth, Periz, Hiv, and Jebus people-groups *from the land*. But be careful that you do not make any *peace* agreements with any of the people who live in the land into which you are going, because if you do that, *you will begin to do the evil things that they do*. It will be *like* falling into a trap. ¹³ You must tear down their altars, destroy their sacred pillars, and cut down the

poles that they use to worship their female goddess Asherah. ¹⁴ You must worship only me, and not worship any other god, because I, Yahweh, cannot endure any rivals. ¹⁵ Do not make peace agreements with *any group* that lives in that land. When they worship their gods and offer sacrifices to their gods, and they invite you to join them, do not join them. If you join them, you will eat the food that they sacrifice to their gods, and you will not be faithful to me. You will be like people who commit adultery, who are not being faithful to their spouses [MET]. ¹⁶ If you take some of their women to be wives for your sons, and these women worship their own gods, they will persuade your sons also to worship their gods.

¹⁷ Do not pour melted metal into molds to make statues for you to worship.

¹⁸ Each year, during the month of/named Abib, celebrate the Festival of Eating Bread Made Without Yeast. During that festival, for seven days you must not eat bread made with yeast, as I commanded you, because it was in that month that you left Egypt.

¹⁹ Your firstborn sons and the firstborn male animals of your cattle and sheep and goats belong to me. ²⁰ The firstborn of your male donkeys also belong to me. But you may buy them back by offering to me lambs in their place. If you do not do that, you must kill these animals by breaking their necks. You must also buy back your firstborn sons. You must bring an offering to me [LIT] each time you come to worship me.

²¹ Each week you may work for six days, but on the seventh day you must rest. Even during the times when you plow the ground and harvest your crops, you must rest on the seventh day.

²² Each year celebrate the Harvest Festival, when you begin to harvest the first crop of wheat, and also celebrate the Festival of Living in Temporary Shelters, when you finish harvesting the grain and fruit.

²³ Three times each year all the men must come to worship me, Yahweh, the God of the Israeli people.

²⁴ I will expel the people-groups that live in the land where you will be, and I will cause your territory to become very large. As a result, no group will try to conquer your country if you come to worship me each year during those three festivals.

²⁵ When you sacrifice an animal [MTY] to me, do not offer with it bread that is made with yeast. And during the Passover Festival, when you sacrifice lambs, do not keep any of the meat until the next morning.

²⁶ I am Yahweh God. You must bring to my Sacred Tent the first part of the grain that you harvest each year. When you kill a young animal/kid either a lamb or a calf, do not prepare to eat it by boiling it in its mother's milk."

²⁷ Yahweh also said to Moses/me, "Write down the words that I have told you. By giving you these commands, I have made a solemn agreement with you and with the other Israeli people."

²⁸ Moses/I was there on the top of the mountain with Yahweh for 40 days and nights. During that time he/I did not eat or drink anything [SYN]. He/I engraved on the stone slabs the words of the Ten Commandments, which were part of Yahweh's solemn agreement.

Moses' face was shining as he returned to the people

²⁹ When Moses/I came back down the mountain, carrying in his/my hand the two stone slabs on which were written the Ten Commandments, his/my face was shining because he/I had been talking with Yahweh, but he/I did not know that his/my face was shining. ³⁰ When Aaron and the other Israeli people saw Moses/me, they were amazed/surprised that his/my face was shining. So they were afraid to come near him/me. ³¹ But Moses/I called to them. Then Aaron and the other Israeli leaders came to him/me, and he/I talked with them. ³² Afterwards, all the other Israeli people came near, and he/I told them all the laws that Yahweh had given to him/me on Sinai Mountain. ³³ When Moses/I finished talking to the people, he/I put a veil over his/my face. ³⁴ But whenever Moses/I entered the Sacred Tent to talk with Yahweh, he/I removed the veil. When he/I came back out, he/I would always tell to the Israeli people everything that Yahweh had commanded him/me to tell them. ³⁵ The Israeli people would see that Moses'/my face was still shining. Then he/I would put the veil back on his/my face again until the next time that he/I went into the Sacred Tent to talk with Yahweh.

Regulations for the day of rest

35 Moses/I gathered all the Israeli people together and said to them, "This is what Yahweh has commanded you to do: ² Each week you may work for six days, but on the seventh day you must rest. It is a sacred day, dedicated to Yahweh. Anyone who does any work on the seventh day must be executed. ³ Do not even light a fire in your homes on days of rest."

Gifts for constructing the Sacred Tent

⁴ Moses/I also said to all the Israeli people, "This is also what Yahweh has commanded: ⁵ Make offerings to Yahweh. Everyone who wants to should bring to Yahweh an offering. These are the things that they may offer: Gold, silver, bronze, ⁶ fine white linen, blue or purple or red cloth, cloth made from goats' hair, ⁷ rams' skins that are tanned/dyed red, fine leather made from goatskins, wood from acacia trees, ⁸ oil for the lamps, spices to put in the olive oil for anointing and in the sweet-smelling incense, ⁹ valuable onyx stones or other valuable stones to fasten onto the priest's sacred apron and put on his sacred chest pouch.

¹⁰ "All the skilled workers among you should come and make all the things that Yahweh has commanded:

11 The Sacred Tent and its covering, its fasteners and its frames, its crossbars, its posts, its bases, 12 the sacred chest with its poles and its lid, the curtain that will separate the Holy Place from the Very Holy Place, 13 the table with the poles *for carrying it* and all the things that will be used with the table, the sacred bread that will be offered to God, 14 the lampstand for the lamps with all the things that will be used to take care of them, the oil for the lamps, 15 the altar for *burning incense*, and the poles *for carrying that altar*, the oil for anointing and the sweet-smelling incense, the curtain for the entrance of the Sacred Tent, 16 the altar for offering *sacrifices that will be completely burned* and its bronze grating, the poles *for carrying that altar* and all the things that will be used with it, the washbasin and its base, 17 the curtains *to surround the courtyard* and the posts and bases *for the posts from which to hang the curtains*, the curtain for the entrance to the courtyard, 18 the pegs and ropes for the Sacred Tent and for the courtyard, 19 and the beautiful clothes that Aaron and his sons are to wear when they do their work in the Holy Place.”

20 Then all the Israeli people returned *to their tents*. 21 Everyone who wanted to brought an offering to Yahweh. They brought some of the things that would be used to make the Sacred Tent and all the other items that would be used in the rituals, and the materials to make the sacred clothes *for the priests*. 22 All the men and women who wanted to brought gold ornaments, earrings, rings, necklaces, and many other kinds of things made of gold, and they dedicated them to Yahweh. 23 And many [HYP] people who had blue, purple, or red cloth or fine white linen or cloth made from goats' hair or rams' skins that were *◇tanned/dyed red◇* or leather made from goatskins brought some of these things. 24 All those who had silver or bronze brought them as offerings to Yahweh. All those who had some acacia wood that could be used for any of the work brought it. 25 All the women who were skilled to make cloth brought fine linen thread and blue, purple, or red yarn/thread that they had made/spun. 26 And all the women who wanted to made/spun thread from goats' hair. 27 All the leaders brought valuable onyx stones and other valuable stones to be fastened to Aaron's sacred apron and his sacred chest pouch. 28 They also brought spices *to put in the sweet-smelling incense*, and they brought olive oil for the lamps and for the oil for anointing and for putting in the sweet-smelling incense. 29 All the Israeli men and women who wanted to brought these things to offer them to Yahweh, for doing the work that he had commanded Moses/me to do.

Moses' instructions regarding Bezalel and Oholiab

30 Moses/I said to the Israeli people, “Listen carefully. Yahweh has chosen Bezalel, the son of Uri and grandson of Hur, from the tribe of Judah. 31 Yahweh has enabled his Spirit to completely control Bezalel

and has given him ability and enabled him to know how to do very skilled work. 32 He can engrave skillful designs in gold, silver, and bronze. 33 He can cut *◇jewels/valuable stones◇* and enclose them *in tiny gold frames*. He can carve things from wood and do other skilled work. 34 Yahweh has also given to him and to Oholiab, the son of Ahisamach, from the tribe of Dan, the ability to teach their skills to others. 35 He has given to them the ability to do all kinds of work that is done by craftsmen—those who create artistic things, those who make fine white linen, those who embroider designs using blue or purple or red yarn/thread, and those who make other cloth. They are able to do many [HYP] kinds of skillful work.

36 “Bezalel and Oholiab, and all the other men to whom Yahweh has given ability and enabled them to understand how to do all the work to make the Sacred Tent, must make everything just as Yahweh has commanded.”

2 So Moses/I summoned Bezalel and Oholiab and all the other skilled men to whom Yahweh had given special ability and who wanted to do some of the work. 3 Moses/I gave them all the things that the people had brought as offerings to Yahweh for making the Sacred Tent. But the people continued bringing more things every morning. 4 As a result, the skilled men who were doing various things to make the Sacred Tent came to Moses/me 5 and said, “The people are bringing more than we need to do the work that Yahweh has commanded us!” 6 So Moses/I gave the skilled men this message that was proclaimed throughout the camp: “No one should bring anything more as an offering to make the Sacred Tent!” When the people *heard that*, they did not bring anything more. 7 What they had already brought was enough to do all the work. *In fact*, it was more than was needed!

They made the curtains and coverings for the Sacred Tent

8 All the most skilled men among the workmen made the Sacred Tent. They made it from ten strips of fine linen, and carefully embroidered it using blue, purple, and red yarn/thread to make figures that resembled the winged creatures. 9 Each strip was *◇14 yards/twelve meters◇* long and *◇2 yards/1.8 meters◇* wide. 10 They sewed five strips together to make one set, and they sewed the other five strips together to make the other set. 11 For each set, they made loops of blue *cloth* and fastened them on the outer edge of the strip, at the end of each set. 12 They put 50 loops on the edge of the first set, and 50 loops on the edge of the second set. 13 They made 50 gold clasps/fasteners, to fasten both of the sets together. In that way, the inside of the Sacred Tent was *as though it was* one piece. 14 They made a cover for the Sacred Tent from eleven pieces of cloth made from goats' hair. 15 Each piece of cloth was *◇15 yards/13.5 meters◇* long and *◇2 yards/1.8 meters◇* wide. 16 They sewed five of

these pieces of cloth together to make one set, and they sewed the other six pieces of cloth together to make another set. ¹⁷ They made 100 loops of *blue cloth*. They fastened 50 of them to the outer edge of the one set and they fastened 50 to the outer edge of the other set. ¹⁸ They made 50 bronze clasps/fasteners and joined the two sets together with them. In that way it formed one cover. ¹⁹ They made two more covers for the Sacred Tent. They made one from rams' skins that had been *tanned/dyed red*, and they made the top cover from goatskin leather. ²⁰ They made 48 frames from acacia wood and set them up to support the covers for the Sacred Tent. ²¹ Each frame was *15 feet/4.5 meters* long and *27 in./66 cm.* wide. ²² They made two projections at the bottom of each frame. These were for fastening the frames to the bases underneath them. Each frame had these projections. ²³ The skilled workmen made twenty frames for the south side of the Sacred Tent. ²⁴ They made 40 silver bases to go underneath them. Two bases went under each frame. The projections on each frame fit into these bases. ²⁵ Similarly, they made 20 frames for the north side of the Sacred Tent. ²⁶ They made 40 silver bases for them also, with two bases for under each frame. ²⁷ For the rear of the Sacred Tent, on the west side, they made six frames. ²⁸ They also made two extra frames, one for each corner of the rear of the Sacred Tent, to provide extra support. ²⁹ The two corner frames were joined from the bottom to the top (OR, joined at both the bottom and the top). At the top of each of the two corner frames they fastened a gold ring for holding the crossbar. ³⁰ In that way, for the rear of the Sacred Tent there were eight frames, and there were 16 bases, two bases under each frame. ³¹ The workmen made 15 crossbars from acacia wood. ³² Five of them were for the frames on the north side of the Sacred Tent, five for the south side, and five for the frames at the rear of the Sacred Tent, the west side. ³³ The crossbars on the north, south, and west sides of the Sacred Tent were fastened to the middle of the frames. The two long crossbars extended from one end of the Sacred Tent to the other, and the crossbar on the west side extended from one side of the Sacred Tent to the other side. ³⁴ The workmen covered the frames with gold and fastened gold rings to the poles. The crossbars were put into the rings. The crossbars were also covered with gold.

³⁵ They made a curtain from fine white linen. Skilled craftsmen embroidered it with blue, purple, and red yarn/thread, making designs that resembled the winged creatures. ³⁶ They suspended/hung the curtain from four posts that were made from acacia wood and covered with gold. They set each post in a silver base. ³⁷ They made a curtain to cover the entrance of the Sacred Tent. They made it from fine linen, and a skilled weaver embroidered it with blue, purple, and red yarn/thread. ³⁸ To support this curtain, they also

made five posts from acacia wood and fastened gold clasps/fasteners to them. They completely covered the posts with gold. They also made a bronze base for each of those posts.

Bezalel made the altar for burning sacrifices

³⁷ Then Bezalel made the *sacred chest* from acacia wood. It was *45 in./110 cm.* long, *27 in./66 cm.* wide, and *27 in./66 cm.* high. ² He covered it with pure gold inside and outside the chest, and he made a gold border around the top of it. ³ He made/cast four rings from gold and fastened them to the legs of the chest. He put two rings on each side of the chest. ⁴ He made two poles from acacia wood, and covered them with gold. ⁵ He put the poles into the rings on the sides of the chest, in order that the chest could be carried by means of the poles. ⁶ He made a lid for the chest. That was the place where Yahweh would forgive people's sins. It also was *45 in./110 cm.* long and *27 in./66 cm.* wide. ⁷ He made two winged creatures from hammered gold. ⁸ One of these was put at each end of the chest. The gold with which they were made was joined to the gold from which the lid was made. ⁹ He placed the winged creatures facing each other so that their wings touched each other and spread out over the lid.

Bezalel made the table

¹⁰ Bezalel made a table from acacia wood. It was *36 in./88 cm.* long, *18 in./44 cm.* wide, and *27 in./66 cm.* high. ¹¹ He covered it with pure gold, and he put a gold border around it. ¹² He made a rim all around it, *3 in./7 cm.* wide. He put a gold border around the rim. ¹³ He made/cast four rings from gold and fastened the rings to the four corners of the table, one ring close to each leg of the table. ¹⁴ The rings were fastened to the table near the rim. ¹⁵ He made two poles from acacia wood and covered them with gold. These poles for carrying the table were then inserted into the rings. ¹⁶ He also made from pure gold all the things to be put on the table. He made the plates, the cups, and the jars and bowls to be used when the priests poured out wine as an offering to Yahweh. ¹⁷ He made the lampstand from pure gold. Its base and its shaft were hammered from one large lump of gold. The branches of the lampstand, the cups for holding the oil, the flower buds and the petals that decorated the branches of the lamp, the base, and the shaft were all hammered from one big lump of gold. ¹⁸ There were six branches on the lampstand, three on each side of the shaft. ¹⁹ Each of the branches had on it three gold decorations that looked like almond blossoms. These decorations also had flower buds and flower petals. ²⁰ On the shaft of the lampstand there were four gold decorations that also looked like almond blossoms, each one with flower buds and flower petals. ²¹ On each side, beneath and extending from

each of the branches, there was one *flower* bud. ²² All these *flower* buds and branches, along with the shaft, were hammered from one large lump of pure gold. ²³ Bezalel also made seven small cups *for holding oil*. He put one cup on top of the shaft and he put the others on top of the branches. He made from pure gold the tongs *for removing the burned wicks* and the trays *in which to put the burned wicks*. ²⁴ He used $\diamond 75$ pounds/35 kg. \diamond of pure gold to make the lampstand and all the things that were used to take care of it.

Bezalel made the altar for burning incense

²⁵ From acacia wood, Bezalel made the altar *for burning incense*. It was square, $\diamond 18$ in./45 cm. \diamond on each side. It was $\diamond 3$ ft./90 cm. \diamond high. He made a *projection that looked like a horn* on each of the top corners. The projections were carved from the same block of wood that the altar was made of. ²⁶ He covered the top and the four sides, including the projections, with pure gold. He put a gold border around the altar, *near the top*. ²⁷ He made two gold rings for carrying the altar. Then he attached them to the altar below the border, one on each side of the altar. The poles by means of which the altar was to be carried were to be inserted into those rings. ²⁸ He made those two poles from acacia wood and covered them with gold. ²⁹ He also made the sacred oil for anointing and the pure sweet-smelling incense. He mixed the incense together as a skilled perfumer would.

They made the altar for burning sacrifices, and they made the washbasin

38 *Several men helped Bezalel to make the altar for burning sacrifices*. They made it from acacia wood. It was square, $\diamond 7\text{-}1/2$ feet/2.2 meters \diamond on each side, and it was $\diamond 4\text{-}1/2$ feet/1.3 meters \diamond high. ² They made a *projection that looked like a horn* on each of the top corners. The projections were carved from the same block of wood that the altar was made of. They covered the whole altar with bronze. ³ They made the pans in which to put the greasy ashes *from the animal sacrifices*. They also made the shovels for cleaning out the ashes. They made the basins and forks for turning the meat as it cooked, and buckets for carrying hot coals/ashes. All of those things were made from bronze. ⁴ They also made a bronze grating to hold the wood and burning coals. They put the grating under the rim that went around the altar. They made it so that it was *inside the altar*, halfway down. ⁵ They made bronze rings in which to put the poles *for carrying the altar*, and fastened one of them to each of the corners of the altar. ⁶ They made the poles from acacia wood and covered them with bronze. ⁷ They put the poles through the rings on each side of the altar. The poles were for carrying the altar. ⁸ The altar was *hollow* like an empty box. It was made from boards of acacia wood.

They made/cast the washbasin and its base from bronze. The bronze was from the mirrors that belonged to the women who worked at the entrance of the Sacred Tent.

They made curtains to surround the courtyard

⁹ *Around the Sacred Tent* Bezalel and his helpers made a courtyard. To form the courtyard, they made curtains of fine white linen. On the south side, the curtain was $\diamond 150$ feet/46 meters \diamond long. ¹⁰ *To hang the curtain*, they made 20 bronze posts and 20 bronze bases, *one for under each post*. *To fasten the curtains to the posts*, they made silver hooks, and *they made metal rods covered with silver*. ¹¹ They made the same kind of curtains, posts, bases, and hooks for the north side of the courtyard. ¹² On the west side of the courtyard, they made a curtain $\diamond 75$ feet/23 meters \diamond long. They also made ten posts on which to hang the curtains, and ten bases, with silver hooks and *metal rods covered with silver*. ¹³ On the east side, *where the entrance is*, the courtyard was $\diamond 75$ feet/23 meters \diamond wide. ¹⁴⁻¹⁵ On each side of the entrance, they made a curtain $\diamond 22\text{-}1/2$ feet/6.6 meters \diamond wide. On each side they were hung from three posts, and one base was under each post. ¹⁶ All the curtains around the courtyard were made from fine white linen. ¹⁷ All the posts around the courtyard were made of bronze, but the tops were covered with silver. The posts were connected with *metal rods covered with silver*. The clasps/fasteners and hooks were made of silver. ¹⁸ For the entrance of the courtyard, they made a curtain from fine white linen, and a skilled weaver embroidered it with blue, purple, and red yarn/thread. The curtain was $\diamond 30$ feet/9 meters \diamond long and $\diamond 7\text{-}1/2$ feet/2.3 meters \diamond high, just like the other curtains around the courtyard. ¹⁹ All the curtains were made of fine white linen. They were supported by four posts, and *under each post* was a base made of bronze. All the posts around the courtyard were connected with *metal rods covered with silver*. The clasps/fasteners were made of silver, and the tops of the posts were covered with silver. ²⁰ All the tent pegs to support the Sacred Tent and the curtains around the courtyard were made of bronze.

A list of the materials used

²¹ Here is a list of the amounts of metal used to make the Sacred Tent. Moses/I told *some men from the tribe of Levi to count all the materials used and write down the amounts*. Ithamar, the son of Aaron the priest, supervised those men. ²² Bezalel the son of Uri and grandson of Hur made all the things that Yahweh commanded Moses/me to be made. ²³ Bezalel's helper was Oholiab, the son of Ahisamach, of the tribe of Dan. Oholiab was a skilled engraver who made artistic things. He made fine white linen, and he embroidered designs using blue, purple, and red yarn/

thread. He also made other cloth. ²⁴ All the gold that was used to make the Sacred Tent weighed \diamond 2,195 pounds/1,000 kg. \diamond . They used the official standard when they weighed the gold. ²⁵ All the silver that the people contributed when the leaders \diamond took the census/counted the men \diamond weighed \diamond 7,500 pounds/3,400 kg. \diamond . They also used the official standard when they weighed the silver. ²⁶ All the men who were at least 20 years old were counted, and they each paid the required amount. That was a total of 603,550 men. ²⁷ They used \diamond 75 pounds/34 kg. \diamond of silver for making/casting each of the 100 bases to *put under the posts to support the curtains of the Sacred Tent.* ²⁸ Bezalel and his helpers used the \diamond 50 pounds/30 kg. \diamond of silver that was not used for the bases to make the rods and the hooks for the posts, and to cover the tops of the posts. ²⁹ The bronze that the people contributed weighed \diamond 5,310 pounds/2,425 kg. \diamond . ³⁰ With the bronze, Bezalel and his helpers made the bases for under the posts at the entrance of the Sacred Tent. They also made the altar for burning sacrifices, the grating for it and the tools used with it, ³¹ the bases for the posts *that supported the curtains* that surrounded the courtyard and the bases for the entrance to the courtyard, and the pegs for the Sacred Tent and for *the curtains around the courtyard.*

They made the sacred clothes for Aaron

39 Bezalel, Oholiab, and the other skilled workmen made the beautiful clothes for Aaron to wear while he did his work as a priest in the Holy Place. They made them from blue, purple, and red cloth, just as Yahweh had commanded Moses/me. ² They made the sacred apron from fine white linen and from blue, purple, and red cloth. ³ They hammered some thin sheets of gold and cut them into thin strips which they embroidered into the fine linen and into the blue, purple, and red cloth. ⁴ The apron had two shoulder straps, to join the front part to the back part at the shoulders. ⁵ A carefully-woven sash, which was made from the same materials as the sacred apron, was *sewn* onto the sacred apron. This was made exactly as Yahweh had commanded Moses/me. ⁶ They cut two valuable onyx stones and enclosed them in a tiny gold frame, and a skilled gem-cutter engraved on the stones the names of the twelve sons of Jacob. ⁷ They fastened the stones to the shoulder straps of the sacred apron, to represent the twelve Israeli tribes, exactly as Yahweh had commanded Moses/me. ⁸ They made the sacred chest pouch. They made it of the same materials as the sacred apron and embroidered it in the same way. ⁹ It was square, and the material was folded double, so that it was \diamond 9 in./22 cm. \diamond long and \diamond 9 in./22 cm. \diamond wide. ¹⁰ They fastened four rows of valuable stones onto the pouch. In the first row, they put a *red ruby, a yellow topaz, and a red garnet.* ¹¹ In the second row, they put a *green emerald, a blue sapphire, and a clear/white dia-*

mond. ¹² In the third row they put a *red jacinth, a white agate, and a purple amethyst.* ¹³ In the fourth row, they put a *yellow beryl, a red carnelian, and a green jasper.* They set each of the stones in tiny gold frames. ¹⁴ On each of the twelve stones they engraved the name of one of the sons of Jacob, to represent one of the twelve Israeli tribes. ¹⁵ They made two *chains* from pure gold and braided them like cords, to *attach the sacred pouch to the sacred apron.* ¹⁶ They made two gold rings, and they attached them to the upper corners of the sacred pouch. ¹⁷ They fastened one end of each cord to one of the rings. ¹⁸ They fastened the other end of each cord to the two \diamond settings/tiny frames \diamond *that enclosed the stones.* Then they attached the sacred pouch to the shoulder straps of the sacred apron. ¹⁹ Then they made two more gold rings and attached them to the lower corners of the sacred pouch, on the inside edges, next to the sacred apron. ²⁰ They made two more gold rings and attached them to the lower part of the front of the shoulder straps, near to where *the shoulder straps were joined to the sacred apron, just above the carefully-woven sash/waistband.* ²¹ They tied the rings on the sacred pouch to the rings on the sacred apron with a blue cord, so that the sacred pouch was above the sash/waistband and would not come loose from the sacred apron.

They made other special clothes for the priests

²² They made the robe that is to be worn underneath the priest's sacred apron, using only blue *cloth.* ²³ It had an opening through which *the priest* would put his head. They sewed a border around this opening, to prevent the material from tearing. ²⁴ At the lower edge on the robe, they fastened *decorations that resembled pomegranate fruit.* The decorations were *woven from* blue, purple, and red yarn/thread. ²⁵ Between each of these decorations, they fastened a tiny bell made from pure gold, so there was a bell and a pomegranate, a bell and a pomegranate, alternating all around the hem of the robe ²⁶ *for Aaron to wear while he did his work as a priest.* They made all these things exactly as Yahweh had commanded Moses/me. ²⁷ They wove long-sleeved tunics/gowns from fine white linen, for Aaron and his sons. ²⁸ They also made a turban of fine linen *for Aaron to wear around his head.* They made the caps and the undershorts *for Aaron's sons* from fine linen. ²⁹ They made the embroidered sash/waistband *for Aaron* from fine linen and from blue, purple, and red cloth, and they embroidered designs on it using blue, purple, and red yarn/thread, exactly as Yahweh had commanded Moses/me. ³⁰ They also made the tiny ornament of pure gold and had a skilled workman engrave on it the words, 'Dedicated to Yahweh'. ³¹ They fastened this to the front of the turban by a blue cord, just as Yahweh had commanded Moses/me. ³² Finally they finished all the work to make the Sacred Tent. They brought to Moses/me all the things

that they had made. They had made them exactly as Yahweh had commanded me. ³³ They brought to him/me the Sacred Tent and all the things that were used with it: the hooks, the frames, the crossbars, the posts and their bases, ³⁴ the coverings for the Sacred Tent that were made of tanned/dyed rams' skins and goatskins, the curtains, ³⁵ the sacred chest that contained the stone slabs *on which the commandments were written*, the poles, the lid for the chest, ³⁶ the table with all the things that were used with it, the sacred bread *that was offered* to God, ³⁷ the lampstand made of pure gold and all its lamps and all the things that were to be used to take care of it, the oil for the lamps, ³⁸ the golden altar *for burning incense*, the oil for anointing, the sweet-smelling incense, the curtain for the entrance to the Sacred Tent, ³⁹ the bronze altar *for burning sacrifices* and its bronze grating, the poles *for carrying* it, and all the other things that were used with it, the washbasin and its base, ⁴⁰ the curtains *that surrounded* the courtyard, the posts and bases that supported them, the curtain for the entrance to the courtyard and its ropes, the tent pegs, and all the other things that would be used in the Sacred Tent, ⁴¹ the beautiful sacred clothes for Aaron to wear when he did his work in the Holy Place, and the special clothes for his sons to wear as they did their work as priests. ⁴² The Israeli people had done all this work exactly as Yahweh had commanded Moses/me. ⁴³ Then Moses/I saw all the work that they had done. Truly, they had done everything exactly as Yahweh had commanded *that it should be done*. Then Moses/I asked God to bless them.

They set up the Sacred Tent

⁴⁰ Then Yahweh said to Moses/me, ² "On the first day of the first month next year, *tell the people* to set up the Sacred Tent. ³ Put inside it the sacred chest *that contains the stone slabs on which are engraved* the Ten Commandments, and hang the curtain in front of it. ⁴ Bring the table into the Sacred Tent, and place on it all the things that are to be used with it. Bring in the lampstand and fasten the lamps to it. ⁵ Put the gold altar *for burning incense* in front of the sacred chest, and set up the curtain at the entrance of the Sacred Tent. ⁶ Put the altar *for burning sacrifices* in front of the Sacred Tent. ⁷ Put the washbasin between the Sacred Tent and the altar, and fill it with water. ⁸ Hang the curtains that will surround the courtyard, and hang the curtain at its entrance. ⁹ Then take the oil for anointing, and anoint the Sacred Tent and everything that is in it, to \diamond set it apart/dedicate it \diamond to me. Then it will be holy/sacred. ¹⁰ Also anoint the altar *for offering sacrifices* that will be completely burned, and all the things that will be used with it, and set it apart. Then it also will be holy/sacred. ¹¹ Also anoint the washbasin and its base, to set it apart. ¹² Then bring Aaron and his sons to the entrance of the Sacred Tent, and wash them *ritually* with water. ¹³ Then put

on Aaron his sacred clothes to \diamond set him apart/dedicate him \diamond , in order that he can serve me as a priest. ¹⁴ Also bring his sons there. Put their sacred tunics/gowns on them ¹⁵ and anoint them just as you anointed their father, in order that they also may serve me by working as priests. By anointing them *and their descendants*, you will cause them and their descendants to be priests throughout all coming generations."

¹⁶ Moses/I did all these things exactly as Yahweh had commanded him/me. ¹⁷ On the first day of the first month of the next year (OR, second year *after they/we left Egypt*), the people set up the Sacred Tent. ¹⁸ Following Moses'/my instructions, they set up the Sacred Tent and its bases, set up the frames, attached the crossbars, and put up the posts *for the curtains*. ¹⁹ Then they spread out the coverings over the Sacred Tent, exactly as Yahweh had commanded. ²⁰ Then he/I took the two stone slabs *on which the commandments were written* and put them in the sacred chest. He/I put the carrying poles *in the rings* on the chest and put the lid on top of the chest. ²¹ Then he/I took the chest into *the Very Holy Place inside* the Sacred Tent and hung the curtain. In that way, he/I prevented the people who were outside from seeing the chest. He/I did all this exactly as Yahweh had commanded him/me. ²² He/I set the table inside the Sacred Tent, on the north side, outside the curtain. ²³ He/I placed on the table the bread that was offered to Yahweh, exactly as Yahweh had commanded. ²⁴ He/I set the lampstand inside the Sacred Tent, on the south side, opposite the table. ²⁵ Then he/I fastened the lamps to the lampstand in Yahweh's presence, exactly as Yahweh had commanded. ²⁶ He/I set the golden altar *for burning incense* inside the Sacred Tent, in front of the curtain *that separated the Holy Place from the Very Holy Place*, ²⁷ and he/I burned some sweet-smelling incense on it, exactly as Yahweh had commanded him/me. ²⁸ He/I hung the curtain at the entrance to the Sacred Tent. ²⁹ At the entrance to the Sacred Tent, he/I set the altar *for offering sacrifices* that were to be burned completely. Then he/I offered on it the meat that was to be burned completely and the grain offering, exactly as Yahweh had commanded him/me. ³⁰ He/I set the washbasin between the Sacred Tent and the *bronze* altar, and he/I filled the washbasin with water. ³¹⁻³² Every time Moses/I and Aaron and his sons went into the Sacred Tent or went to the altar, they/we washed their/our hands and feet *ritually*, exactly as Yahweh had commanded Moses/me. ³³ Following Moses'/my instructions, they hung the curtains that surrounded the courtyard and the altar, and they hung the curtain at the entrance to the courtyard. So Moses/I finished that work.

Yahweh's brilliant light filled the Sacred Tent

³⁴ Then the *tall bright* cloud covered the Sacred Tent, and Yahweh's \diamond glory/brilliant light \diamond filled the Sacred Tent. ³⁵ Because that light was very bright, Moses/I

was not able to enter the Sacred Tent. ³⁶ From that day, whenever the Israeli people wanted to move to another place, they went only when the bright cloud rose from above the Sacred Tent. ³⁷ If the cloud did not rise, they stayed where they were and did not go

on until the cloud rose. ³⁸ Wherever they traveled, the bright cloud that *indicated* Yahweh's *presence* was above the Sacred Tent during the day, and a *bright* fire was inside the cloud at night, with the result that all the Israeli people [MTY] could see it *at any time*.

LEVITICUS

The burnt offering

1 While Moses/I was *standing near the entrance* to the Sacred Tent, Yahweh called to him/me from inside the tent. He said to Moses/me, **2** "Tell this to the Israeli people: 'When any of you brings an offering to Yahweh, bring one of your sheep or goats or cattle.

3 'If what you are offering is a bull that will be completely burned *on the altar*, it must not have any defects. You must take it to the entrance to the Sacred Tent, in order that it will be acceptable to Yahweh.

4 You must lay your hands on the head of the bull.

When you do that, Yahweh will accept *its death in your place* to forgive/pardon you for the sins that you have committed. **5** You must slaughter the bull in front of Yahweh. Then Aaron's sons, who are priests, will bring the blood and sprinkle it against all sides of the altar near the entrance to the Sacred Tent. **6** You must remove the skin of the animal and cut the animal into pieces. You must wash the inner parts and the legs of the bull. **7** Then Aaron's sons will put wood on the altar and light a fire. **8** Then they will arrange the pieces, including the head and the fat, on the burning wood. **9** Then one of the priests will completely burn all of it on the altar. And the aroma will be pleasing to Yahweh.

10 'If you are offering a sheep or a goat, it must be a male without any defect. **11** You must slaughter it in front of Yahweh, on the north side of the altar, *and drain all the blood into a bowl*. Then Aaron's sons will sprinkle the blood against all sides of the altar. **12** You must cut the animal into pieces. You must wash the inner parts and the legs of the animal. Then the priests will arrange the pieces, including the head and the fat, on the burning wood. **13** Then one of the priests will take all of it and completely burn all of it on the altar. And the aroma as it burns will be pleasing to Yahweh.

14 'If what you are offering to Yahweh is a bird, you must offer a dove or a young pigeon. **15** The priest will take it to the altar and wring/twist off its head. Then he will burn the head on the altar. He will drain out the bird's blood onto the side of the altar. **16** Then he will remove the bird's *◇craw/food-grinding pouch◇* and what is inside it, and throw it on the east side of the altar, where the ashes are thrown. **17** Then he will grasp the bird's wings and partially tear the bird open. Then

he will burn it completely in the fire on the altar. And the aroma will be pleasing to Yahweh.'

The grain offering

2 'If you bring to Yahweh an offering of grain, it must consist of finely-ground flour. You must pour olive oil on it, and put some incense on it, **2** and take it to one of the priests. The priest will take a handful of the flour and the oil with the incense and burn it on the altar. That part will symbolize *that all of the offering truly belongs to Yahweh*. And the aroma will be pleasing to Yahweh. **3** The part of that offering that is not burned will belong to Aaron and his sons. It is a very holy part of the offerings that are given to Yahweh by *burning them* in a fire.

4 'If you bring an offering that is made from grain, something that is baked in an oven, it must be made from finely-ground flour. You may bring loaves made from flour mixed with olive oil but without yeast, or you may bring wafers with olive oil smeared on them, but also made without yeast. **5** If your offering is cooked *◇on a griddle/in a shallow pan◇*, it must be made from finely-ground flour mixed with olive oil and without yeast. **6** You must crumble it and pour olive oil on it. That will be your offering made from grain. **7** If your offering that is made from grain is cooked in a pan, it must be made of finely-ground flour mixed with olive oil. **8** Bring to Yahweh your grain offering. Give it to the priest, and he will take it to the altar. **9** He will take a part of it that will symbolize that all the offering belongs to Yahweh. He will burn that part on the altar, and the aroma as it burns will be pleasing to Yahweh. **10** The part that is not burned will belong to Aaron and his sons. It is a very holy part of the offerings given to Yahweh by *burning them* in a fire.

11 'Every offering that is made from grain and that you bring to Yahweh must be made without yeast, because you must not put any yeast or honey in any offering to Yahweh that is burned *on the altar*. **12** You may bring to Yahweh an offering of the first part of your harvest, but that is not to be burned on the altar to produce an aroma that will be pleasing to Yahweh. **13** Put salt on all your offerings that are made from grain. The salt represents the agreement that your God *made with* you, so be sure that you do not forget to put salt on those offerings.

14 'If you bring to Yahweh an offering of the first part of your harvest of grain, offer some new grain that has

been crushed and roasted in a fire. ¹⁵ Put olive oil and incense on it, and that will be your offering made from grain. ¹⁶ The priest will take a part of the flour and oil along with the incense. *That will symbolize that all the offering truly belongs to Yahweh.* He will burn that part on the altar, to be an offering given to Yahweh by *burning it in a fire.*"

The fellowship offering

3 *"Also tell the people,* 'When the offering that you bring to Yahweh is to maintain good fellowship *with him,* you may bring a bull or a cow from your herd of *cattle,* but what you present to Yahweh must be an animal that has no defects. ² You must bring the animal to the entrance to the Sacred Tent. You must lay your hands on its head. Then you must slaughter it *and drain some of its blood in a bowl.* Then one of Aaron's sons, one of the priests, will sprinkle the blood against all sides of the altar. ³ From that offering, you must offer to Yahweh, as a sacrifice that will be burned in the fire, all the fat that covers the inner parts of the animal, or which is attached to them— ⁴ the kidneys and the fat that is attached to them near the lower back muscle, and the fat that covers the liver. ⁵ Then one of the priests will burn those things on the altar, along with the other parts of the animal that will be completely burned to be an offering *to Yahweh.* And the aroma while it burns will be pleasing to Yahweh.

⁶ If that offering to maintain good fellowship with Yahweh is a sheep or a goat, it must also be an animal that has no defects. ⁷ If you offer a lamb, you must present it to Yahweh *at the entrance to the Sacred Tent.* You must lay your hands on the lamb's head and then slaughter it. *'You must drain some of its blood in a bowl.* ⁸ Then one of the priests will sprinkle that blood against all sides of the altar. ⁹ You must dedicate these things to be a sacrifice to Yahweh that is burned: Its fat, the fat tail that you must cut off close to the backbone, and all the fat that covers the inner parts of the lamb or which is attached to them— ¹⁰ the kidneys with the fat that is on them near the lower back muscle, and the fat that covers the liver. ¹¹ One of the priests will burn those things on the altar to be an offering to Yahweh; *it will be as though* they will be a special food *given to Yahweh.*

¹² 'If your offering is a goat, you must take/present it to Yahweh. ¹³ You must lay your hands on its head. Then you must slaughter it in front of the Sacred Tent. Then one of Aaron's sons will sprinkle the blood against all sides of the altar. ¹⁴ From that offering you must dedicate these things to be a sacrifice to Yahweh that is burned: All the fat that covers the inner parts of the animal or which is attached to them, ¹⁵ the kidneys with the fat that is on them near the lower back muscle, and the fat that covers the liver. ¹⁶ The priest will burn those things on the altar to be an offering to Yahweh; *it will be as though* they will be a special food *given to Yahweh.* And the aroma while it burns will be

pleasing to Yahweh. All the fat *of the animals that are sacrificed* belongs to Yahweh.

¹⁷ 'This is a command that must be obeyed by you and your descendants forever, wherever you live: You must not eat the fat or the blood *of any animal.*"

The sin offering

4 Then Yahweh said to Moses/me, ² "Say this to the Israeli people: This is what must be done if someone sins without intending to sin, doing something that is forbidden in any of Yahweh's commands.

³ If the Supreme [MTY] Priest sins, and that causes all the people to be guilty, he must bring to Yahweh a young bull that has no defects. That will be an offering for the sin that he has committed. ⁴ He must bring the bull to the entrance to the Sacred Tent. He must lay his hands on its head. Then he must slaughter it in front of Yahweh *and drain some of the blood into a bowl.* ⁵ Then the Supreme Priest must take some of that blood into the Sacred Tent. ⁶ He must dip *one of his fingers* into the blood and sprinkle it seven times in the presence of Yahweh, in front of the curtain *that separates the Holy Place from the Very Holy Place.* ⁷ Then he must put some of the blood on the projections at the corners of the altar where fragrant incense is burned in the Sacred Tent in the presence of Yahweh. The remaining part of the bull's blood *that is still in the bowl,* he must pour out at the base of the altar, where sacrifices are burned, at the entrance to the Sacred Tent. ⁸ From that offering the Supreme Priest must separate these things from the bull that is to be burned: The fat that covers the inner parts of the bull or which is attached to them— ⁹ the kidneys and the fat that is attached to them near the lower back muscle, and the fat that covers the liver. ¹⁰ Then the Supreme Priest must completely burn those things on the altar. That will be just like when the fat is removed from an animal that is sacrificed to maintain good fellowship *with Yahweh.* ¹¹ But all the other parts of the animal—its skin/hide and all its other meat, its head and its legs, its inner parts and the intestines, ¹² he must take outside the camp and throw them in a place that is acceptable to Yahweh, where the ashes are thrown, and he must burn them in a fire on the pile of ashes.

¹³ 'If all the Israeli people sin without intending to sin, doing something that is forbidden in any of Yahweh's commands, they will be guilty, even if they do not realize that they have sinned. ¹⁴ When they realize that they have committed a sin, together they must bring a young bull to be an offering for their sin, to the front of the Sacred Tent. ¹⁵ The elders must lay their hands on the bull's head in the presence of Yahweh and slaughter it *and catch some of the blood in a bowl.* ¹⁶ Then the Supreme [MTY] Priest must take some of that blood into the Sacred Tent. ¹⁷ 'He must dip *one of his fingers* into the blood and sprinkle it seven times in the presence of Yahweh, in front of the

curtain that separates the Holy Place from the Very Holy Place. ¹⁸ Then he must put some of the blood on the projections at the corners of the altar that is in the presence of Yahweh in the Sacred Tent. The remaining part of the bull's blood, he must pour out at the base of the altar where sacrifices are burned, at the entrance of the Sacred Tent. ¹⁹ He must remove all the animal's fat and burn it on the altar. ²⁰ He must do with this bull the same things that he did with the bull that was an offering for his own sins, and they will be forgiven {Yahweh will forgive them}. ²¹ Then the priest must take *the other parts of the bull* outside the camp and burn them, like he does when he himself has sinned. That will be the offering for the sin that all the people have committed, and they will be forgiven.

²² 'When one of the leaders sins without intending to sin, doing something that is forbidden in any of the commands of Yahweh his God, he will be guilty.

²³ When he realizes that he has committed a sin, he must bring as his offering a male goat that has no defects. ²⁴ He must lay his hands on the goat's head in the presence of Yahweh and slaughter it at the place where they slaughter {are slaughtered} the animals that will be completely burned *on the altar*. That will be an offering for his sin. ²⁵ Then the priest must put some of the animal's blood *into a bowl* and dip *one of his fingers* in it and put some of the blood on the corners of the projections of the altar. Then he must pour out the rest of the blood at the base of the altar.

²⁶ Then he must burn all the fat on the altar, as was done with the fat of the offering to maintain good fellowship *with Yahweh*. As a result of the priest's doing that, the leader will no longer be guilty for his sin and he will be forgiven.

²⁷ 'If one of the Israeli people who is not a priest sins without intending to sin, and does something that is forbidden in any of the commands of Yahweh his God, he will be guilty. ²⁸ When he realizes that he has committed a sin, he must bring as his offering a female goat that has no defects. ²⁹ He must lay his hands on the goat's head and slaughter it at the place where they slaughter the animals that will be completely burned *on the altar, and catch some of the blood in a bowl*. ³⁰ Then the priest must dip *one of his fingers* in the blood, and put some of it on the projections at the corners of the altar. Then he must pour out the rest of the blood at the base of the altar. ³¹ Then he must remove all the goat's fat, and burn all the fat on the altar, like was done with the fat of the offering to maintain fellowship *with Yahweh*. And the aroma while it burns will be pleasing to Yahweh. As a result of the priest doing that, the person will no longer be guilty for his sin, and he will be forgiven.

³² 'If that person brings a lamb to be his offering for sin, he must bring a female lamb that has no defects. ³³ He must lay his hands on the lamb's head and slaughter it at the place where they slaughter the animals that will be completely burned *on the altar, and*

catch some of the blood in a bowl. ³⁴ Then the priest must dip *one of his fingers* in the blood and put some of it on the projections at the corners of the altar. Then he must pour out the rest of the blood at the base of the altar. ³⁵ Then he must remove all the lamb's fat, and burn all the fat on the altar, like was done with the fat of the offering to maintain fellowship *with Yahweh*. He must burn it on top of the other offerings to Yahweh that are being burned. As a result, the priest will request God to forgive that person for his sin, and he will be forgiven."

5 *Yahweh also said to tell the people, "If a judge orders any of you to tell in court something that you have seen or something that you heard someone say, if you refuse to say what you know is true, you must ♦pay a penalty/be punished♦ [MTY] for refusing to tell what you know.*

² *If you accidentally touch something which God considers impure [DOU], such as the carcass of a wild animal or the carcass of a bull or cow, or of an animal that crawls along the ground, you must ♦pay a penalty/be punished♦.*

³ *If you touch any human feces, even if you do not intend to do that, when you realize what you have done, you must ♦pay a penalty/be punished♦.*

⁴ *If you carelessly make a solemn promise to do something that is good or that is bad, when you realize what you have done, you must ♦pay a penalty/be punished♦.*

⁵ *If you are guilty of committing any of those sins, you must confess what you have done. ⁶ And for a penalty you must bring to Yahweh a female lamb or female goat, to be an offering for the sin that you have committed, and the priest will sacrifice it, and then you will no longer be guilty for your sin.*

⁷ *If you are poor and cannot afford to bring a lamb, you must bring to Yahweh two doves or two young pigeons. One will be an offering for your sin and one will be an offering that will be completely burned *on the altar*. ⁸ You must bring them to the priest. First he will offer one of them to be an offering for your sin. He will wring/twist its neck *to kill it*, but he must not pull off its head completely. ⁹ Then he must sprinkle some of the blood against the side of the altar. The remaining blood must be drained out at the base of the altar. That will be an offering for your sin. ¹⁰ The priest will then do what I have commanded and offer the other bird to be completely burned *on the altar*. Then you will no longer be guilty for the sin you have committed, and Yahweh will forgive you.*

¹¹ *However, if you are very poor and cannot afford two doves or two young pigeons, you must bring to be an offering for your sin ♦2 pounds/1 kg.♦ of fine flour. You must not put olive oil or incense on it, because it is an offering for sin. ¹² You must take it to the priest. He will take a handful of it, to symbolize that the whole offering truly belongs to Yahweh, and burn it on the altar, on top of the other offerings. ¹³ And by*

doing that, the priest will enable you to no longer be guilty for any of the sins that you have committed, and you will be forgiven. The part of the offering that is not burned will belong to the priest, like was true for the offerings made from grain."

The guilt offering

¹⁴ Yahweh also said to Moses/me, ¹⁵ "When you sin, without intending to, by not giving to Yahweh the things that you are required to give to him, you must pay a penalty by bringing to Yahweh a ram that has no defects. You must determine how much silver it is worth, by using the official standard in the temple. It will be an offering to cause you to no longer be guilty. ¹⁶ But you must also make restitution for what you failed to give to Yahweh, adding one-fifth of its value. You must give that to the priest. He will offer the ram as a sacrifice for the sin that you have committed, and cause you to no longer be guilty; and you will be forgiven.

¹⁷ If you sin by doing something that is forbidden by any of Yahweh's commands, even if you do not know that you have disobeyed one of my commands, you are guilty and must pay a penalty *to me*. ¹⁸ *When you realize what you have done*, you must bring a ram to the Supreme Priest to be an offering in order that you will no longer be guilty. You must bring one that has no defects. He will offer the ram to be a sacrifice to me, and as a result you will no longer be guilty for the sin that you have committed, and you will be forgiven. ¹⁹ It is an offering to cause you to no longer be guilty for sinning against me."

6 Yahweh also said to Moses/me, ² "If any one of you you sins against me by deceiving someone—if you refuse to return what someone has lent you, or if you steal something of his, or if you find something and claim that you do not have it, ³ you are guilty. You must return to its owner what you have stolen or what someone has lent you and you have not returned, or what you found that someone else had lost, ⁴ or whatever you lied about. ⁵ You must not only return anything like that to its owner, but you must also pay to the owner one-fifth of its value. ⁶ You must also bring to the Supreme Priest a ram to be an offering to me in order that you will no longer be guilty. The ram that you bring must be one that has no defects, one that has the value that has been officially determined. ⁷ Then he will offer that ram to be a sacrifice that will cause you to no longer be guilty, and you will be forgiven for the wrong things that you did."

Other instructions concerning the burnt offerings

⁸ Yahweh also said to Moses/me, ⁹ "Tell this to Aaron and his sons: These are the regulations concerning the offerings that will be completely burned *on the altar*. The offering must remain on the altar all during the night, and the fire on the altar must always be kept

burning. ¹⁰ *The next morning* the priest must put on his linen under-clothes and linen outer clothes. Then he must remove the ashes of the offering from the fire and put them beside the altar. ¹¹ Then he must take off those clothes and put on other clothes, and take the ashes outside the camp, to a place that is acceptable to me. ¹² The fire on the altar must always be kept burning; the priest must not allow it to \diamond go out/ \diamond quit burning \diamond . Each morning the priest must put more firewood on the fire. Then he must arrange more offerings on the fire, and burn on the altar the fat of the offerings to be burned to maintain fellowship *with me*. ¹³ The fire on the altar must be kept burning continually; the priest must not allow it to go out."

Other instructions concerning the grain offerings

¹⁴ "These are the regulations concerning the offerings made from grain: Aaron's sons must bring them to me in front of the altar. ¹⁵ The priest must take a handful of fine flour mixed with olive oil and incense and burn that on the altar. That handful will signify that the whole offering truly belongs to me. And the aroma while it burns will be pleasing to me. ¹⁶ Aaron and his sons may eat the remaining part of the grain offering. But they must eat it in a holy place, in the courtyard of the Sacred Tent. ¹⁷ It must not have yeast mixed with it. Like the offerings for sin and the offerings to cause people to no longer be guilty of sin, that offering is very holy. ¹⁸ Any male descendants of Aaron are permitted to eat it, because it is forever their regular share of the offerings given to me and burned in the fire *on the altar*. Anyone else who touches those offerings made from grain will be punished by God."

¹⁹ Yahweh also said to Moses/me, ²⁰ "Tell Aaron and his sons that this is the offering that they must bring to Yahweh on the day that any of them \diamond is ordained/ \diamond becomes a priest \diamond : That person must bring two quarts/liters of fine flour as an offering made from grain. He must bring half of it in the morning and half of it in the evening. ²¹ He must mix it well with olive oil and bake it in a shallow pan. He must then break it into small pieces to be burned *on the altar*. And the aroma while it burns will be pleasing to Yahweh. ²² I have commanded that the descendants of Aaron who are appointed in turn to become the Supreme Priests after Aaron dies are the ones who must prepare those things. These offerings must be completely burned *on the altar* to be sacrifices to me, Yahweh. ²³ Every offering that a priest gives that is made from grain must be completely burned; none of it is to be eaten."

Other instructions concerning the sin offering

²⁴ Yahweh also said to Moses/me, ²⁵ "Tell Aaron and his sons: These are the regulations concerning the offerings that people must bring to me so that I will for-

give the people for the sins they have committed: ²⁶ The animals must be slaughtered in my presence in the same place that the animals that are to be completely burned *on the altar* are slaughtered, in the courtyard in front of the Sacred Tent. ²⁷ Any other person who touches any of its meat will be punished by God. And if its blood is splattered on your clothes, you must wash the clothes in a holy place. ²⁸ If the meat is cooked in a clay pot, the pot must be broken *afterwards*. But if it is cooked in a bronze pot, the pot must be scoured *afterwards* and rinsed with water. ²⁹ Any male in a priest's family may eat some of the cooked meat; that meat is very holy. ³⁰ But if the blood of those sin offerings is brought into the Sacred Tent to enable the people to be forgiven for having sinned, the meat of those animals must not be eaten. The meat must be completely burned."

The guilt offering

7 "These are the regulations concerning the offerings to be made by people who are guilty of not giving to me the things that are required to be given to me. Those are very sacred offerings. ² Each animal that is to be offered by such people must be slaughtered in the same place where the animals that will be completely burned *on the altar* are slaughtered, and their blood must be sprinkled against all sides of the altar. ³ All their fat, the fat tails that are cut close to the backbone, and all the fat that covers the inner parts of the animals or which is attached to them, must be burned *on the altar*. ⁴ That includes the kidneys with their fat near the lower back muscle, and the protruding lobe that is attached to the liver. ⁵ The priest must burn them on the altar to be offerings to me, Yahweh. They are an offering for the people to be forgiven for not doing what they were required to do. ⁶ All the males in the priest's family are permitted to eat its meat, but it must be eaten in a sacred place, because it is very sacred.

⁷ "The regulation is the same for the offerings *to enable people to be forgiven for the sins they have committed* and the offerings for when they are guilty of not giving to me the things that are required to be given to me. The meat of those offerings belongs to the priest who offers them in order that the people will be forgiven. ⁸ The priest who slaughters an animal that will be completely burned on the altar is permitted to keep the animal's hide for himself. ⁹ Offerings of things made from grain that are baked in an oven or cooked in a pan or \diamond in a shallow pan/on a griddle \diamond belong to the priest who makes those offerings *for another person*. ¹⁰ And offerings of things made from grain, whether they were mixed with olive oil or not, also belong to the sons of Aaron."

The offerings to maintain fellowship with Yahweh

¹¹ These are the regulations concerning the offerings that people make to maintain fellowship *with Yahweh*:

¹² "If you bring an offering to thank *Yahweh*, along with *the animal that you slaughter* you must offer loaves of bread made with olive oil mixed *with the flour* but without yeast, and wafers that are made without yeast but with olive oil smeared on them, and loaves made from fine flour with olive oil well mixed with the flour. ¹³ Along with that offering to thank Yahweh, you must bring an offering of loaves made with yeast. ¹⁴ You must bring one of each kind for an offering to Yahweh, but they belong to the priest who sprinkles against the altar the blood of the animal that is *slaughtered as an offering* to maintain fellowship with Yahweh. ¹⁵ The meat of that offering must be eaten on the day that it is offered; none of it should be left to *be eaten* on the next day.

¹⁶ "However, if your offering is the result of a solemn promise that you made to Yahweh, or if it is an offering that you make \diamond voluntarily/without being required to \diamond , you are permitted to eat some of the meat on the day it is offered, but anything that is left may be eaten on the next day. ¹⁷ But any meat that is left until the third day must be completely burned. ¹⁸ If any meat from the offering to maintain fellowship with Yahweh is eaten on the third day, Yahweh will not accept that offering; it will be useless to offer it, because Yahweh will consider that it is worthless. Anyone who eats some of it will have to pay a penalty *to Yahweh*.

¹⁹ "Meat that touches something *that God considers to be impure* must not be eaten; it must be completely burned. Anyone who has performed the rituals to become acceptable to God is allowed to eat other meat *which has been offered as a sacrifice*. ²⁰ But if anyone who has not performed those rituals eats some of the meat of the offering to maintain fellowship with Yahweh, meat that belongs to Yahweh, he must no longer be allowed to associate with God's people. ²¹ If anyone touches something that God considers to be impure and very displeasing to him, whether it is from a human or from an animal, and then he eats any of the meat of the offering to maintain fellowship with Yahweh, meat that belongs to Yahweh, he must no longer be allowed to associate with God's people."

Eating fat or blood is forbidden

²² Yahweh also said to Moses/me: ²³ "Say this to the Israeli people: 'Do not eat any of the fat of cattle or sheep or goats. ²⁴ The fat of an animal that is found dead or that has been killed by a wild animal may be used for other purposes, but you must not eat it.

²⁵ Anyone who eats the fat of an animal from which an offering has been made to Yahweh must no longer

be allowed to associate with God's people. ²⁶ And wherever you live, you must not eat the blood of any bird or animal. ²⁷ If anyone eats blood, he must no longer be allowed to associate with God's people."

The portions for the priests

²⁸ Yahweh also said to Moses/me, ²⁹ "Tell the Israeli people this: 'Anyone who brings an offering to maintain fellowship with Yahweh must bring part of it to be a sacrifice to Yahweh. ³⁰ He himself must bring the offering that will be burned in the fire. He must bring the fat along with the breast of the animal and lift it up in front of Yahweh to indicate that it is an offering to him. ³¹ The Supreme Priest must burn the fat on the altar, but the breast belongs to Aaron and all his sons. ³² You must give to the Supreme Priest the right thigh of the animal that is sacrificed to maintain fellowship with Yahweh. ³³ The son of Aaron who offers the blood and the fat of that sacrifice must be given the right thigh of the animal as his share. ³⁴ From the offerings that the Israeli people give to maintain fellowship with Yahweh, he has declared that he has given to Aaron and his sons the breast that is lifted up and the right thigh that is offered; those portions must always be their regular share from the Israeli people."

³⁵ Those are the portions of the offerings brought/given to Yahweh and burned in fire that are allotted to Aaron and his sons on the day that they are set apart to serve Yahweh as priests. ³⁶ Yahweh commands that on the day that the priests are appointed [MTY], the Israeli people must always give those portions to the priests.

³⁷ Those are the regulations for the offerings that are to be completely burned on the altar, the offerings made from grain, the offerings to enable people to become acceptable to God again, the offerings for when people are guilty of not giving to Yahweh the things that are required to be given to him, the offerings given when the priests are appointed, and the offerings to maintain fellowship with Yahweh. ³⁸ They are regulations that Yahweh gave to Moses/me on Sinai Mountain in the Sinai Desert, on the day that he commanded the Israeli people to start bringing their offerings to him.

Aaron and his sons were appointed to be priests

8 Yahweh also said to Moses/me, ² "Bring Aaron and his sons, and bring their \diamond special clothes/clothes *that they will wear while they do the work of priests* \diamond , the oil for anointing them, the bull to be offered to cause them to become forgiven for the sins they have committed, the two rams *to be slaughtered*, and the basket containing bread made without yeast. ³ Then gather all the people at the entrance to the Sacred Tent." ⁴ Moses/I did what Yahweh told him/me to do, and all the people gathered there.

⁵ Then Moses/I said to the people, "This is what Yahweh has commanded us to do." ⁶ Then he/I brought Aaron and his sons forward and washed them. ⁷ He/I put the special tunic/shirt on Aaron, tied the sash/waistband around him, put on him the special robe, and put on him the sacred vest/apron. He/I fastened the sacred vest/apron around him, using the skillfully woven sash. ⁸ He/I put the sacred pouch on his chest and put into it the two stones for him to use to find out what God wants. ⁹ Then he/I wrapped the turban around Aaron's head, and fastened on the front of it the gold ornament, the object that showed that he was dedicated to God, like Yahweh had commanded Moses/me.

¹⁰ Then Moses/I took the olive oil and anointed the sacred tent and everything in it, and dedicated them *to Yahweh*. ¹¹ He/I sprinkled some of the oil on the altar seven times. He/I anointed the altar and all the things used with it, and its huge washbasin and its stand, to dedicate them to Yahweh. ¹² He/I poured some of the oil on Aaron's head and anointed him to dedicate him to Yahweh. ¹³ Then he/I brought forward Aaron's sons. He/I put tunics/shirts on them, tied sashes/waistbands around them, and wrapped turbans around their heads, like Yahweh had commanded Moses/me.

¹⁴ Then he/I brought the bull for the offering to cause people to be forgiven for the sins that have committed. Then Aaron and his sons put their hands on the bull's head. ¹⁵ Then Moses/I slaughtered the bull, *caught some of its blood in a bowl*, and with his/my finger put some of that blood on the projections at the corners of the altar, to purify the altar. He/I poured the rest of the blood at the base of the altar. By doing that, he/I caused it to be a suitable place for burning sacrifices for sin. ¹⁶ Moses/I took all the fat that covers the inner parts of the animal, including the liver and kidneys, and burned them on the altar. ¹⁷ He/I took the rest of the bull, including the hide and intestines, and burned them outside the camp, like Yahweh had commanded Moses/me.

¹⁸ Then he/I brought the ram for the offering that would be completely burned *on the altar*, and Aaron and his sons laid their hands on its head. ¹⁹ Then Moses/I slaughtered the ram and sprinkled its blood on all sides of the altar. ²⁰⁻²¹ He/I cut the ram into pieces and washed the inner parts and hind legs. Then he/I put the head, the fat, and the other parts of the ram on the altar. As it burned, the aroma of the smoke was pleasing to Yahweh. It was an offering to Yahweh that was burned, as Yahweh had commanded Moses/me.

²² Then he/I brought the other ram, the one for consecrating the priests, and Aaron and his sons laid their hands on its head. ²³⁻²⁴ Moses/I slaughtered that ram, *drained some of its blood in a bowl*, and put some of that blood on the lobes of the right ears, the thumbs of the right hands, and the big toes of the right feet of

Aaron and his sons *to indicate that what they listened to and what they did and where they went should be directed by Yahweh.* ²⁵ He/I picked up all the fat of the ram, its fat tail, the fat that covered the inner parts, including the fat that covered the liver and kidneys, and the right thigh of the ram. ²⁶⁻²⁷ Then from the basket containing the bread that was made without yeast, the bread which had been dedicated to Yahweh, he/I picked up one loaf of bread *made without olive oil*, and one loaf that was *made by mixing the flour* with olive oil, and one wafer. He/I put those on top of the portions of fat, and put them into the hands of Aaron and his sons. Then they lifted them up in the presence of Yahweh *to indicate that it was an offering that belonged to him.* ²⁸ Then Moses/I took those things from their hands and burned them on the altar. That was the offering that was burned to appoint Aaron and his sons as priests. And the aroma while it burned was pleasing to Yahweh. ²⁹ Moses/I also took the breast of the second ram and lifted it up, as Yahweh had commanded. The breast was Moses'/my share of the ram that was sacrificed to dedicate the priests.

³⁰ Then Moses/I took some of the olive oil for anointing *Aaron and his sons*, and some of the blood that was on the altar and sprinkled it on Aaron and his sons and on their clothes. By doing that, he/I consecrated Aaron and his sons and their clothes.

³¹ Then Moses/I said to Aaron and his sons, "Boil the meat of the second ram at the entrance of the Sacred Tent, and eat it there with the bread that is in the basket, like I told you to do. ³² Burn up any of the meat and bread that remains. ³³ The time for you to be set apart as priests will be seven days, so do not leave the entrance of the Sacred Tent for seven days. ³⁴ What we have done today is what Yahweh commanded to cause that you will be forgiven for your sins. ³⁵ You must stay at the entrance of the Sacred Tent for seven days and seven nights and do what Yahweh requires, in order that you will not die *because of disobeying him. I am telling you that* because that is what Yahweh has commanded me to tell you."

³⁶ So Aaron and his sons did everything that Yahweh told Moses/me to tell them.

Aaron and his sons started to offer sacrifices

9 Eight days later, Moses/I summoned the elders of Israel. ² Then he/I said to Aaron, "Take a young bull for the offering to enable you leaders to be forgiven for the sins you have committed, and a ram to be completely burned *on the altar*, both of them without any defects, and offer them to Yahweh. ³ Then say to the Israeli people, 'Take one male goat for the offering to enable you all to be forgiven for the sins you have committed. Also take a calf and a lamb that have no defects, to be an offering completely burned *on the altar.* ⁴ Also take an ox and a ram to be an offering to maintain fellowship *with Yahweh*, along with

an offering of flour mixed with olive oil. Do this because today Yahweh is going to appear to you."

⁵ After Moses/I told this to the Israeli people, some of them took the things that Moses/I had commanded them to take, and went to the courtyard in front of the Sacred Tent. Then all the people came near and stood in front of Yahweh. ⁶ Then Moses/I said, "This is what Yahweh has commanded you to do, in order that his glory will appear to you."

⁷ Then Moses/I said to Aaron, "Come to the altar and sacrifice the animal that is your offering to enable you to be forgiven for the sins you have committed, and the animal that will be completely burned there. Because of those offerings, God will forgive you and the people for the sins that you have committed [DOU]. Do those things that Yahweh has commanded."

⁸ So Aaron came close to the altar and slaughtered the calf to be an offering for his sins. ⁹ His sons brought its blood to him *in a bowl*. He dipped his finger into the blood and put some of it on the projections at the corners of the altar. He poured out the rest of the blood at the base of the altar. ¹⁰ He/I burned the fat, including that which covered the kidneys and the liver, as Yahweh had commanded him/me. ¹¹ Then Aaron burned *the rest of* the meat and the hide/skin outside the camp.

¹² Then Aaron slaughtered the animal that would be completely burned *on the altar*. His sons handed him *the bowl containing* its blood, and he sprinkled the blood on all sides of the altar. ¹³ Then they handed him the head and the pieces of the animal that would be burned, and he burned them on the altar. ¹⁴ He washed the inner parts and the legs of the animal, and burned them on the altar, on top of the other pieces of the animal.

¹⁵ Then Aaron brought the animals that would be sacrifices for the Israeli people. He took the goat and slaughtered it to be an offering to enable them to be forgiven for the sins they had committed, like he had done with the goat for his own offering.

¹⁶ Then he brought the animal for the offering to be completely burned. He slaughtered it and offered it in the way that Yahweh had commanded him to do.

¹⁷ He also brought the offering of grain. He took a handful of it and burned it on the altar, like he had done for the animal that he had slaughtered and completely burned *on the altar* in the morning.

¹⁸ Then he slaughtered the ox and the ram, to be an offering for the Israeli people to maintain fellowship with Yahweh. His sons handed him *the bowl containing* the blood, and he sprinkled the blood against all sides of the altar. ¹⁹ But he took the fat from the ox and the ram, including their fat tails that were cut close to the backbone, and all the fat that covered the livers and the kidneys. ²⁰ He put them on top of the breasts of those animals and carried them to the altar to be burned. ²¹ Then, doing what Moses/I had commanded, he lifted up in front of Yahweh the breast

and the right thigh of those animals, to signify that those two animals completely belonged to Yahweh.

²² Then Aaron lifted his arms toward the people and *asked Yahweh* to bless them. Then having finished making all those offerings, he stepped down *from the place where the altar was*.

²³ Then Aaron and Moses/I entered the Sacred Tent. When they/we later came out, they/we *asked Yahweh* to bless the people. And suddenly the glory/brightness of Yahweh appeared to all the people. ²⁴ A fire from Yahweh appeared and burned up the offering that was to be completely burned and the fat that was on the altar. And when all the people saw that, they shouted joyfully and prostrated themselves on the ground *to worship Yahweh*.

Nadab and Abihu died

10 *Two of Aaron's sons, Nadab and Abihu, took the pans in which they burned incense. They put some burning coals in them and put incense on top of the coals, but this fire was not acceptable to Yahweh because it was not the kind that he had commanded them to burn.* ² So suddenly a fire from Yahweh appeared and burned them up [DOU] in the presence of Yahweh. ³ Then Moses/I said to Aaron, "That is what Yahweh predicted. He said,

'Those priests who come near to me, I will show them that they must *respect me/treat me as being holy*; in the presence of all the people I am the one who must be honored.'"

But Aaron said nothing.

⁴ Then Moses/I summoned Mishael and Elzaphan, who were the sons of Aaron's uncle Uzziel, and said to them, "Take *the corpses of your cousins* outside the camp, away from the front of the Sacred Tent." ⁵ So they carried the corpses, which still had their special gowns on, outside the camp, *and buried them*.

⁶ Then Moses/I said to Aaron and his *other two* sons Eleazar and Ithamar, "*You are sad because Nadab and Abihu died, but you must act like you always do. Do not allow the hair on your heads to remain uncombed, and do not tear your clothes. But your relatives and all your fellow Israelis are allowed to mourn for those whom Yahweh destroyed by fire.* ⁷ But you must not leave the entrance of the Sacred Tent *to join those who are mourning*, because if you do that, you also will die, and Yahweh will punish [MTY] all the people of Israel. Do not forget that Yahweh has set you apart [MTY] to work for him here, *and he does not want you to become defiled by touching a corpse.*" So they did what Moses/I told them to do.

⁸ Then Yahweh said to Aaron, ⁹ "You and your *two sons who are still alive* must not drink wine or other fermented drinks before you enter the Sacred Tent; if you do that, you will die. That is a command that you and your descendants must obey forever. ¹⁰ You must do that in order to learn what things are holy and

what things are *not holy/common*, and *from the things that are not holy* you must learn what things are acceptable to me and what things are not. ¹¹ And you must teach to the Israeli people all the laws that I gave to the Israeli people by telling them to Moses."

¹² Moses/I said to Aaron and his two sons who were still alive, Eleazar and Ithamar, "Take the offering made from grain that is left after a portion of it has been offered to Yahweh to be burned, and eat it alongside the altar. *It should not be eaten elsewhere*, because it is very holy. ¹³ Eat it in a holy place; it is the share for you and your sons from the offerings that were burned; I have commanded that it be your share. ¹⁴ But you and your sons and daughters are permitted to eat the breast and the thigh that were lifted up in front of Yahweh. Eat them in any place that is *holy/acceptable to him*. They have been given to you and your descendants as your share of the offerings to enable the Israelis to maintain fellowship *with Yahweh*. ¹⁵ The thigh and the breast that were lifted up in front of Yahweh must be brought with the portions of fat to be burned, to be lifted up in his presence. They will be the regular share for you and your descendants, as Yahweh has commanded."

¹⁶ When Moses/I inquired about the goat that had been sacrificed to enable the people to be forgiven by Yahweh for the sins they had committed, he/I found out that it had been completely burned. So he/I was angry with Eleazar and Ithamar and asked them, ¹⁷ "Why did you not eat near the Sacred Tent the meat of the offering for sin? It was very holy, and it was given to you to enable the Israeli people to no longer be guilty for their sins and to be forgiven for their sins. ¹⁸ Since its blood was not taken into the holy place inside the Sacred Tent, you should have eaten the *meat of the goat* near the Sacred Tent, as I commanded."

¹⁹ Aaron replied to Moses/me, "Today the people brought to Yahweh their offering to be forgiven for the sins they had committed, and the offering to be completely burned, *and surely that pleased Yahweh*, but *think about the terrible thing* that happened to my other two sons! Would [RHQ] Yahweh have been pleased if I had eaten some of the offering to cause the people to become acceptable to God?" ²⁰ When Moses/I heard that, he/I was satisfied.

Food that is acceptable to God and food that is not

11 Yahweh said to Aaron and Moses/me, ² "Tell the Israeli people that *this is what Yahweh says*: From all the animals that live on the land, these are the ones that you are permitted to eat: ³ The ones that have hooves that are completely split and that *chew their cuds/bring their food up from their stomachs to chew it again*.

⁴ There are some animals that chew their cuds but do not have split hooves, and some animals that have split hooves but do not chew their cuds. You must not eat any of those animals. *For example, camels chew*

their cuds but do not have split hooves, so they are unacceptable for you to eat. ⁵ Rock badgers chew their cuds but do not have split hooves, so they are unacceptable for you to eat. ⁶ Rabbits chew their cuds but do not have split hooves, so they are unacceptable for you to eat. ⁷ Pigs have completely split hooves but they do not chew their cuds, so they are unacceptable for you to eat. ⁸ All of those animals are unacceptable for you, so you must not eat their meat or even touch their carcasses.

⁹ From all the creatures that live in the oceans and the streams, you are permitted to eat any that have fins and scales. ¹⁰ But you must detest *and not eat* those that do not have fins and scales. That includes ones that are very small. ¹¹ You must despise them, and you must not eat their meat, and you must detest their carcasses. ¹² You must detest everything that lives in the water that does not have fins and scales.

¹³ There are some birds that you must detest *and not eat*. They include eagles, bearded vultures, black vultures, ¹⁴ kites, any kind of falcon/buzzard, ¹⁵ any kind of raven, ¹⁶ horned owls, screech owls, seagulls, any kind of hawk, ¹⁷ small owls, cormorants, large owls, ¹⁸ white owls, desert owls, vultures that eat dead animals, ¹⁹ storks, any kind of heron, hoopoes, and bats.

²⁰ You must detest *and not eat* flying insects that *sometimes* walk on the ground [MTY]. ²¹ But you are permitted to eat creatures with wings that sometimes walk on the ground if they have jointed legs for hopping around. ²² They include locusts, crickets, and grasshoppers. ²³ But you must detest *and not eat* other insects with wings that have four legs.

²⁴ 'There are certain creatures that if you touch their carcasses you will become defiled. Anyone who touches their carcasses must not touch other people until that evening. ²⁵ Anyone who picks up one of their carcasses must wash his clothes and not touch other people until that evening.

²⁶ 'The animals whose carcasses you must not touch are those that have hooves that are not completely divided or animals that do not chew their cuds. Anyone who touches the carcasses of any of those animals becomes ◊defiled/unacceptable to me◊. ²⁷ From all the animals that walk on the ground, you must not touch the carcasses of those that have paws to walk on. Anyone who touches one of their carcasses must not touch other people until that evening. ²⁸ Anyone who picks up one of their carcasses must wash his clothes and not touch other people until that evening, because touching their carcasses ◊defiles you/causes you to become unacceptable to me◊.

²⁹ 'From all the animals that walk on the ground, these are the ones that ◊defile you/cause you to become unacceptable to me◊ *if you touch them*: Moles, rats, any kind of lizard, ³⁰ geckos, skinks, and chameleons. ³¹ Those creatures that crawl along the ground ◊defile you/cause you to become unaccept-

able to me◊; anyone who touches one of their carcasses must not touch other people until the evening. ³² When one of those creatures dies and falls on something, the thing that it falls on, whatever it is used for, will become ◊defiled/unacceptable to me◊, whether it is made of wood or cloth or the hide of some animal or from rough cloth. You must put it in water. Then you must not use it until that evening. ³³ If one of them falls into a clay pot, everything in it becomes defiled, and you must break that pot into pieces. ³⁴ If you pour water from that pot on any food, you must not eat that food. And you must not drink any water from that pot. ³⁵ Anything that one of the carcasses of those creatures falls on becomes ◊defiled/unacceptable to me◊; even if it falls on an oven or a cooking pot, anything that it falls on must be broken into pieces. It becomes unacceptable to me and you must not use it again. ³⁶ If one of their carcasses falls into a spring or a pit for storing water, the water may still be drunk, but anyone who touches one of those carcasses becomes unacceptable to me. ³⁷ If one of those carcasses falls on seeds that are to be planted, those seeds are still acceptable to be planted. ³⁸ But if water has been put on the seeds and then a carcass falls on them, the seeds must be thrown away.

³⁹ 'If an animal *whose meat* you are permitted to eat dies, anyone who touches its carcass must not touch other people until that evening. ⁴⁰ Anyone who eats some meat from that carcass must wash his clothes, and then he must not touch anyone until that evening.

⁴¹⁻⁴² 'All creatures that crawl along the ground, including those that move on their bellies and those that crawl, are detestable, and they must not be eaten.

⁴³ Do not ◊defile yourselves/cause you to become unacceptable to me◊ by *eating* any of those creatures [DOU]. ⁴⁴ I am Yahweh your God, and I am holy, so you must consecrate yourselves and be holy. You must avoid eating things that cause you to be unacceptable to me. Do not cause yourselves to become unacceptable to me by eating creatures that crawl along on the ground. ⁴⁵ I am Yahweh, the one who freed you from *being slaves in* Egypt, in order to be your God. Therefore, because I am holy, you must be holy.

⁴⁶ Those are the regulations concerning animals and birds, all the living creatures that live in water or scurry along on the ground. ⁴⁷ You must learn what things *I say* are acceptable to me and what things are not, and learn what things you are permitted to eat and what things you are not permitted to eat."

Purifying women after they give birth

12 Yahweh also said to Moses/me, ² "Tell this to the Israeli people: 'If a woman gives birth to a son, she must be avoided for seven days, like she must be avoided when she is menstruating each month. ³ The baby son must be circumcised on the eighth day after he is born. ⁴ Then the woman must wait 33 days to be purified from her bleeding *during*

childbirth. She must not touch anything that is sacred or enter the Sacred Tent area until that time is ended. ⁵ If a woman gives birth to a daughter, she must be avoided for two weeks, like she must be avoided when she is menstruating each month. Then she must wait 66 days to be purified from the bleeding that occurred *when her baby was born*.

⁶ 'When that time for her to be purified is ended, that woman must bring to the priest at the entrance of the Sacred Tent a one-year-old lamb to be completely burned *on the altar*, and a dove or a young pigeon *to be sacrificed* to enable her to become acceptable to Yahweh again. ⁷ The priest will offer them to Yahweh in order that she may be forgiven for any sins she has committed. Then she will be purified from her loss of blood *when the baby was born*.

'Those are the regulations for women who give birth to a son or daughter. ⁸ If a woman who gives birth to a child cannot afford a lamb, she must bring two doves or two young pigeons. One will be burned completely *on the altar*, and one will be an offering to enable her to become acceptable to God again. By doing that, the priest will cause that she will be forgiven for any sins she has committed, and she no longer will need to be avoided.'"

Regulations concerning contagious skin diseases

13 Yahweh said this to Aaron and Moses/me: ² "When someone has on his skin a swelling or a rash or a shiny/bright spot that may become *contagious/a dreaded skin disease*, he must be brought to Aaron or to one of his sons who are also priests. ³ The priest must examine that part of the person's skin. If the hair in that area has become white and it appears that the sore is deeper than just on the skin, it is a contagious skin disease. When the priest sees that, he must declare that the person must stay away from other people [MTY]. ⁴ If the spot on the person's skin is white but it does not appear that the sore is deeper than just on the skin, the priest must tell him to stay away from other people for seven days. ⁵ Then the priest must examine the person again. If the priest sees that the sore has not changed and has not spread, he must tell the person to stay away from people for seven more days. ⁶ Then the priest must examine him again. If the sore has faded and has not spread, the priest will allow him to be with other people again; it is only a rash. After the person washes his clothes, he will be allowed to be with other people again. ⁷ But if the sore spreads after the priest has examined him, he must go to the priest again. ⁸ The priest will examine him; and if the sore has spread to more of the skin, it is a contagious skin disease, and the priest will declare that he must stay away from other people.

⁹ When anyone has a contagious skin disease, he must be brought to the priest. ¹⁰ The priest must examine him. And if there is a white swelling in the skin

that has caused the hair in that swelling to become white, and if the flesh in that area is painful/sensitive, ¹¹ it is a permanent skin disease, and the priest will declare that he must stay away from other people. The priest does not need to tell that person that he must avoid other people, because other people already are wanting to stay away from him.

¹² 'If the disease spreads all over someone's body, and the priest examines that person and sees that it is covering his skin from his head to his feet, ¹³ and it has caused all his skin to become white *which will indicate that the disease has ended*, the priest will declare that the person does not have to stay away from other people. ¹⁴ But if the person has open sores and they are very painful/sensitive, he has a contagious skin disease, ¹⁵ and when the priest sees that, he will declare that the person must stay away from other people. ¹⁶ But if the person's flesh changes and becomes white, he must go to the priest again. ¹⁷ The priest must examine him again; and if the sores have become white, the priest will declare that the person who had been infected is now permitted to be with other people again.

¹⁸ 'When someone has a boil on his skin and it has healed, ¹⁹ but in the place where the boil was a white swelling or a bright/shiny spot appears, he must go to the priest. ²⁰ The priest must examine it. And if it seems to be deeper than just on the skin, and if the hair in that spot has become white, it is a contagious skin disease that has appeared where the boil had been. And the priest will declare that the person must stay away from other people. ²¹ But when the priest examines it, if there is no white hair in that spot and it is only on the surface of the skin and has become less bright/shiny, then the priest will order him to stay away from other people for seven days. ²² But if it is spreading, it is contagious and the priest will declare that the person must stay away from other people. ²³ But if that spot is unchanged and has not spread, it is only a scar from the boil, and the priest will declare that the person is permitted to be with other people again.

²⁴ 'When someone has a burn on his skin and a bright/shiny or white spot appears, and the flesh in that area is sensitive/painful, ²⁵ the priest must examine the spot. If the hair in that spot has turned white and it seems to be deeper than just on the surface of the skin, it is a contagious skin disease that has appeared where the burn was, and that person must stay away from other people. ²⁶ But when the priest examines it and sees that there is no white hair in that spot and it is only on the surface of the skin, and has faded, the priest will declare that the person must stay away from people for seven days. ²⁷ On the seventh day, the priest will examine him again. If the sore is spreading, it is a contagious skin disease, and the priest will declare that the person must stay away from other people. ²⁸ However, if the spot is not

changed and has not spread but has faded, it is only a scar from the burn, and the priest will declare that the person is permitted to be with other people again.

²⁹ 'If a man or a woman has a sore on his head or on his chin, ³⁰ the priest must examine it. If it appears to be deeper than *just on the surface of the skin*, and the hair in that spot has thinned out and has become yellowish, it is a contagious skin disease that causes itching. And the priest will declare that the person must stay away from other people. ³¹ But when the priest examines that kind of sore, if it seems to be only on the surface of the skin and there is no healthy hair in it, the priest will tell the person to stay away from other people for seven days. ³² On the seventh day, the priest will examine the sore again. If it has not spread and if there is no yellow hair in that spot and if it appears to be only on the surface of the skin, ³³ the person must shave the hair near the sore but not the hair on the sore. And the priest will tell him to stay away from other people for seven more days. ³⁴ On the seventh day, the priest will examine that spot again. If it has not spread and it appears to be only on the surface of the skin, the priest will declare that the person is permitted to be with people again. The person must wash his clothes, and then he can be with other people. ³⁵ But if the sore later spreads, ³⁶ the priest must examine him again. If the itch/sore has spread, the priest does not need to look for yellow hair, because it is clear that the person has a contagious skin disease. ³⁷ However, if the priest thinks that the spot has not changed, and healthy hair is growing in that area, it is clear that the itch has healed, and the priest will declare that the person is permitted to be with other people again.

³⁸ 'When a man or a woman has white spots on the skin, ³⁹ the priest should examine them. But if the spots are dull white, it is only a rash, and *the priest will declare that the person is permitted to be with other people.*

⁴⁰⁻⁴¹ 'If a man loses the hair on any part of his head, he does not need to stay away from other people.

⁴² But if he gets a bright/shiny sore on his bald head or on his forehead, he has a contagious skin disease.

⁴³ The priest must examine him. If the swollen sore is a bright spot like *the spot on someone who has a contagious skin disease*, ⁴⁴ the priest will declare that the man has a contagious skin disease and must not be with other people.

⁴⁵ 'Anyone who has a contagious skin disease must wear torn clothes and not comb his hair. *When he is near other people*, he must cover the lower part to his face and call out, "Do not come near me! I have a contagious skin disease!" ⁴⁶ He is not allowed to be with other people as long as he has the disease. He must live alone, outside the camp."

Regulations concerning mildew

⁴⁷⁻⁴⁸ "Sometimes a person's clothing gets mildew on it. It may be clothing that is woven from wool or made from linen or from leather. ⁴⁹ If the contaminated/mildewed part is greenish or reddish, it is a spreading mildew, and it must be shown to the priest. ⁵⁰ The priest will examine it, and then put it in a separate place by itself for seven days. ⁵¹ On the seventh day he must examine it again. If the mildew has spread, it is clear that it is a type of mildew that destroys clothing, and that clothing must not be worn again. ⁵² The owner must burn completely the item that has the mildew in it, whatever kind of item it is.

⁵³ But when the priest examines it, if the mildew has not spread, ⁵⁴ he will tell the person *who owns it* to wash it. Then he must put it in a separate place for another seven days. ⁵⁵ Then the priest will examine it again. If the color of the mildew has not changed, even though it has not spread, that item must not be worn again. It does not matter if the mildew is on the inside of the clothing or on the outside; it must be burned. ⁵⁶ But when the priest examines it *after it has been washed*, if the mildew has faded, he must tear out that part that had the mildew in it. ⁵⁷ But if the mildew reappears in that item, it is clear that it is spreading, and the whole item must be burned. ⁵⁸ But after the clothing is washed and the mildew disappears, it must be washed again, and then it can be worn again.

⁵⁹ Those are the regulations concerning mildew on things made of wool or linen or leather, for deciding whether those things can continue to be worn or not."

Rituals for those healed of contagious skin diseases

14 Yahweh also said to Moses/me, ² "These are the regulations for anyone who has been healed of a contagious skin disease. ³ The person must be brought to a priest. The priest will take him outside the camp *to where that person has been staying*, and examine him. If the skin disease has been healed, ⁴ the priest will say that someone must bring two living birds that are acceptable to Yahweh, along with some cedar wood, some scarlet/red yarn, and some sprigs of \diamond hyssop/a very leafy plant \diamond . ⁵ Then the priest will command that one of the birds be killed while *it is being held* over a clay pot containing water from a spring. ⁶ Then the priest will dip the other bird, along with the cedar wood, the scarlet/red yarn and the hyssop, into the blood of the bird that was killed. ⁷ Then he must sprinkle some of the blood on the person who was healed; he must sprinkle it on him seven times. Then he will declare that the person is permitted to be with other people again. And the priest will release the other bird and allow it to fly away.

⁸ "Then the person who was healed must wash his clothes, shave off all his hair, and bathe. Then he is al-

lowed to return to the camp, but he must stay outside his tent for seven days. ⁹ On the seventh day, he must again shave off all his hair, including his beard and his eyebrows. Then he must again wash his clothes and bathe, and then he will be allowed to be with other people again.

¹⁰ "The next day that person must bring two male lambs and one female lamb that is one year old, all of them with no defects. He must also bring six quarts/liters of fine flour, mixed with olive oil, to be an offering, and \diamond 0.6 pint/0.3 liter \diamond of olive oil. ¹¹ The priest who declares that the person's skin disease is ended must bring that person, and his offerings, to me, Yahweh, at the entrance of the Sacred Tent.

¹² "Then the priest must take one of the male lambs and lift it up, along with the olive oil, in front of me, to be a guilt offering— *an offering for his being guilty for not giving to me the things that he was required to give me.* ¹³ Then the priest must slaughter the lamb in the sacred place where the other sacrifices are offered. Like the offering to enable people to be forgiven, this guilt offering is holy, and belongs to the priest. ¹⁴ The priest must take some of the blood of that animal and pour it on the lobe/tip of the right ear and on the thumb of the right hand and on the big toe of the right foot of the one who has been healed of the skin disease. ¹⁵ Then the priest must take some of the olive oil and pour it in the palm of his own left hand.

¹⁶ Then he must dip the forefinger of his right hand into the oil in his palm, and sprinkle it in front of me seven times. ¹⁷ Then he must put some of the oil that is still in the palm of his hand on the lobe/tip of the right ear and the thumb of the right hand and on the big toe of the right foot of the person who has been healed of the skin disease. He must put it on top of the blood that he has already put on those places. ¹⁸ The remaining oil in his palm must be put on the person's head, *to indicate that I declare that the person has been forgiven for having sinned.*

¹⁹ "Then the priest must slaughter one of the other two animals, to show that the one who has been healed of the skin disease has been forgiven for having sinned, and that he has become acceptable to Yahweh. Then the priest will slaughter the animal that will be completely burned *on the altar.* ²⁰ He will also put on the altar the offering of grain, to indicate that the person has been forgiven for having sinned. Then that person will be allowed to be with other people again.

²¹ "But if the person who has been healed of a skin disease is poor and cannot afford to bring all those animals, he must take to the priest one male lamb to be lifted up to be an offering for his not giving to me the things that he was required to give me. He must also take two quarts/liters of fine flour mixed with olive oil to be an offering made from grain, \diamond 0.6 pint/0.3 liter \diamond of olive oil, ²² and two doves or two young pigeons, one for him to be forgiven for the sins he has

committed, and one to be completely burned *on the altar.*

²³ "On that same day, that person must take those things to the priest at the entrance of the Sacred Tent, to offer them to Yahweh. ²⁴ The priest will take the lamb for the offering for that person not giving to me the things that he was required to give me, along with the olive oil, and lift them up in front of me. ²⁵ Then the priest will slaughter that lamb *and drain some of the blood in a bowl,* and take some of that blood and put it on the lobe/tip of the person's right ear and on the thumb of his right hand and on the big toe of his right foot. ²⁶ Then the priest will pour some of the oil into the palm of his left hand, ²⁷ and with his right forefinger he must sprinkle some of the oil from his palm there in my presence. ²⁸ He must put some of the oil in his palm on the same places where he put the blood. ²⁹ He must put the rest of the oil that is in his hand on the head of the person who has been healed of a skin disease, to indicate that I have forgiven him for having sinned. ³⁰ Then the priest must sacrifice the doves or the pigeons, whichever that person has brought. ³¹ One will be an offering for sin and the other will be completely burned on the altar, along with the offering of grain. By doing that, the priest will declare that the person is no longer guilty for having sinned.

³² "Those are the regulations for anyone who has a contagious skin disease and who is poor and cannot afford the usual offerings, in order that he can be with people again."

Instructions regarding mildew in a house

³³ Yahweh also said to Aaron and Moses/me, ³⁴ "I am about to give you Canaan land to belong to your people permanently. When you enter that land, there will be times when I cause/allow mildew to appear inside one of your houses. ³⁵ If that happens, the owner of that house must go to the priest and tell him, 'There is something in my house that looks like mildew.'

³⁶ "Then the priest will say to him, 'Take everything out of the house before I enter the house to examine the mildew. If you do not do that, I will declare that everything in the house is contaminated.' ³⁷ *After the owner takes everything outside of his house,* the priest will go in and inspect the house. If the mildew has caused greenish or reddish spots/depressions on the walls that seem to be deeper than only on the surface of the walls, ³⁸ the priest will go outside the house and lock it up for seven days. ³⁹ On the seventh day, he must go into the house and inspect it again. If the mildew on the walls has spread, ⁴⁰ the priest will tell someone to tear out and throw in the dump outside the town all the stones in the walls that have mildew on them.

⁴¹ Then the owner must scrape all the walls inside the house, and everything that is scraped off must be thrown into a dump outside the town. ⁴² Then the owner must get new/other stones to replace the ones

that had mildew on them, and take new clay and plaster *to cover the stones in the walls of the house.*

⁴³ "If the mildew appears again in the house after that is done, ⁴⁴ the priest must go and examine the house again. If the mildew has spread inside the house, it will be clear that the mildew is the kind that destroys houses, and no one will be allowed to live in it. ⁴⁵ It must be completely torn down—the stones, the timber and the plaster—and all those things must be thrown into a dump outside the town.

⁴⁶ "Anyone who goes into that house while it is locked up will not be allowed to be with other people until sunset of that day. ⁴⁷ Anyone who sleeps in that house or eats in that house *during that time* must wash his clothes.

⁴⁸ "But when the priest comes to examine the house after it has been plastered, if the mildew has not spread, he shall declare that people may live in it, because the mildew is gone. ⁴⁹ But before people are allowed to live in it, the priest must take two small birds and some cedar wood and some red/scarlet yarn and some hyssop. ⁵⁰ He must kill one of the birds while *holding it over* a clay pot containing water from a spring. ⁵¹ Then he must take the cedar wood, the hyssop, the red/scarlet yarn, and the other/living bird, and dip them into the blood of the dead bird, and sprinkle some of that blood on the house seven times. ⁵² By doing all those things he will cause the house to be acceptable to be lived in again. ⁵³ Then he must release the other bird and allow it to fly away. By doing that, he will *finish the ritual for* causing the house to be acceptable for people to live in it again.

⁵⁴ "Those are the regulations for contagious diseases, for itching sores, ⁵⁵ for mildew [DOU] on clothes or in a house, ⁵⁶ and for swellings, rashes, or bright spots *on sores*, ⁵⁷ to find out whether a person has a contagious disease or not, and whether people will still be permitted to touch their clothing or their house, or not."

Discharges from bodies

15 Yahweh also said to Moses/me and Aaron, ² "Tell this to the Israelis: When an infected discharge comes out of a man's sexual organs [EUP], that fluid should not be touched. ³ Whether that fluid is blocked or continues to drip, it causes him to be someone who should not be touched.

⁴ "And any bed that such a man lies on should not be touched, and anything that he sits on should not be touched. ⁵ Anyone who touches that person's bed must wash his clothes and bathe, and no one should touch him until that evening. ⁶ Anyone who sits on something that man has sat on must wash his clothes and bathe, and no one should touch him until that evening.

⁷ "Anyone who touches such a man must wash his clothes and bathe, and no one should touch him until that evening.

⁸ "If such a man spits on someone else, that person who is spit upon should not be touched. He must wash his clothes, and no one should touch him until that evening.

⁹ "Everything that a man who has such a discharge of fluid sits on while he is riding *a horse or a donkey* should not be touched, ¹⁰ and anyone who touches the seat or saddle that he was sitting on also should not be touched until that evening. And anyone who picks up the seat or saddle must wash his clothes and bathe, and no one should touch him until that evening. ¹¹ Anyone whom the man with such a discharge of fluid from his body touches without first rinsing his hands in water must wash his clothes and bathe, and no one should touch him until that evening.

¹² "If such a man touches a clay pot, that pot must be broken into pieces. Anything made from wood that he touches must be rinsed in water.

¹³ "If such a man is healed from his flow of fluid, he must wait for seven days. Then he must wash his clothes and bathe in water from a spring. Then he will be able to be with others. ¹⁴ On the eighth/next day, he must take two doves or two young pigeons and come in front of Yahweh at the entrance of the Sacred Tent, and give them to the priest. ¹⁵ The priest will sacrifice them. One will be an offering for the man to become acceptable to God, and the other one will be completely burned *on the altar*. As a result of the priest doing that, the man will be forgiven for having sinned.

¹⁶ "When semen accidentally flows from a man's sexual organs [EUP], he must bathe his whole body, and no one should touch him until that evening. ¹⁷ Any clothing or leather that has semen on it must be washed, and no one should touch it until that evening. ¹⁸ When a man has sex with a woman and some semen spills, both of them must bathe, and no one should touch them until that evening.

¹⁹ "When a woman has her monthly menstrual period, no one should touch her for seven days. If anyone touches her *during that time*, no one should touch the person who touched her until that evening. ²⁰ No one should touch anything that she lies on or sits on during that time. ²¹ Anyone who touches her bed must wash his clothes and bathe, and no one should touch that person until that evening. ²²⁻²³ Anyone who touches something that she has been sitting on, a bed or anything else, must wash his clothes, and no one should touch that person until that evening.

²⁴ "If a man has sex with a woman *during that time* and some of the menstrual blood touches him, no one should touch him for seven days, and no one should touch the bed that he lies on.

²⁵ "When a woman has a vaginal discharge of blood for \diamond many days/a long time \diamond , which is not her monthly flow of blood, or if her flow of blood continues after her monthly flow ends, no one should touch

her until it stops. ²⁶ And no one should touch the bed that she lies on or anything that she sits on while that flow of blood continues, just like during her monthly menstrual period. ²⁷ Anyone who touches those things should not touch anyone else; he must wash his clothes and bathe, and he should not touch anyone else until that evening.

²⁸ "After a woman's monthly menstrual flow ends, she must wait seven days before she touches anyone. ²⁹ On the eighth/next day, she must take two doves or two pigeons to the priest at the entrance of the Sacred Tent. ³⁰ The priest will sacrifice one of them to be an offering to enable her to become acceptable to Yahweh again, and completely burn the other one *on the altar*. By doing that he will cause me, Yahweh, to forgive her for having sinned [DOU].

³¹ "You must warn the Israeli people not to do things that \diamond defile them/cause them to be unacceptable to me \diamond . If they become \diamond unacceptable to me/defiled \diamond , they will cause my Sacred Tent which is among them to become an unacceptable place to worship me, and as a result they will die."

³² "Those are the regulations for a man who has a fluid that flows from his sexual organs or who should not be touched because some of his semen spills out while having sex *with a woman*, ³³ and for any woman during her monthly menstrual period, and for any man who has sex with a woman during her menstrual period."

The Day of Atonement

16 After the two sons of Aaron died because they burned incense to Yahweh *in a manner that was contrary to what Yahweh commanded*, Yahweh spoke to Moses/me. ² He said to him/me, "Warn your *older* brother Aaron that he must not enter the Very Holy Place inside the curtain that is in the Sacred Tent whenever he wants to, because the cover of the sacred chest is there. That is the place where the priest \diamond makes atonement for/requests me to forgive \diamond sins. I am present in the cloud that is over the cover of the sacred chest. If Aaron goes in that room when it is not the proper time, he will die!

³ "When Aaron enters the Sacred Tent area, he must bring a bull that *will be killed* to become an offering/sacrifice for sins, and a ram *to be killed* to be an offering that will be completely burned *on the altar*. ⁴ Then he must bathe his whole body, and put on the linen underwear/undershorts and the linen gown. He must tie the linen sash/waistbands around his waist and wrap the turban around his head. Those are his sacred garments. ⁵ The Israeli people must then bring to him two male goats *to be killed* as an offering/sacrifice for sin, and a ram to be *killed and burned completely on the altar*.

⁶ "Aaron must offer the bull *to me* to be a sacrifice in order that \diamond I will forgive his sins and the sins of his family/his sins and the sins of his family will be forgiv-

en \diamond . ⁷ Then he must bring the two male goats to me at the entrance to the Sacred Tent. ⁸ He must \diamond cast lots/throw down stones that have been marked \diamond to determine which goat will be *sacrificed* to me, and which will be the goat that will be set free. ⁹ Aaron must bring to me the goat that was chosen to be sacrificed. It will be an offering for the people's sins.

¹⁰ Aaron must also bring to me the other goat, but it is not to be killed. It will be freed while it is still alive. As a result of Aaron sending it into the desert, the people's sins will be forgiven.

¹¹ "Then Aaron must bring the young bull to me, to be an offering/sacrifice for himself and for his family. He must slaughter that bull to be an offering for their sins, *and he must drain the blood into a basin*. ¹² Then he must take some burning coals from the *bronze* altar and put them in the incense burner. Then he must fill his hands with fragrant finely-ground incense. Then he must take the incense and the incense burner inside the curtain into the Very Holy Place *of the Sacred Tent*. ¹³ There he must put the incense on the burning coals, with the result that a cloud of burning incense will rise up over the lid of the sacred chest. If he obeys these instructions, he will not die *like Korah's two sons did because of offering incense incorrectly* (OR, *because of being in God's presence*). ¹⁴ Then he must dip his finger into *the basin* and sprinkle some blood on the lid of the sacred chest, and also sprinkle some blood seven times against the front of the chest.

¹⁵ "Aaron must then go outside the Sacred Tent and slaughter the goat to be an offering for the sins of the people. Then he must bring its blood into the Very Holy Place behind the curtain. There he must sprinkle *some of* that blood on the lid of the sacred chest and against the front of the chest, like he did with the bull's blood. ¹⁶ By doing that, he will purify the Very Holy Place. And he must sprinkle more of the blood on the Sacred Tent, because the tent is in the midst of the camp of the Israeli people who have become unacceptable to me *because of their sins*. ¹⁷ When Aaron goes into the Very Holy Place *in the Sacred Tent* to purify it, no one else is permitted to enter *the other part of the Sacred Tent*. Only after Aaron has performed rituals to enable me to forgive him and his family, and all the Israeli people, is any priest permitted to enter the Sacred Tent.

¹⁸ "Then Aaron must go outside the tent to purify my altar. He must do this by smearing some of the blood from the bull and some of the blood from the goat on each of the projections at the corners of the altar.

¹⁹ Then Aaron must dip his finger into the *basin of* blood and sprinkle some of the blood over the altar seven times. By doing that, he will cleanse it from being unholy *because of the sins* of the Israeli people, and it will become holy again.

²⁰ "When Aaron has finished purifying the Very Holy Place *inside the Sacred Tent* and all of the Sacred Tent and the altar, he must bring the goat that was chosen

to be set free. ²¹ He must put both of his hands on the head of the goat and confess all the sins [DOU] of the Israeli people. By doing that, he will put *the guilt of their sins* on the head of the goat. Then he must give the goat to a man who is chosen, and that man will send the goat out into the desert. ²² *It is as though the goat will carry away into the desert the guilt for the sins of all the people.*

²³ "When Aaron approaches the Sacred Tent, he must take off the linen clothes that he wore when he *previously* entered the Very Holy Place, and he must leave those clothes there. ²⁴ Then he must bathe in a sacred place, put on his regular/ordinary clothes, and sacrifice the animals that will be burned completely on the altar for his own sins and for the sins of the Israeli people. By doing that he will enable me to forgive him and them. ²⁵ He must also burn on the altar all the fat of the bull and the goat that were sacrificed.

²⁶ "The man who was chosen to send the other goat into the desert and free it there must afterwards wash his clothes and bathe. Then he may return to the camp. ²⁷ The carcasses of the bull and the goat that were slaughtered to be an offering/sacrifice for the people's sins, whose blood was taken inside the Very Holy Place to enable Yahweh to forgive the Israeli people, must be carried outside the camp and burned. The hides/skins of the animals, the inner organs, and the dung must also be burned. ²⁸ The man who burns those things must then wash his clothes and bathe before he returns to the camp.

²⁹ "In ♦October/the month after the dry season ends♦, on the day that I have appointed, you all must ♦fast/abstain from eating food♦ and not do any work. This is a rule/law that will never end. It must be obeyed by you people who have been Israelis all your lives, and also by foreigners who are living among you. ³⁰ On that day, Aaron will perform rituals to enable me to forgive you all, and then I will cleanse/free you all from *the guilt of all your sins* and you will become acceptable to me. ³¹ That will be a day for you to rest and not do any work, like the Sabbath days, and you must ♦fast/abstain from eating food♦ all that day. That is a permanent command/law for you all to obey. ³² In future years, *after Aaron has died*, this ritual/ceremony to enable me to forgive you all [DOU] will be performed by the Supreme Priest who is anointed *with olive oil* and appointed to serve instead of his ancestor Aaron. He must put on the sacred clothes made of linen ³³ and offer sacrifices to purify the Very Holy Place, all of the Sacred Tent, the altar, the priests, and all the Israel people *like Aaron did*. ³⁴ This will be a permanent command/law for you to obey once every year, to enable me to forgive you Israeli people for the sins that you have committed."

Moses/I obeyed all those instructions/commands that Yahweh had given to him/me.

Where sacrifices are to be offered

17 Yahweh also said to Moses/me, ² "Speak to Aaron and his sons and to all the other Israeli people, and say this to them: 'This is what Yahweh has commanded: ³ If you sacrifice an ox or a lamb or a goat, you must bring it *to the priest* at the entrance of the Sacred Tent *area*, to present/offer it to me there. ⁴ If you slaughter it to be a sacrifice anywhere else in the camp or outside the camp, you will be guilty of killing an animal *in an unacceptable place*. As a result you will no longer be allowed to be/associate with my people. ⁵ That rule is in order that you Israeli people, instead of offering sacrifices in the open fields, will offer them to me by taking them to the priest at the entrance of the Sacred Tent *area*, to be offerings to maintain fellowship *with me*. ⁶ *After the animal is slaughtered*, the priest must sprinkle some of its blood against the altar at the entrance of the Sacred Tent, and burn its fat to be an aroma that is pleasing to me. ⁷ You people must no longer give sacrifices to the demons that resemble goats which you are worshipping. You people must obey this command forever.'

⁸ "And tell this to the people: 'If any Israeli or any foreigner who is living among them brings an offering that is to be completely burned *on the altar*, or any other sacrifice, ⁹ and does not bring it to the entrance of the Sacred Tent *area* to be a sacrifice to me, that person will no longer be allowed to associate with my people.

¹⁰ 'I will reject [IDM] any Israeli or any foreigner who is living among you who eats any blood, and I *will command that he* no longer be allowed to associate with my people. ¹¹ That is because the life of every creature is in its blood; I have declared that it is blood that is to be offered on the altar to enable people to be forgiven for their sins. ¹² That is why I say that you Israelis must not eat blood, and the foreigners who live among you must also not eat blood.

¹³ 'Any Israeli or any foreigner who is living among you who hunts any animal or bird that is permitted for you to eat, must drain out the blood *of the animal or bird that he kills*, and cover the blood with dirt. ¹⁴ This is because the life of every creature is in its blood. And that is why I have said [DOU] to you Israelis that anyone who eats blood must no longer *be allowed to associate with my people*.

¹⁵ 'Anyone in Israel, including foreigners, who eats any of the meat of any creature that is found dead, or that had been killed by wild animals, must wash his clothes and bathe. Then he must not touch anyone until that evening. ¹⁶ If he does not do those things, he will be punished for what he did.'"

Forbidden sexual behavior

18 Yahweh also said to Moses/me, ² "Speak to the Israeli people and tell them *that I, Yahweh, say*

this this: I am Yahweh, your God. ³ *So you must do what I want you to do*; you must not do the things that the people in Egypt, where you lived previously, do; and you must not do what is done by the people in Canaan, the land to which I am taking you. Do not imitate their behavior. ⁴ You must obey all of my laws [DOU], because it is I, Yahweh your God, *who am commanding those laws*. ⁵ If you obey all my laws and decrees, you will continue to remain alive *for a long time*. I, Yahweh, *am the one who is promising that to you*. *These are some of my laws*:

⁶ "Do not have sex with any of your close relatives. It is I, Yahweh, *who am commanding that*."

⁷ "Do not disgrace your father by having sex with your mother [DOU]."

⁸ "Do not have sex with any of your father's *other* wives, because that would disgrace your father."

⁹ "Do not have sex with your sister or your stepsister; it does not matter whether she was born in your house or somewhere else."

¹⁰ "Do not have sex with your granddaughter, because that would disgrace you."

¹¹ "Do not have sex with your half-sister, because she is your sister."

¹² "Do not have sex with your father's sister, because she is your father's close relative."

¹³ "Do not have sex with your mother's sister, because she is your mother's close relative."

¹⁴ "Do not disgrace your \diamond uncle/father's brother \diamond by having sex with his wife, because she is your aunt."

¹⁵ "Do not have sex with [DOU] your daughter-in-law, because she is your son's wife."

¹⁶ "Do not have sex with your brother's wife, because that would disgrace your brother."

¹⁷ "Do not have sex with the daughter or granddaughter of any woman whom you have previously had sex with; they are *her* (OR, *your*) close relatives. Having sex with any of them would be a wicked thing to do."

¹⁸ "While your wife is still living, do not marry your wife's sister and have sex with her."

¹⁹ "Do not have sex with any woman while she is having her monthly menstrual period."

²⁰ "Do not \diamond defile yourself/make yourself unacceptable to me \diamond by having sex with someone else's wife."

²¹ "Do not give any of your children to be burned to be a sacrifice to the god Molech, because that would show that you do not revere me [MTY], Yahweh, your God."

²² "No man should have sex with another man; that is detestable."

²³ "No one, man or woman, should \diamond defile himself/cause himself to become unacceptable to me \diamond by having sex with an animal; that is a perverse act."

²⁴ "Do not \diamond defile yourselves/cause yourselves to become unacceptable to me \diamond in any of those ways, because doing those things is how the people of the nations that I expelled as you advanced became \diamond un-

acceptable to me/defiled \diamond . ²⁵ They even caused the land to become defiled, so I punished them for their sins, and *it was as though* the land vomited out the people who lived there. ²⁶ You must all obey my laws and decrees. That includes you people who were born here and the foreigners who live among you. ²⁷ All those detestable things were done by the people who lived in this land before you came here, and they caused the land to become defiled. ²⁸ So if you defile the land, I will get rid of [MET] you like I got rid of the people of those nations that were here before you came."

²⁹ "You must not allow people who do any of those detestable things to associate with you who are my people. ³⁰ Obey everything that I command you to do, and do not defile yourselves by practicing any of the detestable customs that were practiced *by the people who were there* before you came. I, Yahweh your God, *am the one who is commanding these things*."

Other laws

¹⁹ Yahweh also said to Moses/me, ² "Speak to all the people of Israel and tell them this: You must be holy, because I, Yahweh your God, am holy, *and I want you to be like me*."

³ Each of you must respect your father and your mother. And you must \diamond honor/treat respectfully \diamond the Sabbath days. I am Yahweh, your God, *and that is what I am commanding you to do*."

⁴ Do not worship idols or make metal statues of gods for yourselves. I am Yahweh, your God, *and I am the only one you must worship*."

⁵ When you bring an offering to maintain fellowship with me, offer it in a way that will cause me to accept it. ⁶ The meat should be eaten on the day that you sacrifice it, but you are permitted to eat some of it on the next day. Anything that remains until the third/next day must be completely burned. ⁷ For any of it to be eaten on the third day is very displeasing to me, and I will not accept that offering. ⁸ I will punish anyone who eats it *after the second day*, because he will not have respected that what I say is holy. And that person must no longer be allowed to associate with my people."

⁹ When you harvest your grain, leave the grain at the very edge of the field, and do not pick up the grain that has fallen on the ground. ¹⁰ And when you harvest your grapes, do not go back a second time to try to harvest some more, and do not pick up the grapes that have fallen on the ground. Leave those things for the poor people and for foreigners who are living among you. I, Yahweh your God, *am commanding those things*."

¹¹ Do not steal anything.

Do not tell lies.

Do not deceive each other.

¹² Do not show that you do not respect me by using/saying my name to falsely promise that you will do

something. *Do not forget that I am Yahweh, your God.*

¹³ 'Do not cheat anyone or steal from anyone.

'If you have agreed to pay your workers at the end of the day, do what you have promised; do not keep those wages until the next day.

¹⁴ 'Do not curse deaf people, and do not put things in the path of blind people to cause them to stumble.

¹⁵ 'Always [LIT] judge people fairly [DOU]. Do not do special favors for either poor people or rich people.

¹⁶ 'Do not spread false rumors about other people.

'Do not say anything in court that would result in some innocent person being executed. I, Yahweh, am commanding this.

¹⁷ 'Do not hate anyone. Instead, honestly rebuke those who ought to be rebuked, in order that you also will not be guilty.

¹⁸ 'Do not try to get revenge against someone or be angry with someone for a long time. Instead, love other people like you love yourself. I, Yahweh your God, *am commanding this.*

¹⁹ 'Obey my laws.

'Do not allow two different kinds of animals to mate with each other.

'Do not plant two different kinds of seed in the same field.

'Do not wear clothing made from two different kinds of material.

²⁰ 'If a man has sex with a slave woman who has been promised to marry some other man, but she has not been bought by that man and is still a slave, the man who had sex with her must be punished. But because she is still a slave, she and the man who had sex with her must not be killed. ²¹ However, that man must bring a ram to *be slaughtered* at the entrance of the Sacred Tent area, to be an offering in order that he no longer be guilty for his sin. ²² The priest will offer that ram to me in order that the man will be forgiven for the sin that he committed, and I will forgive him.

²³ 'When you enter the land *that I have promised to give to you*, and when you plant various kinds of fruit trees, you must not eat any of their fruit for three years [DOU]. ²⁴ In the fourth year all of their fruit must be set aside to belong to me; it must be brought to me to be an offering to praise me. ²⁵ But in the fifth/next year, you will be permitted to eat their fruit. If you do that, your trees will produce much fruit. I, Yahweh your God, *am promising that.*

²⁶ 'Do not eat any meat that still has *the animal's* blood in it.

'Do not consult spirits to find out what will happen in the future, and do not practice sorcery.

²⁷ 'Do not shave the hair at the sides of your heads *like pagan people do.*

²⁸ 'Do not cut your bodies *when you are mourning* for people who have died, and do not put tattoos on your bodies. I, Yahweh your God, *am commanding this.*

²⁹ 'Do not disgrace your daughters by forcing them to become prostitutes. If you cause them to become prostitutes, soon the land will be filled with prostitutes and all other kinds of people's wicked behavior.

³⁰ 'Honor my Sabbath days and revere my Sacred Tent, because I, Yahweh, *live there.*

³¹ 'Do not seek advice from those who \diamond consult/talk with \diamond the spirits of dead people [DOU], because if you do that, they will defile you. I, Yahweh your God, *am the one you should consult.*

³² 'Stand up when old people *enter the room*, and show that you respect them, and also revere me, your God; *that is what I, Yahweh, am commanding.*

³³ 'When foreigners live among you *in your land*, do not mistreat them. ³⁴ You must treat them like you treat your fellow-citizens. Love them like you love yourselves, and do not forget that once, when you were foreigners in Egypt, *you were badly mistreated by the people of Egypt.* I, Yahweh your God, *am commanding you to do this.*

³⁵ 'When you are measuring things, to see how long they are or how much they weigh or how many there are, ³⁶ use correct *measuring sticks and scales* and weights *on the scales* and measuring baskets and other measuring containers. I Yahweh, your God, who brought you out of Egypt, *am giving you these laws.*

³⁷ 'Obey carefully [DOU] all my laws and decrees, because I, Yahweh, *am the one who am commanding them."*

Punishments for various sins

²⁰ Yahweh also said this to Moses/me: ² "Tell the Israeli people, *'This is what Yahweh says:* Any Israeli or any foreigner who is living in Israel who sacrifices any of his children to be an offering to the god Molech must be executed. The people of the town must kill him by throwing stones at him. ³ I will reject [IDM] such people and command that they no longer be allowed to associate with my people. ⁴ If the people of that man's town ignore it when he kills one of his children to offer him as a sacrifice to Molech, and if they do not execute that person, ⁵ I myself will punish that person and his family, and I will command that he no longer be able to associate with my people. And I will do the same thing to any others who do the same thing that he did to worship Molech.

⁶ 'I will reject [IDM] those who go to those who \diamond consult/talk with \diamond the spirits of dead people and fortune-tellers to seek advice from them. I will command that they no longer be allowed to associate with my people.

⁷ 'Set yourselves apart and be holy, because I, Yahweh your God, am holy, *and I want you to be like me.*

⁸ Obey carefully [DOU] all my laws. I am Yahweh, the one will cause you to be holy.

⁹ 'If anyone curses his father or his mother, he must be executed. He himself will be responsible for his own death [MTY].

¹⁰ 'If a man commits adultery with some other man's wife, both of them, the man and the woman, must be executed.

¹¹ 'If a man has sex with [EUP] one of his father's wives, he has disgraced his father. So both that man and that woman must be executed, they will be responsible for their own deaths [MTY].

¹² 'If a man has sex with [EUP] his daughter-in-law, both of them must be executed. What they have done is very perverse; and they will be responsible for their own deaths [MTY].

¹³ 'If two men have sex together, they have done something detestable. They must both be executed, they will be responsible for their own deaths [MTY].

¹⁴ 'If a man marries both a woman and her mother, that is a wicked thing. All three of them must be burned to death, in order that such a wicked practice will not *continue to be done* among you.

¹⁵ 'If a man has sex with an animal, he must be executed, and you must also kill that animal.

¹⁶ ' *Similarly*, if a woman has sex with an animal, both the woman and that animal must be killed [DOU]; they are responsible for their own deaths [MTY].

¹⁷ 'If a man marries his sister, the daughter of either his mother or his father, and they have sex together, that is disgraceful. They must not be allowed to continue to associate with my people. And because he has disgraced his sister, he must be punished.

¹⁸ 'If a man has sex with [EUP, DOU] a woman during her monthly menstrual period, they have both revealed why she was bleeding, so both of them must not be allowed to associate with my people anymore.

¹⁹ 'Do not have sex with the sister of either your father or your mother, because that would be disgracing someone who is a close relative. And you and the woman must both be punished.

²⁰ 'If a man has sex [EUP] with his aunt, he has dishonored his uncle. I will punish both of them by causing them to die without having any children.

²¹ 'If a man marries his brother's wife *while his brother is still living*, that is disgraceful. He has dishonored his brother; and they both will die without having any children.

²² 'Obey all my laws/decrees [DOU] carefully, in order that you will not be forced to leave [MET] the land to which I am bringing you. ²³ Do not imitate/adopt the customs of the people of the land from which I will expel them as you advance. I hated them because they did all those things. ²⁴ But I said to you, "You will take their land from them; I will give it to you to be yours, a land that is very fertile [IDM]. I am Yahweh your God, who has set you apart from the people of other nations."

²⁵ 'So you must distinguish between birds and animals that are unacceptable to me and those that are acceptable to me. Do not defile yourselves by *eating* birds or animals, or anything that crawls along on the

ground, that I have said are unacceptable for you.

²⁶ You must behave in ways that I consider to be holy, because I, Yahweh, am holy, and I have set you apart from the *ungodly people of other nations* to belong to me.

²⁷ 'You must execute any man or woman among you who \diamond consults/talks with \diamond the spirits of dead people or who is a fortune-teller. Kill them by *throwing* stones at them; but they will be responsible for their own deaths."

Rules for priests

²¹ Yahweh also said to Moses/me, "Speak to the priests, the sons of Aaron, and say to them, ² 'You priests must not cause yourselves to become unfit to do my work by *touching* corpses. Priests are permitted to touch only the corpses of close relatives, such as the priest's mother or father or his son or daughter or his brother. ³ Priests are also permitted to touch the corpse of a sister if she is not married, because she has no husband *to bury her body*. ⁴ Priests must not cause themselves to become unfit to do my work [DOU] by *touching corpses* of people who were married to one of their close relatives.

⁵ You priests must not shave your heads or shave the edges of your beards or cut your bodies *to show that you are mourning for someone who has died*. ⁶ You must act in ways that I, your God, consider to be holy, and not disgrace my name/reputation. You are the ones who present to me the offerings that are burned. *It is as though* those offerings are food for me, your God; so you must act in ways that are holy.

⁷ You priests must not marry women who have been prostitutes or who have been divorced from their husbands, because you priests are \diamond set apart for me/holy \diamond . ⁸ You must consider that you are holy, because you offer food to me, your God. Consider yourselves to be holy because I, Yahweh, *the one who caused you to be priests* and the one who enables you to be holy, am holy.

⁹ If a priest's daughter disgraces herself by becoming a prostitute, she disgraces her father; and she must be killed by being burned in a fire.

¹⁰ The Supreme Priest is the one among his relatives who has been *appointed for that work* by having his head anointed with olive oil. He is also the one who has been appointed to wear the special garments that priests wear. He must not allow the hair on his *head* to remain uncombed, and he must not tear his clothes *when he is mourning for someone*. ¹¹ He must not enter some place where there is a corpse. He must not do that and cause himself to become unfit for his work, even if it is his father or his mother who has died. ¹² He must not leave the Sacred Tent *to join those who are mourning*, because he would cause himself to become unfit for his work and would also defile/desecrate the Sacred Tent. He must not leave the Sacred Tent *at that time*, because by being anoint-

ed with olive oil he has been appointed/set apart to serve his God *in the Sacred Tent*. I, Yahweh, am the one who am commanding this.

¹³ Women whom you priests marry must be virgins. ¹⁴⁻¹⁵ You priests must not marry widows or prostitutes or divorced women, because if you did that, *if you later have sons*, they would not be acceptable to be priests among your people. You must marry only virgins from among your own people. I am Yahweh, who sets priests apart to be holy."

¹⁶ Yahweh also said to Moses/me, ¹⁷ "Say this to Aaron: For all future time, none of your descendants who has any defects *on his body* will be allowed to come near *the altar to offer sacrifices to me which will be like* [MET] my food: ¹⁸ No one who is blind or lame or deformed, or whose *face is disfigured*, ¹⁹ no man with a crippled foot or a crippled hand, ²⁰ no man who is a hunchback or a dwarf, no man whose eyes are defective, no man who has a skin disease [DOU] or whose testicles have been damaged is allowed to bring sacrifices. ²¹ No descendant of Aaron, the *first Supreme Priest*, who has any defect is allowed to come to the altar to offer to me, his God, sacrifices that will be burned. ²² Priests who have defects are permitted to eat the various kinds of holy food offered to me. ²³ But because of their defects, they must not go near the curtain *in the Sacred Tent* or near the altar, because if they did that, they would desecrate my Sacred Tent. I am Yahweh, the one who sets those places apart as being holy."

²⁴ So Moses/I told this to Aaron and to his sons and to all the Israeli people.

22 Yahweh also said to Moses/me, ² "Tell Aaron and his sons to greatly respect the sacred offerings that the Israeli people bring to me; by doing that you will respect me [MTY], Yahweh.

³ "Tell them that for all future time, if any of their descendants comes near to the sacred offerings that the Israeli people dedicate to me while he is unfit to work for me, that person will no longer be allowed to work for me. I, Yahweh, am commanding this.

⁴ "If any descendant of Aaron has a contagious skin disease or a discharge from his sexual organs, he is not allowed to eat any of the sacred offerings until he is cured. He will also be unfit for his work if he touches anything which has become unacceptable to me because it has touched a corpse, or if he touches anyone who as an emission of semen, ⁵ or if he touches anything that crawls on the ground, or if he touches any person who causes him to be unfit for his work. ⁶ Any priest who touches such things must bathe, and he must not touch anyone else until that evening. ⁷ After the sun sets, he will be permitted to eat some of the sacred offerings that are for him to eat. ⁸ He must not eat anything that is found dead or that has been killed by wild animals, because if he did that, he would be unfit to work for me. I, Yahweh am commanding those things.

⁹ "The priests must obey my commandments in order that they will not become guilty and die as a result of despising/not obeying them.

¹⁰ "Anyone who is not a member of a priest's family is not permitted to eat any of a sacred offering, and no one who is visiting the priest or whom the priest has hired is permitted to eat it. ¹¹ But if a priest buys a slave, or if a slave is born in his house, that slave is permitted to eat such food. ¹² If a priest's daughter marries a man who is not a priest, she no longer is permitted to eat the sacred food. ¹³ But if a priest's daughter who has no children becomes a widow or becomes divorced, if she returns to her father's house to live there like she did when she was young, she may eat the same food that her father eats. But no other person is permitted to eat any of it.

¹⁴ "If anyone who is not permitted to eat a sacred offering eats it without realizing that it is sacred, he must pay the priest for the offering, and pay him an extra one-fifth of its value. ¹⁵ When the priests bring offerings to me, the sacred offerings that the Israeli people bring to them, they must not treat those offerings as though they are not sacred ¹⁶ by allowing those who are not priests to eat any of those offerings. If they did that, they would become guilty and must make a payment. I am Yahweh, the one who causes those offerings to be sacred."

Offerings that are not acceptable

¹⁷ Yahweh also said to Moses/me, ¹⁸ "Speak to Aaron and his sons and to all the Israeli people and tell them that I command this: 'If any of you Israelis or foreigners who live in Israel brings to me an animal that will be completely burned *on the altar*, either as a result of a solemn promise that you made to me or to be an offering that is given voluntarily, ¹⁹ it must be an animal that has no defects, in order that it will be accepted by me. ²⁰ Do not bring any animals that have defects, because I will not accept them as an offering from you. ²¹ Similarly, when someone brings from his cattle or sheep or goats an offering to maintain fellowship with me, either to fulfill a promise that he made to me or to be a voluntary offering, in order that I will accept it, it must have no defects [DOU] or blemishes. ²² Do not offer to me animals that are blind or injured or maimed/crippled, or any animal that has warts or a festering sore [DOU]. ²³ You may present to me to be a voluntary offering an ox or a sheep that is injured or stunted, but it will not be accepted to fulfill a promise made to me. ²⁴ You must not offer to me animals whose testicles are bruised or crushed or torn or cut. You must not injure the testicles of any animal in your land, ²⁵ and you must not accept such animals that are sold/given to you by a foreigner. You must not offer them to me as a sacrifice for me. Such animals will not be accepted by me, because they are deformed or have defects."

²⁶ Yahweh also said to Moses/me, ²⁷ "When a calf or lamb or goat is born, it must remain with its mother for seven days. After that, it will be acceptable as an offering to me that will be burned. ²⁸ Do not slaughter a cow or a sheep and its baby on the same day.

²⁹ "When you sacrifice an animal to thank *me for what I have done*, sacrifice it in a way that is acceptable to me. ³⁰ The meat must be eaten on that day; do not leave any of it until the next morning. I, Yahweh, *am the one who am commanding this*.

³¹ "Obey all my commands [DOU]. I, Yahweh, *am commanding them*; ³² do not dishonor me [MTY] *by disobeying them*. You Israeli people must acknowledge that I, Yahweh, am holy, and I am the one who causes you to be holy. ³³ And I am the one who brought you out of Egypt in order to show that that I, Yahweh, *am and will always be your God*."

Religious celebrations

23 Yahweh said to Moses/me, ² "Tell the Israeli people about the festivals that I have chosen, the days when you all must gather together *to worship me*."

The Sabbath

³ "You may work for six days *each week*, but on the seventh day you must not do any work. You must rest. It is a sacred/holy day when you must gather together *to worship me*. Wherever you live, you must rest on that day."

The Festivals of Passover and Unleavened Bread

⁴ "There are festivals that I have established for you. Those will also be sacred/holy days when you must gather together *to worship me*. ⁵ *The first festival is* ♦the Passover/when you remember that I spared your ancestors when I killed all the firstborn Egyptian sons♦. That festival will begin at twilight/dusk/sunset on the chosen day ♦each spring/in March or April each year♦, *and end on the following day*. ⁶ The next day, the Festival of Eating Bread That Has No Yeast will begin. That festival will continue for seven days. During that time, the bread that you eat must be made without yeast. ⁷ On the first day of that festival, you all must stop your regular work and you must gather together *to worship me*. ⁸ On each of the seven days, you must present to me *several animals to be an offering/sacrifice to be completely burned on the altar*. On the seventh day, you all must again stop your regular work and gather to worship me."

The Festival of the Beginning of the Harvest

⁹ Yahweh also told Moses/me ¹⁰ to tell the Israeli people *about other festivals*. He said, "When you arrive in the land which I am giving to you, and you harvest your crops *for the first time* there, bring to the priest some of the first grain that you harvest. ¹¹ On

the day after the *next Sabbath/rest day*, the priest will lift it up *high to dedicate it* to me, in order that I will accept it as your *gift*. ¹² That same day, you must sacrifice to me a one-year-old male lamb that has no defects. You must burn it *on the altar*. ¹³ You must also burn an offering of grain. That offering must consist of ♦three quarts/3.5 liters♦ of good flour mixed with *olive oil*. The smell *of those things burning* will be very pleasing to me. Along with that, you must also offer one quart/liter of wine, which will be a liquid offering. ¹⁴ Do not eat any bread or any roasted grain or unroasted grain on that day until after you have brought those offerings to me, your God. You must always obey [LIT] those commands, wherever you live."

The Festival of the End of the Harvest

¹⁵ "Seven weeks after the priest offers that grain to me, ¹⁶ on the next/50th day after he offers it, *each family* must bring to me an offering from the new crop of grain. ¹⁷ From your homes, bring two loaves of bread *to the priest*. He will lift them up *high to dedicate them* as an offering to me. Those loaves must be baked from three quarts/liters of good flour that has yeast mixed with it. That bread will be an offering to me from the first wheat that you harvest *each year*. ¹⁸ Along with this bread, you must present to me seven one-year-old lambs with no defects, one young bull, and two rams. They must all be completely burned *on the altar*. All those offerings, with the grain offering and the wine offering, will be burned, and the smell *of all those things burning* will be very pleasing to me. ¹⁹ Then you must also kill one male goat to be an offering/sacrifice for your sins, and two one-year-old male lambs to be an offering to enable you to maintain fellowship with me. ²⁰ The priest will lift up these offerings *high to dedicate them* to me. He will also offer the loaves of bread that were baked from the first wheat that you harvest. Those offerings are sacred to me, but they are for the priests *to eat*. ²¹ On that day, you must stop your regular work and gather to worship me. You must always obey those instructions/commands, and you must obey them wherever you live.

²² "When you harvest the grain in your fields, do not harvest the grain along the edges of the fields, and do not pick up the grain that the harvesters drop. Leave that grain for the poor people and for the foreigners who are living among you. *Do not forget that it is I, Yahweh your God, who am commanding those things!*"

The Festival of Trumpets

²³ Yahweh also told Moses/me ²⁴ to give these instructions/commands to the Israeli people: "*Each year* in September, on the day that I have chosen, you all must celebrate it by completely resting. You must not do any work on that day. When *the priests* blow their

trumpets loudly, you all must gather together to worship me. ²⁵ All of you must not do your regular work on that day. Instead, you must present offerings to me that will be burned *on the altar*."

The Festival of Atonement

²⁶ Yahweh also said to Moses/me, ²⁷ "You must celebrate a day *on which you request that I forgive you for the sins that you have committed*. That day will be nine days after the festival *when the priests blow the trumpets*. On that day you must *fast/abstain from eating food*. You must gather together to worship me and present offerings to me that will be burned *on the altar*. ²⁸ You must not do any work on that day, because it is the day when the priests will offer sacrifices to me to *atone for/ask me to forgive* your sins. ²⁹ You must expel from your group anyone who does not *fast/abstain from eating food* on that day. ³⁰ I will get rid of anyone who does any kind of work on that day. ³¹ You must not work at all! You must always obey those instructions/commands, and you must obey them wherever you live. ³² That day will be a day of complete rest for all of you, and on that day you must *fast/abstain from eating food* to show that you are sorry for having sinned. That day of rest and *fasting/abstaining from eating food* will begin on the evening before the day in which you ask me to forgive you for your sins, and it will end on the evening of the following day."

The Festival of Shelters

³³ Yahweh also said to Moses/me, ³⁴ "Tell the Israeli people that *each year* they must also celebrate a festival of living in temporary shelters. That festival will begin five days after the day in which they request me to forgive them for their sins. It will last for seven days. ³⁵ On the first day of that festival, the people must gather together to worship me, and they must not do any regular work on that day. ³⁶ On each of the seven days of the festival, they must present to me an offering of animals that will be burned *on the altar*. On the next day, they must gather again to worship me and present to me another animal that will be burned *on the altar*. That also will be a sacred gathering, and they must not work on that day, either.

³⁷ "To summarize, those are the festivals that I have appointed. Celebrate those sacred festivals by gathering together to present to me all the various offerings that will be burned *on the altar*—animals that will be burned completely, and offerings of grain, and offerings to enable the Israeli people to maintain fellowship with me, and offerings of wine. Each offering must be brought on the day that I have indicated.

³⁸ *Those festivals must be celebrated/You must celebrate those festivals* in addition to *worshipping on the Sabbath days/days of rest*. And all those offerings must be given in addition to the offerings that people

personally decide to give, and in addition to the offerings that people make to accompany the solemn promises that they have made, or offerings that people make *voluntarily/because they themselves want to*.

³⁹ "Returning to my instructions about the Festival of Living in Temporary Shelters, you must celebrate this festival after you have harvested all the crops. On the first day and on the last day of that festival, you must rest completely. ⁴⁰ But on the first day, you are permitted to pick fruit from trees. Cut palm fronds/branches and other leafy branches from trees or from bushes that grow by the streams, and make shelters/huts to live in for that week. Then rejoice in my presence for those seven days. ⁴¹ You must celebrate this festival for seven days every year. You must never stop obeying my commands/instructions for that festival. You must celebrate it in September. ⁴² During the seven days of that festival, all of you people who have been Israelis your entire lives must live in shelters/huts. ⁴³ That will remind your descendants that their ancestors lived in shelters for many years after I rescued them from Egypt. Do not forget that I, Yahweh your God, am the one who is commanding this."

⁴⁴ So Moses/I gave to the Israeli people all those instructions concerning the festivals that Yahweh wanted them to celebrate each year.

Taking care of the lamps

²⁴ Yahweh also said to Moses/me, ² "Command the Israeli people to continually bring to you clear oil made from pressed olives to burn in the lamps in the Sacred Tent, in order that those lamps will burn all the time. ³ Outside the curtain of the Very Holy Place, Aaron must take care of the lamps in my presence continually, in order that they will burn all during the night. That regulation must be obeyed forever. ⁴ Those lampstands that burn in my presence must be taken care of continually.

⁵ "Also, each week you must take some fine flour and bake twelve very big loaves of bread, using about four quarts/liters of flour for each loaf. ⁶ Put the loaves in two rows, with six loaves in each row, on the table covered with pure gold, in my presence. ⁷ Along each row, place in some gold cups some pure incense to be burned to be an offering to me instead of the bread. ⁸ New/Fresh loaves of bread must be put on the table each Sabbath day, to signify the agreement that will never end, that I have made with you Israeli people. ⁹ The bread that is taken off the table belongs to Aaron and his sons. They must eat it in a holy place, because it is a very holy part of the offerings that are given to me by being burned."

An example of fair punishment

¹⁰⁻¹¹ There was a man whose mother's name was Shelomith; she was an Israeli whose father was Dibri

from the tribe of Dan. And that man's father was from Egypt. One day that man and another Israeli man started to fight inside the camp. And while they were fighting, that man cursed Yahweh [MTY].¹² So the Israeli people seized him and guarded him until they could find out what Yahweh would reveal to them *that they should do to that man*.

¹³ Then Yahweh said to Moses/me,¹⁴ "Tie up and take outside the camp the man who has cursed me. There all those who heard what he said must put their hands on his head *to indicate that he is guilty*, and then all the people must *kill him by* throwing stones at him.¹⁵ Tell the Israelis, 'If anyone curses me, he must *endure the consequences/be punished*'.¹⁶ So anyone who curses me [MTY] must be executed. All the people must throw stones at him. It does not matter if he is a foreigner or an Israeli citizen; anyone who curses me must be executed.'

¹⁷ "Also, If anyone murders another person, he must be executed.¹⁸ And anyone who kills *another person's* animal must give that person a live animal to replace the one that he killed.¹⁹ And if one person injures another person, the injured person is allowed to injure the person who injured him in the same way:²⁰ If someone breaks one of another person's bones, that person is allowed to break one of the bones of the person who injured him. If someone gouges out an eye of another person, that person is allowed to gouge out the eye of the person who injured him. If someone knocks out the tooth of another person, that person is allowed to knock out one of his teeth. What is done to the offender must be the same as what he did to the other person.²¹ Whoever kills *another person's* animal must give that person a live animal to replace the one that he killed, but anyone who murders another person must be executed.²² That law applies to you Israelis and also to the foreigners who live among you; I, Yahweh your God *am the one who has commanded it.*"

²³ Then Moses/I told the Israelis *what they must do to the man who cursed Yahweh*, so they took the man outside the camp and *killed him by* throwing stones at him. They did what Yahweh commanded Moses/me *to tell them to do*.

The seventh year

25 Yahweh said to Moses/me on Sinai Mountain,² "Tell the Israelis *that I, Yahweh, say this*:

When you enter the land that I am about to give you, every seventh year you must honor me by *not planting any seeds*. You will be allowing the ground to rest.³ For six years you are to plant seeds in your fields and prune your grapevines and harvest the crops.⁴ But the seventh/next year you must *dedicate* to me, and allow your fields to rest. Do not plant seeds in your fields or prune your grapevines *during that year*.⁵ Do not reap *the grain* that grows in your fields without having been planted, or harvest the grapes that grow

without the vines being pruned; you must allow the land to rest for that one year.⁶ But you are permitted to eat whatever crops grow by themselves during that year without having been planted. You and your male and female servants, and workers whom you have hired, and people who are living among you temporarily are permitted to eat it.⁷ Also, *during that year* your livestock and the wild animals in your land are permitted to eat it.'

The fiftieth year

⁸⁻⁹ 'Also, after every 49 years has ended, you must do this: *On the tenth day of the seventh month/At the end of September of the next/50th year*, blow trumpets throughout the country, to declare that it will be a day on which you request that I forgive you for the sins that you have committed.¹⁰ Set apart that year, and proclaim that throughout the country, it will be a year of restoring the land and freeing people: All the people *who sold their property* will receive back the property that they previously owned, and slaves must be *freed/allowed to return to their property and their families*.¹¹ That year will be a Year of Celebration; *during that year* do not plant anything, and do not harvest *in the usual way* the grain/wheat that grows without having been planted, or the grapes that grow without the vines being pruned.¹² It will be a Year of Celebration, so eat *only* what grows in the fields *by itself/without any work being done to produce anything*.

¹³ 'In that Year of Celebration, everyone must return to their own property.

¹⁴ 'If you sell some of your land to a fellow Israeli or if you buy some land from one of them, you must treat that person fairly:¹⁵ If you buy land, the price that you will pay will depend on the number of years there will be until the next Year of Celebration. If someone sells land to you, he will charge a price that is determined by the number of years until the next Year of Celebration.¹⁶ If there will be many years before the next Year of Celebration, the price will be higher; if there will be only a few years until the next Year of Celebration, the price will be lower. *You could say that* what he is really selling you is the number of crops *which you can harvest before the next Year of Celebration*.¹⁷ Do not cheat each other; instead, reverse me. I, Yahweh your God, *am the one who am commanding this*.

¹⁸ 'Obey all my laws [DOU] carefully. If you do that, you will continue to live safely in your country [DOU].¹⁹ And crops will grow well on the land, and you will have plenty to eat.²⁰ But you may ask, "If we do not plant or harvest our crops during the seventh year, what will we have to eat?"²¹ *My answer is that* I will bless you very much during the sixth/previous year, with the result that during that year there will be enough crops to provide food for you for three years!²² Then, after you plant seed during the eighth/next

year and wait for the crops to grow, you will eat the food grown in the sixth year, and continue to eat it until more food is harvested in the ninth year!

²³ 'You must not sell any of your land to belong to someone else permanently, because the land *is not yours, it is really mine*, and you are only living on it temporarily and *◇farming/taking care of◇* it for me. ²⁴ Throughout the country that you will possess, you must remember that if someone sells some of his land to you, he is permitted to buy it back from you *if he wants to*.

²⁵ 'So, if one of your fellow Israelis becomes poor and sells some of his property *to obtain some money*, the person who is most closely related to him is permitted to come and buy that land for him. ²⁶ However, if a man has no one to buy the land for him, and he himself prospers again and saves enough money to buy that land back, ²⁷ he must calculate how many years there will be until the next Year of Celebration. Then he must pay to the man who bought the land the money that he would have earned by continuing to grow crops on that land for those years. ²⁸ But if the original owner does not have any money to buy the land that he sold, it will continue to belong to the man who bought it, until the next Year of Celebration. In that year it must be returned to its original owner, and he will be able to live on it again.

²⁹ 'If someone who lives in a city that has a wall around it sells a house there, during the next year he will be permitted to buy it from the man who bought it. ³⁰ If he does not buy it during that year, it will belong permanently to the man who bought it and to his descendants. It must not be returned to the original owner in the Year of Celebration. ³¹ But houses that are in villages that do not have walls around them are considered to be as though they are in a field. So if someone sells one of those houses, he is permitted to buy it back at any time. And *if he does not buy it*, it must be returned to him in the Year of Celebration.

³² 'If any descendants of Levi sell their houses in the towns in which they live, they are permitted to buy them back at any time. ³³ And because the houses in their towns are on land that *was given to them by other Israelis*, that land will become theirs again in the Year of Celebration *if they do not buy it back before then*. ³⁴ But the pastureland near their towns must not be sold. It must belong to the original owners permanently/forever.

³⁵ 'If one of your fellow Israelis becomes poor and is unable to buy what he needs [IDM], others of you must help him like you would help a foreigner who is living among you [DOU] temporarily. ³⁶ *If you lend money to him*, do not charge any kind of interest [DOU]. Instead, *show by what you do that you revere me, your God*, and help that man, in order that he will be able to continue to live among you. ³⁷ If you lend him money, do not charge interest; and if you sell food to him, *charge him only what you paid for it*; do not

get a profit from it. ³⁸ *Do not forget that I am Yahweh your God, who brought you out of Egypt to be your God and to give you the land of Canaan, and I did not charge you for doing that*.

³⁹ 'If one of your fellow Israelis becomes poor and sells himself to you, do not force him to work like a slave. ⁴⁰ Treat him like you treat workers that you hire or like someone who is living on your land temporarily. But he must work for you *only* until the Year of Celebration. ⁴¹ During that year, you must free him, and he will go back to his family and to the property that his ancestors owned. ⁴² *It is as though you Israelis are my slaves/servants, whom I freed from being slaves in Egypt*. So none of you should be sold to become slaves. ⁴³ And do not treat the Israelis whom you buy cruelly; instead, revere me, your God.

⁴⁴ 'If you want to have slaves, you are permitted to buy them from nearby countries. ⁴⁵ You are also permitted to buy some of the foreigners who are living among you, and members of their clans that were born in your country. Then you will own them. ⁴⁶ They will be your slaves for the remaining years of your life, and after you die, it is permitted for your children to own them. But you must not act in brutal ways toward your fellow Israelis.

⁴⁷ 'If a foreigner who is living among you [DOU] becomes rich, and if one of your fellow Israelis becomes poor and sells himself to that foreigner or to a member of his clan/family, ⁴⁸ it is permitted for someone to pay for him to be freed. It is permitted for one of his relatives to pay for him to be released: ⁴⁹ An uncle or a cousin or another relative in his clan may pay for him to be released. Or, if he prospers *and gets enough money*, he is permitted to pay for his own release.

⁵⁰ The man who wants to pay for his own release must count the number of years until the next Year of Celebration. The price he pays to the man who bought him will depend on the pay that would be given to a hired worker for that number of years. ⁵¹ If there are a lot of years that remain until the Year of Celebration, he must pay for his release a larger amount of the money. ⁵² If there are only a few years that remain until the Year of Celebration, he must pay a smaller amount to be released. ⁵³ During the years that he is working for the man who bought him, the man who bought him must treat him like he would treat a hired worker, and all of you must make sure that his owner does not treat him cruelly.

⁵⁴ 'And even if a fellow Israeli who has sold himself to a rich man is not able to pay for himself to be freed by any of these ways, he and his children must be freed in the Year of Celebration, ⁵⁵ because *it is as though you Israelis are my slaves/servants, whom I, Yahweh your God, freed from being slaves in Egypt*."

Promised blessings for obeying Yahweh

26 *Yahweh also said this to Moses/me on Sinai Mountain: "Do not make idols or set up statues*

of false gods or sacred stones *to worship other gods*. And do not put on your property a stone that has been shaped *to resemble a false god* and bow down to *worship* it. *You must worship only me, Yahweh, your God.*

² "Honor the Sabbath days and revere my Sacred Tent, because I, Yahweh, *live there*."

³ "If you carefully obey all my commands [DOU], ⁴ I will send rain for you at the proper/right times, in order that crops will grow on your land and there will be plenty of fruit on your trees. ⁵ You will continue *harvesting and threshing grain* until it is time to harvest grapes, and you will continue to harvest grapes until it is time to start planting *things in the following year*. And you will have all the food that you want to eat, and you will live safely in your land.

⁶ "If you obey all my laws, there will be peace in your country, and when you lie down *to sleep*, nothing will cause you to be afraid. I will get rid of the dangerous animals in your country, and there will be no wars [MTY] in your country. ⁷ You will pursue your enemies and kill them with your swords: ⁸ Five of you will pursue 100 of them, and 100 of you will pursue 1,000 of them and kill them with your swords.

⁹ "If you obey all my laws, I will bless you and cause you to have many children [DOU]. And I will do what I said that I would do in the agreement that I made with you. ¹⁰ When you are still eating food from the harvest from the previous year, it will be necessary for you to throw away some of it to make space for the new harvest. ¹¹ I will live among you in my Sacred Tent, and I will never reject you. ¹² I will walk among you and continue to be your God, and you will continue to be my people. ¹³ I am Yahweh your God, the one who brought you out of Egypt in order that you would no longer be slaves of the people of Egypt. *When you were there, you were treated as though you were animals that worked for the people of Egypt, but* [MET] I broke the bars of the *◊yokes/frames* that were put around your necks◊ and enabled you to walk with your heads up."

Threatened punishments for disobeying Yahweh

¹⁴ "But if you will not heed me and obey all these commands, ¹⁵ and if you reject [DOU] my decrees and laws, and do not do [DOU] what I commanded you to do in the agreement that I made with you, ¹⁶ these are the things that I will do to you: I will suddenly cause there to be disasters that will ruin you. You will have diseases that cannot be cured, and fevers that will cause you to become blind and will slowly kill you. It will be useless for you to plant seeds, because your enemies will eat the crops that grow. ¹⁷ I will reject/abandon you [IDM], with the result that you will be defeated by your enemies. Then those who hate you will rule you, and *you will be so terrified that you will run away even when no one is pursuing you.*

¹⁸ "If you still will not heed me after all those things happen to you, I will continue to punish you again and

again for the sins that you have committed. ¹⁹ I will cause you to no longer be stubborn and proud; I will cause *no rain to fall; it will be as though* [MET] the sky is made of iron; and the ground will be *as hard as brass* [MET]. ²⁰ You will uselessly work very hard *to plant seeds*, because crops will not grow in the hard soil in your fields, and fruit will not grow on your trees.

²¹ "If you continue to oppose me and refuse to heed me, I will cause you to experience disasters again and again, like you deserve to experience because of your sins. ²² I will send wild animals to attack you, and they will kill your little children and destroy your cattle. There will be very few of you who will remain alive, with the result that there will be very few [HYP] people walking on the roads in your country.

²³ "When you experience those things that I do to punish you, if you still do not pay attention to me, and if you continue to oppose me, ²⁴ I myself will oppose you, and I will punish you for your sins again and again. ²⁵ I will send *foreign* armies [MTY] to punish you for not doing the things that I commanded you to do in the agreement that I made with you. If you *try to escape from your enemies* by shutting yourselves in your cities *that have walls around them*, I will cause you to experience plagues, and I will allow your enemies to capture [IDM] you. ²⁶ When I cut off your food supply, there will be very little flour with which to make bread. As a result, ten women will be able to bake all their bread in *only one oven*. *When the bread is baked*, each woman will divide it *among the members of her family, but there will be very little for each one*, and when they have eaten all of it, they will still be hungry.

²⁷ "After all those things happen, if you still do not heed me, if you still oppose me, ²⁸ I will be very angry with you, and I will oppose you, and I myself will punish you for your sins again and again. ²⁹ *You will be extremely hungry, with the result that you will kill your sons and daughters and eat their flesh.* ³⁰ I will cause the shrines *where you worship idols* on hilltops to be destroyed. I will smash the altars where you burn incense *to worship your gods*, and I will cause your corpses to be piled on the lifeless statues of your gods. And I will detest you. ³¹ I will cause your cities to become heaps of ruins, and I will cause the buildings that are dedicated to the worship of your gods to be smashed. And I will not be pleased at all with the aroma of your offerings *that are burned on the altar*. ³² I will completely ruin your country, with the result that even your enemies who capture it will be shocked/applauded *when they see it*. ³³ I will enable *your enemies to kill you* with their swords, and I will cause the rest of you to be scattered among other nations. Your country will be ruined and your cities will become ruins. ³⁴ After that happens, as long as you are living in your enemies' countries, your land will be allowed to rest, like you should have allowed it to rest every seven years. ³⁵ All the time that your land is desolate, it will

be able to rest, like you did not enable it to rest during all the years that you lived there.

³⁶ "As for you people who will remain alive in the countries to which your enemies *will have taken you*, I will cause you to become so afraid that when you hear the sound of leaves being blown by the wind, you will run away. You will run like [SIM] you are running from *a man carrying a sword*, and you will fall down, even though no one is pursuing you. ³⁷ You will stumble over each other. So you will not be able to stand and fight your enemies. ³⁸ Many of you will die in the countries that belong to your enemies [DOU]. ³⁹ And those of you who remain alive will slowly die and rot in the countries of your enemies because of your sins and because of the sins of your ancestors.

⁴⁰⁻⁴¹ "But your descendants must confess their sins and the sins that their ancestors committed. Their ancestors acted unfaithfully toward me and were hostile to me, with the result that I forced them to go to the countries that belonged to their enemies. But when your descendants humble themselves [SYN] and stop being very stubborn [IDM] and accept being punished for their sins, ⁴² I will remember the agreement that I made with *your ancestors* Abraham and Isaac and Jacob, and *what I promised them about this land*. ⁴³ But *before that happens*, you will be forced to leave your land, with the result that the land will be able to rest while it is desolate and while the people are being punished for rejecting my laws and hating my decrees [DOU]. ⁴⁴ But when that happens, I will still not reject them or hate them and destroy them completely. I will not cancel the agreement that I made with them; for I am still Yahweh their God. ⁴⁵ I will \diamond remember/never forget \diamond the agreement that I made with your ancestors when I brought them out of Egypt, in order that the people of all nations will know that I, Yahweh, *will continue to be your God*."

⁴⁶ Those are the decrees, the laws, and the regulations [DOU] that Yahweh established on Sinai Mountain between himself and the Israeli people by *giving them to Moses/me to tell to them*.

Making promises about gifts to Yahweh

27 Yahweh also said to Moses/me, ² "Tell the Israeli people *that this is what I am saying to them*: If anyone solemnly promises to dedicate another person to *work solely* for me, the person who is dedicated to me is allowed to be free from having to do that by someone paying *to the priest* a fixed amount of money. The money that is given must be calculated by comparing it with the official pieces of silver in the Sacred Tent. ³ *These are the amounts that must be paid*:

50 pieces of silver for men who are between 20 and 60 years old,

⁴ 30 pieces of silver for adult women *who are between 20 and 60 years old*,

⁵ 20 pieces of silver for young men who are between five and 20 years old,

ten pieces of silver for young women who are between five and 20 years old,

⁶ five pieces of silver for boys who are between one month and five years old,

three pieces of silver for girls who are between one month and five years old,

⁷ 15 pieces of silver for men who are more than 60 years old,

ten pieces of silver for women who are more than 60 years old.

⁸ 'If anyone who has made such a solemn promise is very poor and unable to pay, to free that person from doing what he had promised, he must take that person to the priest. The priest will set the price *for freeing him* to be what the person who made that solemn promise is able to pay.

⁹ 'If someone solemnly promises to give an animal that is acceptable to be an offering to me, that animal becomes sacred *and belongs to me*. ¹⁰ The person who promised to give it must not give another animal instead of the one that he promised; he must not substitute a bad animal for a good one or even a better one than the one offered. If he would substitute one animal for the other, both animals would belong to me. ¹¹ If the animal that he wishes to dedicate to me is a kind that is unacceptable to be an offering to me, he must take that animal to the priest. ¹² The priest will then decide what its value is, according to the animal's good and bad points. Whatever value the priests sets will be the value of the animal, *and that is the price that the priest must pay for the animal*. ¹³ If the man who gave the animal later decides that he wants to buy it back, he must pay *to the priest* that price plus an additional 20 percent.

¹⁴ ' *Similarly*, if someone dedicates his house to be a sacred gift to belong to me, the priest will decide how much it is worth, which will depend on whether the house is in good condition. Whatever the priest says that it is worth, that will be its value *and that is the price that the priest must pay for it*. ¹⁵ If the man who dedicated his house to me later wants to buy it back, he must pay that price plus an additional 20 percent, and then the house will belong to him again.

¹⁶ 'If someone dedicates to me some of the property that belongs to him and his family, its value will be determined by the number of bushels of seed that will be needed to plant seeds on that land: Its value will be ten pieces of silver for each bushel of seed. ¹⁷ If he dedicates the land during the Year of Celebration, its full value will be that amount. ¹⁸ But if he dedicates the field after the Year of Celebration, the priest will count the number of years until the next Year of Celebration, and if there are not many years that remain, the price will be much lower *than the full price*. ¹⁹ If the person who dedicated the field later wants to buy it back, he must pay *to the priest* the price that the

priest says it is worth, plus an added one-fifth, and then the field will belong to that man again. ²⁰ However, if he does not buy it back, or if it has been sold (OR, the priest has sold it) to someone else, that person will never be permitted to buy it back again. ²¹ In the Year of Celebration, it will become sacred again, and it will be given to the priest.

²² If someone dedicates to me some land that he has bought, land which is not part of the land that his family has always owned, ²³ the priest will count the number of years until the next Year of Celebration to determine how much it is worth, and the man must pay that amount to the priest on that day, *and then that land will belong to that man again.* ²⁴ But in the Year of Celebration, the land will again be owned by the person from whom he bought it, the person whose family had always owned that land. ²⁵ All the silver that is paid must be compared with the official pieces of silver in the Sacred Tent.

²⁶ No one is permitted to dedicate to me the firstborn of any cow or sheep, because the firstborn already belongs to me [DOU]. ²⁷ If someone gives to me a kind of animal that is not acceptable to me, that person may later buy it back by paying what it is worth plus an additional 20 percent of its value. If he does not

buy it back, it must be sold (OR, the priest must sell it) for its standard price.

²⁸ However, no slave or animal or family land that someone owns can be sold or bought back after it has been dedicated to me *and no price has been paid for it.* That kind of gift belongs to me permanently/forever.

²⁹ No person who has *done something that I consider to be very wicked* is permitted to be freed *from being punished*; that person must surely be executed.

³⁰ One tenth of all the crops and grain or fruit that is produced on anyone's land is sacred and belongs to me. ³¹ If anyone wants to buy back any of that tenth, he must pay *to the priest* what it is worth plus an additional 20 percent. ³² One of every ten domestic animals belongs to me. When a shepherd counts his animals [MTY] *to decide which ones he will give to me*, he must mark every tenth one as belonging to me.

³³ When he does that, he must not pick out the good ones for himself or leave the bad ones, or substitute bad ones for good ones. If he substitutes one animal for another, both animals will belong to me, and he will not be permitted to buy them back (OR, the shepherd cannot buy them back). "

³⁴ Those are the commands that Yahweh gave to Moses/me on Sinai Mountain *to tell to the people.*

NUMBERS

The men of Israel were counted

1 In April of the year after the Israeli people left Egypt, Yahweh spoke to Moses/me while he/I was in the Sacred Tent, in the Sinai Desert. Yahweh said to him/me, ²⁻³ "I want you and Aaron to determine how many Israeli men are able to fight in battles. Write down the names of all the men who are at least 20 years old, and write down the names of their clans and families. ⁴ *I have chosen* one man from each of the tribes to help you to do this. Each one will be a leader of his clan.

⁵⁻¹⁵ Their names are:

Elizur, the son of Shedeur, from the tribe of Reuben;
Shelumiel, the son of Zurishaddai, from the tribe of Simeon;

Nahshon, the son of Amminadab, from the tribe of Judah;

Nethanel, the son of Zuar, from the tribe of Issachar;

Eliab, the son of Helon, from the tribe of Zebulun;

Elishama, the son of Ammihud, from the tribe of Joseph's son Ephraim;

Gamaliel, the son of Pedahzur, from the tribe of Joseph's son Manasseh;

Abidan, the son of Gideoni, from the tribe of Benjamin;

Ahiezer, the son of Ammishaddai, from the tribe of Dan;

Pagiel, the son of Ocran, from the tribe of Asher;

Eliasaph, the son of Deuel, from the tribe of Gad;

Ahira, the son of Enan, from the tribe of Naphtali."

¹⁶ Those were the men whom Yahweh chose from the people. They were leaders of their tribes. They were the chief men of the clans of the Israeli people.

¹⁷ Aaron and Moses/I summoned all these leaders, ¹⁸ and they gathered all of the people together on that same day. They listed/wrote down the names of all the men who were at least 20 years old, and with their names they wrote the names of their clans and their family groups ¹⁹ just as Moses/I had commanded. They wrote the names while \diamond the Israelis/we \diamond were there in the Sinai Desert.

²⁰⁻⁴³ This is a list of the number of men who were at least 20 years old and able to fight in battles, and the names of their tribes:

There were 46,500 men from the tribe of Reuben (who was Jacob's oldest son);

there were 59,300 men from the tribe of Simeon; there were 45,560 men from the tribe of Gad; there were 74,600 men from the tribe of Judah; there were 54,400 men from the tribe of Issachar; there were 57,400 men from the tribe of Zebulun; there were 40,500 men from the tribe of Ephraim; there were 32,200 men from the tribe of Manasseh; there were 35,400 men from the tribe of Benjamin; there were 62,700 men from the tribe of Dan; there were 41,500 men from the tribe of Asher; there were 53,400 men from the tribe of Naphtali.

⁴⁴⁻⁴⁵ That was the number of men from each tribe that Aaron and Moses/I and the twelve leaders of the tribes of Israel listed, along with the names of their clans. ⁴⁶ The total was 603,550 men.

⁴⁷ But this number did not include the names of the men of the tribe of Levi, ⁴⁸ because Yahweh had said to Moses/me, ⁴⁹ "When you \diamond count/write the names of \diamond the men of the tribes of Israel, do not count the men in the tribe of Levi. ⁵⁰ Appoint the male descendants of Levi to take care of the Sacred Tent and the chest inside it that contains *the tablets on which are written* the Ten Commandments. They must also take care of the other things that are inside the tent. *When you travel*, they are the ones who must carry the tent and all the things that are inside it, and they must take care of it and set up their tents around it. ⁵¹ Whenever it is time for all of you to move *to another location*, the descendants of Levi are the ones who must dismantle the tent. And when it is time to stop traveling, they are the ones who must set up the Sacred Tent again. Any other person who goes near the Sacred Tent *to do this work* must be executed. ⁵² The people of each Israeli tribe must set up their tents in their own area, and they must set up a flag/banner that represents their tribe. ⁵³ But the male descendants of Levi must set up their tents around the Sacred Tent, in order to protect the other Israeli people from being punished [MTY] by Yahweh *for coming close to the Sacred Tent*. The descendants of Levi are the ones who must stand around the Sacred Tent to guard it."

⁵⁴ So the Israeli people did everything just like Yahweh had commanded Moses/me.

Instructions for setting up the Israeli camp

2 Then Yahweh said this to Aaron and Moses/me: ² "When the Israelis set up their tents, they should set them up in areas that surround the Sacred

Tent, but not close to it. The people of each tribe must set up their tents in a different area. Each tribe must erect in that area a banner of their own clan and a flag that represents their tribe.

³⁻⁴ The people of the tribes of Judah, Issachar, and Zebulun must set up their tents on the east side of the Sacred Tent, close to their tribal flags. These are the names of the leaders of those tribes and the number of soldiers whom they will lead:

Nahshon, the son of Amminadab, will be the leader of the 74,600 men of the tribe of Judah.

⁵⁻⁶ Nethanel, the son of Zuar, will be the leader of the 54,500 men of the tribe of Issachar.

⁷⁻⁸ Eliab, the son of Helon, will be the leader of the 57,400 men of the tribe of Zebulun.

⁹ So there will be 86,400 troops on the east side of the Sacred Tent. Whenever the Israelis move to a new location, those three tribes must go in front of the others.

¹⁰⁻¹¹ The tribes of Reuben, Simeon, and Gad must set up their tents on the south side of the Sacred Tent, close to their tribal flags. These are the names of the leaders of those tribes and the number of men whom they will lead:

Elizur, the son of Shedeur, will be the leader of the 46,500 men of the tribe of Reuben.

¹²⁻¹³ Shelumiel, the son of Zurishaddai, will be the leader of the 59,300 men of the tribe of Simeon.

¹⁴⁻¹⁵ Eliasaph, the son of Deuel, will be the leader of the 45,650 men of the tribe of Gad.

¹⁶ So there will be 151,450 troops on the south side of the Sacred Tent. Those three tribes will follow the first group *when the Israelis travel*.

¹⁷ Behind that group will walk the descendants of Levi, who will carry the Sacred Tent. The Israelis will march in the same order that they always set up their tents. Each tribe will carry its own flag.

¹⁸⁻¹⁹ The tribes of Ephraim, Manasseh, and Benjamin must set up their tents on the west side of the Sacred Tent, close to their tribal flags. These are the names of the leaders of those tribes and number of men whom they will lead:

Elishama, the son of Ammihud, will be the leader of the 40,500 men of the tribe of Ephraim.

²⁰⁻²¹ Gamaliel, the son of Pedahzur, will be the leader of the 32,200 men of the tribe of Manasseh.

²²⁻²³ Abidan, the son of Gideoni, will be the leader of the 35,400 men of the tribe of Benjamin.

²⁴ So there will be 108,100 troops on the west side of the Sacred Tent. Those three tribes will follow the second group, *behind the descendants of Levi*.

²⁵⁻²⁶ The tribes of Dan, Asher, and Naphtali must set up their tents on the north side of the Sacred Tent, close to their tribal flags. These are the names

of the leaders of those tribes and the number of men whom they will lead:

Ahiezer, the son of Ammishaddai, will be the leader of the 62,700 men of the tribe of Dan.

²⁷⁻²⁸ Pagiel, the son of Ocran, will be the leader of the 41,500 men of the tribe of Asher.

²⁹⁻³⁰ Ahira, the son of Enan, will be the leader of the 53,400 men of the tribe of Naphtali.

³¹ So there will be 157,600 troops on the north side of the Sacred Tent. Those three tribes will be last. They must carry their own flags when the Israelis travel."

³² So there were 603,550 Israeli men who were able to fight who were listed according to their families' ancestors. ³³ But just as Yahweh had commanded, the names of the descendants of Levi were not included.

³⁴ The Israelis did everything that Yahweh had told Moses/me. They set up their tents close to their tribal flags, and when they traveled *to a new location, they walked* with their own clans and family groups.

The sons of Aaron

³ These are some of the things that happened to Aaron and Moses/me when Yahweh spoke to Moses/me on Sinai Mountain.

² Aaron's four sons were Nadab the oldest, Abihu, Eleazar, and Ithamar. ³ They were appointed [MTY] (OR, Moses/I appointed them) to be priests. ⁴ But, while Yahweh was watching, Nadab and Abihu died in the Sinai Desert because they burned *incense* in a manner that was different from what Yahweh had commanded. They had no sons, so Eleazar and Ithamar were the *only* sons of Aaron who *were left to be* priests, along with their father Aaron.

⁵ Then Yahweh said to Moses/me, ⁶ "Bring the men of the tribe of Levi and present them to Aaron, in order that they may assist him. ⁷ They will serve Aaron and all the other Israeli people, while they do their work inside the Sacred Tent and outside it. ⁸ They must serve all the Israeli people by taking care of all the things that are inside the Sacred Tent. ⁹ Appoint them to *help* Aaron and his two sons. I have chosen them from all the Israeli people to do that. ¹⁰ Appoint Aaron and his two sons to do the work that priests do. But anyone else who comes close to the Sacred Tent *to do that work* must be executed."

¹¹ Yahweh also told Moses/me, ¹² "Note that from all the Israelis, I have chosen the men of the tribe of Levi to take the places of all the firstborn sons of the Israeli people. The male descendants of Levi belong to me, ¹³ because truly all the firstborn *males* belong to me. That is because on the day that I killed all the firstborn *sons* of the people of Egypt, I *spared* all the firstborn *sons* of the Israelis and set them apart for myself. I al-

so set apart the firstborn *males* of your domestic animals. They belong to me, Yahweh.”

¹⁴ Yahweh spoke to Moses/me again in the Sinai Desert. He said, ¹⁵ “Count the male members of the tribe of Levi. Write down their names and the names of their clans and family groups. Count all the males who are at least one month old.” ¹⁶ So Moses/I counted them, just as Yahweh commanded.

¹⁷ Levi had *three* sons, whose names were Gershon, Kohath, and Merari.

¹⁸ Gershon had *two* sons: Libni and Shimei. The clans that were descended from them had the same names as those *two* sons.

¹⁹ Kohath had *four* sons: Amram, Izhar, Hebron, and Uzziel. The clans that were descended from them had the same names as those *four* sons.

²⁰ Merari had *two* sons: Mahli and Mushi. The clans that were descended from them had the same names as those *two* sons.

Those are the clans that were descended from Levi.

²¹ The two clans descended from Gershon are those that were descended from *his sons* Libni and Shimei.

²² In those two clans there were 7,500 males who were at least one month old. ²³ They were told to set up their tents on the west side of the Sacred Tent.

²⁴ The leader of those two clans was Eliasaph, the son of Lael. ²⁵ Their work was to take care of the Sacred Tent, including the coverings of the tent, the curtain at the entrance of the tent, ²⁶ the \diamond curtains/large pieces of cloth \diamond that formed the walls around the courtyard that is around the tent and around the altar, the curtains that were at the entrance of the courtyard, and the ropes *for fastening the tent*. They also did all the work of taking care of the things outside the Sacred Tent.

²⁷ The clans that were descended from Kohath were those descended from his four sons: Amram, Izhar, Hebron, and Uzziel. ²⁸ In those four clans there were 8,600 males who were at least one month old. The work of the men of the clans was to take care of *the things that are inside* the Sacred Tent. ²⁹ They set up their tents on the south side of the Sacred Tent. ³⁰ The leader of those four clans was Elizaphan, the son of Uzziel. ³¹ The work of the men of those clans was to take care of the sacred chest, the table *on which the priest put the sacred bread*, the lampstand, the altars, all the items that the priest used in the Sacred Tent, and the curtain that is inside the tent. Their work was also to take care of the things inside the tent.

³² Aaron's son Eleazar was the leader of all the male descendants of Levi. He supervised all the work that was done at the Sacred Tent.

³³ The clans that were descended from Merari were those descended from *his sons* Mahli and Mushi. ³⁴ In those two clans there were 6,200 males who were at least one month old. ³⁵ They were told to set up their tents on the north side of the Sacred Tent. The leader

of those two clans was Zuriel, the son of Abihail.

³⁶ The work of the men of those two clans was to take care of the frames that held up the tent, the crossbars, the pillars, and the bases. They also did all the work that was connected with those items. ³⁷ Their work was also to take care of the posts *that held up the curtains that formed the walls* of the courtyard, and all the bases, tent pegs, and ropes *that fastened those curtains*.

³⁸ Aaron and Moses/I and Aaron's sons were told to set up their/our tents in the area in front of the Sacred Tent, on the east side. Their/Our work was to supervise the work that would be done in and around the Sacred Tent, for the benefit of the Israeli people. Only the priests were permitted to do that. *Yahweh declared that we should execute anyone else who went near the tent to do the work that the priests do*.

³⁹ When Aaron and Moses/I counted all the males who were at least one month old, who belonged to the clans descended from Levi, the total was 22,000.

⁴⁰ Then Yahweh said to Moses/me, “Now count all the *other* firstborn males in Israel who are at least one month old, and write down their names. ⁴¹ Also, set apart for me the descendants of Levi to be substitutes for the firstborn males of the other Israelis. And set apart for me the livestock of the descendants of Levi to be substitutes for the firstborn livestock of the other Israeli people.”

⁴² So Moses/I did that. He/I counted the firstborn males of all the Israeli people, as Yahweh had commanded. ⁴³ The total of those who were at least one month old was 22,273.

⁴⁴ Then Yahweh said to Moses/me, ⁴⁵ “Set apart the descendants of Levi to be substitutes for *the firstborn males* of the other Israeli people. The descendants of Levi belong to me, Yahweh. ⁴⁶ There are 273 more firstborn males of the other Israeli people than of the descendants of Levi. ⁴⁷⁻⁴⁸ To pay for these 273 males, collect five pieces of silver for each of them. Each of those pieces of silver must weigh the same as each of the silver coins that are stored in the Sacred Tent. Give this silver to Aaron and his sons.”

⁴⁹ So Moses/I did that. He/I collected the silver from those 273 males. ⁵⁰ The total was 1,365 pieces of silver. Each silver coin weighed the same as each of the silver coins stored in the Sacred Tent. ⁵¹ Moses/I gave these silver coins to Aaron and his sons, as Yahweh had commanded.

The work of the clans descended from Kohath

⁴ Then Yahweh said to Moses/me, ² “Write down the names of the men who belong to the clans descended from Levi. ³ Write the names of the men who are between 30 and 50 years old. These will be men who will work at the Sacred Tent.

⁴ “The work of these descendants of Kohath will be *to take care of the sacred items that are used when*

the people worship at the Sacred Tent. ⁵ When you Israelis move to another location, Aaron and his sons must enter the tent to take down the curtain that separates the Very Holy Place from the other part of the Sacred Tent. They must cover the sacred chest with that curtain. ⁶ Then they must cover that with a nice covering made from the skins of goats. Over that they must spread a blue cloth. Then they must insert into the rings on the chest the poles *for carrying it*.

⁷ "Then they must put a blue cloth over the table on which the priests put the sacred bread. On top of the cloth they must put the bowls *for incense*, the pans, the other dishes, the jars *for the wine that will be offered as a sacrifice*, and the sacred bread. ⁸ Over all of this they must spread a scarlet/red cloth. Finally, they must put on top a nice covering made from the skins of goats. Then they must insert into the *rings at the corners* of the tables the poles *for carrying it*.

⁹ "Then with another blue cloth they must cover the lampstand, the lamps, the lamp snuffers, the trays, and the special jars *of olive oil to burn in the lamps*. ¹⁰ They must cover the lampstand and all the other items with a nice covering made from the skins of goats. They must place all these things on a frame for carrying them.

¹¹ "Then they must spread another blue cloth over the gold altar *which is used for burning incense*. Over this they must spread a nice covering made from the skins of goats. Then they must insert into *the rings of that altar* the poles for carrying it.

¹² "They must take all the other items that are inside the Sacred Tent and wrap them in a blue cloth, cover that with a nice covering made from the skins of goats, and place all that on a frame for carrying it.

¹³ "Then they must remove the ashes from the altar *on which they have burned sacrifices*. Then they must cover the altar with a purple cloth. ¹⁴ Then they must spread on top of the cloth all the items used at the altar—the pans *for carrying the hot coals*, the meat forks, the shovels, the bowls *for containing the blood to sprinkle on the people*, and all the other containers. Then they must spread over all those things a nice covering made from the skins of goats. Then they must insert into *the rings at the sides of the altar* the poles *for carrying it*.

¹⁵ "When Aaron and his sons have finished covering all these sacred things, the Israeli people will be ready to move *to a new location*. The descendants of Kohath must come and carry all the sacred things to *the next place* where you Israelis will set up your tents. But the descendants of Kohath must not touch any of these sacred items, because they will *immediately die if they touch them*. They are the ones who will carry these things, *but they must not touch them*.

¹⁶ "Aaron's son Eleazar will have the work of taking care of the *olive oil for the lamps*, the nice-smelling incense, the grain which will be burned on the altar each day, and the *olive oil for anointing the priests*. Eleazar

is the one who will supervise the work that is done at the Sacred Tent and the men who take care of everything that is in it."

¹⁷ "Then Yahweh said to Aaron and Moses/me, ¹⁸⁻²⁰ "When the descendants of Kohath approach the sacred items in the Sacred Tent *to take them to another location*, Aaron and his sons must always go in with them and show each of them what work to do and what things to carry. But the descendants of Kohath must not enter the Sacred Tent *at any other time* and look at the things that are in it. If they do that, I will get rid of all the descendants of Kohath."

The work of the men descended from Gershon

²¹ Yahweh also said to Moses/me, ²² "Write down the names of all the men who belong to the clans descended from the Gershon *division of the descendants of Levi*. ²³ Write the names of the men who are between 30 and 50 years old. They will be men who will also work at the Sacred Tent.

²⁴ "This is the work that they must do and the things that they must carry *when you move to a new location*: ²⁵ They must carry the curtains of the Sacred Tent; they must carry the Sacred Tent and all the things that cover it, including the nice outer covering made from skins of goats, and the curtain which is at the entrance of the Sacred Tent. ²⁶ They must also carry the curtains that form the wall that surrounds the courtyard that surrounds the Sacred Tent and the altar, the curtain that is at the entrance to the courtyard, and the ropes *that fasten the curtains*. They must also do the packing and loading of these things. ²⁷ Aaron and his sons will supervise the work of all the descendants of Gershom. That work includes carrying those things and doing other work that is necessary for moving them. They must tell each of the descendants of Gershom what things they must carry. ²⁸ Those are the tasks that you must give to the men who belong to the clans descended from Gershom. Aaron's son Ithamar is the one who will supervise their work.

The work of the men descended from Merari

²⁹ Count also the men who belong to the clans descended from Levi's son Merari. ³⁰ Write the names of the men who are between 30 and 50 years old. They will be men who will also work at the Sacred Tent. ³¹ Their work will be to carry the frames that hold up the tent, the crossbars, the posts *that hold up the curtains*, and the bases. ³² They must also carry the posts *for the curtains that form the walls of the courtyard* and the bases for the posts, the tent pegs, and the ropes *to fasten the curtains*. Tell each man what things he must carry. ³³ Those are the tasks that the descendants of Merari must do at the Sacred Tent. Aaron's son Ithamar is the one who will supervise them."

Summary of the counting of the descendants of Levi

³⁴ So Aaron and Moses/I and the Israeli leaders counted the descendants of Kohath, writing also the names of their clans and family groups. ³⁵ They/We counted all the men who were between 30 and 50 years old who were able to work at the Sacred Tent. ³⁶ The total was 2,750 men. ³⁷ They were the descendants of Kohath who *were able to work* at the Sacred Tent. Aaron and Moses/I counted them just as Yahweh had commanded Moses/me.

³⁸ They/We also counted the descendants of Gershon, writing also the names of their clans and family groups. ³⁹ They/We counted all the men who were between 30 and 50 years old who were able to work at the Sacred Tent. ⁴⁰ The total was 2,630 men. ⁴¹ They were the descendants of Gershon who *were able to work* at the Sacred Tent. Aaron and Moses/I counted them as Yahweh had commanded.

⁴² They/We also counted the descendants of Merari, writing also the names of their clans and family groups. ⁴³ They/We counted all the men who were between 30 and 50 years old who were able to work at the Sacred Tent. ⁴⁴ The total was 3,200 men. ⁴⁵ They were the descendants of Merari who *were able to work*. Aaron and Moses/I counted them as Yahweh had commanded Moses/me.

⁴⁶ So Aaron and Moses/I and the Israeli leaders counted all the descendants of Levi, writing also the names of their clans and family groups. ⁴⁷ They/We counted all the men who were between 30 and 50 years old. They were ones who *were able to work* at the Sacred Tent and who carried the tent and everything that was connected with it. ⁴⁸ The total was 8,580 men. ⁴⁹ They/We completed the counting of *all the descendants of Levi*, as Yahweh had commanded Moses/me. And they/we told each man what work he was to do and what things he must carry *when they moved to a new location*.

Expelling those who were ritually impure

5 Yahweh said to Moses/me, ² "Tell this to the Israeli people: 'You must send away from your *camp/area* where you have your tents *any man or woman* who has leprosy and anyone who has a discharge of *some fluid from his body*, and anyone who has become unacceptable to God because of *having touched* a corpse. ³ Send them away from there in order that they will not *touch people in the camp area* where I live among you and cause them to become unacceptable to me.'" ⁴ So *Moses/I told that to the Israeli people*, and the Israeli people obeyed what Yahweh commanded Moses/me.

Paying for committing crimes

⁵ Yahweh also told Moses/me, ⁶ "Tell this to the Israeli people: 'If someone *commits a crime against/*

does something wrong to *another person*, *I consider that* that person has done wrong to me. ⁷ That person must confess that he or she is guilty, and he or she must pay to the person to whom wrong was done *what others consider to be a suitable/proper payment* for what he has done, and he must pay an extra 20 percent. ⁸ If the person against whom the wrong was done *has died and* there is no relative to whom the money can be paid, then the money belongs to me, and it must be paid to the priest. In addition, the one who did the wrong must give a male sheep to the priest *to sacrifice* in order that *that person's sin* may be forgiven/I can forgive that person for his sin. ⁹ All the sacred offerings that the Israelis bring to the priest belong to the priest. ¹⁰ The priest can keep those gifts."

Suspecting a wife of committing adultery

¹¹ Yahweh also said this to Moses/me: ¹² "Tell this to the Israeli people: 'Suppose a man thinks that his wife has slept with another man, ¹³ but neither he nor anyone else knows if it is true or not, because no one saw her doing that. ¹⁴ But if the woman's husband is jealous, and if he suspects that she has committed adultery, and he wants to know whether that is true or not, ¹⁵ he should take his wife to the priest. He must take along as an offering two quarts/liters of barley flour. The priest must not pour *olive oil* or incense on it, because this is an offering that the man has brought because he *is jealous/wants his wife to sleep only with him*. It is an offering to find out if she is guilty or not.

¹⁶ 'The priest must tell the woman to stand *in front of the altar* in my presence. ¹⁷ He must put some sacred water in a clay jar, and then he must put some dirt from the floor of the Sacred Tent into the water. ¹⁸ He must untie/unfasten the woman's hair. Then he must put in her hands the grain that her jealous husband is offering to determine whether she has committed adultery or not. The priest must hold *the bowl that contains bitter water* that will cause *the woman to be cursed/bad things to happen to the woman* *if she is guilty*. ¹⁹ The priest must require her to solemnly declare *that she will tell the truth*. Then he must say to her, "Has another man had sex [EUP] with you? Have you faithfully *slept only with your husband* or not? If you have not slept with another man, nothing bad will happen to you if you drink the water. ²⁰ But if you have had sex with another man, *Yahweh will curse you*. ²¹⁻²² Your womb will shrivel up and your stomach will swell up. You will never be able to give birth to children, and as a result, everyone will curse you and avoid you. If you have committed adultery, *when you drink this water*, that is what will happen to you." Then the woman must answer, "If I am guilty, I will not object if that happens."

²³ 'Then the priest must write *with ink* on a small scroll these *curses/bad things* that will happen to her if she is guilty *and then wash the ink off into the*

bitter water. ²⁴⁻²⁵ The priest must take from her the offering of barley flour *that she is holding*, and lift it up to dedicate it to me. Then he must put it on the altar ²⁶ and burn part of it as a sacrifice. Then the woman must drink the bitter water. ²⁷ If the woman has committed adultery, the water will cause her to suffer greatly. Her stomach will swell up and her womb will shrink, *and she will be unable to give birth to children.* And then her \diamond relatives/fellow Israelis \diamond will curse her. ²⁸ But if she \diamond is innocent/has not committed adultery \diamond , her body will not be harmed, and she will still be able to give birth to children.

²⁹ 'That is the ritual that must be performed when a woman who is married has been unfaithful to her husband, ³⁰ or when a man is jealous and suspects that his wife *has had sex with another man.* The priest must tell that woman to stand *at the altar* in my presence and obey these instructions. ³¹ Even if the woman has not done what the husband suspected, he will not be punished [MTY] for doing something wrong *by bringing his wife to the priest.* But if his wife is guilty, she will suffer as a result."

Rules about Nazir-men

6 Yahweh also said this to Moses/me: ² "Tell this to the Israeli people: 'If any of you *wants to* make a solemn promise to dedicate himself to belong to me in a special way, *after you obey these instructions*, you will be called a Nazir-man, *which means "a dedicated man"*. ³ You must not drink any wine or other alcoholic/fermented drink. You must not drink any vinegar made from wine or from any other alcoholic/fermented drink. You must not drink grape juice or eat grapes or raisins. ⁴ You must not eat anything that comes from grapevines, not even the skins or seeds of grapes, during the time that you are a Nazir-man.

⁵ 'Even your hair will be dedicated to me during the time that you are a Nazir-man, so you must never allow anyone to cut your hair. Until the time that your solemn promise to dedicate yourself to me is ended, you must allow your hair to grow long. ⁶ And you must not go near a corpse during the time that you are a Nazir-man. ⁷ Even if the person who died is your father or your mother or your brother or your sister, you must not cause yourself to become unacceptable to me *by coming close to the corpse.* Your long hair [MTY] shows that you belong to me in a special way, so you must not cut your hair. ⁸ You are required to keep doing this all the time that you are dedicated to me in this special way.

⁹ 'If anyone dies very suddenly when he is near you, then your hair that you have dedicated to me is no longer sacred. So you must wait seven days and then shave it all off. Then you must perform a special ritual to cause yourself to become acceptable to me again. ¹⁰ The next day you must bring two doves or two young pigeons to the priest at the entrance of the Sacred Tent. ¹¹ 'The priest must *kill the birds and offer*

them as sacrifices. One of them will be an offering to enable me to forgive you for the sins you have committed, and the other will be an offering that is burned completely to please me. *After the priest burns them on the altar*, I will forgive you for having come close to a corpse, and *when your hair grows again* it will be dedicated to me again. ¹² The amount of time that you were set apart for me the previous time does not count, because you had become unacceptable to me *by coming close to a corpse* during the time that you were a Nazir-man. So you must again make a solemn promise to dedicate yourself to me for the entire amount of time that you indicated the previous time. And you must also sacrifice a one-year-old lamb for not doing what you were required to do.

¹³ 'When the time that you promised to dedicate yourself to me is ended, go to the entrance of the Sacred Tent ¹⁴ and offer as sacrifices to me three animals that have no defects: Offer a one-year-old ram that will be burned completely, a one-year-old female lamb as a sacrifice to enable me to forgive your sins, and one full-grown ram as a sacrifice to maintain fellowship with me.

¹⁵ 'When you bring those animals, you must also bring some wine to offer as a sacrifice. And you must also bring a basket of bread that you have made with very good flour and *olive* oil. But you must not put any yeast in the bread. Also brush/spread some *olive* oil on some thin wafers and bring them to the priest.

¹⁶ 'The priest will put the young lamb and the young ram on the altar and completely burn them, in order that I will be pleased and will forgive you for your sins. ¹⁷ Then he will kill the full-grown ram as an offering to restore fellowship with me, and he will also burn on the altar some of the bread and the grain and wine.

¹⁸ 'After that, you must *stand at the entrance* of the Sacred Tent and shave off your hair. Then you must put that hair in the fire that is under the *animal that has been sacrificed* on the altar to maintain fellowship with me.

¹⁹ 'The meat from the ram's shoulder must be boiled. After it is cooked, the priest will take it along with one of the loaves of bread and one wafer which has been brushed with *olive* oil, and he will put them in your hands. ²⁰ Then the priest will *take them back and lift them up high* to dedicate them to me. They now belong to the priest, and he is permitted to eat some of the meat from the ram's shoulder and from its ribs and from one of its thighs, because that meat is his share of the sacrifice. After that, you will no longer be a Nazir-man, and you will again be permitted to drink wine.

²¹ 'Those are the regulations about the offerings that Nazir-men solemnly promise to bring to me to end their time of being dedicated to me. They must bring these offerings, but if they want to, they may bring additional offerings. And they must do every-

thing that they solemnly promised to do when they dedicated themselves to me.”

The blessing for the people

²² Yahweh also said to Moses/me, ²³ “Tell Aaron and his sons that when they *ask me to bless the people*, they must say,

²⁴ “I desire that Yahweh will bless you and protect you,

²⁵ and that he will smile at you and act kindly toward you,

²⁶ and that he will be good to you [IDM] and cause things to go well for you.”

²⁷ Then Yahweh said, “If Aaron and his sons ask me to bless the Israeli people, truly I will bless them.”

The offerings brought to the Sacred Tent

⁷ When Moses/I had finished setting up the Sacred Tent, he/I dedicated [MTY] it to Yahweh. He/I also dedicated the things that are inside the tent, and the altar *for burning sacrifices*, and all the things that would be used at the altar. ² Then the leaders of the *twelve* Israeli tribes, the same men who had *helped Aaron and Moses/me to count the men who could fight in battles*, ³ came to the tent, bringing gifts to Yahweh. They brought six sturdy/large carts and twelve oxen, one ox from each of the leaders and a cart from each of the two leaders.

⁴ Then Yahweh said to Moses/me, ⁵ “Accept these gifts, in order that the descendants of Levi can use them for carrying the sacred items that are here at the Sacred Tent.”

⁶ So Moses/I took the carts and oxen and gave them to the descendants of Levi. ⁷ He/I gave two carts and four oxen to the descendants of Gershon for their work, ⁸ and he/I gave four carts and eight oxen to the descendants of Merari for their work. Aaron’s son Ithamar was the supervisor of all their work. ⁹ But he/I did not give any carts or oxen to the descendants of Kohath, because they took care of the sacred items that were to be carried on their shoulders, *not on carts*.

¹⁰ On the day that the altar was dedicated [MTY], the *twelve* leaders brought other gifts to be dedicated and put them in front of the altar. ¹¹ Yahweh said to Moses/me, “Each of the next twelve days one leader should bring his gifts for the dedication of the altar.”

¹²⁻⁸³ These are the gifts that each of the leaders brought:

—a silver dish that weighed \diamond more than three pounds/1.5 kg. \diamond , and a silver bowl that weighed \diamond almost two pounds/800 grams \diamond , both of which were full of good flour and mixed with *olive* oil to be offerings of grain; they both were weighed using the standard scales;

—a small gold dish that weighed \diamond four ounces/14 grams \diamond , filled with incense;

—a young bull, a *full-grown* ram, and a one-year-old ram, to be sacrifices to be completely burned on the altar;

—a goat to be sacrificed to *enable me to forgive the people* for the sins they have committed;

—and two bulls, five full-grown rams, five male goats, and five rams that were one-year-old, to be sacrifices to maintain the people’s fellowship with Yahweh.

This was the order in which the leaders brought their gifts:

on the first day, Nahshon, son of Amminadab from the tribe of Judah brought his gifts;

on the next/second day, Nethanel, son of Zuar, from the tribe of Issachar;

on the next/third day, Eliab, son of Helon, from the tribe of Zebulun;

on the next/fourth day, Elizur, son of Shedeur, from the tribe of Reuben;

on the next/fifth day, Shelumiel, son of Jurishhadai, from the tribe of Simeon;

on the next/sixth day, Eliasaph, son of Deuel, from the tribe of Gad;

on the next/seventh day, Elishama, son of Ammihud, from the tribe of Ephraim;

on the next/eighth day, Gamaliel, son of Pedahzur, from the tribe of Manasseh;

on the next/ninth day, Abidan, son of Gideoni, from the tribe of Benjamin;

on the next/tenth day, Ahiezer, son of Ammishadai, from the tribe of Dan;

on the next/eleventh day, Pagiel, son of Acran, from the tribe of Asher;

on the next/twelfth day, Ahira, son of Enam, from the tribe of Naphtali.

⁸⁴⁻⁸⁸ When the altar was dedicated to Yahweh, those *twelve* leaders brought these gifts:

—twelve silver plates and twelve silver bowls, weighing a total of about \diamond 60 pounds/27.6 kg. \diamond , each of them being weighed on the scales kept in the Sacred Tent;

—twelve gold dishes filled with incense, weighing a total of about \diamond three pounds/1.4 kg. \diamond , each being weighed on those same scales;

—twelve bulls, twelve *full-grown* rams, and twelve one-year-old rams, to be sacrifices that were completely burned, along with the grain offerings;

—twelve goats to be sacrificed *to forgive the people* for the sins *they have committed*;

—and 24 bulls, 60 full-grown rams, 60 goats, and 60 rams that were one-year-old, to be sacrifices to maintain the people’s fellowship with Yahweh.

⁸⁹ Whenever Moses/I entered the Sacred Tent to talk with Yahweh, he/I heard Yahweh’s voice speaking between the two *images of* creatures with wings that were above the lid of the sacred chest.

Aaron set up the lampstand

8 Yahweh said to Moses/me, ² "Tell Aaron to put the seven lamps on the lampstand and place them in such a way that they shine toward the front of the lampstand."

³ So Moses/I told him what Yahweh said, and he did that. ⁴ The lampstand had been made from gold that had been hammered *from one large lump of gold*, from its base to the decorations at the top *that resembled flowers*. The lampstand was made exactly like Yahweh had told Moses/me that it should be made.

Instructions for dedicating the descendants of Levi

⁵ Yahweh also said to Moses/me, ⁶ "You must cause the descendants of Levi to be acceptable to me by setting them apart from the other Israeli people. ⁷ Do that by sprinkling them with water *which will symbolize their being freed/cleansed from the guilt of their sins*. Then they must shave *off all the hair on their bodies* and wash their clothes. ⁸ Then they must bring to the Sacred Tent one bull and some grain mixed with olive oil. *Those things will be burned as sacrifices*. They must also bring another bull *that will enable me to forgive them* for the sins they have committed. ⁹ Then you must summon all the Israeli people to come together in front of the Sacred Tent, to *gather around* the descendants of Levi. ¹⁰ Then the Israeli people must lay their hands on the descendants of Levi. ¹¹ Aaron must then present them to me to be a gift from the Israeli people, in order that they can work for me *at the Sacred Tent*.

¹² "After that, the descendants of Levi must place their hands on the heads of the two bulls. Then the bulls will be *killed and burned on the altar*. One will be an offering to enable me *to forgive them for the sins they have committed*, and the other will be completely burned *to please me*. ¹³ The descendants of Levi must stand *at the altar* in front of Aaron and his sons, and you must then dedicate to me the descendants of Levi. ¹⁴ This ritual will show that the descendants of Levi are set apart from the other Israelis and that they belong to me.

¹⁵ "After the descendants of Levi have been made acceptable to me, and presented to me like a special offering, they may start to work at the Sacred Tent.

¹⁶ They will belong to me. They will work for me as substitutes for the firstborn males of all the Israelis, *who also belong to me*. ¹⁷ All the firstborn males in Israel, both the people and the animals, are mine. When I caused all the firstborn sons of the people of Egypt to die, *I spared/did not kill the firstborn males of the Israelis*. I set them apart to belong to me. I said that the firstborn males of all their domestic animals would also belong to me. ¹⁸ But now I have chosen the descendants of Levi to take the places of the firstborn males of other Israelis. ¹⁹ I have appointed the

descendants of Levi to help Aaron and his sons at the Sacred Tent, as Aaron and his sons offer the sacrifices so that the Israeli people's sins will be forgiven, and to prevent the Israelis from coming close to the tent with the result that a plague would cause many of them to become sick and die."

²⁰ Aaron and Moses/I and the other Israelis helped the descendants of Levi to do everything that Yahweh had commanded. ²¹ The descendants of Levi *sprinkled themselves with water to symbolize that they had been freed/cleansed from the guilt of their sins*, and they washed their clothes. Then Aaron brought them to *the altar* to present them to Yahweh, and he offered sacrifices to cleanse them from *the guilt of their sins* and cause them to become acceptable to Yahweh.

²² After that, the descendants of Levi started to work at the Sacred Tent to assist Aaron and his sons. They did that just as Yahweh had commanded Moses/me.

²³ Yahweh also said this to Moses/me: ²⁴ "The descendants of Levi who are between 25 and 50 years old will work at the Sacred Tent. ²⁵ But after they become 50 years old, they must *retire/not do that work anymore*. ²⁶ They may help the other descendants of Levi to do their work at the Sacred Tent, but they must not do the work themselves. That is what you must tell them about the work they will do."

They celebrated Passover again

9 One year after the Israelis left Egypt, during the month of March, while they were in the Sinai Desert, Yahweh said to Moses/me, ² "Tell the Israeli people that they must celebrate the Passover *Festival again*. ³ They must do it on the fourteenth day of this month, early in the evening, and they must obey all the instructions about it *that I gave you previously*."

⁴ So Moses/I told the people what Yahweh had said about celebrating the Passover. ⁵ The people celebrated it, there in the Sinai Desert, in the evening of the fourteenth day of the month, just as Yahweh had commanded Moses/me.

⁶ But some of the Israeli people had touched a corpse, and as a result they had become unfit to celebrate the Passover. So they asked Aaron and Moses/me, ⁷ "It is true that we have touched a corpse. But why should that prevent us from celebrating the Passover Festival and offering sacrifices to Yahweh like everyone else [RHQ]?"

⁸ Moses/I replied, "Wait here until I go into the Sacred Tent and find out what Yahweh says about it."

⁹ So Moses/I went into the tent and asked Yahweh what he/I should tell the people, and this is what Yahweh said: ¹⁰ "Tell this to the Israeli people: If any of you or your descendants touch a corpse and as a result become unacceptable to me, or if you are away from home on a long trip *at the time to celebrate the Passover*, you will still be permitted to celebrate it.

¹¹ But you must celebrate it exactly one month later, early in the evening of the fourteenth day of that

month. Eat the meat of the lamb for the Passover Festival with bread that is baked without yeast and eat bitter herbs. ¹² Do not leave any of it until the next morning. And do not break any of the lamb's bones. Obey all the regulations about celebrating the Passover. ¹³ But if any of you has not done anything that would make you unfit to celebrate the Passover Festival, and you are not away from home on a long trip, and you do not sacrifice to me at the proper time, you will no longer be allowed to associate with my people. ♦You will be punished/I will punish you♦.

¹⁴ Foreigners who live among you may also celebrate the Passover Festival, if they obey all my commands concerning it."

A cloud covered the Sacred Tent

¹⁵⁻¹⁶ On the day that the Sacred Tent was set up, a cloud covered it. From the time that the sun set until the time that the sun rose *the next day*, the cloud resembled a *huge* fire. And that is what happened every day *that we/the Israelis were in the desert*. ¹⁷ When the cloud rose up and started to move *to a new location*, we/they followed it. When the cloud stopped, we/the Israelis stopped there and set up their tents.

¹⁸ We/They traveled when Yahweh, *by causing the cloud to move or stop*, signaled to us/them when to move and when to stop. When the cloud stayed over the Sacred Tent, we/the Israelis stayed at that place. ¹⁹ Sometimes the cloud stayed over the tent for a long time, so when that happened, we/they did not travel. ²⁰ Sometimes the cloud remained over the tent for only a few days. We/The people stopped and set up our/their tents as Yahweh commanded us/them, and we/they traveled *to a new location* when Yahweh commanded us/them to do that. ²¹ Sometimes the cloud stayed in one place for only one day. When that happened, when the cloud rose up *into the sky* the next morning, then we/they traveled. Whenever the cloud moved, during the day or during the night, we/they traveled. ²² If the cloud stayed over the Sacred Tent for two days, or for a month, or for a year, during that time we/they stayed where we/they were. But when the cloud rose up *into the sky*, we/they started to travel. ²³ When Yahweh commanded us/them to *stop and set up our/their tents*, we/they did that. When he told us/them to move, we/they moved. We/They did whatever Yahweh told Moses/me that we/they should do.

The silver trumpets

10 Yahweh also told Moses/me, ² "Tell someone to make two trumpets by hammering each one from *one lump* of silver. Blow the trumpets to summon the people to come together and also to signal that they must move their tents *to a new location*. ³ If both trumpets are blown, it means that everyone must gather together at the entrance of the Sacred Tent. ⁴ If only one trumpet is blown, it means that only the

twelve leaders of the tribes must gather together. ⁵ If the trumpets are blown loudly, the tribes that are to the east *of the Sacred Tent* should start to travel.

⁶ When the trumpets are blown loudly the second time, the tribes that are to the south should start to travel. The loud blasts on the trumpet will signal that they should start to travel. ⁷ When you want only to gather the people together, blow the trumpets, but do not blow them as loudly.

⁸ "The priests who are descended from Aaron are the ones who should blow the trumpets. That is a regulation that will never be changed. ⁹ When you fight against enemies who attack you in your own land, tell the priests to blow the trumpets loudly. I, Yahweh, your God, will hear that, and I will rescue you from your enemies. ¹⁰ Also tell the priests to blow the trumpets when the people are happy, and at the festivals *each year*, and at the times when they celebrate the new moon each month. Tell them to blow the trumpets when the people bring offerings that will be completely burned, and when they bring offerings to maintain fellowship with me. If they do that, it will help you to remember that I, Yahweh your God, *will help you*."

The Israelis traveled

¹¹ On the twentieth day of May in the second year *after the/we Israelis left Egypt*, the cloud rose up from above the Sacred Tent. ¹² So we/the Israelis traveled from the Sinai Desert, and we/they continued traveling *north* until the cloud stopped in the Paran Desert. ¹³ That was the first time we/they moved, obeying the instructions that Yahweh had given to Moses/me to tell them.

¹⁴ The group that went first, carrying their flag/banner, was the group from the tribe of Judah. Nahshon, the son of Amminadab, was their leader. ¹⁵ The group from the tribe of Issachar *followed them*. Nethanel, the son of Zuar, was their leader. ¹⁶ The group from the tribe of Zebulun went next. Eliab, the son of Helon, was their leader. ¹⁷ Then they dismantled the Sacred Tent, and the descendants of Gershon and Merari carried it, and they went next.

¹⁸ The group from the tribe of Reuben went next, carrying their flag. Elizur, the son of Shedeur, was their leader. ¹⁹ The group from the tribe of Simeon was next. Shelumiel, the son of Zurishaddai, was their leader. ²⁰ The group from the tribe of Gad was next. Eliasaph, the son of Deuel, was their leader. ²¹ The group descended from Kohath was next. They carried the sacred items from the Sacred Tent. The Sacred Tent itself was set up at the new location before they arrived there.

²² The group from the tribe of Ephraim was next, carrying their flag. Elishama, the son of Ammihud, was their leader. ²³ The group from the tribe of Manasseh went next. Gamaliel, the son of Pedahzur, was their

leader. ²⁴ The group from the tribe of Benjamin, went next. Abidan, the son of Gideon, was their leader.

²⁵ The ones who went last were the group from the tribe of Dan, carrying their flag. Ahiezer, the son of Ammishaddai, was their leader. ²⁶ The group from the tribe of Asher went next. Pagiel, the son of Ocran, was their leader. ²⁷ The group from the tribe of Naphtali went last. Ahira, the son of Enan, was their leader. ²⁸ That was the order in which the groups of Israeli tribes traveled.

²⁹ One day Moses/I said to his/my brother-in-law Hobab, the son of Reuel from the Midian people-group, "We are on the way to the place that Yahweh promised to give to us. Come with us, and we will take good care of you, because Yahweh has promised *to do good things for us Israeli people.*"

³⁰ But Hobab replied, "No, I will not go with you. I want to return to my own land and to my own family."

³¹ But Moses/I said, "Please do not leave us. You know the places where we can set up our tents in this desert, and you can guide us. ³² Come with us. We will share with you all the good things that Yahweh gives to us."

³³ *So Hobab agreed to go with them.* The Israelis left Sinai Mountain, *which they called Yahweh's Mountain*, and they walked for three days. The *men carrying the sacred chest* went in front of the other people for those three days, and they kept looking for a place to set up their tents. ³⁴ The cloud sent by Yahweh was over them every day.

³⁵ Each morning when the men who were carrying the sacred chest started to walk, Moses/I said, "Yahweh, arise!

Scatter your enemies!

Cause those who hate you to run away from you!"

³⁶ And each time the men *stopped to set down* the sacred chest, Moses/I said, "Yahweh, stay close to the thousands of us Israelis!"

Yahweh sent fire because the people complained

11 One day the people complained to Yahweh about their troubles. When Yahweh heard what they were saying, he became angry. So he sent a fire which burned among the people at the edge of their camp. ² Then the people cried out to Moses/me, and he/I prayed to Yahweh. Then the fire stopped burning. ³ So they called that place Taberah, *which means 'Burning'*, because the fire from Yahweh had burned among them.

Seventy leaders were chosen to help Moses

⁴ Then some troublemakers from other people-groups *who were traveling* with the Israelis began to want better food. And *when they started complaining* the Israeli people also started to complain. ⁵ They said, "We wish we had some meat! ⁶ We remember the fish that we ate while we were in Egypt, fish that was given

to us without \diamond cost/asking us to pay for it \diamond . And we had all the cucumbers, melons, leeks, onions, and garlic *that we wanted*. But now we do not have any desire to eat, because all we have to eat is this manna!"

⁷ The manna resembled small white seeds. ⁸ *Each morning* the people would go out and gather some *from the surface of the ground*. Then they made flour by grinding it or pounding it with stones. Then they *added water and* boiled it in a pot, or they made flat cakes with it *and baked them*. The cakes tasted like bread that was baked with *olive oil*. ⁹ Each night the manna came down on their ground where their tents were, like dew *from the sky*.

¹⁰ Moses/I heard all the Israeli people complaining as they were standing in the entrances of their tents. Yahweh became very angry, and Moses/I was also very perturbed. ¹¹ He/I *went into the Sacred Tent and* asked Yahweh, "Why have you caused me, your servant, to experience this trouble [RHQ]? Act mercifully to me! What wrong have I done, with the result that you have appointed me to take care of all of these people [RHQ]? ¹² \diamond I am not their father./Am I their father? \diamond [RHQ] Why have you told me to take care of them like a woman carries around her baby and \diamond nurses it/gives it her milk \diamond [MET, RHQ]? How can I take them to the land that you promised to give to our ancestors [RHQ]? ¹³ Where can I get meat to feed all these people? They keep complaining to me, saying, 'Give us some meat to eat!' ¹⁴ I cannot carry all these people's burdens by myself! *They are like a heavy load [MET], and I cannot carry this very heavy load anymore.* ¹⁵ If you intend to act like this toward me, kill me now. If you are really concerned about me, be kind to me and *kill me to end my misery of trying to take care of them!*"

¹⁶ Then Yahweh said to Moses/me, "Summon 70 men whom you know are leaders among the Israeli people. Tell them to stand with you in front of the Sacred Tent. ¹⁷ I will come down and talk with you there. Then I will take some of *the power of my Spirit* that you have, and I will put *that power* on them also. They will help you to take care of some of the things that the people are concerned about, in order that you will not need to do it alone.

¹⁸ "Furthermore, say to the people, 'Make yourselves acceptable to me, and tomorrow you will have meat to eat. You were complaining, and Yahweh heard you when you were saying, "We want some meat to eat. We had better food in Egypt!" Now Yahweh will give you some meat, and you will eat it. ¹⁹ You will eat meat not only for one or two days, nor only for five or ten or 20 days. ²⁰ *You will eat meat every day* for one month, and then you will loathe/despise it, and it will cause you to want to vomit. *This will happen* because you have rejected Yahweh who is here among you, and you have wailed in his presence, saying "We *would have had better food to eat* if we had not left Egypt [RHQ].""

21 But Moses/I replied to Yahweh, "There are 600,000 men *plus women and children* here with me, so *why* do you say 'I will give them plenty of meat every day for a month!?'/it does not seem right for you to say 'I will give them plenty of meat every day for a month!'" [RHQ] 22 Even if we killed all the sheep and cattle, that would not [RHQ] be enough *to provide meat for all of them* Even if we caught all the fish in the sea *and gave it to them*, that would not be enough [RHQ]!" 23 But Yahweh said to Moses/me, "Do you think that I [SYN] have no power? You will now see if I can do what I say I will do."

24 So Moses/I went out *from the Sacred Tent* and told the people what Yahweh had said. Then he/I gathered together the 70 leaders and told them to stand around the Sacred Tent.

25 Then Yahweh came down in the cloud *that was above the tent* and spoke to Moses/me. He took some of *the power of the Spirit* that he had given to Moses/me and gave it to the 70 leaders. By means of the power of the Spirit within them, they *prophesied/spoke messages* that Yahweh gave them, but they did that only once.

26 Two of the leaders whom Moses/I appointed, Eldad and Medad, were not there when the rest of them gathered together. They had not left *their tents* to go and stand around the Sacred Tent. But Yahweh's Spirit came on them also, and they started to *prophesy/speak messages* from Yahweh. 27 So a young man ran and told Moses/me, "Eldad and Medad are prophesying in all their tents!"

28 Joshua, who had helped Moses/me since he was a young man, said, "Sir, tell them to stop doing that!"

29 But Moses/I replied, "Are you worried that they might injure my reputation/Do you think that I want to be the only one who prophesies [RHQ]? I wish that all Yahweh's people could *prophesy/speak messages* from Yahweh. I wish that Yahweh would give the power of his Spirit to all of them!" 30 Then Moses/I and all the leaders went back to their/our tents.

31 Then Yahweh sent a strong wind from the sea. It blew quail into the area all around the camp for miles in every direction, *and caused the quail to fall onto the ground*. They were piled up on the ground about *3 feet/1 meter* high! 32 So the people went out and gathered up the quail all that day, and all that night, and all of the following day. *It seemed as though* everyone gathered at least 50 bushels! They spread the quail out on the ground all around the camp, *so that the quail would dry out*. 33 *Then they cooked them and started to eat them*. But while they were still eating the meat [MTY], Yahweh *showed that he was very angry with them*. He struck them with a severe plague/sickness, *and many people died*. 34 The people who died and were buried were the ones who had said they wanted to eat meat *like they had formerly eaten in Egypt*. So they called that place Kibroth-Hattaavah, *which means 'graves of those who craved'*.

35 From there, the Israelis continued walking *east* until they arrived at Hazeroth *town*, where they stopped and stayed *for a long time*.

Miriam and Aaron were jealous of Moses

12 ¹⁻² *Moses'/My older sister* Miriam and *his/my older brother* Aaron were saying this: "Is Moses the only one to whom Yahweh has spoken messages to tell to us [RHQ]? Does Yahweh not speak messages to us two also?" *They told people that they were saying that because Moses/I had married a woman who was a descendant of the Cush people-group, but they were really saying that because they were jealous/did not want Moses/me to be the only leader of the Israeli people*. But Yahweh heard what they were saying.

³ *The truth was that* Moses/I was very humble. He/I was more humble than anyone else on the earth *and Moses/I had not appointed himself/myself to be their leader*.

⁴ So immediately Yahweh spoke to Moses/me and to Aaron and Miriam. He said, "All three of you must go and stand at the Sacred Tent." So they/we did that.

⁵ Then Yahweh descended to the entrance of the tent in a cloud *that resembled a huge white pillar*. He told Aaron and Miriam to step forward, so they did. ⁶ Then he said to them,

"Listen to me!

When a prophet is among you, I *usually* reveal myself to him by allowing him to see visions,

and I speak to him in dreams.

⁷ But that is not the way I speak to my servant Moses. I trust that he will lead my people *well*.

⁸ So I talk to him face-to-face.

I speak to him *clearly/using words* that he will understand easily, not using parables.

He has even seen what I look like.

So you should be afraid to criticize my servant Moses!"

⁹ Yahweh was very angry with Miriam and Aaron, and he left.

¹⁰ When the cloud rose up from the Sacred Tent, Aaron looked at Miriam, and he saw that her skin was *as white as snow*, because she now had leprosy.

¹¹ Aaron said to Moses/me, "My master, please do not punish us for this sin that we have foolishly committed. ¹² Do not allow Miriam to be like a baby that is already dead when it is born, whose flesh is already half decayed!"

¹³ So Moses/I cried out to Yahweh, saying, "God, I plead with you to heal her!"

¹⁴ But Yahweh replied, "If her father had *rebuked her for doing something wrong by spitting in her face*, she would have been ashamed for seven days. *She should be ashamed because of what she has done*. So send her outside the camp for seven days. Then *she will not have leprosy anymore, and she may return to*

the camp.”¹⁵ So they sent her outside the camp for seven days. ♦The people/We♦ did not move *to another location* until she returned.

¹⁶ But *after she returned*, they/we left Hazeroth and moved *north* in the Paran Desert and set up their/our tents there.

Twelve Israeli men explored Canaan

13 Yahweh said to Moses/me,² “Send some men to Canaan *land* to explore it. That is the land that I will give to you Israelis. Send men who are leaders in their tribes.”

³ So Moses/I did what Yahweh commanded him/me. He/I sent out twelve Israeli men who were all leaders of their tribes. He/I sent them from their/our camp at Paran in the desert. ⁴ These are the names of the men *and the tribes they belonged to*:

Shammua, the son of Zaccur, from the tribe of Reuben;

⁵ Shaphat, the son of Hori, from the tribe of Simeon;

⁶ Caleb, the son of Jephunneh, from the tribe of Judah;

⁷ Igal, the son of Joseph, from the tribe of Issachar;

⁸ Hoshea, the son of Nun, from the tribe of Ephraim;

⁹ Palti, the son of Raphu, from the tribe of Benjamin;

¹⁰ Gaddiel, the son of Sodi, from the tribe of Zebulun;

¹¹ Gaddi, the son of Susi, from the tribe of Manasseh;

¹² Ammiel, the son of Gemalli, from the tribe of Dan;

¹³ Sethur, the son of Michael, from the tribe of Asher;

¹⁴ Nahbi, the son of Vophsi, from the tribe of Naphtali;

¹⁵ and Geuel, the son of Maki, from the tribe of Gad.

¹⁶ Those are the names of the men whom Moses/I sent out to explore Canaan. *Before they left*, Moses/I gave Hoshea a new name, Joshua, *which means ‘Yahweh is the one who saves.’*

¹⁷ Before Moses/I sent them to explore Canaan, he/I said to them, “Go through the southern part of Canaan, and then go *north* into the hilly area. ¹⁸ See what the land is like. See if the people who live there are strong or weak. See if there are many people or only a few people. ¹⁹ Find out what kind of land they live in [RHQ]. Is it good or bad? Find out about the towns in which they live [RHQ]. Do they have walls around them or not? ²⁰ Find out about the soil [RHQ]. Is it ♦fertile/good for growing crops♦ or not? Find out if there are trees there [RHQ]. Try to bring back some of the fruit that grows in that land.” *He/I said that because it was the beginning of the time to harvest grapes.*

²¹ So those men went to Canaan. They went *through the entire land*, from the Zin desert *in the south* all the way to Rehob town near Lebo-Hamath *in the north*.

²² In the south, they went to Hebron, where Ahiman, Sheshai, and Talmi, *huge men* descended from Anak,

lived. Hebron was a city that was built seven years before Zoan city was built in Egypt. ²³ In one valley, they cut from a grapevine one cluster of grapes. *Because it was very large, they needed* two men to carry it on a pole. They also picked some pomegranates and some figs *to carry back to their camp*. ²⁴ They called that place Eshcol *which means ‘cluster’* because they had cut that *huge cluster* of grapes there. ²⁵ After they explored the land for 40 days, they returned to their camp.

The report about Canaan

²⁶ They came to Aaron and Moses/me and the rest of the Israeli people in the desert at Paran. They reported to everyone what they had seen. They also showed them the fruit that they had brought back.

²⁷ But this is what they reported to Moses/me: “We arrived in the land that you sent us to explore. It is truly a beautiful land, and it is very fertile [IDM]. Here is some of the fruit. ²⁸ But the people who live there are very strong. Their cities are large and are surrounded by walls. We even saw some of the *huge* descendants of Anak there. ²⁹ The descendants of Amalek live in the southern part *of the land*, and the descendants of Heth, Jebus, and Amor live in the hilly area *to the north*. The descendants of Canaan live along the coast of the *Mediterranean sea* and along the *Jordan River*.”

³⁰ *When they said that, the people were afraid and started to cry out very loudly.* But Caleb told the people who were standing near Moses/me to be quiet. Then he said, “We should go there and take the land, because we are certainly able to conquer it!”

³¹ But the men who had gone with him said, “No, we cannot attack *and defeat* those people! They are much stronger than we are!” ³² So those men gave to the Israeli people a bad report about the land that they had explored. They said, “The land that we explored is very large; we cannot conquer it. And all the people whom we saw are very tall. ³³ We even saw the descendants of Nephili there. The descendants of Anak *whom we saw there* are descended from the giant Nephili people. When we saw them, we felt *as small* as grasshoppers [SIM], and they thought that we looked like grasshoppers too!”

The Israeli people continued to complain

14 That night, all the Israeli people cried loudly. ² The next day they all complained to Aaron and Moses/me. All the men said, “We wish that we had died in Egypt, or in this desert! ³ Why is Yahweh bringing us to this land, where we men will be killed with swords? And our wives and children will be taken away *to be slaves. Instead of going to Canaan.* It would be better for us to return to Egypt!” ⁴ Then *some of* them said to each other, “We should choose a leader who will take us back to Egypt!”

⁵ Then Aaron and Moses/I bowed down *to pray* in front of all the Israeli people who had gathered there. ⁶ Joshua and Caleb, two of the men who had explored the land, tore their clothes *because they were very dismayed*. ⁷ They said to the Israeli people, "The land that we explored is very good. ⁸ If Yahweh is pleased with us, he will lead us into that very fertile [IDM] land, and he will give it to us. ⁹ So do not rebel against Yahweh! And do not be afraid of the people in that land! We will *gobble them up/completely destroy them* [MET]! They do not have anyone who will protect them, but Yahweh will be with us *and help us*. So do not be afraid of them!"

¹⁰ Then all the Israeli people talked about *killing Caleb and Joshua* by throwing stones at them. But *suddenly* Yahweh's glory appeared to them at the Sacred Tent. ¹¹ Then Yahweh said to Moses/me, "How long will these people reject me [RHQ]? I am tired of them not believing in what I *can do*, in spite of all the miracles I have performed among them [RHQ]! ¹² So I will cause a *plague/widespread sickness* to strike them and get rid of them. But I will cause your *descendants* to become a great nation. They will be a nation that is much greater and stronger than these people are."

¹³ But Moses/I replied to Yahweh, "*Please do not do that, because* the people of Egypt will hear about it! You brought these Israeli people from Egypt by your great power, ¹⁴ and the people of Egypt will tell that to the *descendants of Canaan* who live in this land. Yahweh, they have already heard about you. They know that you have *been with/helped* these people and that they have seen you face-to-face. They have heard that your cloud is like a huge pillar that stays over them, and by using that cloud you lead them during the day, and the cloud becomes like a fire at night *to give them light*. ¹⁵ If you kill these people all at one time, the people-groups who have heard about your *power* will say, ¹⁶ 'Yahweh was not able to bring them into the land that he promised to give to them, so he killed them in the desert.'

¹⁷ "So Yahweh, now show that you are very powerful. You said, ¹⁸ 'I do not quickly become angry; instead, I love people very much, and I forgive people for having sinned and having disobeyed my laws. But I will always punish [LIT] people who are guilty of doing what is wrong. When parents sin, I will punish them, but I will also punish their children and their grandchildren and their great-grandchildren and their great-great-grandchildren.' ¹⁹ So, because you love people like that, forgive these people for the sins that they have committed, just like you have continued to forgive them ever since they left Egypt."

²⁰ Then Yahweh replied, "I have forgiven them, as you requested me to. ²¹ But, just as certainly as I live and that people all over the world *can see my glory/glorious power*, *I solemnly declare this*:²² All these people saw my glory and all the miracles that I per-

formed in Egypt and in the desert, but they disobeyed me, and many times they tested *whether they could continue to do evil things without my punishing them*. ²³ Because of that, not one of them will see the land that I promised their ancestors *that I would give to them*. No one who rejected me will see that land. ²⁴ But Caleb, who serves me *well*, is different from the others. He obeys me completely. So I will bring him into that land that he has already seen, and his descendants will inherit/possess some of it. ²⁵ So, since the descendants of Amalek and Canaan who are living in the valleys *in Canaan are very strong*, when you leave here tomorrow, *instead of traveling toward Canaan*, go back along the road through the desert towards the Red Sea."

Yahweh punished the Israelis

²⁶ Then Yahweh said to Aaron and Moses/me, ²⁷ "How long will the wicked people of this nation keep complaining about me [RHQ]? I have heard everything that they have grumbled/complained against me. ²⁸ So now tell them this: 'Just as certainly as I, Yahweh, live, I will do exactly what you said would happen. ²⁹ *I will cause* all of you to die here in this desert! Because you grumbled about me, none of you who are more than 20 years old and who were counted when Moses counted everyone ³⁰ will enter the land that I solemnly promised to give to you. Only Caleb and Joshua will enter that land. ³¹ You said that your children would be taken from you *to become slaves*, but I will take them into the land, and they will enjoy living in the land that you *rejected/said* that you could not conquer'. ³² But as for you *adults*, you will die here in this desert. ³³ And like shepherds *wander around in the desert as they take care of their sheep*, your children will wander around in this desert for 40 years. Because you adults were not loyal/faithful to me, your children will suffer until you all die in the desert. ³⁴ You will suffer for your sins for 40 years. That will be one year for each of the 40 days that the twelve men explored Canaan land. And I will be like an enemy to you.' ³⁵ *This will certainly happen because* I, Yahweh, have said it! I will do these things to every one in this group who conspired against me. They *conspired against/decided together to reject* me here in the desert, and they will all die right here in this desert!"

³⁶ Then the ten men *who had explored Canaan and* who had urged the people to rebel against Yahweh by giving reports that discouraged the people ³⁷ were immediately struck with a plague/disease that Yahweh sent, and they died. ³⁸ Of the twelve men who had explored Canaan, only Joshua and Caleb remained alive.

³⁹ When Moses/I reported to the Israeli people what Yahweh had said, many of them were very sad. ⁴⁰ So the people got up early the next morning and started to go toward the hilly area in Canaan. They said, "*We know that we have sinned, but now we are ready to enter the land that Yahweh promised to give to us.*"

⁴¹ But Moses/I said, "Yahweh commanded you *to return to the desert*, so why are you now disobeying him [RHQ]? It will not *◇succeed/be possible◇*. ⁴² Do not try to enter the land now! *If you try*, your enemies will defeat you, because Yahweh will not *◇be with/help◇* you. ⁴³ When you begin to fight the descendants of Amalek and Canaan, they will slaughter you! Yahweh will abandon you, because you have abandoned him."

⁴⁴ But even though Moses/I did not leave the camp, and the sacred chest that contained the Ten Commandments was not taken from the camp, the people began to go towards the hilly area in Canaan. ⁴⁵ Then the descendants of Amalek and Canaan who lived in that hilly area came down and attacked them and chased them as far *south as the town of Hormah*.

Instructions about offerings

15 Then Yahweh told Moses/me, ² "Tell this to the Israeli people: When you arrive in the land that I am giving to you, ³ you must offer to me special sacrifices which will be pleasing to me *when the priest burns them on the altar*. Some of them may be offerings that will be completely burned *on the altar*. Some of them may be to indicate that you have made a solemn promise to me. Some of them may be offerings that you yourselves have decided to make. Some of them may be offerings at one of the festivals that you celebrate each year. These offerings may be taken from your herds *of cattle* or from your flocks *of sheep and goats*. ⁴ When you give these offerings, you must also bring to me a grain offering of two quarts/liters of nice flour mixed with one quart/liter of *olive oil*. ⁵ When you offer a lamb to be a sacrifice to be completely burned, you must also pour on the altar one quart/liter of wine.

⁶ 'When you offer a ram to be a sacrifice, you must also bring an offering of four quarts/liters of finely-ground flour mixed with *◇a third of a gallon/1.3 liters◇* of *olive oil*. ⁷ And also pour on the altar *◇a third of a gallon/1.3 liters◇* of wine. While they are being burned, the smell will be very pleasing to me.

⁸ 'Sometimes you will offer a young bull to be completely burned on the altar. Sometimes you will offer a sacrifice to indicate that you have made a solemn promise to me. Sometimes you will offer a sacrifice to maintain fellowship with me. ⁹ When you offer these sacrifices, you must also offer a grain offering of six quarts/liters of finely-ground flour mixed with two quarts/liters of *olive oil*. ¹⁰ Also pour on the altar two quarts/liters of wine to be an offering. While those special gifts are being burned, the smell will be very pleasing to me. ¹¹ Each time someone offers a bull or a ram or a male lamb or a young goat to be a sacrifice, it must be done that way. ¹² You must obey these instructions for each animal that you bring to me for an offering.

¹³ 'All of you people who have been Israelis all of your lives must obey these regulations when you offer

sacrifices that will be pleasing to me when they are burned on the altar. ¹⁴ If any foreigners visit you or live among you, if they also want to bring a sacrifice that will be pleasing to me when it is burned on the altar, they must obey these same instructions. ¹⁵ I consider that those who have always been Israelis and those who are foreigners are equal, and so they must all obey the same instructions. All of your descendants must also continue to obey these instructions. ¹⁶ You Israelis and the foreigners who live among you must all obey the same instructions."

¹⁷ Yahweh also said to Moses/me, ¹⁸ "Tell these instructions to the Israeli people: *Yahweh says this*: 'When you arrive in the land to which I am taking you, ¹⁹ and you eat the crops that are growing there, you must set some of them aside to be a sacred offering to me. ²⁰ *Each year* set aside some of the first grain that you gather after you have threshed it. Bake a loaf of bread from the first flour that you grind and bring it to me to be a sacred offering. ²¹ Every year, you and your descendants must continue to make and bring to me *a loaf of bread baked [MTY] with flour* from the first part of the grain that you harvest."

When people sin unintentionally or deliberately

²² "'There may be times when you Israelis do not obey all these instructions that I have given to Moses to tell you, but not because you intended to disobey them. ²³ There may be times when some of your descendants do not obey all these instructions that I have given to Moses to tell to you. ²⁴ If you or they sin *by forgetting to obey these instructions* and none of the Israeli people realize that they were doing that, one young bull as an offering for all the people *must be brought to the priest*. That will be pleasing to me *when it is burned on the altar*. They must also bring to me a grain offering and an offering of wine, and a male goat, to be sacrificed to enable me to forgive them for the sins they have committed. ²⁵ *By offering these sacrifices*, the priest will make atonement for all of you Israeli people. Then, as a result of their bringing to me an offering to be burned *on the altar*, *◇you will be forgiven/I will forgive you◇*, because you sinned without realizing that you were sinning. ²⁶ You Israeli people and the foreigners who are living among you will all be forgiven.

²⁷ If one person commits a sin without realizing that he was sinning, that person must bring to me a female goat to be an offering to enable me to forgive that person for the sins that person has committed. ²⁸ The priest will offer it to be a sacrifice to remove the guilt of that person, and that person will be forgiven. ²⁹ You Israelis and all the foreigners who live among you must obey these same instructions.

³⁰ But those who disobey my commands *◇deliberately/because they want to◇*, both Israelis and the foreign moreners who live among you, have sinned against me *by doing that*. So *◇they must be expelled/*

you must expel them from your camp. ³¹ They have despised my commands and deliberately disobeyed them, so they must be punished for their sin by not being allowed to live among you anymore."

A man is punished for working on the Sabbath

³² One day, while the Israelis were in the desert, some of them saw a man who was gathering firewood on the Sabbath/rest day. ³³ Those who saw him doing that brought him to Aaron and Moses/me and the rest of the Israeli people. ³⁴ They guarded him carefully, because they did not know what to do to punish him. ³⁵ Then Yahweh said to Moses/me, "The man must be executed. All of you must *kill him by throwing* stones at him outside the camp." ³⁶ So they all took the man outside the camp and killed him by throwing stones at him, as Yahweh had commanded Moses/me that they should do.

Putting tassels on clothing

³⁷ Yahweh also said to Moses/me, ³⁸ "Tell this to the Israeli people: You and all your descendants must *twist threads together* to make tassels, and then attach them with blue cords to the bottom edges of your clothes. ³⁹ When you look at the tassels, you will remember all the instructions that I gave to you, and you will obey them, instead of doing what you desire and as a result causing yourselves to become unacceptable to me. ⁴⁰ Seeing those tassels will help you to remember that you must obey all my commands and that you must be my holy people/dedicated to me. ⁴¹ Do not forget that I am Yahweh, your God. I am the one who brought you out of Egypt in order that you might belong to me. I am Yahweh, your God."

Several men rebelled against Moses

16 One day Korah, who was the son of Izhar and a descendant of Levi's son Kohath, conspired with Dathan and Abiram, who were the sons of Eliab, and On, who was the son of Peleth. Those three men were from the tribe of Reuben. ² Korah and those other three men incited 250 other people who were leaders among the Israeli people to join them in rebelling against Moses/me. ³ They came together to criticize Aaron and Moses/me. They said to them/us, "You two are using more *authority* than you should! Yahweh has set apart all of us Israeli people, and he is with/helping all of us. So why do you act as though you are more important than the rest of us people who belong to Yahweh [RHQ]?"

⁴ When Moses/I heard what they were saying, he/I prostrated himself/myself on the ground. ⁵ Then he/I said to Korah and those *Israeli leaders* who were with Korah, "Tomorrow morning Yahweh will show us whom he has chosen to be his *priest*, and who is holy and allowed to come near to him. Yahweh will permit *only* those whom he chooses to come into his pres-

ence. ⁶ So Korah, tomorrow you and those who are with you must prepare your pans to burn incense. ⁷ Then you must light a fire in them and burn the incense in the presence of Yahweh. Then we will see which one of us Yahweh has chosen to be his holy servant. It is you men who are descendants of Levi who are trying to use more *authority* than you should!"

⁸ Then Moses/I spoke again to Korah. He/I said, "You men who are descendants of Levi, listen to me! ⁹ The God of us Israelis has chosen all of you to be close to him in order that you can work for him at his Sacred Tent and serve the people. Is that unimportant/Does that mean nothing to you [RHQ]? ¹⁰ Yahweh has brought you, *Korah*, and your fellow descendants of Levi, near to himself. Now are you demanding to become priests also? ¹¹ It is really Yahweh against whom you and your fellow descendants of Levi are rebelling. Aaron is not the one about whom you are really complaining [RHQ]."

¹² Then Moses/I summoned Dathan and Abiram, but *they refused to come*. They *sent a message* saying, "We will not come to you! ¹³ You brought us out of Egypt, which was a very fertile [IDM] land, in order to cause us to die here in this desert. That was bad. But now you are also trying to boss us [RHQ], and that is worse. ¹⁴ You have not given us a new land to live in, a land that has good fields and vineyards. You are only trying to [RHQ] trick these people. So we will not come to you."

¹⁵ Then Moses/I became very angry. He/I said to Yahweh, "Do not accept the grain offerings that they have brought. I have not taken anything from them, not even one donkey, and I have never done anything wrong to them, *so they have no reason to complain about me.*"

¹⁶ Then Moses/I said to Korah, "You and all those who are with you must come here tomorrow and stand in front of Yahweh. Aaron will also be here.

¹⁷ You and all the 250 men who are with you must each take a pan in which to burn incense, and put incense in it, to *burn it to be* an offering to Yahweh. Aaron will do the same thing."

¹⁸ So *the next day* each of those men got a pan to burn incense. They put in it incense and hot coals to light it, and then they all stood at the entrance of the Sacred Tent with Aaron and Moses/me. ¹⁹ Then Korah summoned all the people who supported him and who were against Moses/me, and they also gathered at the entrance of the tent. Then the glory of Yahweh appeared to all of them/us, ²⁰ and Yahweh said to Aaron and Moses/me, ²¹ "Get away from all these people, in order that I can get rid of them immediately!"

²² But Aaron and Moses/I prostrated themselves/ourselves on the ground. We pleaded with Yahweh, saying, "God, you are the one who caused all these people to live [MTY]. Only one of these men has sinned; so, is it right for you to be angry with all the

people?/it is not right for you to be angry with all the people!◇ [RHQ]"

²³ Yahweh said to Moses/me, ²⁴ "Okay, but tell all the people to get away from the tents of Korah, Dathan, and Abiram."

²⁵ So Moses/I stood up and went to the tents of Dathan and Abiram. The Israeli leaders followed him/me. ²⁶ He/I told the people, "Get away from the tents of these wicked men, and do not touch anything that belongs to them! If you touch anything, you will die because of their sins!" ²⁷ So all the people moved away from the tents of Korah, Dathan, and Abiram. Dathan and Abiram came out of their tents with their wives and children and babies, and stood at the entrances of their tents.

²⁸ Then Moses/I said, "I was not the one who decided to do all these things that I have done. It was Yahweh who *chose me and* sent me to do them. And now he will prove that to you. ²⁹ If these men die in a normal way, then it will be clear that Yahweh did not choose me. ³⁰ But if Yahweh does something that has never happened before, if he causes the ground *that is under their feet* to open up and swallow these men *and their families* and all their possessions, and they fall into the opening and are buried while they are still alive, then you will know that these men have insulted Yahweh."

³¹ As soon as Moses/I said this, the ground split open beneath those men. ³² It swallowed them and their families and all those who were standing there with Korah and all of their possessions. ³³ They fell into the opening in the ground while they were still alive, and all their possessions fell into the opening also. They disappeared, and the ground closed back up again. ³⁴ They screamed as they fell, and all the people who were standing nearby heard them scream. The people *were terrified and* cried out as they ran away, saying, "*We do not want* the ground to swallow us also!"

³⁵ And then a fire from Yahweh came down *from the sky* and burned up the 250 men who were burning the incense!

³⁶ Then Yahweh said to Moses/me, ³⁷ "Tell Aaron's son Eleazar to take the pans that had incense in them away from the fire and to scatter the burning coals. The pans that those men *were carrying* are ◇holy/ dedicated to me◇ *because they burned incense to me in them*. ³⁸ Those men have now died because of their sin; so *Eleazar must* take their pans and hammer the metal to make it become very thin. He must make a covering for the altar with that metal. Those pans were used to offer incense to me, so they are ◇holy/ dedicated to me◇. *What happened to* those pans will now warn the Israeli people."

³⁹ So Eleazar the priest collected the 250 pans for burning incense that had been used by the men who died in the fire. He hammered the pans very thin to make a covering for the altar, as Yahweh told Moses/

me should be done. ⁴⁰ That warned the Israeli people that only those who were descendants of Aaron were permitted to burn incense for an offering to Yahweh. If anyone else did that, the same thing that happened to Korah and those who were with him would happen to them.

⁴¹ But the following morning, all the Israeli people started to complain against Aaron and Moses/me, saying "You have killed many people who belonged to Yahweh!"

⁴² When all the people gathered together to protest about what Aaron and Moses/I had done, they looked at the Sacred Tent and saw that the sacred cloud had covered it, and the glory of Yahweh had appeared.

⁴³ Aaron and Moses/I went and stood in front of the Sacred Tent. ⁴⁴ Then Yahweh said to Moses/me, ⁴⁵ "Get away from these people, in order that I can get rid of them immediately *without injuring you two!*" But Aaron and Moses/I prostrated themselves/ourselves on the ground *and prayed*.

⁴⁶ Moses/I said to Aaron, "Quickly take another pan and put in it some burning/hot coals from the altar. Put incense in the pan, and carry it out among the people to atone for the sins of the people. Yahweh is very angry with them, and *I know that* a ◇severe plague/bad sickness◇ has already started among them." ⁴⁷ So Aaron did what Moses/I told him. He took the burning incense out among the people. The plague had already started to strike the people, but Aaron continued to burn the incense so that God would forgive them for the sins they had committed. ⁴⁸ He stood between the people who had already died and those who were still alive, and then the plague stopped. ⁴⁹ But 14,700 people had already died from that plague/sickness, in addition to the people who died with Korah. ⁵⁰ Then after the plague had ended, Aaron and Moses/I returned to the entrance of the Sacred Tent.

Aaron's walking stick budded

17 Then Yahweh said to Moses/me, ² "Tell the Israeli people to bring to you twelve walking sticks. They should bring one from each of the leaders of the twelve tribes. You should carve each leader's name on his stick. ³ There must be one stick for the leader of each tribe, so you must carve Aaron's name on the stick for the tribe of Levi. ⁴ Put those sticks inside the Sacred Tent, in front of the sacred chest that has in it the tablets on which the Ten Commandments are written. That is the place where I always talk with you. ⁵ Buds will sprout on the stick of the man whom I have chosen *to be the priest*. *When the people see that*, they will stop their constantly complaining about you *because they will realize that you are the one whom I have chosen*."

⁶ So Moses/I told the people what Yahweh had said. Then each of the twelve Israeli leaders, including Aaron, brought his walking stick to Moses/me.

⁷ Moses/I placed the sticks inside the Sacred Tent in front of the sacred chest.

⁸ The following morning, when he/I went into the tent, he/I saw that Aaron's stick, which represented the tribe of Levi, had sprouted, it had produced leaves and blossoms, and it had also produced almonds that were ripe! ⁹ Moses/I brought all the sticks out of the Sacred Tent and showed them to the people. Each of the twelve leaders took back his own stick.

¹⁰ Then Yahweh said to Moses/me, "Put Aaron's stick in front of the sacred chest, and let it stay there permanently. That will be a warning to people who want to rebel *against me*. Then no more people will die *because of complaining against me*." ¹¹ So Moses/I did what Yahweh had commanded.

¹² Then the Israeli people said to Moses/me, "We are going to die! All of us are surely going to die! ¹³ Everyone who comes close to Yahweh's Sacred Tent dies. Are the rest of us going to die, also?" [RHQ]

The duties of the priests and Levites

18 Yahweh said to Aaron, "You and your sons and the other members of your father's family are the ones \diamond who will be punished/whom I will punish \diamond *if anything bad happens to the things* inside the Sacred Tent. But only you and your sons will be punished if the priests do something bad. ² Require that those who belong to your tribe, the tribe of Levi, must assist you and your sons while you perform your work at the Sacred Tent. ³ But while they do that work, they must not go near the sacred items inside the tent or near the altar. If they do that, they will die, and you will die, too! ⁴ They may assist you in doing all the work to take care of the Sacred Tent, but no one else is permitted to come near the place where you are working.

⁵ "You are the ones who will do the sacred work inside the Sacred Tent and at the altar. If you obey these instructions, I will not become very angry with the Israeli people again. ⁶ I myself have chosen the descendants of Levi from the other Israelis in order that they may be your special helpers. They are like a gift that I have given you to work at the Sacred Tent. ⁷ But it is you and your sons, who are the priests, who must perform all the rituals concerning the altar and with what happens inside the Very Holy Place. I am giving to you this work of serving as priests. So anyone else who tries to do that work must be executed."

The offerings for the priests and Levites

⁸ Yahweh also said to Aaron, "I myself have appointed you to take care of all the sacred offerings that the Israeli people bring to me. I have given all these sacred offerings to you and to your sons. You and your descendants will get a share of these offerings permanently. ⁹ The parts of the offerings that are not completely burned on the altar belong to you. Those parts of the sacred offerings, including the offerings of

grain, the offerings for sins and for the people to be forgiven for not giving me what they are required to give, are set apart, and are to be given to you and your sons. ¹⁰ You must eat those offerings in a sacred place, *near the Sacred Tent*. You and all of the other males *in your clan* may eat them, but you must consider those offerings to be holy/dedicated to me.

¹¹ "The priests lift up high the sacred offerings while they are standing in front of the altar. All of those offerings that the Israelis offer to me belong to you and your sons and daughters. They will always be your share. All the members of your family who *have performed the rituals to cause them to be acceptable to me* are permitted to eat from these offerings.

¹² "I am *also* giving to you the first food that people harvest each year and bring to me—the best *olive* oil and new wine and grain. ¹³ All of the first crops that people harvest and bring to me belong to you. Anyone in your family who has *performed the ritual to become acceptable to me* is permitted to eat that food.

¹⁴ "Everything in Israel that is set apart to belong to me also belongs to you. ¹⁵ The firstborn males, both humans and domestic animals, that are offered to me, will be yours. But people must buy back their firstborn sons and the firstborn animals that may not be used for sacrifices. ¹⁶ They must buy them back when they are one month old. The price that they must pay *for each one* is five pieces of silver. They must weigh the silver on the scales that are in the Sacred Tent.

¹⁷ "But they are not permitted to buy back the firstborn cattle or sheep or goats. They are holy and have been set apart for me. *Slaughter them and* sprinkle their blood on the altar. Then completely burn the fat of those animals *on the altar* to be an offering to me. The smell as they burn will be very pleasing to me.

¹⁸ The meat from those offerings will be yours, just like the breast and right thigh of animals that are presented to me to maintain fellowship with me as the priest lifts them up high in front of the altar are yours. ¹⁹ Anything that the Israeli people present to me as holy/sacred gifts, I am giving to you. They are for you and your sons and daughters *to eat*. They will always be your share. This is an agreement that I am making with you, an agreement that will \diamond last forever/never be changed \diamond . I am also making this agreement with your descendants."

²⁰ Yahweh also said to Aaron, "You priests will not receive any of the land or the property like the *other* Israeli people will receive. I am what you will receive.

²¹ "When the Israeli people bring to me a tenth of all *the crops and of their newborn animals*, I will give that to you descendants of Levi. That will be your payment for the work you do at the Sacred Tent. ²² The other Israelis must not go near that tent. If they go near it, *I will consider that their doing that is a sin*, and they will die for committing that sin. ²³ Only the descendants of Levi are permitted to work at the Sacred Tent, and they will be punished if anything bad happens to it.

That is a law that will never be changed. You descendants of Levi will not receive any land among the other Israeli people, ²⁴ because I will give you one tenth of all the *crops and animals* that the Israelis bring to be offerings to me. That is why I said that you will not receive any land like the other Israelis will receive."

²⁵ Yahweh said to Moses/me, ²⁶ "Tell this to the descendants of Levi: 'When you receive one tenth of all the *crops and animals* from the Israeli people, you must give one tenth of all that to me to be a sacred offering. ²⁷ Just like the other Israelis give one tenth of the grain and wine that they produce, ²⁸ you must give to me one tenth of all that you receive from them. That will be your sacred offering to me. You must present it to Aaron. ²⁹ Select the best parts of the things that are given to you to give them to me.'

³⁰ "Also, tell this to the descendants of Levi: 'When you present those best portions of grain and wine as your offering to me, I will consider that those gifts are as though they came from your own grain fields and vineyards. ³¹ You descendants of Levi and your families are permitted to eat *the rest of* that food, and you may eat it wherever *you want to*, because it is your payment for the work that you do at the Sacred Tent. ³² If you give to the priests the best portions of what you receive, you will not be punished *by me* for accepting one tenth of the gifts that the people bring to me. But you must consider those gifts to be sacred/holy. If you sin *by eating those things in ways that are contrary to these regulations that I have given to you*, you will be executed.'

The ritual for removing the guilt of sin

19 Yahweh said to Aaron and Moses/me, ² "I am now giving to you another regulation. Tell the Israeli people to bring to you one reddish-brown cow that has no defects. It must be an animal that \diamond has never been/no one has ever \diamond used for plowing ground. ³ Give it to Eleazar, the priest. He must take it outside the camp and slaughter it *and drain the blood in a basin*. ⁴ He must dip one of his fingers in the blood and sprinkle some of it seven times *on the ground* near the Sacred Tent. ⁵ Then, while Eleazar watches, the cow must be burned completely—its hide, its meat, *the rest of* its blood, and even its dung. ⁶ Eliezer then must take a stick of cedar wood, a stalk of *a plant named* hyssop, and some scarlet/red yarn, and throw them into the fire where the cow is burning. ⁷ "Then the priest must wash his clothes and bathe. After doing that, he may return to the camp. But he will be unfit for doing any sacred work until that evening. ⁸ The man who burns the cow must also wash his clothes and bathe, and he will also be unacceptable to me until that evening.

⁹ "Then someone who has not become unacceptable to me must gather up the ashes of the cow and put them in a \diamond sacred place/place that is acceptable to me \diamond outside the camp. The ashes must be kept there

for the people of Israel to *use when they* mix it with water for the ritual to remove the guilt of sin. ¹⁰ The man who gathers up the ashes of the cow must *also* wash his clothes, and he *also* will be unfit to do any more sacred work until that evening. That is a regulation that will never be changed. It must be obeyed by you Israeli people and by any foreigners who live among you.

¹¹ "All those who touch a corpse will be unacceptable to me for seven days. ¹² On the third day and on the seventh day *after touching a corpse*, in order to become acceptable to me again, *they must have sprinkled on them* some of that water for removing the guilt of their sin. If they do not do that on both of those days, they will continue to be unacceptable to me. ¹³ All those who touch a corpse, and do not perform in the correct way the ritual to become acceptable to me again, defile Yahweh's Sacred Tent. They will no longer be permitted to live among the Israeli people. The water to remove the guilt of sin was not sprinkled on them, so they continue to be unacceptable to me.

¹⁴ "There is another ritual that must be performed when someone dies inside a tent. All those who were inside that tent when that person died or who enter that tent will be unacceptable to me for seven days. ¹⁵ Any jars that are inside that tent that are not covered are not permitted to be used. ¹⁶ If someone who is out in a field touches the corpse of someone who was murdered, or who died from natural causes, or if someone touches a bone from some human or touches a grave, that person will be unacceptable to me for seven days.

¹⁷ "For someone like that to become acceptable to me again, some of the ashes from *the cow* that was burned must be taken and put in a jar. Then some fresh water must be poured over the ashes. ¹⁸ Then someone who is still acceptable to me must take a stalk of *a plant named* hyssop and dip it into the water. Then that person must sprinkle some of the water on the tent where that person died, on the things that are in the tent, and on the people who were in the tent. He must also sprinkle some of that water on any person who touched a human bone or who touched a person who died, or who touched a grave. ¹⁹ On the third day and on the seventh day after that, the person who is acceptable to me must sprinkle some of that water on those who have become unacceptable to me. On the seventh day, the people who are performing that ritual to become acceptable to me again must wash their clothes and bathe. If they do that, on that evening they will become acceptable to me again.

²⁰ "If those who have become unacceptable to me do not become acceptable to me again by doing this, they will no longer be permitted to live among the Israeli people, because they have defiled my Sacred Tent. They did not sprinkle on themselves the water that removes the guilt of their sins, so they remain un-

acceptable to me. ²¹ That is a law for the Israeli people that will never be changed. Those who sprinkle that water on themselves must then wash their clothes. And anyone who touches that water which removes guilt for sins will remain unacceptable to God until that evening.

²² "If someone touches a thing or a person that has become unacceptable to me, that person will remain unacceptable to me until that evening."

Water flowed from a rock

20 In March/April of the next year, the Israeli people traveled/walked to the Zin Desert and \diamond camped/set up their tents \diamond near Kadesh town. While they/we were there, *Moses/my older sister* Miriam died and was buried there.

² There was no water for the people to drink there, so they came to Aaron and Moses/me. ³ They complained and said, "We wish that we had died in front of Yahweh's Sacred Tent when our fellow Israelis died!" ⁴ \diamond Did you bring us, who are Yahweh's people, into this desert to die along with our livestock?/You brought us, who are Yahweh's people, into this desert to die along with our livestock! \diamond [RHQ] ⁵ Why did you bring us from Egypt to this miserable place [RHQ]? There is no grain, there are no figs, no grapes, and no pomegranates here. And there is no water for us to drink!"

⁶ Aaron and Moses/I turned away from the people and went to the entrance of the Sacred Tent and prostrated themselves/ourselves on the ground. Then Yahweh appeared to them/us with his bright glory, ⁷ and he said to Moses/me, ⁸ "You and Aaron must take Aaron's walking stick with you and gather all the people together. While the people are watching, command that water will flow out of that *large* rock over there. Water for the people will flow from it; all they and all their livestock will have enough water to drink."

⁹ So Moses/I did what Yahweh told him/me to do. He/I took Aaron's walking stick from the place in the Sacred Tent where it was kept. ¹⁰ Then Aaron and he/I summoned all the people to gather at the rock. Then Moses/I shouted to them, "All you rebellious people, listen! Is it necessary for us to give you water from this rock?" ¹¹ Then Moses/I raised his/my hand and *instead of speaking to the rock*, he/I struck the rock two times with the walking stick. And water gushed/poured out. So all the people and their livestock drank all the water that they wanted.

¹² But Yahweh said to Aaron and Moses/me, "You did not believe that I could demonstrate my power to the Israeli people *and give them water without your striking the rock*. So you will not lead them into the land that I am giving to them!"

¹³ Later this place was called Meribah, *which means 'arguing'*, because there the Israeli people argued with Yahweh, and there he showed his power to them *by giving them water*.

The king of Edom refused to allow the Israelis to travel through his country

¹⁴ *While the people were at Kadesh town*, Moses/I sent messengers to the king of Edom to tell him this: "Your relatives, the Israeli people, are sending you this message. You know the many troubles/hardships that have happened to us. ¹⁵ You know that our ancestors went down to Egypt. You know that they stayed there for many years. They suffered because the *rulers of Egypt* caused them to become their slaves *and to work very hard*.

¹⁶ "But when they called out to Yahweh, he heard them and sent an angel who brought them out of Egypt. Now we have set up our tents here at Kadesh, a town at the border of your land. ¹⁷ Please allow us to travel through your country. We will *be careful* to not walk through your fields and your vineyards. We will not even drink water from your wells. As we travel, we will stay on the king's highway, *the main road that goes from the south to the north*, and we will not leave that road until we have crossed the border *of your country in the north*."

¹⁸ But the king of Edom refused. He replied, "Stay out of my country! If you try to enter it, I will send my army to attack you!"

¹⁹ The Israeli messengers replied, "If we travel through your country, we will stay on the main road. If we and any of our livestock drink any of your water, we will pay for it. We want only to travel through your country. We do not want anything else."

²⁰ But the king replied, "No! Stay out of our country! We will not allow you to travel through our land!" Then he sent the strongest soldiers in his army to prevent the Israelis from entering his country.

²¹ So, because *the king of Edom* refused to allow the Israelis to travel through his country, the Israelis turned *and traveled a different way*.

Aaron died

²² The Israeli people left Kadesh. They went to Hor Mountain, ²³ *which is at the border of Edom*. While they were there, Yahweh said to Aaron and Moses/me, ²⁴ "It is time for Aaron to die [EUP]. He will not enter the land that I am giving to you Israelis, because the two of you disobeyed me *when I told you to speak to the rock to cause the water to flow* at Meribah. ²⁵ Now you, Moses, take Aaron and his son Eleazar up on Hor Mountain. ²⁶ There you must remove Aaron's robes *that he wears when he does the work of a priest*, and put them on his son, Eleazar. Aaron will die up there."

²⁷ So Moses/I did what Yahweh commanded. The three of them/us climbed up Hor Mountain, while all the Israeli people watched. ²⁸ At the top of the mountain, Moses/I took off the robes that Aaron wore *while he did the work of a priest* and put them on Eleazar. Then Aaron died there on the top of the mountain,

and Eleazar and Moses/I went back down. ²⁹ When the Israeli people realized that Aaron had died, they all mourned for him for 30 days.

The Israelis defeated the Canaan people

21 The king of Arad *city* lived in the area where the Canaan people-group lived, in the desert in the southern part of the land. He heard a report that the Israelis were approaching on the road to Atharim *village*. So his army attacked the Israelis and captured some of them. ² Then the Israelis solemnly vowed: "Yahweh, if you will help us to defeat these people, we will completely destroy all their towns." ³ Yahweh heard what they requested, and he enabled them to defeat the army of the Canaan people-group. The Israeli soldiers killed all the people and destroyed their towns. *Ever since that time*, that place has been called Hormah *which means 'destruction'*.

The bronze snake

⁴ Then the Israelis left Hor Mountain and traveled on the road towards the Red Sea, in order to go around *the land of Edom*. But the people became impatient along the way, ⁵ and they began to grumble/complain against God and against Moses/me. They said, "Why have you brought us out of Egypt to die here in this desert [RHQ]? There is nothing to eat here, and nothing to drink. And we detest this lousy *manna* food!"

⁶ So Yahweh sent poisonous snakes among them. Many of the people were bitten by the snakes and died. ⁷ Then the people came to Moses/me and cried out, saying, "We *now know that we have sinned* against Yahweh and against you. Pray to Yahweh, asking that he will take away the snakes!" So Moses/I prayed for the people.

⁸ Then Yahweh told him/me, "Make a model/image of a poisonous snake, and attach it to the top of a pole. If those who are bitten by the snakes look at that model, they will ◊recover/get well◊." ⁹ So Moses/I made a snake from bronze and attached it to the top of a pole. Then, when those who had been bitten by a snake looked at the bronze snake, they recovered!

The Israelis traveled to Moab

¹⁰ Then the Israelis traveled to Oboth and ◊camped/ set up their tents◊ there. ¹¹ Then they left there, and went to Iye-Abarim, in the desert on the eastern border of Moab. ¹² From there they traveled to the valley where the Zered riverbed is, and camped there. ¹³ Then they traveled to the north side of the Arnon *River*. That area is in the desert next to the land where the Amor people-group lived. The Arnon *River* is the boundary between Moab and where the Amor people-group lived. ¹⁴ That is why in the book called 'The Book of the Wars of Yahweh' it tells about

"Waheb *town* in the Suphah area, and the ravines there;

and the Arnon *River*
¹⁵ and the ravines there,
which extend as far as Ar *village* on the border of Moab."

¹⁶ From there, the Israelis traveled to Beer. There was a well there, where Yahweh previously had said to Moses/me, "Gather the people together, and I will give them water." ¹⁷ There the Israelis sang this song:

"O well, give us water!

Sing about this well!

¹⁸ Sing about this well

which our leaders dug;

they dug out *the dirt* with their royal scepters and their walking sticks."

Then the Israelis left that desert and went through Mattanah, ¹⁹ Nahaliel, and Bamoth *villages*. ²⁰ Then they went to the valley in Moab where Pisgah *Mountain* rises above the desert.

The Israelis defeated kings Sihon and Og

²¹ Then the Israelis sent messengers to Sihon, the king of the Amor people-group. This was the message *that they/we gave him*:

²² "Allow us to travel through your country. We will stay on the king's highway, *the main road that goes from the south to the north*, until we have finished traveling through your land. We will not walk through any field or vineyard, or drink water from your wells."

²³ But King Sihon refused. He would not allow them to walk through his land. Instead, he sent his whole army to attack the Israelis in the desert. They attacked the Israelis at Jahaz *village*. ²⁴ But the Israelis completely defeated them and occupied their land, from the Arnon *River in the south* to the Jabbok *River in the north*. They stopped at the border of the land where the Ammon people-group lived, because *the Ammon army was defending* the border strongly. ²⁵ So the Israelis occupied all the cities and towns where the Amor people-group lived, and some of the Israelis began to live in them. They occupied Heshbon *city* and the nearby villages. ²⁶ Heshbon was the capital of the country. It was the city where King Sihon ruled. His army had previously defeated the army of the king of Moab, and then his people had begun to live in all of the land of Moab as far as the Arnon *River in the south*.

²⁷ For that reason, one of the poets wrote long ago, "Come to Heshbon, the city where King Sihon *ruled*."

We want the city to be restored/rebuilt.

²⁸ A fire blazed from Heshbon;

it burned down Ar *city* in Moab,

it destroyed *everything* on the hills along the Arnon *River*.

²⁹ You people of Moab, terrible things have happened to you!

You people who *worship your god* Chemosh have been ◊annihilated/wiped out◊!

The men who *worshiped* [MET] Chemosh have run away and are now refugees,

and the women *who worshiped him* have been captured by *the army of Sihon*, the king of the Amor people-group.

³⁰ But we have defeated *Sihon and* those descendants of Amor,

all the way from Heshbon *in the north* to Dibon *city in the south*.

We have completely obliterated/destroyed them as far as Nophah and Medeba *towns*."

³¹ So the Israeli people began to live in the land where the Amor people-group lived.

³² After Moses/I sent some men to explore the area near Jazer *city*, Israeli people began to live in all the towns in that region and expelled the Amor people-group who lived there. ³³ Then they turned *north* toward the Bashan region, but King Og of Bashan and all his army attacked them at Edrei *town*.

³⁴ Yahweh said to Moses/me, "Do not be afraid of Og, because I am going to enable your men to defeat him and his army, and to take possession of all his land. You will do to him what you did to Sihon, the king of the Amor people-group, who ruled in Heshbon."

³⁵ And that is what happened. We Israelis defeated Og's army, and killed King Og and his sons and all his people. Not a person survived! And then we Israelis began to live in their land.

King Balak summoned Balaam

22 Then the Israelis traveled west to the area of Moab that was in the valley of the Jordan *River*, across the river from Jericho *city*.

² But King Balak, the son of Zippor, who ruled Moab, found out what the Israelis had done to the Amor people-group. ³ *When he saw that* the Israelis were very numerous, he and his people became terrified.

⁴ So the king of Moab *went to* the leaders of the Midian people-group and said to them, "This huge group of *Israelis* will *wipe out/destroy* everything around them, like an ox devours grass!"

Balak was the king of Moab. ⁵ He sent messengers to a *prophet named* Balaam, who was living in his own area, in Pethor *town*, near the *Euphrates* River. He sent this message to request that Balaam would come to *help him*:

"A huge group of people has arrived here from Egypt. *It looks like* they are covering the entire land! And they have begun to live close to us. ⁶ Because they are very powerful/numerous, *we are afraid of them*. So please come and curse them for me. Then my army may be able to defeat them and expel them from the land *where they are now living*. I know that good things will happen to the people whom you bless, and disasters will happen to the people whom you curse."

⁷ *Balak's messengers, who were* leaders of both the Moab and Midian people-groups, took money with them to pay Balaam in order that he would *come and* curse the Israelis. They went to Balaam and told him what Balak had said.

⁸ Balaam said, "Stay here tonight. *Tomorrow morning* I will tell you whatever Yahweh tells me that I should say to you."

So the leaders from Moab stayed there that night.

⁹ During the night, God appeared to Balaam and asked him, "Who are/Tell me about these men who are staying with you."

¹⁰ Balaam replied, "Balak, the king of Moab, sent these men to tell me this: ¹¹ 'A huge group of people has come from Egypt, and they have spread all over this area. Please come immediately to curse them. Then I may be able to defeat them and expel them *from this area*.'"

¹² God replied to Balaam, "Do not go with them! I have blessed those people, so you must not curse them!"

¹³ The next morning, Balaam got up and told Balak's men, "Go back home. *But go by yourselves, because* Yahweh is not allowing me to go with you."

¹⁴ So the men from Moab returned to King Balak and they reported to him, "Balaam refused to come with us."

¹⁵ But Balak sent another *group of* leaders to Balaam. It was a group that was larger and they were more important *than the men in the first group*.

¹⁶ They went to Balaam and told him this:

"This is what King Balak says: 'Please do not allow anything to hinder you from coming here. ¹⁷ I will pay you *a lot of money/very well* if you come, and I will do anything that you ask me to do. Just come and curse these *Israeli* people for me!'"

¹⁸ But Balaam answered them, "Even if Balak would give me a palace filled with silver and gold, I would not do anything to disobey Yahweh, *my God/the God* whom I *worship*". ¹⁹ But stay here one more night, like the other messengers did, and I will find out if Yahweh has anything more to say to me."

²⁰ That night God appeared to Balaam again and said to him, "These men have come to request that you go back with them, so you may go with them, but do only what I tell you *to do!*"

Balaam's donkey spoke to warn him

²¹ So the next morning, Balaam put a saddle on his donkey and he departed *with two of his servants* along with the men from Moab. ²² *Even though* God had given Balaam permission to go, he was still angry. So he sent one of his angels to Balaam. This angel stood in the road to block Balaam's path. As Balaam and the two servants were riding on their donkeys, ²³ Balaam's donkey saw the angel. The angel was standing in the road and was holding a sword in his hand, *but Balaam did not see him*.

Balaam's donkey turned off the road into a field. So Balaam struck the donkey and forced it to go back on to the road. ²⁴ Then the angel stood in a place where the road was very narrow, between two vineyards, with walls on each side of the road. ²⁵ When the donkey saw the angel standing there, it walked very close to the wall *to try to get past the angel*. As a result, it bashed Balaam's foot against the wall. So Balaam struck the donkey again.

²⁶ Then the angel went further along the road and stood at a place that was extremely narrow, with the result that the donkey could not get past at all. ²⁷ This time, when the donkey saw the angel, it lay down *on the ground* with Balaam sitting on top of it. Balaam became extremely angry, and he struck the donkey again with his walking stick. ²⁸ Then Yahweh enabled the donkey to speak! It said to Balaam, "What bad thing have I done to you that caused you to strike me three times?"

²⁹ Balaam shouted, "I struck you because you have caused me to appear to be foolish! If I had a sword with me, I would kill you!"

³⁰ But the donkey answered, "I am your own donkey [RHQ], the one that you have always ridden! Have I ever done anything like this previously?"

Balaam said, "No."

³¹ Then Yahweh enabled Balaam to see the angel standing on the road, holding a sword in his hand. Balaam *realized that it was an angel* and prostrated himself on the ground in front of the angel.

³² The angel asked him, '◊Why did you strike your donkey three times?/ You should certainly not have struck the donkey three times! [RHQ] I have come to block your path because what you are planning to do is wrong. ³³ Three times your donkey saw me and turned away from me. If it had not done that, I would certainly have killed you already, but I would have allowed the donkey to live."

³⁴ Then Balaam said to the angel, "I have sinned. But I did not realize that you were standing there, trying to block my path. So if you do not want me to continue going, I will return home."

³⁵ But the angel replied, "I will allow you to go with these men, but you must say only what I tell you to say!"

So Balaam went on with the leaders whom Balak *had sent*.

³⁶ When King Balak heard that Balaam was coming, he went to meet him at a Moab town alongside the Arnon River that was at the border of his own land.

³⁷ *When he arrived where Balaam was*, he said to him, "I sent you [RHQ] a message saying that you should come immediately [RHQ]! Why did you not come immediately? *Did you think that I was not able to pay you a lot of money for coming?*"

³⁸ Balaam replied, "I have come here now, but I am not able to say anything *that I want to*. I will say only the words that God tells me to say [MTY]."

³⁹ Then Balaam went with Balak to Kiriath-Huzoth town. ⁴⁰ There Balak killed some cattle and sheep as sacrifices, and offered *parts of the meat* to Balaam and the leaders who were with him. ⁴¹ *They slept there*, and the next morning Balak took Balaam part way up *the mountain* to Bamoth-Baal village. From there, they could see some of the Israeli people who were down below.

Balaam blessed the Israeli people

23 Balaam said to King Balak, "Build seven altars for me here. Then kill seven young bulls and seven rams *for a sacrifice*." ² So Balak did that. And then he and Balaam each burned a young bull and a ram *as a sacrifice* on each altar.

³ Then Balaam said to Balak, "You stand here close to your burned offerings, and I will go and ask Yahweh if he has something else to tell me. Then I will tell you what he says to me."

Then Balaam went by himself to the top of a hill, ⁴ and God appeared to him there. Balaam said to him, "We have built seven altars, and I have killed and burned a young bull and a ram *as a sacrifice to you* on each altar."

⁵ Then Yahweh gave Balaam a message to give to King Balak. Then he said, "Go back and tell him what I told you."

⁶ When Balaam returned to Balak, Balak was standing with the leaders from Moab beside the offerings he had burned *on the altar*. ⁷ This is the message that Balaam told them:

"Balak, the King of Moab, summoned me to come here from Syria;

he brought me here from the hills at the eastern side of Syria.

He said, 'Come and curse the descendants of Jacob for me,

saying that bad things will happen to these Israeli people!'

⁸ But ◊how can I curse people whom God has not cursed?/I certainly cannot curse people whom God has not cursed!◊ [RHQ]

◊How can I condemn people whom Yahweh has not condemned?/I cannot condemn people whom Yahweh has not condemned!◊ [RHQ]

⁹ I have seen them from the tops of the rocky peaks, . I see that they are a group of people who live by themselves;

they have separated themselves from other nations.

¹⁰ ◊Who can count the descendants of Jacob; they are as numerous as particles of 'dust/dirt'?/No one can count the descendants of Jacob; they are as numerous as particles of 'dust/dirt'!◊ [RHQ]

◊Who can count even a quarter of the Israeli people?/No one can count even a quarter of the Israeli people!◊ [RHQ]

I wish/hope that I will die like righteous people die; I hope that I will die *peacefully* like they will die."

11 Then Balak said, "What have you done to me [RHQ]? I brought you here to curse my enemies, but instead you have \diamond blessed them/asked Yahweh to bless them \diamond !"

12 But Balaam replied, "I can [RHQ] say only what Yahweh tells me to say. I cannot say anything else."

Balaam prophesied about the Israelis again

13 Then King Balak told Balaam, "Come with me to another place. There you will see only part of the Israeli people, and you will be able to curse those people for me." 14 So Balak took Balaam to a field on the top of Pisgah *Mountain*. There, again he built seven altars and offered a young bull and a ram *as a sacrifice* on each altar.

15 Then Balaam said to the king, "Stand here close to your burned offerings, while I go and talk with Yahweh."

16 So Balaam did that, and Yahweh appeared to Balaam again and gave him another message. Then he said, "Go back to Balak and tell him that message."

17 So Balaam returned to where the king and the leaders from Moab were standing, next to the altar where Balak had burned the sacrifices. Balak asked him, "What did Yahweh say?"

18 Then Balaam told him this message:

"Balak, listen carefully;

hear what I have to say, you son of Zippor [DOU]!

19 God is not a human being.

Humans lie, but God never lies.

He never changes his mind/thoughts, as humans do. Whatever he has said that he will do, he does.

20 He commanded me *to request him* to bless *the Israelis*,

So he has blessed them, and I cannot change that.

21 Yahweh their God is with/helping them;

they have declared that he is their true king.

So the descendants of Jacob will not be harmed;

they will not have any troubles [DOU].

22 God brought them out of Egypt *where they were slaves*;

he is as strong as a wild ox.

23 When people curse [PRS] the descendants of Jacob, they will not be harmed;

when people work sorcery on them, it will have no power.

So now people will say about the descendants of Jacob,

'God has done wonderful things for the Israelis!'

24 They are very strong, like lionesses that are ready to attack *other animals*;

they stand firm like lions.

The lions refuse to rest until they have *killed and eaten* their prey,

and drunk the blood of the animals they slaughtered."

25 Then Balak said to Balaam, "If you will not curse them, then *I certainly do not want you to bless them!*"

26 But Balaam replied, "I told you that I must do only what Yahweh tells me to do!"

Balaam prophesied about the Israelis a third time

27 Then King Balak said to Balaam, "Come with me; I will take you to another place. Perhaps it will please God to allow you to curse them from that place." 28 So Balak took Balaam to the top of Peor *Mountain* where they could look down *and see the Israelis* in the desert.

29 Balaam again told Balak, "Build me seven altars again and kill seven young bulls and seven rams *for a sacrifice*." 30 So Balak did what Balaam told him to do. He burned a young bull and a ram on each altar as sacrifices.

24 Balaam now realized that Yahweh wanted to bless the Israeli people, *not curse them*. So he did not use magic/divination *like a shaman would do* to find out what Yahweh wanted, as he often did. Instead, he turned toward the desert. 2 He saw the Israeli people camped there *in their tents*, with each tribe gathered in its own group. Then the Spirit of God took control of him, 3 and enabled him to give this prophetic message to Balak:

"I, Balaam, the son of Beor, am giving this prophecy; I am speaking as a man who sees *what will happen in the future* clearly speaks.

4 I hear this message from God;

I see a vision from him who is all-powerful.

My eyes are open as I prostrate myself in front of him.

5 You descendants of Jacob, your tents are very beautiful;
they are truly lovely!

6 Your tents are spread out *in front of me like groves of palm trees in valleys*,

like gardens alongside a river.

They are like strong aloe trees/plants that Yahweh has planted,

like *strong cedar trees that grow* along the rivers.

7 Your water buckets will always be full;

the seeds *that you plant* will always have plenty of water *to make them grow*.

The Israelis' king will be greater than *King Agag*;
the kingdom that he rules will be honored.

8 God brought the Israelis out of Egypt, *leading them along* with his great power [MTY] like a wild ox has.

He devastates all the nations that oppose him;
he breaks all those people's bones into pieces,
and shoots them with his arrows.

9 The Israelis are like lions that crouch and lie down, *ready to pounce on their prey* [SIM].

They are like lionesses *that are resting, but ready to attack*;

no one [RHQ] would dare to arouse them!
God will bless everyone who blesses you Israelis,
and he will curse everyone who curses you."

10 Then King Balak was extremely angry with Balaam. He showed with his hands that he was very angry, and he *shouted at Balaam*, "I summoned you here to curse my enemies! Instead, you have \diamond blessed/asked God to bless \diamond them three times! 11 So now, get out of here! Go back home! I said that I would pay you a lot of money *if you cursed them*, but Yahweh has prevented you from getting any pay!"

12 Balaam said to Balak, "*Do you not remember what* [RHQ] I told the messengers that you sent to me? I said, 13 'Even if Balak would give me a palace filled with silver and gold, I would not disobey Yahweh. I cannot do anything bad or anything that is good *that he does not approve of.*' And I told you that I could say only what Yahweh says to me. 14 So yes, I will return to my people, but first, allow me to tell you what will happen to you Moab people in the future."

Balaam prophesied a fourth time

15 So Balaam said this *to Balak*:

"I, Balaam, son of Beor, am again giving a prophecy, speaking as a man who sees *what will happen in the future* clearly speaks.

16 I hear a message from God;

I know things that God, who lives in heaven, has *revealed to me*.

I see a vision from him who is all-powerful.

My eyes are open as I prostrate myself in front of him.

17 The things that I see *in the vision* are not *going to happen now*;

I see things *that God will cause to happen* in the future.

A man who is *a descendant of Jacob* will appear like a star [MET];

a king who holds a scepter will be one of the Israeli people.

He will crush the heads of you people of Moab;
he will wipe out the descendants of Seth.

18 The Israelis will occupy Edom,
and they will conquer their enemies *who live near Seir Mountain*.

The Israeli people will be victorious/strong.

19 A ruler who is a descendant of Jacob will come;
he will get rid of the people who still live in the city *where Balaam first met Balak*."

Balaam's final prophecies

20 Then Balaam looked out over where the Amalek people-group *lived*, and he prophesied this:

"The Amalek people-group were the greatest nation,

but they will be wiped out."

21 Then he looked out over the area where the Ken people-group *lived*, and he prophesied this:

"You *think that* the place where you live is secure/safe like a nest that is made in the cliffs [MET],

22 but you will be wiped out

when the army of Assyria conquers you."

23 Balaam ended his prophecies by saying, "Also, \diamond who can 'survive/escape' when God does all these things?/no one will be able to 'survive/escape' when God does all these things! \diamond [RHQ]

24 Ships will come from Cyprus *Island*,
and *the men in those ships* will defeat *the armies of Assyria and Eber*.

But God will get rid of those men, too."

25 Then Balaam and Balak returned to their homes.

The Israelis worshiped Baal

25 While the Israelis were camped at a place called *Acacia Grove*, some of the men caused themselves to become unacceptable to God by having sex with some of the women of the Moab *people-group who lived in that area*. 2 Then those women invited the men to come when the sacrifices were being offered to their gods. The Israeli men *accepted*. They went to the feasts with the women and worshiped the gods of the Moab people-group. 3 By doing that, those Israeli people joined the women in worshiping the god Baal *add* who the Moab people-group thought lived on Peor Mountain. That caused Yahweh to become very angry with his people.

4 Yahweh said this to Moses/me: "Seize all the leaders of those men who are doing this and execute them while I am watching. Do that in the daytime. After you do that, I will no longer be angry with the Israeli people."

5 So Moses/I said to the other Israeli leaders, "Each of you must execute your men who have joined *others* in worshiping Baal."

6 *But later*, while Moses/I and many [HYP] other people were crying at the entrance of the Sacred Tent, while they/we were watching, one of the Israeli men brought a woman from the Midian people-group into his tent *and started to have sex with her*. 7 When Phinehas, who was the grandson of Aaron, saw that, he grabbed a spear 8 and rushed into the man's tent. He thrust the spear completely through the man's body and into the woman's belly *and killed both of them*. When he did that, the \diamond plague/serious illness \diamond *that had started to strike the Israelis* stopped. 9 But 24,000 people had already died *from that plague*.

10 Then Yahweh said to Moses/me, 11 "Phinehas has caused me to stop being angry with the Israeli people, by being as eager as I am *to stop this sinful behavior*. I was ready to get rid of all the Israeli people because I was extremely angry, but Phinehas has prevented me from doing that. 12 Now tell him that I am making a special peace agreement with him. 13 In this agree-

ment, I am promising to give to him and to his descendants the right/authority to be priests. I am doing this because *he showed that* he was very eager to honor me, his God, by stopping this sinful behavior. He has caused the Israeli people to become acceptable to me again by causing them to be forgiven for their sin."

¹⁴ The Israeli man who was killed with the woman of the Moab people-group was named Zimri. He was the son of Salu, who was the leader of a family from the tribe of Simeon. ¹⁵ The woman's name was Cozbi. She was the daughter of Zur, who was the leader of one of the clans of the Midian people-group.

¹⁶ Then Yahweh said to Moses/me, ¹⁷ "Take your men and attack the Midian people-group and kill them. ¹⁸ They have become your enemies, because they tricked you Israeli people and induced/persuaded many of you to worship Baal, and because *one of your men had sex with Cozbi*, who was the daughter of a leader of the Midian people-group. She was killed at the time the plague started because the people sinned at Peor Mountain."

The people were counted again

26 After the plague ended, Yahweh said to Eleazar and Moses/me, ² "Count all the people of Israel again. Write down the names of all the men who are at least 20 years old who are able to fight in battles, along with their family names." ³ So while the Israelis were on the plains where the Moab people-group lived, Eleazar and Moses/I told this to the Israeli leaders: ⁴ "Write down the names of all the Israeli men who are at least 20 years old, as Yahweh has commanded us."

So they did that, and this is a record of all the descendants of Jacob who came out of Egypt who were still alive.

⁵⁻⁷ They counted 43,730 men from the tribe of Reuben, Jacob's oldest son. They were in clans descended from Hanoch, Pallu, Hezron, and Carmi.

⁸ Pallu's son was Eliab ⁹ and his grandsons were Nemuel, Dathan and Abiram. Dathan and Abiram were the leaders who joined with Korah to conspire against Aaron and Moses/me and rebelled against Yahweh.

¹⁰ But the earth opened up and swallowed them and Korah. Yahweh also sent a fire that burned up 250 men who supported those three men. That was a warning to all the Israeli people that they should respect and obey the leaders whom Yahweh had appointed. ¹¹ But the descendants of Korah did not die on that day.

¹²⁻¹⁴ The Israeli leaders counted 22,200 men from the tribe of Simeon. They were in clans descended from Nemuel, Jamin, Jakin, Zerah, and Shaul.

¹⁵⁻¹⁸ They counted 40,500 men from the tribe of Gad. They were in clans descended from Zephon, Haggi, Shuni, Ozni, Eri, Arod, and Areli.

¹⁹⁻²² They counted 76,500 men from the tribe of Judah. They were in clans descended from Shelah, Perez, Zerah, Hezron, and Hamul. Judah's other two sons, Er and Onan, died in Canaan without having had any children.

²³⁻²⁵ They counted 64,300 men from the tribe of Issachar. They were in clans descended from Tola, Puvah, Jashub, and Shimron.

²⁶⁻²⁷ They counted 60,500 men from the tribe of Zebulun. They were in clans descended from Sered, Elon, and Jahleel.

²⁸⁻³⁴ They counted 52,700 men from the tribe of Manasseh, who was one of the sons of Joseph. They were in clans descended from Machir, from his son Gilead, and from his six grandsons—Jezer, Helek, Asriel, Shechem, Shemida, and Hephher. Hephher's son Zelophehad did not have any sons, but he had five daughters—Mahlah, Noah, Hoglah, Milcah, and Tirzah.

³⁵⁻³⁷ They counted 32,500 men from the tribe of Ephraim, who was Joseph's other son. They were in clans descended from Shuthelah, Becher, Tahan, and Shuthelah's son Eran.

³⁸⁻⁴¹ They counted 45,600 men from the tribe of Benjamin. They were in clans descended from Bela, Ashbel, Ahiram, Shephupham, and Hupham, and from Bela's two sons—Ard and Naaman.

⁴²⁻⁴³ They counted 64,400 men from the tribe of Dan. They were in one clan descended from Shuham.

⁴⁴⁻⁴⁷ They counted 53,400 men from the tribe of Asher. They were in clans descended from Imnah, Ishvi, and Beriah, and from Beriah's two sons—Heber and Malkiel. Asher also had a daughter named Serah.

⁴⁸⁻⁵⁰ They counted 45,400 men from the tribe of Naphtali. They were in clans descended from Jahzeel, Guni, Jezer, and Shillem.

⁵¹ The total of the Israeli men whom the leaders counted was 601,730.

⁵² Then Yahweh said to Moses/me, ⁵³ "Divide Canaan land among the tribes. Distribute the land according to the number of people in each tribe that are on your lists. ⁵⁴⁻⁵⁶ Decide by casting lots/throwing stones which are marked to determine which group will get which area, but give the largest areas to the groups with the most people."

⁵⁷ The leaders also counted the male descendants of Levi. They were in clans descended from Gershon, Kohath, and Merari. ⁵⁸ These also included people from the clans of Libni, Hebron, Mahli, Mushi, and Korah. All of them were descendants of Levi. Kohath was the ancestor of Amram, ⁵⁹ whose wife was Jochebed. She also was a descendant of Levi, but she was born in Egypt. She and Amram had two sons, Aaron and Moses/me, and their/our older sister Miriam.

⁶⁰ Aaron's sons were Nadab, Abihu, Eleazar, and

Ithamar.⁶¹ But Nadab and Abihu died when they burned *incense for a sacrifice* to Yahweh in a way that disobeyed what Yahweh had commanded.

⁶² The leaders counted 23,000 men from the descendants of Levi who were at least one month old. But these men were not counted when the rest of the Israeli people *were counted*, because they were not given any land.

⁶³ Those were the men whom Eleazar and Moses/I said should be counted. They counted the Israeli people on the plains where the Moab people-group lived, on the east side of the Jordan River, across from Jericho city.⁶⁴ None of the men whom they counted were on the lists that were made by Aaron and Moses/me when the Israelis were in the Sinai Desert,⁶⁵ because Yahweh had said about them, "They will all die in this desert," *and that is what happened*. The only ones who were still alive were Jephunneh's son Caleb and Nun's son Joshua.

The request of the daughters of Zelophehad

27 One day the five daughters of Zelophehad came to *Moses/me*. They were Mahlah, Noah, Hoglah, Milcah, and Tirzah.² They came to the entrance of the Sacred Tent and stood in front of Eleazar, Moses/me, the tribal leaders, and many [EUP] other Israeli people.³ They said, "Our father died *during the time that we were* in the desert, and he did not have any sons. But he was not among those who supported Korah, who rebelled against Yahweh. He died just because he was a sinner *like everyone else*."⁴ ♦ Why should the name of his clan disappear *with the result that we do not receive any land* only because our father had no sons?/It is not right that the name of his clan disappear *with the result that we do not receive any land* only because our father had no sons. ♦ [RHQ] So give us some land like our relatives will be getting!"

⁵ So Moses/I asked Yahweh *what to do about* their request.⁶ And Yahweh replied,⁷ "What the daughters of Zelophehad are requesting is right. You must give them some land, just as you are giving to their father's relatives. Give to each of them some of the land that would have been given to their brothers *if they had any*."

⁸ "Also tell this to the Israeli people: 'If a man who has no sons dies, give the things that his sons would have inherited to his daughters.⁹ If the man has no sons or daughters, give to his brothers the things that his sons and daughters would have inherited.¹⁰ If the man had no brothers, give to his father's brothers the things that his sons or daughters or brothers would have inherited.¹¹ If the man's father has no brothers, give to his closest relative the things that the others would have inherited.' That will be a rule for the Israeli people, because I am giving this as a command to you, Moses, *to tell them*."

Joshua was chosen to be the Israelis' new leader

¹² One day, Yahweh said to Moses/me, "Climb to the top of the Abarim Mountains *east of the Jordan River*. Then look out over the land that I am giving to the Israeli people.¹³ After you have seen it, you will die [EUP] just like your *older* brother Aaron did.¹⁴ The reason *that you will die and not enter that land* is that you both disobeyed my instructions/commands in the Zin Desert. When the Israeli people rebelled against me there at Meribah, near Kadesh, *I told you to speak to the rock to cause water to flow out of it. But because you struck the rock instead of speaking to it, you did not show the people my holy power*."

¹⁵ Then Moses/I said this to Yahweh:¹⁶ "Yahweh, you are the God who directs the spirits of all people. So please appoint a new leader for the Israeli people.¹⁷ Appoint someone who will lead your people when they go to fight a battle, so that they will not *just wander around* like sheep that do not have a shepherd." [SIM]

¹⁸ Yahweh replied, "Get Joshua, the son of Nun, who has my Spirit within him. Lay your hands on him *to appoint him*."¹⁹ Cause him to stand in front of Eleazar the priest, as all the people are watching, and commission/appoint him to be the new leader of the Israeli people.²⁰ Give to him some of the authority that you now have, in order that all the Israeli people will *know that they must obey him*.²¹ When you all need me to guide you, Joshua will stand in front of Eleazar. Then by ♦ casting lots/throwing marked stones on the ground ♦ Eleazar will find out what they should do."

²² So Moses/I did what Yahweh commanded. He/I presented Joshua to Eleazar and to all the Israeli people.²³ Moses/I laid his/my hands on him and commissioned/appointed him to do the work that Yahweh told Moses/me to tell him to do.

The daily offerings

28 Yahweh said this to Moses/me:² "Tell this to the Israeli people: Bring to me the offerings that will be burned *on the altar*. When they are burned, the smell will be very pleasing to me. And tell them that they must bring them at the proper/right time.³ Tell them that what they must bring to me each day are two male lambs that are one-year-old. They must have no defects. They must be completely burned *on the altar*.⁴ They should bring one in the morning and the other early in the evening.⁵ They must also bring an offering of grain, consisting of two quarts/liters of finely-ground flour, mixed with a quart of *olive oil*.⁶ That is the offering that they must bring every day. They started to bring those offerings *while you were* at Sinai Mountain. When those offerings are burned *on the altar*, the smell will be very pleasing to me.⁷ When they burn each lamb, they must also pour on the sacred altar one quart/liter of wine.⁸ In the

evening, when they offer the second lamb, they must also bring the same offerings of grain and wine as *they burned in the morning*. When they are burned, the smell will also be very pleasing to me."

The offerings on the Sabbath

⁹ "On each \diamond Sabbath/rest day \diamond , you must bring two male lambs that have no defects. Also bring a grain offering of four quarts/liters of finely-ground flour mixed with *olive* oil and a wine offering of four quarts/liters of wine. ¹⁰ Those are the offerings that are to be burned *on the altar* each \diamond Sabbath/rest day \diamond . Those are in addition to the offerings of two lambs and wine that you must bring each day."

The monthly offerings

¹¹ "On the first day of each month, you must bring to me an offering of two young bulls, one male sheep, and seven male lambs that are one-year-old. All of these must be without defects. They must all be burned *completely on the altar*. ¹² Also bring with each bull an offering of six quarts/liters of finely-ground flour mixed with *olive* oil. With each male sheep make an offering of four quarts of finely-ground flour mixed with *olive* oil. ¹³ Also bring an offering of two quarts/liters of finely-ground flour mixed with *olive* oil with each lamb. When all of these are burned *on the altar*, the smell will be very pleasing to me. ¹⁴ With each bull, also bring two quarts/liters of wine. With each male sheep, bring \diamond 1-1/3 quarts/1.2 liters \diamond of wine. With each lamb, bring one quart/liter of wine. These offerings must be brought on the first day of each month and burned *completely on the altar*. ¹⁵ In addition to these offerings that you burn, you must bring to me one goat for an offering to *enable me to forgive you for the sins you have committed*."

The sacrifices during the Festivals of Passover and Unleavened Bread

¹⁶ "The Passover Festival must be celebrated to *honor me each year* on the fourteenth day of the first month *of each year*. ¹⁷ The Festival of Unleavened Bread will start on the next day. For the following seven days, the bread that you eat must be made without yeast. ¹⁸ On the first day of that festival, you must gather together to worship me, and you must not do any work. ¹⁹ On that day, you must bring to me for an offering that will be completely burned *on the altar* two young bulls, one male sheep, and seven male lambs that are one-year-old. They must all have no defects. ²⁰ With each of these bulls, bring a grain offering of grain, consisting of six quarts/liters of finely-ground flour mixed with *olive* oil. With the male sheep, bring an offering of grain consisting of four quarts/liters of finely-ground flour mixed with *olive* oil. ²¹ With each of the seven lambs, bring an offering of

two quarts/liters of finely-ground flour mixed with *olive* oil. ²² Also bring one goat for a sacrifice to cause you to be forgiven for your sin. ²³ Bring these offerings in addition to the offerings that you bring each morning. ²⁴ The smell of the grain that is burned *on the altar* each day for seven days will be very pleasing to me. Bring the grain in addition to the animals and the wine that you burn *on the altar*. ²⁵ On the seventh day of that festival, you must *again* gather together to worship me, and you must not do any work."

The sacrifices during the Harvest Festival

²⁶ "On the day of the Harvest Festival, when you bring to me the first grain that you have harvested, you must gather together to worship me. Do not do any work on that day. ²⁷ Bring to me two young bulls, one male sheep, and seven male lambs that are one-year-old. When they are completely burned *on the altar*, the smell will be very pleasing to me. ²⁸ Also bring a grain offering of nice flour mixed with *olive* oil. For each bull, bring six quarts/liters, and with each male sheep, bring four quarts/liters, ²⁹ and with each of the lambs bring two quarts/liters. ³⁰ Also sacrifice one male goat to cause you to be forgiven for your sins. ³¹ Bring these offerings and the offering of wine in addition to the animals and grain that you burn *on the altar* each day. *And remember that* the animals that you sacrifice must have no defects."

The sacrifices for the Festival of Trumpets

²⁹ "Each year, gather together to worship me on the first day of the seventh month, and do not do any work on that day. On that day *the priests* must blow their trumpets.

² When the offerings *on the altar on that day* are being completely burned, the smell will be very pleasing to me. The animals that you must bring are one young bull, one male sheep, and seven male lambs that are one-year-old. They must have no defects. ³ With these animals bring an offering of grain consisting of finely-ground flour mixed with *olive* oil. With the bull, bring six quarts/liters. With the male sheep, bring four quarts/liters, ⁴ and with each of the seven lambs bring two quarts/liters. ⁵ Also offer one male goat in order that you will be forgiven for your sins. ⁶ All of those animals are in addition to the animals that are completely burned *on the altar* each morning and on the first day of each month. The offerings of grain and wine must be made exactly as I have told you to do. When these offerings are burned, the smell will be very pleasing to me."

The day of Atonement

⁷ "Each year, on the tenth day of the seventh month, you must gather together to worship me. Do not eat any food or do any work on that day. ⁸ When you burn offerings *on the altar* on that day, the smell will be

very pleasing to me. The animals that you must bring are one young bull, one male sheep, and seven male lambs that are one-year-old. They must have no defects. ⁹ With the bull, bring an offering of grain consisting of six quarts/liters of nice flour mixed with *olive* oil. With the male sheep, bring four quarts/liters. ¹⁰ With each of the lambs, bring two quarts/liters. ¹¹ Also bring one male goat to *enable me to forgive* you for the sins you have committed, and the animals and grain and wine that you burn *on the altar* each day to enable me to forgive you for the sins you have committed. Those offerings will be in addition to the animals and grain and wine that are completely burned *on the altar* each day."

The Festival of Shelters

¹² "On the fifteenth day of the seventh month of *each year*, you must all gather together to worship me. You must not do any work on that day. You must continue to celebrate for seven days. ¹³ When the offerings are burned *on the altar*, the smell will be very pleasing to me. The animals that you must bring are 13 young bulls, two male sheep, and 14 male lambs that are one-year-old. These animals must have no defects. ¹⁴ With each of the 13 bulls, bring a grain offering of six quarts/liters of finely-ground flour mixed with *olive* oil. With each of the male sheep, bring four quarts/liters. ¹⁵ With each of the 14 lambs, bring two quarts/liters. ¹⁶ Also bring one male goat to be sacrificed *to enable me to forgive you* for your sins, in addition to the offerings of animals and grain and wine that are completely burned *on the altar* each day.

¹⁷⁻³⁴ "For the next six days of the festival, you must also bring animals to sacrifice. On the second day, bring twelve bulls. On the third/next day, bring eleven bulls. On the fourth/next day, bring ten bulls. On the fifth/next day, bring nine bulls. On the sixth/next day, bring eight bulls. On the seventh/last day, bring seven bulls. But on each of those days, all the other sacrifices and offerings that you bring will remain the same.

³⁵ "On the eighth day of the festival, you must *again* gather together to worship me, and do not do any work on that day. ³⁶ On that day, you must bring to the altar one bull, one full-grown ram, and seven lambs that are one-year-old. These animals must have no defects. They must all be burned on the altar, and their smell will please me. ³⁷ Bring also with the bull and the male sheep and each of the lambs the offerings of grain and wine that *are required/I told you to bring*. ³⁸ Also offer one male goat to be sacrificed *to enable me to forgive you* for your sins. These animals will be in addition to the offerings of animals and grain and wine that are completely burned *on the altar* each day.

³⁹ "At your festivals, these are the offerings that you must bring to me: The offerings that will be completely burned *on the altar*, the offerings of grain and wine, and the offerings to maintain fellowship with me.

Those are in addition to the offerings that you give to me because you promised to do something, and other special offerings that you want to give to me."

⁴⁰ Then Moses/I told to the Israeli people all the things that Yahweh had commanded him/me.

Rules about special promises to Yahweh

30 Moses/I spoke with the leaders of the Israeli tribes. He/I told them these commands that Yahweh had given to him/me:

² "If a man solemnly promises Yahweh that he will do something, he must do what he promised.

³ "If a young woman who is still living with her parents solemnly promises to Yahweh to do something, ⁴ and if her father hears about what she promised, and if he does not object, she must do what she promised [DOU]. ⁵ But if her father hears about what she promised and does not allow her to do that, then she does not need to do what she promised. Yahweh will forgive her for not doing what she promised.

⁶ "If a woman promises Yahweh that she will do something, but then she gets married, ⁷ if her husband hears about what she promised to do, and he does not object, she must do what she promised [DOU]. ⁸ But if her husband hears about it and does not allow her to do that, she does not need to do what she promised, and Yahweh will forgive her for not doing what she promised.

⁹ "If a widow or a woman who has been divorced makes a promise, she must do what she promised.

¹⁰ "If a woman who is married promises [DOU] to do something, ¹¹ and if her husband hears about it but does not object, she must do what she promised. ¹² But if he hears about it and does not allow her to do that, she does not need to do what she promised, and Yahweh will forgive her for not doing it. ¹³ A woman's husband may require her to do what she has promised, or he may not allow her to do what she has promised. ¹⁴ If he does not object for several days *after he hears about it*, she must do what she promised. ¹⁵ But if he waits a long time after she has promised to do something and then he tells her that he will not permit her to do it, if she does not do what she promised, *she will not be punished*; her husband is the one whom *Yahweh* will punish."

¹⁶ Those are the rules that Yahweh gave to Moses/I for husbands and wives, and for young women who are still living with their parents.

The Israelis attacked the Midian people-group

31 Yahweh spoke to Moses/me and said, ² "Before you die, *tell the* Israeli people that they should *pay back/get revenge on* the Midian people-group for what they did to you."

³ So Moses/I said to the people, "Get some men prepared for battle. Yahweh will enable them to *pay back/get revenge on* the Midian people-group *for*

what they did to us. ⁴ Select 1,000 men from each tribe to fight." ⁵ So 12,000 men prepared for fighting in the battle, 1,000 from each tribe. ⁶ When Moses/I sent them to the battle, Phinehas, the son of Eleazar the priest, went with them. He took with him some of the things from the Sacred Tent and the trumpets that would be blown to give the signal *to start the battle*.

⁷ The Israeli men fought the soldiers from the Midian people-group, as Yahweh had told Moses/me to tell them to do, and they killed every man from the Midian people-group. ⁸ Among those whom they killed were the five kings of the Midian people-group—Evi, Rekem, Zur, Hur, and Reba. They also killed with a sword Balaam, the son of Beor. ⁹ They captured all the women and children of the Midian people-group and took away their cattle, their flocks of sheep, and herds of goats, and all their other possessions. ¹⁰ Then they burned down all the houses in the towns and villages where the people of the Midian people-group lived, ¹¹ but they took home with them all the women and children and animals and possessions. ¹² They brought all these to Eleazar and Moses/me, and to the rest of the Israeli people who were at their/our camp on the plains where the Moab people-group lived, near the Jordan River, across from Jericho. ¹³ Eleazar and all the leaders of the people and Moses/I went outside the camp to greet/meet with them.

¹⁴ But Moses/I was angry with some of the men who had returned from the battle. He/I was angry with the army officers and the men who were commanders of 1,000 men and those who were commanders of 100 men. ¹⁵ He/I asked them, "Why did you allow the women to live [RHQ]? ¹⁶ They are the ones who did what Balaam suggested and urged/persuaded our people to worship Baal *instead of Yahweh*. As a result, Yahweh caused a plague to strike his people while they were at Peor. ¹⁷ So, now you must kill all the boys of the Midian people-group, and also kill all the women who have had sex [EUP] with any man. ¹⁸ Spare only the girls who are virgins [EUP]. You can keep them to be your *wives or your slaves*.

¹⁹ All of you who have killed someone or touched the corpse of someone who was killed *in the battle* must stay outside the camp for seven days. On the third day and on the seventh day, you must *perform the ritual* to cause you and those whom you have captured to become acceptable to God again. ²⁰ You must also wash your clothes and anything *that you took to the battle* that is made of leather or goat's hair or wood."

²¹ Then Eleazar said to the soldiers who had returned from the battle, "This is what Yahweh has instructed Moses: ²² You must put into a fire any gold or silver or bronze or iron or tin or lead things *that you brought back from the battle*. ²³ Put everything that will not burn into the fire, and then they will be acceptable for you to use. But also sprinkle those things with the water that causes things and people to become

acceptable to God. The things that would burn *if you put them* in a fire, sprinkle them with that water. ²⁴ On the seventh day, wash your clothes, and then you will become acceptable to God again. After you do that, you may return to the camp."

Dividing the captured goods

²⁵ Yahweh also said to Moses/me, ²⁶ "Tell Eleazar and the leaders of the family groups that they must write down a list of all the goods, the women, and the animals that were captured *in the battle*. ²⁷ Then they must divide all those things, half given to the men who fought in the battle and the other half given to the rest of the people. ²⁸ From the men who fought in the battle, take one from every 500 people and from every 500 cattle and donkeys and sheep, to be a tax for me. ²⁹ Take these things to Eleazar to \diamond be my share/belong to me \diamond . ³⁰ And from the half that belongs to the ordinary people, take one item from every 50. That includes people, cattle, donkeys, sheep, goats, and other animals. Give those things to the descendants of Levi who take care of my Sacred Tent." ³¹ So Eleazar and Moses/I did what Yahweh commanded.

³²⁻³⁵ There were 675,000 sheep, 72,000 cattle, 61,000 donkeys, and 32,000 virgins that they had captured from the Midian people-group.

³⁶ The men who fought in the battle took 337,000 sheep *from the battle*, ³⁷ and they gave 675 of them to Yahweh. ³⁸ They took 36,000 cattle and gave 72 of them to Yahweh. ³⁹ They took 30,500 donkeys, and they gave 61 of them to Yahweh. ⁴⁰ They took 16,000 virgins, and they dedicated 32 of them to Yahweh.

⁴¹ Moses/I gave to Eleazar all *the animals* that had been given to Yahweh, as Yahweh had commanded.

⁴²⁻⁴⁶ Moses/I separated what those who had fought in the battle received from what the other people received. The people had taken 337,500 sheep, 36,000 cattle, 30,500 donkeys, and 16,000 virgins, ⁴⁷ From what the people received, Moses/I took one from every 50 items and dedicated them to Yahweh. That included animals and people. As Yahweh commanded, he/I gave them all to the descendants of Levi who took care of the Sacred Tent.

⁴⁸ Then the army officers and those who commanded 1,000 men and those who commanded 100 men came to Moses/me. ⁴⁹ They said, "We, who are your servants, have counted the soldiers whom we command, and *we found that none of them \diamond is missing/has been killed \diamond* . ⁵⁰ So *to thank Yahweh for that*, we have brought to him a gift of the gold items that we found *after the battle*: Gold arm bands and bracelets and rings and earrings and necklaces. This will enable us to be forgiven for our sins."

⁵¹ So Eleazar and Moses/I accepted the gold items that they brought. ⁵² The total of it weighed about \diamond 420 pounds/190 kg. \diamond . ⁵³ Each soldier had taken these things for himself. ⁵⁴ Eleazar and Moses/I ac-

cepted these gold items from these commanders and put them in the Sacred Tent to remind the Israeli people about how Yahweh *had helped them defeat the Midian people-group*.

The land east of the Jordan River

32 The people of the tribes of Reuben and Gad had much livestock. They saw that the land near Jazer city and the Gilead region east of the Jordan River had good grass for the animals to graze on. ² So their leaders came to Eleazar and the other leaders of the people and Moses/me. They said, ³ “We have a great amount of livestock. ⁴ Yahweh has enabled us Israelis to capture some land that is very good for animals to graze on—the land near Ataroth, Dibon, Jazer, Nimrah, Heshbon, Elealeh, Sebam, Nebo, and Beon towns. ⁵ If it pleases you, we would like this land to be ours, instead of land on the other side of the Jordan River.”

⁶ Moses/I replied to the leaders of the tribes of Gad and Reuben, “It is not right for [RHQ] your fellow Israelis to go to fight in wars and you stay here! ⁷ If you do that, you will cause the other Israelis to be discouraged, with the result that they will not cross the Jordan River to the land that Yahweh is giving to them [RHQ]. ⁸ Your ancestors did the same kind of thing. I sent them from Kadesh-Barnea to see what the land of Canaan was like. ⁹ They went as far as Eshcol Valley, but when they saw the huge people in the land, they returned and caused the Israeli people to be discouraged, saying ‘We should not try to enter the land that Yahweh said that he is giving to us.’ ¹⁰ So Yahweh became very angry with them, and he solemnly declared this: ¹¹⁻¹² ‘From all the people who came out of Egypt, the only ones who are at least 20 years old who will see the land that I promised to give to Abraham, Isaac, and Jacob, are Jephunneh’s son Caleb and Nun’s son Joshua, because they trusted me completely. None of the other people who came out of Egypt will even see that land, because they have not completely believed in my power.’ ¹³ So Yahweh was angry with the Israeli people, and as a result he has caused us to wander in this desert for 40 years. Finally, all the people who had sinned against Yahweh by refusing to trust him died, one by one. ¹⁴ And you are acting like your ancestors did! You sinful Israeli people are going to cause Yahweh to be more angry with you than he was with our ancestors! ¹⁵ If you stop trusting him, he will cause you and all your fellow Israelis to stay longer in the desert, and he will get rid of all of you!”

¹⁶ Then the leaders of the tribes of Reuben and Gad said to Moses/me, “First we will build pens for our animals and build cities for our families here. ¹⁷ Then our families will live in strong cities with walls around them, and they will be safe from the people who live in this land. Then we will get ready to fight battles. We will help the other Israelis to get land on the other side of the river. ¹⁸ We will not return to our homes

until every Israeli has received some land. ¹⁹ We will not take any land on the west side of the Jordan River; our land will be here on the east side.”

²⁰ So Moses/I told them, “Okay, I will tell you what you all must do. You must get ready to fight battles for Yahweh. ²¹ You all must cross the Jordan River carrying your weapons. ²² After Yahweh helps us to take that land from the people who live there, you will be permitted to return to your homes. You will have done what you have promised Yahweh and the Israeli people that you would do, and you may keep this land to be your own, given to you by Yahweh.

²³ “But if you do not do these things, you will be sinning against Yahweh, and he will punish you for that sin. ²⁴ Now you can build cities for your families and pens for your animals, but after doing that, you must do what you have promised.”

²⁵ The leaders of the tribes of Gad and Reuben replied, “We will do what you have asked us to do [MTY], because you are our leader. ²⁶ Our wives and children and our cattle and sheep and goats will stay here in the cities in the Gilead area, ²⁷ but we will prepare to go to battle. We will take our weapons and go across the Jordan River and fight for Yahweh, just as you, our leader, have said.”

²⁸ So Moses/I gave instructions about them to Eleazar, Joshua, and the leaders of the Israeli tribes. ²⁹ Moses/I said to them, “If the men from the tribes of Gad and Reuben prepare for battle and cross the Jordan River with you, in order to do what Yahweh desires and help you to take that land, give them the Gilead area to belong to them. ³⁰ But if they do not take their weapons and go with you prepared to fight, they will not receive this land. They will need to accept some land in Canaan, like the rest of you will do.”

³¹ The leaders of the tribes of Gad and Reuben replied, “We will do what you have said and what Yahweh has said. ³² We will cross the river into Canaan land, and we will do what Yahweh desires and be prepared for battle. But our land will be here on the east side of the Jordan River.”

³³ So Moses/I agreed to give that land to the tribes of Gad and Reuben and to half of the tribe of Joseph’s son Manasseh. That land was previously the land where Sihon, the king of the Amor people-group, ruled, and the land where Og, the king of Bashan region, ruled, including its cities and surrounding land.

³⁴ The people of the tribe of Gad rebuilt Dibon, Ataroth, Aroer, ³⁵ Atroth-Shophan, Jazer, Jogbehah, ³⁶ Beth-Nimrah, and Beth-Haran cities. Those were cities with strong walls around them. And they also built pens for their sheep.

³⁷ The people of the tribe of Reuben rebuilt Heshbon, Elealeh, Kiriathaim, ³⁸ Nebo, Baal-Meon, and Sibmah cities. When they rebuilt Nebo and Baal-Meon, they gave new names to those cities.

³⁹ The descendants of Manasseh’s son Makir went to the Gilead region and compelled the people of the

Amor people-group to leave that area. ⁴⁰ So Moses/I gave Gilead to the family of Makir, and they started to live there. ⁴¹ Jair, who was also a descendant of Manasseh, went and captured the small towns in that region, and he named them the Towns of Jair. ⁴² A man named Nobah went and captured Kenath *city* and the nearby towns, and then he put his own name to be the new name of that area.

The Israelis' journey from Egypt to Moab

33 Here is a list of the places where the/we Israelis went as Aaron and Moses/I led them/us after they/we left Egypt. ² Yahweh commanded Moses/me to write down the names of the places where they/we went.

³ On the fifteenth day of the first month *of the year*, the day after we celebrated the \diamond Passover/the time when Yahweh killed all the firstborn sons of the people of Egypt \diamond , they/we left Rameses *city in Egypt* and marched boldly while the Egyptian army was coming behind them/us. ⁴ As they/we left, the people of Egypt were still burying the bodies of their firstborn sons. *By killing them*, Yahweh showed that the gods that the people of Egypt worshiped were false gods.

⁵ After leaving Rameses, they/we first went to Succoth and set up their/our tents there.

⁶ Then they/we left Succoth and went to Etham, at the edge of the desert, and set up their/our tents there.

⁷ Then they/we left Etham and returned to Pi-Hahiroth, to the east of Baal-Zephon, and set up their/our tents near Migdol.

⁸ Then they/we left Pi-Hahiroth and walked through the *Red Sea* into the Etham Desert, and set their/our tents at Marah.

⁹ Then they/we left Marah and went to Elim. There were twelve springs and 70 palm trees there. They/We set up our tents there.

¹⁰ Then they/we left Elim and went to the area near the Red Sea and set up their/our tents there.

¹¹ Then they/we left the Red Sea area and went to the area near the Sin Desert and set up their/our tents there.

¹² Then they/we left the Sin Desert and went to Dophkah and set up their/our tents there.

¹³ Then they/we left Dophkah and went to Alush and set up their/our tents there.

¹⁴ Then they/we left Alush and went and set up their/our tents at Rephidim, where they/we had no water to drink.

¹⁵ Then they/we left Rephidim and went to the Sinai Desert and set up their/our tents there.

¹⁶ Then they/we left the Sinai Desert and went to Kibroth-Hattaavah and set up their/our tents there.

¹⁷ Then they/we left Kibroth-Hattaavah and went to Hazeroth and set up their/our tents there.

¹⁸ Then they/we left Hazeroth and went to Rithmah and set up their/our tents there.

¹⁹ Then they/we left Rithmah and went to Rimmon-Perez and set up their/our tents there.

²⁰ Then they/we left Rimmon-Perez and went to Libnah and set up their/our tents there.

²¹ Then they/we left Libnah and went to Rissah and set up their/our tents there.

²² Then they/we left Rissah and set up their/our tents at Kehelathah.

²³ Then they/we left Kehelathah and went to Shepher Mountain and set up their/our tents there.

²⁴ Then they/we left Shepher and went to Haradah *Mountain* and set up their/our tents there.

²⁵ Then they/we left Haradah and went to Makheloth and set up their/our tents there.

²⁶ Then they/we left Makheloth and went to Tahath and set up their/our tents there.

²⁷ Then they/we left Tahath and went to Terah and set up their/our tents there.

²⁸ Then they/we left Terah and went to Mithcah and set up their/our tents there.

²⁹ Then they/we left Mithcah and went to Hashmonah and set up their/our tents there.

³⁰ Then they/we left Hashmonah and went to Moseroth and set up their/our tents there.

³¹ Then they/we left Moseroth and went to Bene-Jaakan and set up their/our tents there.

³² Then they/we left Bene-Jaakan and went to Hor-Haggidgad and set up their/our tents there.

³³ Then they/we left Hor-Haggidgad and went to Jotbathah and set up their/our tents there.

³⁴ Then they/we left Jotbathah and went to Abronah and set up their/our tents there.

³⁵ Then they/we left Abronah and went to Ezion-Geber and set up their/our tents there.

³⁶ Then they/we left Ezion-Geber and went to Zin Desert and set up their/our tents at Kadesh there.

³⁷ Then they/we left Kadesh and went to Hor Mountain, at the border of Edom land and set up their/our tents there. ³⁸ Aaron, the priest, obeyed Yahweh and climbed up the mountain. There he died, on the first day of their/our fifth month, 40 years after the/we Israelis left Egypt. ³⁹ Aaron was 123 years old when he died.

⁴⁰ (That was when the king of Arad *city* heard that the/we Israelis were coming. Arad was in the southern part of Canaan, where the Canaan people-group lived.)

⁴¹ The Israelis left Hor Mountain and went to Zalmonah and set up their/our tents there.

⁴² Then they/we left Zalmonah and went to Punon and set up their/our tents there.

⁴³ Then they/we left Punon and went to Oboth and set up their/our tents there.

⁴⁴ Then they/we left Oboth and went to Iye-Abarim, which was on the border of the Moab region, and set up their/our tents there.

⁴⁵ Then they/we left Iye-Abarim and went to Dibon-Gad and set up their/our tents there.

⁴⁶ Then they/we left Dibon-Gad and set up their/our tents at Almon-Diblathaim.

⁴⁷ Then they/we left Almon-Diblathaim and went to the Abarim Mountains, near Nebo and set up their/our tents there.

⁴⁸ Then they/we left the Abarim Mountains and went to the plains of the Moab region, near the Jordan River, across from Jericho. ⁴⁹ They/We set up our tents there; their/our tents stretched *for several miles/km.* from Beth-Jeshimoth to Acacia.

⁵⁰ While we were there on the plains of the Moab region near the Jordan River, across from Jericho, Yahweh spoke to Moses/me. He said, ⁵¹ "Tell this to the Israeli people: When you cross the Jordan River and enter the Canaan region, ⁵² you must force all the people who live there to leave. Destroy all their carved statues and all their idols made of metal. Wreck all the places where they worship *their idols*. ⁵³ Take their land from them and start to live there, because I have given their land to you for you to own.

⁵⁴ "Divide up the land by throwing \diamond lots/small stones which have been marked \diamond to decide which group will get which area. Give the larger areas to the groups that have more people, and give the smaller areas to the groups that have fewer people. Each tribe will receive its own land. ⁵⁵ If you do not force the people who live there to leave, they will cause you to have much trouble. They will be like sharp hooks in your eyes, and like thorns in your sides. And they will bring trouble to you, in that land where you will be living. ⁵⁶ And then I will punish you, as I had planned to punish them."

The boundaries of the land of Canaan

34 Yahweh said to Moses/me, ² "Tell this to the Israeli people: You will soon enter Canaan land, and it will become yours. These will be the borders of the land: ³ On the south you will receive part of the Zin Desert, near the border of the Edom region. On the east side, the border will start at the south end of the Dead Sea.

⁴ It will extend to a little south of the Scorpion Pass, and extend west through the Zin Desert and south of Kadesh-Barnea. From there it will extend to Hazar Adar and from there to Azmon. ⁵ From Azmon it will extend west to the dry riverbed at the border of Egypt and then to the Mediterranean Sea.

⁶ The border on the west will be the Mediterranean Sea.

⁷ The border on the north will start from the Mediterranean Sea and extend east to Hor Mountain.

⁸ From there it will extend to Lebo-Hamath and then to Zedad. ⁹ From there the border will extend to Ziphron, and it will end at Hazar-Enan.

¹⁰ The border on the east will start at Hazar-Enan and extend south to Shepham. ¹¹ From there it will ex-

tend east of Ain to Riblah and then along the hills that are east of Galilee Lake. ¹² Then the border will extend south along the Jordan River and end at the Dead Sea.

Those will be the borders around your country."

¹³ So Moses/I told all that to the Israeli people. Then he/I said to them, "That is the land that you will receive. You must throw \diamond lots/stones that have been marked \diamond to decide which area will go to each of the nine and a half tribes, because Yahweh has commanded that it should be divided among them. ¹⁴ The tribes of Reuben, Gad, and half of the tribe of Manasseh have already received the land in which they will live. ¹⁵ They have received land on the east side of the Jordan River, across from Jericho."

¹⁶ Then Yahweh said to Moses/me, ¹⁷ "These are the men who will divide the land: First, Eleazar and Joshua. ¹⁸ But one leader from each of the twelve tribes will help them divide the land.

¹⁹⁻²⁸ "From the tribe of Judah, appoint Jephunneh's son Caleb.

From the tribe of Simeon appoint Ammihud's son Shemuel.

From the tribe of Benjamin appoint Kislion's son Elidad.

From the tribe of Dan appoint Jogli's son Bukki.

From the tribe of Manasseh appoint Ephod's son Hanniel.

From the tribe of Ephraim appoint Shiphtan's son Kemuel.

From the tribe of Zebulun appoint Parnach's son Elizaphan.

From the tribe of Issachar appoint Azzan's son Paltiel.

From the tribe of Asher appoint Shelomi's son Ahihud.

From the tribe of Naphtali appoint Ammihud's son Pedahel."

²⁹ Yahweh commanded that all those were the men who should divide the Canaan region among the Israeli people.

The towns given to the Levites

35 Yahweh told this to Moses/me while the Israeli people were on the plain in the Moab region near the Jordan River, across from Jericho: ² "Tell the Israeli people that from the land that they will receive, they must give to the descendants of Levi some cities in which they can live. They must also give them some land around these cities. ³ Those will be for the descendants of Levi to live in, and around the cities will be land for their cattle and flocks of sheep and goats and other animals.

⁴ "The land that you give them for their animals must extend out for \diamond 1,500 feet/450 meters \diamond from the walls of the cities. ⁵ Also measure \diamond 3,000 feet/900 meters \diamond in each direction out from the walls of each city. That additional land will be land for their animals outside the walls of the cities."

The cities of safety

⁶ "Six of the cities that you give to the descendants of Levi will be cities to which people *can run* to be safe. If someone *accidentally* kills someone else, the one who killed that person may run to one of those cities to be safe. ⁷ You must also give to the descendants of Levi 42 other cities and the land around those cities, for their animals. ⁸ The Israeli tribes that have the most people must give them more cities than the tribes that have fewer people give. Each tribe must give some of its cities to the descendants of Levi, but the tribes that have more land must give more cities, and the tribes that have less land will give fewer cities."

⁹ Yahweh also said to Moses/me, ¹⁰ "Tell this to the Israeli people: When you cross the Jordan *River* and enter the Canaan *region*, ¹¹ you must choose some cities to which people can run to be safe/protected. If someone kills another person *accidentally/without planning to do that*, the one who killed that person may run to one of those cities and be safe. ¹² One of the relatives of the person who was killed may think he must avenge his relative's death *by killing the murderer*. But in that city, the killer will be safe *because the people in that city would kill those relatives if they tried to get revenge there*. The man who killed someone accidentally *must* be put on trial in a court. ¹³ You must set apart six cities to be cities to which someone who killed another person accidentally may run and be safe. ¹⁴ There must be three of those cities on the east side of the Jordan *River* and three that will be *on the west side*, in the Canaan region. ¹⁵ Those six cities will be cities where Israeli people may run to and be safe, and where foreigners and other people who are living among you can also run to and be safe. Any of those people who accidentally kills someone may run to one of those cities *and be safe/protected there*.

¹⁶⁻¹⁸ "But *you must consider that* anyone who kills another person with an iron weapon or with a big rock or with a piece of wood, is a murderer, and the one who killed the other person must be executed. ¹⁹ A relative of the person who was murdered must be the one who executes the murderer as soon as he finds him. ²⁰ If someone shoves another person *over a cliff* or throws something at another person ²¹ or hits that person with his hand/fist and causes that person to die, if he did it because he hated that person, then you must consider that he is a murderer, and must be executed. A relative of the person who was killed must be the one who executes the murderer as soon as he finds him.

²² "But someone might accidentally shove someone else, or accidentally throw something at another person and hit him, not because he hates that person. ²³ Or he might drop a rock on someone that he did not see. If the one who does that does not plan to hurt anyone and does not hate the person that was killed,

²⁴ the people of that city must decide whether the relative of the dead person *has the right to get revenge*, or whether the one who killed the other person *truly did it* *accidentally/without planning to do it*. ²⁵ *If they decide that the killer planned to kill the other person, they must not allow him to stay in their city. But if they decide that it was done accidentally, they must protect the killer from being killed by the dead person's relative. They must send the killer to one of the cities where he will be safe/protected, and allow him to stay there until the Supreme Priest dies. After that, the killer may go back to his home, because the dead person's relative no longer has the right to get revenge.*

²⁶ "But *while the Supreme Priest is still living*, the person who is in that safe city must not leave that city. ²⁷ If he goes outside the city, and if a relative of the dead person finds him, that relative is permitted to kill that person, *and people will not consider that the relative is guilty of murder*.²⁸ The killer must stay in that city where he will be safe/protected until the Supreme Priest dies. *He will be safe from revenge after that, because the death of the Supreme Priest will be considered to be a sacrifice to atone for that murder*. After that, the killer may return to his home.

²⁹ "You must always obey those regulations, wherever you live.

³⁰ "If someone *is accused of* killing another person, the one who is accused may be executed only if there are people who saw him do it. There must be more than one witness; no one is permitted to be executed if there was only one *witness/person who saw him do it*.

³¹ "If there is a murderer who truly should be executed, do not *spare his life by accepting* *a ransom/money for him not to be killed*. He must be executed.

³² "If someone has run to a city where he will be safe/protected, do not allow him to give you money in order that you will permit him to return to his home before the Supreme Priest dies.

³³ "You must execute people who truly murder others. If you did not do that, you would be causing the people who live in the land to become unacceptable to me. Anyone who deliberately kills an innocent person must be executed. ³⁴ I am Yahweh, and I live among you Israelis, so do not spoil/pollute the land by allowing people to murder others without being punished."

Land for Zelophehad's daughters

³⁶ The family leaders of the clan of Gilead of the tribe of Manasseh went to Moses/me and the other family leaders of the Israeli people. ² They said to Moses/me, "Yahweh commanded you, our leader, to apportion the land to the Israeli tribes by throwing *lots/stones that have been marked* to decide *which group would get which area*. Yahweh also commanded you to give the land that belonged to our fellow Israeli Zelophehad to his daughters. ³ But if his

daughters marry men from the other Israeli tribes, that land will no longer belong to our tribe. People of other tribes will get it. So some of our land will no longer belong to us. ⁴ When the Year of Celebration comes, *when all the land that has been bought by someone is returned to its original owners*, the land that belonged to Zelophehad will belong to the tribes of the men that his daughters marry. So some of our land, the land that we received from our fathers, will be taken from us, *and we will never own it again.*"

⁵ Yahweh told Moses/me what to reply to them, so Moses/I said this to them: "These men from the tribe of Manasseh are right. ⁶ This is what Yahweh is saying to the daughters of Zelophehad: 'Each of you may marry anyone you want to, but you must marry only someone from your own tribe.' ⁷ In that way, the land that belongs to Israelis will not be passed from one tribe to another tribe. Each Israeli will keep the land in

the tribe that belonged to his ancestors. ⁸ A woman who inherits her father's land may get married, but she must marry someone from her own tribe. In that way, every Israeli will keep the land that belonged to his ancestors. ⁹ The land must not be passed from one tribe to another tribe. Each Israeli tribe must keep the land that it received from its ancestors."

¹⁰ Zelophehad's daughters obeyed what Yahweh told Moses/me. ¹¹ The five daughters—Mahlah, Tirzah, Hoglah, Milcah and Noah—married their cousins, their father's relatives. ¹² The men whom they married were from the tribe of Manasseh, so their land continued to belong to their father's family and tribe.

¹³ Those were the commands [DOU] that Yahweh gave to Moses/me to tell to the Israelis, while they/we were on the plains of the Moab region, close to the Jordan River, across from Jericho.

DEUTERONOMY

Introduction to Moses' first speech

1 In this book is written what Moses/I said to the Israeli people. He/I told them these things when they/we were in the desert, on the east side of the Jordan River. They/We had set up our tents near a place named Suph, between Paran town on the one side of the river and Tophel, Laban, Hazeroth, and Dizahab towns on the other side of the river. **2** To walk from Sinai Mountain to the Kadesh-Barnea oasis, people usually travel for only eleven days, going by way of the hilly area named Edom.

3 Forty years after the Israelis/we left Egypt, in the middle of January, Moses/I told the Israeli people everything that Yahweh had commanded him/me to tell them. **4** This was after they/we had defeated Sihon, the king of the Amor people-group, who lived in Heshbon city, and Og, the king of the Bashan region who lived in Ashtaroth and Edrei towns.

5 Moses/I told them these things while the people were in the Moab region, on the east side of the Jordan River. He/I explained to them/enabled them to understand God's laws. This is what he/I said to them:

6 "Yahweh our God said to us when we were at Sinai Mountain, 'You have stayed for a very long time at the bottom of this mountain. **7** So now continue traveling. Go to the hilly area where the Amor people-group lives and to the nearby areas—to the Jordan River Valley, to the hilly region, to the western foothills/hills at the bottom of the mountains, to the desert area to the south, to the Mediterranean Seacoast, to all of Canaan land, to the Lebanon Mountains, and northeast to the great Euphrates River. **8** Note that I will give that land to you. I, Yahweh, promised to your ancestors Abraham and Isaac and Jacob that I would give it to them and to their descendants. So now go and occupy it.'"

Moses reminded them that he had appointed leaders

9 Moses/I also said to the people, "When we were still at Sinai Mountain, I told your ancestors 'It is a very big burden/responsibility for me to govern all of you. So I cannot do it by myself. **10** Yahweh our God has caused us Israelis to now become as numerous as the stars in the sky. **11** And I hope/desire that Yahweh, the God whom our ancestors worshiped, will cause us to become 1,000 times as numerous as we are now and that he will bless us just like he promised to do. **12** But

I certainly cannot [RHQ] solve/deal with all of your complaints/problems. **13** So choose some men from your tribes who are wise and who have good sense and who are respected. Then I will appoint them to be your leaders.'

14 Your ancestors replied, 'What you have suggested is good for us to do.'

15 So I took the wise and respected men that your ancestors chose from your tribes, and I appointed them to be your leaders. I appointed some to rule/ have authority over 1,000 people, some to have authority over 100 people, some to have authority over 50 people, and some to have authority over ten people. I also appointed other officers from throughout your tribes. **16** I instructed/told your leaders, 'Listen to the disputes that occur among your people. Judge each dispute, including disputes between close relatives and quarrels between your people and people from other countries who live among you. **17** You must be impartial/not favor one person more than another; you must treat poor people and important people equally. You must not worry about what anyone will think about how you decide matters, because you will decide matters as God wants you to. If any quarrel/dispute is very difficult and you are unable to decide it, bring it to me, and I will decide.' **18** At that time I also told you other things that you should do."

Moses reminded them about sending the spies

19 "Then, just like Yahweh our God commanded us, we left Sinai Mountain and went through that huge desert that was very dangerous/difficult to travel through, on the road to the hilly area where the Amor people-group live. We arrived at Kadesh-Barnea. **20** I said to your ancestors, 'We have now come to the hilly area where the Amor people-group live. This is part of the area that Yahweh our God, the one whom our ancestors worshiped, is giving to us. **21** Note that Yahweh our God is giving this land to us. So go and occupy it as he commanded. Do not be at all/even a little bit afraid.'

22 But all of your ancestors came to me and said, 'Before we go, we should first send some men there to explore the land, in order that they can return and tell us which will be the best road to go there and what kind of towns are there.'

23 I thought that it would be good to do that, so I chose twelve men, one man from each tribe. **24** They

went up into the hilly area as far as Eshcol Valley, and they explored all that area. ²⁵ They picked some of the fruit that they found there and brought it to us. They reported that the land that Yahweh our God was giving to us is very good/fertile."

Moses reminded them how God punished them when they refused to go

²⁶ "But your ancestors refused to go *and conquer that land*. They rebelled against what Yahweh our God had commanded them to do, and they would not go into that land. ²⁷ Your ancestors *stayed* in their tents and complained saying 'Yahweh hates us. So he has brought us here from Egypt just to allow the Amor people-group to destroy us. ²⁸ Why should we go there?/We do not want to go there. [RHQ] The men whom we sent there have caused us to become very discouraged/afraid. They have told us that the people there are much stronger and taller than we are and that there are extremely high [HYP] walls around their towns. Also they reported that they saw *giants there that are descendants of Anak*.'

²⁹ Then I said to your ancestors, 'Do not be afraid at all/even a little bit [DOU] of those people!

³⁰ Yahweh our God will go ahead of you, and he will fight for you, just like you saw him do for you in Egypt ³¹ and in the desert. You saw how he brought you safely here, like a man would carry his son. [SIM]'

³²⁻³³ *I reminded them that he always went ahead of them while they traveled in the desert*. He directed them by a *pillar of fire* during the night and a *pillar of cloud* during the day. He showed them places to set up their tents. But in spite of what I said, your ancestors would not trust Yahweh our God.

³⁴ Yahweh heard what they said, and he became angry. He solemnly declared, ³⁵⁻³⁶ 'Caleb, the son of Jephunneh, will enter the land. He has obeyed me completely. So I will give to him and to his descendants *some of the land* that he explored. He is the only one of all you people who will enter that land. None of these evil people will ever see that good land which I solemnly promised to give to your ancestors.'

³⁷ But because of what your ancestors *did*, Yahweh was also angry with me. He said to me, 'You also will not enter that land. ³⁸ Joshua, the son of Nun, who is your helper, will enter it. Encourage him, because he is the one who will enable you Israeli people to occupy that land.'

³⁹ Then Yahweh said to all of us, 'You said that your children would be captured by your enemies. Because they are very young, they do not yet know what is good and what is evil. But they are the ones to whom I will give that land, and they will enter it and occupy it. ⁴⁰ But as for you, turn around and go back into the desert, toward the Red Sea/Gulf of Aqaba.'

⁴¹ Then your ancestors replied, 'We have sinned; we have disobeyed Yahweh. So we will go and attack *the people who live in that land*, just like Yahweh our God

commanded us to do.' And each of their men put on his weapons, and they thought that it would be easy to invade the hilly region.

⁴² But Yahweh said to me, 'Tell them, "Do not go up there and attack those people, because I will not go with you. If you go, your enemies will defeat you."'

⁴³ So I told that to your ancestors, but they would not heed what I said. They *again* rebelled against what Yahweh commanded them to do. Their soldiers proudly/arrogantly marched up into that hilly region.

⁴⁴ Then the men of the Amor people-group who lived in that region came out of *their towns* and attacked those soldiers. They pursued your ancestors' soldiers like a *swarm of bees* pursues people, and they pursued them *south* from the Edom area and defeated them at Hormah city. ⁴⁵ So your ancestors went back to Kadesh-Barnea and cried out to request Yahweh to *help them*, but he did not heed them. He did not pay any attention to them [DOU]. ⁴⁶ So we stayed there at Kadesh-Barnea for a long time."

Moses reminded them of their wandering in the desert

² "Then we turned around and went through the desert toward the Red Sea/Gulf of Aqaba, as Yahweh told us to do, and we wandered in the Edom area for many years.

² Then Yahweh said to me, ³ 'You have been wandering around this hilly area for a long enough time. Now turn *and travel* toward the north. ⁴ And tell the people that they are about to travel near the land that belongs to the descendants of Esau, who are also descendants of Isaac. They live in *the hilly* Edom region. They will be afraid of you, ⁵ but do not start to fight against them, because I am not going to give you even a tiny bit [HYP] of their land. I have given that land to the descendants of Esau. ⁶ *When you travel near their land*, buy food and water from them.'

⁷ Do not forget that Yahweh our God has blessed you in everything that you [SYN] have done. He knows *what has happened to you while* you have wandered in this huge desert. But he has been with you during those 40 years, and as a result you have had everything that you needed [LIT].

⁸ So we continued to travel. We avoided going through the hilly area where the descendants of Esau live. We stayed away from the road through the Jordan River Valley past Ezion-Geber and Elath towns, and we turned and traveled northeast toward the desert area where the Moab people-group lives.

⁹ Yahweh said to me, 'Do not bother/harass the people of Moab, and do not start to fight against them, because I am not going to give you any of their land. *Do not forget that they are descendants of Abraham's nephew Lot*, and I have given to them *Ar city, their capital, and the other areas in that country*.'

¹⁰ A large group of giants called Emim formerly lived there. They were strong and numerous, and as tall as

the giants who were descendants of Anak. ¹¹ They and the descendants of Anak are also called the Repha giants, but the people of Moab call them Emim. ¹² The Hor people-group also formerly lived in the Edom area, but the descendants of Esau chased them out. They defeated and killed them and \diamond settled in/occupied \diamond their land, just as the Israeli people later expelled their enemies from the land that Yahweh gave to them.

¹³ *I also said to the Israeli people, "Then we crossed the Zered Gorge, as Yahweh told us to do. ¹⁴ It had been thirty-eight years from the time we first left Kadesh-Barnea until we crossed the Zered Gorge. During those years, all the Israeli \diamond fighting men/soldiers \diamond of that generation had died, as Yahweh had vowed would happen. ¹⁵ They died because Yahweh opposed them, until he had gotten rid of all of them.*

¹⁶ After all the men who had been old enough to fight in wars had died [DOU], ¹⁷ Yahweh said to me, ¹⁸ 'Today you all must cross the border into the Moab region, near Ar, *their capital city.* ¹⁹ When you come near the border of the land where the Ammon people-group live, do not bother/harass them or start to fight against them. They are also descendants of Lot, so I am not going to give you any of the land that I have given to them.'

Other groups that lived near Canaan

²⁰ That region is also called the land of the Repha giants, who formerly lived there. The Ammon people-group call them the Zamzum group. ²¹ They were a large and powerful group, who were as tall as the descendants of Anak. But Yahweh got rid of them, and the Ammon people-group expelled them and took their land away from them and started to live there. ²² Yahweh had done the same thing for the descendants of Esau who live in the hilly area of Edom. He got rid of the Hor people-group, with the result that the Edom people-group took their land from them and started to live there. They still live there. ²³ People who came from Crete Island got rid of the Av group *who previously lived in the land close to the Mediterranean Sea, as far south as Gaza.* They took their land from them and started to live there.

Moses reminded them of crossing the Arnon River

²⁴ *"After we had gone through the Moab region, Yahweh said to us, 'Now cross the Arnon River. I will help you to defeat [IDM] the army of Sihon, the king of the Amor people-group, who lives in Heshbon city. So attack their army and start to take their land from them. ²⁵ Today I will begin to cause everyone, everywhere, to be afraid of you. Everyone who hears about you will tremble and be terrified.'*

²⁶ Then I sent messengers to go from the desert to King Sihon at Heshbon. I told them to give this peaceful message to the king: ²⁷ 'Please allow us to travel

through your land. We *promise that we will stay on the road; we will not turn off to the right or to the left.* ²⁸ We will pay for any food or water that you allow us to buy. We want only to walk through your country, ²⁹ until we cross the Jordan River into the land that Yahweh our God is giving to us. Do for us just as the descendants of Esau who live in the Edom area and the Moab people-group did for us when they allowed us to go through their areas.' ³⁰ But King Sihon would not allow us to go through his country. That was because Yahweh our God caused him to be stubborn [IDM]. The result was that Yahweh enabled us to defeat his army and take his land [IDM], which we still live in.

³¹ Yahweh said to me, 'Listen! I am about to allow you to defeat Sihon's *army* and to take the people's land from them. So start to occupy it!'

³² Then Sihon came out *of the city* with all his army to fight against us at Jahaz town. ³³ But God enabled us to defeat [DOU] them, and we killed Sihon and his sons and all his soldiers. ³⁴ We captured all their cities and destroyed them all. We killed all the men and women and children; we did not allow any of them to remain alive. ³⁵ We took the valuable things that were in the cities that we captured and also their cattle. ³⁶ Yahweh our God enabled us to capture [IDM] all their towns from Aroer *in the south, which is at the edge of the Arnon River Valley, to the Gilead region in the north.* Some of their cities had *walls around them, but we were able to climb over them.* ³⁷ But we did not go near the area where the Ammon people-group live, or the banks of the Jabbok riverbed, or the towns in the hilly area, or any other place where Yahweh our God told us not to go."

Moses reminded them of the defeat of King Og

³ "Then we turned *north* and went toward the Bashan region. Og, the king *of that area*, and all his soldiers marched *south* to fight against us at Edrei town. ² Yahweh said to me, 'Do not be afraid of him, because I will enable your *army* to defeat [MTY] him and all his army and to capture all their land. Do to him what you did to Sihon, the king of the Amor people-group, who ruled in Heshbon city.'

³ So Yahweh enabled us to defeat [IDM] King Og and all his army. We killed them all; we did not allow any of them to remain alive. ⁴ There were 60 cities in that region near Argob, in King Og's kingdom of Bashan. But we captured all of them ⁵ All those cities had high walls *around them* with gates and bars. We also captured many villages that did not have walls *around them.* ⁶ We completely destroyed everything, just as we had done *in the area that King Sihon ruled.* We killed all the men, women, and children. ⁷ But from those cities we took for ourselves all the livestock and other valuable things.

⁸ So at that time we took from those two kings of the Amor people-group all the land east of the Jordan Riv-

er, from the Arnon River gorge *in the south* to Hermon Mountain *in the north*.”⁹ (That mountain is called Sirion by the people of Sidon city and is called Senir by the Amor people-group.)¹⁰ “We captured all the towns on the *plateau/high level land*, and all the Gilead region, and all the Bashan region as far east as Edrei and Salecah towns, which also belonged to Og’s kingdom.”¹¹ (Og was the last king who was a descendant of the Repha giants. His bed was made of iron. It was almost *14 feet/4 meters* long and *6 feet/2 meters* wide. It is still [RHQ] in Rabbah city in the Ammon area.)

Moses reminded them of dividing the land east of the Jordan

¹² “From the land that we captured at that time, I allotted to the tribes of Reuben and Gad the land *north* of Aroer town near the Arnon River, and some of the hilly area of the Gilead region, along with the nearby towns.¹³ The other part of the Gilead region and all of the Bashan region, which was the Argob region that King Og had ruled, I allotted to half of the tribe of Manasseh.” (The entire Bashan region is called the land of the Repha giants.)¹⁴ “Jair, from the tribe of Manasseh, conquered all the Bashan area as far *north* as the border of the Geshur and Maacah territories. He gave his own name to the villages there, and they are still called the villages of Jair.

¹⁵ The *northern part* of the Gilead region I allotted to the Machir clan, who are descendants of the tribe of Manasseh.¹⁶ I allotted to the tribes of Reuben and Gad the southern part of the Gilead region, extending south to the Arnon River. The middle of the river is the *southern* boundary. The *northern* boundary is the Jab-bok River, which is part of the border of the Ammon area.¹⁷ *To the west their territory extended* to the Jordan River Valley, from Galilee Lake *in the north* to the Dead Sea *in the south* and to the slopes of Pisgah Mountain to the east.

¹⁸ At that time, I told you three tribes, ‘Yahweh our God is giving you this land *east of the Jordan River*, for you to occupy/capture. So now, give your soldiers weapons, and send them *across the Jordan River* ahead of the men from the other Israeli tribes *to help them to conquer/capture the land that has been allotted* to them.¹⁹ But your wives and children and your very numerous cattle must stay in the towns that I have allotted to you.²⁰ *Your men must help* your fellow Israelis until Yahweh enables them to live there peacefully after they capture all the land that Yahweh our God is giving to them on the west side of the Jordan River, just like he did for you *here on the east side of the river*. After that, you all may return to this land that I have allotted to you.’

²¹ And I told Joshua, ‘You [SYN] have seen everything that Yahweh our God did to those two kings, *Sihon and Og*. He will do the same thing to the people *who are now* in the land that you will be entering.²² Do not

be afraid of those people, because Yahweh our God is the one who will fight for you all.”

Moses reminded them that he was not allowed to enter Canaan

²³ “At that time, I earnestly prayed, saying²⁴ ‘Yahweh our Lord, you have merely begun to show me that you are very great and to show me the powerful things that you can do [MTY]. There is certainly no [RHQ] god in heaven or on earth who can do the powerful things/deeds that you *have done*.’²⁵ So please allow me to cross the Jordan River and to see the good/fertile land on the east side, the beautiful hilly area and *the mountains in Lebanon*.’

²⁶ But Yahweh was angry with me because of what your ancestors *had made me do*, so he would not pay attention to me. Instead, he said, ‘That is enough *talk from you!* Do not talk to me about that again!’²⁷ Climb up to the top of Pisgah Mountain and look toward the west and to the east, toward the north and to the south. Look at [MTY] it all carefully, because you will not cross the Jordan River *to see the land from there*.²⁸ But tell Joshua what he must do and encourage him to be strong, because he is the one who will lead the people *across the river in order that they can occupy/capture the land that you will see from the top of the mountain*.’

²⁹ So we remained in the Jordan River Valley close to Beth-Peor town.”

Moses urged the people to obey God’s laws

⁴ “Now, you Israeli people, obey all the rules and regulations [DOU] that I will teach you. If you do that, you will remain alive and you will enter and occupy/capture the land that Yahweh, the God whom your ancestors *worshiped*, is giving to you.² Do not add anything to what I command you, and do not take anything away from what I tell you. Obey all the commands of Yahweh our God that I am giving to you.

³ You have seen what Yahweh did at Baal-Peor Mountain. He got rid of all the people who worshiped *the god Baal* there,⁴ but you who faithfully *continued to worship* Yahweh our God are still alive today.

⁵ Note that I have taught you all the rules and regulations, just like Yahweh our God told me to do. He wants you to obey them *when you are living* in the land that you are about to enter and occupy.⁶ Obey them faithfully because, *if you do that*, you will show the people of other nations that you are very wise. When they hear about all these laws, they will say, ‘The people of this great nation of *Israel* are certainly very wise [DOU]!’⁷ Even if other nations are great, there is none [RHQ] of them that has a god who is as near to them as Yahweh our God is to us! Whenever we call out to him *to help us, he answers/helps us*⁸ And there is no [RHQ] other nation, even if it is a great nation,

that has laws that are as just/fair as the laws that I am telling to you today.

⁹ But be very careful! [DOU, IDM] Do not forget what you [SYN] have seen *God do*. Remember those things as long as you are alive. Tell them to your children and your grandchildren. ¹⁰ Tell them about the day that your ancestors stood in the presence of Yahweh our God at Sinai *Mountain*, when he said to me, 'Gather the people together, in order that they can hear what I say. I want them to learn to have an awesome respect for me as long as they are alive, and I want them to teach their children to do that also.' ¹¹ *Tell them that* your ancestors came near the bottom of the mountain, while the mountain burned with a fire that went up to the sky, and the mountain was covered with dark clouds and black *smoke*. ¹² Then Yahweh spoke to your ancestors out of the middle of the fire. Your ancestors heard him speak, but they did not see him. They only heard his voice. ¹³ And he declared to them his agreement. That agreement contained the Ten Commandments that he wants you to obey. He wrote those on two stone tablets. ¹⁴ Yahweh commanded me to teach all the rules and regulations to you, in order that you would obey them in the land that you are about to enter and occupy."

Moses warned them about worshiping idols

¹⁵ "On the day that Yahweh spoke to your ancestors at Sinai *Mountain*, he was invisible. So, be careful ¹⁶ that you do not sin by making for yourselves any idol *of something that can be seen!* Do not make an idol that resembles any person, either a man or a woman, ¹⁷ or that resembles any animal or any bird ¹⁸ or any \diamond reptile/creature that crawls along the ground \diamond or any fish in the deep ocean. ¹⁹ And be careful to not look up toward the sky and be tempted to worship anything that you see there—the sun or the moon or the stars. Yahweh our God has given those *to be a blessing to* all people everywhere, *but you must not worship them*. ²⁰ Yahweh has brought your ancestors out of Egypt, where *they were suffering as though* they were in a blazing furnace, in order that they would be people who belong to him, which is what you are today.

²¹ But Yahweh was angry with me because of *what* your ancestors *made me do*. He vowed that I would not cross the *Jordan River* to enter the good/fertile land that he is giving to you. ²² He said that I must die here in this land and never cross the *Jordan River*. But you will go across it, and you will occupy that land. ²³ Be sure that you do not forget the agreement that Yahweh our God made with you. He commanded you to not make any kind of idol, because he has forbidden that. ²⁴ *You must not do that* because Yahweh your God will destroy *anyone who worships idols, like* [MET] a fire completely destroys things. He *wants people to worship only him*; he \diamond cannot accept/will punish \diamond people who worship anyone or anything else.

²⁵ When you have been in the land *of Canaan* for a long time and you have children and grandchildren, do not sin by making an idol that represents anything at all, because Yahweh says that is evil, and if you do that, you will cause him to become angry with you *and punish you*. ²⁶ Today I am requesting everyone who is in heaven and everyone who is on the earth [MTY] to watch what you are doing. *If you disobey what I am telling you*, you will soon all die in the land that you will be crossing the *Jordan River* to occupy. You will not live very long there; Yahweh will completely get rid of many [HYP] of you. ²⁷ And *the rest of you*, Yahweh will force you to go and live among the people of many other nations. Only a few of you will \diamond survive/remain alive \diamond there. ²⁸ When you are in those nations, you will worship gods that are made of wood and stone, gods made by humans, gods that cannot see anything or hear anything or eat anything or smell anything. ²⁹ But while you are there, if you will try *to know* Yahweh your God, and if you try with your entire inner being *to know him*, he will \diamond answer/reveal himself to \diamond you. ³⁰ In the future, after you have been mistreated there and all those bad things happen to you, you will again worship only Yahweh and obey him. ³¹ Yahweh is a God who acts mercifully. *If you continue to obey him*, he will not abandon you or destroy you or forget the agreement that he solemnly made with your ancestors."

Only Yahweh is God

³² "Now think about the past, about the time before you were born, about all the time since God first created people here on the earth. You could search everywhere, in heaven and on the earth. \diamond Has anything like this ever happened that is as great as *what Yahweh did for the Israeli people?*/Certainly nothing has ever happened that is as great as *what Yahweh did for the Israeli people*. \diamond [RHQ] \diamond Has anyone ever heard of anything like this?/Certainly no one has ever heard of anything like this. \diamond [RHQ] ³³ \diamond Has any group ever remained alive after they heard a god speak to them from the middle of a fire, like we did?/Certainly no group has ever remained alive after they heard a god speak to them from the middle of a fire, like we did. \diamond [RHQ] ³⁴ Certainly no other god has ever tried to take a *huge* group of people from one nation *to another location*, like he did for us when he brought us out of Egypt. We saw Yahweh our God use great power [MTY, DOU] when he performed many kinds of [DOU] miracles, and sent plagues, and did many other very terrifying things, and *rescued us when the army of Egypt tried to fight against us*.

³⁵ Yahweh showed all these things to you, in order that you would know that only he is truly God, and that there is no other God. ³⁶ He allowed your ancestors to hear him speak from heaven in order that he could discipline them. Here on the earth he allowed them to see his great fire *on Sinai Mountain*, and he

spoke to them from the middle of the fire. ³⁷ Because he loved our ancestors, he chose you Israelis who are their descendants, and by his great power he brought your ancestors out of Egypt. ³⁸ *As they advanced*, he expelled the people of nations that were greater and more powerful than they were, in order that he could allow them to capture their land and cause it to become yours, which is *what is happening* now.

³⁹ So today you should ◊meditate on/think about◊ the fact that Yahweh is God, that he is/rules in heaven and also on the earth, and that there is no other god. ⁴⁰ Obey all the rules and regulations that I am giving to you today, in order that things will go well for you and for your descendants, and that you will live a long time in the land that Yahweh our God is giving to you, *to belong to you forever.*"

The cities of refuge

⁴¹ Then Moses/I set apart three cities that are on the east side of the Jordan *River*. ⁴² If someone accidentally killed another person, a person who had not been his enemy previously, he could escape to one of those cities. He would be safe/protected in one of those cities *because the people there would protect him*. ⁴³ For the tribe of Reuben, Moses/I set apart Bezer *city* in the ◊plateau/high level◊ area. For the tribe of Gad, Moses/I set apart Ramoth *city* in the Gilead *area*. For the tribe of Manasseh, Moses/I set apart Golan *city* in the Bashan *region*.

Where Moses gave them God's laws

⁴⁴ Moses/I gave *God's laws* to the Israeli people. ⁴⁵ They included all the rules and instructions and commands that Moses/I gave to them, after they/we had come out of Egypt, ⁴⁶ when they/we were in the valley east of the Jordan *River*. They/We were across from Beth-Peor *town*, in the land that *previously* was ruled by Sihon, the king of the Amor people-group, who lived in Heshbon *city*. Moses/I and the other Israelis had defeated his *army* when they/we came out of Egypt. ⁴⁷ They/We captured Sihon's land and the land that Og, the king of the Bashan *region*, ruled. They were the two kings who ruled the Amor people-group *in the area* east of the Jordan *River*. ⁴⁸ Their land extended from Aroer *town in the south* along the Arnon *River*, as far *north* as Sirion Mountain, which *most people* call Hermon Mountain. ⁴⁹ It also included all the area east of the Jordan *River Valley*, all the way south to the Dead Sea and east to the slopes of Pisgah *Mountain*.

Moses repeated for them the Ten Commandments

5 Moses/I summoned all the people of Israel and said to them,
"You Israeli people, listen to all the rules and regulations that I am giving to you today. Learn them and be sure to obey them. ² When we were at Sinai *Mountain*,

Yahweh our God made an agreement with us. ³ But this agreement was not only for our ancestors. He made it also for us who are alive now. ⁴ Yahweh spoke with us face-to-face on that mountain, from the middle of the fire. ⁵ On that day, I stood between your ancestors and Yahweh to tell them what he said, because they were afraid of the fire, and they did not climb up the mountain. This is what Yahweh said:

⁶ I am Yahweh your God, the one you *worship*. I am the one who brought you out of the land of Egypt. I am the one who freed you from being slaves *there*.

⁷ *You must worship only me*; you must not worship any other god.

⁸ You must not carve/make for yourselves any idol that represents anything in the sky or anything that is on the ground or anything that swims in the water.

⁹ You must not bow down to any idol and worship it, because I am Yahweh God, and I ◊am very jealous/want you to worship me only◊. I punish those who sin and hate me. I punish not only them, but I will punish ◊their descendants, down to the third and fourth generation/their children and grandchildren and great-grandchildren◊. ¹⁰ But I will steadfastly love ◊thousands of generations/all the descendants◊ of those who love me and obey my commandments (OR, I will love for thousands of generations).

¹¹ Do not use/speak my name carelessly (OR, for wrong/evil purposes), because I am Yahweh God, the one whom you *should worship*, and I will certainly punish those who use/speak my name for wrong/evil purposes [LIT].

¹² Do not forget that the seventh day *of every week* is mine. Dedicate those days to me just like I, Yahweh your God, am commanding you.

¹³ There are six days each week for you to do all your work, ¹⁴ but the seventh day is a rest day, a day dedicated to me, Yahweh your God. On that day you must not do any work. You and your sons and daughters and your male and female slaves must not work. You must not even force your livestock to work, and you must not tell foreigners to work, those who are living in your country. You must allow your slaves to rest on that day just like you do. ¹⁵ Do not forget that you were slaves in Egypt, and that I, Yahweh your God, brought you out from there by my very great power. [DOU, MTY] That is the reason that I am commanding that *all of you* must rest on the seventh/Sabbath day *each week*.

¹⁶ Honor/Respect your fathers and your mothers, just like I, Yahweh your God, am commanding you, in order that you may live a long time in the land that I, Yahweh your God, will give you, and in order that things will go well for you there.

¹⁷ Do not murder anyone.

¹⁸ Do not ◊commit adultery/have sex with anyone other than your spouse◊.

¹⁹ Do not steal anything.

²⁰ Do not tell lies about anyone *when you are speaking in a court.*

²¹ Do not \diamond covet/desire to have \diamond someone else's wife, someone else's house, someone else's fields, someone else's male slave or female slave, someone else's livestock, someone else's donkeys, or anything else that another person owns.'

²² Those are the commandments that Yahweh spoke to your ancestors. When they were gathered there at *the bottom* of the mountain, he spoke with a very loud voice from the middle of the fire, and there were dark clouds surrounding the mountain. He spoke only those *ten* commandments, no more. Then he wrote them on two stone tablets and gave them to me.

²³ After your ancestors heard *Yahweh's* voice when he spoke to them out of the darkness, while there was a big fire burning on the mountain, their leaders and elders came to me, ²⁴ and *one of* them said, 'Listen to us! Yahweh our God showed us that he is very great and glorious when we heard him speak [MTY] from the fire. Today we have realized that it is possible for us humans to continue to live even though God has spoken to us. ²⁵ But we are afraid that we will die [RHQ] if we hear Yahweh our God speak [MTY] to us again; his terrible fire will destroy/kill us. ²⁶ \diamond Who has/Certainly no human has \diamond remained alive after hearing the all-powerful God speak [MTY] to them from a fire. ²⁷ *So Moses, you go up the mountain and listen to everything that Yahweh our God will say. Then come back and tell us everything that he has said, and we will listen to what he has said and obey it.'*

²⁸ Yahweh heard your leaders say that, so *when I went back up the mountain*, Yahweh said to me, 'I have heard what your leaders have said, and what they have said is right/correct. ²⁹ I surely wish that they would always think like that and revere me and obey all my commandments, in order that things may go well for them and for their descendants forever.

³⁰ So go *down* and tell them to return to their tents.

³¹ But *then you come back up here and stand near me*, and I will give to you all the rules and regulations that I *want them to obey*. Then you can teach them to the people, in order that they will obey them when they are in the land that I am giving to them.'

³² *So I went back down to the people, and I said to them*, 'Be sure that you do everything that Yahweh our God has commanded us to do. Do not disobey any of his laws. ³³ Conduct your lives as Yahweh our God has commanded us to do, in order that you may live a long time, and in order that things will go well for you *when you are living* in the land that you will occupy.'

The commandment to love God

6 "These are the commandments and rules and regulations that Yahweh our God commanded me to teach to you. He wants you to obey them in the

land that you are about to enter and occupy. ² He wants you to revere him, and he wants you and your descendants to always obey all these rules and regulations that I am giving to you, in order that you may live for a long time. ³ So, you Israeli people, listen to them carefully and obey them. If you do that, things will go well with you, and you will become a nation with a very large population when you are living in that very fertile [IDM] land. That is what Yahweh, the God whom our ancestors *worshipped*, promised *would happen*.

⁴ You Israeli people, listen! Only Yahweh is our God. ⁵ You must love him with all your inner being and with all that you feel and with all that you do. ⁶ Never forget [IDM] these commands that I am giving to you today. ⁷ Teach them to your children again and again. Talk about them *all the time*: When you are in your houses and when you are walking outside; talk about them when you are lying down and when you are doing things. ⁸ *Write them on tiny scrolls* and fasten them to your arms/wrists, and write them on bands that you fasten to your foreheads *to help you to remember them*. ⁹ Write them on the doorposts and on the gates of your houses.

¹⁰ Yahweh our God vowed to your ancestors Abraham and Isaac and Jacob that he will give you a land that already has in it large and prosperous cities that you did not build. ¹¹ He said that the houses in those cities will already be full of many good things that *others put there*; you did not put them there. There will be wells that others have dug. There will be vineyards and olive trees that others planted. So when Yahweh brings you into that land, and you have all that you want to eat, ¹² be sure that you do not forget Yahweh who rescued you from being slaves *in Egypt and gave all these things to you*.

¹³ You must revere Yahweh our God, and you must serve only him and say that he should [MTY] punish you if you do not do what you have promised. ¹⁴ You must not worship any other gods, the gods that the people-groups who will live near you worship. ¹⁵ Yahweh our God, who lives among you, \diamond will not accept/will punish \diamond people who worship anyone or anything else. So if you worship any other god, Yahweh will be very angry with you, and he will get rid of you completely. ¹⁶ Do not do sinful things to find out if you can do them without Yahweh our God punishing you, like your ancestors did at Massah. ¹⁷ Be sure that you always obey all the laws, the commandments, the rules, and the regulations that he has given to you. ¹⁸ Do what Yahweh says is right and good. If you do that, things will go well with you. You will be able to enter and occupy the good/fertile land that Yahweh vowed to give to our ancestors. ¹⁹ He will do that by expelling your enemies from that land, just like he promised to do.

²⁰ In the future, when your children ask you, 'Why did Yahweh our God command us to obey all these

rules and regulations?’²¹ tell them, ‘Our ancestors were slaves of the king in Egypt, but Yahweh brought them out of Egypt by his great power [MTY].²² They saw him do many kinds of miracles [DOU] and do terrifying things to the people of Egypt and to the king and his officials.²³ He rescued our ancestors from Egypt and brought them here to give them this land, just like he vowed that he would do.²⁴ And he commanded us to obey all these laws and to revere him, for our own good and in order that he would protect our nation and enable us to prosper, as he is doing now.²⁵ Yahweh our God will \diamond approve of us/consider us to be righteous \diamond if we carefully obey everything that he has commanded us to do.’”

The blessings of worshiping God only

7 “Yahweh our God will bring you to the land that you will soon enter and occupy. As you advance, he will expel from that land seven people-groups that are more powerful and more numerous than you are. He will expel the Heth people-group, the Girgash people-group, the Amor people-group, the Canaan people-group, the Periz people-group, the Hiv people-group, and the Jebus people-group.² When Yahweh our God enables you to defeat [DOU] them, you must kill all of them. You must not make \diamond an alliance/a peace treaty \diamond with any of them. You must not act mercifully toward them.³ You must not marry any of them. You must not allow your daughters to marry any of their sons or allow your sons to marry any of their daughters.⁴ Because, if you did that, those people would cause your children to stop worshiping Yahweh and to worship other gods. If that happens, Yahweh will be very angry with you and he will get rid of you immediately.⁵ This is what you must do to those people: Tear down their \diamond altars/places for sacrificing animals \diamond , break apart the stone pillars *that are dedicated to their male god Baal*, cut down the *poles that they use when they worship the goddess Asherah*, and burn their *wooden idols*.⁶ You must do that because you are a group of people who belong to Yahweh our God. He has chosen you from among all the people-groups in the world to be his own special people.

⁷ It was not because you were more numerous than any other people-group that Yahweh preferred you; you are one of the smallest people-groups on the earth.⁸ Instead, it is because Yahweh loved you and because he wanted to do what he vowed to your ancestors. That is the reason that he rescued you by his great power [MTY], and freed you from being slaves [MTY] of the king of Egypt.⁹ So do not forget that Yahweh our God is the only/true God. He will do what he agreed to do for you, and he will faithfully love \diamond for 1,000 generations/forever \diamond all those who love him and who obey his commandments.¹⁰ But for those who hate him, he will \diamond pay them back/do to them what they deserve \diamond ; he will punish them and quickly get rid of them.

¹¹ So you must be sure to obey all the commandments and rules and regulations that I am giving to you today.¹² If you heed these commands and obey them faithfully, Yahweh our God will do what he has agreed to do for you, and he will faithfully love you, which is what he vowed to your ancestors that he would do.¹³ He will love you and bless you. He will enable you to have many children [DOU]. He will bless your fields, with the result that you will have plenty of grain and *grapes to make wine* and plenty of *olive oil*. You will have many cattle and sheep. He will do all these things for you in the land that he promised to your ancestors that he would give to you.¹⁴ He will bless you more than he will bless any other people-group. All of you will be able to have/produce children [LIT]. All of your livestock will be able to produce offspring.¹⁵ And Yahweh will protect you from all illnesses. You will not be afflicted with any of the dreadful diseases that *our ancestors knew about* in Egypt, but all your enemies will be inflicted with those diseases.¹⁶ You must get rid of all the people-groups that Yahweh our God will enable you to conquer. Do not [SYN] act mercifully toward any of them. And do not worship their gods, because if you do that, it would be like falling into a trap *from which you will never be able to escape*.

¹⁷ Do not think to yourselves, ‘These people-groups are more numerous/powerful than we are, so we certainly cannot [RHQ] expel them.’¹⁸ Do not be afraid of them. Instead, think about what Yahweh our God did to the king of Egypt and to all the people whom he *ruled*.¹⁹ Do not forget the terrible plagues that your ancestors saw *Yahweh inflict on the people of Egypt*, and the many [DOU] miracles *that he performed*, and the very powerful [DOU, MTY] way by which he brought your ancestors out of *Egypt*. Yahweh our God will do the same kind of things to the people-groups that you are afraid of now.²⁰ Furthermore, he will cause them to become terrified, and he will destroy those who remain alive and run away to hide from you.²¹ Do not be afraid of those people, because Yahweh our God will be with/among you. He is a great God; he is the one you should be afraid of.²² He will expel those people-groups gradually. You should not *try to expel* all of them at one time, because if you did that, the number of wild animals would quickly increase, *and you would not be able to get rid of them*.²³ Instead, Yahweh will enable you to defeat your enemies *one people-group at a time*. He will cause them to panic until they are destroyed.²⁴ He will enable you to defeat [IDM] their kings. After you kill them, their names will be forgotten {people will forget about them}. No people-group will be able to stop you; you will destroy all of them.²⁵ You must burn the wooden idols *that represent* their gods. Do not desire to take the silver or gold *decorations* that are on those idols, because if you take them for yourselves, they will be like a trap *to cause you to want to worship those idols*. Yahweh hates *the worship of those idols*.²⁶ You must

not bring any of those disgusting idols into your houses, because if you do that, God will curse you like he curses them. You must hate and despise [DOU] those idols, because they are things that *Yahweh* has cursed."

Moses urged them to remember and obey

8 "You must faithfully obey all the commandments that I am giving you today. If you do that, you will live *a long time*, you will become very numerous, and you will occupy the land that *Yahweh* solemnly promised your ancestors that he would give *to you*.² And do not forget how *Yahweh* our God led us as we traveled through the desert during these past 40 years. He *caused you to have many problems/difficulties*, because he wanted to cause you to realize that you needed to trust him and not yourselves. And he wanted to test you, to find out what you intended to do [IDM], whether you would obey his commandments or not.³ So he caused you to have/experience difficulties. He allowed you to become hungry. Then he gave you manna *food from heaven*, food that you and your ancestors had never eaten before. He did that to teach you that people need food *for their bodies*; but *they also need food for their spirits, which comes from paying attention to everything that Yahweh says* [MTY].⁴ During those 40 years *of walking through the desert*, our clothes did not wear out and our feet did not swell *from walking a very long way through the desert*.⁵ Do not forget that *Yahweh* our God disciplines us, like parents discipline their children.

⁶ So, obey the commandments of *Yahweh* our God, and conduct your lives as he wants you to do, and revere him.⁷ He is about to bring you into a good/fertile land, which has streams which flow down from the hills and pour/flow out of springs in the valleys.⁸ It is a land on which wheat and barley grow, a land where there are fig trees and pomegranates, and a land where there are olive trees and honey.⁹ It is a land where there will be plenty of food for you, where you will *not lack anything/have everything that you need* [LIT], a land which has iron *ore* in its rocks and from which you can dig copper *ore* from its hills.¹⁰ *Every day* you will eat until your stomachs are full, and you will thank *Yahweh* our God for the fertile/good land that he has given you.

¹¹ But, *when that happens*, be sure not to forget *Yahweh* our God by disobeying his commandments and rules and regulations that I am giving to you today.¹² When your stomachs are full *every day*, and when you have built good houses and are living in them,¹³ and when the number of your cattle and sheep has greatly increased, and when you have accumulated a large amount of silver and gold, and the amount of all your other possessions has greatly increased,¹⁴ be sure that you do not become proud [IDM] and forget *Yahweh* our God, who rescued your

ancestors from being slaves in Egypt and brought them out from there.¹⁵ Do not forget that he led them *while they traveled* through that huge and terrible desert, where there were poisonous snakes and scorpions. And do not forget that where the ground was very dry and there was no water, he caused water to flow for them out of *solid/very hard* rock.¹⁶ Do not forget that in that desert he gave your ancestors manna to eat, food that they had never eaten before. He *caused them to have/experience many problems/difficulties*, because he wanted them to realize that they needed to trust him and not themselves. And he wanted to test them, to find out whether they intended to obey him, in order that *when those difficulties* ended, he would do many good things for them.¹⁷ Be sure that you do not think to yourselves, 'I have acquired all these things by my own power [MTY] and ability.'¹⁸ Do not forget that it is *Yahweh* our God who has enabled you to become rich. He does this because he faithfully does what he solemnly promised our ancestors that he would do.

¹⁹ I solemnly warn you that if you forget *Yahweh* our God and turn to other gods and start to serve them and worship them, you will certainly be destroyed.²⁰ If you do not obey *Yahweh* our God, he will certainly destroy you just like he will destroy the people-groups that you will fight against."

The reason that God will enable them to be victorious

9 "You people of Israel, listen to me! You will soon [HYP] cross the *Jordan River*. In the land that you will enter, there are large cities that have very high walls *around them that seem to* [HYP] extend up to the sky. There are people-groups in that land that are more numerous and more powerful than you are.² Those people are very tall and strong. *Some of them* are giants who are descendants of Anak. You know about them, and you have heard people say that no one [RHQ] can defeat the descendants of Anak.³ But I want you to know that *Yahweh* our God will go ahead of you. He will be like a raging/roaring fire. While you advance, he will defeat and destroy them. As a result, you will quickly be able to expel some of them and kill the others, which is what *Yahweh* promised that you would do.

⁴ After *Yahweh* our God has expelled them for you, do not say to yourselves, 'It is because we are righteous that *Yahweh* has enabled us to capture this land.' The truth is that it is because the people in that land are wicked that *Yahweh* will expel them as you advance.⁵ *I say again* that it is not because you are righteous or because you do things that are righteous that you will enter and capture that land. It is because those people-groups are very wicked that *Yahweh* our God will expel them as you advance, and because he intends to do what he vowed to your ancestors Abraham, Isaac, and Jacob that he would do.⁶ I want you to know that it is not because you are righteous that

Yahweh our God is giving you this good/fertile land. I say that because you are *not righteous*; you are a very stubborn [IDM] people.”

Moses reminded them of the golden calf

⁷ “Never forget what your ancestors did in the desert that caused Yahweh our God to become angry. From the day that we left Egypt until the day that we arrived here, you and your ancestors have continually rebelled against him. ⁸ Even at Sinai *Mountain* your ancestors caused Yahweh to become angry. Because he was very angry, he was ready to get rid of *all of* them. ⁹ When I climbed the mountain to receive from him the stone tablets on which he had written the Ten Commandments that he was giving to them, I stayed there 40 days and nights, and *during that time* I did not eat or drink anything. ¹⁰ Yahweh gave me the two stone tablets on which he had written *the commandments* with his own fingers. They were the words/commandments that he had spoken to your ancestors from the fire on that mountain, when they were gathered together *at the bottom of the mountain*.

¹¹ At the end of those 40 days and nights, Yahweh gave me those two stone tablets on which he had written those commandments. ¹² But then he said to me, ‘Go down the mountain immediately, because the people whom you *are leading*, the people whom you led out of Egypt, have committed a terrible sin! They have very quickly done what I commanded them not to do. They have made for themselves a metal statue *of a calf to worship*.’

¹³ Then Yahweh said to me, ‘I have been watching these people, and I see that they are very stubborn. ¹⁴ So do not try to stop me. I am going to destroy all of them, with the result that no one anywhere will remember \diamond their names [MTY]/that they ever existed \diamond . Then I will enable you to become *the ancestor of* a nation that will be more numerous and more powerful than they are.’

¹⁵ So I turned and went down the mountain, carrying in my hands the two stone tablets on which the Ten Commandments were *written*. Fire was burning all over the mountain. ¹⁶ I looked, and I was shocked to see that your ancestors had committed a *great sin* against Yahweh. They very quickly had begun to do what Yahweh our God had commanded them not to do. They had *requested Aaron to make for them a metal image of a calf to worship*. ¹⁷ So while they were watching, I lifted up those two stone tablets and threw them *on the ground*, and they broke into pieces.

¹⁸ Then I \diamond prostrated myself/lay \diamond on the ground in Yahweh's presence as I had done before, and I did not eat or drink anything for 40 days and nights. I did that because your ancestors had sinned against Yahweh and caused him to become very angry. ¹⁹ I was afraid/worried that because Yahweh was very angry with them, he would get rid of all of them. *But again I prayed that he would not do that*, and again he lis-

tened to me *and answered my prayer*. ²⁰ Yahweh was also very angry with Aaron *for making that golden calf* and was ready to kill Aaron. But at the same time I prayed for Aaron also, *and Yahweh answered my prayer*. ²¹ Your ancestors had sinned *by requesting Aaron to make a metal statue of a calf*. So I took that statue and *I melted it* in a fire and crushed it and ground it into very tiny pieces [HYP]. Then I threw those tiny pieces into the stream that flowed down the mountain.

²² Your ancestors also caused Yahweh to become very angry *by what they did at places which they named* Taberah, Massah, and Kibroth-Hattaavah.

²³ And when we were at Kadesh-Barnea, Yahweh said to your ancestors, ‘Go up and capture the land that I am about to give to you!’ But they rebelled against him. They did not trust him, and they did not obey what he told [MTY] them to do. ²⁴ Your ancestors rebelled against Yahweh from the first day that I knew them, *in Egypt*.

²⁵ So, *as I said*, I lay on the ground in Yahweh's presence for 40 days and nights, because Yahweh had said that he would get rid of your ancestors. ²⁶ And I prayed to Yahweh, saying, ‘Lord God, these people belong to you; do not destroy them. They are people whom you rescued and brought out of Egypt by your very great power. [DOU, MTY] ²⁷ Do not forget *what you promised to* Abraham, Isaac, and Jacob. Please ignore these stubborn and wicked people and the sin that they have committed. ²⁸ If you do not do that, *and if you get rid of them*, the people of Egypt will *hear about it and say* that you were not able to bring them into the land that you promised to give to them. They will say that you took them into the desert only to kill them there because you hated them. ²⁹ *Do not forget that they are your people. You chose them to belong to you. You brought them out from Egypt by your very great power [DOU, MTY].’*”

A new copy of the Ten Commandments

¹⁰ “Then Yahweh said to me, ‘Cut two stone tablets like the first ones. And make a wooden chest to put them in. Then *bring the tablets* up to me on this mountain. ² I will write on those tablets the same words that I wrote on the first tablets, the ones that you broke. Then you can put them in the chest.’

³ So I made a chest. I used wood from an acacia tree to make it. Then I cut two tablets of stone like the first ones, and I went up the mountain carrying the tablets. ⁴ There Yahweh wrote on the tablets the *same Ten Commandments that he had written on the first tablet*. They are the commandments that he told to your ancestors from the middle of the fire on the mountain, when they were gathered *at the bottom of the mountain*. Then Yahweh gave the tablets to me, ⁵ and I turned and went down the mountain. Then, just as he had commanded, I put them in the chest that I had made. And they are still there.”

⁶ (Then, from the wells that belonged to the people of Jaakan, the Israeli people traveled to Moserah. There Aaron died and was buried, and his son Eleazar took his place and became the Supreme Priest. ⁷ From there, the Israelis traveled to Gudgodah, and from there to Jotbathah, which was a place that had many streams. ⁸ At that time, Yahweh *◇set apart/appointed◇* the tribe of Levi to carry the chest that contained *the tablets on which were written* the Ten Commandments, and to stand in Yahweh's presence *in the sacred tent*, to offer sacrifices, and to pray for Yahweh to bless the people. *They are still doing those things at the present time.* ⁹ That is the reason that the tribe of Levi did not receive any land like the other tribes did. What they received was the work/privilege of being Yahweh's *priests*, which is what he said that they should do.)

¹⁰ "I stayed on the mountain 40 days and nights, just like I did the first time. *I prayed to Yahweh*, and he *◇answered my prayers/did what I requested◇* again and said that he would not destroy your ancestors. ¹¹ Then Yahweh said to me, 'Continue your journey, going in front of the people, to occupy the land that I vowed your ancestors that I would give to you.'"

What Yahweh required

¹² "Now, you Israeli people, *I will tell you* [RHQ] what Yahweh our God requires/demands that you do. He requires you to revere him, to conduct your lives as he wants you to, to love him, and to serve him wholeheartedly [DOU], ¹³ and to obey all of his commandments [DOU] which I am giving to you today for your benefit.

¹⁴ Do not forget that Yahweh our God owns even the sky and everything that is in it. He also owns the earth and everything that is on it. ¹⁵ But *in spite of owning all those things*, Yahweh loved your ancestors, and from all the people-groups *on the earth* he chose us, their descendants, and we are still his people. ¹⁶ So you must stop sinning [MET] and stop being stubborn [IDM]! ¹⁷ Yahweh our God is greater than all gods, and he is greater than all rulers. He is very powerful [DOU] and awesome. He *◇is impartial/does not do things that favor one ◇group/person◇ more than others◇*, and he does not accept bribes. ¹⁸ He makes sure that orphans and widows are treated fairly. He loves even *◇foreigners/people from other countries◇* who live among us Israeli people, and he gives them food and clothes. ¹⁹ So you must love those foreigners too, because you were once foreigners when you were living in Egypt. ²⁰ Revere Yahweh our God and worship only him. *◇Be faithful to/Have a close relationship with◇* him, and say that he should punish you if you do not do what you promise. ²¹ He is the one whom you must praise. He is our God, and we have seen the great and amazing things that he has done for us. ²² When our ancestors, *Jacob and his family*, went down to Egypt, there were only seventy of them. But now Yahweh our

God has caused us to be as numerous as the stars in the sky."

Moses reminded them of the great things that God did

11 "*Because of all that Yahweh your God has done for you*, you must love him and continually obey all his rules and regulations and commandments. ² It was you and your ancestors, not your children, whom he disciplined *by causing all of you to have/experience difficulties*. So, starting today, continue to think about how very great and very powerful he is [DOU, MTY]. ³ Think about the various miracles [DOU] that he performed in Egypt. Think about what he did to the king of Egypt and to his country*. ⁴ Think about what he did to the army of Egypt, to their horses and their chariots. Think about how he caused the Red Sea to flood/cover over them while they were pursuing your ancestors, and how the army of Egypt was completely *◇wiped out/destroyed◇*. ⁵ Think about what Yahweh did for your ancestors in the desert before you arrived at this place. ⁶ Think about what he did to Dathan and Abiram, the two sons of Eliab from the tribe of Reuben. While all of your ancestors were watching, the earth split open, and they fell into the opening *and disappeared*, along with their families and their tents, their servants, and their animals. ⁷ You [SYN] and your ancestors have seen all these miracles that Yahweh performed.

⁸ So, obey all the commandments that I am giving you today, in order that you will be strong and able to cross the river and occupy the land that you are about to enter, ⁹ and in order that you will live for a long time in that land, the land that Yahweh solemnly promised your ancestors that he would give to them and to their descendants, a land that is very fertile [IDM]. ¹⁰ The land that you are about to enter and occupy is not like the land of Egypt, where your ancestors lived. In Egypt, after they planted seeds, it was necessary for them to work hard [MTY] to water *the plants that grew*. ¹¹ But the land that you are about to enter is a land where there are many hills and valleys, where there is plenty of rain. ¹² Yahweh takes care of that land. He [SYN] watches over it every day, from the beginning of each year to the end of each year.

¹³ Today I am commanding you to love Yahweh our God and to serve him with your entire inner beings. If you do that, ¹⁴ each year he will send rain on your land at the *◇right times/times when it is needed◇*, *◇in the autumn/at the end of the dry season◇* and *◇in the spring/before the next dry season starts◇*. As a result, you will have grain and *grapes to make wine* and *olives to make olive oil*. ¹⁵ And he will cause grass to grow in your fields for your livestock *to eat*. You will have all the food that you want.

¹⁶ But I warn you, do not turn away from Yahweh our God and start to worship other gods, ¹⁷ because if you do that, Yahweh will become very angry with you. He will prevent any rain from falling. As a result, the

crops will not grow, and you will soon die *from hunger* in the good land that Yahweh is about to give to you. ¹⁸ So, keep thinking [IDM] about these commands. Write them *on tiny scrolls* and fasten them to your arms/wrists, and write them on bands that you fasten to your foreheads *to help you to remember them*. ¹⁹ Teach them to your children again and again. Talk about them *all the time*: When you are in your houses and when you are walking outside; talk about them when you are lying down at night and when you are getting up in the morning. ²⁰ Write them on the doorposts and on the gates of your houses. ²¹ Do that in order that you and your children will live for a long time in the land that Yahweh promised to our ancestors that he would give to them. That land will belong to you *and your descendants* as long as there is a sky above the earth.

²² Faithfully continue to obey what I am commanding you to do—to love Yahweh our God, and to conduct your lives as he wants you to do, and to *be faithful to/have a close relationship with* him. ²³ If you do that, Yahweh will expel all the people-groups in that land as you advance, people-groups that are more numerous and more powerful than you are. ²⁴ All the ground *in that land* on which you walk will be yours. Your territory will extend from the desert *in the south* to the Lebanon Mountains *in the north*, and from the Euphrates River *in the east* to the Mediterranean Sea *in the west*. ²⁵ Yahweh our God will cause all the people in that land to be afraid of you, which is what he promised, with the result that no people-group will be able to stop you.

²⁶ Listen carefully: Today I am telling you *that Yahweh will either bless you or he will curse you*. ²⁷ If you obey the commandments of Yahweh our God that I am giving to you today, he will bless you. ²⁸ If you do not obey them, and if you turn away from him to worship other gods that you have never known about before, he will curse you. ²⁹ And when Yahweh brings you into the land that you are about to enter and occupy, *some of you must stand on top of Gerizim Mountain and proclaim what will cause Yahweh to bless you, and the others must stand on top of Ebal Mountain and proclaim what will cause Yahweh to curse you.* ³⁰ (Those two mountains are [RHQ] west of the Jordan River, west of the Jordan Valley near the huge oak tree at Moreh *village* in the land where the Canaan people-group lives. They live close to the sacred trees near Gilgal.) ³¹ “You will soon cross the Jordan River to occupy the land that Yahweh our God is giving to you. When you enter that land and start to live there, ³² be sure to obey all the rules and regulations that I am giving to you today.”

The one place for worship

12 “*I will now tell you again/These, again, are* the rules and regulations that you must faithfully obey in the land that Yahweh, the God whom our

ancestors *worshiped*, is giving to you to occupy. You must obey these laws all the time that you are alive. ² You must destroy all the places where the people-groups that you will expel worship their gods, on the tops of mountains and hills and under big green trees. ³ You must tear down their altars and smash their sacred pillars. Completely burn the statues of their goddess Asherah in fires, and chop down their wooden idols, in order that no one will ever worship them [MTY] in those places again.

⁴ Do not worship Yahweh *like the people in Canaan worship their gods*. ⁵ Instead, you must go to the place that Yahweh will choose. It will be in the area where one of your tribes will live. That is where you must go to worship Yahweh. ⁶ That is the place where you must bring your sacrifices that will be completely burned on the altar, and your other sacrifices, *your tithes/ten percent of all of your crops*, other offerings that you decide to give, and the firstborn animals from your cattle and sheep. ⁷ There, in the presence of Yahweh our God, who has *greatly* blessed you, you and your families will eat the good things that you have worked to produce, and you will be happy.

⁸ *When you are in that land*, you must not do some of the things that we have been doing. Until now, you have all been worshiping *Yahweh* the way you wanted to, ⁹ because you have not yet arrived in the land which Yahweh is giving to you, where you will be able to live peacefully. ¹⁰ But when you cross the Jordan River, you will start to live in the land that Yahweh our God is giving to you. He will protect you from all your enemies that will surround you, and you will live peacefully/safely.

¹¹ Yahweh will choose one place where he wants you to worship him. That is the place to which you must bring all the offerings that I command you to bring: The sacrifices that must be completely burned *on the altar*, your other sacrifices, other offerings that you yourselves decide to give, *your tithes/ten percent of all your crops*, and all the special offerings that you will solemnly promise to give to Yahweh. ¹² Rejoice there in the presence of Yahweh, along with your children, your male and female servants, and the descendants of Levi who live in your towns. Do not forget that the descendants of Levi will not have their own land, like you will have. ¹³ Be sure that you do not offer sacrifices anywhere you want to. ¹⁴ You must offer them only in the place that Yahweh will choose for you, in an area that belongs to one of your tribes. That is the only place where he wants you to offer sacrifices that will be completely burned *on the altar*, and to do the other things that I am commanding you to do *when you worship him*.

¹⁵ However, you will be permitted to kill and eat the meat of your animals in the places where you live. As often as you want to, you may eat the meat of the animals that Yahweh our God will bless you by giving them to you. Those who have done things that cause

them to become unacceptable to God and those who have not done things like that may all eat that meat, just like you would eat the meat of a deer or an antelope. ¹⁶ But you must not eat the blood of *any animals*; you must let the blood drain onto the ground *before you cook the meat*. ¹⁷ In the places where you live, you must not eat the things that you are offering to Yahweh: You must not eat the \diamond tithes/ten percent \diamond of your grain or of your wine, or of your *olive* oil, or the firstborn of your cattle and sheep, or the offerings that you yourselves decide to give to Yahweh, or any other offerings. ¹⁸ Instead, you and your children and your male and female servants and the descendants of Levi who live in your towns must go to the place that he has chosen and eat those things there in the presence of Yahweh. And you should rejoice in the presence of Yahweh about everything that you do. ¹⁹ Be sure that you take care of the descendants of Levi all during the time that you live in your land.

²⁰ When Yahweh our God gives you much more land *than you will have when you first occupy it*, which is what he has promised to do, and you say 'I would like some meat to eat' because you are craving/wanting some meat, you will be permitted to eat meat whenever you want to. ²¹ If the place that Yahweh our God chooses to be the place for you to worship him is far *from where you live*, you are permitted to kill some of your cattle or sheep that Yahweh has given to you, and you may eat that meat at the places where you live, just like I have told you to do. ²² Those who have done things that cause them to become unacceptable to God, and those who have not done things like that, are all permitted to all eat that meat, just like you would eat the meat of a deer or an antelope. ²³ But be sure that you do not eat the blood of *any animal*, because it is the blood that sustains life in living beings, and so you must not eat the life along with the meat. ²⁴ Do not eat the blood; instead, let it drain onto the ground. ²⁵ If you obey this command and do what Yahweh says is right *for you to do*, things will go well for you and for your descendants.

²⁶ But the sacred offerings that Yahweh has told you to give and the other offerings that you yourselves decide to give, you must take to the place that Yahweh will choose. ²⁷ You must offer there the sacrifices that will be completely burned *on Yahweh's altar*. You must also offer there the sacrifices from which you may eat some of meat after you *kill the animals and drain out the blood and some of it is thrown on the sides of the altar*. ²⁸ Faithfully obey all these things that I have commanded you. If you do that, things will go well forever for you and your descendants, because you will be doing what Yahweh our God says is right *for you to do* and what pleases him.

²⁹ When you enter the land that you will occupy, as you advance, Yahweh our God will get rid of the people-groups that live there. ³⁰ After he does that, be sure that you do not *worship the gods* that they have

been worshiping, because if you do that, you will be caught in the same trap *that they were caught in* [MET]. Do not ask anyone about those gods, saying, 'Tell me how they worshiped their gods, in order that I can *worship them* also.' ³¹ Do not try to worship Yahweh our God like they have worshiped their gods, because when they worship them, they do disgusting things, things that Yahweh hates. *The worst thing that they do is* that they sacrifice their own children and burn them *on their altars*.

³² Be sure to do everything that I have commanded you to do. Do not add anything to these commands, and do not take anything away from them."

Moses warned them against idolatry

13 "Possibly there will be people among you who *say that they are prophets*. They may say that they are able to interpret the meaning of dreams or perform various kinds of miracles [DOU]. ² They will say those things in order to induce/persuade you to worship gods that you have never known about before. But even if what they predict happens, ³ do not pay attention to what they say. Yahweh our God will be testing you to find out if you love him with all your inner being. ⁴ You must conduct your lives as Yahweh our God wants you to, and you must revere him, and do what he tells you to do [MTY], and worship only him, and \diamond be faithful to/have a close relationship with \diamond him.

⁵ But you must execute anyone who *falsely says that he is a prophet*, or someone who *falsely says that he can interpret dreams*, or who tells you to rebel against Yahweh our God, who rescued your ancestors from being slaves in Egypt. People like that are only wanting to cause you to stop conducting your lives as Yahweh has commanded you to do. Execute them, to get rid of this evil among you. ⁶ It does not matter if even your brother or your daughter or your wife or some close/dear friend secretly urges you, saying 'Let's worship other gods. They are gods which you or your ancestors have never known about.' ⁷ Some of them may encourage you to worship gods that people-groups that live near you worship, or gods that groups who live far away worship. ⁸ Do not [SYN] do what they suggest. Do not even listen to them. Do not even be merciful to them, and do not keep secret what they have done. ⁹ Execute them! You *who are their relative* must be the first one to *throw stones at them* to kill them, and then let everyone else [MTY] throw stones at them, too. ¹⁰ Kill such people by throwing stones at them, because they are trying to cause you to stop worshiping Yahweh our God, who rescued your ancestors from being slaves in Egypt. ¹¹ When they are executed, all the Israeli people will hear *what happened*, and they will become afraid, and none of them will do such an evil thing again.

¹² When you are living in one of the towns in the land that Yahweh our God is giving to you, you may

hear ¹³ that some worthless people there among you [IDM] are deceiving the people of their town, saying, 'Let's go and worship other gods,' but they are gods that you have never heard about before. ¹⁴ Investigate it thoroughly/carefully. If you find out that it is true that such a disgraceful thing has happened, ¹⁵ kill all the people in that town. And kill all their livestock, too. Destroy the town completely. ¹⁶ Gather all the possessions that belonged to the people who lived there and pile them up in the city plaza. Then burn the town and everything in it, as though it were an offering to Yahweh that would be completely burned *on the altar*. The ruins/ashes must stay there forever; the town must never be rebuilt. ¹⁷ None of you Israelis must take for yourselves [IDM] anything that Yahweh has said must be destroyed. But if you do what I say, Yahweh will stop being angry with you, and he will act mercifully toward you. And he will cause you to have many children/descendants, which is what he promised our ancestors that he would do. ¹⁸ Yahweh our God will do all those things if you do what he is telling you to do, and if you obey all the commandments that I am giving to you today and do what Yahweh says is right *for you to do*."

Creatures that were forbidden to be eaten

14 "We are people who belong to Yahweh our God. So, when people die, do not show that you are grieving by gashing/cutting yourselves or by shaving the hair on your foreheads *like the other people-groups do*. ² We belong to Yahweh alone. Yahweh chose us from all the other people-groups on the earth to be his special people.

³ Do not eat anything that *Yahweh* detests. ⁴ The animals *whose meat* you are permitted to eat are cattle, sheep, goats, ⁵ deer, gazelles, wild goats, antelopes, and mountain sheep. ⁶ Those are animals that have split hoofs and that also \diamond chew their cuds/regurgitate their food *from their stomachs* to chew it again \diamond .

⁷ But there are other animals that chew their cuds that you must not eat. Those are camels, rabbits, and rock badgers. They chew their cuds, but their hooves are not split. So they are not acceptable for you to eat.

⁸ Do not eat pigs. They are unacceptable for you to eat; their hooves are split, but they do not chew cud. Do not eat the meat of those animals; do not even touch their dead bodies. ⁹ You are permitted to eat any fish that has scales and fins. ¹⁰ But anything else *that lives in the water* that does not have scales and fins, you must not eat, because *if you eat them*, you will become unacceptable *to Yahweh*.

¹¹ You are permitted to eat the flesh of any bird that is acceptable *to Yahweh*. ¹² But eagles, vultures, black vultures, ¹³ buzzards, all kinds of kites, ¹⁴ all kinds of crows, ¹⁵ ostriches, seagulls, ¹⁶ owls, hawks, falcons, ¹⁷ pelicans, vultures that eat dead animals, *cor-morants*, ¹⁸ storks, herons, hoopoes, and bats, you must not eat.

¹⁹ All insects with wings *and which walk on the ground* are unacceptable *to Yahweh*; do not eat them.

²⁰ But other insects with wings *and which hop along the ground* are acceptable to eat.

²¹ Do not eat any animal that has died naturally, *because its blood has not been drained out*. You may allow foreigners who live among you to eat those things or you may sell them to other foreigners. But you belong to Yahweh our God; *and those who belong to him are not permitted to eat the meat of animals whose blood has not been drained out*.

You must not cook a young sheep or goat in its mother's milk."

Giving tithes

²² "Once each year you must set apart \diamond a tithe/10 percent \diamond of all the crops that are produced/harvested in your fields. ²³ Take those things to the place that Yahweh our God will choose *for you to worship him*.

There eat the tithes of your grain, your wine, your olive oil, and the meat of the firstborn male animals of your cattle and your sheep. Do this in order that you may learn to always revere Yahweh, *the one who has blessed you by giving you these things*. ²⁴ If the place that Yahweh has chosen *for you to worship him* is very far from your home, with the result that you are not able to take there the tithes *of your crops* with which Yahweh has blessed you, do this: ²⁵ Sell [IDM] the tithes of your crops, wrap the money carefully *in a cloth*, and take it with you to the place of worship that Yahweh has chosen. ²⁶ There, *with that money*, you may buy whatever you want to—beef or lamb or wine or fermented drinks. And there, in the presence of Yahweh, you and your families should eat *and drink* those things and be happy. ²⁷ But be sure to not neglect/forget *to help* the descendants of Levi who live in your towns, because they will not own any land.

²⁸ At the end of every three years, bring a tithe of all your crops that have been produced/harvested in that year and store it in your towns. ²⁹ That food is for the descendants of Levi, because they do not have their own land, and for foreigners *who live among you*, and for orphans and widows who live in your towns. They are permitted to come *to where the food is stored* and take what they need. Do that in order that Yahweh our God will bless you in everything that you do."

The year for canceling debts

15 "At the end of every seven years, you must \diamond cancel all debts/tell people who owe you money that they do not need to pay it back \diamond . ² Do it like this: Each of you who has lent money to a fellow Israeli must cancel that debt. You must not insist that he pay it back. You must do that because Yahweh has declared that the debts must be canceled *every seven years*. ³ *During that year* you may require foreigners *who live among you* to pay what they owe you, but

you must not try to require that any fellow Israeli pay you what he owes you. ⁴⁻⁵ Yahweh our God will bless you in the land that he is giving to you. If you obey Yahweh our God and obey all the commandments that I am giving to you today, there will not be any poor people among you. ⁶ Yahweh our God will bless you like he has promised to do, and you will *be able to* lend money to people of other people-groups, but you will not *need to* borrow from any of them. You will control *the finances* of many people-groups, but they will not control your *finances*.

⁷ In the towns that Yahweh our God is giving to you, if there are any Israelis who are poor, do not be selfish [IDM] and refuse [IDM] to help them. ⁸ Instead, be generous [IDM] and lend to them the money that they need. ⁹ Be sure that you do not say to yourself, 'The year when debts will be canceled is near, *so I do not want to lend anyone any money now, because he will not need to pay it back when that year comes.*' It would be evil to even think that. If you act in an unfriendly way toward a needy fellow Israeli, and give him nothing, he will cry out to Yahweh about you, and *Yahweh will say that you have sinned by not helping that person.* ¹⁰ Give freely to poor people and give generously [IDM]. ¹¹ If you do that, Yahweh will bless you in everything that you do. There will always be some poor people in your land, so I command you to give generously to poor [DOU] people."

Freeing slaves

¹² "If any of your fellow Israeli men or women sell themselves to one of you *to become your slave*, you must free them after they have worked for you for six years. When the seventh year comes, you must free them. ¹³ When you free them, do not allow them to go *◇empty-handed/without giving them anything◇*.

¹⁴ Give to them generously from the things with which Yahweh has blessed you—sheep, grain, and wine.

¹⁵ Do not forget that your ancestors were once slaves in Egypt, and Yahweh our God freed them. That is the reason that I am now commanding you to do this.

¹⁶ But one of your slaves may say, 'I do not want to leave you.' He loves you and your family, because you have treated him well. ¹⁷ If he says that, take him to the door of your house and, *while he stands against the doorway*, pierce one of his earlobes with *◇an awl/a sharp pointed tool◇*. That will indicate that he will be your slave for the rest of his life. Do the same thing to any female slave *who does not want to leave you*.

¹⁸ Do not complain when you are required to free your slaves. *Keep in mind that they served you for six years, and you paid them only half as much as you pay the servants that you hire. If you free them, Yahweh our God will bless you in everything that you do.*"

Rules about sacrificing firstborn animals

¹⁹ "◇Set aside for/Dedicate to◇ Yahweh our God the firstborn male animals from your cattle and sheep. Do not force them to do any work for you, and do not *◇shear/cut off◇ the wool of the firstborn animals to sell the wool.* ²⁰ You and your family may *kill them and eat their meat* in the presence of Yahweh at the place that Yahweh chooses *for you to worship him.* ²¹ But if the animals have any defects, if they are lame or blind, or if they have any other serious defect, you must not sacrifice them to Yahweh our God. ²² You may *kill and eat the meat of those animals* at your homes. Those who have done things that cause them to become unacceptable to God and those who have not done such things are permitted to eat that meat, just like anyone is permitted to eat the meat of a deer or an antelope. ²³ But you must not eat any of the blood; you must drain all the blood on the ground *when you kill those animals.*"

The Passover Festival

16 "Each year honor Yahweh our God by celebrating the Passover Festival in the month of Abib in early spring. It was on a night in that month that Yahweh rescued your ancestors from Egypt. ² In order to celebrate that festival, go to the place that Yahweh will choose *for you to worship him*, and offer there one young animal from your cattle or your sheep to be the Passover sacrifice, to honor Yahweh [MTY].

³ When you eat the Passover meal, the bread that you eat must not have yeast in it. You must eat this kind of bread, which will be called the bread of suffering/misery, for seven days. This is to help you to remember all during the time that you are alive that when your ancestors left Egypt, *where they were suffering because they were slaves*, they left very quickly. *They did not put in yeast and wait for the dough to swell up.* ⁴ During that festival, you must not have any yeast in any house in your land for seven days. Furthermore, the meat of the animals that you sacrifice on the evening of the first day of the Passover Festival must be eaten during that night; do not allow any of it to remain until the next day.

⁵⁻⁶ To honor Yahweh our God, you must offer the Passover sacrifice only at the place that he chooses for you *to worship him*; do not offer that sacrifice in any other town in the land that Yahweh is giving to you. Offer that sacrifice when the sun is setting, at the same time of day that your ancestors started to leave Egypt. ⁷ Boil the meat and eat it at the place of worship that Yahweh our God chooses. The next morning, you may return to your tents. ⁸ Each day for six days the bread that you eat must have no yeast in it. On the seventh day, you must all gather to worship Yahweh our God. *It will be a day of rest*; you must not do any work on that day."

The festival for harvesting grain

⁹ “Each year, from the day that you start to harvest your grain, count seven weeks. ¹⁰ Then, to honor Yahweh our God, celebrate the Harvest Festival. Do that by bringing to him an offering of grain. Yahweh has blessed you by causing it to grow in your fields during that year. If you had a big harvest, bring a big offering. If you had a small harvest, bring a small offering. ¹¹ Each married couple should be joyful in the presence of Yahweh. Their children, their servants, the descendants of Levi who are in that town, and the foreigners, orphans, and widows who are living among you, should also be joyful. Bring those offerings to the place of worship that Yahweh will choose.

¹² When you celebrate these festivals by obeying these commands, remember that your ancestors were previously slaves in Egypt.”

The Festival of Living in Shelters

¹³ “Each year, after you have threshed all your grain and pressed the juice from all your grapes, you must celebrate the Festival of Living in Temporary Shelters for seven days. ¹⁴ Each married couple along with their children, their servants, the descendants of Levi who are in that town, and the foreigners, orphans, and widows who are living among you, should be joyful in the presence of Yahweh. ¹⁵ Honor Yahweh our God by celebrating this festival for seven days in the place that Yahweh chooses for you to worship him. You should all be joyful, because Yahweh will have blessed your harvest and all the other work that you have done.

¹⁶ So, each year all of you Israeli men must gather with your families to worship Yahweh our God at the place that he will choose, to celebrate three festivals: The Passover Festival, the Harvest Festival, and the Festival of Living in Temporary Shelters. Each of you men must bring [LIT] an offering for Yahweh to these festivals¹⁷ in proportion to the blessings that Yahweh has given you during that year.”

Judging people fairly

¹⁸ “Appoint judges and other officials throughout your tribes, in all the towns in the land that Yahweh our God is giving to you. They must judge people fairly/justly. ¹⁹ They must not judge unjustly. They must not favor one person more than another. The judges must not accept bribes, because if a judge accepts a bribe, even if he is wise and honest, it will be very difficult for him to judge fairly [IDM]; he will do what the person who gave him the bribe wants him to do and declare that the righteous/innocent people must be punished. ²⁰ You must be completely fair and just [DOU], in order that you will enter and occupy the land that Yahweh our God is giving to you.”

Warning against worshiping other gods

²¹ “When you make an altar to worship Yahweh our God, do not put next to it any wooden statue that represents the goddess Asherah. ²² And do not set up any stone pillar to worship any idol, because Yahweh hates them.”

Warning against sacrificing defective animals

17 “Do not sacrifice to Yahweh our God any cattle or sheep or goats that have any defects, because Yahweh hates that kind of gift.”

Punishment for idolatry

² “When you are living in any of the towns in the land that Yahweh our God is giving to you, suppose you hear that there is some man or woman who sins by disobeying the agreement that Yahweh has made with you. ³ Suppose someone tells you that that person has worshiped and served other gods, or the sun, or the moon, or the stars. ⁴ If you hear that some person has been doing that, you must investigate it thoroughly. If you find out that it is true that this detestable thing has happened in Israel, ⁵ you must take outside the town the man or woman who has done it. Then you must kill that person by throwing stones at him or her. ⁶ But you are allowed to execute such people only if at least two witnesses testify that they saw them doing that. They must not be executed if there is only one witness. ⁷ The witnesses/ones who saw them doing it must be the first ones to throw stones at them. Then the other people [MTY] should throw stones at them. By doing that, you will get rid of this evil practice among you.”

Judging difficult cases

⁸ “Sometimes it will be very difficult for a judge to decide what really happened. He might be trying to decide whether, when someone injured or killed another person, he did it accidentally or deliberately. Or he might be trying to decide if some person is suing another person unfairly. If in some town it is very difficult to know what really happened, with the result that the judge cannot decide it, you should go to the place that Yahweh our God has chosen for you to worship him. ⁹ There you should present the case to the descendants of Levi who are the priests, and to the judge who is serving at that time, and they should decide what should be done. ¹⁰ After they make their decision, you must do what they tell you to do. ¹¹ Accept what they have decided, and do what they say that you should do. Do not try to change in any way what they have decided [IDM]. ¹² You must execute anyone who proudly/arrogantly disobeys the judge or the priest who stands there in the presence of Yahweh and decides what should be done. By doing that, you will get rid of evil practices among you. ¹³ Then after

that person is executed, all the people will hear about it, and they will be afraid, and none of them will act that way anymore."

Proper behavior for a king

¹⁴ "I know that after you have occupied the land that Yahweh our God is giving to you, and you are living there, you will say, 'We should have a king to rule over us, like the kings that other nations around us have.'

¹⁵ Yahweh our God will permit you to have a king, but be sure that you appoint someone whom he has chosen. That man must be an Israeli; you must not appoint someone who is a foreigner to be your king.

¹⁶ After he becomes the king, he should not acquire a large number of horses for himself. He should not send people to Egypt to buy horses for him, because Yahweh said to you, 'Never return to Egypt for anything!' ¹⁷ And he must not have a lot of wives, because if he did that, they would turn him [SYN] away from *worshipping only* Yahweh. And he must not acquire a lot of silver and gold.

¹⁸ When he becomes your king, he must *appoint someone to copy* these laws. He must copy them from the scroll that is kept by the priests who are descended from Levi. ¹⁹ He must keep this new scroll near him and read from it every day of his life, in order that he may learn to revere Yahweh, and to faithfully obey [DOU] all the rules and regulations *that are written* in these laws. ²⁰ If he does that, he [SYN] will not think that he is *better/more important* than [IDM] his fellow Israelis, and he will completely obey [LIT] Yahweh's commands. As a result, he and his descendants will rule as kings in Israel for many years."

What the priests were to receive

18 "The priests, who are all from the tribe of Levi, will not receive any land in Israel. Instead, they will receive some of the food that other people offer to be burned *on the altar to be sacrificed* to Yahweh and some of the other sacrifices that will be offered to Yahweh. ² They will not be allotted any land like the other tribes will be. What they will receive is the work/privilege of being Yahweh's *priests*, which is what he said that they should have.

³ When the people bring an ox or a sheep to be sacrificed, they must give to the priests the shoulder, the cheeks/jaws, and the stomach of those animals. ⁴ You must also give to them the first part of the grain that you *harvest*, and the first part of the wine *that you make*, and the first part of the *olive oil that you make*, and the first part of the wool that you shear from your sheep. ⁵ You must do this because Yahweh our God has chosen the tribe of Levi from all of your tribes, in order that men *from that tribe* would always be the priests who would serve him.

⁶ If any man from the tribe of Levi *who has been living in one of the towns* in Israel wants to come from

there to the place of worship that Yahweh has chosen, *and start living there*, ⁷ he is permitted to serve Yahweh there as a priest, just like the other men from the tribe of Levi who have been serving there. ⁸ He must be given the same amount of food *that the other priests receive*. He is permitted to keep the money *that his relatives give him* for selling some of their possessions.

A warning about pagan practices

⁹ When you enter the land that Yahweh our God is giving you, you must not imitate the disgusting things that the people-groups who are there now do. ¹⁰ You must not sacrifice any of your children by burning them *on your altars*. Do not practice *divination/using supernatural power to reveal what will happen in the future*. Do not do/practice *soothsaying/magic to find out what will happen in the future*. Do not *interpret omens/say that because of something that you have seen you know what will happen*. Do not practice *sorcery/witchcraft*. Do not practice *putting spells on people/saying things to cause bad things to happen to others*. ¹¹ Do not try to talk with spirits of dead people. Do not do/practice *magic*. ¹² Yahweh hates people who do any of those disgusting things. And as you advance through that land, he is going to expel the people-groups because they do/practice those disgusting things. ¹³ But you must always avoid doing any of those things.

The promise to send a prophet like Moses

¹⁴ The people-groups that you are about to expel *from the land that you will occupy* *consult/seek advice from* *soothsayers* and those who practice *divination*. But as for you, Yahweh our God does not allow you to do that. ¹⁵ *Some day* he will send from among you a prophet like me. He *is the one who will tell you what will happen in the future*, and he is the one whom you must heed. ¹⁶ On the day that your ancestors were gathered at the bottom of Sinai Mountain, they pleaded with me saying, 'We do not want Yahweh to speak [MTY] to us again, and we do not want to see this huge fire *that is burning on the mountain!* *Your ancestors said that because they were afraid that they would die if Yahweh spoke to them again.*

¹⁷ Then Yahweh said to me, 'What they have said is true/wise. ¹⁸ So I will send from among them a prophet who will be like you. I will tell him what to say, and then he will tell people everything that I tell him to say. ¹⁹ He will speak for me. And I will punish anyone who does not heed what he says. ²⁰ But if any other person *says that he is* a prophet and dares to speak a message which he falsely says comes from me but which I did not tell him to speak, or if anyone who speaks a message that he says other gods [MTY] have revealed to him, he must be executed *for doing that.*'

²¹ But if you say to yourself, 'How can we know if a message *that someone tells us* does not come from Yahweh?' ²² *The answer is that* when someone speaks a message *about what will happen in the future*, a message that he says was revealed by Yahweh, if what he says does not happen, *you will know that* the message did not come from Yahweh. That person has wrongly claimed that it was revealed to him by Yahweh. So you do not need to be afraid of anything that he says."

The cities of refuge

19 After Yahweh our God has gotten rid of the people-groups from the land that he is giving to you, and after you have expelled them from their cities and you start to live in their houses, ²⁻³ you must divide into three parts the land that he is giving to you. Then choose a city in each part. You must make good roads *in order that people can get to those cities easily*. Someone who kills another person can escape to one of those cities *to be safe/protected*.

⁴ This is the rule about someone who has killed another person. If someone *accidentally/without planning to* kills another person who was not his enemy, he may escape to *one of those cities* and be safe/protected there. ⁵ For example, if two men go into the forest to cut some wood, if the axe head comes off the handle while one of them is chopping down a tree and the axe head strikes and kills the other man, the man *who was using the axe* will be allowed to run to one of those cities and be safe there, *because the people of that city will protect him*. ⁶ Because he accidentally killed someone, and because the man was not his enemy, he can try to run to one of those cities. If there were only one city, it may be a long distance to that city. Then if the relative of the man who was killed [MTY], the man who is supposed/expected to get revenge, is very angry, he may be able to catch the other person before he arrives at that city. ⁷ *To prevent that from happening*, you must choose three cities, not only one, *in order that someone can get to one of those cities quickly*.

⁸⁻⁹ If you do everything that I am today commanding you to do, and if you love Yahweh our God, and if you conduct your lives as he wants you to do, Yahweh our God will give you much more land than you will have when you first occupy it, which is what he promised to do. He will give you all the land which he promised your ancestors that he would give to you. When he gives you that land, you must select three more cities *to which people may escape*. ¹⁰ Do this in order that people who *are innocent/have killed someone else without planning to* will not die, and you will not be guilty for *allowing* them to be executed, in the land that Yahweh is giving to you.

¹¹ But suppose someone hates his enemy and hides and waits for that person *to come along the road*. Then *when he passes by, suddenly* he attacks him and

murders him. If the attacker flees to one of those cities *to be protected there*, ¹² the elders of the city *where the murdered man lived must not protect the attacker*. They must send someone to the city to which the other man escaped, and bring him to [MTY] the relative who is supposed/expected to get revenge, so that he may execute that man. ¹³ You must not pity those who murder other people! Instead, you must *execute them*, in order that the people in the land of Israel will not murder [MTY] innocent people, and in order that things will go well for you.

Warning against moving boundaries

¹⁴ *When you are living* in the land that Yahweh our God is giving to you, do not move the markers of your neighbors' property boundaries which were placed there long ago.

Warnings about witnesses

¹⁵ If someone is accused of committing a crime, one *witness/person* who says, 'I saw him do it' *is not enough*. There must be at least two *witnesses/people* who say, 'We saw him do it'. *If there is only one witness*, the judge must not believe that what he says is true.

¹⁶ If someone tries to do wrong to another person by falsely accusing him, ¹⁷ both of them must go to the place where the people worship, to *talk to* the priests and judges who are serving at that time. ¹⁸ The judges must *investigate the case carefully/try to find out which one is telling the truth*. *If the judges determine that one of them has accused the other falsely*, ¹⁹ that person must be punished in the same way that the other one would have been punished *if the judge decided that he was guilty/had done what is wrong*. By punishing such people, you will get rid of this evil practice among you. ²⁰ And/Because when that person is punished, everyone will hear what has happened, and they will be afraid, and no one will dare to act that way anymore. ²¹ You must not pity people who are punished like that. The rule should be that a person who has murdered someone else must be executed; one of a person's eyes must be gouged out if he has gouged out someone else's eye, one tooth of a person who has knocked out the tooth of another person must be knocked out; one hand of a person who has cut off the hand of another person must likewise be cut off; one foot of a person who has cut off the foot of another person must also be cut off."

Rules concerning fighting wars

20 "When your *soldiers* go to fight your enemies, and you see that they have many horses and chariots and that their army is much bigger than yours, do not be afraid of them, because Yahweh our God, who brought your *ancestors safely* out of Egypt,

will be with you. ² When you are ready to start the battle, the Supreme Priest must stand in front of the troops. ³ He must say to them, 'You Israeli men, listen to me! Today you are going to fight against your enemies. Do not be timid or afraid [DOU] or tremble or panic [DOU], ⁴ because Yahweh our God will go with you. He will fight your enemies for you, and he will enable you to defeat them.'

⁵ Then the army officers must say to the troops, 'If anyone among you has just built a new house [RHQ] and has not dedicated it *to God*, he should go home *and dedicate the house*. If he does not do that, if he dies in the battle, someone else will dedicate the house *and live in it*. ⁶ If anyone among you has planted a vineyard and has not yet harvested any grapes from it [RHQ], he should go home. If he *stays here and dies* in the battle, someone else will *harvest the grapes and enjoy the wine made from them*. ⁷ If anyone among you has become engaged to marry a woman *but has not married her yet* [RHQ], he should go home. If he *stays here and dies* in the battle, someone else will marry her.'

⁸ Then the officers must also say, 'If anyone among you is afraid or timid [RHQ], he should go home, in order that he does not cause his fellow soldiers to also stop being courageous.' ⁹ And when the officers have finished speaking to the troops, they must appoint commanders *to lead the groups of soldiers*.

¹⁰ When you come near a city *that is far away* to attack it, first tell the people there that if they surrender, you will not attack them. ¹¹ If they open the gates of the city and surrender, they all will become your slaves to work for you. ¹² But if they refuse to *surrender peacefully*, and decide instead to fight against you, your troops must surround the city *and break through the walls*. ¹³ Then, when Yahweh our God enables you to capture [IDM] the city, you must kill all the men in the city. ¹⁴ But you are allowed to take for yourselves the women, the children, the livestock, and everything else *that you want to take* from the city. You will be allowed to enjoy all the things that belonged to your enemies; it is Yahweh our God who has given those things to you. ¹⁵ You should do that in all the cities that are far from the land in which you will settle.

¹⁶ But in the cities that are in the land that Yahweh our God is giving to you, you must kill all the people and all the animals [LIT]. ¹⁷ You must get rid of them completely. Get rid of the Heth people-group, the Amor people-group, the Canaan people-group, the Periz people-group, the Hiv people-group, and the Jebus people-group; that is what Yahweh our God commanded you to do. ¹⁸ If you do not do that, they will teach you to sin against Yahweh our God and do the disgusting things that they do when they worship their gods.

¹⁹ When you surround a city for a long time, trying to capture it, do not cut down the fruit trees *outside the city*. You are allowed to eat the fruit from the trees,

but do not get rid of the trees, because they certainly are not [RHQ] your enemies. ²⁰ You are permitted to cut down the other trees and use the wood to make ladders and towers to enable you to *go over the walls and capture the city*."

When no one knows who murdered someone

21 "Suppose someone has been murdered in a field in the land that Yahweh our God is giving to you, and you do not know who killed that person. ² *If that happens*, your elders and judges must go out to where that person's corpse was found and measure the distance from there to each of the nearby towns. ³ Then the elders in the town that is closest to where the corpse was found must select a young cow that has never been used for doing work. ⁴ They must take it to a place near a stream where the ground has never been plowed or planted. They must break its neck there in that valley. ⁵ The priests must go there also, because Yahweh our God has chosen them from the tribe of Levi to serve him and to be his representatives [MTY] when they bless people. And he has also chosen them to settle disputes in which someone has been injured. ⁶ The elders from the closest town must wash their hands over the young cow whose neck was broken, ⁷ and they must say, 'We did not murder this person [MTY], and we did not see who did it. ⁸ Yahweh, forgive us, your Israeli people whom you rescued *from Egypt*. Do not consider ♦us to be guilty/that we should be punished because♦ of murdering someone who ♦is innocent/had not done something that is wrong♦. Instead, forgive us.' ⁹ By doing that, you will be doing what Yahweh considers to be right, and you will not be considered to be guilty for murdering that person.

The rule about marrying women who are captured

¹⁰ When you *soldiers* go to fight against your enemies, and Yahweh our God enables you to defeat them [IDM], and ♦they become your prisoners/you capture them♦, ¹¹ one of you may see among them a beautiful woman that he likes, and he may want to marry her. ¹² He should take her to his home, and there she must shave *all the hair off* her head and cut her fingernails *to signify that now she does not belong to her people-group anymore, but instead she is becoming an Israeli*. ¹³ She must take off the clothes that she was wearing when she was captured, *and put on Israeli clothes*. She must stay in that man's house and mourn for a month because of *leaving* her parents. After that, he will be allowed to marry her. ¹⁴ Later, if he no longer is pleased with her, he will be permitted to allow her to leave him. But because she was forced to have sex with him, he will not be allowed to treat her like a slave *and sell her to someone else*.

The oldest son's inheritance

¹⁵ Suppose that a man has two wives, but he likes one of them and dislikes the other one. And suppose that they both give birth to sons, and the oldest son is the child of the woman that he does not like. ¹⁶ On the day when that man decides how he will divide his possessions for his sons to possess *after he dies*, he must not favor the son of the wife that he loves by giving him *a bigger share*, the share that the older son should receive. ¹⁷ He must give to the older son, the son of the wife whom he does not like, twice as much of his possessions. That son is his firstborn son, and he must be given the share that he should receive because of his being that man's firstborn son.

A rebellious son

¹⁸ Suppose there is a boy who is very stubborn and always *rebellious against/disobeying his parents*, and who will not heed what they say to him. And suppose that they punish him but he still does not pay attention to what they tell him [MTY]. ¹⁹ If that happens, his parents must take him to the *gate of/central meeting place in* the city where he lives and have him stand in front of the elders of the city. ²⁰ Then the parents must say to the elders of that city, 'This son of ours is stubborn and always rebelling against us. He will not pay attention to what we tell him [MTY]. He wastes a lot of money (OR, eats too much food) and gets drunk.' ²¹ Then all the elders of that city must execute him by throwing stones at him. By doing that, you will get rid of this evil practice among you. And everyone in Israel will hear *about what happened* and they will be afraid *to do what he did*.

Burying criminals

²² If someone is executed for having committed a crime for which he deserves to die, and you hang his corpse on a post, ²³ you must not allow his corpse to remain there all night. You must bury it on the day that he died, because *God has cursed anyone whose corpse is allowed to remain on a post. You must bury the corpse that day*, in order that you do not defile the land that Yahweh our God is giving to you."

Various other laws

²² "If you see some Israeli's ox or sheep that has strayed away, do not act as though you did not see it. Take it back *to its owner*. ² But if the owner does not live near you, or if you do not know who the owner is, take the animal to your house. *It can stay with you until the owner comes, searching for it*. Then you must give the animal to him. ³ You must do the same thing if you see a donkey, or a piece of clothing, or anything else that someone has lost. Do not refuse to do what you should do.

⁴ And if you see a fellow Israeli's donkey or cow that has fallen down on the road, do not act as though you did not see it. Help the owner to lift the animal up so *that it can stand on its feet again*.

⁵ Women must not wear men's clothes, and men must not wear women's clothes. Yahweh our God hates people who do things like that.

⁶ If you happen to find a bird's nest in a tree or on the ground, and the mother bird is sitting in the nest on its eggs or with the baby birds, do not take the mother bird *and kill it*. ⁷ You are permitted to take the baby birds, but you must allow the mother bird to fly away. Do this in order that things will go well for you and that you will live for a long time.

⁸ If you build a new house, you must put a *railing/low wall* around the edge of the roof. If you do that, and if someone falls off the roof *and dies*, you will not be guilty of causing that person to die/his death [MTY] will not be your fault.

⁹ Do not plant any crop in the area where your grapevines are growing. If you do, you are not allowed to harvest the crops that you have planted or to harvest the grapes *to make wine from them*.

¹⁰ Do not hitch together an ox and a donkey *for plowing your fields*.

¹¹ Do not wear clothing that is made by weaving together *wool and linen/two different kinds of thread*.

¹² *Twist threads together to make tassels and sew/ fasten them on the four bottom corners of your cloak*.

Rules concerning sex

¹³ Suppose a man marries a young woman and has sex with her and later decides that he does not want her anymore, ¹⁴ and he says false things about her, and claims that she was not a virgin when he married her. ¹⁵ If that happens, the young woman's parents must take the sheet that was on the bed when that man and their daughter were married, which still has bloodstains on it, and show it to the elders of the city at the *gate of/central meeting place in* the city. ¹⁶ Then the father of the young woman must say to the elders, 'I gave my daughter to this man to be his wife. But now he says that he doesn't want her anymore. ¹⁷ And he has falsely said that she was not a virgin when he married her. But look! Here is what proves that my daughter was a virgin! Look at the bloodstains on the sheet where they slept the night that they were married!' And he will show the sheet to the elders. ¹⁸ Then the elders of that city must take that man and whip him. ¹⁹ They shall require that he pay a fine of 100 pieces of silver and give the money to the father of the young woman, because the man caused an Israeli young woman to be disgraced. Also, that woman must continue to live with him; she is his wife. He is not allowed to divorce her during the rest of his life.

²⁰ But if what the man said is true, and there is nothing to prove that she was a virgin when he married her, ²¹ they must take that young woman to the door of her father's house. Then the men of that city must execute her by throwing stones at her. They must do that because she has done something in Israel that is very disgraceful, by having sex with some man *while she was still living* in her father's house. By executing her like that, you will get rid of this evil practice among you.

²² If a man is caught while he is having sex with another man's wife, both of them must be executed. By doing that, you will get rid of this evil practice in Israel.

²³ Suppose in some town a man sees a young woman who is engaged/promised to be married to another man, and he is caught having sex with [EUP] her. ²⁴ You must take both of them to the \diamond gate of/central meeting place in \diamond that town. There you must execute them both by throwing stones at them. You must execute the young women because she did not shout for help even though she was in the town. And the man must be executed because he had sex [EUP] with someone who was already engaged/promised to be married. By doing that, you will get rid of this evil practice among you.

²⁵ But suppose out in the open countryside a man meets a young woman who is engaged/promised to be married, and he rapes her. If that happens, only that man must be executed. ²⁶ You must not punish the young woman, because she did not do anything for which she deserves to be executed. This case is like when one man attacks another man *in the countryside* and murders him, ²⁷ because the man who raped her saw her when she was in the open countryside, and even though she called out for help, there was no one there who could rescue her.

²⁸ If a man rapes a young woman who is not engaged/promised to be married, if someone sees him while he is doing that, ²⁹ that man must pay 50 pieces of silver to the young woman's father, and he must marry her, because he forced her to have sex with him. He is not allowed to divorce her for the rest of his life.

³⁰ A man must not disgrace his father by having sex with any of his father's wives."

Exclusion from Yahweh's people

23 "Any man whose testicles are crushed or whose penis is cut off shall not be \diamond included as one of/allowed to worship with \diamond Yahweh's people.

² No \diamond illegitimate person/person whose mother and father were not married \diamond , or descendant of that person, extending to the tenth generation, shall be included as one of Yahweh's people.

³ No one from the Ammon or Moab people-groups shall be \diamond included as one of/allowed to worship with \diamond Yahweh's people, extending to the tenth generation. ⁴ One reason is that *their leaders* refused to

give your ancestors food and water when they were traveling from Egypt *to Canaan*. Another reason is that they wanted to pay Balaam, the son of Beor from Pethor *town* in Mesopotamia, to curse you Israelis.

⁵ But Yahweh our God did not pay attention to Balaam; instead, he caused Balaam to bless your ancestors, because Yahweh loved them. ⁶ As long as Israel is a nation, you must not do anything to cause things to go well for those two people-groups or enable them to prosper.

⁷ But do not despise anyone from the Edom people-group, because they are *descendants of your ancestor Jacob*, just like you are. And do not despise people from Egypt, because *they treated your ancestors well when they first lived in Egypt*. ⁸ The children and grandchildren of people from Edom and Egypt *who live among you* may be \diamond included among/allowed to worship with \diamond Yahweh's people.

Keeping the camp clean

⁹ When your soldiers are living in tents at a time of fighting your enemies, they must avoid doing things that would make them unacceptable to God. ¹⁰ If any soldier becomes unacceptable to God because semen comes out of his body during the night, *the next morning* he must go outside the camp and stay there during that day. ¹¹ But in the evening of that day, he must bathe himself, and at sunset he is allowed to come back into the camp.

¹² Your soldiers must have a toilet area outside the camp where you can go *when you need to*. ¹³ *When you go to fight against your enemies*, carry a stick along with your weapons, in order that when you need to defecate [EUP], you can dig a hole with the stick, and then cover up the hole *when you have finished defecating*. ¹⁴ You must keep the camp acceptable to Yahweh our God, because he is with you in your camp to protect you and to enable you to defeat your enemies. Do not do anything disgraceful/indecent that would cause Yahweh to abandon you.

Various other laws

¹⁵ If slaves who escape from their masters come to you *and request you to protect them*, do not send them back to their masters. ¹⁶ Allow them to stay/live among you, in whatever town they choose, and do not mistreat them.

¹⁷ Do not *allow* any Israeli man or woman to become a prostitute at the temple. ¹⁸ Also, do not allow any people who earned money from being a prostitute to bring any of that money into the temple of Yahweh our God, even if they solemnly promised to pay that money to Yahweh. Yahweh hates those who are prostitutes.

¹⁹ When you lend money or food or anything else to a fellow Israeli, do not charge them interest. ²⁰ You are allowed to charge interest when you lend money

to foreigners *who live in your land*, but not when you lend money to Israelis. Do this in order that Yahweh our God will bless you in everything that you do in the land that you are about to enter and occupy.

²¹ When you vow to give something to Yahweh your God *or to do something for him*, do it as soon as you can. Yahweh expects you to do what you promised, and if you do not do it, you will be committing a sin.

²² But if you [SYN] do not vow *to do something*, that is not sinful. ²³ But if you voluntarily promise to do something, you must do it.

²⁴ When you walk through someone else's vineyard, you are allowed to *pick and eat* as many grapes as you want, but you must not *cut some from a vine and carry them away* in a container. ²⁵ When you walk *along a path* in someone else's field of grain, you are allowed to pluck/pick some of the grain and eat it, but you must not cut any grain with a sickle *and take it with you.*"

Laws about divorcing and remarrying

24 "Suppose a man marries a woman and later decides that he does not want her because there is something about her that he doesn't like. And suppose he writes on paper that he is divorcing her, and he gives the paper to her [SYN] and sends her away from his house. ² Then suppose that she goes and marries another man, ³ and that man *later also* decides that he does not like her, and he also writes on paper that he is divorcing her, and he sends her away from his house. Or, suppose that the second husband dies. ⁴ If either of those things happens, her first husband must not marry her again. He must consider that she has become unacceptable to Yahweh. Yahweh would consider it to be disgusting *if he married her again*. You must not sin [MTY] by doing that in the land that Yahweh our God is giving to you.

Various laws

⁵ When some man has recently become married, he must not *be required to become a soldier in the army or be required to do any other work for the government* for one year *after being married*. He should stay happily at home with his wife for that year.

⁶ Anyone who lends money to someone else *is allowed to require that person to give him something to guarantee that he will pay back the money that he borrowed*. But he must not take from him his \diamond millstone/stone for grinding grain \diamond . That would be taking *the millstone that his family needs to grind the grain to make the bread* they need to stay alive.

⁷ If someone kidnaps/steals a fellow Israeli to cause that person to become his slave or to sell him *to become someone else's slave*, you must execute the person who did that. By doing that, you will get rid of this evil among you.

⁸ If you are suffering from \diamond leprosy/a dreaded skin disease \diamond , be sure to do everything that the priests, who are from the tribe of Levi, tell you to do. Obey carefully the instructions that I have given to them.

⁹ Do not forget what Yahweh our God did to Miriam, *when she became a leper*, after your ancestors left Egypt.

¹⁰ When you lend something to someone, do not go into his house to take the cloak that he says that he will give you to guarantee *that he will return what he has borrowed*. ¹¹ Stand outside his house, and the man to whom you are lending something will bring the cloak out to you. ¹² But if he is poor, do not keep that cloak all night. ¹³ When the sun sets, take the cloak back to him, in order that he may wear it while he sleeps. If you do that, he will *ask God to bless you*, and Yahweh our God will be pleased with you.

¹⁴ Do not mistreat any servants whom you have hired who are poor and needy [DOU], whether they are Israelis or foreigners who are living in your town. ¹⁵ Every day, before sunset, you must pay/give them the money that they have earned. They are poor and they need to get their pay. If you do not pay them right away, they will cry out against you to Yahweh, and he will punish [MTY] you for having sinned like that.

¹⁶ Parents must not be executed for crimes that their children have committed, and children must not be executed for crimes that their parents have committed. People should be executed only for the crimes that they themselves have committed.

¹⁷ You must [LIT] do for foreigners *who live* among you and for orphans what the laws state must be done for them. And *if you lend something to a widow*, do not take her coat from her as a guarantee *that she will return it*. ¹⁸ Do not forget that you *had great hardships/troubles* when you were slaves in Egypt, and Yahweh our God rescued you from there. That is why I am commanding you *to help others who have troubles*.

¹⁹ When you harvest your crops, if you have forgotten *that you left one bundle in the field*, do not go back to get it. *Leave it there* for foreigners, orphans, and widows. If you do that, Yahweh will bless you in everything that you do. ²⁰ And when you have harvested/picked all your olives from the trees once, do not go back *to pick the ones that are still on the trees*. ²¹ Similarly, when you pick the grapes in your vineyard, do not go back a second time *to try to find more*. Leave them for the foreigners, orphans, and widows among you. ²² Do not forget that *Yahweh was kind to you when you were slaves in Egypt*. That is why I am commanding you *to be kind to those who are needy.*"

Whipping criminals

25 "If two Israelis have a dispute and they go to a court, the judge will *probably decide/declare* that one of them \diamond is innocent/did not do any wrong \diamond

and the other one is guilty. ² If the judge says that the guilty person must be punished, he shall command him to lie *with his face* on the ground and be whipped. The number of times he is struck with a whip will depend on *what kind of crime* he committed. ³ It is permitted that he be struck as many as 40 times, but no more than that. If he is struck more than 40 times, he would be humiliated publicly.

Don't muzzle your ox

⁴ When your ox is treading/walking on the grain to *separate the chaff from the grain*, do not \diamond muzzle it/ put a covering on its mouth \diamond to prevent it from eating some of the grain.

Responsibility to a dead brother

⁵ If two brothers live on the same property, and one of them who has no son dies, the man's widow should not marry someone who is not a member of his family. The dead man's brother must marry her and have sex [EUP] with her. It is his duty to do that. ⁶ If she later gives birth to a son, that son is to be considered [MTY] the son of the man who died, in order that the dead man's name will not disappear from Israel.

⁷ But if the dead man's brother does not want to marry that woman, she must stand at the \diamond gate/central meeting place \diamond of the town and say to the town elders, 'My husband's brother will not do \diamond his duty/ what he is supposed to do \diamond . He refuses to marry me in order that I may give birth to a son who will prevent my dead husband's name from disappearing in Israel.' ⁸ Then the elders must summon that man and talk to him. If he still refuses to marry that widow, ⁹ she must go up to him while the elders are watching, and take off one of his sandals to symbolize/show that he would not receive any of her property, and spit in his face, and say to him, 'This is what happens to the man who refuses to do what is needed to allow his dead brother to have a son in order that our family name does not disappear.' ¹⁰ After that happens, that man's family will be known as 'the family of the man whose sandal was pulled off'.

Two other laws

¹¹ When two men are fighting with each other, and the one man's wife comes near to help her husband by grabbing hold of the other man's genitals, ¹² do not act mercifully toward her; cut off her hand.

¹³⁻¹⁴ When you are buying or selling things, do not try to cheat people by having two kinds of weights, one which you use when you buy something and one which you use when you sell something, and two kinds of measuring baskets, one which you use when you buy something and one which you use when you sell something. ¹⁵ Always use correct weights and correct measuring baskets, in order that Yahweh our God will allow you to live a long time in the land that he is

giving to you. ¹⁶ Yahweh hates all those who act dishonestly, and he will punish them.

Getting revenge on the Amalek people-group

¹⁷ Continue to remember what the Amalek people-group did to your ancestors when they were coming out of Egypt. ¹⁸ They attacked your ancestors as your ancestors were traveling, when they were weak and exhausted. Those people were not afraid of God at all, so they attacked your ancestors from the rear and killed all those who were unable to walk as fast as the others. ¹⁹ Therefore, when Yahweh our God has given you the land that he promised to give you, and when he has enabled you to rest from fighting all your enemies around you, kill all the Amalek people-group, with the result that no one will remember them anymore. Do not forget to do this!"

Offerings at harvest time

26 "After you occupy the land that Yahweh our God is giving to you, and you \diamond have settled/ are living \diamond there, ² each of you must take some of the first crops that you harvest, put them in a basket, and take them to the place that Yahweh will have chosen for you to worship [MTY] there. ³ Go to the Supreme Priest who is serving at that time and say to him, 'By giving you this first part of my harvest today, I am declaring to Yahweh our God that I have picked it in the land that he vowed to our ancestors to give to us.' ⁴ Then the priest must take the basket of food from your hand and put it on the altar where sacrifices are offered to Yahweh our God. ⁵ Then in Yahweh's presence you must say this: 'My ancestor Jacob was a man from Aram/Syria who was continually wandering from one place to another. He took his family to Egypt. They were a small group when they went there, but they lived there and their descendants became a very large/populous [DOU] and powerful nation. ⁶ Then the people of Egypt treated them very harshly [DOU], and they forced them to become their slaves and to work very hard. ⁷ Then our ancestors cried out to you, Yahweh our God, and you heard them. You saw that they were suffering, and that they were forced to work very hard, and were being oppressed. ⁸ Then by your great power [MTY] and by performing many kinds of miracles [DOU], and other terrifying things, you brought them out of Egypt. ⁹ You brought us to this land and gave it to us, a land that is very fertile [IDM]. ¹⁰ So now, Yahweh, I have brought to you the first part of the harvest from the land that I received.' Then you must set the basket down in Yahweh's presence and worship him there. ¹¹ And you must celebrate by eating a meal together to thank Yahweh our God for all the good things that he has given to you and to your family. And you must invite the descendants of Levi and the foreigners who are living among you to also rejoice and eat with you.

The tithes

¹² Every third year, you must bring to the descendants of Levi and to the foreigners *who are living among you* and the orphans and the widows \diamond a tithe/ 10 percent \diamond of your crops, in order that in every town they will have plenty to eat. ¹³ Then you must say to Yahweh, 'I have brought to you, from my house, all of the sacred tithe *from my harvest this year*. I am giving it to the descendants of Levi, to the foreigners, the orphans, and the widows, as you commanded us to do. I have not disobeyed any of your commands *about the tithes*, and I have not forgotten any of your commands *about tithes*. ¹⁴ *I declare that* I have not eaten any food from the tithe while I was mourning *for someone who died*. And I have not touched any of it while I was unacceptable to you; I have not offered any of it to *spirits of dead people*. Yahweh, I have obeyed you and done everything that you have commanded us *concerning the tithe*. ¹⁵ *So please* look down from your holy place in heaven, and bless us, your Israeli people. Also bless this very fertile [IDM] land which you have given to us, which is what you promised our ancestors that you would do.'

Yahweh's own people

¹⁶ Today Yahweh our God is commanding you to obey all these rules and regulations. So obey them faithfully, with your entire inner being [DOU]. ¹⁷ Today you have declared that Yahweh is your God, and that you will conduct your lives as he wants you to do, and that you will obey all his commands and rules and regulations, and that you will do all that he tells you to do. ¹⁸ And today Yahweh has declared that you are his people, which is what he promised that you would be, and he commands you to obey all his commands. ¹⁹ If you do that, he will cause you to become greater than any other nation that he has established, and he will enable you to praise him and honor him [DOU]. You will truly belong to Yahweh our God, which is what he has promised."

The stone tablets set up on Ebal Mountain

27 Moses/I, along with the other Israeli leaders, said this to the people: "Obey all the commandments that I am giving to you today. ²⁻⁴ *Soon* you will cross the Jordan *River* and enter the land that Yahweh, the God whom our ancestors *worshiped*, promised to give to you. There, in that very fertile [IDM] land on the *west side of the Jordan River*, set up some large stones *on Ebal Mountain*, and cover them with plaster. Then write on those stones all these laws and teachings/instructions. ⁵ And build a stone altar there to offer sacrifices to Yahweh, but do not cut those stones with iron tools. ⁶ The altar that you make to burn sacrifices to Yahweh our God must be made with uncut stones. ⁷ And there you must sacrifice of-

ferings to maintain fellowship with Yahweh, and you must eat *your share of those offerings* and rejoice/celebrate in the presence of Yahweh. ⁸ And, when you write these laws on those stones, you must write them very clearly."

⁹ Then Moses/I, along with the priests, said to all the Israeli people, "You Israeli people, be quiet and listen to what I *am saying*. Today you have become the people who belong to Yahweh, our God. ¹⁰ So, you must do what he tells you, and obey all the rules and regulations that I am giving to you today."

The curses from disobeying God

¹¹ On that same day Moses/I said to the Israeli people, ¹² "After you have crossed over the Jordan *River*, the tribes of Simeon, Levi, Judah, Issachar, Joseph, and Benjamin must stand on Gerizim Mountain and *request Yahweh to bless the people*. ¹³ And the tribes of Reuben, Gad, Asher, Zebulun, Dan, and Naphtali must stand on Ebal Mountain and listen to the things that Yahweh will do when he curses the people.

¹⁴ The descendants of Levi must shout these words loudly:

¹⁵ 'Yahweh will curse anyone who makes an idol of stone, or of wood, or of metal, and secretly sets it up *and worships it*.

Yahweh considers that those things, made by humans [SYN], are detestable/disgusting.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

¹⁶ 'Yahweh will curse anyone who dishonors his father or his mother.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

¹⁷ 'Yahweh will curse anyone who removes someone else's markers of property boundaries.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

¹⁸ 'Yahweh will curse anyone who leads a blind person to go \diamond in the wrong direction/where that person does not want to go \diamond .'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

¹⁹ 'Yahweh will curse anyone who deprives foreigners or orphans or widows of the things that the laws state must be done for them.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

²⁰ 'Yahweh will curse anyone who \diamond shows no respect for/disgraces his father \diamond

by having sex with [EUP] any of his father's wives.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

²¹ 'Yahweh will curse anyone who has sex [EUP] with any animal.'

And all the people must reply, ' \diamond Amen/We want that to happen \diamond .'

22 'Yahweh will curse anyone who has sex with his sister or with his half-sister.'

And all the people must reply, '◊Amen/We want that to happen◊.'

23 'Yahweh will curse anyone who has sex with [EUP] his mother-in-law.'

And all the people must reply, '◊Amen/We want that to happen◊.'

24 'Yahweh will curse anyone who secretly murders someone else.'

And all the people must reply, '◊Amen/We want that to happen◊.'

25 'Yahweh will curse anyone who accepts a bribe to murder someone who ◊is innocent/has not done something that is wrong.◊'

And all the people must reply, '◊Amen/We want that to happen◊.'

26 'Yahweh will curse anyone who disobeys these laws and refuses to declare that these laws *are good*.'

And all the people must reply, '◊Amen/We want that to happen◊.'"

The blessings from obeying God

28 "If you do what Yahweh our God tells you to do and faithfully obey everything that I am today commanding you to do, he will cause you to become greater than any other nation on the earth. ² If you obey Yahweh, this is what he will do to bless you:

³ He will bless everything that you do when you are in the cities

and he will bless everything that you do when you are *working* in the fields.

⁴ He will bless you by giving you many children [IDM] and by giving you abundant crops, and plenty of cattle and sheep.

⁵ He will bless you by causing you to have good harvests with plenty of grain [MTY] to make bread.

⁶ He will bless you *everywhere* —when you go out of *your houses* and when you come into *your houses*.

⁷ Yahweh will enable you to defeat *the armies* of your enemies;

they will attack you from one direction, but they will run away from you in seven/many directions.

⁸ Yahweh will bless you *by filling* your barns with *grain*, and he will bless all the work that you do; he will bless you in the land that he is giving to you.

⁹ If you obey all the commandments that Yahweh our God *has given to you* and if you conduct your lives as he wants you to do, you will continue to be his people, which is what he promised.

¹⁰ Then all the people-groups on the earth will realize that you belong to [MTY] Yahweh, and they will be afraid of you.

¹¹ And Yahweh will cause you to prosper very much. He will give you many children [IDM], many cattle, and

abundant crops in the land that he vowed to our ancestors that he would give to you.

¹² When rain is needed, Yahweh will send it from where he stores it in the sky, and he will bless all your work, with the result that you *will be able to* lend money to many other nations, but you will not need to borrow *money from them*.

¹³ If you faithfully obey all of the commands of Yahweh our God that I am giving you today, Yahweh will cause your nation to be a leader among the nations, not inferior to them; you will always be prosperous and not be needy/poor [IDM].

¹⁴ *Yahweh will do all these things for you* if you do not turn away from *obeying* what I am commanding you today, and if you never worship or serve other gods.

The curses from disobeying God

¹⁵ But if you do not do what Yahweh our God is telling you to do, and if you do not faithfully obey all his rules and regulations that I am giving to you today, this is what he will do to curse you:

¹⁶ He will curse you when you are in the cities and he will curse you when you are *working* in the fields.

¹⁷ He will curse you by not allowing you to have good harvests with plenty of grain [MTY] to make bread.

¹⁸ He will curse you by giving you only a few children [IDM], by causing you to have poor crops, and by not enabling you to have many cattle and sheep.

¹⁹ He will curse you *everywhere* —when you go out of *your houses* and when you come into *your houses*.

²⁰ If you do evil things and reject Yahweh, he will curse you by causing you to ◊be confused/not know what to do◊, and to be frustrated in everything that you do,

until *your enemies* quickly and completely destroy you {you will be quickly and completely destroyed}.

²¹ Yahweh will cause you to experience terrible diseases,

until not one of you remains alive in the land that you are about to enter and occupy.

²² Yahweh will strike/afflict you with diseases that shrivel your bodies, with fever, with inflammation/swelling.

It will be extremely hot, and it will not rain.

There will be scorching winds, and *Yahweh will cause* your crops to rot.

You will experience all these things will strike you until you die.

²³ There will be no rain [MET], *with the result that* the ground will be *as hard as iron* [MET].

²⁴ Instead of sending rain, Yahweh will send strong winds to blow sand and dust over your land, until your land is ruined.

²⁵ Yahweh will enable your enemies to defeat you;

your soldiers will attack your enemies from one direction, but they will run away from your enemies in seven/many directions,

and when the people of other nations see what is happening to you, they will say that it is horrible.

²⁶ *You will die*, and birds and wild animals will come and eat your corpses, and there will not be anyone to scare/shoo them away.

²⁷ Yahweh will cause you to have boils on your skin, like he caused the people of Egypt to have *many years ago*.

He will cause you to have tumors, open sores, and your skin will itch, and there will be nothing that will cure those diseases.

²⁸ Yahweh will cause *some of you* to become insane; he will cause *some of you* to become blind, and he will cause *some of your minds* to become confused.

²⁹ *Because you will not be able to see where you are going*, at midday you will ◊grope/feel your way◊ around with your hands, like people do in the darkness.

You will continually be oppressed and robbed, and no one will help you.

³⁰ Some of you men will be engaged/promised to marry a young woman, but someone else will rape her.

You will build houses, but you will never live in them.

You will plant grapevines, but you will not eat the grapes; *someone else will eat them*.

³¹ Your enemies will butcher your cattle while you watch them, and you will not get any of the meat to eat.

They will drag away your donkeys while you watch them do it, and they will not give them back to you.

They will take away your sheep; and no one will help you *rescue them*.

³² While you watch, your sons and daughters will be given to foreigners to become their slaves. Every day you will very sadly watch for your children to return, but ◊you will watch in vain/they will never return◊.

³³ People from a foreign nation will take all the crops that you worked hard to produce,

and they will constantly treat you harshly and cruelly [DOU].

³⁴ The result will be that all these terrible things that you see/experience will cause you to become insane.

³⁵ Yahweh will cause your legs *to be covered with painful boils* that cannot be healed,

and you will have boils from the bottoms of your feet to the tops of your heads.

³⁶ Yahweh will cause your king and the rest of you to be taken to another country, to a place in which you and your ancestors have never lived before,

and there you will worship and serve gods that are made of wood or stone.

³⁷ When the people-groups in nearby countries see what has happened to you, they will be shocked/horrified;

they will make fun [DOU] of you.

³⁸ You will plant plenty of seeds in your fields, but you will reap only a small harvest, because locusts will eat the crops.

³⁹ You will plant grapevines and take care of them, but you will not pick any grapes to make wine, because worms will eat the vines.

⁴⁰ Olive trees will grow everywhere in your land, but you will not get any olive oil to rub on your skin because the olives will drop on *the ground before they are ripe*.

⁴¹ You will have sons and daughters, but they will not stay with you, because they will be captured and taken away.

⁴² Swarms of locusts/insects will eat your crops and *the leaves of all your trees*.

⁴³ Foreigners who live in your land will become more and more *powerful*, and you will become less and less *powerful*.

⁴⁴ They will have *money* to lend to you, but you will not have any money to lend to them.

They will be superior [IDM] to you, and you will be inferior to them [IDM].

⁴⁵ You will experience all these disasters, and you will continue to experience them you until you are destroyed, if you do not do what Yahweh your God told you to do, and do not obey all the rules and regulations that he gave to you.

⁴⁶ These disasters will warn [DOU] you and your descendants forever *about what happens to groups who disobey Yahweh*.

⁴⁷ Because Yahweh blessed you abundantly in many ways, you should have served him very joyfully [DOU], but you did not do that.

⁴⁸ Therefore, you will work for the enemies whom Yahweh will send to attack you. You will be hungry and thirsty; you will not have clothes to wear; and you will lack everything else that you need. And Yahweh will cause you to become slaves [MET] and work hard until he gets rid of you.

⁴⁹ Yahweh will cause an army from very far away [HYP] to attack you, whose soldiers speak a language that you do not know/understand. They will swoop down on you *quickly* like an eagle [SIM] attacks its prey. ⁵⁰ They will be fierce looking. They will not act mercifully toward anyone, not even young children and old people. ⁵¹ They will *kill and* eat your livestock,

and they will eat your crops, and you will ◊starve/die because you do not have anything to eat◊. They will not leave for you any grain or wine or *olive oil* or cattle or sheep; and you will all die *from hunger*. ⁵² Your enemies will surround your towns throughout the land that Yahweh your God is about to give to you, and

they will break down the high and strong walls *around your towns*, walls which you trusted/thought would protect you.

⁵³ When your enemies are surrounding *your towns*, you will be extremely hungry, with the result that you will eat the flesh of your own sons and daughters that Yahweh your God has given to you. ⁵⁴⁻⁵⁵ When your enemies have surrounded your towns, even the most gentle and sensitive men among you will want food very desperately, with the result that they will *kill their own children and eat their flesh*, because they will not have anything else to eat. They will not even share any of it with their brothers or wives whom they love very much or with any of their children who are still alive. ⁵⁶⁻⁵⁷ Even the most gentle and sensitive/kind women among you, who are very refined/rich with the result that they have never had to walk anywhere [HYP], will do the same thing. When your enemies have surrounded your towns, those women will be extremely hungry, with the result that after they give birth to a baby, they will secretly *kill it and eat its flesh and also eat its afterbirth*. And they will not share any of it with their husbands whom they love very much or with any of their other children.

⁵⁸ If you do not faithfully obey all of the laws that I am writing, and if you do not revere Yahweh our glorious God [MTY], ⁵⁹ he will *punish you by causing you and your descendants to experience great afflictions and plagues which will last for many years*. ⁶⁰ He will cause you to experience the plagues that he sent on the people of Egypt, and you will never be healed. ⁶¹ He will also cause you to experience many other sicknesses and diseases that I have not talked about in these laws, until you all will die. ⁶² You became as numerous as the stars in the sky, but only a few of you will remain alive, if you do not obey Yahweh your God. ⁶³ Yahweh was very happy to do good things for you and to cause you to become very numerous, but now he will be happy to ruin you and get rid of you. *Those of you who do not die from these plagues will be snatched away from the land that you will soon be entering to possess.*

⁶⁴ Yahweh will scatter you among many people-groups, all over the earth, and in those areas/places you will serve other gods that are made of wood or stone, gods which you and your ancestors have never known/worshiped. ⁶⁵ In those places you will be restless. Yahweh will cause you to be constantly worried/anxious, feel hopeless, and discouraged. ⁶⁶ You will always be afraid that your enemies will kill you. You will be very fearful, all day and all night. ⁶⁷ Because you will be very fearful/afraid and because you will *very distressed* because of the *terrible* things that you see, each morning you will say 'I wish it were evening already!' and each evening you will say 'I wish it were morning already!' ⁶⁸ Yahweh will send *some of you* back to Egypt in ships, even though he promised that you would never *be forced to go there again*. There in

Egypt you will try to sell yourselves to become slaves of your enemies *in order to have food to eat*, but no one will buy you. *All those things will happen to you if you do not obey the laws that Yahweh is giving to you.*"

The agreement made in Moab

²⁹ These are the things that the Israelis were required to do to keep the agreement that Yahweh was making with them. Moses/I commanded them to keep this agreement *when they/we were in the Moab region on the east side of the Jordan River*. This was in addition to the agreement that Yahweh had made with them/us at Sinai *Mountain*.

² Moses/I summoned all the Israeli people and said to them, "You saw [SYN] for yourselves what Yahweh did to the king of Egypt and to his officials and to his entire country. ³ You [SYN] saw all the plagues *that Yahweh caused them to experience*, and all the various miracles [DOU] *that Yahweh performed*. ⁴ But until now, Yahweh has not enabled you to understand *the meaning of all that you have seen and heard*. ⁵ For 40 years Yahweh has led you while you traveled/walked through the desert. During that time, your clothes and your sandals have not worn out. ⁶ You did not have bread to eat or wine or other fermented/strong drinks to drink, but Yahweh *took care of you*, in order that you would know that he is your God.

⁷ And when we came to this place, Sihon, the king who ruled in Heshbon *city*, and Og, the king who ruled the Bashan *region*, came *with their armies* to attack us, but we defeated them. ⁸ We took/conquered their land and divided it among the tribes of Reuben and Gad, and half of the tribe of Manasseh.

⁹ So faithfully keep all of this agreement, in order that you will be successful in everything that you do. ¹⁰ Today all of us are standing in the presence of Yahweh our God. The leaders of all our tribes, our elders, our officials, all you Israeli men, ¹¹ your wives, your children, and the foreigners who live among you and cut wood for you and carry water for you, are here. ¹² *We are here* today to promise to keep this solemn agreement with Yahweh. ¹³ *He is making this agreement with you* in order to confirm that you are his people, and that he is your God. This agreement is what he promised you, and which is what he vowed to give to your ancestors Abraham, Isaac and Jacob. ¹⁴ This agreement is not only with you. ¹⁵ He is making this agreement with us *who are here today* and also with our descendants who are not yet born.

¹⁶ You remember *the things that our ancestors suffered* in Egypt, and how they traveled through the land that belonged to other nations *after they came out of Egypt*. ¹⁷ In those countries they saw those disgusting idols made of wood and stone and *decorated with silver and gold*. ¹⁸ So be sure that no man or woman or family or tribe that is here *today* turns away from Yahweh our God, to worship/serve the gods of those na-

tions. Doing that would be like a root *of a plant that would grow* among you and bear poisonous and bitter fruit [MET].

¹⁹ Be sure that no one here today who hears this agreement thinks, 'Everything will go well with me, even if I stubbornly do what I want to.' If you are stubborn likethat, the result will be that Yahweh will eventually get rid of all of you, both good people and evil people [MET]. ²⁰ Yahweh will not forgive anyone who is *stubborn* like that. Instead, he will be extremely angry [DOU] with that person, and that person will experience all the curses that I have told you about, until Yahweh gets rid of that person and his family [IDM]. ²¹ From all the tribes of Israel, Yahweh will separate that individual. Yahweh will cause him to experience all the disasters that I have listed in the agreement that states the things that Yahweh will do to curse *those who disobey the laws that I have written* in this scroll/book.

²² In the future, your descendants and people from other countries will see the disasters and the illnesses that Yahweh has caused to happen to you. ²³ They will see that all your land has been ruined by burning sulfur and salt. Nothing will have been planted. Not even weeds will grow there. Your land will resemble Sodom and Gomorrah *cities*, and Admah and Zeboiim *cities*, which Yahweh destroyed when he was very angry [DOU] *with the people who lived there*. ²⁴ And the people from those other nations will ask, 'Why did Yahweh do this to this land? Why was he very angry *with the people who lived here?*'

²⁵ Then other people will reply, 'It is because they refused to keep the agreement that Yahweh, the God whom their ancestors *worshiped*, had made with them when he brought them out of Egypt. ²⁶ Instead, they served/worshiped other gods that they had never worshiped before, gods that Yahweh had told them not to worship. ²⁷ So, Yahweh became very angry with the Israeli people in this land, and he caused them to experience all the disasters that their leader warned them about. ²⁸ Yahweh became extremely angry [DOU] with them and took/yanked them [MET] out of their land and banished them into another land, and they are still there.'

²⁹ *There are some things that Yahweh our God has kept secret/not revealed*, but he has revealed his laws to us, and *he expects* us and our descendants to obey them forever."

Bringing them back to Israel

30 "I have now told you about the ways that Yahweh our God will bless you *if you obey him* and the ways that he will curse you *if you disobey him*. I am saying that you must choose which you want. But when you *choose not to obey his laws*, some day you will be living in the countries to which he will scatter you, and you will remember *what I told you*. ² Then, if you return to Yahweh our God and faithfully [IDM]

obey all that I have today commanded you to do, ³ he will be merciful to you. He will bring you back from the nations to which he scattered you, and he will cause you to be prosperous again. ⁴ Even if you have been scattered to the most distant places on the earth, Yahweh our God will gather you from there and bring you back *to your land*. ⁵ He will enable you to possess again the land where your ancestors lived. And he will cause you to be more prosperous and more numerous than you are now. ⁶ Yahweh our God will change [MET] your inner beings, with the result that you will love him more than you love anything else and want to do only what he wants you to do. And then you will continue to live in that land. ⁷ Yahweh our God will cause your enemies and those who oppressed/persecuted you to experience all the disasters that I have told you about. ⁸ You will do what Yahweh wants you to do, as you did before, and you will obey all the commands that I have given to you today. ⁹ Yahweh our God will cause you to be very successful in all that you do. You will have many children [IDM], and a lot of cattle, and you will have abundant crops. He will again be happy to enable you to prosper, just like he was happy to enable your ancestors to prosper. ¹⁰ *But he will do those things only* if you do what he has told you to do, and if you obey all his rules and regulations that I have written about *in this scroll*, and if you will love him more than you love anything else and want to do only what he wants you to do.

Choose life, not death

¹¹ The commands that I am giving to you today are not very difficult for you *to obey*, and they are not *difficult to know*. ¹² They are not in heaven, with the result that you need to say, 'Who will need to go up to heaven for us to bring them *down here to us* in order that we can hear them and obey them?/Someone will need to go up to heaven for us to bring them *down here to us* in order that we can hear them and obey them.' [RHQ] ¹³ And they are not on the other side of the sea, with the result that you need to say, 'Who will need to cross the sea for us and bring them back to us, in order that we can hear them and obey them?/Someone will need to cross the sea for us and bring them back to us, in order that we can hear them and obey them.' [RHQ] ¹⁴ *You do not need to do that because his commands are here with you*. You know them [MTY] and you have memorized them/put them in your minds. So you can *easily* obey them.

¹⁵ So listen! Today I am allowing you to choose between *doing what is evil* and *doing what is good*, between what will enable you to live *for a long time* and *what will cause you to die while you are still young*. ¹⁶ *I say again*, if you obey the commands of Yahweh our God that I am giving to you today, and if you love him and conduct your lives as he wants you to do, and if you obey all his rules and regulations, you will prosper and become very numerous, and Yahweh our God

will bless you in the land that you are about to enter and possess.

¹⁷ But if you turn away *from Yahweh* and refuse to heed what he says, and if you allow yourselves to be led away to worship other gods, ¹⁸ I am warning you today that you will *soon* die. You will not live for a long time in the land that you are about to cross the Jordan River to enter and possess.

¹⁹ I am requesting that *everyone in* heaven and the earth testify to you, that today I am allowing you to choose whether you *want* to live for a long time or to soon die, whether *you want Yahweh* to bless you or to curse you. So choose to live. ²⁰ Choose to love Yahweh our God, and to obey him [MTY], and to \diamond be faithful to/have a close relationship with \diamond him. If you do that, you and your descendants will live for a long time in the land that Yahweh solemnly promised to your ancestors Abraham, Isaac, and Jacob, that he would give to them."

Moses appointed Joshua to succeed him

31 When Moses/I finished saying all that to the Israeli people, ² he/I said to them, "Now I am 120 years old. I am no longer able to go everywhere *that you go* (OR, to be your leader). Furthermore, Yahweh has told me that I will not cross the Jordan River. ³ But Yahweh our God will go ahead of you. He will *enable you* to destroy the nations that are living there, in order that you can occupy their land. Joshua will be your leader, which is what Yahweh already told me. ⁴ Yahweh will do to those nations what he did to Sihon and Og, the two kings of the Amor people-group when he destroyed their armies [MTY]. ⁵ Yahweh will enable you to conquer those nations, but you must *kill all of the people of those nations, which is* what I have commanded you to do. ⁶ Be brave and confident. Do not be afraid of those people. *Do not forget that it is* Yahweh our God who will go with you. He will always help [LIT] you and never abandon you."

⁷ Then Moses/I summoned Joshua, and while all the Israeli people were listening, he/I said to him, "Be brave and confident. You are the one who will lead these people into the land that Yahweh promised to our ancestors that he would give to them, and you will enable them to occupy it. ⁸ It is Yahweh who will go ahead of you. He will be with you. He will always help [LIT] you. He will never abandon you. So do not be afraid or dismayed."

The laws are to be read periodically

⁹ Moses/I wrote down all these laws *on two scrolls* and gave *one scroll* to the priests, who carried the chest containing the Ten Commandments, and *gave the other scroll* to the Israeli elders. ¹⁰ Moses/I told them, "At the end of every seven years, at the time that all debts are canceled, *read this to the people* during the Festival of *Living in Temporary Shelters*.

¹¹ Read it to all the Israeli people when they gather at the place that Yahweh chooses for them to worship him. ¹² Gather together everyone—men, women, children, even the foreigners *who are living* in your towns—in order that they may hear *these laws* and learn to revere Yahweh our God, and to faithfully obey everything that is written in these laws. ¹³ *If they do that*, your descendants who have never known these laws will hear them and will also learn to revere Yahweh our God, during all the years that they live in the land that you are about to cross the Jordan River to occupy."

Moses predicted their disobedience

¹⁴ Then Yahweh said to Moses/me, "Listen carefully. You will soon die. Summon Joshua, and you go to the Sacred Tent with him, in order that I may appoint him *to be the new leader*." So Joshua and Moses/I went to the Sacred Tent.

¹⁵ There Yahweh appeared to them/us in a pillar of cloud, and that cloud was close to the door of the tent. ¹⁶ Yahweh said to Moses/me, "You will soon die [EUP]. Then these people will become unfaithful [MET] to me. They will abandon me and \diamond break/stop obeying \diamond the agreement that I made with them. They will begin to worship the foreign/pagan gods *that are worshiped by the people* of the land that they will enter. ¹⁷ When that happens, I will become very angry with them. I will abandon them [DOU] and I will no longer help them [IDM], and I will destroy them {they will be destroyed}. Many terrible things will happen to them, with the result that they will say, '*We are certain that* [RHQ] these things are happening to us because our God is no longer with us.' ¹⁸ And because of all the evil things that they will have done, and *especially because* they will have started to worship other gods, I will refuse to help [IDM] them.

¹⁹ So, *I am going to give you* a song. Write it *on a scroll* and teach it to the Israeli people and cause them to memorize it. It will be like a witness that accuses them. ²⁰ I am about to take them into a very fertile [IDM] land, a land that I solemnly promised their ancestors that I would give to them. There they will have plenty to eat, with the result that *their stomachs* will *always* be full and they will become fat. But then they will turn to other gods and start to worship them, and they will despise me and \diamond break/stop obeying \diamond the agreement that I made with them. ²¹ And they will experience many terrible disasters. After that happens, their descendants will never forget this song, and it will be like a witness that says '*Now you know why Yahweh punished your ancestors*.' I will soon take them into the land that I vowed that I would give to them; but now, before I do that, I know what they are thinking *that they will do when they are living there*." ²² So on the day that *Yahweh gave Moses/me this song*, he/I wrote it down, and he/I taught it to the Israeli people.

23 Then Yahweh appointed/set apart Joshua and said to him, "Be brave and confident, because you will lead the Israeli people into the land that I vowed that I would give to them. And I will be with you."

24 Then Moses/I finished writing on a scroll all the laws that Yahweh had told to him/me. 25 Then Moses/I told the descendants of Levi, who were carrying the Sacred Chest that contained the Ten Commandments, 26 "Take this scroll on which these laws are written, and place it beside the Sacred Chest that contains the agreement that Yahweh our God made with you, in order that it may remain there to testify about what Yahweh will do to the people if they disobey him. 27 I say this because I know that these people are very stubborn [DOU]. They have rebelled against Yahweh all during the time that I have been with them, and they will rebel much more after I die! 28 So gather all the elders of the tribes and your officials, in order that I can tell them the words of this song, and request all those who are in heaven and on the earth to be witnesses to testify against these people. 29 I say that because I know that after I die, the people will become very wicked. They will turn away from doing everything that I have commanded them to do. And in the future, because of all the evil things that they will do, they will cause Yahweh to become angry with them. And he will cause them to experience disasters."

The song that Moses sang to them

30 Then, while all the Israeli people listened, Moses/I sang/recited this entire song to them:

32 "Listen to me, all you who are in the heavens, and all you who are on the earth, listen to what I say [MTY].

2 I wish/desire that my teaching will fall on you like rain drops

or be like dew on the ground,
and be like a gentle rain on the young plants,
like showers on the grass.

3 I will praise Yahweh [MTY].

And all you people should tell others that our God is very great.

4 He is like a rock [MET] under which we are protected;

everything that he does is perfect and completely just/fair [DOU].

He always does what he says that he will do;
he never does anything that is wrong.

5 But you Israeli people have been very unfaithful to him;

because of your sins, you no longer deserve to be his children.

You are extremely wicked and deceitful [DOU].

6 You foolish and senseless [DOU] people,

is this the way that you should repay Yahweh for all that he has done for you?/this is certainly not the

way that you should repay Yahweh for all that he has done for you. [RHQ]

He is your father; he created you [RHQ];
he caused you to become a nation.

7 Think about what happened long ago;
consider what happened to your ancestors.

Ask your parents, and they will inform you;
ask the older people, and they will tell you.

8 When God, who is greater than any other god, long ago divided the people into groups,
he assigned to the nations their land.
He determined where each people-group should live
and assigned to/chose for each people-group a god/angel.

9 But Yahweh decided that we would be his people;
he chose us, the descendants of Jacob, to belong to him.

10 He saw our ancestors when they were in a desert,
wandering in a land that was desolate/where no people lived.

He protected them and took care of them,
as every person takes good care of his own eyes.

[SIM, IDM]

11 Yahweh protected his people just like an eagle encourages its babies to fly
and flutters over them [MET],
spreading its wings and catching them if they start to fall.

12 Yahweh was the only one who led them;
no other foreign god helped him.

13 After they entered the land that Yahweh promised to give to them,

Yahweh enabled them to rule the hilly areas;
they ate the crops that grew in the fields.

They found honey in the rocks,
and their olive trees [MTY] grew even in stony ground.

14 The cows gave them plenty of curds/yogurt, the goats gave them plenty of milk,
they had well-fed sheep and cattle,
they had very good wheat,
and they made delicious wine from their grapes.

15 The Israeli people became rich and prosperous,
but then they rebelled against God;
they abandoned him, the one who created them,
the one who powerfully saves them.

16 So he abandoned them because they started to worship other/strange gods.
Because of their worshiping disgusting idols,
he became angry.

17 They offered sacrifices to gods who were really demons,
gods that their ancestors had never known;
they offered sacrifices to gods that they had recently found out about,

gods whom your ancestors had never revered.
 18 They forgot *the true* God, the one who protects them [MET],
 the one who created them and caused them to live.

19 When Yahweh saw that *they had abandoned him*, he became angry,
 so he rejected *the Israeli people, who are like his sons and daughters*.

20 He said, 'They are very wicked/stubborn people, very unfaithful;
 so I will no longer help them,
 and then I will watch and see what happens to them.'

21 They ^Imade me very angry because of their worshipping idols, which are not really gods;
 they have caused me to be *jealous* [MET] *because I want them to worship only me*.

So now, in order to cause them to become jealous,
 I will send *to attack them an army* of a nation of worthless and foolish people.

22 I will be very angry, and I will destroy them like a fire that will burn on the earth and all the way down to the place where dead people are [MET];
 that fire will destroy the earth and everything that grows on it,
 and it will even burn what is down under the mountains.

23 I will cause them to experience many disasters;
they will feel as though [MET] I am shooting all my arrows at them.

24 They will die because of being hungry and because of having hot fevers
 and because of terrible diseases;
 I will send wild animals to attack [MTY] them,
 and poisonous snakes to bite [MTY] them.

25 Outside *their houses, their enemies* will kill them [MTY] with swords,
 and in their homes, *their enemies will cause* them to be terrified.

Their enemies will kill young men and young women,
 and they will kill infants and old people with gray hair.

26 I wanted to scatter the Israeli people to distant countries
 in order that no one would ever remember them.

27 But *if I did that*, their enemies would wrongly boast
 that they were the ones who had *gotten rid of my people*;
 they would say, "We [SYN] are the ones who defeated them;
 it was not Yahweh who has done all these things."

28 You Israelis are a nation of people who do not have any sense.
 None of you is wise.

I *Because they hey*

29 If you were wise, you would understand *why you would be punished*;
 you would have realized what was going to happen to you.

30 *You would have realized why 1,000 of your soldiers* would be defeated by only one *of the enemy soldiers*,
 and why two of your enemies would chase away 10,000 *Israeli soldiers*.

You would realize that this would happen only if God, the one who always defended you [MET], had allowed your enemies to defeat you,
 because he had abandoned you.

31 Your enemies know that their gods are not powerful like Yahweh, our God,
so their gods could not have defeated us Israelis.

32 Your enemies are like [MET] grapevines planted near *the ruins of Sodom and Gomorrah cities*;
 the grapes from those vines are bitter and poisonous;

33 the wine *from those grapes* is like the poison of snakes [DOU].

34 *Yahweh says*, 'I know [RHQ] *what I have planned to do to the Israeli people and to their enemies*,
 and those plans are so secure *that it as though he locked them up* [MET].'

35 I am the one who will get revenge and pay those enemies back for what they have done *to my people*,
 at the right time for them to be punished [IDM];
 they will soon experience disasters,
 and I will punish/destroy them quickly.'

36 But Yahweh will see that you who are truly his people, who \diamond are innocent/have not done things that are wrong \diamond ,
 and he will be merciful to you.

And he will see that you are helpless,
 and that there are very few of you, slaves or free people, who are still alive.

37 Then Yahweh will ask his people, 'Where are the gods

that you thought would protect you [MET]?

38 You gave to those gods the best parts of the animals that you sacrificed,
 and you poured out wine for them to drink.
 So, they should begin to help you;
 they should be the ones who will protect you!

39 But now you will realize that I, only I, am God;
 there is no other god who is a *real* god.
 I am the one who can kill people and who can cause people to live;
 I can wound people, and I can heal people,
 and there is no one who can prevent me from doing those things.

40 I raise my hand toward heaven and solemnly declare

that just as sure as I live forever,

41 that when I sharpen my sword,

as I [SYN] prepare to punish people,
I will get revenge on my enemies;
I will pay back those who hate me.
42 I will kill all *of my enemies* with a sword;
it will be as though I had arrows that will be covered
with their blood.
I will kill [MTY] all those whom I capture
and cut off their leaders' heads.'

43 You people of all nations, you as well as his people
should praise Yahweh,
because Yahweh gets revenge on those who kill the
people who serve him;
and he cleanses his people's land
which has become defiled because of their sins."

44 Joshua and Moses/I recited the words of that song
while the Israeli people were listening. 45 When they/
we finished reciting to the Israeli people the words of
this song, 46 Moses/I said, "Never forget all these com-
mands that I have been giving you today. Teach these
laws to your children, in order that they will faithfully
obey all of them. 47 These instructions are very impor-
tant [LIT]. *If you obey* them, you will live a long time in
the land that you are about to cross the Jordan River
to occupy."

God told Moses that he would see the land from far
away

48 On that same day, Yahweh said to Moses/me,
49 "Go to the Abarim Mountain range *here* in the
Moab region, across from Jericho. Climb Nebo Moun-
tain, and look *toward the west* to see Canaan land, the
land that I am about to give to the Israeli people.
50 You will die on that mountain [EUP, DOU], like your
older brother Aaron died on Hor Mountain. 51 You will
die because both of you disobeyed me in the presence
of the Israeli people, when you all were at Meribah
Springs near Kadesh *town* in the Zin Desert. You did
not honor and respect me in the presence of the Is-
raeli people in the way that I deserve because I am
God. 52 *When you are on that mountain where I told
you to go*, you will see in the distance in front of you
the land that I am about to give to the Israeli people,
but you will not enter it."

Moses blessed the Israeli tribes

33 Before God's prophet Moses died, he *asked
God to bless the Israeli people.* 2 This is what
he said:

"Yahweh came *and spoke* to us at Sinai Mountain;
he *came like* [MET] the sun rises in the Edom region
and like his light shone on us when we were *in the
desert* near Paran Mountain *after we left Sinai Moun-
tain.*

He came with 10,000 angels,
and there was a flaming fire at his right side.

3 Yahweh truly loves his people,
and protects [MTY] all those who belong to him.
So they prostrate themselves in front of him,
and they listen to his instructions.

4 I gave them laws to obey,
laws that would be the most precious thing that *the
descendants of Jacob* owned.

5 So Yahweh became the king of his Israeli people
when all the tribes and their leaders were gathered
together.

6 *I say this about the tribe of Reuben:*
I desire/hope that their tribe will never disappear,
but they will never become numerous.

7 *I say this about the tribe of Judah:*
Yahweh, listen to them when they call out *for help*;
and unite them with the other tribes again.
Fight for them,
and help them to fight against their enemies.

8 *I say this about the tribe of Levi:*
Yahweh, give to those who are dedicated to you the
sacred stones *that they will use to find out what you
want to be done*;
You tested them at a spring in the desert, a spring
that they named Massah and also named Meribah
to find out if they would ♦remain loyal to/continue
to obey♦ you.

9 The tribe of Levi did what you told them to do
and obeyed the agreement that you *made with the
Israeli people*;
those laws were more important to them [HYP]
than their siblings and parents and children.

10 The tribe of Levi will teach the Israeli people [DOU]
your rules and regulations,
and they are the ones who will burn incense and
who will completely burn on the altar the offerings
that the people bring.

11 Yahweh, bless their work
and ♦accept/be pleased with♦ all that they do.
Crush/Destroy all their enemies;
do not enable their enemies to be able to fight
against them again.

12 *I say this about the tribe of Benjamin:*
They are the tribe that Yahweh loves;
he keeps them safe.
He protects them continually,
and he lives among their hills [MET].

13 *I say this about the tribes of Joseph:*
I desire/hope that Yahweh will bless their land
by giving them rain/dew from the sky
and water from deep *in the ground*,
14 by giving them good fruit *ripened by the sun*
and good crops at harvest time.
15 I desire/hope that very nice fruit will grow on trees
in their ancient mountains/hills [DOU],
16 and that their land will be have many good crops,

blessed by *Yahweh*, the one who appeared to me in a burning bush.

I desire/hope that *Yahweh* will bless the tribes of Joseph in all those ways,

because he was the leaders of his *older* brothers when they were in *Egypt*.

¹⁷ The descendants of Joseph will be as strong as [SIM] a bull;

with their weapons they will wound their enemies, like [MET] a wild ox gores other animals with its horns.

They will force other people-groups,

all of them, to be exiled to the most distant places on the earth.

That is what *the descendants of the two sons of Joseph* will do,

the ten thousands of *the tribe* of Ephraim and the thousands of *the tribe* of Manasseh.

¹⁸ I say this about *the tribes of Zebulun and Issachar*:

I desire/hope that the people of Zebulun will prosper in their travels *across the seas*,

and that the people of Issachar will prosper while they stay at home *and take care of their cattle and crops*.

¹⁹ They will invite people *from the other Israeli tribes* to the mountain where they *worship Yahweh*,

and they will offer the correct/proper sacrifices to him.

They will become rich from *the work that they do on the seas*

and from *the things that they make from* (OR, *find in*) the sand *on the beaches*.

²⁰ I say this about *the tribe of Gad*:

Praise *Yahweh*, the one who made their territory large.

The people of their tribe *will attack their enemies fiercely* [SIM] like a lion that crouches,

waiting to tear off the arm or the scalp of *some animal*.

²¹ They chose the best part of the land for themselves;

a large share of the land, a share that should be given to a leader was allotted to them.

When the leaders of the tribes of Israel *gathered together*,

they decided that the tribe of Gad should have a large share of the land.

The tribe of Gad obeyed the commands of *Yahweh* and the things that he decided that they should do.

²² I say this about *the tribe of Dan*:

The people of the tribe of Dan are like [SIM] a young lion;

they leap from *their caves in the Bashan region to attack their enemies*.

²³ I say this about *the tribe of Naphtali*:

The people of the tribe of Naphtali have been blessed by *Yahweh*, who has been very kind to them; their land extends far south from Lake *Galilee*.

²⁴ I say this about *the tribe of Asher*:

May *Yahweh* bless the descendants of Asher more than he will bless the other tribes.

May he favor Asher's descendants most of all.

I desire/hope that their land will *be filled with olive trees that will produce a lot of* [IDM] *olives to make olive oil*.

²⁵ Their *towns will be protected by high walls with gates that have bronze and iron bars*;

I desire/hope that they will be strong and secure/protected all the time that they are alive.

²⁶ You people of Israel, there is no god like your God, who rides majestically across the sky to help you.

²⁷ God, who lives forever, is the one who \diamond gives you refuge/protects you \diamond ;

it is as though he puts his everlasting arms under you *to support you*.

He will expel your enemies while you advance;

he has told you to destroy all of them.

²⁸ So, you Israeli people will live safely;

you descendants of Jacob will not be disturbed by others;

in the land where *you will live*, there will be plenty of grain and wine,

and there will be plenty of rain.

²⁹ You people of Israel, *Yahweh* \diamond has blessed/is pleased with \diamond you.

There is certainly [RHQ] no nation like your nation, whom *Yahweh* has rescued *from being slaves in Egypt*.

He will be like [MET] a shield to protect you

and like [MET] a sword to enable you to defeat *your enemies*.

Your enemies will come to you begging for you *to act mercifully toward them*,

but you will trample on their backs/necks."

How Moses died

34 Then Moses climbed up from the plains in the Moab *region* to the top of Pisgah Peak on Nebo Mountain, across *the Jordan River* from Jericho. There *Yahweh* showed him all the land *that the Israelis would occupy*. He showed him the Gilead *region* as far north as Dan *city*; ² all *the land that the tribe of Naphtali would occupy*; all the land *that the tribes of Ephraim and Manasseh had occupied*; all the land *that the tribe of Judah would occupy* as far west as the Mediterranean sea; ³ the desert *area in the south part of Judah*; and the *Jordan Valley* that extends from Jericho *in the north* to Zoar *city in the south*. ⁴ Then *Yahweh* said to him, "You have now seen this land that I solemnly promised to Abraham, Isaac, and Jacob, saying 'I will give it to your descendants.' I have allowed

you to see it *from a distance*, but you will not go there.”

⁵ So Moses, who *always* served Yahweh *faithfully*, died there *on that mountain* in the Moab *region*, which is what Yahweh said would happen. ⁶ Yahweh buried Moses' body in a valley in the Moab *region*, opposite/near Beth-Peor *town*, but no one to this day knows where Yahweh buried him. ⁷ Moses was 120 years old when he died, but he was still very strong, and he could still see [MTY] very well. ⁸ The Israeli people mourned for him in the plains of the Moab *region* for 30 days.

⁹ God caused Joshua to be very wise, because Moses had put his hands on Joshua *to appoint him to be their*

new leader. The Israeli people obeyed Joshua, and they obeyed all the commands that Yahweh had given to Moses to tell to the Israeli people.

¹⁰ Since the time that Moses *lived*, there has never been a prophet in Israel like him. Yahweh spoke to him face-to-face/directly. ¹¹ No other prophet has performed all the kinds of [DOU] miracles that Yahweh sent Moses to perform in front of the king of Egypt, his officials, and all [HYP] the people of Egypt. ¹² No other prophet has been able to do all the great and terrifying things that Moses did while all the Israelis watched.

JOSHUA

What Yahweh commanded Joshua

1 After Moses, who served Yahweh *well*, died, Yahweh said to Nun's son Joshua, who had been Moses' assistant, **2** "You know that my servant Moses is *now* dead. So now get ready to lead all these *Israeli* people across the *Jordan River*. Enter the land that I will soon give to you. **3** I will give to you all the land that you walk on, as I promised Moses. **4** That land will extend from the desert *in the south*, to the *Lebanon Mountains in the northwest*, and to the big *Euphrates River in the northeast*, and to the *Mediterranean Sea* on the west. *It will include* all the land where the descendants of *Heth live*. **5** No group will be able to oppose *and defeat* you during your life. I will help you as I helped Moses. I will always be with [LIT] you; I will never forsake you.

6 Be strong and courageous, because you are the one who will lead these *Israeli* people *and enable* them to possess the land that I solemnly promised to their ancestors that I would give them. **7** Just be strong and very courageous. Be sure to obey all the laws that my servant Moses gave to you. In order that you may be successful wherever you go, do not stop obeying any of them [IDM]. **8** Make sure to habitually read *to the people some of the laws that God gave Moses*. Meditate on those laws *every day and every night*. And be sure to obey all those laws. If you do that, you will be successful in everything that you do [DOU]. **9** Do not forget [RHQ] that I have commanded you to be strong and courageous. Do not be afraid, and do not be discouraged, because I, Yahweh, your God, will *be with/help* you wherever you go."

10 Then Joshua commanded the leaders of the people of *Israel*, **11** "Go throughout the camp and tell the people this: 'Prepare all the food that you will take with you, because the day after tomorrow you will cross this *Jordan River*, in order to possess the land that Yahweh, our God, is about to give you.'"

What Joshua commanded the eastern tribes

12 But to the *clans that were* descendants of *Reuben* and *Gad*, and to the half clan *that were* descendants of *Manasseh*, Joshua said, **13** "Do not forget what Moses, the servant of Yahweh, commanded you: 'Yahweh, your God, has given you this land in order that you can *live here safely/peacefully*.' **14** Your wives and your children and your livestock may stay *here* in this land

on the east side of the *Jordan River*, but all your soldiers must cross *the river*, ahead of the people of the other tribes. They must take all their weapons with them. You must continue to help your fellow *Israelis* **15** until they are able to live there safely/peacefully, as Yahweh has enabled you to do. You must help them until after they have conquered all the people in the land that Yahweh, your God, is giving them. After that, your soldiers may return to live in this land that Moses gave to you here on the east side of the *Jordan River*."

16 The people answered Joshua, "We will do everything that you have commanded us to do, and we will go wherever you tell us to go. **17** As we obeyed all that Moses told us to do, we will obey all that you tell us to do. We pray that Yahweh will *be with/help* you as he *was with/helped* Moses. **18** Anyone who *rejects* what you say/opposes you *and* does not obey what you command [DOU], we will execute. But we want you to be strong and courageous!"

How Rahab helped the Israeli spies

2 Then Joshua *chose* two men from *their camp at* *Acacia*. He told them, "Go *across the Jordan River* and secretly find out all that you can about the land on that side of the river, especially about *Jericho city*." So the two men crossed *the river and entered Jericho*. They entered the house of a prostitute, whose name was *Rahab*. They stayed in her house *that night*. **2** But someone *saw them and* told the king of *Jericho*, "Some *Israeli* men have come here tonight to spy out the land!" **3** So the king sent some messengers to tell *Rahab*, "Bring out the men who came and entered your house, *so that we can kill them*, because they have come *here* to *spy out/find out* all they can about *this land*!" **4** She told them that the two men had gone to her house. But she had hidden the two men there. So when the messengers came to her house, she told them, "Two men came here, but I did not know where they had come from. **5** At dusk, just before *guards* closed the city gate/the city gates were closed *and*, the two men left. I do not know where they went. So, go quickly and search for them! Perhaps you may catch them!" **6** But *she was lying*; she had taken the two men up to the *flat roof* of her house and had hidden them under the piles of *flax* that she had laid on the roof. **7** The messengers went out of the city to search for the two men. Immediately, the guards shut the city gate. The messengers went along the road that leads

down to the place where people can walk across the Jordan River, but they did not find the two men.

⁸ Before the two men lay down to sleep that night, Rahab went up to the roof ⁹ and said to them, "We know that Yahweh is about to give this land to you Israelis, and as a result all the people living in this land are terrified because of you. ¹⁰ We have heard about how Yahweh dried up the water of the Red Sea for you to cross it when you left Egypt. And we have heard how you killed Sihon and Og, the two kings of the tribe of Amor who lived east of the Jordan River. You Israelis totally destroyed everyone and everything in their kingdom. ¹¹ When we heard about those things, we were very dismayed. We no longer have enough courage to fight against you, because we know that Yahweh, the God whom you worship, is helping you. And we know that he rules everything in heaven and here on earth. ¹² So now I want you to solemnly promise me, and ask Yahweh to punish you if you do not do what you promise. Solemnly promise me that you will act kindly to me and my family, because I have acted kindly to you. ¹³ Do something to prove that you will spare the lives of/not kill my father and my mother, my brothers and sisters, and all of their families. Promise me that you Israelis will not kill us when you destroy this city." ¹⁴ The two men replied, "We desire that God will cause us to die if we do not do as we say! If you do not tell others what we are planning to do, we will act kindly toward you all when Yahweh enables us to possess the land." ¹⁵ One of the outside walls of the house where Rahab lived was part of the wall that was around the city. So she fastened a rope outside the window that was in that wall, by which the men could climb down the wall. ¹⁶ Then she said to them, "When you leave the city, go up into the hills so that the men who are searching for you will not find you. Hide in caves in the hills for three days, until the men who are searching for you return to the city. Then you can return safely to your camp." ¹⁷ The two men gave her a red cord, and said to her, "This is what you must do; if you do not do this, we will not be required to do what we have vowed to do. ¹⁸ You must tie this red cord in the window that has the rope by which we will climb down. You must let the cord hang there. And you must bring your father and your mother and your brothers and all the others in your family inside the house. Then, when our army enters your land, we will see the cord, and we will not kill the people in your house. ¹⁹ If anyone in your family goes outside this house into the street, our soldiers will kill them, and we will not be guilty [MTY] for doing that. But if anyone who is in this house with you is injured, we will be guilty for causing that. ²⁰ But if you tell anyone what we are planning to do, we are not required to do what we have vowed to do." ²¹ Rahab said, "I agree to do what you say." So they climbed down the rope and left. And she left the red cord tied in the window. ²² When the two men left the city, they went up into the hills.

They stayed there for three days, while the men who had been sent by the king continued to search for them. They searched all along the road, but they did not find the two men. So they returned to the city. ²³ Then the two men started back toward their camp. They went down from the hills, went down to the river, crossed it at the place where people can walk across it, and returned to their camp. They told Joshua everything that had happened to them. ²⁴ They said to Joshua, "We are sure that Yahweh is going to enable us to possess everything that is in that land. The people there are terrified [IDM] because of us."

The Israelis crossed the Jordan River

³ Joshua and all the other Israelis got up early the next morning. They left their camp at Acacia and went down to the Jordan River. They camped there for two nights. ² Then the leaders went throughout the camp, ³ telling the people, "You will see some of the priests, who are descendants of Levi, carrying the chest that contains the Ten Commandments that Yahweh our God gave us. When you see them, leave the places where you are camped and follow them. ⁴ You have not been here/along this road before, so you must follow the priests. But do not walk close to the chest. Stay 1,000 yards/900 meters from the chest. The chest is sacred, so God will punish you/you will be punished if you come close to it."

⁵ Then Joshua told the people, "Perform the ceremonies needed to make yourselves acceptable to Yahweh, because tomorrow he is going to do things for you that will amaze you!"

⁶ Then Joshua said to the priests, "Carry the chest and go in front of the rest of the people." So they lifted up the chest and went ahead.

⁷ Then Yahweh said to Joshua, "This is the day that I will begin to show all the Israeli people that you are a great leader. Then they will honor you, and know that I am with/helping you as I was with/helped Moses.

⁸ Tell the priests who are carrying the chest that contains the Ten Commandments, 'When you come to the edge of the Jordan River, stand in the water.'" ⁹ Then Joshua said to the Israeli people, "Come close to me in order that you can listen to what Yahweh, your God, is saying." ¹⁰ When they came near, he said to them, "This is how you will know that God, who is all-powerful, is among you, and that he will expel for you the descendants of Canaan, Heth, Hiv, Periz, Girgash, Amor, and Jebus who are now living in that land.

¹¹ Keep in mind that Yahweh is the one who rules over all the earth. The chest belongs to him, and it will be carried into the Jordan River ahead of you. ¹² So choose twelve men, one from each of the tribes of Israel, and I will tell you later what I want them to do. ¹³ As for the priests who are carrying the chest, as soon as they put their feet into the Jordan River, the water will stop flowing. It will pile up because I will cause it to be blocked upstream."

¹⁴ So when the *Israeli* people packed up their tents in order to cross the river, the priests who were carrying the chest containing the Ten Commandments went in front of them. ¹⁵ It was *springtime*, when people harvest their crops, and at that time the river floods over its banks. But as soon as the priests reached the edge of the river and stepped into the water, ¹⁶ the water stopped flowing. The water piled up far *upstream*, at a town named Adam, near Zarethan. The water stopped flowing down to the Dead Sea. So the people were able to cross the river near Jericho. ¹⁷ The priests who were carrying the chest containing the Ten Commandments that Yahweh *had given them* stood on dry ground in the middle of the Jordan *riverbed*, while the rest of the Israeli people crossed the river *as though they were crossing dry ground*.

The Israeli people and Joshua set up memorials

⁴ After all the people of the Israeli nation had finished crossing the Jordan *River*, Yahweh said to Joshua, ² "When you choose the twelve men, one from each tribe, whom I mentioned previously, tell them to pick up *large* stones from the middle of the Jordan *riverbed*, where the priests are *still* standing. ³ Tell them to carry the stones with you and put them down at the place where you will stay tonight."

⁴ So Joshua chose twelve men, one from each tribe. He called them together, and said to them, ⁵ "Go into the middle of the Jordan *riverbed*, to where *the priests are standing*, holding the chest that Yahweh, your God, gave you. Each of you must pick up a *large* stone, one for each tribe, and carry it on your shoulder to our camp. ⁶ Then pile them up to be a memorial for you. In the future, when your children ask, 'What do these stones mean?', ⁷ tell them that the water in the Jordan River was blocked off when the priests were carrying the chest *that contained* the Ten Commandments that Yahweh *gave us*. When the chest was carried into the Jordan *River*, the water was blocked off *so that we could cross the riverbed*. These stones will be a memorial for the descendants of us Israeli people forever."

⁸ So those Israeli men did what Joshua told them to do. They went and picked up twelve *large* stones from the middle of the Jordan *riverbed*, one stone for each of the tribes, just as Yahweh had told Joshua. They carried the stones to their camp and put them down. ⁹ Then Joshua set up twelve *other large* stones *in a pile*, in the middle of the Jordan *riverbed*, where the priests who carried the chest containing the Ten Commandments were standing. And those stones are still there.

¹⁰ The priests who carried the chest remained standing in the middle of the Jordan *riverbed* until the people had finished doing everything that Yahweh had commanded Joshua to tell them to do. Those were the same instructions that Moses had given to Joshua. The Israeli people crossed *the riverbed* quickly. ¹¹ As soon as all of them had crossed, as the people watched, the

priests carried the chest *the rest of the way across the river*. ¹² The soldiers of the tribes of Reuben, Gad, and of half of the soldiers of the tribe of Manasseh, crossed over ahead of the rest of the Israeli people, carrying their weapons, as Moses had commanded. ¹³ As Yahweh was watching, there were about 40,000 of those soldiers, carrying weapons ready for battle, who crossed the *riverbed* to the plains near Jericho, ready to fight.

¹⁴ On that day, all the people of Israel saw that Yahweh had caused Joshua to be a great leader. And they honored Joshua for the rest of his life, just as they had honored Moses. ¹⁵ Yahweh said to Joshua, ¹⁶ "Now tell the priests who are carrying the chest containing the Ten Commandments to come up from the Jordan *riverbed*." ¹⁷ So Joshua commanded the priests to do that. ¹⁸ Then the priests, carrying the chest containing the Ten Commandments that Yahweh *had given to Moses*, came up out of the *riverbed*. And as soon as they walked up out of the *riverbed* onto the riverbank, the water of the Jordan *River* flowed again, and flooded *over the river banks* as it had done before.

¹⁹ It was on the tenth day of the first month *of that year* that the people crossed over the Jordan *River* and camped at a place called Gilgal, on the east side of *the land near Jericho city*. ²⁰ The men *who were carrying* the twelve *large* stones from the Jordan *riverbed* brought them to Joshua, and he set them up at Gilgal. ²¹ Joshua said to the Israeli people, "In the future, when your children and grandchildren ask, 'What do these stones mean/Why are these stones here?', ²² tell them, 'We Israeli people crossed the Jordan *River* as though we were crossing on dry ground. ²³ As we were watching, Yahweh, your God, dried up the river until we had all crossed over. Yahweh, the God whom we worship, did to the Jordan *River* just like he did to the Red Sea, when he caused it to become dry as *our parents* were watching, until they all crossed over it. ²⁴ Yahweh did that in order that all the people-groups of the earth may know that he [MTY] is very powerful, and in order that you may always be in awe of/revere Yahweh, your God.'"

⁵ All the kings of the people-groups to the west of the Jordan River and all the kings of the groups who were descendants of Canaan and who lived close to the *Mediterranean* Sea heard about how Yahweh had dried up the water of the Jordan *River* until all we Israeli people had crossed over. So they became very dismayed. They no longer were courageous enough to fight us.

The Israeli males were circumcised at Gilgal

² While *they were camped at Gilgal*, Yahweh said to Joshua, "The Israeli males who lived in Egypt were circumcised before they left there. Now make knives from flint stones and circumcise all the Israeli males who have been born since then." ³ So Joshua made knives and circumcised the Israeli males at a place

that is now called 'Circumcision Hill'.⁴ *The reason they did that is that all the men who left Egypt*, those who were old enough to be soldiers, died in the desert after they left Egypt.⁵ They had been circumcised in Egypt, but the baby boys who had been born while their parents were camping in the desert after they left Egypt had not been circumcised.⁶ Our Israeli ancestors traveled around in the desert for 40 years, and all the men who were old enough to be soldiers had died. *The women had also died.* They had not obeyed Yahweh, so Yahweh said that they would not arrive at the land that he had promised to our ancestors that he would give to us, a land that was very fertile [MTY].⁷ The sons of those who had disobeyed Yahweh were the ones whom Joshua circumcised at Gilgal. They were circumcised because they had not been circumcised *while they were traveling in the desert.*⁸ After all the Israeli males had been circumcised, they remained in the camp and rested until their wounds were healed.⁹ Then Yahweh said to Joshua, "*Because your forefathers were slaves in Egypt*, the Egyptians felt a revulsion toward you. But today I have removed the revulsion the Egyptians have had toward you." Because of that, the people called the place 'Gilgal', *which sounds like the Hebrew word 'removed'*, and it still has that name.

¹⁰ In the evening of the fourteenth day of that month, while the Israeli people were camped at Gilgal, on the plain near Jericho *city*, they celebrated the Passover *Festival*.¹¹ The next day, they found some barley grain in the fields in that area. So they took that and roasted it and ate it with bread that was made without yeast.¹² The next day, *God stopped sending manna* for the Israeli people to eat. After that, they ate food that was grown in Canaan.

The commander of Yahweh's army appeared to Joshua.

¹³ One day when Joshua came near Jericho, he looked up and saw a man standing in front of him. The man was holding a sword in his hand. Joshua approached him and asked him, "Are you *going to fight* for us or against us?"¹⁴ The man replied, "I am not *planning to fight with you or against you.* Instead, I am the commander of Yahweh's army *in heaven*, and I have come down *from there to assure you that Yahweh will help you.*" Then Joshua bowed down with his face on the ground *to show his respect for/to worship* the man, and said to him, "Tell me what *you want me to do.*"¹⁵ The commander of Yahweh's army replied, "Take off your sandals! *I am Yahweh*, and the ground on which you are standing is holy because I am here." So Joshua took off his sandals.

The walls of Jericho collapsed and the Israelis captured the city.

⁶ Meanwhile, the guards of Jericho shut the gates of the city tightly, because *they were afraid* of the Israeli *army*. No one was allowed to go into the city or go out of it.² Then Yahweh said to Joshua, "Listen *to what I say!* I am going to enable your army [SYN] to capture/conquer [MTY] Jericho and its king and its soldiers.³ So your army must march around the city for six days, once each day.⁴ Tell seven priests to march around with them. Each priest must carry a trumpet. Four other priests must carry the sacred chest, and they must walk behind the priests who are carrying the trumpets. On the seventh day, the army must march around the city seven times, and the priests must be blowing the trumpets while they march.⁵ After *they have all marched around the city seven times*, the priests must blow their trumpets *once*, very loudly. When the Israeli people/soldiers hear that, they must shout loudly. Then the wall of the city will collapse, and all the Israeli people/soldiers will go straight into the city."

⁶ So Joshua summoned the priests and said to them, "Tell four priests to carry the chest *that contains* the Ten Commandments that Yahweh *gave to us.* Tell seven *other* priests to carry trumpets and walk in front of them."⁷ And Joshua told the soldiers, "Start marching! March around the city, with several soldiers with weapons marching in front. Behind them will march the seven priests with trumpets, and behind them will march the four priests carrying Yahweh's *sacred chest.*"

⁸ After Joshua told that to the army, the seven priests, each carrying a sacred trumpet, started marching, blowing their trumpets. The four priests who were carrying Yahweh's sacred chest followed them.⁹ The group of soldiers carrying weapons marched in front of the priests who were blowing their trumpets, and the rest of the soldiers followed *the four men carrying* the chest. While *they were all marching*, the seven priests were blowing their trumpets.¹⁰ But *the rest of the people were silent*, because Joshua had commanded them, "Do not make a war cry. Do not yell or say anything until the day when I tell you to shout. On that day, you must shout *loudly!*"

¹¹ So the men carrying Yahweh's sacred chest and all the others did what Joshua told them to do. They marched around the city once. Then they all returned to their camp and stayed there that night.

¹² The next morning, Joshua and the priests got up early, and the four priests carried Yahweh's sacred chest *again.*¹³ The seven priests who were carrying trumpets went in front of *the men carrying* the chest. The seven priests were blowing their trumpets as they marched. The group of soldiers carrying weapons went in front of all the others, and the rest of the army followed all the others. All the time, the seven priests

were blowing their trumpets. ¹⁴ So on that second day they again marched around the city once and then returned to their camp. They did the same thing for six days.

¹⁵ On the seventh day, they got up at dawn, and they all marched around the city the same way that they had done before, but this time they marched around the city seven times. ¹⁶ As they were marching around the seventh time, when the priests were about to blow the long/loud blast on their trumpets, Joshua commanded the people, "Shout, because Yahweh will enable you to capture the city! ¹⁷ Yahweh has declared that you must destroy [IDM] the city and everything in it *to show that it belongs to him*. You must spare only Rahab the prostitute and the others who are in her house, because she hid the spies whom we sent there. ¹⁸ And because Yahweh has declared that everything must be destroyed [IDM], you must not take [EUP] any of the things in the city. If you take anything, you will cause Yahweh to destroy our own camp and cause terrible things to happen to us. ¹⁹ But all the silver and gold and articles made from iron and bronze that you find, you must set apart for Yahweh. You must put those things in his treasury."

²⁰ So they did what Joshua told them to do. When the priests blew a long blast on their trumpets, the people/army shouted loudly, and the wall of the city collapsed! Then the Israeli soldiers rushed in and captured the city. ²¹ They killed [IDM] every living thing in the city—men and women, young people and old people, even cattle and sheep and donkeys.

²² Then Joshua said to the two men \diamond who had spied on/whom he had sent to learn all they could about \diamond the land, "Go to the prostitute's house. Bring her out, along with all her family, just as you promised to her." ²³⁻²⁵ So those two spies/men went into Rahab's house and brought her out. They also brought out her father and mother and her brothers, and all the rest of her family. Joshua's men spared Rahab the prostitute. They also did not kill all her relatives, because she had hidden and protected the spies/men whom Joshua had sent to Jericho. The two men brought them all out and put them in a place outside the camp of the Israelis. Rahab still lives among us Israeli people. Then the soldiers gathered the articles made from silver, gold, bronze, and iron that they found and they put them all into Yahweh's treasury. But they burned everything else that was in the city.

²⁶ At that time, Joshua warned the people, "Yahweh will curse/punish anyone who tries to rebuild this city, Jericho. When that person lays/builds its foundation, his oldest son will die. And when he finishes building the city wall and sets up its gates, his youngest son will die."

²⁷ Because of what happened that day, it was clear that Yahweh was with/helped Joshua, and Joshua became famous throughout the land.

The men of Ai defeated the Israelis

⁷ Yahweh had commanded that all the things that *they had captured in Jericho* should be *destroyed to show that they belong to him*. But there was a man from the tribe of Judah named Achan. He was the son of Carmi and grandson of Zabdi and great-grandson of Zerah. He disobeyed what Yahweh *had commanded* and took for himself some of those things. So Yahweh was very angry with the Israelis.

² Joshua told some of his men to go from Jericho to Ai *town*, which was east of Bethel *city* and near Beth-Aven *town*. He said to them, "Go to Ai and \diamond spy out the area/see what the area is like \diamond ." So the men went.

³ When they returned to Joshua they said, "There are only a few people in Ai. So we do not need to send all of our soldiers to defeat them. Send 2,000 or 3,000 men to attack them. That will be enough." ⁴ So about 3,000 Israeli men went *to attack Ai*. But the men of Ai defeated them badly. ⁵ They killed about 36 Israelis and chased the rest of Israeli men from the city gate to the bottom of the hill. When the other Israelis saw that this had happened, they became very discouraged.

⁶ Joshua and the other Israeli leaders tore their clothes *because they were very sad about being defeated*. They prostrated themselves on the ground in front of the *Sacred Tent in which was the sacred chest*. They stayed there until that evening. They also threw dirt on their heads *to show that they were very sad about what had happened*. ⁷ Then Joshua prayed and said, "Lord God, you brought us Israelis *safely* across the Jordan River. So why are you now allowing the Amor people-group to defeat us [RHQ]? *This would not have happened* if we had stayed on the other side of the Jordan River! ⁸ Lord, we Israelis have been defeated by our enemies, so I do not know what to say now [RHQ]. ⁹ The Canaan people-group and all the other people who are living in this land will hear about this. Then they will surround us and kill all of us! Then what will you do \diamond to defend your reputation [MTY]/to show that you are a powerful God \diamond ?"

¹⁰ But Yahweh said to Joshua, "Stand up! Stop lying there with your face on the ground [RHQ]! ¹¹ You Israelis have sinned! You have disobeyed the commands that I told you to obey. *One of your men* has taken some of the things that I told you to destroy. He has stolen them and taken them for himself and lied *about it*. ¹² That is why you Israelis have been unable to be strong when you went to attack your enemies. That is why you have run away from them. And now you yourselves may be destroyed. If you do not do as I commanded you and destroy everything *that you captured in Jericho* I will not help you anymore!"

Achan was punished for his sin

13 "Now go and tell this to the people: 'Tomorrow you must *perform the rituals* that will cause yourselves to become acceptable to Yahweh again. Yahweh, the God whom we Israelis *worship*, says that one of you has kept things that he told you to destroy. You will never defeat your enemies until you get rid of those things.

14 Tomorrow morning you must present yourselves before Yahweh, tribe by tribe. Then Yahweh will indicate to which tribe *the man who took those things belongs*. Then Yahweh will indicate to which clan from that tribe *the guilty man belongs*. Then Yahweh will indicate to which family he belongs. And then he will indicate which person *in that family took those things*.

15 Then the one who has taken some of the things that should have been destroyed will be destroyed in a fire. And everything he owns will be destroyed with him, because he has disobeyed the command that Yahweh gave us and has done something that is disgraceful to us Israeli people."

16 Early the next morning, Joshua told all the Israeli people to stand before the Sacred Tent, tribe by tribe. *When they did that*, Yahweh indicated that a man from the tribe of Judah *was the one who had taken the things*. 17 Then the clans of Judah presented themselves, and Yahweh indicated that someone from the clan of Zerah was the guilty one. Then the families of Zerah's clan presented themselves, and Yahweh indicated that someone from the family of Zabdi *was the guilty one*. 18 Then Joshua told the men from that family to present themselves. And Yahweh indicated that Achan was guilty.

19 Then Joshua said to Achan, "Son, tell the truth [IDM]. Confess to Yahweh, the God whom we Israelis *worship*, *what you have done*. And tell me what you did, and do not try to *conceal anything/prevent me from knowing what you did*."

20 Achan replied, "It is true. I have sinned against Yahweh, the God whom we Israelis *worship*. 21 Among the things *in Jericho* that I saw was a beautiful coat from Babylonia. I also saw 200 pieces of silver and some gold that weighed as much as 50 pieces of silver. I wanted those things very much for myself, so I took them. I buried them all in the ground under my tent. You will find them there. The silver is buried under the other things."

22 So Joshua sent some men *to find those things*. They ran to Achan's tent and found all the things hidden there. 23 The men brought them all out of the tent and took them to Joshua and the rest of the Israeli people. Then they spread/laid them out on the ground, where Yahweh could see them.

24 Then Joshua and the rest of the people led Achan down to the valley. They also took down there the silver, the coat, the gold, Achan's *wife and sons and daughters*, and his cattle and donkeys and sheep, and

his tent, and everything else that he owned. 25 Joshua said, "I do not know why you caused so much trouble for us/You have caused a lot of trouble for us [RHQ], but now Yahweh will cause trouble for you." Then all the people threw stones at Achan and his family until they all died. Then the people burned their corpses.

26 They piled rocks over *the ashes of their corpses*, and those rocks are still there. That is why that valley is called Trouble Valley. After that, Yahweh was no longer angry *with the Israeli people*.

The town of Ai is destroyed

8 Then Yahweh said to Joshua, "Do not be afraid or discouraged *because of what happened* at Ai. Lead all of your soldiers and go there again. I will help you to defeat the king of Ai, his people, and his city, and *enable you to take* his land. 2 Your army will do to the people of Ai and their king like what you did to the people of Jericho and their king. But this time *I will permit* you to take all their possessions and keep them for yourselves. But first, tell some of your soldiers to *hide behind* the city and prepare to suddenly attack it."

3 So Joshua led all his army toward Ai. He chose 30,000 of his best fighters/warriors and prepared to send them out during the night. 4 He said to them, "Listen carefully. Some of you must hide on the other side of the city. Do not go far from the city. Just be ready *to attack*. 5 I and the men who are with me will march toward the city *in the morning*. The men in the city will come out to fight us, like they did before. Then we will turn around and start to run away from them. 6 They will think that we are running away from them like we did before. So they will chase us away from the city. While we are running away, 7 *those of you who are hiding come out* and rush into the city and capture it. Yahweh your God will enable you to conquer it. 8 After you capture the city, burn it. Do what Yahweh has commanded us to do. Those are the orders I am giving to you."

9 Then Joshua *prepared to send* some of them to *hide and wait* between Ai and Bethel, which was west of Ai. But Joshua stayed with his other soldiers that night.

10 Early the next morning, Joshua gathered his soldiers together. Then he and the other Israeli leaders led them up to Ai. 11 They all set up their tents close to Ai, just to the north of the city, where all the people of the city could see them. There was a valley between them and the city. 12 Then Joshua chose about 5,000 men and told them to go and hide just west of the city, between Ai and Bethel. 13 So those men did that. The main group of soldiers was north of the city, and the others were hiding west of the city. That night Joshua went down into the valley.

14 When the king of Ai saw the Israeli army, he and his soldiers got up early the next morning and quickly

went out of the city to fight them. They went to a place east of the city, but they did not know that some Israeli soldiers were hiding behind the city. ¹⁵ Joshua and the Israeli soldiers *who were with him* allowed the army of Ai to push them back. They ran toward the desert. ¹⁶ The men in Ai were ordered to chase after Joshua and his men. So they left the city and started to pursue the Israelis. ¹⁷ All the men of Ai and the men of Bethel pursued the Israeli army. They did not leave even one man in Ai to defend it. The *gates* of the city were left wide open.

¹⁸ Then Yahweh said to Joshua, "*Lift up your spear and point it toward Ai, because I am going to enable your soldiers to capture it!*" So Joshua pointed *his spear* toward Ai. ¹⁹ When the Israeli men who were hiding saw that, they rushed out from the places where they were hiding and ran into the city. They quickly captured it and set it on fire.

²⁰ When the men of Ai looked back, they saw smoke rising from their city. But they could not escape, because the Israeli troops stopped running away.

²¹ Joshua and his men saw that the men who had been hiding had captured the city and were burning it, and they saw the smoke rising. So they turned around and started to attack the men of Ai. ²² Meanwhile, the soldiers who had captured the city came out *and attacked them from the rear*. So the men of Ai were caught between the two groups of Israeli soldiers. None of the men of Ai escaped. The Israelis fought until they killed all of them. Only the king of Ai was still alive. ²³ Then they seized the king of Ai and brought him to Joshua.

A summary of the battle

²⁴ While they were fighting, the Israeli army pursued the men of Ai into the fields and into the desert, and killed all of them. Then they went to Ai and killed everyone who was there. ²⁵ They killed 12,000 men and women. ²⁶ Joshua continued to point his spear [LIT] toward Ai, until all the people in Ai had been killed. ²⁷ The Israeli soldiers took for themselves the animals and the other things that had belonged to the people of Ai, just like Yahweh had told Joshua that they should do.

²⁸ Joshua and his soldiers burned Ai city and caused it to become a pile of ruins. It is still like that today.

²⁹ Joshua hanged the king of Ai on a tree and left his corpse hanging there until the evening. At sunset Joshua told his men to take the king's corpse down from the tree and to throw it on the ground at the city gate. *After they did that*, they piled a lot of rocks on top of the corpse, and that pile of rocks is still there.

Joshua repeated Yahweh's agreement with the Israeli people

³⁰ Joshua *told his men* to build on Ebal Mountain an altar for Yahweh, the God *who is worshiped* by the Is-

raeli people. ³¹ They built it just like Moses, the man who served God *well*, had written previously in the laws *that God had given to him*. They made it from stones that had not been cut using iron tools. The Israelis then offered sacrifices to Yahweh that were burned completely on the altar. They also offered sacrifices to restore fellowship with Yahweh. ³² As the Israelis watched, Joshua wrote on stones the laws that *Yahweh had given to Moses* previously. ³³ The Israeli leaders, the officials, the judges, and other Israelis were there, standing nearby. Many people who were not Israelis were also there. Half of the people stood *on one side of the valley below* Ebal Mountain, and the other half of the people stood *on the other side of the valley below* Gerizim Mountain. The sacred chest was *in the valley* between the two groups. That was what Moses had previously commanded that the people should do when *Yahweh was about to bless* them.

³⁴ Then Joshua read *to the people* all that *Moses had* written previously. That included what Yahweh had taught them and the ways that *he promised to bless* them *if they obeyed his commands*, or to curse them *if they disobeyed them*. ³⁵ All the Israelis gathered together *to listen*—the men, the women, and the children. The *foreigners/people who were not Israelis* who were living among them also listened, while Joshua read all the commands that Moses had written.

The Gibeonites tricked the Israelis

9 There were several kings *who ruled in lands* that are on the west side of the Jordan River. They were the kings of the Heth people-group, the Amor people-group, the Canaan people-group, the Periz people-group, the Hiv people-group, and the Jebus people-group. They lived in the hilly area, in the foothills further west, and *on the plains* along the coast of the Mediterranean Sea. They heard *about what happened at Ai*. ² So they all gathered *their armies* to fight Joshua and the Israeli army.

³ When the people who lived in Gibeon *city* heard that Joshua's army had defeated the people of Jericho and Ai, ⁴ they decided to trick the Israelis. They gathered some old sacks and some old leather wine bags that had been mended after they were cracked, and they put these on the backs of their donkeys. ⁵ They put on old sandals that had been patched, and wore old ragged clothes. And they took along bread that was dry and moldy. ⁶ They traveled to where Joshua *and the other Israelis* had set up their tents near Gilgal. They said to Joshua and the other Israeli leaders, "We have traveled from a distant land. We want you to make a peace agreement with us."

⁷ The Israeli leaders said to those men from *Gilead who were from* the Hiv people-group, "We do not know if you *truly live far from us*. If you live near us, we cannot [RHQ] make a peace agreement with you, because God has commanded us to get rid of the people that are living near us."

⁸ They replied to Joshua, “If you make a peace agreement with us, we will be your servants.”

But Joshua answered, “What people-group are you? Where do you come from?”

⁹ The men from Gibeon answered, “We want to be your servants. We have come here from a distant land, because we have heard about the great things that your god has done. We have heard about everything that he did in Egypt to help you. ¹⁰ We have heard that he enabled you to defeat the armies of two kings of the Amor people-group, on the east side of the Jordan River—Sihon, the king who ruled in Heshbon city, and Og, the king who ruled in Ashtaroth in the Bashan area. ¹¹ So our leaders and the rest of our people said to us, ‘Take some food and go to talk with the Israelis. Tell them, “We want to be your servants. So make a peace agreement with us.”’ ¹² Look at our bread. It was fresh and warm from having been baked on the day that we left our area, but now it is dry and moldy. ¹³ Look at our leather wine bags. They were new when we filled them with wine before we left, but now they are cracked and old. Our clothes and our sandals are worn out from traveling on the long road to come here.”

¹⁴ The Israeli leaders tasted the bread, but they did not ask Yahweh what to do. ¹⁵ So Joshua agreed to make a peace agreement with the men from Gibeon to not kill them. All the Israeli leaders vowed to do what Joshua said in the agreement. Then the men from Gibeon returned home.

¹⁶ Three days later the Israelis found out that the men from Gibeon lived nearby. ¹⁷ So they went to where the men from Gibeon lived. After traveling only three days, they came to their cities: Gibeon, Kephirah, Beeroth, and Kiriath-Jearim. ¹⁸ But the Israelis did not attack the people of those cities, because they had promised to live peacefully with them, and Yahweh had heard them promise to do that.

All the Israeli people grumbled against their leaders for doing that. ¹⁹ But the leaders answered, “We promised to live peacefully with them, and Yahweh, the God whom we Israelis worship, heard us promise to do that. So now we cannot attack [EUP] them.

²⁰ This is what we will do: We will not kill them. If we kill them, God will be very angry with us and punish us because of not doing what we promised to do. ²¹ So we must allow them to live. But they will cut wood for us, and they will carry water for us.” So the Israeli leaders did what they had promised.

²² Then Joshua summoned the men from Gibeon and asked them, “Why did you lie to us? Your land was near to where we had set up our tents, but you told us that you were from a distant land! ²³ So now you will become our slaves. You will always be forced to cut wood and carry water for us Israeli people who worship in the temple of our God.”

²⁴ The men from Gibeon replied, “We lied to you because we were afraid that you would kill us. We heard

that Yahweh, your God, declared to his servant Moses that he would enable you to conquer all the people in this land and to kill all the people who lived in it. ²⁵ So now you can decide what you will do with us. Do what you think is right.”

²⁶ So Joshua saved the lives of the people of Gibeon by not allowing the Israelis to kill them. ²⁷ Instead, he forced them to become the Israelis’ slaves. They cut wood and carried water for the Israelis. They also brought the wood and water that was needed for the sacred altar of Yahweh, to whatever place Yahweh decided that they should build one. And the people of Gibeon are still doing that.

Joshua's army defeated the descendants of Amor when God made the sun stand still

10 Later, Adonizedek, the king of Jerusalem, heard that Joshua's army had captured Ai town and had destroyed everything in the town. He heard that they had done to the people of Ai and to their king the same thing that they had done to the people of Jericho and their king. He also heard that the people of Gibeon city had made a peace treaty with the Israeli people, and that the people of Gibeon were now living near the Israelis and being protected by them. ² Because of that, he and the people whom he ruled became very afraid, because Gibeon was an important city, like the other cities that had kings. And even though Gibeon was a larger city than Ai and all its soldiers were good fighters, they thought Joshua's army might defeat them. ³ So King Adonizedek sent a message to Hosham the king of Hebron city, to Piram the king of Jarmuth city, to Jarmuth the king of Lachish city, and to Debir the king of Eglon city. ⁴ In the message he said, “Please come up with your armies and help me to attack Gibeon, because the people of Gibeon have made a peace treaty with Joshua and the Israelis.”

⁵ So those five kings who ruled all the groups who were descendants of Amor—the kings of Jerusalem, Hebron, Jarmuth, Lachish, and Debir—came up with all of their soldiers and surrounded the city. Then they prepared to attack it.

⁶ So the people of Gibeon sent a message to Joshua while he was in the camp at Gilgal. They said, “We are your servants. So do not forsake us. Come up to us quickly and save us! Help us, because the kings of all of the groups descended from Amor and their armies have joined their forces and have come from the hilly area to attack us!”

⁷ So Joshua and all his army, including the soldiers who were his best fighting men, marched up from Gilgal. ⁸ Then Yahweh said to Joshua, “Do not be afraid of those armies! I will enable your army to defeat them [IDM]. None of them will be able to resist/fight and defeat your army.”

⁹ Joshua's army marched all night and arrived very early in the morning. ¹⁰ They attacked their enemies

before anyone knew that they had come. Yahweh caused their enemies to \diamond become very confused/start running in all directions \diamond when they saw the Israeli army. As a result, the Israeli army defeated them very severely at Gibeon *and killed many of them*. The rest of them fled along the road that goes up to Beth-Horon. But the Israeli army pursued them and killed them all along the road that goes to Azekah and Makkedah towns. ¹¹ As they fled in front of the Israeli army, Yahweh threw down huge hailstones from the sky. As a result, more of them died from hailstones falling on them than died as a result of the Israeli army killing them with swords.

¹² On the day that Yahweh enabled the Israeli army to defeat the groups who were descendants of Amor, Joshua said to Yahweh while the Israeli people were listening, "Yahweh, cause the sun to stand still over Gibeon, and cause the moon to not move when it is over Aijalon Valley." ¹³ And that is what happened. The sun stood still, and the moon did not move, until the Israeli army defeated their enemies. That is what has been written in the book that Jashar wrote. The sun stopped while it was in the middle of the sky, and did not \diamond set/go down \diamond for about a whole day. ¹⁴ On that day Yahweh did a great miracle that someone asked him to do. There was never a day like that previously, and there has never been a day like that since. Yahweh was certainly fighting for the Israeli people!

¹⁵ After Joshua's army defeated their enemies, they all returned to their camp at Gilgal.

Joshua's army defeated the armies of five kings

¹⁶ While the enemy soldiers were fleeing from Joshua's army, their five kings also fled and hid in a cave at Makkedah *town*. ¹⁷ Then someone told Joshua, "We found those five kings, hiding in a cave at Makkedah!" ¹⁸ When Joshua heard that, he said, "Roll some very large rocks to the entrance of the cave so that the kings cannot escape, and leave some soldiers there to guard it. ¹⁹ But do not stay there! Pursue our enemies! Attack them from behind! Do not allow them to escape to their cities, because Yahweh, our God, will enable you to defeat/kill them. [IDM]"

²⁰ So Joshua's army did what he told them to do. They killed almost all of the enemy soldiers, but a few of them were able to reach their cities and be safe inside the walls of the cities. ²¹ Then Joshua's army returned to Joshua, who was still in their camp at Makkedah. No one in the land dared to criticize [MTY] the Israelis.

²² Then Joshua said, "Open the entrance of the cave, and bring out to me those five kings!" ²³ So the soldiers brought those five kings out of the cave—the kings of Jerusalem, Hebron, Jarmuth, Lachish, and Eglon. ²⁴ When they brought those kings to Joshua *and forced them to lie on the ground*, he summoned all the Israeli soldiers, and then he said to the army commanders, "Come here and put your feet on the

necks of these kings!" So the commanders did that.

²⁵ Then Joshua said to them, "Do not be afraid of any of our enemies! Never be discouraged! Be strong and courageous. This is what Yahweh will do to all the enemies you will fight!" ²⁶ Then Joshua killed each of the five kings with his sword, and told his soldiers to hang the bodies of the five kings on trees. So they did that, and they left the bodies hanging on the trees until sunset. ²⁷ At sunset, Joshua told them to take the bodies down from the trees and throw them into the cave where they had been hiding. So the soldiers did that, and then they put those large rocks at the entrance of the cave again. Those rocks are still there.

²⁸ That is how Joshua's army attacked and captured Makkedah. They killed the king and everyone else in the town. They did not leave anyone alive. They did to the king of Makkedah the same thing that they had done to the king of Jericho.

They conquered the southern cities

²⁹ That same day, Joshua and his Israeli army went *southwest* from Makkedah to Libnah *city* and attacked it. ³⁰ Yahweh enabled the Israelis to conquer [MTY] that city and its king. They killed everyone in the city; they did not \diamond spare anyone/allow anyone to remain alive \diamond . They *killed* the king of Libnah just like they had killed the king of Jericho.

³¹ Then Joshua and his army went *south* from Libnah to Lachish *city*. They surrounded the city and attacked it. ³² On the second day of the battle, Yahweh enabled the Israelis to conquer [MTY] the city. And like they had done at Libnah, they killed everyone [DOU] in the city. ³³ King Horam from Gezer *city and his army* came to help *the soldiers of* Lachish, but Joshua's *army* defeated Horam and his army, and did not allow any of them to remain alive.

³⁴ Then Joshua and his army went *west* from Lachish to Eglon *city*. They surrounded the city and attacked it. ³⁵ On that day, they captured the city and killed [MTY] everyone in it [DOU], just like they had done at Lachish.

³⁶ Then Joshua and his army went *west from Eglon up into the hills* to Hebron *city*. They attacked the city ³⁷ and captured it. They killed the king and everyone else, just like they had done at Eglon. They did not allow anyone to remain alive.

³⁸ Then Joshua and his army turned *south* and went to Debir *city* and attacked it. ³⁹ They captured the city and its king, and also captured the nearby towns. Then they killed everyone [DOU]; they did to the people there the same thing that they had done at Hebron and Libnah.

⁴⁰ That is how Joshua *and his army* conquered the entire southern part of Canaan. They defeated the kings *who ruled* the hilly area, the dry southern area, the *western* foothills, and the *eastern* slopes. They killed everyone [DOU] in those areas; they did not allow anyone to remain alive. ⁴¹ Joshua's soldiers cap-

tured all the cities from Kadesh-Barnea *city* in the far south to Gaza *city* near the coast, including all the Goshen area, and north to Gibeon *city*.⁴² At that one time, Joshua's army conquered all the kings and captured all the territory that they *ruled*. They were able to do that because Yahweh, the God whom the Israeli people *worship*, was fighting for them.

⁴³ Then Joshua and his army returned to their camp at Gilgal.

Joshua's army captured towns in the north

11 When King Jabin of Hazor *city* heard about *all those things that had happened*, he sent messages to Jobab, the king of Madon *city*, to the king of Shimron *city*, and to the king of Acshaph *city*, *requesting them to send their armies to come and help him fight against the Israelis*.² He also sent messages to the kings in the northern hilly area and to the kings in the Jordan River Valley, south of Galilee Lake and in the western hills. He sent a message to the king of Naphoth-Dor *in the west*³ and to the kings of the Canaan people-group in the eastern and western parts of the land. He sent messages to the Amor people-group and the Heth people-group and the Periz people-group and the Jebus people-group who lived in the hilly area. He also sent a message to the Hiv people-group who lived below Hermon Mountain in the Mizpah area.⁴ So the armies of all those kings gathered together, bringing their horses and chariots. There *seemed to be* [HYP] as many soldiers as grains of sand on the seashore.⁵ All of those kings *and their armies* gathered together at Merom Pond, *and they set up their tents there*. Then they made plans to fight against the Israelis.

⁶ Then Yahweh said to Joshua, "Do not be afraid of them, because at this time tomorrow I will enable your men to defeat them. Your men must also cripple their horses and burn their chariots."

⁷ So Joshua and his army traveled to Merom Pond and attacked their enemies *by surprise/before they were ready to fight*.⁸ Yahweh enabled the Israelis to defeat them. They pursued them to Sidon *city in the far north*, and to Misrephoth-Maim *in the northwest*, and to Mizpah Valley in the northeast. The Israelis fought them until *they were all dead/there were no survivors*.⁹ Then Joshua and his men did what Yahweh told them to do: They crippled their enemies' horses and burned their chariots.

¹⁰ The king of Hazor had ruled the people of all the kingdoms whose armies had fought against the Israelis. So Joshua's army went back to Hazor and captured that city and killed their king.¹¹ They killed everyone in Hazor; *they did not spare anyone/no one was left alive* [DOU]. Then they burned the city.

¹² Joshua's army captured all of those cities and killed all of their kings. They did that like Moses, the man who served Yahweh *well*, had commanded them to do.¹³ Joshua's men burned Hazor *city*, but they did

not burn any of the other cities that were built on small hills.¹⁴ The Israelis took for themselves the animals that they found in those cities and everything else *that was valuable* [DOU]. But they killed all the people.¹⁵ *Many years before*, Yahweh had told Moses to do that, and then Moses told Joshua to do it. So Joshua did everything that Yahweh had commanded Moses to do.

¹⁶ Joshua's *army* defeated all the people who were living in that land. They took control over the hilly area and the area in the southern part of Canaan, all the area of Goshen, the western foothills, and the Jordan River Valley. They took control over all the mountains in Israel and all the hills near the mountains.¹⁷ They took control of all the land from Halak Mountain *in the south* up to the Seir *hilly area* as far as Baal-Gaal in Lebanon Valley *in the north*, at the bottom of Hermon Mountain. They captured all the kings of those areas and killed them.¹⁸ Joshua's men fought against those groups for many years.¹⁹ There was only one group that made a peace agreement with the Israelis; they were the people of the Hiv people-group who lived in Gibeon. The Israelis captured all the other towns in battles.²⁰ Yahweh caused the people in all those other groups to be stubborn [IDM], with the result that they fought against the Israeli army, and the Israelis killed them all. They were not merciful to any of them. That is what Yahweh had commanded Moses to do.

²¹ Joshua's army also fought the Anak people-group who lived in the hills near Hebron, Debir, and Anah *cities*. They also fought against the people who lived in the hilly area of Judah and Israel, and they killed all of those people and destroyed their cities.²² As a result, there were no descendants of Anak who remained alive in Israel. Only a few remained alive in Gaza, Gath, and Ashdod *cities*.²³ Joshua's army took control of all the land, just as Yahweh *long ago* had told Moses to do. Yahweh gave the land to the Israelis, because he had promised to give it to them. Then Joshua divided the land among the Israeli tribes. After that, there was *peace/no more battles* in the land.

The kings defeated by the Israelis

12 The Israelis took control of the land that was east of the Jordan River, from the Arnon River gorge *in the south* to Hermon Mountain *in the north*, including all the land on the eastern side of the Jordan River Valley. That land previously belonged to the two kings whose armies the Israelis defeated.

² One of them was Sihon, the king of the Amor people-group. He lived in Heshbon *city* and ruled over the area from Aroer *town* along the Arnon River Gorge, north to the Jabbok River. His land started in the middle of the gorge, which was the border between his land and the land of the Ammon people-group. Sihon also ruled over *the southern* half of the Gilead region,³ and over the land on the eastern side of the Jordan River Valley, from Galilee Lake *south* to the Dead Sea.

He also ruled over the land *east of the Dead Sea* from Beth-Jeshimoth south to the side of Pisgah Mountain. ⁴ The other king whom the Israeli army defeated was Og, the king of the Bashan *region*. He was the last of the descendants of *the giant* Rapha. He ruled that land, living alternately in Ashtaroth and Edrei *cities*. ⁵ He ruled over the area from Hermon Mountain and Salecah *in the north*, and over all the Bashan area in the east, and to the borders of the kingdoms of Geshur and Maacah to the west. Og ruled *the northern* half of the Gilead region, as far as the border of the land ruled by King Sihon.

⁶ Moses, the man who served Yahweh *well*, and all the Israeli army defeated the armies of those kings. Then Moses gave that land to the tribes of Reuben and Gad and half of the tribe of Manasseh.

⁷ Joshua and the Israeli army also defeated kings who ruled over the land on the west side of the Jordan *River*. He gave that land to the Israeli people, dividing it among the other tribes. That land was between Baal-Gad *city* in the Lebanon Valley *in the far north all the way south* to Halak Mountain, which is near the land of the Edom people-group. ⁸ That land included the mountains, the western hilly area, the Jordan *River* Valley, the *western* slopes of the mountains, the desert *in Judea*, and the Negev *desert in the south*. That whole area was the land where the Heth, Amor, Canaan, Periz, Hiv, and Jebus people-groups lived. The Israeli army defeated the armies of the kings of each of these cities: ⁹ Jericho, Ai (which was near Bethel), ¹⁰ Jerusalem, Hebron, ¹¹ Jarmuth, Lachish, ¹² Eglon, Gezer, ¹³ Debir, Geder, ¹⁴ Hormah, Arad, ¹⁵ Libnah, Adullam, ¹⁶ Makedah, Bethel, ¹⁷ Tappuah, Hopher, ¹⁸ Aphek, Lasharon, ¹⁹ Madon, Hazor, ²⁰ Shimron Meron, Acshaph, ²¹ Taanach, Megiddo, ²² Kedesh, Jokneam in the Carmel area, ²³ Dor in the Naphoth-Dor area, Goyim in the Gilgal area, ²⁴ and Tirzah. There was a total of 31 kings *that the Israeli army defeated*.

The areas that the Israelis had not yet captured

13 When Joshua was very old, Yahweh said to him, "Joshua, you are now an old man, but there is still a lot of land *for your army* to capture. ² Here is a list of the land that remains: The Geshur region and all the area where the Philistia people-group live; ³ the area where the Canaan people-group live, from the Shihor River *in the south* at the *eastern* border of Egypt, to Ekron *city* in the north; the rulers of the five *cities* of Gaza, Ashdod, Ashkelon, Gath, and Ekron; the area where the Avva people-group live, ⁴ which is south of the area where the Canaan people-group live; ⁵ the area where the Gebal people-group live; and all the Lebanon area east of Baal-Gad *city* at the bottom of Hermon Mountain, as far as Lebo-Hamath.

⁶ All the people of the Sidon people-group live in the hilly area from Lebanon to Misrephoth-Maim, but I will

force them to leave that area before you Israelis arrive there. Be sure to give that area to the Israeli people when you divide the land among them, like I told you to do. ⁷ Divide all that land among the nine Israeli tribes and half of the tribe of Manasseh, *the tribes that do not have land on the east side of the Jordan River.*"

The land east of the Jordan River

⁸ Half of the tribe of Manasseh and the tribes of Reuben and Gad had already been told what land they would receive, because Moses, the man who served Yahweh *well*, had already assigned to them the land on the east side of the Jordan *River*. ⁹ Their land extended from Aroer *town* at the Arnon River gorge to the town in the middle of the gorge. It included the whole plain from Medeba *town south* to Dibon *town*. ¹⁰ All the towns ruled by King Sihon were in that area. The land extended to where the Ammon people-group lived. ¹¹ The Gilead area was also there, and the regions where the people of the Geshur and Maacah people-groups lived, and all of Hermon Mountain and all the Bashan region *south* to Salecah. ¹² All the land ruled by Og, the king who ruled the Bashan *region*, was in that land. Og was one of the last descendants of Repha; previously he had ruled in Ashtaroth and Edrei *cities*, but *the armies of* Moses had defeated their armies and had taken their land from them. ¹³ But the Israelis did not force the people of the Geshur and Maacah *people-groups* to leave their land, so they still live among the Israeli people.

¹⁴ The tribe of Levi was the only tribe that did not get any land. Instead, just like Yahweh promised, they continued to receive *food from* the sacrifices that were given to Yahweh, the God whom the Israelis *worship*, the sacrifices that were burned *on the sacred altar*.

¹⁵ Moses had allotted land to each clan in the tribe of Reuben. ¹⁶ Their land extended from Aroer *town* near the Arnon River gorge to Medeba *town*. That included all of the plain *that is near Medeba* and the town in the middle of the gorge. ¹⁷ It also included Heshbon *city* and all the nearby towns on the plain—Dibon, Bamioth-Baal, Beth-Baal-Meon, ¹⁸ Jahaz, Kedemoth, Mephaath, ¹⁹ Kiriathaim, Sibmah, Zereth-Shahar on the hill overlooking the valley, ²⁰ Beth-Peor, the hills in the Pisgah area, and Beth-Jeshimoth. ²¹ That land included all the towns on the plain and all the area that King Sihon had previously ruled. But *the army of* Moses had defeated him and the rulers of the Midian people-group: Evi, Rekem, Zur, Hur, and Reba. The armies of all those rulers fought battles along with the army of Sihon, and they lived in that country. ²² The Israeli army killed many people during those battles, including Balaam, *the prophet* from Beor, who tried to use magic to predict/tell what would happen in the future. ²³ The *western* boundary of the land that was allotted to the clans of the tribe of Reuben was the Jordan *River*.

²⁴ Moses also allotted some land to each clan in the tribe of Gad. ²⁵ Their land included the Jazer *area* and all the towns of the Gilead *area*; half of the land where the Ammon people-group lived, as far as Aroer *town which is* near Rabbah *town*; ²⁶ the area from Heshbon *city* to Ramath-Mizpah and Betonim *towns*; *the area* from Mahanaim *town* to the Debir region; ²⁷ Beth-Haram, Beth-Nimrah, Succoth, and Zaphon *cities* in the valley; and the other area that King Sihon had ruled on the east side of the Jordan River. That area extended *north* to the southern end of Galilee Lake. ²⁸ All this land, including the towns and villages, was allotted to the tribe of Gad.

²⁹ Moses also had allotted some of the land *on the east side of the Jordan River* to half of the tribe of Manasseh. ³⁰ Their land extended *north* from Mahanaim *city*. It included all the Bashan region, all the land that King Og had ruled, and all the towns in the Jair area in Bashan. Altogether that area included 60 towns. ³¹ Their area also included half of the Gilead region, and the cities of Ashtaroth and Edrei where King Og had ruled. All that area was allotted to the clans descended from Manasseh's son Makir.

³² Moses had allotted to those tribes the land that was on the plain of the Moab *region*, on the east side of the Jordan *River*, across from Jericho. ³³ But Moses did not allot any land to the tribe of Levi because Yahweh, the God whom we Israelis worship, promised that he himself would always provide for them.

The land west of the Jordan River

14 Eleazar the Supreme Priest, Joshua, and the leaders of the *twelve* tribes repeated what land would be allotted to each of the Israeli tribes in Canaan. ²⁻⁵ Yahweh had told Moses many years previously in what way he wanted the division of the land to be decided. Moses had already declared that two and a half tribes would be allotted land on the east side of the Jordan *River*. Joseph had two sons, Manasseh and Ephraim. *Half of the tribe descended from Manasseh was allotted land on the east side of the Jordan, along with the tribes of Reuben and Gad.* The people belonging to the nine and a half other tribes *on the west side of the Jordan River* threw *lots/* stones that had been marked *to* decide which land each tribe would receive. The tribe of Levi was not allotted any land. They received only towns *that already existed*, towns in which to live, and *pastures/fields* of grass *for* their animals.

Land for Caleb

⁶ One day some men from the tribe of Judah went to Joshua while he and all the Israelis were at Gilgal. Among those men was Jephunneh's son Caleb. He said to Joshua, *"I am sure that you remember what Yahweh said to the prophet Moses about you and me when we were at Kadesh-Barnea.* ⁷ I was 40 years old at that

time. Moses sent me *and you and some other men* to explore this land. When we returned, I gave to Moses a true report [IDM] about what we had seen. ⁸ The other men who went with us *gave a report that* caused the people to be afraid [IDM]. But I fully/completely believed that Yahweh *would enable us to take the land from the people who lived there.* ⁹ So on that day, Moses solemnly promised me, *'Some of the land on which you walked will become yours. It will belong to your descendants forever. I am giving it to you because you fully trusted in Yahweh, my God.'*

¹⁰ Now Yahweh has done for me what he promised. Forty-five years have passed since Moses said that to me during the time that we were wandering around in the desert. And just like Yahweh promised, he has kept me alive and well all during that time. Now I am eighty-five years old. ¹¹ I am as strong today as I was on the day that Moses sent me *to explore this land.* I am as ready to fight now as I was then. ¹² So please give me the hilly area that Yahweh promised to give to me at that time long ago. At that time, you heard *me say* that the Amalek people-group lived there. You heard me say that their cities were large, and they had walls around them *to protect them from attacks by their enemies.* But now, Yahweh will help me, and as a result I will force them to leave, just like Yahweh said would happen."

¹³ So Joshua *asked God to* bless Caleb, and he gave to Caleb *the city of* Hebron. ¹⁴⁻¹⁵ Previously that city was called Kiriath-Arba, because Arba was the greatest man among the Amalek people-group. Hebron still belongs to the descendants of Caleb, because Caleb completely/fully trusted in Yahweh, the God whom we Israelis *worship*, and obeyed him.

After that happened, there was *peace/no battles* *in Canaan land for many years.*

Land for the tribe of Judah

15 The land that was allotted to the tribe of Judah was divided among its clans. That land extended south along the border of the Edom region, as far as the Zin Desert, .

² The southern border of the land that was allotted to the tribe of Judah started at the south end of the Dead Sea *and extended west.* ³ It extended south of Scorpion Pass to Zin *Desert*, and from there west to a place south of Kadesh-Barnea, past Hezron *town*, to Addar *town*, and from there it turned *northwest* to Karka *town.* ⁴ From there it continued to Azmon, and from there to the dry riverbed on the border of Egypt, and from there *west to the Mediterranean Sea.* That was the southern border.

⁵ The eastern border of the land of the tribe of Judah was the Dead Sea, and it extended *north* to *where the Jordan River ends at the Dead Sea.*

⁶ The northern border started where the Jordan River ends at the Dead Sea. It extended *north* to

Beth-Hoglah town, and from there it extended north of Beth-Arabah town to the *big stone set up by Reuben's son Bohan*.⁷ From there the border continued west through Achor Valley to Debir city. From there it turned north to Gilgal city. Gilgal is north of the road that goes through Adummim Pass, on the south side of the valley. From Gilgal the border extended west to the springs at En-Shemesh, and from there to En-Rogel.⁸ From there it extended through Ben-Hinnom Valley, south of the city where the Jebus people-group lived. (That city is now named Jerusalem.) From there the border extended to the top of the hill on the west side of Hinnom Valley, at the northern end of the valley where the Repha giants lived.⁹ From there the border extended *northwest* to Nephtoah Spring, and from there to the cities near Ephron Mountain. From there the border extended *west* toward Baalah, which is now named Kiriath-Jearim.¹⁰ Then the border extended further west to Seir Mountain. Then it continued *southwest* along the north side of Jearim Mountain, which is also named Kesalon, to Beth-Shemesh city. From there it extended *northwest* past Timnah city,¹¹ to the hill north of Ekron city. From there it extended *west* to Shikkeron town and past Baalah Mountain to Jabneel town, then *northwest* to the Mediterranean Sea.

¹² The western border of the land that was allotted to the tribe of Judah was the Mediterranean Sea. All the clans of Judah lived inside those borders.

¹³ Yahweh commanded Joshua to give part of the land for the tribe of Judah to Caleb. So he gave to Caleb Kiriath-Arba city, which is now named Hebron. (Arba was the ancestor of the Anak people-group.)

¹⁴ Caleb forced the three clans of the Anak people-group to leave Hebron. Those were the Sheshai, Ahiman, and Talmai clans.¹⁵ Then Caleb left there and went to fight against the people living in Debir city, which was previously named Kiriath-Sepher.¹⁶ Caleb said, "If someone attacks *the people in Kiriath-Sepher* and captures their city, I will give my daughter Acsah to him to be his wife."¹⁷ Othniel, the son of Caleb's brother Kenaz, captured the city. So Caleb gave his daughter to him.

¹⁸ When Caleb's daughter married Othniel, she told him to ask her father to give her a field. Then Acsah went to talk with her father Caleb. As she got down from her donkey, Caleb asked her, "Do you want something?"

¹⁹ Acsah replied, "Yes, I want you to do something for me. You have given me some land in the southern part of Canaan, *but there is no water there*. So please give me some *land that has springs*." So Caleb gave her the upper and lower springs *near Hebron*.

²⁰ *Here is a list of the towns in the land that God had promised to give to the tribe of Judah*. Each clan was allotted some of the land.

²¹ The tribe of Judah was allotted all these towns in the southern *desert area of Canaan*, near the border of the Edom region:

Kabzeel, Eder, Jagur,²² Kinah, Dimonah, Adadah,²³ Kedesh, Hazor, Ithnan,²⁴ Ziph, Telem, Bealoth,²⁵ Hazor-Hadattah, Keriath-Hezron (which is also named Hazor),²⁶ Amam, Shema, Molodah,²⁷ Hazar-Gaddah, Heshmon, Beth-Pelet,²⁸ Hazar-Shual, Beersheba, Biziothiah,²⁹ Baalah, Iim, Ezem,³⁰ Eltolad, Kesil, Hormah,³¹ Ziklag, Madmannah, Sansannah,³² Lebaath, Shilhim, Ain, and Rimmon. There were 29 towns altogether and their surrounding villages.

³³ The tribe of Judah was allotted these towns in the *northern part of the western foothills*: Eshtaol, Zorah, Ashnah,

³⁴ Zanoah, En-Gannim, Tappuah, Enam,³⁵ Jar-muth, Adullam, Socoh, Azekah,³⁶ Shaaraim, Adithaim, and Gederah (which is also named Gederothaim). Altogether there were 14 towns and their surrounding villages.

³⁷ The tribe of Judah was also *allotted these towns in the southern part of the western foothills*: Zenan, Hadashah, Migdal-Gad,³⁸ Dilean, Mizpah, Joktheel,³⁹ Lachish, Bozkath, Eglon,⁴⁰ Cabbon, Lahmas, Kitlish,⁴¹ Gederoth, Beth-Dagon, Naamah, and Makkedah.

There were 16 towns altogether and their surrounding villages.

⁴² The tribe of Judah was also allotted these towns in *the central part of the western foothills*: Libnah, Ether, Ashan,⁴³ Iphtah, Ashnah, Nezib,⁴⁴ Keilah, Aczib, and Mareshah. There were nine towns altogether, with their surrounding villages.

⁴⁵⁻⁴⁷ The tribe of Judah was also allotted these towns *close to the Mediterranean Sea* with their surrounding villages: Ekron and the towns between Ekron and the coast, Ashdod, and Gaza. The area extended south to the dry riverbed on the border of Egypt.

⁴⁸ The tribe of Judah was also allotted these towns in *the southwest part of the hilly region*: Shamir, Jattir, Socoh,⁴⁹ Dannah, Kiriath-Sannah (which is now named Debir),⁵⁰ Anab, Esstemoh, Anim,⁵¹ Goshen, Holon, and Giloh. There were eleven towns with their surrounding villages.

⁵² The tribe of Judah was also allotted these towns in *the south-central part of the hilly region*: Arab, Dumah, Eshan,⁵³ Janim, Beth-Tappuah, Aphekah,⁵⁴ Humtah, Kiriath-Arba (which is now named Hebron), and Zior. There were nine towns altogether with their surrounding villages.

⁵⁵ The tribe of Judah was also allotted these towns in *the southeastern part of the hilly region*: Maon, Carmel, Ziph, Juttah,⁵⁶ Jezreel, Jokdeam, Zanoah,⁵⁷ Kain, Gibeah, and Timnah. There were ten towns altogether with their surrounding villages.

⁵⁸ The tribe of Judah was also allotted these towns *in the central part of the hilly region*: Halhul, Beth-Zur, Gedor, ⁵⁹ Maarath, Beth-Anoth, and Eltekon. There were six towns altogether with their surrounding villages.

⁶⁰ The tribe of Judah was also allotted two towns *in the northern part of the hilly region*, Rabbah and Kiriath-Baal (which is also named Kiriath-Jearim).

⁶¹ The tribe of Judah was also *allotted these towns in the desert near the Dead Sea*: Beth-Arabah, Mid-din, Secacah, ⁶² Nibshan, Salt city, and En-Gedi. There were six towns altogether with their surrounding villages.

⁶³ *The army of the tribe of Judah* was not able to force the people of the Jebus people-group to leave Jerusalem. So the people of that group are still living among the tribe of Judah.

Land for the tribes of Ephraim and Manasseh

16 The land that was allotted to the *two tribes of Ephraim and Manasseh that were descended from Joseph* started at the *Jordan River*, east of the springs at Jericho. ² It extended west from Jericho to the hilly area near Bethel, which is also called Luz. It extended as far as Ataroth, at the border of the land where the Arki people-group lived. ³ From there it extended west to the border of the land where the Japhleti people-group lived, and then it extended west to the area near Lower Beth-Horon. From there it extended west to Gezer *city* and from there *to the Mediterranean Sea*.

⁴ That is the land that the tribes of Ephraim and Manasseh were allotted.

⁵ The border of the land that was allotted to the clans of the tribe of Ephraim started at Ataroth-Addar *city* in the east. It extended to Upper Beth-Horon ⁶ and from there to the *Mediterranean Sea*. ⁷ From Michmethath *on the north* it extended east to Taanath and from there on to Janoah. From there it extended *south* to Ataroth *city* and to Naarah *town*. From there it extended to Jericho and from there to the *Jordan River*. ⁸ The *northern* border extended from Tappuah west to Kanah Ravine, and ended at the *Mediterranean Sea*. That was the land that was allotted to the tribe of Ephraim. ⁹ Many of those towns were really within the area allotted to the tribe of Manasseh.

¹⁰ The people of the tribe of Ephraim could not force the Canaan people-group to leave Gezer, so the Canaan people-group still live among the people of the tribe of Ephraim, but the Israelis forced the people of the Canaan people-group to become their slaves.

17 *This is a list of the land that was allotted to the tribe of Manasseh*. Manasseh's oldest son was Makir and his grandson was Gilead. Makir's descendants were great warriors, so the lands in the Gilead and Bashan regions were allotted to their clan. ² Land was also allotted to the other clans of the tribe of

Manasseh: The clans of Abiezer, Helek, Asriel, Shechem, Hephher, and Shemida.

³ Hephher's son Zelophehad had no sons, but he had five daughters: Mahlah, Noah, Hoglah, Milcah, and Tirzah. ⁴ They went to Eleazar the Supreme Priest, and to Joshua and to the other Israeli leaders. They said, "*We want you to give us some land, because Yahweh told Moses that he should give to us some land, just like you gave to the men.*" So Eleazar did what Yahweh had commanded, and he allotted to them some land, just like he allotted to their uncles. ⁵ So the tribe of Manasseh eventually had ten sections of *land west of the Jordan River* and *two sections, Gilead and Bashan, on the east side of the Jordan River*. ⁶ So those female descendants of Manasseh also were allotted land *on the west side of the river* just like the men were allotted. The other parts of the Gilead area were allotted to the male descendants of Manasseh.

⁷ The land allotted to the tribe of Manasseh was between the land where the tribe of Asher lives and Michmethath *town*, near Shechem *city*. The border extended south to the Tappuah Spring. ⁸ The land near the Tappuah area belonged to the tribe of Manasseh, but the town of Tappuah, which was at the border of the land that was allotted to the tribe of Manasseh, was allotted to the tribe of Ephraim. ⁹ The border *of the land allotted to the tribe of Manasseh* extended south to Kanah Gorge. From there it extended *west* along the north side of the gorge and ended at the *Mediterranean Sea*. ¹⁰ The land on the south side of the gorge belonged to the tribe of Ephraim, and the land on the north side belonged to the tribe of Manasseh. The western border of the land allotted to the tribe of Manasseh was the *Mediterranean Sea*. To the north, the border of their land extended from the land allotted to the tribe of Asher *at the northwest* to the land allotted to the tribe of Issachar *at the northeast*.

¹¹ But there are cities inside the area allotted to the tribes of Issachar and Asher. Those cities, along with their surrounding villages, were allotted to people from the tribe of Manasseh. These cities are Beth-Shan, Ibleam, Dor (which is also named Naphoth-Dor,) Endor, Taanach, and Megiddo.

¹² The men of the tribe of Manasseh were not able to force the people who lived in those cities to leave, so the people of the Canaan people-group continued to live in those cities. ¹³ But *years later* when the Israelis became better *warriors*, they forced the Canaan people-group to work for them as slaves, although they did not force them to leave the land.

¹⁴ The people of the tribes of Ephraim and Manasseh said to Joshua, "You allotted to us only one area of land, but there are a lot of us. Yahweh has blessed us very much *with the result that our tribe has grown very large*. So why did you give us only a small part of the land [RHQ]?"

¹⁵ Joshua replied to them, *"I agree that you do not have enough land in the hilly area of the tribe of Ephraim. So, since you have a lot of people, I will allot more land to you, in the hilly region. But you will have to cut down the trees in the forest and make a place for yourselves in the land where the Periz and Repha people-groups live."*

¹⁶ The people of the tribes of Ephraim and Manasseh replied, *"It is true that the land in the hilly area is not big enough for us, but the Canaan people-group who live in the lowlands, in Beth-Shan and the surrounding villages in that area, and in the Jezreel Valley, have iron chariots, so we will not be able to defeat them!"*

¹⁷ Joshua replied to them, *"Your tribe is very numerous and very powerful. So I will allot more land for you in the hilly area, ¹⁸ but you will have to cut down the trees in order to make a place for you to live. It is true that the Canaan people-group are strong and have iron chariots, but you will be able to force them to leave that valley."*

The rest of the land was allotted

18 ¹⁻² The Israeli people captured all the land *that they were able to*, but there were still seven tribes that had not been allotted any land. The Israeli people all gathered at Shiloh, and they set up the Sacred Tent there. ³ Joshua said to them, *"Why are you waiting a long time to take control of the rest of the land that Yahweh, the God whom your ancestors worshiped, has promised to give to you [RHQ]?"*

⁴ Choose three men from each of your seven tribes. Then I will send them to explore the parts of the land *which you have not occupied yet. When they finish exploring it, they must write a report, in which they will* ♦make a map/show the boundaries♦ *of the land that each tribe wants to receive.* ⁵ They will divide the remaining land into seven parts. The tribe of Judah will keep its land in the south, and the tribes of Ephraim and Manasseh will keep their land in the north. ⁶ But in their report, the men from the seven tribes should describe the seven parts of the remaining land *that they wish to receive*, and bring the report to me. While Yahweh is watching, I will ♦cast lots/throw marked stones♦ *to decide which land should be allotted to each tribe.* ⁷ But the tribe of Levi will not be allotted any land, because their *reward is that they will be Yahweh's priests.* The tribes of Gad, Reuben, and half the tribe of Manasseh have already been allotted their land on the east side of the Jordan River, just as Moses, the man who served God well, decided, *so they will not get any more land."*

⁸ When the men who were chosen *got ready to leave*, Joshua told them, *"Go and explore the land. Then write a report of what you have seen, and bring it back to me. Then while Yahweh is watching, I will* ♦cast lots/throw marked stones♦ *here at Shiloh, to determine what area each tribe will receive."* ⁹ So the

men left and walked through the area. Then they described in a scroll each town that was in the seven parts *into which they had divided* the land. Then they returned to Joshua, who was still at Shiloh. ¹⁰ *After Joshua read their report, while Yahweh was watching, he* ♦cast lots/throw marked stones♦ *to choose which land would be allotted to each of the seven Israeli tribes.*

The land for the tribe of Benjamin

¹¹ The first tribe that was allotted land was the tribe of Benjamin. Each clan in that tribe was allotted some of the land that was between the area that was allotted to the tribe of Judah and the area that was allotted to the tribes of Ephraim and Manasseh.

¹² The northern border started at the Jordan River and extended west along the northern side of Jericho, into the hilly area. From there the border extended west to the desert near Beth-Aven town.

¹³ From there it extended southwest to Luz (which is *now named* Bethel). From there it extended southwest to Ataroth-Addar town, which is on the hill south of Lower Beth-Horon city.

¹⁴ At the hill south of Beth-Horon, the border turned and extended south to Kiriath-Baal town, which is *also named* Kiriath-Jearim. That is a town where people of the tribe of Judah live. That was the western border of the land allotted to the tribe of Benjamin.

¹⁵ The southern border of their land started near Kiriath-Jearim and extended west to Nephtoah Springs. ¹⁶ From there it extended south to the bottom of the hill, near Ben-Hinnom Valley, on the north side of Repha Valley. The border extended south along the Hinnom Valley, south of the city where the Jebus people-group lived, to En-Rogel.

¹⁷ From there the border extended west to En-Shemesh, and continued to Gelliloth near Adummim Pass. Then it extended to the great stone of Reuben's son Bohan. ¹⁸ From there the border extended to the northern edge of Beth-Arabah town and down into the Jordan River Valley. ¹⁹ From there it extended east to the northern edge of Beth-Hoglah town and ended at the north end of the Dead Sea, where the Jordan River flows into the Dead Sea. That was the southern boundary of the land allotted to the tribe of Benjamin.

²⁰ The Jordan River was the eastern boundary of the land allotted to the tribe of Benjamin. Those were the boundaries of the land allotted to them.

²¹ The cities in the land allotted to the tribe of Benjamin were Jericho, Beth-Hoglah, Emek-Keziz, ²² Beth-Arabah, Zemaraim, Bethel, ²³ Avvim, Parah, Ophrah, ²⁴ Kephrah-Ammoni, Ophni, and Geba. Altogether there were fourteen towns and the surrounding villages.

²⁵ The tribe of Benjamin also had the towns of Gibeon, Ramah, Beeroth, ²⁶ Mizpah, Kephirah,

Mozah, ²⁷ Rekem, Irpeel, Taralah, ²⁸ Zelah, Haeleph, the city where the Jebus people-group lived (which is *now named* Jerusalem), Gibeah, and Kiriath. Altogether there were 14 towns and the surrounding villages. All that area was allotted to the clans of the tribe of Benjamin.

Land for the tribe of Simeon

19 The second/next tribe that was allotted land was the tribe of Simeon. Each clan in that tribe was allotted some land that was inside the area that had been allotted to the tribe of Judah.

² Their land included the towns of Beersheba (*which is also named* Sheba), Moladah, ³ Hazar-Shual, Balah, Ezem, ⁴ Eltolad, Bethul, Hormah, ⁵ Ziklag, Beth-Marcaboth. Hazar-Susah, ⁶ Beth-Lebaoth, and Sharuhem. Altogether there were 13 towns and the surrounding villages.

⁷ The land allotted to them also included the four cities of Ain, Rimmon, Ether, and Ashan, and their surrounding villages. ⁸ They were also allotted some very small villages in an area that extended south to Baalath-Beer (*which is also named* Ramah, in the southern desert). That was the land allotted to the clans of the tribe of Simeon.

⁹ The tribe of Judah had been allotted much more land than they needed, so part of their land was given to the tribe of Simeon.

Land for the tribe of Zebulun

10 The third/next tribe that was allotted land was the tribe of Zebulun. Each clan of that tribe was allotted some of the land.

The southern border started at Sarid *city*. ¹¹ It extended west to Maralah *city* and on to Dabbesheth *city*, and on to the brook just north of Jokneam *city*. ¹² The border extended east from Sarid to the area near Kisloth-Tabor *city* and on to Daberath *town* and on to Japhia *town*. ¹³ From there it extended east to Gath-Hepher *city* and Eth-Kazin *town*, and north to Rimmon *city*. From there the border extended west to Neah *town*. ¹⁴ From Neah it extended south to Hannathon *city* and from there to Iph-tah-El Valley. ¹⁵ Their area included the towns of Kattath, Nahalal, Shimron, Idalah, and Bethlehem. Altogether there were twelve towns and the surrounding villages.

¹⁶ That was the land that was allotted to the clans of the tribe of Zebulun.

Land for the tribe of Issachar

17 The fourth/next tribe that was allotted land was the tribe of Issachar. Each of the clans of that tribe was allotted some of the land. ¹⁸ Their land included the cities of Jezreel, Kesulloth, Shunem, ¹⁹ Hapharaim, Shion, Anaharath, ²⁰ Rabbith, Kishion, Ebez, ²¹ Remeth, En-Gannim, En-Haddah, and Beth-Pazzez. ²² The bor-

der of the area that was allotted to the tribe of Issachar was close to Tabor, Shahazumah, and Beth-Shemesh *cities*, and ended *in the east* at the Jordan River. Altogether there were 16 cities and the surrounding villages.

²³ Those cities and villages were in the land allotted to the clans of the tribe of Issachar.

Land for the tribe of Asher

24 The fifth/next tribe that was allotted land was the tribe of Asher. Each of the clans in that tribe was allotted some of the land.

²⁵ Their land included the towns of Helkath, Hali, Beten, Acshaph, ²⁶ Allammelech, Amad, and Mishal. The western border started at Carmel *Mountain* and Shihor-Libnath. ²⁷ From there it extended southeast to Beth-Dagon *town*, and then to the area that was allotted to the tribe of Zebulun and Iph-tah-El Valley. From there the border extended east and then north to Beth-Emek *town* and Neiel and Cabul *towns*. ²⁸ From there it extended west to Abdon, Rehob, Hammon, and Kanah *cities*, and continued to Sidon, which is a big city. ²⁹ From there the border extended south toward Ramah and to the big city of Tyre that had strong walls around it. From there the border extended west to Hosah *town* and ended at the *Mediterranean Sea*. Within their area were the towns of Aczib, ³⁰ Ummah, Aphek, and Rehob. Altogether there were 22 towns and their surrounding villages.

³¹ Those cities and villages were within the land that was allotted to the clans of the tribe of Asher.

Land for the tribe of Naphtali

32 The sixth/next tribe that was allotted land was the tribe of Naphtali. Each of the clans in that tribe was allotted some of the land.

³³ The border of their land started *in the west* at the huge oak tree at Zaanannim, near Heleph *town*. It extended east through Adami-Nekeb *city* and Jabneel, and then to Lakkum, and ended at the Jordan River. ³⁴ The western boundary extended through Aznoth-Tabor as far as Hukkok *city*. It extended to the borders of the tribe of Zebulun at the south, to the border of the tribe of Asher on the west, and the Jordan River at the east. ³⁵ Within their land were several cities with strong walls around them. They were Ziddim, Zer, Hammath, Rakkath, Kin-nereth, ³⁶ Adamah, Ramah, Hazor, ³⁷ Kedesh, Edrei, En-Hazor, ³⁸ Iron, Migdal-El, Horem, Beth-Anath, and Beth-Shemesh. Altogether there were 19 cities and the surrounding villages.

³⁹ Those cities and surrounding villages were in the land that was allotted to the clans of the tribe of Naphtali.

Land for the tribe of Dan

⁴⁰ The seventh/last tribe that was allotted land was the tribe of Dan. Each of the clans in that tribe was allotted some of the land. ⁴¹ Their land included the towns of Zorah, Eshtaol, Ir-Shemesh, ⁴² Shaalabbin, Aijalon, Ithlah, ⁴³ Elon, Timnah, Ekron, ⁴⁴ Eltekeh, Gibbethon, Baalath, ⁴⁵ Jehud, Bene-Berak, Gath-Rimmon, ⁴⁶ Me-Jarkon, Rakkon, and the area near Joppa.

⁴⁷ But the people of the tribe of Dan were unable to take control of the land that had been allotted to them. So they went *northeast* and fought against the people in Leshem *city*. They defeated and killed all the people who lived there. Then they began to live in Leshem, and changed the name of the city to Dan, the man from whom their tribe descended.

⁴⁸ All of those towns and surrounding villages were in the land that was allotted to the clans in the tribe of Dan.

Land for Joshua

⁴⁹ After the Israeli leaders divided the land among the tribes, they allotted some land to Joshua. ⁵⁰ They allotted to him Timnath-Serah. Yahweh had said that he could have whatever city he wanted, and that was the city that he chose. It was in the hilly region which was allotted to the tribe of Ephraim. Joshua rebuilt the city and lived there.

⁵¹ Those were the areas that were allotted to the various tribes of Israel. Eleazar the Supreme Priest and Joshua and the leaders of each tribe divided up the land while they were all at Shiloh, by *casting lots/throwing marked stones* *to decide which area each tribe would receive*. They did that while Yahweh was watching, at the entrance of the Sacred Tent. In that way they completed dividing up the land.

Cities of refuge

20 Then Yahweh said to Joshua, ² "Tell the Israeli people that they should choose some cities to which people *can run* in order to be safe/protected, like I told Moses that they should do. ³ If someone kills another person accidentally, not intending to kill that person, the one who killed that person may run/escape to one of these cities and be safe/protected from someone trying to get revenge for that person's death [MTY].

⁴ When the one who killed someone arrives at the gate of one of those cities, he must stop there and tell the leaders of the city what happened. *If they believe him*, they must allow him to enter the city, and they must give him a place to live among them. ⁵ If some relative of the one who was killed comes to that city to get revenge, the leaders of that city must not allow the relative to take the killer, because what happened was accidental. He did not hate that person and as a result deliberately kill him. ⁶ But the person who killed some-

one else must stay in that city until the city judges put him on trial. *Only if the judges decide that the person who has run/escaped to their city did not deliberately kill the other person will they allow him to stay in that city*, and he must stay there until the Supreme Priest dies. Then he may safely go back to his own town, *because the death of the Supreme Priest will be considered to atone/pay for the death of the person who was killed.*"

⁷ So the Israelis chose these cities to be cities to which people could run to be safe/protected: Kedesh in the Galilee district in the hilly area where the tribe of Naphtali lived; Shechem in the hilly area where the tribe of Ephraim lived; Kiriath-Arba (which is *now named* Hebron) in the hilly area where the tribe of Judah lived; ⁸ Bezer, on the east side of the Jordan River near Jericho, in the flat land in the desert where the tribe of Reuben lived; Ramoth in the Gilead region in the land where the tribe of Gad lived; and Golan in the Bashan region where the tribe of Manasseh lived.

⁹ Any Israeli or any foreigner who lived among us, anyone who killed someone *accidentally/without planning to do it*, was allowed to run to one of those cities, and be safe/protected from some relative of the person who died coming there and killing him to get revenge. He could stay in that city until there was a trial there *to decide whether he was telling the truth or not when he said that he did not plan to kill that person*.

Towns for the Levites

21 ¹⁻² While Eleazar the Supreme Priest and Joshua and the leaders of all the Israeli tribes were at Shiloh, the leaders of the clans of the tribe of Levi went to them and said, "Yahweh commanded Moses that you should give us towns where we can have pasture/fields/grassland for our animals, *but you have not done these things yet.*" ³ So the Israeli leaders obeyed this command from Yahweh. They agreed to give towns and pasturelands to the tribe of Levi.

⁴ *First* they allotted some cities to the Kohath clans, who belonged to the tribe of Levi. To those who were descendants of the first Supreme Priest Aaron, they allotted 13 towns in the areas that had been allotted to the tribes of Judah, Simeon, and Benjamin. ⁵ To the other members of the Kohath clan they allotted ten cities in the areas that had been allotted to the tribes of Ephraim, Dan, and the part of the tribe of Manasseh *that lives on the west side of the Jordan River*.

⁶ The people from the Gershon clans were allotted 13 cities in the areas that had been allotted to the tribes of Issachar, Asher, Naphtali, and the part of the tribe of Manasseh that lives on the east side of the Jordan River.

⁷ The people from the Merari clans were allotted twelve cities in the areas that had been allotted to the tribes of Reuben, Gad, and Zebulun.

⁸ So the Israeli leaders gave cities and pastureland to the tribe of Levi, just as Yahweh had commanded Moses that they should do.

⁹ These are the names of the cities and surrounding pasturelands that were allotted to them, that were in the areas where the tribes of Judah and Simeon lived.

¹⁰ First, they allotted cities to the members of the Kohath clans.

¹¹ They allotted to them Kiriath-Arba (which is *now named* Hebron), in the hilly area of Judah. Arba received its name because Arba was the ancestor of *the giants* of the Anak people-group. ¹² But the fields and villages surrounding Arba had already been allotted to Caleb.

¹³ They allotted to them Hebron, which was one of the cities to which people could run/escape to be safe/protected. They also allotted to the Kohath clan the cities of Libnah, ¹⁴ Jattir, Eshtemoa, ¹⁵ Holon, Debir, ¹⁶ Ain, Juttah, and Beth-Shemesh. Altogether they were allotted those nine cities which were located in the areas that had been allotted to the tribes of Judah and Simeon.

¹⁷ The Kohath clan was also allotted these four cities: Gibeon, Geba, ¹⁸ Anathoth, and Almon. Those cities were in the area that had been allotted to the tribe of Benjamin.

¹⁹ Altogether those 13 towns and surrounding pastureland were allotted to the priests who were descended from Aaron.

²⁰ The other members the Kohath clan were allotted four cities and the surrounding pastureland in the area that had been allotted to the tribe of Ephraim.

²¹ Those cities were Shechem (which was one of the cities to which people could run/escape to be safe/protected), Gezer, ²² Kibzaim, and Beth-Horon.

²³ They were also allotted four cities and surrounding pastureland in the area that had been allotted to the tribe of Dan. Those cities were Eltekeh, Gibbethon, ²⁴ Aijalon, and Gath-Rimmon.

²⁵ They were also allotted two towns and surrounding pastureland that had been allotted to the part of the tribe of Manasseh *that lived on the west side of the Jordan River*. Those cities were Taanach and Gath-Rimmon.

²⁶ Those were the ten cities and surrounding pastureland that were allotted to the other members of the Kohath clan.

²⁷ They also allotted towns and the surrounding pastureland to the Gershon clans. Those clans were also descended from Levi.

They were allotted two cities from the area that had been allotted to the tribe of Manasseh *that is on the east side of the Jordan River*. Those cities were Golan in the Bashan region, which was one of the cities to which people could run/escape to be safe/protected, and Be-Esharah.

²⁸ From the area that had been allotted to the tribe of Issachar they were allotted four cities.

Those cities were Kishion, Daberath, ²⁹ Jarmuth, and En-Gannim.

³⁰ From the area that had been allotted to the tribe of Asher they were allotted four cities. Those cities were Mishal, Abdon, ³¹ Helkath, and Rehob.

³² From the area that had been allotted to the tribe of Naphtali they were allotted three cities. Those cities were Kedesh in the Galilee region (it was one of the cities to which people could run/escape to be safe/protected,) Hammoth-Dor, and Kartan.

³³ So altogether the Gershon clans were allotted 13 cities and the surrounding pasturelands.

³⁴ The other descendants of Levi, the ones who belonged to the Merari clans, were also allotted towns and their surrounding pasturelands.

From the area that had been allotted to the tribe of Zebulun they were allotted four cities. They were Jokneam, Kartah, ³⁵ Dimnah, and Nahalal.

³⁶ From the area that had been allotted to the tribe of Reuben they were allotted four cities. They were Bezer, Jahaz, ³⁷ Kedemoth, and Mephaath.

³⁸ From the area that had been allotted to the tribe of Gad they were allotted four cities. They were Ramoth, which was one of the cities in the Gilead region to which people could run/escape to be safe/protected, Mahanaim, ³⁹ Heshbon, and Jazer.

⁴⁰ Altogether twelve cities were allotted to the Merari clans.

⁴¹ So altogether 48 cities were allotted to the tribe of Levi, ⁴² and each city had surrounding pastureland.

⁴³ In that way Yahweh allotted to the Israeli people all the land that he had promised to give to their/our ancestors. The Israeli people took control of *most of* those areas and started to live there. ⁴⁴ Just like he had promised our ancestors, Yahweh allowed them/us to have peace with the enemies that surrounded them/us. Yahweh enabled the Israelis/us to defeat their/our enemies. ⁴⁵ Yahweh did all the things that he had promised to the Israeli people/us. Everything that he said would happen did happen.

The tribes east of the Jordan went home

22 Joshua then summoned the leaders of the tribes of Reuben, Gad, and half of the tribe of Manasseh. ² He said to them, "You have done everything that Moses, who served Yahweh *well*, told you to do. You have also done what I told you to do. ³ For a long time you have helped the other tribes *to defeat their enemies*. You have obeyed everything that Yahweh your God commanded you to do. ⁴ He promised to give peace to us Israelis, and he has done what he promised. So now you may go back to your homes, to the land that Moses gave to you, on the east side of the Jordan River. ⁵ Moses also commanded you to love Yahweh your God and to obey his commands, and to continue to worship him and serve him by everything that you think and everything that you do."

⁶ Then Joshua blessed them and said goodbye to them, and they *prepared to leave* and return to their homes *on the east side of the Jordan River*. ⁷ Moses had given the Bashan region to half the tribe of Manasseh, and land on the west side of the Jordan River to the other half of the tribe. Before they left, he *asked God to bless them*. ⁸ He said, "Go back to your homes and to all the things that you have taken from your enemies—the many animals and silver and gold and *things made of bronze and iron*, and many beautiful clothes. But you should share some of those things with other people of your tribe."

⁹ So the people of the tribes of Reuben, Gad, and half the tribe of Manasseh left the other Israelis at Shiloh in Canaan land, to return to their homes in the Gilead region. That was the area that belonged to them. It had been allotted to them by Moses as Yahweh had commanded.

¹⁰ The people from those three tribes arrived near the western side of the Jordan River, at a town called Geliloth. There they built a large altar. *Then they crossed the Jordan River to the Gilead region*. ¹¹ But the other Israelis who were still at Shiloh heard about the altar that those men had built. ¹² They became very angry with the men of those tribes, so they decided to fight them.

¹³ The Israelis sent Phinehas, who was the son of Eleazar the Supreme Priest, to *talk with* the people of those three tribes. ¹⁴ They also sent one leader from each of the ten tribes that were still at Shiloh. Each of them was a leader of his clan.

¹⁵ Those leaders went to the Gilead region to talk to the people of the tribes of Reuben, Gad, and half the tribe of Manasseh. They said, ¹⁶ "All the other Israelis are asking, 'Why have you rebelled against the God whom we Israelis *worship* by building an altar for yourselves?' ¹⁷ Have you forgotten what happened at Peor, *when some Israelis sinned by worshiping the god that the Moab people-group worship?* Many Israelis became very sick and died because of that sin, and we are still suffering because of their sin. ¹⁸ Are you now turning away from obeying Yahweh and refusing to do what he wants? If you do not stop rebelling against Yahweh today, he will be angry with all of us Israelis tomorrow.'

¹⁹ *If you think that Yahweh considers that your land here is not suitable for worshiping him, come back to our land where Yahweh's Sacred Tent is. We can share our land with you. But do not rebel against Yahweh and against us by building another altar for Yahweh our God.* ²⁰ Do you remember what happened when Zerah's son Achan refused to obey *Yahweh's command to destroy everything in Jericho?* That one man disobeyed God's command, but many [HYP] other Israelis were punished. Achan died because of his sin, but other Israelis also died."

²¹ The *leaders of the tribes of Reuben, Gad, and half the tribe of Manasseh* replied, ²² "Yahweh, the

Almighty God, knows *why we did that*, and we want you to know, too. If we have done something wrong *against Yahweh*, you may kill us. ²³ If we have disobeyed one of Yahweh's laws, we request that he should punish us. We did not build that new altar to completely burn animals as sacrifices to Yahweh, or to offer on it sacrifices of grain or sacrifices to maintain fellowship with God.

²⁴ This is the reason that we built that altar: We were afraid/worried that some day your descendants would say that our descendants are not true Israelis. We were afraid that then they would say, 'You are not allowed to worship Yahweh, the God whom we Israelis *worship*.' ²⁵ Yahweh caused the Jordan River to be a boundary between us and you people of the tribes of Reuben and Gad. So you are not allowed to worship Yahweh. We were worried that your descendants would force our descendants to stop worshiping Yahweh.

²⁶ That is the reason that we decided to build that *new altar*. But it is not an altar for completely burning sacrifices of animals and *burning other sacrifices*.

²⁷ We built that new altar to prove/show to you and to us and to all of our descendants that we worship Yahweh by completely burning animal sacrifices and offerings of grain and offerings to maintain fellowship with Yahweh *only at the place Yahweh chooses*. We do not want your descendants to say to our descendants, 'You do not belong to Yahweh.'

²⁸ In the future, if your descendants say that, our descendants can say, 'Look at the altar that our ancestors made! It is exactly like Yahweh's altar *that our ancestors built*, but we do not burn sacrifices on it. It only shows that we are Israelis!' ²⁹ We certainly do not want to rebel against Yahweh or stop doing what he desires, by building an altar for completely burning some sacrifices and burning grain offerings and making *other sacrifices*. *We know that* there is only one true altar for Yahweh our God, and it is in front of the Sacred Tent *at Shiloh*."

³⁰ When Phinehas the priest and the other *ten leaders* heard what they said, they were pleased. ³¹ So Phinehas said to them, "Now we know that Yahweh is with all of us Israelis, and that you were not rebelling against him *when you built that altar*. And we know that Yahweh will not punish us Israelis *because of your having done that*."

³² Then Phinehas and the Israeli leaders left the people of the tribes of Reuben and Gad in the Gilead region, and returned to Canaan. There they told the other Israelis what had happened. ³³ They were pleased, and they thanked God. And they did not talk anymore about fighting against the people of the tribes of Reuben and Gad and destroying everything in their land.

³⁴ The people of the tribes of Reuben and Gad named their new altar 'A reminder to us all that Yahweh is God'.

Joshua's final speech

23 Yahweh enabled the Israelis to live peacefully for many years with the people-groups that were around them.

² Joshua was now very old. *One day* he summoned the leaders of the tribes of Israel, the leaders of the clans, the judges, and *other* officials. He said to them, "I am now very old. ³ You people have seen what Yahweh our God has done to help you defeat the people-groups that lived in this land. Yahweh our God has fought for you. ⁴ But do not forget that he has given to you all this land, from the Jordan River in the east to the Mediterranean Sea in the west, all this land that I have allotted to you. ⁵ Yahweh our God will compel the people who are still living there to leave. He will push them out as you advance. Then the land will be yours, as Yahweh has promised you.

⁶ Be sure that you obey all the laws that are in the book that Moses wrote. Do not disobey any part of it [IDM]. ⁷ Do not associate with the people who live among us *who are not Israelis and who worship other gods*. Do not mention the names of their gods, and do not use the names of their gods when you promise to do something. Do not serve their gods or worship them. ⁸ You must continue to do what Yahweh our God wants us to do, as you have been doing.

⁹ Yahweh has forced many very powerful people-groups to leave as you advanced. No people-group has been able to defeat you. ¹⁰ Each of you will be able to cause 1,000 of them to run away, because Yahweh your God will fight for you, just like he promised to do. ¹¹ So be sure that you continue to love Yahweh our God.

¹² If you turn away from doing what Yahweh desires and you associate with the people who are not Israelis, and if you marry them, ¹³ then you can be sure that Yahweh our God will not help you to expel those people-groups from your land. They will be *like traps [DOU, MET] that will catch you*. They will be like whips that strike your backs, and like thorns that will scratch your eyes. As a result, none of you will be left in this good land that Yahweh our God is giving to you.

¹⁴ It is almost time for me to die, like everyone does [EUP]. You know in your hearts [DOU] that Yahweh has done for you [LIT] everything that he promised to do.

¹⁵ He has given to you all the good things that he promised. In the same way, the other things that he promised, *things that are not good*, will also happen. He said that if you do what is evil, he will get rid of you and send you away from this good land that he has given to you. ¹⁶ That will happen if you do not obey the commands that Yahweh our God told you to obey. If you serve other gods and worship them, Yahweh will become very angry with you. Very quickly *he will expel you from this good land that he has given to you, and none of you will be left here.*"

Joshua encouraged the Israeli people to worship only Yahweh

24 *Many years later*, Joshua summoned representatives of all the tribes of Israel. He gathered together the elders, the leaders, the judges, and the other officials at Shechem city. He told them to listen to what God wanted to tell them. ² Joshua said to all of them, "This is what Yahweh, the God we Israeli people worship, is saying: 'Long ago, your ancestors, including Abraham's father Terah and Abraham's younger brother Nahor, lived on the east side of the Euphrates River. ³ But I took your ancestor Abraham from that land east of the Euphrates River, and I led him as he lived in various places in this land of Canaan, and I enabled him to have many descendants. First, I enabled him to have a son, Isaac. ⁴ When Isaac grew up, I enabled him to have twin sons, Jacob and Esau. I enabled Esau to live in the hilly area in Seir region, but many years later Jacob and his sons and their families went down to live in Egypt.

⁵ *Many years later*, I sent Moses and his older brother Aaron to help your people, and I caused *the people of Egypt* to suffer very much because of what I did there. Then I enabled your ancestors to leave Egypt. ⁶ When I brought your ancestors out of Egypt, they came to the Red Sea. The Egyptian army pursued them, some riding in chariots and others on horses, and they also arrived at the Red Sea. ⁷ Then *your ancestors* pleaded with me to help them. So he caused *darkness/a very dark cloud* to come between your ancestors and the Egyptian army, so that the Egyptian army could not see your ancestors. I separated the water in the Red Sea so that your ancestors could cross it, but when the Egyptian army tried to cross in the same way to pursue them, I caused the water to come back and cover them, and the Egyptian soldiers all drowned, as your ancestors watched and were amazed [IDM]. But after that, you lived in the desert for many years.

⁸ Then I brought your *ancestors* to the area where the groups who were descendants of Amor lived, east of the Jordan River. They fought against you, but I enabled you to defeat them [IDM]. I *enabled you to destroy them* so that you could live in their land [IDM]. ⁹ Then, Zippor's son Balak, the King of Moab, *decided that his army would fight against/opposed* the Israelis. He summoned Beor's son Balaam and asked him to curse you. ¹⁰ But I would not do what Balaam asked, so he *blessed/said that I would do great things for* you four times, and I did not enable the army of Moab to defeat you [IDM].

¹¹ Then you all crossed the Jordan River and came to Jericho. The people of Jericho prepared to fight against you, and *the armies of the descendants of Amor, Periz, Canaan, Heth, Girgash, Hiv, and Jebus all prepared to do the same thing*, but I enabled you to defeat [IDM] them all. ¹² I am the one who caused them to panic as

you advanced and enabled you to defeat them, as I had enabled you to do earlier to the two kings of the groups who were descendants of Amor. You did not defeat them by using your own bows and arrows and swords; *it was I who defeated them.* ¹³ So I gave you a land that you had not tilled/planted, and I gave you cities that you did not build. *Now you live in those cities and you eat the grapes from the grapevines that you did not plant, and you eat olives from trees that you did not plant.'*"

¹⁴ *Then Joshua said to the people, "Because of all that Yahweh has done for you, revere him, and serve/worship him very faithfully. Throw away the idols that your ancestors worshiped on the east/other side of the Euphrates River and in Egypt. Serve only Yahweh.* ¹⁵ *But if you do not want to serve/worship Yahweh, you should decide today what gods you will serve/worship. You should decide whether you will serve/worship the gods that your ancestors who lived on the other/east side of the Euphrates River served, or whether you will serve/worship the gods that the descendants of Amor, who previously lived in the land where you are now living, serve/worship. But as for me and my family [MTY], we will serve/worship Yahweh!"*

¹⁶ *The Israeli people answered, "We will never quit serving/worshipping Yahweh! We would never think of [IDM] serving/worshipping other gods! ¹⁷ It was our God, Yahweh, who brought our parents and grandparents up out of Egypt. He rescued them from that land where they were slaves. As he rescued them, they saw him perform great miracles. He protected them all the time when they were traveling. He protected them from all the people-groups through whose territory they traveled. ¹⁸ As our forefathers advanced, Yahweh expelled the descendants of Amor and the other people-groups who lived in this land. Yahweh is our God, so we are saying that we also will serve/worship him."*

¹⁹ *Joshua replied to the people, "I think that you are not able to serve/worship Yahweh, because he is a holy God. He will not forgive your sinning and rebelling against him. He demands that you serve/worship only him [IDM]. ²⁰ He has been good to you in the past*, but if you turn away from him and serve/worship foreign/other gods, he will turn against you and he will cause you to experience disasters. He will punish [IDM] you severely!" ²¹ But the people replied to Joshua, "No, we will not turn away from worshipping/serving Yahweh We will serve/worship Yahweh!"*

²² *Then Joshua said, "You yourselves are saying that you have decided to serve/worship Yahweh." They replied, "Yes, we are saying that." ²³ Then Joshua said, "Since you have decided that, you must throw away all the other gods/idols that you have among you. You must also promise that you will wholeheartedly give yourselves to Yahweh, the God whom we Israelis serve/worship." ²⁴ The people replied, "We will serve/worship Yahweh, our God, and obey him."*

²⁵ *That day, Joshua established an agreement between the people and Yahweh. He wrote for them all the laws that they were required to obey. ²⁶ He wrote all those laws on a scroll. He called it 'The laws of God'. Then he told some men to set up a large stone there at Shechem, under the large oak tree near the place where they worshiped Yahweh. ²⁷ He said to all the people, "Look! It is as though this stone has heard everything that Yahweh said to you and that you promised Yahweh. It will serve as a witness against you if you rebel against your God!"*

²⁸ *Then Joshua sent the people away, and all of them returned to their own areas/homes.*

Joshua died

²⁹ *Some time after that, Nun's son Joshua, the faithful servant of Yahweh, died. He was 110 years old when he died. ³⁰ The Israeli people buried his body on his own property in Timnath-Serah town. It is north of Gaash Mountain in the hilly area of the tribe who were descendants of Ephraim. ³¹ The Israeli people served/worshiped Yahweh as long as Joshua was alive. After Joshua died, they continued serving/worshipping Yahweh while the elders who had experienced everything that Yahweh had done for the Israeli people were still alive. ³² Joseph's bones, which the Israeli people had brought with them from Egypt, were also buried at Shechem. The people buried them in the piece of land that Jacob had bought long ago for 100 pieces of silver from Hamor, the father of Shechem. That piece of land was in the area that was given to the people who were descendants of Ephraim and Manasseh, Joseph's sons. ³³ Eleazar, the Supreme Priest, the son of Aaron, also died. They buried his body at Gibeah, in the area that had been given to Eleazar's son Phinehas, in the hilly area that belonged to the people who were descendants of Ephraim.*

JUDGES

The tribes of Judah and Simeon defeated the Canaanites

¹ After Joshua died, the Israeli people asked Yahweh, "Which *of our tribes* should attack the Canaan people-group first?"

² Yahweh replied, "I will enable the tribe of Judah to defeat [IDM] the Canaan people-group."

³ The men of Judah went to their fellow Israelis, *the men* from the tribe of Simeon, and said to them, "Come and help us to fight the Canaan people-group *in order that we can take from them* the land *that Yahweh* allotted to us. If you do that, we will go with you *and help you* conquer the people in the land *that Yahweh promised to give to you.*" So the men from the tribe of Simeon went with the men of the tribe of Judah.

⁴ When the men of those two tribes attacked, Yahweh enabled them to defeat 10,000 men of the Canaan people-group and the Periz people-group [DOU] at Bezek *city*. ⁵ During the battle they found Adoni-Bezek, the leader of the city, ⁶ but he *tried to* run away. The Israelis pursued him and caught him. Then they cut off his thumbs and his big toes.

⁷ Adoni-Bezek said, "*My army captured 70 kings. We cut off their thumbs and big toes. After that, we forced those kings to eat scraps that fell from our table. Now God has* ♦paid me back for/done to me like♦ *what we did to them.*" Then the men of Judah took Adoni-Bezek to Jerusalem, and he died there.

⁸ The army of Judah fought against the men of Jerusalem, and they captured the city. With their swords they killed *the people who lived there* and they burned *the houses in* the city.

⁹ Later, the men of Judah went down to fight the Canaan people-group who lived in the hilly area, in the desert to the south, and in the foothills *to the west*.

¹⁰ The men of Judah also went to fight against the Canaan people-group who lived in Hebron *city*, which at that time was named Kiriath-Arba. They defeated *the armies of kings* Sheshai, Ahiman, and Talmai.

Springs for Caleb's daughter

¹¹ Then they left that area and went to fight against the people living in Debir *city*, which was previously named Kiriath-Sepher. ¹² *Before they attacked the city*, Caleb said to them, "If one of you attacks and captures Kiriath-Sepher, I will allow him to marry my daughter."

¹³ Othniel, who was the son of Caleb's younger brother Kenaz, captured the city. So Caleb gave his daughter Acsah to him, to become his wife.

¹⁴ When Acsah married Othniel, she told him to ask her father to give him a field. But she *decided to ask him herself. She rode to Caleb's house on her donkey*, and when she got off the donkey, Caleb *could see that something was troubling* her. So he asked her, "What do you want?"

¹⁵ She replied, "I want you to do a favor for me. You have given me some land in the southern desert, *but it is very dry there*. So please also give me some *land that has* springs of water." So Caleb gave her some land on higher ground that had a spring, and some land on lower ground that also had a spring.

More fights against the Canaanites

¹⁶ The people of the Ken people-group who were descendants of Moses' father-in-law left Jericho, which was called 'The City of Palm Trees'. They went with some of the men of Judah to live with them in the southern desert area, near Arad *city*.

¹⁷ The men of Judah and their fellow Israelis from the tribe of Simeon defeated the people of the Canaan people-group who lived in Zephath *city*. They completely destroyed the city and gave it a new name, Hormah, *which means 'complete destruction.'* ¹⁸ The men of Judah also captured Gaza, Ashkelon, and Ekron *cities* and all the land that is near those cities. ¹⁹ Yahweh helped the men of Judah to capture the hilly area, but they could not force the people who were living in the plains to leave, because *those people had better weapons* —they had iron chariots.

²⁰ Hebron *city* was given to Caleb because Moses had promised him that he could have that city. And Caleb forced the three clans descended from Anak to leave that area. ²¹ But the people of the tribe of Benjamin could not force the people of the Jebus people-group to leave Jerusalem. So, since that time the people of the Jebus people-group have lived in Jerusalem with the people of the tribe of Benjamin.

²² The men of the tribes of Ephraim and Manasseh went to fight against *the men of Bethel city*, and Yahweh helped them. ²³ They sent some spies to *find out everything that they could find out about* Bethel, which was previously called Luz. ²⁴ The spies saw a man who was coming out of the city. They said to him, "If you show us a way to get into the city, we will be

kind to you *and we will not kill you.*" ²⁵ So the man showed them a way to enter the city. The men of the tribes of Ephraim and Manasseh entered the city and killed all the people with their swords, but they did not kill the man *who showed them how to get into the city*, and they did not kill his family. ²⁶ That man went to the area where the descendants of Heth lived, and built a city. He named the city Luz, and that is still the name of that city.

²⁷ There were people of the Canaan people-group who lived in Beth-Shan, Taanach, Dor, Ibleam, and Megiddo *cities* and in the surrounding villages. *The men* of the tribe of Manasseh did not force those people to leave those towns, because the people of the Canaan people-group were determined to stay there. ²⁸ Later, the Israelis became *stronger/more numerous*, and they forced the people of the Canaan people-group to work for them *as their slaves*, but they did not force all the people of the Canaan people-group to leave their land. ²⁹ *The men* of the tribe of Ephraim did not force the people of the Canaan people-group to leave Gezer *city*. So the people of the Canaan people-group continued to live with the people of the tribe of Ephraim. ³⁰ *The men* of the tribe of Zebulun did not compel the people of the Canaan people-group who were living in Kitron and Nahalol *cities* to leave. They stayed there and lived among the people of the tribe of Zebulun, but the people of Zebulun forced them to work for them as their slaves. ³¹ *The men* of the tribe of Asher did not force the people of the Canaan people-group who lived in Acco, Sidon, Ahlab, Aczib, Helbah, Aphek and Rehob *cities* to leave. ³² So the people of the tribe of Asher lived among them. ³³ *The men* of the tribe of Naphtali did not compel the people who lived in Beth-Shemesh and Beth-Anath *cities* to leave, so the people in those two cities continued to live there, but the people of the Canaan people-group were forced to work as the slaves of the people of the tribe of Naphtali. ³⁴ The people of the Amor people-group forced the people of the tribe of Dan to live in the hills. They did not allow them to come down *and live* on the plain. ³⁵ The people of the Amor people-group were determined to stay in Heres Mountain and in Aijalon and Shaalbim *cities*. But when the Israelis became *stronger/more numerous*, they forced the people of the Amor people-group to work as their slaves. ³⁶ The land where the Amor people-group lived extended from Scorpion Pass *toward the west* beyond Sela *town*, up into the hilly area.

Yahweh's message to Israel

² Yahweh *appeared in the form of* an angel and went up from Gilgal to a place that was later called Bokim. He said to the Israeli people, "I brought your ancestors up here from Egypt. I led them into this land that I solemnly promised to give to your ancestors. I said to them, 'The agreement that I made

with you, as for me, I will never *break it/say* that it is ended. ² But as for you, you must never make a peace agreement with the people who live in this land. You must tear down the altars *where they make sacrifices to idols.*' But you have not obeyed me. ³ So now, I am telling you that I will not expel your enemies as you advance. They will be like thorns in your sides. And they will try to trap you *by making you worship* their idols."

⁴ After he told that to all the Israelis, the people cried loudly. ⁵ They called that place Bokim, *which means 'weeping.'* There they offered sacrifices to Yahweh.

Joshua died

⁶ After Joshua sent the Israel people away, each group went to possess the land that had been allotted to them. ⁷ They served Yahweh as long as Joshua was alive, and as long as the elders, those who had seen all the great things that Yahweh had done for Israel, were alive.

⁸ Then Yahweh's servant Joshua died. He was 110 years old when he died. ⁹ They buried his body in the area he had received *from Moses*, at Timnath-Serah, in the area where the descendants of Ephraim lived, north of Gaash Mountain.

The Israelis were punished for doing evil things

¹⁰ After all the people died who lived at the same time as Joshua [EUP], a group of people grew up who did not know Yahweh, and did not know what great things he had done for the Israeli people. ¹¹⁻¹³ They did things that Yahweh said were very evil. They worshiped *idols that represented the god* Baal and the goddess Astarte. They worshiped [DOU] the various gods that the people-groups around them worshiped. They stopped worshiping Yahweh, the God their ancestors worshiped, the one who had brought their ancestors out of Egypt. That caused Yahweh to be very angry. ¹⁴ So he allowed people from other groups to raid them and steal their crops and animals. They were no longer able to resist their enemies, and Yahweh allowed all their enemies around them to defeat them. ¹⁵ Whenever the Israelis went to fight *their enemies*, Yahweh [MTY] was opposing them, and allowed their enemies to defeat them, just as he had promised he would do. So the Israelis were greatly distressed.

¹⁶ Then Yahweh gave leaders to them. These leaders rescued the Israelis from the people who were raiding them. ¹⁷ But the Israelis still would not pay attention to their leaders. Instead, they *went to** the idols, *acting like prostitutes who gave themselves to men who were not their husbands* [MET], and they worshiped those idols. They were not like their ancestors. Their ancestors obeyed what Yahweh commanded, but their descendants quickly stopped behaving as their ancestors had behaved. ¹⁸ Whenever Yahweh gave a leader to them, he helped that leader and enabled him to

rescue the people from their enemies. He elped them like that as long as that leader was alive. Yahweh pitied them as they groaned because they were being oppressed and caused to suffer. ¹⁹ But after that leader died, the people went back to behaving in ways even more evil than their ancestors had behaved. They worshiped other gods and bowed down to them and did all [LIT] the things that they thought those gods wanted them to do.

²⁰ So Yahweh was very angry with the Israeli people. He said, "These people have disobeyed the agreement I made with their ancestors. They have not done what I told them to do. ²¹ So I will no longer expel the people-groups that Joshua left in this land when he died. ²² I will use them to test the Israeli people to see whether they will do what I want them to do, as their ancestors did." ²³ Yahweh had allowed those people-groups to stay in that land. He did not expel them by allowing Joshua *and his men* to defeat them.

3 ¹⁻² At that time there were still many people-groups in Canaan. Yahweh left them there to test the Israeli people. But many of the Israelis in Canaan were ones who had not fought in any of the wars in Canaan. So Yahweh also left those people-groups in Canaan so that the descendants of those who had not fought in any of the wars might learn how to fight. ³ *This is a list of the people-groups that Yahweh left there: The Philistines and their five leaders, the people living in the area near Sidon city, the descendants of Canaan, and the descendants of Hiv who were living in the mountains of Lebanon between Baal-Hermon Mountain and Lebo-Hamath.* ⁴ Yahweh left these people-groups there to test the Israelis, to see if they would obey his commands which he had told Moses to give them. ⁵ The Israelis lived among the Canaan people-group, the Hiv people-group, the Amor people-group, the Periz people-group, the Hiv people-group, and the Jebus people-group. ⁶ *Moses had told the people not to associate with any of those people.* But the Israelis took daughters of people from those people-groups *to be their own wives*, and gave their own daughters to men of those groups, to marry them. And *as a result* they started to worship the gods of those people-groups.

Othniel became their leader

⁷ The Israelis did things that Yahweh said were very evil. They forgot about Yahweh, their God, and they started to worship the *idols that represented* the god Baal and the goddess Asherah. ⁸ Yahweh became very angry with the Israelis. So he allowed king Cushan from Mesopotamia to conquer them and rule them for eight years. ⁹ But when they pleaded to Yahweh *to help them*, he gave them a leader to rescue them. He was Othniel, the son of Caleb's younger brother Kenaz. ¹⁰ Yahweh's Spirit came upon him, and he became their leader. He *led an army that fought against the army of Cushan*, and defeated them. ¹¹ After that,

there was peace in the land for 40 years, until Othniel died.

Ehud became their next leader

¹² After that, the Israelis again did things that Yahweh said were very evil. As a result, he allowed the army of King Eglon, who ruled the Moab *area*, to defeat the Israelis. ¹³ Eglon persuaded the leaders of the Ammon and Amalek people-groups to join their armies with his army to attack Israel. They captured *Jericho, which was called 'The City of Palm Trees'*. ¹⁴ Then King Eglon ruled the Israelis for eighteen years.

¹⁵ But then the Israelis again pleaded to Yahweh *to help them*. So he gave them another leader to rescue them. He was Ehud, a left-handed man, the son of Gera, from the descendants of Benjamin. The Israelis sent him to King Eglon to give him their yearly protection money. ¹⁶ Ehud had with him a double-edged dagger, about a foot and a half long. He strapped it to his right thigh, under his clothes. ¹⁷ He gave the money to King Eglon, who was a very fat man. ¹⁸ Then Ehud started to go back home with the men who had carried the money. ¹⁹ When they arrived at the stone carvings near Gilgal, *he told the other men to go on, but he himself turned around and went back to the king of Moab. When he arrived at the palace*, he said to the king, "Your majesty, I have a secret message for you." So the king told all his servants to be quiet, and sent them out of the room.

²⁰ Then, as Eglon was sitting alone in the upstairs room of his summer palace, Ehud came close to him and said, "I have a message for you from God." As the king got up from his chair, ²¹ Ehud reached with his left hand and pulled the dagger from his right thigh, and plunged it into the king's belly. ²² He thrust it in so far that the handle went into the king's belly, and the blade came out the king's back. Ehud did not pull the dagger out. *He left it there, with the handle buried in the king's fat.* ²³ Then Ehud left the room. He went out to the porch. He shut the doors to the room and locked them.

²⁴ After he had gone, King Eglon's servants came back, but they saw that the doors of the room were locked. They said, "The king must be defecating in the inner room." ²⁵ So they waited, but when the king did not open the doors of the room, after a while they were worried. They got a key and unlocked the doors. And they saw that their king was lying on the floor, dead.

²⁶ Meanwhile, Ehud escaped. He passed by the stone carvings and arrived at Seirah, in the hilly area where the descendants of Ephraim lived. ²⁷ There he blew a trumpet *to signal that the people should join him to fight the people of Moab*. So the Israelis went with him from the hills. They went down toward *the Jordan river*, with Ehud leading them.

²⁸ He said to the men, "Yahweh is going to allow us to defeat your enemies, the people of Moab. So follow me!" So they followed him down to the river, and they stationed some of their men at the place where people can walk across the river, in order that they could *kill any people from Moab who tried to cross the river to escape*. ²⁹ At that time, the Israelis killed about 10,000 people from Moab. They were all strong and capable men, but not one of them escaped. ³⁰ On that day, the Israelis conquered the people of Moab. Then there was peace in their land for 80 years.

Shamgar became their next leader

³¹ After Ehud *died*, Shamgar became their leader. He rescued the Israelis *from the Philistines*. *In one battle* he killed 600 Philistines with an *ox goad/sharp wooden pole*.

Deborah became the next leader

⁴ After Ehud died, the Israelis again started doing things Yahweh said were very evil. ² So he allowed the army of Jabin, one of the kings of Canaan land, who ruled in Hazor *city*, to conquer the Israelis. The commander of his army was Sisera, who lived in Harosheth-Haggoyim. ³ Sisera's *army* had 900 chariots. For 20 years he oppressed the Israelis. Then they pleaded to Yahweh to help them.

⁴ At that time Deborah, who was the wife of Lappidoth, was a prophetess who had become the leader in Israel. ⁵ She would sit under her palm tree at a place between Ramah and Bethel, in the hilly area where the descendants of Ephraim lived, and people would come to her and ask her to settle disputes between them.

⁶ One day she summoned Barak, the son of Abinoam, when he was in Kedesh, in the area where the descendants of Naphtali lived. She said to him, "This is what Yahweh, the God whom we Israelis worship, is commanding you to do: 'Take with you 1,000 men, some from the descendants of Naphtali and some from the descendants of Zebulun, and lead them to Tabor Mountain. ⁷ Yahweh will lure Sisera, the commander of King Jabin's army, to come with his chariots and his army, to the Kishon River, *a few miles away*. I will enable your men to defeat them there.' "

⁸ Barak replied, "I will go only if you go with me."

⁹ She replied, "Okay, I will go with you. But because that is what you have decided to do, Yahweh will enable a woman to defeat Sisera, and the result will be that *you will not be honored/people will not honor you for doing that*." ¹⁰ So Deborah went with Barak to Kedesh. There he summoned men from Zebulun and Naphtali. Ten thousand men came to him, and then they went together with Deborah *to Tabor Mountain*.

¹¹ At that time Heber, one of the descendants of the Ken people-group, had moved *with his wife Jael* from the area where that group lived, and set up his tent

near the big oak tree at Zaananim, near Kedesh. Heber was a descendant of Moses' brother-in-law Hobab.

¹² Someone told Sisera that Barak had gone up on Tabor Mountain *with an army*. ¹³ So he gathered his troops with their 900 chariots, and they marched from Harosheth-Haggoyim to the Kishon River.

¹⁴ Then Deborah said to Barak, "Get ready! This is the day that Yahweh will enable your *army* to defeat the army of Sisera. Yahweh is going ahead of you!" So Barak led his men as they descended from Tabor Mountain. ¹⁵ As they advanced, Yahweh caused Sisera and all his chariots and his army to have great difficulty maneuvering/moving around. So Sisera jumped down from his chariot and ran away. ¹⁶ But Barak and his men pursued the other chariots and the enemy soldiers as far as Harosheth-Haggoyim. They killed all of the men in Sisera's army. Not one man survived.

¹⁷ But Sisera ran to Jael's tent. He did that because *his boss*, King Jabin of Hazor *city*, was a good friend of *Jael's husband* Heber.

¹⁸ Jael went out to greet Sisera. She said to him, "Sir, come into my tent! Do not be afraid!" So he went into the tent *and lay down*, and she covered him with a blanket.

¹⁹ He said to her, "I'm thirsty; can you give me some water?" So she opened a leather container of milk, and gave him a drink. Then she covered him with the blanket again.

²⁰ He said to her, "Stand in the entrance of the tent. If someone comes and asks 'Is anyone else here?', say 'No.'"

²¹ Sisera was very exhausted, so he soon was asleep. While he was sleeping, Jael crept quietly to him, holding a hammer and a tent peg. She pounded the peg into his skull, and all the way through his head into the ground, and he died.

²² When Barak passed by Jael's tent to look for Sisera, she went out to greet him. She said, "Come in, and I will show you the man you are searching for!" So he followed her into the tent, and he saw Sisera lying there, dead, with the tent peg through his head.

²³ On that day God enabled the Israelis to defeat *the army of Jabin*, the king of the people of Canaan.

²⁴ From that time, the Israeli people continued to become stronger, and *the army of King Jabin* continued to become weaker. Finally the Israelis were able to completely subdue the people ruled by the king of Canaan.

The song that Deborah sang

⁵ On that day, Deborah sang this song, along with Barak:

² When the leaders of the Israeli people really lead them, and the people follow them, *it is time to praise Yahweh!*

³ Listen, you kings! Pay attention, you leaders!

I will sing to Yahweh. With this song I will praise Yahweh, the God we Israelis worship.

⁴ O Yahweh, when you came from Seir, when you marched from that land *better known as* Edom, the earth shook, and rain poured down from the skies.

⁵ The mountains shook when you came, just like Sinai Mountain shook when you appeared there, because you are Yahweh, the God whom we Israelis worship.

⁶ When Shamgar was our leader and when Jael ruled us, we *were afraid to walk on* the main roads; instead, caravans of travelers walked on winding *less traveled* roads *to avoid being molested*.

⁷ People left their small villages, *and moved into the walled cities* until I, Deborah, became their leader. *I became like* a mother to the Israeli people.

⁸ When the Israeli people *abandoned Yahweh and* chose new gods, enemies attacked the gates of the cities, and then *they took away* the shields and spears from 40,000 Israeli soldiers.

Not one shield or spear was left.

⁹ I am thankful for the leaders and soldiers who volunteered *to fight*.

Praise Yahweh *for them!*

¹⁰ You wealthy people who ride on donkeys, sitting on nice padded saddles, and you people who just walk on the road, you all listen!

¹¹ Listen to the voices of the singers who gather at the places where *the animals drink* water.

They tell about how Yahweh acted righteously when he enabled the Israeli warriors to conquer *their enemies*.

Yahweh's people marched down to the gates of our city.

¹² The people came to my house and shouted, "Deborah, wake up! Wake up and start singing!" They also shouted, "Barak, son of Abinoam, get up, and capture our enemies!"

¹³ Later, some of the Israeli people came down *from Tabor Mountain* with us, their leaders.

These men who belonged to Yahweh came with me to fight their strong enemies.

¹⁴ Some came from the tribe descended from Ephraim.

They came from land that once belonged to the descendants of Amalek.

And men from the tribe descended from Benjamin followed them.

Troops from the group descended from Makir also came down, and officers from the tribe descended from Zebulun came down, carrying staffs.

¹⁵ Leaders from the tribes descended from Issachar joined Barak and me.

They followed Barak, rushing down into the valley. But men from the tribe descended from Reuben could not decide whether or not to join us.

¹⁶ Why did you men stay at your sheep pens, waiting to hear the shepherds whistle for their flocks of sheep to come to the pens?

Men in the tribe descended from Reuben could not decide whether they would join us to fight our enemies, or not.

¹⁷ Similarly, the men living in the Gilead area stayed at home, east of the Jordan River.

And the men from the tribe descended from Dan, why did they stay home?

The tribe descended from Asher sat by the seashore. They stayed in their coves.

¹⁸ But men from the tribe descended from Zebulun risked \diamond their lives/were ready to die fighting \diamond on the battlefield,

and men descended from Naphtali were ready to do that, also.

¹⁹ The kings of Canaan fought us at Taanach, near the springs in Megiddo *Valley*.

But since they did not defeat us, they did not carry away any silver or other treasures from the battle.

²⁰ *It was as though* the stars in the sky fought for us and as though those stars in their paths fought against Sisera.

²¹ The Kishon River swept them away—that river that has been there for ages.

I will tell myself to be brave and continue marching on.

²² The hooves of the horses of Sisera's *army* pounded the ground.

Those powerful horses kept galloping along.

²³ The angel sent by Yahweh said, "Curse the people of Meroz *town,* because they did not come to help Yahweh to defeat the mighty warriors *of Canaan.*"

²⁴ But God is very pleased with Jael, the wife of Heber from the Ken people-group. He is more pleased with her than with all the other women who live in tents.

²⁵ Sisera asked for some water, but Jael gave him some milk.

She brought him some yogurt/curds in a bowl that was suitable for kings.

26 Then, *when he was asleep*, she reached for a tent peg with her left hand, and she reached for a hammer with her right hand. She hit Sisera hard with it and crushed his head. She pounded the tent peg right through his head.
27 He collapsed and fell dead at her feet.

28 Sisera's mother looked out from her window. She waited for him to return. She said, "Why is he taking so long to come home in his chariot? Why don't I hear the sound of the wheels of his chariot?"

29 One wise woman replied to her, and she *kept consoling herself by* repeating those words:

30 "Perhaps they are dividing up the things and the people they captured after the battle. Each soldier will get one or two women. Sisera will get some beautiful robes, and some beautiful embroidered robes for me."

31 But *that is not what happened!* Yahweh, I hope that all your enemies will die as Sisera did! And I desire that all those who love you will be as strong as the sun when it rises!

Gideon became the next leader

6 Again the Israelis did things that Yahweh said were very evil. So he allowed the people of Midian to conquer them and rule them for seven years. 2 The people of Midian treated the Israelis so cruelly that the Israelis fled to the mountains. There they made places to live in caves and animal dens. 3 Whenever the Israelis planted things in their fields, the people of Midian and Amalek and other groups from the east invaded Israel. 4 They set up tents in the area, and then destroyed the crops as far south as Gaza. They did not leave anything for the Israelis' sheep or cattle or donkeys to eat. 5 They came into Israel with their tents and their livestock like a swarm of locusts. There were *so many of them that* arrived riding on their camels that no one could count them. They stayed and ruined the Israelis' crops. 6 The people of Midian took almost everything the Israelis owned. So finally the Israelis pleaded for Yahweh to help them.

7 When the Israelis pleaded with Yahweh to help them because of what the people from Midian *were doing to them*, 8 he sent to them a prophet, who said, "Yahweh, the God we Israelis worship, says this: 'Your ancestors were slaves in Egypt. 9 But I rescued them from the leaders of Egypt and from all the others who oppressed them. I expelled their enemies from this land, and gave it to your ancestors. 10 I told you all, "I am Yahweh, your God. You are now in the land where the descendants of Amor live, but you must not wor-

ship the gods whom they worship." But you did not pay attention to me."

11 One day Yahweh *appeared in the form of* an angel and sat underneath a big oak tree at Ophrah town. That tree belonged to Joash, who was from the clan of Abiezer. Joash's son Gideon was threshing wheat in the pit where they pressed *grapes to make wine*. He was threshing the grain there in order to hide it from the people of Midian. 12 Yahweh *went over* to Gideon and said to him, "You mighty warrior, Yahweh is helping you!"

13 Gideon replied, "Sir, if Yahweh is helping us, why have all these *bad things* happened to us? We heard about [RHQ] all the miracles that Yahweh performed for our ancestors. We heard people tell us about how he rescued them from *being slaves in Egypt*. But now Yahweh has abandoned us, and we are ruled by the people from Midian."

14 Then Yahweh turned toward him and said, "I will give you strength to enable you to rescue the Israelis from the people of Midian. I am sending you *to do that!*"

15 Gideon replied, "But Yahweh, how can I rescue the Israelis? My clan is the least significant in the whole tribe descended from Manasseh, and I am the least significant person in my whole family!"

16 Yahweh said to him, "I will help you. So you will defeat the army of Midian *as easily* as if you were fighting only one man!"

17 Gideon replied, "If you are truly pleased with me, do something which will prove that you who are speaking to me are really Yahweh. 18 But do not go away until I go and bring back an offering to you."

Yahweh answered, "Okay, I will stay here until you return."

19 Gideon hurried to his home. He *killed* a young goat and cooked it. Then he took \diamond a half a bushel/18 liters \diamond of flour and baked some bread without yeast. Then he put the cooked meat in a basket, and put the broth *from the meat* in a pot, and took it to Yahweh, who was sitting under the tree.

20 Then Yahweh said to him, "Put the meat and the bread on this rock. Then pour the broth on top of it." So Gideon did that. 21 Then Yahweh touched the meat and bread with the walking stick that was in his hand. A fire flamed up from the rock and burned up everything that Gideon had brought! And then Yahweh disappeared. 22 When Gideon realized that it was really Yahweh *who had appeared in the form of an angel and talked with him*, he exclaimed, "O, Yahweh, I have seen you face-to-face *when you had the form of an angel!* So I will surely die!"

23 But Yahweh called to him and said, "Do not be afraid! You will not die *because of seeing me!*"

24 Then Gideon built an altar to *worship* Yahweh there. He named it 'Yahweh gives us peace'. That altar is still there in Ophrah town, in the land that belongs to the descendants of Abiezer.

²⁵ That night Yahweh said to Gideon, "Take the second-best/oldest bull from your father's herd, the bull that is seven years old. *Kill it.* Then tear down the altar that your father built to *worship* the god Baal. Also cut down the pole for worshipping *the goddess* Astarte that is there beside it. ²⁶ Then build a stone altar to worship me, your God Yahweh, here on this hill. Take the wood from the pole you cut down and make a fire to *cook the meat of the bull* as a burnt offering to me."

²⁷ So Gideon and his servants did what Yahweh commanded. But they did it at night, because he was afraid what the other members of his family and the other men in town would do to him if they found out that he had done that.

²⁸ Early the next morning, as soon as the men got up, they saw that the altar to Baal had been torn down, and the pole for worshipping Astarte was gone. They saw that there was a new altar there, and on it was what remained from the bull they had sacrificed.

²⁹ The people asked each other, "Who did this?" After they investigated, someone told them that it was Gideon, the son of Joash, *who had done it.*

³⁰ They went to Joash and said to him, "Bring your son out here! ♦He must be executed/We must kill him♦, because he destroyed our god Baal's altar and cut down the pole for our goddess Astarte!"

³¹ But Joash replied, "Are you trying to defend Baal? Are you trying to argue his case? Anyone who tries to defend Baal should be executed by tomorrow morning! If Baal is truly a god, he ought to be able to defend himself, and to get rid of the person who tore down his altar!" ³² From that time, people called Gideon Jerub-Baal, which means 'Baal should defend himself', because he tore down Baal's altar.

³³ Soon after that, the armies of the people of Midian and of Amalek and the people from the east gathered together. They crossed the Jordan River *to attack the Israelis.* They set up their tents in Jezreel Valley.

³⁴ Then Yahweh's Spirit took control of Gideon. He blew a ram's horn to summon the men to prepare to fight. So the men of the clan of Abiezer came to him.

³⁵ He also sent messengers throughout the tribes descended from *the four tribes of* Manasseh, Asher, Zebulun, and Naphtali *to tell their soldiers to come,* and all of them came.

³⁶ Then Gideon said to God, "If you are truly going to enable me to rescue the Israeli people as you promised, ³⁷ confirm it by doing this: Tonight I will put a dry wool fleece on the ground where I thresh the grain. Tomorrow morning, if the fleece is wet with dew but the ground is dry, then I will know that I am the one you will enable to rescue the people of Israel as you promised." ³⁸ And that is what happened. When Gideon got up the next morning, he picked up the fleece, and squeezed out a whole bowlful of water!

³⁹ Then Gideon said to God, "Do not be angry with me, but let me ask you to do one more thing. Tonight I will put the fleece out again. This time, let the fleece

remain dry, while the ground is wet with the dew."

⁴⁰ So that night, God did what Gideon asked him to do. The next morning the fleece was dry, but the ground was covered with dew.

Gideon and his men defeated the army from Midian

7 The next morning, Gideon and his men got up early and went as far as Harod Spring. The army of Midian was camped north of them, in the valley near Moreh Hill. ² Yahweh said to Gideon, "You have too many soldiers with you. If I allow all of you to fight the army of Midian, *if your army defeats them,* they will boast to me that they defeated their enemies by themselves, *without my help.* ³ So tell the men, 'Whoever among you is timid or afraid may leave us and go home.'" *So after Gideon told that to them,* 22,000 of them went home. Only 10,000 men were left there.

⁴ But Yahweh told Gideon, "There are still too many men! Take them down to the spring, and there I will choose from among them, which ones will go with you and which ones will not go."

⁵ When Gideon took the men down to the spring, Yahweh told him, "When they drink, put into one group the ones who scoop the water into their hands, and then lap it up like dogs do. Put into another group the ones who kneel down *and bend over* and drink with their mouths in the water." ⁶ So when they drank, only 300 men drank from their hands. All the others drank with their mouths down in the water.

⁷ Then Yahweh told Gideon, "The 300 men who lapped the water from their hands will be your army! I will enable them to defeat the Midian army. Let all the others go home!" ⁸ So Gideon's 300 men collected the food and rams' horns from all the other men, and then he sent them home.

The men of Midian were camping in the valley below Gideon. ⁹ That night, Yahweh said to Gideon, "Get up and go down to their camp, *and you will hear something that will convince you that* I will enable your men to defeat them. ¹⁰ But if you are afraid to attack them by yourself, take your servant Purah with you. ¹¹ Go down and listen to what some of the Midian soldiers are saying. Then you will be very encouraged, and you will be ready to attack their camp." So Gideon took Purah with him, and they went down to the edge of the enemy camp. ¹² The armies of the people of Midian and Amalek and from the east had set up their tents and looked like a swarm of locusts. It seemed that their camels were as impossible to count as the grains of sand on the seashore.

¹³ Gideon crept closer and heard one man telling a friend about a dream. He said, "I just had a dream, and in the dream I saw a round loaf of barley bread tumble down into our Midian camp. It struck a tent so hard that the tent turned upside down and collapsed!"

¹⁴ His friend said, "Your dream can mean only one thing. It means that God will enable Gideon, the man

of Israel, to defeat all of the armies that are here with us men from Midian."

¹⁵ When Gideon heard *the man tell about his dream* and the meaning of that dream, he thanked God. Then he *and Purah* returned to the Israeli camp, and he shouted to the men, "Get up! Because God is enabling you to defeat the men from Midian!" ¹⁶ He divided his men into three groups. He gave each man a ram's horn and an empty clay jar. He also gave each of them a torch *that they lit*.

¹⁷ Then he said to them, "Watch me. When we come close to the enemy camp, *spread out to surround the camp*. Then do exactly what I do. ¹⁸ As soon as I and the men with me blow our ram's horns, you men in the other two groups surrounding the camp blow your horns and shout, '*We are doing this* for Yahweh and for Gideon!'"

¹⁹ A while before midnight, just after a new group of Israeli guards took the places of the previous group, Gideon and the 100 men with him arrived at the edge of the Midian camp. Suddenly they all blew their horns, and broke their jars. ²⁰ Then the men in all three groups blew their horns and smashed their jars. They held the torches high with their left hands, and held up the horns with their right hands and alternatively blew them and shouted, "*We have swords to fight* for Yahweh and for Gideon!" ²¹ Each of Gideon's men stood in his position around the enemy camp. As they watched, all the Midian men started running around and shouting in a panic.

²² While the 300 Israeli men kept blowing their horns, Yahweh caused their enemies to start fighting each other with their swords/daggers. Some of them killed each other. The rest fled. Some fled south to Beth-Shittah. Some fled to Zerarah *village*, near Tab-bath. ²³ Then Gideon sent messages to the soldiers in the areas where the descendants of Naphtali, Asher, and Manasseh lived, to tell them to come and pursue the army of Midian. ²⁴ He also sent messengers throughout the hilly area where the descendants of Ephraim lived, saying, "Come down to attack the army of Midian. Come down to the Jordan River, to the place where people can wade across, to prevent enemy troops from crossing it! Station men as far south as Beth-Barah."

So the men of Ephraim did what Gideon told them to do. ²⁵ They also captured Oreb and Zeeb, the two generals of the Midian army. They killed Oreb at *the big rock which is now called the rock of Oreb*, and they killed Zeeb at *the place where people crush grapes that is now called the winepress of Zeeb*. Afterwards, the Israelis cut off the heads of Oreb and Zeeb and brought them to Gideon, while he was near the Jordan River.

Gideon killed Zebah and Zalmunna

8 Then the descendants of Ephraim said to Gideon, "Why have you acted toward us like this?"

When you went out to fight against the people of Midian, why did you not summon us *to help you*?" They rebuked Gideon severely.

² But Gideon replied, "I have done [RHQ] very little compared with what you have done! My small clan of descendants of Abiezer only started the battle, but *your very large group of descendants of Ephraim helped me to finish the task very well. It is like the final grapes of the harvest being much better than the first grapes that are picked.* ³ God enabled you to defeat Oreb and Zeeb, the generals of the army from Midian. That is [RHQ] much more important than what I did!" After Gideon told them that, they no longer resented what he had done.

⁴ Then Gideon and his 300 men *went east and crossed the Jordan River*. Although they were very tired, they continued to pursue their enemies. ⁵ When they arrived at Succoth *town*, Gideon said to the town leaders, "Please give my men some food! They are very tired. We are pursuing Zebah and Zalmunna, the kings of Midian."

⁶ But the leaders of Succoth replied, "You have not caught [RHQ] Zebah and Zalmunna yet. So why should we give food to your troops *now*? *Catch them first, and then we will give you food.*"

⁷ Gideon replied, "*Because you said that, after Yahweh enables us to defeat Zebah and Zalmunna, we will return. And then we will make whips from thorns from the desert, and with them we will rip the flesh off your bones!*"

⁸ From there, Gideon *and his 300 men* went to Peniel and asked for food there, but the people gave him the same answer. ⁹ So he said to the men of Peniel, "After I defeat those kings, I will return and tear down this tower!"

¹⁰ By that time, Zebah and Zalmunna had gone to Karkor *town* with 15,000 troops. They were all that were left of the armies that had come from the east. 120,000 of their men had already been killed.

¹¹ Gideon *and his men* went east along the road on which caravans travel. They went past Nobah and Jog-behah *villages* and arrived at the enemy camp by surprise. ¹² Zebah and Zalmunna fled, but Gideon's men pursued them and captured them and all their warriors.

¹³ After that, Gideon and his men *took Zebah and Zalmunna with them and* started to return, going through Heres Pass. ¹⁴ There he captured a young man from Succoth, and demanded that he write down the names of all of the leaders in the town. The young man wrote down seventy-seven names. ¹⁵ Then Gideon and his men returned to Succoth and said to those leaders, "Here are Zebah and Zalmunna. When we were here before, you made fun of me and said 'You have not [RHQ] caught Zebah and Zalmunna yet! After you catch them, we will give your exhausted men some food.'" ¹⁶ Then Gideon's men took the town leaders and whipped them with whips made from

briers from the desert, to teach them *that they deserved to be punished for not giving them any food.* 17 Then *they went to Peniel* and tore down the tower, and killed all the men in the town.

18 Then Gideon said to Zebah and Zalmunna, "The men you killed near Tabor *Mountain*, what did they look like?"

They replied, "They were like you; they all looked like they were sons of a king."

19 Gideon replied, "They were my brothers! Just as surely as Yahweh lives, I would not kill you if you had not killed them." 20 Then he turned to his oldest son, Jether. He said to him, "Kill them!" But Jether was only a boy, and he was afraid, so he did not pull out his dagger *to kill them.*

21 Then Zebah and Zalmunna said to Gideon, "Do not ask a young boy to do the work that a man should do!" So Gideon killed both of them. Then he took the gold ornaments from the necks of their camels.

Gideon refused to be their king

22 Then a group of Israeli men *came to Gideon* and said to him, "You be our ruler! *We want you and your son and your grandsons to be our rulers, because you rescued us from the Midian army.*"

23 But Gideon replied, "No, I will not rule over you, and my son will not rule over you. Yahweh will rule over you." 24 Then he said, "I request only one thing. I request that each of you give me one earring from the things you captured after the battle."

[All the men descended from Ishmael wore gold earrings.] 25 They replied, "We will be glad to give earrings to you!" So they spread a cloth *on the ground*, and each man threw on it one gold earring that he had taken *from a man he had killed in the battle.*

26 The weight of all the earrings was $\diamond 43$ pounds/19.4 kg. \diamond . That did not include other things *that they gave to Gideon*—the other ornaments or the pendants or the clothes that the kings of Midian wore or the gold chains that were on the necks of their camels.

27 Gideon made/decorated a sacred vest from the gold, and later he put it in his hometown, Ophrah. But soon the Israeli people started to worship the vest. So it became like a trap [MET] for the people, *causing them to worship it instead of worshiping only God.*

Gideon died

28 That is how the Israelis defeated the people from Midian. The people of Midian did not become strong enough to attack Israel again. So while Gideon was alive, there was peace in the land for 40 years.

29 Gideon went back home to live there. 30 He had many wives, and they bore him seventy sons. 31 He also had a slave wife in Shechem *town*, who bore him a son whom he named Abimelech. 32 Gideon died when he was very old. They buried his body in the grave

where his father Joash was buried, at Ophrah, in the land belonging to the descendants of Abiether.

33 But as soon as Gideon died, the Israelis *stopped worshiping God and started worshiping the images of the god Baal, like* [MET] *adulteresses leave their husbands and go to sleep with other men. They made a statue of a new god called Baal-Berith.* 34 They forgot about Yahweh, the one who had rescued them from all their enemies that surrounded them. 35 And even though Gideon had done many good things for the Israelis, they were not kind to Gideon's family.

Abimelech became king in Shechem

9 Gideon's son Abimelech went to *talk with his mother's brothers in Shechem city.* He said to them and to all his mother's relatives, 2 "Ask all the leaders of your city: 'Do you *think it would be good for all 70 of Gideon's sons to rule over you? Or would it be better to have only one of his sons, me, to rule over you?'* And do not forget that I am your relative! [MTY]"

3 So Abimelech's mother's brothers spoke to all the leaders of Shechem about what Abimelech had said. They said to each other, "We should allow Abimelech to rule over us, because he is our relative." 4 So the leaders of Shechem took from the temple of *their god Baal-Berith* \diamond almost 2 pounds/0.8 kg. \diamond of silver and gave it to Abimelech. With that silver he paid some worthless troublemakers to help him, and they went with Abimelech wherever he went. 5 They went to Ophrah, his father's town, and murdered 69 of his 70 brothers, the sons of his father Gideon. They killed all those men on one huge rock. But Gideon's youngest son Jotham hid *from Abimelech and his men*, and he escaped. 6 Then all the leaders of Shechem and Beth-Millo gathered under the big sacred tree in Shechem. There they appointed Abimelech to be their leader.

7 When Jotham heard about that, he climbed up Gerizim Mountain. He stood at the top of the mountain and shouted to the people *down below*, "You leaders of Shechem, listen to me, in order that God will listen to you! 8 One day the trees decided to appoint a king to rule over all of them. So they said to the olive tree, 'You be our king!'"

9 But the olive tree said, 'No! *I will not be your king* Men and gods enjoy the oil from my fruit. I will not [RHQ] stop producing *olives from which we make that oil, in order to rule over you other trees!*'

10 Then the trees said to the fig tree, 'You come and be our king!'

11 But the fig tree replied, 'No! I do not want to [RHQ] stop producing my good sweet fruit, and rule over you other trees!'

12 Then the trees said to the grapevine, 'Come and be our king!'

13 But the grapevine replied, 'No! *I will not be your king* The new wine *that is made from my grapes* causes people and gods *who drink it to become very hap-*

py. I do not want to stop producing grapes and rule over you other trees!' [RHQ]

¹⁴ Then all the trees said to the thornbush, 'Come and be our king!'

¹⁵ The thornbush replied, 'If you truly want to appoint me to be your king, come into the shade of my *tiny branches*. But if you do not want to do that, I hope/desire that fire will come out from me and burn up all the huge cedar trees in Lebanon *country*!'

¹⁶ After Jotham finished telling them this parable, he said, "So now I ask you, were you being completely honest and sincere when you appointed Abimelech to be your king [RHQ]? And have you treated Gideon and his family [RHQ] fairly? Have you rewarded Gideon by honoring him as he deserved *because of all the good things he did for you*? No! ¹⁷ Do not forget that my father fought a battle for you, and he was willing to die for you *if that had been necessary*, to save you from the Midian people-group. ¹⁸ But now you have rebelled against my father's family, and you have killed 69 of his sons on one huge rock. And you have appointed Abimelech—who is the son of my father's slave girl, *not the son of his wife*—to be the king who will rule you people of Shechem. You have done that only because he is one of your relatives! ¹⁹ So, if today you have truly acted fairly and sincerely toward Gideon and his family, I hope/desire that he will cause you to be happy and that you will cause him to be happy. ²⁰ But if what you did was not right, I wish/desire that Abimelech will burn up all of you leaders of Shechem and Beth-Millo with fire! And I also hope/desire that the leaders of Shechem and Beth-Millo will cause fire to burn up Abimelech!"

²¹ After Jotham finished saying that, he escaped from them and ran away to Beer town. He stayed there because he was afraid that his brother Abimelech would try to kill him.

Abimelech and his men killed the people of Shechem

²² Abimelech became the leader of all the people of Israel. He ruled them for three years. ²³ Then God sent an evil spirit to cause trouble between Abimelech and the leaders of Shechem, with the result that the leaders of Shechem rebelled against Abimelech. ²⁴ The leaders of Shechem had previously helped Abimelech to kill 69 of Gideon's sons, who were his brothers. So now God sent the evil spirit to punish all of them.

²⁵ The leaders of Shechem set an ambush/sent men to hide on the hilltops to ambush Abimelech. Those men robbed everyone who passed by. But someone told Abimelech about it, so he did not go near them.

²⁶ There was a man named Gaal, the son of Ebed, who moved into Shechem city, along with his brothers. Soon the leaders of Shechem started to trust him. ²⁷ They went out of the city to their vineyards and picked some grapes. They pressed the grapes to make juice, and then they made wine. Then they had a feast in the temple of their god, and they ate a lot of food

and drank a lot of wine. Then they cursed Abimelech.

²⁸ Gaal said, "Why should we allow Abimelech to rule over us?/We should not allow Abimelech to rule over us! [RHQ] He is only one of Gideon's sons, so he really does not belong to us [RHQ]! And he appointed Zebul, the governor of our city, to be his deputy! We should serve/be loyal to one of the descendants of Hamor, the founder of our city, and let him be our leader, not Abimelech [RHQ]! ²⁹ If you would appoint me to be your leader, I would get rid of Abimelech. I would say to him, 'Get your army ready, and then come to fight us!'"

³⁰ When someone told Zebul what Gaal said, he was very angry. ³¹ He secretly sent some messengers to Abimelech. They told him, "Gaal and his brothers have come here to Shechem, and they are causing the people of the city to rebel against you. ³² You and your men should get up during the night and go and hide in the fields outside the city. ³³ As soon as the sun rises in the morning, get up and attack the city. When Gaal and his men come out to fight against you, you can do to them whatever you want to."

³⁴ So Abimelech and all the men who were with him got up during the night. They divided into four groups, and hid in the fields near Shechem. ³⁵ The next morning, Gaal went out and stood at the entrance to the city gate. While he was standing there, Abimelech and his soldiers came out of their hiding places and started walking toward the city.

³⁶ When Gaal saw the soldiers, he said to Zebul, "Look! There are people coming down from the hills!"

But Zebul said, "You are seeing only the shadows of trees on the hills. They are not people; they only resemble people." ³⁷ But Gaal looked again, and said, "Look! There are people coming down from the top of the sacred mountain! There is a group of them coming down from where the tree is where people talk with the spirits of dead people!"

³⁸ Zebul said to Gaal, "Now what good is your bragging?/your bragging is worthless! [MTY, RHQ] You said, 'Why should we serve Abimelech/We should not allow Abimelech to rule over us?'/ You made fun of these men. So now go out and fight them!"

³⁹ So Gaal led the men of Shechem outside the city to fight Abimelech and his men. ⁴⁰ Abimelech and his men pursued them, and they killed many of Gaal's men before they could return safely inside the city gate. ⁴¹ Abimelech then stayed at Arumah, about five miles away from Shechem, and Zebul's men forced Gaal and his brothers to leave Shechem.

⁴² The next day, the people of Shechem got ready to leave the city and work in their fields. When someone told Abimelech about that, ⁴³ he divided his men into three groups, and told them to hide in the fields. So they did that. And when they saw the people coming out of the city, they jumped up and attacked them.

⁴⁴ Abimelech and the men who were with him ran to

the city gate. The other two groups ran out to the people in the fields and attacked them. ⁴⁵ Abimelech and his men fought all day. They captured the city and killed all the people. They tore down all the buildings, and then they threw salt over the ruins *in order that nothing would grow there again.*

They killed the people in the fortress

⁴⁶ When the leaders who lived in the tower/fortress outside of Shechem heard what had happened, they ran and hid inside the *fortress, which was also a temple of their god El-Berith.* ⁴⁷ But someone told Abimelech that all the leaders had gathered there. ⁴⁸ So he and all the men who were with him went up Zalmon Mountain, *which is near Shechem.* Abimelech cut some branches of trees with an axe, and put them on his shoulders. Then he said to all the men who were with him, "Quickly, do what I have just done!" ⁴⁹ So his men all cut branches *then carried them down the mountain,* following Abimelech. They went to the fortress and piled the branches against its walls. Then they kindled a fire, and the fire burned down the fortress and killed all the people who were inside. So all the people who were inside the fortress—about 1,000 men and women—died.

Abimelech was killed

⁵⁰ Then Abimelech and his men went to Thebes *city.* They surrounded it and captured it. ⁵¹ But there was a strong tower inside the city. So all the men, women, and leaders of the city ran to the tower. When they were all inside, they locked the door. Then they climbed up to the roof of the tower. ⁵² Abimelech and his men came to the tower and tried to get in the door, *but they could not.* Then Abimelech prepared to light a fire to burn down the door. ⁵³ But when Abimelech came near the doorway, a woman *who was on the roof* dropped a big grinding stone on his head, and crushed his skull.

⁵⁴ Abimelech quickly called to the young man who carried Abimelech's weapons, and said, "Pull out your sword and kill me with it! I do not want people to say 'It was a woman who killed Abimelech.'" So the young man thrust his sword into Abimelech, and Abimelech died. ⁵⁵ When the Israeli soldiers saw that Abimelech was dead, they all returned to their homes.

⁵⁶ In that way God punished Abimelech for the evil things that he had done to his father and especially for killing all 69 of his brothers. ⁵⁷ God also punished the men of Shechem for the evil things that they had done. And when those things happened, it fulfilled what Gideon's son Jotham said when he cursed *Abimelech and the leaders of Shechem.*

Tola ruled the Israelis

10 After Abimelech died, Tola the son of Puah and grandson of Dodo became the leader to

rescue the Israeli people *from their enemies.* He belonged to the tribe of Issachar, but he lived in Shamir *city* in the hilly area where the descendants of Ephraim live. ² He ruled the Israeli people for 23 years. Then he died and was buried in Shamir.

Jair ruled the Israelis

³ After Tola died, Jair, from the Gilead *region,* became the Israelis' leader, and he ruled them for 22 years. ⁴ He had thirty sons, and each of them had his own donkey to ride on. They each controlled a different town in the Gilead *region.* That region is still named 'The Towns of Jair'. ⁵ When Jair died, he was buried in Kamon *city.*

The Ammon people-group oppressed the Israelis

⁶ Again the Israelis did things that Yahweh said were wrong/evil. They worshiped *the idols of their god* Baal and *their goddess* Astarte. They also worshiped the gods of the Aram, Sidon, Moab, and Ammon people-groups, and the gods of the Philistia people-group. They abandoned Yahweh and stopped worshiping him. ⁷ So Yahweh was very angry with them, and he allowed the Philistia and Ammon people-groups to defeat [IDM] the Israelis. ⁸ In that same year, those people started to oppress the Israelis who lived in the Gilead *region* on the east side of the Jordan *River.* That was where the Amor people-group also lived. They caused the Israelis who lived in that region to suffer for 18 years. ⁹ Then the people of the Ammon people-group crossed the Jordan *River* to fight against the people of the tribes of Judah, Benjamin, and Ephraim. They caused the Israelis' lives to be very miserable. ¹⁰ So the Israelis cried out to Yahweh, saying "We have sinned against you. We have abandoned you, and we have been worshiping *the idols of their god* Baal."

¹¹ Yahweh answered them, saying, "When the people of Egypt, and the Amor and Ammon and Philistia people-groups ¹² and the Sidon and Amalek and Maon people-groups were cruel to you, you cried out to me, and then I rescued you. ¹³ But now you have abandoned me again, and you have been worshiping other gods. So I will not rescue you again. ¹⁴ You have chosen those gods *to be the ones that you worship.* So call to them to help you. Allow them to rescue you when you have a lot of trouble!"

¹⁵ But the Israeli people said to Yahweh, "Truly we have sinned. Punish us in whatever way you wish to, but please rescue us now!" ¹⁶ Then the Israelis threw away the *idols of the gods* that belonged to other people-groups, and they worshiped Yahweh again. He saw that they were suffering very much, and he felt sorry [IDM] for them.

¹⁷ The Ammon people-group gathered to fight *against the Israelis,* and they set up their tents in the Gilead *region.* The Israeli men also gathered and set

up their tents at Mizpah, *which was a city in Gilead.*

¹⁸ The Israeli leaders said, "Who will lead our soldiers to attack the Ammon people-group? The one who will lead us will become the leader of all us who live in this Gilead region."

Jephthah was chosen to be their leader

11 *There was a man from the Gilead region* named Jephthah. He was a great warrior. His father was also named Gilead. But his mother was a prostitute. ² Gilead's wife gave birth to several sons. When they grew up, they forced Jephthah to leave home, saying to him, "You are the son of a prostitute, *not the son of our mother. So when our father dies, you will not receive any of his property.*" ³ So Jephthah ran away from his brothers, and he went to the Tob region. While he was there, some worthless men started to spend a lot of time with him.

⁴ Some time later, the Ammon people-group started to fight against the Israelis. ⁵ When that happened [DOU], the leaders of the Gilead region went to Jephthah to bring him back from the Tob region *to their area.* ⁶ They said to him, "Come *with us* and lead our army, and *help us* to fight against the men from the Ammon people-group!"

⁷ But Jephthah replied, "You hated me [RHQ] previously! You forced me to leave my father's house! So why are you coming to me now, *asking me to help you* when you are experiencing trouble?"

⁸ The leaders from Gilead replied, "Yes, *we are having trouble, and* that is the reason that we have come to you now. If you come with us and *help us* to fight against the Ammon people-group, *after we defeat them, we will appoint you* to be the leader of all us people in the Gilead region."

⁹ Jephthah replied, "If I go back to Gilead with you to fight against the Ammon people-group, and if Yahweh helps us to defeat them, will you truly appoint me to be your leader?"

¹⁰ They replied, "Yahweh is listening to everything that we say. *So he will punish us if we do not do everything that you tell us to do.*" ¹¹ So Jephthah went with them back to the Gilead region, and the people appointed him to be their leader and the commander of their army. And Jephthah solemnly promised to Yahweh there at Mizpah *to serve him well.*

Jephthah's message to the king of the Ammon people-group

¹² Jephthah sent some messengers to the king of the Ammon people-group. They asked the king, "What have we *done to make you angry, with the result that your army is coming to fight against the people in our land?*"

¹³ The king replied, "*We have come to fight against you Israelis because you took our land when you came here from Egypt. You took all our land east of the Jor-*

dan River, from the Arnon River in the south to the Jabbok River in the north. So if you now give it back to us, there will be peace between us/we will not fight against you."

¹⁴ *The messengers returned to Jephthah and told him what the king had said.* So Jephthah sent the messengers to the king again. ¹⁵ They said to him, "This is what Jephthah says: *'It is not true that we Israelis took the land from the Moab people-group and the Ammon people-group.* ¹⁶ When the Israeli people came out of Egypt, they walked through the desert to the Red Sea, and then *walked across it and traveled to Kadesh town at the border of the Edom region.* ¹⁷ They sent messengers to the king of the Edom people-group, to say to him, "Please allow us Israelis to walk across your land." But the king of the Edom people-group refused. Later we sent the same message to the king of the Moab people-group, but he also refused to allow the Israelis to go through his land. So the Israelis stayed at Kadesh *for a long time.* ¹⁸ Then the Israelis went into the desert and walked outside the borders of the Edom and Moab regions. They walked east of the Moab region, east of the Arnon River, *which is the eastern border of the Moab region.* They did not cross that river to enter the Moab region.

¹⁹ Then the Israelis sent a message to Sihon, the king of the Amor people-group, who lived in Heshbon city. They asked him, "Will you please allow us Israeli people to cross through your land to arrive at the land to which we *are going.*" ²⁰ But Sihon did not trust the Israelis; *he thought that they would steal some of the things in his land.* So he gathered all his troops and they set up their tents at Jahaz village and then they attacked the Israelis. ²¹ But Yahweh, the God whom we Israelis worship, enabled the Israeli army to defeat [IDM] Sihon and his army. Then they took possession of/*started to live in* all the land where the Amor people-group had lived. ²² The Israelis took all the land that belonged to the Amor people-group, from the Arnon River *in the south* to the Jabbok River *in the north*, and from the desert *in the east* to the Jordan River *in the west.*

²³ It was Yahweh, the God whom we Israelis worship, who forced the Amor people-group to leave as the Israelis advanced. So do you now think that you can force the Israelis to leave [RHQ]? ²⁴ You take the land that your god Chemosh has given to you. And we will live in the land that Yahweh our God has given to us! ²⁵ *You are no/Are you* better than Zippor's son Balak, who was the king of the Moab people-group? He never [RHQ] quarreled with the Israeli people, and he never started to fight against us [RHQ]! ²⁶ For 300 years the Israeli people have lived in Heshbon and Aroer cities *in your region*, and in the surrounding towns, and in all the cities along the Arnon River. Why have you people of the Ammon people-group not taken back those cities during all those years [RHQ]? ²⁷ We have not sinned against you, but you are sin-

ning against me by attacking me *and my army*. I trust that Yahweh, the great judge, will decide whether we Israelis are right, or whether you people of the Ammon people-group are right.’”

²⁸ But the king of the Ammon people-group did not pay attention to that message from Jephthah.

²⁹ Then the Spirit of Yahweh took control of Jephthah. Jephthah went through the Gilead *region* and through the area where the tribe of Manasseh lived, to *enlist/gather men for his army*. He finally gathered them together in Mizpah city in the Gilead *region* to fight against the Ammon people-group. ³⁰ There Jephthah made a solemn promise to Yahweh. He said, “If you will enable my army to defeat [IDM] the Ammon people-group, ³¹ when I return from the battle, I will sacrifice to you the first person who comes out of my house to greet me. It will be a sacrifice that will be completely burned on the altar.”

³² Then Jephthah and his men went from Mizpah to attack the Ammon people-group, and Yahweh enabled his army to defeat them. ³³ Jephthah and his men killed them, from Aroer city all the way to the area around the city of Minnith. They destroyed 20 cities, as far as the city of Abel Keramim. So the Israelis completely defeated the Ammon people-group.

³⁴ When Jephthah returned to his home in Mizpah, his daughter was the first one to come out of the house to meet him. She was joyfully playing a tambourine and dancing. She was his only child; he had no sons and no other daughters. ³⁵ When Jephthah saw his daughter, he tore his clothes to show that he was very sad about what he was going to do. He said to her, “My daughter, you have caused me to become very sad [DOU] because I made a solemn promise to Yahweh to sacrifice the first one who came out of my house, and I must do what I promised.”

³⁶ His daughter said, “My father, you made a solemn promise to Yahweh. So you must do to me what you promised, because you said that you would do that if Yahweh helped you to defeat our enemies, the Ammon people-group.” ³⁷ Then she also said, “But allow me to do one thing. ♦First/before you do what you promised♦, allow me to go up into the hilly area and wander around for two months. Since I will never be married and have children, allow me and my friends to go and cry together.”

³⁸ Jephthah replied, “All right, you may go.” So she left for two months. She and her friends stayed in the hills and they cried for her because she would never be married. ³⁹ After two months, she returned to her father Jephthah, and he did to her what he had vowed. So his daughter never was married.

Because of that, the Israelis now have a custom. ⁴⁰ Every year the young Israeli women go into the hills for four days to remember and cry about what happened to the daughter of Jephthah.

Jephthah's army defeated the tribe of Ephraim

12 The men of the tribe of Ephraim summoned their soldiers, and they crossed the Jordan River to the town of Zaphon to talk with Jephthah. They said to him, “♦Why did you not ask us for help?/You should have requested us♦ to help your army fight the Ammon people-group. So we will burn down your house while you are in it.”

² Jephthah replied, “The Ammon people-group were oppressing us greatly. When we were prepared to start to attack them, I requested you to come and help us, but you refused. My men and I defeated the Ammon people-group, but you did not help us. ³ When I saw that you would not help us, I was willing to be killed in the battle against the Ammon people-group. But Yahweh helped us to defeat them. You did not help us when we requested it before, so ♦why have you come here today to fight against me?/you should not have come here today to fight against me.♦” [RHQ]

⁴ Then Jephthah summoned the men of the Gilead *region* to fight against the men of the tribe of Ephraim. The men of the tribe of Ephraim said, “You men from the Gilead *region* are men who deserted us. Long ago you left us and moved to the area between our tribe and the tribe of Manasseh.” Because of their saying that, the men of the Gilead *region* attacked the men of the tribe of Ephraim. ⁵ The men of Gilead captured that ♦ford/place where people can walk across♦ at the Jordan River to go to the land where the tribe of Ephraim live. Whenever one of the soldiers from the tribe of Ephraim came to the ford to try to escape, he would say, “Let me cross the river.” Then the men of Gilead would ask him, “Are you from the tribe of Ephraim?” If he said “No,” ⁶ they would say to him, “Say the word ‘Shibboleth’.” The men of Ephraim could not pronounce that word correctly. So if the person from the tribe of Ephraim said ‘Sibboleth’, they would know that he was lying and that he was really from the tribe of Ephraim, and they would kill him there at the ford.

So the men of Gilead killed 42,000 people from the tribe of Ephraim at that time.

⁷ Jephthah, the man from the Gilead *region*, was a leader of the Israeli people for six years. Then he died and was buried in a town in the Gilead *region*.

Ibzan became their leader

⁸ After Jephthah died, a man named Ibzan, from Bethlehem, became the leader of the Israeli people. ⁹ He had 30 sons and 30 daughters. He forced all his daughters to marry men who were not in his clan, and brought women from outside his clan to marry his sons. He was the leader of the Israeli people for seven years. ¹⁰ When he died he was buried in Bethlehem.

Elon became their leader

¹¹ After Ibzan died, a man named Elon, from the tribe of Zebulun, became the leader of the Israeli people. He was their leader for ten years. ¹² Then he died and was buried in Aijalon *city* in the area where the tribe of Zebulun lives.

Abdon became their leader

¹³ After Elon died, a man named Abdon who was the son of Hillel, from Pirathon *city*, in the area where the tribe of Ephraim live became the leader of the Israeli people. ¹⁴ He had 40 sons and 30 grandsons. Each of them had his own donkey on which to ride. Abdon was the leader of the Israeli people for eight years. ¹⁵ When Abdon died, he was buried in Pirathon, in the hilly area where the descendants of Amalek lived previously, *but now it is the area where the tribe of Ephraim lives.*

Samson was born

13 Again the Israeli people did things that Yahweh said were very evil. So Yahweh enabled the people of Philistia to conquer them. They ruled over the Israelis for 40 years.

² There was a man named Manoah from the descendants of Dan who lived in Zorah *town*. His wife was unable to become pregnant, so they had no children. ³ One day, Yahweh appeared to Manoah's wife in the form of an angel, and said to her, "Even though you have not been able to give birth to any children until now, you will soon become pregnant and give birth to a son. ⁴ *From now until he is born*, you must not drink any wine or other alcoholic/fermented drink, and you must not eat any food that will make you unacceptable to God. ⁵ After you give birth to your son, you must never allow his hair to be cut. He must be dedicated to God from the day he is born until the day he dies. He is the one who will rescue *many of* the Israeli people from the people of Philistia."

⁶ The woman ran and told her husband, "A prophet came to me. He looked awesome, like an angel from God. I did not ask where he came from, and he did not tell me his name. ⁷ But he told me, 'You will become pregnant and give birth to a son. Until then, you must not drink any wine or any alcoholic/fermented drink, and you must not eat any food that would make you unacceptable to God. Your son must be dedicated to God from the day he is born until the day he dies.'"

⁸ Then Manoah prayed to Yahweh, saying, "O Yahweh, I plead with you, allow that prophet whom you sent to us to come again, and teach us how we should raise the boy who will be born to us."

⁹ God did what Manoah asked, and Yahweh again appeared to his wife in the form of an angel, while she was out in the field. But again her husband Manoah was not with her. ¹⁰ So she quickly ran and said to her

husband, "The man who appeared to me a few days ago has come back again!"

¹¹ Manoah ran back with his wife, and asked, "Are you the man who talked with my wife a few days ago?" He replied, "Yes, I am."

¹² Manoah asked him, "When what you promised occurs *and my wife gives birth to a son*, what rules must he obey, and what work will he do *when he grows up?*"

¹³ Yahweh replied, "Your wife must obey all the instructions I gave her. ¹⁴ *Before the baby is born*, she must not eat grapes, or drink wine or any other alcoholic/fermented drink, or eat anything that would make her unacceptable to God."

¹⁵ Then Manoah said, "Please stay here until we can kill and cook a young goat for you."

¹⁶ Yahweh replied, "I will stay here, but I will not eat anything. However, you may kill an animal and sacrifice it as a burned offering to Yahweh." (Manoah did not realize that *the man he thought was* an angel was really Yahweh.)

¹⁷ Then Manoah asked him, "What is your name? When what you have promised happens, we want to honor you."

¹⁸ Yahweh replied, "◊Why do you ask me my name?/You should not ask me my name.◊ [RHQ] It is ◊wonderful/it cannot be understood◊." ¹⁹ Then Manoah killed a young goat and burned it on a rock, along with a grain offering, as a sacrifice to Yahweh. And Yahweh did an amazing thing while Manoah and his wife watched. ²⁰ Flames from the altar blazed up toward the sky, and Yahweh ascended in the flames. When Manoah and his wife saw that, they prostrated themselves on the ground. ²¹ Although Yahweh did not appear in the form of an angel to Manoah and his wife again, Manoah realized that *the man they thought was* an angel was really Yahweh.

²² So he said, "Now we will die, because we have seen God!"

²³ But his wife said, "No, we will not die, because if Yahweh intended to kill us, he would not have accepted the burned offering and the grain offering. And he would not have appeared to us and told us the wonderful thing that would happen to us, and he would not have performed this miracle."

²⁴ When their son was born, they named him Samson. Yahweh blessed him as he grew up. ²⁵ And while he was in Mahaneh-Dan, which is between Zorah and Eshtaol *towns*, Yahweh's Spirit began to control him.

Samson's riddle

14 One day when Samson was in Timnah *town*, he saw a young Philistine woman there. ² When he returned home, he told his mother and father, "I saw a young Philistine woman in Timnah, and I want you to get her for me so I can marry her."

³ His mother and father objected very strongly. They said, "Is there no woman from our tribe, or from the

other Israeli tribes, that you could marry? Why must you go to the heathen Philistines to get a wife?"

But Samson told his father, "Get her for me! She is the one I want!"⁴ His mother and father did not realize that Yahweh was arranging this. He was preparing a way for *Samson to defeat* the Philistines, who were ruling over Israel at that time.⁵ So, as Samson was going down to Timnah, followed by his mother and father, a young lion attacked Samson near the vineyards close to Timnah.⁶ Then Yahweh's Spirit came upon Samson powerfully, with the result that he tore the lion apart with his hands. He did it *as easily* as if it were a young goat. But he did not tell his mother and father about it.⁷ When they arrived in Timnah, Samson talked with the young woman, and he liked her very much. *And his father made arrangements for the wedding.*

⁸ Later, when Samson returned to Timnah for the wedding, he turned off the path to see the carcass of the lion. He discovered that *after other creatures had eaten all the flesh, a swarm of bees had made a hive in the skeleton and had made some honey.*⁹ So he scooped some of the honey into his hands and ate some of it as he was walking along. He also gave some of it to his mother and father, but he did not tell them that he had taken the honey from the skeleton of the lion, *because anyone dedicated to God was not to touch any corpse.*

¹⁰ As his father was making the final arrangements for the marriage, Samson gave a party *for the young men in that area.* That was the custom for men to do when they were about to be married.¹¹ Thirty young men were invited to the party.

¹² Samson said to them, "Allow me to tell you a riddle. If you tell me the meaning of my riddle during these seven days of the celebration, I will give each of you a linen robe and an extra set of clothes.¹³ But if you cannot tell me the meaning, you must each give me a linen robe and an extra set of clothes." They replied, "All right. Tell us your riddle."

¹⁴ So he said,
"From the thing that eats came something to eat;
out of something strong came something sweet."
But for three days they could not tell him the meaning of the riddle.

¹⁵ On the fourth day, they said to Samson's bride, "Ask your husband to tell you the meaning of the riddle. If you do not do that, we will burn down your father's house, with you inside it! Did you invite us here only to make us poor *by forcing us to buy a lot of clothes for your husband?*"

¹⁶ So Samson's wife came to him, crying, and said to him, "You do not really love me. You hate me! You have told a riddle to my friends, but you have not told me the meaning of the riddle!"

He replied, "I have not told the meaning of the riddle even to my mother and father, so why should I tell it to you?"¹⁷ She continued to cry every time she was with

him, all during the rest of the celebration. Finally, on the seventh day, because she continued to nag him, he told her the meaning of the riddle. Then she told it to the young men.

¹⁸ So, before sunset on the seventh day, the young men came to Samson and said to him,
What/Nothing is sweeter than honey [RHQ].

What/Nothing is stronger than a lion [RHQ]!

Samson replied, "*You should not force a heifer to plow a field* [MET].

Similarly, if you had not forced my bride to ask me about the riddle [MET],

you would not have known the answer to my riddle!"

¹⁹ Then Yahweh's Spirit powerfully took control of Samson. He went down to *the coast at Ashkelon town,* and killed 30 men. He took their clothes *and went back to Timnah* and gave them to the men who had told him the meaning of the riddle. But he was very angry about what had happened, so he went back home to live with his mother and father.²⁰ So ♦Samson's wife was given/the bride's father gave Samson's wife♦ to the man who had been Samson's best man at the wedding, *but Samson did not know that.*

Samson got revenge on the Philistines

15 During the time that they harvested wheat, Samson took a young goat to Timnah as a present for his wife. He planned to sleep with [EUP] his wife, but her father would not let him go into *her room.*

² He said to Samson, "I really thought that you hated her. So I gave her to the man who had been your best man at the wedding, and she married him. But look, her younger sister is [RHQ] more beautiful than she is. You can marry her!"

³ Samson replied, "No! And this time I have a right to get revenge on you Philistines!"⁴ Then he went out *into the fields* and caught 300 foxes. He tied their tails together, two-by-two. He fastened torches to each pair of tails.⁵ Then he lit the torches and let the foxes run through the fields of the Philistines. The *fire from the torches* burned all the grain to the ground, including the grain that had been cut and piled in bundles. The fire also burned down their grapevines and their olive trees.

⁶ The Philistines asked, "Who did this?" Someone told them, "Samson did it. He married a woman from Timnah, but then his father-in-law gave her to the man who was Samson's best man at the wedding, and she married him." So the Philistines went *to Timnah* and got the woman and her father, and burned them to death.

⁷ Samson *found out about that,* and said to them, "Because you have done this, I will not stop until I get revenge on you!"⁸ So he attacked the Philistines furiously, and killed many of them. Then he went *to hide* in a cave in the large rock at a place called Etam.

⁹ The Philistines *did not know where he was*, so they went up to where the descendants of Judah lived, set up their tents near Lehi town and then *raided the town*. ¹⁰ The men there asked the Philistines, "Why have you attacked us?"

The Philistines replied, "We have come to capture Samson. We have come to get revenge on him for what he did to us."

¹¹ *Someone there knew where Samson was hiding*. So 3,000 men from Judah went down to get Samson at the cave in the rock where he was hiding. They said to Samson, "Do you not realize that the people of Philistia are ruling over us? Do you not realize what they will do to us?"

Samson replied, "The only thing I did was that I got revenge on them for what they did to me."

¹² But the men from Judah said to him, "We have come to tie you up and put you in the hands of the Philistines."

Samson said, "All right, but promise me that you yourselves will not kill me!"

¹³ They replied, "We will just tie you up and take you to the Philistines. We will not kill you." So they tied him with two new ropes, and led him away from the cave. ¹⁴ When they arrived at Lehi, The Philistines came toward him, shouting *triumphantly*. But Yahweh's Spirit came upon Samson powerfully. He snapped the ropes on his arms as easily as if they were stalks of burned flax, and the ropes fell off his wrists. ¹⁵ Then he saw a donkey's jawbone lying on the ground. It was fresh, so *it was hard*. He picked it up and killed about 1,000 Philistine men with it. ¹⁶ Then Samson wrote this poem:

With the jawbone of a donkey
I have made them like a heap of *dead* donkeys.
With the jawbone of a donkey
I killed 1,000 men.

¹⁷ When he finished killing those men, he threw the jawbone away, and later that place was called Jawbone Hill.

¹⁸ Then Samson was very thirsty, so he called out to Yahweh, "You have given me strength to win a great victory. So now must I die because of being thirsty, with the result that those heathen Philistines will take away my body *and mutilate it?*" ¹⁹ So God caused water to gush out of a depression in the ground at Lehi. Samson drank from it and soon felt strong again. He named that place 'The spring of the one who called out'. That spring is still there at Lehi.

²⁰ Samson was the leader of the Israeli people for 20 years, but during that time the Philistines *were the ones who really ruled over the land*.

Samson removed the gate at Gaza

16 One day Samson went to Gaza city in the *Philistia area*. He spent some time with a prostitute. ² People soon found out that Samson was there, so the men of Gaza gathered together at the

city gate and waited all night. They said to themselves, "When it dawns tomorrow morning, we will kill him *when he tries to leave the city*."

³ But Samson did not stay there all night. At midnight, he got up. He went to the city gate, he took hold of its two posts, and he lifted it up out of the ground, with its *connecting cross bar* still attached. He put it on his shoulders and carried it *many miles* uphill to Hebron.

⁴ Later Samson fell in love with a woman named Delilah, *and started to live with her*. She lived in Sorek Valley in the *Philistia area*. ⁵ The Philistine leaders went to her and said, "Find out from Samson what makes him so strong. And find out how we can subdue him and tie him up securely. If you do that, each of us will give you 1,100 pieces of silver."

⁶ So Delilah said to Samson, "Please tell me what makes you so strong, and tell me how someone can subdue you and tie you up."

⁷ Samson said, "If someone ties me with seven new bowstrings, ones that are not dry yet, I will become as weak as other men."

⁸ So *after Delilah told that to the Philistine leaders*, they brought seven new bowstrings to Delilah. ⁹ Then she hid the men in one of the rooms in her house. Then *while Samson was sleeping*, she tied him up with the bowstrings. Then she called out, "Samson! The Philistines have come here to capture you!" But Samson snapped the bowstrings as easily as though they were strings that had been singed in a fire. So the Philistines did not find out what made Samson so strong.

¹⁰ Then Delilah said to Samson, "You have deceived me and lied to me! Now tell me *the truth*, how someone can tie you up securely."

¹¹ Samson replied, "If someone ties me with new ropes, ones that have never been used, I will be as weak as other men."

¹² So again, *she told the Philistine leaders, and they came and hid in the room as they had done before*. And again, while Samson was sleeping, she took the new ropes and tied him up with them. Then she called out, "Samson! The Philistines have come to capture you!" But Samson snapped the ropes on his arms as easily as if they were threads.

¹³ Then Delilah said, "You have deceived me and lied to me *again!* Please tell me how someone can tie you up securely!" Samson replied, "If you weave the seven braids of my hair into the threads you are weaving on the loom, and then fasten those threads with the pin *that makes the threads tight*, then I will be as weak as other men."

So again, while Samson was sleeping on her lap, Delilah held the seven braids of his hair, and wove them into the threads on the loom, ¹⁴ and she tightened them with the pin. Then she called out, "Samson! The Philistines have come to capture you!" But Sam-

son woke up and pulled out the pin, and pulled his hair from the threads on the loom.

¹⁵ Then Delilah said to him, "How can you say that you love me when you do not tell me the truth about yourself? You have deceived me three times, and you still have not told me what really makes you so strong!" ¹⁶ Day after day she nagged him like that. He thought he would die from her nagging [IDM].

¹⁷ Finally Samson told her the truth. He said, "I have been set apart for God since the day I was born. And because of that, my hair has never been cut. If my hair were shaved off, my strength would be gone, and I would be as weak as other men."

¹⁸ Delilah realized that this time he had told her the truth. So she summoned the Philistine leaders again, saying, "Come back one more time, because Samson has really told me everything *about why he is so strong*". So the Philistine leaders returned and brought to Delilah the money *that they promised to give her*. ¹⁹ Again she lulled Samson to sleep, with his head in her lap. Then she called one of the Philistine men to come and shave off Samson's hair. As he did that, Samson began to get weaker. And finally his strength was all gone.

²⁰ Then *after she tied him up*, she called out, "Samson! The Philistines have come to capture you!"

He woke up and thought, "I will do as I did before. I will shake *these ropes* off myself and be free!" But he did not realize that Yahweh had left him.

²¹ So the Philistine men seized him and gouged out his eyes. Then they took him to Gaza. There they put him in prison and bound him with bronze chains. They made him *turn a millstone to grind grain every day*.

²² But his hair started to grow again.

Samson killed many thousands of Philistines when he died

²³ *Several months later* the Philistine leaders celebrated a big festival. During the festival they offered sacrifices to their god Dagon. They praised him, saying, "Our god has enabled us to defeat our great enemy Samson!"

²⁴ And when the other people saw Samson, they also praised their god Dagon, saying,

"Samson ruined our crops and killed many of our people,

but our god has put our enemy into our hands.

Our god helped us to capture the one who has killed so many of us!"

²⁵ By that time the people were half-drunk. They shouted, "Bring Samson out of the prison! Bring him here so that he can entertain us!"

So they brought Samson from the prison and made fun of him. Then they made him stand in the center of the temple. They made him stand between the two pillars that held up the roof. ²⁶ Samson said to the servant who was leading him by his hand, "Place my hands against the two pillars. I want to rest against

them." ²⁷ At that time the temple was full of men and women. All the Philistine leaders were also there. And there were about 3,000 people on the roof, watching Samson and making fun of him. ²⁸ Then Samson prayed, saying, "Yahweh, my Lord, think about me again! Please give me strength one more time, so that I may get revenge on the Philistines for gouging out my eyes!" ²⁹ Then Samson put his hands on the two center pillars of the temple. He put his right hand on one pillar and his left hand on the other pillar. ³⁰ Then he shouted *to God*, "Let me die with the Philistines!", and he pushed with all his strength. *The pillars collapsed*, and the temple crashed down on the Philistine leaders and all the other Philistine people, *and they all died*. So Samson killed more people when he died than he had killed all during his life.

³¹ Later his brothers and their relatives went down *from Zorah to Gaza* to get his body. They took it back home and buried it between Zorah and Eshtaol, at the place where Samson's father Manoah was buried. Samson had been Israel's leader for 20 years.

Micah made idols and hired a priest

17 There was a man named Micah who lived in the hilly area where the tribe of Ephraim live.

² One day he said to his mother, "I heard you curse whoever stole \diamond 1,100 pieces/28 pounds/13 kg. \diamond of silver from your house. I am the one who took the silver, and I still have it." His mother replied, "My son, I pray that Yahweh will bless you *for admitting that you took it*."

³ Micah gave all the silver back to his mother. Then she said *to herself*, "I will give *some of this silver* to Yahweh." And she said to her son, "My son, I want you to make an idol and a statue *from this silver*. So I will give *some of this silver* back to you *for making these things*."

⁴ So when he gave all the silver to his mother, she took \diamond 200 pieces/about 5 pounds/1.6 kg. \diamond of it to a \diamond silversmith/man who made things from silver \diamond . With the silver that man made an idol and a statue, *and gave them to Micah*. Micah put them in his house.

⁵ He had in his house a special \diamond shrine/place for putting sacred things \diamond . He made a sacred vest and some small idols *and put them in this shrine along with the big idol and the statue*. Then Micah chose one of his sons to become his priest. ⁶ At that time, the Israeli people did not have a king. So *Micah and everyone else* did whatever they considered to be the right thing to do.

⁷ There was a young man who had been living in Bethlehem in the area where the tribe of Judah lives. He *wanted to work as a priest* because he was a member of the tribe of Levi. ⁸ So he left Bethlehem to find another place to live *and work*. He came to Micah's house in the hilly area where the tribe of Ephraim live.

⁹ Micah asked him, "Where are you from?"

He replied, "I come from Bethlehem. I am from the tribe of Levi, and I am looking for a place to live *and work as a priest.*" ¹⁰ Micah said to him, "Stay with me, and you can become like a father *to counsel me*, and be my priest. Each year I will give to you ten pieces of silver and some *new clothes*. And I will provide food for you." ¹¹ So the young man agreed to live with Micah. He became like one of Micah's own sons. ¹² Micah appointed him to be a priest, and he lived in Micah's house. ¹³ Then Micah said, "Now I know that Yahweh will do good things for me, because I have a man from the tribe of Levi to be my priest."

The tribe of Dan took Micah's priest and his idols

18 At that time the Israelis had no king.

Also at that time, the tribe of Dan was still searching for some land where they could live. The other Israeli tribes had *been able to* \diamond *capture/take possession of* \diamond the land that had been allotted to them, but the tribe of Dan had not been able to do that. ² So they chose five soldiers from their clans, men who lived in Zorah and Eshtaol *cities*, to go through the land and explore it *and try to find some land where their tribe could live.*

They came to Micah's house in the hilly area where the tribe of Ephraim lived, and they stayed there that night. ³ While they were in his house and they heard the young man who had become Micah's priest talking, they recognized from \diamond *his accent/the way that he talked* \diamond *that he was from the southern part of Israel.* So they went to him and asked him, "Who brought you here? What are you doing here? Why did you come here?"

⁴ He told them the things that Micah had done for him. And he said, "Micah \diamond *has hired me/is paying me to work for him* \diamond , and I have become his priest."

⁵ So they said to him, "Please ask God if we will succeed in what *we are trying to do* on this journey."

⁶ The young man replied, "Things will go well for you. Yahweh will go with you on this journey."

⁷ *The next day* the five men left. When they came to Laish *city*, they saw that the people there lived safely, like the people in Sidon *city* did. The people there thought that they were safe/protected *from any enemies*, and they had plenty of *good fertile* land. They lived very far from the people of Sidon, *so the people of Sidon would not be able to help defend/protect them.* They had no other \diamond *allies/groups* nearby that would help them in battles \diamond .

⁸ When those five men returned to Zorah and Eshtaol, their relatives asked them "What did you find out?"

⁹ They replied, "We have found some land, and it is very good. We should go and *attack* the people *who live there.* Why are you staying here and doing nothing [RHQ]? Do not wait any longer! We should go immediately and take possession of that land! ¹⁰ When you go there, you will see that there is plenty of land,

and it has everything *that we will need.* The people there are not expecting anyone to attack them. Surely God is giving that land to us."

¹¹ So 600 men from the tribe of Dan left Zorah and Eshtaol, carrying their weapons. ¹² On their way they set up their tents near Kiriath-Jearim *city* in *the area where the tribe of Judah* lives. That is why the area west of Kiriath-Jearim was named 'Camp of Dan', and that is still its name. ¹³ From there, they went to the hilly area where the tribe of Ephraim lives. And they arrived at Micah's house.

¹⁴ The five men who had explored the land near Laish said to their fellow Israelis, "Do you know that in one of these houses there is a sacred vest, several idols, and a statue? *We think that you know what you should do.*" [RHQ] ¹⁵ So they went to the house where the man from the tribe of Levi lived, which was the house where Micah lived, and they greeted the young man from the tribe of Levi *who had become Micah's priest.* ¹⁶ The 600 men of the tribe of Dan stood outside the gate of the house, carrying their weapons. ¹⁷ The five men who had explored the land went into Micah's house, and took all the idols, the sacred vest, and the statue. While they did that, the 600 men stood outside the gate, *talking with* the priest.

¹⁸ When the priest saw them bringing out the idols and the sacred vest and the statue, he said to them, "What are you doing?"

¹⁹ They replied, "Be quiet! Do not say anything! You come with us and be *like* a father to us and a priest for us. Is it better for you to *stay here and* be a priest for the people in the house of one man, or to be a priest for a clan, and a priest for a whole tribe of Israelis?" [RHQ] ²⁰ The priest liked what they were suggesting.

So he took the sacred vest and the idols, and he *prepared to go with* the men from the tribe of Dan.

²¹ They all put their little children and their animals and everything else that they owned in front of them.

²² After they had gone a little distance from Micah's house, Micah *saw what was happening.* He quickly summoned the men who lived near him, and they ran and caught up with the men from the tribe of Dan.

²³ They shouted at them. The men of the tribe of Dan turned around and said to Micah, "What is the problem? Why have you gathered these men *to pursue us?*"

²⁴ Micah shouted, "You took the silver idols that were made for me! You also took my priest! I do not have anything left [RHQ]! So why do you ask me, 'What is the problem?'"

²⁵ The men from the tribe of Dan replied, "You should not shout loudly like that! One of our angry men might attack you and kill you and your family!"

²⁶ Then the men from the tribe of Dan continued walking. Micah realized that there was a very large group of them, *so that it would be useless for him to try to fight them.* So he turned around and went home.

²⁷ The men of the tribe of Dan were carrying the things that had been made for Micah, and they also took his priest, and they continued traveling to Laish. They attacked the people who were peacefully living there, and killed them with their swords, and then they burned everything in the city. ²⁸ Laish was far from *the city of Sidon, so the people of Sidon could not rescue the people of Laish.* And the people of Laish had no other allies. Laish was in a valley near Beth-Rehob town.

The people of the tribe of Dan rebuilt the city and started to live there. ²⁹ They gave to the city a *new name, Dan, in honor of their ancestor Dan, who was one of the sons of Jacob.* ³⁰ The people of the tribe of Dan set up *in the city the idols that had been made for Micah.* Jonathan, who was the son of Gershom and the grandson of Moses, was appointed to be their priest. His descendants continued to be priests until the Israelis were captured and taken *to Assyria.* ³¹ After the people of the tribe of Dan set up the idols that had been made for Micah, *they worshiped those idols, even though the Sacred Tent where they had been commanded to worship God, was at Shiloh.*

A Levite and his concubine

19 At that time the Israeli people had no king. There was a man from the tribe of Levi who lived in a remote place in the hilly area where the tribe of Ephraim lives. He had previously taken as a wife a woman who was a slave. She was from Bethlehem, in the area where the tribe of Judah lives. ² But she started to sleep with other men also. Then she left him and returned to her father's house in Bethlehem. She stayed there for four months. ³ Then her husband took his servant and two donkeys and went to Bethlehem. He went to ask her to come back to live with him again. When he arrived at her father's house, she invited him to come in. Her father was happy to see him. ⁴ The woman's father asked him to stay. So he stayed there for three days. During that time he ate and drank and slept there.

⁵ On the fourth day, they all got up early in the morning. The man from the tribe of Levi was preparing to leave, but the woman's father said to him, "Eat something before you go." ⁶ So the two men sat down to eat and drink together. Then the woman's father said to him, "Please stay another night. Relax/Rest and have a joyful time." ⁷ The man from the tribe of Levi wanted to leave, but the woman's father requested him to stay one more night. So he stayed again that night. ⁸ On the fifth day, the man got up early and prepared to leave. But the woman's father said to him again, "Have something to eat. Wait until this afternoon, *and then leave.*" So the two men ate together.

⁹ In the afternoon, when the man from the tribe of Levi and his slave wife and his servant got up to leave, the woman's father said, "It will soon be dark. The day is almost over. Stay here tonight and have a good/joy-

ful time. Tomorrow morning you can get up early and leave for your home." ¹⁰ But the man from the tribe of Levi did not want to stay for another night. He put saddles on his two donkeys, and started to go with his slave wife *and his servant* toward Jebus city, which is *now named Jerusalem.*

¹¹ Late in the afternoon, they came near to Jebus. The servant said to his master, "We should stop in this city where the Jebus people-group live, and stay here tonight."

¹² But his master said, "No, it would not be good for us to stay here where foreign people live. There are no Israeli people here. We will go on to Gibeah city." ¹³ He said to his servant, "Let's go. It is not far to Gibeah. We can go there, or we can go a bit further to Ramah. We can stay in one of those two cities tonight." ¹⁴ So they continued walking. When they came near Gibeah, where people from the tribe of Benjamin live, the sun was setting. ¹⁵ They stopped to stay there that night. They went to the public square of that city and sat down. But no one *who passed by* invited them to stay in their house for that night.

¹⁶ Finally, in the evening, an old man came by. He had been working in the fields. He was from the hilly area of the tribe of Ephraim, but at that time he was living in Gibeah. ¹⁷ He realized that the man from the tribe of Levi was only traveling and did not have a home in that city. So he asked the man, "Where have you come from? And where are you going?"

¹⁸ He replied, "We are traveling from Bethlehem to my home in the hilly area where people of the tribe of Ephraim live. I went from there to Bethlehem, but now we are going to *Shiloh* where Yahweh's Sacred tent (OR, my house) is. No one here has invited us to stay in their house tonight. ¹⁹ We have straw and food for our donkeys, and bread and wine for me and the young woman and my servant. We do not need anything else."

²⁰ The old man said, "I wish that things will go well for you, but I would like to provide what you need. Do not stay here in the square tonight." ²¹ Then the old man took them to his house. He gave food to the donkeys. He *gave water to the man and the woman and the servant* to wash their feet. And he gave them something to eat and drink.

²² While they were having a good/joyful time together, some wicked men from that city surrounded the house and started to bang on the door. They shouted to the old man, "Bring out to us the man who has come to your house. We want to have sex with him."

²³ The old man went outside and said to them, "Friends, I will not do that. That would be a very evil thing. This man is a guest in my house. You should not do such a terrible/disgraceful/shameful thing! ²⁴ Look, my daughter is here. She is *still* a virgin. And this man's slave wife is here. I will bring them out to you now. You may do to them whatever you wish, but do

not do such a terrible/disgraceful/shameful thing to this young man!"

²⁵ But the men did not pay attention to what he said. So the man from the tribe of Levi took his slave wife and sent her to them, outside the house. They raped [EUP] her and abused her all night. Then at dawn, they allowed her to go. ²⁶ She returned to the old man's house, where her husband was staying, but she fell down at the doorway and lay there all night.

²⁷ In the morning, when the man from the tribe of Levi got up, he went outside of the house to continue his journey. He saw his slave wife lying there at the doorway of the house. Her hands were on the doorsill. ²⁸ He said to her, "Get up! Let's go!" But she did not answer, *because she had died*. He put her body on the donkey and traveled to his home.

²⁹ When he arrived home, he took a knife and cut the body of the slave woman into twelve pieces. Then he sent one piece to each area of Israel, *along with a message telling what had happened*. ³⁰ Everyone who saw a piece of the body and the message said, "Nothing like this has ever happened before. Not since our ancestors left Egypt *have we heard of such a terrible thing*. We need to think carefully about it. Someone should decide what we should do."

The war between the tribe of Benjamin and the other tribes of Israel

20 All the Israelis, from Dan *city in the north to Beersheba city in the south*, and even from the Gilead *region on the east side of the Jordan River*, heard what had happened. So they gathered together at Mizpah, *at the place where they worshiped Yahweh*. ² The leaders of *eleven of the tribes of Israel* stood in front of the people who gathered there. There were 400,000 men with swords who were there. ³ The people of the tribe of Benjamin heard that the other Israelis had gone up to Mizpah, *but none of the men from their tribe went to the meeting there*.

The Israelis who had come to Mizpah asked about the evil thing that had happened. ⁴ So the husband of the woman who had been killed replied, "My slave wife and I came to Gibeah *city*, wanting to stay there that night. ⁵ That evening, the men of Gibeah came to attack me. They surrounded the house *where I was staying* and wanted to *have sex with me and then kill me*. They *raped and abused my slave wife all night*, and she died. ⁶ I took her body home and cut it into pieces. Then I sent one piece to each area of Israel, *because I wanted you all to know about this wicked and disgraceful/shameful thing that has been done here in Israel*. ⁷ So now, all you Israeli people, speak, and tell me what you think should be done!"

⁸ All the people stood up, and in unison said, "None of us will go home! Not one of us will return to his house! ⁹ This is what we must do to *the people of Gibeah*. First, we will *cast lots/throw marked stones* to determine which group should attack

them. ¹⁰ We will choose *one tenth/one from every ten* of the men from all the Israeli tribes. Those men will go and find food for the men who will go to attack the people of Gibeah. Then the other men will go to Gibeah to *pay the people back/punish them* for this terrible thing that they have done *here in Israel*." ¹¹ And all the Israeli people agreed *that the people of Gibeah should be punished*.

¹² Then the Israeli men sent messengers throughout the tribe of Benjamin. They demanded, "Do you realize that some of your men have done a very evil thing? ¹³ Bring those wicked men to us, in order that we can execute them. *By doing that*, we will be doing what should be done because of this evil thing that has happened in Israel."

But the *people of the tribe of Benjamin* did not pay attention to their fellow Israelis. ¹⁴ The men of the tribe of Benjamin left their cities and gathered at Gibeah to fight the *other* Israelis. ¹⁵ In that one day the men of the tribe of Benjamin recruited 26,000 soldiers who knew how to fight using swords. They also chose/recruited 700 men from Gibeah. ¹⁶ From all those soldiers there were 700 men who were left-handed, and each of them could sling a stone at a *target that was very small and as narrow as a hair*, and the stone always hit the target!

¹⁷ There were 400,000 men from the other Israeli tribes who had swords.

¹⁸ Those other Israelis went up to Bethel and asked God, "Which tribe should be the first to attack the men from the tribe of Benjamin?"

Yahweh answered, "*The men from the tribe of Judah* should go first."

¹⁹ The next morning, the Israeli men went and set up their tents near Gibeah. ²⁰ Then they went to fight against *the men from the tribe of Benjamin*, and stood in their positions for fighting a battle, *facing Gibeah*.

²¹ The men of the tribe of Benjamin came out of Gibeah and fought against them, and they killed 22,000 Israeli men on that day. ²²⁻²³ *Late that afternoon*, the *remaining* Israeli men went to the place of worship and cried until the sun set. Then they asked Yahweh, "Should we attack the men of the tribe of Benjamin again, even though they are our fellow Israelis?"

Yahweh replied, "Yes, attack them again." So the Israeli men encouraged each other. ²⁴ The next day they again stood in their positions for fighting, just like they had done on the previous day. ²⁵ The men of the tribe of Benjamin came out of Gibeah and attacked the Israelis, and killed 18,000 more of their men.

²⁶ *In the afternoon*, all the people of Israel who had *not been killed* again went to Bethel. There they sat down and cried to Yahweh, and they *fasted/abstained from eating food* until it was evening. They brought some offerings which they burned completely *on the altar*, and they also brought some offerings to maintain fellowship with Yahweh. ²⁷⁻²⁸ At that time,

the Sacred Chest that contained the stone tablets on which were written the Ten Commandments was there at Bethel. A priest named Phinehas, the son of Eleazar and grandson of Aaron, often stood in front of that chest *and talked with Yahweh*. While he stood there on that day, he asked Yahweh, "Shall we go again to fight against our fellow Israelis from the tribe of Benjamin, or shall we stop fighting against them?"

Yahweh answered, "Go again tomorrow, because tomorrow I will enable you to defeat them."²⁹ So the next day, 10,000 of the Israeli men *set up ambushes/ went to hide in the fields* around Gibeah.³⁰ The other Israeli men went and stood in their positions for fighting a battle just like they had done on the previous days.³¹ When the men of the tribe of Benjamin came out of the city to fight against them, the Israeli men retreated away from the city, and the men of the tribe of Benjamin pursued them. The men of the tribe of Benjamin killed many Israelis, like they had done before. They killed about 30 Israelis. They killed some in the fields, and they killed some on the road that went to Bethel and on the road that went to Gibeah.

³² The men of the tribe of Benjamin said, "We are defeating them like we did before!" But then Israeli men did what they had planned. The main group of Israeli men retreated a short distance from the city, to *trick* the men of Gibeah and cause them to pursue the Israeli men along the roads outside the city.

³³ The main group of Israeli men left their positions and retreated, and then they stood in their battle positions again at a place named Baal-Tamar.³⁴ Then *while the men of Gibeah were running out of the city toward them*, the other 10,000 Israelis came out from the places where they had been hiding, west of Gibeah. They were men who had come from all parts of Israel. There was a very big battle. But the men of the tribe of Benjamin did not know that they were about to suffer a disastrous defeat.³⁵ Yahweh enabled the Israeli men to defeat the men of the tribe of Benjamin. They killed 25,000 of them, even though they all were using swords.

*This is what happened:*³⁶⁻³⁸ The main group of Israeli men arranged with the men who would be hiding that they should send up a smoke signal to enable the main group of soldiers to know when they should attack. Then the main group of Israeli men retreated for a short distance, because they knew that the other Israeli men *who had been hiding on the other side* of Gibeah would attack the people of the tribe of Benjamin by surprise. So *after the main group of Israeli men retreated a little distance*, the men who had been hiding rushed out and ran into Gibeah and used their swords to kill everyone in the city. *Then they started to burn the buildings.*

³⁹ By that time, the men of the tribe of Benjamin said, "We are winning the battle, as we did before!"

⁴⁰ But then smoke *from the burning buildings* began to rise up from the city. The men of the tribe of Ben-

jamin turned around and saw that the whole city was burning.⁴¹ Then the main group of Israeli men *also saw the smoke, and they knew that the smoke signaled that they should* turn around and begin to attack. The men of the tribe of Benjamin were very afraid, because they realized that they were about to suffer a disastrous defeat.⁴² So the men of the tribe of Benjamin tried to run away toward the desert to escape from the Israeli men, but they were not able to escape, because the Israeli men *who had burned* the two cities came out of those cities and killed many of them.⁴³ They surrounded *some of* the men of the tribe of Benjamin, and pursued the others to the area east of Gibeah.⁴⁴ They killed 18,000 strong soldiers of the tribe of Benjamin.⁴⁵ Then the rest of the men of the tribe of Benjamin realized that they had been defeated. They ran toward the desert to Rimmon Rock, but the Israeli men killed 5,000 more men of the tribe of Benjamin along the roads. They pursued the rest of them to Gidom, and they killed 2,000 more men of the tribe of Benjamin there.

⁴⁶ Altogether, there were 25,000 men of the tribe of Benjamin who were killed, all of whom had swords.⁴⁷ But 600 men of the tribe of Benjamin ran to Rimmon Rock in the desert. They stayed there for four months.⁴⁸ Then the Israeli men went back to the land belonging to the tribe of Benjamin, and killed the people in every city. They also killed all the animals, and destroyed everything else that they found there. And they burned all the cities that they came to.

They found wives for the men of the tribe of Benjamin

21 When the Israeli men gathered at Mizpah *before the battle started*, they vowed, "None of us will ever allow one of our daughters to marry any man from the tribe of Benjamin!"² But now the Israelis went to Bethel and they cried loudly to Yahweh all day, until the sun went down.³ They kept saying, "Yahweh, God of us Israeli people, *it is as though* one of the tribes of us Israelis does not exist anymore! *Why has this happened to us?/It is terrible that this has happened to us!*" [RHQ]

⁴ Early the next morning the people built an altar. Then they completely burned some sacrifices *on the altar*, and also offered other sacrifices to maintain fellowship with God.

⁵ Then, because they had vowed that anyone who did not meet with them at Mizpah *to help fight the men of the tribe of Benjamin* would be killed, they asked among themselves, "Were there any of the tribes of Israel who did not come to Mizpah to meet with us in the presence of Yahweh?"

⁶ The Israelis felt sorry for their fellow Israelis from the tribe of Benjamin. They said, "Today one of our Israeli tribes *has disappeared/no longer exists*."

⁷ Yahweh heard us solemnly declare that we would not allow any of our daughters to marry any man from the tribe of Benjamin. What can we do to make certain

that the men of the tribe of Benjamin who were not killed will have wives?" ⁸ Then *one of* them asked, "What group from any of the tribes of Israel did not send any men here to Mizpah?" ⁹ *They realized that* when the soldiers were counted, there was no one from Jabesh-Gilead *city* who had come there.

¹⁰ So all the Israelis decided to send 12,000 very good soldiers to Jabesh-Gilead to kill the people there with their swords, even to kill the married women and children. ¹¹ *They told this to those men:* "This is what you must do: You must kill every man in Jabesh-Gilead. You must also kill every married woman. *But do not kill the unmarried women.*" ¹² So those soldiers went to Jabesh-Gilead and killed all the men, married women, and children. But they found 400 unmarried young women there. So they brought them to their camp at Shiloh, in Canaan, *across the river from the Gilead area that belonged to the tribe of Benjamin.*

¹³ Then all the Israelis *who had gathered* sent a message to the 600 men who were at Rimmon Rock. They said that they would like to make peace with them.

¹⁴ So the men came back from Rimmon Rock. The Israelis gave to them the women from Jabesh-Gilead whom they had not killed. But there were *only 400 women* There were not enough women *for those 600 men.*

¹⁵ The Israelis *still* felt sorry for the men of the tribe of Benjamin, because Yahweh had *decimated/almost wiped out* one of the Israeli tribes. ¹⁶ The Israeli leaders said, "We have killed all the married women of the tribe of Benjamin. Where can we get women to be wives of the men who are still alive?"

¹⁷ These men must have wives to give birth to children, in order that their families will continue. If that does not happen, all the people of one of the tribes of Israel will die. ¹⁸ But we cannot allow our daughters to marry these men, because we vowed that Yahweh will

curse anyone who gives one of his daughters to become a wife of any man of the tribe of Benjamin."

¹⁹ Then *one of* them *had* an idea/thought of something that they could do. He said, "Every year there is a festival to honor Yahweh at Shiloh, which is north of Bethel and east of the road that extends from Bethel to Shechem, and it is south of Lebonah *city.*"

²⁰ So the Israeli leaders told the men of the tribe of Benjamin, "*When it is the time for that festival, go to Shiloh and hide in the vineyards.*" ²¹ Keep watching for the young women to come out of the city to dance.

When they come out, all of you should run out of the vineyards. Each of you can seize one of the young women of Shiloh. Then you can all return to your homes with those women. ²² If their fathers or brothers come to us and complain *about what you have done, we will say to them, 'Be kind to the men of the tribe of Benjamin. When we fought them, we did not leave any women alive to become their wives, and you did not give those young women to the men from the tribe of Benjamin. They stole them. So you will not be guilty, even though you said that you would not allow any of your daughters to marry one of them.'*"

²³ So that is what the men of the tribe of Benjamin did. *They went to Shiloh at the time of the festival.* And when the young women were dancing, each man caught one of them and took her away and married her. Then they took their wives back to the land that God had given to them. They rebuilt their cities *that had been burned down, and they lived there.*

²⁴ The other Israelis went to their homes in the areas where their tribes and clans lived, the areas that God had allotted to them.

²⁵ At that time, the Israeli people did not have a king. Everyone did what they themselves thought was right.

RUTH

Ruth declared she would stay with Naomi

1 During the time before kings ruled Israel, **◇**there was a famine/the people there had nothing to eat**◇**. There was a man who lived there whose name was Elimelech. His wife's name was Naomi, and his sons' names were Mahlon and Chilion. They were all from Bethlehem *town*, from the Ephrath *clan* in Judah *region*. **2** Because of the famine, they left Bethlehem and went east to *live for a while* in Moab *region*.

3 While they were there, Elimelech died, and Naomi had only her two sons with her. **4** They married women from Moab. One of them was named Orpah, and the other one was named Ruth. But after they had lived in that area for about ten years, **5** Mahlon and Chilion died. So then Naomi had no husband and no sons.

6 One day while Naomi was in Moab, she heard someone say that Yahweh had helped his people in Israel and that now there was plenty of food to eat. So she prepared to return to *Bethlehem*. **7** She left the place where she had been living and started to walk *with her daughters-in-law* along the road back to Judah. **8** Then as the three of them were walking, Naomi said to her two daughters-in-law, "Each of you should turn around and go back to your mother's home. You treated *your husbands* kindly *before they died*, and you have treated me kindly. **9** Now I desire that Yahweh will enable each of you to have another husband in whose home you will *feel secure*." Then she kissed both of them, and they cried aloud. **10** They each said, "No, we want to go with you as you return to your relatives."

11 But Naomi said, "No, my daughters, return home. **◇**It will not do any good for you to come with me!/What good will it do for you to come with me?**◇** [RHQ] Do you *think* I will get married again and have more sons who could become your husbands? **12** Even if I thought I could have another husband, and even if I got married today and became pregnant [EUP] tonight and later gave birth to sons, **13** would you remain single/unmarried until they grew up *and became old enough for you to marry*? No, my daughters, *you would not do that*. Your situations are bad *because your husbands have died, but it is possible that you will each marry again*. My situation is much worse, because Yahweh [SYN] has opposed me, *and now I am too old to get married again*."

14 Then Ruth and Orpah cried again *because of what Naomi said*. Then Orpah kissed her mother-in-law goodbye, *and left*, but Ruth clung to Naomi. **15** Naomi said to her, "Look! Your sister-in-law is going back to her relatives and to her gods! Go back with her!"

16 But Ruth replied, "No! Don't urge me to leave you! *I want to go with you. Where you go, I will go. Where you stay, I will stay. Your relatives will be my relatives, and the God you worship will be the God I worship.* **17** Where you die, I will die. Where you are buried, I will be buried. May Yahweh punish me severely if I separate from you. I will be separated from you only *when one of us dies*." **18** When Naomi realized that Ruth was very determined to go with her, she stopped urging her *to return home*.

19 So the two women continued walking until they came to Bethlehem. When they arrived there, everyone in town was excited *to see them*. The women *of the town* exclaimed, "**◇**Can this be Naomi?/It is difficult to believe that this is Naomi!**◇**" [RHQ] **20** Naomi said to them, "Don't call me Naomi, *which means 'pleasant'*. Instead, call me Mara, *which means 'bitter'*, because God Almighty has made my life very unpleasant. **21** When I left here, I *felt rich, because I had a family*. But Yahweh has brought me back here and now I *feel poor, because I have no family*. Do not call me Naomi [RHQ]. *I feel as though Yahweh has spoken against (OR, afflicted) me. Almighty God has caused me to experience a great tragedy*."

22 That *summarizes the account* of Naomi returning home along with her daughter-in-law Ruth, the woman from Moab. *And it happened that when they arrived in Bethlehem, the barley grain harvest was just beginning*.

Ruth met Boaz

2 There was a man in Bethlehem who belonged to the clan of *Naomi's dead husband*, Elimelech. He was rich and well-known/influential. His name was Boaz.

2 *One day* Ruth said to Naomi, "Let me go to the fields and pick up the grain left behind by the workers." Naomi replied, "Go ahead, my daughter." **3** So Ruth went to the fields and began to pick up some of the left-over grain. And it happened that she was working in a field that belonged to Boaz, *the man from the clan of her dead father-in-law, Elimelech!*

⁴ Just then, Boaz arrived from Bethlehem. He greeted the men who were harvesting the grain, saying, "I want Yahweh to bless you!" They replied, "We want Yahweh to bless you, too!"

⁵ Then Boaz saw Ruth, and asked the \diamond foreman/man in charge of the other workmen \diamond , "Whose daughter is that young woman?" ⁶ The foreman replied, "She is the woman from Moab who returned from there with her mother-in-law Naomi." ⁷ She said to me, 'Please let me walk behind the men who are harvesting the grain and pick up some of the grain they leave behind.' I gave her permission, and she went into the field, and she has been working from this morning until now. The only time she did not work was when she rested for a short time in the shelter."

⁸ So Boaz went over to Ruth and said to her, "Young lady, listen to me. Don't go and pick up grain in another field. Do not go away from here. Stay here with my servant girls. ⁹ Watch where the men are harvesting, and follow along behind the servant girls. I will tell the men who are working not to touch/molest you. And whenever you are thirsty, go and get some water to drink from the jars that the men have filled."

¹⁰ When he said that, she knelt down in front of him in respect, with her face touching the ground. She exclaimed, "Why are you acting so kindly toward me, by paying attention to me? I am not even a Jew; I am a foreigner!" ¹¹ Boaz replied, "People have told me all about what you have done for your mother-in-law. They told me that you left your parents and your homeland, and you came here to live among people whom you did not know before. ¹² I hope/desire that Yahweh will repay you for what you have done. You have put yourself in the care of Yahweh, like a little bird puts itself under its mother's wings [MET]. I desire that he will reward you very greatly."

¹³ She replied, "Sir, I hope you will continue to act kindly toward me. You have comforted/encouraged me, even though I am lower in status than any of your servant girls."

¹⁴ At mealtime, Boaz said to her, "Come over here. Take some bread and dip it in the wine vinegar and eat it." Then when she sat down with the men who had been harvesting, he offered her some roasted grain. She ate all the grain she wanted, and had some left over. ¹⁵ As she stood up to start gathering grain again, Boaz ordered his workers, "Even if she gathers some grain near the bundles of grain that have been cut, do not scold her. ¹⁶ Instead, pull out some stalks of grain from the bundles, and leave them on the ground for her to pick up, and do not rebuke her."

¹⁷ So Ruth gathered grain in the field until evening. Then she \diamond threshed/beat with a stick \diamond the barley that she had gathered, to separate the kernels from the stalks, and the barley filled a large basket. ¹⁸ She carried it back to town, and showed to her mother-in-law how much she had gathered. Ruth also showed to her the grain that was left over after she had eaten

enough from what Boaz had given her at lunchtime.

¹⁹ Her mother-in-law asked her, "Where did you gather grain today? In whose field did you work? God will surely bless the man who was kind to you." Then Ruth told her about the man in whose field she had been working. She said, "The name of the man who owns the field where I worked today is Boaz." ²⁰ Naomi said to her daughter-in-law, "I hope/desire that Yahweh will bless him! He has not stopped acting kindly toward us, who are still living, and to our husbands who have died." Then she added, "That man is a close relative of Elimelech; he is one of those who has a responsibility to help those who are his relatives."

²¹ Then Ruth said, "He also said to me, 'Stay with my workers until they have finished harvesting all my grain.'"

²² Naomi replied, "My daughter, it will be good for you to go to his field with his servant girls, because if you go to someone else's field, someone might harm/molest you."

²³ So Ruth stayed close to Boaz's servant girls while she was working. She gathered stalks of grain until the barley harvest and the wheat harvest were finished. During that time she lived with Naomi.

Ruth asked Boaz to marry her so she would have a home and other things she needed

3 One day, Naomi said to Ruth, "My daughter, I think that I should [RHQ] try to arrange for you to have a husband [MTY] who will \diamond take care of/provide for \diamond you. ² Boaz, the man with whose servant girls you have been gathering grain, is a close relative of our dead husbands. Listen carefully. Tonight he will be at the ground where the barley has been threshed. He will be separating the barley grain from the chaff. ³ Bathe yourself and put on some perfume. Put on your best clothes. Then go down to the ground where they have threshed the grain. But do not let Boaz know that you are there while he is eating supper and drinking. ⁴ When he has finished eating, notice where he lies down to sleep. Then when he is asleep, take the blanket off his feet and lie close to his feet. When he wakes up, he will tell you what to do."

⁵ Ruth replied, "I will do everything that you have told me to do." ⁶ So she went down to the ground where they had threshed the barley grain. There she did everything that her mother-in-law had told her to do.

⁷ When Boaz finished eating supper and drinking wine, he felt happy. Then he went over to the far end of the pile of grain. He lay down and went to sleep. Then Ruth approached him quietly. She took the blanket off his feet and lay down there. ⁸ In the middle of the night, he suddenly awoke. He sat up and saw that a woman was lying at his feet. ⁹ He asked her, "Who are you?" She replied, "I am your servant, Ruth. Since you are the one who has a responsibility to take care of someone like me whose dead husband was your

close relative, spread the corner of your cloak over my feet to show that you will marry me."

¹⁰ Boaz replied, "Young lady, I hope that Yahweh will \diamond bless/be kind to \diamond you! You have acted kindly toward your mother-in-law, and now you are acting even more kindly toward me by wanting to marry me, instead of wanting to marry a young man. You have not looked for either a rich young man or a poor young man, to marry him. ¹¹ Now, young lady, I will do everything you ask. Don't worry that people in this town might think I am doing wrong by marrying you because you are a woman from Moab. All the people in this town know that you are an honorable woman. ¹² But there is one problem. Although it is true that I am a close relative of your mother-in-law's dead husband, there is another man who is a closer relative than I am, and therefore he should be the one to marry you and take care of you. ¹³ You stay here for the rest of this night. Tomorrow morning I will tell this man about you. If he says that he will marry you and take care of you, fine, we will let him do that. But if he is not willing to do that, I solemnly promise that as surely as Yahweh lives, I will marry you and take care of you. So lie/sleep here until it is morning."

¹⁴ So she lay at his feet until morning. But she got up and left before it was light enough that people would be able to recognize her, because Boaz said, "I do not want anyone to know that a woman was here."

¹⁵ He also said to her, "Bring to me your cloak and spread it out." When she did that, he poured into it six measures/24 liters/50 pounds of barley, and put it on her back. Then he (OR, she) went back to the town.

¹⁶ When Ruth arrived home, her mother-in-law asked her, "My daughter, how did \diamond things go/Boaz act toward you \diamond ?" Then Ruth told her everything that Boaz had done for her and said to her. ¹⁷ She also said to Naomi, "He gave me all this barley, saying 'I do not want you to return to your mother-in-law empty-handed.'" ¹⁸ Then Naomi said, "My daughter, just wait until we see what happens. I am sure that Boaz will take care of [LIT] the matter of your marriage today. [LIT]"

Boaz married Ruth

⁴ Meanwhile, Boaz went up to the town gate and sat there. That was the place where people met together to decide important matters. When the man that Boaz had mentioned came there, the close relative of Ruth and Naomi's dead husbands who had a responsibility to take care of Naomi and Ruth, Boaz said to him, "My friend, come over here and sit down." So the man went and sat down. ² Boaz then gathered ten of the elders of the town and asked them to sit down there also. After they sat down, ³ he said to the man who had the responsibility to take care of Naomi, "Naomi has returned from Moab region. She wants to sell the field that belonged to our relative Elimelech. ⁴ I thought that I should tell you about that, and suggest that you buy it, while these elders who are sitting

here are listening. If you are willing to buy the property, do that. But if you do not want to buy it, tell me, so that I will know. I am suggesting this to you because you are the one who has the first right to buy it, and I am the one who has the second/next right to buy it." The man replied, "I will buy it!" ⁵ Then Boaz told him, "When you buy the land from Naomi, you will also be taking Ruth, the woman who is from Moab, to be your wife, in order that she may give birth to a son who will inherit the property of her dead husband [MTY]."

⁶ Then the close relative of Ruth's dead husband said, "If that is so, I do not want to buy the field, because then my own children would not inherit the property; Ruth's children would inherit it. You buy the property!"

⁷ At that time, it was the custom in Israel, when a person bought property that belonged to another person, that the man who was selling the property would take off one of his sandals and give it to the one who was buying the property. That was the way they finalized sales in Israel. ⁸ So that close relative said to Boaz, "You buy the field yourself!" And he took off one of his sandals and gave it to Boaz.

⁹ Then Boaz said to the elders and all the other people who were there, "Today you have all seen that I have bought from Naomi all the property that belonged to her dead husband Elimelech and his dead sons Mahlon and Chilion. ¹⁰ I am also taking Ruth, the woman from Moab, Mahlon's widow, to be my wife, in order that she may give birth to a son who will inherit the property of the dead man. In that way, Elimelech's name will continue [LIT] among the members of his family and among all the people of this town. Today you all are witnesses of what I have done."

¹¹ All the elders and the others who were sitting at the town gate agreed, and one of them said, "Yes, we are witnesses. We hope/desire that Yahweh will enable this woman, who will be coming into your home, to give birth to many children, as Rachel and Leah did. They are the women from whom all us people [MTY] of Israel are descended. We hope that you will become rich in the clan of Ephratah, and become famous [MTY] here in Bethlehem. ¹² We hope/desire that Yahweh will enable you and this young woman to have many descendants. And we hope/desire that your family will be as important as the family of your ancestor Perez, the son of Judah and Tamar."

¹³ So Boaz took Ruth home, and she became his wife. He \diamond slept with/had sexual relations with \diamond her [EUP] and Yahweh enabled her to become pregnant, and she gave birth to a son. ¹⁴ The women of Bethlehem said to Naomi, "Praise Yahweh! Now he has given [LIT] you a grandson who will be the one who will have the responsibility to take care of you. We hope that he will become famous [MTY] throughout Israel. ¹⁵ He will make you feel young again, and he will take care of you when you become old. Your daughter-in-law, who loves you, has given birth to a son, who will \diamond be

better to do more for you than if you had seven sons of your own."

¹⁶ Then Naomi took the baby and put him on her lap, and took care of him. ¹⁷ The women who were living nearby said, "It is as though Naomi now has a son!" And they named him Obed. Later, Obed became the father of Jesse, and later Jesse became the father of King David.

¹⁸⁻²² Here is a list of the ancestors of King David: Perez's son was Hezron. Hezron's son was Ram. Ram's son was Amminadab. Amminadab's son was Nahshon. Nahshon's son was Salmon. Salmon's son was Boaz. Boaz's son was Obed. Obed's son was Jesse. Jesse's son was King David.

1 SAMUEL

Samuel was born

1 There was a man named Elkanah who lived in Ramah town in the hilly area where *the tribe of Ephraim* lived. His father was Jeroham, his grandfather was Elihu, and his great-grandfather was Tohu. He belonged to the Zuph clan. **2** He had two wives: Hannah and Peninnah. Peninnah had several children, but Hannah had no children.

3 Once every year Elkanah went up *with his family* from Ramah to Shiloh city. He went there to worship Yahweh, *the commander of the armies of angels*, and to offer sacrifices to him. The two sons of Eli, Hophni and Phinehas, *helped their father to do the work as priests of Yahweh there*. **4** Each time Elkanah offered sacrifices there, he gave some of the meat to Peninnah and some to each of her sons and daughters. **5** But even though he loved Hannah very much, he gave her only one special amount of meat because Yahweh had not permitted her to give birth to any children. **6** And his other wife, Peninnah, would ridicule Hannah to make her feel miserable, because Yahweh had not allowed her to bear children. **7** This happened every year. When they went up to the temple of Yahweh at Shiloh, Peninnah ridiculed Hannah so much that Hannah cried and would not eat. **8** Then Elkanah would say to her, "Hannah, why are you crying?/please quit crying! [RHQ] Why are you not eating?/Please eat something! [RHQ] Why are you so upset/sad? You have me; is that not more important to you than if you had ten sons? (OR, I love you more than your sons would love you, even if you had ten sons.)"

9 One year, after they had finished eating and drinking at Shiloh, Hannah stood up to pray. Eli the priest was nearby, sitting on a chair by the doorway of the sacred tent of Yahweh. **10** Hannah was very distressed, and she cried very sorrowfully as she prayed to Yahweh. **11** She made a vow saying, "O Almighty Commander of the armies of angels, if you will look at me and see how miserable I am, and think about me and allow me to give birth to a son, then I will dedicate him to you to serve you for the rest of his life. And to show that he is dedicated to you, no one will ever be allowed to cut his hair/his hair will never be cut."

12 As she was praying like that to Yahweh, Eli the priest saw Hannah's lips moving as she was praying. **13** But Hannah was only praying silently; she was not

making any sound. So Eli thought that she was drunk. **14** He said to her, "How long will you continue to get drunk [RHQ]? Throw away your wine/Quit drinking wine!"**2**

15 Hannah replied, "Sir, I am not drunk! I have not been drinking wine or any other alcoholic drink. I feel very distressed and I have been telling Yahweh about how I feel. **16** Do not think that I am a worthless/wicked woman! I have been praying like this because I am very distressed [DOU]."

17 Eli replied, "I wish/desire that things will go well for you. I desire that God, the one we Israeli people worship, will give you what you requested from him."

18 She replied, "I want you to think highly/well about me." Then she returned to her family and after she ate something, her face no longer looked sad.

19 Early the next morning, Elkanah and his family got up and worshiped Yahweh again, and then they returned to their home at Ramah. Elkanah slept with/had sex with Hannah. Then Yahweh answered her prayer, **20** and she became pregnant and gave birth to a son. She named him Samuel, *which sounds like the words in the Hebrew language that mean 'heard by God'*, because she said "Yahweh heard me when I requested from him a son."

Hannah dedicated Samuel to Yahweh

21 The following year, Elkanah again went up to Shiloh with his family to make the kind of sacrifice he made each year, and also to give a special offering to God that he had promised to give him previously.

22 But Hannah did not go with them. She said to her husband, "After I have weaned the baby, I will take him to Shiloh and present him to Yahweh, and he will stay there for the rest of his life."

23 Elkanah said, "Do what seems the best to you. Stay here until you have weaned him. What I desire is that Yahweh will enable you to do what you have promised." So Hannah stayed at home and nursed her son until she weaned him.

24 After she weaned him, even though Samuel was very young, she took him to the temple/house of Yahweh at Shiloh. To offer as a sacrifice, she took along a three-year-old bull, a sack containing 20 pounds/9 kg. of flour, and a container of wine. **25** After the priest had slaughtered the bull and offered it to Yahweh on the altar, Hannah and Elkanah brought the boy to Eli. **26** Then Hannah said to him, "Sir, Do you

remember me?/I solemnly affirm◇, I am the woman who prayed as I stood here beside you *several years ago*.²⁷ I prayed that Yahweh would enable me to give birth to a child, and *this is the child* whom I requested Yahweh to give me.²⁸ So now I am presenting him to Yahweh. He will belong to Yahweh as long as he lives." Then Elkanah *and his family* worshiped Yahweh there.

2 Then Hannah prayed, saying,
"I rejoice in what you, Yahweh, *have done*.
I am strong [MET] because I belong to you.
I ◇laugh at/ridicule◇ my enemies,
because you, Yahweh have rescued me *from being taunted by them*."

2 There is no one who is holy like you, Yahweh.
There is no other god like you.
There is no one like you, our God, who can protect us *as though you were putting us beneath a huge rock where we can hide from danger*.

3 *You people who oppose God*, stop boasting!
Yahweh is a God who knows *everything*,
and he will evaluate/judge everyone's actions.
So don't speak so arrogantly!

4 Yahweh, you break the bows/weapons of mighty soldiers,
and you give strength to those who stumble *because of being weak*.

5 Many people who previously had plenty to eat, now have to work for other people to *earn money* to buy food,
but many who were always hungry are not hungry anymore.

The woman who did not have any children before, now has given birth to many/seven children,
and the woman who had many children before, now is very lonely *because they have all died*.

6 Yahweh, you cause some people to die,
and you restore some people who are almost dead.
For some people, *it seems that they will soon* go to where the dead people are, but you cause them to become healthy again.

7 Yahweh, you cause some people to be poor and you cause some people to be rich,
you humble some people and you honor some people.

8 *Sometimes* you lift poor people up so that they are no longer *despondent, sitting in the dust*,
or sitting on heaps of ashes;
you cause them to sit next to princes;
you cause them to sit on chairs/thrones where people who are highly honored sit.

Yahweh, you are the one who laid the foundations of the earth,
and you have set the whole world on those foundations.

9 You will protect your loyal/faithful people [SYN],

but you will cause the wicked to die [EUP] *and descend to the dark place where dead people are*.

We do not defeat *our enemies* by our own strength;
10 Yahweh, you will break into pieces those who oppose you.

You will cause thunder in the sky *to show* that you ◇oppose/are angry with◇ them.

Yahweh, you will judge people *everywhere, even those who live in* the most remote places on the earth.

You will give strength to the king whom you will appoint, and give him great power *over his enemies*."

11 Then Elkanah *and his family* returned to Ramah, but Samuel, the little boy, stayed to help Eli the priest serve Yahweh.

Eli's sons were wicked

12 Eli's two sons, *who were also priests*, were very wicked. They did not revere (OR, respect/obey) Yahweh. **13** While the people were boiling the meat from their sacrifices *in the huge pot at the temple*, one of Eli's sons, *would send his servant to come with a large three-pronged fork in his hand*. **14** He would stick the fork into *the meat in* the pot, and whatever meat fastened onto the fork, he would take *and give it* to the priest who sent him. Eli's sons did this to all the Israeli people who came to Shiloh *to offer sacrifices*. **15** Furthermore, before the fat *on the meat was cut off* and burned *as a sacrifice to Yahweh*, the servant of the priest would *sometimes* come to the man who was making the sacrifice and say to him, "Give me some meat *now to take to* the priest for him to roast! He wants raw meat; he does not want boiled meat."

16 If the man said to the servant, "Let the priests *cut off and burn* the fat first; then you can take what you want," the servant would reply, "No, give it to me now; if you do not give it to me, I will take it forcefully!"

17 Yahweh considered that the young *sons of Eli* were committing a very great sin, because they were treating very disrespectfully the offerings that were being given to Yahweh.

18 As for Samuel, who was still a very young boy, he continued to do work for Yahweh, wearing a little sacred linen vest *like the Supreme Priest wore*. **19** Each year his mother made a *new* little robe for him and took it to him when she went up *to Shiloh* with her husband to offer a sacrifice. **20** Then Eli would *ask God to bless* Elkanah and his wife, and he would say to Elkanah, "I hope/desire that Yahweh will enable your wife to give birth to other children, to take the place of the one whom she dedicated to Yahweh." Then Elkanah and his family would return home. **21** And Yahweh was very kind to Hannah, and enabled her to give birth to three *other* sons and two daughters. Their son Samuel grew up while he was doing work for Yahweh *in the Sacred Tent*.

Eli warned his sons

²² Eli became very old. He often heard about all the *evil* things that his sons were doing to the Israeli people. He heard that they *sometimes* ♦ slept with/had sex with ♦ the women who worked at the entrance to the tent where *God* spoke to *his people*. ²³ He said to them, “♦ It is terrible that you do such things! / Why do you do such things? ♦ [RHQ] Many people keep telling me about the evil things that you do. ²⁴ My sons, stop it! The reports *about you* that the people who belong to Yahweh tell others are terrible [EUP]! ²⁵ If one person sins against another person, God can ♦ intercede/act as a referee ♦ between them. But if someone sins against Yahweh, no one can [RHQ] ♦ intercede/act as a referee ♦ between them!” But Eli’s sons would not listen to what their father said. This was because Yahweh had decided *that someone should* kill them.

A prophet warned what would happen to Eli and his family

²⁶ The boy Samuel continued to grow up, and the things that he did pleased Yahweh and the people. ²⁷ One day, a prophet came to Eli and told him, “This is what Yahweh has told me: ‘When your ancestors were slaves of the king of Egypt, I appeared to Aaron. ²⁸ From all the tribes of the Israeli people, I chose him *and his male descendants* to be priests for me. I appointed them to go up to my altar, to burn incense, to wear a sacred apron *as they worked* for me. And I declared that they could take *and eat some of the meat* that the Israeli people burned *on the altar*. ²⁹ So why do you show disrespect for the sacrifices and offerings that I commanded *the people to bring* to me [RHQ]? You are honoring your sons more than you are honoring me, by allowing them to get fat from eating the best parts of all the sacrifices that the Israeli people bring to me!’ ³⁰ Therefore, this is what Yahweh, the God whom we Israelis *worship*, declares: ‘I definitely promised that Aaron and his descendants would continue to serve [IDM] me forever.’ But now I declare this: ‘It will not continue like that! I will honor those who honor me, but I will despise those who despise me. ³¹ Listen carefully! There will soon be a time when I will cause all the strong *young men* in your family to die. The result will be that no men in your family will *live long enough* to become old men. ³² You will be distressed and envious as you see the blessings that I will give to the *other people in* Israel. And *I repeat that* no men in your family will ever live long enough to become old men. ³³ There is one of your descendants whom I will spare, and not prevent him from serving me as a priest. But he will become blind, and then he will always be sad and grieving. But all your other descendants will die violently. ³⁴ And your two sons, Hophni and Phinehas, will both die on the same day. And that

will prove to you *that all that I have said will come true/happen*.

³⁵ I have chosen another man to be my priest. He is one who will serve me faithfully: He will do everything I want [DOU] him to do. And I will enable him to have many descendants [IDM] who will be priests and will always serve me by helping the king whom I will choose. ³⁶ All of your descendants who remain alive will have to go to that priest and ask him to give them money and food, and they will each have to say, “Please allow me to help the other priests, in order that I may *earn some money to buy some food*.””

Yahweh Called Samuel

³ *While he was still* a boy, Samuel was working for Yahweh while Eli supervised him. At that time there were very few messages *that anyone received* from Yahweh, and very few people saw visions *that Yahweh gave them*.

² By that time Eli’s eyes were very weak; he was almost blind. *One night* he was sleeping in his room, ³ and Samuel was sleeping in the sacred tent, where the chest that contained the Ten Commandments was kept. While the sacred lamp was still burning, ⁴ Yahweh called, “Samuel! Samuel!” Samuel replied, “I’m here!”

⁵ Then he *got up and ran* to Eli. He said to him, “I am here, because you called me!” But Eli replied, “No, I did not call you. Go back to your bed.” So Samuel went and lay down again.

⁶ Then Yahweh called again, “Samuel!” So Samuel got up again and went to Eli and said, “I am here, because you called me!” But Eli said, “No, my son, I did not call you. Go back and lie down.”

⁷ At that time Samuel did not yet know that Yahweh *could speak to him*, because Yahweh had not previously revealed anything to him.

⁸ *After Samuel lay down again*, Yahweh called him a third time. So again Samuel got up and went to Eli and said, “I am here, because you called me!”

Then Eli realized that it was Yahweh who was calling the boy. ⁹ So he said to Samuel, “Go and lie down again. If someone calls you again, say ‘Speak to me, Yahweh, because I am listening!’” So Samuel went and lay down again. ¹⁰ Then Yahweh came and stood there and called as he had done the other times, “Samuel! Samuel!” Then Samuel said, “Speak to me, because I am listening!”

¹¹ Then Yahweh said to Samuel, “Listen carefully. I am about to do something here in Israel that will shock/horrify [IDM] everyone who hears about it. ¹² When that happens, I will punish Eli and his family. I will do to them everything that I said that I would do. ¹³ His sons have shown great disrespect for me by the disgraceful things they have done, and Eli did not restrain them. So I told him that I would punish his family forever. ¹⁴ I solemnly promised to Eli’s family, ‘You

will never be able to avoid the consequences for your sin, even if you give me sacrifices or offerings.'"

¹⁵ Samuel lay down again until morning. Then he got up and opened the doors of the Sacred Tent *as usual*. He was afraid to tell Eli about the vision *that Yahweh had given him*. ¹⁶ But Eli called him and said, "Samuel, my son!" Samuel answered, "I am here!"

¹⁷ Eli asked him, "What was it that Yahweh told you? Do not conceal it! I want God to punish you severely if you do not tell me everything that he said to you."

¹⁸ So Samuel told him everything. He did not refuse to tell him anything. Then Eli said, "He is Yahweh. I am willing for him to do what he thinks is best."

¹⁹ As Samuel grew up, Yahweh helped him, and caused everything to \diamond come true/happen \diamond that Samuel predicted. ²⁰ So all the people of Israel, from the northern end of the country to the southern end, realized that Samuel was truly a prophet of Yahweh. ²¹ Yahweh continued to appear to Samuel in Shiloh and give messages to him.

4 And Samuel told to all the people of Israel the messages that God gave him.

The Philistines captured the sacred chest

At that time the Israeli army went to fight against the army of the Philistine people. The Israeli army set up their tents at Ebenezer, and the Philistine army set up their tents at Aphek. ² The Philistine army attacked the Israeli army, and as the battle continued, the Philistines defeated the Israelis and killed about 4,000 of their soldiers. ³ When the remaining Israeli soldiers returned to their camp, the Israeli elders/leaders said, "Why did Yahweh allow the Philistine army to defeat us today? We should bring the chest that contains the Ten Commandments here from Shiloh, in order that Yahweh will go with us when *we go to the battle again*, and in order that our enemies will not defeat us again!"

⁴ So the soldiers did that. They sent some men to Shiloh, and those men brought back the chest that contained the Ten Commandments. *They thought that if they did that, Yahweh would help them. They believed that Yahweh sat on a throne between the statues of winged creatures that were on top of the chest that Yahweh Almighty had given them.* The two sons of Eli, Hophni and Phinehas, went with them.

⁵ When the Israeli people saw *the men bringing the box into their camp*, they were so happy that they shouted loudly. They shouted so loudly that they made the ground shake! ⁶ The Philistines asked, "What are the people in the Hebrew camp shouting about?" Someone told them that they were shouting because the chest that contained the Ten Commandments of Yahweh had been brought to them. ⁷ Then the Philistines became very afraid. They said, "One of the Israelis' gods has come into their camp *to help them*. We are in big trouble now! Nothing like this has happened to us before! ⁸ \diamond Who can/Can anyone \diamond save us

from their powerful gods [RHQ]? They are the gods who struck the people of Egypt with many plagues *before the Israelis left Egypt and traveled* through the desert. ⁹ You Philistine men, be courageous! Fight very hard! If you do not do that, *they will defeat us, and then you will become their slaves, just like they have been our slaves previously!*"

¹⁰ So the Philistine men fought very hard, and they defeated the Israelis. They killed 30,000 Israeli soldiers, and the other Israeli soldiers fled and ran away to their tents. ¹¹ The Philistines captured the sacred chest, and they killed Eli's two sons, Hophni and Phinehas.

Eli died

¹² On that same day, one man of the tribe *descended from Benjamin* tore his clothes and threw dirt on his head *to show that he was very sad*. He ran from the place where the armies were fighting, and he arrived at Shiloh late *that afternoon*. ¹³ Eli was waiting beside the road. *He wanted to hear news about the battle, and he was also very anxious to know if anything bad had happened to God's sacred chest.* When the messenger arrived and told people what had happened, everyone in the town started to cry loudly.

¹⁴ Eli asked, "Why are they making all that noise?" The messenger ran over to Eli and told him the news.

¹⁵ At that time, Eli was 98 years old, and he was blind. ¹⁶ The messenger said to Eli, "I have just come from where the armies were fighting. I left there earlier today." Eli asked, "What happened?"

¹⁷ The man replied, "The Philistines defeated our Israeli army. They killed thousands of our soldiers, and the others ran away. The Philistines killed your two sons, Hophni and Phinehas. They also captured God's sacred chest."

¹⁸ Eli was very old, and he was very fat; and when he heard what had happened to the sacred box, he fell backward from his chair beside the town gate. His neck was broken and he died. He had led the Israeli people for 40 years before he died.

¹⁹ The wife/widow of Eli's son Phinehas was pregnant, and it was almost time for her to give birth to her baby. When she heard that God's sacred chest had been captured and that her husband and her father-in-law were dead, her labor pains suddenly began. She quickly gave birth to a boy. ²⁰ The women who were helping her tried to encourage her by saying to her, "You have given birth to a son!" But she did not pay any attention [DOU] to what they said.

²¹ She named the boy Ichabod, which means 'no glory', because she said, "*God's glory has departed from Israel.*" She said that because God's sacred chest had been captured and because her husband and her father-in-law had died. ²² She said, "*God's glory has left Israel, because God's sacred chest has been captured!*" And then she died.

What happened when the sacred chest stayed among the Philistines

5 After the army of the Philistia people-group captured God's sacred chest in Ebenezer town, they took it to Ashdod *which is one of their biggest cities*.

² They carried it into the temple of *their god* Dagon, and placed it alongside a statue of Dagon. ³ But early the next morning, when the people of Ashdod *went to see it, they saw that* the statue had fallen on its face in front of Yahweh's sacred chest! So they set the statue up in its place again. ⁴ But the following morning, *they saw that* it had fallen down in front of the sacred chest again. But this time, the statue's head and hands had broken off, and were lying in the doorway. Only its body remained intact/unbroken. ⁵ That is the reason that since that time, the priests of Dagon and everyone else who enters the temple of Dagon in Ashdod do not step on the doorsill *where the hands and head of Dagon fell*.

⁶ Then Yahweh [SYN] powerfully caused the people of Ashdod and the people who lived in nearby villages to have *◇a very great plague/serious illness◇* of tumors. ⁷ The men of Ashdod realized why this was happening, and they cried out, "The god of the Israeli people is punishing us and is also punishing our god Dagon. So we cannot allow the sacred chest of the god of the Israelis to remain here!" ⁸ They summoned the five kings of the Philistia people-group, and asked them, "What should we do with the sacred chest of the god of the Israelis?"

The kings replied, "Take the sacred chest to Gath city." So they moved it to Gath. ⁹ But after they took it to Gath, Yahweh powerfully struck the people of that city also, with the result that many men, including young men and old men, got tumors on their skin. Then the people became very afraid. ¹⁰ So they took the sacred chest to Ekron city.

But when the men carried the sacred chest into Ekron, the people there cried out, "Why are you bringing the sacred chest of the God of the Israelis into our city [RHQ]? *By doing that* you will cause us and the rest of our people to die!" ¹¹ The people were terrified in panic because *they knew that* God was starting to punish them severely. So they summoned the *five* kings of the Philistia people-group again, and *pleaded with them*, saying, "Take this sacred chest of the god of the Israelis back to its own place! If you do not do that quickly, we will all die!" ¹² Some of the people in Ekron had already died, and the rest of the people were suffering because of tumors on their skin. So they all cried out to their gods [MTY] *to help them*.

They returned the sacred chest to the Israelis

6 The people of Philistia kept God's sacred chest in their area for seven months. ² Then they summoned their priests and their *◇diviners/men who*

practice rituals to find out what would happen in the future◇. They asked them, "What should we do with the sacred chest of Yahweh? Tell us how we should send it back to its own land."

³ Those men replied, "Send with it an offering *to show Yahweh that you know that you are guilty for having captured the chest*, in order that the plague will stop. If you do that, and then if you are healed, you will know that Yahweh is the one who caused you to experience the plague."

⁴ The people of Philistia asked, "What kind of offering should we send?"

The men replied, "Make five gold models of the tumors on your skin, and five gold models of rats. Make five of each because that is the same number as the number of your kings, and because the plague has struck both you people and your five kings. ⁵ Make models that represent the rats and the tumors that are ruining your land. Make them in order to honor the god of the Israeli people. If you do that, perhaps he will stop punishing [IDM] you, and your gods, and your land. ⁶ Do not be [RHQ] stubborn [IDM] like the Egyptians and their king were. *They did not do what the Israelis' god told them to do, so he punished them*. After the Israelis' god finished punishing them very severely, they were glad to allow the Israelis to leave their country [RHQ].

⁷ So you must build a new cart. Then get two cows that have very recently given birth to calves. They must be cows that have never been hitched to a cart [MTY]. Hitch those cows to the new cart, and take the calves away from their mothers. ⁸ Put the Israelis' god's sacred chest on the cart. Also put in the ⁵ cart the five gold models of the tumors on your skin and the five gold models of rats. Put them in a small box alongside the sacred chest. They will be an offering to show that you know that you deserved to be punished *for capturing the sacred chest*. Then send the *cows* down the road, *pulling* the cart. ⁹ *Watch the cart as the cows pull it*. If they pull it to Beth-Shemesh town in Israel, we will know that it was the Israelis' god who caused us to experience this plague. But if they do not take it there, we will know that it was not the god [MTY] of the Israelis who has punished us. We will know that it just happened."

¹⁰ So the people did what the priests and men who predicted what would happen in the future told them to do. They *made a cart*, and hitched two cows to it. They took the calves from their mothers. ¹¹ They put in the cart Yahweh's sacred chest and the box with the models of the gold rats and the tumors. ¹² Then the cows started walking, and they went straight toward Beth-Shemesh. They stayed on the road, and were mooing all the time. They did not turn to the left or to the right. The five kings of the Philistia area followed the cows until they reached the edge of Beth-Shemesh.

¹³ At that time, the people of Beth-Shemesh were harvesting wheat in the valley *outside the city*. When the cows came along the road, they looked up and saw the sacred chest. They were extremely happy to see it. ¹⁴⁻¹⁵ The cows pulled the cart into the field of a man named Joshua, and they stopped alongside a large rock. Several men from the tribe of Levi lifted from the cart the sacred chest and the box containing the gold models of the rats and the tumors, and they put them all on the large rock. Then the people smashed the cart and kindled a fire with the wood *from which the cart had been made*. They slaughtered the cows and burned their bodies/carcasses on the fire to be an offering for Yahweh that would be completely burned. That day the people of Beth-Shemesh offered to Yahweh *many sacrifices that were completely burned, and other sacrifices*. ¹⁶ The five kings from the Philistia area watched all this, and then they returned to Ekron, that same day.

¹⁷ The five gold models of tumors that they sent to be an offering to Yahweh to show that they knew that they deserved to be punished were gifts from *those five kings who were rulers of Ashdod, Gaza, Ashkelon, Gath, and Ekron cities*. ¹⁸ The models of the five gold rats were gifts from the people of those five cities and the surrounding towns. The large rock at Beth-Shemesh, on which the *men of the tribe of Levi* set the sacred chest, is still there in the field that belonged to Joshua. When people see it, they remember *what happened there*.

¹⁹ But seventy men from Beth-Shemesh looked into Yahweh's sacred chest, and because of that, Yahweh caused them to die. Then the people mourned very much because Yahweh punished [IDM] those men like that. ²⁰ They said, "No one [RHQ] can *resist the power of/stand in the presence of* Yahweh, our holy God, *and remain alive!* Where can we send the sacred chest?"

²¹ They sent messengers to the people of Kiriath-Jearim *city* to tell them, "The people of Philistia have returned Yahweh's sacred chest to us! Come here and take it away!"

7 When the men of Kiriath-Jearim *received that message*, they came to Beth-Shemesh and took the sacred chest of Yahweh. They took it to the house of Abinadab, which was on a hillside. They appointed Abinadab's son Eleazar to take care of the chest.

² The sacred chest stayed in Kiriath-Jearim for a long time — a total of 20 years. During that time all the people of Israel mourned *because it seemed that Yahweh had abandoned them* (OR, *and then they asked Yahweh to help them*).

Yahweh rescued the Israelis

³ Then Samuel said to all the Israeli people, "If you truly [IDM] want to act like Yahweh's people should, you must get rid of your statues of *the goddess As-tarte* and the idols/statues of all the other foreign

gods. You must decide to serve/worship only Yahweh. If you do that, he will rescue you from *the power of* [MTY] the Philistia people." ⁴ So the Israelis got rid of all their statues of the gods Baal and Astarte, and they worshiped only Yahweh.

⁵ Then Samuel told them, "All you Israeli people must gather with me at Mizpah. Then I will pray to Yahweh for you." ⁶ So they gathered at Mizpah, which was the town where Samuel previously was the leader of the Israeli people. They had a big ceremony there. They drew water *from a well*, and poured the water on the ground while Yahweh watched. *To show that they were sorry for having worshiped idols*, they did not eat any food on that day, and they confessed that they had sinned against Yahweh.

⁷ When the kings of the Philistia area heard that the Israeli people had gathered at Mizpah, they led their armies there to attack the Israelis. When the Israelis found out that the Philistia army was approaching them, they became very afraid. ⁸ They told Samuel, "Pray to Yahweh to rescue us from the Philistia army [MTY], and do not stop pleading!" ⁹ So Samuel took a very young lamb *and killed it* and offered it to Yahweh to be a sacrifice that was completely burned *on the altar*. Then he prayed and pleaded that Yahweh *would help* the Israelis, and Yahweh did help them.

¹⁰ While Samuel was burning the offering, the Philistia army came near to attack the Israelis. But Yahweh caused it to thunder very loudly. The soldiers of the Philistia army became very frightened, and then they *became confused/did not know what to do*. So the Israelis were able to defeat them. ¹¹ The Israeli men ran out of Mizpah and pursued the Philistia soldiers almost to Beth-Car *town*, and killed many Philistia soldiers while they were trying to run away.

¹² After that happened, Samuel took a large stone and set it up between Mizpah and Jeshanah *towns*. He named the stone 'Ebenazer', *which means 'stone of help'*, because he said "Yahweh has helped us until the present time." ¹³ So the Philistia people were defeated, and for a long time they did not enter the Israeli land *to attack them* again. During the time that Samuel was alive, Yahweh powerfully protected [MTY] *the Israeli people from being attacked by* the Philistia army.

¹⁴ The Israeli army was able to capture again the Israeli villages between Ekron and Gath that the Philistia army had captured before. The Israelis were also able to take again the other areas around those cities that the Philistia army had taken *from the Israelis* previously. And there was peace between the Israelis and the Amor people-group.

¹⁵ Samuel continued to be the leader of the Israeli people until he died. ¹⁶ As long as he was alive, every year he traveled back and forth *between Bethel and Gilgal and Mizpah cities*. In those cities he listened to disputes between people and made decisions about them. ¹⁷ After he listened to disputes and made deci-

sions in each of those towns, he returned to his home at Ramah, and he would listen to people's disputes there, also, *and make decisions about them*. And he built an altar at Ramah *to offer sacrifices* to Yahweh.

The Israelis asked for a king

8 When Samuel became old, he appointed his two sons, Joel and Abijah, to lead/rule the people of Israel. ² They judged people's disputes/cases in Beersheba town. ³ But they were not like their father. They wanted only to get a lot of money. They accepted bribes, and they did not make honest decisions about people's disputes/cases.

⁴ Finally, the Israeli leaders met at Ramah town to discuss the matter with Samuel. ⁵ They said to him, "Listen! You are now old, and your sons are not like you. Appoint a king to rule over us, like the kings that other countries have!"

⁶ Samuel was very unhappy with them for requesting that, so he prayed to Yahweh about it. ⁷ Yahweh replied, "Do what they have requested you to do. But *do not think/the truth is not* that you are the one whom they are really rejecting. I have been their king, and I am the one they are really rejecting. ⁸ Ever since I brought them out of Egypt, they have rejected me, and they have worshiped other gods. And now they are also rejecting you in the same way. ⁹ Do what they are asking you to do. But warn/tell them about how their kings will act toward them!"

¹⁰ So Samuel told those people what Yahweh had said. ¹¹ He said, "If a king rules over you, this is what he will do to you: He will force many of your sons to join the army. He will make *some of them* run in front of his chariots *to clear people out of his way*. ¹² *Some of them* will be commanders of his soldiers, but others will work for him like slaves. He will force some of them to plow his fields and *then later* harvest his crops. He will force others to make his weapons and equipment for his chariots. ¹³ The king will take *some of your daughters from you and force them to make perfumes for him and cook food for him and bake bread for him*. ¹⁴ He will take your best fields and vineyards and olive tree groves/orchards, and give them to his own officials. ¹⁵ He will take a tenth of your harvests and distribute it among the officers and servants *who work in his palace*. ¹⁶ He will take from you your male and female servants, your best cattle and donkeys, and force them to work for him. ¹⁷ He will take one tenth of your sheep and goats. And you will become his slaves! ¹⁸ When that time comes, you will complain loudly to the king, the king that you yourselves have chosen, but Yahweh will not *pay attention to/help* you."

¹⁹ But the people refused to pay attention to what Samuel said. They said, "We do not *care what you say!* We want a king! ²⁰ We want to be like the other nations. We want a king to rule us and to lead our soldiers when they go to fight."

²¹ When Samuel told Yahweh what the people had said, ²² Yahweh replied, "Do what they are telling you to do. Give them a king!" *So Samuel agreed*, and then he sent the people home.

Saul met Samuel

9 There was a rich and influential man whose name was Kish. He belonged to the tribe descended from Benjamin. Kish was the son of Abiel and the grandson of Zeror. He was from the family of Becorath and from the clan of Aphiah. ² Kish had a son whose name was Saul. He was more handsome than any of the other Israeli men, and he was a head/foot taller than any of the other Israeli men.

³ One day, some of Kish's female donkeys wandered off. So Kish told Saul, "Take one of my servants with you, and go and search for the donkeys!" ⁴ So Saul did that. He took a servant, and they walked through the hilly area where the descendants of Ephraim lived, and then they went through the areas named Shalishah and Shaalim, and then they went through all the area where the descendants of Benjamin lived, but they could not find the donkeys.

⁵ Finally, they came to the area of Zuph. Then Saul said to the servant, "Let's go back home. If we do not do that, my father will stop worrying about the donkeys and start worrying about us."

⁶ But the servant said, "I have another idea [IDM]. There is one of God's prophets who lives in this town. People respect him very much, because everything he predicts comes true. Let's go *talk* to him. Perhaps he can tell us where we can go *to find the donkeys*."

⁷ Saul replied to the servant, "If we go talk with him, *we should give a gift to him*, but what can we give to him? We have no more food in our sacks. Do we have anything else to give to him?"

⁸ The servant replied, "Look *at this!* I have a small silver coin. I can give this to him, and then he will tell us where to go *to find the donkeys*." ⁹⁻¹¹ Saul said, "Okay, let's go *talk to him*." So they went to the town where the prophet lived. As they were going up the hill into the town, they met some young women who were coming out of the town to get some water *from a well*. One of them asked the women, "Is the seer in the town *today?*" *They said that because* previously, if people *in Israel* wanted a message from God, they would say, "Let's go to the seer," and people who now are called prophets were at that time called 'those who see *visions from God/all that God sees*'. ¹² The women replied, "Yes, he is in the town. In fact, he is *walking on the road* ahead of you. He has just arrived in the town, because the people are going to offer a sacrifice on the altar where the people gather *to worship God*. ¹³ If you go quickly, you will *have time to talk to him* before he goes there. The people who have been invited will not start eating until he arrives there and *blesses/asks God to bless* the sacrifice."

¹⁴ So Saul and the servant entered the town. As they went through the gates, they saw Samuel as he was coming toward them, on the way to where people were going to offer sacrifices.

¹⁵ On the previous day, Yahweh had told Samuel, ¹⁶ "At this time tomorrow, I will send to you a man from the land where the descendants of Benjamin live. Pour olive oil *on his head* to indicate that he will be the leader of my Israeli people. I have seen that my people are suffering *because the Philistine people are oppressing them*, and I have heard my people as they have called out to me *for help*. The man whom you anoint will rescue my people from the [MTY] Philistine people."

¹⁷ When Samuel saw Saul, Yahweh said to him, "This is the man I told you about yesterday! He is the one who will rule my people!"

¹⁸ Saul saw Samuel as he was sitting at the town gateway *but he did not know that it was Samuel*. He went over to him and asked him, "Can you tell me, where is the house of the man who sees *visions from God/all that God sees*?"

¹⁹ Samuel replied, "I am that man. Go ahead of me with your servant to the place where the people make sacrifices. Both of you will eat with me today. Tomorrow morning I will tell you what you are wanting to know, and then I will send you home. ²⁰ Also, do not worry anymore about those donkeys that wandered away three days ago. *Someone has found them/ They have been found*. But *what you need to know is that it is you and your family that all the Israeli people are wanting!*" [RHQ]

²¹ Saul replied, "I am from the tribe of Benjamin [RHQ]. That is the smallest tribe in Israel [RHQ]! And my family is the least important family in our tribe! So why are you talking to me like this, *about the Israeli people wanting me and my family?*"

²² Then Samuel brought Saul and the servant into the big dining room, and told them to sit at the head *of the table, indicating that he was honoring them more than he was honoring the 30 people who had been invited*. ²³ Then Samuel told the cook, "Bring to me the special piece *of meat* that I told you to set aside."

²⁴ So the cook brought the leg and the meat that was on it, and set it in front of Saul, *even though those portions were for only the priest to eat*. Samuel said to Saul, "Start eating it. I told the cook to save this for you, so that you could eat it at this time, when all these people whom I invited are here." So Saul and Samuel ate together.

²⁵ After they finished eating, they returned to the town. Then Samuel took Saul up to the *flat roof of his house*, and fixed a bed for him.

²⁶ As the sun was rising the next morning, Samuel called up to Saul, "Get up! It is time for me to send you on the road back home." So Saul got up, and *later* Samuel and Saul left the house together.

²⁷ When they got to the edge of the town, Samuel told Saul to send his servant ahead. After the servant left, Samuel said to Saul, "Stay here for a few minutes, in order that I can give you a message I received from God."

Samuel appointed Saul to be king

¹⁰ Then Samuel took a small jar of olive oil and poured *some of it* on Saul's head. Then he kissed Saul *on the cheek*, and told him, "I am doing this because Yahweh has chosen you to be the leader of his Israeli people. ² *And this will prove it to you*: When you leave me today, when you arrive near Rachel's tomb at Zelzah, in the area where the descendants of Benjamin live, you will meet two men. They will say to you, 'The donkeys have been found, but now your father is worrying about you, and he is asking people, "Have you seen my son?"' "

³ When you arrive at the *large oak tree* at Tabor town, you will see three men coming toward you. They will be on their way to *worship* God at Bethel town. One of them will be leading three young goats, one will be carrying three loaves of bread, and one will be carrying a container of wine. ⁴ They will greet you, and they will offer you two of the loaves of bread. Accept them.

⁵ When you arrive at the hill *where people worship* God near Gibeah town, where there is the camp where the Philistine soldiers stay, you will meet a group of prophets who will be coming down from the altar on top of the hill. There will be people in front of them who will be playing *various musical instruments*: a harp, a tambourine, a flute, and a lyre. And all of them will be speaking messages that come directly from God. ⁶ At that time the Spirit of Yahweh will come upon you, and you also will speak messages that come directly from God. *You will be changed/The Spirit of Yahweh will change you*, so that you will become like a different person. ⁷ After those things occur, do whatever you think is right to do, and God will *be with/ help* you.

⁸ Then go ahead of me, down to Gilgal city, and wait for me there, for seven days. Then I will join you there, to burn sacrifices and offer other sacrifices to enable you to maintain fellowship with God. When I arrive there, I will tell you what *other* things you should do."

What Samuel prophesied came true

⁹ As Saul started to leave there, God changed Saul's inner being. And all the things that Samuel had predicted happened on that day. ¹⁰ When Saul and his servant arrived at Gibeah, they saw some prophets who were *speaking messages that came directly from God*. As the prophets were approaching Saul and his servant, God's Spirit came upon Saul powerfully, and he also began to speak messages from God. ¹¹ When people who had known Saul previously heard him

speaking messages from God as the prophets were doing, they said to each other, "What has happened to this son of Kish? Is he now really one of the

◇prophets/men who speak messages from God◇?"

¹² One of the men who lived there replied, "*Saul cannot be a prophet, because all prophets receive their power to speak messages from God, not from their parents.*" And that is why, *when people hear about a report of someone prophesying, they think about what happened to Saul and say, "We are surprised about that person becoming a prophet, like we were surprised to hear that Saul had really become one of the prophets."* ¹³ When Saul finished speaking the messages that God gave him, he went to the place where the people offered sacrifices.

¹⁴ Later, Saul's uncle *saw him there*, and asked him, "Where did you go?" Saul replied, "We went to look for the donkeys. When we could not find them, we came here to ask Samuel *if he could tell us where they were.*"

¹⁵ Saul's uncle replied, "What did Samuel tell you?"

¹⁶ Saul replied, "He assured us that the donkeys had been found." But he did not tell his uncle what Samuel had said about him becoming the king of Israel.

¹⁷ Later Samuel summoned the people of Israel to gather at Mizpah to *hear a message from Yahweh.*

¹⁸ After they arrived, he said to them, "This is what Yahweh, the God we Israeli people *worship*, says: I brought you Israeli people out of Egypt. I rescued your *ancestors* from the power of the rulers of Egypt and from all the other kings who oppressed them. ¹⁹ I am the one who saves you from all your troubles and difficulties. But today you have rejected me, your God, and you have said, 'We don't care! Give us a king!' So *I will do what you want.* Now have *representatives of your tribes and of your clans stand here in the presence of Yahweh.*"

²⁰ When those representatives came near to Samuel, *God indicated that he had chosen someone from the tribe descended from Benjamin.* ²¹ Then Samuel told representatives of the tribe of Benjamin to come forward, and God indicated that *from that tribe* he had chosen someone from the family of Matri, and then God indicated that *from the family of Matri* he had chosen Saul, the son of Kish. But when they looked for Saul, they could not find him. ²² So they asked Yahweh, "Where is Saul?" Yahweh replied, "He is hiding among the army equipment."

²³ So they quickly went there *and found him*, and brought him *in front of all the people.* They could see that *truly* he was a head taller than anyone else.

²⁴ Then Samuel said to all the people there, "This is the man whom Yahweh has chosen to be your king. Among all us Israeli people, there is no one like him!" Then all the people shouted, "We hope that this king will live a long time!"

²⁵ Then Samuel told the people what things the king would force them to do, and all the things the king

was required to do. He wrote all those things on a scroll, and then he put it in a sacred place in the temple. Then Samuel sent all the people home.

²⁶ When Saul returned to his home in Gibeah town, a group of men decided to continually accompany Saul. They did that because God ◇motivated them/put it in their minds◇ to do that. ²⁷ But some worthless men said, "◇How can this man save us *from our enemies?* This man will not be able to save us *from our enemies.*" [RHQ] They despised him, and refused to give him any gifts *to show that they would be loyal to him.* But Saul did not say anything *to rebuke them.*

Saul's army rescued the people of Jabesh

11 About a month later, King Nahash of Ammon *led his army across the Jordan River*, and they surrounded Jabesh city in the Gilead region. But all the men of Jabesh *went and* said to Nahash, "Make an agreement/treaty with us *not to kill us*, and then we will let you rule us."

² Nahash replied, "I will do that if you do one thing. Allow us to gouge out all the right eyes of your people. By doing that we will cause the people *in other countries* to despise all you Israeli people."

³ The leaders of Jabesh replied, "Do not attack us for the next seven days. During that time, we will send messengers throughout Israel *to tell them what you are demanding.* If no one will help us, then we will ◇surrender to you/allow you to do to us whatever you want◇."

⁴ *Being very confident that his army was very superior, Nahash agreed. So the leaders of Jabesh sent messengers throughout Israel.* When the messengers came to Gibeah, which was *the city* where Saul lived, and they told the people there about the situation, everyone started to cry. ⁵ At that time, Saul was plowing in the field. When he returned home, he asked, "Why are all the people *crying?*" So they told him what the messengers from Jabesh had reported.

⁶ Then God's Spirit came powerfully upon Saul, and he became very angry *because of what Nahash wanted to do.* ⁷ He took two of his oxen *and killed them* and cut them into pieces. Then he sent messengers *carrying those pieces* throughout Israel to tell people this message: "Saul says that *he cut this ox in pieces, and that he will do the same thing* to the oxen of anyone who refuses to come with him and Samuel to fight *the army from Ammon!*" Then Yahweh caused all the people of Israel to be afraid of what Saul might do to them (OR, of what Yahweh might do to them) *if they did not go and help Saul.* So the men all gathered together. ⁸ When Saul gave them all weapons at Bezek, he saw that there were 300,000 Israeli men there, as well as 30,000 men from the tribe of Judah.

⁹ So Saul sent messengers back to the people at Jabesh to tell them, "We will rescue/save you by noon-time tomorrow." When the people of Jabesh heard that message, they were very joyful/happy. ¹⁰ Then the

men of Jabesh told *Nahash*, "Tomorrow we will surrender to you, and then you can do to us whatever you want to."

¹¹ But before the sun rose the next morning, Saul and his army arrived. He divided them into three groups. They rushed into the camp of the soldiers from Ammon, and attacked them. By noontime they had killed most of them, and those who were not killed scattered. Each of them who ran away ran away alone.

The people proclaimed Saul as king

¹² Then the people of *Jabesh* said to Samuel, "Where are those men who said that they did not want Saul to be our king? Bring them here, and we will kill them!"

¹³ But Saul replied, "No, we are not going to execute anyone today, because this is the day that Yahweh has saved us Israeli people. *It is a day to rejoice, not to kill anyone.*"

¹⁴ Then Samuel said to the people, "Let's all go to Gilgal, and there we will again proclaim that *Saul is our king.*" ¹⁵ So they went to Gilgal. There, knowing that Yahweh was watching, they proclaimed that Saul was their king. Then they offered sacrifices to enable them to maintain fellowship with Yahweh. And Saul and all the other Israeli people were very happy.

Samuel's final speech

12 Then Samuel said this to all the Israeli people: "I have done everything that you told me to do, and I have given/appointed a king to rule you. ² My own sons are grown up and with you now, but I have appointed Saul *instead of one of them*, and he is now your leader. I am now old, and *my hair* is gray. I have been your leader ever since I was a boy. ³ Now tell me, while Yahweh is listening, and while the king whom he has chosen is listening: whose ox or donkey have I stolen *during all those years*? Whom have I cheated? Whom have I oppressed/treated badly? From whom have I accepted a bribe, in order that I would ignore *the evil things he had done*? If I have done any of those things, tell me, and I will pay back what I owe."

⁴ They replied, "No, you have never cheated anyone or oppressed anyone or accepted a bribe from anyone."

⁵ Then Samuel said, "Today Yahweh can testify, and the king whom you chose can testify, that I have not taken a bribe from anyone." They replied, "Yes, Yahweh can say that he knows that is true."

⁶ Samuel continued by saying, "Yahweh is the one who appointed Moses and Aaron *to lead* our ancestors. He is the one who brought them out of Egypt. *And he is the one who will testify that what I am saying is true.*" ⁷ Now while Yahweh is listening, stand here quietly while I accuse you *and tell you that your requesting a king instead of trusting Yahweh to lead you was wrong.* I will do that by reminding you of all the

great miracles that Yahweh performed for you and your ancestors.

⁸ *Many years* after Jacob went to Egypt, our ancestors pleaded to Yahweh to help them. So Yahweh sent Moses and Aaron to them, and they led our ancestors out of Egypt, and eventually they settled in this land.

⁹ But our ancestors soon forgot about Yahweh, their God. So he allowed Sisera, the commander of the army from Hazor, to defeat them. He also allowed the Philistines and the army of the king of Moab to fight our ancestors and defeat them. ¹⁰ Then our ancestors pleaded with Yahweh again to help them. They admitted, 'Yahweh, we have sinned, and we have forsaken you. We have worshiped *idols that represent the god Baal and the goddess Astarte.* But if you rescue us from our enemies, we will worship you only.' ¹¹ So Yahweh sent men such as Gideon, Barak, Jephthah, and me to save you. And as a result, you did not have to worry about any enemies attacking you.

¹² But now, when king *Nahash* of Ammon came *with his army* to attack you, *you were afraid.* So, you came to me, and said, 'We want a king to rule us,' even though Yahweh was already your king! ¹³ So now, look, here is the king whom you have chosen. You asked for a king, and Yahweh has now appointed a king for you. ¹⁴ If you will revere Yahweh and if you serve him, and if you listen to what he says and obey what he commands, and if you and the king who rules over you do what Yahweh your God wants you to do, *things will go well for you all/Yahweh will bless you.* ¹⁵ But if you do not listen to what Yahweh says, if you disobey what he commands, then he will punish [MTY] you all, just as he punished our ancestors.

¹⁶ Now stand here quietly and see the great thing that Yahweh is about to do. ¹⁷ You know that [RHQ] *it does not rain at this time of the year*, during the time when you harvest wheat. But I will ask Yahweh to send *thunder and lightning* and rain today. When he does that, you will realize that Yahweh considers that you have done a very wicked thing by requesting a king."

¹⁸ Then Samuel prayed to Yahweh, and Yahweh caused it to *thunder and lightning* and rain. So all the people became very afraid of Yahweh and of Samuel.

¹⁹ They cried out to Samuel, "Pray for us! We have added to our previous sins by requesting a king! Pray to Yahweh, your God, in order that we will not die *because of having done that!*"

²⁰ Samuel replied, "Do not be afraid! You have done this evil thing, but do not turn away from doing the things that Yahweh wants you to do. Instead, serve Yahweh wholeheartedly. ²¹ Do not abandon *Yahweh* and worship useless idols. They cannot help you or save you *from your enemies*, because they are truly useless. ²² Yahweh decided to make us his people. So he will not abandon us people whom he has chosen, because he would injure his own reputation *of being completely faithful* if he did that. ²³ But as for me, I have solemnly promised that I will not sin against Yah-

weh by ceasing to pray for you. And I will continue to teach you what things are good and right *for you to do*.²⁴ But you must revere Yahweh and serve him wholeheartedly. Never forget all the great things that he has done for you.²⁵ But if you keep doing wicked things, he will get rid of you and your king!"

Saul disobeyed God

13 Saul was no longer a young man when he became the king. He ruled Israel for 42 years.

² *Several years after he became king*, he chose three thousand men from the Israeli army to go with him *to fight the Philistines*. Then he sent the other soldiers back home. Of the men he chose, 2,000 stayed with Saul at Micmash and in the hilly area near Bethel, and 1,000 stayed with *Saul's son* Jonathan at Gibeah, in the area where the descendants of Benjamin lived.

³ Jonathan *and the men who were with him* attacked the Philistine soldiers who were camped at Geba. The other Philistines heard about that. *So Saul realized that the army of Philistia would probably come to fight the Israelis again*. So Saul sent messengers to blow trumpets throughout Israel *to gather the people together and* proclaim to them, "All you Hebrews need to hear *that now the Philistines will start a war with us!*"⁴ The messengers told the rest of the army to gather together with Saul at Gilgal. And all the people in Israel heard the news. People were saying, "Saul's army has attacked the Philistine camp, with the result that now the Philistines hate us Israelis very much."

⁵ The Philistines gathered together and were given equipment to fight the Israelis. The Philistines had 3,000 chariots, and 6,000 chariot-drivers. Their soldiers *seemed to be as many as* grains of sand on the seashore [HYP]. They went up and set up their tents at Micmash, to the east of Beth-Aven (*which means 'house of wickedness', and really referred to Bethel town*).⁶ The Philistines attacked the Israelis very strongly, and the Israeli soldiers realized that they were in a very bad situation. So many of the Israeli soldiers hid in caves and holes in the ground, or among the rocks, or in pits, or in wells.⁷ Some of them crossed the Jordan River at a place where it was very shallow. Then they went to the area where the descendants of Gad lived and to the Gilead region.

But Saul stayed at Gilgal. All the soldiers who were with him were shaking *because they were so afraid*.⁸ Saul waited seven days, which was the number of days that Samuel had told him to wait for him. But Samuel did not come to Gilgal *during that time*, so many of the men in Saul's army began to leave him and run away.⁹ So Saul said to the soldiers, "Bring to me an animal to be completely burned *on the altar* and one for the offering to enable us to maintain fellowship *with God.*" *So the men did that*.¹⁰ And just as he was finished burning those offerings, Samuel arrived. Saul went to greet him.

¹¹ Samuel *saw what Saul had done*, and he said to Saul, "Why have you done this?" Saul replied, "I saw that my men were leaving me and running away, and that you did not come here during the time that you said that you would come, and that the Philistine army was gathering together at Micmash.

¹² So I thought, 'The Philistine army is going to attack us here at Gilgal, and I have not yet asked Yahweh to bless/help us.' So I felt it was necessary to offer the burnt offerings *to seek God's blessings.*"

¹³ Samuel replied, "What you did was very foolish! You have not obeyed what Yahweh, your God, commanded *about sacrifices*. If you had obeyed him, God would have allowed you and your descendants to rule Israel for a long time.¹⁴ But now *because of what you have done, you will die, and after you die*, none of your descendants will rule. Yahweh is seeking for a man *to be king* who will be just the kind of person that he wants him to be, so that he can appoint him to be the leader of his people. Yahweh will do this because you have not obeyed what he commanded."

¹⁵ Then Samuel left Gilgal and went up to Gibeah. Saul stayed at Gilgal with his soldiers. There were only about 600 of them left *who had not run away*.

Saul's army had difficulties

¹⁶ Saul and his son Jonathan and the soldiers who were with them went to Geba *city* in the area of the tribe of Benjamin *and set up their tents there*. The Philistine army set up their tents at Micmash.¹⁷ Three groups of Philistia men soon left the place where their army was staying, and went and *raided* the Israeli towns/attacked the Israelis and took their possessions \diamond . One group went *north* toward Ophrah *city* in the Shual region.¹⁸ One group went *west* to Beth-Horon *city*. The third group went toward the *Israeli* border, above Zeboim Valley, near the desert.

¹⁹ At that time, there were no men in Israel who *were blacksmiths/could make things from iron* \diamond . *The people of Philistia would not permit the Israelis to do that, because they were afraid that they would make iron swords and spears for the Hebrews to fight with.*²⁰ So *whenever the Israelis needed* to sharpen the blades of their plows, or picks, or axes, or sickles, they were forced to take those things to a Philistia man who could sharpen those things.²¹ They needed to pay \diamond one fourth of an ounce/8 grams \diamond of silver for sharpening a plow, and \diamond an eighth of an ounce/4 grams \diamond of silver to sharpen an axe, or a sickle, or \diamond an ox goad/a pointed rod to jab an ox to make it walk \diamond .

²² So *because the Israelis could not make weapons from iron*, on the day that the Israelis fought *against the men of Philistia*, Saul and Jonathan were the only Israeli men who had swords. None of the others had a sword; *they had only bows and arrows*.

²³ Before the battle started, some Philistia men went to \diamond the pass/a narrow place between two cliffs \diamond outside Micmash to guard it.

Jonathan and his armor-bearer killed many Philistines

14 One day, Jonathan said to the young man who carried his weapons, "Come with me; we will go over to where the Philistia soldiers have put up their tents." *So they went*, but Jonathan did not tell his father *what they were going to do*.

² On that day, Saul and the 600 soldiers who were with him were sitting around a pomegranate tree at a place where the people threshed grain, near Gibeah.

³ Ahijah the priest was also there. He was wearing the sacred vest. Ahijah was the son of Ahitub, who was a brother of Ichabod. Ichabod and Ahitub were the sons of Phinehas, who was the son of Eli, who had been Yahweh's priest at Shiloh.

No one knew that Jonathan had left *the Israeli camp*.

⁴ Jonathan planned that he and the young man would go through a narrow *pass/place* between two cliffs *to get to where the Philistia army was*. The cliff on one side of the pass was named Bozez, and the other cliff was named Seneh. ⁵ One cliff faced north toward Micmash, and the cliff on the other side faced south toward Geba *town*.

⁶ Jonathan said to the young man who carried his weapons, "Come with me. We will go to where those *pagans/people who do not believe in Yahweh* [MTY] have set up their tents. Perhaps Yahweh will help us. It does not matter whether we are only two men or many people; nothing can hinder Yahweh from enabling us to defeat them."

⁷ The young man who was carrying Jonathan's weapons said, "Do what you think is the best thing for us to do. I will help you."

⁸ Then Jonathan said, "Okay, come with me. We will cross the valley to where the Philistia army is, and allow them to see us. ⁹ If they then say to us, 'You two stay there until we come down to you,' we will stay there and not go up to them. ¹⁰ But if they say to us, 'Come up here *and fight against us*,' that will show us that Yahweh will enable us to defeat them. Then we will go up and fight them."

¹¹ When the two of them crossed the valley, the Philistia soldiers saw them coming. They said, "Look! The Hebrews are crawling out of the holes in which they have been hiding!" ¹² Then the Philistia soldiers who were closest to Jonathan and the young man who carried his weapons said, "Come up here, and we will teach you something *about how to fight* [IDM]!"

Jonathan said to the young man who was with him, "Come behind me and climb up, because Yahweh is going to help us to defeat them!" ¹³ So Jonathan climbed up, using his hands and his feet *because it was very steep*. The young man climbed up following him. As Jonathan climbed, he struck and killed many Philistia soldiers, and the young man who was with him killed many more as he followed behind Jonathan. ¹⁴ In that first battle the two of them killed about 20

Philistia soldiers in an area that was about half an acre.

¹⁵ Then all the other Philistia soldiers, the ones in the camp and the ones who had been attacking the Israeli towns, ones who were out in the field much closer, panicked. Then God caused the ground to shake, and they all became terrified/very afraid.

The Israelis defeated the Philistia army

¹⁶ Saul's *lookouts/men* who were watching to see if enemies were coming *were in Gibeah town* in the land of the tribe of Benjamin. They saw that the soldiers of the Philistia army were running away in all directions. ¹⁷ Saul *realized that some of his soldiers must have attacked the Philistia army*. So he said to the soldiers who were with him, "Check to see if any of our men are not here." So they checked, and they found out that Jonathan and the man who carried his weapons were gone.

¹⁸ So Saul said to Ahijah *the Supreme Priest*, "Bring the sacred vest here *and find out what we should do*." On that day Ahijah was wearing the sacred vest, going in front of the Israelis. ¹⁹ But while Saul was talking to the priest, *he saw that the Philistia soldiers were becoming more panicked/confused*. So Saul said to Ahijah, "Take your hand down *from the sacred vest. Do not waste any more time using the marked stones in the vest to find out what Yahweh wants us to do*."

²⁰ Then Saul gathered his men and they went toward the battle. They found that the Philistia soldiers were so confused that they were striking each other with their swords. ²¹ Before that, some of the Hebrew men had deserted their army and gone to join with the Philistia army. But now those men *revolted and joined with Saul and Jonathan and the other Israeli soldiers*. ²² Some of the Israeli soldiers had previously run away and hidden in the mountains where the tribe of Ephraim lived. But when they heard that the Philistia soldiers were running away, they *came down and joined the other Israeli soldiers and pursued the Philistia soldiers*. ²³ So Yahweh rescued the Israelis on that day. The Israeli soldiers continued to pursue their enemies beyond Beth-Aven *town*.

The dispute about Jonathan eating honey

²⁴ Before Saul's soldiers went to the battle, Saul declared to them solemnly, "I do not want any of you to eat any food before this evening, before we have defeated all our enemies. If anyone eats anything, *Yahweh will curse/punish him*." So none of the Israeli soldiers ate any food, and they became faint/weak because they were very hungry.

²⁵ The Israeli army went into the forest, and they found honeycombs on the ground, but they did not eat any honey. ²⁶ They were afraid to eat any, because they had solemnly promised that they would not eat any food. ²⁷ But Jonathan did not hear what his father

commanded *because he had left the camp very early in the morning*. So *when he saw* a honeycomb, he dipped the end of his walking stick into it and ate some honey. After he ate the honey, he felt stronger.

²⁸ But one of the Israeli soldiers saw him and said to him, "Your father solemnly declared to us that *Yahweh* would curse/punish anyone who ate any food today. So now we are *very tired and weak* from being hungry *because we obeyed him*." ²⁹ Jonathan exclaimed, "My father has caused trouble for all of us! See how refreshed/strong I am after eating a little honey! ³⁰ If he had permitted all of us to eat from the food we took from our enemies while we were pursuing them, we would have been able to kill many more of their soldiers!"

³¹ The Israelis pursued and killed Philistia soldiers all that day, from Micmash town west to Aijalon. But they continued to become weaker from being hungry.

³² They had taken *many* sheep and cattle that the Philistia soldiers had abandoned. Now, because they were extremely hungry, they butchered some of those animals and ate the meat without draining the blood from the animals. ³³ One of the soldiers told Saul, "Look! The men are sinning against *Yahweh* by eating meat that still has blood in it!"

Saul replied *to the men who were near him*, "They have disobeyed *Yahweh*! Roll a large stone over here!"

³⁴ After they did that, he said to those men, "Go and tell all the soldiers that each of them must bring an ox or a sheep to me, and kill it here on this stone, *and drain the blood* before he eats any of the meat. They should not sin against *Yahweh* by eating meat *from some animal* without draining its blood." So that night all the soldiers brought animals and slaughtered them there. Then Saul built an altar to *worship* *Yahweh*.

³⁵ That was the first *time that he built an altar* for *Yahweh*.

The soldiers rescued Jonathan from Saul

³⁶ Then Saul said *to the Israeli soldiers*, "Let's pursue the Philistia soldiers tonight. We can attack them all night. We will not allow any of them to escape alive."

The Israeli soldiers answered, "We will do whatever you think is the best thing for us to do."

But the priest said, "We should ask *Yahweh* *what he thinks we should do*." ³⁷ So Saul asked God, "Should we pursue the Philistine soldiers? Will you enable us to defeat them?" But God did not answer Saul that day.

³⁸ Then Saul summoned all the leaders of his army. He said to them, "*I am sure that God has not answered me because someone has sinned*. We must find out what sin someone has committed. ³⁹ *Yahweh* has rescued us *from the Philistia army*. Just as certain as *Yahweh* lives, whoever has sinned must be executed. Even if it is my son Jonathan who has sinned, he must be executed."

His men knew who was guilty, but none of them said anything *to Saul*. ⁴⁰ Then Saul said to all the Israeli sol-

diers, "You stand on one side. My son Jonathan and I will stand on the other side."

His men replied, "Do whatever you think is best." ⁴¹ Then Saul prayed to *Yahweh*, the Israelis' God, "Tell me who is guilty and who is not guilty." Then the priest \diamond cast lots/threw the stones that were marked \diamond , and they indicated that it was *either* Jonathan or Saul who was the guilty one, and that the other men were not guilty. ⁴² Then Saul said to the priest, "Throw the stones again to indicate which of us two is guilty." So he did, and the stones indicated that Jonathan was the guilty one.

⁴³ Then Saul said to Jonathan, "Tell me what you have done *that was wrong*."

Jonathan replied, "I ate a little bit of honey. It was only a little bit that was on the end of my stick. Do I *deserve to be executed because of doing that*?" ⁴⁴ Saul replied, "Yes, you must be executed! I hope/wish that God will strike me and kill me if you are not executed for having done that!"

⁴⁵ But the Israeli soldiers said to Saul, "Jonathan has won a great victory for all us Israelis. Should he be executed for eating some honey [RHQ]? Certainly not! Just as surely as *Yahweh* lives, we will not allow you to injure him in any manner [IDM], *because today God helped Jonathan to kill many soldiers of the Philistia army*!"

So by saying that the Israeli soldiers rescued Jonathan, and he was not executed. ⁴⁶ Then Saul ordered his soldiers to stop pursuing the Philistia army, so the Philistia soldiers returned to their homes.

Saul's army defeated many of their enemies

⁴⁷ After Saul became the ruler/king of the Israeli people, his army fought against their enemies in many areas. They fought against armies of the Moab people-group, the Ammon people-group, the Edom people-group, the kings of Zobah *city/area*, and the Philistia people-group. Wherever the Israeli army fought, they defeated their enemies. ⁴⁸ Saul's army fought bravely and defeated the *very tall* descendants of Amalek. His army rescued the Israelis from those who had \diamond plundered/forcefully taken things from \diamond them.

⁴⁹ Saul's sons were Jonathan, Ishbosheth, and Malchishua. He also had two daughters, Merab and her younger sister Michal. ⁵⁰ Saul's wife was Ahinoam, the daughter of Ahimaaz. The commander of Saul's army was Abner, who was the son of Saul's uncle Ner. ⁵¹ Saul's father Kish and Abner's father Ner were both sons of Abiel.

⁵² All the time that Saul was alive, his army fought against the Philistia army. And whenever Saul saw a young man who was \diamond brave/not afraid to fight \diamond and strong, he forced him to join his army.

Saul's army defeated the Amalekites

15 *One day* Samuel said to Saul, "Yahweh sent me to appoint you to be the king of the Israeli people. So now listen to this message from Yahweh: ² Yahweh, *the commander of the armies of angels* has declared this: 'I am going to punish *the descendants of Amalek* for *attacking* the Israeli people after the Israelis left Egypt. ³ So now go *with your army* and attack the Amalek people-group. Destroy them completely—destroy them and everything that belongs to them—the men and women, their children and infants, their cattle and sheep and camels and donkeys. Do not \diamond spare any of them/allow any of them to remain alive \diamond !'"

⁴ So Saul summoned the army, and they gathered at Telaim town. There were 200,000 soldiers. 10,000 of them were from Judah, *and the others were from the other Israeli tribes*. ⁵ Then Saul went *with his army* to a town where some of the Amalek people-group lived. *His army prepared to attack them suddenly* by hiding in the valley. ⁶ Then Saul sent this message to the Ken people-group *who lived in that area*: "You acted kindly toward all our Israeli *ancestors* when they left Egypt. But we are going to kill all of the Amalek people-group, *because they opposed/attacked our ancestors*. So move away from where the Amalek people-group live. *If you do not move away*, you will be killed when they are killed." So when the Ken people-group *heard that*, they *immediately* left that area.

⁷ Then Saul's *army* slaughtered the Amalek people-group, from Havilah town *in the east* to Shur town *in the west*. Shur was at the border *between Israel and Egypt*. ⁸ Saul's army captured Agag, the king of the Amalek people-group, but they killed everyone else. ⁹ They not only \diamond spared/did not kill \diamond Agag, but they also took the best sheep and goats and cattle. They took everything that was good. They destroyed only the animals that they considered to be worthless.

Yahweh rejected Saul as king

¹⁰ Then Yahweh said to Samuel, ¹¹ "I am sorry that I appointed Saul to be your king, because he has turned away from me and has not obeyed what I commanded him to do." Samuel was very disturbed/upset *when he heard that*, and he cried out to Yahweh all that night.

¹² Early the next morning, Samuel got up and went to talk with Saul. But someone told Samuel, "Saul went to Camel city, where he has set up a monument to honor himself. Now he has left there and gone down to Gilgal."

¹³ When Samuel arrived *at Gilgal* he approached Saul, and Saul said to him, "I wish/desire that Yahweh will bless you! I have obeyed what Yahweh told me to do."

¹⁴ But Samuel replied, "If that is true, why is it that I hear cattle mooing and I hear sheep bleating?"

¹⁵ Saul replied, "The soldiers took them from the Amalek people-group. They saved the best sheep and cattle, in order to offer them as sacrifices to Yahweh, your God. But we have completely destroyed all the others."

¹⁶ Samuel said to Saul, "Stop *talking!* Allow me to tell you what Yahweh said to me last night."

Saul replied, "Tell me *what he said*." ¹⁷ Samuel said, "Previously you did not think that you were important. But now you have become [RHQ] the leader of the tribes of Israel. Yahweh appointed you to be their king. ¹⁸ And Yahweh sent you to do something *for him*. He said to you, 'Go and get rid of all those sinful people, the Amalek people-group. Attack them and kill all of them.' ¹⁹ So why did you not obey Yahweh [RHQ]? Why did your men take the best animals [RHQ]? Why did you do what Yahweh said was evil?" [RHQ]

²⁰ Saul replied to Samuel, "Hey, I did what Yahweh sent me to do! I brought back King Agag, but we killed everyone else! ²¹ My men brought back only the best sheep and cattle and other things, in order to sacrifice them to Yahweh your God here at Gilgal."

²² But Samuel replied, "Which *do you think* pleases Yahweh more, animals that are completely burned *on the altar* and other sacrifices,

or people obeying him [SYN]?

It is better to obey *Yahweh* than *to offer sacrifices to him*.

It is better to pay attention to what he says than *to burn* the fat of rams, *even though God said they should be sacrificed to him*.

²³ To rebel *against God* is as sinful as doing sorcery/black magic,

and being stubborn is as sinful as worshiping idols.

So, because you disobeyed what Yahweh told you to do, he has declared that you will no longer be king."

Saul asks to be forgiven

²⁴ Then Saul said to Samuel, "Yes, I have sinned. I disobeyed what you told me to do, which is what Yahweh commanded. I did that because I was \diamond afraid of/worried about \diamond what my men would say *if I did not do what they wanted*. So I did what they demanded. ²⁵ But now, please forgive me for having sinned. And come back with me *to where the people are* in order that I may worship Yahweh."

²⁶ But Samuel replied, "No, I will not go back with you. You have rejected/disobeyed what Yahweh commanded you to do. So he has rejected you, *and declared that you will no longer be the king of Israel*. So I do not want to talk anymore with you."

²⁷ As Samuel turned to leave, Saul tried to stop him by grabbing the edge of Samuel's robe, and it tore.

²⁸ Samuel said to him, "*You tore my robe!* And today Yahweh has torn away from you the kingdom of Israel!"

He will appoint someone else to be king, someone who is a better man than you are. ²⁹ And since the one who is the glorious *God* of the Israeli people does not lie, he will not change ♦his mind/what he has said♦. Humans sometimes change their minds, but God does not do that, because he is not a human."

³⁰ Then Saul *pleaded again*. He said, "I know that I have sinned. But please honor me in front of the leaders of the Israeli people and in front of all the other Israeli people by coming back *to them* with me in order that I may worship Yahweh your God." ³¹ So Samuel finally agreed to do that, and they went together back *to where the people were*, and Saul worshiped Yahweh there.

Samuel executed King Agag

³² Then Samuel said, "Bring King Agag to me." So they brought Agag to him. Agag was confidently expecting that they would spare him/not kill him. He was thinking, "Surely I will not have to endure an agonizing death!"

³³ But Samuel said to him, "You have killed the sons of many women with your sword, so now your mother will no longer have a son." And Samuel cut Agag into pieces *with his sword*, there at Gilgal, in the presence of Yahweh.

³⁴ Then Samuel left there and returned to his home in Ramah, and Saul went to his home in Gibeah. ³⁵ Samuel never saw Saul again, but he was very sad about what Saul *had done*. And Yahweh was very sorry that he had appointed Saul to be the king of Israel.

Samuel appointed David to be king

16 Finally, Yahweh said to Samuel, "I have decided that I will not allow Saul to continue to be the king. So you should not [RHQ] keep feeling sad *about what he has done*. Put some olive oil in a small container and go to Bethlehem *to anoint someone with the oil, and appoint him to be king*. I am sending you there to a man named Jesse, because I have chosen one of his sons to be the king *of Israel*."

² But Samuel said, "I am afraid [RHQ] to do that! If Saul hears about it, he will kill me!" Yahweh said, "Take a ♦heifer/young female cow♦ with you, and say to people that you have come to *kill it and offer it as a sacrifice to me*."

³ Invite Jesse to come to the sacrifice. *When he comes, I will show you what you should do. And I will show you which of his sons I have chosen to be the king. Then you should anoint that one with the olive oil to be the king.*"

⁴ Samuel did what Yahweh told him to do. He went to Bethlehem. When the town leaders came to him, they trembled, *because they were worried that Samuel had come to rebuke them about something*. One of

them asked him, "Have you come *to speak peacefully to us?*"

⁵ Samuel replied, "Yes. I have come peacefully, to make a sacrifice to Yahweh. *Perform the rituals to make yourselves acceptable to Yahweh, and then come with me to where they will offer the sacrifice.*" Then Samuel performed the ritual to make Jesse and his sons acceptable to God, and he also invited them to the sacrifice.

⁶ When they arrived there, Samuel looked at *Jesse's oldest son Eliab*, and thought, "Surely this is the one whom Yahweh has appointed *to be king!*"

⁷ But Yahweh said to Samuel, "No, he is not the one whom I have chosen. Don't pay attention to his being handsome and very tall, because I have not chosen him. I do not evaluate people as people do. You people evaluate people by their appearance, but I evaluate people by what is in their inner beings."

⁸ Then Jesse told *his next oldest son Abinadab* to step forward and walk in front of Samuel. *But when he did that*, Samuel said, "Yahweh has not chosen this one, either." ⁹ Then Jesse told *his next oldest son Shammah* to step forward. He stepped forward, but Samuel said, "Yahweh has not chosen this one, either."

¹⁰ Similarly, Jesse told his other four sons to walk in front of Samuel. But Samuel said to Jesse, "Yahweh has not chosen any of these sons of yours." ¹¹ Then Samuel asked Jesse, "Do you have any other sons?" Jesse replied, "My youngest son *is not here*; he is out *in the fields* taking care of the sheep." Samuel said, "Send someone to bring him here! We will not sit down *to eat* until he gets here."

¹² So Jesse sent *someone to bring David there. And when David arrived, Samuel saw that he was handsome and healthy, and had bright eyes*. Then Yahweh said, "This is the one *whom I have chosen*; anoint him *to be king.*"

¹³ So as David *stood there* in front of his older brothers, Samuel took the container of oil that he had brought and poured some of it on David's head *to set him apart to serve God. After they all ate, Samuel left and returned to Ramah. But Yahweh's Spirit came on David powerfully, and stayed with David for the rest of his life.*

David played the harp for Saul

¹⁴ But Yahweh's Spirit left Saul. Instead of *his Spirit staying with Saul*, Yahweh sent an evil spirit to Saul to terrify him *repeatedly*.

¹⁵ One of his servants said to him, "It is evident that an evil spirit sent by God is terrifying you. ¹⁶ So we suggest that you allow us, your servants here, to search for a man who plays the harp well. He can play the harp whenever the evil spirit bothers you. Then *you will calm down and you will be okay again.*"

¹⁷ Saul replied, "*Fine/Okay*, find for me a man who can play *the harp* well, and bring him to me."

¹⁸ One of his servants said to him, "A man named Jesse, in Bethlehem town, has a son who plays the harp very well. Furthermore, he is a brave man, and is a capable soldier. He is handsome and he always speaks wisely. And Yahweh always protects him."

¹⁹ So Saul sent this message to Jesse: "Send your son David to me, the one who takes care of sheep." ²⁰ So after they went to Jesse and told him that, he agreed. He got a young goat, a container of wine, a donkey on which he put some loaves of bread, and gave them to David to take to Saul as a present.

²¹ Then David went to Saul and started to work for him. Saul liked David very much, and he became the man who carried Saul's weapons when Saul went to fight in battles. ²² Then Saul sent a messenger to Jesse to tell him, "I am pleased with David. Please let him stay here and work for me."

²³ Jesse agreed, and after that, whenever the evil spirit whom God sent tormented Saul, David played the harp. Then Saul would become calm, and the evil spirit would leave him.

Goliath challenged the Israeli army

17 The Philistines gathered their army to fight the Israeli army. They gathered together near Socoh, in the area where the descendants of Judah lived. They set up their tents at Ephes-Dammim, which is between Socoh and Azekah. ² Saul gathered the Israeli army near Elah Valley, and they set up their tents. Then they all took their places, ready to fight the Philistines. ³ So the Philistine and Israeli armies faced each other. They were on two hills, with a valley between them.

⁴ Then Goliath, from Gath city, came out from the Philistine camp. He was a champion warrior/soldier. He was \diamond over 9 feet/3 meters \diamond tall. ⁵ He wore a helmet made of bronze to protect his head, and he wore a coat made of metal plates to protect his body. The coat weighed \diamond 125 pounds/56 kg. \diamond ⁶ He wore bronze guards/protectors on his legs. He had a long bronze dagger fastened on his back. ⁷ He also had a big spear. It had a cord on it to enable him to throw it better (OR, which was as thick as a weaver's beam). The tip of the spear was made of iron and weighed \diamond 15 pounds/almost 7 kg. \diamond . A soldier carrying a huge shield walked in front of him.

⁸ Goliath stood there and shouted to the Israeli army, "Why are you all lined up for battle? I am the great Philistine soldier, and I think [RHQ] you are merely Saul's slaves. Choose one man to fight for all of you, and send him down here to me! ⁹ If he fights with me and kills me, then my fellow Philistines will all be your slaves. But if I defeat him and kill him, then you Israelis will all be our slaves. ¹⁰ I defy/challenge you men of the Israeli army. Send me a man who will fight with me!" ¹¹ When Saul and all the Israeli soldiers heard that, they were extremely terrified [DOU].

David went to Saul's camp

¹² David was the son of Jesse. Jesse was from the clan of Ephrath. He lived in Bethlehem, in the area where the descendants of Judah lived. Jesse had eight sons. When Saul was king, Jesse had already become a very old man [DOU]. ¹³ Jesse's three oldest sons, Eliab and Abinadab and Shammah, had gone with Saul to fight the Philistines. ¹⁴ David was Jesse's youngest son. While his three oldest brothers were with Saul, ¹⁵ David went back and forth: Sometimes he went to Saul's camp, and sometimes he stayed in Bethlehem to take care of his father's sheep.

¹⁶ For 40 days Goliath came out from the Philistine camp and stood there taunting the Israeli army/telling the Israelis to choose one man to fight with him. He did it twice each day, once in the morning and once in the evening.

¹⁷ One day, Jesse said to David, "Here is a sack of roasted grain and ten loaves of bread. Take these quickly to your older brothers. ¹⁸ And here are ten large chunks of cheese. Take them to their commander. And see how things are going with your older brothers. Then if they are okay, bring back something to show they are all right."

¹⁹ His brothers were with Saul and all the other Israeli soldiers, camped alongside Elah Valley, preparing to fight the Philistines. ²⁰ So David arranged for another shepherd to take care of the sheep. Early the next morning he took the food and went to the Israeli camp, as Jesse told him to do. He arrived there just as the Israeli soldiers were forming their ranks and going out to the battlefield. As they went, they were shouting a war cry. ²¹ The Philistine army and the Israeli army stood on the hillsides, facing each other, ready for the battle. ²² David gave the food to the man who was taking care of the war equipment. He told him to take care of the food that he brought, and then he went and greeted his older brothers. ²³ While he was talking with them, he saw Goliath coming out from among the Philistine soldiers, shouting to the Israelis, challenging them to send a man to fight him. David heard what Goliath was saying. ²⁴ When all the Israeli soldiers saw Goliath, they were terrified and started to run away. ²⁵ They were saying to each other, "Look at him coming up toward us! And listen to him as he defies us Israelis! The king says that he will give a big reward to whoever kills this man. He also says that he will give his daughter to that man for him to marry her, and that he will no longer require that man's family to pay taxes."

²⁶ David talked to some of the men who were standing near him. He said, "What will be given to whoever kills this Philistine and frees us Israelis from this shame/disgrace? And who does this heathen Philistine think he is, defying/ridiculing the army that serves the all-powerful God?"

²⁷ They told him the same thing that the other men had said, about what the king would do for anyone who killed Goliath.

²⁸ But when David's oldest brother Eliab heard David talking to the men, he was angry. He said to David, "Why have you come down here? Is someone taking care of those few sheep that you left in the desert? I know you are just a *smart-aleck/brat*! You just want to watch the battle!"

²⁹ David replied, "Have I done something wrong? I was merely asking a question!" ³⁰ Then he walked over to another man and asked him the same question, but the man gave him the same answer. Each time he asked someone, he received the same answer. ³¹ Finally, someone told king Saul what David had asked, and Saul sent someone to bring David to him.

³² David told king Saul, "No one should *worry/become a coward* because of that Philistine man. I will go and fight with him!"

³³ Saul said to David, "You are only a young man, and he has been a very capable soldier all his life. So you are not able to go and fight with him!"

³⁴ David replied, "I have been taking care of my father's sheep *for many years*. Whenever a lion or a bear came and carried away a lamb, ³⁵ I went after the lion or the bear and attacked it and rescued the lamb from the wild animal's mouth. Then I grabbed the animal by its jaw/throat and struck it and killed it. ³⁶ I have killed both lions and bears. And *I will do* the same to this heathen Philistine, because he has defied/ridiculed the army of the all-powerful God! ³⁷ Yahweh has rescued me from paws of lions and bears, and he will rescue me from this Philistine!" Then Saul said to David, "All right, go *and fight him*, and *I hope/desire* that Yahweh will help you!"

³⁸ Then Saul gave to David his own clothes that he always wore in battles, and he gave him a bronze helmet and a coat made of metal plates. ³⁹ David *put these things on*. Then he fastened his sword over them, and tried to walk. But he could not walk, because he was not accustomed to wearing those things. So David said to Saul, "I cannot fight wearing all these things, because I am not accustomed to *wearing them!*" So he took them off.

⁴⁰ Then he took his walking/shepherd's stick, and he picked up five smooth stones from the brook/stream. He put them in the pouch of his shoulder-bag. Then he put his sling in his hand and started walking toward Goliath.

David killed Goliath

⁴¹ Goliath walked toward David, with the soldier who was carrying his shield walking in front of him. When he got near David, ⁴² he looked at David closely. He saw that David had a handsome face and healthy body, but that he was only a young man. So he sneered at David. ⁴³ He said to David, "Are you coming to me with a stick because *you think that I am a dog?*"

Then he called out to his gods to harm David. ⁴⁴ He said to David, "Come here to me, and I will *kill you and give your dead body to the birds and wild animals to eat!*"

⁴⁵ David replied, "You are coming to me with a sword and a dagger and a spear. But I am coming to you *in the name/with the authority* of almighty Yahweh. He is the God whom the army of Israel *worships*, and he is the God whom you have defied/ridiculed. ⁴⁶ Today Yahweh will enable me to defeat you. I will strike you down and cut off your head. And *we Israelis will kill many Philistine soldiers and give their bodies to the birds and wild animals to eat*. And everyone in the world will *hear about it and know* that we Israeli people worship an *all-powerful* God. ⁴⁷ And everyone here will know that Yahweh can rescue people without a sword or a spear. Yahweh always wins his battles, and he will enable us to defeat all of you *Philistines.*"

⁴⁸ As Goliath came closer to attack David, David ran quickly toward him. ⁴⁹ He put his hand into his shoulder-bag and took out one stone. He *put it in his sling and hurled it toward Goliath*. The stone hit Goliath on the forehead and penetrated his skull, and he fell face down onto the ground.

⁵⁰⁻⁵¹ Then David ran and stood over Goliath. He pulled Goliath's sword from its sheath and killed him with it, and then cut off his head. In that way David defeated the Philistine without having his own sword. He used *only* a sling and a stone!

When the other Philistines saw that their great warrior was dead, they ran away. ⁵² The Israeli men shouted and ran after them. They pursued them all the way to Gath and to the gates of Ekron *city*. They struck them as they went, with the result that dead/wounded Philistines were lying on the road all the way from Shaaraim to Gath and Ekron *towns*. ⁵³ When the Israelis returned from chasing the Philistines, they *plundered/took everything from* the Philistine camp. ⁵⁴ David later took the head of Goliath to Jerusalem, but he kept Goliath's weapons in his own tent.

⁵⁵ As Saul watched David going toward Goliath, he said to Abner, the commander of his army, "Abner, whose son is that young man?" Abner replied, "*As sure as you are alive/Truly* [IDM], I do not know."

⁵⁶ Then the king said, "Find out whose son he is!"

⁵⁷ *Later*, as David returned from killing Goliath, Abner took him to Saul. David was carrying Goliath's head.

⁵⁸ Saul asked him, "Young man, whose son are you?" David replied, "*Sir, perhaps you have forgotten that I am the son of your servant Jesse, who has served you faithfully, who lives in Bethlehem.*"

Saul became jealous of David

18 After David finished talking with Saul, he *met Saul's son, Jonathan*. Jonathan *immediately* liked David; in fact, he began to love/like him as much as he loved/liked himself. ² From that day, Saul kept

David with him, and did not let him return home. ³ Because Jonathan loved David so much, he made a solemn agreement with David. *They promised each other that they would always be loyal friends.*

⁴ Jonathan took off his own outer robe and gave it to David. He also gave David his soldier's tunic, his sword, his bow *and arrows*, and his belt.

⁵ David *went wherever Saul sent him*. And whatever Saul told him to do, David did it very successfully. As a result, Saul appointed David to be a commander in the army. All the officers and other men in the army \diamond approved of/were very pleased with \diamond that.

⁶ But, when the men in the army were returning home after David had killed Goliath, the women came out from many [HYP] towns in Israel to meet/greet King Saul. They were singing and dancing very joyfully, playing tambourines and lyres. ⁷ As they danced, they sang this song to each other:

"Saul has killed 1,000 *enemy soldiers*,
But David has killed 10,000 *of them*."

⁸ When Saul *heard them singing that*, he did not like it. He became very angry. He said *to himself*, "They are saying that David *killed* 10,000 men, but that I *have killed* only 1,000. Soon they will want to make him their king!" [RHQ] ⁹ From that time, Saul watched David very closely because he was suspicious *that David would try to become king*.

¹⁰ The next day, an evil spirit sent by God suddenly took control of Saul. He began to act like a madman, inside his house. David was playing the lyre for him, as he did every day. Saul was holding a spear in his hand, ¹¹ and he hurled it *at David*, saying to himself, "I will fasten David to the wall with the spear!" He did that two times, but David jumped aside *both times*.

¹² *Because it became evident that Yahweh had abandoned Saul but that he was helping David*, Saul was afraid of David. ¹³ So he appointed David as a commander of 1,000 soldiers and sent David away from him, *hoping that David would be killed in a battle*. But when David led his soldiers *in their battles*, ¹⁴ he always had great success, because Yahweh was helping him. ¹⁵ When Saul heard that David *and his soldiers were very successful*, he became more afraid of David. ¹⁶ But all the people of Israel and of Judah loved David, because he led the soldiers very successfully *in the battles*.

David married Saul's daughter

¹⁷ One day Saul said to David, "I am ready to give you my oldest daughter, Merab, to be your wife. I will do that if you serve me bravely by fighting battles for Yahweh *against the Philistines*". He said that because he thought, "I will not try to get rid of David by myself. I will allow the Philistines to do that."

¹⁸ But David said to Saul, "I am not [RHQ] a very important person, and my family is not very important, and my clan is not a very important Israeli clan. So I do not deserve to become your son-in-law." [RHQ] ¹⁹ So,

when it was time for Merab to be given to David to become his wife, instead, Saul gave her to a man named Adriel, from Meholah town.

²⁰ But Saul's other daughter, Michal, fell in love with David. When they told Saul about that, he was pleased. ²¹ He thought, "I will let Michal marry him, in order that she may trap him, and the Philistines will be able to kill him." So he said to David, "*You can marry Michal*," and by saying that, he indicated for the second time that David would become his son-in-law.

²² Saul told his servants, "Talk to David privately, and say to him, 'Listen, the king is pleased with you, and all of us his servants love you. So now *we think that you should marry Michal and become the king's son-in-law*.'"

²³ So they told that to David. But David said, "It would be a great honor [RHQ] to become the king's son-in-law. But *I do not think that I should do that, because I am only a poor and insignificant man*."

²⁴ When the servants told Saul what David had said, ²⁵ Saul replied, "Go and say to David, '*In order for the king to allow you to marry Michal, he wants you to kill 100 Philistines and cut off their foreskins and bring the foreskins to him to prove that you have killed them*. In that way he will get revenge on his enemies.' " But what Saul wanted was that the Philistines would kill David *while David was trying to kill them*.

²⁶ When the servants told that to David, he was very pleased that he could become the king's son-in-law *by doing that*. *The king had said how many days he would allow for David to do that*. But before that time ended, ²⁷ David and his men went and killed, *not 100, but, 200 Philistines!* He brought their foreskins to Saul, and counted them *while Saul was watching*, in order to prove that he had *done what the king required so that he could become Saul's son-in-law*. So then Saul was *obligated* to allow David to marry his daughter Michal.

²⁸ But when Saul realized that Yahweh was helping David, and that his daughter loved David, ²⁹ he became more afraid of David. So, as long as Saul lived, he was David's enemy.

³⁰ The Philistine armies repeatedly came to fight the Israelis, but every time they fought, David and his soldiers were more successful than any of Saul's other army commanders. As a result, David became very famous.

Saul tried to kill David

¹⁹ Then Saul urged all his servants and his son Jonathan to kill David. But Jonathan liked David very much. ² So he warned David, "My father Saul is seeking for a way to kill you. So be careful. Tomorrow morning go and find a place to hide *in the field*". ³ I will ask my father to go out there with me. *While we are out there*, I will talk to him about you. Then I will tell you everything that he tells me." *So David did what Jonathan told him to do*.

⁴ *The next morning*, Jonathan spoke with his father, saying many good things about David. He said, "You should never do anything to harm your servant David! He has never done anything to harm you! Everything that he has done has helped you very much." ⁵ He was in danger of being killed when he fought against *Goliath, the champion of the Philistia army*. *By enabling David to kill him*, Yahweh won a great victory for all the people of Israel. You were very happy when you saw that. Why would you want to do anything now to harm David [RHQ]? There is no reason for you to kill him, because he has not done anything wrong!"

⁶ Saul listened to what Jonathan said. Then Saul said, "I solemnly promise that just as certain as Yahweh lives, I will not kill David."

⁷ Afterward, Jonathan summoned David and told him what he and Saul had said. Then Jonathan brought David to Saul, and David served Saul as he had done before.

⁸ One day a war started again, and David *led his soldiers to fight against the Philistia army*. David's army attacked them very furiously, with the result that the Philistia army ran away.

⁹ But one day when sitting in his house, an evil spirit *sent from Yahweh suddenly* came upon Saul. While David was playing his harp *for Saul*, ¹⁰ Saul hurled his spear at David to try to fasten him to the wall. David *◇dodged/jumped to one side◇*, and the spear did not hit him. The spear stuck in the wall, but that night David escaped.

Michal helped David escape

¹¹ Then Saul sent messengers to David's house. He told them to watch the house and to kill David *while he was leaving the house* the following morning. But David's wife Michal *saw them and* warned him, "To survive, you must run away tonight, because if you do not do that, you will be killed tomorrow!" ¹² So she enabled David to climb out through a window, and he ran away and escaped. ¹³ Then Michal took an idol and put it in the bed. She covered it with some *of David's clothes*, and put some goat's hair on the head of the idol.

¹⁴ When the messengers came *to the house the next morning*, she told them that David was sick *and could not get out of bed*.

¹⁵ *When they reported that to Saul*, he told them to go back to David's house. He said to them, "Bring him to me lying on his bed, in order that I can kill him!"

¹⁶ But when those men entered David's house, they saw that there was only an idol in the bed, with goat's hair on its head.

¹⁷ *When they reported that to Saul*, Saul summoned Michal and said to her, "Why did you trick me like that? You allowed my enemy to escape!"

Michal replied to Saul, "David told me that if I did not help him escape, he would kill me!" [RHQ]

God's spirit took possession of Saul

¹⁸ After David had escaped from Saul, he went to Samuel, who was *at his home* at Ramah. He told Samuel everything that Saul had done to *try to kill* him. Then David and Samuel went to Naioth, *which was a section of Ramah city*, and they stayed there. ¹⁹ Someone told Saul that David was in Naioth. ²⁰ So Saul sent some messengers to capture David. When those messengers *arrived in Ramah*, they met some men who were proclaiming ecstatic messages, and Samuel was there, as their leader. When Saul's messengers met them, the Spirit of God took control of Saul's men, and they also spoke ecstatically. ²¹ When Saul heard about that, he sent messengers a third time, but they also started to speak ecstatically. ²² Finally, Saul himself went to Ramah. When he arrived at the well at *a place named Secu*, he asked people there, "Where are Samuel and David?"

The people replied, "They are at Naioth in Ramah city." ²³ While Saul was walking toward Naioth, the Spirit of God also took control of him. *While he walked on*, he continued speaking ecstatic messages until he came to Naioth. ²⁴ There he took off his clothes, and he spoke messages from God in front of Samuel. He lay on the ground doing that all day and all night. That is the reason that *when people see someone doing something that is very unexpected, they think about what happened to Saul, and they say, "We are surprised, like the people were surprised to see Saul acting like a prophet?"* [RHQ]

Jonathan helped David escape from Saul

²⁰ David ran away from the Naioth *section of Ramah city*. He went to Jonathan and asked him, "What have I done *to displease your father?* What did I do that was wrong? Why is he trying to kill me?"

² Jonathan replied, "My father is surely not trying to kill you! He always tells me before he does anything that he is planning. He tells me about important things and unimportant things that he plans to do. *◇Why would he refuse to tell me if he were planning to kill me?/I am sure that he would not refuse to tell me if he were planning to kill you.* *◇* [RHQ] So what you are saying cannot be true."

³ Then David solemnly declared this to Jonathan: "Your father knows very well that you and I are very good friends, so he says to himself, 'I will not tell Jonathan *what I am going to do*. If I tell Jonathan, he will be upset/distressed, *and then he will tell David!*' But just as certain as Yahweh lives and you live, I am only one step away from being killed."

⁴ Jonathan said to David, "I will do whatever you tell me to do."

⁵ David replied, "Tomorrow we will celebrate the Festival of the New Moon. I always eat with the king at that festival. But tomorrow I will hide in the field, and I

will stay there for one night. I will stay there until the evening of the day after tomorrow. ⁶ If your father asks why I am not there at the festival, say to him, 'David requested me to allow him to go to his home in Bethlehem, where his family will offer the sacrifice that they offer *during this festival* every year.' ⁷ If your father says 'That is okay', then I know I will be safe. But if he becomes extremely angry, you will know that he is determined to harm me. ⁸ Please be kind to me. Yahweh heard you when you made a solemn agreement with me *that you and I will always be loyal friends*. If I deserve to be punished [MTY], kill me yourself. I do not want [RHQ] you to allow your father to punish [IDM] me."

⁹ Jonathan replied, "I will never do that! But if I find out that my father is determined to harm/kill you, I will certainly warn you." [RHQ]

¹⁰ David asked him, "How will I find out if your father answers you harshly?" ¹¹ Jonathan replied, "Come with me. We will go out into the field." So they went together out into the field.

¹² There Jonathan said to David, "I promise this while Yahweh, the God whom we Israelis *worship*, is listening: At this time the day after tomorrow, I will find out what my father *is thinking about you*. If he is saying good things about you, I will certainly send a message to you to tell that to you [RHQ]. ¹³ But if he is planning to hurt/kill you, I will enable you to know [IDM] that, and enable you to go away safely. I desire that Yahweh will punish me severely if I do not do that *for you*. I desire/hope that Yahweh will be with you *and help you* like he has helped my father. ¹⁴ But while I am still alive, please be kind to me in the same way that Yahweh is kind to me, and do not kill me *when you become king*. ¹⁵ But *if I die*, never stop being kind to my family, *even after Yahweh has gotten rid of all your enemies all over the earth*."

¹⁶ David agreed. So Jonathan made a solemn agreement with David. And he said, "I hope/desire that Yahweh will get rid of all your enemies." ¹⁷ And Jonathan requested David to repeat his solemn promise to be his close friend, because Jonathan loved David as much as he loved himself.

¹⁸ Then Jonathan said, "Tomorrow we will celebrate the Festival of the New Moon. When you are not sitting at your place when we eat, my father will *miss you/see that you are not there*. ¹⁹ The day after tomorrow, in the evening, go to the place where you hid before. Wait by the pile of stones. ²⁰ I will come out and shoot three arrows as though I were trying to shoot at a target. *The arrows will hit the ground* close to the pile of stones. ²¹ Then I will send a boy to bring the arrows back to me. If you hear me say to him, 'They are closer to me', then as surely as Yahweh lives, you will know that everything is fine, *and that Saul will not kill you*. ²² But if I tell him, 'The arrows are farther away', you will know that you must leave immediately, because Yahweh wants you to run away. ²³ I hope/de-

sire that Yahweh will watch you and me and enable us to never forget what we have promised each other."

²⁴ So David went and hid in the field. When the Festival of the New Moon started, the king sat down to eat. ²⁵ He sat where he usually sat, close to the wall. Jonathan sat across from him, and Abner *the army commander* sat next to Saul. But no one was sitting in the place where David *usually sat*. ²⁶ On that day, Saul did not say anything about David, because he was thinking, "Something must have happened that caused David to become unacceptable *to worship God*." ²⁷ But the next day, when David was not sitting at the place where he usually sat, Saul asked Jonathan, "Why has that son of Jesse not been here to eat with us yesterday and today?"

²⁸ Jonathan replied, "David earnestly requested me that I permit him to go to Bethlehem. ²⁹ He said, 'Please allow me to go, because our family is going to offer a sacrifice. My *older* brother insisted that I be there. So please allow me to go to be with my *older* brothers.' *I allowed David to go*, and that is the reason that he is not here eating with you."

³⁰ Saul was *furiously/very angry* with Jonathan. He yelled at him, "You stupid bastard [EUP]! I know that you are being loyal to that son of Jesse. By doing that, you will bring shame to yourself and to your mother. ³¹ As long as Jesse's son is living, you will never become the king, and you will never rule over a kingdom! So now, summon David, and bring him to me. He must be executed!"

³² Jonathan asked his father, "Why should David be executed? What wrong has he done?" ³³ Then Saul threw his spear at Jonathan in order to kill him, *but the spear did not hit him*. So Jonathan knew that his father really wanted to kill David.

³⁴ Jonathan was very angry, and he left the room. On that second day of the festival, he refused to eat anything. He was disgusted about what his father had done, and he was worried about David.

³⁵ The following morning Jonathan went out to the field to give a message to David, like he had agreed that he would do. He took a young boy with him.

³⁶ Jonathan said to the boy, "Run and find the arrows that I shoot." The boy started running, and Jonathan shot an arrow ahead of the boy. ³⁷ When the boy ran to the place where the arrow hit the ground, Jonathan called out, "The arrow is further away!" [RHQ] ³⁸ Then he shouted to the boy, "Act quickly; do not wait! Do not stop!" The boy picked up the arrow and brought it back to Jonathan. ³⁹ But the boy did not understand the meaning of what Jonathan had said; only Jonathan and David knew. ⁴⁰ Then Jonathan gave his bow and arrows to the boy and told him, "Go back to the town."

⁴¹ When the boy left, David came out from the south side of the pile of stones behind which he had been hiding. He went to Jonathan and bowed *in front of Jonathan* three times, with his face touching the ground. Then David and Jonathan kissed each other

on the cheek/neck, and they cried together. But David cried more than Jonathan.

⁴² Jonathan said to David, "May things go well for you as you go. Yahweh has heard what we solemnly promised to always do for each other, and what we said that our descendants must do for each other." Then David left, and Jonathan went back to the town.

David and his men hid in a cave

21 David fled from there and went to Nob city to see Ahimelech the priest. Ahimelech trembled when he saw David because he was afraid that something bad had happened. He said to David, "Why are you alone? Why have no men come with you?"

² David deceived Ahimelech by replying, "The king sent me. But he does not want anyone to know anything about what he sent me to do. I have told my men where they should meet me. ³ Now I want to know, do you have any food here for me to eat [IDM]? Could you give me five loaves of bread, or whatever other food that you can find?"

⁴ The priest answered David, "There is no ordinary bread here, but I have some of the sacred bread that was placed before Yahweh. Your men may eat it if they have not slept with [EUP] women recently."

⁵ David replied, "They have not been near women for many days. I do not allow my men to defile themselves by sleeping with women while they are preparing to fight in battles. They must continue to keep themselves acceptable to God when they are on ordinary trips, and today they have kept themselves acceptable to God because now we are doing something very special/important." ⁶ The only bread that the priest had was the sacred bread that had been placed in Yahweh's presence in the Sacred tent. So the priest gave David some of that bread. On that day the priest had taken those loaves from the table and replaced them with fresh/newly baked loaves.

⁷ It happened that Doeg, from the Edom people-group, was there on that day to make himself acceptable to Yahweh, and he saw what Ahimelech did. He was one of Saul's officials and the leader of Saul's shepherds.

⁸ David asked Ahimelech, "Do you have a spear or a sword that I could use? The king appointed us to do this task and told us to leave immediately, so I did not have time to bring any weapons."

⁹ Ahimelech replied, "I have only the sword that belonged to Goliath the giant from the Philistia people-group whom you killed in Elah Valley. It is wrapped in a cloth, and is behind the sacred vest in the Sacred Tent. If you want it, take it, because I have no other weapon here."

David replied, "Truly, there is no other sword that is as good as that one! Give it to me." ¹⁰ So Ahimelech gave it to him, and David left there. He and his men and went to Gath city in the Philistia region, to stay with King Achish. ¹¹ But the officers of King Achish ob-

jected to David being there. They said to King Achish, "This man is [RHQ] David, the king of Israel! He is the one [RHQ] whom our enemies, the Israeli people, honored by dancing and singing,

'Saul has killed thousands of his enemies, but David has killed tens of thousands of them!'"

¹² David heard what those men were saying, so he was afraid of what King Achish might do to him. ¹³ So he pretended that he was insane. He started scratching on the gates of the city and allowing his saliva to run down his beard.

¹⁴ Then King Achish said to his men, "Look at this man! He is acting like an insane man! Why have you brought him to me? ¹⁵ Have you brought him because I do not have enough insane men here already [RHQ]? I do not want [RHQ] him to come into my house!"

David and his men hid in a cave at Adullam

22 David and his men left Gath and went east to hide in a cave on a hill at Adullam city. Soon his older brothers and all his other relatives came and stayed with him there. ² Then other men came there. Some were men who had caused trouble, some were men who owed money, and some were men who were not content [IDM] with the government. They continued to come until there were 400 men there, and David was their leader.

³ Later they left there and went east to Mizpah city in the Moab region. There David requested the king of Moab, "Please allow my father and mother to live here with you until I know what God is going to do for me."

⁴ The king gave him permission, so David's parents stayed with the king of Moab all the time that David and the men who were with him were hiding in that area.

⁵ One day the prophet Gad told David, "Leave your fortress/this area and return to Judah." So David and his men went to Hereth forest in Judah.

Saul killed Ahimelech and many other priests

⁶ One day, someone told Saul that David and his men had arrived in Judah. On that day, Saul was sitting underneath the tamarisk tree on a hill at Gibeah town. He was holding his spear, and was surrounded by his army officers. ⁷ He shouted to them, "You men of the tribe of Benjamin, listen to me! Do you think that the son of Jesse will give all of you fields and vineyards if he becomes your king? Will he appoint all of you to become generals and captains in his army [RHQ]? ⁸ Is that why you have all conspired against me [RHQ]? None of you told me when my son Jonathan made a solemn agreement with that son of Jesse. None of you feels sorry for me. That son of Jesse was my servant, but now my son is encouraging him to hide in order to ambush me/attack me suddenly, as he is doing today!"

⁹ Doeg, a man from the Edom people-group, was standing there with Saul's officers. He said to Saul, "When I was at Nob, I saw that son of Jesse talking to Ahimelech, the priest. ¹⁰ Ahimelech asked Yahweh what David should do. Then Ahimelech gave to David some food and the sword of Goliath, the *giant* from the Philistia people-group."

¹¹ Then Saul summoned Ahimelech and all Ahimelech's relatives who were priests at Nob. So they all came to the king. ¹² Saul said to Ahimelech, "You son of Ahitub, listen to me!"

Ahimelech answered, "Yes, sir!" ¹³ Saul said, "Why are you and Jesse's son conspiring to get rid of me? You gave him some bread and a sword. You requested God to tell David what he should do. David has rebelled against me, and right now he is *hiding somewhere*, waiting to *attack me*."

¹⁴ Ahimelech replied, "I do not understand why you are saying that, because David, your son-in-law, the captain of your bodyguards, is very loyal to you. No one is more loyal to you than David! Everyone in your household respects him very much. ¹⁵ Furthermore, this was certainly not [RHQ] the first time that I requested God to say what he wanted David to do. And it is not right for you to accuse me or any of my relatives of *trying to get rid of you*, because I do not know anything about *anyone wanting to do that*."

¹⁶ The king then shouted, "Ahimelech, you and your all your relatives are going to be executed right now!"

¹⁷ Then he commanded his bodyguards, "Kill these priests of Yahweh, because they are allies of David, and they are conspiring with David against me! They knew that David was trying to run away from me, but they did not tell me!"

But Saul's bodyguards refused to kill Yahweh's priests.

¹⁸ Then the king said to Doeg, "You kill them!" So Doeg, the man from the Edom people-group, went out and struck them with his sword. On that day he killed eighty-five men who were wearing the sacred vests *because they were God's priests*. ¹⁹ He also went and killed many people in Nob, the city where the priests lived. He killed men, women, children, babies, cattle, donkeys, and sheep there.

²⁰ But Abiathar, Ahimelech's son, escaped. He ran away and joined David *and the men who were with him*. ²¹ He told David that Saul had commanded *Doeg* to kill Yahweh's priests. ²² Then David said to him, "That man from the Edom people-group, Doeg, was there at Nob on the day *that I was there*. I knew that he would surely tell Saul *what happened*. So it is my fault that your father and all of his family have been killed. ²³ You stay with me, and do not be afraid. The man who wants to kill you wants to kill me also, but you will be safe if you stay with me."

David saved the people of Keilah

23 One day someone told David, "You need to know that the Philistia army is attacking Keilah town and they are stealing grain from where men are threshing it." ² David asked Yahweh, "Should my men and I go to fight against those men from the Philistia people-group?"

Yahweh answered, "Yes, go. Attack them, and rescue the people of Keilah." ³ But David's men said to him, "We are afraid *that Saul will attack us* here in Judah. We will be more afraid if we go to Keilah where the Philistia army is!"

⁴ So David asked Yahweh again *if they should go to Keilah*. Yahweh answered, "Yes, go down to Keilah. I will help you to defeat the men of the Philistia people-group." ⁵ So David and his men went to Keilah. They fought against the men of the Philistia people-group and captured many of their cattle. David and his men killed many of the Philistia men and rescued the people of Keilah.

⁶ Abiathar, the son of Ahimelech, fled to be with David at Keilah, and he brought the sacred vest with him *to use it to determine what God wanted to be done*.

Saul pursued David

⁷ Soon Saul found out that David was at Keilah. So he said, "That is good! God is enabling me to capture him! He has trapped himself in that town, because it has high walls with gates around it."

⁸ So Saul summoned his army, and they prepared to go down to Keilah to attack David and his men.

⁹ But David found out that Saul was planning *for his army* to attack him. So he said to Abiathar the priest, "Bring *here* the sacred vest." ¹⁰ *So when Abiathar brought it*, David prayed, "Yahweh, God of us Israelis, I have heard that Saul is planning to come here *with his army* and destroy Keilah because I am here. ¹¹ Will Saul come down *here to Keilah*, as people reported to me? Will the leaders of Keilah enable Saul to capture me? Yahweh, God of us Israelis, please tell me!"

Yahweh answered, "Yes, Saul will come down." ¹² Then David asked, "Will the leaders of Keilah enable Saul's army to capture me and my men *if we stay here*?"

By means of the stones in the sacred vest, Yahweh replied, "Yes, they will." ¹³ So David and his 600 men left Keilah. They continued to move from one place to another, *wherever they thought that Saul would not find them*. And when Saul found out that David had escaped from Keilah, he did not go there.

¹⁴ David and his men stayed in hiding places in the desert and in the hills of Ziph Desert. Every day Saul *sent men* to search for David, but Yahweh did not allow them to capture David.

¹⁵ While David and his men were at a *place named* Horesh in Ziph desert, he found out that Saul was coming there to kill him. ¹⁶ But Saul's son Jonathan went to David at Horesh, and encouraged him to continue to trust *God*. ¹⁷ Jonathan told him, "Do not be afraid, because my father will not be able to harm [IDM] you. *Some day* you will be the king of Israel, and I will be the second *most important man in Israel*. My father Saul also knows that." ¹⁸ Then the two of them repeated their solemn promise that Yahweh *had heard them make previously, that they would always be loyal to each other*. Then Jonathan went home, but David stayed at Horesh.

¹⁹ Some people from Ziph went to Saul when he was at Gibeah, and they told him, "David *and his men* are hiding in our land [RHQ]! They are hiding in places at Horesh on Hakilah Hill, south of a *place named* Jeshimon. ²⁰ So, O king, come down there any time that you want to. It is our duty to capture him and turn him over to you."

²¹ Saul replied, "I hope/desire that Yahweh will bless you *for telling that to me*. ²² Go back and find out more about him. Find out exactly where he is staying, and find out who has seen him there. People tell me that he is very clever, *so we need to be clever also to be able to capture him*. ²³ Find out all the places where he and his men hide. Then come back and tell me everything that you have found out. Then I will *take my army and go there with you*. If David is in any of the clans/caves of Judah, we will search for him *and find him!*"

²⁴ So those people went back to Ziph before Saul went there. At that time David and his men were in Maon Desert, south of Jeshimon. ²⁵ Saul and his soldiers went to search for David, but David heard about that. So he and his men went further *south* to a rocky hill/peak in the Maon Desert. When Saul heard about that, he and his men followed David and his men to the Maon Desert.

²⁶ Saul and his soldiers were walking along one side of the hill/peak, and David and his men were on the other side. David and his men were hurrying to escape from Saul's soldiers, because Saul and his soldiers were coming much closer. ²⁷ But then a messenger came to Saul and said to him, "Come quickly! The Philistia army is attacking the people in our land!" ²⁸ So Saul stopped pursuing David, and he *and his soldiers* went to fight against the Philistia army. That is the reason that people call that place 'Escape Rock'. ²⁹ David and his men also left the Maon Desert and went to places to hide safely at En-Gedi.

David spared Saul's life

24 After Saul *and his soldiers* returned home after fighting against the Philistia army, someone reported to Saul that David *and his men* had gone into the desert near En-Gedi. ² When Saul *heard that*, he chose 3,000 men from various areas in Israel, and

they went to search for David and his men at a place named Rocks of Wild Goats.

³ At a place where the road was alongside some sheep pens, Saul *left the road and* entered a cave to defecate [EUP]. *He did not know that* David and his men were hiding further inside that same cave!

⁴ David's men *saw Saul and* whispered to David, "To-day is the day that Yahweh spoke about when he said, 'I will enable you to defeat your enemy.' You can do to him whatever you want to!" So David crept toward the entrance of the cave and *with his knife* he cut off a piece of Saul's robe. ⁵ *And then he returned to his men*.

But then David felt guilty for having cut off a piece of Saul's robe. ⁶ He said to his men, "I should not have done that to the king! I hope/desire that Yahweh will never allow me to attack the one whom God has appointed, because Yahweh is the one who chose him *to be the king*." ⁷ By saying that, David restrained his men, and did not allow them to kill Saul.

⁸ After Saul left the cave and started to walk on the road again, David came out of the cave and shouted to Saul, "King Saul!" Saul turned around and looked, and David bowed down with his face touching the ground. ⁹ Then he said to Saul, "◊Why do you pay attention to people when they say 'David wants to harm you'?/You should not pay attention to people when they say 'David wants to harm you'.◊ [RHQ] ¹⁰ Today you can see with your own eyes that *what they say is not true*. Yahweh put you in a place where my men and I could have killed you when you were in this cave. Some of my men told me that I should do that, but I did not do that. I said to them, 'I will not harm my master, because he is the king whom Yahweh appointed.' ¹¹ Your majesty, look at this piece of your robe that is in my hand! I cut it from your robe, but I did not kill you. So now you should be able to understand that I am not planning to do anything evil to you. I have not done anything wrong to you, but you are searching for me to kill me. ¹² I hope/desire that Yahweh will judge and decide which of us ◊*is doing what is right/pleases him*◊. And I hope/desire that he will punish you for the wrong things that you have done to me. But I will not try to harm you. ¹³ There is a proverb that has the words, 'Evil things are done by evil people.' But *I am not evil*, so I will not do evil things to you.

¹⁴ You are the king of Israel. So ◊*why* are you pursuing me?/you should not be pursuing me.◊ [RHQ] I am *as harmless as* [MET] a dead dog or a flea. ¹⁵ I hope/desire that Yahweh will judge which of us *is doing what* ◊*he wants/is right*◊. I trust that he will *act like a lawyer and judge* ◊*my case/what I have done*◊, and that he will rescue me from your power [MTY]."

¹⁶ When David finished speaking, Saul *called out to him and* asked, "My son David, is that your voice *that I am hearing?*" Then he began to cry loudly. ¹⁷ He said, "You are a better man than I am. You have done something very good to me when I tried to do something

very bad to you. ¹⁸ When Yahweh put me in a place *in that cave* where you could have easily killed me, you did not do that. ¹⁹ ♦Who else would/No one else would♦ find his enemy and allow his enemy to escape *when he could kill him instead* [RHQ]. I hope/desire that Yahweh will reward you for being kindly to me today. ²⁰ I know that *some day* you will surely become the king, and that your kingdom will prosper as you rule the Israeli people. ²¹ Now while Yahweh is listening, solemnly promise to me that you will not kill my family and get rid of all my descendants."

²² David solemnly promised Saul that he would *not harm Saul's family*. Then Saul went back home, and David and his men went back up into the place where they had been hiding.

Samuel died

25 *Soon after that*, Samuel died, and all the Israeli people gathered and mourned for him. They buried his body outside his home in Ramah.

Nabal insulted David

Then David and his men moved to the Maon Desert. ² In Maon *town* there was a man who owned land in Carmel, *a nearby village*. He was very rich; he owned 3,000 sheep and 1,000 goats. ³ His name was Nabal; he was a descendant of Caleb. His wife Abigail was a wise and beautiful woman, but Nabal was very cruel and treated people very unkindly [IDM].

⁴ One day while David *and his men* were in the desert, someone told him that Nabal was cutting the wool from his sheep. ⁵ So David told ten of his men, "Go to Nabal at Carmel and greet him for me. ⁶ Then tell to him this message from me, 'I wish/desire that things will go well for you and your family and for everything that you possess.

⁷ I heard people say that you are cutting the wool from your sheep. Previously, when your shepherds were among us, we did not harm them. All the time that your shepherds were among us at Camel, we did not steal any sheep from them. ⁸ You can ask your servants if this is true, and they will tell you *that it is true*. We have come here at a time when you are celebrating, so I ask you to please be kind to us and give these men whatever extra food you have, for me, David, and my men to eat."

⁹ When David's men arrived where Nabal was, they gave David's message to him, and they waited *for him to reply*. But Nabal spoke harshly to them. ¹⁰ He said to them, "Who does this man, this son of Jesse, *think that he is?* [DOU, RHQ] There are many slaves who are running away from their masters at the present time, *and it seems to me that he is just one of them*. ¹¹ I give bread and water to the men who are cutting the wool from my sheep, and I give them meat from animals that I have slaughtered. Why should I take some of those things and give them to a group of outlaws

[RHQ]? ♦Who knows where they have come from?/I do not even know where they have come from.♦" [RHQ]

¹² Then David's men returned and told him what Nabal had said. ¹³ When David heard that, he told his men, "*We are going to kill Nabal; fasten your swords!*" So he fastened on his sword and about 400 men fastened on their swords and went with David. There were 200 of his men who stayed with their supplies.

¹⁴ One of Nabal's servants *found out what David and his men were planning to do*, so he went to Nabal's wife Abigail and said to her, "David sent some messengers from the desert to greet our master Nabal, but Nabal only yelled at them. ¹⁵ All the time that we were in the fields close to them, those men of David were very kind to us. They did not harm us. They did not steal anything from us. ¹⁶ They protected us during the daytime and during the night. They were like a wall [MET] around us to protect us while we were taking care of our sheep. ¹⁷ So now you should think about it and decide what you can do. *If you do not do something*, terrible things will happen to our master and to all his family. Nabal is an extremely wicked man, with the result that *he will not heed anyone when that person tries to tell him anything that he should do.*"

¹⁸ When Abigail *heard that*, she very quickly gathered 200 loaves of bread, and also got two leather bags full of wine, the meat from five sheep, a bushel of roasted grain, 100 packs of raisins, and 200 packs of dried figs. She put all those things on donkeys. ¹⁹ Then she told her servants, "Go ahead of me. I will follow you." But she did not tell her husband *what she was going to do*.

²⁰ David and his men *had left the place where they were staying and were on the road to Nabal's property*. They were coming down a hill when they met Abigail. ²¹ David had been saying to his men, "It was useless for us to protect that man and all his possessions here in this desert. We did not steal anything that belonged to him, but he has done evil to me in return for our good *things we did for him*. ²² I hope/desire that God will strike me and kill me [IDM] if he or even one of his men [IDM] is still alive tomorrow morning!"

²³ When Abigail saw David, she quickly got down from her donkey and bowed before him, with her face touching the ground. ²⁴ Then she prostrated herself at David's feet and said to him, "Sir, I deserve to be punished for *what my husband has done*. Please listen to what I say to you. ²⁵ Please do not pay attention to [IDM] what this worthless man Nabal has said. His name means 'fool', and he surely is a foolish man. But I, who am *willing to be your servant*, did not see the messengers whom you sent to him. ²⁶ Yahweh has prevented you from getting revenge on anyone and killing anyone. I hope/desire that as surely as Yahweh lives and as surely as you live, your enemies will be *cursed* like Nabal will be. ²⁷ I have brought a gift for

you and for the men who are with you. ²⁸ Please forgive me if I have done anything wrong to you. Yahweh will surely *reward you* by allowing many of your descendants to become kings of Israel, because you are fighting the battles that Yahweh *wants you to fight*. And *I know that* throughout all your life you have not done anything wrong. ²⁹ Even when those who are trying to kill you pursue you, you are safe, because Yahweh your God takes care of you. You will be *protected as though you were* [MET] a bundle that he has safely tied up. But your enemies will *disappear as fast as stones* that are hurled from a sling. ³⁰ Yahweh has promised to do good things for you, and he will do what he has promised. And he will cause you to become the ruler of the Israeli people. ³¹ When that happens, *you will be glad that you did not kill any people* in Nabal's household. You will not think that you deserve to be punished for having taken revenge yourself and killed innocent people. And when Yahweh enables you to successfully *become the king*, please do not forget *to be kind to me*."

³² David replied to Abigail, "I praise Yahweh, the God whom we Israelis *worship*, because he sent you to *talk with me*. ³³ I hope/desire that Yahweh will bless you for being very wise. You have prevented me from taking revenge myself and killing many people [MTY] today. ³⁴ Just as surely as Yahweh the God whom we Israelis *worship* is alive, he has prevented me from harming you. If you had not come quickly to talk to me, neither Nabal nor even one of Nabal's men [IDM] would be still alive tomorrow morning."

³⁵ Then David accepted the gifts that Abigail had brought to him. He said to her, "I hope/desire that things will go well for you. I have heard what you said, and I will do what you have requested."

Nabal died

³⁶ When Abigail returned to Nabal, he was in his house, having a big celebration like kings have. He was very drunk and feeling very happy. So Abigail did not say anything to him that night *about her meeting with David*. ³⁷ The next morning, when he was no longer drunk, she told him everything *that had happened when she talked with David*. *Immediately*, \diamond he had a stroke/a blood vessel burst in his brain \diamond and he became paralyzed [MET]. ³⁸ About ten days later Yahweh struck him *again* and he died.

³⁹ After David heard that Nabal was dead, he said, "Praise Yahweh! Nabal insulted me, but Yahweh \diamond vindicated me/got revenge for me \diamond . He has prevented me from *doing anything* wrong. And he has punished Nabal for the wrong that he did."

David married Abigail

Then David *sent messengers* to Abigail, to ask her if she would become his wife. ⁴⁰ His servants went to Carmel and said to Abigail, "David sent us to take you

to become his wife." ⁴¹ Abigail bowed down with her face touching the ground. Then she *told the messengers to tell David*, "I am happy to become your wife. I will be your servant. And I am willing to wash the feet of your slaves." ⁴² Abigail quickly got on her donkey and went with David's messengers. Five of her maids went with her. When she *arrived where David was*, she became his wife. ⁴³ David had previously married Ahinoam, a woman from Jezreel *town near Carmel*. So both Abigail and Ahinoam were now David's wives. ⁴⁴ King Saul's daughter Michal was also David's wife, but Saul had given her to Laish's son Paltiel, who was from Gallim *town*.

David spared Saul's life again

26 One day *some of* the people of Ziph *town* went to Saul while he was at Gibeah, and they said to him, "David is hiding in a cave on Hakilah hill, across from Jeshimon *town*."

² So Saul chose 3,000 of the best Israeli soldiers and went with them to Ziph Desert to search for David.

³ Saul and his men set up their tents close to the road on Hakilah hill, east of Jeshimon *town*, but David *and his men* stayed in the desert. When David heard that Saul was searching for him, ⁴ he sent some spies to find out for certain that Saul had come to Hakilah.

⁵ Then *that evening* David went to the place where Saul had set up his tent. *From a distance* he saw where Saul and his army commander, Abner, were sleeping. Saul was sleeping with all his army *sleeping* around him.

⁶ David *went back to where his men were* and talked to Ahimelech, who was from the Heth people-group, and Joab's brother Abishai, whose mother was *David's older sister* Zeruah. He asked them, "Who will go with me down into the camp where Saul is?"

Abishai replied, "I will go with you." ⁷ So that night David and Abishai crept into Saul's camp. They saw that Saul was asleep. His spear was stuck in the ground near his head. Saul was asleep in the middle of the camp. Abner *the army commander* and the other soldiers were sleeping around Saul.

⁸ Abishai whispered to David, "Today Yahweh has enabled us to kill your enemy! Allow me to fasten Saul to the ground *by thrusting* my spear into him. It will be necessary for me to strike him only once. I will not *need to strike* him twice."

⁹ But David whispered to Abishai, "No, do not kill Saul. Yahweh has appointed him to be king, so Yahweh will surely [RHQ] punish anyone who kills him.

¹⁰ Just as surely as Yahweh lives, he himself will punish Saul. Perhaps Yahweh will strike him when it is Saul's time to die, or perhaps Saul will be killed in a battle.

¹¹ But I hope/desire that Yahweh will prevent me from harming the king whom he has appointed. Let's take Saul's spear and water jug that are near his head. Then let's get out of here!"

David taunted Abner and Saul

¹² So David took the spear and the jug, and he and Abishai left. No one saw them or knew what they were doing, and no one woke up, because Yahweh had caused them to be sound asleep.

¹³ David and Abishai went across the valley and climbed to the top of the hill, a long way from Saul's camp.

¹⁴ Then David shouted to Abner, "Abner, can you hear me?"

Abner *woke up and* replied "Who are you, *waking up* the king by calling out to him?" ¹⁵ David replied, "*I am sure that you are the greatest man in Israel [IRO, RHQ]! So why did you not guard your master, the king? Someone came into your camp in order to kill your master, the king. ¹⁶ You have done a very poor job of guarding Saul. So just as surely as Yahweh lives, you and your men should be executed! You have not guarded your master whom Yahweh appointed to be the king. Where are the king's spear and the water jug that were close to his head?*"

¹⁷ *The shouting woke Saul up and* he recognized that it was David's voice. He called out, saying, "My son David, is that your voice?"

David replied, "Yes, your majesty it is my voice."

¹⁸ Then David added, "Sir, why are you pursuing me [RHQ]? What wrong have I done [RHQ]? ¹⁹ Your majesty, listen to me! If Yahweh has caused you to be angry with me, I should offer a sacrifice *in order to appease him*. But if it is people who have caused you to be angry with me, I hope/desire that Yahweh will curse them. They have forced me to leave the land that Yahweh gave to me. They have told me, 'Go somewhere else and worship other gods!' ²⁰ Now do not force me to die [MTY] far from *where we worship* Yahweh. You, the king of Israel, have come here searching for me. *But I do not want to harm you!* I am *as harmless as a flea [MET]. You are searching for me like people hunt for a bird in the mountains!* [MET]"

²¹ Then Saul said, "David, my son. I have sinned *by trying to kill you*. So come back home. Today you have considered my life to be very valuable *and so you have not killed me*. So I will not try to harm you. I have made a big mistake and have acted foolishly."

²² David replied, "I *will leave* your spear here. Send one of your young men here to get it. ²³ Yahweh rewards us for the things that we do that are right and for being loyal *to him*. Even when Yahweh placed me where I could easily have killed you, I refused to do that, because you are the one whom Yahweh has appointed [MTY] to be the king. ²⁴ Just like I considered your life to be valuable *and spared your life* today, I hope/desire that Yahweh will consider my life to be valuable and *spare my life and save me from all my troubles*."

²⁵ Then Saul said to David, "My son David, I pray that Yahweh will bless you. You will do great things very successfully."

Then David returned to his men, and Saul went back home.

David stayed among the Philistia people-group

²⁷ But David thought, "Some day Saul will capture me *if I stay around here*. So the best thing that I can do is to escape and go to the Philistia area. If I do that, Saul will stop searching for me here in Israel, and I will be safe."

² So David and his 600 men left Israel and went to see Maach's son Achish, who was king of Gath *city in the Philistia area*. ³ David and his men and their families started to live there in Gath, the city where king Achish lived. David's two wives were with him—Ahinoam from Jezreel, and Nabal's widow Abigail, from Carmel. ⁴ When someone told Saul that David had run away *and was living* in Gath, he stopped searching for David.

⁵ *One day* David said to Achish, "If you are pleased with us, give us a place in one of the small villages where we can stay. There is no need [RHQ] for us to stay in the city where you are the king."

⁶ *Achish liked what David suggested*. So that day Achish gave to David Ziklag *town*. As a result, Ziklag has belonged to the kings of Judah since that time.

⁷ *David and his men* lived in the Philistia area for 16 months. ⁸ *During that time*, David and his men raided the people who lived in *the areas* where the Geshur, Girzi, and Amalek people-groups lived. Those people had lived there a long time. That area extended *south* from Telam to the Shur *Desert* and to *the border of Egypt*. ⁹ Whenever David's men attacked them, they killed all the men and women, and they took all the people's sheep and cattle and donkeys and camels, and even their clothes. Then they would bring those things back home, *and David would go to talk to Achish*.

¹⁰ Each time Achish would ask David, "Where did you go raiding today?" David *would lie to him*. Sometimes he would reply that they had gone to the southern part of Judah, and sometimes he would say that they had gone to Jerahmeel, or to the area where the Ken people-group lived. ¹¹ David's men never brought back to Gath any man or woman who was left alive. David thought, "If we *do not kill everyone, some of them who are still alive* will go and tell Achish *the truth* about what we really did." David did that all the time that he *and his men* lived in the Philistia area. ¹² So Achish believed what David *told him*, and said to himself, "*Because of what David has done*, his own people, the Israelis, must now hate him very much. So he will have to *stay here and serve me forever*."

Saul consulted a witch/medium

28 Some time later, the people of Philistia gathered their army to attack the Israelis *again*.

King Achish told David, "I am expecting that you and your men will join with my men to attack *the Israelis*."

² David replied, "*We will go with you, and then you will see for yourself what we can do!*"

Achish said, "Okay, I will appoint you to be my bodyguard permanently."

³ *While Samuel was still alive, Saul did many things that pleased Yahweh. One of the good things that Saul did was to expel from Israel all the people who were fortune-tellers or who talked to the spirits of dead people. But Samuel had died, and all the Israeli people had mourned for him. Then they had buried him in Ramah, his hometown. After that, Saul did not try to please Yahweh anymore.*

⁴ The army of Philistia gathered and set up their tents at Shunem city, in the north of Israel. Saul gathered the Israeli army and set up their tents at Gilboa in the eastern part of the same valley. ⁵ When Saul saw the army of Philistia, he became so afraid that his heart pounded/shook. ⁶ He prayed to Yahweh, but Yahweh did not answer him. Yahweh did not *tell Saul what he should do* by giving him a dream, or by *having the priest throw the marked stones that were in his sacred vest*, or by *giving a message about Saul to any prophet*. ⁷ Then Saul said to his servants, "Find for me a woman who talks to the spirits of dead people, in order that I can ask her *what will happen*." His servants replied, "There is a woman in Endor town who does that."

⁸ So Saul *took off the clothes that showed that he was the king*, and he put on ordinary clothes *to disguise himself/so that people would not recognize who he was*. Then he and two of his men went during the night to talk to that woman. Saul said to her, "I want you to talk to a spirit *of someone who has died*. Cause to appear the person whose name I will *give to you*."

⁹ But the woman replied, "You surely know what Saul has done. He expelled from this land all the people who talk to spirits of dead people and all fortune-tellers. I think that you are trying to trap me, in order that I will be executed *for doing something that is not permitted*."

¹⁰ Saul replied, solemnly asking Yahweh to listen to what he was saying, "Just as surely as Yahweh lives, you will not be punished for doing this."

¹¹ Then the woman said, "Whom do you want me to cause to appear?"

Saul replied, "Cause Samuel to appear."

¹² *So the woman did that. But when she saw Samuel, she screamed. She said, "You have tricked me [RHQ]! You are Saul! You will execute me for doing this!"*

¹³ Saul said to her, "Do not be afraid. What do you see?"

The woman said, "I see a god/spirit coming up out of the ground." ¹⁴ Saul said, "What does he look like?"

The woman replied, "An old man wearing a robe is appearing."

Then Saul knew that it was Samuel. So he bowed down with his face touching the ground. ¹⁵ Samuel said to Saul, "Why have you bothered/disturbed me by causing me to appear?"

Saul said, "I am very worried. The army of Philistia is about to attack my army, and God has abandoned me. He does not answer my questions anymore. He does not give me dreams *to tell me what to do* or give messages to prophets *to tell me what to do*. That is the reason that I came to see you. So you tell me what I should do!" ¹⁶ Samuel said, "Yahweh has abandoned you and has become your enemy. So why do you ask me *what you should do?* [RHQ] ¹⁷ He has done what he told me *previously* that he would do to you. He has torn the kingdom away from you, and he is giving it to someone who is another Israeli—David. ¹⁸ You did not obey Yahweh. Yahweh was very angry with the Amalek people-group. You did not *kill all of their animals*, with the result that you did not show that he was very angry with them. That is the reason that he has done this to you today. ¹⁹ Yahweh will enable the Philistia army to defeat you and all the other Israeli soldiers. And tomorrow you and your sons will be with me *in the place where spirits of dead people are*. Yahweh will cause the whole Israeli army to be defeated by the Philistia army." *And after Samuel said that, he disappeared.*

²⁰ Saul immediately fell flat on the ground. He was so afraid because of what Samuel had said that he became paralyzed. He was also very weak because he had not eaten anything all that day and night.

²¹ The woman saw that he was extremely worried/terrified. She said to him, "Listen to me! I have done what you requested me to do. I could be executed for doing that. ²² So now please pay attention to what I say. Allow me to give you some food, in order that you will *eat it and* get enough strength to go back *to your army*."

²³ But Saul refused. He said, "No, I will not eat anything." Then Saul's servants also urged him *to eat something*, and finally he heeded what they said. He got up from the ground and sat on the bed.

²⁴ The woman had a fat calf close to her house. She quickly slaughtered it *and cooked it*. She took some flour and mixed it *with olive oil*, and baked it without putting in any yeast. ²⁵ She placed the food in front of Saul and his servants, and they ate some of it. Then that night they got up and left.

The king of Philistia sent David back home

29 The Philistia army gathered at Aphek Valley, which is near Shunem. The Israelis set up their tents at Jezreel city, which was in the same valley.

² The kings of Philistia divided their men into groups; some groups had 100 soldiers and some groups had

1,000 soldiers. David and his men were marching behind, with King Achish. ³ But the Philistia commanders asked, "What are these Hebrews *doing here, marching with us to battle?*"

Achish replied, "*Their leader* is David. He previously worked for King Saul of Israel, but now he has been living near me for more than a year. During all the time since he left Saul, I have not seen/found that he has any faults." ⁴ But the Philistia army commanders were angry with Achish *for allowing David's army to be going with them.* They said to him, "Send David and his men back to the city that you gave to him! We do not want him to go with us into the battle. *If he goes with us, we will have an enemy in our own midst!* He would please King Saul by killing our own soldiers [RHQ]!" ⁵ *Have you forgotten that David is the one about whom the Israelis dance and sing, saying, 'Saul has killed 1000 of our enemies, but David has killed 10,000 of them!?'"*

⁶ So Achish summoned David, and said to him, "Just as surely as Yahweh lives, you have been loyal to me. I would like very much for you to fight along with my army. Since the day that you came to me, I have not found/seen that you have any faults. But the other Philistia rulers do not trust you. ⁷ So all of you go back home, and I hope/desire that things will go well for you. I do not want you(sg) to do anything that the other rulers of Philistia will not be pleased with."

⁸ David replied, "What wrong have I done? Since the day that I first came to you until today, have I done anything that you think is evil? Your majesty, why will you not allow me to go and fight against your enemies?"

⁹ Achish replied, "I know that you are as just as good as an angel from God. But the commanders of my army have said, 'We will not allow David and his men to go with us into the battle.' ¹⁰ So early tomorrow morning you and your men must leave. Get up as soon as it is light and leave."

¹¹ So David and his men got up early the following morning and returned to the area where the Philistia people lived. And the Philistia army went up to Jezreel.

David's army defeated the Amalekites

30 Three days later, when David and his men arrived at Ziklag, *they discovered that* men of the Amalek people-group had raided Ziklag and towns in the southern part of Judah. They had destroyed Ziklag and burned down all the buildings. ² They had captured the women *and the children* and everyone else, and had taken them away. But they had not killed anyone.

³ When David and his men came to Ziklag, they saw that the town had been burned, and that their wives and sons and daughters had been captured and taken away. ⁴ David and his men cried loudly, until *they were so weak that they could not cry anymore.* ⁵ David's two wives, Ahinoam and Abigail, had also been taken

away. ⁶ David's men were threatening to *kill him by throwing stones at him, because they were very angry because their sons and daughters had been taken away.* David was very distressed, but Yahweh his God gave him strength.

⁷ David *did not know what to do, so he said to Abiathar the priest, "Bring to me the sacred vest."* So Abiathar brought it, ⁸ and David asked Yahweh, "Should I and my men pursue the men *who took our families?* Will we be able to catch up to them?"

Yahweh answered *by means of the stones in Abiathar's sacred pouch, "Yes, pursue them. You will catch up to them, and you will be able to rescue your families."* ⁹ So David and the 600 men who were with him left, and they came to the Besor Ravine. Some of his men stayed there *with some of their supplies.* ¹⁰ David and 400 men continued to pursue *the men who captured their families.* The other 200 men stayed there at the ravine, because they were so exhausted that they could not cross the ravine.

¹¹ *As David and the 400 men were going, they saw a man from Egypt in a field; so they took him to David.* They gave the man some water to drink and some food to eat. ¹² They also gave him a piece of fig cake and two clusters/packs of raisins. The man had not had anything to eat or drink for three days and nights, but *after he ate and drank he felt refreshed.*

¹³ David asked him, "Who is your master? And where do you come from?"

He replied, "I am from Egypt. I am a slave of a man from the Amalek people-group. Three days ago my master left me here, because I was sick *and I was not able to go with them.* ¹⁴ We had raided the southern part of Judah where the Kereth people-group live, and some other towns in Judah, and the area south of Hebron city where the descendants of Caleb live. We also burned Ziklag town."

¹⁵ David asked him, "Can you lead us to this group of raiders?"

He replied, "Yes, *I will do that* if you ask God to listen while you promise that you will not kill me or give me back to my master. If you promise that, I will take you to them." ¹⁶ *David agreed to do that, so the man from Egypt led David and his men to where the men from the Amalek people-group were.* Those men were lying on the ground, eating and drinking and celebrating because of having captured many things from the Philistia and Judah areas. ¹⁷ David and his men fought against them from sunset that day until the evening of the following day. Four hundred of them escaped and rode away on camels, but none of the others escaped. ¹⁸ David rescued his two wives, and he and his men got back everything else that the men of the Amalek people-group had taken. ¹⁹ Nothing was missing. They took all their people back to Ziklag —young people and old people, *their wives, their sons and their daughters.* They also recovered all the other things that the men of the Amalek people-group had taken

from Ziklag. ²⁰ They took with them the sheep and cattle that had been captured, and his men caused those animals to go in front of them, saying, "These are animals that we captured in the battle; they belong to David!"

²¹ David and his men got back to where the other 200 men were waiting, the men who did not go with David because they were very exhausted. They had stayed at Besor Ravine. *When they saw David and his men coming*, they went out to greet them. And David *greeted them and said to them*, "I hope that things are going well with you!"

²² But some of the men who had gone with David, men who were evil and troublemakers, said, "These 200 men did not go with us. So we should not give to them any of the things that we recovered/captured. Each of them should take only his wife and children and go *back to their homes*."

²³ David replied, "No, my fellow Israelis, it would not be right to divide up like that the things that Yahweh has allowed us to capture. Yahweh has protected us and enabled us to defeat the enemies who attacked our town. ²⁴ ♦Who will pay attention to you if you say things like that?/No one will pay attention to you if you say things like that. ♦ [RHQ] The men who stayed here with our supplies will get the same amount that the men who went into the battle will get. They will all receive the same amount." ²⁵ David made that to be a law [DOU] for the Israeli people, and that is still a law in Israel.

²⁶ When David *and all the others* arrived in Ziklag, David sent to his friends who were leaders in Judah some of the things that they had captured from the Amalek people-group. He said to them, "Here is a present for you. These are things that we took from Yahweh's enemies."

²⁷ *Here is a list of the cities and towns to whose leaders David sent gifts*: Bethel, Ramoth in the southern part of Judah, Jattir, ²⁸ Aroer, Siphmoth, Eshtemoa, ²⁹ Racal, the cities where the descendants of Jehrameel lived and the cities where the Ken people-group lived, ³⁰ Hormah, Bor-Ashan, Athach, ³¹ Hebron, and all the other places where David and his men had gone *when they were hiding from Saul*.

Saul and his sons died in a battle

31 Later, the Philistines again fought against the Israelis. The Israelis ran away from them, and

♦many Israelis were killed/the Philistines killed many Israelis♦ on Gilboa Mountain. ² The Philistines caught up with Saul and his three sons, and they killed *all three of his sons*, Jonathan and Abinadab and Malchishua. ³ The fighting was very fierce around Saul. When the Philistine ♦archers/men with bows and arrows♦ caught up with Saul, they wounded him badly *with their arrows*.

⁴ Saul said to the man who was carrying his weapons, "Take out your sword and kill me with it, in order that these heathen Philistines will not be able to thrust their swords into me and make fun of me *while I am dying*."

But the man who was carrying Saul's weapons was terrified, and refused to do that. So Saul took his own sword and fell on it. *The sword pierced his body and he died*. ⁵ When the man carrying his weapons saw that Saul was dead, he also threw himself on his own sword and died. ⁶ So Saul, three of his sons, and the man who carried Saul's weapons, all died on that same day.

⁷ When the Israeli people on the north side of the *Jezreel Valley* and on the east side of the *Jordan River* heard that the Israeli army had run away and that Saul and his sons had died, they left their towns and ran away. Then the Philistines came and occupied their towns.

⁸ The next day, when the Philistines came to take away the weapons of the dead *Israeli soldiers*, they found the bodies of Saul and his three sons on Gilboa Mountain. ⁹ They cut off Saul's head and took his weapons. Then they sent messengers throughout their land, to proclaim the news, in the temple where they kept their idols, and to the other people, *that their army had killed Saul*. ¹⁰ They put Saul's weapons in the temple of *their goddess Astarte*. They also fastened the bodies of Saul *and his sons* to the wall *that surrounded Beth-Shan city*.

¹¹ When the people who lived in Jabesh in the Gilead *region* heard what the Philistines had done to Saul's corpse, ¹² all their bravest soldiers walked all night to Beth-Shan. They took the corpses of Saul and his sons down from the city wall, and they took them back to Jabesh and burned the corpses there. ¹³ They took the bones and buried them under a *big tamarisk tree*. Then they ♦fasted/abstained from eating food♦ for seven days.

2 SAMUEL

David found out about Saul's death

1 After Saul died, David *and the men who were with him* returned to Ziklag town after defeating the descendants of Amalek. They stayed in Ziklag for two days. **2** On the third day, unexpectedly a man arrived there who had come from where Saul's army was camped. He had torn his clothes and put dust on his head *to show that he was grieving*. He came to David, and prostrated himself on the ground *in front of David to show respect for him*.

3 David asked him, "Where have you come from?" The man replied, "I escaped from where the Israeli army had been camped."

4 David asked him, "What happened? Tell me *about the battle!*" The man replied, "The Israeli soldiers ran away from the battle. Many of them were killed. And Saul and his son Jonathan *are dead/were also killed*."

5 David said to the young man, "How do you know that Saul and his son Jonathan are dead?"

6 The young man replied, "It happened that I was on Gilboa Mountain *where the battle occurred*, and I saw Saul, leaning on his spear. The *enemy* chariots and their drivers had come very close to Saul. **7** Saul turned around and saw me, and he called out to me. I answered him and said, 'What do you want me to do?'

8 He replied, 'Who are you?' I replied, 'I am a descendant of Amalek.'

9 Then he said to me, 'Come over here and kill me. I am still alive, but I am enduring a lot of pain.'

10 So I went to him and killed him, because I knew that he was wounded very badly and would *not* continue to live/soon die. I took the crown that was on his head and the band/bracelet that was on his arm, and I have brought them to you."

11 Then David and all the men who were with him tore their clothes *to show that they were very sad*.

12 They mourned for Saul and his son Jonathan, and they cried and *fasted/abstained from eating food* until it was evening. They also mourned for all the army of Yahweh, and for all the Israeli people, because many of their soldiers had been killed in the battle [MTY].

13 Then David asked the young man who had told him *about the battle*, "Where are you from?" He replied, "My father is a descendant of Amalek, but we live in Israel."

14 David asked him, "*Why were you not afraid that you would be punished if you killed Saul, whom Yahweh had appointed [MTY] to be the king?/You should have been afraid that you would be punished if you killed Saul, whom Yahweh had appointed [MTY] to be the king.* *[RHQ]* ¹⁵⁻¹⁶ You yourself said, 'I killed the man whom Yahweh appointed to be the king.' So you have caused yourself to be guilty [MTY] of causing your own death!" Then David summoned one of his soldiers and said to him, "Kill him!" So the soldier killed him by striking him *with a sword*.

David's song about Saul and Jonathan

17 Then David composed/wrote this sad song about Saul and Jonathan, ¹⁸ and he commanded that it be taught to the people of Judah. *The song is called 'The Bow and Arrow'* and it has been written in the Book of Jashar:

19 You Israeli people, your glorious [MTY] leaders have been killed on the mountains!

It is very sad that those mighty men have died!

20 Do not tell it to *our enemies in the Philistia area*; do not tell to the people who live in Gath city what happened;

do not proclaim it in the streets of Ashkelon city, because if you tell them, *even* the women in that area will be happy;

do not allow those *pagan women/women who do not know God* to rejoice.

21 I hope/desire that there will be no rain or dew on the mountains of the Gilboa area [APO], and that no grain will grow in the fields there, because there the shield of Saul, the mighty king, fell on the ground.

No one rubbed *olive* oil on Saul's shield;

22 instead, it was stained with the blood of those whom he had killed,

and the fat of mighty enemy soldiers was smeared on it.

Jonathan [PRS] did not retreat carrying his bow *and arrows*,

and Saul always *defeated his enemies when he fought them* with his sword. [PRS, LIT]

23 Saul and Jonathan were loved and they pleased many people.

They were together [LIT] while they lived and when they died.

In battles they were swifter than eagles and they were stronger than lions.

²⁴ You Israeli women, cry about Saul; He provided beautiful scarlet/red clothes for you and he gave you gold ornaments/jewelry to fasten on those clothes.

²⁵ *It is very sad that* this mighty soldier has died! Jonathan has been killed on the mountains/hills.

²⁶ Jonathan, my dear friend, I grieve for you; you were very dear to me. You loved me in a wonderful manner; it was better than the way that a woman loves *her husband and her children.*

²⁷ It is very sad that those mighty men have died, and their weapons are now abandoned!

David was appointed to be the king of Judah

² Some time after that, David asked Yahweh, "Should I go back to *live in* one of the towns in Judah?" Yahweh replied, "Yes, go up there." Then David asked, "To which town should I go?" Yahweh replied, "To Hebron."

² So David went up there, taking his two wives, Ahinoam who was from Jezreel *city*, and Abigail, the widow of Nabal from Carmel *city*. ³ He also took the men who had been with him, and their families. They all started to live in villages near Hebron. ⁴ Then the men of Judah came to Hebron, and *one of* them poured olive oil on David's head *to show they were appointing him to be* [MTY] the king of the tribe [MTY] of Judah.

When David found out that the people of Jabesh town in the Gilead *region* had buried Saul's body, ⁵ he sent messengers to the men of Jabesh to tell them this: "I desire/hope that Yahweh will bless you for having shown, by burying the body of Saul your king, that you were loyal to him. ⁶ Now I also desire/hope that Yahweh will faithfully love you and be loyal to you. And I will do good things for you because of what you have done *for Saul*. ⁷ Now, although Saul your king is dead, be strong and courageous, like the people of Judah, who have appointed me to be their king."

Ishbosheth was appointed to be the king of Israel

⁸ *While this was happening*, Ner's son Abner, the commander of Saul's army, took Saul's son Ishbosheth and went across *the Jordan River* to Mahanaim town. ⁹ There Abner proclaimed that Ishbosheth was now the king of the Gilead *region* and of the tribe of Asher and the region of Jezreel and the tribes of Ephraim and Benjamin. That meant that he was the king of all of the people of Israel.

¹⁰ Ishbosheth was 40 years old when he started to rule over the people of Israel. He ruled them for two years. But the tribe of Judah *was* loyal to David/*wanted* David to be their king¹¹, and he ruled them

for seven and a half years while he was living in Hebron.

The war between the armies of Judah and Israel

¹² *One day* Abner and the officials of Ishbosheth went from Mahanaim *across the Jordan River* to Gibeon city. ¹³ Joab, whose mother was Zeruiah, and some of David's officials *went from Hebron to Gibeon*, and they met at the pool there. They all sat down, the one group on one side of the pool and the other group on the other side.

¹⁴ Abner said to Joab, "Let's tell some of our young men to fight each other!" Joab replied, "Okay!"

¹⁵ So twelve men from the tribe of Benjamin fought for Ishbosheth, against twelve of David's soldiers. ¹⁶ Each of them grabbed the head of the man against whom he was fighting, and thrust his sword into that man's side. The result was that all 24 of them fell down dead. So that area in Gibeon is now called 'Field of Swords'.

¹⁷ Then *the others started to fight*. It was a very fierce battle. Abner and the men of Israel were defeated by David's soldiers.

Joab's brother Asahel was killed

¹⁸ Zeruiah's three sons were there *on that day*: Joab, Abishai, and Asahel. Asahel was able to run very fast; he could run as fast as a wild gazelle/antelope. ¹⁹ Asahel started to pursue Abner. He ran straight toward Abner, without stopping. ²⁰ Abner looked behind him, and said "Is that you, Asahel?" Asahel replied, "Yes!"

²¹ Abner yelled at him, "Turn to one side or the other, *and pursue someone else!*" But Asahel would not stop pursuing Abner.

²² So Abner yelled at him again, "Stop *chasing after/pursuing* me! *Why should I kill you?/It would not be good for me to kill you!* [RHQ] If I did that, *how could I 'face/be reconciled with' your brother Joab?/it would be very difficult for me to 'face/be reconciled with' your brother Joab.* [RHQ]"

²³ But Asahel refused to stop pursuing Abner. So Abner *suddenly turned and* thrust the butt end of his spear into Asahel's stomach. Because he thrust it very strongly, that end of the spear *went through Asahel's body and* came out at his back, and he fell to the ground, dead. All the other soldiers who came to the place where his body was lying stopped and stood there, *stunned*.

²⁴ But Joab and Abishai continued to pursue Abner. At sunset they came to Ammah Hill, which is east of Giah, along the road to the desert near Gibeon. ²⁵ The men from the tribe of Benjamin gathered around Abner in one group, and stood at the top of a hill.

²⁶ Then Abner called out to Joab, saying "Are we going to continue to fight forever [RHQ]? Do you not realize that *if we continue fighting*, the result will be very bad [RHQ]? We are all descendants of Jacob. *So we*

should stop fighting each other ♦ How long will it be until you tell your soldiers to stop pursuing us?/Tell your soldiers to stop pursuing us. ♦ [RHQ]

²⁷ Joab replied, "Just as surely as God lives, if you had not said that, my soldiers would have continued pursuing your men until tomorrow morning!"

²⁸ So Joab blew a trumpet *to signal that they should stop fighting*. So all his men did that. They did not pursue the soldiers of Israel anymore, and they stopped fighting.

²⁹ That night Abner and his soldiers went through the Jordan *River Valley*. They crossed the Jordan *River* and marched all the next morning, and they finally arrived at Mahanaim.

³⁰ Joab *and his soldiers* stopped pursuing Abner. And when he gathered all his soldiers together, he found out that in addition to Asahel, only 19 of them had been killed in the battle. ³¹ But David's soldiers had killed 360 of Abner's men, all from the tribe of Benjamin. ³² *Some of Joab's soldiers* took Asahel's body and buried it in the tomb where his father had been buried, in Bethlehem. Then they marched all during the night, and at dawn they arrived *back home* at Hebron.

3 There was a long war between those who wanted Saul's son to be their king and those who wanted David to be their king. But more and more people began to want David to be the king, while the number of people who wanted Saul's son to be the king continued to become smaller.

David's sons born at Hebron

² David's wives gave birth to six sons at Hebron. The oldest was Amnon, whose mother was Ahinoam, from Jezreel *city*.

³ The next one was Kileab, whose mother was Abigail, the widow of Nabal, from Carmel *city*.

The next one was Absalom, whose mother was Maacah, the daughter of Talmi, the king of the Geshur *region*.

⁴ The next one was Adonijah, whose mother was Haggith.

The next one was Shephatiah, whose mother was Abital.

⁵ The youngest one was Ithream, whose mother was Eglah, *another one of David's wives*.

Those sons of David were all born in Hebron.

Abner decided that David would be king of all of them

⁶ While those who wanted Saul's son to rule over them and those who wanted David to rule over them continued to fight against each other, Abner was becoming more influential among those who wanted Saul's son to be the king. ⁷ When Saul was alive, he had as one of his wives a slave woman named Rizpah, the daughter of Aiah. *But one day Abner had sexual relations with her*. So Ishbosheth said to Abner, "Why

have you had sexual relations with [EUP] my father's slave wife?"

⁸ Abner became very angry about what Ishbosheth said to him. He said to Ishbosheth, "♦ Do you think that I am a *worthless dog* [MET] from Judah?/You are treating me as though I am a *worthless dog* [MET] from Judah. ♦ [RHQ] From the beginning, I have been loyal to Saul your father, to his brothers, and to his friends. And I have prevented you from being defeated by David's army. So now ♦ why are you criticizing me about *what I have done with some woman*?/you should not be criticizing me about *what I have done with some woman*. ♦ [RHQ] ⁹⁻¹⁰ Yahweh solemnly promised that he would not allow Saul and his descendants to continue to rule. He promised that he would cause David to rule over all the tribes of Israel and Judah, from Dan *city* far in the north to Beersheba *city* far in the south. So I hope/desire that God will punish me severely [HYP] if I do not enable that to happen!" ¹¹ Ishbosheth was very afraid of Abner, so he did not say anything in reply to Abner.

¹² Then Abner sent messengers to David *when he was at Hebron*, to say to him, "*Either you or I* should be [RHQ] the ruler of this entire nation, *but not Ishbosheth*. However, if you make an agreement with me, I will help you by encouraging all the people of Israel to ♦ be want you to be their king/start to support ♦ you." ¹³ David sent back this reply: "Good! I am willing to make an agreement with you. But before that happens, there is one thing that you must do. When you come to see me, you must bring my wife Michal, Saul's daughter." ¹⁴ Then David sent messengers to Ishbosheth, to say to him, "*I had to kill 100 men from Philistia* and cut off their foreskins to give to Saul to pay for Michal *to be my wife*. So now give her back to me!"

¹⁵ So Ishbosheth sent some men to take Michal from her husband Palti. But *when they took her*, her husband followed them all the way to Bahurim *town*, crying as he went. ¹⁶ Then Abner *turned and* said to him, "Go back *home!*", so he did.

¹⁷ Abner went to the Israeli leaders and talked with them. He said, "For a long time you have wanted David to be your king. ¹⁸ So now you have an opportunity to do that. Keep in mind that Yahweh promised this: 'With the help of David, who serves me *well*, I will rescue my people from the people of Philistia, and from the power [MTY] of all their other enemies.'" ¹⁹ Abner also spoke to the people of the tribe of Benjamin. Then he went to Hebron, to tell David what all the people of Israel and the people of the tribe of Benjamin had agreed to do.

²⁰ When Abner came with 20 of his soldiers to see David at Hebron, David made a feast for all of them. ²¹ Afterwards, Abner said to David, "Sir/Your majesty, I will now go and encourage all the people of Israel to accept you to be their king, as you have desired." Then Abner left, peacefully.

Joab murdered Abner

²² Soon after that, Joab and some of David's other soldiers returned *to Hebron* after raiding *one of their enemies' villages*, bringing with them a lot of things that they had captured. But Abner was not there at Hebron, because David had sent him safely home. ²³ When Joab and the soldiers who were with him arrived, someone told him that Abner had come there and talked with the king, and that the king allowed to go home safely.

²⁴ So Joab went to the king and said, "Why have you done that? Listen to me! Abner *is your enemy*, but when he came to you, you allowed him [RHQ] to leave! ²⁵ Do you not know that he came to you to deceive you and to find out everything that you are doing, and all the places that you go to?"

²⁶ After Joab left David, he sent some messengers to get Abner. They found him at Sirah Well, and brought him back to Hebron, but David did not know that they had done that. ²⁷ So when Abner returned to Hebron, Joab met him at the city gate, and took him aside as though he wanted to speak with him privately. Then he stabbed Abner in the stomach *with his knife/sword*. In that way he murdered Abner because Abner had killed [MTY] Joab's brother Asahel.

²⁸ Later, after David heard what had happened, he said, "Yahweh knows that I and the people of my kingdom are not at all *responsible for/guilty of* murdering [MTY] Abner. ²⁹ I hope/desire that Joab and all his family will be punished [MTY] for doing that! I hope/desire that there will always be someone in his family who has sores, or someone who is a leper, or some man who is forced to do women's work, or someone who is killed in a battle, or someone who does not have enough food to eat!"

³⁰ That is how Joab and his brother Abishai murdered Abner, because he had killed their brother Asahel in the battle at Gibeon.

³¹ Then David said to Joab and to all Joab's soldiers, "Tear your clothes and put on coarse cloth *to show that you are sad*, and mourn for Abner!" And *at the funeral*, King David walked behind *the men who were carrying* the coffin. ³² They buried Abner's body at Hebron. And at the grave, the king cried loudly, and all the other people also cried.

³³ David sang this sad song to lament for Abner:

It is not right that [RHQ] Abner died like outlaws die!

³⁴ No one tied his hands or put chains on his feet, *like they do to criminals*.

No, he was murdered by wicked men!

³⁵ Then many [HYP] people came to David to tell him to eat some food before sunset, but David refused. He said, "I hope/desire that God will punish me severely [HYP] if I eat any food before the sun goes down!"

³⁶ All the people saw what David did, and they were pleased. Truly, everything that the king did pleased the people.

³⁷ So all the people realized that the king had not wanted Abner to be killed. ³⁸ The king said to his officials, "Do you not realize that a leader and a great man has died today in Israel?/You should realize that a leader and a great man has died today in Israel. [RHQ] ³⁹ Even though Yahweh appointed me to be the king, today I feel weak. These two sons of Zeruiah, *Joab and Abishai*, are very violent; I cannot control them. So I hope/desire that Yahweh will punish them severely in return for this wicked thing that they have done!"

Ishbosheth was murdered

⁴ When Saul's son Ishbosheth heard that Abner had been killed at Hebron, he *realized that he might also be killed*. He became discouraged, and all the Israeli people *trembled/became afraid*. ² Ishbosheth had two officers who were leaders of groups that raided other villages. They *were brothers*; their names were Baanah and Rechab, sons of Rimmon from Beeroth *town* in the tribe of Benjamin. Beeroth is in the area that had *been assigned to* the tribe of Benjamin. ³ But the people of Beeroth had fled to Gittaim *town*, and they still live there.

⁴ Saul's son Jonathan had a son named Mephibosheth. When Mephibosheth was five years old, Saul and Jonathan died in the battle. When people brought that news from Jezreel, Mephibosheth's nursemaid picked him up and ran away. She ran very fast, with the result that she dropped him, and his legs became crippled.

⁵ One day, Rechab and Baanah left *their home* to go to Ishbosheth's house. They arrived there about noon-time, when Ishbosheth was taking his midday nap.

⁶ The woman who was the doorkeeper was sifting wheat. While doing that, she became sleepy, and fell asleep. So Rechab and his brother Baanah were able to creep in quietly.

⁷ They entered Ishbosheth's bedroom, where he was sleeping. They killed him *with their swords* and cut off his head. They carried his head and walked all night through the Jordan *River Valley*. ⁸ They took the head of Ishbosheth to David at Hebron. They said to him, "Here is the head of Ishbosheth, the son of your enemy Saul, who tried to kill you. Your majesty, today Yahweh has allowed you to get revenge on Saul and his descendants!"

⁹ But David replied to them, "Yahweh is the one who has rescued me from all my troubles. And just as surely as Yahweh lives, what I am now saying is also true.

¹⁰ When a messenger came to Ziklag and told me 'Saul is dead!' and he thought that the news that he was bringing to me was good news, I seized him and *commanded one of my soldiers to kill him*. That was the reward I gave to him for his news! ¹¹ So because you two evil men murdered a man who is *innocent*/has done nothing wrong *when he was sleeping on his bed in his own house*, I will do something worse to

you. I will surely [RHQ] get revenge on you two for murdering [MTY] him, and \diamond wipe you/cause you to disappear \diamond from the earth!"

¹² Then, following David's orders, his soldiers killed the two men, and cut off their hands and their feet, and hung their bodies (OR, their hands and feet) *on a pole* near the pool at Hebron. But they took the head of Ishbosheth and buried it *respectfully* in the tomb of Abner, there at Hebron.

David became the king of all the Israeli tribes

⁵ Then *the leaders of* all the tribes of Israel came to David at Hebron, and said to him, "Listen, we have the same ancestors [IDM] that you do. ² In the past, when Saul was our king, it was you who led our Israeli soldiers *in our battles*. You are the one to whom Yahweh promised, 'You will be the leader [MET] of my people; you will be their king.'"

³ So while Yahweh was listening, all those leaders of the people of Israel declared there at Hebron *that David would be their king*. And David made a sacred agreement with them. They anointed him *with olive oil to set him apart* to be the king of the Israeli people. ⁴ David was 30 years old when he became their king. He ruled them for 40 years. ⁵ In Hebron he ruled over the tribe of Judah for seven and a half years, and in Jerusalem he ruled over all the people of Judah and Israel for 33 years.

David's army captured Jerusalem

⁶ *One day* King David and his soldiers went to Jerusalem to fight against the Jebus people-group who lived there. The people there thought that David's army would not be able to capture the city, so they sent a message to David, saying "Your army will never be able to get inside our city! Even the blind and crippled people will be able to chase you away!" ⁷ But David's army captured the fortress on *Zion Hill*, and *later it was known as David's City*. ⁸ On that day, David said *to his soldiers*, "Those who want to get rid of the Jebus people-group should go through the water tunnel *to enter the city*. Then they can attack those people whom I [SYN] detest—and *we will find out if any blind and crippled people will be able to stop them!*" That is why people say, "Blind and crippled people cannot enter Yahweh's temple."

⁹ After *David and his soldiers captured* the city with its strong walls around it, he lived there, and they named it 'David's City'. *David and his soldiers* built the city around the fortress, starting where the *land was \diamond filled in/terraces \diamond on the east side of the hill*.

¹⁰ David continued to become more and more powerful/influential, because the Almighty Commander of the armies of angels was with/helping him.

¹¹ *One day* Hiram, the king of Tyre *city*, sent ambassadors/messengers to David *to talk about making agreements between their countries*. Hiram agreed to

provide cedar trees *to make lumber*, and also that he would send carpenters and masons, to build a palace for David. ¹² His doing that caused David to realize that Yahweh truly had appointed him to be the king of Israel, and that Yahweh was going to cause his kingdom to prosper, because Yahweh loved the Israeli people, whom *he had chosen* to belong to him.

¹³ After David moved from Hebron to Jerusalem, he took more slave women to be his second-class wives, and he also married other women. *All of those women* gave birth to more sons and daughters. ¹⁴ The names of the sons who were born in Jerusalem were Shammua, Shobab, Nathan, Solomon, ¹⁵ Ibhar, Elishua, Nepheg, Japhia, ¹⁶ Elishama, Eliada, and Eliphelet.

David's army defeated the Philistines

¹⁷ When the Philistia people heard that David had been appointed to be the king of Israel, their army went up *toward Jerusalem* to try to capture David. But David heard that they were coming, so he went down to another fortified place. ¹⁸ The *army of Philistia* arrived at Rephaim Valley *southwest of Jerusalem* and spread all over the valley. ¹⁹ David asked Yahweh, "Should *my men* and I attack the Philistia army? Will you enable us to defeat them [IDM]?" Yahweh replied, "Yes, attack them, because I will certainly enable your army to defeat them. [IDM]"

²⁰ So David *and his army* went to *where the Philistia army was*, and there they defeated them. Then David said, "Yahweh has burst through my enemies like a flood." [SIM] So that place is called 'Lord of Bursting-through'. ²¹ The Philistia men left their idols there; so David and his soldiers took them away.

²² Then the Philistia *army* returned to Rephaim Valley and spread all over the valley. ²³ So again David asked Yahweh *if his army should attack them*. But Yahweh replied, "Do not attack them *from here*. Tell your men to go around them and attack them from the other side, near the balsam trees. ²⁴ When you hear something in the tops of the balsam trees that sounds like *an army* marching, attack them, because I will have gone ahead of you *to enable your army* to defeat their army." ²⁵ So David did what Yahweh told him to do, and his *army* defeated the Philistia army from *Geba city* all the way west to Gezer *city*.

They moved the sacred chest to Jerusalem

⁶ Then David chose 30,000 Israeli men and gathered them together. ² He led them to the place in Judah *formerly called Baalah, now called Kiriath-Jearim*. They went in order to bring from there *to Jerusalem* the sacred chest, which had the name of Yahweh, the leader of the armies of *the angels in heaven*, written on it, and which had the *statues of the winged creatures* on top of it. Between those statues was where Yahweh spoke messages about ruling his people [MTY]. ³ The sacred chest was in the house of

Abinadab, on top of a hill. They went there, and they put the chest on a new cart. Uzzah and Ahio, the two sons of Abinadab, were guiding *the oxen that were pulling the cart*.⁴ Uzzah walked alongside the cart, and Ahio walked in front of it.⁵ David and all the Israeli men were celebrating in God's presence, singing with all their strength and *playing lyres and harps, and beating tambourines, and clashing castanets and cymbals*.

⁶ But when they came to the place where Nacon threshed grain, the oxen stumbled. So Uzzah put his hand on the sacred chest to *steady it/prevent it from falling off the cart*.⁷ Yahweh immediately became very angry with Uzzah, and he killed him right there alongside the sacred chest, because he had touched the chest, *and Yahweh had commanded that only the descendants of Levi who help the priests should touch the sacred chest*.

⁸ David was angry because Yahweh had punished Uzzah. So ever since that time, that place has been called 'The Punishment of Uzzah'.

⁹ David was also afraid of what else Yahweh *would do to punish them*, so he said, "*How can I take the sacred chest with me to Jerusalem?/I am afraid to take the sacred chest with me to Jerusalem.*" [RHQ]¹⁰ So he did not want to take the sacred chest to Jerusalem. Instead, they took it to another place; they took it to the house of Obed-Edom, from Gath city.¹¹ They left the sacred chest in the house of Obed-Edom for three months, and *during that time* Yahweh blessed Obed-Edom and his family.

¹² Later, people told David, "Yahweh has blessed Obed-Edom and his family because *he is taking care of the sacred chest!*" When David heard that, he *and some other men* went to Obed-Edom's house, and very joyfully brought the sacred chest from there to Jerusalem.¹³ *This time, descendants of Levi* were carrying the sacred chest, but when they had walked only six steps, they stopped, and there David killed a bull and a fat calf, and offered them to Yahweh for a sacrifice.¹⁴ David was wearing *only* a linen cloth wrapped around his waist, and was dancing very energetically to honor Yahweh.¹⁵ David and the Israeli men took the sacred chest up *to Jerusalem*, shouting *loudly* and blowing trumpets.

¹⁶ While they were carrying the sacred chest into the city, *David's wife* Michal, who was Saul's daughter, looked out the window of her *house*. She saw King David leaping and dancing to honor Yahweh. So she was disgusted with him.

¹⁷ They brought the sacred chest into the tent that David had erected for it. Then David gave to Yahweh offerings to be completely burned *on an altar*, and other offerings to maintain fellowship with Yahweh.¹⁸ When David had finished offering those sacrifices, he *asked* Yahweh, the Commander of the armies of *the angels*, to bless the people.¹⁹ He also distributed food to all the people. To each Israeli man and woman

he gave a loaf of bread, some meat, and a raisin cake. Then all the people returned to their homes.

²⁰ When David went home to *ask Yahweh* to bless his family, his wife Michal came out to meet him. She said to him, "Maybe you, the king of Israel, *think that* [IRO] you were honoring yourself today, but really, you acted like a fool, uncovering yourself while the female servants of your officials were watching!"

²¹ David replied to Michal, "*I was doing that* to honor Yahweh, who chose me instead of your father and other members of his family, to be the king of the Israeli people, the people who belong to Yahweh. And I will *continue to dance* to honor Yahweh!²² *Even though you think that what I did* was disgraceful, I will continue to do it even more. You may despise me *because of what I did*, but the women whom you were talking about will honor me!"

²³ *As a result*, Saul's daughter Michal never gave birth to any children.

What God promised David

⁷ After *King* David began to live in his palace, Yahweh protected him from all his enemies.² One day he said to the prophet Nathan, "*It is not right that* I am here, living in a *beautiful* house made of cedar wood, but the chest that contains God's Ten Commandments is kept in a tent!"

³ Then Nathan said to the king, "Yahweh is helping/ directing you, so do *regarding that chest* whatever you are thinking."

⁴ But that night, Yahweh said to Nathan,

⁵ "Go and tell my servant, David, that this is what *I, Yahweh*, am saying to him: 'You are not the one [RHQ] who should build a temple for me to live in.

⁶ I have not lived in any building from the day that I brought the Israeli people up from Egypt until now. Instead, I have been living in a tent, moving from one place to another *when the Israelis* moved to other places.⁷ Wherever I went with all the Israelis *as they traveled*, I never said [RHQ] to any of their leaders whom I appointed to lead them, "Why have you not built me a temple made of cedar wood?"

⁸ So this is what you should say to my servant David: 'The Almighty Commander of the armies of angels says that he took you from a pasture where you were taking care of sheep, and *appointed you* to become the ruler of my Israeli people.⁹ I have *been with/helped* you wherever you have gone. I have gotten rid of all your enemies as you advanced. I will enable you to become very famous, as well-known as the names of all the greatest men *who have ever lived* on the earth.¹⁰⁻¹¹ Formerly, during the time that I appointed leaders for my Israeli people, many violent groups oppressed the Israelis. But this will not happen anymore. I have chosen a place where my Israeli people can live *peacefully* and no one will disturb them anymore. I will

give them rest from *being attacked* by their enemies. And I will defeat all your enemies.

I declare to you that I, Yahweh, will enable your descendants to rule after you *die*.¹² When your life ends [EUP] and you go to be with your ancestors, I will appoint one of your sons to be king, and I will enable his kingdom to *be strong/resist* all their enemies. ¹³ He is the one who will arrange for a temple to be built for me [MTY], and I will cause his *descendants* to be kings [MTY] of Israel forever. ¹⁴ I will be *like* a father to him, and it will be *as though he is* a son to me [MET]. When he does something that is wrong, I will punish him as fathers punish their sons. ¹⁵ But I will not stop faithfully loving him as I stopped loving Saul, whom I removed from being king before you became king. ¹⁶ Your descendants will rule the kingdom of Israel forever. Their rule will never end. [DOU] "

¹⁷ So Nathan told David everything that Yahweh had told him.

David gave thanks to God

¹⁸ Then David went into *the Sacred Tent* and sat in the presence of Yahweh, and prayed this:

"Yahweh, my God, I am not worthy [RHQ] *for you to have done all these things* for me, and my family is not worthy, either.

¹⁹ And now, O Yahweh my God, in addition to everything else, you have spoken about what will happen to my descendants in the future for many generations.

²⁰ O Yahweh God, what more can I, David, say to you *for honoring me*? Although you know very well *what I am like*, Yahweh my God, you have done things for me as though I was the most important man *on the earth*! ²¹ For my sake and because it is what you wanted to do, you have done all these great things for me.

²² O Yahweh my God, you are great. There is no one like you. Only you are God, just as we have always heard. ²³ And there is no other nation in the world like Israel. Israel is the only nation on the earth whose people you went out to rescue [RHQ]. By the great and awesome things that you did, you have become famous/well-known throughout the world. As your people advanced *through this land*, you expelled other people-groups *who were here in Canaan*, who worshiped other gods. ²⁴ And you caused us Israeli people to be your people forever, and you, Yahweh, have become our God!

²⁵ And now, Yahweh my God, *I pray that you will cause the things that you promised to me about my descendants to be fulfilled forever*, and that you will do the things that you said *that you would do*.

²⁶ When that happens, you will become famous forever, and people will exclaim, 'The Almighty Commander of the armies of angels is the God who

rules Israel.' And you will cause that forever there will be descendants of mine who will rule.

²⁷ Yahweh Almighty, the God whom we Israeli people *worship*, you have revealed to me that you will make some of my descendants kings. For that reason, I have been brave enough to pray like this to you. ²⁸ So now, O Yahweh Almighty, because you are God, we can trust that you will do what you promise. You have promised these good things to me. ²⁹ So now I ask you that if it pleases you, you will bless my descendants, in order that they may continue *to rule* forever. Yahweh God, you have promised these things, and *so I know that you will keep blessing my descendants forever*."

David's army won many victories

8 Some time later, David's army attacked the Philistia *army* and defeated them. They took control over the entire Philistia area.

² David's army also defeated the army of the Moab people-group. David forced their soldiers to lie down on the ground *close to each other*. His men killed two out of every three of them. *The other* Moab people *were forced to* accept David as their ruler, and they were forced to give to him *every year* the payment/tax *that he demanded*.

³ David's army also defeated *the army of* Hadadezer, the son of Rehob, who ruled *the state of* Zobah in Syria. That happened when David went to rule again over the area at *the upper part of* the Euphrates River.

⁴ David's army captured 1,700 of Hadadezer's soldiers who rode on horses, and 20,000 of his other soldiers. They also crippled/hamstrung most of the horses that pulled the chariots, but they left/spared enough horses *to pull* 100 chariots.

⁵ When *the army of* Syria came from Damascus *city* to help King Hadadezer's *army*, David's soldiers killed 22,000 of them. ⁶ Then David stationed *groups of his soldiers/army camps* in their area, and the people of Syria were forced to accept David as their ruler, and to give to David's government *every year* the payment/tax that he demanded. And Yahweh enabled David's *army* to win victories wherever they went.

⁷ David's soldiers took the gold shields that were carried by Hadadezer's officials, and brought them to Jerusalem. ⁸ They also brought *to Jerusalem* a lot of bronze that *they found* in Betah and Berothai, two cities that King Hadadezer *had previously* ruled.

⁹ When Toi, the king of the Hamath *city in* Syria, heard that David's *army* had defeated the entire army of King Hadadezer, ¹⁰ he sent his son Joram to greet King David and to *congratulate him/say that he was happy* about his army defeating Hadadezer's army, which Toi's *army* had fought many times. Joram brought to David many items/gifts made from gold, silver, and bronze.

¹¹ King David dedicated all those items to Yahweh. He also dedicated the silver and gold which his army

had taken from the nations that they had conquered. ¹² They had taken items from the Edom people-group and the Moab people-group, from the Ammon people-group, from the Philistia people, and from *the descendants of Amalek*, as well as from the people that Hadadezer *previously* ruled.

¹³ When David returned *after defeating the armies of Syria*, he became more famous because his army killed 18,000 soldiers from the Edom people-group in the Salt Valley *near the Dead Sea*.

¹⁴ David stationed \diamond groups of his soldiers/army camps \diamond throughout the Edom area, and forced the people there to accept him as their king. Yahweh enabled David's *army* to win battles wherever they went.

¹⁵ David ruled over all the Israeli people, and he always did for them what was fair and just. ¹⁶ Joab was the army commander; Jehoshaphat, the son of Ahilud, was the man who reported to the people everything that David decided that they should do; ¹⁷ Zadok the son of Ahitub and Ahimelech the son of Abiathar were the priests; Seraiah was the official secretary; ¹⁸ Benaiah the son of Jehoiada was the commander of \diamond David's bodyguards/the men who protected the king \diamond ; and David's sons were priests (OR, his administrators/advisors).

David was kind to Mephibosheth

9 One day David asked, "Is there anyone who is a descendant of Saul to whom I can be kind?" He asked this because he wanted to honor Jonathan.

² *They told him that there was in Jerusalem* a man named Ziba who had been a servant of Saul's family. So David sent messengers to summon Ziba. When he arrived, the king asked him, "Are you Ziba?" He replied, "Yes, your majesty, I am."

³ The king asked him, "Is there anyone in Saul's family to whom I can be kind, as I promised Jonathan that I would do?" Ziba replied, "Yes, there is one son of Jonathan who is still *alive*. His feet are crippled."

⁴ The king asked him, "Where is he?" Ziba replied, "He is *living* in the house of Machir, son of Ammiel, in Lo-Debar *city east of the Jordan River*."

⁵ So King David sent messengers to bring Mephibosheth to Jerusalem.

⁶ When Mephibosheth came to David, he knelt down with his face on the ground, to show respect. Then David said, "Mephibosheth!" He replied, "Yes, your majesty, how may I serve you?"

⁷ David said to him, "Do not be afraid; I will be kind to you because Jonathan your father *was my loyal friend*. I will give back to you all the land that belonged to your grandfather Saul. And I want you to always eat with me at my house [MTY]."

⁸ Mephibosheth bowed *in front of David again* and said, "Sir, I am *as worthless as* [MET] a dead dog; I do not deserve [RHQ] that you be kind to me!"

⁹ Then the king summoned Saul's servant Ziba and said to him, "Saul was your master; now I am giving to

Mephibosheth everything that belonged to Saul and his family. ¹⁰ You and your 15 sons and your 20 servants must till/plow the land for Mephibosheth's *family*, and *plant crops* and harvest them, in order that they will have food to eat. But Mephibosheth will eat food with me at my house."

¹¹ Ziba replied to the king, "Your majesty, I will do everything that you have commanded me to do." So *after that*, Mephibosheth always ate at the king's table, as though he were one of the king's sons.

¹² Mephibosheth had a young son named Mica. All of Ziba's family became servants of Mephibosheth.

¹³ And Mephibosheth, who was still crippled in both of his feet, started to live in Jerusalem, and he always ate \diamond at the king's table/with the king \diamond .

David's army defeated the Ammon people-group

10 Some time later, the king of the Ammon people-group died, and his son Hanun became their king. ² David thought, "Nahash was kind to me, so I will be kind to his son." So David sent some officials there, to tell Hanun that David was sorry that Hanun's father *had died*.

When those messengers arrived in the land where the Ammon people-group lived, ³ the leaders of the Ammon people-group said to Hanun, "Do you think that it is to honor your father that King David has sent these men to say that he is sorry that your father died [RHQ]? *We think that* he has sent them here to look around the city to determine how his *army* can conquer us!" ⁴ Hanun *believed what they said*; so he *commanded some soldiers* to seize David's officials and *insult them* by shaving off one side of each man's beard, and by cutting off the lower part of their robes, *with the result that their buttocks could be seen*, and then they sent them away.

⁵ The men were very humiliated/ashamed, *so they did not want to return home*. When David found out about what had happened to his officials, he sent someone to tell them, "Stay at Jericho until your beards have grown again, and then return home."

⁶ Then *the leaders of the Ammon people-group* realized that they had greatly insulted [IDM] David [IDM]. So they sent some men to hire/pay some soldiers *from other nearby areas* to help defend them. They hired 20,000 soldiers from the Beth-Rehob and Zobah *regions northeast of Israel*, and 12,000 soldiers from the Tob *region*, and 1,000 soldiers from *the army of the king of Maacah region*.

⁷ When David heard about that, he sent Joab with all of the army *that Joab commanded*, to fight against them. ⁸ The soldiers of the Ammon people-group marched out and \diamond stood in their positions/arranged themselves for battle \diamond at the entrance to *their capital city, Rabbah*. The other soldiers from Syria and Tob and Maacah stood by themselves \diamond in their positions/arranged themselves for battle \diamond in the nearby fields.

⁹ Joab saw that there were groups of enemy soldiers in front of his troops and behind his troops. So he chose some of the best Israeli soldiers, and put them in positions to fight against the soldiers of Syria. ¹⁰ He appointed his *older* brother Abishai to be the commander of all the other soldiers, and he told them to *stand in their positions/arrange themselves* in front of *the army* of the Ammon people-group.

¹¹ Then Joab said, "If the soldiers from Syria are too strong for us to defeat them, your men must come and help us. But if the soldiers from the Ammon people-group are too strong for you to defeat, we will come and help your men. ¹² We must be strong, and fight hard [IDM] to *defend* our people and the cities *that belong to/where we worship* our God. I will pray/request that Yahweh do what he considers to be good."

¹³ So Joab and his army *advanced* to attack the army of Syria, and the soldiers from Syria ran away from them. ¹⁴ And when *the soldiers* of the Ammon people-group saw that the soldiers from Syria were running away, they also started to run away from Abishai and his army, and they retreated back inside the city. So Joab's *army* stopped fighting against *the army* of the Ammon people-group, and Joab *and his army* returned to Jerusalem.

¹⁵ After *the leaders* of the army of Syria saw that the Israeli army had defeated them, they gathered all their troops together. ¹⁶ *Their king*, Hadadezer, summoned the soldiers of Syria who lived on the east side of the *Euphrates River*. They gathered at Helam city. Their commander was Shobach.

¹⁷ When David heard about that, he gathered all the Israeli soldiers, and they crossed the *Jordan River* and marched to Helam. There, the army of Syria *took* their positions/arranged themselves for battle, and the battle started. ¹⁸ But the soldiers of Syria ran away from the Israeli soldiers. David *and his army* killed 700 of their chariot-drivers and 40,000 other soldiers. They also wounded Shobach, their commander, and he died there. ¹⁹ When all the kings who had been ruled by Hadadezer realized that they had been defeated by the Israeli *army*, they made peace with the Israelis and agreed to accept David as their king. So *the army* of Syria was afraid to help *the army* of the Ammon people-group anymore.

David sinned with Bathsheba

11 *In that region*, kings usually went with their *armies* to fight their enemies in the springtime. But the following year, in the springtime, David did not do that. Instead, he stayed in Jerusalem, and he sent his commander Joab to lead the army. So Joab went with the other officers and the rest of the Israeli army. They crossed the *Jordan River* and defeated the army of the Ammon people-group. Then they surrounded their capital city, Rabbah.

² Late one afternoon, after David got up from taking a nap, he walked around on the *flat* roof of his palace. He saw a woman who was bathing in *the courtyard* of her house. The woman was very beautiful. ³ David sent a messenger to find out who she was. *The messenger returned* and said, "She is [RHQ] Bathsheba. She is the daughter of Eliam, and her husband is Uriah, from the Heth people-group."

⁴ Then David sent more messengers to get her. They brought her to David, and he *slept/had sex* with her. (She had just finished performing the rituals to make herself pure *after her monthly menstrual period*.) Then Bathsheba went back home. ⁵ After some time, she realized that she was pregnant. So she sent a messenger to tell David *that she was pregnant*.

⁶ Then David sent a message to Joab. He said, "Send Uriah, from the Heth people-group, to me." So Joab did that. He sent Uriah to David. ⁷ When he arrived, David asked if Joab was well, and if other soldiers were well, and how the war was progressing. ⁸ Then David, *hoping that Uriah would go home and sleep with his wife*, said to Uriah, "Okay, go home and relax for a while. [IDM]" So Uriah left, and David gave someone a gift of *some food* to take to Uriah's house. ⁹ But Uriah did not go home. Instead, he slept at the palace entrance with the king's palace guards.

¹⁰ When someone told David that Uriah did not go to his house *that night*, David *summoned him again* and said to him, "Why didn't you go home *to be with your wife last night*, after having been away for a long time?" [RHQ]

¹¹ Uriah replied, "The soldiers of Judah and Israel are camping in the open fields, and even our commander Joab is sleeping in a tent, and the sacred chest is with them. *How could I/It would not be right for me to go home, eat and drink, and sleep with my wife* [RHQ]. I solemnly declare [IDM] that I will never do such a thing!"

¹² Then David said to Uriah, "Stay here today. I will let you return *to the battle* tomorrow." So Uriah stayed in Jerusalem that day and that night. ¹³ The next day, David invited him *to a meal*. So Uriah had a meal with David, and David made him drink a lot of wine so that he would get drunk, *hoping that if he was drunk, he would sleep with his wife*. But that night, Uriah again did not go home. Instead, he slept on his cot with the king's servants.

¹⁴ *Someone reported that to David*, so the next morning he wrote a letter to Joab, and gave it to Uriah to take to Joab. ¹⁵ In the letter, he wrote, "Put Uriah in the front line, where the fighting is the *worst/most severe*. Then command the soldiers to pull back from him, in order that he will be killed *by our enemies*."

¹⁶ *So after Joab got the letter*, as his army was surrounding the city, he sent Uriah to a place where he knew that their enemies' strongest and best soldiers would be fighting. ¹⁷ The men from the city came out

and fought with Joab's soldiers. They killed some of David's officers, including Uriah.

¹⁸ Then Joab sent a messenger to David to tell him about the fighting. ¹⁹ He said to the messenger, "Tell David the news about the battle. After you finish telling that to him, ²⁰ if David is angry *because so many officers were killed*, he may ask you, 'Why did your soldiers go so close to the city to fight [RHQ]? Did you not know that they would shoot *arrows at you while they were standing on top of the city wall* [RHQ]?' ²¹ Do you not remember how Abimelech, the son of Gideon, was killed? A woman *who lived in Thebez* threw a huge *millstone/stone for grinding grain* on him from *the top of a tower*, and he died. So why did your troops go near to the city wall? If the king asks this, then tell him, 'Your officer Uriah also was killed.'"

²² So the messenger went and told David everything that Joab told him to say. ²³ The messenger said to David, "Our enemies were very brave, and came out of the city to fight us in the fields. *They were defeating us* but we forced them back to the city gate. ²⁴ Then their archers shot arrows at us from *the top of the city wall*. They killed some of your officers. They killed your officer Uriah, too."

²⁵ David said to the messenger, "Go back to Joab and say to him, 'Do not be distressed *about what happened*, because no one ever knows who will be killed in a battle.' Tell him that the next time his troops should attack the city more strongly, and capture it."

²⁶ When Uriah's wife *Bathsheba* heard that her husband had died, she mourned for him. ²⁷ When her time of mourning was ended, David sent messengers to bring her to the palace. Thus, she became David's wife. She later gave birth to a son. But Yahweh was very displeased with what David had done.

Nathan rebuked David

12 Yahweh told *the prophet Nathan what David had done*, and he sent Nathan to tell this story to David: "I heard about two men who were living in a certain city. One was rich and the other was poor. ² The rich man owned a lot of cattle and sheep. ³ But the poor man had only one little female lamb, which he had bought. He raised the lamb, and it grew up with his children. He would give the lamb some of his own food and let it drink from his cup. He let the lamb sleep in his arms. The lamb was like a daughter to him.

⁴ One day a visitor came to visit the rich man. The rich man did not want to take one of his own animals and kill it to prepare a meal for the visitor. So instead, he stole the poor man's lamb and killed it and prepared a meal for his visitor."

⁵ When David heard that, he was very angry about what the rich man had done. He said to Nathan, "I solemnly declare that the man who did that should be executed! ⁶ But before he is executed, he should pay

back to the poor man four lambs for doing this, and for not having pity *on the poor man*."

⁷ Nathan said to David, "You are the man *I have been talking about!* And this is what Yahweh, the God we Israelis worship, says to you: 'I appointed you to be king of Israel, after having rescued you from Saul. ⁸ I gave you his palace and his wives. I caused you to become the king to rule Israel and Judah. If you had told me that you were not content with what I gave you, I would have given you twice as much! ⁹ So why have you despised my commandment *about not committing adultery?* You have done what I consider to be very evil! You have arranged for Uriah to be killed in a battle by the Ammon people-group's soldiers, and you have taken his wife to be your wife! ¹⁰ You have despised me, and have taken Uriah's wife to be your wife. So for many generations some of your descendants will die violently. [MTY, PRS] ¹¹ I solemnly declare to you that I will cause someone from your own family to bring trouble to you. I will take your wives and give them to him, and he will have sexual relations with them in the daytime, where everyone can see it, and you will know all about it. ¹² What you did, you did secretly, but what I will cause to happen, everyone in Israel will be able to see it *or know about it*. [IDM]"

¹³ David replied, "I have sinned against Yahweh." Nathan said to David, "Yahweh has forgiven you for your sin: You will not die *because of this sin*. ¹⁴ But, you have shown contempt for Yahweh by doing this. So, your baby will die."

¹⁵ Then Nathan went home.

David's baby died

Then Yahweh caused the baby to become very sick, the one that Uriah's wife had given birth to. ¹⁶ So David prayed to God that the child *would not die*. He *fasted/abstained from food*, and he went into *the room where he slept* and lay all night on the floor.

¹⁷ The next morning his advisors stood around him and urged him to get up. But he would not get up, and he would not eat any food with them.

¹⁸ One week later the baby died. David's servants were afraid to tell that to David. They said to each other, "Hey, while the baby was still alive, we talked to him, but he would not answer us. Now, if we tell him that the baby is dead [RHQ], he may do something to harm himself!"

¹⁹ But when David saw that his servants were whispering something to each other, he realized that the baby must be dead. So he asked them, "Is the baby dead?" They replied, "Yes, he is dead."

²⁰ Then David got up from the floor. He bathed himself, put lotions on his body, and put on other clothes. Then he went into Yahweh's Sacred Tent and worshiped Yahweh. Then he went home. He asked his servants for some food. They gave him some, and he ate it.

21 Then his servants said to him, "We do not understand [RHQ] why you have done this! While the baby was still alive, you cried for him and refused to eat anything. But now that the baby has died, *you are not crying anymore!* You got up and ate some food!"

22 David replied, "While the baby was still alive, I fasted and cried. I thought, 'Who knows? Yahweh may be merciful to me and not allow the baby to die'.²³ But now the baby is dead. So ♦there is no reason for me to 'fast/abstain from eating food' anymore./why should I 'fast/abstain from eating food' anymore?♦ [RHQ] ♦Can I bring him back to me?/I certainly cannot bring him back to me!♦ [RHQ] *Some day* I will go to where he is, but he will not return to me."

24 Then David comforted his wife, Bathsheba. Then he ♦slept/had sexual relations♦ with her, and she *became pregnant again* and gave birth to another son. David named that son Solomon. Yahweh loved that little boy.²⁵ He told the prophet Nathan to tell David to name the baby boy Jedediah *which means 'loved by Yahweh'*, because Yahweh loved him.

David's army captured Rabbah

26 ♦Meanwhile/While all that was happening♦, Joab's *soldiers* attacked Rabbah, *the capital city* of the Ammon *people-group*; and they captured the king's fortress.²⁷ Then Joab sent messengers to David, to tell him this: "My troops are attacking Rabbah, and we have captured the city's water supply.²⁸ Now gather your troops and come and surround the city and capture it. If you do not do that, my troops will capture the city and it will then be named 'the City of Joab'."

29 So David gathered all his troops. They went *with David* to Rabbah and attacked it and captured it.³⁰ Then David took the crown from the head of the king of Rabbah (OR, from the head of *Milcom* the god of Rabbah) and put it on his own head. It *was very heavy*; it weighed ♦75 pounds/34 kg.♦, and it had many very valuable stones fastened to it. His soldiers also took many other valuable things from the city.³¹ Then they brought the people of Rabbah out of the city and forced them to *work for them* using saws and iron picks and axes. David's troops also forced them to make bricks. David's soldiers did this in all the towns of the Ammon people-group. Then David and all of his army returned to Jerusalem.

Amnon raped Absalom's sister

13 David's *son Absalom* had a beautiful half-sister named Tamar. Another of David's sons, Amnon, was attracted to Tamar.² He wanted *to have sex with* [EUP] his half-sister very much, with the result that he made himself sick *thinking about her all the time*. But it was not possible for Amnon to get her, because she was a virgin, *so they kept men away from her*.

3 But Amnon had a friend named Jonadab, who was the son of David's brother Shimeah. Jonadab was a very crafty/shrewd man.

4 *One day* Jonadab said to Amnon, "You are the king's son, but every day I see that [RHQ] you seem very depressed/sad. What is your problem?" Amnon replied, "I ♦am in love/want to sleep♦ [EUP] with Tamar, my half-brother Absalom's sister."

5 Jonadab said to him, "Lie down on your bed, and pretend that you are sick. When your father comes to see you, say to him, 'Allow my half-sister Tamar to come and give me some food to eat. She can prepare the food while I am watching her. Then she can serve it to me herself.'"

6 So Amnon lay down, and pretended that he was sick. When the king came to see him, Amnon said to him, "*I am sick*; please allow my half-sister Tamar to come and make a couple scones/dumplings for me while I am watching, and then she can serve them to me."

7 So David sent a message to Tamar in the palace, saying "*Amnon is sick and he wants you to go to his house and prepare some food for him.*"⁸ So Tamar went to Amnon's house, where he was lying in bed. She took some dough and kneaded it, and formed it into some scones/dumplings while he was watching her. Then she baked them.⁹ She took them out of the pan and put them *on a plate* in front of him, but he refused to eat them. Then he said to everyone else in the room, "All the rest of you, leave me now!" So all the others left his *room*.

10 Then Amnon said to Tamar, "Bring the food into my room and serve it to me." So Tamar took into his room the scones/dumplings that she had made.¹¹ But when she brought them close for him to eat them, he grabbed her and said to her, "Come to bed with me!"

12 She replied, "No, do not force me to do such a disgraceful thing! We never do things like that in Israel! That would be awful/terrible!¹³ As for me, if I did that, I would not be able to [RHQ] endure being disgraced by having done that. And as for you, everyone in Israel would condemn you for having done such a disgraceful deed. So I plead with you, talk to the king. I am sure that he will allow me to marry you."¹⁴ But he would not listen to her. He was stronger than she was, so he forced her to have sex with him.

15 Then Amnon hated her very much. He hated her much more than he had desired her. He said to her, "Get up and get out of here!"

16 But she said to him, "No! It would be very wrong for you to send me away. It would be worse than what you just did to me!" But he would not listen to her.

17 He summoned his personal servant and said to him, "Take this woman outside, away from me, and lock the door *so that she cannot come in again!*"¹⁸ So the servant put her outside and locked the door.

Tamar was wearing a long robe with long sleeves, which was the clothing that was usually worn by the

unmarried daughters of the king at that time. ¹⁹ But Tamar tore the long robe that she was wearing, and put ashes on her head *to show that she was very sad*. Then she put her hands on her head *to show that she was grieving*, and she went away, crying.

²⁰ Her brother Absalom *saw her and* said to her, "Has your half-brother Amnon [DOU] forced you to have sex with him [EUP]? Please, my sister, do not tell anyone, and do not become depressed/sad." So Tamar went to live in Absalom's house, and she was very sad and lonely.

²¹ When King David heard about all that, he became very angry. ²² And Absalom hated Amnon, because he had raped his sister, so he would not speak to Amnon about anything.

²³ Two years later, Absalom's servants were shearing sheep at Baal-Hazor, which is near *a town named Ephraim*. *When they finished shearing the sheep, they celebrated*, and Absalom invited all the king's sons *to come and celebrate*. ²⁴ Absalom went to the king and said to him, "Sir, my servants have been shearing my sheep. Please come with your officials *to celebrate with us!*"

²⁵ But the king replied, "No, my son, it would not be good for all of us to go, because it would cause you to do a lot of work and spend a lot of money for food." Absalom continued urging him, but the king would not go. Instead, he said that he hoped/desired that God would bless *them while they celebrated*.

²⁶ Then Absalom said, "If you will not go, please allow my half-brother Amnon to go with us." But the king replied, "Why *do you want* him to go with you?"

²⁷ But Absalom continued to insist, so finally the king permitted Amnon and all David's other sons to go with Absalom.

²⁸ *So they all went. And at the celebration*, Absalom commanded his servants, "Notice when Amnon has become a bit drunk from the wine. Then when I signal to you, kill him. Do not be afraid; you will be doing this *only* because I told you [RHQ] to do it. So be courageous and do it!" ²⁹ So Absalom's servants did what Absalom told them to do. *They killed Amnon*. All the rest of David's sons *saw what happened and* fled, riding on their mules.

³⁰ While they were on their way home, someone *went quickly and* reported to David, "Absalom has killed all of your other sons; none of them is still alive!"

³¹ The king stood up, tore his clothes *because he was extremely sad*, and then he threw himself down on the ground. All the servants who were there also tore their clothes.

³² But Jonadab, the son of David's brother Shimeah, said, "Your Majesty, *I am sure that* they have not killed all your sons. *I am sure that* only Amnon is dead, because Absalom has determined to do this ever since the day that Amnon raped [EUP] his half-sister Tamar. ³³ So, your majesty, do not believe the report that all

your sons are dead. *I am sure that* only Amnon is dead."

³⁴ In the meantime, Absalom ran away.

Just then, the soldier/sentry who was *standing on the city wall* saw a large crowd of people coming down the hill along the road from Horonaim. *He ran and told the king what he had seen*. ³⁵ Jonadab said to the king, "Aha! What I told you is true. Your other sons *are alive and* have come!"

³⁶ And as soon as he said that, David's sons came in. They all started crying, and David and all his officials also cried very much.

³⁷⁻³⁸ But Absalom had fled. He went to stay with the king of the Geshur *region*, who was Talmai the son of Ammihud. Absalom stayed there for three years.

David mourned for his son Amnon for a long time, ³⁹ but after that, he desired very much to see Absalom, because he was no longer grieving about Amnon being dead.

Joab cleverly arranged for Absalom to return

14 Joab realized that the king yearned [IDM] to see Absalom. ² So Joab sent someone to Tekoa *town* to bring back a woman who was very clever. *When she arrived*, Joab said to her, "Pretend that you are grieving because someone has died. Put on clothes that show that you are mourning. Do not put any lotion/ointment on your body. Act as if you are a woman who has been mourning for a long time. ³ And go to the king, and tell him what I tell you to say." Then Joab told her what to say [MTY] *to the king*.

⁴ So the woman from Tekoa went to the king. She prostrated herself in front of him and then bowed down to him, and said, "Your Majesty, help me!"

⁵ The king replied, "What is your problem?" She replied, "Please, sir, I am a widow. My husband died *some time ago*. ⁶ I had two sons. But one day they quarreled with each other out in the fields. There was no one to separate them, and one of them struck the other one and killed him. ⁷ Now, all my family oppose me. They are insisting that I allow them to kill my son who is still alive [MTY], in order that they may get revenge for his killing his brother. But if they do that, I will not have any son to inherit *my husband's possessions*. That would be like [MET] extinguishing the last coals of a fire, and my husband would not have a son to preserve our family's name. [DOU]"

⁸ Then the king said to the woman, "Go back home; I will take care of this matter for you."

⁹ The woman from Tekoa replied to the king, "Your Majesty, if you are criticized *for helping me*, my family and I will accept the blame. You and the royal family will *be innocent/not have done what is wrong*."

¹⁰ The king said to her, "If anyone says anything *to threaten you/cause you trouble* you, bring that person to me, and *I will make sure that* he will never cause you trouble again."

¹¹ Then the woman said, "Your Majesty, please pray that Yahweh your God will not allow my relative, who *wants to get revenge* on my son for killing [MTY] his brother, to be able to do that."

David replied, "As surely as Yahweh lives, your son will not be harmed at all. [IDM]" ¹² Then the woman said, "Your Majesty, please allow me to say one more thing to you." He replied, "Speak!"

¹³ The woman said, "Why have you done this bad thing to God's people? You have not allowed your son Absalom to return home. By saying what you have just said, you have certainly declared [RHQ] that what you have done is wrong. ¹⁴ We all die; we are like [SIM] water that cannot be picked up after it is spilled on the ground. But God does not just cause us to die; he creates ways to bring us back when we become separated from him.

¹⁵ Now, Your Majesty, I have come to you because others have threatened me. So I said to myself, 'I will go and talk to the king, and perhaps he will do what I request him to do. ¹⁶ Perhaps he will listen to me, and save me from the man who is trying to kill my son. If my son is killed, it would result in us disappearing from the land that God gave to us.'

¹⁷ And I thought, 'What the king says will comfort/encourage me, because the king is like [SIM] an angel of God. He knows what is good and what is evil.' I pray/desire that Yahweh our God will \diamond be with/direct \diamond you."

¹⁸ Then the king said to the woman, "I will now ask you a question. Answer it, and tell me the truth. [LIT]" The woman replied, "Your majesty, ask your question."

¹⁹ The king said, "Was Joab the one who told you to do this?" She replied, "Yes, Your Majesty, as surely as you live, I cannot avoid telling you what is true. Yes, indeed, it was Joab who told me to come here, and who told me what to say. ²⁰ He did it in order to cause you to think differently about this matter. Your Majesty, you are as wise as God's angels, and *it seems that you know everything that happens* on the earth, *so you know why Joab sent me here.*"

²¹ Then the king *summoned* Joab and said to him, "Listen! I have decided to *do what you want*. So go and get that young man Absalom and bring him back to *Jerusalem.*"

²² Joab prostrated himself on the ground, and then he bowed down before the king, and *asked God to bless him*. Then Joab said, "Your Majesty, today I know that you are pleased with me, because you have agreed to do what I requested."

²³ Then Joab got up and went to Geshur, and got Absalom and brought him back to Jerusalem. ²⁴ But the king said/commanded that Absalom would not be permitted to live in the palace. He said, "I do not want him to come to see me." So Absalom lived in his own house, and did not go to *talk to* the king.

²⁵ Absalom was very handsome. He looked perfect, from the bottom of his feet to the top of his head. In

all of Israel there was no one whom people admired more than Absalom. ²⁶ His hair was very thick, and he cut it only once each year, when it became too heavy for him. Using the standard weights, he would weigh the hair *that he cut off*, and it always weighed about five pounds. ²⁷ Absalom had three sons and one daughter named Tamar. She was a very beautiful woman.

²⁸ After Absalom *returned to* Jerusalem, he lived there two years, and during that time he never was *allowed to see* the king. ²⁹ So he sent *a messenger to* Joab to ask him to come *and talk to him*, but Joab refused to come. So Absalom sent *a message to him* a second time, but he still would not come.

³⁰ Then Absalom said to his servants, "You know that Joab's field is next to mine, and that he has barley *growing there*. Go and light a fire there *to burn his barley.*" So Absalom's servants *went there and lit* a fire, *and all his barley burned.*

³¹ Joab *knew who had done it*, so he went to Absalom's house and said to him, "Why have your servants burned *the barley in my field?*" ³² Absalom replied, "Because *you did not come to me when I sent messages to you requesting that you come*. I wanted to request that you go to the king to say to him, 'Absalom \diamond wants to know what good it did/says that is was useless \diamond [RHQ] for him [RHQ] to leave Geshur and come here. *He thinks that it would have been better for him to have stayed there. He wants you to allow him to talk to you. And if you think that he has done something that is wrong, you can command that he be executed.*" ³³ So Joab went to the king, and told him *what Absalom had said*. Then the king *summoned Absalom*, and he came to the king and knelt down in front of him with his face touching the ground. Then the king kissed Absalom *to show that he was pleased to see him.*

Absalom rebelled against David

15 Some time later, Absalom acquired a chariot and horses *to pull it*. He *hired* 50 men to run in front of him *to honor him while he was riding around Jerusalem in the chariot*. ² Furthermore, he always rose early *each morning* and stood by the city gate. Whenever someone came there with a dispute/quarrel that he wanted the king to decide, Absalom would call out to him, asking "What city are you from?" When the person told him what *city and tribe* he was from, ³ Absalom would say to him, "Listen, *I am sure that what you are saying/claiming is right*. But there is no one whom the king has appointed/authorized to listen to *people like you.*" ⁴ Absalom would then add, "I wish that I were a judge in this land. If I were a judge, anyone who had a dispute could come to me, and I would decide it fairly/justly."

⁵ And whenever anyone came near to Absalom to bow respectfully in front of him, Absalom would reach out and embrace him and kiss him. ⁶ Absalom did this

to everyone in Israel who came to the king because of having a dispute with someone. In that way, Absalom persuaded all the Israeli people to be more pleased with him [IDM] *than they were pleased with David.*

⁷ Four years later, Absalom *went to* the king and said, "Please allow me to go to Hebron *city*, in order that I can do what I promised Yahweh that I would do. ⁸ When I was living in Geshur, in Syria, I promised Yahweh that if he brought me back to Jerusalem, I would worship him *in Hebron.*"

⁹ The king replied, "You may go." So Absalom went to Hebron.

¹⁰ But *while he was there*, he secretly sent messengers to all the tribes in Israel, to tell them, "When you hear the sound of the trumpets *being blown*, shout 'Absalom has become the king at Hebron!'" ¹¹ Absalom had taken with him to Hebron 200 men from Jerusalem, but they did not know *what Absalom was planning to do.* ¹² While Absalom was offering sacrifices *at Hebron*, he sent a message to Ahithophel, from Giloh *town*, requesting him to come. Ahithophel was one of the king's advisors. So the number of people who joined Absalom and who were ready to rebel *against David* became larger.

David escaped from Jerusalem

¹³ Soon a messenger came to David and said to him, "All [HYP] the Israeli people [SYN] are joining Absalom to rebel against you!"

¹⁴ So David said to all his officials, "We must leave immediately if we want to escape from Absalom! We must go quickly, before he *and his men* arrive. If we do not do that, they will kill us and everyone else in the city!"

¹⁵ The king's officials said, "Okay, your majesty, we are ready to do whatever you decide."

¹⁶ So the king left ten of his slave wives there to take care of the palace, but all the other people in his palace went with him. ¹⁷ When they all were leaving *the city*, they stopped at the last house. ¹⁸ The king and his officials stood there while his bodyguards went by in front of him. 600 soldiers from Gath *city* also walked by in front of him.

¹⁹ Then David said to Ittai, *the leader of the soldiers* from Gath, "◊Why are you going with us?/You should not be going with us.◊ [RHQ] Go back and stay with *Absalom the new king*. You are not an Israeli; you are living away from your own land. ²⁰ You have lived here *in Israel* for only a short time [HYP]. And we do not even know where we will be going. So it is not right [RHQ] for me to force you to wander around with us. And take your troops with you. And I hope/wish that Yahweh will faithfully love and be loyal to you."

²¹ But Ittai replied, "Your Majesty, as surely as you live, wherever you go, I will go; I will stay with you, whether they kill me or allow me to live."

²² David replied to Ittai, "Okay, march with us!" So Ittai and all his troops and their families went *with David.*

²³ All the people *along the road* cried when they saw them walking by. The king and all the others crossed the Kidron Valley and then they all went *up the hill* toward the desert.

²⁴ Abiathar and Zadok, *the priests*, were walking with them. The descendants of Levi *who helped the priests* also went with them, carrying the sacred chest that contained the Ten Commandments. But they set it on the ground until all the others had left the city.

²⁵ Then the king said to Zadok, "You and Abiathar take the sacred chest back into the city. If Yahweh is pleased with me, he will some day allow me to return to see it and the place where it is kept. ²⁶ But if he says that he is not pleased with me, then I am willing for him to do to me whatever he thinks is good."

²⁷ He also said to Zadok, "Listen *to what I suggest.* You and Abiathar return to the city peacefully/safely, and take your son Ahimaaz and Abiathar's son Jonathan with you. ²⁸ I will wait in the desert at the place where people can walk across the river, until you send a message to me." ²⁹ So Zadok and Abiathar carried the sacred chest back to Jerusalem, and they stayed there.

³⁰ David *and those with him* went up Olive Tree Hill. David was crying while he walked. He was walking barefoot and had something covering his head *to show that he was sorrowful.* All those who were going with him also covered their heads and were crying while they walked. ³¹ Someone told David that Ahithophel had joined with those who were rebelling against David. So David prayed, "Yahweh, cause whatever Ahithophel suggests to Absalom *that he should do to be considered* to be foolish!"

³² When they arrived at the top of the hill, where there was a place where the people worshiped *God*, suddenly Hushai, from the Arki people-group, met David. He had torn his clothes and put dirt on his head *to show that he was very sad.* ³³ David said to him, "If you go with me, you will not be able to help me. ³⁴ But if you return to the city, *you can help me by saying* to Absalom, 'Your Majesty, I will serve you as faithfully as I served your father.' If you do that *and stay near Absalom*, you will be able to oppose any advice that Ahithophel gives to Absalom. ³⁵ Zadok and Abiathar the priests are already there [RHQ]. Whatever you hear people say in the king's palace, tell it to Zadok and Abiathar. ³⁶ Keep in mind that Zadok's son Ahimaaz and Abiathar's son Jonathan are also there. You can tell them whatever you find out, and send them to report it to me."

³⁷ So David's friend Hushai returned to the city, at the same time that Absalom was entering Jerusalem.

Ziba gave food to David and the others

16 When David *and the others* had gone a little way past the top of the hill, Mephibosheth's servant Ziba met him. He had with him two donkeys that were carrying 200 loaves of bread, 100 bunches/ clusters of raisins, 100 bunches of fresh fruit, and a leather bag full of wine.

² The king said to Ziba, "What are these for?" Ziba replied, "The donkeys are for your family to ride on, the bread and the fruit are for your soldiers to eat, and the wine is for them to drink when they become exhausted in the desert."

³ The king said, "Where is Mephibosheth, the grandson of your *former* master Saul?" Ziba *deceived David* by saying, "He stayed in Jerusalem, because he thinks that now the Israeli people will allow him to rule the kingdom that his grandfather Saul ruled."

⁴ The king said to Ziba, "Okay, everything that belonged to Mephibosheth is now yours." Ziba replied, "Your Majesty, I will humbly serve you; and I desire/ hope that you will always be pleased with me."

Shimei cursed David

⁵ When King David *and those with him* arrived at Bahurim town, a man named Shimei met him. Shimei, whose father was Gera, was one of Saul's relatives. Shimei was cursing David as he approached. ⁶ Then he threw stones at David and his officials, even though the officials and David's bodyguards surrounded David. ⁷ Shimei cursed David and said to him, "Get out of here, you murderer, you scoundrel!" ⁸ Yahweh is \diamond getting revenge on/punishing \diamond you all for murdering [MTY] many people in Saul's family. And now he is giving Saul's kingdom to your son Absalom. You murderer, you are being paid back for the many people that you have killed/murdered [MTY]!"

⁹ Then Abishai said to the king, "Your Majesty, this man is *as worthless as* [MET] a dead dog! \diamond Why should he be allowed to curse you?/He should not be allowed to curse you. \diamond [RHQ] Allow me to go over there and cut off his head!"

¹⁰ But the king replied, "You two sons of Zeruiah, \diamond do not tell me what to do/this does not concern you \diamond [RHQ]. If he is cursing me because Yahweh told him to do that, certainly no one should say ' \diamond Why are you doing that?/You should not be doing that. \diamond [RHQ]'"

¹¹ Then David said to Abishai and to all his officials, "You know that my own son is trying to kill me. So *it is not surprising that* this man from the tribe of Benjamin is also trying to kill me. So ignore him, and allow him to curse me, because *perhaps he thinks that* Yahweh told him to do that. ¹² Perhaps Yahweh will see that I am having all this trouble, and *some day he will repay me by* \diamond blessing/doing good things for \diamond me in return for this man cursing me today." ¹³ Then David

and those who were with him walked along the road, and Shimei continued walking along the hillside near him. While he walked along, he cursed David and threw stones and dirt at him. ¹⁴ When David and those who were with him arrived at the Jordan River, they were very tired. So they rested there.

Ahithophel gave advice to Absalom

¹⁵ While that was happening, Absalom and all the Israeli people who were with him had arrived in Jerusalem. Ahithophel had also arrived there. ¹⁶ When David's friend Hushai came to Absalom, he said to Absalom, "I desire/hope that the king will live a long time! May you live for many years!"

¹⁷ Absalom said to Hushai, "You have been loyal [RHQ] to your friend David for a long time. So why did you not go with him *instead of coming to me*?"

¹⁸ Hushai replied, "I will serve the one whom Yahweh and these people and all the other people of Israel have chosen *to be their king*. So I will stay with you.

¹⁹ You are my master King David's son; if I do not serve you, what other man should I serve [RHQ]? I will serve you as I served your father."

²⁰ Then Absalom said to Ahithophel, "What do you advise that we should do?"

²¹ Ahithophel replied, "Your father left some of his slave wives in the palace to take care of it. Have sex [EUP] with them. When everyone in Israel hears that you have done that, they will realize that you are acting very contemptuously toward your father. Then all those who are with you will be very encouraged." ²² So they set up a tent for Absalom on the roof of the palace. And Absalom went into the tent and had sex [EUP] with his father's slave wives, *one by one*, and everyone [HYP] could see *him going into the tent*.

²³ In those days, people accepted what Ahithophel recommended as though he were speaking the words of God. So just as David had always accepted what Ahithophel said, now Absalom did also.

17 Then Ahithophel said to Absalom, "Allow me to choose 12,000 men, and I will leave *with them* tonight to pursue David. ² We will attack him while he is tired and discouraged, and cause him to be very frightened. All the soldiers who are with him will run away. We will kill only the king. ³ Then we will bring back all his soldiers to you, like [SIM] a \diamond bride/woman comes to her husband when she is married \diamond . You are wanting to kill only one man; so the other people will not be harmed." ⁴ Absalom and all the Israeli leaders *who were with him* thought that what Ahithophel said would be good to do.

⁵ But Absalom said, "Summon Hushai also, and we will hear what he suggests." ⁶ So when Hushai arrived, Absalom *told him* what Ahithophel had suggested. Then he asked Hushai, "What do you think we should do? If you do not think that we should do what Ahithophel suggests, tell us *what you think that we should do*."

⁷ Hushai replied, "This time what Ahithophel has suggested is not good advice. ⁸ You know that your father and the men who are with him are strong soldiers, and that now they are very angry, like [SIM] a mother bear whose cubs have been stolen from her. Furthermore, your father knows how to fight because he has fought in many battles. He will not stay with his troops during the night. ⁹ Right now he is probably already hiding in one of the pits, or in some other place. *If his soldiers start to attack your soldiers, and if they kill some of them, whoever hears about that will say 'Many of the soldiers with Absalom have been killed!'* ¹⁰ Then your other soldiers, even if they are as fearless [SIM, IDM] as lions, they will become very afraid. Do not forget that everyone in Israel knows that your father is a great/strong soldier, and that the soldiers who are with him are also very brave/courageous.

¹¹ So what I suggest is that you summon all the Israeli soldiers, from Dan *in the far north* to Beersheba *in the far south*. They will be as many as the grains of sand on the seashore [HYP]. And then you yourself lead us into the battle. ¹² We will find *your father*, wherever he is, and we will attack him *from all sides*, like [SIM] dew covers all the ground. And neither he nor any of the soldiers who are with him will survive. ¹³ If he escapes into some city, all our soldiers will bring ropes and pull that city down into the valley. As a result, not one stone will be left there *on top of the hill where that city was!*"

¹⁴ Absalom and all the other Israeli men *who were with him* said, "What Hushai suggests is better than what Ahithophel suggested." The reason that happened was that Yahweh had determined that if they would accept the good advice that Ahithophel had given them, *they would have been able to defeat/kill David*. But *as a result of their doing what Hushai suggested*, Yahweh would cause a disaster to happen to Absalom.

Hushai arranged for a report to be sent to David

¹⁵ Then Hushai told the two priests, Zadok and Abiathar, what both he and Ahithophel had suggested to Absalom and the Israeli leaders. ¹⁶ Then he said to them, "Send *a message* quickly to David. Tell him to not stay at the place where people walk across the river, near the desert. Instead, he and his soldiers must cross the *Jordan River* immediately, in order that they will not be killed/wiped out."

¹⁷ *The priest's two sons*, Jonathan and Ahimaaz, were waiting at En-Rogel *Spring*, outside Jerusalem. They did not *dare* to enter the city, because if someone saw them, *he would report it to Absalom*. *While they were at En-Rogel*, a female servant *of the two priests* would frequently go to them and report to them *what was happening*, and then they would go and report it to King David. ¹⁸ But a young man saw them, and went and reported it to Absalom. They *found out what the young man had done*, so both of

them left quickly and went to stay in the house of a man in Bahurim. That man had a well in his courtyard; so the two men went down into the well *to hide*.

¹⁹ The man's wife took a cloth/mat and covered the well, and scattered grain on top of it in order that no one would know *that two men were hiding inside it*.

²⁰ Some of Absalom's soldiers *found out where the two men had gone*. So they went to the house, and asked the woman, "Where are Ahimaaz and Jonathan?"

She replied, "They crossed the river."

So the soldiers *crossed the river and* searched for them. But they could not find them, so they returned to Jerusalem. ²¹ After they had gone, the two men came out of the well and went and reported to King David *what had happened* and what Ahithophel had suggested. Then they said to him, "Cross the river quickly!" ²² So David and all his soldiers quickly started to cross the *Jordan River*, and by dawn they had all crossed to the other side.

²³ When Ahithophel realized that Absalom was not going to do what he suggested, he put a saddle on his donkey and returned to his own town. He gave *to his family* instructions about his possessions, and then he hanged himself *because he knew that Absalom would be defeated and that he would be considered a traitor and be killed*. His body was buried in the tomb where his ancestors *had been buried*.

²⁴ David *and his soldiers* arrived at Mahanaim. And Absalom *and all his Israeli soldiers* also crossed the *Jordan River*. ²⁵ Absalom had appointed *his cousin* Amasa to be the commander of his army, instead of Joab. Amasa was the son of a man named Jether, a descendant of Ishmael. Amasa's mother was Abigail, the daughter of Nahash and the sister of Joab's mother Zeruiah. ²⁶ Absalom and his Israeli soldiers set up their tents in the *Gilead region*.

²⁷ When David *and his soldiers* arrived at Mahanaim, Shobi the son of Nahash from Rabbah *city* in the Ammon area, and Machir the son of Ammiel from Lo-Debar *city*, and Barzillai from Rogelim *town* in the *Gilead region*²⁸ brought sleeping mats, bowls, clay pots, barley, wheat flour, parched grain, beans, and lentils to them. ²⁹ They brought honey and curds, sheep, and some cream/cheese for David and his soldiers to eat. They knew that David and his soldiers would be hungry and tired and thirsty *from marching* in the desert.

David's men prepared for the battle

¹⁸ David arranged his soldiers for the battle. He divided them into groups, and appointed a commander for each 100 soldiers and a commander for each 1,000 soldiers. ² He sent them out in three groups. Joab commanded one group, Joab's brother Abishai commanded a second group, and Ittai from Gath commanded the third group. David said to them, "I myself will go with you *to the battle*."

³ But his soldiers said, "No, we will not allow you to go with us. If they force us all to run away, they will not be concerned about that happening. Or if they kill half of us, that will also not be what they want. To them, *killing* you is more important than *killing* 10,000 of us. So it will be better that you *stay here* in the city and send help to us."

⁴ The king replied, "Okay, I will do whatever seems best to you." So he stood at the gate *and watched* while his soldiers marched out, group by group.

⁵ *While they were leaving*, the king commanded Joab, Abishai, and Ittai, "For my sake, do not harm my son Absalom!" And all the troops heard it when David gave that order about Absalom to those three commanders.

Joab killed Absalom

⁶ So the army went out to fight against the Israeli soldiers *who were with Absalom*. They fought the battle in the forest *where people from the tribe of Ephraim lived*. ⁷ David's soldiers defeated Absalom's soldiers. They killed 20,000 of them! ⁸ The battle was fought {They fought the battle} all over that area, and the number of men who died because of *dangerous things in the forest* [PRS] was greater than the number of men who were killed \diamond in the battle/by swords \diamond .

⁹ During the battle, Absalom suddenly came near *some of David's soldiers*. Absalom was riding on his mule; and when the mule went under the thick branches of a large oak tree, Absalom's head/hair was caught in the branches. The mule kept going, but Absalom was left dangling in the air.

¹⁰ One of David's soldiers saw what happened, and went and told Joab, "I saw Absalom hanging in an oak tree!"

¹¹ Joab said to the man, "What? You say that you saw him hanging there, so why did you not kill him immediately [RHQ]? *If you had killed him*, I would have given you ten pieces of silver and a belt!"

¹² The man replied to Joab, "Even if you gave me 1,000 pieces of silver, I would not have done anything to harm [IDM] the king's son. We all heard the king command you and Abishai and Ittai, 'For my sake, do not harm my son Absalom!' ¹³ If I had disobeyed the king and killed Absalom, the king would have heard about it, because the king hears about everything, and even you would not have defended me!"

¹⁴ Joab said, "I am not going to waste time talking to you!" Then he took three spears *and went to where Absalom was*, and thrust them into Absalom's chest/heart while he was still alive, dangling from the oak tree. ¹⁵ Then ten young men who carried weapons for Joab surrounded Absalom and *finished* killing him.

¹⁶ Then Joab blew his trumpet *to signal that they should not fight anymore*, and his soldiers returned from pursuing those Israeli soldiers. ¹⁷ They took Absalom's body and threw it into a huge pit in the forest, and covered it with a huge pile of stones. Then all the

remaining Israeli soldiers *who had been with Absalom* fled to their own towns.

¹⁸ Absalom had no sons to preserve his *family* name. So, while Absalom was alive, he built a monument to himself in the King's Valley *near Jerusalem, in order that people would remember him*. He put his name on the monument, and people still call it Absalom's monument.

The report of Absalom's death reached David

¹⁹ *After Absalom had been killed*, Zadok's son Ahimaaz said to Joab, "Allow me to run to the king to tell him the good news that Yahweh has rescued him from the power of his enemies!"

²⁰ But Joab said to him, "No, I will not allow you to take news to the king today. Some other day I will allow you to take some news, but not today. *If you took news today it would not be good news for the king*, because his son is dead."

²¹ Then Joab said to David's servant who was from Ethiopia, "You go and tell the king what you have seen." So the man from Ethiopia bowed in front of Joab, and started to run.

²² Then Ahimaaz said again to Joab, "Even though *that man from Ethiopia is running*, allow me to run behind him." Joab replied, "My boy/son, why do you want to do that? You will not receive any reward for your news!"

²³ But Ahimaaz replied, "That does not matter, I want to go." So Joab said, "Okay, go." So Ahimaaz ran *along another road* through the Jordan Valley and arrived *where David was* before the man from Ethiopia arrived.

²⁴ David was sitting between the outer gate and the inner gate *of the city*. The watchman/lookout went up on top of the city wall and stood on the roof over the gates. He looked out and saw one man running alone. ²⁵ The watchman called down and reported it to the king. The king said, "If he is alone, *that indicates/means that he is bringing good news*." The man who was running continued to come closer.

²⁶ Then the watchman saw another man running. So he called down to the gatekeeper, "Look! There is another man running!" And the king said, "He also is bringing *some good news*."

²⁷ The watchman said, "I think the first man *must be Ahimaaz, because he is running like Ahimaaz runs*." The king said, "He is a good man, and *I am sure* he is coming with good news."

²⁸ *When Ahimaaz reached the king*, he called out "I hope/desire that things will go well with you!" Then he prostrated himself on the ground in front of the king and said, "Your Majesty, praise Yahweh our God, who has rescued you from the men who were rebelling against you!"

²⁹ The king said, "Is the young man Absalom safe/all right?" Ahimaaz *did not want to answer that question*, so he replied, "When Joab sent me, I saw that there

was a lot of confusion, but I do not know what it was about."

³⁰ Then the king said, "Stand aside." So Ahimaaz stepped aside and stood there.

³¹ Suddenly the man from Ethiopia arrived, and said, "Your Majesty, I have good news for you! Yahweh has enabled your soldiers to defeat all those who rebelled against you!"

³² The king said to him, "Is the young man Absalom safe/all right?" And the man from Ethiopia replied, "Sir, I wish/desire that what happened to him would happen to all of your enemies and to all those who rebel against you!"

³³ The king realized that he meant that Absalom was dead, so he became extremely distressed/overcome with grief, and he went up to the room above the gateway and cried. While he was going up, he kept crying out, "O, my son Absalom! My son! O, my son Absalom, I desire/wish that I had died instead of you!"

Joab rebuked the king

19 Someone told Joab that the king was crying and mourning because Absalom had died. ² All of David's soldiers became sad. Instead of rejoicing about defeating *the soldiers who had fought with Absalom*, they were sad because they heard that the king was mourning because Absalom was dead. ³ The soldiers returned to the city quietly, like [SIM] soldiers do when they are ashamed because they ran away from battle. ⁴ The king covered his face with his hands and kept crying loudly, "O, my son Absalom! O, Absalom, my son! My son!"

⁵ Then Joab entered *the room where the king was*, and said to the king, "Today you have caused your soldiers to be ashamed! You have humiliated the men who saved your life and the lives of your sons and daughters and your ordinary wives and your slave wives! ⁶ *It seems that you love those who hate you and that you hate those who love you. You have caused it to be clear today that your commanders and your officers are not at all important to you. I think that if Absalom were still alive and we were all dead today, you would be happy.* ⁷ So, now go and thank your soldiers *for what they did*. Because I solemnly declare that if you do not do that, none of them will still be with you by tomorrow morning and that would be worse *for you* than all the disasters/troubles that you have experienced since you were a boy."

⁸ So the king got up and went and sat near the city gate. And all the people were told, "Hey, the king is sitting at the gate!" So they all came and gathered around him.

The people of Israel and Judah wanted David to be their king again

Meanwhile, all the Israeli troops *who had been with Absalom* had returned to their homes.

⁹ Then all the people throughout the tribes of Israel started to quarrel among themselves. They said to each other, "King David rescued us from the people of Philistia and from our other enemies. But now he has fled from Absalom and left Israel! ¹⁰ We appointed [MTY] Absalom to be our king, but he died in the battle *against David's soldiers*. So why does someone not try to bring King David back?/surely someone should try to bring King David back." [RHQ]

¹¹ King David found out *what the people were saying*. So he sent the two priests, Zadok and Abiathar, to say to the leaders of Judah, "The king says that he has heard that all the Israeli people *want him to be king again*. And he says, 'Why should you be the last ones to bring me back to my palace?/It is not right that you be the last ones to bring me back to my palace.' [RHQ] ¹² You are my relatives; we have the same ancestor [IDM]. So why should you be the last ones to bring me back?/you should certainly not be the last ones to bring me back.' [RHQ]" ¹³ And say to Amasa, "You are one of my relatives. I hope/desire that God strike me dead [IDM] if I do not appoint you to be, from now on, the commander of my army instead of Joab."

¹⁴ *By sending that message to them*, David convinced all the people of Judah [IDM] *that they should be loyal to him/accept him as their king*. So they sent a message to the king, saying "We want you and all your officials to return here." ¹⁵ So the king and his officials started back toward Jerusalem. When they reached the Jordan River, the people of Judah came there to Gilgal to meet the king, and to bring him across the river.

¹⁶ Shimei, the man from the tribe of Benjamin, also came down quickly *to the river* with the people of Judah to meet King David. ¹⁷ There were 1,000 men from the tribe of Benjamin who came with him. And Ziba, who had been the servant of Saul, also hurried down to the Jordan River, bringing 20 of his servants with him. They all came to the king, ¹⁸ and then they all prepared to take the king and all his family across the river, at the place where they could walk across it. They wanted to do whatever the king wanted them to do. As the king was about to cross the river, Shimei came to him and prostrated himself in front of the king.

¹⁹ He said to the king, "Your Majesty, please forgive me. Please do not keep thinking about the terrible thing that I did on the day that you left Jerusalem. Do not think about it anymore. ²⁰ Because I know that I have sinned. Look, I have come today, the first one from the northern tribes to come here to greet you today, Your Majesty."

²¹ But Abishai, the son of Zeruiah, said, "He cursed the one that Yahweh appointed [MTY] to be the king! So why should he not be executed for doing that?/he certainly should be executed for doing that." [RHQ]

22 But David said, "You sons of Zeruiah, what am I going to do with you? (OR, you are not the ones who should decide *what to do to him*). *It is as though* you have become my enemies today. I know that I am the one who has now become the king of Israel, *so I say that* certainly no one [RHQ] in Israel should be executed today." 23 Then the king said to Shimei, "I solemnly promise that I will not execute you."

24 Then Mephibosheth, Saul's grandson, came down to the river to greet the king. He had not washed his feet or trimmed his beard or washed his clothes, from the time that the king left Jerusalem until the day that he returned. 25 When he arrived from Jerusalem to greet the king, the king said to him, "Mephibosheth, why did you not go with me?"

26 He replied, "Your Majesty, you know that I am crippled. *When I heard that you were leaving Jerusalem*, I said to my servant Ziba, 'Put a saddle on my donkey in order that I can ride on it and go with the king.' But he deceived me *and left without me*. 27 And he lied to you about me. But, Your Majesty, you are *as wise* as God's angel. So do whatever seems right to you. 28 All of my grandfather's family expected/deserved that we would be executed. But you *did not execute me*; you allowed me to eat food with you at your table! So I certainly do not have [RHQ] the right to request you for anything more."

29 The king replied, "You certainly do not need to say any more. I have decided that you and Ziba will divide *equally* the land *that belonged to your grandfather Saul*."

30 Mephibosheth replied to the king, "Your Majesty, *I am content* that you have returned safely. So allow him to take all the land."

31 Barzillai, the man from the Gilead region, had come down to the Jordan River from *his town of Rogelim*, to escort the king across the river. 32 Barzillai was a very old man, 80 years old. He was a very wealthy man, and he had provided food for the king *and his soldiers* while they were at Mahanaim. 33 The king said to Barzillai, "Come with me to Jerusalem, and I will take care of you."

34 But Barzillai replied, "I certainly do not have [RHQ] many more years to live. So *why* should I go with you to Jerusalem?/there is certainly no reason for me to go with you to Jerusalem. *Why* [RHQ] 35 I am now 80 years old. I do not [RHQ] know what is enjoyable and what is not enjoyable. I cannot [RHQ] enjoy what I eat and what I drink. I cannot [RHQ] hear the voices of men and women as they sing. So *why* should I be another burden to you?/I do not want to be another burden to you. *Why* [RHQ] 36 I will cross the Jordan River with you and go a little further, and that will be all the reward that I need *for helping you*. 37 Then please allow me to return to my home, because that is where I want to die, near my parents' grave. But here is *my son* Chimham. Your Majesty, allow him to go with you

and serve you, and do for him whatever seems good to you!"

38 The king replied, "Okay, he will cross *the river* with me, and I will do for him whatever seems good to you. And I will do for you whatever you want me to do."

39 Then King David and all the others crossed the Jordan River. He kissed Barzillai and *asked God* to bless him. Then Barzillai returned to his home.

40 *After they crossed the river*, Chimham went with the king, and all the army of Judah and half the army of the other Israeli tribes escorted/accompanied the king to Gilgal.

The troops from Judah and Israel argued

41 Then all the soldiers from the other Israeli tribes came to the king and said, "*Why* is it that our relatives, the men from Judah, took you away from us and wanted to be the only ones to escort you and your family across the river, along with all your men?/It is not right that our relatives, the men from Judah, took you away from us and wanted to be the only ones to escort you and your family across the river, along with all your men. *Why* [RHQ] *Why did you not request us to do that?*" [RHQ]

42 The soldiers from Judah replied, "We did it because the king is from Judah. So *why* are you angry about that?/you should not be angry about that. *Why* [RHQ] The king has never paid for our food, and he has never given us any gifts."

43 The men of the other Israeli tribes replied, "*There are ten tribes in Israel, and only one in Judah*. So it is ten times more right for us to say that David *is our king* than it is for you to say that. So why are you despising us [RHQ]? We were certainly [RHQ] the first ones to talk about bringing David back *to Jerusalem to be our king again*."

But the men of Judah spoke more harshly than the men from the other tribes of Israel did.

Sheba rebelled against David

20 There was a man there *at Gilgal* named Sheba. He was a man who always caused trouble. He was from the tribe of Benjamin and was the son of Bichri. He blew a trumpet and called out, "We have nothing to do with [DOU] David, that son of Jesse! So, men of Israel, let's go to our homes!"

2 So all the men from the other Israeli tribes deserted David and went with Sheba, but the men of Judah stayed with David. They wanted him to be their king, and went with him from near the Jordan River up to Jerusalem.

3 When David arrived at the palace in Jerusalem, he took the ten slave wives whom he had left there to take care of the palace and put them in another house. He put a guard at that house, and he provided for them what they needed, but he never had sexual relations [EUP] with them again. So they remained

shut up in their house until they died. It was as though they were widows.

⁴ *One day* the king said to Amasa, "Summon the soldiers of Judah to come here within three days, and you be here also." ⁵ So Amasa went to summon them, but he did not return within the time that David told him to.

⁶ So David said to Abishai, "Now Sheba will harm us more than Absalom did. So you take my soldiers and pursue him. If you do not do that, he and his soldiers may occupy/capture some of the *fortified towns/towns that have walls around them*, and escape from us. [IDM]" ⁷ So Abishai and Joab and the king's bodyguards and the other soldiers left Jerusalem, to pursue Sheba.

⁸ When they arrived at the huge rock in the Gibeah region, Amasa met them. Joab was wearing a soldier's uniform. He had a dagger/long knife fastened to his belt. When he came close to Amasa, he allowed the dagger to fall on the ground.

⁹ Joab said to Amasa, "Are things going well with you, my friend?" Then Joab grabbed Amasa's beard with his right hand, in order to kiss him. ¹⁰ But Amasa did not see that Joab was holding *another* dagger in his *other* hand. And Joab stabbed it into Amasa's belly, and his insides spilled out onto the ground. Amasa died *immediately*; Joab did not need to stab him again. Then Joab and his brother Abishai continued to pursue Sheba.

¹¹ One of Joab's soldiers stood alongside Amasa's body and called out, "Everyone who wants Joab to be our commander and who wants David to be our king, go with Joab!" ¹² Amasa's body was lying on the road. It was covered with blood. The soldier of Joab who had called out saw that many other of Joab's soldiers were stopping to see it, so he dragged Amasa's body off the road into a field, and threw a cloth/blanket over the body. ¹³ After the body had been taken off the road, all the soldiers went with Joab to pursue Sheba.

¹⁴ Sheba went through all the tribes of Israel, and arrived at Abel-Beth-Maacah town in the northern part of Israel. There, all the members of his father Bichri's clan gathered, and went with Sheba into the town.

¹⁵ The soldiers who were with Joab found out that Sheba had gone there, so they went there and surrounded the town. They built a dirt ramp up against the town wall. They also pounded against the wall with heavy poles, to cause it to collapse. ¹⁶ Then a wise woman who was in that town stood on the top of the wall and shouted down, "Listen to me! Tell Joab to come here, because I want to talk to him!" ¹⁷ So after they told Joab, he came there, and the woman said, "Are you Joab?"

He replied, "Yes, I am." She said to him, "Listen to what I say." He replied, "I am listening." ¹⁸ She said, "Long ago people used to say, 'Go to Abel town to get good advice about your problems.' And that is what people did. ¹⁹ We are peaceful and loyal Israelis. Our

people here are important and respected [IDM]. So why are you trying to destroy a town that belongs to Yahweh?/you should not be trying to destroy a town that belongs to Yahweh." [RHQ]

²⁰ Job replied, "I would certainly never want to ruin or destroy your town! ²¹ That is not what we want to do. But Bichri's son Sheba, a man from the hilly area in the tribe of Ephraim, is rebelling against King David. Put this man into our hands, and then we will go away from/not attack this town."

The woman replied to Joab, "Okay, what we will do is, we will cut off his head and throw it over the wall to you."

²² Then this wise woman went to the elders of the town and told them what she had said to Joab. So they cut off Sheba's head and threw it over the wall to Joab. Then Joab blew his trumpet to signal that the battle was ended, and all his soldiers left the town and returned to their homes. And Joab returned to Jerusalem and told the king what had happened.

²³ Joab was the commander of the entire Israeli army. Jehoiada's son Benaiah was the commander of David's bodyguards; ²⁴ Adoram supervised the men who were forced to work for the king; Ahilud's son Jehoshaphat was the man who reported to the people everything that David decided; ²⁵ Sheva was the official secretary; Zadok and Abiathar were the priests; ²⁶ and Ira from Jair town was also one of David's priests.

The people of Gibeon got revenge for what Saul did

21 During the time that David ruled, there was a famine in Israel for three years. David prayed to Yahweh about it. And Yahweh said, "In order for the famine to end, Saul's family needs to be punished [MTY] because Saul killed many people from Gibeon city."

² The people of Gibeon were not Israelis; they were a small group of the Amor people-group whom the Israelis had solemnly promised to protect. But Saul had tried to kill all of them because he was very zealous/wanted very much to enable the people of Judah and Israel to be the only ones living in that land. So the king summoned the leaders of Gibeon ³ and said to them, "What shall I do for you? How can I make amends/up for what was done to your people, in order that you will bless us who belong to Yahweh?"

⁴ They replied, "You cannot settle our quarrel with Saul and his family by giving us silver or gold. And we do not have the right to kill any Israelis."

So David asked, "Then/So what do you say that I should do for you?" ⁵ They replied, "Saul wanted to get rid of us. He wanted to annihilate/kill all of us, in order that none of us would live anywhere in Israel. ⁶ Hand over to us seven of Saul's descendants. We will hang them where Yahweh is worshiped in Gibeon, our town, the town where Saul, whom Yahweh previously chose to be king, lived."

The king replied, "Okay, I will hand them over to you." ⁷ The king did not hand over to them Saul's grandson Mephibosheth, because of what he and *Mephibosheth's father* Jonathan had solemnly promised to each other. ⁸ Instead, he took Armoni and another man named Mephibosheth, the two sons that Saul's slave wife Rizpah, the daughter of Aiah, had given birth to, and the five sons that Saul's daughter Merab had given birth to. Merab's husband was Adriel the son of a man named Barzillai from Meholah town. ⁹ David handed those men over to the men from Gibeon. Then they hanged those seven men on a hill where they worshiped Yahweh. They were all killed during the time of the year that the people started to harvest the barley.

¹⁰ Then Rizpah took coarse cloth made from goats' hair, and spread it on the rock *where the corpses lay*. She stayed there from the time that people started to harvest the barley until the rains started. She did not allow any birds to come near the corpses during the day, and she did not allow any animals to come near during the night. ¹¹ When someone told David what Rizpah had done, ¹² he went with some of his servants to Jabesh in the Gilead region and got the bones of Saul and his son Jonathan. The people of Jabesh had stolen their bones from the *plaza/public square* in Beth-Shan city, where the men from Philistia had hanged them previously, on the day that they had killed Saul and Jonathan on Gilboa Mountain. ¹³ David and his men took the bones of Saul and Jonathan, and they also took the bones of the seven men *from Gibeon* whom the men from Philistia had hanged.

¹⁴ They buried the bones of Saul and Jonathan in Zela town in the land of *the tribe of Benjamin*. Doing all that the king commanded, they buried their bones in the tomb where Saul's father Kish was buried. After that, *because God saw that Saul's family had been punished to pay for Saul's murder of many people from Gibeon*, he answered the Israelis' prayers for their land, and caused the famine to end.

The battles against the giants of Philistia

¹⁵ The army of Philistia again started to fight against the army of Israel. And David and his soldiers went to fight the Philistines. During the battle, David became weary. ¹⁶ One of the Philistia men thought that he could kill David. His name was Ishbi-Benob. He was a descendant of *a group of giants*. He carried a bronze spear that weighed about *7-1/2 pounds/3-1/2 kg*, and he also had a new sword. ¹⁷ But Abishai came to help David, and attacked the giant and killed him. Then David's soldiers forced him to promise that he would not go with them into a battle again. They said to him, "If you die, and none of your descendants become king, that would be like [MET] extinguishing the last light in Israel."

¹⁸ Some time after that, there was a battle with the army of Philistia near Gob village. During the battle,

Sibbecai, from the Hushah clan, killed Saph, one of the descendants of the Rapha giants.

¹⁹ Later there was another battle with the army of Philistia at Gob. During that battle, Elhanan, the son of Jaare-Oregim from Bethlehem, killed *the brother of Goliath* from Gath city; Goliath's spear shaft/handle was *very thick, like the bar on a weaver's loom/over two inches thick*.

²⁰ Later there was another battle near Gath. There was a *huge man/giant* there who liked to fight *in battles*. He had six fingers on each hand and six toes on each foot. He was descended from the Rapha giants. ²¹ But when he *made fun of/ridiculed* the men in the Israeli army, Jonathan, the son of David's older brother Shimeah, killed him.

²² Those four men were some of the descendants of the Rapha giants who had lived in Gath, who were killed [MTY] by David and his soldiers.

David's song to praise Yahweh

22 After Yahweh had rescued David from Saul and his other enemies, David sang a song to Yahweh. ² *This is what he sang:*
Yahweh, you are like a *huge overhanging rock under which I can hide* [MET];
you are like my fortress, and you rescue me.
³ Yahweh, you protect me; you are like a shield;
you are the powerful one [MET] who saves me;
you are like a place where I *find refuge/am safe*.
You save me from those who act violently toward me.

⁴ I call out to you, Yahweh;
you deserve to be praised,
and you rescue me from my enemies.

⁵ I almost died [PRS]; it was like [MET] a huge wave had crashed over me,
and almost destroyed me like a flood.

⁶ I thought that I would die; it was as though death wrapped ropes around me;
it was as though I was in a trap where I would surely die. [PRS, MET]

⁷ But when I was *very distressed/in great trouble*, I called out to you, Yahweh;
I cried out to you, my God.
And from your temple you heard me;
you listened when I called to you to help me.

⁸ Then *it was as though* the earth quaked and shook;
it was as though the foundations that *held up/supported* the sky trembled,
because you were angry.

⁹ *It was as though* smoke poured out of your nostrils
and burning coals and fire that burns everything came out of your mouth.

¹⁰ You tore open the sky and came down;
there was a thick dark cloud under your feet.

¹¹ You rode *through the sky* on a winged creature;

the wind enabled you to travel *swiftly* [MET], like a bird.

12 The darkness surrounded you, like a blanket;
thick clouds that were full of water also surrounded you.

13 Out of the lightning in front of you
fire from burning coals flamed.

14 Then, Yahweh, you spoke like thunder from the sky;

it was your voice, God, you who are greater than all other gods, that was heard.

15 When you sent flashes of lightning,
it was as though [MET] you shot your arrows and scattered your enemies.

16 Then the bottom of the ocean was uncovered;
the foundations of the world could be seen
when you rebuked *your enemies*
with a snort from your nostrils.

17 Yahweh, you reached down from heaven and lifted me up;

you pulled me up from the deep water.

18 You rescued me from my strong enemies,
from those who hated me;

I could not defeat them because they were very strong.

19 They attacked me when I was experiencing troubles/difficulties,

but Yahweh, you protected me.

20 You brought me to a place where I was safe;
you rescued me because you were pleased with me.

21 Yahweh, you rewarded me because I do what is right;

you did good things for me because I \diamond was innocent/had not done things that are wrong \diamond .

22 Yahweh, I have obeyed your laws;

I have not turned away from you, my God.

23 All of your regulations were in my mind,
and I did not turn away from *obeying* all your statutes.

24 You know that I have not done anything that is evil;

I have kept myself from doing things for which I should be punished.

25 So you have rewarded me in return for my doing what is right,

because *you know that* I \diamond am innocent of doing/have not done \diamond wrong things.

26 Yahweh, you are faithful/loyal to those who always trust in you;

you always do what is good to those whose behavior is always good.

27 You act sincerely toward those whose inner beings are pure,

but you are hostile to those who are perverse/wicked.

28 You rescue those who are humble,

but you watch [MTY] those who are proud and humiliate them.

29 Yahweh, you are *like* [MET] a lamp
that causes it to become light when I am in the dark.

30 With your strength/help I can run through a line of enemy soldiers

and I can climb over the wall *that surrounds their city*.

31 My God whom I worship, everything that you do is perfect;

you always do what you promise that you will do.
You are like a shield [MET] to all those who request you to protect them.

32 Yahweh, you are [RHQ] the only one who is God;
only you are like a huge rock [MET] *under which we are protected/safe*.

33 God, you *whom I worship* are a strong refuge for me;

you keep me safe on the roads that I *walk on*.

34 *When I walk* in the mountains,
you enable me to walk safely, without stumbling [MET]

like a deer runs.

35 You teach me *how to fight* in a battle
in order that I can shoot arrows well from a very strong bow.

36 *It is as though* [MET] you have given me a shield
by which you have saved/rescued me,
and you have answered my prayers and caused me to become famous/great.

37 You have not allowed *my enemies* to capture me [IDM],

and I have not fallen down *during battles*.

38 I pursued my enemies and defeated them;
I did not stop *fighting them* until they were all killed.

39 I struck them down; I stabbed them with my sword;
they fell down at my feet and did not stand up again.

40 You have given me strength for fighting battles
and caused those who were attacking me to fall down, and I trampled on them.

41 You caused my enemies to turn and run away from me;

I destroyed those who hated me.

42 They \diamond looked for/wanted \diamond someone to rescue them, but no one did.

They cried out to you, Yahweh, *for help*, but you did not answer them.

43 I crushed them, and as a result they became like [SIM] tiny particles of dust.

I trampled them, and they became like [SIM] mud in the streets.

44 You rescued me from those who tried to rebel *against me*,

and you appointed me to rule many nations;

people whom I did not know previously are now
 ◇under my authority/my slaves◇.

45 Foreigners humbly bowed down in front of me;
 as soon as they heard about me, they obeyed me.

46 They became afraid,
 and they came to me, trembling, from the places
 where they were hiding.

47 Yahweh, you are alive! I praise you! You are like
 [MET] a *huge overhanging rock* under which I am
 safe/protected!

You are the one who rescues me [MET].

Everyone should exalt/honor/praise you.

48 You enable me to conquer my enemies;
 you cause people of *other* nations to be ◇under my
 authority/my slaves◇.

49 You delivered me from my enemies;
 you caused me to be honored more than they were;
 you rescued me from men who *always* acted violent-
 ly.

50 Because of all that, I exalt you among many peo-
 ple-groups

and I sing to praise you.

51 You enable me, whom you appointed to be king, to
 powerfully conquer *my enemies*;

you faithfully love me, David, and you will love my
 descendants forever.

David's final message

23 David, the son of Jesse, was a man whom *God*
caused to become great.

He was appointed to become king by the God whom
 Jacob *worshipped*.

He wrote beautiful songs for the Israeli people.

This is the last song that he wrote:

2 The Spirit of Yahweh tells me what to say;
 the message that I speak [MTY] comes from him.

3 God, the one whom we Israeli *people worship*, has
 spoken;

the one who protects us Israeli people said to me,
 "Kings who rule people justly
 have an awesome respect for me, God.

4 They are like the sun that shines at dawn
 and causes the grass to *sprout/sparkle* after the rain
 ends."

5 And truly, that is how God will surely bless my fami-
 ly [RHQ]

because he made an agreement with me that will
 endure forever,

an agreement in which he promises that no part of
 it will ever be changed.

He will surely cause me to prosper [RHQ],

and he will always help me,

and that is all that I desire.

6 But *he will get rid of* godless/evil people like [SIM]
 people throw away thorns

that *injure people if they try to pick them up with*
 their hands.

7 Someone *who wants to get rid of thornbushes* does
 not grab them;

he uses an iron *shovel* or a spear *to dig them out*
 and then he burns them completely.

David's three greatest warriors

8 These are the names of David's three greatest war-
 riors.

The first was Esh-Baal, *whose other name was*
Jashobeam, from the Hachmon clan (OR, the son of
 Hachmon). He was the leader of the three men. One
 time he fought against 800 enemies and killed them
 all with his spear.

9 The second/next one of the three greatest warriors
 was Eleazar, who was the son of Dodo from the clan of
 Ahoh. One day he was with David when they defied/
 challenged the soldiers of Philistia who had gathered
 for the battle. The *other* Israeli soldiers retreated,

10 but Eleazar stood there and fought the soldiers of
 Philistia until his arm became very tired, with the re-
 sult that *his hand cramped* and he could not stop grip-
 ping his sword. Yahweh won a great victory on that
 day. And afterwards the *other* Israeli soldiers returned
to where Eleazar was, and stripped off *the armor from*
the men whom he had killed.

11 The third one of the greatest warriors was
 Shammah, the son of Agee from *the clan/town of*
 Harar. One time the Philistia soldiers gathered at Lehi
town, where there was a field full of lentils/peas *that*
they wanted to steal. The other Israeli soldiers ran
 away from the Philistia troops, 12 but Shammah stood
 there in the field and did not let the Philistia soldiers
steal the crops, and killed them. Yahweh won a great
 victory on that day.

The 30 great warriors

13 Altogether there were 30 special warriors among
 David's soldiers. Once, when it was almost time to har-
 vest *the crops*, three of those 30 men went down to
 Adullam Cave, where David was *staying*. A group of
 men from the Philistia army had set up their tents in
 Rephaim Valley *near Jerusalem*. 14 David *and his sol-*
diers were in the cave *because it was safe there*, and
another group of Philistia soldiers was occupying
 Bethlehem. 15 *One day* David very much wanted *some*
water to drink, and said "I wish that someone would
 bring me some water from the well near the gate at
 Bethlehem!" 16 So his three greatest warriors forced
 their way through the camp of Philistia soldiers and
 drew some water from the well, and brought it to
 David. But he would not drink it. Instead, he poured it
 out *on the ground* as an offering to Yahweh. 17 He
 said, "Yahweh, it would certainly not be right for me to
 drink this water! That would be like [RHQ] drinking the

blood of these men who were willing/ready to die for me!" So he refused to drink it.

That was one of the things that those three great warriors did.

The list of the great warriors

¹⁸ Abishai, Joab's *younger* brother, was the leader of the 30 *greatest warriors*. *One day* he fought against 300 men and killed them all with his spear. As a result, he also became famous. ¹⁹ He was the most famous of the thirty greatest warriors, and he became their leader/commander, but he was not one of the three greatest warriors.

²⁰ Jehoiada's son Benaiah, from Kabzeel *town*, also did great deeds. He killed two of the best warriors from the Moab people-group. Also, he went down into a pit on a day when snow was falling, and killed a lion there. ²¹ He also killed a huge soldier from Egypt who carried a spear. Benaiah *had only* his club, but he attacked the giant with it. Then he snatched the spear from the man's hand and killed him with his own spear. ²² Those are *some of* the things that Benaiah did. As a result, he became famous, like the three greatest warriors were. ²³ He was more honored than the other members of the group of thirty great warriors, but not as famous as the three greatest warriors. David appointed him to be the commander of his bodyguards.

²⁴ *These are the names of the great warriors:*

Asahel, the brother of Joab;

Elhanan, the son of Dodo, from Bethlehem;

²⁵ Shammah and Elika, from the Harod *clan*;

²⁶ Helez, from Pelet *city*;

Ira, the son of Ikkesh, from Tekoa *town*;

²⁷ Abiezer, from Anathoth *city*;

Mebunnai *whose other name was Sibbecai*, from Hushah's *clan*;

²⁸ Zalmon *whose other name was Ilai*, from Ahoh's *clan*;

Maharai, from Netophah *town*;

²⁹ Heleb, the son of Baanah, also from Netophah *town*;

Ittai, the son of Ribai, from Gibeah *town in the land that belonged to* the tribe of Benjamin;

³⁰ Benaiah, from Pirathon *town*;

Hiddai, from the valleys near Gaash *Mountain*;

³¹ Abi-Albon, from the clan of Arabah;

Azmaveth, from Bahurim *town*;

³² Eliahba, from Shaalbon *town*;

The sons of Jashen;

Jonathan;

³³ Shammah, from Harar *town/clan*;

Ahiam the son of Sharar, from Harar *town/clan*;

³⁴ Eliphelet, the son of Ahasbai, from Maacah *town*;

Eliam, the son of Ahithophel, from Gilo *town*;

³⁵ Hezro, from Carmel *city*;

Paarai, from Arba *city*;

³⁶ Igal, the son of Nathan, from Zobah *city*;

Bani, from the tribe of Gad;

³⁷ Zelek, from the Ammon people-group;

Naharai, the man who carried Joab's weapons, from Beeroth *town*;

³⁸ Ira and Gareb, from Jattir *town*;

³⁹ Uriah, *Bathsheba's husband*, from the Heth people-group.

Altogether, there were 37 famous soldiers, *but some of them had died and their names were not included*.

David ordered a census to be taken

²⁴ Yahweh was angry with the Israeli people again, so he incited David to cause trouble for them. He said to David, "Send *some men* to count the people of Israel and Judah."

² So the king said to Joab, the commander of his army, "Go *with your officers* through all the tribes of Israel, from Dan *city in the far north* to Beersheba *town in the far south*, and count the people, in order that I may know how many people *there are who are able to be soldiers in the army*."

³ But Joab replied to the king, "Your Majesty, I wish/desire that Yahweh our God will cause there to be 100 times as many people *in Israel* as there are now, and I wish/desire that you would see that happen *before you die*. But why do you want us to do this?"

⁴ But the king commanded Joab and his officers to do it. So they left the king and went out to count the people of Israel.

⁵ They crossed the Jordan *River* and set up their tents south of Aroer *town*, in the middle of the valley, in the territory *that was given to the tribe* of Gad. From there they went *north* to Jazer *city*.⁶ Then they went *north* to the Gilead *region* and to Kadesh *city*, in the land where the Heth people-group lived. Then they went to Dan *city in the far north of Israel*, and then further west, to Sidon *city near the Mediterranean Sea*.⁷ Then they went *south* to Tyre, a city with high walls around it, and to all the cities where the Hiv and Canaan people-groups live. Then they went *east* to Beersheba, in the southern part of Judah.

⁸ After nine months and 20 days, when they had finished going throughout the land *and counting the people*, they returned to Jerusalem.

⁹ They reported to the king the number of people that they had counted. There were 800,000 men in Israel and 500,000 men in Judah who were able to become soldiers in the army [MTY].

¹⁰ But after David's men had counted the people, David regretted [IDM] that he had told them to do that. *One night* he said to Yahweh, "I have committed a very big sin. Please forgive me, because what I have done is very foolish."

¹¹ When David got up the next morning, Yahweh gave a message to the prophet Gad. He said to him,

¹² "Go and tell this to David: 'I am allowing you to choose one of three things *to punish you*. I will do whichever one you choose.' "

¹³ So Gad went to David and told him *what Yahweh had said*. He said to David, "You can choose whether there will be three years of famine in your land, or three months of *your army* running away from your enemies, or three days when there will be a *plague/very severe illness* in your land. You think about it and choose *which one you want*, and *tell me*, and I will return to Yahweh and tell him what your answer is."

¹⁴ David said to Gad, "All those are very terrible things for me to choose between! But allow Yahweh to punish [MTY] me, because he is very merciful. Do not allow humans to punish me, *because they will not be merciful*."

¹⁵ So Yahweh sent a plague on the Israeli people. It started that morning and did not stop until the time that he had chosen/set. All over the land, from Dan to Beersheba, there were 70,000 Israelis who died *because of the plague*. ¹⁶ When *Yahweh's* angel stretched out his hand toward Jerusalem to destroy *the people by this plague*, Yahweh changed his mind about punishing *any more* people. He said to the angel who was killing them *with the plague*, "Stop what you are doing [IDM]! That is enough!" *When he said that*, the angel was standing at the ground where Araunah, from the Jebus people-group, threshed grain.

¹⁷ When David saw the angel who was causing the people to become sick and die, he said to Yahweh, "Truly, I am the one who has committed the sin. I have done a very wicked thing, but these people are *as innocent as sheep* [MET]. They have certainly not [RHQ]

done anything *that is wrong*. So you should punish [IDM] me and my family, *not these people!*"

¹⁸ That day Gad came to David and said to him, "Go up to the place where Araunah threshes grain, and build an altar to *worship* Yahweh there." ¹⁹ So David did what Gad told him to do, which was what Yahweh had commanded, *and he went up there*. ²⁰ When Araunah looked down and saw the king and his officials coming toward him, he prostrated himself on the ground in front of the king, with his face touching the ground.

²¹ Araunah said, "Your Majesty, why have you come to me?" David replied, "*I have come* to buy this ground where you thresh grain, in order to build an altar to Yahweh *and offer sacrifices on it*, in order that he will stop the plague."

²² Araunah replied to David, "Your Majesty, offer to Yahweh whatever you wish/want. Here, take my oxen to use for the offering that will be completely burned on the altar. And here, take their yokes and the boards *that I use* for the threshing, and *use them* for the wood that you will burn. ²³ I, Araunah, am giving all this to you, the king." Then he said, "I desire/hope that Yahweh our God will accept your offering."

²⁴ But the king said to Araunah, "No, I will *not take these things as a gift*. I will pay you for it. I will not take sacrifices that have cost me nothing, and offer them to Yahweh to be completely burned on the altar." So he paid 50 pieces of silver to Araunah for the oxen and the ground.

²⁵ Then David built an altar to Yahweh, and he offered *the oxen* to be completely burned on the altar, and he also offered sacrifices to maintain fellowship with Yahweh. Then, Yahweh answered David's prayers, and he caused the plague in Israel to end.

1 KINGS

When King David was an old man

1 When King David was very old [IDM, DOU], even though his servants put many blankets on top of him, he was unable to become warm. **2** So they said to him, "Your Majesty, allow us to search for a young virgin who can stay with you and take care of you. She can sleep close to you and enable you to become warm."

3 *The king gave them permission, so they searched throughout Israel for a beautiful young woman. They found a woman named Abishag, from Shunem town, and brought her to the king.* **4** She was *truly* very beautiful. She took care of [DOU] the king, but the king did not have sexual relations with her.

Adonijah tried to become the king

5-6 *After Absalom died, David's oldest surviving son was Adonijah, whose mother was Haggith. He was a very handsome/good-looking man. But David had never rebuked him about anything he did. After Absalom died, Adonijah thought that he would become king. So he started to boast, saying "I will become king now." Then he provided for himself some chariots, and men to drive them, and horses to pull them, and 50 men to run as his bodyguards in front of those chariots wherever he went.*

7 One day he conferred with Joab, *David's army commander*, and Abiathar the priest, and they promised/agreed to help/support Adonijah. **8** But Zadok, who was also a priest, Benaiah *who had supervised David's bodyguards*, Nathan the prophet, Shimei and Rei, and David's most capable soldiers refused to help/support Adonijah.

9 One day Adonijah went to Snake Rock near En-Rogel Spring, *which is near Jerusalem*, to sacrifice some sheep and oxen and fattened cattle. He invited most of his brothers, King David's other sons, to come. He also invited all of the king's officials from Judah to come to the celebration. **10** But he did not invite Nathan or Benaiah or the king's most capable soldiers or his *younger/half*-brother Solomon.

11 Nathan *found out what they were doing, so he went to Solomon's mother Bathsheba and asked her, "Have you not heard that Haggith's son Adonijah is declared himself to be the king? And King David does not know about it!"* **12** So if you want to save yourself and your son Solomon from being killed, allow me to tell

you what you should do. **13** Go immediately to King David. Say to him, 'Your Majesty, you solemnly promised me [RHQ] that my son Solomon would become the king after you *die*, and that he would sit on your throne *and rule*. So why is it that Adonijah *has said that he is now the king?*' **14** Then, while you are still talking to the king, I will come in and tell him that what you are saying to him *about Adonijah is true.*"

15 So Bathsheba went to see the king in his bedroom. He was very old, and Abishag was taking care of him. **16** Bathsheba bowed very low in front of the king, and the king asked her, "What do you want?"

17 She replied, "Your Majesty, you solemnly promised me, knowing that Yahweh our God *was listening* [IDM], that my son Solomon would become king after you *die*, and that he would sit on your throne *and rule*."

18 But now, believe it or not, Adonijah has become king, and you do not know anything about it. **19** He has sacrificed a lot of oxen and fattened cattle and sheep, and he has invited all of your other sons to the celebration. He has also invited Abiathar the priest and Joab the commander of your army, but he did not invite your son Solomon. **20** Your Majesty, all the people [SYN] of Israel are expecting you to tell them who is the one who will become king after you are no longer the king. **21** If you do not do that, what will happen is that after you die [EUP] people will consider that my son Solomon and I are rebelling, *and they will execute us because we did not help Adonijah to become king.*"

22 While she was still talking to the king, Nathan came *to the palace*. **23** The king's servants/advisors told David, "Nathan the prophet has come." So *Bathsheba left, and Nathan went into where the king was and knelt down, with his face on the ground.*

24 Then Nathan said, "Your Majesty, have you declared that Adonijah will become king after you are no longer the king? **25** *I say that because today he has gone down to En-Rogel Spring and has sacrificed a lot of oxen, fattened cattle, and sheep. And he has invited all of your other sons, Joab the army commander, and Abiathar the priest. They are all eating and drinking with him and saying 'We hope/desire that King Adonijah will live a long time!'* **26** But he did not invite me or Zadok the priest or Benaiah or Solomon. **27** Did you, as the king, say that they should do this without telling your other officials who you want to become king [MTY] after you are no longer the king?"

David arranged for Solomon to be declared king

²⁸ Then *after Nathan left the room*, King David said *to one of his servants*, "Tell Bathsheba to come in here again." So he went and told her, and she came in and stood in front of the king.

²⁹⁻³⁰ Then the king said, "Yahweh has rescued me from all my troubles. I promised you, with Yahweh the God whom we Israelis *worship* listening, that your son Solomon would be king after I am no longer the king. Today, as surely as Yahweh lives, *I solemnly declare that I will do what I promised.*" ³¹ Bathsheba knelt down with her face on the ground and said, "Your Majesty, I hope/desire that you will live for many more years [HYP]!"

³² Then King David said, "Summon Zadok the priest, Nathan the prophet, and Benaiah." So someone went and summoned them. When they came in, ³³ he said to them, "Put my son Solomon on my mule. Take him with my officials down to Gihon Spring. ³⁴ There, you two, Zadok and Nathan, should anoint him, *with olive oil to appoint him to be the king of Israel*. Then you must blow trumpets, and *all the people there must shout*, 'We hope/desire that King Solomon will live for many years!' ³⁵ Then follow him back here, and he will come and sit on my throne. He will then become king instead of me. I have appointed him to be the ruler of *all the people of Israel and of Judah.*"

³⁶ Benaiah replied, "We will do that! We hope/wish that Yahweh, who is your God *and our God*, will cause it to happen! ³⁷ King David, Yahweh has helped you; we hope/wish that he will also help Solomon and enable him to become a greater king than you have been."

³⁸ So Zadok, Nathan, Benaiah, and the two groups of men who were the king's bodyguards went and put Solomon on King David's mule and escorted him down to Gihon Spring. ³⁹ There Zadok took the container of olive oil from the Sacred Tent and *anointed/poured some oil on* Solomon. Then the trumpets were blown, and all the people shouted, "We hope/wish that King Solomon will live for many years!" ⁴⁰ Then all the people followed him back up *to the city*, shouting joyfully and playing flutes. They shouted very loudly, with the result that the ground shook.

Adonijah's reaction

⁴¹ When Adonijah and all *his guests/the people whom he had invited* were finishing eating at their celebration, they heard the noise. When Joab heard the sound of the trumpets, he asked, "What is causing all that noise in the city?"

⁴² While he was still speaking, Jonathan, the son of Abiathar the priest, arrived. Adonijah said, "Come in! You are a man whom we can trust, so you must be bringing us good news!"

⁴³ Jonathan replied, "No, *I do not have good news!* His Majesty, King David, has caused Solomon to be the king! ⁴⁴ He sent Zadok, Nathan, Benaiah, and his own group of bodyguards to go with Solomon. They put Solomon on King David's mule. ⁴⁵ They went down to Gihon Spring, and there Zadok and Nathan anointed him to become the king. Now they have returned from there to the city, shouting joyfully. That is why there is that great/loud noise that you are hearing. ⁴⁶ So Solomon is now our king [MTY]. ⁴⁷ Furthermore, the palace officials came to His Majesty, King David, to tell him that they approved of what he had done. They said, 'We wish/hope that our God will enable Solomon [MTY] to become more famous than you have been and enable him to be a better king than you have been.' When they said that, the king, lying on his bed, bowed his head to worship *Yahweh*. ⁴⁸ Then he said, 'I praise Yahweh, the God whom we Israelis *worship*, because he has allowed one of my sons to become the king today, and has permitted me to see it happen.'"

⁴⁹ Then all of Adonijah's guests *trembled/were afraid*, so they all immediately got up and left and scattered. ⁵⁰ Adonijah was afraid of what Solomon would do, so he went to the Sacred Tent and grabbed the projections at the corners of the altar, *because he knew that no one would kill him there*. ⁵¹ But someone told Solomon, "Hey/Listen, Adonijah is afraid of you, so he has gone to the Sacred Tent and is holding on to the corners of the altar. He is saying, '*Before I leave, I want King Solomon to solemnly promise that he will not command that I be executed.*'"

⁵² Solomon replied, "If he proves that he is loyal to me, I will not harm him at all [IDM]. But if he does anything that is wrong, he will be executed." ⁵³ So King Solomon sent *some men to Adonijah*, and they brought him back from the altar. He came to Solomon and bowed down in front of him. Then Solomon said to him, "Go home."

David's final instructions before he died

2 When David *knew that* he was about to die, he gave these final instructions to his son Solomon: ² "I am about to die [EUP], like everyone else on earth does. Be courageous and conduct yourself as an adult should. ³ Do what Yahweh our God tells you to do. Conduct yourself as he wants you to do. Obey all of his laws and commands and precepts and instructions that are written in the laws that Moses gave us. Do this in order that you will prosper in all that you do and wherever you go. ⁴ If you continually do that, Yahweh will do what he promised me: He said, 'If your descendants do what I tell them to do, and faithfully obey my commands with all their inner beings, they will always be [LIT] the ones who will rule [MTY] Israel.'

⁵ There is something else *that I want you to do*. You know what Joab did to me. He killed my two army commanders, Abner and Amasa. He murdered them violently [MTY] during a time of peace, pretending that

it was a time of war. Those two men \diamond were innocent/had not done what was wrong \diamond . But Joab *killed them and* caused their blood to stain his belt and his sandals. ⁶ Because you are wise, do to him what you think is best *for you to do*, but do not allow him to become old [MTY] and then die [IDM] peacefully.

⁷ But be kind to the sons of Barzillai, the man from the Gilead *region*, and be sure that they always have enough food to eat [MTY]. Do that because Barzillai helped me when I was running away from your older brother Absalom.

⁸ Also, *you remember* Gera's son Shimei from Bahurim *town* in the area where the descendants of Benjamin live. *You know what he did to me*. He cursed me terribly on the day I *left Jerusalem and* went to Mahanaim *town*. But when he later came down to see me at the Jordan *River*, I solemnly promised, while Yahweh listened [MTY], that I would not cause him to be executed. ⁹ But now you must [LIT] surely punish him. You are a wise man, so you will know what you should do to him. He is an old man [MTY], but be sure that he *loses/sheds* a lot of blood when you kill him [MTY]."

¹⁰ Then David died [EUP] and was buried in *that part of Jerusalem which was called* 'The City of David'.

¹¹ David had been the king of Israel for 40 years: He ruled for seven years in Hebron and for 33 years in Jerusalem. ¹² Solomon became the ruler/king [MTY] to take the place of his father David and took control of all of the kingdom.

Solomon had Adonijah killed

¹³ *One day* Adonijah came to Solomon's mother Bathsheba. She said to him, "Have you come because you want things to go well?" He replied, "Yes."

¹⁴ But then he said, "I have something to ask you to do." She said, "Tell me *what you want me to do*."

¹⁵ He said, "You know that all the Israeli people expected me to be their king *because I am David's oldest surviving son*. But that did not happen. Instead, my *younger* brother became king, because that is what Yahweh wanted. ¹⁶ Now I have one thing that I ask you to do. Please do not refuse to do it." She replied, "Tell me *what you want me to do*."

¹⁷ He said, "Please ask King Solomon to give to me Abishag, the woman from Shunem *town*, to be my wife. *I am sure that* he will not refuse."

¹⁸ Bathsheba replied, "Okay, I will speak to the king for you."

¹⁹ So Bathsheba went to King Solomon, to tell him what Adonijah wanted. The king got up *from his throne* and went to greet her and bowed down to her. Then he sat on his throne again and asked someone to bring a chair for her. So she sat down at the king's right side.

²⁰ Then she said, "I have one small thing which I want you to do; please do not say that you will not do it." The king replied, "Mother, what do you want? I will not refuse you."

²¹ She said, "Allow Abishag to be given to your *older* brother Adonijah to be his wife."

²² The king replied *angrily*, "What? Are you requesting me to give Abishag to Adonijah? Does *he want me* to allow him to rule the kingdom, too? Because he is my older brother, *does he think that he should be the king?* Does he think that Abiathar should be the priest *instead of Zadok*, and that Joab *should be the army commander instead of Benaiah* because they supported him *when he tried to become the king?*"

²³ Then Solomon solemnly promised, requesting Yahweh to listen, "I wish God would strike me and kill me if I do not cause Adonijah to be executed for requesting this! ²⁴ Yahweh has appointed me to be the king and placed me here to rule [MTY] as my father David did. He has promised that my descendants [MTY] will be the kings of Israel. So just as surely as Yahweh lives, I solemnly promise that Adonijah will be executed today!" ²⁵ So King Solomon gave orders to Benaiah *to go and* kill Adonijah, and Benaiah did that.

²⁶ Then Solomon said to Abiathar the priest, "Go to Anathoth *town*, to your land there. You deserve to be killed, but I will not execute you now, because you were the one who *supervised the men who* carried Yahweh's Sacred Chest for David my father, and you endured all the troubles that my father endured."

²⁷ So Solomon dismissed Abiathar from being the priest of Yahweh. By doing that he caused to happen what Yahweh had said *many years previously* at Shiloh, *that some day he would get rid of the descendants* [MTY] of Eli.

²⁸ Joab had not supported Absalom *when he tried to become the king*, but he had supported Adonijah. So when Joab heard what had happened, he ran to the Sacred Tent, and he grasped the projections on the corners of the altar, *because he knew that no one would kill him there*. ²⁹ When someone told Solomon that Joab had run to the Sacred Tent and was standing alongside the altar, Solomon told Benaiah, "Go and execute Joab."

³⁰ So Benaiah went to the Sacred Tent and said to Joab, "The king commands you to come out!" But Joab replied, "No, I will die here." So Benaiah went back to the king and reported *what he had said to Joab, and* what Joab had replied.

³¹ The king replied to him, "Do what he has requested. Kill him and bury his body. If you do that, my descendants [MTY] and I will no longer be punished for what Joab did when he killed [MTY] two men who \diamond were innocent/had not done anything that is wrong \diamond . ³² But Yahweh will punish [MTY] Joab for attacking and killing Abner, the commander of the army of Israel, and Amasa, the commander of the army of Judah, two men who were more righteous and better [DOU] men than he is. My father David did not even know that Joab *was planning to murder them*. ³³ Joab and his descendants will be punished [IDM] forever for his murdering Abner and Amasa. But things will forev-

er go well for David's descendants [MTY] who rule [MTY] as King David did."

³⁴ So Benaiah went into *the Sacred Tent* and killed Joab. Joab was buried on his property in the desert *part of Judah*. ³⁵ Then the king appointed Benaiah to be the commander of the army instead of Joab, and he appointed Zadok to be the priest instead of Abiathar.

³⁶ Then the king sent a *messenger* to summon Shimei, and the king said to him, "Build a house for yourself here in Jerusalem. Remain there and do not leave the city to go anywhere. ³⁷ Be sure that the day that you leave Jerusalem and go across the Kidron Brook, you will be executed, and it will be \diamond your own fault/what you deserve \diamond ."

³⁸ Shimei replied, "Your Majesty, what you say is good. I will do what you have said." So Shimei remained in Jerusalem for several years.

³⁹ But three years later, two of Shimei's slaves ran away. They went to stay with Maacah's son Achish, the king of Gath *city*. When someone told Shimei that they were in Gath, ⁴⁰ he put a saddle on his donkey and *got on it and* went to Gath. He found his slaves staying with King Achish and brought them back home.

⁴¹ But someone told King Solomon that Shimei had gone from Jerusalem to Gath and had returned. ⁴² So the king sent a *soldier* to summon Shimei and said to him, "I told you to solemnly promise, knowing that Yahweh [MTY] was listening, that you must not leave Jerusalem. I told you [RHQ], 'Be sure that if you ever leave Jerusalem, you will be executed.' And you replied [RHQ] to me, 'What you have said is good; I will do what you have said.' ⁴³ So why did you not do what you solemnly promised to Yahweh? Why did you disobey what I commanded you?"

⁴⁴ The king also said to Shimei, "You know all the evil things that you did to my father David. So Yahweh will now punish you for the evil things that you did. ⁴⁵ But Yahweh will bless me, and he will enable David's descendants [MTY] to rule forever."

⁴⁶ Then the king gave an order to Benaiah, and he went and killed Shimei.

So Solomon was completely in control of the kingdom.

Solomon requested wisdom

3 Solomon went to see the king of Egypt. Solomon *made an agreement with him* to marry his daughter. They also made an alliance/agreement *that their armies would not attack each other*. Then Solomon brought the king's daughter to live in *the part of Jerusalem called 'The City of David'*. *She lived there* until Solomon's workers had finished building his house and the temple of Yahweh and the wall around Jerusalem. ² *At that time* the temple of Yahweh had not yet been built, so the Israeli people were still offering sacrifices at many other places of worship. ³ Solomon loved Yahweh, and he obeyed all the instructions that his father David had given him. But he

also offered sacrifices and burned incense at various altars.

⁴ One day the king went to Gibeon *city* to offer a sacrifice there, because that was where the most famous/important altar was. In previous years he had offered hundreds of sacrifices on that altar. ⁵ That night, Yahweh appeared to him in a dream. He asked Solomon, "What would you like me to give to you?"

⁶ Solomon replied, "You always greatly and faithfully loved my father David, who served you *well*. You did that because he \diamond was faithful to/faithfully obeyed \diamond you and acted righteously and honestly toward you. And you have showed how greatly and faithfully you loved him by giving to him me, his son, and now I am ruling [MTY] as he did *before he died*."

⁷ Now, Yahweh my God, you have appointed me to be the king like my father was. But I am *very young, like a little child* [MET]. I do not know how to lead/rule my people at all [IDM]. ⁸ I am here among the people whom you have chosen. They are a very large group of people; there are very, very many of them, with the result that no one can count them [DOU]. ⁹ So please enable me to think clearly, in order that I may rule your people *well*. Enable me to know what is good and what is evil. *If you do not do that*, I will never [RHQ] be able to rule this great group of people who belong to you."

¹⁰ Yahweh was very pleased that Solomon had requested that. ¹¹ God said to him, "You did not request that you live for many years or that you become very rich or that you be able to kill all your enemies. Instead, you have requested that I enable you to be wise, in order that you will be able to know *and to do* what is right *while you govern these people*. ¹² So, I will certainly do what you requested. I will enable you to be very wise [DOU]. The result will be that no one who has lived before you or who will live after you will be as *wise as* you are. ¹³ I will also give you things that you did not request: I will enable you to become very rich and honored, as long as you live. You will be richer and more honored than any other king. ¹⁴ If you conduct your life [IDM] as I want you to, and if you obey all my laws and commandments, as your father David did, I will enable you to live for many years."

¹⁵ Then Solomon awoke, and he realized that *God had spoken to him in a dream*. Then he went to Jerusalem and stood in front of *the Sacred Tent where the Sacred Chest was*, and he offered many sacrifices that were completely burned *on the altar* and offerings to maintain fellowship with Yahweh. Then he made a feast for all his officials.

Solomon made a very wise decision concerning two women

¹⁶ One day two prostitutes came and stood in front of King Solomon. ¹⁷ One of them said, "Your Majesty, this woman and I live in the same house. I gave birth to a baby while she was there in the house. ¹⁸ Three

days after my baby was born, this woman also gave birth to a baby. Only the two of us were in the house; there was no one else there.

¹⁹ But one night this woman's baby died because she *accidentally* rolled on top of her baby *while sleeping and smothered it*. ²⁰ So she got up at midnight and took my baby boy who was lying beside me while I was sleeping. She carried him to her bed and brought her dead baby and put it in my bed. ²¹ When I awoke the next morning and was ready to nurse my baby, I saw that it was dead. But when I looked at it closely in the morning light, I saw that it was not my baby!"

²² But the other woman said, "That is not true! The baby that is alive is mine, and the baby that is dead is yours!" Then the first woman said, "No, the dead baby is yours, and the one that is alive is mine!" And they continued to argue in front of the king.

²³ Then the king said, "Both of you are saying, 'My baby is the one that is alive and the one that is dead is yours.'" ²⁴ So he said to one of his servants, "Bring me a sword." So the servant brought a sword to the king. ²⁵ Then the king said to the servant, "Cut the baby that is alive into two parts. Give one part to each of the women."

²⁶ But the woman whose baby was alive loved her baby very much, so she said to the king, "No, Your Majesty! Do not allow him to kill the baby! Give her the child that is alive!" But the other woman said to the king, "No, cut it in half. Then it will not be her baby or my baby."

²⁷ Then the king said to the servant, "Do not kill the baby. Give the baby to the woman who said 'Do not cut the baby in half,' because she is truly the baby's mother."

²⁸ All the Israeli people heard about what the king had decided, and they revered him. They realized that God had truly enabled him to be very wise, to judge people's matters fairly.

Solomon's governors and officials

4 Solomon was the king who ruled all of Israel, ² and these were his most important officials:

Zadok's son Azariah was the priest.

³ Shisha's sons Elihoreph and Ahijah were the *official* secretaries.

Ahilud's son Jehoshaphat was the one who announced to the people the king's decisions.

⁴ Benaiah was the commander of the army.

Zadok and Abiathar were also priests.

⁵ Nathan's son Azariah was the administrator of the governors.

Another of Nathan's sons, Zabud, was a priest and the king's chief advisor.

⁶ Ahishar supervised the servants who worked in the palace.

Abda's son Adoniram supervised the men who were forced to do work *for the government*.

⁷ Solomon appointed twelve men, one to govern *each of the regions in Israel*. They also were required to provide food for the king and all the others who lived and worked in the palace. Each man was required to provide from his own region the food for one month each year. ⁸ Their names were:

Ben-Hur, for the hilly area of the tribe of Ephraim.

⁹ Ben-Deker, for Makaz, Shaalbim, Beth-Shemesh, and Elon-Bethhanan *cities*;

¹⁰ Ben-Hesed, for Arubboth and Socoh *towns* and the area near Hephher *town*;

¹¹ Ben-Abinadab, who was married to Solomon's daughter Taphath, for all the Dor *district*;

¹² Ahilud's son Baana, for Taanach and Megiddo *towns*, and all the region near Zarethan *city*, and from Beth-Shan *city* south of Jezreel as far as Abel-Meholah *town* and Jokmeam *city*;

¹³ Ben-Geber, for Ramoth *city* in the Gilead *region*, and for the villages in Gilead that belonged to Jair, who was a descendant of Manasseh, and the Argob area in the Bashan *region*. There were 60 large towns in that region altogether, each town with a wall around it and bronze bars across the gates.

¹⁴ Iddo's son Ahinadab, for Mahanaim *city east of the Jordan River*;

¹⁵ Ahimaaz, who had married Solomon's daughter Basemath, for *the territory of the tribe of Naphtali*;

¹⁶ Hushai's son Baana, for *the territory of the tribe of Asher* and for Aloth *town*;

¹⁷ Paruah's son Jehoshaphat, for *the territory of the tribe of Issachar*;

¹⁸ Ela's son Shimei, for *the territory of the tribe of Benjamin*;

¹⁹ Uri's son Geber, for the Gilead *region*, the land that Sihon the king of the Amor people-group *formerly ruled*, and the Bashan *area*, which was the area that Og *formerly ruled*.

In addition to all those, Solomon appointed one governor for the *territory of the tribe of Judah*.

Solomon's kingdom

²⁰ There were as many people in Judah and Israel as there are grains of sand [HYP] on the seashore. They *had plenty to eat and drink* and they were happy.

²¹ Solomon's kingdom extended from the Euphrates *River in the northeast* to the Philistia *area in the west* and to the border of Egypt *in the south*. The *conquered* people in those areas paid taxes and were under Solomon's control for the rest of his life.

²² *To feed the people in his palace and his guests* Solomon needed people to bring to him every day 150 bushels of fine flour and 300 bushels of wheat, ²³ ten cattle that were kept in stalls/barns, 20 cattle that were kept in pastures, 100 sheep, and ♦deer and

gazelles and roebucks/three kinds of deer◇, and poultry. ²⁴ Solomon ruled over all the area west of the Euphrates River, from Tiphseh city in the northeast to Gaza city in the southwest. He ruled over all the kings in that area. And there was peace between his government and the governments of nearby countries. ²⁵ All during the years that Solomon ruled, the people of Judah and Israel lived safely. Each family had its own grapevines and fig trees.

²⁶ Solomon had 4,000 stalls for the horses that pulled his chariots and 12,000 men who rode on horses (OR, in the chariots).

²⁷ His twelve governors supplied the food that King Solomon needed for himself and for all those who ate in the palace. Each governor supplied food for one month each year. They provided everything [LIT] that Solomon required. ²⁸ They also brought stalks of barley and wheat for the fast horses that pulled the chariots and for the other work horses. They brought it to the places where the horses were kept.

Solomon's wisdom

²⁹ God enabled Solomon to be extremely wise and to have great insight/understanding. He understood about more things than the number of grains of sand on the seashore [HYP]. ³⁰ He was wiser than all the wise men in Arabia and Mesopotamia and all the wise men in Egypt. ³¹ Ethan from Ezrah and Heman and Calcol and Darda and the sons of Mahol were considered to be very wise, but Solomon was wiser than all of them. People in all the nearby countries heard about Solomon. ³² He composed/wrote 3,000 ◇proverbs/wise sayings◇ and more than 1,000 songs. ³³ He talked about various kinds of plants, from the huge cedar trees in Lebanon to the tiny hyssop plants that grow in cracks in walls. He also talked about wild animals and birds and reptiles and fish. ³⁴ People came from all over the world to hear the wise things that Solomon said. Many kings sent men to listen to him and then return and tell them what Solomon said.

Preparations for building the temple

⁵ Hiram, the king of Tyre city, had always been a close friend of King David. When he heard that Solomon had been appointed to become the king after his father was no longer king, he sent some messengers to Solomon to congratulate him. ² Solomon gave those messengers this message to take back to Hiram:

³ "You know that my father David led his soldiers to fight many wars against his enemies in the nearby countries. So he could not arrange to build a temple in which we [MTY] could worship Yahweh our God, until after Yahweh enabled the Israeli army to defeat [IDM] all his enemies. ⁴ But now Yahweh our God has enabled us to have peace with all the surrounding countries. ◇There is no danger

that/We do not need to worry that◇ we will be attacked. ⁵ Yahweh promised my father David, 'Your son, whom I will enable to be king after you are no longer king, will build a temple for me [MTY].' Because of that, I have decided to build a temple in which we can worship [MTY] Yahweh our God.

⁶ So I am requesting that you command your workers to cut cedar trees for me. My men will work with them, and I will pay your workers whatever you decide. But my men cannot do the work alone, because they do not know how to cut down trees like your workers from Sidon city do."

⁷ When Hiram heard the message from Solomon, he was very happy and said, "I praise Yahweh today for giving David a very wise son to rule that great nation!"

⁸ He sent this message back to Solomon: "I have heard the message that you sent to me, and I am ready to do what you ask. I will provide cedar and cypress logs. ⁹ My workers will bring the logs down from the Lebanon mountains to the Mediterranean sea. Then they will tie them together to make rafts to float them in the water along the coast to the place that you indicate. Then my workers will untie the logs, and your workers will take them from there. What I want you to do is to supply food for the people who work in my palace."

¹⁰ So Hiram arranged for his workers to supply all the cedar and cypress logs that Solomon wanted. ¹¹ Each year Solomon gave Hiram 100,000 bushels of wheat and 110,000 gallons of pure olive oil to feed the people who worked in his palace. ¹² Yahweh enabled Solomon to be wise, just like he had promised. Solomon and Hiram made a treaty/agreement that there would be peace between their two governments/countries.

¹³ King Solomon forced 30,000 men from all over Israel to become his workers. ¹⁴ Adoniram was their boss. Solomon divided the men into three groups. Each month 10,000 of them went to Lebanon and worked for a month there, and then they came back home for two months. ¹⁵ Solomon also forced 80,000 men to cut stones in the hilly area and 70,000 men to haul the stones to Jerusalem. ¹⁶ And he also assigned 3,600 men to supervise their work. ¹⁷ The king also commanded his workers to cut huge blocks of stones from the quarries and to smooth the sides of the stones. Those huge stones were for the foundation of the temple. ¹⁸ Solomon's workers and Hiram's workers and men from Gebal/Byblos city shaped the stones and prepared the timber to build the temple.

Solomon's men built the temple

⁶ 480 years after the Israeli people left Egypt, during the fourth year that Solomon ruled Israel, early in May, Solomon's workers began to build the temple.

² Inside, the main part of the temple was 90 feet long, 30 feet wide, and 45 feet high. ³ The entrance

room was 15 feet long and 30 feet wide, just as wide as the main part of the temple. ⁴ There were windows in *the walls* of the temple. The windows were narrower on the outside than on the inside. ⁵ Against the two sides and against the back of the temple walls, they built a structure/building that had rooms in it. *This structure had three levels/stories and each was 7-1/2 feet high.* ⁶ *Each room in the lowest level/story was 7-1/2 feet wide. Each room in the middle level/story was nine feet wide. The rooms in the top level/story were 10-1/2 feet wide. The wall of the temple at the top level/story was thinner than the wall at the middle level/story, and the wall of the middle level/story was thinner than the wall at the bottom level/story. The result was that the rooms could be supported by the wall underneath them, and did not require wooden beams to support them.*

⁷ The huge stones for the *foundation* of the temple were cut and shaped at the quarry *to become very smooth.* The result was that while the workers were building the temple there was no noise, because they did not use hammers or chisels or any other iron tools there.

⁸ The entrance to the bottom level/story of *that attached structure* was on the south side of the temple. There were stairs from the bottom level/story to the middle and top level/story. ⁹ So Solomon's *workers* finished building the *framework* of the temple. They made the ceiling from cedar beams and boards. ¹⁰ They built the structure that had three levels/stories, that was against the walls of the temple. Each level/story was 7-1/2 feet high, and was joined to the temple with cedar beams.

¹¹ Then Yahweh said this to Solomon: ¹² *"I want to tell you about this temple that you are building. If you continually obey all my statutes and laws and commands, I will do for you what I promised to your father David. ¹³ I will live among the Israeli people, in this temple, and I will never abandon them."*

¹⁴ Solomon's *workers* finished building the temple. ¹⁵ On the inside, they lined/covered the walls with cedar boards. They lined/covered them from the floor to the ceiling. They made the floor from cypress boards. ¹⁶ Inside the back part of the temple they built an inner room, called the Very Holy Place. It was 30 feet long. All the walls of this room were lined with cedar boards. ¹⁷ In front of the Very Holy Place there was a room that was 60 feet long. ¹⁸ The cedar *boards on the walls* inside the temple were decorated with carvings of gourds and flowers. *The walls were completely covered with cedar boards, with the result that the stones of the walls behind them could not be seen.*

¹⁹ At the back of the temple they made the Very Holy Place, where the Sacred Chest would be put. ²⁰ That room was 30 feet long, 30 feet wide, and 30 feet high. They covered the walls with *very thin sheets* of pure gold. *For burning incense* they also made an altar of cedar *boards.* ²¹ Solomon told them to cover the other

walls inside the temple with *very thin sheets* of pure gold and to fasten gold chains across the entrance to the Very Holy Place. ²² They covered all the walls of the temple and the altar that was outside the Very Holy Place with *very thin sheets* of gold.

²³ Inside the Very Holy Place, they made from olive tree wood *large statues* of two creatures with wings. Each one was 15 feet tall. ²⁴⁻²⁶ They each were the same size and had the same shape. They each had two wings *which were spread out.* Each wing was 7-1/2 feet long, with the result that the distance between the outer ends of the two wings was 15 feet. ²⁷ They put those statues next to each other in the Very Holy Place so that the wing of the one touched the one wing of the other in the center of the room, and the outer wings touched the walls. ²⁸ They covered the statues with *very thin sheets* of gold.

²⁹ *Solomon told them* to decorate the walls of the main room and the Very Holy Place by carving representations of winged creatures and palm trees and flowers. ³⁰ They also covered the floor of both rooms with *very thin sheets* of gold.

³¹ They made a set of doors from olive tree wood, and placed them at the entrance to the Very Holy Place. The doorposts joined at the top to form a pointed arch. ³² The doors were decorated by carving on them representations of winged creatures, palm trees, and flowers. All of these things were covered with *very thin sheets* of gold. ³³ They made a rectangular door frame from olive tree wood, and put it *between the entrance room and the main room.* ³⁴ They made two folding doors from cypress wood *and fastened them to the door frame.* ³⁵ The doors were also decorated with wood carvings of winged creatures, palm trees, and flowers, and they were also covered evenly with *very thin sheets* of gold.

³⁶ They built a courtyard in front of the temple. The walls around the courtyard were made of cedar and stone; to make the walls, between each layer of cedar beams they put down two layers of stone.

³⁷ They laid the foundation of the temple of Yahweh in early May, in the fourth year *that Solomon ruled.* ³⁸ In the eleventh year *that he ruled,* in the middle of October, they finished building the temple and all of its parts, doing exactly what Solomon told them to do. It required seven years to build it.

They built a palace for Solomon

⁷ They also built a palace for Solomon, but it required 13 years to build it. ² One of the buildings they constructed was a large *ceremonial hall.* It was called the Hall of the Forest of Lebanon. It was 150 feet long, 75 feet wide, and 45 feet high. It was *supported/held up* by four rows of pillars *of wood* from cedar trees. There were 15 pillars in each row. There were cedar beams across each row. ³ *To support the roof* there were cedar beams that connected the rows of pillars. ⁴ On each of the two side walls there were

three rows of windows. ⁵ All the windows and doorways had rectangular frames. The windows along the long wall on one side faced the windows on the other side.

⁶ They also built another building called the Hall of Pillars. It was 75 feet long and 45 feet wide. It had a covered porch *whose roof* was supported by pillars.

⁷ Then they made a building called the Hall of the Throne. It was also called the Hall of Judgment. That was where Solomon decided/judged concerning people's disputes. The walls were covered with cedar boards, from the floor to the rafters.

⁸ In the courtyard behind the Hall of Judgment they built a house for Solomon to live in that was made like the other buildings. They also built the same kind of house for his wife, who was the daughter of the king of Egypt.

⁹ All of those buildings and the walls around the palace courtyard were made from costly blocks of stone, from the foundations up to the eaves. The stones were cut *at the quarry*, according to the sizes that were needed, and the sides of the stones were shaped by cutting/smoothing them with saws. ¹⁰ The foundations were also made from huge blocks of stone *that were prepared at the quarry*. Some of them were twelve feet long and some were fifteen feet long. ¹¹ On top of the foundation stones were other blocks of stone that were cut according to the sizes they needed, and cedar beams. ¹² The palace courtyard, the inner courtyard in front of the temple, and the entrance room of the temple had walls made by putting down three layers of cut stones between each layer of cedar beams.

Other things for the temple area

¹³⁻¹⁴ There was a man who lived in Tyre *city* whose name was Hiram. He knew how to make very nice things from bronze. His father had also lived in Tyre and had also been very skilled at making things from bronze, but Hiram's father was no longer living. His mother was from the tribe of Naphtali. Hiram was very wise and intelligent and was very skilled at making things from bronze. Solomon invited him to come *to Jerusalem and supervise* all the work of making things from bronze, and Hiram agreed.

¹⁵ He made two bronze pillars. Each one was 27 feet tall and 18 feet around. Each was hollow, and the walls of the pillars were 3 in./7.4 cm. thick. ¹⁶ He also made two bronze caps to be put on top of the pillars. Each cap was 7-1/2 feet tall. ¹⁷ Then he made bronze wreaths of chains to decorate the top part of each pillar. ¹⁸ He also made bronze *figures that resembled* pomegranates. He put two rows of pomegranates over the top parts of each pillar. ¹⁹ The top part over each pillar was shaped like a lily. Each *lily leaf* was six feet tall. ²⁰ These top parts were placed on a bowl-shaped section around which was draped the wreaths of chains. He made 200 *figures that represented*

pomegranates and put them in two rows around the top/head of each pillar. ²¹ His *helpers* set up the pillars in front of the entrance of the temple. The pillar on the south side was named Jakin, and the pillar on the north side was named Boaz. ²² The bronze top parts that were shaped like lilies were placed on top of the pillars.

So Hiram and his helpers finished making the bronze pillars.

²³ Hiram also constructed a very large round bronze tank that was made of metal and cast *in a clay mold*. It was 7-1/2 ft./2.3 meters high, 30 feet/9 meters across/wide, and 45 feet/13.5 meters around it. ²⁴ Around the outer edge of the rim of the tank were two rows of gourds that were made of bronze. But the gourds *were not cast separately; they were cast in the same mold as the rest of the tank*. For each foot of length around the rim of the tank there were six *figures of gourds*.

²⁵ Hiram *also cast twelve bronze statues of oxen*. He placed them to face outward. He placed three of them to face north, three to face west, three to face south, and three to face east. His helpers put the bronze tank on the backs of *the statues of the oxen*. ²⁶ The sides of *the tank* were 3 in./8 cm. thick. The rim was like the rim of a cup. It *curved outward*, like the petals of a lily. *When the tank was full*, it held about 10,000 gallons of water.

²⁷ Hiram also made ten bronze carts. Each was six feet long and six feet wide and 4-1/2 feet tall. ²⁸ *On the sides of the carts* there were panels which were set in frames. ²⁹ On those panels were *bronze figures of lions, bulls, and winged creatures*. Below and above the lions and bulls there were decorations of bronze wreaths. ³⁰ Each cart had four bronze wheels and two axles made of bronze. At the top corners of each cart were bronze supports to hold up a basin. On these supports were also decorations of bronze wreaths.

³¹ On top of each cart, *under each basin*, was a frame *that resembled* a circular collar. The top of each circular frame was 18 inches above the top of the cart, and the bottom of it was nine inches below the top of the cart. There were also decorations of bronze wreaths on the frame engraved within square panels. ³² The wheels were 27 inches high. They were below the panels. The wheels were connected to axles that had been cast in the same mold as the rest of the cart. ³³ The wheels of the carts were like the wheels of chariots. The axles, the rims, the spokes, and the hubs were all cast *from bronze*.

³⁴ At the top corners of each cart there were handles. These were cast in the same mold as the rest of the cart. ³⁵ There was a nine-inch bronze band around the top of each cart. There were braces attached to the corners of each cart. The bands and the braces were cast in the same mold as the rest of the cart. ³⁶ The braces and the panels *on the sides of the carts* were also decorated with *figures of winged creatures*,

lions, and palm trees, whenever there was space for them, and there were bronze wreaths all around them.

³⁷ That is how Hiram made the ten carts. They were all cast in the same mold, so they were all alike. They all were the same size and had the same shape.

³⁸ Hiram also made ten bronze basins, one for each cart. Each basin was six feet across and held 200 gallons of water. ³⁹ Hiram placed five of the carts on the south side of the temple and five on the north side. He put the big tank at the southeast corner. ⁴⁰ Hiram also made pots, shovels for carrying ashes, and bowls for carrying the blood of the animals that would be sacrificed. He completed all the work that King Solomon requested him to do for the temple. *This is a list of the bronze things he made:*

⁴¹ the two pillars;

the two top parts to be put over the pillars;
the two wreaths of chains to decorate the tops of the pillars;

⁴² the 400 figures of pomegranates, in two rows, with 100 in each row, that were placed over the top parts of the pillars;

⁴³ the ten carts;

the ten basins;

⁴⁴ the big tank;

the twelve statues of oxen on whose backs the tank was placed;

⁴⁵ the pots, shovels for the ashes of the altar, and bowls.

Hiram and his workers made all these things for King Solomon and put them outside the temple. They were all made of polished bronze.

⁴⁶ They made them by pouring melted bronze into the clay molds that Hiram had set up near the Jordan River Valley, between the cities of Succoth and Zarethan.

⁴⁷ Solomon did not tell his workers to weigh those bronze objects, because there were many items. So no one ever knew what they weighed.

⁴⁸ Solomon's workers also made all the gold items for the temple:

the altar;

the table on which the priests put the sacred bread placed before God;

⁴⁹ the ten lampstands that were put in front of the Very Holy Place, five on the south side and five on the north side;

the decorations that resembled flowers;

the lamps;

the tongs to grasp the hot coals;

⁵⁰ the cups, the gold lamp wick snuffers, the small lamp bowls, the dishes for incense, the pans for carrying the hot coals, and the hinges for the doors at the entrance to the Very Holy Place and for the doors at the entrance to the main room of the temple.

Those things were all made of gold.

⁵¹ So Solomon's workers finished all the work for the temple. Then they placed in the temple storerooms all the things that his father David had dedicated to Yahweh—all the silver and gold, and the other valuable items.

The sacred chest was brought to the temple

⁸ Solomon then summoned to Jerusalem all the elders of Israel, all the leaders of the tribes, and the leaders of the clans. He wanted them to join in bringing Yahweh's Sacred Chest from Zion Hill to the temple, where it was in the part of the city called 'The City of David'. ² So all the Israeli leaders came to King Solomon during the Festival of Living in Temporary Shelters, in October.

³ When they had all arrived, the priests lifted up the Sacred Chest ⁴ and brought it to the temple. The descendants of Levi who assisted the priests helped them to carry to the temple the Sacred Tent and all the sacred things that had been in the tent. ⁵ Then King Solomon and many of the Israeli people who had gathered in front of Yahweh's Sacred Chest sacrificed a huge amount of sheep and oxen. No one was able to count the sacrifices because there were so many.

⁶ The the priests then brought the Sacred Chest into the Very Holy Place in the temple, and they placed it under the wings of the statues of the winged creatures. ⁷ The wings of those statues spread out over the Sacred Chest and over the poles by which it was carried. ⁸ The poles were so long that the ends of the poles could be seen by people who were standing at the entrance to the Most Holy Place, but they could not be seen by people standing outside the temple. Those poles are still there. ⁹ The only things that were in the Sacred Chest were the two stone tablets that Moses had put there at Sinai Mountain, where Yahweh made an agreement with the people after they left Egypt.

¹⁰ When the priests came out of the temple, suddenly it was filled with a cloud. ¹¹ It was the glory/radiance of Yahweh that filled the temple, with the result that the priests were not able to continue their work.

¹² Then Solomon prayed this:

"Yahweh, you have placed the sun in the sky, but you have decided that you would live in very dark clouds.

¹³ I have built for you a magnificent temple, a place for you to live in forever."

¹⁴ Then, while all the people stood there, the king turned around and faced them, and he asked God to bless them. ¹⁵ He said, "Praise Yahweh, the God whom we Israelis belong! By his own power he has done what he promised to give to my father David. What he promised was this:

¹⁶ From the time that I brought my people out of Egypt, I have never chosen any city in Israel in

which a temple should be built for my people to worship me there. But I chose you, David, to rule my people."

¹⁷ Then Solomon said, "My father David wanted to build a temple in order that we Israeli people could worship Yahweh our God there. ¹⁸ But Yahweh said to him, 'You have wanted to build a temple for me, and what you wanted to do was good. ¹⁹ However, you are not the one *who I want* to build it. It is one of your sons, *who I want* to build a temple for me.'

²⁰ And now Yahweh has done what he promised to do. I have become the king of Israel to succeed my father, and I am ruling my people, like Yahweh promised. I have *arranged* for this temple to be built for us Israelis to worship Yahweh, the God, to whom we Israelis belong. ²¹ I have also provided a place *in the temple* for the Sacred Chest in which are the two stone tablets *on which are engraved the Ten Commandments* of the agreement that Yahweh made with our ancestors when he brought them out of Egypt."

Solomon's prayer

²² Then Solomon stood in front of the altar which was facing the Israeli people who had gathered there. He spread out his arms toward heaven, ²³ and he prayed,

"Yahweh, the God whom we Israeli people *belong to/worship*, there is no god like you up in heaven or down here on the earth. You solemnly promised that you would faithfully love us. And that is what you have done for us who earnestly do what you want us to do.

²⁴ You have done the things that you promised my father David, who served you *very well*, that you would do. Truly, you promised to do these things for him, and today we see that by your power you have done them.

²⁵ So now, Yahweh, the God whom we Israelis *belong to/worship*, please do the things that you promised my father that you would do. You told him that there would always be some of his descendants who would rule Israel, if they would conduct their lives as he did. ²⁶ So now, God of us Israeli people, cause what you promised to do for my father David, who served you *well*, to happen.

²⁷ But God, you cannot really live on the earth. There is surely not enough space for you in the sky, or even in the heaven. So there is surely not enough space for you to live in this temple that my workers have built. ²⁸ But Yahweh, my God, please listen to me while I am praying to you this day, ²⁹ Please keep protecting this temple night and day. This is the place about which you have said, 'I will always be there.' I request that you listen to me whenever I turn toward this temple and pray. ³⁰ I request that when I pray to you and your people pray to you while they turn toward this place, that in your home

in heaven you will hear us and forgive us *for the sins that we have committed*.

³¹ If someone is accused of doing something wrong to another person, and they bring him to your altar outside this holy temple, and if he says, 'I did not do that; may God punish me if I am not telling the truth,' ³² then you listen from heaven, and decide who is telling the truth. Then punish the person who is guilty as he deserves to be punished, and declare that the other person is innocent.

³³ And when your Israeli people are defeated by their enemies *in a battle* because they have sinned against you, *and if they are forced to go to some distant country*, if they turn away from their sinful behavior and turn toward this temple and admit that you *have justly punished them*, and if they plead *that you will forgive them*, ³⁴ listen to them from heaven, and forgive your Israeli people for the sins that they *have committed*, and bring them back to this land that you gave to our ancestors.

³⁵ And when you do not allow any rain to fall on the land because your people have sinned against you, if they turn toward this temple and admit that you *have justly punished them*, if they turn away from their sinful behavior and *humbly* pray to you, ³⁶ listen to them from heaven, and forgive your Israeli people for the sins *that they have committed*. Teach them the right way to conduct their lives. Then send rain on this land that you have given to your people to belong to them *permanently*.

³⁷ And when the people of this land experience famines, or if there is a plague/illness that causes many people to become sick, or if *their crops are destroyed* by very hot winds or by mildew or by locusts or grasshoppers, or when their enemies surround any of their cities *in order to attack them*, if any of those bad things happen to them, ³⁸ when your Israeli people earnestly plead with you knowing that they are suffering *because they have sinned*, and if they stretch out their arms toward this temple and pray, ³⁹ listen to them from your home in heaven, and forgive them, and help them. You are the only one who knows what people are thinking, so act toward everyone as they deserve, ⁴⁰ in order that your people may then have an awesome respect for you, all the years that they live in this land that you gave to our ancestors.

⁴¹⁻⁴² There will be some foreigners who do not belong to your Israeli people who have come here from countries far away because they have heard that you are very great and that you perform great miracles. If they come here to this temple to worship you and pray, ⁴³ in your home in heaven, listen to their prayers, and do for them what they request you to do. Do that so that all the people-groups in the world will know about you and revere you, like we your Israeli people do. And then they will know

that this temple that I have *caused to be* built to honor you, *is where you should be worshiped*.

⁴⁴ And if you send your people to go to fight against their enemies, if they pray to you, wherever they are, if they turn toward this city that you have chosen and toward this temple that I have caused to be built for you, ⁴⁵ listen in heaven to their prayers; listen to what they plead for you to do, and assist them.

⁴⁶ *It is true that everyone sins*. So, if your people sin against you, and you become angry with them, you may allow their enemies to defeat them and capture them and take them away to their enemies' country, even to countries that are far away. ⁴⁷ If that happens, while they are in those countries to which they were forced to go, if they sincerely repent and plead with you there saying 'We have sinned and have done things that are very wicked,' ⁴⁸ if they very sincerely repent, and turn toward this land that you gave to our ancestors, and toward this city that you have chosen *to be the place where we should worship you*, and toward this temple that I have *caused to be* built for you, and if they pray, ⁴⁹ then from your home in heaven listen to them while they plead *for your help*, and assist them. ⁵⁰ Forgive them for all the sins that they *have committed* against you, and cause their enemies to be kind to them. ⁵¹ Do not forget that the Israelis are your people; they are your special possession; you brought *our ancestors* out of Egypt where *they were greatly suffering as though they were* in a blazing furnace.

⁵² I request that you always listen to your Israeli people and to me, their king, and heed their prayers whenever they call out to you *to help them*. ⁵³ You chose them from all the other people-groups in the world to belong to you, which is what you told Moses to tell them when you brought our ancestors out of Egypt."

⁵⁴ After Solomon had finished praying and pleading to Yahweh *for his help*, he stood up in front of the altar where he had been kneeling. He lifted up his arms. ⁵⁵ Then he *asked God to* bless all the Israeli people. *He prayed loudly, saying,*

⁵⁶ "Praise Yahweh, who has given us his people peace, like he promised that he would do. He has done every one of the good things that he promised to Moses, the man who served him *very well*. ⁵⁷ I pray that our God will be with us like he was with our ancestors, and that he will never abandon us. ⁵⁸ I pray that he will cause us to loyally serve him, to conduct our lives as he wants us to, and to obey all his commandments and statutes and laws that he gave to our ancestors. ⁵⁹ I pray that Yahweh our God will never forget these words that I have prayed, pleading for his help; I pray that he will think about them by day and by night. I pray

that he will always help *us* Israeli people and me, giving us the things that we need day by day. ⁶⁰ If he does that, all the people-groups in the world will know that he is the only one who is God, and that there is no other one who is God. ⁶¹ I pray that you, *his people*, will always be fully committed to Yahweh, and that you will obey all his statutes and commands, like you are doing now."

Solomon dedicated the temple

⁶² Then the king and all the Israeli people who were there offered sacrifices to Yahweh. ⁶³ They sacrificed 22,000 cattle and 120,000 sheep to maintain fellowship with Yahweh. Then the king and all the people dedicated the temple.

⁶⁴ On that day, the king also dedicated/set apart the middle part of the courtyard that was in front of the temple. Then he offered sacrifices that would be completely burned *in the courtyard*, the offerings of grain and the fat of the animals that were sacrificed to maintain fellowship with Yahweh. They sacrificed them there because the bronze altar was not big enough for all those sacrifices to be burned on it *that day*.

⁶⁵ Then Solomon and all the Israeli people celebrated the Festival of *Living in Temporary Shelters* for seven days. There was a huge crowd of people there, some of whom had come from *distant places like Hamath in the far north* and the border of Egypt *in the far south*. ⁶⁶ On the eighth day, Solomon sent the people to their homes. They all praised him and went home happy because of all the things that Yahweh had done to bless *King David* and his Israeli people.

Yahweh's reply to Solomon's prayer

⁹ After Solomon's *workers* had finished building the temple and his palace and everything else that Solomon wanted them to build, ² Yahweh appeared to him *in a dream* a second time, like he had appeared to him at *the city of Gibeon*. ³ Yahweh said to him,

"I heard what you prayed and what you pleaded for me to do. I have set apart/dedicated this temple which your *workers* have built to be the place where people will worship me forever. I will always watch over it and protect it.

⁴ And as for you, if you conduct your life as I want you to, like your father David did, and if you very sincerely obey all the statutes and laws that I have commanded you to obey, ⁵ I will do what I promised your father that I would do: I promised him that Israel would always be ruled by his descendants.

⁶ But if you or your descendants turn away from me and disobey the commands and decrees that I have given to you, and if you start to worship other gods, ⁷ I will remove my Israeli people from the land that I have given to them. I will also abandon this temple that I have set apart/dedicated to be the

place where people should worship me. Then people everywhere will despise *the people of Israel* and make fun of them. ⁸ This temple will become a heap of ruins. Everyone who passes by will be astonished *when they see it*, and they will be shocked and say, 'Why has Yahweh done this to this land and to this temple?' ⁹ And other people will reply, 'It happened because the Israeli people abandoned Yahweh their God, the one who brought their ancestors out of Egypt. They started to accept and worship other gods. And that is why Yahweh has caused them to experience all these disasters.' "

Other things that Solomon did

¹⁰ Solomon's *workers* labored for 20 years to build the temple and the palace. ¹¹ Hiram, the king of Tyre had *arranged for his workers* to give Solomon all the cedar and pine *logs* and all the gold that he needed *for this work*. After it was all finished, King Solomon gave to Hiram 20 cities in the Galilee region. ¹² But when Hiram went from Tyre *to Galilee* to see the cities that Solomon had given to him, he was not pleased with them. ¹³ He said to Solomon, "My friend, those cities that you gave me are worthless!" So, that area is still called 'Worthless'. ¹⁴ Hiram paid Solomon only five tons of gold *for those cities*.

¹⁵ This is a record of the work that King Solomon forced men to do. He forced them to build the temple and his palace and the terraces/landfills *on the east side of the city*, and the wall around Jerusalem, and *to rebuild the cities of Hazor and Megiddo and Gezer*. ¹⁶ *The reason they needed to rebuild Gezer was that the army of the king of Egypt had attacked Gezer and captured it. Then they had burned the houses in the city and killed all the people of the Canaan people-group who lived there. The king of Egypt gave that city to his daughter as a gift when she married Solomon.* ¹⁷ So Solomon's workers also rebuilt Gezer, and they also rebuilt Lower Beth-Horon *city*. ¹⁸ They also rebuilt Baalath and Tamar *towns* in the desert in the *southern part of Judah*. ¹⁹ They also built cities where they kept the supplies for Solomon, the places where his horses and chariots were kept. They also built everything else that Solomon wanted them to build, in Jerusalem and in Lebanon, and in other places in the area over which he ruled.

²⁰ There were many people who belonged to the Amor people-group, the Heth people-group, the Periz people-group, the Hiv people-group, and the Jebus people-group who were not killed when the Israelis captured their land. ²¹ *Their descendants still lived in Israel*. It was those people whom Solomon forced to become his slaves *to build all those places*, and they are still slaves. ²² But Solomon did not force any Israeli people to become slaves. Some Israelis became soldiers and army officers and commanders and drivers of his chariots and soldiers who rode on horses.

²³ There were 550 officials who supervised the slaves who worked *to build all those places*.

²⁴ After *Solomon's wife, who was the daughter of the king of Egypt, moved from the place outside Jerusalem called 'The City of David'* to the palace that Solomon's workers built for her, Solomon *told his workers* to fill in the slopes on the east side of the city.

²⁵ Three times each year Solomon *brought to the temple* offerings that were completely burned *on the altar* and offerings to restore fellowship with Yahweh. He also brought incense to be burned in the presence of Yahweh.

And so his men finished building the temple.

²⁶ King Solomon's *workers* also built a fleet of ships at Ezion-Geber *city*, which is near Elath *city*, on the shore of the Gulf of Aqaba, in the land belonging to the Edom people-group. ²⁷ King Hiram sent some very expert sailors to work on the ships with Solomon's workers. ²⁸ They sailed to the Ophir *region* and brought back to Solomon about 16 tons of gold.

The queen of Sheba visited Solomon

¹⁰ The queen *who ruled the Sheba area* heard that Yahweh had caused Solomon to become famous, so she traveled to Jerusalem to ask him questions that were difficult *to answer*. ² She came with a large group of wealthy/influential people, and she brought camels that were loaded with spices, and valuable gems, and a lot of gold. When she met Solomon, she asked him questions about all the topics/things in which she was interested. ³ Solomon answered all her questions. He explained everything that she asked about, even things that were very difficult. ⁴ The queen realized that Solomon was very wise. She saw his palace, ⁵ she saw the food that was served on his table *every day*, she saw where his officials lived (OR, how his officials were seated at the table), their uniforms, the servants who served the food and wine, and the sacrifices that he took to the temple to be offered. She was extremely amazed.

⁶ She said to King Solomon, "Everything that I heard in my own country about you and about how wise you are is true! ⁷ But I did not believe it was true until I came here and saw it myself. But really, what they told me is only half *of what they could have told me about you*. You are extremely wise and rich, more than what people told me. ⁸ Your wives are very fortunate! Your officials who are constantly standing in front of you and listening to the wise things that you say are also fortunate! ⁹ Praise Yahweh, your God, who has shown that he is pleased with you by causing you to become the king of Israel! God has always loved the Israeli people, and therefore he has appointed you to be their king, in order that you will rule them fairly and righteously."

¹⁰ Then the queen gave to the king *the things that she had brought*. She gave him almost five tons of gold and a large amount of spices and valuable gems.

Never again did King Solomon receive more spices than the queen gave him at that time.

¹¹ In the ships that belonged to King Hiram, in which they had previously brought gold from Ophir, they also brought a large amount of juniper wood and gems/valuable stones. ¹² King Solomon told his workers to use that wood to make railings/supports in the temple of Yahweh and in the king's palace and also to make harps and lyres for the \diamond musicians/men who played musical instruments \diamond . That wood was the largest amount of (OR, the finest) wood that had ever been seen *in Israel*. And no one since then has ever seen so much wood of that kind.

¹³ King Solomon gave to the queen from Sheba everything that she wanted. He gave her those gifts in addition to the gifts that he always gave *to other rulers who visited him*. Then she and the people who came with her returned to her own land.

Solomon's wealth

¹⁴ Each year there was brought to Solomon a total of 25 tons of gold. ¹⁵ That was in addition to *the taxes* paid to him by the merchants and traders, and the annual taxes paid by the kings of Arabia and by the governors of *the regions in Israel*.

¹⁶ King Solomon's workers *took this* gold and hammered it into thin sheets and covered 200 large shields with those thin sheets of gold; they put \diamond almost 15 pounds/more than 6 kg. \diamond of gold on each shield.

¹⁷ His workers made 300 smaller shields. They covered each of them with \diamond almost 4 pounds/1.5 kg. \diamond of gold. Then the king put those shields in the Hall of the Forest of Lebanon.

¹⁸ His workers also made for him a large throne. *Part of it* was covered with \diamond ivory decorations made from \diamond tusks of elephants and *part of it* was covered with very fine gold. ¹⁹⁻²⁰ There were six steps in front of the throne. There was a statue of a lion on both sides of each step. So altogether there were twelve statues of lions. The back of the throne was rounded at the top. At each side of the throne there was an armrest, and alongside each armrest there was a small statue of a lion. No throne like that had ever existed in any other kingdom. ²¹ All of Solomon's cups were made of gold, and all the various dishes in the Hall of the Forest of Lebanon were made of gold. They did not make things from silver, because during the years that Solomon *ruled*, silver was not considered to be valuable. ²² The king had a \diamond fleet/large number \diamond of ships that sailed with the ships that King Hiram owned. Every three years the ships returned *from the places to which they had sailed*, bringing gold, silver, ivory, monkeys, and baboons (OR, peacocks).

²³ King Solomon became richer and wiser than any other king. ²⁴ People from all over the world wanted to come and listen to the wise things that Solomon said, things that God had put into his mind. ²⁵ All the people who came to him brought presents: They

brought things made from silver or gold, or robes, or weapons (OR, myrrh), or spices, or horses, or mules. The people continued to do this every year.

²⁶ Solomon acquired 1,400 chariots and 12,000 men who rode *on the horses* (OR, *in the chariots*). Solomon put some of them in Jerusalem and some of them in other cities where he kept his chariots. ²⁷ During the years that Solomon was king, silver became as common in Jerusalem as stones; and *lumber from cedar trees* in the foothills of Judah was as plentiful as *lumber from fig trees*. ²⁸ Solomon's agents bought horses and supervised the men who brought them into Israel from the areas of Musri and Cilicia *that were famous for breeding horses*. ²⁹ In Musri they bought chariots and horses; they paid 600 pieces of silver for each chariot and 150 pieces of silver for each horse. They brought them to Israel. Then they sold many of them to the kings of the Heth people-group and the kings of Syria.

Solomon's many wives

11 King Solomon married many foreign women. First he married the daughter of the king of Egypt. He also married women from the Heth people-group and from the Moab, Ammon, and Edom people-groups, and from Sidon *city*. ² He married them even though Yahweh had commanded the Israeli people, "Do not marry people from those areas, because if you do that, they will surely persuade you [IDM] to worship the gods that they worship!" ³ Solomon married 700 women who were kings' daughters. He also had 300 wives who were his slaves/servants. And his wives caused him to turn away *from worshipping God*. ⁴ By the time that Solomon became old, they had persuaded him to worship the gods from their countries. He was not completely dedicated/committed to Yahweh his God like his father [SYN] David had been. ⁵ Solomon worshiped Astarte, the goddess that the people of Sidon *worshiped*, and he worshiped Molech, the disgusting god that the Ammon people-group *worshiped*. ⁶ That's how Solomon did things that Yahweh said were evil. He did not conduct his life like his father David had done; he did not conduct his life as Yahweh wanted him to.

⁷ On the hill to the east of Jerusalem he built a place to worship Chemosh, the disgusting god that the Moab people-group *worshiped*, and a place to worship Molech, the disgusting god that the Ammon people-group *worshiped*. ⁸ He also built places where all his foreign wives could burn incense and offer sacrifices to the gods from their own countries.

⁹⁻¹⁰ Even though Yahweh, the God whom the Israelis *worshiped*, had appeared to Solomon two times, and had commanded him to not worship foreign gods, Solomon refused to obey Yahweh. So Yahweh was angry with Solomon, ¹¹ and said to him, "You have chosen to break the agreement that I made with you and to disobey what I commanded you. So I am surely not

going to allow you to rule all of your kingdom. I am going to allow one of your officials to rule it. ¹² But, because of what *I promised* your father David, I will allow you to rule all your kingdom while you are still *living*. *After you die*, I will not allow your son to rule the whole kingdom [MTY]. ¹³ But I will not take all the kingdom away from him. Instead, I will allow him to rule one tribe *besides the tribe of Judah*, because of what I promised to David, who served me *well*, and because *I want David's descendants to rule in Jerusalem, where my temple is located.*"

Solomon's enemies

¹⁴ Yahweh caused Hadad, from the family of the kings in the Edom people-group, to rebel against Solomon. ¹⁵⁻¹⁶ What happened was that previously, when David's *army* had conquered the Edom people-group, his army commander Joab had gone there to *help bury the Israeli soldiers* who had been killed *in the battle*. Joab and his army remained in the Edom area for six months, and during that time they killed all the males of that area. ¹⁷ Hadad was a young child *at that time*, and he had escaped to Egypt, along with some of his father's servants from the Edom area. ¹⁸ They *went to* the Midian *region*, and then they went *to the desert area at Paran*. Some other men joined them there. Then they all traveled to Egypt and went to see the king of Egypt. The king gave Hadad some land and ordered his servants to give him some food regularly. ¹⁹ The king liked Hadad. As a result he gave him the sister of his own wife, Queen Tahpenes, to be Hadad's wife.

²⁰ Later Hadad's wife gave birth to a son named Genubath. The sister of Tahpenes *raised him/ brought him up* in the palace, where he lived with the king's sons.

²¹ While Hadad was in Egypt, he heard that David had died [EUP], and that Joab, the commander of David's army, was also dead. So he said to the king of Egypt, "Please allow me to return to my own country."

²² But the king said to him, "Why do you want to go back to your country? Is there something that you lack that you want me to give to you?" Hadad replied, "No, but please just allow me to go." *So the king allowed him to leave, and he returned to his own country and became the king of Edom.*

²³ God also caused another man named Rezon, the son of Eliada, to rebel against Solomon. Rezon had run away from his master, King Hadadezer of the *Zobah area north of Damascus*. ²⁴ Rezon then became the leader of a group of outlaws. That happened after David's *army had defeated Hadadezer* and had also killed all *his soldiers*. Rezon and his men went to Damascus and started to live there, and *the people there* appointed him to be their king. ²⁵ All during the time that Solomon was alive, while Rezon was ruling *not*

only Damascus but all of Syria, he was an enemy of Israel and caused trouble for Israel like Hadad did.

What Yahweh promised to Jeroboam

²⁶ Another man who rebelled against [IDM] Solomon was one of his officials named Jeroboam, the son of Nebat. He was from Zeredah *town in the region where the tribe of Ephraim lives*. His mother was a widow named Zeruah.

²⁷ This is what happened. Solomon's workers were filling in the land/ground on the east side of Jerusalem and repairing the walls *around the city*. ²⁸ Jeroboam was a very capable young man. So, when Solomon saw that he worked very hard, he appointed him to supervise all the men who were forced to work in the areas where the tribes of Manasseh and Ephraim live.

²⁹ One day when Jeroboam was walking alone along the road outside of Jerusalem, the prophet Ahijah from Shiloh *city* met him. Ahijah was wearing a new robe, ³⁰ which he took off and tore into twelve pieces. ³¹ He said to Jeroboam, "Take ten of these pieces for yourself, because Yahweh, the God whom we Israelis *worship*, says to you, 'I am going to tear the kingdom from Solomon, and I am going to enable you to become the ruler of ten of the tribes of Israel.'

³² Solomon's *descendants* will still rule one tribe (OR, two tribes), because of *what I promised* David, a man who served me *very well*, and because of Jerusalem, the city that I have chosen from all the cities in Israel *to be the city where my people will worship me*. ³³ I am going to do this because Solomon has rejected me and has been worshiping Astarte, the goddess that the people of Sidon worship, Chemosh, the god that the Moab people-group worship, and Milcom, the god that the Ammon people-group worship. He has not conducted his life as I wanted him to. He has not obeyed my statutes and laws, like his father David did.

³⁴ But I will not take the entire kingdom away from him. I will enable him to rule *Judah* all during the years that he is alive. I will do that because of *what I promised* to do for David, whom I chose *to be the king*, and who served me *well*, and who always obeyed my commandments and laws. ³⁵ But I will take the *other* ten tribes of his kingdom and give them to you *to rule*. ³⁶ I will allow Solomon's son to rule one tribe, in order that descendants [MET] of David will always rule in Jerusalem, the city that I have chosen to be the place where *my people worship* me [MTY]. ³⁷ I will enable you to become the king of Israel, and you will rule over all the territory that you want to. ³⁸ If you obey all that I command you to do, and conduct your life as I want you to, and if you do what I say is right by obeying my laws and commandments like David did, I will help you. I will make sure that your descendants will rule after you *die*, like *I promised* to do for David.

³⁹ Because of *Solomon's sins*, I will punish David's descendants, but I will not continue to punish them forever."

⁴⁰ Solomon found out what Ahijah told Jeroboam, so he tried to kill Jeroboam. But Jeroboam escaped and went to Egypt. He went to Shishak, the king of Egypt, and stayed with him until after Solomon died.

Solomon died

⁴¹ A record of all the other things that Solomon did, and all the wise things that he said and wrote, was written in the Book Telling what Solomon Did. ⁴² He was the king in Jerusalem who ruled over all of Israel for 40 years. ⁴³ Then Solomon died [EUP], and was buried in the part of Jerusalem called 'The City of David'. And his son Rehoboam became the king.

The ten tribes rebelled against Rehoboam

12 All [HYP] the people of northern Israel went to Shechem city in order to appoint Rehoboam to be their king. So Rehoboam also went there. ² When Jeroboam, who was still in Egypt, heard about that, he returned from Egypt to Israel. ³ The leaders of the northern tribes summoned him, and they went together to talk to Rehoboam. They said to him, ⁴ "Your father Solomon forced us to work very hard [MET] for him. If you ♦lighten these loads/do not force us to work that hard♦, and if you charge us less taxes than we were paying to him, we will serve you faithfully."

⁵ He replied, "Go away, and come back three days from now and I will give you my answer." So those leaders and Jeroboam left.

⁶ Then King Rehoboam consulted the older men who had advised his father Solomon while he was still living. He asked them, "What shall I say to answer those men?"

⁷ They replied, "If you want to serve your people well, speak kindly to those men when you reply to them. If you do that, your people will always serve you faithfully."

⁸ But he ignored what the older men advised him to do. Instead, he consulted the younger men who had grown up with him, who were now ♦his advisors/the ones who told him what would be good to do♦. ⁹ He said to them, "What should I say to the men who are asking me to reduce the work and taxes that my father required from them?"

¹⁰ They replied, "This is what you should tell them: 'My little finger is thicker than my father's waist.

¹¹ What I mean is that my father required you to work hard and pay high taxes. But I will make those loads heavier. It was as though my father whipped you, but it will be as though I will whip you with whips that have pieces of metal in them.'"

¹² So three days later, Jeroboam and all the leaders came to Rehoboam again, as he had told them to do.

¹³ The king ignored the advice of the older men and spoke harshly to the Israeli leaders. ¹⁴ He told them what the younger men had advised. He said, "My father put heavy burdens of work and taxes on you, but

I will put heavier burdens on you. It was as though he beat you with whips, but I will beat you with whips that have pieces of metal in them!" ¹⁵ So the king did not pay any attention to the Israeli leaders. But this happened in order that what Yahweh wanted would occur, what he had told the prophet Ahijah about Jeroboam becoming king of the ten tribes.

¹⁶ When the Israeli leaders realized that the king did not pay any attention to what they said, they shouted, "We do not [RHQ] want anything to do with this descendant of King David!

We will not pay attention to what this grandson of Jesse says!

You people of Israel, let's go home!

As for this descendant of David [MTY], he can rule his own kingdom [MTY]!"

So the Israeli leaders returned to their homes.

¹⁷ And after that, the only Israeli people whom Rehoboam ruled over were those who lived in the territory of the tribe of Judah.

¹⁸ Then King Rehoboam sent Adoniram to talk to the Israeli people. Adoniram was the man who supervised all the men who were forced to work for Rehoboam. But the Israeli people killed him by throwing stones at him. When that happened, King Rehoboam quickly got in his chariot and escaped to Jerusalem. ¹⁹ Ever since that time, the people of the northern tribes of Israel have been rebelling against the descendants [MTY] of King David.

²⁰ When the Israeli people heard that Jeroboam had returned from Egypt, they invited him to come to a meeting, and there they appointed him to be the king of Israel. Only the people of the tribes of Judah and Benjamin continued to be loyal to the kings descended from King [MTY] David.

²¹ When Rehoboam arrived in Jerusalem, he gathered 180,000 of the best soldiers from the tribes [MTY] of Judah and Benjamin. He wanted them to fight against the northern tribes of [MTY] Israel and defeat them, in order that he could rule all the tribes of his kingdom again.

²² But God spoke to the prophet Shemaiah and said this to him: ²³ "Go and tell this to Solomon's son Rehoboam, the king of Judah, and to all the people of the tribes of Judah and Benjamin and the people from the northern tribe who live in Judah: ²⁴ 'Yahweh says that you must not go to fight against your own relatives, the people of Israel. All of you must go home. What has happened is what Yahweh wanted to happen.' " So Shemaiah went and told that to them, and they all paid attention to what Yahweh had commanded them to do, and they went home.

Jeroboam's sins

²⁵ Then Jeroboam's workers built walls around Shechem city in the hilly area where the descendants of Ephraim lived, and he ruled from there for a while.

He and his workers then left there and went to Peniel town, and they built walls around that town.

²⁶⁻²⁷ Then Jeroboam said to himself, "If my people *continue to go to Jerusalem and offer sacrifices to Yahweh at the temple there, soon they will again become loyal to Rehoboam, the king of Judah [DOU], and they will kill me.*"

²⁸ So he consulted *his advisors, and then he did what they suggested. He told his workers to make gold statues of two calves. Then he said to the people, "You have been going to Jerusalem to worship for a long time. It is a big trouble for you to continue going there. You people of Israel, look! These statues are the gods that brought our ancestors up from Egypt! So you can worship these, here!"* ²⁹ He told his workers to place one of the statues in Bethel city in the south and one in Dan city in the north. ³⁰ So what Jeroboam did caused the people to sin. Some of them went and worshiped the calf at Bethel, and others went and worshiped the other calf at Dan.

³¹ Moses had declared that only men from the tribe of Levi would be priests, but Jeroboam also told his workers to build shrines on hilltops, and then he appointed men who were not from the tribe of Levi to be priests. ³² He also appointed Adonijah and two priests, Elishama and Jehoram. They had a celebration at the end of October, like the celebration of *Living in Temporary Shelters* that occurred in Judah each year. On the altar that they built in Bethel, he offered sacrifices to the gold statues of calves that they had made, and he stationed the priests there at the shrines that his workers had built. ³³ Jeroboam went up to that altar on that day in October which he himself had chosen. There on that altar he burned incense to be a sacrifice. And he declared that the people should celebrate that festival on that same day every year.

A prophet condemned the altar at Bethel

13 One day a prophet, obeying what Yahweh commanded him to do, went from Judah north to Bethel. He arrived there right at the time that Jeroboam was standing at the altar, ready to burn incense. ² Saying what Yahweh told him to say, the prophet shouted, "This is what Yahweh says about this altar [APO]: 'I want you to know that *some day* a descendant [MTY] of King David will be born. His name will be Josiah, and he will come here. He will slaughter at this altar the priests who are burning incense for sacrifices on the hills in this area, and he will burn the bones of dead people on this altar.'" [APO] ³ Then the prophet also said, "This is what will prove to you that Yahweh has said this: This altar will be split apart, and the ashes that are on it will be scattered."

⁴ When King Jeroboam heard the prophet say that, he pointed his finger at him and said to his servants, "Seize that man!" But immediately the king's arm became paralyzed/stiff, with the result that he could not move it. ⁵ And the altar immediately split apart, and

the ashes spilled out on the ground, which is what the prophet said that Yahweh [MTY] had predicted would happen.

⁶ Then the king said to the prophet, "Please pray that Yahweh will be merciful to me and heal my arm!" So the prophet prayed, and Yahweh completely healed the king's arm.

⁷ Then the king said to the prophet, "Come home with me and eat some food. And I will also give you a reward for what you have done!"

⁸ But the prophet replied, "Even if you would promise to give me half of everything that you own [MTY], I will not go with you, and I will not eat or drink anything with you here, ⁹ because Yahweh commanded me not to eat or drink anything here. He also commanded me not to return home on the road on which I came here." ¹⁰ So he started to return home, but he did not go on the road on which he came to Bethel. He went on a different road.

The old prophet from Bethel

¹¹ At that time there was an old man living in Bethel who was a prophet. His sons came and told him what the prophet from Judah had done there on that day, and they also told him what the prophet had said to the king. ¹² Their father said, "On which road did he go?" So his sons showed him the road on which the prophet from Judah had gone when he left Bethel.

¹³ Then he said to his sons, "Put a saddle on my donkey." So they did that, and he got on the donkey. ¹⁴ He went along the road to find/catch up with the prophet from Judah. He found him sitting under an oak tree. He said to him, "Are you the prophet who came from Judah?" He replied, "Yes, I am."

¹⁵ The old prophet said to him, "Come home with me and eat some food."

¹⁶ He replied, "No, I am not allowed to go with you into your house, or to eat or drink anything with you, ¹⁷ because Yahweh told me, 'Do not eat or drink anything here, and do not return home on the road on which you came.'"

¹⁸ Then the old prophet said to him, "I also am a prophet, like you are. Yahweh sent an angel to tell me that I should take you home with me and give you some food and drink." But the old man was lying when he said that. ¹⁹ But because of what the old prophet said, the prophet from Judah returned with him to his home and ate some food and drank some water with him.

²⁰ While they were sitting at the table, Yahweh spoke to the old man. ²¹ Then he cried out to the prophet from Judah, "This is what Yahweh says: 'You have disobeyed him, and you have not done what he commanded you to do. ²² Instead, you have come back here and had things to eat and drink in a place where he commanded you not to do that. As a result, you will be killed, and your body will not be buried in the grave where your ancestors are buried.'"

²³ When they had finished eating, the old man put a saddle on the donkey for the prophet from Judah, *and the prophet from Judah left.* ²⁴ But as he was going, a lion met him and killed him. The prophet's corpse was lying on the road, and the donkey was standing beside it, and the lion was also standing beside the corpse. ²⁵ Some men passed by and were surprised to see the corpse on the road and the lion standing next to the corpse. So they went into Bethel and reported what they had seen.

²⁶ When the old man who had brought the prophet from Judah to his home heard about it, he said, "That is the prophet who disobeyed what Yahweh told him to do! That is why Yahweh allowed the lion to attack him and kill him. That is what Yahweh said would happen!"

²⁷ Then he said to his sons, "Put a saddle on my donkey." So they did that. ²⁸ Then he rode on the donkey and found the prophet's corpse on the road, and his donkey and the lion were still standing there alongside the corpse. But the lion had not eaten any of the flesh of the prophet and had not attacked the donkey. ²⁹ The old man picked up the corpse of the prophet and put it on his donkey and brought it back to Bethel, in order to mourn for him and to bury his corpse.

³⁰ He buried the prophet's corpse in the grave where other people in his family *had been buried.* Then he and his sons mourned for him, saying, "We are very sorry, my brother!"

³¹ After they had buried him, the old man said to his sons, "When I die, bury my corpse in the grave where we buried the prophet from Judah. Lay my corpse next to his corpse. ³² *And do not forget what he said, because the things that Yahweh told him to say about the altar in Bethel, and about the shrines on the hills in the towns in Samaria, will surely happen.*"

³³ But King Jeroboam still did not turn away from continuing to do evil things. Instead, he appointed more priests *who were not descended from Levi.* Anyone who wanted to be a priest, he appointed to be a priest, in order that he could offer sacrifices on the hills. ³⁴ Because he committed that sin, *a few years later* God got rid of most of Jeroboam's descendants and did not allow them to become kings of Israel.

Jeroboam's son died

14 At that time, Jeroboam's son Abijah became very sick. ² Jeroboam said to his wife, "Disguise yourself, in order that no one will recognize that you are my wife. Then go to Shiloh city, where the prophet Ahijah *lives.* He is the one who predicted/prophesied that I would become the king of Israel. ³ Take with you ten loaves of bread and some small flat cakes, and a jar of honey, *and give them* to him. *Tell him about our son, and he will tell you what will happen to him.*" ⁴ So his wife went to Shiloh, to Ahijah's house. Ahijah was unable to see, because he was very old and had become blind.

⁵ But *before she got there,* Yahweh told Ahijah that Jeroboam's wife was coming to inquire about their son, who was very sick. And Yahweh told Ahijah what he should tell her.

When she came to him, she pretended to be another woman. ⁶ But when Ahijah heard her footsteps as she entered the doorway, he said to her, "Come in, wife of Jeroboam! *Why do you pretend that you are someone else?/It will not help you to pretend that you are someone else.* [RHQ] *Yahweh has given me bad news to tell you.* ⁷ Go and tell Jeroboam that this is what Yahweh, the God whom we Israelis *worship,* says to you: 'I chose you from among the common people and enabled you to become the king of my Israeli people. ⁸ I took *most of* the kingdom of Israel away from David's descendants and gave it to you. But you have not been like David, who served me *very well.* He obeyed all my commandments very sincerely, doing only things that I considered to be right. ⁹ But you have done more evil things/deeds than all those who *ruled* before you. You have rejected me, and you have caused me to become very angry by making metal images of other gods so that you *and others* could worship them.

¹⁰ So, I am going to cause terrible things to happen to your family. I will cause all your male descendants to die, young ones and old ones. I will completely get rid of your family [MTY]. I will get rid of your family [MTY] just like a man completely burns dung *to cook his food.* ¹¹ *The corpses of any members of your family who die in cities will be eaten by dogs. And the corpses of any members of your family who die in the open fields will be eaten by vultures. This will surely happen because I, Yahweh, have said that it will happen.'*

¹² So go back home. And as soon as you enter the city, your son will die. ¹³ All the Israeli people will mourn for him and bury him. He is the only one of Jeroboam's family who will be buried *properly,* because he is the only one of Jeroboam's family with whom Yahweh is pleased.

¹⁴ Furthermore, Yahweh will appoint for himself a king to rule over Israel who will get rid of Jeroboam's descendants. And that *will start to happen* today! ¹⁵ Yahweh will punish the people of Israel; he will shake them like *the wind* shakes the reeds *that grow in* a stream. He will expel the Israeli people from this good land that he gave to our ancestors. He will scatter them into countries east of *the Euphrates River,* because they have caused him to become very angry by *worshiping statues of* the goddess Asherah. ¹⁶ Yahweh will abandon the Israeli people because of the sins that Jeroboam committed, sins which led the Israeli people to commit them."

¹⁷ Jeroboam's wife returned home to Tirzah city, *the new capital of Israel.* And just as she entered her house, her son died. ¹⁸ All the Israeli people mourned

for him and buried him, which is what Yahweh had told his servant, the prophet Ahijah, would happen.

¹⁹ Everything else that Jeroboam did, and the record of wars that his *army* fought, and how he ruled, is written in the scroll called 'The History of the Kings of Israel'. ²⁰ Jeroboam ruled for 22 years; then he died [EUP] and his son Nadab became king.

Rehoboam died

²¹ Solomon's son Rehoboam ruled Judah. He was 41 years old when he started to rule, and he ruled for 17 years. He ruled in Jerusalem, which is the city that Yahweh chose out of all the tribes of Israel to be the place where he should be worshiped [MTY]. Rehoboam's mother's name was Naamah; she was from the Ammon people-group.

²² The people of Judah did things that Yahweh considered to be evil. They caused him *to become angry* because they committed more sins than their ancestors had committed: They worshiped many other gods instead of worshiping only Yahweh. ²³ They built places to worship those gods; on high hills, and under big trees they set up *stone* pillars to worship the goddess Asherah. ²⁴ Also, there were male prostitutes at these places of worship. The Israeli people did the same disgraceful things that had been done by the people whom Yahweh had expelled while the Israelis were advancing through the land.

²⁵ When Rehoboam had been ruling for almost five years, King Shishak of Egypt came *with his army* to attack Jerusalem. ²⁶ They took away all the valuable things in the temple and in the king's palace, including the gold shields that Solomon's *workers* had made. ²⁷ King Rehoboam's *workers* made bronze shields to replace them and entrusted them to officers who guarded the entrance to the king's palace. ²⁸ Every time that the king went into the temple, those guards carried those shields; and *when he left the temple* they returned the shields to the storeroom.

²⁹ Everything else that Rehoboam did is written [RHQ] in the scroll called 'The History of the Kings of Judah'. ³⁰ There were wars continually between *the armies* of Rehoboam and Jeroboam. ³¹ Then Rehoboam died [EUP], and he was buried in the *part of Jerusalem called 'The City of David'*, where his ancestors were buried. Then his son Abijah became the king.

King Abijah of Judah

15 After Jeroboam had been the king of Israel for almost 18 years, Abijah became the king of Judah. ² He ruled for three years in Jerusalem. His mother's name was Maacah, the granddaughter of *David's son Absalom*.

³ Abijah committed the same kind of sins that his father had committed. He was not fully dedicated/committed to Yahweh his God, as his grandfather David

had been. ⁴ But, because of what Yahweh his God *had promised to David*, Yahweh gave Abijah a son [MET] to rule in Jerusalem after him, and in order to protect Jerusalem *from their enemies*. ⁵ Yahweh did that because David had always done what pleased Yahweh and because David had always obeyed Yahweh. The only time when he disobeyed Yahweh was when he caused Uriah *to be killed*.

⁶ There were wars between *the armies* of Rehoboam and Jeroboam all during the time that Abijah ruled.

⁷ Everything else that Abijah did is written [RHQ] in the scroll called 'The History of the Kings of Judah'. ⁸ Abijah died [EUP] and was buried in *the part of Jerusalem called 'The City of David'*, and his son Asa became king.

King Asa of Judah

⁹ After Jeroboam had been the king of Israel for almost 20 years, Asa started to rule Judah. ¹⁰ He ruled in Jerusalem for 41 years. His grandmother was Maacah, the granddaughter of Absalom.

¹¹ Asa did what was pleasing to Yahweh, as his ancestor David had done. ¹² He got rid of the male prostitutes that were at the places where the people worshiped idols, and he also got rid of all the idols that his ancestors had made. ¹³ He also removed his grandmother Maacah so that she no longer *had influence in the government because of* being the mother of a previous king. He did that because she had made a disgusting *wooden* statue of the goddess Asherah. Asa *told his workers* to cut down the statue and burned it in the Kidron Valley. ¹⁴ He was not able to destroy all the places where the people worshiped *idols* on the high hills, but he continued to be dedicated/committed to Yahweh his entire life. ¹⁵ He *told his workers* to place in the temple all the items that his father had dedicated to God, and all the gold and silver things that he had dedicated to God.

¹⁶ There were wars between *the armies* of Asa and Baasha, the king of Israel, all during the time that they ruled. ¹⁷ Baasha's army invaded Judah. They captured Ramah *town north of Jerusalem*. Then they started to build a wall around it in order to prevent people from entering or leaving the area in Judah that was ruled by King Asa.

¹⁸ So Asa *told his workers* to take all the silver and gold that was still in the storerooms in the temple and in the palace. He told them to take it to Damascus and give it to King Ben-Hadad who ruled Syria. Ben-Hadad was the son of Tabrimmon and grandson of Hezion. He told the workers to say this to Ben-Hadad: ¹⁹ "I want there to be a peace treaty between you and me, like there was between your father and my father. For that reason, I am giving you this silver and gold. So now please cancel the treaty that you made with Baasha, the king of Israel, in order that he will take his soldiers away from attacking mine, *because he will be afraid of your army*." ²⁰ *So the workers went and gave the message to Ben-Hadad*, and he did what Asa sug-

gested. He sent his army commanders *and their soldiers* to attack some of the towns in Israel. They captured Ijon, Dan, Abel-Beth-Maacah, the area near Galilee Lake, and all the land of *the tribe of Naphtali*.²¹ When Baasha heard about that, he *told his soldiers to stop working at Ramah*. He *and his soldiers returned to Tirzah and stayed there*.²² Then King Asa sent a message to all the *people in the towns in Judah*, stating that they all were required to go to Ramah and carry away the stones and timber that Baasha's soldiers had been using to build a wall around the city. With those stones and timber they fortified Mizpah *city north of Jerusalem*, and Geba, *a town in the territory of the tribe of Benjamin*.

²³ Everything else that Asa did, the armies that his soldiers defeated, and the names of the cities that he caused to be fortified, are [RHQ] written in the scroll called 'The History of the Kings of Judah'. But when Asa became old, he got a disease in his feet.²⁴ He died [EUP] and was buried where his ancestors were buried in *the part of Jerusalem called 'The City of David'*. Then his son Jehoshaphat became king.

King Nadab of Israel

²⁵ After Asa had been the king of Judah for almost two years, King Jeroboam's son Nadab started to rule Israel. He ruled for two years.²⁶ He did things that Yahweh considered to be evil. His behavior was sinful like his father's behavior had been, and what he did led the people of Israel to sin.

²⁷ A man named Baasha, from the tribe of Issachar, planned to harm him. He killed Nadab when Nadab and his army had surrounded Gibbethon *city in the Philistia area*.²⁸ That [DOU] was when Asa had been *the king ruling Judah* for almost three years. Then Baasha became the king of Israel.

²⁹ As soon as Baasha became king, *he commanded his soldiers to kill all of Jeroboam's family*. Doing what Yahweh had told the prophet Ahijah from Shiloh would happen, they killed all of Jeroboam's family. None of them *was left/remained alive*.³⁰ That happened because Yahweh had become very angry with Jeroboam because of all the sins that Jeroboam had committed, and because of the sins that he had persuaded the people of Israel to commit.

³¹ Everything else that Nadab did is written [RHQ] in the scroll called 'The History of the Kings of Israel'.³² There were wars between *the armies of King Asa and King Baasha* all the time that they ruled.

King Baasha of Israel

³³ After Asa had been the king of Judah for almost three years, Baasha, the son of Ahijah, started to rule Israel at Tirzah *city*. He ruled for 24 years.³⁴ He did things that Yahweh considered to be evil, and his behavior was sinful like his father's had been, and he led the people of Israel to sin.

When Baasha ruled Israel

16 During the time that Baasha *was king of Israel, the prophet Jehu, Hanani's son*, gave Baasha this message that he had received from Yahweh:² "You were very insignificant/unimportant [IDM] when I caused you to become the ruler of my Israeli people. But you have caused me to become very angry by doing [IDM] the kinds of evil things that King Jeroboam did. You have also caused me to become angry by causing my people to sin."³ So now I will get rid of you and your family [MTY]. I will do to you just like I did to Jeroboam and his family.⁴ *The bodies of those in your family who die in this city will not be buried; they will be eaten by dogs; and the corpses of those who die in the fields will be eaten by vultures.*"

⁵ The other things that happened during the time that Baasha ruled Israel, and the things that he did, are written [RHQ] in the scroll called 'The History of the Kings of Israel'.⁶ When Baasha died, he was buried in Tirzah, *the capital city*. Then his son Elah became king.

⁷ Yahweh gave that message about Baasha and his family to the prophet Jehu. Baasha had done many things that Yahweh considered to be evil, which caused Yahweh to become angry. Baasha did the same kind of things that King Jeroboam and his family had done previously. Yahweh was also angry with Baasha because he had killed all of Jeroboam's family.

When Elah ruled Israel

⁸ After Asa had been the king of Judah for almost 26 years, Elah became the king of Israel. Elah ruled in Tirzah for *only two years*.

⁹ A man named Zimri was one of Elah's army officers. He commanded the drivers of half of Elah's army's *chariots/two-wheeled vehicles pulled by horses*. He made plans to kill Elah while Elah was in Tirzah, getting drunk at the house of *a man named Arza*. Arza was the man who took care of the things in the king's palace.¹⁰ Zimri went into Arza's house and killed Elah. Then Zimri became the king of Israel. That was when Asa had been the king of Judah for 27 years.

¹¹ As soon as Zimri became king [MTY], he killed all of Baasha's family [MTY]. That included every male [IDM] in Baasha's family and all of Baasha's male friends.¹² That was just what Yahweh told the prophet Jehu would happen.¹³ Baasha and his son Elah had sinned and led the Israeli people to sin. They caused Yahweh, the God whom the Israel people worshiped, to become angry, because they both urged the people *to worship worthless idols*.

¹⁴ Everything else that Elah did is written in the scroll called 'The History of the Kings of Israel'.

When Zimri ruled Israel

¹⁵ So Zimri became the king of Israel after Asa had been king of Judah for 27 years. But Zimri ruled in Tirzah for only seven days. The Israeli army was besieging/surrounding Gibeah, a town which belonged to the Philistine people-group. ¹⁶ The men in the Israeli army camp heard that Zimri had secretly planned to kill King Elah, and then had killed him. So on that day the soldiers chose Omri, the commander of their army, to become the king of Israel. ¹⁷ The Israeli army was camped near Gibbethon city. When they heard what Zimri had done, they left there and went to Tirzah, and surrounded the city. ¹⁸ When Zimri realized that the city was *about to be* captured, he went into his palace and set it on fire. So the palace burned down, and he died *in the fire*. ¹⁹ He died because he had sinned by doing the things that Yahweh considered to be evil. Jeroboam had led the Israeli people to sin, and Zimri sinned just like Jeroboam had sinned.

²⁰ All the other things that Zimri did, and the record of how he rebelled *against King Elah*, are written in the scroll called 'The History of the Kings of Israel'.

When Omri ruled Israel

²¹ After Zimri died, the Israeli people were divided. One group wanted Tibni, the son of Ginath, to be their king. The other group wanted Omri *to be the king*. ²² Those who supported Omri *were stronger than/defeated* those who supported Tibni. So Tibni was killed, and Omri became king.

²³ Omri became king when Asa had been king of Judah for almost 31 years. Omri ruled Israel for 12 years. For the first six years he ruled in Tirzah. ²⁴ Then he bought a hill from *a man named Shemer* and paid him about *150 pounds/70 kg.* of silver for it. Then Omri ordered his men to build a city on that hill, and he called it Samaria, to honor Shemer, the man who owned it previously.

²⁵ But Omri did many things that Yahweh considered to be evil. He did more evil deeds than any of the kings who ruled Israel before he did. ²⁶ When Jeroboam *was previously the king*, he had led the Israeli people to sin, and Omri committed the same kind of sins that Jeroboam did. The Israeli people caused Yahweh, the God the Israeli people had worshiped, to become very angry, because they worshiped worthless idols.

²⁷ Everything that Omri did, and the record of the victories that his *army* won, are written in the scroll called 'The History of the Kings of Israel'. ²⁸ After Omri died, he was buried in Samaria, and his son Ahab became king.

When Ahab ruled Israel

²⁹ Ahab became king of Israel when Asa had ruled Judah for almost 38 years. Ahab ruled in Samaria city

for 22 years. ³⁰ Ahab did many things that Yahweh considered to be evil. He did more evil things than any of the kings who ruled Israel before he did. ³¹ He committed the same kind of sins that Jeroboam did, but he did things that were worse than the things that Jeroboam did. He married *a woman named Jezebel*, the daughter of Ethbaal, the king of Sidon city. Then Ahab started to worship Baal, *the god that the Canaan people-group worshiped*. ³² He built a temple in Samaria in order that the Israeli people could worship Baal there, and he put an altar there for *making sacrifices to Baal*. ³³ He also made an idol that represented Asherah, *Baal's wife*. He did many more things that caused Yahweh to become angry. He did more evil things than any of the previous kings of Israel had done.

³⁴ During the years that Ahab *ruled*, Hiel, a man from Bethel city, rebuilt Jericho city. But when he started to rebuild the city, his oldest son Abiram died. And when *the city was finished*, while Hiel *was building* the city gates, his youngest son Segub died. They died just like Yahweh had told Joshua would happen *to the sons of anyone who would rebuild Jericho*.

Crows fed Elijah

¹⁷ Elijah was *a prophet* who lived in Tishbe town in the Gilead region. One day he *went to* King Ahab and said to him, "Yahweh is the God whom we Israelis *worship* and the God whom I worship and serve. Just as certainly as Yahweh lives, there will be no dew or rain for the next few years, if I do not command rain to fall!"

² Then Yahweh said to Elijah, ³ "*Because you have made the king angry with you, escape from the king and, go to the east, to the Kerith Brook, east of where it flows into the Jordan River.*" ⁴ You will be able to drink water from the brook, and you will *be able to eat what the crows bring to you, because I have commanded them to bring food to you.*"

⁵ So Elijah did what Yahweh commanded him to do. He went and camped alongside Kerith Brook. ⁶ Crows bought bread and meat to him every morning and every evening, and he drank *water* from the brook.

⁷ But after a while, the water in the brook dried up, because rain did not fall anywhere in the land. ⁸ Then Yahweh said to Elijah, ⁹ "*Go and live in Zarephath village, near Sidon city. There is a widow there who will give you food to eat. I have already told her what to do about that.*" ¹⁰ So *Elijah did what God said*. He went to Zarephath. As he arrived at the gates of the village, he saw a widow who was gathering sticks. He said to her, "Would you please bring me a cup of water?" ¹¹ While she was going to get it, he called out to her, "Bring me a piece of bread, too!"

¹² But she replied, "Your God knows that what I am telling you is true: I do not have even one piece of bread in my house. I have only a handful of flour in a jar, and a little *olive* oil in a jug. I was gathering a few

sticks to use these to *make a fire and* cook one more meal, and then *after my son and I eat that*, we will die from hunger."

¹³ But Elijah said to her, "Do not be worried! Go home and do what you said that you were going to do. But first, bake me a little loaf of bread and bring it to me. After you do that, take what is left and prepare some food for you and your son. ¹⁴ *I know that you will be able to do that*, because Yahweh, the God whom we Israelis *worship*, says this: 'There will always be plenty of flour and *olive* oil left in your containers, until the time when I send rain again *and the crops grow again!*'"

¹⁵ So the woman did exactly what Elijah told her to do. And she and her son and Elijah had enough food every day, ¹⁶ because the flour in the jar was never finished, and the jug of oil was never empty. That happened just like Yahweh had told Elijah that it would happen.

Elijah restored to life the widow's son

¹⁷ Some time later, the woman's son became sick. He continued to get worse, and finally he died. ¹⁸ So the woman went to Elijah and said to him, "You are a prophet; so why have you done this to me? Have you come here to punish me for my sins by causing my son to die?"

¹⁹ But Elijah replied, "Give your son to me." So she gave her son to him, and he took the boy's *body* from her and carried it up *the steps* to the room where he stayed. He laid the boy's *body* on his bed. ²⁰ Then Elijah cried out to Yahweh, "O Yahweh my God, this widow *has kindly allowed* me to stay in her home. So why have you brought this tragedy to her and caused her son to die?" [RHQ] ²¹ Then Elijah stretched himself on top of the boy's *body* and called out to Yahweh saying, "Yahweh my God, please allow this boy to become alive again!" He did this three times.

²² Yahweh heard what Elijah prayed, and *he caused* the boy to become alive again [DOU]. ²³ Elijah carried the boy down *the steps* and gave him to his mother. He said, "Look, your son is alive!"

²⁴ The woman said to Elijah, "Now I know *for certain* that you are a prophet and that the words that you speak are truly from Yahweh!"

Elijah met with Obadiah

18 For almost three years there was no rain in Samaria. Then Yahweh said this to Elijah: "Go and meet with King Ahab and *tell him that* I will soon send rain." ² So Elijah went to talk to Ahab.

In Samaria there was almost no food for anyone to eat. ³ There was a man there named Obadiah. He was in charge of the king's palace. He greatly revered Yahweh. ⁴ One time when *Queen* Jezebel had *tried to* kill all Yahweh's prophets, Obadiah hid 100 of them in two

caves. He put 50 prophets in each cave, and he brought food and water to them.

⁵ *By this time, the famine/lack of food and water had become very severe in Samaria.* So Ahab summoned Obadiah and said to him, "We must check/look near every spring and in every valley to see if we can find enough grass to give to some of my horses and mules, so that they will not all die." ⁶ So they both started walking throughout the land. Obadiah went in one direction by himself, and Ahab went in another direction by himself.

⁷ While Obadiah was walking along, he saw Elijah coming toward him. Obadiah recognized Elijah and bowed down in front of him and said, "Is it really you, Elijah, my master?"

⁸ Elijah replied, "Yes. Now go and tell *Ahab*, your master, that I am here."

⁹ Obadiah objected. He said, "Sir, I have not [RHQ] harmed you at all. So why are you sending me back to Ahab? He will kill me! ¹⁰ Yahweh your God *knows that I am telling the truth when* I solemnly declare that King Ahab has searched in every kingdom all over the world [HYP] to find you. Each time that some king said to him, 'Elijah is not here,' Ahab demanded that the king of that country solemnly swear/declare that the king was telling the truth. ¹¹ Now you say to me, 'Go and tell your master that Elijah is here!' ¹² But as soon as I leave you, the Spirit of Yahweh will carry you away, and I will not know where he will take you. So when *I tell Ahab that you are here and he comes to me and he does not find you here*, he will kill me! But *I do not deserve to die because* I have revered Yahweh since I was a boy. ¹³ My master, have you not heard about what I did when Jezebel wanted to kill all of Yahweh's prophets? I hid 100 of them in two caves and took food and water to them. ¹⁴ Now, sir, you say, 'Go and tell your master that Elijah is here.' But if I do that, *and he comes and you are not here*, he will kill me!"

¹⁵ But Elijah replied, "Yahweh, the Almighty One whom I serve [IDM], knows that *I am telling the truth as* I solemnly declare that I will go to meet with Ahab today."

Elijah killed the prophets of Baal

¹⁶ So Obadiah went to tell Ahab that Elijah had come. Ahab went to meet with him. ¹⁷ When he saw Elijah, he said to him, "Is that you, the one who causes trouble for *the people of Israel?*"

¹⁸ Elijah replied, "It is not I who have caused trouble for the people of Israel! You and your family are the ones who have caused trouble! You have refused to obey Yahweh's commands, and you have worshiped the idols of Baal instead. ¹⁹ So now, command all the Israeli people to come to Carmel Mountain, and *be sure to* bring all the 450 prophets who worship Baal and the 400 prophets who worship *the goddess* Asherah, the ones to whom *your wife* Jezebel brings food and water."

²⁰ So Ahab summoned all his prophets and all the other *Israeli* people to the top of Carmel Mountain, and *Elijah went up there too*²¹ Then Elijah stood in front of them and said, "How long [RHQ] are you going to be undecided *about who is truly God?* If Yahweh is *truly* God, then worship/serve him. If Baal is truly God, then worship/serve him!" But the people said nothing *in reply, because they were afraid of what Jezebel would do to them if they admitted that they worshiped Yahweh.*

²² Then Elijah said to them, "I am the only true prophet of Yahweh who is left, but Baal has 450 prophets. ²³ Bring two bulls. The prophets of Baal may choose the one that they want. They must *kill it and cut it into pieces and lay the pieces on the wood that is on the altar that they havemade.* But they must not light a fire *under the wood. I will kill the other bull and cut it in pieces and lay the pieces on the altar that I make.* ²⁴ Then they must call to their god [MTY], and I will call to Yahweh. The god who answers by lighting a fire *to the wood that is on that altar is the true God!*"

Then all the people thought that Elijah's suggestion was good.

²⁵ Then Elijah said to the prophets of Baal, "You call to Baal first, because there are many of you. Choose one of the bulls and prepare it, and then call to your god. But do not light a fire under the wood!" ²⁶ So they killed one of the bulls and cut it up and placed the pieces on the altar. Then they called out to Baal all morning. They shouted, "Baal, answer us!" But no one answered. There was no reply at all [DOU].

Then they danced wildly around the altar that they had made.

²⁷ About noontime, Elijah started to make fun of them. He said, "*Surely* Baal is a god, so it seems that you must shout louder! Perhaps he is thinking about something, or perhaps he has gone to the toilet. Or perhaps he is traveling somewhere, or perhaps he is asleep and you need to wake him up!" ²⁸ So they shouted louder. Then, doing one of the things that they frequently did *when they worshiped Baal*, they slashed/cut themselves with knives and swords until a lot of blood flowed. ²⁹ They continued calling out to Baal all afternoon. But there was no reply, no answer, no god who paid attention.

³⁰ Then Elijah called to the people saying, "Come closer!" So they all crowded around him. Then Elijah repaired the altar of Yahweh that had previously been *ruined/torn down by the prophets of Baal.* ³¹ Then he took twelve *large* stones, each one to represent one of the Israeli tribes. The names of those tribes were given to them by their ancestor Jacob. ³² With these stones he rebuilt Yahweh's altar. Then around the altar he dug a little ditch that was large enough to hold about *three gallons/12 liters* of water. ³³ He piled wood on top of the stones. He killed the bull and cut it in pieces. Then he laid the pieces on top of the wood. Then he said, "Fill four large jars with water, and

pour the water on top of the pieces of meat and the wood." So they did that.

³⁴ Then he said, "Do the same thing again!" So they did it again. Then he said "Do it a third time!" So they did it again.

³⁵ As a result, the water flowed down below the altar and filled the ditches.

³⁶ When it was time to offer the evening sacrifices, Elijah walked close *to the altar* and prayed. He said, "Yahweh, you who are the God that *our ancestors* Abraham and Isaac and Jacob *worshiped*, prove today that you are the God whom the Israeli people *should worship*, and prove that I am your servant. Prove that I have done all these things because you told me to do them. ³⁷ Yahweh, answer me! Answer me in order that these people will know that you, Yahweh God, *have the power to do what you say that you will do*, and that you have caused them to trust in [IDM] you again!"

³⁸ Immediately a fire from Yahweh flashed down from the sky. The fire burned up the pieces of meat, the wood, the stones, and the dirt *that was around the altar.* It even dried up all the water in the ditch!

³⁹ When the people saw that, they prostrated themselves on the ground and shouted, "Yahweh is God! Yahweh is God!"

⁴⁰ Then Elijah commanded them, "Seize all the prophets of Baal! Do not allow any of them to escape!" So the people seized all the prophets of Baal, and took them down the mountain to the Kishon Valley, and Elijah killed them all there.

Elijah prayed for rain

⁴¹ Then Elijah said to Ahab, "Go and get something to eat and drink. *But do it quickly, because it is soon going to rain very hard!*" ⁴² So Ahab *and his men* left to prepare a big meal. But Elijah went back up to the top of Carmel Mountain and prayed.

⁴³ Then he said to his servant, "Go and look out toward the sea, *to see if there are any rain clouds.*" So his servant went and looked, *and came back* and said, "I do not see anything." This happened six times.

⁴⁴ But when the servant went the seventh time, he came back and said, "I saw a very small cloud above the sea. *As I extend my arm*, the cloud is about the size of my hand/fist."

Then Elijah shouted to him, "Go and tell King Ahab to get his chariot ready and go home immediately! If he does not do that, the rain will stop him!" ⁴⁵ Very soon the sky was full of black clouds. There was a strong wind, and then it began to rain very hard. Ahab got into his chariot and started to return to Jezreel city.

⁴⁶ Yahweh gave extra strength to Elijah. He tucked his cloak into his belt *in order to run fast*, and he ran ahead of Ahab's *chariot* all the way *17 miles/26 km.* to Jezreel.

Elijah fled to the desert and then to Sinai Mountain

19 When Ahab got home, he told *his wife* Jezebel what Elijah had done. He told her that Elijah had killed all the prophets of Baal. ² So Jezebel sent this message to Elijah: "By this time tomorrow I will have *killed* you, just like you *killed all those prophets of Baal*. If I do not do that, I hope the gods will kill me."

³ When Elijah *received her message*, he was afraid. So *taking his servant with him*, he fled in order that he would not be killed. He went *far south* to Beersheba, in Judah. He left his servant there. ⁴ Then he went by himself further *south* into the desert. He walked all day. He sat down under a broom tree and prayed that *Yahweh* would allow him to die. He said, "Yahweh, I've had enough. So allow me to die, because for me to live is no better than *being with my ancestors who have died*."

⁵ Then he lay down under the broom tree and slept. But while he was sleeping, an angel touched him and *woke him up and said to him*, "Get up and eat some food!"

⁶ Elijah looked around and saw some bread which had been baked on hot stones, and he also saw a jar of water. So he ate some bread and drank some water and lay down *to sleep* again.

⁷ Then the angel *who had been sent by Yahweh* came again and touched him, and said, "Get up and eat some *more* food, because you need *more strength* to go on a long journey." ⁸ So he got up and ate and drank some more, and because of doing that, he got enough strength to enable him to travel for forty days and nights to Sinai Mountain, the mountain *that was dedicated to God*. ⁹ He went into a cave there and slept there that night.

Yahweh gave instructions to Elijah

The next morning, Yahweh said to him "Elijah, why are you here?" ¹⁰ Elijah replied, "I have zealously served you, Yahweh, God Almighty. But the Israeli people have broken the agreement that they made with you. They have torn down your altars, and they have killed all of your prophets. I am the only one whom they have not killed, and now they are trying to kill me, too. *So I am running away from them*."

¹¹ Yahweh said to him, "Go out and stand in front of me on this mountain while I pass by." *Suddenly* a strong windstorm struck the mountain. As a result, rocks were loosened from the mountainside. But Yahweh was not in the wind. Then there was an earthquake, but Yahweh was not in the earthquake.

¹² Then there was a fire, but Yahweh was not in the fire. Then there was a sound like someone whispering quietly. ¹³ When Elijah heard that, he wrapped his cloak around his face. He went out of the cave and

stood at its entrance. And he heard Yahweh speaking to him, saying again, "Elijah, why are you here?"

¹⁴ He replied again, "I have zealously served you, Yahweh, God Almighty. But the Israeli people have broken the agreement that they made with you. They have torn down your altars, and they have killed all of your prophets. I am the only one whom they have not killed, and now they are trying to kill me, too. *So I am running away from them*."

¹⁵ Then Yahweh told him, "Go back to the desert near Damascus. When you arrive there, anoint *with olive oil* a man named Hazeal, *to appoint him* to be the king of Syria. ¹⁶ Then anoint Jehu, the son of Nimshi, to be the king of Israel, and also anoint Elisha the son of Shaphat, from Abel-Meholah *town*, to become my prophet after you are dead. ¹⁷ Hazeal's army *will kill many people*, and those who escape from *being killed* by his army will be killed by Jehu's army, and those who escape from *being killed* by Jehu's army will be killed by Elisha. ¹⁸ But *you need to know that* there are still 7,000 people in Israel who have never bowed to *worship* Baal or kissed his *idol*."

Elijah summoned Elisha

¹⁹ So Elijah went *to Syria* and found Elisha as he was plowing a field with a team of oxen. There were eleven other men who were in front of him, plowing with teams of oxen in the same field. Elijah went to Elisha, and took off his own coat and put it on Elisha, *to show Elisha that he wanted him to take his place as a prophet*. Then he started to walk away. ²⁰ Elisha left the oxen standing there and ran after Elijah, and said to him, "I will go with you, but first let me kiss my parents goodbye."

Elijah replied, "Okay, go home. But do not forget why I have *given my cloak* to you!" ²¹ So Elisha went back *to his oxen*. He killed them *and cut them in pieces* and used the wood from the plow to build a fire to roast the meat. He distributed the meat to the other people *in his town*, and they all ate some. Then he went with Elijah and became his helper.

The Syrian army attacked Israel

20 Ben-Hadad, the king of Syria, gathered all his army, and he persuaded 32 other kings to join him with their armies and horses and chariots. They marched to Samaria *city, the capital of Israel*, and surrounded it, and *prepared to attack* it. ² Ben-Hadad sent messengers into the city to King Ahab, to say this to him: "This is what King Ben-Hadad says: ³ *You must give to me all your silver and gold, your good-looking/most beautiful wives/women and strongest children*."

⁴ The king of Israel replied to them, "Tell this to King Ben-Hadad: 'I agree to do what you requested. You can have me and everything that I own.'"

⁵ *The messengers told that to Ben-Hadad, and he sent them back with another message: "I sent a message to you saying that you must give me all your silver and gold and your wives and your children. ⁶ But in addition to that, about this time tomorrow, I will send some of my officials to search your palace and the houses of your officials, and to bring to me everything that pleases them."*

⁷ King Ahab summoned all the leaders of Israel, and said to them, "You can see/realize for yourselves that this man is trying to cause much trouble. He sent me a message insisting that I must give him my wives and my children, my silver and my gold, and I agreed to do that."

⁸ The leaders and all the other people said to him, "Do not pay any attention to him! Do not do what he is requesting!"

⁹ So Ahab said to Ben-Hadad's messengers, "Tell the king that I agree to give him the things that he first requested, but I do not agree to allow his officials to take anything that they want from my palace and from the houses of my officials." So the messengers reported that to King Ben-Hadad, and they returned with another message from Ben-Hadad.

¹⁰ In that message he said, "*We will destroy your city completely, with the result that there will not be enough dust and rubble left for each of my soldiers to have one handful! I hope/wish that the gods will strike me dead if we do not do that!*"

¹¹ King Ahab replied to the messengers, "Tell King Ben-Hadad that a soldier who is putting on his armor preparing to fight a battle [MTY] should not boast at that time; he should wait until after he wins the battle."

¹² Ben-Hadad heard that message while he and the other rulers were drinking wine in their temporary shelters. He told his men to prepare to attack [MTY] the city. So his men did that.

Ahab's soldiers won their first victory over the Syrians

¹³ At that moment, a prophet came to King Ahab and said to him, "This is what Yahweh says: 'Do not be at all afraid [RHQ] of the large enemy army that you see! I will enable your army to defeat them today, and you will know that it is I, Yahweh, who have the power to do what I say that I will do.'"

¹⁴ Ahab asked, "What group of our army will defeat them?" The prophet replied, "The young soldiers who are commanded by the district governors will do it." The king asked, "Who should lead the attack?" The prophet replied, "You should!"

¹⁵ So Ahab gathered the young soldiers who were commanded by the district governors. There were 232 of those men. Then he also summoned all the Israeli army. There were only 7,000 soldiers. ¹⁶ They started to attack at noon, while Ben-Hadad and the other rulers were getting drunk in their temporary shelters. ¹⁷ The young soldiers advanced first. Some scouts

who had been sent out by Ben-Hadad reported to him, "There are men coming out of Samaria city!"

¹⁸ He said, "It does not matter whether they are coming to fight against us or to ask for peace. Capture them, but do not kill them"

¹⁹ The young Israeli soldiers went out of the city to attack the Syrian army, and the other soldiers in the Israeli army followed them. ²⁰ Each Israeli soldier killed a Syrian soldier. The rest of the Syrian army then ran away, and the Israeli soldiers pursued them. But King Ben-Hadad escaped riding his horse, along with some other men riding horses. ²¹ Then the king of Israel went out of the city, and he and his soldiers captured all the other Syrian horses and chariots, and also killed a large number of Syrian soldiers.

²² Then that same prophet went to King Ahab and said to him, "Go back and prepare your soldiers, and think carefully about what will be necessary for you to do, because the king of Syria with attack with his army again in the springtime of next year."

²³ After the Syrian army was defeated, Ben-Hadad's officials said to him, "The gods that the Israelis worship are gods who live in the hills. Samaria is built on a hill, and that is why their soldiers were able to defeat us. But if we fight against them in the plains/lowlands, we certainly will be able to defeat them. ²⁴ So, this is what you should do: You must remove the 32 kings who are leading your troops and replace them with army commanders. ²⁵ Then gather an army like the army that was defeated. Gather an army that has as many horses and chariots as the first army had. Then we will fight the Israelis in the plains/lowlands, and we will surely defeat them."

Ben-Hadad agreed with them, and he did what they suggested. ²⁶ In the spring of the following year, he gathered his soldiers and marched with them to Aphek city east of Galilee Lake, to fight against the Israeli army. ²⁷ The Israeli army was also gathered together, and they were equipped with the things that they needed for the battle. Then they marched out and formed two groups facing the Syrian army. Their army was very small; they resembled two small flocks of goats, whereas the Syrian army was very large and spread all over the countryside.

²⁸ A prophet came to King Ahab and said to him, "This is what Yahweh says: 'The Syrians say that I am a god who lives in the hills, and that I am not a god who lives in the valleys. So I will show that they are wrong by enabling your men to defeat this huge army [IDM] in the valley, and you will know that I, Yahweh, have done it.'"

²⁹ The two armies stayed in their tents for seven days, in groups that faced each other. Then, on the seventh day, they started fighting. The Israeli army killed 100,000 Syrian soldiers. ³⁰ The other Syrian soldiers ran away into Aphek City. Then the wall of the city collapsed and killed 27,000 more Syrian soldiers.

Ben-Hadad also escaped into the city, and hid in the back room of a house. ³¹ His officials went to him and said, "We have heard a report that the Israelis act mercifully. So allow us to go to the king of Israel, wearing coarse sacks around our waists and ropes on our heads/necks *to indicate that we will be his slaves*. Perhaps if we do that, he will allow you to remain alive."

³² The king permitted them to do that, so they wrapped coarse sacks around their waists and put ropes on their heads/necks, and they went to the king of Israel and said to him, "Ben-Hadad, who greatly respects you, says, 'Please do not kill me.'" Ahab replied, "Is he still alive? He is like a brother to me!"

³³ Ben-Hadad's officials were trying to find out if Ahab would act mercifully, and when Ahab said "brother," they \diamond were optimistic/thought that Ahab would be merciful \diamond . So they replied, "Yes, he is like your brother!" Ahab said, "Go and bring him to me." So they went and brought Ben-Hadad to him. *When Ben-Hadad arrived*, Ahab told him to get in his chariot and sit with him.

³⁴ Ben-Hadad said to him, "I will give back to you the towns that my father's army took from your father. And I will allow you to set up market areas for your merchants in Damascus *my capital*, just as my father did in Samaria *your capital*." Ahab replied, "Because you agree to do that, I will not execute you." So Ahab made an agreement with Ben-Hadad, and allowed him to go home.

³⁵ Then Yahweh spoke to a member of a group of prophets and said to him, "Ask one of your fellow prophets to strike and wound you." *So he did what Yahweh told him to do. He said to one of his fellow prophets, 'Strike me and wound me.'* But that man refused to do it.

³⁶ So the prophet said to him, "Because you refused to obey what Yahweh told you to do, a lion will kill you as soon as you leave me." And as soon as he left that prophet, a lion suddenly pounced on him and killed him.

³⁷ Then the prophet found another prophet, and said to him, "Strike me!" So that man hit him *very hard and* injured him. ³⁸ Then the prophet put a large bandage/cloth over his face so that no one would recognize him. Then he went and stood alongside the road, waiting for the king to come by. ³⁹ When the king passed by, the prophet cried out to him, saying "Your majesty, *after I was wounded* while I was fighting in a battle, a soldier brought to me one of our enemies that he had captured, and said to me, 'Guard this man! If he escapes, you must pay me 3,000 pieces of silver, and if you do not pay that, you will be executed!' ⁴⁰ But while I was busy doing other things, the man escaped!" The king of Israel said to him, "That is your problem! You yourself have said that you deserve to be punished."

⁴¹ The prophet immediately took off the bandage, and the king of Israel recognized that he was one of

the prophets. ⁴² And the prophet said to him, "This is what Yahweh says: 'You have allowed that man *Ben-Hadad* to escape after I commanded you to be sure to execute him! Since you did not do that, you will be killed instead. And your army will be destroyed because you allowed *some of his army* to escape!'"

⁴³ The king went back home to Samaria, very angry and depressed/dejected.

Jezebel arranged for Naboth to be killed

21 King Ahab had a palace in Jezreel city. Near the palace was a vineyard owned by a man from that city whose name was Naboth. ² One day, Ahab went to Naboth and said to him, "Your vineyard is close to my palace. I would like to buy it, so that I can plant some vegetables there. In exchange, I will give you a better vineyard *somewhere else*, or if you prefer, I will pay you for your vineyard."

³ But Naboth replied, "That land belonged to my ancestors, *so I want to keep it*. I hope that Yahweh will never allow me to give that land to you!"

⁴ So Ahab became very sullen and angry because of what Naboth had said. He went home and lay down on his bed. He turned his face toward the wall, and he refused to eat anything.

⁵ His wife Jezebel came in and asked him, "Why are you so depressed? Why are you refusing to eat anything?"

⁶ Ahab replied, "I talked to Naboth, that man from Jezreel. I told him *that I wanted his vineyard*. I said, 'I will buy it from you, or I will give you another vineyard for it.' But he refused *to let me have it*."

⁷ His wife replied, "You are [RHQ] the king of Israel, *so you can get whatever you want* Get up, and eat some food and do not worry about *what Naboth said*. I will get Naboth's vineyard for you."

⁸ Then Jezebel wrote some letters, and she signed Ahab's name on them. She used his official seal to seal them. Then she sent them to the older leaders and other important men who lived in Naboth's town.

⁹ This is what she wrote in the letters: "Proclaim a day when all the people will *gather together and* \diamond fast/abstain from eating food \diamond . Give to Naboth an important place to sit among them. ¹⁰ Then find two men who always cause trouble. Give them places to sit opposite/facing him. Tell these men to testify that they heard Naboth say things that criticized God and the king. Then take Naboth out of the city and kill him by throwing stones at him."

¹¹ The leaders received the letters and did what Jezebel had written in the letters for them to do.

¹² They declared a day on which the people would all \diamond fast/abstain from food \diamond . And they gave Naboth a seat in a place where honored people sat, in front of the people. ¹³ Two men who always caused trouble sat opposite/facing Naboth. While everyone was listening, they stated that they had heard Naboth say things that criticized God and the king. So the people

seized Naboth. They took him outside the city and killed him *by throwing* stones at him. ¹⁴ Then those leaders sent a message to Jezebel, saying "We have executed Naboth."

¹⁵ When Jezebel found out that Naboth had been killed, she told Ahab, "Naboth is dead. Now you can go and take possession of the vineyard that he refused to sell to you." ¹⁶ When Ahab heard that Naboth was dead, he got up and went to the vineyard to claim that he now owned it.

¹⁷ Then Yahweh spoke to Elijah the prophet. He said, ¹⁸ "Go to Samaria and talk to Ahab, the king of Israel. He is in the vineyard of a man named Naboth. He has gone there to claim that he now owns it. ¹⁹ Tell Ahab that this is what I, Yahweh, say to him: 'You have murdered Naboth and taken his land.' So I am telling you this: 'In the same place where *Naboth died and dogs came and licked up Naboth's blood, you will die and the dogs will lick up your blood, too!*' "

²⁰ So when Elijah met with Ahab, Ahab said to him, "You, my enemy, have found me!" [RHQ] Elijah answered, "Yes, I have found you. You have never stopped doing the things that Yahweh says are wrong.

²¹ So this is what Yahweh says to you: 'I will soon get rid of you. I will kill you, and I will also kill every male in your household, including those who are slaves and those who are not slaves. ²² Your family will all be killed, just like the family of King Jeroboam and like the family of King Baasha were killed. I will get rid of you because you have caused me to become very angry, and you have also led the Israeli people to sin.'

²³ Yahweh has also told me that *your wife Jezebel will be killed, and dogs in Jezreel will eat her corpse.*

²⁴ The *dead bodies of the members of your family who die in this city will not be buried; they will be eaten by dogs, and the corpses of those who die in the fields will be eaten by vultures.*"

²⁵ There was no man no man like Ahab who always did things that Yahweh considered to be evil. His wife Jezebel incited/urged him to do *many of those things.*

²⁶ The most abominable/detestable thing that Ahab did was to worship idols, just like the Amor people-group had done. And that is why Yahweh took the Amor people's land from them and gave it to the Israelis.

²⁷ After Elijah finished talking to Ahab, Ahab tore his clothes *to show that he was sorry for all the sins that he had committed.* He put on rough clothes that were made from sacks, and he refused to eat anything. He even wore those rough clothes made from sacks when he slept, to show that he was sorry.

²⁸ Then Yahweh said this to Elijah: ²⁹ "I have seen [RHQ] that Ahab is now very sorry for all the evil things that he has done. So the things that I promised to do to his *family* will not happen while he is still alive. I will cause them to happen after his son becomes king. Then those things will happen to his family." [MTY]

Jehoshaphat talked with Ahab

²² For almost three years there was no war between Syria and Israel. ² Then King Jehoshaphat, who ruled Judah, went to *visit* King Ahab, who ruled Israel. ³ *While they were talking,* Ahab said to his officials, "Do you realize that the Syrians are still occupying our city of Ramoth in the Gilead *region*? And we are doing nothing to retake that city!" ⁴ Then he turned to Jehoshaphat and asked, "Will your *army* join my *army* to fight against the people of Ramoth and retake that city?"

Jehoshaphat replied, "*Certainly I will do whatever you want, and you may command my troops. You may take my horses into battle, also.*" ⁵ Then he added, "But we should ask Yahweh first, to find out what he wants us to do." ⁶ So Ahab summoned about 400 of his prophets together, and he asked them, "Should my *army* go to fight the people in Ramoth and retake that city, or not?"

They answered, "Yes, go *and attack them,* because God will enable your *army* to defeat them."

⁷ But Jehoshaphat asked, "Is there no prophet of Yahweh here whom we can ask?"

⁸ The King of Israel replied, "There is one man we can talk to. We can ask him if he can find out what Yahweh wants. His name is Micaiah; he is the son of Imlah. But I hate him, because when he *prophesies* tells what God says to him *he never says that anything good will happen to me.* He always predicts that bad things will happen to me."

Jehoshaphat replied, "King Ahab, you should not say that!"

⁹ So the king of Israel told one of his officers to summon Micaiah immediately.

Micaiah prophesied against Ahab

¹⁰ The king of Israel and the king of Judah were wearing their *royal robes/robes* that showed that they were kings. They were sitting on thrones at the place where people threshed grain, near the gate of Samaria *city.* All of Ahab's prophets were standing in front of the kings, *prophesying/predicting* what was going to happen. ¹¹ One of them, whose name was Zedekiah, the son of Kenaanah, had made from iron something *that resembled horns of a bull.* Then he proclaimed *to Ahab,* "This is what Yahweh says: 'With horns like these your *army* will keep attacking the Syrians like *a bull attacks another animal* [MET], until you completely destroy them!'"

¹² All the *other prophets of Ahab* agreed. They said, "Yes! If you go up to attack Ramoth *city* in the Gilead *region,* you will be successful, because Yahweh will enable you to defeat them!"

¹³ Meanwhile, the messenger who went to summon Micaiah said to him, "Listen to me! All the other prophets are predicting that the king's army will de-

feat the Syrians. So be sure that you agree with them and say *what will be favorable/that the king's army will be successful*.

¹⁴ But Micaiah replied, "As surely as Yahweh lives, I will tell him only what Yahweh tells me to say."

¹⁵ When Micaiah came to Ahab, Ahab asked him, "Micaiah, should we go to fight against *the people of Ramoth*, or not?"

Micaiah replied, "Sure, go! Yahweh will enable your army to defeat them!" ¹⁶ But King Ahab *realized that Micaiah was lying/being sarcastic*, so he said to Micaiah, "I have told you [RHQ] many times that you must always tell only the truth when you say what Yahweh *has revealed to you!*"

¹⁷ So Micaiah said to him, "*The truth is that* in a vision I saw all the troops of Israel scattered on the mountains. They seemed to be like sheep that did not have a shepherd. And Yahweh said, 'Their master has been killed. So tell them all to go home peacefully.'"

¹⁸ Ahab said to Jehoshaphat, "I told you [RHQ] that he never predicts that anything good *will happen to me!* He *always* predicts that bad things *will happen to me.*"

¹⁹ But Micaiah continued, saying, "Listen to what Yahweh showed to me! *In a vision* I saw Yahweh sitting on his throne, with all the armies of heaven surrounding him, on his right side and on his left side. ²⁰ And Yahweh said, 'Who can persuade Ahab to go to fight against the people of Ramoth, in order that he may be killed there?'"

Some suggested one thing, and others suggested something else. ²¹ Finally one *evil* spirit came to Yahweh and said, 'I can do it!'

²² Yahweh asked him, 'How will you do it?'

The spirit replied, 'I will go and inspire all of Ahab's prophets to tell lies.' Yahweh said, 'You will be successful; go and do it!' ²³ So now *I tell you that* Yahweh has caused all of your prophets to lie to you. Yahweh has decided that something terrible will happen to you."

²⁴ Then Zedekiah walked over to Micaiah and slapped him on his face. He said, "Do you think that Yahweh's Spirit left me in order to speak to you?" [RHQ]

²⁵ Micaiah replied, "You will find out for yourself *which of us Yahweh's Spirit has truly spoken to* on the day when you go into a room of some house to hide *from the Syrian troops!*"

²⁶ King Ahab commanded *his soldiers*, "Seize Micaiah and take him to Amon, the governor of this city, and to my son Joash. ²⁷ Tell them that I have commanded that they should put this man in prison and give him only bread and water. Do not give him anything else to eat until I return safely from the battle!"

²⁸ Micaiah replied, "If you return safely, *it will be clear that* it was not Yahweh who told me what to say to you!" Then he said *to all those who were standing there*, "Do not forget what I have said *to King Ahab!*"

Ahab died in the battle

²⁹ So the King of Israel and the King of Judah *led their armies* to Ramoth, in the Gilead region. ³⁰ King Ahab said to Jehoshaphat, "I will put on different clothes, *in order that no one will recognize that I am the king*. But you should wear your *royal robe/robe* that shows that you are a king." So Ahab disguised himself, and they both went into the battle.

³¹ The King of Syria told this to his thirty-two men who were driving the chariots: "Attack only the king of Israel!" ³² So when the men who were driving the Syrian chariots saw Jehoshaphat *wearing his royal robes/clothes that showed he was the king*, they pursued him. They shouted, "There is the king of Israel!" But when Jehoshaphat cried out, ³³ they realized that he was not the king of Israel. So they stopped pursuing him.

³⁴ But one *Syrian* soldier shot an arrow at Ahab, without knowing that it was Ahab. The arrow struck Ahab between the places where the parts of his armor joined together. Ahab told the driver of his chariot, "Turn the chariot around and take me out of here! I have been severely wounded!" ³⁵ The battle continued all the day. Ahab was sitting propped up in his chariot, facing the Syrian troops. The blood from his wound ran down to the floor of the chariot. And late in the afternoon he died. ³⁶ Just as the sun was going down, someone among the Israeli troops shouted, "*The battle is ended!* Everyone should return home!"

³⁷ So king Ahab died, and they took his body *in the chariot* to Samaria city and buried his body there.

³⁸ They washed his chariot alongside the pool in Samaria, a pool where the prostitutes bathed. And dogs *came and* licked the king's blood, just like Yahweh had predicted would happen.

³⁹ The account/record of the other things that happened while Ahab was ruling, and about the palace decorated with much ivory *that they built for him*, and the cities that were built for him, was written in the scroll called 'The History of the Kings of Israel'.

⁴⁰ When Ahab died, his body was buried where his ancestors were buried. Then his son Ahaziah became king.

Jehoshaphat ruled in Judah

⁴¹ Before King Ahab died, when he had been ruling in Israel for four years, Asa's son Jehoshaphat started to rule in Judah. ⁴² Jehoshaphat was thirty-five years old when he started to rule, and he ruled in Jerusalem for twenty-five years. His mother was Azubah, the daughter of Shilhi. ⁴³ Jehoshaphat was a good king, just like his father Asa had been. He did things that pleased Yahweh. But while he was king, he did not remove all the pagan altars *that the people had built* on the hilltops. So the people continued to offer sacrifices *to idols* on those altars and burned incense there.

⁴⁴ Jehoshaphat also made a peace *agreement* with the king of Israel.

⁴⁵ All the other things that happened while Jehoshaphat was ruling, and the great things that he did and the victories his *troops* won, are written in the scroll called 'The History of the Kings of Judah'. ⁴⁶ Jehoshaphat's father Asa *had tried to expel* the male prostitutes that stayed at the pagan shrines, but some of them were still there. Jehoshaphat got rid of them.

⁴⁷ At that time, there was no king in Edom; a ruler who had been appointed by Jehoshaphat ruled there.

⁴⁸ Jehoshaphat *ordered some Israeli men to build* a fleet/group of ships to sail *south* to the Ophir *region* to get gold. But they were wrecked at Ezion-Geber/Elath, so the ships never sailed. ⁴⁹ Before the ships were wrecked, Ahab's son Ahaziah suggested to Jehoshaphat, "Allow my sailors to go with your sailors," but Jehoshaphat refused.

⁵⁰ When Jehoshaphat died, his *body* was buried where his ancestors were buried in *Jerusalem*, the city where King David *had ruled*. Then Jehoshaphat's son Jehoram became king.

Ahaziah ruled in Israel

⁵¹ Before King Jehoshaphat died, when he had been ruling in Judah for 17 years, Ahab's son Ahaziah began to rule in Israel. Ahaziah ruled in Samaria for two years. ⁵² He did many things that Yahweh considered to be evil, doing the *evil* things that his father and mother had done and the evil things that Jeroboam had done—the king who had led all the Israeli people to sin *by worshipping idols*. ⁵³ Ahaziah bowed in front of Baal's idol and worshiped it. That caused Yahweh, the God who was the true God of the Israeli people, to become very angry, just as Ahaziah's father had caused Yahweh to become angry.

2 KINGS

Elijah condemned King Ahaziah

1 After King Ahab died, *the country of Moab* rebelled against Israel. **2** One day, Ahaziah, *the new king of Israel*, fell through the wooden slats/boards around the edge of the flat roof of *his palace* in Samaria. He was badly injured, so he summoned some messengers and told them, "Go to Ekron *city in Philistia*, and ask their god Baalzebub whether I will \diamond recover/become well \diamond ."

3 But an angel from Yahweh said to Elijah, the prophet from Tishbe *town*, "The king of Samaria is sending some messengers to Ekron. Go and meet them and say to them, 'Is it because there is no God in Israel that you are going to Ekron to ask Baalzebub, the god of those people, *whether you will recover?*'"

4 Yahweh says that you should tell King Ahaziah that he will not recover from his being injured; he will surely die."

5 So Elijah went to meet the messengers and told that to them, and they returned to the king *instead of going to Ekron*. The king asked them, "Why did you return so soon?"

6 They replied, "A man came to meet us, and said to us, 'Return to the king who sent you and tell him that Yahweh says, " \diamond Is it because there no God in Israel that you are sending *messengers* to Ekron to consult Baalzebub, their god?/You seem to think there is no God in Israel, with the result that you are sending *messengers* to Ekron to ask Baazebub, their god, *whether you will recover.* \diamond [RHQ] Go tell the king that he will not recover from being injured; instead, he will surely die.'"

7 The king said to them, "The man who came to meet you and told that to you, what did he look like?"

8 They replied, "He was a hairy man and he had a *wide leather belt* around his waist." The king exclaimed, "That was Elijah!"

9 Then the king sent an officer with 50 soldiers to seize Elijah. They found Elijah sitting on the top of a hill. The officer called out to him, "Prophet, the king commands that you come down here!"

10 But Elijah replied, "I am a prophet; so, I command that fire come down from the sky and burn up you and your 50 soldiers!" Immediately, fire came down from the sky and completely burned up the officer and his 50 soldiers.

11 When the king found out about that, he sent another officer with 50 more soldiers. They went to where Elijah was, and the officer called out to him, "Prophet, the king commands that you come down immediately!"

12 But Elijah replied, "I am a prophet; to prove that, I command that fire come down from the sky and kill you and your soldiers!" Then a fire from God came down from the sky and killed the officer and his soldiers.

13 When the king heard about that, he sent another officer with 50 more soldiers. They went to where Elijah was, and the officer prostrated himself in front of Elijah, and said to him, "Prophet, I plead with you, be kind to me and my 50 soldiers, and \diamond do not kill us/allow us to remain alive \diamond ! **14** We know that two times fire came down from the sky and killed officers and the 50 soldiers who were with them. So now, please be kind to me!"

15 Then the angel from Yahweh said to Elijah, "Go down and go with him. Do not be afraid of him." So Elijah went with them to the king.

16 When Elijah arrived, he said to the king, "This is what Yahweh says: 'You sent messengers to go to Ekron to ask Baalzebub, their god, *whether you would recover.* You acted as though [RHQ] there is no God in Israel to consult. So you will not recover from being injured; instead, you are going to die!'" **17** So Ahaziah died, which is what Yahweh told Elijah would happen. Ahaziah's younger brother Joram became the new king, when Jehoram, the son of Jehoshaphat, had been ruling Judah for almost two years. Ahaziah's brother became the king because Ahaziah had no son to become the king.

18 If you want to know about all the other things that Ahaziah did, they are [RHQ] written in the scroll called 'The History of the Kings of Israel'.

Elijah is taken up to heaven

2 When Yahweh was about to take the prophet Elijah up to heaven in a \diamond whirlwind/twisting wind \diamond , Elijah and his fellow prophet Elisha were traveling south from Gilgal town. **2** Elijah said to Elisha, "Stay here, because Yahweh has told only me to go to Bethel town."

But Elisha replied, "Just as certainly as Yahweh lives and you live, I will not leave you!"

So they went down *together* to Bethel. ³ A group of prophets came to Elisha *and Elijah before they entered the town*, and they asked Elisha, "Do you know that Yahweh is going to take your master/boss *Elijah* away from you today?"

Elisha answered, "Certainly I know that, but don't talk about it!" [IDM] ⁴ Then Elijah said to Elisha, "Stay here, because Yahweh has told *only* me to go to Jericho."

But Elisha replied *again*, "Just as certainly as Yahweh lives and you live, I will not leave you!"

So they went *together* to Jericho city.

⁵ As they neared Jericho, a group of prophets who were from there came to Elisha and said to him, "Do you know that Yahweh is going to take your master/boss *Elijah* away from you today?"

He answered again, "Certainly I know that, but don't talk about it!" [IDM]

⁶ Then Elijah said to Elisha, "Stay here, because Yahweh has told *only* me to go to the Jordan River."

But *again* Elisha replied, "As certainly as Yahweh lives and you live, I will not leave you!"

So they continued walking together. ⁷ Fifty men from a group of prophets *who were from Jericho* also went, but they watched from a distance as Elijah and Elisha stopped at the edge of the Jordan River. ⁸ Then Elijah rolled up his cloak and struck the water with it. A path opened up for them through the river, and they walked across *as though they were* on dry ground.

⁹ When they came to the other side, Elijah said to Elisha, "What do you want me to do for you before \diamond I am taken away/Yahweh takes me away \diamond ?"

Elisha replied, "I want to receive twice as much of your power *as you have had*, (OR enable me to very powerfully continue your ministry)."

¹⁰ Elijah replied, "You have asked for something which is difficult *for me to cause to happen*. But, if you see me when \diamond I am taken from you/Yahweh takes me from you \diamond , you will get what you are requesting. But if you do not see me, then you will not get it."

¹¹ As they were walking and talking, suddenly a chariot that had fire *surrounding it*, pulled by horses which also had fire *surrounding them*, appeared. *The chariot driver* drove the chariot between Elijah and Elisha and separated them. Then Elijah was taken up to heaven in a \diamond whirlwind/twisting wind \diamond . ¹² Elisha saw it. He cried out, "My father/master! My father/master! The chariots of us Israeli people and their drivers *have taken my master away!*" *They disappeared into the sky*, and Elisha never saw Elijah again. Then Elisha tore his own robe into two pieces *to show that he was sad*. ¹³ Elijah's cloak *had fallen off when he was taken away*, so Elisha picked it up and returned to the bank of the Jordan River. ¹⁴ He *rolled up the cloak* and struck the water with it, and cried out, "Will Yahweh, the God who *enabled* Elijah *to perform miracles, enable me to do similar things?*" Then the water separat-

ed, and a path opened up for him, and Elisha went across.

¹⁵ When the group of prophets from Jericho saw what happened, they exclaimed, "Elisha now has the power that Elijah had!" [MTY] They walked over to him and bowed down in front of him. ¹⁶ *One of them* said, "Sir, if you permit us, 50 of our strongest men will go and search for your master *on the other side of the river*. Perhaps the Spirit of Yahweh has left him on some mountain or in some valley."

Elisha replied, "No, do not send them."

¹⁷ But they kept insisting. Finally he was tired of saying "No," and he said, "Okay, send them." So 50 men searched for three days, but they did not find Elijah.

¹⁸ They returned to Jericho, and Elisha was still there. He said to them, "I told you that you should not go, *because you would not find him!*" [RHQ]

Elisha made the water pure

¹⁹ Then the leaders of *Jericho* city came to talk with Elisha. One of them said, "Our master, we have a problem. You can see that this is a very nice place *to live in*. But the water is bad, and as a result, crops will not grow on the land."

²⁰ Elisha said to them, "Put some salt in a new bowl and bring the bowl to me." So they brought it to him.

²¹ Then he went out to the spring *from which the people in the town got water*. He threw the salt into the spring. Then he said, "This is what Yahweh says: 'I have made this water good/pure. No longer will anyone die, from having drunk this water, and now crops will be able to grow.'" [LIT] ²² And the water became pure, just as Elisha said it would be. Since that time it has always remained pure.

Elisha cursed boys who made fun of him

²³ Elisha left Jericho and went up to Bethel. As he was walking along the road, a group of young boys from Bethel *saw him and* started to make fun of him. They continued shouting, "Go away, you bald-headed man!" ²⁴ Elisha turned around and looked/glared at them. He asked Yahweh to \diamond curse them/do something bad to them \diamond . Immediately two bears came out of the woods and mauled forty-two of them. ²⁵ Elisha left Bethel and went to Carmel Mountain, and after that he returned to Samaria city.

The war between Israel and Moab

³ After Jehoshaphat had been ruling Judah for almost 18 years, Ahab's son Joram became the king of Israel. He ruled in Samaria city for twelve years. ² He did things that Yahweh considered to be evil, but he did not do as much evil as his father and mother had done, and he got rid of the pillar *for worshiping* Baal which his father had made. ³ But he committed the sins that *King* Jeroboam had committed

and which led the Israeli people to sin, and he did not stop committing those sins.

⁴ Mesha, the king of Moab, raised sheep. *Every year* he was forced to give 100,000 lambs and the wool from 100,000 rams to the king of Israel, *because his kingdom was controlled by the king of Israel.* ⁵ But after King Ahab died, Mesha rebelled against the king of Israel. ⁶ So King Joram left Samaria and gathered together all his soldiers. ⁷ Then he sent this message to Jehoshaphat, the king of Judah: "The king of Moab has rebelled against me. So will your army join my army and fight against the army of Moab?"

Jehoshaphat replied, "Yes, we will help you. We are ready to do whatever you want us to. My soldiers and my horses are ready to help you."

⁸ He asked, "On which road shall we march to attack them?"

Joram replied, "We will go *south to Jerusalem, where your army will join us. Then we will all go south of the Dead Sea, and then turn north* through the Edom Desert."

⁹ So the king of Israel *and his army* went with the kings of Judah and Edom *and their armies.* They marched for seven days. Then there was no water left for their soldiers or for their animals that carried supplies.

¹⁰ The king of Israel exclaimed, "This is a terrible situation! *It seems that* Yahweh will allow the three of us to be captured by *the army of* [MTY] Moab!"

¹¹ Jehoshaphat said, "Is there a prophet here who can ask Yahweh for us *what we should do?*"

One of Joram's army officers said, "Elisha, the son of Shaphat, is here. He was Elijah's assistant." [IDM]

¹² Jehoshaphat said, "*It will be good to ask him, because* he speaks what Yahweh tells him to say."

So those three kings went to Elisha. ¹³ Elisha said to the king of Israel, "Why do you come to me [RHQ]? Go and ask those prophets that your father and mother consulted!"

But Joram replied, "No, *we want you to ask Yahweh, because it seems that* Yahweh is going to allow us three kings to be captured by the army of Moab."

¹⁴ Elisha replied, "I serve Yahweh, the commander of the armies of angels in heaven. As surely as he lives, if I did not respect Jehoshaphat the king of Judah, I would not even think about doing anything to help you. ¹⁵ But, bring a musician to me."

So they did that. And when the musician played on *his harp,* the power of Yahweh came on Elisha. ¹⁶ He said, "Yahweh says that he will cause this dry streambed to be full of water. ¹⁷ The result will be that your soldiers and your animals that carry supplies and your livestock will have plenty of water to drink. ¹⁸ That is not difficult for Yahweh to do. *But he will do more than that.* He will also enable you to defeat *the army of Moab.* ¹⁹ You will conquer all their beautiful cities, cities that have high walls around them. You must cut down all their fruit trees, stop water from flowing from

their springs, and ruin their fertile fields by covering them with rocks."

²⁰ The next morning, at the time when they offered the sacrifices *of grain,* they were surprised to see water flowing from Edom and covering the ground.

²¹ When the people of Moab heard that the three kings had come *with their armies* to fight against them, all the men who were able to fight in battles, from the youngest men to the oldest ones, were summoned, and they \diamond took their positions/prepared to fight \diamond at the *southern* border of their land. ²² But when they rose early the next morning, they saw that the water across from them appeared to be as red as blood. ²³ They exclaimed, "It is blood! The three enemy armies must have fought and killed each other! So let's go and take everything that they have left!"

²⁴ But when they reached the area where the Israeli soldiers had set up their tents, the Israelis attacked the soldiers from Moab and forced them to retreat. The Israeli soldiers pursued the soldiers from Moab and killed many of them. ²⁵ The Israelis also destroyed their cities. And whenever they passed fertile fields, they threw rocks on those fields, until the fields were covered with rocks. They stopped water from flowing from the springs and cut down the fruit trees. Finally, only *the capital city,* Kir-Hareseth, remained. The Israeli soldiers who threw stones with slings surrounded the city and attacked it. ²⁶ When the king of Moab realized that his army was being defeated, he took with him 700 men who fought with swords, and they tried to force a way through the Israeli lines of soldiers to escape to *get help from* the king of Syria, but they were unable to escape. ²⁷ Then the king of Moab took his oldest son, who would have become the next king, and killed him and offered him for a sacrifice *to their god Chemosh,* burning him on top of the city wall. The Israeli soldiers were horrified, with the result that they left that city and returned to their own country.

Elisha helped a poor widow

4 One day the widow of one of *Yahweh's* prophets came to Elisha and cried out to him, "My husband, who worked with you, is dead. You know that he revered Yahweh *very much.* But now a man to whom he owed a lot of money has come to me. And *because I cannot pay back the money, he is threatening* to take away my two sons to be his slaves *as payment for what I owe him!*"

² Elisha replied, "What can I do to help you? Tell me, what do you have in your house?"

She replied, "We have only a container of *olive oil;* we have nothing else."

³ Elisha said, "Go to your neighbors and borrow from them as many empty jars as you can. ⁴ Then take the jars into your house with your sons. Shut the door. Then pour olive oil from your container into the other jars. When each jar is full, set it aside *and fill another jar. Keep doing that until all the jars are full.*"

⁵ So she did what Elisha told her to do. Her sons kept bringing jars to her, and she kept filling them. ⁶ Soon all the jars were full. So she said to one of her sons, "Bring me another jar!" But he replied, "There are no more jars!" And then the olive oil stopped flowing.

⁷ When she told Elijah *what had happened*, he said to her, "Now sell the jars of oil. And *with the money you get*, pay what you owe, and there will be enough extra money to keep buying food for yourself and your sons." So she did that.

Elisha caused the son of the woman from Shunem to become alive again

⁸ One day Elisha went to Shunem town. There was a wealthy woman who lived there *with her husband*.

One day she invited Elisha to her house for a meal. Elisha went there and from then on, every time Elisha was in Shunem, he went to their house to eat a meal.

⁹ One day the woman said to her husband, "I am sure that this man who often comes here is a prophet *who brings messages from God*. ¹⁰ I think we should make a small room for him on our flat roof, and put a bed, a table, a chair, and a lamp in it. If we do that, whenever he comes here, he will have a place to stay." So they did that.

¹¹ One day Elisha returned to Shunem, and he went up to that room to rest. ¹² He said to his servant Gehazi, "Tell the woman that I want to speak to her." So the servant went and told her. When she came to the doorway of Elisha's room, ¹³ Elisha said to Gehazi, "Tell her that we both appreciate all the kind things that she has done for us. Then ask her what we can do for her. Ask, 'Do you want *me to go to the king or the army commander*, to request something for you?'"

Gehazi told her, and she replied, "No, *he does not need to do that, because my family/relatives are able to give me what I need*."

¹⁴ Later, Elisha asked Gehazi, "What do you think that we can do for that woman?"

He replied, "She does not have a son, and her husband is an old man. So *maybe we should ask Yahweh to enable her to have a son*."

¹⁵ Elisha told Gehazi, "Call her back again." So Gehazi went and called her. And when the woman returned, as she stood in the doorway, ¹⁶ Elisha said to her, "About this time next year you will be holding your *infant son* in your arms." But she protested, "O, sir, you are a prophet *who brings messages from God*, so please do not deceive/lie to me by saying things like that!"

¹⁷ But a few months later, the woman became pregnant, and she gave birth to a son at that time the following year, just like Elisha had predicted.

¹⁸ When the child was older, one day he went out to the fields to see his father, who was *working with the men who were harvesting grain*. ¹⁹ Suddenly the boy exclaimed, "My head *hurts! My head hurts a lot!*"

His father said to one of the servants, "Carry him home to his mother!" ²⁰ So the servant carried him home, and his mother held him on her lap. But at noontime the boy died. ²¹ She carried him up *the steps* to the prophet's room and laid him on the bed. She left him there and went out and shut the door.

²² She then called out to her husband, saying, "Send to me one of the servants and a donkey, so that I can *ride on it* quickly to the prophet, and then come back!" But she did not tell her husband that their son had died.

²³ Her husband called out to her and said, "Why do you want to go today? This is not the day when we celebrate the Festival of the New Moon, and it is not a Sabbath day!"

But she only replied, "Just do what I requested and everything will be all right."

²⁴ So she told the servant to put saddles on two donkeys, and as they left, she said, "Hurry! Do not slow down unless I tell you to do that!" ²⁵ As they approached Carmel Mountain, where Elisha was, Elisha saw her in the distance. He said to Gehazi, "Look, the woman from Shunem is coming!" ²⁶ Run to her, and ask her if everything is all right with her and her husband and with her child!"

So Gehazi ran to her and asked her, but she did not tell Gehazi anything. She only said, "Yes, everything is fine."

²⁷ But when she came to where Elisha was, she prostrated herself on the ground in front of Elisha and took hold of his feet. Gehazi started to push her away, but Elisha said, "Do not push her away/Leave her alone! Something is troubling her very much, but Yahweh has not told me what it is."

²⁸ Then she said to Elisha, "O, sir, I did not ask you to enable me to give birth to a son [RHQ]. And I told you not to lie to me about that!" [RHQ]

²⁹ Then Elisha realized that something must have happened to her son. So he said to Gehazi, "Get ready to leave immediately. Take my staff/walking stick and go to her home. Do not stop to talk to anyone on the way. Go quickly to where her son is and lay the staff on the child's face. If you do that, perhaps Yahweh will enable him to be well."

³⁰ But the boy's mother said, "Just as certain as Yahweh lives and you live, I will not go home if you do not go with me." So Elisha returned with her to her home.

³¹ Gehazi hurried quickly, and when he got to the woman's home, he laid the staff/walking stick on the child's face, but the child did not move or say anything.

So Gehazi returned to meet Elisha along the road, and told him, "The child is still dead." ³² When Elisha reached the house, he saw that the boy was lying dead on his bed. ³³ Elisha went into the room by himself and shut the door and prayed to Yahweh. ³⁴ Then he lay down on the boy's body, and put his mouth on the boy's mouth, and put his eyes on the boy's eyes,

and put his hands on the boy's hands. Then the boy's body started to become warm! ³⁵ Elisha got up and walked back and forth in the room *several times*. Then he stretched his body on the boy's body again. The boy sneezed seven times and opened his eyes!

³⁶ Then Elisha summoned Gehazi. He said, "Call the boy's mother!" *So Gehazi went and called her, and when she came in, Elisha said, "Here, take your son!"* ³⁷ She *gratefully* prostrated herself at Elisha's feet. Then she picked up her son and carried him downstairs.

Elisha made some stew edible

³⁸ Then Elisha returned to Gilgal. But at that time there was *◊*a famine/very little food*◊* in that area. One day as the group of prophets was sitting in front of Elisha *listening to what he was teaching*, he said to his servant, "Put a large pot on *the stove* and make some stew for these men."

³⁹ One of the prophets went out to the fields to gather some vegetables. But he gathered *only* some wild gourds and put them in his cloak and brought them back. He shredded them and put them in the pot, but he did not know that the gourds were poisonous. ⁴⁰ He served the stew to the prophets, but after the men had eaten only a couple bites, they cried out, "Elisha, there is something in the pot that will kill us!"

So they would not eat it. ⁴¹ Elisha said, "Bring me some flour." *They brought him some, and he threw it in the pot and he said, "It is all right now. You can eat it."* And they ate it, and it did not harm them.

Elisha multiplied food for the prophets

⁴² One day a man from Baal-Shalishah *town* brought to Elisha a sack of freshly cut grain and 20 loaves of barley bread, made from the first grain that they harvested *that year*.

Elisha said *to his servant*, "Give it to the group of prophets, so that they can eat it." ⁴³ But his servant exclaimed, "Do you think that we can feed 100 of us prophets with only that much?" [RHQ]

But Elisha replied, "Give it to the prophets so that they can eat it, because Yahweh says that there will be plenty for all of them, and there will be some left over!" ⁴⁴ After his servant gave it to the prophets, they ate *all that they wanted*, and there was food left over, just as Yahweh had promised.

Naaman was healed of leprosy

⁵ *A man named* Naaman was the commander of the army of Syria. Yahweh had enabled him to win many victories/battles. He was a great warrior, and as a result the king of Syria greatly respected him. But he had *◊*leprosy/a dreaded skin disease*◊*.

² *Some time previously*, groups of soldiers/marauders from Syria had raided/attacked the land of Israel, and they had captured a young girl *and taken her to*

Syria. She became a servant for Naaman's wife. ³ One day, that girl said to her, "I wish that *◊*my master/your husband*◊* would go to see the prophet in Samaria. That prophet would heal your husband from his leprosy."

⁴ *Naaman's wife told her husband* what the girl from Israel had said, and Naaman told that to the king. ⁵⁻⁶ The king said to him, "Okay, go *and see the prophet*. I will *write* a letter for you to take to the king of Israel, *saying that I sent you*." The king wrote in the letter, "I am sending this letter with my *army commander* Naaman, who serves me *faithfully*. I want you to heal him of his disease." So Naaman, *assuming/thinking that the king of Israel was the prophet*, took the letter and 750 pounds of silver, 150 pounds of gold, and ten sets of clothing, to give to the king of Israel, *and he went to Samaria, taking along several servants*.

⁷ *When he arrived in Samaria*, he gave the letter to the king of Israel. The king read the letter. Then, being very dismayed, the king tore his clothes and said, "I am not God [RHQ]! I am not able to enable people to live or to die [RHQ]! Why does *the king* who wrote this letter request me to cure this man of his leprosy? I think that he is just wanting to start a fight with me!"

⁸ But the prophet Elisha heard that the king of Israel had torn his robe *and said that*. So he sent a message to the king, saying, "Why are you upset/frustrated [RHQ]? Send Naaman to me, and he will find out that *because* I am a true prophet *here* in Israel, *I can help/heal him*." ⁹ So Naaman went with his horses and chariots to Elisha's house and waited outside the door. ¹⁰ But Elisha *did not come to the door*. *Instead*, he sent a messenger to Naaman, to tell him, "Go to the Jordan *River* and wash yourself seven times in the river. Then your skin will be restored/healed, and you will no longer have leprosy."

¹¹ But Naaman became very angry. He said, "I thought that surely he would wave his hand over the leprosy, and pray to Yahweh his god, and heal me! ¹² Surely the Abana River and the Pharpar River in Damascus *in my own country of Syria* are [RHQ] better than any of the rivers in Israel! Why can I not wash in those rivers and be healed?" [RHQ] So he turned and walked away with great anger/disgust.

¹³ But his servants came to him, and *one of them* said, "Sir, if that prophet had told you to do something difficult, you would certainly [RHQ] have done it. So you should certainly do what he says and wash *in the Jordan River* to be healed!" [RHQ] ¹⁴ So Naaman went down to the Jordan *River* and washed himself seven times, as *◊*the prophet/Elisha*◊* told him to do. Then his skin was restored/healed, and it became healthy/smooth, like the skin of a young child.

¹⁵ Then Naaman and those who were with him went back to talk to Elisha. They stood in front of him, and Naaman said, "Now I know that there are no real gods anywhere else in the world, but there is a God here in

Israel! So now please accept these gifts that I *have brought to you!*"

¹⁶ But Elisha replied, "Just as certainly as Yahweh, the one whom I serve, lives, I will not accept any gifts." Naaman kept urging him *to accept the gifts*, but Elisha kept refusing.

¹⁷ Then Naaman said, "Okay, but *I have one request. This dirt here in Israel is holy*, so please allow me to take some dirt from this place and put it *in sacks* on two mules. Then I will take it back home with me *and make an altar on this dirt*. From now on, I will offer sacrifices to Yahweh *on that altar*. I will not offer sacrifices to any other god." ¹⁸ However, when my master, *the king*, goes into the temple of the god Rimmon to worship him/it there, and he is leaning on my arm, I hope/desire that Yahweh will forgive me because I will have to bow down, too."

¹⁹ Elisha replied, "Go home, and do not worry about that." So Naaman *and his servants* started to travel home.

Elisha cursed Gehazi for being greedy

²⁰ But then Elisha's servant Gehazi said to himself, "It is not good that my master allowed this Syrian man to leave like this. He should have accepted his gifts. So just as certainly as Yahweh lives, I will go and catch up with Naaman and get something from him."

²¹ So Gehazi hurried to catch up with Naaman. When Naaman saw Gehazi running toward him, he *stopped* the chariot *in which he was riding*, jumped out, and went to see what Gehazi wanted. He asked him, "Is everything all right?"

²² Gehazi replied, "Yes, but two young prophets from the hilly area where the descendants of Ephraim live have just arrived. Elisha has sent me to tell you that he would like 75 pounds of silver and two sets of clothing to give to them."

²³ Naaman replied, "Certainly! You can have 150 pounds of silver!" He urged Gehazi to take it. He also gave him two sets of clothing. He tied up the silver in two bags and gave them to two of his servants to carry back to Elisha. ²⁴ But when they arrived at the hill *where Elisha lived*, Gehazi took the silver and the clothes from Naaman's servants and sent the servants back to Naaman. Then he took those things into his house and hid them. ²⁵ When he went to Elisha, Elisha asked him, "Where did you go, Gehazi?" Gehazi replied, "I did not go anywhere."

²⁶ Elisha asked him, "Do you not *realize that* my spirit was there when Naaman got out of his chariot to talk with you? This is certainly not [RHQ] the time to accept gifts of money and clothes and olive groves and vineyards and sheep and oxen and servants!

²⁷ Because you have done this, you and your children and all your descendants, forever, will have leprosy just like Naaman had!" And when Gehazi left the room, he was a leper! His skin was as white as snow!

The axe head floated

⁶ One day a group of prophets said to Elisha, "Look, this place where we meet together with you is very small. ² Allow us to go to the Jordan *River and cut down some trees to make logs* to build a new meeting place." So Elisha said, "Okay, go."

³ One of them said to Elisha, "Please come with us." So Elisha replied, "Okay, I will go with you."

⁴ So they went together. When they reached the Jordan *River*, they cut down some trees.

⁵ But while one of them was cutting down a tree, suddenly the axe head *separated from the handle and fell into the water*. He cried out to Elisha, "O, Master, what shall I do? *The axe is not mine*; I borrowed it!"

⁶ Elisha replied, "Where did it fall into the water?" After the man showed him the place, Elisha cut off a stick, and threw it into the water, and caused the iron axe head to float *on top of the water*. ⁷ Elisha said, "Take it out of the water." So the man reached his hand down and picked up the axe head.

Elisha tricked the army of Syria

⁸ Whenever the king of Syria *prepared to send his army to fight against Israel*, he first consulted his officers, and then told them where they should set up their tents.

⁹ But each time, Elisha would send a message to warn the king of Israel, *telling him where the army of Syria was planning to attack them*, saying, "Be sure that your army does not go near that place, because the army of Syria has set up their tents there." ¹⁰ So the king of Israel would send *messengers to warn the people who lived in that place*, and the people would remain on guard. That happened several times.

¹¹ The king of Syria was very upset/disturbed/angry about that. So he summoned his army officers and said to them, "*Obviously one of you is* ♦betraying us/ revealing our plans♦ *to the king of Israel*. Which one of you is doing it?"

¹² One of his officers answered, "Your Majesty, it is not one of us. Elisha the prophet *knows what we plan to do*, and he tells the king of Israel everything. He even knows what you say in your own bedroom!"

¹³ The king of Syria replied, "Go and find out where he is, and I will send *some men there to capture him*." Someone told him, "People say that he is in Dothan *town north of Samaria*." ¹⁴ So the king sent a large group of soldiers *to Dothan* with horses and chariots. They arrived at night and surrounded the town.

¹⁵ Early the next morning, Elisha's servant got up and went outside the house. He saw the soldiers of Syria with their horses and chariots surrounding the town. So he went inside *the house and reported it to Elisha and exclaimed*, "O, sir! What are we going to do?"

¹⁶ Elisha replied, "Do not be afraid! Those who will be helping us will be more than those who will be helping them!"

¹⁷ Then he prayed, "Yahweh, I request that you open my servant's eyes in order that he can see *what is out there!*" So Yahweh enabled the servant to look out and see that surrounding the hill on which the town *was built* was a huge number of horses, and chariots made of fire!

¹⁸ When the army of Syria prepared to attack Elisha, he prayed again, saying, "Yahweh, cause all these soldiers to become blind!" Yahweh answered his prayer and caused them to be unable to see clearly.

¹⁹ Then Elisha went to them and said, "You are not on the right road; this is not the city that you are searching for. I will take you to the man whom you are searching for." But he led them to Samaria, *the capital of Israel!*

²⁰ As soon as they entered Samaria, Elisha prayed again, saying, "Yahweh, now enable these soldiers to see correctly again!" So Yahweh enabled them to see correctly, and they were surprised to see that they were inside Samaria *city*.

²¹ When the king of Israel saw them, he said to Elisha, "Sir, shall I *tell my soldiers* to kill them? Shall we kill all of them?"

²² Elisha replied, "No, you must not kill them. If your army captured many of your enemies in a battle, you would certainly not [RHQ] kill them. Give these men something to eat and drink, and then allow them to return to their king." ²³ So the king of Israel did that. He told his servants to provide a big feast for them. And when they had eaten and drunk plenty, he sent them away. They returned to the king of Syria *and told him what had happened*. So for a while after that, soldiers from Syria stopped raiding/attacking towns in Israel.

The army of Syria surrounded Samaria

²⁴ But some time later, Ben-Hadad, the king of Syria, assembled his entire army, and they went to Samaria and surrounded the city *for a long time*. ²⁵ Because of that, after a while there was hardly any food left inside the city, with the result that eventually a donkey's head, *which was usually worthless*, cost eighty pieces of silver, and \diamond one cup/0.3 liter \diamond of dove's dung cost five pieces of silver.

²⁶ One day when the king of Israel was walking on top of the city wall, a woman cried out to him, "Your Majesty, help me!"

²⁷ He replied, "If Yahweh will not help you, I certainly cannot [RHQ] help you. I certainly [RHQ] do not have any wheat or wine! ²⁸ What is your problem?" She replied, "Several days ago, that woman *over there* said to me, '*Because we have nothing left to eat*, let's kill your son today, in order that we can eat his flesh. Then tomorrow we can *kill my son and eat his flesh*.'

²⁹ So we *killed my son and cut his body up and boiled his flesh and ate it*. The next day, I said to her, 'Now give your son to me, in order that we can *kill him and cook his flesh and eat it*.' But she has hidden her son!"

³⁰ When the king heard what the woman said, he tore his robe *to show that he was very distressed*. The people who were standing close to the wall were able to see that the king was wearing rough cloth underneath his robe *because he was very distressed*. ³¹ The king exclaimed, "I wish/hope that God will strike me dead if I do not cut off the head of Elisha today, *because he is the one who has caused these terrible things to happen to us!*"

³² So the king sent an officer to get Elisha.

Before the officer arrived, Elisha was sitting in his house with some Israeli elders who were talking with him. Elisha said to them, "That murderer, *the king of Israel*, is sending someone here to kill me. Listen: When he arrives, shut the door and do not allow him to come in. And the king will be coming right behind that officer!" ³³ And while he was still speaking, the king and the officer arrived. The king said, "It is Yahweh who has caused us to have all this trouble/suffering. \diamond Why should I wait any longer [RHQ] for him to do something *to help us?*/It is useless for me to wait any longer for him *to help us!* \diamond "

⁷ Elisha replied to the king, "Listen to what Yahweh says: 'He says that by this time tomorrow, at the marketplace here in Samaria, you will be able to buy \diamond ten pounds/five kg. \diamond of fine wheat or \diamond 20 pounds/ten kg. \diamond of barley for *only* one piece of silver.'"

² The king's officer said to Elijah, "That cannot happen! Even if Yahweh himself would open the windows of the sky *and send grain down to us*, that certainly could not [RHQ] happen!" Elisha replied, "*Because you said that*, you [SYN] will see it happen, but you will not be able to eat any of the food!"

The Syrian army became frightened and left

³ That day there were four men who had \diamond leprosy/a dreaded skin disease \diamond who were sitting outside the gate of Samaria *city*. They said to each other, " \diamond Why should we wait here until we die?/ *It is ridiculous for us to wait here until we die*. \diamond [RHQ] ⁴ If we go into the city, we will die there, because there is no food there. If we remain sitting here, we will die here. So let's go to where the army of Syria has set up their tents. If they kill us, we will die. But if they allow us to remain alive, we will not die." ⁵ So when it was getting dark, those four men went to the camp where the army of Syria had set up their tents. But when they reached the camp, they saw that there was no one there!

⁶ What had happened was that Yahweh had caused the army of Syria to hear something that sounded like a large army marching with chariots and horses. So they said to each other, "Listen! The king of Israel has

hired the kings of Egypt and the Heth people-group and their armies, and they have come to attack us!"
 7 So they all ran away that evening and left their tents and their horses and donkeys there, *because they were afraid that they would be killed if they stayed there.*

8 When those four lepers came to the edge of the area where the soldiers of Syria had set up their tents, they went into one tent, *and saw all the things that had been left there.* So they ate and drank what was there, and they took the silver and the gold and clothes. Then they went *outside the tent* and hid those things. Then they entered another tent, and took things from there, and then went outside and hid them, also.

9 But then they said to each other, "We are not doing what is right. We have good news *to tell others* today. If we do not tell it to anyone now, and if we wait until morning to tell it, we will certainly be punished by *Yahweh*. So let's go right now to the palace and tell it to the king's officials!"

10 So they went to the guards at the city gates and called out to them, "We went to where the army of Syria had set up their tents, but we did not see or hear anyone there. Their horses and donkeys were still tied up, but their tents were all deserted/abandoned!"

11 The guards shouted the news, and some people *who heard it* went to the palace and reported it there.

12 When the king *heard it*, he got up out of his bed and said to his officials, "I will tell you what the army of Syria is planning to do. They know that we have no food here, so they have left their tents and are hiding in the fields. They think that we will leave the city *to find some food*, and then they will capture us and capture the city."

13 But one of his officials said, "Many of our Israeli people have already died *from hunger/not having anything to eat*. If those of us who are still alive all stay here, we also will die anyway. So let's send some men with five of our horses that are still alive to go and see *what has really happened.*"

14 So they chose some men and told them to go in a chariot and find out what had happened to the army of Syria. 15 They went as far as the *Jordan River*. All along the road they saw clothes and equipment that the soldiers from Syria had thrown away while they were running away very quickly. So the men returned to the king and reported *what they had seen.* 16 Then many of the people of Samaria also went *out of the city and went* to where the army of Syria had previously set up their tents. They entered all the tents and took everything. *So there was now plenty of everything!* As a result people could buy ten pounds of fine wheat or 20 pounds of barley for only one piece of silver, which was what Yahweh had said would happen!

17 The king of Israel had appointed the officer who was his assistant to supervise what was happening at the marketplace. But as he was standing near the

gate, all the people *who were rushing outside the city* trampled on him, and he died, which was what Elisha had said would happen to him when Elisha previously went to talk to the king. 18 Elisha had told him that by the next day there would be plenty of food, with the result that anyone could buy ten pounds of fine wheat or 20 pounds of barley for only one piece of silver.

19 And the officer had answered, "That certainly cannot [RHQ] happen! Even if Yahweh himself would open the sky and send down some grain, that could not happen." And Elisha had replied, "*Because you said that*, you [SYN] will see it happen, but you will not be able to eat any of the food!" 20 And that is what happened to him. The people *who were rushing out of the city gate* trampled on him, and he died.

The widow from Shunem recovered her land

8 After Elisha caused the son of the woman from Shunem *town* to become alive again, he told her that she should leave with her family and live somewhere else for a while, because Yahweh was going to *send a famine/cause food to become very scarce* in the land. He said that the famine would last for seven years. 2 So the woman did what Elisha told her to do. She and her family went to live in the *Philistia region* for seven years.

3 After the seven years were ended, they returned to their home. The woman went to the king to request that her house and her land be given back to her.

4 When she arrived, the king was talking with Gehazi, Elisha's servant. The king was saying to him, "Tell me all the great things that Elisha has done." 5 While Gehazi was telling the king that Elisha had caused the son of a woman *from Shunem* to become alive again, that woman came in and requested the king to enable her to get her house and land back again. Gehazi exclaimed, "Your Majesty, this is the woman whose son Elisha caused to become alive again!"

6 When the king asked her about it, she told him *that what Gehazi had said was true.* The king summoned one of his officials and said to him, "*I want everything that this woman possessed previously, including the value of all the crops that have been harvested during these last seven years while she was away from her land, to be given back to her.*" *So the official did that.*

Elisha predicted the death of the king of Syria

7 Elisha went to Damascus, *the capital of Syria*, when Ben-Hadad, the king of Syria, was very sick. When someone told the king that Elisha was in Damascus, 8 the king told *one of his officials named Hazael*, "Go and talk to that prophet and take a present/gift with you to give to him. Request him to ask Yahweh if I will recover from my illness."

9 So Hazael went to talk with Elisha. He took with him forty camels that were carrying many kinds of goods that were produced in Damascus. When Hazael

met him, he said to him, "Your friend Ben-Hadad, the king of Syria, sent me to ask you whether *you think* he will recover from his illness."

¹⁰ Elisha said to Hazael, "Go and say to him, 'Yes, you will certainly not die from this illness,' but Yahweh has shown me that he will certainly die *before he recovers*." ¹¹ Then Elisha stared at him and had a terrified look on his face. That caused Hazael to feel uneasy/embarrassed. Then *suddenly* Elisha started to cry.

¹² Hazael said, "Sir, why are you crying?"

Elisha replied, "Because *Yahweh has enabled* me to know the terrible things that you will do to the people of Israel: You will burn their cities with walls around them, you will kill their fine young men with a sword, you will bash the heads of their children, and you will rip open the bellies of their pregnant women *with a sword*."

¹³ Hazael replied, "I am *as insignificant as* [MET] a dog; ♠how could I do such things?/I would never do such terrible things!♠" [RHQ]

Elisha replied, "Yahweh has also revealed to me that you will become the king of Syria."

¹⁴ Then Hazael left and returned to his master/boss *the king*, who asked him, "What did Elisha say?"

He replied, "He told me that you would certainly recover." ¹⁵ But the next day, *while the king was sleeping*, Hazael took a blanket and soaked it in water. Then he spread it on the king's face *in order that he could not breathe*, and he died. Then Hazael became the king of Syria instead of Ben-Hadad.

King Jehoram of Judah

¹⁶ After King Joram, the son of Ahab, had been ruling in Israel for almost five years, Jehoshaphat's son Jehoram became the king of Judah. ¹⁷ He was thirty-two years old when he became the king, and he ruled in Jerusalem for eight years. ¹⁸ His wife was the daughter of King Ahab. And like everyone in Ahab's family, he continually did the evil things that the previous kings of Israel had done. He did things that Yahweh considered to be evil. ¹⁹ But Yahweh did not want to get rid of the people of Judah, because of what he had promised David, who served him *very well*. He had promised David that his descendants [MET] would always rule Judah.

²⁰ During the time that Jehoram ruled, *the king of Edom rebelled* against Judah, and they appointed their own king. ²¹ So Jehoram went with his army and all their chariots to Zair *city near the border of Edom*. There the army of Edom surrounded them. But during the night, Jehoram and the commanders in their chariots were able to get through the enemy lines and escaped. And all his soldiers also fled to their homes.

²² So after that, Edom was no longer controlled by Judah, and it is still like that. During that same time, the people of Libnah *city* also freed themselves from being controlled by Judah.

²³ *If you want to read about* the other things that Jehoram did, they are written in the scroll called 'The History of the Kings of Judah'. ²⁴ Jehoram died [EUP] and was buried where the other kings of Judah had been buried in *the part of Jerusalem called* 'The City of David'. Then Jehoram's son Ahaziah became the king.

King Ahaziah of Judah

²⁵ After Ahab's son Joram has been ruling in Israel for almost twelve years, Jehoram's son Ahaziah became the king of Judah. ²⁶ Ahaziah was twenty-two years old when he started to rule. He ruled in Jerusalem for *only one year*. His mother's name was Athaliah, *the daughter of King Ahab and the granddaughter of King Omri of Israel*. ²⁷ King Ahab conducted his life just like the members of Ahab's family had done. He did things that Yahweh considered to be very evil.

²⁸ Ahaziah's army joined the army of King Joram of Israel to fight against the army of King Hazael of Syria. Their armies started fighting at Ramoth *city* in the Gilead *region*, and the soldiers of Syria wounded Joram. ²⁹ King Joram returned to Jezreel *city* to recover from his wounds. King Ahaziah went to visit him there.

Jehu became the king of Israel

⁹ Meanwhile, the prophet Elisha summoned one of the other prophets. He said to him, "Get ready [IDM] and go to Ramoth *city* in the Gilead *region*. Take this jar of *olive oil* with you. ² When you arrive there, search for a man named Jehu, the son of Jehoshaphat and grandson of Nimshi. Go with him into a room away from his companions, ³ and pour *some of* this oil on his head. Then say to him, 'Yahweh declares that he is appointing you to be the king of Israel.' Then open the door and run away as quickly as you can."

⁴ So the young prophet went to Ramoth. ⁵ When he arrived, he saw that the commanders of the army were having a conference. He *looked at Jehu and said*, "Sir, I have a message for *one of you*."

Jehu replied, "Which one of us is the message for?"

The young prophet replied, "It is for you, commander/sir."

⁶ So Jehu got up and went with the young prophet into a house. There the young prophet poured some *olive oil* on Jehu's head and said to him, "Yahweh, the God whom we Israelis *worship*, declares this: 'I am appointing you to be the king of my Israeli people. ⁷ You must kill your master *King Joram*, the son of Ahab, because I want to punish *Ahab's wife Jezebel* for murdering [MTY] many of my prophets and other people who served me. ⁸ You must kill *not only Joram but* all of Ahab's family. I want to get rid of every male in the family, including young ones and old ones. ⁹ I will get rid of Ahab's family, like I got rid of the families of two other kings of Israel, Jeroboam and Baasha. ¹⁰ And

when Jezebel *dies*, her corpse will not be buried. Dogs will eat her corpse there in Jezreel *city*."

After the young prophet said this, he left the room and ran. ¹¹ When Jehu came out of the room to where his other commanders were, they said to him, "Is everything all right? Why did that mad fellow come to you?"

He replied, "You know what kinds of things young prophets like him say."

¹² They said, "You are lying! Tell us what he said!"

He replied, "He told me that Yahweh said, 'I am appointing [MTY] you to be the king of Israel.'"

¹³ Then they all spread their cloaks on the steps of the building for *Jehu to walk out on*, and they blew trumpets and shouted, "Jehu is now the king!"

King Joram of Israel was killed

¹⁴⁻¹⁵ King Joram and his army had been defending Ramoth against the attacks by the army of the king of Syria. King Joram had returned to Jezreel *city*, to recover from being wounded in the battle against the army of Hazael, the king of Syria. And Jehu made plans to kill Joram. He said to his other commanders, "If helping me is truly what you want, make sure that no one leaves this city to go to warn the people of Jezreel about what I am planning to do." ¹⁶ Then Jehu and his officers got into their chariots and rode to Jezreel, where Joram was still recovering. And King Ahaziah of Judah was there, visiting Joram.

¹⁷ A guard was standing in the watchtower in Jezreel. He saw Jehu and his men approaching. He called out, "I see a lot of men *who are approaching!*" King Joram heard what the watchman said, so he said to his soldiers, "Send someone on a horse to go and find out if they are coming to be friendly to us or to attack us."

¹⁸ So a man rode out to meet Jehu and said to him, "The king wants to know *if you are coming to be friendly to us.*"

Jehu replied, "This is not the time for you [RHQ] to be concerned about acting friendly! Turn around and come behind me!"

So the guard in the watchtower reported that the messenger had reached the group *that was approaching*, but that he was not returning *alone*.

¹⁹ So King Joram sent another messenger, who asked Jehu the same question. Again Jehu replied, "This is not the time [RHQ] for you to be concerned about acting friendly! Turn around and follow me!"

²⁰ Then the watchman reported again, "That messenger also reached them, but he is not coming back *alone*. And *the leader of the group must be Jehu*, the son of Nimshi, because he is driving *his chariot furiously, like Jehu does!*"

²¹ Joram said *to his soldiers*, "Get *my chariot ready!*" So they did that. Then King Joram and King Ahaziah both rode toward Jehu, each one in his own chariot. And *it happened that they met Jehu at the field that had previously belonged to Naboth!* ²² When Joram

met Jehu, he said to him, "Are you coming on a peaceful visit?"

Jehu replied, "◊How can there be peace while you and your people are prostrating themselves to worship idols and practicing very much 'witchcraft/sorcery' like your mother Jezebel did?/There certainly cannot be peace while you and your people are prostrating themselves to worship idols and practicing 'witchcraft/sorcery' like your mother Jezebel has been doing!◊" [RHQ]

²³ Joram cried out, "Ahaziah, they have deceived us! *They want to kill us!*" So Joram turned his chariot around and tried to flee.

²⁴ But Jehu drew his bow mightily and shot *an arrow that pierced* Joram between his shoulder blades. The arrow *went through his body and pierced his heart*, and he slumped down dead in his chariot. ²⁵ Then Jehu said to his assistant Bidkar, "Take his corpse and throw it here into the field that belonged to Naboth. *I am sure that you remember that when you and I were riding together in chariots behind King Joram's father Ahab, that Yahweh said this about Ahab: 26 'Yesterday I saw Ahab murder [MTY] Naboth and his sons here. And I solemnly promise that I will punish him right here in this same field!' So take Joram's corpse and throw it into that field! That will fulfill what Yahweh said would happen.*"

King Ahaziah of Judah was killed

²⁷ When King Ahaziah saw what happened, he fled *in his chariot* toward Beth-Haggan *town*. But Jehu pursued him and said *to his other commanders*, "Shoot him, also!" So they shot him *with arrows* while he was riding in his chariot on the road up to Gur, near Ibleam *town*. He continued going in his chariot until he reached Megiddo *city*, where he died. ²⁸ His officials took his corpse back to Jerusalem and buried it in the tombs in the *part of Jerusalem called 'The City of David'*, where his ancestors had been buried. ²⁹ Ahaziah had become the king of Judah when Joram had been ruling Israel for almost eleven years.

Queen Jezebel was killed

³⁰ Then Jehu went to Jezreel. When *Ahab's widow* Jezebel heard what had happened, she put paint/makeup on her eyelids, and combed her hair to make it beautiful, and looked out the window *of the palace toward the street below*. ³¹ While Jehu was entering the city gate, she called out to him, "You are like Zimri! You are a murderer! *I think you are certainly not [RHQ] coming on a peaceful visit!*"

³² Jehu looked up toward the window, and then he said, "Who is ◊on my side/wants to help me◊? Anyone?" Two or three palace officials looked down at him *from a window and pointed to themselves*. ³³ Jehu said to them, "Throw her down here!"

So they threw her down, and *when she hit the ground and died*, some of her blood splattered on the city wall and on the horses *that were pulling the chariots*.³⁴ Then Jehu went into the palace and ate and drank. Then he said *to some of his men*, "Take the corpse of that woman whom Yahweh has cursed and bury it, because she is a king's daughter *and therefore should be buried properly*."³⁵ But when they went to get her corpse to bury it, all that was left was only her skull and the *bones of her feet and her hands*. Everything else was gone.³⁶ When they reported this to Jehu, he said, "That is what Yahweh said would happen! He told his servant/prophet Elijah, 'In the city of Jezreel, dogs will eat the flesh of Jezebel's corpse.'³⁷ Her bones will be scattered there in Jezreel like dung, with the result that no one will be able to *recognize them and say*, "These are Jezebel's bones."'"

Ahab's descendants were murdered

10 There were seventy descendants of King Ahab who were living there in Samaria. Jehu wrote a letter *and made copies of it and sent them to the rulers of the city, to the elders, and to those who raised and tutored Ahab's children*.² *This is what he wrote*: "You are the ones who are *taking care of the king's descendants*. You have chariots and horses and weapons, and you live in cities that have walls around them. So as soon as you receive this letter,³ choose one of the king's sons, the one who is the best qualified, and appoint him to be your king. Then *prepare to fight to defend him*."

⁴ But *when they got those letters from Jehu and read them*, they became very afraid. They said, "King Joram and King Ahaziah could not resist him; *how can we resist him?/we cannot possibly resist him!*" [RHQ]

⁵ So the officer who was in charge of the palace and the mayor of the city sent a message to Jehu saying, "We want to serve you, and we are ready to do whatever you tell us to do. We will not appoint anyone to become our king. You do whatever you think is best."

⁶ So Jehu sent a second letter to them, writing this: "If you *are on my side/want to help me*, and if you are ready to obey me, *kill King Ahab's descendants and cut off their heads and bring their heads to me here in Jezreel at this time tomorrow*."

The seventy descendants of King Ahab were being brought up and supervised by the leaders of *Samaria city*.⁷ When they received the letter from Jehu, they killed all seventy of Ahab's descendants and *cut off their heads*. They put their heads in baskets and sent them to Jehu at Jezreel.⁸ A messenger came to Jehu and told him, "They have brought the heads of Ahab's descendants." So Jehu commanded that the heads should be put in two piles at the city gate and that the heads should stay there until the next morning.

⁹ The next morning he went out *to the city gate* and said to all the people, "I am the one who plotted against King Joram and killed him. You are not guilty

of doing that. But *it was Yahweh, not I* [RHQ] *who commanded that all these descendants of Ahab should be killed*.¹⁰ So you need to know that everything that Yahweh said would happen has happened. He has caused to happen what he told the prophet Elijah would happen."¹¹ Then Jehu executed all the other relatives of Ahab in Jezreel, and all Ahab's officers, and close friends, and his priests. He did not allow any of them to remain alive.

¹² Then Jehu left *Jezreel* and went toward Samaria. While he was going there, at a place called 'Shepherds' Camp',¹³ he met some relatives of King Ahaziah of Judah. He asked them, "Who are you?"

They replied, "We are relatives of King Ahaziah. We are going to Jezreel to visit the children of Queen Jezebel and the other members of King *Joram's family*."

¹⁴ Jehu said to his men, "Seize them!" So they seized them and killed all of them at the pit named Beth-Eked. There were 42 people whom they killed; they did not allow any of them to remain alive.

¹⁵ Then Jehu *continued to travel toward Samaria*. Along the road, he was met by Jonadab, a leader of the Rechab clan. Jehu greeted him and said to him, "Are you as devoted to me [IDM] as I am devoted to you?"

Jonadab replied, "Yes, I am."

Jehu said, "If you are, shake hands with me." So Jonadab shook hands with him, and Jehu helped him to get into his chariot.¹⁶ Jehu said to him, "Come with me, and you will see that I am very devoted to Yahweh." So they rode together to Samaria.

¹⁷ When they arrived in Samaria, Jehu killed all of Ahab's relatives who were still alive. He did not *spare any of them/allow any of them to remain alive*. That was what Yahweh told Elijah would happen.

The people who worshiped Baal were killed

¹⁸ Then Jehu summoned all the people *of Samaria*, and said to them, "King Ahab was devoted to *your god Baal* a little bit, but I will serve him much more.¹⁹ So now summon all the prophets of Baal, all of Baal's priests, and all the others who worship Baal. I am going to make a great sacrifice to Baal. I want all of them to be there. Any of them who is not there will be executed." But Jehu was planning to trick them; he was planning to kill all those who worshiped Baal.

²⁰ Then Jehu commanded, "Announce that we are going to set aside a day to honor Baal." So they did that.²¹ Jehu *decided what day they would gather* and sent messages throughout Israel *telling everyone what day to gather on*, and on that day, everyone who worshiped Baal came. No one stayed at home. They all went into the huge temple of Baal and filled it from one end to the other.²² Jehu told the priest who took care of the sacred robes to bring them out and give them to the people who worshiped Baal. So the priest did that.

²³ Then Jehu went into the temple of Baal with Jonadab, and he said to the people who were there to worship Baal, "Be sure that only those who worship Baal are here. Be sure that no one who worships Yahweh has come in." ²⁴ Then he and Jonadab prepared to offer sacrifices and other offerings to Baal that would be completely burned *on the altar that was there in Samaria*. But Jehu had stationed eighty of his men outside the temple, and had said to them, "I want you to kill all the people *who are in the temple*. Anyone who allows one of them to escape will be executed!"

²⁵ As soon as Jehu and Jonadab had finished killing the animals that would be completely burned to be an offering to Baal, *they went outside and* said to the guards and officers, "Go in and kill all of them! Do not allow any of them to escape!" So the guards and officers went in and killed them all with their swords. Then they dragged their corpses outside the temple. Then they went into the inner room of the temple, ²⁶ and they carried out the sacred pillar of Baal that was there, and they burned it. ²⁷ So they destroyed that pillar that honored Baal, and then they burned down the temple, and made it a public toilet. And it is still a toilet!

²⁸ That is how Jehu got rid of the worship of Baal in Israel. ²⁹ But Jehu did not quit committing the kinds of sins that Jeroboam had committed, sins that led the people of Israel to sin by worshipping the gold *statues of calves* in Bethel and Dan *cities*.

³⁰ Then Yahweh said to Jehu, "You have done what pleased me by getting rid of all of Ahab's descendants. So I promise you that your son and grandson and great-grandson and great-great-grandson will all be kings of Israel." ³¹ But Jehu did not obey all the laws of Yahweh, the God of the Israeli people. He did not stop committing the sins that Jeroboam had committed, sins that led the Israeli people to sin.

Jehu died

³² At that time, Yahweh began to cause the territory controlled by Israel to become smaller. *The army of King Hazael of Syria* conquered much of the Israeli territory. ³³ He conquered the parts east of the Jordan *River*, as far south as Aroer *town* on the Arnon *River*. That included the Gilead and Bashan *regions*, where the tribes of Gad, Reuben, and half of the tribe of Manasseh lived.

³⁴ *If you want to read more* about all the other things that Jehu did [RHQ], they are written in the scroll called 'The History of the Kings of Israel'.

³⁵ Jehu died [EUP], and was buried in Samaria. His son Jehoahaz became the king in place of his father. ³⁶ Jehu had ruled in Samaria as the king of Israel for twenty-eight years.

Queen Athaliah of Judah

¹¹ When King Ahaziah's mother Athaliah saw that her son had been killed, she commanded that all the members of Ahaziah's family *who might become king* must be executed. ² So Ahaziah's sons were all about to be murdered. But Jehosheba, who was King Jehoram's daughter and Ahaziah's half-sister, took Ahaziah's *very young* son Joash and hid him and *his nursemaid/the woman who took care of him* in a bedroom *in the temple*. So he was not killed. ³ He stayed with Jehosheba for six years. All during that time, he remained hidden in the temple, while Athaliah ruled *Judah*.

⁴ But during the next year, Jehoiada the Supreme Priest summoned the officers who supervised the royal bodyguards and the palace guards. He told them to come to the temple. There he required them to solemnly promise that they would do what he told them to do. And he showed King Ahaziah's son Joash to them. ⁵ He gave them these instructions: "There are three groups of you guards. When one group finishes their work on the Sabbath day, *divide yourselves into* three smaller groups. One group must guard the palace. ⁶ Another group must guard at the Sur Gate. The other group must guard at the gate behind the other groups. ⁷ The two groups that are not working on the Sabbath day must guard the temple *to protect little King Joash*. ⁸ You must stand around the king wherever he goes, with your weapons in your hands. You must kill anyone who comes near you."

⁹ The officers *who supervised the guards* did what Jehoiada told them to do. Each one brought to Jehoiada the guards that he supervised—the guards who were just finishing their work and those who were about to start their work on the Sabbath day. ¹⁰ The priest distributed to the commanders of the guards the spears and shields that had belonged to King David, that were kept/stored in the temple. ¹¹ Then he commanded all the guards to stand in their positions, each one with his sword in his hand, all around the young king.

¹² Then he brought Joash out. He put the crown on his head and gave him a scroll on which were written the rules *that the kings needed to obey*. Then he poured some olive oil on Joash's head and proclaimed that he was now the king. The people all clapped their hands and shouted, "We desire/hope that the king will live for many years!"

¹³ When Athaliah heard the noise that was being made by the guards and the other people, she ran to the temple, where the people were gathered. ¹⁴ She saw the new king standing there alongside one of the big pillars, which was *the place at the temple where the kings usually stood*. She saw that he was surrounded by the temple officers and men blowing trumpets, and that the people were shouting joyfully, and *some of them* were also blowing trumpets. She

tore her clothes *to show her distress* and shouted, "You are traitors! You have tricked/deceived me!" ¹⁵ Jehoiada *immediately* said, "Kill her, but do not kill her here at the temple of Yahweh! Take her away between two rows of guards. And kill anyone who tries to rescue her!" ¹⁶ *She tried to flee, but* the guards seized her and took her to the palace, to the place where horses enter the courtyard. They killed her there.

¹⁷ Then Jehoiada made a solemn agreement between the king and the people, that they would always *obey/be faithful to* Yahweh. He also made an agreement requiring the people to be loyal to Joash their king. ¹⁸ Then all the people of Israel who were there went to the temple of Baal and tore it down. They smashed the altars and the statues of Baal. They also killed Mattan, the priest of Baal, in front of the altars.

Jehoiada stationed/put guards at the temple of Yahweh. ¹⁹ Then he and the officers of the temple, the officers who supervised the royal bodyguards, and the king's bodyguards brought the king from the temple to the palace. All the people *followed them*. Joash entered the palace at the Guard Gate and sat down on the throne, *which showed that he was the new king*. ²⁰ All the people of Judah rejoiced. And because Athaliah had been killed, the city was quiet/calm.

²¹ Joash was seven years old when he became the king of Judah.

King Joash of Judah

12 When Jehu had been ruling Israel for almost seven years, Joash became the king of Judah. He ruled in Jerusalem for 40 years. His mother was Zibiah, from Beersheba *city*. ² All his life, he did what pleased Yahweh, because Jehoiada the priest instructed/taught him. ³ But the places where the people worshiped *Yahweh* on the tops of hills were not destroyed, and they continued to offer sacrifices and burn incense at those places, *instead of at the place that God had chosen for them in Jerusalem*.

⁴ Joash said to the priests, "You must take all the money which the people contribute, both the money they are required to give and the money that they themselves decide to give, as sacred offerings to buy things for the temple. ⁵ Each priest must take the money from people who know him (OR, from one of the treasurers), and he must use that money to repair the temple whenever he sees that there is something that needs to be repaired."

⁶ But after Joash had been ruling for almost twenty-three years, the priests still had not repaired anything in the temple. ⁷ So Joash summoned Jehoiada and the other priests and said to them, "Why are you not repairing things in the temple?/You should have been repairing things in the temple! [RHQ] For now on, you must not keep the money that you receive from people who know you (OR, the treasurers). You must give it to the people who will be repairing things in the

temple!" ⁸ The priests agreed to do that, and they also agreed that they themselves would not do the repair work.

⁹ Then Jehoiada took a chest and bored a hole in the lid. He placed it alongside the altar *for burning incense/sacrifices* that was on the right as anyone enters the temple. The priests who guarded the entrance to the temple put in the box the money that was brought to the temple. ¹⁰ Whenever they saw that there was a lot of money in the chest, the king's secretary and the Supreme Priest would come and count the money. Then they would put it in bags and tie the bags shut. ¹¹ Then, after they weighed it, they would give the money to the men who supervised the work in the temple. Then the supervisors would use that money to pay the carpenters and builders who did the repair work in the temple, ¹² and the masons and the stone cutters. Also with some of that money they bought timber and stones that had been cut to be used in the repair work, and to pay all the other expenses for the repair work. ¹³ But they did not use any of that money to *pay men to make* silver cups or wick trimmers or bowls or trumpets or any other items made of silver or gold to be used in the temple.

¹⁴ All that money was given to the men who were doing the work of repairing the temple. ¹⁵ The men who supervised the work always did things honestly, so the king's secretary and the Supreme Priest never required that the supervisors report what they had spent the money for. ¹⁶ But the money that people gave to pay for the wrong things that they had done and the money they gave to purify themselves because of the sins that they had committed was not put in the chest. That money belonged to the priests.

¹⁷ At that time, Hazael, the king of Syria, went *with his army* and attacked Gath *city* and conquered it. Then he decided that they would attack Jerusalem. ¹⁸ So Joash, the king of Judah, took all the money that the previous kings, Jehoshaphat and Jehoram and Ahaziah, had dedicated to Yahweh. He added some of his own money, and all the gold that was in the rooms in the temple where valuable things were kept/stored, and the gold in his palace, and sent it all to King Hazael, *to appease him/persuade him to not attack Jerusalem*. So King Hazael *took his army* away from Jerusalem.

¹⁹ *If you want to read more of what* Joash did, it is all written [RHQ] in the scroll called 'The History of the Kings of Judah'. ²⁰⁻²¹ Joash's officials plotted against him, and two of them killed Joash on the road that goes down to the Silla *district*. The two men who did that were Jozabad, the son of Shimeath, and Jehozabad, the son of Shomer. Joash was buried in the place where his ancestors were buried, *in the part of Jerusalem called 'The City of David'*. Then Joash's son Amaziah became the king of Judah.

King Jehoahaz of Israel

13 After Joash had been ruling Judah for almost 23 years, Jehu's son Jehoahaz became the king of Israel. He ruled in Samaria *city* for 17 years. ² He did many things that Yahweh considered to be evil and committed the same kind of sins that Jeroboam had committed, sins which led the people of Israel to sin. He did not stop committing those sins. ³ So Yahweh became very angry with the Israeli people, and he allowed the army of King Hazael of Syria and his son Ben-Hadad to defeat the Israelis many times.

⁴ Then Jehoahaz prayed to Yahweh *for help*, and Yahweh heeded him, because he saw that the army of the king of Syria was oppressing the Israelis. ⁵ Yahweh sent a leader to Israel, who enabled them to be freed from being controlled by Syria. After that, the Israeli people lived peacefully as they had done previously. ⁶ But they still continued to commit the same kind of sins that Jeroboam and his family had committed and which led the Israelis to *also* sin. And the statue of the goddess Asherah remained in Samaria.

⁷ Jehoahaz had only 50 men who rode on horses and ten chariots and 10,000 other soldiers, because the army of Syria had killed all the rest, trampling them like people walk on dirt.

⁸ *If you want to read about* [RHQ] everything else that Jehoahaz did, you can read about it in the scroll called 'The History of the Kings of Israel'. ⁹ Jehoahaz died [EUP] and was buried in Samaria. Then his son Jehoash became the king.

King Jehoash ruled Israel

¹⁰ Jehoash, the son of Jehoahaz, started to rule in Israel after King Joash had been ruling in Judah for 23 years. Jehoash ruled in Samaria for 17 years. ¹¹ He did many things that Yahweh considered to be evil. He refused to turn away from worshiping idols, which was the sin that *many years earlier* King Jeroboam had told the Israeli people to commit.

¹² The other things that happened while Jehoash was king and all the things that he did are written in the book called 'The Account of What the Kings of Israel Did'. In that account they wrote about Jehoash's *army's* victories, and their war with *the army of* King Amaziah of Judah. ¹³ When Jehoash died, he was buried in Samaria where the *other* kings of Israel were buried. Then his son Jeroboam became king.

Elisha died

¹⁴ Elisha became very ill. Just before he died, King Jehoash went to Elisha and cried in front of him. *Saying the same words that Elisha had said when Elijah was taken to heaven*, he said, "My father/master! My father/master! The chariots of us Israeli people and their drivers *are taking my master away!*"

¹⁵ Elisha said to him, "Bring to me a bow and some arrows!" So the king did that. ¹⁶ Then Elisha told the king to put his hands on the bow *and prepare to shoot some arrows*. And then Elisha put his own hands on the king's hands.

¹⁷ Then Elisha told him, "*Have someone* open that window toward the east." So they opened it. Then Elisha said, "Shoot!" So the king did. Then Elisha said, "That is the arrow that *indicates that your army* will defeat the Syrian army. Your army will completely defeat their *army* at Aphek town."

¹⁸ Then Elisha said, "Pick up the other arrows and strike the ground with them!" So the king picked up the arrows and struck the ground three times. ¹⁹ But Elisha was angry with him. He exclaimed, "You should have struck the ground five or six times! If you had done that, your army would have defeated the Syrian *army* until they were completely wiped out! But now, *because you struck the ground only three times*, your army will defeat them only three times!"

²⁰ Then Elisha died and was buried.

Groups of raiders from Moab came to Israel each year during \diamond spring/the time when the cold season was ending \diamond . ²¹ One year, when some Israeli people were burying a man's body, they saw a group of those raiders. *They were afraid*; so quickly they threw that man's body into the tomb where Elisha *had been buried, and they ran away*.

But as soon as the man's body touched Elisha's bones, the dead man became alive again and jumped up!

War between Israel and Syria

²² King Hazael of Syria *sent soldiers to* oppress the Israeli people all during the years that Jehoahaz *ruled Judah*. ²³ But Yahweh was very kind [DOU] to the Israeli people. He helped them because of the agreement that he had made with *their ancestors* Abraham, Isaac, and Jacob. He did not get rid of the Israelis, and he still has not rejected them.

²⁴ When Hazael the king of Syria died, his son Ben-Hadad became the king. ²⁵ *The army of* King Jehoash of Israel defeated *the army of* King Ben-Hadad three times, and recaptured the cities that Ben-Hadad's army had captured during the time that Jehoash's father Jehoahaz was ruling Israel.

King Amaziah of Judah

14 After Jehoash had been ruling Israel for almost two years, Joash's son Amaziah became the king of Judah. ² He was 25 years old when he started to rule, and he ruled in Jerusalem for 29 years. His mother was Jehoaddin; she was from Jerusalem. ³ Amaziah did many things that pleased Yahweh, but he did not do as many things that pleased Yahweh as King David had done. He did some of the good things that his father Joash had done. ⁴ But, *like his father*, he

did not tear down the places for worshipping Yahweh at pagan shrines. The people continued to burn incense *to honor Yahweh* on those hills *instead of in Jerusalem, the place that Yahweh had appointed.*

⁵ As soon as he was completely in control of his kingdom, he caused to be executed the officials who had murdered his father. ⁶ But he did not execute their children. He obeyed what was written in the laws that God gave to Moses: "Parents must not be executed for the *crimes/sins committed* by their children, and children must not be executed for *crimes/sins committed* by their parents. People must be executed only for the sins that they themselves *have committed.*"

⁷ Amaziah's soldiers killed 10,000 soldiers of the Edom people-group in the Salt Valley *south of the Dead Sea*, and they captured Sela *city* and gave it a new name, Joktheel. That is still its name.

⁸ Then Amaziah sent messengers to King Jehoash of Israel, saying "Come here and let's talk together."

⁹ But King Jehoash replied to King Amaziah: "Once a thornbush growing in *the mountains* in Lebanon sent a message to a cedar tree, saying, 'Give your daughter to my son in order that he may marry her.' But a wild animal in Lebanon passed by the thornbush and trampled it. ¹⁰ *The meaning of what I am saying is that your army has defeated the army of Edom, so now you have become very proud. But you should be content with defeating the people of Edom, and allow your soldiers to stay at home. If you cause trouble by fighting against us, you will surely [RHQ] cause a disaster to happen to you and to your people.*"

¹¹ But Amaziah refused to heed Jehoash's message. So he marched with his army to fight against the Israeli army at Beth-Shemesh *city* in Judah. ¹² The Israeli army defeated the army of Judah, and all the soldiers of Judah fled and ran back home. ¹³ Jehoash's army also captured King Amaziah there, and they also marched to Jerusalem and tore down the wall *that was around the city, from the Ephraim Gate to the Corner Gate.* That was a section that was about \diamond 200 yards/180 meters \diamond long. ¹⁴ Jehoash's soldiers seized all the gold and silver that they found, and all the utensils that were in the temple, and all the valuable things that were in the palace, and took them to Samaria. They also took to Samaria some prisoners whom they had captured.

¹⁵ *If you want to know about all the other things that Jehoash did when he was king, including when he and his army fought against the army of King Amaziah of Judah, they are written in the scroll called 'The History of the Kings of Israel'.* ¹⁶ Jehoash died [EUP], and he was buried in Samaria, where the other kings of Israel had been buried. Then his son Jeroboam #2 became the king.

¹⁷ Amaziah, the king of Judah, lived for 15 more years after Jehoash, the king of Israel, died. ¹⁸ *If you want to know more about everything else that Amazi-*

ah did, it is written [RHQ] in the scroll called 'The History of the Kings of Judah'.

¹⁹ Some people in Jerusalem plotted against Amaziah, so he fled to Lachish *city*. But they followed him there and killed him. ²⁰ They took his corpse back to Jerusalem and buried it where his ancestors had been buried, in the *part of Jerusalem called 'The City of David'.*

²¹ Then all the people of Judah appointed Amaziah's son Uzziah, when he was 16 years old, to be their king ²² After his father died, Uzziah's workers captured Elath *city*, and it came under the control of Judah again.

King Jeroboam #2 of Israel

²³ When Amaziah had been ruling Judah for almost 15 years, Jeroboam #2 became the king of Israel. He ruled in Samaria *city* for 41 years. ²⁴ He did many things that Yahweh considered to be evil. He did not stop committing the same kind of sins that Jeroboam, the son of Nebat, committed, sins which led the Israeli people to sin also. ²⁵ His soldiers conquered again some of the territory that had previously belonged to Israel, from Hamath *city* in the north to the Dead Sea in the south. That is what Yahweh, the God whom the Israelis worshiped, promised the prophet Jonah, the son of Amittai, from Gath-Hepher *town*, would happen.

²⁶ That happened because Yahweh saw that the Israelis' *enemies were causing* the Israelis to suffer very much. And there was absolutely no one [IDM] who would help them. ²⁷ But Yahweh said that he would not destroy Israel completely, so he enabled King Jeroboam #2 to rescue them.

²⁸ *If you want to know more about everything else that Jeroboam #2 did, about his fighting courageously in battles, and about his enabling the Israelis to capture again Damascus and Hamath cities, they are written [RHQ] in the scroll called 'The History of the Kings of Israel'.* ²⁹ Jeroboam #2 died [EUP], and *was buried where the other kings of Israel were buried, and his son Zechariah became the king.*

King Uzziah of Judah

¹⁵ After Jeroboam #2 had been ruling Israel for almost twenty-seven years, Uzziah, the son of King Amaziah of Judah, began to rule. ² He was 16 years old when he started to rule, and he ruled in Jerusalem for 52 years. His mother was Jecoliah, from Jerusalem. ³ He did things that Yahweh was pleased with, like his father Amaziah had done. ⁴ But, the places at the pagan shrines where they worshiped Yahweh were not destroyed, and the people continued to burn incense *to honor Yahweh* at those places *instead of in Jerusalem, the place that Yahweh had appointed.*

⁵ Yahweh caused Uzziah to become a leper, and he was a leper for the rest of his life. *He was not allowed to live in the palace.* He lived alone in a house, and his son Jotham ruled the country.

⁶ *If you want to know about everything else that Uzziah did, it is written [RHQ] in the scroll called 'The History of the Kings of Judah'.* ⁷ Uzziah died [EUP], and they buried him in *the part of Jerusalem called 'The City of David',* where his ancestors had been buried. Then his son Jotham officially became the king.

King Zechariah of Israel

⁸ After Uzziah had been ruling Judah for almost thirty-eight years, Zechariah, the son of Jeroboam #2, became the king of Israel. He ruled in Samaria *city* for *only* six months. ⁹ He did many things that Yahweh considered to be evil, like his ancestors had done. He committed the same kind of sins that Jeroboam #1 had committed, sins which led the Israeli people to sin.

¹⁰ Then Shallum, the son of Jabesh, made plans to assassinate Zechariah. He killed him at Ibleam *town*, and then he became the king. ¹¹ Everything else that Zechariah did is written in the scroll called 'The History of the Kings of Israel'. ¹² When Zechariah died, *that ended the dynasty of King Jehu.* That fulfilled what Yahweh said to King Jehu would happen: "Your son and grandson and great-grandson and great-great-grandson will all be kings of Israel."

King Shallum of Israel

¹³ Shallum, the son of Jabesh, became the king of Israel after King Uzziah had been ruling Judah for almost thirty-nine years. But Shallum ruled in Samaria for *only* one month. ¹⁴ Then Menahem, the son of Gadi, went up from Tirzah *city* to Samaria and assassinated Shallum. Then Menahem became the king of Israel.

¹⁵ Everything else that Shallum did, including his killing King Zechariah, is written in the scroll called 'The History of the Kings of Israel'.

¹⁶ While Menahem was ruling in Samaria, he completely destroyed Tappuah *village south of Samaria* and killed all the people who lived there and in the surrounding territory. He did that because the people in that city refused to surrender to him. *With his sword* he even ripped open the bellies of pregnant women.

King Menahem of Israel

¹⁷ When King Azariah had been ruling Judah for almost thirty-nine years, Menahem, the son of Gadi, became the king of Israel. He ruled in Samaria for ten years. ¹⁸ He did many things that Yahweh considered to be evil. He committed the same kinds of sins that King Jeroboam #1 had committed, sins that led the people of Israel to sin. He continued to commit those sins for the rest of his life.

¹⁹ Then King Tiglath-Pileser of Assyria came *with his army* to attack Israel. So Menahem gave him \diamond thirty-eight tons/35,000 kg. \diamond of silver in order that Tiglath-Pileser would help Menahem to continue to be king and rule his country more strongly. ²⁰ Menahem obtained that money from the rich men in Israel. He compelled each of them to contribute 50 pieces of silver. So Tiglath-Pileser *took that money and* went back home.

²¹ *If you want to know more about everything that Menahem did, it is written [RHQ] in the scroll called 'The History of the Kings of Israel'.* ²² Menahem died [EUP] and was buried, and his son Pekahiah became the king of Israel.

King Pekahiah of Israel

²³ When King Uzziah had been ruling Judah for almost 50 years, Menahem's son Pekahiah became the king of Israel. He ruled in Samaria for *only* two years. ²⁴ He did many things that Yahweh considered to be evil. He committed the same kind of sins that King Jeroboam #1 had committed, sins which led the people of Israel to sin. ²⁵ Then one of Pekahiah's army commanders whose name was Pekah, the son of Remaliah, planned with 50 men from the Gilead *region* to kill Pekahiah. They assassinated him in a fortified place in the king's palace in Samaria. Then Pekah became the king.

²⁶ Everything else that Pekahiah did is written in the scroll called 'The History of the Kings of Israel'.

King Pekah of Israel

²⁷ When King Uzziah had been ruling Judah for almost 52 years, Pekah, the son of Remaliah, became the king of Israel. He ruled in Samaria for 20 years. ²⁸ He also did many things that Yahweh considered to be evil. He committed the same kind of sins that King Jeroboam #1 had committed, sins that led the people of Israel to sin.

²⁹ While Pekah was the king, Tiglath-Pileser, the king of Assyria, came *with his army and* captured *the cities of Ijon, Abel-Beth-Maacah, Janoah, Kedesh, Hazor, and the regions of Gilead, Galilee, and Naphtali.* His army forced the Israeli people to leave their country and go to live in Assyria.

³⁰ Then Hoshea, the son of Elah, plotted to kill Pekah. He assassinated him when Uzziah's son Jotham had been ruling Judah for almost 20 years. Then Hoshea became the king of Israel.

³¹ Everything else that Pekah did is written in the scroll called 'The History of the Kings of Israel'.

King Jotham of Judah

³² When Pekah had been ruling Israel for almost two years, Uzziah's son Jotham began to rule Judah. ³³ He was 25 years old when he started to rule, and he ruled from Jerusalem for 16 years. His mother was Jerusha,

the daughter of Zadok.³⁴ He did many things that pleased Yahweh, like his father Uzziah had done.³⁵ But he did not destroy the places on the tops of hills where the people worshiped *Yahweh*, and the people continued to burn incense there *to honor Yahweh*. Jotham's workers built the Upper Gate of the temple.

³⁶ *If you want to know more about everything else that Jotham did, it is written [RHQ] in the scroll called 'The History of the Kings of Judah'.*³⁷ It was during the time that Jotham was the king that Yahweh sent King Rezin of Syria and King Pekah of Israel *with their armies* to attack Judah.³⁸ Jotham died [EUP] and was buried where his ancestors had been buried in *the part of Jerusalem called 'The City of David'*. Then his son Ahaz became the king of Judah.

King Ahaz of Judah

16 When Pekah had been ruling Israel for almost 17 years, Ahaz, the son of Jotham, became the king of Judah.² He was 20 years old when he became the king *of Judah*. He ruled from Jerusalem for 16 years. He did not do things that pleased Yahweh his God, good things like his ancestor King David had done.³ Instead, he was as sinful as the kings of Israel had been. He even sacrificed his son as an offering to idols. That was worse than the disgusting things that the people who previously lived there had done, people whom Yahweh had expelled as the Israelis were advancing through the land.⁴ Ahaz offered sacrifices and burned incense *to honor Yahweh* on the tops of many hills and under many [HYP] big trees, *instead of in Jerusalem as Yahweh had commanded*.

⁵ While he was the king of Judah, King Rezin of Assyria and King Pekah of Israel *came with their armies* and attacked Jerusalem. They surrounded the city, but they could not conquer it.⁶ At that time the *army of the king of Edom* expelled the people of Judah who were living in Elath *city*. Some of the people of Edom started to live there, and they are still living there.

⁷ King Ahaz sent messengers to King Tiglath-Pileser of Assyria, to tell this message to him: "I promise that I will completely do what you tell me to do, *as though I was your son*. Please come and rescue us from the armies of Syria and Israel who are attacking my country."⁸ Ahaz took the silver and gold that was in the palace and in the temple and sent it to Assyria to be a present/gift for the king of Assyria.⁹ So Tiglath-Pileser did what Ahaz requested. His army marched to Damascus and captured it, and they took the people of Damascus as prisoners to live in the capital city of Assyria, and executed *King Rezin*.

¹⁰ When King Ahaz went to Damascus to meet King Tiglath-Pileser, he saw the altar that was there. So he sent to Uriah, the Supreme Priest *in Jerusalem*, a drawing of the altar and a model that was exactly like the altar in Damascus.¹¹ So Uriah built an altar *in Jerusalem*, following the drawing that King Ahaz had sent. Uriah finished the altar before Ahaz returned to

Jerusalem from Damascus.¹² When the king returned from Damascus, he saw the altar. He went to it¹³ and burned animal sacrifices and a grain offering on it. He also poured a wine offering on it and threw on it the blood of the offerings to maintain fellowship with God.¹⁴ The old bronze altar which had been dedicated long ago to Yahweh was between the new altar and the temple, so Ahaz moved it to the north side of his new altar, *which was bigger than the old altar*.

¹⁵ Then King Ahaz ordered Uriah: "Each morning put on this new altar the sacrifices that will be completely burned, and in the evening put on it the grain offering, along with my offering and the offerings that the people bring, ones that will be completely burned, and my grain offering and the people's grain and wine offerings. Pour against the sides of the altar the blood of all the animals that are sacrificed. But the old bronze altar will be only for me to use to find out what Yahweh wants me to do."¹⁶ So Uriah did what the king commanded him to do.

¹⁷ King Ahaz told his workers to take off the frames of the carts *that were outside the temple* and to take down the basins that were on them. They also took down the bronze tank from the backs of the bronze *statues of the oxen* and put it on a stone foundation.¹⁸ Then *to please* the king of Assyria, Ahaz had them remove from the temple the roof under which the people walked into the temple on the Sabbath Day, and closed up the private entrance into the temple for the kings of Judah.

¹⁹ *If you want to know about the other things that Ahaz did, they are written [RHQ] in the scroll called 'The History of the Kings of Judah'.*²⁰ Ahaz died [EUP], and he was buried in *the part of Jerusalem called 'The City of David'*, where his ancestors had been buried. Then his son Hezekiah became the king.

When Hoshea ruled Israel

17 Elah's son Hoshea began to rule Israel after King Ahaz had ruled Judah for twelve years. Hoshea ruled in Samaria for nine years.² He did many things that Yahweh considered to be evil, but he did not do as many evil things as the previous kings of Israel had done.

³ *The army of King Shalmaneser of Assyria* attacked and defeated *the army of King Hoshea*. As a result, the Israelis were forced to pay a lot of tribute/taxes to Assyria each year.⁴ But several years later, Hoshea secretly planned to rebel against the rulers of Assyria. He sent messengers to So/Osorkon, the king of Egypt, *asking if his army could help the Israelis fight against the army of Assyria*. Hoshea also stopped paying the tribute/taxes that he had been paying to Assyria every year. But the king of Assyria found out about those things, so he told his officers to put Hoshea in prison.⁵ Then he *brought the army of Assyria* to Israel, and they attacked everywhere in that land. His army surrounded Samaria *city* for three years.⁶ Finally, after

King Hoshea had been ruling Israel for nine years, the army of Assyria [MTY] *forcefully entered* the city and captured *the people*. They took the Israeli people to Assyria and forced some of them to live in Halah town. They forced others to live near the Habor River in Gozan district. They forced others to live in the towns where the Mede people-group lived.

The reason that the Israelis were defeated

⁷ Those things happened because the Israeli people had sinned against Yahweh their God. He had rescued their *ancestors* from the power [MTY] of the king of Egypt and brought them *safely* out of Egypt, but later they began to worship other gods. ⁸ They imitated the things that the heathen/pagan people-groups did. Those were the groups that Yahweh had expelled as the Israelis occupied their land. The Israeli people also did the evil things that the kings of Israel \diamond introduced/showed to them \diamond . ⁹ The Israeli people also secretly did many things that were not pleasing to Yahweh their God. They built shrines *to worship idols* in all their cities, including small towns and big cities with walls around them. ¹⁰ They set up stone pillars *to honor gods*, and poles *to worship the goddess Asherah* at the top of every high hill and under every *big tree*. ¹¹ The Israelis burned incense in every place where they worshiped those gods, just like the people-groups who lived there previously had done—the groups that Yahweh had expelled from the land. The Israelis did many wicked things that caused Yahweh to become angry. ¹² Yahweh warned them many times that they should not worship idols, but they did it anyway. ¹³ Yahweh frequently sent his prophets and \diamond seers/those who saw visions from Yahweh \diamond to warn the people of Israel and the people of Judah. The message that Yahweh gave them was, “Turn away from all your evil behavior. Obey my commands and my laws, the laws that I told your ancestors *to obey* and which I told the prophets who served me to tell to you *again*.” ¹⁴ But the Israeli people would not pay attention. They were stubborn [IDM] just like their ancestors were. Just like their ancestors did, they refused to believe in Yahweh their God. ¹⁵ They rejected Yahweh's laws and the agreement that he had made with their ancestors. They ignored Yahweh's warnings. They worshiped worthless idols and as a result they themselves became worthless. Although Yahweh had commanded them not to imitate the evil behavior of the people-groups that lived near them, they disobeyed that command. ¹⁶ The Israeli people disobeyed all of Yahweh's commands. They made two metal calves *to worship*. They set up two poles *to worship the goddess Asherah*, and they worshiped *the god Baal*, and the sun, the moon, and the stars. ¹⁷ They also burned their own sons and daughters to be sacrifices *to those gods*. They went to fortune-tellers and they practiced sorcery. They contin-

ually chose [MET] to do *all kinds of evil things* that caused Yahweh to become angry.

¹⁸ So, because Yahweh was very angry with the Israeli people, he allowed *their enemies* to take them away *from their country*. Only the people of the tribe of Judah were left *in the land*. ¹⁹ But even the people of Judah did not obey the commands of Yahweh their God. They imitated the evil customs that the Israelis had introduced. ²⁰ So Yahweh rejected all the people of Israel and of Judah. He punished them by allowing the armies of other nations to defeat them *and take them away*. He got rid of all of them.

²¹ Earlier, when Yahweh allowed the people of Israel to separate/break away from the area [MTY] that King David *had established*, they chose Jeroboam, the son of Nebat, to be their king. Then Jeroboam enticed the people of Israel to stop worshiping Yahweh *and to worship idols instead*. He led them to commit great sins. ²² And the Israeli people continued to do the evil things that Jeroboam introduced. They did not turn away from those sins, ²³ until finally Yahweh got rid of them. That was just what his prophets had warned would happen. The Israeli people were taken away to the land of Assyria, and they still remain there.

Other groups settled in Israel

²⁴ The king of Assyria *ordered his soldiers to take groups of people* from Babylon, Cuthah, Avva, Hamath, and Sepharvaim *cities to Samaria region*, and to resettle them in the towns there, to take the place of the Israelis *who lived there previously*. Those people took control over *the whole Samaria region* and lived in the towns there. ²⁵ But those people *who came from other countries* did not worship Yahweh when they first arrived in Samaria. So Yahweh sent lions to kill some of them. ²⁶ Then those people sent a message to the king of Assyria. They wrote, “We people who have resettled in the towns in Samaria do not know how to worship the God that *the Israelis worshiped* in this land. So he has sent lions among us to kill us, because we have not worshiped him correctly.”

²⁷ When the king of Assyria *read this letter*, he commanded *his officers*, “You brought many priests here from Samaria. Send one of them back there. Tell him to teach the people who are now living there how to worship correctly the God whom the Israelis worshiped in that land.” ²⁸ So *the officers did that*. They sent one of the Israeli priests back to Samaria. That priest went to live in Bethel *city*, and he taught the people there how to worship Yahweh.

²⁹ But the people who *returned from Babylon* and started to live in Samaria continued to make their own idols. They placed them in the shrines that the Israelis had built there. The people of each people-group made idols in the cities in which they were living. ³⁰ The people from Babylon made idols to represent their god Succoth-Benoth. The people from Cuthah made idols to represent their god Nergal. The people

from Hamath made idols to represent their god Ashima.³¹ The people of Avva made idols to represent their gods Nibhaz and Tartak. The people from Sepharvaim sacrificed their own children. They completely burned them *in pits where hot fires were kept burning*, as offerings to their gods Adrammelech and Anammelech.³² But those people also worshiped Yahweh, and they appointed from among their own groups many people to be priests at the shrines on the tops of the hills, in order that those priests could offer sacrifices for them there.

³³ So they revered Yahweh, but they also worshiped their own gods, just as the people living in the countries from which they had been taken to Samaria did.

³⁴ They still keep their old customs. They really do not worship Yahweh, and they do not obey all the laws and commands that Yahweh gave to the descendants of Jacob, to whom he gave the new name Israel.

³⁵ Yahweh had previously made an agreement with their ancestors, commanding them not to worship other gods or bow down to honor them or do other things to please them or offer sacrifices to them.³⁶ He had said to them, "You must have an awesome respect for me, Yahweh, the one who brought you out of Egypt with my very great power [DOU]. I am the one whom you must bow down to honor, and I am the one to whom you must offer sacrifices."³⁷ You must always obey the laws and commands that *I told Moses to write for you*. You must not worship other gods.

³⁸ And you must not forget the agreement that I made with your ancestors. You must not revere other gods.

³⁹ Instead, you must revere me, Yahweh, your God. If you do that, I will rescue you from the power [MTY] of all your enemies."

⁴⁰ But, *the people from those foreign nations* would not heed what Yahweh said. Instead, they continued to adhere to their old customs.⁴¹ So, they worshiped Yahweh, but they also worshiped their idols. And their descendants still do the same thing.

King Hezekiah started to rule Judah

18 After King Hoshea had been ruling Israel for almost three years, Hezekiah, the son of Ahaz, began to rule Judah.² He was 25 years old when he became the king *of Judah* and he ruled from Jerusalem for 29 years. His mother was Abijah, the daughter of a *man whose name was Zechariah*.³ Hezekiah did things that Yahweh considered to be right, like his ancestor King David had done.⁴ He destroyed the places where people worshiped Yahweh on the tops of hills, and he broke into pieces the stone pillars *for worshipping the goddess Asherah*. He also broke into pieces the bronze *replica/statue of a snake* that Moses had made. He did that because the people had named it Nehushtan, and they were burning incense in front of it to honor it.

⁵ Hezekiah trusted in Yahweh, the God whom the Israelis *worshipped*. There was no king who ruled Judah

before him or after him who was as *devoted to Yahweh as he was*.⁶ He remained loyal to Yahweh and never disobeyed him. He carefully obeyed all the commandments that Yahweh had given to Moses.⁷ Yahweh always *helped/was with* him. He was successful in everything that he did. He rebelled against the king of Assyria and refused to *pay taxes to him/do what the king of Assyria wanted him to do*.⁸ His army defeated the *soldiers of Philistia as far south as Gaza city* and the nearby villages. They conquered the entire area, from the smallest watchtower to the largest cities surrounded by walls.

⁹ After King Hezekiah had been ruling Judah for almost four years, and when King Hoshea had been ruling Israel for almost seven years, *the army of King Shalmaneser of Assyria invaded Israel and surrounded Samaria city*.¹⁰ In the third year they captured the city. That was when Hezekiah has been ruling Judah for almost six years, and when Hoshea had been ruling Israel for almost nine years.¹¹ The king of Assyria commanded that the people of Israel be taken to Assyria. Some of them were taken to Halah *town*, some were taken to a place near the Habor *River* in the Gozan *region*, and some were taken to cities where the Mede people-group live.¹² That happened because the Israelis did not obey Yahweh their God. They disobeyed the agreement that Yahweh had made with their ancestors, and all the laws that Moses, the man who served Yahweh *very well*, had told them to obey. They would not obey those laws; they would not even listen to them.

The army of Assyria invaded Judah

¹³ After King Hezekiah had been ruling Judah for almost 14 years, *the army of King Sennacherib of Assyria attacked all the cities in Judah that had walls around them. They did not capture Jerusalem, but they captured all the other cities*.¹⁴ King Hezekiah sent a message to Sennacherib, while Sennacherib was in Lachish, saying "What I have done was wrong. Please *tell your soldiers to stop attacking us*. If you do that, I will pay you whatever you tell me to." So the king of Assyria said that Hezekiah must pay to him *ten tons/9,000 kg of silver and one ton/900 kg of gold*.

¹⁵ So Hezekiah gave to him all the silver that was in the temple and that was stored in the king's palace.

Sennacherib threatened to destroy Jerusalem

¹⁶ Hezekiah's men also stripped the gold from the doors of the temple and the gold that he himself had put on the doorposts, and he sent all that gold to the king of Assyria.¹⁷ But the king of Assyria sent a large army with some of his important officials from Lachish *city to persuade King Hezekiah to surrender*. When they arrived at Jerusalem, they stood alongside the aqueduct/channel in which water flows from the upper pool into Jerusalem, near the road to the field

where the women wash clothes. ¹⁸ They sent a message requesting King Hezekiah to come to them, but the king sent three of his officials *to talk to them*. He sent Hilkiah's son Eliakim, who supervised the palace; Shebna, the official secretary; and Asaph's son Joah, who communicated the king's messages to the people.

¹⁹ One of Sennacherib's important officials told them to take this message to Hezekiah:

"This is what the king of Assyria, the great king, says: 'What are you trusting in *to rescue you* [RHQ]? ²⁰ You say that you have weapons to fight us, and some country promises to *help you, and that will enable you to defeat us*, but that is only talk [RHQ]. Who do you think will help you to rebel against my *soldiers from Assyria*? ²¹ Listen to me! You are relying on the *army of Egypt*. But that is like [MET] using a broken reed for a walking stick on which you could lean. But it would pierce the hand of anyone who would lean on it! That is what the king of Egypt would be like for anyone who relied on him *for help*. ²² But perhaps you will say to me, "No, we are \diamond relying on/trusting in \diamond Yahweh our God *to help us*." *I would reply, "Is he not the one whom you insulted by tearing down his shrines and altars and forcing everyone in Jerusalem and other places in Judah to worship only in front of the altar in Jerusalem?"*'

²³ So I suggest that you make a deal between you and my master/boss, the king of Assyria. I will give you 2,000 horses, but *I do not think that you are able to find 2,000 of your men who can ride on them!* ²⁴ You are expecting the king of Egypt to send chariots and men riding horses *to assist you*. But they certainly would not [RHQ] be able to resist/defeat even the most insignificant/unimportant official in the army of Assyria! ²⁵ Furthermore, \diamond do you think that we have come to destroy Jerusalem without Yahweh's help?/do not think that we have come to Jerusalem without Yahweh's help. \diamond [RHQ] It is Yahweh himself who told us to come here and destroy this land!"

²⁶ Then Eliakim, Shebna and Joah said to the official from Assyria, "Sir, please speak to us in your Aramaic language, because we understand it. Do not speak to us in our Hebrew language, because the people who are standing on the wall will understand it *and be frightened*."

²⁷ But the official replied, "Do you think [RHQ] that my master sent me to say these things only to you and not to the people who are standing on the wall? *If you reject this message, the people in this city will soon need to eat their own dung and drink their own urine, just like you will, because there will be nothing more for you to eat or drink*."

²⁸ Then the official stood up and shouted in the Hebrew language *to the people sitting on the wall*. He said, "Listen to this message from the great king, the king of Assyria. He says, ²⁹ 'Do not allow Hezekiah to deceive you. He will not be able to rescue you from my

power [MTY]. ³⁰ Do not allow him to persuade you to rely on Yahweh, saying that Yahweh will rescue you, and that the army of Assyria will never capture this city!'

³¹ Do not pay attention to what Hezekiah says! This is what the king of Assyria says: 'Come out of the city and surrender to me. If you do that, I will arrange for each of you to drink the juice from your own grapevines, and to eat figs from your own trees, and to drink water from your own wells. ³² You will be able to do that until we come and take you to a land that is like your land—a land where there is grain to make bread and vineyards to *produce grapes for making wine*. It will be a land that has plenty of olive trees and honey. If you do what the king of Assyria commands, you will not die. You will continue to live.

Do not allow Hezekiah to persuade you to trust in Yahweh saying that he will rescue you! ³³ The gods that people of other nations worship have never rescued them from the power [MTY] of the king of Assyria [RHQ]! ³⁴ Why were the gods of Hamath and Arpad *cities* unable to rescue their people from the king of Assyria [RHQ]? What happened to the gods of Sepharvaim, Hena, and Ivvah, *towns that we completely destroyed and their gods disappeared* [RHQ]? Did any god rescue Samaria from my power? ³⁵ No, none of the gods of the countries *that my army attacked* rescued their people [RHQ] from me! So why do you think that Yahweh will rescue you people of Jerusalem from my power [MTY]?"

³⁶ But the people *who were listening* stayed silent. No one said anything, because King Hezekiah had told them, "*When the official from Assyria talks to you, do not answer him*."

³⁷ Then Eliakim the palace administrator and Shebna the court secretary and Joah the royal historian went back to Hezekiah with their clothes torn *because they were extremely distressed*, and they told him what the official from Assyria had said.

Hezekiah consulted the prophet Isaiah

19 When King Hezekiah heard what they reported, he tore his clothes and put on clothes made of rough cloth *because he was very distressed*. Then he went to the temple *to ask God what to do*. ² He summoned Eliakim and Shebna and the \diamond older/most important \diamond priests, who were also wearing clothes made of rough sackcloth, and told them to talk to me. ³ He said to them, "Tell this to Isaiah: King Hezekiah says that we are having great distress/trouble now. *Other nations are causing us to be insulted and disgraced*. We are like [MET] a woman who is about to give birth to a child, but she does not have the strength that she needs to do it. ⁴ Perhaps Yahweh your God has heard everything that the official from Assyria said. Perhaps he knows that his boss/master, the king of Assyria, sent him to insult the all-powerful God, and that Yahweh will rebuke/punish him for what

he said. And he requests that you pray for the few of us who are still alive *here in Jerusalem.*"

⁵ When the messengers from Hezekiah came to Isaiah, ⁶ Isaiah said to them, "Go back to your boss/master and tell him, 'This is what Yahweh says: Those messengers from the king of Assyria have said evil things about me. But you should not be disturbed because of what they said.' ⁷ Listen to this: I will cause Sennacherib to hear a rumor that will worry him, *that a foreign army is about to attack his country.* So he will return to his own country, and there I will cause him to be assassinated by *men using swords.*"

⁸ The official from Assyria found out that the King of Assyria and his army had left Lachish city, and that they were attacking Libnah, *which is a nearby city.* So the official went there to report to him what had happened in Jerusalem.

⁹ Soon after that, King Sennacherib received a report that King Tirhakah of Ethiopia was leading his army, and was coming to attack them. So before King Sennacherib left Libnah to fight against the army from Ethiopia, he sent other messengers to King Hezekiah with a letter. ¹⁰ In the letter he wrote this to Hezekiah: "Do not allow your god on whom you are relying to deceive you by promising that *the city of Jerusalem* will not be captured by my army [MTY]. ¹¹ You have certainly heard what the armies of the kings of Assyria have done to all the other countries. Our armies have completely destroyed them. So, ♦do you think that you will escape?/do not think that your god will save you!♦ [RHQ] ¹² Did the gods of the nations that were about to be destroyed by the armies of the previous kings of Assyria rescue them? Did those gods rescue the people in the Gozan region and in Haran and Rezepth cities in northern Syria and the people of Eden who had been ♦deported/forced to go♦ to Tel-Assar city? None of the gods of those cities were able to rescue them. ¹³ What happened to the kings of Hamath and Arpad and Sepharvaim and Ivvah cities [RHQ]? *Most of them are dead, and the other people were deported!*"

Hezekiah prayed

¹⁴ Hezekiah took the letter that the messengers gave him, and he read it. Then he went up to the temple and spread out the letter in front of Yahweh.

¹⁵ Then Hezekiah prayed, "Yahweh, the God whom to whom we Israelis belong, you are seated on your throne above the *statues of creatures with wings, above the Sacred Chest.* Only you are truly God. You rule all the kingdoms on this earth. You are the one who created *everything on the earth and in the sky.* ¹⁶ So, Yahweh, please listen to what I am saying, and look at *what is happening.* And listen to what King Sennacherib has said to insult you, the all-powerful God.

¹⁷ Yahweh, it is true that the *armies of the kings of Assyria* have completely destroyed many nations, and

ruined their land. ¹⁸ And they have thrown the idols of those nations into fires and burned them. But *that was not difficult to do, because they were not gods.* They were only statues made of wood and stone, idols that were shaped by humans, *and that is why they were destroyed easily.* ¹⁹ So now, Yahweh our God, please rescue us from the power [MTY] of the king of Assyria, in order that the people in all the kingdoms of the world will know that you, Yahweh, are the only one who is truly God."

Isaiah predicted that the Assyrians would not conquer Jerusalem

²⁰ Then Isaiah sent this message to Hezekiah: "This is what Yahweh, the God to whom we Israelis belong, says: I have heard what you prayed to me about Sennacherib, the king of Assyria. ²¹ This is what I say to him:

'The people of Jerusalem [MTY] despise you and make fun of you.

They wag/shake their heads to mock you while you flee from here.

²² Who do you think that you are despising and ridiculing?

Who do you think you were shouting at?

Who do you think you were looking at very proudly/arrogantly?

It was I, the holy God whom the Israelis worship.

²³ The messengers that you sent made fun of me.

You said, "With my many chariots I have gone to the highest mountains,

even to the highest mountains in Lebanon.

We have cut down its tallest cedar trees

and its nicest pine/cyprus trees.

We have been to the most distant/remote peaks

and to its dense forests.

²⁴ We have dug wells in other countries and drank water from them.

And by marching through [MTY] the streams of Egypt,

we dried them all up [HYP]!"'

²⁵ But I reply, 'Have you never heard that long ago I determined *that those things would happen?*

I planned it long ago,

and now I have been causing it to happen.

I planned that your army would have *the power to capture many cities that were surrounded by high walls,*

and cause them to become piles of rubble.

²⁶ The people who lived in those cities have no power,

and as a result they became dismayed and discouraged.

They are as frail as plants and grass in the fields, as frail as grass that grows on the roofs of houses and is scorched by the hot east wind.

27 But I know *everything about you*.
 I know when you are in your house and when you go outside;
 I also know that you are *raging/speaking very angrily* against me.
 28 So, because you have raged against me,
 and because I have heard [MTY] you speak very proudly/arrogantly,
it will be as though I will put a hook in your nose
 and an iron *bit/piece of metal* in your mouth *in order that I can lead you where I want you to go*,
 and I will force you to return *to your own country*
 on the same road on which you came here, *without conquering Jerusalem.*"

29 Then I said to Hezekiah, "This is what will happen to prove *that I am telling the truth*:
 This year and next year you *and your people* will be able to harvest only *wild grain/grain that grows without having been planted*.
 But the following year, you *Israelis* will be able to plant grain and harvest it, and to plant vineyards and eat the grapes that you harvest.
 30 The people [MTY] in Judah who remain alive will prosper and have many children; they will be like plants whose roots go deep down into the ground and which produce much [MET].
 31 There will be many people in Jerusalem [DOU] who will survive, because I, Yahweh, the commander of the armies of angels in heaven, want [PRS] it to happen.
 32 So this is what I, Yahweh, say about the king of Assyria:
 'His armies will not enter this city;
 they will not even shoot any arrows into it!
 His soldiers will not *march outside* the city gates carrying shields,
 and they will not even build high mounds of dirt against *the city walls*
to enable them to attack the city.
 33 Their king will return to his own country
 on the same road on which he came here.
 He will not enter this city!
That will happen because I, Yahweh, have said it!
 34 I will defend this city and prevent it from being destroyed.
 I will do this for the sake of my own reputation and because of what I promised to King David, who served me well."

35 That night, an angel from Yahweh went out to where the army of Assyria had put up their tents, and killed 185,000 of their soldiers! When the rest of their soldiers woke up the next morning, they saw that there were corpses everywhere! 36 Then King Sennacherib left and went home to Nineveh, *the capital of Assyria*.

37 One day, when he was worshiping in the temple of his god Nisroch, two of his sons, Adrammelech and Sharezer, killed him with their swords. Then they escaped and went to the Ararat *region, northwest of Nineveh*. And another of Sennacherib's sons, Esarhadon, became the king of Assyria.

Hezekiah's sickness and his recovery

20 About that time, Hezekiah became very ill. *He thought that he was about to die*. Isaiah the prophet came to him and said, "This is what Yahweh says: 'You should tell the people in your palace what you want them to do after you die, because you are not going to recover from this illness. You are going to die.'"

2 Hezekiah turned his face toward the wall and prayed, 3 "Yahweh, do not forget that I have always served you faithfully, and I have done things that pleased you." Then Hezekiah started to cry loudly.
 4 Isaiah left the king, but before he had crossed the middle courtyard of the palace, Yahweh gave him a message 5 which said, "Go back to Hezekiah, the ruler of my people, and say to him, 'I, Yahweh, the God whom your ancestor King David *worshiped*, have heard what you prayed. And I have seen your tears. So, listen: I will heal you. Two days from now you will *be able to go up to my temple*. 6 I will enable you to live for 15 more years. And I will rescue you and this city again from the power [MTY] of the king of Assyria. I will defend this city for the sake of my own reputation and because of what I promised King David, who served me *well*.'"

7 So Isaiah *returned to the palace and told Hezekiah what Yahweh had said*. Then he said to Hezekiah's servants, "Bring a paste made of boiled figs. Put some of it on his boil, and he will get well."
 8 Then Hezekiah replied to Isaiah, "What will Yahweh do to prove that he will heal me and that two days from now I will be able to go up to the temple?"
 9 Isaiah replied, "Yahweh will do something that will prove to you that he will do what he promised. Do you want him to cause the shadow on the stairway/sundial to go back ten steps/degrees, or to go forward ten steps/degrees?"
 10 Hezekiah replied, "It is easy to cause the shadow to move forward, *because that is what it always does*. Tell him to cause it to move backward ten steps/degrees."
 11 So Isaiah prayed earnestly to Yahweh, and Yahweh caused the shadow to go backward ten steps/degrees on the stairway/sundial that King Ahaz had made (OR, that workers had built for King Ahaz).

The messengers from the king of Babylonia

12 At that time, King Merodach-Baladan, the son of Baladan the *previous* King of Babylonia, heard a report that King Hezekiah had been very sick. So he wrote

some letters and gave them to some messengers to take to Hezekiah, along with a gift. ¹³ *When the messengers arrived*, Hezekiah welcomed them gladly. Then he showed them everything that was in his treasure houses/places where very valuable things were stored —the silver and gold, the spices, the nice-smelling olive oil, and all the weapons *for his soldiers*. He showed them all the *valuable* things in his storerooms and everywhere else in his kingdom [HYP]; he showed them everything.

¹⁴ Then the prophet Isaiah went to Hezekiah and asked him, “Where did those men come from, and what did they say to you?”

Hezekiah replied, “They came from a country very far from here. They came from Babylonia.”

¹⁵ Isaiah asked, “What did they see in your palace?”

Hezekiah replied, “They saw everything. I showed them absolutely everything that I own—all my valuable things.”

¹⁶ *Isaiah knew that Hezekiah had done a very foolish thing*. So Isaiah said to him, “Listen to what Yahweh says to you. ¹⁷ There will be a time when everything that is still in your palace, all the valuable things that were put there by you and your ancestors, will be carried away to Babylon. There will be nothing left here! *That is what Yahweh says to you*”¹⁸ Furthermore, some of your own descendants will be forced to go there, and they will be castrated in order that they may become servants in the palace of the King of Babylon.”

¹⁹ Then Hezekiah replied to Isaiah, “That message from Yahweh that you have given to me is good.” He said that because he was thinking, “Even if that happens, there will be peace and security *in Israel* all the rest of my life.”

²⁰ *If you want to know more about* [RHQ] all the other things that Hezekiah did, about his brave deeds in battle, about his ordering a reservoir to be built in the city and a tunnel *to be dug* to bring water into the reservoir, they are all written in the scroll called ‘The History of the Kings of Judah’. ²¹ Later Hezekiah died [EUP], and his son Manasseh became the king.

King Manasseh of Judah

21 Manasseh was twelve years old when he began to rule. He ruled Judah for 55 years from Jerusalem. His mother was Hephzibah. ² He did many things that Yahweh considered to be evil. He imitated the disgusting things that were formerly done by the people of the nations that Yahweh had expelled from the land of Israel as his people advanced *through the land*. ³ He commanded his workers to rebuild the shrines *for worshiping Yahweh* that his father Hezekiah had destroyed *because they were not in the place that Yahweh had said they should worship him*. He directed his workers to build altars for worshiping Baal. He made a *statue of the goddess Asherah*, like Ahab the king of Israel had done *previously*. And Manasseh worshiped [DOU] the stars. ⁴ He directed his workers

to build altars *for worshiping foreign gods* in the temple of Yahweh, about which Yahweh had said, “It is here in Jerusalem where I want people to worship [MTY] me, forever.” ⁵ He directed that altars for worshiping the stars be built in both of the courtyards outside the temple. ⁶ He even sacrificed his own son by burning *him in a fire*. He performed rituals to practice sorcery and magic rituals. He also went to people who consulted the spirits of dead people to find out what would happen in the future. He did many things that Yahweh considered to be extremely evil, things that caused Yahweh to become very angry.

⁷ He placed the statue of the goddess Asherah in the temple, the place about which Yahweh had said to David and his son Solomon, “My temple will be here in Jerusalem. This is the city that I have chosen from all the territory of the twelve tribes of Israel, where I want people to worship me, forever. ⁸ And if the Israeli people obey all my commands and all the laws that I gave to Moses, the man who served me *very well*, I will not again force them to leave this land that I gave to their ancestors.” ⁹ But the people did not heed Yahweh. And Manasseh persuaded them to commit sins that are more evil than the sins that were committed by the people of the nations that Yahweh had expelled from the land as the Israeli people advanced.

¹⁰ *These are some of the things that* the prophets said many times, messages that Yahweh had given them: ¹¹ “Manasseh, the king of Judah, has done these abominable things, things that are much worse than the things that the Amor people-group did in this land long ago. He has persuaded the people of Judah to sin by *worshiping* idols. ¹² Therefore, this is what I, Yahweh, the God whom you Israeli people worship, say: I will the cause the people of Jerusalem and the rest of Judah to experience great disasters. It will be terrible, with the result that everyone who hears about it will be stunned [MTY]. ¹³ I will judge and punish [MET] the people of Jerusalem like I punished the family of King Ahab *of Israel*. I will wipe Jerusalem clean/remove all the people from Jerusalem, like [MET] people wipe a plate and then turn it upside down *after they have finished eating, to show that they are now satisfied*.

¹⁴ And I will abandon the people who remain alive, and I will allow their enemies to conquer them and steal everything valuable from their land. ¹⁵ I will do this because my people have done things that I consider to be very evil, things which have caused me to become very angry. They have caused me to become angry continually, ever since their ancestors left Egypt.”

¹⁶ Manasseh *commanded his officials* to kill many innocent people in Jerusalem, with the result that their blood flowed in the streets. He did this in addition to persuading the people of Judah to sin against Yahweh *by worshiping idols*.

¹⁷ *If you want to know more about* all the things that Manasseh did, they are written in the scroll called ‘The

History of the Kings of Judah'.¹⁸ Manasseh died [EUP] and was buried in the garden outside his palace, the garden that Uzza *had made*. Then Manasseh's son Amon became the king.

King Amon of Judah

¹⁹ Amon was twenty-two years old when he became king. He ruled Judah from Jerusalem for *only* two years. His mother's name was Meshullemeth. She was from Jotbah *town*, and was the granddaughter of Haruz.²⁰ Amon did many things that Yahweh considered to be evil, like his father Manasseh had done.²¹ He imitated the behavior of his father, and he worshiped the same idols that his father had worshiped [DOU].²² He abandoned Yahweh, the God whom his ancestors had *worshiped*, and did not behave as Yahweh wanted him to.²³ Then one day some of his officials plotted to kill him. They assassinated him in the palace.

²⁴ But then the people of Judah killed all those who had assassinated King Amon, and they appointed his son Josiah to be their king.

²⁵ *If you want to read about* [RHQ] the other things that Amon did, they are written in the scroll called 'The History of the Kings of Judah'.²⁶ Amon was also buried in the tomb in the garden that Uzza *had made*. Then Amon's son Josiah became the king.

King Josiah of Judah

22 Josiah was eight years old when he became the king *of Judah*. He ruled from Jerusalem for 31 years. His mother was Jedidah and his grandfather was Adaiah from Bozkath *town*.² Josiah did things that were pleasing to Yahweh and conducted his life as his ancestor King David had done. He completely obeyed [IDM] all the laws of God.

³ After Josiah had been ruling for almost 18 years, he sent his secretary Shaphan, the son of Azaliah and grandson of Meshullam, to the temple with these instructions:⁴ "Go to Hilkiah, the Supreme Priest, and tell him to give me a report, telling me how much money the men who guard the doors of the temple have collected from the people *as offerings*.⁵ Then tell him to give all that money to the men who are supervising the work of repairing the temple.⁶ They must give that money to the carpenters, the builders, and the masons, and they should also buy the timber and the stones that they will use to repair the temple.⁷ But the men who supervise the work will not be required to make a report on the money that is given to them, saying what they spent it for, because those men are completely honest."

⁸ *After Shaphan said that to Hilkiah* the king's secretary, Hilkiah said to Shaphan, "I have found in the temple a scroll on which is written the laws *that God gave to Moses!*" Hilkiah gave the scroll to Shaphan, and he started to read it.⁹ Then Shaphan *took the scroll* to

the king and said to him, "Your temple guards have taken the money that was in the temple, and they have given it to the men who will supervise the work of repairing the temple."¹⁰ Then Shaphan said to the king, "I *have brought to you* a scroll that Hilkiah gave to me." And Shaphan started to read it to the king.

¹¹ When the king heard the laws that were written in the scroll that Shaphan was reading to him, he tore his clothes *because he was very dismayed*.¹² Then he gave these instructions to Hilkiah, to Shaphan's son Ahikam, to Micaiah's son Achbor, and to Asaiah, the king's special advisor:¹³ "Go and ask Yahweh for me and for all the people of Judah, about what is written in this scroll that has been found. Because *it is clear that* Yahweh is very angry with us because our ancestors disobeyed what was written on this scroll, things that *we should have done*."

¹⁴ So Hilkiah, Ahikam, Achbor, Shaphan, and Asaiah went to *consult/talk with* a woman whose name was Huldah, who was a prophetess who lived in the newer/northern part of Jerusalem. Her husband Shalum, son of Tikvah and grandson of Harhas, took care of the robes that were worn *in the temple* (OR, *by the king*). *Those five men told her about the scroll*.

¹⁵ She said to them, "This is what Yahweh the God whom we Israelis *worship* says: 'Go back and tell the king who sent you¹⁶ that this is what Yahweh says: "Listen to this carefully. I am going to cause all the people who live here Jerusalem to experience a disaster, which is what was written in the scroll that the king has read.¹⁷ I will do that because they have abandoned me, and they burn incense to *honor* other gods. They have caused me to become very angry by *worshiping* all the idols that they have made (OR, *by all the wicked things that they have done*), and my anger is like [MET] a fire that will not be put out."

¹⁸ The king of Judah sent you to inquire what I, Yahweh, wanted you to do, so this is what you should say to him: "Because you have heeded what was written in the scroll,¹⁹ and you repented and humbled yourself when you heard what I said to warn you *about what would happen to* this city and the people who live here and because you tore your robes and wept in my presence, I have heard you. I said that I would cause this city to be abandoned. It will be a city whose name people will use when they curse someone. But I have heard what you prayed,²⁰ so I will allow you to die [EUP] and be buried peacefully. I will cause the people who live here to experience a terrible disaster, but you will not *be alive to see it*.'" "

After the men heard that, they returned to King Josiah and gave him that message.

Josiah got rid of pagan worship

23 Then the king summoned all the elders of Jerusalem and *of the other places in* Judah.² They went together to the temple, along with the priests and the prophets, and many other [HYP] peo-

ple, from the most important people to the least important people. And while they listened, the king read to them all of the laws that Moses had written. He read from the scroll that had been found in the temple. ³ Then the king stood next to the pillar *where the kings stood when they made important announcements*, and while Yahweh was listening, he repeated his promise to sincerely obey [DOU] all of Yahweh's commands and regulations [DOU]. He also promised to *fulfill the conditions of/do what was written in* the agreement he made with Yahweh. And all the people also promised to obey the agreement.

⁴ Then the king commanded Hilkiah the Supreme Priest and all the other priests who assisted him and the men who guarded the entrance to the temple to bring out from the temple all the items that people had been using to worship Baal, the goddess Asherah, and the stars. *After they carried them out, they burned all those things outside the city near the Kidron Valley. Then they took all the ashes to Bethel, because that city was already considered to be desecrated/unholy.* ⁵ There were many pagan priests that the previous kings of Judah had appointed to burn incense on the altars on the tops of hills in Judah. They had been offering sacrifices to Baal, to the sun, the moon, the planets, and the stars. The king stopped them from doing those things. ⁶ He *commanded that the statue of the goddess Asherah be taken out of the temple. Then they took it outside Jerusalem, down to the Kidron Brook, and burned it. Then they pounded the ashes to powder and scattered that over the graves in the public cemetery.* ⁷ He also destroyed the rooms in the temple where the temple male prostitutes lived. That was where women wove robes that were used to worship the goddess Asherah.

⁸⁻⁹ Josiah also brought *to Jerusalem* all the priests who were offering sacrifices in the other cities in Judah. He also desecrated the places on the tops of hills where the priests had burned incense *to honor idols, from Geba in the north to Beersheba in the south.* Those priests were not allowed to offer sacrifices in the temple, but they *were allowed to eat the unleavened bread that the priests who worked in the temple ate.* He also *commanded that the altars that were dedicated to the goat demons near the gate built by Joshua, the mayor of Jerusalem, be destroyed. Those altars were at the left of the main gate into the city.*

¹⁰ Josiah also desecrated the place named Topheth, in the Hinnom Valley, in order that no one could offer his son or daughter there to be completely burned for a sacrifice to *the god Molech.* ¹¹ He also removed the horses that the *previous kings of Judah had dedicated to worshipping the sun, and he burned the chariots that were used in that worship. Those horses and chariots were kept in the courtyard outside the temple, near the entrance to the temple, and near the room where one of Josiah's officials, whose name was Nathan-Melech, lived.*

¹² Josiah also commanded his servants to tear down the altars that the previous kings of Judah had built on the roof of the palace, above the room where King Ahaz had stayed. They also tore down the altars that had been built by King Manasseh in the two courtyards outside the temple. He commanded that they be smashed to pieces and thrown down into the Kidron Valley. ¹³ He also commanded that the altars that King Solomon had built east of Jerusalem, south of Olive Tree Hill, be desecrated. Solomon had built them for the worship of the disgusting idols—the *statue of the goddess Astarte worshiped by the people in Sidon city, Chemosh the god of the Moab people-group, and Molech the god of the Ammon people-group.* ¹⁴ They also broke into pieces the stone pillars that the Israeli people worshiped, and cut down the *pillars that honored the goddess Asherah, and they scattered the ground there with human bones to desecrate it.*

¹⁵ Furthermore, he commanded them to tear down the place of worship at Bethel which had been built by King Jeroboam #1, the king who persuaded the people of Israel to sin. They tore down the altar. Then they broke its stones into pieces and pounded them to become powder. They also burned the *statue of the goddess Asherah.* ¹⁶ Then Josiah looked around and saw some tombs there on the hill. He commanded his men to take the bones out of those tombs and burn them on the altar. By doing that, he desecrated the altar. That was what a prophet had predicted many years before when Jeroboam #1 was standing close to that altar at a festival.

Then Josiah looked up and saw the tomb of the prophet who had predicted that.

¹⁷ Josiah asked, "Whose tomb is that?" The people of Bethel replied, "It is the tomb of the prophet who came from Judah and predicted that these things that you have just now done to this altar would happen."

¹⁸ Josiah replied, "Allow his tomb to remain as it is. Do not remove the prophet's bones from the tomb."

So the people did not remove those bones, or the bones of the other prophet, the one who had come from Samaria.

¹⁹ In every city in Israel, at Josiah's command, they tore down the shrines that had been built by the previous kings of Israel, which had caused Yahweh to become very angry. He did to all those shrines/altars the same thing that he had done to the altars at Bethel. ²⁰ He ordered that all the priests who offered sacrifices on the altars on the tops of hills must be killed on those altars. Then he burned human bones on every one of those altars *to desecrate them.* Then he returned to Jerusalem.

Josiah had them celebrate the Passover Festival

²¹ Then the king commanded all the people to celebrate the Passover Festival to honor Yahweh their God, which was written in the law of Moses that they should do *every year.* ²² During all the years that lead-

ers ruled Israel and during all the years that kings had ruled Israel and Judah, they had not celebrated that festival. ²³ But now, after Josiah had been ruling for almost 18 years, to *honor* Yahweh they celebrated the Passover Festival in Jerusalem.

Other things that Josiah changed

²⁴ Furthermore, Josiah got rid of all the people in Jerusalem and other places in Judah who practiced sorcery and those who requested the spirits of dead people *to tell them what they should do*. He also removed from Jerusalem and from the other places in Judah all the household idols and all the other idols and abominable things. He did those things in order to obey what had been written in the scroll that Hilkiah had found in the temple. ²⁵ Josiah was totally devoted to Yahweh. There had never been *in Judah or Israel* a king like him. He obeyed all the laws of Moses. And there has never since then been a king like Josiah.

²⁶ But Yahweh had become extremely angry with the people of Judah because of all the things that King Manasseh had done to infuriate him, and he continued to be very angry. ²⁷ He said, "I will do to Judah what I have done to Israel. I will banish the people of Judah, with the result that they will never enter my presence again. And I will reject Jerusalem, the city that I chose *to belong to me*, and I will abandon the temple, the place where I said that I [MTY] should be worshiped."

The end of Josiah's rule of Judah

²⁸ *If you want to know more about* [RHQ] all the other things that Josiah did, they are written in the scroll called 'The History of the Kings of Judah'.

²⁹ While Josiah was the king of Judah, King Neco of Egypt led his army north to the Euphrates River to help the king of Assyria. King Josiah tried to stop the army of Egypt at Megiddo city, but Josiah was killed in a battle there. ³⁰ His officials placed his corpse in a chariot and took it back to Jerusalem, where it was buried in his own tomb, a tomb where the other previous kings had not been buried.

Then the people of Judah poured *olive oil on the head of* Josiah's son Joahaz, to appoint him to be the new king.

King Joahaz of Judah

³¹ Joahaz was 23 years old when he became the king of Judah, but he ruled from Jerusalem for *only* three months. His mother was Hamutal, the daughter of Jeremiah from Libnah city. ³² Joahaz did many things that Yahweh said were evil, just like many of his ancestors had done. ³³ King Neco's *army came from Egypt and captured him and tied him up with chains and took him as a prisoner to Riblah town in Hamath district*, to prevent him from continuing to rule in Jerusalem. Neco forced the people of Judah to pay to

him $\diamond 7,500$ pounds/3,400 kg. \diamond of silver and $\diamond 75$ pounds/34 kg. \diamond of gold. ³⁴ King Neco appointed another son of Josiah, Eliakim, to be the new king, and he changed Eliakim's name to Jehoiakim. Then he took Joahaz to Egypt, and later Joahaz died there in Egypt.

King Jehoiakim of Judah

³⁵ King Jehoiakim collected a tax from the people of Judah. He collected more from the rich people and less from the poor people. He collected silver and gold from them, in order to pay to the king of Egypt what he commanded them to give.

³⁶ Jehoiakim was twenty-five years old when he became the king of Judah, and he ruled from Jerusalem for eleven years. His mother was Zebidah, the daughter of Pedaiah from Rumah town. ³⁷ He did many things that Yahweh says are evil, like his ancestors had done.

²⁴ While Jehoiakim was ruling Judah, the army of King Nebuchadnezzar of Babylon invaded Judah. *They defeated the Judean army, and as a result, Jehoiakim was required to pay a lot of tribute/taxes to King Nebuchadnezzar. But after three years, Jehoiakim rebelled.* ² Then Yahweh sent raiders from Babylonia and Syria, and from the Moab and Ammon people-groups, to attack the people of Judah and get rid of them, just as Yahweh had told his prophets to warn the people would happen. ³ These things happened to the people of Judah according to what Yahweh commanded. *He had decided to get rid of the people of Judah because of the many sins that King Manasseh had committed.* ⁴ Manasseh had even caused many innocent people in Jerusalem to be killed, and Yahweh would not forgive that.

⁵ The other things that happened while Jehoiakim was king, and all the things that he did, are written in the scroll called 'The History of the Kings of Judah'. ⁶ When Jehoiakim died, his son Jehoiachin became the king.

⁷ *The army of the king of Babylon defeated the army of Egypt, and took control of all the area that the Egyptians formerly controlled, from the brook at the border of Egypt in the south to the Euphrates River in the north. So the army of the king of Egypt did not return to attack Judah again.*

Jehoiachin ruled Judah

⁸ Jehoiachin was 18 years old when he became the king of Judah. His mother's name was Nehushta; she was the daughter of a man from Jerusalem named Elnathan. Jehoiachin ruled in Jerusalem for *only* three months. ⁹ Jehoiachin did many things that Yahweh considered to be evil, just as his father had done.

¹⁰ *While Jehoiachin was king, some officers of King Nebuchadnezzar of Babylon came along with the whole Babylonian army to Jerusalem, and they surrounded the city.* ¹¹ While they were doing that, Neb-

uchadnezzar himself came to the city. ¹² Then King Jehoiachin and his mother and his advisors and important officers and palace officials all surrendered to the Babylonian army.

These things happened when Nebuchadnezzar had been king for eight years. He arrested Jehoiachin and took him to Babylon. ¹³ Just as Yahweh had said would happen, Nebuchadnezzar's *soldiers took to Babylon* all the valuable things from Yahweh's temple and from the king's palace. They cut apart all the gold items that King Solomon had put in the temple. ¹⁴ They took from Jerusalem *to Babylon* 10,000 people, including the important officials and the best soldiers and the people who made and repaired things that were made of metal. Only the very poor people were left in Judah.

¹⁵ Nebuchadnezzar's soldiers also took to Babylon Jehoiachin's wives and officials, his mother, and *all* the important people. ¹⁶ They also took to Babylon 7,000 of the best soldiers and 1,000 men who knew how to make and repair things that are made from metal. All of these people whom they took were strong and able to fight in wars. ¹⁷ Then the king of Babylon appointed Jehoiachin's uncle, Mattaniah, to be the king *of Judah*, and he changed Mattaniah's name to Zedekiah.

Zedekiah ruled in Judah

¹⁸ When Zedekiah was twenty-one years old, he became king, and he ruled in Jerusalem for eleven years. His mother's name was Hamutal; she was the daughter of a man named Jeremiah from Libnah *town*.

¹⁹ But Zedekiah did many things that Yahweh considered to be evil, just as Jehoiakim had done. ²⁰ Yahweh was very angry. So *and finally/after* he had been patient a long time *he expelled the people of Jerusalem and the other places* in Judah and sent them to Babylon.

Jerusalem was destroyed

That is what happened when Zedekiah rebelled against the king of Babylon.

25 On January 15 of the ninth year that Zedekiah had been ruling, King Nebuchadnezzar arrived with his whole army, and they surrounded Jerusalem. They built ramps *made of dirt against the walls of the city*, so that they could climb up the ramps and attack the city. ² They did that for two years. ³ After Zedekiah had been ruling for eleven years, the *famine/shortage of food* had become very bad. All their food was gone. ⁴ On July 18 of that year, the Babylonian soldiers broke through part of the city wall, *and that enabled them to enter the city*. All the soldiers of Judah *wanted to escape*. But the Babylonian soldiers surrounded the city, so the *king and the soldiers of Judah* waited until it was nighttime. Then they fled through the gate that was between the two walls near the king's park. They ran across the fields and started to go down to the Jordan River Valley. ⁵ But the Babylonian soldiers chased/

ran after them. They caught the king when he was by himself in the valley near the Jordan River. He was by himself because all his soldiers had abandoned him. ⁶ The Babylonian soldiers took King Zedekiah to Riblah *city* in Babylon. There the king of Babylon decided what they would do to punish him. ⁷ There the king of Babylon forced Zedekiah to watch as the Babylonian soldiers killed all of Zedekiah's sons. Then they gouged out Zedekiah's eyes. They put bronze chains on *his hands and feet* and then they took him to Babylon.

⁸ On August 14 of that year, after Nebuchadnezzar had been ruling for 19 years, Nebuzaradan arrived in Jerusalem. He was one of king Nebuchadnezzar's officials and captain of the men that guarded the king. ⁹ He *commanded his soldiers* to burn down the temple of Yahweh, the king's palace, and all the houses in Jerusalem. So they burned down all the important buildings in the city. ¹⁰ Then Nebuzaradan supervised all the soldiers of the Babylonian army as they tore down the walls of Jerusalem. ¹¹ Then he and his soldiers took to Babylon the people who were still living in the city, the other people *who lived in that area*, and the soldiers who had previously surrendered to the Babylonian army. ¹² But Nebuzaradan allowed some of the very poor people to stay in Judah to take care of the vineyards and to *plant crops in* the fields.

¹³ The Babylonian soldiers broke into pieces the bronze pillars, the bronze carts with wheels, and the huge bronze basin, all of which were in the temple courtyard, and they took all the bronze to Babylon. ¹⁴ They also took the pots, the shovels, the instruments for *snuffing out/extinguishing the wicks of* the lamps, the dishes, and all the other bronze items that the Israeli priests had used for offering sacrifices at the temple. ¹⁵ The soldiers also took away the *firepans/trays for carrying burning coals*, the basins, and *all the other* items made of pure gold or pure silver.

¹⁶ The bronze from the two pillars, the carts with wheels, and the huge basin were very heavy; they could not be weighed. *Those things had been made/A man named Hiram had made these things* for the temple when Solomon *was the king of Israel*. ¹⁷ Each of the pillars was *27 feet/8 meters* tall. The bronze capital/top of each pillar was *7-1/2 feet/2.3 meters* high. They were each decorated all around with something that looked like a net made of bronze chains connecting bronze pomegranates.

¹⁸ Nebuzaradan took with him to Babylon Seraiah the Supreme Priest, Zephaniah his assistant, and the three men who guarded the entrance *to the temple*. ¹⁹ And they found people who were still hiding in Jerusalem. From those people he took one officer from the Judean army, five of the king's advisors, the chief secretary of the army commander who was in charge of recruiting men to join the army, and 60 other important Judean men. ²⁰ Nebuzaradan took them all to the king of Babylon at Riblah *city*. ²¹ There at Ri-

blah, in Hamath province, the king of Babylon commanded that they all be executed.

That is what happened when the people of Judah were \diamond taken forcefully/exiled \diamond from their land to *Babylon*.

Gedaliah was appointed governor in Judah

²² Then King Nebuchadnezzar appointed Gedaliah, who was the son of Ahikam and grandson of Shaphan, to be the governor of the people who were still living in Judah. ²³ When all the army captains of Judah and their soldiers who had not surrendered to Nebuchadnezzar found out that the king of Babylon had appointed Gedaliah to be the governor, they met with him at Mizpah *town*. These army captains were Ishmael the son of Nethaniah, Johanan the son of Kareah, Seraiah the son of Tanhumeth from Netophah *town*, and Jaazaniah from the Maacah region.

²⁴ Gedaliah solemnly promised them that the officials from Babylon *were not planning to harm them*. He said, "You may live in this land *without being afraid* and serve the king of Babylon, and *if you do*, everything will go well for you."

²⁵ But in October of that year, Ishmael, whose grandfather Elishama was one of the relatives of the

descendants of King David, went to Mizpah along with ten other men and assassinated/killed Gedaliah and all the men who were with him. There were also men from Judah and men from Babylon whom they assassinated. ²⁶ Then many [HYP] of the people from Judah, important people and unimportant ones, and the army captains, were very afraid of what the Babylonians *would do to them*, so they fled to Egypt.

Jehoiachin was released

²⁷ Thirty-seven years after King Jehoiachin of Judah was taken to Babylon, *Nebuchadnezzar's son* Evil-Merodach became the king of Babylon. He was kind to Jehoiachin, and on April 2 of that year, he released/freed Jehoiachin from prison. ²⁸ He always spoke kindly to Jehoiachin and honored him more than the other kings who had been taken/exiled to Babylon. ²⁹ He gave Jehoiachin new clothes to replace the clothes that he had been wearing in prison, and he allowed Jehoiachin to eat at the king's table every day for the rest of his life. ³⁰ The king of Babylon also gave him money every day, so that he could buy the things that he needed. The king continued to do that until Jehoiachin died.

⁹ There was *another descendant of Judah* whose name was Jabez. He was more respected than his brothers were. His mother named him Jabez *which means 'pain'* because she said, "I was enduring much pain when I gave birth to him." ¹⁰ *One day* he prayed to God whom his fellow Israelis *worshipped*, saying, "Please greatly bless me and \diamond enlarge my land/give me a lot of land/property \diamond . Remain [IDM] with me, and do not allow anyone to harm me. If you do that for me, I will not have any pain." And God did what Jabez requested him to do.

lived in Bethlehem (OR, and ruled in Jashubi-Lehem). All their names and a record of what they did are written in very old scrolls. ²³ They made pottery for the king; some of them lived in Netaim *town* and some of them lived in Gederah *town*.

²⁶ Mishma's son was Hammuel. Hammuel's son was Zaccur. Zaccur's son was Shimei.

Those families became very large/numerous. ³⁹ They went outside of Gedor *town* on the east side of the valley to look for pastureland for their flocks of sheep. ⁴⁰ They found good pastureland with plenty of grass. The place was peaceful and quiet.

Previously the descendants of *Noah's son* Ham had lived there. ⁴¹ But while Hezekiah was the king of Judah, the leaders of the tribe of Simeon came to Gedor and fought against the descendants of Ham and destroyed their tents. They also fought against the descendants of Meun who were living there, and they killed all of them. So now there are no descendants of Meun living there. The descendants of Simeon started to live there, because there was good pastureland there for their sheep.

⁴² Ishi's four sons Pelatiah, Neariah, Rephaiah and Uzziel led 500 other descendants of Simeon *and attacked the people who were living* in the hilly area of the Edom *region*. ⁴³ They killed the few descendants of Amalek who were still alive. From that time until now, the descendants of Simeon have lived in the Edom *region*.

The descendants of Reuben

⁵ Reuben was the oldest son of Jacob. Therefore, he should have received the special rights/privileges that belonged to firstborn sons. But he had sex with his father's slave wife, so *his father* gave the rights if a firstborn son to the sons of Reuben's younger brother Joseph. And in the family records, Reuben is not mentioned first, like the firstborn sons always are. ² Although Judah became more influential than his brothers, and a ruler of the tribe descended from him, Joseph's family received the rights that belonged to firstborn sons. ³ But Reuben was Jacob's oldest son.

⁷ The names of these clans are listed here according to what is written in their family records.

The first *name written* was Jeiel. Then Zechariah, ⁸ and then Bela. Bela was the son of Azaz, and Azaz was the son of Shema, and Shema was the son of Joel. Reuben's clan was very large. Some of them lived near Aroer *city* as far *north* as Nebo *town* and Baal-Meon *city*. ⁹ Some of them lived further east, as far as the edge of the desert *south* of the Euphrates River. *They went there* because they had a huge amount of cattle, *with the result that there was not enough pastureland for them* in the Gilead *region*. ¹⁰ When Saul was king of Israel, Bela's clan fought against the descendants of Hagar and defeated them. After that, Bela's clan lived in the tents that the descendants of Hagar had lived in previously, in all the area east of the Gilead *region*.

The armies of the tribes that lived east of the Jordan River

¹⁸ There were 44,760 soldiers from the tribes of Reuben and Gad and *the eastern* half of the tribe of Manasseh. They all carried shields and swords and bows *and arrows*. They *were all trained to fight well* in battles. ¹⁹ They attacked the descendants of Hagar and the people of Jetur, Naphish, and Nodab *cities*. ²⁰ The men from those three tribes prayed to God during the battles, requesting him to help them. So he helped them, because they trusted in him. He enabled them to defeat [IDM] the descendants of Hagar and all those who were helping them. ²¹ They took the animals that belonged to the descendants of Hagar: They took 50,000 camels, 250,000 sheep, and 2,000 donkeys. They also captured 100,000 people. ²² But many descendants of Hagar were killed because God helped the people of the tribes of Reuben, Gad, and Manasseh. After that, those three tribes lived in that area until *the army of Babylonia captured them and* took them away to Babylonia.

The eastern half of the tribe of Manasseh

²³ There were many people who belonged to the eastern half of the tribe of Manasseh. They lived in the Bashan *region east of the Jordan River*, as far *north* as Baal-Hermon, Senir, and Hermon Mountain.

²⁴ Their clan leaders were Ephraim, Ishi, Eliel, Azriel, Jeremiah, Hodaviah, and Jahdiel. They were all strong, brave, and famous soldiers, and leaders of their clans. ²⁵ But they sinned against God, the one whom their ancestors had worshiped. They began to worship the gods/idols that the people of that region had worshiped, the people whom God had enabled them to destroy! ²⁶ So the God whom the Israelis *worshiped* caused Pul, the king of Assyria, to conquer those tribes. Pul's other name was Tiglath-Pileser. His *army* captured the people of the tribes of Reuben, Gad, and the eastern half of the tribe of Manasseh, and took them to *various places in Assyria*: Halah, Habor, Hara and near the Gozan River. *They have lived in those places from that time to the present time.*

That was before the temple was built to replace the Sacred Tent. ²⁴ There were gatekeepers on each of the four sides of the Sacred Tent. ²⁵ Sometimes it was necessary for the relatives of the gatekeepers who lived in those villages to come and help them. The death of King Saul

10 The army of Philistia *again* fought against the Israelis. The Israeli soldiers ran away from them, and many Israelis were killed {the soldiers of Philistia killed many Israelis} on Gilboa Mountain. ² The soldiers of Philistia caught up with Saul and his sons, and they killed his sons Jonathan, Abinadab, and Malchishua. ³ The fighting was very fierce around Saul, and the ◇archers/men who shot arrows◇ shot Saul and wounded him severely.

⁴ Saul said to the man who was carrying his weapons, "Take out your sword and kill me with it, in order that these heathen Philistines will not be able to injure me *further* and make fun of me *while I am dying*." But the man who was carrying Saul's weapons was terrified and refused to do that. So Saul took his own sword and fell on it *and died*.

⁵ When the man carrying his weapons saw that Saul was dead, he also threw himself on his own sword and died. ⁶ So Saul and three of his sons all died, and none of his descendants ever became king.

⁷ When the Israelis who were living in the valley saw that their army had run away and that Saul and his three sons were dead, they left their towns and ran away. Then the soldiers from Philistia came and ◇occupied/lived in◇ those towns.

⁸ The next day, when the Philistines came to take away the weapons of the dead *Israeli soldiers*, they found the corpses of Saul and his three sons on Gilboa Mountain. ⁹ They took the clothes off Saul's corpse and *cut off* his head and took it and Saul's armor.

¹⁰ Then they sent messengers throughout their land, to proclaim the news throughout their own area, to their idols and to the other people. They put Saul's armor in the temple where their idols were, and they hung Saul's head in the temple of *their god* Dagon.

¹¹ All the people who lived in Jabesh in the Gilead *region* heard what the Philistines had done to Saul's *corpse*. ¹² So the bravest men/soldiers of Jabesh went and got the corpses of Saul and his sons and brought them back to Jabesh. They buried their bones under a large tree in Jabesh. Then the people of Jabesh ◇fasted/abstained from eating food◇ for seven days.

¹³ Saul died because he did not faithfully obey what Yahweh told him to do. He even went to a woman who talks to the spirits of dead people and asked her what he should do, ¹⁴ instead of asking Yahweh what he should do. So Yahweh caused him to die, and he appointed David, the son of Jesse, to be the king of *Israel*.

David became the king

11 Then the people of Israel came to David at Hebron *town* and said to him, "Listen, we have the same ancestors [IDM] that you have. ² In the past, when Saul was our king, it was you who led our Israeli

soldiers in our battles. You are the one to whom Yahweh our God promised, 'You will be the leader [MET] of my people; you will be their king.'"

³ So all the Israeli elders came to David at Hebron. And David made a sacred agreement with them while Yahweh was listening. They anointed him *with olive oil to set him apart* to be the king of the Israeli people. That is what Yahweh had previously told *the prophet* Samuel would happen.

David's men captured Jerusalem

⁴ David and all the Israeli *soldiers* [SYN] went to Jerusalem. *At that time*, Jerusalem was called Jebus, and the people who lived there were the Jebus people-group. ⁵ Those people said to David, "Your *soldiers* will not be able to get inside our city!" But David's *soldiers* captured the city, even though it had strong walls around it, and since then it has been called 'The City of David'.

⁶ *What happened was this*: David said to his *soldiers*, "The one who leads *our soldiers* to attack the Jebus people-group will become the commander of all my army." Joab, the son of Zeruah, led the soldiers, so he became the commander of all the army.

⁷ *After they captured* the city which had strong walls around it, David moved there. That is why they named it 'The City of David'. ⁸ David's workers rebuilt the city, starting where the land was filled in and extending to the wall that was around the city. Joab's *men* repaired the other parts of the city. ⁹ David became more and more powerful/influential, because the Almighty Commander of the armies of angels was with/helping him.

The list of David's most mighty warriors

¹⁰ Yahweh had promised *that David would become the king*. And all the Israeli people ◇were happy that David was/supported David as◇ their king.

There were many soldiers/warriors who helped David's kingdom to remain strong. ¹¹ This is a list of the leaders of David's *most mighty* warriors:

Jashobeam was from the Hacmon clan. He was one of the leaders of David's most powerful soldiers. One time he fought against 300 enemies and killed them all with his spear.

¹² Another one was Eleazar, who was the son of Dodo from the clan of Ahoh. ¹³ *One day* he was with David at Pas Dammim when the soldiers of Philistia gathered there for the battle. There was a field of barley there. At first the Israeli soldiers ran away from the soldiers of Philistia, ¹⁴ but then David and Eleazar stopped in the middle of the field and fought to defend it and killed *many of* the soldiers of Philistia. Yahweh enabled them to win a great victory on that day.

¹⁵ One time three of David's thirty most mighty warriors came to David when he was camping next to the huge rock outside the cave near Adullam. At that same time, the army of Philistia had camped in the Rephaim

Valley. ¹⁶ David was in a fortress, and some of the soldiers of Philistia were occupying Bethlehem. ¹⁷ *One day* David was very thirsty and said, "I wish that someone would bring me some water from the well near the gate at Bethlehem!" ¹⁸ So those three most outstanding warriors forced their way through the camp of Philistia soldiers and drew some water from the well, and brought it to David. But he would not drink it. Instead, he poured it out *on the ground to be an offering* to Yahweh. ¹⁹ He said, "Yahweh, it would certainly not be right for me to drink this water! That would be like [RHQ] drinking the blood of these men who were willing/ready to die for me!" So he refused to drink it.

That was one of the things that those three most outstanding warriors did.

²⁰ Joab's *younger* brother Abishai was the leader of the 30 most mighty warriors. *One time* Abishai fought 300 *enemy* soldiers with his spear and killed them.

²¹ So he became as famous as those three most outstanding warriors. He became their commander, even though he was not one of those three men.

²² Jehoiada's son Benaiah was a brave soldier from Kabzeel *town* who did heroic deeds. He killed two of the best warriors from the Moab *people-group*. One day he went down into a pit when snow was falling *on the ground* and killed a lion there. ²³ He also killed a soldier from Egypt who was $\diamond 7\text{-}1/2$ feet/2.3 meters \diamond tall. The soldier from Egypt carried a spear that was as long as a weaver's rod. Benaiah had *only* a club, but he grabbed the other man's spear and killed him with it. ²⁴ Those are some of the things that Benaiah did. So he became as famous as the three mighty warriors.

²⁵ He was more honored than the other members of the group of thirty most mighty warriors, but he did not become a member of the group of three most outstanding warriors. David appointed him to be the leader of his bodyguards.

⁴⁵ Jediael the son of Shimri

and his *younger* brother Joha, from Tiz *town/clan*;

⁴⁶ Eliel from Mahavah *town/clan*;

Jeribai and Joshaviah, the sons of Elnaam;

Ithmah from the Moab *region*;

⁴⁷ Eliel and Obed,

and Jaasiel from Zobah *town/clan*.

Some warriors joined David

¹² David went to Ziklag *town* to escape from King Saul. While he was there, many warriors came and joined him, and they helped him when he fought battles. ² They carried bows *and arrows*. They were able to shoot arrows and to sling stones. They could use either their right arms or their left arms to do that. They were relatives of Saul from the tribe of Benjamin.

³ Their leader was Ahiezer. Next in command was Joash. They were both sons of Shemaah from Gibeah *city*. *These are the names of some of those warriors*:

Jeziel and Pelet, the sons of Azmaveth;

Beracah;

Jehu from Anathoth *town*;

⁴ Ishmaiah from the Gibeon *city*, who was a leader of the thirty mighty warriors;

Jeremiah, Jahaziel, Johanan, and Jozabad from Ged-
erah *town*;

⁵ Eluzai, Jerimoth, Bealiah, Shemariah, and Shephatiah from Haruph *town*;

⁶ Elkanah, Isshiah, Azarel, Joezer and Jashobeam, who were descendants of Korah;

⁷ Joelah and Zebadiah, who were sons of Jeroham, from Gedor *town*.

⁸ Some men from the tribe of Gad *east of the Jordan River* joined David when he was at his fortress in *the caves in the desert*. They were brave warriors who were trained for fighting battles and able to use shields and spears well. They [SYN] were as fierce as [SIM, MTY] lions, and they could run as fast as [HYP, SIM] deer/gazelles on the hills/mountains.

⁹ Ezer was their leader.

Next in command was Obadiah.

Next was Eliab.

¹⁰ Next was Mishmannah.

Next was Jeremiah.

¹¹ Next was Attai.

Next was Eliel.

¹² Next was Johanan.

Next was Elzabad.

¹³ Next was *another man whose name was* Jeremiah.

The last was Macbannai.

¹⁴ Those men from the tribe of Gad were all army officers. Some of them commanded 1,000 soldiers, and some of them commanded 100 soldiers. ¹⁵ They crossed *to the west side of the Jordan River* during March, *at the time of the year* when the river was flooded. They chased from there all the people who lived in the valleys on both sides of the river.

¹⁶ Some other men from the tribe of Benjamin and from Judah also came to David in his fortress. ¹⁷ David went out *of the cave* to meet them and said to them, "If you have come peacefully to help me, I am eager to have you join with me. But if you have come to enable my enemies to capture me, even though I [SYN] have not done anything to harm you, I hope/wish that the God whom our ancestors ◊worshiped/belonged to◊ will see it and condemn/punish you."

¹⁸ Then *God's Spirit* came upon Amasai, who was another leader of the thirty *greatest warriors*, and he said,

"David, we want to be with you;

you who are the son of Jesse, we will join you.

We know that things will go very well [DOU] for you and for those who are with you,

because your God is helping you."

¹⁹ So David welcomed those men, and he appointed them to be leaders of his soldiers. Some men from the tribe of Manasseh also joined David when he went with the soldiers of Philistia to fight against Saul's army. But David and his men did not really help the army of Philistia. After the leaders of Philistia talked about *David and his soldiers*, they sent David away. They said, "If David joins his master Saul again, we will all be killed {his army will kill all of us}!" ²⁰ When David went to Ziklag, these were the men from the tribe of Manasseh who went with him: Adnah, Jozabad, Jedaiel, Michael, *another man whose name was* Jozabad, Elihu, and Zillethai. Each of them had been a commander of 1,000 men *in Saul's army*. ²¹ They were all brave soldiers, and they helped David to fight against the

groups of men who roamed throughout the country, robbing people. So those men became commanders in David's army. ²² Every day more men joined David's men, and his army became large, like [SIM] the army of God (OR, a very huge army).

Others joined David at Hebron

²³ These are the numbers of soldiers who were ready for battle who joined David at Hebron *city*. They came to help him to become the king of Israel to replace Saul, as Yahweh had promised would happen.

²⁴ There were 6,800 men from Judah, who carried shields and spears.

²⁵ There were 7,100 men from the tribe of Simeon. They were all strong warriors trained to fight battles.

²⁶ There were 4,600 men from the tribe of Levi.

²⁷ Jehoiada, who was a leader descended from Aaron, was in that group of descendants of Levi, and there were 3,700 men with him.

²⁸ Zadok, a strong young soldier, was also in that group, and there were 22 other leaders from his clan who came with him.

²⁹ There were 3,000 men from the tribe of Benjamin who were Saul's relatives. Most of them had previously wanted one of Saul's descendants to be the king.

³⁰ There were 20,800 men from the tribe of Ephraim who were all brave warriors and trained for fighting battles and famous in their own clans.

³¹ There were 18,000 men from the half of the tribe of Manasseh *that lived west of the Jordan River*. They were all chosen to go and help David become the king.

³² There were 200 men who were leaders from the tribe of Issachar, along with their relatives. Those leaders always knew what the Israelis should do, and they knew the right time to do it.

³³ There were 55,000 men from the tribe of Zebulun. They were all experienced warriors and knew how to use all kinds of weapons well. They were completely loyal to David.

³⁴ There were 1,000 officers from the tribe of Naphtali. With them were 37,000 soldiers, each carrying shields and spears.

³⁵ There were 28,600 soldiers from the tribe of Dan, all trained to fight battles.

³⁶ There were 47,000 experienced soldiers from the tribe of Asher, all trained to fight battles.

³⁷ There were also 120,000 soldiers from the area east of the *Jordan River who joined David*. They were from the tribes of Reuben, Gad, and the eastern half of the tribe of Manasseh. They had all kinds of weapons.

³⁸ All those men were soldiers who volunteered to be in David's army. They came to Hebron wanting very much to enable David to be the king of all of the Israeli people. ³⁹ The men spent three days there with David,

eating and drinking, because their families had given them food to take with them. ⁴⁰ Also, their fellow Israelis came from as far away as the area where the tribes of Issachar, Zebulun, and Naphtali lived, bringing food on donkeys, camels, mules, and oxen. They brought a lot of flour, fig cakes, raisins, wine, *olive* oil, cattle and sheep. And throughout Israel, the people were very joyful.

Bringing back the Sacred Chest

13 *One day* David talked with all his army officers. Some of them were commanders of 100 soldiers and some were commanders of 1,000 soldiers. ² Then he summoned the other Israeli leaders and said to all of them, "If it seems to you to be a good thing for us to do, and if it is what Yahweh our God wants, let's send a message to our fellow Israelis in all the areas of our country, including the priests and *other* descendants of Levi who are living among them in their towns and in the nearby pasturelands, to come and join us, ³ because we want to bring the Sacred Chest of our God back to us. While Saul *was the king*, we did not go to God's presence to ask him what we should do." ⁴ All the people agreed with David, because they all thought that it was the right thing to do.

⁵ So David gathered all the Israeli people, from the Shihor *River in Egypt* to Lebo-Hamath *town in the north*, and told them that he wanted them to help bring the Sacred Chest of God *back to Jerusalem* from Kiriath-Jearim *city*. ⁶ David went with all the Israeli people to Baalah *town*, which is *another name for Kiriath-Jearim*, to get the Sacred Chest. *The people believed that God ruled from between the statues of winged creatures that was above the lid of the Sacred Chest* [MTY].

⁷ The people put the Sacred Chest on a new cart and transported it from Abinadab's house. Uzzah and Ahio were guiding *the oxen that were pulling the cart*.

⁸ David and all the Israeli people were celebrating in God's presence with all their strength. They were singing and *playing* lyres, harps, tambourines, and cymbals, and *blowing* trumpets.

⁹ But when David's men came to the place where Kidon threshed grain, the oxen stumbled. So Uzzah reached out with his hand to prevent the Sacred Chest from falling off the cart. ¹⁰ Yahweh immediately became very angry with Uzzah, and he caused Uzzah to suddenly die there because he had put his hand on the Sacred Chest, *and Yahweh had commanded that only the descendants of Levi who help the priests should touch the Sacred Chest*.

¹¹ David was angry because Yahweh had punished [MTY] Uzzah. And now that place *where Uzzah died* is called 'The Punishment of Uzzah'.

¹² That day, David was afraid of God. He asked *himself*, "◇How can I bring God's Sacred Chest to my city?◇/I am afraid to bring God's Sacred Chest to my city.◇" [RHQ] ¹³ So the men with David did not take

the Sacred Chest to Jerusalem. Instead, they took it to the house of Obed-Edom, who was from Gath *city*.

¹⁴ The Sacred Chest stayed with Obed-Edom's family in his house for three months. And *during that time* Yahweh blessed Obed-Edom's family and everything that he owned.

David's palace and his family

14 One day Hiram, the king of Tyre *city*, sent some messengers to David *to talk about making an agreement between their countries*. Then Hiram sent cedar logs, bricklayers, and carpenters to build a palace for David. ² *When that happened*, David knew that Yahweh had truly caused him to be the king of Israel, and that he had caused his kingdom to be greatly respected. Yahweh did this because *he loved* his Israeli people.

³ David married more women in Jerusalem, and *those women gave birth to more sons and daughters for him*. ⁴ The names of the children that were born to him there in Jerusalem are Shammua, Shobab, Nathan, Solomon, ⁵ Ibhar, Elishua, Elpelet, ⁶ Nogah, Nepheg, Japhia, ⁷ Elishama, Beeliada, and Eliphelet.

David's army defeated the army of Philistia

⁸ When the army of Philistia heard that David has been appointed to be king of all of Israel, they came to capture him. But David heard that they were coming, so he *and his soldiers* marched out to fight against them. ⁹ The army of Philistia had attacked the people in the Rephaim Valley *southwest of Jerusalem* and had robbed them. ¹⁰ David asked God, "Should *my men and I* go and attack the army of Philistia? *If we go*, will you enable us to defeat [IDM] them?"

Yahweh replied, "Yes, go, and I will enable you to defeat [IDM] them."

¹¹ So David and his men went up to a town where the soldiers of Philistia were staying and defeated them. Then David said, "God has enabled me *and my soldiers* to overwhelm my enemies like [MET] a flood." So they named that place {That place is called} 'Baal-Perazim' *which means 'Yahweh breaks through'*. ¹² *As the soldiers of Philistia fled*, they left their idols there. So David commanded his soldiers to burn those idols.

¹³ But soon the army of Philistia attacked the people in that valley again. ¹⁴ So again David prayed to God *to ask him what he should do*, and God replied, saying "Do not attack the army of Philistia from the front. Instead, go around them, and attack them *from the rear* in front of the balsam trees. ¹⁵ When you hear something in the tops of the balsam trees that sounds like *soldiers marching*, attack them. I, God, will have gone ahead of you to enable you to defeat the army of Philistia." ¹⁶ So David did what God commanded him to do, and he and his army defeated the army of Philistia, all the way from Gibeon *city in the east* to Gezer *city in the west*.

¹⁷ So David became famous in all the nearby countries, and Yahweh caused *the leaders of all the nearby nations* to be afraid of him.

They brought the Sacred Chest to Jerusalem

15 David *commanded his workers* to build some houses for him in Jerusalem. He also told them to set up a tent in which to put the Sacred Chest. ² He said, "Only the descendants of Levi are permitted to carry God's Sacred Chest, because they are the ones whom God chose to carry it and to serve him forever."

³ David summoned all the people of Israel to come to Jerusalem. He wanted the Sacred Chest of Yahweh to be put in the place that he had made for it. ⁴ He summoned the descendants of Aaron, *who was the first Supreme Priest*, and the other descendants of Levi.

⁵ 120 descendants of Kohath, who was Levi's second son, came, with Uriel their leader.

⁶ There were 220 descendants of Merari, Levi's third son, who came, with Asaiah their leader.

⁷ There were 130 descendants of Gershon, Levi's first son, who came, with Joel their leader.

⁸ There were 200 people from Elizaphan's clan who came, with Shemaiah their leader.

⁹ There were 80 people from Hebron's clan who came, with Eliel their leader.

¹⁰ And there were 112 people from Uzziel's clan who came, with Amminadab their leader.

¹¹ David summoned the priests Zadok and Abiathar and these *other* descendants of Levi: Uriel, Asaiah, Joel, Shemaiah, Eliel, and Amminadab. ¹² David said to them, "You are the leaders of the clans descended from Levi. You and the other descendants of Levi must purify yourselves, in order to *be able to do this special work for Yahweh*. You must bring the Sacred Chest of Yahweh, the God of us Israelis, up to the place that I have made for it *here in Jerusalem*. ¹³ The first time that we tried to bring it, we did not ask Yahweh how we should carry it {it should be carried}. You *descendants of Levi* were not the ones who carried it, so Yahweh our God punished us."

¹⁴ Then the priests and the *other* descendants of Levi *performed the rituals* to purify themselves, in order that it would be proper for them to do the work of carrying the Sacred Chest of Yahweh, the God of us Israeli people. ¹⁵ The descendants of Levi *inserted* the poles *into the rings* on the Sacred Chest so that with them, they could carry the Sacred Chest on their shoulders, like Moses had commanded, and like Yahweh had said that they should.

¹⁶ David told the leaders of the descendants of Levi to appoint some of their relatives to sing joyful songs and play lyres, harps, and cymbals *while they were carrying the Sacred Chest*.

¹⁷ So they appointed Heman and his relatives Asaph and Ethan. Heman was the son of Joel; Asaph was the son of Berekiah. Ethan, a descendant of Merari, was

Kushaiah's son. ¹⁸ There was also another group of descendants of Levi who were appointed: Zechariah, Jaaziel, Shemiramoth, Jehiel, Unni, Eliab, Benaiah, Maaseiah, Mattithiah, Eliphelehu, Mikneiah, and two of the Sacred Tent gatekeepers, Obed-Edom and Jeiel.

¹⁹ Heman, Asaph and Ethan sang, and also played bronze cymbals. ²⁰ Zechariah, Aziel, Shemiramoth, Jehiel, Unni, Eliab, Maaseiah, and Benaiah played lyres. ²¹ Mattithiah, Eliphelehu, Mikneiah, Obed-Edom, Jeiel and Azariah played harps. ²² Kenaniah, the leader of the descendants of Levi, directed the singing because he was very skilled at doing that.

²³ Berekiah and Elkanah were two of the men who guarded the Sacred Chest. ²⁴ The priests Shebaniah, Joshaphat, Nethanel, Amasai, Zechariah, Benaiah, and Eliezer were appointed to blow trumpets in front of the Sacred Chest. Obed-Edom and Jehiah also guarded the Sacred Chest.

²⁵ David and the Israeli leaders and the officers who commanded 1,000 soldiers went to bring the Sacred Chest back from Obed-Edom's house. They were very joyful as they brought it to Jerusalem. ²⁶ God helped the descendants of Levi who carried the Sacred Chest of Yahweh; therefore David and the leaders sacrificed seven bulls and seven \diamond rams/male sheep \diamond *to thank him*. ²⁷ All the descendants of Levi who carried the Sacred Chest, all the singers, and Kenaniah, the man who directed those who sang, wore robes of fine white linen and sacred vests made of fine linen. David also wore a sacred vest made of white linen. ²⁸ So all of the Israeli people joined in bringing the Sacred Chest up *to Jerusalem*. They shouted *joyfully, while the musicians* blew horns and trumpets, and played cymbals, lyres, and harps.

²⁹ While they were bringing the Sacred Chest into Jerusalem, Saul's daughter Michal watched them, looking out of a window. When she saw King David dancing and celebrating, she despised him.

16 They brought the Sacred Chest *to Gibeon* and put it inside the Sacred Tent that David had *told his workers* to set up. Then they brought offerings to be completely burned *on the altar* and offerings to enable them to maintain fellowship *with God*. ² When David had finished presenting all those offerings, he *asked Yahweh* to bless the people. ³ He gave a loaf of bread, some dates, and some raisins to every Israeli man and woman *who was there*.

⁴ Then David appointed some of the descendants of Levi to stand in front of the *Sacred Tent in which* the Sacred Chest had been placed, to lead the people who worshiped and thanked and praised Yahweh, the God of the Israeli people. ⁵ Asaph, who played the cymbals, was their leader. Zechariah was his assistant. The other descendants of Levi *who helped Asaph* were Jaaziel, Shemiramoth, Jehiel, Mattithiah, Eliab, Benaiah, Obed-Edom, and Jeiel. They played lyres and harps. ⁶ Benaiah and Jahaziel were priests who blew trumpets fre-

quently in front of the *Sacred Tent in which was the Sacred Chest*.

David's song of praise

7 On that day, David gave to Asaph and his helpers this psalm to praise Yahweh:

8 Thank God, and pray to him [MTY].

Tell the people of all nations what he has done.

9 Sing to him; sing songs to praise him.

Tell about all his miraculous deeds.

10 Be glad that you belong to him [MTY]; those who want to *know* Yahweh better should rejoice.

11 Trust in Yahweh and in his power; continually seek to get help from him.

12 Do not forget the wonderful things that he has done, the miracles and the just laws that he has given to us.

13 We people are the descendants of his servant Jacob;

we are the people of Israel whom he has chosen.

14 Yahweh is our God.

His just/fair laws are known by people throughout the world.

15 He never forgets the agreement that he has made: he made a promise that will last for 1,000 generations.

16 That is the agreement that he made with Abraham, and he repeated that agreement to Isaac.

17 It was an agreement for the Israeli people, and he wanted that agreement to endure forever.

18 What he said was, "I will give the Canaan region to you, to belong to you *and your descendants forever*."

19 *He said that to them* when there were only a few of them,

a tiny group of people who were living in that land *like strangers/that belonged to other people*;

20 they continued to wander from one place to another,

from one kingdom to another.

21 But he did not allow others to oppress them, and he warned kings by saying to them,

22 "Do not harm the people whom I have chosen! Do not harm my prophets!"

23 You people throughout the world, sing to Yahweh.

Every day proclaim to *others* that he has saved us.

24 Tell the people of the nations that he is great; tell all the people-groups the marvelous things *that he has done*.

25 Yahweh is great, and he deserves to be praised very much.

He should be revered more than all the gods,

26 because all the gods that the *other* people-groups worship are only idols,

but Yahweh is *truly great*; he created the skies.

27 He is glorious and majestic; his power and joy fill his Sacred Tent.

28 You people in nations all over the world, praise Yahweh!

Praise Yahweh for his glorious power [HEN]!

29 Praise Yahweh like he [MTY] deserves to be praised.

Bring an offering and come to his Sacred Tent.

Worship Yahweh because he is holy.

30 Everyone on the earth should tremble in front of Yahweh.

He put the earth firmly *in its place*; and nothing ever will be able to move/shake it.

31 Everything in the sky and on the earth should be happy.

People *everywhere* should say, "Yahweh is our king!"

32 The oceans and all the creatures that are in the oceans should shout to praise him; the fields and everything that is in them should rejoice.

33 When they do that, *it will be as though* the trees in the forest will sing joyfully in front of Yahweh.

That will happen when he comes to judge *everyone on* [MTY] the earth.

34 Thank Yahweh, because *everything that he does* is good.

He faithfully loves us forever.

35 Say to him, "God, you are the one who rescues us, so gather us together and save us from *the armies of other nations*."

When you do that, we will thank you [MTY], and we will be happy to praise you."

36 Praise Yahweh, the God of us Israeli people, He has always existed, and he will exist forever.

After the people *finished singing that song*, they all said, "◊Amen/May it be so◊!", and they praised Yahweh.

Worship at Jerusalem and Gibeon

37 Then David left Asaph and the other members of his clan there in front of the *tent in which* Yahweh's Sacred Chest had been placed. He told them that they must do their work there every day. 38 David also left Obed-Edom and 68 other descendants of Levi to work with them. Hosah and Obed-Edom guarded *the entrances of the Sacred Tent*.

39 David also told Zadok the *Supreme Priest* and the other priests who worked with him to remain in front of Yahweh's Sacred Tent, which was still at the place where the Israeli people worshiped *God there* in Gibeon city. 40 Every morning and every evening they burned offerings on the altar, obeying the rules/laws that had been written *by Moses*, rules/laws which Yah-

weh had given to the Israeli people. ⁴¹ With them were Heman and Jeduthun and other descendants of Levi. They [MTY] were chosen to sing songs to praise Yahweh because he faithfully loves his people forever. ⁴² Heman and Jeduthun were appointed to play the trumpets and cymbals when *the other descendants of Levi sang sacred songs*. The sons of Jeduthun were appointed to guard the gates of *the Sacred Tent*.

⁴³ Then all the people left. They returned to their homes, and David returned home to *ask Yahweh to bless his family*.

Yahweh's promise to David

17 After David began to live in his palace, he said to the prophet Nathan, "*It does not seem right that I am here living in a palace made of cedar wood, but Yahweh's Sacred Chest is kept inside a tent!*"

² Nathan replied to David, "Whatever you are thinking about doing, do it, because God is with/guiding you."

³ But that night God spoke [MTY] to Nathan. He said,

⁴ "Go and tell my servant David that this is what I, Yahweh, am saying to him: 'You are not the one who should build a temple for me to live in. ⁵ I have not lived in any building, from the day that I brought the people of Israel up *out of Egypt* until now. Instead, I have *lived in a tent*, moving from one place to another with *the Israelis* when they moved to other places [DOU]. ⁶ Wherever I went with all the Israelis *as they traveled*, I never [RHQ] said to any of their leaders whom I appointed to lead [MET] them, "Why have you not built me a temple made of cedar wood?"'

⁷ Therefore, this is what you should say to my servant David: 'I, the Almighty Commander of the armies of angels, took you from a pasture where you were taking care of sheep, and I *appointed you* to be the ruler of my Israeli people. ⁸ I have *been with/helped* you wherever you have gone, and I have gotten rid of all your enemies as you advanced. And now I will cause you to become very famous, as well-known as the names of the greatest men *who have ever lived on the earth*. ⁹⁻¹⁰ Formerly, during the time that I appointed leaders for my Israeli people, many violent groups oppressed them. But this will not happen anymore. I have chosen a place where my Israeli people can live *peacefully* and no one will disturb them anymore. I will give notallow them to *be attacked* by their enemies. And I will defeat all your enemies.

I declare to you that I, Yahweh, will enable your descendants to rule after you *die*. ¹¹ When your life ends [EUP], and you *die and go* to be with your ancestors *who have died*, I will appoint one of your sons to become king, and I will enable his kingdom to *be strong/resist* all their enemies. ¹² He is the one who will *arrange for* a temple to be built for me. And I will enable his descendants to be kings

[MTY] of Israel forever. ¹³ I will be *like* a father to him, and *it will be as though* he is a son to me. I stopped loving *Saul*, the one who was the king before you became king, but I will never stop loving your son. ¹⁴ I will cause him to rule over my people [MTY], and his kingdom will endure forever [DOU].'" ¹⁵ So Nathan reported to David everything that Yahweh had revealed to him.

David's prayer

¹⁶ Then David went into *the Sacred Tent* and sat in the presence of Yahweh, and prayed this:

"Yahweh my God, I am certainly not [RHQ] worthy for you to have done all these things for me, and my family is not worthy, either.

¹⁷ And O God, now, in addition to everything else, you have spoken about what will happen to my descendants in the future for many generations. Yahweh my God, you have acted toward me as though I was the most important man *on the earth!*

¹⁸ What more can I, David, say to you *for honoring me*? Although you know very well what I am like, ¹⁹ Yahweh, for my sake and because it is what you wanted to do, you have done these great things *for me*, and you have revealed to me these things *that you are promising to do*.

²⁰ Yahweh, you are great. There is no one like you. Only you are God, which is what we have always heard. ²¹ And there is no nation in the world like Israel [RHQ]. Israel is the only nation on the earth whose people you rescued. You performed great and awesome miracles, rescuing our ancestors from *being slaves* in Egypt, and expelling the people of other people-groups *who were in Canaan*. ²² You have caused us your Israeli people to belong to you forever, and you, Yahweh, have become our God!

²³ And now Yahweh, I pray that you will cause the things that you have promised to do for me and my descendants [MTY] to be fulfilled forever. ²⁴ When that happens, you [MTY] will be famous forever. And people will exclaim, 'The Almighty Commander of the armies of angels, is the God who rules Israel!' And you will cause that forever there will be descendants [MTY] of mine who will rule.

²⁵ You, my God, have revealed to me that you will cause *some of* my descendants to become kings. So I am brave enough to pray like this to you. ²⁶ Yahweh, you are God! You have promised to do these good things for me. ²⁷ And now you, Yahweh, have *promised to bless* my descendants [MTY], in order that they will continue to rule forever. That will happen because you, Yahweh, are the one who has blessed them, and you will keep blessing them forever."

David's military victories

18 Some time later, David's *army* attacked the army of Philistia and defeated them. They captured Gath city and the surrounding villages.

² His *army* also defeated the *army* of the Moab *people-group*. The people were forced to accept David as their ruler, and also to pay money *each year* to David's government, in order that David's *army* would protect them.

³ David's *army* also fought against the *army* of Hadadezer, the king of the Zobah *region in Syria* near Hamath city, when Hadadezer was trying to establish control over the area near the Euphrates River.

⁴ David's *army* captured 1,000 of Hadadezer's chariots, 7,000 chariot-drivers, and 20,000 soldiers. They hamstringed/crippled most of their horses; there were only 100 horses that they did not cripple.

⁵ When the *army* of Syria came from Damascus city to help Hadadezer's *army*, David's soldiers killed 22,000 of them. ⁶ Then David stationed groups of his soldiers in Damascus, and the people of Syria were forced to accept David as their ruler, and to pay to David's government *each year* the payment/tax that he demanded. And Yahweh enabled David's *army* to win battles everywhere they went.

⁷ David soldiers took the gold shields that were carried by the officers of Hadadezer's *army* and brought them to Jerusalem. ⁸ They also brought from Tebah (OR, Tibhath) and Cun, two towns that belonged to Hadadezer, a lot of bronze, which David's son Solomon later used to make the huge bronze basin and the pillars and other bronze items for the temple.

⁹ When Tou, the king of Hamath city in Syria, heard that David's *army* had defeated the entire army of King Hadadezer, ¹⁰ he sent his son Hadoram to King David, to greet him and *congratulate him/tell him* that he was happy *about his defeating Hadadezer's army, which had been fighting the army of Tou*. Hadoram brought to David many items/gifts made of gold, silver, and bronze.

¹¹ King David dedicated those things to Yahweh, like he had done with the silver and gold that his soldiers had taken from the Edom and Moab *people-groups*, and from the Ammon *people-group* and from the people of Philistia, and from the *descendants of Amalek*.

¹² One of David's *army commanders*, Abishai, whose mother was Zeruah, went with his *army* and killed 18,000 soldiers from Edom in the Salt Valley. ¹³ Then David stationed groups of his soldiers there in Edom, and the people of Edom were forced to accept David as their king and to pay money to David's government *every year*. And Yahweh enabled David's *army* to win battles wherever they went.

David's officials

¹⁴ David ruled over all the Israeli people, and he always did for them what was just and fair. ¹⁵ Zeruah's son Joab was the chief *army commander*. Jehoshaphat the son of Ahilud was the record-keeper. ¹⁶ Zadok the son of Ahitub and Ahimelech the son of Abiathar were the Supreme Priests. Shavsha was the official secretary. ¹⁷ Benaiah the son of Jehoiada ruled over the Kereth and Peleth *groups who were David's bodyguards*. And David's sons were his most important officials.

The battle against the Ammon people-group

19 Some time later, Nahash, the king of the Ammon *people-group*, died. Then his son Hanun became their king. ² When David heard about that, he thought to himself, "Nahash was kind to me, so I will be kind to his son." So David sent some officials there, to tell Hanun that he was sorry to hear that Hanun's father had died.

But when David's officials came to Hanun in the land where the Ammon *people-group* lived, ³ the leaders of the Ammon *people-group* said to Hanun, "Do you think that it is really to honor your father that King David is sending these men to say that he is sorry that your father died? We think that his men have come to *look around/spy* our city in order to determine how his *army* can conquer us."

⁴ Hanun believed what they said; so he commanded some soldiers to seize the officials whom David had sent, and shave off their beards, and insult them by cutting off the lower part of their robes, and then send them away. So his soldiers did that.

⁵ The officials were greatly humiliated/ashamed. When David found outers did that. about what had happened to his officials, he sent some messengers to them to tell them, "Stay at Jericho until your beards have grown again, and then return home."

⁶ Then the leaders of the Ammon *people-group* realized that they had greatly insulted [IDM] David. So Hanun and some of his officials sent about *37,000 pounds/34,000 kg.* of silver to hire chariots and chariot-drivers from the Aram-Naharaim, Aram-Maacah and Zobah *regions of Syria northeast of Israel*. ⁷ They hired 32,000 chariots and chariot-drivers, as well as the king of the Maacah *region* and his *army*. They came and set up their tents near Medeba town in Moab *region*. The soldiers from the Ammon *people-group* also marched out and *stood in their positions/arranged themselves for battle* at the entrance to their capital city, Rabbah.

⁸ When David heard about that, he sent Joab and all his *army*. ⁹ The soldiers of the Ammon *people-group* came out of their city and lined up for battle at the entrance to their capital city, Rabbah. Meanwhile, the

other kings who had come *with their armies* stood in their positions in the open fields.

¹⁰ Joab saw that there were groups of enemy soldiers in front of his troops and behind his troops. So he selected some of the best Israeli troops and put them in positions to fight against the soldiers of Syria.

¹¹ He appointed his *older* brother Abishai to be the commander of his other soldiers and he told them to *stand in their positions/arrange themselves* in front of *the army of the Ammon people-group*. ¹² Joab said to them, "If the soldiers from Syria are too strong for us to defeat them, then your soldiers must come and help us. But if the soldiers from the Ammon people-group are too strong for you to defeat them, then my soldiers will come and help your men. ¹³ We must be strong/courageous, and fight hard to *defend* our people and our cities *that belong to/where we worship* our God. I will pray that Yahweh will do what he considers to be good."

¹⁴ So Joab and his troops *advanced to* fight the army of Syria, and the soldiers from Syria ran away from them. ¹⁵ And when the soldiers of the Ammon people-group saw that the soldiers from Syria were running away, they also started to run away from Abishai and his army, and they retreated back inside the city. So Joab *and his army* returned to Jerusalem.

¹⁶ After *the leaders of the army of Syria* realized that they had been defeated by *the army of Israel*, they sent messengers to *another part of Syria* on the east side of the *Euphrates* river, and brought troops from there *to the battle area*, with Shophach, the commander of Hadadezer's army, leading them.

¹⁷ When David heard about that, he gathered all the Israeli soldiers, and they crossed the *Jordan River*. They advanced and took their battle positions to attack the army of Syria. ¹⁸ But the army of Syria ran away from the soldiers of Israel. However, David's soldiers killed 7,000 of their chariot-drivers and 40,000 other soldiers. They also killed Shophach, their army commander.

¹⁹ When the kings who had been ruled by Hadadezer realized that they had been defeated by the Israeli army, they made peace with David, and agreed to allow him to rule them.

So the rulers of Syria did not want to help the rulers of the Ammon people-group anymore.

David's army captured the capital city of Ammon

20 *In that region*, kings usually went *with their armies* to fight *their enemies* in the spring-time/when the cold season ended. But that year, *David did not do that*. Instead, he stayed in Jerusalem, and he sent *his commander* Joab to lead the army. Joab took his troops. They *crossed the Jordan River* and ruined the land of the Ammon people-group. Then they went to Rabbah, *the capital city*, and surrounded it. David stayed in Jerusalem *for a while*. But later he took more troops and went to help Joab. Their

armies attacked Rabbah and destroyed it. ² Then David took the crown from the head of the king of Rabbah (OR, from the head of their god Milcom) and put it on his own head. It *was very heavy*; it weighed *75 pounds/34 kg*, and it had many very valuable stones *fastened to it*. They also took many other valuable things from the city. ³ Then they brought the people out of the city and forced them to *work for their army*, using saws and iron picks and axes. David's soldiers did this in all the cities of the Ammon people-group. Then David and all of his army returned to Jerusalem.

Wars against the giants in Philistia

⁴ Later, *David's army* fought a battle with the army of Philistia, at Gezer *city*. During the battle Sibbecai, from Hushah *clan*, killed Sippai, one of the descendants of the *Rapha giants*. So the armies of Philistia were defeated.

⁵ In another battle against the soldiers of Philistia, Elhanan, the son of Jair, killed Lahmi, the *younger* brother of *the giant* Goliath from Gath *town*, who had a spear which was as thick as a weaver's rod.

⁶ There was another battle near Gath. A *huge man/giant* was there who had six fingers on each hand and six toes on each foot. He was descended from the *Rapha giants*. ⁷ When he made fun of the soldiers of Israel, Jonathan, the son of David's *older* brother Shimea, killed him.

⁸ Those were some of the descendants of the *Rapha giants* who had lived in Gath, who were killed [MTY] by David and his soldiers.

David commanded that the soldiers be counted

21 Satan decided to cause the Israeli people to have trouble. So he incited David to find out how many men in Israel *were able to be in the army*.

² So David commanded Joab and the other army commanders, "Count all the men in Israel *who are able to be in the army*. Start at Beersheba *town in the south* and go all the way to Dan *city in the north*. Then come back and report to me, in order that I may know how many men there are."

³ But Joab replied, "Your majesty, even if Yahweh allowed us to have 100 times as many soldiers as we have now, you would [RHQ] still rule all of them. So why do you want us to do this? You will surely [RHQ] cause *all the people of Israel* to be guilty of sinning."

⁴ But David would not change his mind. So Joab *and his soldiers* went everywhere in Israel and in Judah, and counted the people. Then they returned to Jerusalem, ⁵ and they reported to David that there were 1,100,000 men in Israel who could be in the army, and 470,000 in Judah. ⁶ Joab did not count the men from the tribes of Levi and Benjamin, because he was disgusted with what the king had commanded.

God punished the people of Israel

7 David's command to count the people caused God to become angry, so he *told David that he had decided to punish the people of Israel*. 8 Then David prayed, saying, "Yahweh, what I did was very foolish. I have sinned greatly by what I have done. So now I plead with you, please forgive me."

9 Then Yahweh said to Gad, David's prophet, 10 "Go and tell this to David: I am allowing you to choose one of three things *to punish you*. I will do whichever one you choose."

11 So Gad went to David and said to him, "This is what Yahweh says: 'You can choose one of these *punishments*: 12 three years of famine *in Israel*, or three months during which your armies will run away from their enemies *who will attack them with swords*, or three days during which I will send my angel to cause many people in the country to die because of a *plague/very serious illness*.' So, you must decide what I will say to answer *Yahweh*, the one who sent me."

13 David replied to Gad, "I am very distressed. But allow Yahweh to punish [MTY] me, because he is very merciful. Do not allow humans to punish me, *because they will not be merciful*."

14 So Yahweh sent a plague on *the people of Israel*, and 70,000 of them died because of it. 15 And God sent an angel to destroy the people in Jerusalem by the plague. But when the angel was standing at the ground where Araunah, from the Jebus people-group, threshed grain, Yahweh saw all the suffering that the people had endured, and he was grieved. So he said to the angel, "Stop what you are doing [IDM]! That is enough [IDM]!"

16 David looked up and saw the angel whom Yahweh had sent, standing between the sky and the ground. The angel had a sword in his hand that was pointed toward Jerusalem. Then David and the elders *of the city*, who were wearing clothes made of rough sackcloth, prostrated themselves on the ground.

17 David said to God, "I am [RHQ] the one who ordered the men who could be in the army to be counted. I am the one who has sinned and done what is very wrong, but these people are *as innocent as* [MET] sheep. They have certainly not [RHQ] done anything *that is wrong*. So Yahweh my God, punish [IDM] me and my family, but do not allow this plague to continue *to cause your people to become sick and die*."

18 Then the angel who was sent by Yahweh told Gad to go up to the place where Araunah threshed grain and tell David to build an altar to *worship Yahweh* there. 19 So *after Gad told David*, he obeyed the message that Yahweh [MTY] had given to Gad, *and he went up there*.

20 While Araunah was threshing some wheat, he turned and saw the angel. His four sons who were with him *also saw the angel*, and they hid themselves.

21 Then David approached. When Araunah saw him, he left the place where he was threshing grain and prostrated himself, with his face touching the ground.

22 David said to him, "Please sell me your threshing place in order that I can build an altar here to *worship Yahweh*. Then he will stop this plague. I will pay the full price."

23 Araunah replied, "Take it! Your majesty, do whatever you want to. I will give you the oxen *that thresh the grain* for an offering to be completely burned *on the altar*. And I will give you the threshing boards to use as wood *on the altar*, and I will give you grain for a grain offering. I will give all those things to you."

24 But the king said to Araunah, "No, I will *not take these things as a gift*. I will pay you the full price for it. I will not take things that belong to you, things that have cost me nothing and offer them as sacrifices to Yahweh to be completely burned on the altar."

25 So David paid Araunah 600 pieces of gold for the whole area. 26 David built an altar to *worship Yahweh* there, and he offered sacrifices to be completely burned *on the altar* and sacrifices to restore fellowship *with Yahweh*. David prayed to Yahweh, and Yahweh answered by sending a fire from heaven *to burn up the offerings* on the altar.

27 Then Yahweh spoke to the angel, and told him to put his sword back into its sheath. *So the angel did that*. 28 And when David saw that Yahweh had answered him there at the place where Araunah threshed grain *and had ended the plague*, he offered sacrifices there. 29 Yahweh's Sacred Tent, which Moses had commanded to be set up in the desert, and the altar for burning sacrifices completely, were at that time on a hill at Gibeon *city*. 30 But David did not want to go there to request God to tell him what he wanted *him to do*, because he was afraid that the angel sent from Yahweh *might strike him with his sword*.

22 Then David said, "Here, *at the edge of Jerusalem*, is where *we will build* the temple for our God Yahweh, and where *we will make* the altar for burning the offerings that the Israeli *people will bring*."

The preparations for the temple

2 So David commanded that the foreigners who lived in Israel must gather together. *When they did that*, he appointed *some of those men* to *cut huge stones from the quarries* and to smooth their surfaces, to be used to build the temple of God. 3 David provided a large amount of iron for making nails and hinges for the doors in the gates of the temple. He also provided so much bronze *for making the altar and various utensils*, that no one could weigh it all. 4 He also provided *money for buying* a large amount of cedar logs. Because there was a huge number of them, no one was able to count them. Those were logs that men from Tyre and Sidon *cities* sent to David.

⁵ David *provided all those things because he thought*, “My son Solomon is still young and he does not know what he needs to know *about building*, and the temple of Yahweh must be *◇magnificent/very beautiful◇*. It must be a glorious building that will become famous, and people throughout the world must consider it to be glorious/splendid. So now I will begin to prepare for it to be built, *and Solomon will be responsible for building it.*” So David collected a great amount of building materials before he died.

⁶ When David *was old*, he summoned his son Solomon, and told him that he should arrange for a temple to be built for Yahweh, the God whom the Israelis *worshipped*. ⁷ He said to him, “I wanted [IDM] to build a temple to honor [MTY] Yahweh, my God. ⁸ But Yahweh told *a prophet* to tell me, ‘You have killed many men [MTY] in the battles that you have fought. I have seen the blood of all the people whom you killed, so you will not be the one who will arrange for a temple to be built to honor me [MTY]. ⁹ But you will have a son *who will be king of Israel after you die*. He will be a man who is peaceful and quiet, *not a man who kills others*. And I will cause that there will be peace between him and his enemies who are in all the nearby lands. His name will be Solomon, *which sounds like the word for peace*. During the time that he is king, people in Israel will be peaceful and safe. ¹⁰ He is the one who will arrange for a temple to be built to honor me [MTY]. He will be *like* a son to me, and I will cause some of his descendants to rule [MTY] over Israel forever [HYP].’

¹¹ So now, my son, I hope/wish that Yahweh will help you, and enable you to be successful in arranging for building the temple of Yahweh, your God, which is what he said that you would do. ¹² I also hope/wish that he will enable you to be wise and to understand what you need to know, and enable you to obey his laws while you rule over Israel. ¹³ If you carefully obey all the laws and regulations/commands that Yahweh gave to Moses to give to us Israeli people, you will be successful. So be steadfast/strong and courageous. Do not be afraid of anything, and do not become discouraged!

¹⁴ I have tried hard to provide *materials for building* the temple of Yahweh. I have provided nearly 4,000 tons of gold, and nearly 40,000 tons of silver. I have also provided a very large amount of iron and bronze; no one has been able to weigh it all. I have also gathered/provided lumber and stone *for the walls of the temple*, but you may need to get some more of those things. ¹⁵ There are many men *in Israel* who have good ability to cut big stones for making stone walls, and carpenters, and men who are very skilled at making various kinds of things. ¹⁶ There are many men who know how to make things from gold and silver and bronze and iron. So now *I say to you*, begin the work *of building the temple*, and I hope/wish that Yahweh will help/be with you.”

¹⁷ Then David commanded that all the Israeli leaders must assist Solomon. He said to them, ¹⁸ “Yahweh our God is certainly with/helping you [RHQ]. He has allowed you to have peace with all the nearby nations [RHQ]. He has enabled my *army* to conquer [IDM] them, so now Yahweh and my people control them. ¹⁹ Now you must obey Yahweh completely. Help Solomon to arrange for building the temple for Yahweh God, in order that you can bring the Sacred Chest that contains the Ten Commandments and the other sacred items that belong to God into the temple that you will build to honor Yahweh.”

The duties of the descendants of Levi

23 David was a very old man [DOU] when he appointed his son Solomon to be the next king.

² David gathered the leaders of Israel and the priests and other descendants of Levi. ³ He *commanded some of his officials* to count the descendants of Levi who were at least thirty years old, and they found out that there were 38,000 of them. ⁴ Then David said, “From those 38,000 men, I want 24,000 of them to supervise the work at the temple of Yahweh, and I want 6,000 of them to be officials and judges. ⁵ I want 4,000 to be guards at the gates, and 4,000 to praise Yahweh, using the musical instruments that I have provided for them.”

⁶ David divided the descendants of Levi into three family groups; each group consisted of men who were descendants of one of the three sons of Levi—Gershon, Kohath, and Merari.

The descendants of Gershon

⁷ From the descendants of Gershon there were Ladan and Shimei.

⁸ There were three sons of Ladan: Jehiel was the oldest, and his *younger* brothers Zetham and Joel.

⁹ There were three of the sons of Shimei: Shelomoth, Haziël, and Haran.

They were all leaders of the clans of Ladan.

¹⁰ There were four men who were other sons of Shimei:

¹¹ Jahath, who was his oldest son, and his *younger* brothers Ziza, Jeush, and Beriah.

Jeush and Beriah did not have many sons, so they were counted as though they were one family.

The descendants of Kohath

¹² Kohath had four sons: Amram, Izhar, Hebron, and Uzziel.

¹³ There were two sons of Amram: Aaron and Moses.

Aaron and his descendants were set apart to dedicate the very holy things, to offer sacrifices to Yahweh, to serve in his presence, and to declare *to the people what* Yahweh [MTY] would do to bless them. They were to do those things forever.

¹⁴ The sons of Moses, the man who served God *well*, were counted as part of the tribe of Levi.

¹⁵ The sons of Moses were Gershom and Eliezer.

¹⁶ The oldest son of Gershom was Shubael.

¹⁷ Rehabiah was the oldest son of Eliezer.

Eliezer had no other sons, but Rehabiah had many sons.

¹⁸ The oldest son of Izhar was Shelomith.

¹⁹ Hebron had four sons.

Jeriah was his oldest son, and his *younger* brothers were Amariah, Jahaziel, and Jekameam.

²⁰ Uzziel had two sons.

Micah was the oldest son, and his *younger* brother was Isshiah.

The descendants of Merari

²¹ Merari had two sons: Mahli and Mushi.

The sons of Mahli were Eleazar and Kish.

²² Eleazar had no sons; he had only daughters.

Their cousins, the sons of Kish, married them.

²³ The three sons of Mushi were Mahli, Eder, and Jerimoth.

²⁴ Those were the descendants of Levi, whose names were listed according to their families/clans. They were chosen for special jobs by *casting lots/throwing small marked stones*. Each person who was at least 20 years old was listed. They all worked in the temple of Yahweh. ²⁵ David had said previously, "Yahweh, the God to whom we Israeli people belong, has enabled us to have peace, and he *has come to* live in Jerusalem forever. ²⁶ Therefore, the descendants of Levi no longer need to carry the Sacred Tent and the items used in the work there." ²⁷ Obeying the final instructions of David *before he died, instructions for doing this work at the temple*, they counted only the descendants of Levi who were at least 20 years old.

²⁸ The work of those descendants of Levi was to assist the descendants of Aaron in their work in the temple of Yahweh: To be in charge of the temple courtyards and the side rooms, the ceremonies for purifying all the sacred things, and to do other work at the temple. ²⁹ They were also in charge of the sacred loaves of bread that were placed *each week* on the table *in the temple*, the flour for the grain offerings, the wafers that were made without yeast, and the measuring the ingredients and mixing them and baking that bread and those wafers. ³⁰ They were also told to stand every morning *at the temple* and thank Yahweh and praise him. They were also required to do the same thing every evening. ³¹ And they were to do the same thing whenever offerings that were to be completely burned *on the altar* were presented/offered to Yahweh on Sabbath days and during the new moon celebrations and other religious festivals. They were told how many of them should be there and what they should do each time.

³² So the descendants of Levi did the work that was assigned to them by their fellow Israelis who were descendants of Aaron. They did that work in the area surrounding the Sacred Tent, and in the Sacred Tent, and *later* at the temple.

The duties of the priests

²⁴ These are the groups of the descendants of Aaron *the first Supreme Priest*: Aaron's four sons were Nadab, Abihu, Eleazar, and Ithamar.

² But Nadab and Abihu died before their father died, and they had no children. So their *younger* brothers Eleazar and Ithamar became the priests. ³ Zadok, who was a descendant of Eleazar, and Ahimelech, who was a descendant of Ithamar, helped David to separate his descendants into two groups. Each group had certain duties. ⁴ There were more leaders among the descendants of Eleazar than there were among the descendants of Ithamar. So they appointed 16 leaders from Eleazar's descendants and eight leaders from Ithamar's descendants. ⁵ There were temple officials and priests, including descendants of both Eleazar and Ithamar, to make sure that the work was divided fairly. So they decided what work each person would do by *casting lots/throwing marked stones*.

⁶ Shemaiah, the son of Nethanel, who was a descendant of Levi, wrote down the names *of the leaders of each group* while David and his officials were watching. Zadok, the *Supreme Priest*, and Ahimelech *his assistant*, and the leaders of the families of the priests and of the families of the other descendants of Levi also watched.

⁷ Jehoiarib was the first one whose name was selected by *casting lots/throwing marked stones*.

Next Jedaiah was selected.

⁸ Next, Harim was selected.

Next, Seorim was selected.

⁹ Next, Malkijah was selected.

Next, Mijamin was selected.

¹⁰ Next, Hakkoz was selected.

Next, Abijah was selected.

¹¹ Next, Jeshua was selected.

Next, Shecaniah was selected.

¹² Next, Eliashib was selected.

Next, Jakim was selected.

¹³ Next, Huppah was selected.

Next, Jeshebeab was selected.

¹⁴ Next, Bilgah was selected.

Next, Immer was selected.

¹⁵ Next, Hezir was selected.

Next, Happizzetz was selected.

¹⁶ Next, Pethahiah was selected.

Next, Jehezkel was selected.

¹⁷ Next, Jakin was selected.

Next, Gamul was selected.

¹⁸ Next, Delaiah was selected.

Next, Maaziah was selected.

¹⁹ Those were the men who were chosen to be the leaders of the groups that would serve in the temple, obeying the regulations that were set down by Aaron, regulations which Yahweh, the God to whom the Israeli people belonged, had given to him.

The other descendants of Levi

²⁰ *This is a list of some of the other descendants of Levi:*

Amram was the ancestor of Shubael and Jehdeiah.

²¹ Rehabiah was the ancestor of Isshiah, the oldest son in his family.

²² Izhar was the father of Shelomoth and the grandfather of Jahath.

²³ *Kohath's son* Hebron had four sons: Jeriah and his younger brothers Amariah, Jahaziel, and Jekameam.

²⁴ Uzziel was the father of Micah and the grandfather of Shamir.

²⁵ Micah's younger brother was the father of Zechariah.

²⁶ The sons of Merari were Mahli, Mushi, and Jaaziah.

²⁷ Jaaziah had four sons: Beno, Shoham, Zaccur, and Ibri.

²⁸ Mahli's son Eleazar did not have any sons.

²⁹ From the descendants of *Mahli's second son* Kish there was Jerahmeel.

³⁰ The sons of Mushi were Mahli, Eder, and Jerimoth.

Those were descendants of Levi who were listed according to the leaders of their families. ³¹ The jobs they would do were decided by casting lots/throwing marked stones, like their fellow Israelis, the descendants of Aaron, did. They cast lots {The lots were cast} while King David, Zadok, Ahimelech, and the leaders of the families of the priests and the other descendants of Levi watched. They gave the same jobs to the families of each oldest brother and each youngest brother.

The duties that David assigned to the musicians

25 David and some of the temple officials (OR, army commanders) chose some of the descendants of Asaph, Heman, and Jeduthun to be in charge of proclaiming God's messages, and to play harps and lyres and cymbals. This is a list of the men whom they chose for that work:

² From the sons of Asaph they chose Zaccur, Joseph, Nethaniah, and Aserelah. Asaph supervised them. And the king appointed Asaph to proclaim God's messages.

³ From the sons of Jeduthun they chose six men: Gedaliah, Zeri, Jeshaiiah, Shimei, Hashabiah, and Mattithiah. Jeduthun supervised them and also proclaim God's messages, playing his harp while he thanked and praised Yahweh.

⁴ From the sons of Heman, who was one of the king's prophets, they chose Bukkiah, Mattaniah, Uzziel, Shubael, Jerimoth, Hananiah, Hanani, Eliathah, Giddalti, Romamti-Ezer, Joshbekashah, Mallothi, Hothir, and Mahazioth. ⁵ God promised to cause Heman to be strong, so altogether, God have him 14 sons and three daughters.

⁶ All those men were supervised by their fathers while they played music in the temple of Yahweh. They played cymbals, lyres, and harps. And their fathers—Asaph, Jeduthun and Heman—were supervised by the king. ⁷ Those men and their relatives were all trained and skilled for playing musical instruments in the temple. That was their work for Yahweh. Including their relatives, there were 288 of them. ⁸ All of them, including ones who were young and those who were old, cast lots to determine what work they would do.

⁹ From the family of Asaph, the first ones selected were Joseph and 12 of his sons and relatives.

¹⁰ Next, Gedaliah and 12 of his sons and relatives were selected.

¹¹ Next, Zaccur and 12 of his sons and relatives were selected.

¹² Next, Nethaniah and 12 of his sons and relatives were selected.

¹³ Next, Bukkiah and 12 of his sons and relatives were selected.

¹⁴ Next, Jesarelah and 12 of his sons and relatives were selected.

¹⁵ Next, Jeshaiiah and 12 of his sons and relatives were selected.

¹⁶ Next, Mattaniah and 12 of his sons and relatives were selected.

¹⁷ Next, Shimei and 12 of his sons and relatives were selected.

¹⁸ Next, Azarel and 12 of his sons and relatives were selected.

¹⁹ Next, Hashabiah and 12 of his sons and relatives were selected.

²⁰ Next, Shubael and 12 of his sons and relatives were selected.

²¹ Next, Mattithiah and 12 of his sons and relatives were selected.

²² Next, Jerimoth and 12 of his sons and relatives were selected.

²³ Next, Hananiah and 12 of his sons and relatives were selected.

²⁴ Next, Joshbekashah and 12 of his sons and relatives were selected.

²⁵ Next, Hanani and 12 of his sons and relatives were selected.

²⁶ Next, Mallothi and 12 of his sons and relatives were selected.

²⁷ Next, Eliathah and 12 of his sons and relatives were selected.

²⁸ Next, Hothir and 12 of his sons and relatives were selected.

²⁹ Next, Giddalti and 12 of his sons and relatives were selected.

³⁰ Next, Mahazioth and 12 of his sons and relatives were selected.

³¹ Next, Romamti-Ezer and 12 of his sons and relatives were selected.

The guards of the temple gates

26 This is a list of the groups of men who guarded the temple gates:

From the descendants of Korah, there was Meshelemiah, the son of Kore, who was one of the sons of Asaph.

² The oldest son of Meshelemiah was Zechariah. His other sons were Jediael, Zebadiah, Jathniel,

³ Elam, Jehohanan, and Eliehoenai.

⁴ Another guard was Obed-Edom.

His oldest son was Shemaiah. His other sons were Jehozabad, Joah, Sacar, Nethanel, ⁵ Ammiel, Issachar, and Peullethai. It was because God had blessed him that he had many sons.

⁶ Obed-Edom's son Shemaiah also had sons. They were leaders in their father's family because they were capable of doing many things well. ⁷ The sons of Shemaiah were Othni, Rephael, Obed, and Elzabad. Shemaiah's relatives Elihu and Semakiah were also capable men.

⁸ All of those descendants of Obed-Edom and their sons and relatives were capable people and strong workers. Altogether there were 62 of them.

⁹ Another guard was Meshelemiah. He and his sons and relatives were also capable people. There were 18 of them altogether.

¹⁰ Another guard was Hosah's son Shimri, a descendant of Merari. Hosah appointed Shimri to be the leader, even though he was not Hosah's oldest son.

¹¹ Hosah's other sons were Hilkiah, Tabaliah, and Zechariah. Altogether there were 13 sons and relatives of Hosah.

¹² Those men were leaders of the groups of men who guarded the gates of the temple. They worked at the temple like their relatives did. ¹³ By casting lots, the leader of each family chose one gate for their group to guard. *All of them, including young men and old men (OR, including leaders of large families and small families), cast lots.*

¹⁴ Shelemiah's group was selected to guard the East Gate.

The group of Shelemiah's son Zechariah, who was a wise counselor, was selected to guard the North Gate.

¹⁵ Then Obed-Edom's group was selected to guard the South Gate, and his sons were selected to guard the *entrances to the temple storerooms.*

¹⁶ Then Shuppim's group and Hosah's group were selected to guard the West Gate and the Shalleketh Gate on the upper road *to the temple.*

The work for the guards was divided evenly. ¹⁷ Each day there were six descendants of Levi who guarded the East Gate, four who guarded the North Gate, four who guarded the South Gate, and two at a time who guarded the entrances to the storerooms. ¹⁸ At the West gate there were two men who guarded the courtyard and four who guarded the road outside the courtyard.

¹⁹ Those were the groups of men who were descendants of Korah and Merari who guarded the gates *of the temple.*

Other work at the temple

²⁰ Other descendants of Levi were in charge of the chests that contained the money that was dedicated to Yahweh, money that the people brought to the temple.

²¹ *One of those men was* Ladan, a descendant of Gershon. He was the ancestor of several family groups. Jehiel was the leader of one of those family groups. ²² Others who had that work were Zetham and his *younger* brother Joel, who were the sons of Jehiel.

²³ Others who did that work were descendants of Amram, Izhar, Hebron and Uzziel.

²⁴ *From the descendants of Amram, Shubael, a descendant of Moses's son Gershom, was the leader who was in charge of the money chests.* ²⁵ *Others who did that work were the descendants of Gershom's younger brother Eliezer. Those men were Eliezer's son Rehabiah, Rehabiah's son Jeshaiiah, Jeshaiiah's son Joram, Joram's son Zicri, and Zicri's son Shelomith.* ²⁶ Shelomith and his relatives were in charge of all the valuable things that had been dedicated *to Yahweh* by King David, by the leaders of the family groups, by the army commanders of 1,000 soldiers and commanders of 100 soldiers, and by other army commanders. ²⁷ Some of the things that those army officers had taken *from Israel's enemies* in battles they dedicated for the repair of the temple of Yahweh. ²⁸ And Shelomith and his relatives were also in charge of everything that had been dedicated *to Yahweh* by the prophet Samuel, by King Saul, and by *David's two army commanders* Ner and Joab.

²⁹ From the descendants of Izhar, Kenaniah and his sons were given work outside *the temple area.* They were officials and judges in *various places* in Israel.

³⁰ From the descendants of Hebron, Hashabiah and his relatives were responsible for the work done for Yahweh and for the king in all the area west of the Jordan *river.* There were 1,700 of them who were able to do their work well. ³¹ It was written in the records of the descendants of Hebron that Jeriah was their leader. When David had been ruling for almost 40 years, they searched in those records, and they found *names of capable men* descended from Hebron who were at Jazer *city* in the Gilead *region.*

³² Jeriah had 2,700 relatives who were able to do

their work well, and who were leaders of their families. King David put them in charge of governing the tribes of Reuben, Gad, and *the eastern* half of the tribe of Manasseh, to be sure that all the people did what God and the king told them to do.

Army commanders

27 This is a list of the Israeli men who served the king in the army. Some were leaders of families, some were commanders of 100 men, some were commanders of 1,000 men, and some were their officers. There were 24,000 men [DOU] in each group. Each group served one month of each year.

² Jashobeam, the son of Zabdiel, was in charge of the group that served during the first month *of each year*. ³ He was a descendant of Perez, and he was the commander of all the army officers during the first month of each year.

⁴ Dodai, from the clan of Ahohi, was the commander of the group that served during the following/second month of each year. Mikloth was his ♦assistant/ chief officer♦.

⁵ Benaiah, the son of Jehoiada the Supreme Priest, was the commander of the group that served during the following/third month. ⁶ He was the one who was a mighty warrior among David's thirty greatest soldiers, and he was their leader. His son Ammizabad was his assistant.

⁷ Asahel, Joab's *younger* brother, was *the commander of the group that served* during the following/ fourth month. Asahel's son Zebadiah became the commander after Asahel *was killed*.

⁸ The commander for the following/fifth month was Shamhuth, a descendant of Izrah.

⁹ The commander for the following/sixth month was Ira the son of Ikkesh from Tekoa *town*.

¹⁰ The commander for the following/seventh month was Helez, a member of the Pelon *clan* from the tribe of Ephraim.

¹¹ The commander for the following/eighth month was Sibbecai, a descendant of Zerah from Hushah *town*.

¹² The commander for the following/ninth month was Abiezer from Anathoth *city* in the tribe of Benjamin.

¹³ The commander for the following/tenth month was Maharai, a descendant of Zerah from Netophath *town*.

¹⁵ The commander for the last month *of each year* was Heldai, a descendant of Othniel from Netophath *town*.

The administrators of the twelve tribes

¹⁶ This is a list of the administrators of the *twelve* tribes [DOU] of Israel:

Eliezer, the son of Zicri, was the administrator of the tribe of Reuben.

Shephatiah, the son of Maacah, was the administrator of the tribe of Simeon.

¹⁷ Hashabiah, the son of Kemuel, was the administrator of the tribe of Levi.

Zadok was the administrator of the tribe of Aaron.

¹⁸ Elihu, David's *older* brother, was the administrator of the tribe of Judah.

Omri, the son of Michael, was the administrator of the tribe of Issachar.

¹⁹ Ishmaiah, the son of Obadiah, was the administrator of the tribe of Zebulun.

Jerimoth, the son of Azriel, was the administrator of the tribe of Naphtali.

²⁰ Hoshea, the son of Azaziah, was the administrator of the tribe of Ephraim.

Joel, the son of Pedaiah, was the administrator of the tribe of the *western* half of the tribe of Manasseh.

²¹ Iddo, the son of Zechariah, was the administrator of the *eastern* half of the tribe of Manasseh, in the Gilead *region*.

Jaasiel, the son of Abner, was the administrator of the tribe of Benjamin.

²² Azarel, the son of Jeroham, was the administrator of the tribe of Dan.

Those were the leaders over the tribes of Israel.

²³ When David *told Joab to count the men of Israel*, he did not *tell him to count* the men who were less than 20 years old, because Yahweh had promised *many years previously* that there would be *as many people* in Israel as there are stars in the sky. ²⁴ Joab *and his helpers* started to count the men of Israel, but they did not finish counting them *because Joab knew that Yahweh was angry about their being counted*. Yahweh punished [MTY] the people of Israel because of this counting, and as a result the total number of Israeli men *able to serve in the army* was not written on the scroll about King David's rule.

The king's other officials

²⁵ Azmaveth, the son of Adiel, was in charge of the king's storehouses.

Jonathan, the son of Uzziah, was in charge of the storehouses in various towns and villages in Israel, and also in charge of the watchtowers.

²⁶ Ezri the son of Kelub was in charge of the workers who farmed the land *that belonged to the king*.

²⁷ Shimei from Ramath *town* was in charge of the king's vineyards.

Zabdi from Shepham *town* was in charge of storing the wine from the *grapes produced in vineyards*.

28 Baal-Hanan from Geder *city* was in charge of storing the olive oil.

29 Shitrai from the Sharon Plain was in charge of the herds of cattle that ◊grazed/ate grass◊ there.

32 David's uncle Jonathan was a wise counselor for him.

Jehiel, the son of Hacmoni, taught the king's sons.

33 Ahithophel was the king's official counselor.

34 Hushai from the Ark people-group was the king's special friend.

Benaiah's son Jehoiada became the king's advisor after Ahithophel died, and later Abiathar became his advisor.

Joab was the chief commander of the army.

David's instructions to Solomon for building the temple

28 David summoned all the leaders of Israel to come to Jerusalem. He summoned the leaders of the tribes, the leaders/commanders of the groups that worked for the king, the commanders of 100 soldiers, the commanders of 1,000 soldiers, those who were in charge of the property and livestock that belonged to the king and his sons, all the palace officials, and his mighty soldiers and bravest warriors.

2 David stood up and said, "My fellow Israelis, listen to me. I wanted [IDM] to build a temple to be a place where we would put the Sacred Chest of Yahweh, where it would stay permanently. And I made plans to build it. 3 But God said to me, 'You are not the one who will *arrange to* build a temple for me [MTY], because you are a warrior and you have killed many people [MTY] *in battles*.'

4 But Yahweh, the God to whom we Israelis belong, had chosen me and my descendants to be the kings of Israel forever. *First* he chose the tribe of Judah, and from the people [MTY] of Judah he chose my family, and from my father's sons he chose me to be the king over all of Israel. 5 Yahweh has given me many sons, but from them he chose my son Solomon to be the next king to rule [MTY] the kingdom of Israel. 6 He said to me, 'Solomon your son is the one who will *arrange to* build my temple and the courtyards around it, because I have chosen him to be *like* my son and I will be *like* [MET] his father. 7 I will enable his kingdom to endure forever if he continues to obey my laws and commands, like you are doing now.'

8 So now, while all you *people of Israel*, all of you who belong to Yahweh, are watching, and while God is listening, I command you *leaders* to carefully obey all the commands of Yahweh our God, in order that you may continue to possess this good land and enable your descendants to inherit it forever.

9 And you, my son Solomon, must know God like I know him, and you must serve him faithfully and because you want to. You must do that because he knows what everyone is thinking and he understands the reasons that people do what they do. If you seek *to know* him, he will heed your prayers. But if you abandon/reject him, he will abandon/reject you forever. 10 Yahweh has chosen you to *arrange to* build a temple for him. So think about *what I have said*, and be strong and do what *he is wanting you to do*."

11 Then David gave to his son Solomon *the scroll on which were written* the plans for the main rooms of the temple, its porch, its storerooms, all the other upper and lower rooms, and the Very Holy Place where God would forgive the sins that people had committed. 12 David wrote for him the plans that God's Spirit had put into his mind for building the courtyards and all the rooms that surrounded the temple, including the room where the money and other valuable things that were dedicated to God would be kept. 13 He gave Solomon instructions for the groups of priests and other descendants of Levi, about all the work that they must do to serve in Yahweh's temple, and about taking care of all the things that would be used in the work at the temple. 14 He wrote down how much gold and how much silver should be used to make all the items in the temple: 15 how much gold for making the gold lampstands and the lamps, how much silver to make the silver lamps and lampstands, 16 how much gold for making the table on which *the priests would put* the sacred bread, how much silver to use to make the other tables, 17 how much pure gold for the meat forks and the bowls and the cups, how much gold for each gold dish, how much silver for each silver dish, 18 and how much pure gold to make the altar for *burning* incense. He also gave to Solomon his plans for making the golden statues of winged creatures that would be above the Sacred Chest of Yahweh, *like* a chariot for him.

19 Then David said, "I have written *all these plans* while Yahweh was directing [MTY] me. He has enabled me to understand all the details of his plan *for the temple that is to be built*."

20 David also said to his son Solomon, "Be strong and courageous, and do this work. Do not be afraid or discouraged, because Yahweh our God will be with/helping you. He will not fail *to help* you or abandon you until you finish all the work of making his temple. 21 The groups of priests and *other* descendants of Levi are ready to begin their work at the temple, and every man who has a special skill will help you in all the

work. And my officials and the other people will obey you, whatever you command them to do.”

Gifts for building the temple

29 Then King David said to all the people who had gathered there, “My son Solomon, the one whom God has chosen *to be the next king*, is young and does not have much experience. This work of *building the temple* is great/important, because this glorious building will not be *to honor* people, but to honor Yahweh our God. ² From all the things that I possess, I have provided *what will be needed to build* the temple of my God—the gold for the things to be made of gold, the silver for the things to be made of silver, bronze for the things to be made of bronze, iron for the things to be made of iron, wood for the things to be made of wood, and large amounts of onyx and turquoise and other valuable stones of various colors, and marble and all kinds of valuable stones. ³ In addition to all these things that I have given for the temple, I am giving treasures of gold and silver, because I very much desire that this holy temple for my God be built. ⁴ I am giving 110 tons of gold from Ophir and 260 tons of refined silver to cover the walls of the buildings, ⁵ for making the other items of gold and silver, and for the other work to be done by the craftsmen. So now, *I ask you*, are there others willing to show *by contributing other gifts for the building of the temple* [EUP] that they have dedicated themselves to Yahweh?”

⁶ Then the leaders of the families/clans, the leaders of the tribes of Israel, the commanders of 1,000 soldiers and the commanders of 100 soldiers, and the officials who supervised the work that the king wanted done, gave gifts *◇willingly/because they wanted to give them◇*. ⁷ For the work at the temple they gave 190 tons and *◇185 pounds/84 kg.◇* of gold, 375 tons of silver, 675 tons of bronze, and 3,750 tons of iron. ⁸ And any people who owned valuable stones gave them to be put in the storeroom of the temple. Jehiel, a descendant of Gershon, was appointed to be in charge of them. ⁹ The people were happy to see that their leaders wanted to give those things, because *they knew that* their leaders were happy and enthusiastic to give those things to Yahweh. And King David also was very happy.

David's prayer

¹⁰ Then, while all the people there were listening, David prayed, saying,
 “We praise you, Yahweh,
 the God whom our ancestor Jacob worshiped.
 We will praise you forever!
¹¹ You alone are great and powerful;
 only you are truly glorious and majestic and wonderful.

And that is true because everything in heaven and on the earth is yours.

You are the king of all the people in this world;
 you are the ruler of everything.

¹² Because you are very powerful [DOU],
 you are able to cause anyone to be great and strong.

¹³ So now, our God, we thank you,
 and we praise you [MTY] for being very great.

¹⁴ But my people and I are not really able to give anything to you,

because everything *that we have* comes from you,
 and what we have given to you are only the things that we have received from you [MTY].

¹⁵ *In this land* we are like [MET] foreigners and strangers, like our ancestors were.

Our time here on this earth is like [SIM] a shadow *that disappears quickly*;

we know that there is nothing that can enable us to *escape dying*.

¹⁶ Yahweh our God, we have gathered all these things to use in building your [MTY] temple,

but all of it really belongs to you, and you have given it to us [MTY].

¹⁷ My God, I know that you test us people,

and you are pleased if you find out that we do what is right.

All these things I have given to you because I wanted to.

And now I have seen that your people have also joyfully and generously given things to you.

¹⁸ Yahweh, the God whom our ancestors Abraham, Isaac, and Jacob worshiped,

I desire/hope that your people will continue to desire *to do things like this* forever,

and that they will always be loyal to you.

¹⁹ And now, please enable my son Solomon to faithfully and sincerely [DOU] obey your commands and laws and decrees [DOU]

and to do everything that is needed to build this beautiful building

for which I have provided *all these things*.”

²⁰ Then David said to all the people who were gathered there, “Praise Yahweh our God!” So they all praised Yahweh the God whom their ancestors *◇also worshiped/belonged to◇*. They prostrated themselves on the ground in front of Yahweh and in front of the king.

Solomon was crowned to become the king

²¹ The next day the people offered sacrifices to Yahweh. They presented many animals to be completely burned *on the altar*: 1,000 bulls, 1,000 rams, 1,000 male sheep, plus offerings of wine, and many other sacrifices on behalf of all *the people of Israel*. ²² On that day the people were joyful and ate and drank while Yahweh was watching.

Then for the second time they declared that Solomon was now the king. While Yahweh was watching, they anointed him *with olive oil* to be the king, and they anointed Zadok to be the Supreme Priest. ²³ So Solomon sat on the throne *because Yahweh wanted him to be the king to succeed his father David. During the following years* Solomon prospered, and all the Israeli people obeyed him. ²⁴ King David's other sons and all the officers and mighty warriors accepted Solomon as their king, and they solemnly promised to obey him.

²⁵ Yahweh caused Solomon to be highly respected by all the Israeli people, and they honored him very much. No king of Israel was honored as much as Solomon was.

The death of David

²⁶ Jesse's son David was the king who ruled all of Israel. ²⁷ He ruled for 40 years: Seven years in Hebron city and 33 years in Jerusalem. ²⁸ He became an old man who was very rich and greatly honored by all the people. Then he died, and his son Solomon became the king *of Israel*.

²⁹ A record of all the things that King David did while he ruled, from the beginning to the end, was put on scrolls written by the prophets Samuel, Nathan, and Gad. ³⁰ They told about his powerful rule [HEN], and all the things that happened to him and to the people of Israel and in the nearby kingdoms *while he was ruling Israel*.

2 CHRONICLES

Solomon prayed for wisdom

1 David's son *King* Solomon was able to gain complete control over his kingdom, because Yahweh his God helped him and enabled him to become very powerful.

²⁻⁵ When David *was king*, he had arranged for a new Sacred Tent to be made in Jerusalem. Then David *and the Israeli leaders* had brought God's Sacred Chest from Kiriath-jearim *city* to the new Sacred Tent in Jerusalem that he had prepared for it. But *when Solomon became the king*, the first Sacred Tent was still at Gibeon *city*. That was the tent that Moses, the man who served God *well*, had *arranged* to be made in the desert. And the bronze altar that Bezalel, the son of Uri and grandson of Hur, had made was also still in Gibeon, in front of the first Sacred Tent.

One day Solomon summoned the army commanders of 1,000 soldiers and the commanders of 100 soldiers and the judges and all the other leaders in Israel. He told them to go with him to Gibeon. So they all went to a hill in Gibeon *where the Sacred Tent was*, and Solomon and all the others with him worshiped Yahweh there. ⁶ Then Solomon went up to the bronze altar in front of the Sacred Tent, and he offered 1,000 animals to be *killed and completely burned on the altar*.

⁷ That night God appeared to Solomon *in a dream* and said to him, "Request whatever you want me to give to you."

⁸ Solomon replied, "You were very kind to David my father, and now you have appointed me to be the king to succeed him. ⁹ So Yahweh my God, you have caused me to become the king to rule people who are as many as the particles of dirt on the earth. So do what you promised my father David. ¹⁰ Please enable me to be wise and to know *what I should do*, in order that I may rule these people *well*, because there is no one who can rule all this great nation of yours *without your help*."

¹¹ God replied, "*I am pleased with what you desire*; you have not requested a huge amount of money or to be honored or that your enemies be killed. And you have not requested that you live for a long time. Instead, you have requested that *I enable* you to be wise and to know *what you should do* in order that you may govern *well* my people whom I have appointed you to rule. ¹² Therefore I will enable you to be wise

and to know *what you should do to rule my people well*. But I will also enable you to have a huge amount of money and to be honored, more than anyone who was previously a king ever was honored, more than anyone who later becomes king will be honored."

¹³ Then Solomon *and the people who were with him* all left from being in front of the Sacred Tent *on the hill in Gibeon*, and they returned to Jerusalem. From there he ruled the Israeli people.

Solomon's wealth

¹⁴ Solomon acquired 1,400 chariots and 12,000 men who rode *on horses*. He put some of the chariots and horses in Jerusalem, and put some of them in various other cities. ¹⁵ During the years that Solomon was king, silver and gold were as common in Jerusalem as stones, and *lumber from cedar trees* were as plentiful as *lumber from ordinary sycamore trees* in the foothills. ¹⁶ Solomon's horses were imported/brought from Egypt and from the *Kue region in Turkey*. ¹⁷ In Egypt his men paid 15 pounds of silver for each chariot and 3-3/4 pounds of silver for each horse. They also exported/sold many of them to the kings of the Heth and Aram people-groups.

Preparations for building the temple

2 Solomon ordered that a temple should be built where Yahweh would be worshiped and also that a palace should be built for himself. ² He selected 70,000 men to carry the building supplies and 80,000 men to cut stones from *quarries/walls of rock* in the hills. He also chose 3,600 men to supervise them.

³ Solomon sent this message to King Hiram of Tyre *city*:

Many years ago when my father David was building his palace, you sent to him cedar logs. Will you send me cedar logs, too?

⁴ We are about to build a temple where we will worship Yahweh our God. We want to dedicate it to be a place where we will burn fragrant incense to *honor* him, and a place to put loaves of sacred bread, and for making sacrifices every morning and every evening and every Sabbath day, and to celebrate on the day of every new moon and at other special religious festivals to *honor* Yahweh our God. We want to do those things forever, like Yahweh has commanded. ⁵ *We want* this temple to be a great temple, because our God is greater than all other

gods. ⁶ But no one can really build a temple that would be big enough for God *to live in*, because even the highest heavens are not big enough for him. And I am worthy only to build a place where we can burn sacrifices to him.

⁷ Therefore, please send me a man who knows well how to make things from gold and silver and bronze and iron, and to make things from purple and red and blue cloth. He should also know well how to engrave designs. I want him to work in Jerusalem and in other places in Judah with my skilled craftsmen, the ones whom my father David appointed.

⁸ I know that your workers are skilled in cutting timber, so also please send me cedar logs, pine logs, and juniper logs from the Lebanon mountains. My workers will work with your workers. ⁹ In that way, those workers will provide me with plenty of lumber. *We will need plenty*, because I want the temple that we will build to be large and beautiful.

¹⁰ I will pay your workers, the men who cut the logs, 100,000 bushels of ground wheat, 100,000 bushels of barley, 110,000 gallons of wine, and 110,000 gallons of olive oil.

¹¹ When Hiram *received that message*, he replied by sending this message to Solomon:

"Because Yahweh loves his people, he has appointed you to be their king."

¹² *And Hiram added:*

Praise Yahweh, the God to whom the Israeli people belong, the one who created the sky and the earth! He has given King David a wise son, one who is very smart/intelligent and who has good skill and understanding. He wants to build a temple for Yahweh and a palace for himself.

¹³ I will be sending to you Hiram-Abi, a man who is very skilled. ¹⁴ His mother was from the tribe of Dan, and his father was from *here in Tyre*. He is very able to make things from gold and silver and bronze and iron and stone and wood, but he also makes nice things from purple and blue and red cloth, and he does all kinds of engraving. He can make things using any design/pattern that you give to him. He will work with your craftsmen, and the craftsmen who did work for your father, King David.

¹⁵ Now please send us the wheat and barley and olive oil and wine that you promised to send to us.

¹⁶ When you do that, my workers will cut from trees in the Lebanon mountains all the logs that you need *and bring them down to the sea*. Then we will *tie the logs together to form rafts* with them, and float them in the sea to Joppa *city*. From there, you can *arrange* for them to be taken up to Jerusalem.

¹⁷ Solomon told his workers to count all the people from other countries who were living in Israel, similar to what his father David had done. There were 153,600 of them. ¹⁸ Solomon assigned 70,000 of them to carry materials, and 80,000 to cut stone *from quarries in the*

hills, and 3,600 of them to supervise the others and be sure that they worked steadily.

Solomon's workers built the temple

³ Then Solomon's workers started to build the temple for Yahweh in Jerusalem. They built it on Moriah Hill, where *an angel from Yahweh* had appeared to his father David. They built it on the ground that Araunah, a descendant of the Jebus people-group, had sold to David and where David said that it should be built. ² They began the work in April, when Solomon had been ruling almost four years.

³ The foundation of the temple was about 90 feet long and 30 feet wide. ⁴ The entrance room across the front of the temple was 30 feet wide and 30 feet high.

⁵ Solomon's workers used *panels/boards of pine wood* to line the main hall of the temple. Then they covered those panels with *very thin sheets of pure gold*. Then they decorated the walls with *carved images of palm trees and designs that resembled chains*.

⁶ They decorated the temple with very valuable stones. The gold that they used was from *the land of Parvaim*.

⁷ They covered the ceiling beams, the door frames, the walls and the doors of the temple with *very thin sheets of gold*. They also carved *statues of winged creatures on the walls*. ⁸ They also built the Very Holy Place *inside the temple*. It was 30 feet wide and 30 feet long. They covered its walls with sheets of pure gold that altogether weighed 23 tons. ⁹ They used 1-1/4 pounds of gold to *cover the heads of the nails*. They also covered the walls of the upper rooms with sheets of gold.

¹⁰ Solomon's workers made two statues of creatures with wings to put inside the Very Holy Place. They covered those statues with *very thin sheets of gold*.

¹¹⁻¹² Each statue *had two long wings*. One wing of each statue touched one of the walls of the Temple. The other wing of each statue touched a wing of the other statue. It was 7-1/2 feet from the outer tip of one wing to the outer tip of the other wing. The inner wings of the two statues touched each other.

¹³ It was 30 feet from the outer wing of the one statue to the outer wing of the other statue. The statues faced the doorway to the main room.

¹⁴ Solomon's workers made a curtain *to separate the main room from the Very Holy Place*. It was made of blue, purple, and red thread and fine linen. There were figures of winged creatures that were embroidered on the curtain. ¹⁵ They made two *bronze pillars* and put them at the entrance of the temple. They were each 27 feet high. Each had a top over it that was 7-1/2 feet high. ¹⁶ The workers made *carvings that resembled chains* and put them on top of the pillars. They made *carvings that resembled pomegranates* and attached them to the chains. ¹⁷ They set up the pillars in front of the temple, one on the south side *of the entrance* and the other on the north side. The one on the south

side was named Jakin and the one on the north side was named Boaz.

The furnishings for the temple

4 Solomon's workers made a square bronze altar that was 10 yards wide on each side, and it was 5 yards high. **2** They also made a very large round tank that was made of metal and cast *in a clay mold*. It was 10 yards wide/across, and 5 yards high. It was 15 yards around it. **3** Below the outer rim there were two rows of *small figures of bulls* that were part of the metal of the basin. Each row had 300 figures of bulls.

4 The basin was set on twelve *statues of bulls*. There were three statues that faced north, three that faced west, three that faced south, and three that faced east. **5** The sides of the tank were 3 inches thick, and its rim was shaped like a cup that curved outward like the petals of flowers. The basin held about 16,500 gallons of water.

6 They also made ten basins for washing *the animals* that were to be sacrificed. The priests used the very large tank for washing themselves.

7 They also made ten gold lampstands according to what Solomon had instructed them. They put them in the temple, five on the south side and five on the north side.

8 They made ten tables and put them in the temple, five on the south side and five on the north side. They also made 100 gold bowls.

9 They also constructed one courtyard for the priests, and a larger courtyard *for the other people*. They made doors for the courtyards and covered them with *thin sheets of bronze*. **10** They placed the very large tank *on the south side of the temple*, at the southeast corner.

11 They also made pots and shovels *for the ashes of the altar*, and other small bowls.

So Hiram *and his workers* finished the work that King Solomon had given him to do at the temple of God. **12** *These were the things that they made:*

the two large pillars,
the two bowl-shaped top parts on top of the pillars,
the two sets of carvings that resembled chains to decorate the tops of the two pillars,

13 the 400 carvings that resembled pomegranates that were placed in two rows, that decorated the bowl-shaped tops of the two pillars,

14 the stands, and the basins that were placed on them,

15 the very large tank, and the *statues of twelve bulls* underneath it,

16 the pots, shovels, meat forks, and all the other things *needed for the work at the altar*.

All those things that Hiram *and his workers* made for King Solomon were made of polished bronze.

17 They made them by pouring melted bronze into the clay molds that Hiram had set up near the Jordan riv-

er between Succoth and Zarethan *cities*. **18** All of those things that Solomon *told them to make* used a very large amount of bronze; no one tried to weigh it all.

19 Solomon's workers also made all these things that were put at the temple:

the golden altar,
the tables on which the priests put the sacred bread,
20 the pure gold lampstands and the pure gold lamps, *in which the priests put oil* to burn in front of the Most Holy Place as God had told *Moses that the priests should do*,

21 the pure gold decorations that resembled flowers, and the lamps and tongs,

22 the pure gold wick trimmers and bowls for sprinkling, and dishes and lamp snuffers,
the gold doors of the temple,
and the doors to the main hall.

5 After Solomon's workers had finished building the temple, Solomon put in the temple storage rooms everything that his father David had dedicated to Yahweh—all the silver and gold and all the other things that were used at the temple.

The Sacred Chest was brought to the temple

2 Then King Solomon summoned to Jerusalem all the elders of Israel, all the leaders of the tribes and of the families/clans. He wanted them to help to bring to the temple Yahweh's Sacred Chest from Zion *Hill*, where it was in *the part of the city called 'The City of David'*.

3 So all the leaders of Israel gathered together along with the king, during the Festival of *Living in Temporary Shelters*, in October.

4 When they had all arrived, the descendants of Levi lifted up the Sacred Chest, **5** and they carried it and the Sacred Tent and the sacred things that were inside it. The priests, who were also descended from Levi, carried them. **6** King Solomon and many of the other people of Israel who had gathered there walked in front of the Sacred Chest. And they sacrificed a huge amount of sheep and cattle. No one was able to count them *because there were very many*.

7 The priests then brought the Sacred Chest into the Most Holy Place, the inner room of the temple, and they placed it under the wings of the statues of winged creatures. **8** The wings of those statues spread out over the Sacred Chest and over the poles by which it was carried. **9** The poles were very long, with the result that they could be seen by *those who were standing* at the entrance to the Most Holy Place, but they could not be seen by anyone standing outside the temple. Those poles are still there. **10** The only things that were inside the Sacred Chest were the two stone tablets that Moses had put there at Sinai Mountain, where Yahweh made an agreement with the Israeli people after they came out of Egypt.

11 Then the priests left the Holy Place. All the priests who were there, from every group, had performed the rituals to cause them to be acceptable to God. **12** All

the descendants of Levi who were musicians—Asaph, Heman, Jeduthun, their sons and their other relatives—stood on the east side of the altar. They were wearing linen clothes, and they were playing cymbals, harps, and lyres. There were 120 other priests who were blowing trumpets. ¹³ The men blowing trumpets, those playing the cymbals and other musical instruments, and the singers, made music together, praising Yahweh and singing this song:

Yahweh is good *to us*;

he faithfully loves us forever.

Then *suddenly* the temple was filled with a cloud.

¹⁴ The glorious radiance of Yahweh filled the temple, with the result that the priests were not able to continue doing their work.

⁶ Then Solomon said, “Yahweh, you said that you would live in a dark cloud. ² But now I have built a glorious temple for you to live in forever!”

³ Then while all the people stood there, Solomon turned toward the people and he *asked God to bless* them. ⁴ He said to them,

“Praise Yahweh, the God to whom we Israelis belong, who has caused to happen what he promised to my father David. What he said to David was this:

⁵ ‘From the time that I brought my people out of Egypt, I have never chosen a city in Israel in which a temple should be built for people to *worship* me there. Nor did I choose anyone to be the leader of my Israeli people. ⁶ But now I have chosen Jerusalem to be the place for people to worship me, and I have chosen you to rule my Israeli people.’”

⁷ Then Solomon said, “My father David wanted to build a temple for Yahweh, the God to whom we Israelis belong. ⁸ But Yahweh said to him, ‘You have wanted to build a temple for me, and what you wanted to do was good. ⁹ However, you are not the one who I want to build the temple; it is one of your own sons who *I want* to build a temple for me.’”

¹⁰ And Yahweh has done what he promised to do. I have become the king of Israel to succeed my father, and I am ruling the people, like Yahweh promised, and I have arranged for this temple to be built for us to worship Yahweh, the God to whom we Israelis belong. ¹¹ I have put the Sacred Chest in the temple, in which are the stone tablets *on which are engraved the Ten Commandments* of the agreement that Yahweh made with us Israeli people.”

Solomon's prayer to dedicate the temple

¹² Then Solomon stood in front of the altar which was in front of the people of Israel who had gathered there. ¹³ His workers had built a bronze platform there *for him to stand on*, which was 7-1/2 feet long and 7-1/2 feet wide and 4-1/2 feet high. They put it in the outer courtyard. Solomon stood on that platform and then knelt down in front of all the people of Israel who had gathered there, and he spread out his arms toward heaven, ¹⁴ and he prayed,

“Yahweh, the God to whom we Israeli people belong, there is no God like you in heaven or on the earth. You solemnly promised that you would faithfully love us, and that is what you have done for us who earnestly do what you want us to do.

¹⁵ You have done the things that you promised my father David, who served you *very well*, that you would do. Truly, you promised to do those things for him, and today we see that by your power you have caused it all to happen.

¹⁶ So now, Yahweh, the God we Israelis belong to, please do the things that you promised to my father David that you would do. You said that there would always be some of his descendants to rule Israel, if they faithfully conduct their lives as he did. ¹⁷ So now, God of us Israeli people, cause what you promised David, who served you *well*, to happen.

¹⁸ But, my God, will you really live on earth among people? There is surely not enough space for you in the sky, or even in the heaven! So there is surely not enough space for you to live in this temple that my workers have built. ¹⁹ But Yahweh, my God, please listen to my prayer, while I am pleading with you this day and do what I am requesting. ²⁰ Please protect this temple day and night. This is the place about which you have said, ‘I will always be there.’ Please listen to my prayer about this place. ²¹ Listen to me when I pray, and listen to your Israeli people when they pray. Listen from heaven, where you live; and when you hear us pray, forgive us.

²² If someone is accused of doing something wrong to another person, and they bring him to testify in front of your altar outside this holy temple, and if he says, ‘I did not do that; may God punish me if I am not telling the truth,’ ²³ then you listen from heaven, and you decide who is telling the truth. Then punish the person who is guilty as he deserves to be punished, and declare that the other person is innocent.

²⁴ And when your Israeli people are defeated by their enemies because they sinned against you, *and forced to go to some distant country*, if they turn away from their sinful behavior and turn toward this temple and admit that you *have justly punished them*, and plead *that you will forgive them*, ²⁵ listen to them from heaven and forgive your Israeli people for the sins that they *have committed*, and bring them back to this land that you gave to our ancestors.

²⁶ When you do not allow any rain to fall because your people have sinned against you, if they turn toward this temple and admit that you *have justly punished them*, and turn away from their sinful behavior and humbly pray to you, ²⁷ hear from heaven and forgive the sins of your Israeli people. Teach them the right way to conduct their lives. Then cause it to rain here on the land that you gave to your people to belong to them *permanently*.

²⁸ And when the people of this land experience famines or if there is a plague, or when their crops are destroyed by very hot winds or by mildew or by locusts or grasshoppers, or when their enemies surround any of their cities *in order to attack them*, if any of those bad things happen to them, ²⁹ when your Israeli people earnestly plead with you, knowing in their inner beings that they are suffering *because they have sinned*, if they stretch out their hands toward this temple and pray, ³⁰ hear from your home in heaven, and forgive them. You alone know what each person is thinking, so reward each person according to everything that he does, ³¹ in order that they will revere you and conduct their lives as you want them to, all the time that they live in this land that you gave to our ancestors.

³² There will be some foreigners who do not belong to your Israeli people who have come here from countries far away because they have heard that you are very great and that you perform great miracles. If they turn toward this temple and pray, ³³ from your home in heaven listen to their prayer, and do for them what they request you to do. Do that in order that all the people-groups in the world will know about you and revere you, like we, your own Israeli people do. And then they will know that this is the temple that I have caused to be built for you.

³⁴ When you send your people to go to places to attack their enemies, if they pray to you, wherever they are, if they turn toward this city that you have chosen and toward this temple that I have caused to be built to honor you, ³⁵ listen in heaven to their prayers; listen to what they plead for you *to do*, and assist them.

³⁶ *It is true that everyone sins.* So, when your people sin against you, and you become angry with them, you may allow their enemies to capture them and take them to their countries, even to countries that are far away. ³⁷ When that happens, while they are in the countries to which they were forced to go, if they are sorry for having sinned, if they say, 'We have sinned; we have done things that are wrong and have done things that are very wicked,' ³⁸ if they repent very sincerely, and if they turn toward this land that you gave to our ancestors, and toward this city that you have chosen *to be the place where we should worship you*, and toward this temple that I have caused to be built for you and pray, ³⁹ then from your home in heaven hear their prayer, and listen to them while they plead *for your help*, and do what they ask you to do, and forgive your people who have sinned against you.

⁴⁰ Now, my God, look at us and listen to us as we pray to you in this place.

⁴¹ Yahweh our God, come and stay in this place with the Sacred Chest, the chest that shows that you are powerful.

Yahweh God, cause your priests to *know clearly that* you have blessed them.

Cause us your people to rejoice because of all the good things that you *do for us*.

⁴² Yahweh God, do not reject me the *king* whom you have appointed *to be the king of Israel*; do not forget that you greatly loved David, who served you *very well*."

Solomon dedicated the temple

⁷ When Solomon finished praying, fire came down from the sky and burned all the offerings and sacrifices *that were on the altar*, and the glorious radiance of Yahweh filled the temple. ² The radiance *was extremely bright*, with the result that the priests could not enter the temple of Yahweh. ³ When all the Israeli people *who were there* saw the fire coming down and the glory of Yahweh above the temple, they prostrated themselves with their faces touching the ground. They worshiped and thanked Yahweh, singing,

"Yahweh is always good to us; he faithfully loves us forever."

⁴⁻⁵ Then the king and all the people who were there dedicated the temple to Yahweh by offering more sacrifices to him. King Solomon gave 22,000 cattle and 120,000 sheep and goats to be sacrificed. ⁶ The priests stood in their positions, and the other descendants of Levi stood in their positions holding the musical instruments *to praise* Yahweh, instruments that King David had caused to be made for praising Yahweh and thanking him. *They sang*, "He faithfully loves us forever." Facing the other descendants of Levi the priests stood, blowing their trumpets, while all the Israeli people were standing *and listening*.

⁷ Solomon dedicated the middle part of the courtyard in front of the temple. Then he gave offerings to be completely burned there along with the fat of the animals to be sacrificed to maintain fellowship with Yahweh. The priests burned them there in the courtyard because in addition to those things there were offerings of grain, with the result that there was not enough space on the bronze altar to burn all those sacrifices.

⁸ Solomon *and the other people* celebrated the Festival of Living in Temporary Shelters for seven days. There was a huge group of people who celebrated with him. Some of them came from *as far away as* Lebo-Hamath *in the far north* and the border of Egypt *in the far south*. ⁹ On the eighth/next day they gathered again *to worship Yahweh*. They had celebrated the dedication of the altar for seven days and the Festival of Living in Temporary Shelters for seven days. ¹⁰ Then on the next day Solomon sent them to their homes. They were very joyful because of all the good things that Yahweh had done for David and Solomon and for all his Israeli people.

Yahweh appeared to Solomon again

¹¹ Solomon's *workers* finished building the temple and Solomon's palace. And Solomon finished doing everything else that he had planned to do. ¹² Then Yahweh appeared to him one night *in a dream* and said to him,

"I have heard your prayer, and I have chosen this temple to be the place where my people will offer sacrifices to me.

¹³ When I prevent any rain from falling, or when I command locusts to eat all the crops, or when I send a plague among my people, ¹⁴ if the people who belong to me humble themselves and pray, and request me to help them, and if they turn away from their sinful behavior, then I will hear from heaven. I will forgive them for having sinned and I will cause them to prosper again. ¹⁵ I [SYN] will see them and I [SYN] will hear them when they pray to me in this place. ¹⁶ I have chosen and have \diamond set apart/dedicated \diamond this temple in order that people may worship [MTY] me there forever. I will always watch over [MTY] it and protect [IDM] it.

¹⁷ And as for you, if you obey me as David your father did, and if you do all that I command you to do, and obey all my laws and decrees, ¹⁸ I will make sure that your descendants will always be kings, which is what I promised to David your father, saying, 'Some of your descendants will always be the kings of Israel.'

¹⁹ But if you Israelis turn away from me and disobey the decrees and commands that I have given to you, and you start to worship other gods, ²⁰ I will cause you to be expelled from this land that I have given to you, and I will abandon this temple that I have set apart to be the place where people should worship me. I will cause it to be despised and ridiculed by people of all nations. ²¹ Although this temple is now greatly respected, when that happens, all the people who pass by will be appalled, and they will say, 'Why has Yahweh done terrible things like this to this country and to this temple?' ²² And others will reply, 'It happened because they rejected Yahweh, the God to whom their ancestors belonged, the one who brought their ancestors out of Egypt, and they have been worshipping other gods and trying to please them. And that is why Yahweh has caused them to experience all these disasters.'"

Other things that Solomon did

⁸ Solomon's *workers* worked for 20 years to build the temple and the king's palace. ² Then his *workers* rebuilt the cities that *King Hiram* had given back to Solomon, and Solomon sent Israelis to live in those cities. ³ Solomon's *army* then went to Hamath-Zobah *town* and captured it. ⁴ His workers also rebuilt

walls around *Tadmor town* in the desert, and in the *Hamath region* in all the towns where they kept supplies. ⁵ They rebuilt Upper Beth-Horon *town* and Lower Beth-Horon *city*, and built walls around them with gates *in the walls* and bars *to fasten the gates*. ⁶ They also rebuilt *Baalath town* and all the cities where supplies were kept and the cities where Solomon's chariots and horses were kept. Solomon's *workers* built whatever he wanted them to build, in Jerusalem and in Lebanon, and in other places in the area that he ruled.

⁷ Solomon forced people from many other groups who were not Israelis to work for him like slaves. They were people from the Heth, Amor, Periz, Hiv, and Jebus people-groups. ⁸ They were descendants of groups whom the Israelis had not completely destroyed. Solomon forced them to become his slaves, and they are still slaves. ⁹ But Solomon did not force Israelis to work for him. Israelis became his soldiers and commanders of his chariots and his chariot-drivers. ¹⁰ They were also King Solomon's chief officials. There were 250 of them, and they supervised the workers.

¹¹ Solomon moved his wife, who was the daughter of the king of Egypt, from *the place outside Jerusalem called 'The City of David'* to the place that his workers had built for her. He said, "I do not want my wife to live in the palace that *my father King David's workers* built, because the Sacred Chest *was in that palace for a while*, and any place where the Sacred Chest has been is holy."

¹² On the altar that Solomon's *workers* had built in front of the entrance *to the temple*, Solomon sacrificed many offerings that were to be completely burned. ¹³ He did that to obey the rules about what sacrifices Moses had declared should be made. These included sacrifices for every day and for the Sabbath days and to celebrate each day on which there was a new moon and for the three other festivals that were celebrated each year. Those festivals were the Festival of Eating Unleavened Bread, the Harvest Festival, and the Festival of Living in Temporary Shelters. ¹⁴ Obeying what his father David had commanded, he appointed the groups of priests for their work, and he appointed the descendants of Levi to lead the people while they sang to praise Yahweh and while they assisted the priests in their daily work. He also appointed groups of them to guard all the gates, because that was also what David, the man who pleased God *very well*, had commanded. ¹⁵ The priests and other descendants of Levi obeyed completely everything that the king commanded, including *taking care of* the storerooms.

¹⁶ They did all the work *of building the temple* that Solomon told them to do, until it was all completed. So they finishing building the temple.

¹⁷ Then some of Solomon's men went to Ezion-Geber and Elath *cities* on the coast of the Red Sea, an area that belonged to the Edom people-group. ¹⁸ King

Hiram sent to Solomon from *Tyre city* some ships that were commanded by his officers. They were men who were experienced sailors. These men went in the ships with Solomon's men to the *Ophir region* and brought back about 17 tons of gold, which they delivered to King Solomon.

The queen of Sheba visited Solomon

9 The queen *who ruled the Sheba area in Arabia* heard that Solomon had become famous, so she traveled to Jerusalem to ask him questions that were difficult *to answer*. She came with a large group of servants, and she brought camels that were loaded with spices, and valuable gems, and a lot of gold. When she met Solomon, she asked him questions about all the things/topics in which she was interested. **2** Solomon answered all her questions. He explained everything that she asked about, even things that were very difficult.

3 The queen realized that Solomon was very wise. She saw his palace, **4** she saw the food that was served on his table *every day*, she saw how his officials were seated at the table, their uniforms, the servants who served the food and wine, and the sacrifices that he took to the temple to be completely burned on the altar. She was extremely amazed.

5 She said to the king, "Everything that I heard in my own country about you and about how wise you are is true! **6** But I did not believe it was true until I came here and saw it myself. You are *extremely wise and rich*, more than what people told me. **7** The men who work for you are very fortunate! Your officials who are constantly standing in front of you and listening to the wise things that you say are also fortunate! **8** Praise Yahweh your God, who has shown that he is pleased with you by appointing you to be the king of Israel for him. God has always loved the Israeli people, and desires to assist them forever, and therefore he has appointed you to be their king, in order that you will rule them fairly and righteously."

9 Then the queen gave to Solomon about 4-1/2 tons of gold and a large amount of spices and gems. Never had King Solomon received more spices than the queen gave him at that time.

10-12 King Solomon gave to the queen of Sheba everything that she wanted. He gave her more than she had given to him. Then she and those who came with her returned to her own land.

In the ships that belonged to King Hiram, Hiram's workers and Solomon's workers brought gold from Ophir. They also brought a large amount of juniper wood and gems. King Solomon told his workers to use that wood to make railings in the temple and in his palace and also to make harps and lyres for the musicians. That wood was the finest wood that had ever been seen in Israel.

Solomon's wealth

13 Each year there was brought to Solomon a total of 25 tons of gold. That was in addition to *the taxes* paid to him by the merchants and traders. **14** Also, the kings of Arabia and the governors of *the districts in Israel* brought gold and silver to Solomon.

15 King Solomon's *workers took this* gold and hammered it into thin sheets and covered 200 large shields with those thin sheets of gold; they put almost 7-1/2 pounds of gold on each shield. **16** His *workers* made 300 *smaller* shields. They covered each of them with almost 4 pounds of gold. Then the king put those shields in the Hall of the Forest of Lebanon.

17 His *workers* also made for him a large throne. *Part of it* was covered with *decorations made from ivory* and *part of it was covered* with very fine gold. **18** There were six steps in front of the throne. There was a gold footstool that was attached to the throne. At each side of the throne there was an armrest, and alongside each armrest there was a *small statue of a lion*. **19** On the six steps there were twelve statues of lions, one on each side. No throne like that had ever existed in any other kingdom. **20** All of Solomon's cups were made of gold, and all the various dishes in the Hall of the Forest of Lebanon were made of gold. *They did not make things from silver*, because during the years that Solomon *ruled*, silver was not considered to be valuable. **21** The king had a fleet of ships that sailed with the ships that King Hiram owned. Every three years the ships returned *from the places to which they had sailed*, bringing gold, silver, ivory, monkeys, and baboons (OR, peacocks).

22 King Solomon became richer and wiser than any other king on the earth. **23** Kings from all over the world wanted to come and listen to the wise things that Solomon said, things that God had enabled him to know. **24** All the people who came to him brought presents: They brought things made from silver or gold, or robes, or weapons, or spices, or horses, or mules. The people continued to do this every year.

25 Solomon had 4,000 stalls for his horses and chariots, and 12,000 horses. Solomon put some of them in Jerusalem and some of them in other cities where he kept his chariots. **26** Solomon ruled over all the kings in the area from the *Euphrates River in the northeast* to the *Philistia area in the west* to the border of Egypt *in the south*. **27** *During the years that Solomon was king*, he caused silver to become as common in Jerusalem as stones; and he caused cedar trees in the foothills of Judah to become as plentiful as fig trees. **28** Solomon's agents brought horses from the *Musri area* and other places.

Solomon's death

29 Lists of all the other things that Solomon did are recorded in the scrolls written by the prophet Nathan

and by the prophet Ahijah from Shiloh *city*, and in the scroll *in which were written* the visions that the prophet Iddo saw concerning *King Jeroboam*.

³⁰ Solomon ruled from Jerusalem all of Israel for 40 years. ³¹ Then Solomon died and was buried in the *part of Jerusalem called 'The City of David'*. And his son Rehoboam became the king.

The people of Israel rebelled against Rehoboam

10 All the people of Israel went to Shechem *city* in order to appoint Rehoboam to be their king. So Rehoboam also went there. ² Jeroboam, the son of Nebat, had fled to Egypt *to escape* from King Solomon. But when he heard about *the people wanting to appoint Rehoboam to be their king*, he returned *to Israel* from Egypt. ³ So the *leaders of the northern tribes* summoned him, and he went with them *to talk* to Rehoboam. They said to Rehoboam, ⁴ "Your father *Solomon* forced us to work very hard for him. If you do not force us to work that hard, and if you charge us less taxes than we were paying to him, we will serve you *faithfully*."

⁵ He replied, "Come back three days from now *and I will give you my answer*." So those leaders *and Jeroboam* left.

⁶ Then King Rehoboam consulted his older men who had advised his father Solomon while he was still alive. He asked them, "What shall I say to answer these men?"

⁷ They replied, "If you will be kind to these people and do things that will please them, and if you say kind things to them when you answer them, they will always serve you."

⁸ But he ignored what the older men advised him to do. Instead, he consulted the younger men who had grown up with him, who were now his advisors. ⁹ He said to them, "How should I answer the men who are asking me to reduce the *work and taxes* that my father required from them?"

¹⁰ The young men who had grown up with him replied, "*Those men* have said that your father forced them to work very hard for him, so they want you to reduce the *work and taxes* that your father required from them. But this is what you should tell them: 'My little finger is thicker than my father's waist. ¹¹ What I mean is that my father required you to *work hard and pay high taxes*. But I will make those loads heavier. *It was as though* my father whipped you, but I will whip you with whips that have pieces of metal in them.'"

¹² Three days later, Jeroboam and all the leaders came to King Rehoboam again, which is what he had told them to do. ¹³ The king ignored the advice of the older men and spoke harshly to the Israeli leaders.

¹⁴ *He told them what the younger men had advised*. He said, "My father put heavy burdens *of work and taxes* on you, but I will put heavier burdens on you. *It was as though* he beat you with whips, but I will beat you with whips that have pieces of metal in them!"

¹⁵ So the king did not pay any attention to the Israeli leaders. But this happened in order that what Yahweh had told the prophet Ahijah about Jeroboam would happen.

¹⁶ When the Israeli leaders realized that the king did not pay any attention to what they said, they shouted, "We do not want anything to do with this descendant of King David!

We will not pay attention to what this grandson of Jesse says!

You people of Israel, let's go home!

As for this descendant of David, he can rule his own kingdom!"

So the Israeli leaders returned to their homes.

¹⁷ And *after that, the only Israeli* people whom Rehoboam ruled over were those who lived in the territory of *the tribes of Judah and Benjamin*.

¹⁸ Then King Rehoboam went with Adoniram *to talk to the Israeli people*. Adoniram was the man who supervised *all the men who were forced to work for Rehoboam*. But the Israeli people killed him by throwing stones at him. When that happened, King Rehoboam quickly got in his chariot and escaped to Jerusalem.

¹⁹ Ever since that time, *the people of the northern tribes of Israel* have been rebelling against the descendants of *King David*.

11 When Rehoboam arrived in Jerusalem, he gathered 180,000 of the best soldiers from the tribes of Judah and Benjamin. He wanted them to fight against *the northern tribes of Israel and defeat them*, in order that he could *rule all the tribes of the kingdom* again.

² But Yahweh spoke to the prophet Shemaiah and said this to him: ³ "Go and tell this to *Solomon's son* Rehoboam, the king of Judah, and to all the Israeli people of the tribes of Judah and Benjamin: ⁴ 'Yahweh says that you must not go to fight against *the people of Israel; they are your distant relatives*. All of you must go home. What has happened is what Yahweh wanted to happen.'" *So Shemaiah went and told that to them*, and they all heeded what Yahweh had commanded them to do, and they did not attack Jeroboam *and his soldiers*.

Rehoboam fortified cities in Judah

⁵ Rehoboam lived in Jerusalem, and his workers built walls around several of the cities and towns in Judah to protect them *against enemy attacks*. ⁶ *In the area that belonged to the tribes of Judah and Benjamin* they built walls around Bethlehem, Etam, Tekoa, ⁷ Beth-Zur, Soco, Adullam, ⁸ Gath, Mareshah, ⁹ Adoraim, Lachish, Azekah, ¹⁰ Zorah, Aijalon, and Hebron. ¹¹ He also appointed an army commander in each of those cities and towns, and gave them supplies of food, olive oil, and wine *to keep in storage*. ¹² He put shields and spears in all the cities and made them well-protected. So he continued to rule the tribes of Judah and Benjamin.

¹³ The priests and other descendants of Levi throughout Israel supported Rehoboam. ¹⁴ The descendants of Levi *who lived outside the territory of Judah and Benjamin* abandoned their property and their pastureland, and they came to Jerusalem and *to other places in Judah*, because Jeroboam and his sons would not allow them to do the work of priests of Yahweh. ¹⁵ Instead, Jeroboam appointed the priests that he wanted to work *at the altars he commanded to be built on the hilltops, to offer sacrifices to the idols that he commanded to be made that resembled goats and calves*. ¹⁶ And people from every tribe in Israel who wanted to worship Yahweh, the God to whom the Israelis belonged, went with the descendants of Levi to Jerusalem to live there and to offer sacrifices to Yahweh, the God whom their ancestors *worshiped*. ¹⁷ They caused the kingdom of Judah to be strong, and for three years they were happy that Solomon's son Rehoboam was the king. During that time they conducted their lives *righteously* as David and Solomon had done previously.

Rehoboam's family

¹⁸ Rehoboam married Mahalath. She was the daughter of David's son Jerimoth, and her mother was Abihail, the daughter of Eliab and granddaughter of Jesse. ¹⁹ Rehoboam and Mahalath had three sons: Jeush, Shemariah, and Zaham. ²⁰ Later Rehoboam married Maacah, the daughter of Absalom, and they had four sons: Abijah, Attai, Ziza, and Shelomith. ²¹ Rehoboam loved Maacah more than he loved any other of his wives and slave wives. Altogether he had 18 wives and 60 slave wives, and 28 sons and 60 daughters.

²² Rehoboam appointed his son Abijah to be the leader of his *older and younger* brothers, because he wanted to appoint Abijah to be the next king. ²³ He very wisely sent some of his other sons to other cities in the areas of the tribes of Judah and Benjamin, and to all the other cities that had walls around them. He gave them plenty of supplies and many wives.

The army of King Shishak of Egypt invaded Judah

12 After Rehoboam was in complete control of his kingdom, he and all *the other people in Judah* stopped obeying the laws of Yahweh. ² As a result, after Rehoboam had been king for almost five years, Yahweh sent Shishak, the king of Egypt, *with his army* to attack Jerusalem. ³ Along with his army he brought 1,200 chariots and 60,000 soldiers riding horses and a very large number of troops from two regions in Libya, and from Ethiopia. ⁴ They captured many of the cities in Judah that had walls around them, and they came as far as Jerusalem.

⁵ Then the prophet Shemaiah came to Rehoboam and the other leaders of Judah who had gathered in Jerusalem because they were afraid of *the army of Shishak*. Shemaiah said to them, "Yahweh says this:

"You have abandoned me; so now I am abandoning you, to *allow you to be captured by the army of Shishak*."

⁶ Then the king and the other Israeli leaders humbled themselves and said, "What Yahweh is doing to us is fair."

⁷ When Yahweh realized that they had humbled themselves, he gave this message to Shemaiah: "Because they have humbled themselves, I will not allow them to be destroyed. Instead, I will soon rescue them. I will not use Shishak's army to completely destroy the people of Jerusalem, ⁸ but they will conquer Jerusalem and force the people there to do what Shishak wants them to do. As a result, the people of Jerusalem will learn that it *is better* to serve me than to serve the kings of other countries."

⁹ When Shishak's *army* attacked Jerusalem, they took/carried away the valuable things that were in the temple of Yahweh and the valuable things that were in the king's palace. They took everything *that was valuable*, including the gold shields that Solomon's *workers* had made. ¹⁰ So King Rehoboam's workers made bronze shields to be used instead of the gold ones and gave the bronze shields to the commanders of the men who guarded the entrance to his palace. ¹¹ After that, whenever the king went to the temple, the guards went with him, carrying those bronze shields. Then *when the king left*, they would return the shields to the guards' room.

¹² Because Rehoboam humbled himself, Yahweh stopped being angry with him and did not get rid of him. Instead, he caused good things to happen in Judah.

¹³ King Rehoboam again was in complete control in Jerusalem and continued to be the king *of Judah*. He was 41 years old when he became the king. He ruled for 17 years in Jerusalem, which is the city that Yahweh had chosen from all the tribes in Israel to be the place in which people were to worship him. ¹⁴ Rehoboam's mother's name was Naamah. She was from the Ammon *people-group*. Rehoboam did evil things because he did not try to find out what Yahweh wanted him to do.

¹⁵ An account of all the things that Rehoboam did while he was the king, and lists of the members of his family, are in the scrolls written by the prophets Shemaiah and Iddo. The armies of Rehoboam and Jeroboam were constantly fighting each other. ¹⁶ When Rehoboam died, he was buried in the *part of Jerusalem called 'The City of David'*. Then his son Abijah became the king.
